

HARDBERGER GETS \$350. REWARD

Hardberger, received a check from the F. O. department for the week for \$350.00 reward for catching the man who took Mr. Finley our watchman out and tied him to a wagon and burglarized on Jan. 8' 1928.

Parties implicated and arrested were: Toy Haile, Ray Wright, Raymond Tillman, Armstrong, Dave Horton, and Stell. Toy Haile turns evidence and was turned over to the state.

Three weeks later he was caught while robbing a store and Wright was sent up for a year, and escaped in three weeks and is still at large. It is thought that Rush Steel, Ray Williams and Earl Armstrong escaped about six weeks ago and are at large. Dave Harrison is in the pen. Several years from Knox and thirty-five from county.

Hardberger states that he has been in office he has lived about \$1250.00 in but only in two cases now that there was a reward until the capture was made.

He always tries to do his duty whether there is a reward or not, but as officers are paid too much he thinks it is not to turn one down.

He says that if he was single he would fall in love with a girl and she was so beautiful she had only one dress and getting ready to marry and right at the last moment she was found to be a couple million dollars, and not let that stand in the way. That is the way he would take a reward.

Sunrise Wedding Of Popular Couple

A large congregation of friends witnessed a very beautiful wedding on the lawn of the First Baptist church, this city, at sunrise, Monday, June the third; when Miss Fannye May English became the bride of J. Gordon Acker; Pastor J. W. English pronounced the ring ceremony. Lealie Acker, brother of the groom was best man, while Miss Louise English, sister of the bride was her attendant.

The bride wore her travelling dress, a rose beige ensemble with accessories to match. She carried an arm bouquet of pink sweet peas and gladiolas. Mrs. Ruth Teague played Mendelssohn's wedding march and while the ceremony was pronounced, Snubert's Song of Love.

Mr. and Mrs. Acker left immediately for Mineral wells and Glenrose where they will spend several days, after which they will be at home in the new Harrison duplex.

Bon voyage to these young people whose home we are glad to say will continue to be in Knox City where Mr Acker has a position with the Cameron Lumber Company. Mrs. Acker who is the second daughter of Rev. and Mrs. J. W. English, has taught in our school here for the last three years.

Annual Epworth League Assembly

Annual Summer Assembly of the Epworth League of the northwest conference will be held at McMurry College at Abilene, Texas starting Monday June 10th and ending Friday June 14th. This will be one of the greatest meetings for the youth of this section that this Conference has ever had. The purpose of this Assembly is to direct into the channels of enthusiasm, the religious fervor the zeal of the young men and women of our state into the highest type of Christian citizenship. Through our assemblies we hope to influence youth to lose themselves in the inspirational depths of Christian fellowship.

The assembly opens Monday 10 o'clock a. m. in the Administration building with the registering of delegates. Monday evening will be annual banquet in the Chrystal room of the Hilton. At this time the faculty will be introduced. J. E. Shubert has some worth while surprises planned for the occasion.

BAPTIST CHURCH

Good day last Sunday. Special sermon announced was postponed for some other time owing to heavy rains that affected the attendance Sunday evening.

There were two additions at the morning service. There will be baptising service next Sunday night. Pastor in pulpit both hours Sunday. Bible studies continue in book of Exodus every Wednesday night. This has been a notable hour to a goodly number who attended regularly. There is a decided toning up of interest along all lines. Revival meeting, led by Rev. Sam Morris, of Abilene, begins June 30th.

Mrs. Ottis Cash, Misses Cassie Thompson, Annie Freeman Margaret and Verdie Denton, left Wednesday for Canyon, where they will be in school this summer.

Miss Mabel Howell, who has been attending the Technological college at Lubbock, was at home with her parents, Mr. and Mrs. J. W. Howell, over the week end. She returned to Lubbock Tuesday.

Vernon Bridges was a visitor in Abilene last week.

Miss Gretchen Howell and brother, R. B. left Monday for Glenrose, where R. B. will be under the Doctor's treatment for several days.

FARMERS-BUSINESS MEN BANQUET BIG SUCCESS

The Chamber of Commerce held it's first Farmer-Business men banquet Tuesday evening in the basement of the First Methodist Church. They plan to have these gatherings quite often.

About seventy farmers interested in the advancement of a diversified farm program and crop rotation were present.

Plates were laid for about 125. The banquet was served by the P.-T. A. and it is needless to say that "they know their stuff."

The object of these meetings is to put the Chamber of Commerce and farmer in closer touch with each other to help solve their problems.

H. S. Leon, Andrew Bradford, J. E. Davis and B. Walters, of Rule were present. They invited our farmers to co-operate in the supplying of cream to the creamery.

C. L. Wilson, County agent was present and made a good talk. A number of short talks were delivered all in line with the cow, sow and hen program.

B. M. Whitaker, agricultural expert for the west Texas Chamber of Commerce from Haskell, was the main speaker of the evening. His talk was devoted to the cow, sow and hen in connection with diversified crops. He has the real goods, facts and figures from the boys who have actually made a success. His talk was truly worth the entire evening.

The local orchestra was at it's best, and gave freely the popular music of the day. Knox City has some rael musicians.

The banquet was more than a success.

Thanks to the entertainment committee and those responsible for its success.

1268 acres would make a big farm

At Milford, Michigan, 1268 acres have been made—not into a farm—but into a Proving Ground for automobiles.

Long before your General Motors car is built, specimen models are sent to the Proving Ground. This fleet is tested in actual use. It has to meet every bad driving condition, from heart-breaking hills to slambang bumps.

But that isn't all. Other cars of American and European manufacture are bought and put through the same tests, so that General Motors always knows how its products compare with others.

The tests involve speed, power, endurance, braking, riding comfort, handling ease, fuel, oil and tire economy; body strength—every phase of car construction and performance.

When the specimen cars are finally able to meet every test, they are sent back to the factory. The car you buy is made exactly like them.

The next time you examine a General Motors car in your dealer's showroom, think of those 1268 acres. They would make a big farm. But they make a better promise of proved car value.

ELECTRA WOMAN IS STARTLED BY RING OF TELEPHONE

Had Awful Nervous And Dizzy Spells At Times—Orgatone Restores Her

"I am no more like I was before I began taking Orgatone than day is like night," said Mrs. May Beadle, of Electra, while in a Drug Store in Wichita Falls.

"I had indigestion so bad for four years," she continued, "that I could hardly eat anything without having trouble afterwards, even breakfast foods disagreed with me. I suffered terrible after eating, from pains in my stomach and gas that would rise and press against my heart. I had so little appetite that I used to dread meal time to come because it meant that if I ate anything at all, I would have to force it down. I had such dizzy spells that often I would have fallen headlong to the floor, if I hadn't caught hold of something for support as soon as things began to whirl around me. My nerves were so upset that I didn't have the patience to do the embroidery or needle work that I loved to do when I was well. Slight noises like the telephone ringing would startle me, and even the ticking of the clock sometimes annoyed me. I kept losing strength until I was unable to do my own housework at all, and finally began to be despondent because nothing I tried to helped me.

"One day I read of some people here in Wichita Falls that had been helped by Orgatone and I determined right then and there to try it.

"I took Orgatone faithfully according to the directions and hadn't finished the first bottle before I was feeling much better than I had for several years. I have steadily improved, until now, my appetite is so strong that I am always glad when meal time comes and I can eat anything I want. My digestion

is perfect, so I don't have any more trouble with gas, apins, shortness of breath, or dizzy spells. I can do any kind of work that I ever did. I am now as well as I ever was any day of my life, free from all discomfort and gaining strength right along. I will be grateful to Orgatone the longest day I live. Genuine Orgatone may be obtained in Knox City at the Orient Drug Store. adv.
