VOLUME 54

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, MAY 21, 1959

NUMBER 25

...quite a bit of publicity has appeared recently in state papers and other mediums concerning the selection of a national flower.

If Congress ever gets around to it, the selection is going to be a tough one. Many Texans would like to see the bluebonnet selected. . . . Illinois wants it to be a corn tassel. . . . Kentucky wants it to be blue grass. . . . Ohio is for carnations. The South is supporting the magnolia, and Hawaii, the orchid. But it now seems to be the consensus of opinion that the all-around choice is the rose. . . . as it is grown in all parts of the United States.

If Congress does pick the rose as a national flower, this scribe wonders which variety of rose it would be. . . . since there are hundreds of varieties.

To settle the arguments. . . . whether it be the bluebonnet, blue grass, carnations, the Magnolia, or the corn tassel, let's not hassle with the tassel, or argue about these other flowers. . . . so why not pick the cotton plant as the national flower?

We are almost sure this selection would very much please Senator (Cotton) George Moffett. Laying all joking aside, the cotton plant in full bloom is a very, very pretty sight to see. . . . and to most farmers in every cotton picking. . . . we mean cotton growing state it is by far the most beautiful "flower" of all.

So this scribe is going to put in our two-cents worth, and name the cotton plant as the national flower.

Overheard at the postoffice the other day. . . . One fellow says to another. . . . "They say your wife is outspoken." "By whom?" came a quick reply.

Just thinking out loud. . . . A great man shows his greatness by the way he treats little men. . . . Humility leads to strength and not to weakness. It is the highest form of self respect to admit mistakes and to make amends for them. . . . It's amazing how much good you can do, if you don't care who gets the credit.

Today's modern nursery rhyme. Mary had a little wolf. . . . she fleeced him white as snow.

To name everyone who has taken part this spring in helping to watch for storm clouds would be an almost impossibility. . . . but city and county units, along with volunteers, working with other units in this area have done a good job, and in turn have kept Knox Citizens warned of approaching storm clouds. We know of several Knox Citizens who have set outside town on a lonely road, or hill almost all night on several occasions in order to help keep residents informed about clouds.

Some criticism has come our way about the blowing of the storm warning signal. Some seem to think it gets residents all excited, and a number of people get in their automobiles and scurry to and fro, creating a traffic hazard; however the blowing of the siren, as has been pointed out from time-to-time, does not mean Knox City is going to be hit by a tornado. . . . it just warns residents of approaching storm clouds, and gives them plenty of time to head for the cellar. . . . or use their own judgment as to what procedure to take.

Most residents, however like the idea of being warned in advance, and appreciate the information. . . . however, as the old saying goes. . . . "you can please some of the people some of the time. . . . but you can't please all of the people, all of the time."

H. C. (Hut) Corley Is Charged With Theft Of Horse

A jury hearing testimony in a horse theft trial in 39th District Court recently at Haskell returned a verdict of guilty and assessed a two year prison sentence.

Charged in the Grand Jury indictment was H. C. (Hut) Corley of Knox City. The indictment alleged theft of a horse from Horace Lee Grider of Rochester on or about January 8 of this year.

Little League Season To Open Here Tuesday Night

Play ball! That will be the cry of the umpire here next Tuesday night, May 26, at Robin Field, when the Little League baseball season officially gets under way for the summer.

The four teams in the league include the Tigers, managed by Charles Reese and coached by Fuller Shannon; the Braves, managed by Buster Hodges and coached by Sonny Hughes; the Cardinals, managed by Eddie Shaver Jr., and coached by Jack Fisher; the Red Sox, managed by Gary White and coached by Kenneth Myers. A list of the little league players on the four teams was published recently in the Herald.

Sammy B. White is president of Little League; John Standlee, vice president; Wesley Garrison, secretary-treasurer; Bud Carter, head umpire, and head ground keeper, Bill Anderson.

During the season, games will be played on Tuesday and Thursday nights, with two games each night. The twilight game will begin at 6:00 p.m., and the night game at 8:00 o'clock.

Opening games Tuesday night will match the Red Sox vs. the Cardinals in the twilight game, and the Braves vs. the Tigers in the night contest. The teams will meet again on Thursday night, May 28, with the times reversed.

Concession stands will be open each night of games.

First half schedule of play follows:

FIRST HALF
May 26: 6:00 p.m., Red Sox vs. Cardinals, 8:00 p.m., Braves vs. Tigers.

KNOX CITY HORSE WINS AT HASKEL

Horses owned by Fort Worthers swept all but one of the champion and reserve champion places in the Palomino division of the annual horse show held last Saturday afternoon at Haskell.

The show, including Quarter Horses and Shetlands, was held in connection with the annual Rice Springs Round-Up.

John McCown of Knox City broke the Fort Worth horsemen's grip on the top titles Saturday when he showed his senior mare, Lady Hawkins, to the grand championship of the mare classes.

In the Junior stallions class, Joe's Watchdog, owned by John Nichols, of O'Brien won fourth place.

OIL NOTES

JUST TALK

By JAMES HILL

In keeping posted on the progress of the new swimming pool Saturday, we asked Otto Lawson if the pool would be ready on schedule, and he assured us the pool would be open June 1st, as planned. We haven't been able to see too much progress the last two weeks, but we suppose building swimming pools is similar to building houses—the first week or so there is a big showing, but when you get to the finishing up process, things always go, or rather seem to go slower.

The thing that has worried us most about the deadline, is the fact that Bill Sams has said all along that he was "diving in the pool on June 1st." If there is no water for Bill to hit, it will probably take the rest of the year to clean the pool. We only wish that someone the size of Zeb Smith had volunteered sooner.

Friday, May 22, Commencement Exercises for the seniors will get under way at 8:00 p.m. It is always a sad as well as glad time for the students as well as their families. It means the "kids" are practically grown and that it won't be long until they make their marks in life for themselves as well as the fami-

lies they eventually will rear. It is our wish that they will further their education in a college of their choice. Right now is the most important decision any graduate will ever make—to go to college, or go to work. Please go to college, if you have a choice, otherwise you may end up working on a newspaper!

Although North still seems West and South still seems to be East to us, we have at last located Knox County on the Texas map. According to Betty Williams, and we'll take her word 'bout most anything, we now reside in North Central Texas! We are glad to learn this, as our kin-folks in East Texas think Knox City is in West Texas, and the kin-folk in Lubbock seem to think we are way back in East Texas.

Has anyone an old, dog-eared, moth-eaten, second hand pocket

dictionary they don't use? Seems the Herald office is in dire need of another one. We have one large one on the wife's desk, but it is in constant use, as she can't spell cat without two f's, and there is also one on Al's desk that he really doesn't need because he can spell most everything, anyway, but he uses it as a paper weight to hold down all those very important last month's papers, and as a receptacle for his 2-inch cigar stubs, so when we run across a word really difficult to spell, we "lose," we are just out of it.

Streams In Desert Places

Ozelle Stephens
 The law of God is not a burden upon one's life. It is the easiest obligation of life. When you have captured the meaning of the one word "love," it will be easy to keep the commandments. Jesus taught us to love God with all our hearts, mind and strength, and to love our neighbor as ourselves.

Love is never a difficult thing. It is a pleasant thing. The practice of loving others does more for one than anything else. It makes life beautiful, and worth living. When you practice love toward God first, your neighbor second and yourself third you will have tapped the most wonderful source of life. You have discovered the secret of the universe. "Love is the fulfilling of the law." (Romans 13:10).

This is another place Plymouth proves its...

BIG DIFFERENCE

IN ECONOMY

USAC Plymouth, traditional economy champ, again won its class in the Mobilgas Economy Run... won for the *third straight year!* In this recognized competitive test for economy, a Plymouth V-8 averaged 21.15 miles per gallon. Plymouth's proven high gas mileage, initial low purchase price, low maintenance cost and good resale value all add up to the Big Difference in economy!

PLYMOUTH DELIVERS BIG DIFFERENCE IN PERFORMANCE

But you don't have to sacrifice performance to enjoy Plymouth's top economy. The Fury V-800 engine that powered the Plymouth to its Mobilgas victory is the biggest standard V-8 in Plymouth's field. Its 230 horsepower packs plenty of power.

BIG DIFFERENCE IN QUALITY

We sincerely believe that the '59 Plymouth is the finest car Plymouth has ever built. Check every inch of this car. See the difference great engineering makes.

TAKE A "TWO-MILE TRY-OUT" NOW!

Get behind the wheel of a Plymouth and really feel Plymouth's Big Difference. Take your "Try-Out" soon.

To be fully appreciated, must be driven...

BIG DIFFERENCE IN RIDE

Plymouth's famous Torsion-Aire Ride is the most comfortable ride on the road. It acts as a built-in road-leveler—it virtually eliminates roll or sway on turns—front end dive on stops. And it's yours at no extra cost on Plymouth.

BUT YOU DON'T PAY FOR THE DIFFERENCE

The top-selling, low-price cars are all priced about the same but only PLYMOUTH gives you the Big Difference for your money.

Livestock Survey Begins June 1

Postmaster Jeff Graham announced today that Rural Mail Carriers will begin distributing June 1, 1959 Livestock Survey Cards to patrons on their routes about May 21.

This mid-year livestock survey is the first of three which your Post Office and U. S. Departments cooperatively make each year. The June 1 survey provides basic information to the Texas Crop and Livestock Reporting Service in Austin for estimating the 1959 calf crop; what the spring crop actually numbered and a preview of farrowing intentions for the fall season.

Also, poultrymen will get information on number of chickens raised during the spring. Those chickens will be the coming fall and winter's laying flock. To be sure this community is well represented in this survey, Postmaster Graham urges each patron receiving a card to fill it out and return to his mail box.

Rural mail carrier working on this project is C. A. Wilson.

Nat'l. Salvation Army Week Is Being Observed

W. P. White, Knox City Service Unit Chairman, Texas Division Salvation Army, announced that this week, May 17-24 is being observed throughout the United States as National Salvation Army Week. White said the Salvation Army is known in Texas, and elsewhere for the service it renders to needy persons. A few of the services rendered by the Salvation Army, White pointed out include the homeless, the troubled, youth guidance, the sick, disaster victims, prisoners, employment service, missing persons, religious services, and many others. "Observance of this special week is to let residents know just what the Salvation Army does," White said.

Knox City Gets Driver Award

Southwestern Insurance Information Service made one of a series of 17 awards for driver training Fridays to Knox City High School at an assembly in the high school library.

Wade Coursey of the Wichita Falls office of State Farm Insurance Companies made the award, an engraved trophy, to E. A. Youngblood, Supt.

Schools throughout the State were divided into 10 groups on the basis of the number of students enrolled. Knox City has won first place award in Group VII.

Winners were selected by the Texas Safety Association assisted by the Texas Department of Public Safety and the Texas Education Agency.

Coursey, in making the presentation, pointed out that "the Knox City driver training program satisfied all the requirements set up by the Texas Department of Safety and the Texas Education Agency for an accredited driver training course. In addition to meeting basic requirements, Knox City's program exemplifies the very best in efficiency, thoroughness, and outstanding results."

The offense was alleged to have taken place recently. At present Wilson is being held in jail at Benjamin.

Cotton Week is slated May 18-23... theme is "It's Cotton Time U. S. A."... how about helping out in this ???... start right now by asking your merchants if they plan any sort of special promotion... let them know you are interested in seeing cotton goods pushed... a suggestion from a local customer will do more good than anything else we can think of... It's surprising how many cotton producers and handlers don't take the time or trouble (and it would not be much) to promote cotton in every day contact... it would not be much trouble to add a single line at the bottom of every letter you write saying, Have you seen what a fine job is done on the new wash-and-wear?... "Guess you know cotton wall covering is the latest style"... or some such thing that promotes the use of the world's finest fiber... one thing, though... cot-

CARD OF THANKS

We extend deep appreciation to all our friends and neighbors, who did so much for us while I was receiving treatment in the hospital.

Especially do we thank the blood donors; for those who sent flowers, cards and who "sat-up." The many beautiful expressions of sympathy and all kindnesses received were most helpful.

May God's richest blessings rest upon each of you in our prayer.
