Joint Elections Set By City, School, Hospital

The City of Knox City, the Knox City-O'Brien Consolidated Independent School District, and the Knox County Hospital District will again hold their respective elections together this year and have set the joint election for Saturday, April 2, in the Community Center. Polls will be open from 7:00 a.m. until 7:00 p.m.

In the city election, the terms of Mayor Kenneth Crownover and councilmen AP. Denton and Vernon Bridges will expire. At this time, none of the incumbents have indicated whether or not they will seek re-election.

Holdover council members are councilmen Celso Gonzales Jr., Charles Auburg, and L.V. Worley.

City secretary Faye Railsback said that any eligible person who desired to file may do so at the City Hall. To be eligible, a person must have resided in the State of Texas the past 12 months and be a resident of the city the past six months.

The Knox City-O'Brien C.I.S.D. School Trustees have called for the Trustee Election to be held Saturday, April 2.

Because of the Consolidation of the former Knox City ISD and the former Carney ISD, a new seven member board will be elected with at least two members being from the former Carney District. The seven elected members will draw for one, two or three year terms.

Candidates may find the necessary filing material at the superintendent's office. All candidates must file by March 2 with the secretary of the Board of Trustees, John Grindstaff Jr.

The order further provides for joint election to be held with the cities of Knox City and O'Brien and the Knox County Hospital District. Voters in the former Knox City ISD will vote at the Community Center and voters in the former Carney district will vote at O'Brien.

Absentee voting for the former Knox City ISD residents will be in the superintendent's office and for the former Carney ISD residents

at the O'Brien Mid-School principal's office. Absentee voting will begin on March 14 and continue through March 29 and will be conducted during weekdays between the hours of 8:00 a.m. and 4:00 p.m.

In the hospital election, the terms of Henry Jean Jones of Knox City will expire. Holdover members are Richie Smith of Munday and Vernal Zeissel of Rhineland.

According to hospital administrator, Glen Rumley, filing deadline for the hospital election is 25 days prior to the election date.

Anyone wishing to file as a candidate must be 18 years of age or older, must be a registered, qualified voter of the district, own land subject to taxation by the district, and submit a petition to the secretary of the board, Richie Smith, in Munday. The petition must contain the names of not less than 23 qualified voters residing within the boundary of the hospital district.

Petitions for the position may be picked up at the Knox County Hospital.

Deadline for filing in the city election is March 2, and absentee voting by personal appearance will begin March 14 and continue through March 29. Mrs. Railsback will serve as absentee voting clerk for the city.

City Water Rates Go Up February 1

City officials agreed after much discussion during the January meeting of the city council that water rates must be increased.

Rising cost of materials, fuels, and labor were cited as the factors that have made the utility increase necessary.

Water rates will be increased to \$5.50 for the first 3,000 gallons with 35 cents per additional one thousand gallons. The increase of \$1.50 will make the minimum bill \$10.75 rather than the current \$9.25. The price for the additional thousand remains the same, according to Faye Railsback, city manager. Also, the sewer and garbage rates will remain the same, she explained.

The council also agreed that every business should be assessed an equitable rate for nightwaching services.

Changes in these rates will be reflected in the February 1 bills, Mrs. Railsback said.

In other action, David Albus was appointed to serve as a director on the Local Housing Authority Board, replacing Otis Cash who has served a number of years.

School Calendar Unchanged

Supt. W.R. Baker received notice from the Texas Education Agency that the school day missed January 10 would not need to be made up.

The notice from the Texas Education Agency was in response to a request from Supt. Baker that the district be allowed not to make up the day because of Lone Star Gas Company's natural gas curtailment.

Supt. Baker said, "To make the day up would have caused numerous hardships and inconveniences to students, staff and their families."

As for other possible days of gas curtailment or bad weather, it remains uncertain as to what ruling might be given from T.E.A. Baker and other school officials in Region IX met last Thursday in Wichita Falls to map plans to ask the Texas Legislature for local leeway in determining whether or not it is practical or desirable to hold classes when adverse conditions exist.

The 1977 stickers, which had a solid red background with white year figures and state name, will be applied to the depressed area in the upper right hand corner of the rear metal license plate.

The 1976 sticker should remain in its present position in the upper left hand corner of the rear license plate, Smith stated.

Thailand Native Visits

By STACY ANGLE

Last weekend was a special weekend for the Weldon Skiles family when their son Donny, a student at Sayre Junior College in Sayre, Oklahoma, brought home a friend from college; however, this was no ordinary friend. Their houseguest was Chalermchai Wongpiya from Bangkok, Thailand.

Known to his friends as Chai, he has been in the United States for three weeks. He left his home by plane before Christmas and stopped in Puerto Rico to visit an aunt, via Los Angeles, Oklahoma City, and then to Sayre.

Chai is studying general education at Sayre and hopes to enter the field on engineering. After finishing his two years at SJC, he plans to attend a college or university in Texas possibly Texas A&I in Kingsville. Before coming to SJC, the 21-year-old student attended Ramkhamhaeng University in Bangkok for two years. He transferred to the U.S.A. as engineering was not available in the Bangkok University.

This being the first time in an American home, Mrs. Skiles prepared rice at one of the meals as this was eaten by Chai many times at his home in Bangkok. He also tried to give the Skiles family a lesson on how to eat properly with chopsticks.

Chai told Mrs. Skiles that they do celebrate Christmas in Bangkok; however, since he left before Christmas this year, his family did not celebrate the holiday.

Donny took his new friend hunting on Saturday morning and he killed two rabbits which Estelle planned to fix for their dinner Saturday night. Spotlighting was part of their Friday night's activities as was a high school basketball game here in Knox City.

Chai said on the average a meal in the United States which would cost approximately \$1.50 in American money would equal 25 cents in the same currency in Thailand. He also said that he

was amazed how friendly the people were here in the smaller towns.

Estelle said that he asked if he could call her 'Mom' as this was a custom in his native country. Donny further added that he called his dorm parents at SJC 'Mom and Dad', also.

In pronouncing his name, Chai remarked that Donny's brother, Greg, could do the pronunciation of his name well as he could roll his tongue to make the proper sounds.

It seemed that there was 'never a dull moment' when Chai was around as when we arrived for the interview, Donny's sister, Rhonda and

Hospital Seeks Legal Action On Collections

The Board of Directors of the Knox County Hospital has announced that on February 1, delinquent accounts now on the books in the hospital office will be submitted to Justice Court, County Court, and District Court for collection.

Bad or unpaid debts for 1976 alone totaled more than \$29,000, and that was for only ten months of operation, Glen Rumley, hospital administrator said.

Rumley further stated that normal billing procedures along with letters and even

Lankford Shower To Be Saturday

The First Baptist Church is hosting a miscellaneous shower for the Charles Lankford family Saturday from 3:00 until 4:00 p.m. in the Fellowship Hall, located on the south side of the new educational building.

The Lankfords lost all their belongings in a fire last week and friends were anxious to help the family by honoring them with the shower.

Although the church is hosting the affair, all persons in Knox City and the surrounding area are invited to attend, a spokesman said.

WES-TEX COUPON CLEARING HOUSE owner Bob Harrison and his wife Bobbie are pictured in his office as they look over one of the many reports that crosses his desk daily. The Harrisons are preparing for an open house Friday afternoon in celebration of the firm's tenth anniversary.

From 1:00 p.m. to 5:00 p.m.

Wes-Tex Sets Open House Friday

The Wes-Tex Coupon Clearing house is celebrating its tenth anniversary this month with an open house scheduled this Friday (tomorrow) from 1:00 p.m. until 5:00 p.m. Everyone is invited to go by the Clearing House, located in its new building adjoining Bob's Super Save on the east side, and let the employees show you all the interesting things that take place there.

The coupon firm began with an idea in the mind of owner Bob Harrison, who also owns Bob's Super Save, back in January 1967. Being in the grocery business himself, Harrison said he realized the need of a way to handle the

hundreds of coupons issued by manufacturers, and thus, the coupon clearing house was originated.

At that time, Bob's Super Save was located in the building the Mini Mall now occupies, and the first office for the firm was a 12'x14' space at the rear of the grocery store. He explained that the first three to six months the firm was in operation, no coupons were processed, as the clearing house had to be recognized by the manufacturers who issue redeemable coupons on their products.

In July 1970 the Harrisons purchased the building just north of the U.S. Post Office

and moved the coupon office along with the grocery store to its present location.

After five years of operation, the coupon firm employed two fulltime and three part time clerks and served 600 accounts. Now at the end of 10 years' operation, the firm employs eight fulltime workers in addition to Harrison and his wife, Bobbie, and serves 2,000 accounts from eight states including Texas, New Mexico, Oklahoma, Arkansas, Louisiana, Kansas, Colorado, and Missouri.

The Wes-Tex Coupon Clearing House moved into new facilities last August. The new 40'x50' office building adjoins Bob's on the east and contains two offices, both paneled and carpeted, a large processing area, snack bar facilities, and restrooms.

Office manager is Billie Jean McAuley and other employees include Dana McIlhane, Linda Large, Sharon Pierce, Mary Brannan, Kay Lindsey, Tanya Whitten, and Sequoyah Reynolds.

Services of the clearing house are limited strictly to retailers and cannot accommodate individuals.

One business could possibly have 80 to 120 mailings to various manufacturers for collection of its coupons, but when handled by the clearing house, one mailing takes care of it all, Harrison explained.

Clerks in the clearing house first sort the many coupons into each particular denomination, then according to manufacturer. The coupons are then counted and the quantities of coupons and denominations of coupons, retailer's identity, and manufacturer's identity are indexed into the IBM 32 computer, which was installed August 16. The computer is programmed to take these items and compute the amount due the retailer, write his check, send him a letter each four months as a reminder to mail his coupons in to Wes-Tex. It also takes this same information and prepares invoices for returning the coupons to the issuing manufacturer.

In March of last year, Harrison decided that with the continuing growth of the coupon house, it was becoming more difficult to keep up with both businesses and he named Gus Cowart as manager for Bob's Super Save. Mr. Cowart, his wife, Marie, who assists in the grocery store, and their children, Karen and Kelly, moved here from Lamesa.

The Harrisons have made their home in Knox City since April, 1962. Their son, Rob, and his wife, Belinda, live in Kermit where he is a licensed mortician with Cooper Funeral Home.

Wes-Tex Coupon Clearing House is one of only four such firms in the state of Texas and is certainly an asset to the town and community.

EVER WONDER WHAT HAPPENS to those coupons you redeem at the grocery store? These employees, along with their boss, can show you how they are processed right here in Knox City during their open house for Wes-Tex Friday afternoon from 1 to 5. Grouped around the IBM 32 computer are, reading clockwise, Sharon Pierce, Tanya Whitten, Dana McIlhane, office manager Billie Jean McAuley, Bob Harrison, Linda Large, Mary Brannan, Kay Lindsey, and Sequoyah Reynolds.

Area Youth Entered In Fort Worth Show

FORT WORTH -- Youth from our area will be entered in the Junior Show at the 81st annual Southwestern Exposition and Fat Stock Show during its ten-day run Jan. 28 through Feb. 6.

Participating from Knox County will be David Counts of Knox City, Doug Brown of Benjamin, Dave Partridge, Bobby Therwanger, Randy Waggoner, Janet Zeissel, Mary Denise Zeissel, and Melissa Zeissel, all of Munday.

The young people will be competing for premiums totaling almost \$60,000. Entries have been posted in divisions for steers, beef breeding heifers, dairy cattle, breeding sheep, lambs, barrows, and student teams in judging contests for livestock, poultry

and eggs and identification of range plants.

"We are encouraged by the increasing numbers of young people who exhibit each year at the Stock Show," said W.R. Watt Jr., general manager. "It gives us a brighter outlook for the future of the agricultural and livestock industry."

In addition to prizes earned in competition, youngsters showing prize-winning livestock receive additional money when their animals are sold in the Sales of Champions for steers, barrows and lambs. Young showmen last year received more than \$123,000 from the three auctions with many using their money for further education and training.

Monroe Thomas Undergoes Surgery

Mr. and Mrs. Walter Thomas were in Fort Worth Tuesday, January 18, to be with their son, Monroe Thomas as he underwent heart surgery at Harris Hospital.

Mrs. Thomas remained there for a week. Mr. Thomas returned to Fort Worth on Sunday and he and his wife came home Monday.

According to Mrs. Thomas, Monroe is doing fine and was expected to be able to return to his home Tuesday.

City Employee Completes Course

City employee Dean W. Homstad recently completed a 16-hour course and received certification in solid waste regulations.

The course was conducted in Abilene by Texas A&M University and Texas Department of Health Resources.

STREAMS IN DESERT PLACES

By OZELLE STEPHENS.

"Wherefore let him that thinketh he standeth take heed lest he fall" 1 Corinthians 10:12.

This tenth chapter of 1st Corinthians is written as a warning to all who will come to Christ, using Israel as an example. The Lord allowed Paul to look down through the corridors of time and see what would be happening in our day. The things that happened in verses 3 to 5 are examples for us, to warn us not to desire evil things or worship idols.

What is an idol? The Bible dictionary says anything that keeps you from letting Christ be Lord of your life; like work, property, cows, cars, clothes, laziness or anything that keeps you from reading you Bible and praying everyday.

I pray that all will take heed and not find themselves in the condition of the five foolish virgins. We are living in perilous times but when we turn to our Wonderful Lord and put Him first we will find Him waiting to forgive and fill us with His Spirit.

Snyder College Adds Agriculture Division

SNYDER -- Western Texas College has announced the organization of a Division of Agriculture effective with the spring semester.

Joe Carter, associate professor of science, will serve as division chairman.

Included in the new division will be the Department of Agriculture, the Department of Farm and Ranch Management, and the Department of Golf and Grounds Operations. Courses in all these departments have been offered at WTC in the past, but they were included in other divisions. By grouping them under a single division, it is felt that the agricultural programs can be strengthened and improved.

Van Rigby, assistant professor of agriculture, will direct the Department of Agriculture. Courses in this department are aimed at preparing students who plan to transfer to four-year colleges or universities.

Kent Mills will direct the Farm and Ranch Management program, designed primarily to train students to become farm and ranch managers or to pursue employment in agriculture-related industries. Students who complete this two-year program may earn the Associate in Applied Science degree.

The Golf and Grounds Operations program is directed by Tom Jones. WTC is one of the few colleges in the United States which offers this program. Students combine classroom instruction with practical experience in such courses as turf grass management, irrigation, landscape and design, pest control, soils and fertilizers, and the operation of grounds equipment. Students may earn the Associate in Applied Science degree in this program.

Carter, a native of Garden City, was graduated from New Mexico State University with the master of science degree in 1968.

O'Brien Happenings

BY CHARLENE BROTHERS

I'm going to start the week off right, even if nothing else goes right, by getting my news in on time again. It may not be the right thing to do as it might set my editor back a few days by getting it in on time two weeks in a row, we'll try it and see. I can also see right now that I will not have any liquid paper left when I get through, so my typing or the typewriter did not improve any during the weekend. I think some of my problem is that I think too fast with my mind for my fingers, or else my fingers are smarter than my mind and cannot stand to wait around for it to catch up, or it could be that I am not too good a typist, which is probably more correct than the other.

We had such a good service at church yesterday that I want to do a complete write-up of all that happened. I am serious about this, I really enjoyed all of it, especially the singing. It was Baptist Men's Day and the men of the church had charge of the programs, Sunday School and the whole bit. First was the Men's choir, which included nearly every man present, directed by the music director, Steve Lang. They did a great job. Then came the Sunday School report by Ivan Rowan, prayer by Rob Johnston and scripture reading and announcements by Jerry Johnston. There was Baptismal services for Jay Emerson and Sammy Grindstaff Jr. In charge of taking the morning offering were Sonny Correll and O.C. Poe, and Sam Johnston gave the offertory prayer. Special music was by Butch Stephens, C.H. Underwood, J.M. Emerson and Don Roberts of Azle (to me this was the highlight of the morning). The message was given by F.D. Emerson, "The Reality of the Living Christ" and the benediction by Butch Stephens.

The evening service was started with the call to worship then a special by Butch Stephens, J.M. Emerson, C.H. Underwood and Sue Stephens (again this was very special to me). In charge of the evening offering were Craig Brothers and Greg Covey and Marvin Robertson. Shane Johnston gave a special at this time, "Yesterday, Today and Tomorrow". The scripture reading and prayer was given by Charles Reed. The time usually for the message was used for several laymen and others to tell "What Jesus Means To Me". Taking part in this was Orval Manning, O.C. Poe, Claudale Barnard, Ivan Rowan, L.A. Covey, Mr. and Mrs. Rob Johnston, Gladys Grindstaff and Bob Cameron. Cyle Carver then closed the services with prayer. (I may not have gotten everything in the exact order that it came, but anyway this is what happened. It was really a good day for me, and I think our church finally has discovered some talents of some of the people that were being hidden all this time. We will be looking forward to having these or some others to have some special music once a month now.)

HERE AND THERE

Visiting in the home of Mr. and Mrs. S.M. Manning during the weekend were Mrs. Larry Gibson and Shawna, Denise Lancaster of Springtown, and Cynthia Lancaster and Mrs. Tim Ivey of Fort Worth. They also visited with the James Manning family and the J.O. Brothers family.

Gordon Herring of Fort Worth visited with his brother and wife, Mr. and Mrs. Ranzy Herring, and also with his niece, Eva Covey, during the weekend.

Grady Ellis is a patient in the Methodist Hospital in Lubbock and is reported to still be having tests made at this time. I'm sure he would enjoy a card or a visit from anyone.

Vicki Hewitt and Keith Rowan, students at Western Texas College in Snyder, visited during the weekend with their parents, the Coy Hewitts and the Ivan Rowans.

Gail Rowan of Lubbock visited with her parents, Mr. and Mrs. Ivan Rowan, during the weekend.

Mrs. Veeta Reid and Angelia, Craig Brothers, Greg Covey and Shane Johnston

attended the movie, "Noah's Ark", in Stamford Sunday afternoon.

Mr. and Mrs. Jerry Rowan of Henrietta and Mr. and Mrs. Trey Burson and Traci of Haskell visited with Bernice Rowan a little while Saturday.

Mrs. James Manning Cody and Christie were in Springtown and Fort Worth Sunday afternoon to meet Pearce's cousin from Silsbee who is coming to visit with the Manning's for a few days. They returned to O'Brien Monday.

Bob and Kathy Cameron were in Pampa Monday where Bob was in charge of the funeral of a friend of theirs.

My unidentified friend from Seymour needs to send me some news as I have just about run out of anything to write about. Nearly everyone is busy getting ready to start

farming and not doing much visiting. Of course to me writing that so and so visited with so and so is not really news, but this is what the people like to read about so I send all I can get each week. I am not a writer, but some day I would like to be able to write a column for a large newspaper about happenings and facts, so if you wrote true happenings and facts about something or someone, you would not be chewed out by people that are just looking for something to get on someone about, they would be busy about their own business and not have time to worry about everyone else's. I'm sure I have not said what I mean just exactly right, but as I said above I am not a writer, which most of you know by now, do get some compliments along with the criticism, which is very nice.

Corder Rites Held Monday

Funeral services for Warren O'Neal Corder of Truscott were held Monday afternoon at 2:30 p.m. in the First Baptist Church in Truscott with the Rev. Harry Martin of Abilene, officiating. Burial followed in Truscott Cemetery.

Mr. Corder, 78, died Saturday in an Abilene hospital.

BE ON ALERT FOR BOVINE COCCIDIOSIS

Texas livestock producers should be on the alert for the condition known as bovine coccidiosis, as a result of extremely wet weather in many areas of Texas.

Cattle losses due to this protozoal parasite were estimated at \$47 million in 1971. The disease may occur anytime of the year, but it often strikes when humidity is high and temperatures are warm. An important exception is "Winter" coccidiosis, when temperature and humidity are comparatively low.

Cattle of all ages may be affected, but it is seen more often in calves from three weeks to six months old. Signs usually begin about two weeks after infection, and diarrhea is the most prominent symptom. There may be signs of blood or mucus in the fecal material. A rough hair coat is common and the animal can become severely dehydrated, lose weight and die.

Prevention of bovine coccidiosis is aided by sanitary measures that prevent feed, hay or water from becoming contaminated by an affected animal. Poor nutrition due to overgrazed pastures, overcrowding of penned calves, and constant feeding of hay on the ground in the same area should be avoided. Clean water from sources not contaminated should be provided.

A veterinarian should be summoned if a problem is suspected so that diagnosis and prompt treatment can be given. Worm medicines for treating other types of internal parasites are not effective against bovine coccidiosis. Most severely affected animals require additional care and treatment for recovery.

EDITORIAL COLUMN

By Kelly Robinson and Adrian Jones
Well, how many of you have heard about the new game on the market? In case you haven't, it appears that "Capital Punishment" is now beginning to become a pastime in America just like baseball, hot dogs, apple pie, and Chevrolet. Our most recent American heroes are those that want to "die with dignity."

As far as we are concerned, these so called "Heroes," because they want to "die with dignity," should not, as in Monopoly, pass go nor collect 200 dollars. In other words we feel that if a convicted murderer is put up for a death sentence and wants to, as they put it, "die with dignity," they should be put in prison for the rest of their life. After all, prisons are supposed to be a means of punishment for the criminal and if they get what they want, it seems to us that it isn't a worthwhile solution by using so much money to keep our prison systems functioning.

We feel that maybe if the laws were a little stricter and people knew just exactly what was in store for them if they killed someone, there would be a lot less violence.

We feel very strongly about not televising an execution. There is enough crime and corruption on TV, in the movies, and in other every day life without adding to it. Can you imagine the mark it would leave on a child? The nightmares it would cause and the questions that would have to be answered? Write in and tell us your views on the matter and be sure the next time you're in a variety store, to look for "Capital Punishment," the new game in town.

FTA NEWS

By Kelly Robinson
The Knox City FTA Chapter held a meeting last Thursday night to discuss the State Convention in late February. After many seconds of discussion and several great ideas about whether or not to go, it was unanimously, well almost, decided that we will not go on the trip. Instead we will wait until later in the year and go to Six Flags or do something else with the money that we have. The meeting was then dismissed by Mr. Duke, the sponsor.

FHA NEWS

By Irene Flores
FHA members have been busy during the last several weeks with money making projects and special activities.

Last December 20, the FHA girls had a Christmas party at Adrian's house. We listened to music, while we munched on sandwiches and cookies.

January 3 we had several girls tryout for the state choir which will sing at the State Convention in Houston later. Angela Reid made this choir with Laura Hunt as alternate.

The FHA has hosted several banquets this year. These banquets were the Tri-State Chemical Banquet, the Knox County Livestock Awards Banquet, and the Riverside Chemical Banquet. These Banquets are part of our money-making projects for this year.

BETA CLUB NEWS

By Kelly Robinson
The Beta Club had a meeting last Monday, January 17, in the math room at the high school. Order of business was to collect money for sale of window stickers, which the club has been selling for a good while. After all money was turned in, it was decided that we would continue to sell the booster strips we have left. If you still haven't bought one, just look up a club member and we'll certainly sell you one. No further business was discussed and Tamie Grindstaff, president, dismissed the group.

PASF NEWS

By Robert Espinosa
The PASF club of the Knox City High School held their fourth meeting this year. Discussion was about the Mexican Dinner held every year by the PASF club. Tickets will be on sale next month. The supper will be February 20, 1977. After the meeting refreshments were served which were cookies and cakes.

SENIOR CLASS NEWS

Thursday at 6:00 the seniors have a class meeting. We will be discussing the fifth and sixth grade tournament. We know for sure it will be February 10, 11, and 12, at O'Brien gym. Also, we are planning our SENIOR TRIP. YEA!!!
We're counting down the days until GRADUATION!!!

JUNIOR CLASS NEWS

By Peggy Gutierrez
Last week (Thursday) the junior class was supposed to have a unit test in Literature. Thanks to Mrs. Watson it was postponed until Monday. I hope everyone had enough time to study.

FHA FRESHMAN CLASS NEWS

By Gerri Watson
This last week we have still been working on our skirts and pants. We have been keeping Mrs. Newton busy with questions. In a week or two, we will probably be through with our work.

Mrs. Newton passed out a Home Experience for our class. A Home Experience is when we choose something to do at home like sewing or keeping your room clean. We started working on this January 20 and we are to be finished by February 16. We will make a report during this time to tell of our progress.
Last Monday night some girls had to serve at the Riverside Chemical banquet. These banquets are part of our money-making projects. We do not have anymore planned for awhile.

Coaches' Comments

By Steve McIlhoney
The Houndettes played another overtime thriller last Friday night. It was a tight game from start to finish. Each team had a five point lead at some time during the game, but neither team could ever pull out any further. Paducah had a one point lead at the end of the first quarter but the Houndettes came back to lead by four at half time. At the end of the third period the teams were tied 30-30. In the fourth period the Dragonettes pulled out to a lead causing the Houndettes to have to comeback. Down by five the Houndettes got four points from Gayle Ware to comeback to within one. After a free throw by the visitors which cupped their lead to two, Rhonda Skiles hit from 18 feet to tie the game with 20 seconds to go. After a missed shot by the Dragonettes, the team came within an eyelash of victory when Peggy Gutierrez' shot from midcourt went in the basket and back out.
In the overtime Paducah controlled the ball most of the time and outscored the Houndettes 6-3.
In the game the Houndettes played wellmost of the time. We had turnovers at critical times which prevented us from building a lead. We hit well from the field and free throw line. We held our fouling to a minimum. If we can cut our turnovers down we will do alright the rest of the season.

KC Grad On WTC Dean's List

SNYDER -- Vickie Berryman of Knox City has been named to the Dean's List at Western Texas College for the 1976 fall semester.
Students named to the Dean's List must be enrolled for at least 12 hours of college credit work exclusive of physical education and make a grade point average of 3.5 or more on a 4.0 grade scale.

PRACTICING PHARMACY IS AN ART
Most prescription drugs are now pre-compounded by the pharmaceutical firms. But, many of them are so potent, have such similar names, that it requires expert knowledge to always be certain we dispense exactly what the physician prescribes.
There are still prescriptions for ointments, lotions, capsules, eye preparations, etc. which require individual compounding. We welcome these prescriptions, even though they take more time to prepare.

Your Social Security

The decision on whether or not disabled persons are eligible for social security disability benefits is a joint effort of the Social Security Administration and Texas Rehabilitation Commission, according to Carl Beisner, Social Security claims representative in Vernon.
If benefits are to be paid, the letter tells how much a month they will be and when to expect the first check.
If the worker is found ineligible, the letter explains why and tells how the decision can be appealed.
"The Texas Rehabilitation Commission also considers whether or not vocational rehabilitation services might help a disabled worker get back to work," Beisner said. "The services include counseling, teaching of new skills, training in the use of prostheses, and job placement. They may be offered to those not eligible for social security disability benefits as well as to persons who are."
Social security benefits can also be paid to severely disabled persons who were disabled before age 22 when a parent is eligible for social security benefits or has died after working long enough under social security.
The Social Security Administration is an agency of the U.S. Department of Health, Education, and Welfare. The Vernon Social Security Administration is located at 1701 Cumberland. The phone number is 817-552-9346.

Area Students On MSU Honor Roll

WICHITA FALLS - Two area students were among the Midwestern State University students who were listed on the fall semester honor rolls.
The Dean's honor roll listed 53 while 150 made the University honor roll. Dean's requires all "A's" on at least 15 semester hours, and University honor roll is 3.5 grade point average on the 4.0 system for at least 15 hours.
Named to the University Honor Roll was Jerry Dean Stamps, 1976 KCHS honor graduate. Stamps is married to the former Debbie Reese and is the son of Mr. and Mrs. Dee Stamps.
Also named to the University Honor Roll at MSU was Louann Marie Kuehler, daughter of Mr. and Mrs. Alphonse M. Kuehler of Monday.

David McGaughey Named To WT List

WTSU -- 14.3 percent of West Texas State University's 6,557 students were named to honor rolls for the fall semester.
738 students were named to the Dean's List, who have a semester grade point average of 3.25 or higher for a completed semester load of 12 hours.
Listed on the Dean's List from Knox City was David McGaughey, a mathematics major and son of Mr. and Mrs. John McGaughey.

WEEKEND VISITORS

Visiting with Mr. and Mrs. Craig Carver over the weekend were her parents and sister, Mr. and Mrs. Roy Adams of Rotan, and her other sisters and their husbands, Mr. and Mrs. Ricky Williams of Wolforth and Mr. and Mrs. Bob Greenlee of Abilene.

Lions Club News

By Z.I. Smith
A guest of the Lions Wednesday was local attorney Joe Reeder.
Lion John McGaughey announced that a supply of applications had been received for the Texas Lions Camp for Crippled Children in Kerrville and everyone should begin to look for prospective campers in age bracket 7 to 16 years. He also announced that Lion Guy Robinson was still in the hospital.
Program chairman J.C. McGee introduced Reeder as program speaker. Reeder recently attended a three-day seminar at Texas A&M University covering the subject of inheritance taxes. His side comment to Aggies was, "You can't get an education at A&M in three days". Reeder touched lightly on various phases of inheritance tax requirements both federal and state. Those inheriting have nine months to file a state and federal tax form and usually those with holdings of \$60,000 or less are exempt. Reeder warned that even this should be checked carefully because the government has a revised list of articles that are now covered as inheritance.
Various Lions commented that the process had been made so complicated that it was necessary to consult an attorney just to be sure you were in the clear.

Mr. Cochran welcomed his daughter, Blanche Hodges of Plainview.

Health Services Available at Tech

LUBBOCK -- Texas Tech University students have access to all services provided by family doctors when they report to the Student Health Clinic, with the added benefit that students can be referred to specialists in the School of Medicine.

The Student Health Service is dedicated "to promoting and maintaining conditions which will encourage each student to realize optimum physical, emotional, intellectual and social well-being," said Dr. Reagan H. Gibbs, director of the clinic.

"Many times when students come to the Health Clinic, they are not only physically sick, they may also be homesick; and that makes them even sicker. It's our job to give them the attention they need, medical and otherwise.

"We hope that soon students will be able to make appointments for the Health Clinic." Appointments would have to be made approximately one day in advance to allow time for the records to be forwarded to the doctors.

The staff of four full-time and one part-time doctors, eight full-time and four part-time registered nurses, five full-time licensed vocational nurses and two nursing aides (one full-time and one part-time) concentrates on helping the students, treating 13,322 last fall semester.

The Health Clinic operates from 8 a.m. - 4:30 p.m. Monday through Friday, including vacation periods. From 4:30 p.m. - 8 a.m. and on weekends the Emergency Clinic is open.

The Health Clinic and Emergency Clinic are in Thompson Hall.

Cotton Prices Rise Above Loan Rates

Local cotton prices offered to farmers ranged from 20 to 24 cents per pound over CCC loan rates, according to B.B. Manly in charge of the U.S.D.A. Cotton Classing office in Abilene. The market was strong early, but weakened late during the week ending January 20. Demand was moderate, and trading was slow to moderate. Most available qualities of cotton brought prices ranging from 43 to 56 cents per pound.

Cotton grade distributions continued fairly consistent even for late season ginnings. Grade 42 continued as the predominant grade classed, comprising 33% of the total classings. It was followed by grade 52 at 29%, grade 32 at 12%, grade 51 at 11%, and grade 41 at 8%. About 51% of the samples were reduced in grade because of bark or grass.

Staple lengths were 60% staple 32, 20% staple 31, and 9% staple 33.

Micronaire readings were 68% within the 3.5 to 4.9 range, 31% 3.4 or lower, and 1% 5.0 or higher.

A total of 16,000 cotton samples were classed at the U.S.D.A. Cotton Classing office in Abilene during the week ending January 20. This brought the seasonal total to 478,000 samples classed.

BENJAMIN NEWS

by Mrs. Van Green

The first round of district play has ended with the Benjamin boys standing three wins and no wins. The girls won two wins and one loss. The first district game was with Chillicothe. The boys score was Chillicothe 29, Benjamin 29. Kelly scored 16 points and Jimmy Carver, 13. The boys score was 37 - 30. Johnny scored 17 points, Keith 8, Joey Pierce 4, and Mark Collins 1. Against Harlan, the girls scored 49 points to the opposition's 28. Kelly scored 25, Tammy, 18, Lynda Brooke Hudson, 4, and Sheila 2. The boys score was Harold 46, Benjamin 42. Johnny Pierce had 12, Keith had 10; Mark Collins, Joey Pierce and Louis 4 each. The final game of the first round was last Friday night against Northside. The Benjamin girls won 46-37. Kelly had 26; Tammy 18, and Lynda Brooke, 2. The boys score was Northside 50, Benjamin 40. Keith Pierce had 10, Joey Pierce, 10 each, Johnny Pierce 9, Louis Baty 6, Pedro Estrada 3, and Mark Collins 2.

Second round begins Tuesday night here as they meet Chillicothe. We wish them the very best in the next round of games.

MOST ATHLETIC
In recent elections at the high school, Kelly Milson was selected Most Athletic girl and Johnny Pierce was selected Most Athletic boy. Both students are very active in all sports. Kelly is a senior and Johnny, a junior. We congratulate both these students.

ATTEND STOCK SHOW
Among those from Benjamin attending the regional stock show in Abilene last week were Mr. and Mrs. Fred Carver, Tammy and Stacy, Mr. and Mrs. Stanton Brown, Sheri and Doug, Mr. and Mrs. Homer Rolston and Lori, Mr. and Mrs. Donny Ryder, Shannon and Stacia, Mr. and Mrs. Tommy Antilley, and Mr. and Mrs. Billy Benson and Sheila.

JR. HIGH TOURNEY SET
The Benjamin 7th and 8th grade basketball teams will be entered in a tournament at O'Dell this coming weekend. The games begin Thursday. The 7th grade girls play at 12:30. The 7th grade boys play at 1:45. The 8th grade girls play at 3:00 and the 8th grade boys play at 4:15. I'm not sure who they play but be there and see some good games. We want to see all teams bring home that first place trophy. S.L. Milson is the girls' coach and Benny Grill coaches the boys.

HERE AND THERE

Mr. and Mrs. Steve Conner of Lubbock spent the weekend with his parents, Mr. and Mrs. Bud Conner.

Mrs. Mildred Hamilton and Gary visited the R.D. Hamiltons in Vernon the first of the week.

Mr. and Mrs. Darr Snailum and Darla of Fort Stockton visited his parents, the Lee Snailums recently. Also visiting the Snailums last week was her nephew, Lonnie Carter of Salt Lake City, Utah.

Mrs. Lee Snailum attended the funeral of Clark Wills in Quannah last week.

Mrs. Audrey Nolan is visiting her daughter and family, the T.B. Browns in Wolforth a few days.

Visiting friends here last week and her sister, Mrs. Anna Rae Allen in the Brazos Valley Care Home, was Mrs. Audrey Mathison of San Angelo.

Mr. and Mrs. Sam Loper of Lubbock visited his mother, Mrs. Lele Loper, and his sister and her husband, Mr. and Mrs. Claude Stockton, over the weekend.

Noel Hamilton visited his parents, Mr. and Mrs. Jack Hamilton in Idalou over the weekend.

ALTERATIONS MADE EASY

Simple alterations can turn a poorly fitting garment into a "good fit," making it more attractive and comfortable to wear.

Fit is one of the most frequently listed reasons for buying (good fit) or not buying (poor fit) a garment. Influencing need for fitting alterations are weight gain, or loss, changing fashion trends such as hem lengths, individual preferences and fabric shrinkage.

The following can make fitting alterations easier and more attractive:

-Fit garments on the body right side out to get an idea of

how the garment should look and because right and left sides of the body may differ.

-Before fitting, all zippers, buttons, snaps, belts and hooks and eyes should be completely fastened. Also, wear undergarments and shoe heel heights similar to ones planned to go with the garment.

-Analyze the garment's fit from the top down. Pin fitting adjustments and make alterations one at a time also from the top down. Adjustments made in the upper part of a garment affect the fit of the remainder of the garment and may correct other problems. Always make hem length adjustments last.

-Study the construction techniques used by the manufacturer before removing the original stitches. When restitching the same area, try to use the same or similar techniques.

-Know the limitations before you start. Garments more than one size too large or too small are difficult to alter successfully through existing seams and design lines.

Watch for punched holes used by the manufacturer in marking and trimmed and clipped seams that cannot be let out. Also, the original stitching or fold lines on some fabrics cannot be let out without showing.

IN GRAHAM

Mr. and Mrs. Sammy B. White, accompanied by Sammy's mother, Mrs. Eva White of Rule, visited in Graham Sunday afternoon with their daughter and her family, Mr. and Mrs. Ronny White and Chris.

HELEN AGUILERA

ATTEND FUNERAL

Mrs. J. O. Buchanan, accompanied by her son, Archie B. Buchanan and her sister, Maudie Lou Blain, both of Fort Worth, attended funeral services for Mrs. Buchanan's sister-in-law, Mrs. Alice Mae Owen in Amarillo Saturday at 4 p.m. in Carmichael-Watley Chapel.

Mrs. Owen, 71, was buried in Fairview Cemetery.

She died Thursday in High Plains Baptist Hospital in Amarillo.

Mrs. Owen was born April 30, 1905, in McLennan County and moved to Pampa in 1942 from Knox City. She married B. B. Owen June 8, 1934, in Benjamin. She was a member of the First Baptist Church.

She is survived by her husband, four sons, a daughter, a brother, three sisters, 19 grandchildren and five great-grandchildren.

NATIVE

from page one

Chai were in the living room playing one of the new American games, including tennis and other sports, which is shown on the television screen.

Chai is to be in the United States for six years and does not know at this time whether or not he will be able to return to his home during this time.

Or question asked of Chai was did he think Donny's father, Weldon, and his uncle, Willard, who are identical twins, looked alike. He immediately shook his head and smiled with a broad grin.

Chai also said that English is taught in Bangkok schools beginning with the primary grades on through the upper classes.

One of six children, Chai's father has a factory which supplies parts for the Massey-Ferguson Tractor Company in the United States. He also stated that the religion of his family is Buddhism.

After visiting with Chai for a few minutes, she began to apologize for not shaking hands for in their country bowing is the traditional greeting.

Asked how he reacted upon SJC for his admission, Donny explained that he learned of the Oklahoma college through one of the banks in Bangkok and that he must keep his grade average at a certain level while attending American schools.

Donny and his friend, Chai, came to Knox City on Friday of last week and returned to Sayre Sunday afternoon.
