NUMBER 30

Friday is the Big Day

Santa Fe Farm and Home Special to Arrive at 4:00 P M

KNOX CITY MEN INVITE YOU

Friday of this week, March the 18th, the Santa Fe Farm and Home Special will be in Knox City. The train will arrive at four o'clock and from then to five o'clock will give their schedule program.

In keeping with the motives of this program given jointly by the Santa Fe Railroad and A. and M. College, the merchants of Knox City are offering special prices on articles in their businesses so that we all may buy our needs at the lowest possible cost. On the back page of this paper you will find the advertisement of fifteen merchants of Knox City, quoting you prices not easy to duplicate. We urge that you read every word on this last page. Then too, those merchants desiring to quote you specials offered by them over Friday and Saturday were not all able to get on that page, so you will find other specials, made especially for this occasion, given in other advertisements in this paper. We urge that you read every advertisement in the entire paper.

As a saving to you, we the Herald family are offering you a very special price on the paper for one year, Over Friday and Saturday. For these two days only, we will give you the Herald one year for 79 cents. If you want the Herald, this is the time for you to show your desire. Make up 79 cents and come in.

Miss Margaret Reeder of Knox City has been chosen from a group of six candidates to represent Texas Christian University this year at the Texas Round-Up to be held at the University of Texas April 14, 15, and 16.

Miss Reeder is also a candidate from the Junior class for a beauty page in the Horned Frog, the T. C. U. yearbook.

Mr. and Mrs. Billie Clarke and Mr. and Mrs. Edwin Clark spent the past weekend with their parents, Mr. and Mrs. J. E. Clarke on the plains.

Mrs. J. J. O'Brien and little daughter returned to their home in Roosevelt Oklahoma last Sunday. Mother Shaver is greatly improved.

Mr. and Mrs. Press Hitchcock drove to Haskell Sunday to see their daughter, little Miss Myra Jean. She is there with relatives and has the whooping cough.

Mrs. W. L. White left Knox City Wednesday for Stephenville to see Mrs. Minnie White. We are glad to state that Mrs. Minnie White is getting along well.

Tom Waggoner returned home Tuesday from the Valley. He also visited in Old Mexico. Tom says that everything in the valley was killed by the severe cold spell.

"H. H., Jr." Now Teacher

President Hoover's oldest son, Robert Hoover, Jr., is now a "teach-fellow" of the California Institute of Technology.

OLDER PEOPLES SERVICE BEST OF SERIES

Tuesday morning at ten a service especially arranged for the older people of Knox City was held in the Theatre building as one of the series of Revival services now being conducted by the Methodist Church. While every service in this series has been well attended and the sermon and song service have been excellently given, the service Tuesday morning was the sweetest of the number. It was no doubt the most touching, the most impressive service of the series.

The faces of our older men and women were seen to brighten with a smile of happiness as the choir sang old hymns, those hymns, the singing of which brought about the conversion of many of our older men and women.

A check taken as to the ages of the older men and women present revealed the fact that 22 people above the age of 50 were present, also 9 people above the age of 75, three people the age of 84 and one person 87 years young. That chap was Mr. A. P. Oliver.

Testimonies made by these older men and women were startling revelations, and brought tears to the eyes of many who sat in their hearing. The longest life given in active service for God was seventy years. This woman was Mother Cummings. Several others lives have been given to the half century mark and longer in service for God.

Following the brief but profitable discourse given by Reverend Sharp the honored parents and others in attendance, enjoyed immensely the song "No Disappointment in Heaven" sung by Mrs. Acker and Mrs. Sharp.

The services of the Revival are continuing uninterrupted throughout the week.

Plan now to attend the services for all the remainder of the week.

SERVICE FOR FIREBOYS AND LEGIONAIRS

Reverend J. H. Sharp announced Wednesday that an invitation had been extended to the Knox City Fireboys and the American Legion to attend the service Thursday morning as a special service arranged for them. This will be at the ten o'clock hour.

On Saturday afternoon at two o'clock there will be a service in the Theatre building for everyone; the morning service will not be held Saturday.

Sunday the two regular services will be held with an additional service at three in the afternoon at the Theatre building.

The services are continuing this week with a fine average attendance. Everyone is invited to attend all the services.

Press Clarke was here with his family a few days this week. He returned to Albany Wednesday David Clarke, son of Mr. Press Clarke, has the flu and is unable to be in school.

The son of Mr. and Mrs. Will Herring, who lives north of the city, died here Sunday and was buried Monday at Rhineland. E. Q. Warren made the funeral arrangements.

Mrs. Benton Anderson, Miss Ruth Rice and Mrs. Baker, all teachers in the Knox City school, are out this week with the flu.

Mr. Campbell and Mr. Cecil Blanton of New Mexico are here this week visiting with Mr. Standfield, who is in the hospital.

Miss Mozelle Stubbs is spending this week with friends in Fort Worth.

How He Hates to Pull the Trigger

By Albert T. Reid

DEBATERS IN INVITATION TOURNAMENT

Friday of last week the two debating teams of the Knox City school with their coach, Miss Park, accepted the invitation from Vernon to enter a practice debating tournament there.

The two teams composed of Sydney Edwards and Mary McAuley with Jacquelin Reese substitute, and Jeff Graham and Donald Withrow, accompanied by Miss Park and Mrs. T. S. Edwards, drove to Vernon Friday for the tournament. The girls debated with Megael, Memphis and Electra winning 5 points out of a possible nine. The boys debated with Electra, Olney and Plainview winning 6 out of a possible 9 points. This made a total of 11 points won by Knox City out of a total 18 possible points. The Knox City teams showed up awfully well, scoring higher than several of the larger schools. Miss Park coach of the teams expressed her pleasure in the work which the two teams did.

Friday night the guest teams with their coaches were entertained with a banquet. They were also entertained in the homes in Vernon over the night without cost.

The Debating portion of the county Interscholastic League will be held in Benjamin on the first and second of April. The two teams of Knox City are looking forward with much anxiety to this event which, of course, they hope to win.

Kenneth Edwards and Letton Huntsman were in Fort Worth over the weekend. They entered the Fat Stock tack and field events, the total entry being 900. The events were not completed because of the severe cold spell.

Mr. and Mrs. Joe Watkins of Rochester are the proud parents of a fine baby boy who arrived last Friday. Mrs. Watkins was Miss Shaw, a former nurse in the local hospital, and quoting hospital authorities, she was a girl who did her work well. Joe is a brother to Mrs. Holt Mosley of this city. He often assists in the work at the City Tailor Shop Saturday friends here of Mrs. Watkins are happy with the arrival of the fine

Mrs. Gentry, mother of Sam White, is number one the sick this week.

MEANING OF THE 4-H CLUB

During the past week there has been much discussion in town as to the meaning of "4-H" in the 4-H Club work. This discussion arose out of the fact that the Santa Fe Farm and Home Special, which is to be in Knox City Friday afternoon, is encouraging the 4-H club work. We give you below the meaning of the "4-H" as furnished us by Mrs. J. C. McGee, an active member in the 4-H Club at Union Grove.

The "4-H" means, "My head to clear thinking,

My hands to greater service, My heart to true loyalty and finer sympathy.

My health to efficient living in service to my home, my community, my country and my God."

A clear reading of that which the 4-H stands for reveals that fact that our women belong to and work for the 4-H club are doing the finest things there are to do. It is noble, and fine and good, and with the knowledge of the meaning of the 4-H club we all will lend a keener hearing to the work these women do, will look with more satisfaction to their accomplishments and all give more freely of ourselves, our time and our aid in helping promote the good of the clubs.

Mrs. C. H. Keck drove to Sanatorium Texas Sunday to see Mr. Keck, she found him still improved. Mrs. Keck returned home Monday.

W. R. STEPHENS VERY LOW

W. R. Stephens, a Knox City boy but now in Roswell New Mexico, is critically ill. Upon receiving word of his condition, Mrs. Rutledge, Virgil Stephens and W. R. Stephens' wife of Quannah, went to Roswell. Word received since their departure states that W. R. is a little better. W. R. was operated on for appendicitis.

4-H CLUB TO MEET EARLY FRIDAY

The 4-H Club of Union Grove will meet at two-thirty Friday afternoon instead of three o'clock inored for the ladies to drive to Knox City in time for the Santa Fe Farm and Home Special which will be at four o'clock. It is hoped that every member of the 4-H club will be present at the Union Grove School house at two-thirty Friday afternoon.

HORSE BREAKS MANS LEG

Sunday Mr. R. W. Stanfield escaped with a broken arm and broken leg when a horse ran over him. The accident occurred so quickly that Mr. Stanfield is impossible to relate how it happened, however, he feels fortunate being no more injured than he is. He is in the local hospital doing nicely.

Casey Jones, Fred Warren and George Clifton attended the funeral of the Herring boy in Rhineland Monday.

Roy Smith for County Judge

The entry, this week, of Roy Smith, of this city, into the race for County Judge will add considerable zest and interest to discussions among the voters, of political possibilities for the coming primaries in July.

Perhaps at no time in recent years has aspirants to public office been as closely scrutinized as they will be in the elections of this year and because of Mr. Smith's ample qualifications his candidacy will receive the instant approval of not only his many friends and associates of this city but by the voters generally over the entire county. His business training, political and social life and fraternal connections have advanced him from the realm of community citizen to that of "County Citizen". He is, indeed, the county's very own, native to its soil, having been born here 37 years ago, he has been active in every agency and force that have sought the advancement of its varied interests and activities.

His ability has often been recognized, and his counsel as often approved in civic and educational affairs, having served two terms as City Councilman; two terms as a member of the local board of education and is at present holding the office of Mayor of this city. He is also an ex-service man. He has shown efficiency, honesty and conservatism in all public trusts placed upon him and his friends are confident that should he be favored in the election returns that the same good fellowship and ability will attest to his successful adjudication of all legal and financial affairs of our fine county.

DRY MEETING TO BE HELD IN WICHITA FALLS

Friends of the 18th amendment here and in other neighboring communities will be invited to join in a series of mass meetings to be held in Wichita Falls, March 23 and 24 by the Allied Campaigners under the leadership of Dr. Daniel A. Poling. The meetings are part of a nation wide campaign conducted by the Allied Forces for Prohibition to develop support for the amendment, and arrangements are being made for delegations from all the surrounding communities.

Believing that something must be done to meet the attacks being leveled at the 18th amendment, Allied Campaigners have undertaken a tour of more than 500 cities to tell the truth about prohibition and rally all citizens to its active support.

Six nationally known speakers are making the tour. The list includes Dr. Poling, who is Chairman of the Allied Forces; Colonel Raymond Robins, noted social economist, and Oliver W. Stewart, Dr. Ira Landrith, Miss Norma C. Bown, and Robert C. Ropp, all prominent leaders in the prohibition field.

The movement is non-partisan and non-sectarian. Among its sponsors are Miss Jane Addams, Senator William E. Borah, Josephus Daniels, William G. McAdoo, Senator Morris Sheppard, Governor Gifford Pinchot, D. S. Parkes Cadman, Bishop John M. Moore and many other prominent men and women.

Little Misses Billie Bess Benedict and Elena Fayne White were entertained last Friday afternoon with a party honoring their birthdays. A good number of friends of the two girls were invited in and all enjoyed the out-of-door games. They also enjoyed sandwiches, birthday cake, hot chocolate and easter eggs which were served.

Mrs. W. E. Benedict was their hostess.

Mother Perry, who has been visiting her daughter at Haskell, returned to her home in McLain Sunday. She returned with Mr. and Mrs. Ernie Cubine, who were here over the weekend with her parents, Mr. and Mrs. L. N. Bridges.

Mrs. Epp Wilson has as her guest this week Mrs. Lottie Stout of Seymour.

Entered in the Postoffice at Knox City, Texas for transportation through the mails as second class matter.

We understand that Victor Pyeatt made the purchase of a horse Monday. Well, he has to herd his cattle doesn't he!

Mr. and Mrs. Otto Lawson and son, Mr. and Mrs. J. C. Campbell and Alvin Hamm spent Sunday in Fort Worth.

Jim and Aulele Stephens of Roswell New Mexico are here with their parents. They came in Monday morning.

Did you know that Jamison-Clonk Company has a complete stock of pipe and fittings for your windmill now?

H. M. Warren had to leave his place of business Tuesday afternoon and return to bed. He is trying to take the flu again.

Mr. Bumpus, Mr. John Coates and Mr. W. V. Holden were numbered among the crowd who were here Monday for trades day.

Horace Benedict and Casey Jones made a trip to Abilene Sunday. Casey says the trip was purely a business one but we don't know for sure yet.

Your Barber Work

I am now located next to the City Tailor Shop, a very convenient place and will be glad to have my old customers see me here.

My shop is well equipped and I can give you the best of barber service. I appreciate your business and will be glad to be your barber.

LEGIONNAIRES! ACT NOW FOR MUOR MONEY TO BE TURNED OVER AO AGRICULTURE

Need of immediate action on the part of members of the American Legion to get behind the Rankin Bill (HR 8578) providing pensions for the widows and orphans of World war veterans, was emphasized today by Loyce Teague Commander of the Legion here upon receipt of information from John Thomas Taylor, vice chairman of the national legislative committee, in Washington, through the American Legion News Service contained in a statement by Taylor concerning the position confronting the measure.

"The bill," according to the information received, "was favorably reported to the house February 1st, and contrary to the request, contains allowances for dependent parents and so-called 'needs' clauses which we call 'pauper' clauses.

These deny benefits of the legislature to a widow with no children who has an income of \$250 a year and to a widow with children having an income of \$400 despite the fact that her income may come from war risk insurance her husband provided for her after his death.

"House leaders, including Speaker Garner and Majority Leader Raley, will support the bill if these features are eliminated by the Veterans' Committee. Chairman John Rankin of the committee has asked to permit the bill to come to the floor but no action has been taken. Recently Representative Rankin filed a petition with the house to force discharge of the rules committee and obtain consideration of the bill but this petition also has not been acted on.

"Every member of the American Legion should realize this bill is the Legion's principal objective at this session of Congress.

"It is the obligation of members of the Legion to tell this to their Senators and Congressmen at once and emphasize the importance of removing from the bill provisions for dependent parents and the needs clause.

"If this is done I am confident there will be speedy action in the house for it will limit the cost of the legislation to about \$14,000,000 annually and under those circumstances be approved by the President. If he fails to sign it, this nominal cost will serve more readily to bring final approval by Congress over a veto than would be possible with a measure of greater cost."

Roy Smith, Henry Jones and O. L. Jamison attended the annual Chamber of Commerce banquet in Seymour Tuesday night.

From \$7,000,000 to \$15,000,000 Will Be Loaned In United States

TO HELP BUSINESS

Money Will Be Widely Circulated Throughout Texas

From \$7,000,000 to \$15,000,000 will be loaned Texas farmers through the regional agricultural loan office of the \$2,000,000,000 Reconstruction Corporation during the next sixty days, it is predicted by Owen W. Sherrill, regional manager for Texas, New Mexico and Arizona, with headquarters in Dallas.

These millions, it is explained by Mr. Sherrill, will gradually open with local trade territory for production purposes and will be widely circulated, providing a genuine stimulus to all lines of business.

All applications for loans must be made through the County loan committees in which the land is located, or through their sub-committees. County committees have the privilege of designating sub-committees in trade centers throughout counties to serve farmers in distant points.

The following is a general presentation of the provisions of the Reconstruction Finance Corporation Act relating to the granting of crop production loans.

1. Security: Absolute first lien on entire 1932 crop.
2. Loan limit to individual farmer, \$400.00.
3. Limit to all tenants in single county of one landlord, \$1500.
4. Loans will not be made to applicants planting cotton in excess of 65 per cent of their total cotton acreage in 1931. This does not apply to applicants planting 10 acres or less of cotton.
5. Loans will not be made to minors, to persons who did not farm, nor to persons having a means of livelihood other than farming.
6. Loans will only be made to "farmers who are unable to obtain loans for crop production in 1932" from other sources.
7. Proceeds of loan may be used only for crop production purposes and shall not be used to purchase machinery, livestock, nor to pay taxes, debts, etc.
8. Loans will not be made for a total acreage of crops in excess of the average acreage planted in 1930 and 1931.
9. Maximum loan for field crops in counties where fertilizer is not essential, \$3 per acre. Of the \$3 maximum, \$1 may be used to purchase seed; \$1 to purchase feed for work stock or fuel and oil for tractors; and \$1 for repairs and miscellaneous expense. For truck crops including potatoes and sweet potatoes allowance is \$12 per acre.
10. In addition to allowance for seed, feed, or fuel, and miscellaneous expense, in counties where fertilizer is essential, \$3 per acre may be added for the purchase of fertilizer for field crops. In place of truck crops, including potatoes and sweet potatoes, maximum allowance for seed, feed or fuel for tractors, miscellaneous expense and fertilizer is \$20 per acre.
11. In addition to seed, feed or fuel, miscellaneous expenses, and fertilizer, an allowance of \$2 per acre may be allowed for purchase of spraying and dusting materials for cotton, however, this allowance is available ONLY in counties in which spraying or dusting has been a regular practice. This allowance is \$4 per acre for truck crops in those sections in which spraying and dusting is absolutely necessary.
12. The allowance for fertilizer and spraying and dusting materials for bearing orchards and vine yards is \$25 per acre.
13. Applicant must agree to plant a garden sufficient for home use.
14. Applicant must agree to plant sufficient acreage of feed to take care of his livestock.
15. Applications for loans must be made before April 30, 1932.
16. All loans mature November 30th, 1932, but proceeds from all crops must be applied to payment of loan as soon as crops are harvested and sold.
17. Rate of interest 5 1/2 per cent per annum.
18. Advances may be made in installments which may be discontinued if money is not used for the purpose for which it was borrowed.
19. Application blanks for loans may be obtained from the county committees and other agencies designated by the county committees.

The Senior class of the Knox City school is practicing their annual play which they hope to stage here within the next two weeks.
