

# THE KNOX COUNTY HERALD

VOLUME 46

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, SEPTEMBER 20, 1951

NUMBER 43

## Theatres to Join in National Celebration

Clyde E. Williams, local theatre owner, announced today that the Texas Theatre and Sunset Drive-In will bring you the best pictures, the funniest cartoons and the best in news coverage during the celebration of "Movie Time in Texas."

Joining with the more than 1500 motion picture theatres in the state, the theatres will offer you the finest of entertainment all during this celebration, which begins today, Mr. Williams said.

This campaign is being launched in an effort to bring about a closer and friendlier relationship between the theatres and the community at large. The entire movie industry is behind "It's Movie Time in Texas."

A nationwide radio program, to be heard locally over KWFT, will be broadcast at 8:00 p. m. Monday launching the national campaign. More great movie stars than have ever before been assembled for a single radio show will participate. A few of those stars appearing are Bing Crosby, Claudette Colbert, Cary Grant, Gary Cooper, Gene Kelley and Jeanne Crain.

"The purpose of the celebration, 'It's Movie Time in Texas,' is to bring to the people of Knox City and all of Texas and the United States the fact that the movies play an important part in the every day life of our community," Mr. Williams added. "At one time or another the theatre draws the whole of the population. People go to the movies with an open mind and in a gala mood. The films bring relaxation, relief, escape.

"The film industry is planned and organized in such a manner that we in the theatre business in Knox City are able to bring to you exactly the same high standard of entertainment that citizens of large cities enjoy, with even lower costs of admission than those charged in larger cities."

"During this campaign the theatres locally will strive to bring the people of this territory some outstanding entertainment. Hollywood has made it possible for the theatres of Texas to bring to their screens many fine attractions that will not be presented elsewhere until later in the year.

"We want the people of Knox City and Knox County to feel that the theatre and its employees are their friends, striving to bring them the best in entertainment and relaxation. We are interested in our town's welfare, in its civic activities, and we at all times are striving to help make Knox City a finer place to live," Mr. Williams concluded.

## BUSINESS WOMEN PLAN UNAFFILIATED CLUB

Seven Knox City women were present Tuesday night to discuss the organization of a local Business and Professional Women's Club. The meeting was held in the music studio of Mrs. Mabel Pyeatt.

It was decided by the group that a luncheon or supper club was preferred instead of a federated organization.

Another meeting will be held in Mrs. Pyeatt's studio Monday night, Sept. 24, at 7:30 p. m. to discuss the organization of a business women's club that will not become affiliated with a national organization.

Those present Tuesday night were Miss Mamie Shaver, Mrs. Alma Culwell, Miss Carol Finley, Miss Wanda Lee, Mrs. Pyeatt, Mrs. E. Q. Warren and Mrs. Buddy Mullins.

All business and professional women in Knox City, O'Brien, Benjamin and surrounding area were invited to attend Monday night's meeting.

## DR. GAINES TO SPEAK AT LOCAL FOURSQUARE CHURCH

Dr. Clarke R. Gaines will be the visiting speaker at the Knox City Foursquare Church tonight (Thursday). Rev. Floyd V. Bailey, pastor of the church, announced this week.

Dr. Gaines is State Supervisor for Foursquare Churches in Texas.

Rev. Bailey urged every member of the church to be present, and invited the public to attend.

Dr. Gaines will begin speaking at 7:30 p. m.

## Quanah Attorney Announces for Legislative Post

O. L. Bell, Quanah attorney, has announced that he will be a candidate for the Legislature, to finish out the unexpired term of John E. Morrison, Jr., in the special election scheduled for November 13.

Mr. Bell, who has been practicing law since 1928, was reared in Chillicothe and is a former county judge of Hardeman county. He is married and has two children.

His formal announcement will be made at a later date, Mr. Bell said.

## School Lunchroom In Operation

The Knox City schools can now boast of one of the biggest, cleanest and best lunch rooms in this area, now that the moving and remodeling job has been completed.

The lunch room, which opened Tuesday, is in the old Union Grove school building, which was recently moved to the school grounds and converted into a lunch room and band room. The lunch room was formerly in the old school building, now occupied by the Soil Conservation Service and PMA offices.

The lunch room occupies all the north side of the building. The walls and woodwork have been painted white, new linoleum has been laid and new light fixtures have been installed, as well as more eating and seating space for the pupils and more cabinets and working space for Mrs. Bill Lankford and Mrs. O. L. Knight, who are in charge.

Approximately 100 persons can be served and seated at one time, it was reported. Mrs. Lankford said that milk is being served in half-pint bottles with drinking straws, and ice water is now available in the lunch room.

The first day, 150 pupils and 20 teachers were served, and on Wednesday the total jumped to 215 lunches served. Prices are 25 cents per meal for the pupils and 35 cents for the teachers.

## OFFICIAL RETURNS OF ELECTION RELEASED

John Ben Shepperd, Secretary of State, today issued a release of election returns of the Special Election for Congressman of the 13th Congressional District.

Judge Frank Ikard won by a large majority, and will be the new Representative to Congress from the district to fill the unexpired term of the Honorable Ed Gossett, who resigned to enter private business. The official returns are as follows:

Ikard, 8,970; Jenkins, 5,363; Jackson, 5,101; Wagonsel, 1,425; McFarland, 2,786; Crouch, 2,423; Wilmans, 60; Stephens, 41.

Shepperd stated that a certificate certifying Judge Ikard to his seat in Congress was air mailed to Washington to the Speaker of the House, the Honorable Sam Rayburn, to permit Congressman Ikard to start serving immediately.

Pvt. Hardy Day left Thursday after a week's visit here with his parents, Mr. and Mrs. Roy Day. Hardy reported back to his base in Pine Bluff, Ark. He expects to go to New York next Tuesday where he will leave for duty in Germany.

## Swine Show to be Held at Munday

The Knox County Swine Show will be held at Munday on Saturday, Sept. 22 at 2:00 p. m., with Frank Martin, County Agent of Haskell County, acting as judge.

4-H Club members to exhibit animals are as follows:

Pen of three fat hogs, Bobby McBeth, Knox City; Boar, Alton Lee Patterson, Vera; Gilts, William Bellinghousen, Rhineland, Johnny Jones, Goree, Harold Albus, Rhineland, Glen Bruce, Sunset, Tommy Decker, Rhineland, Vernon Davis, Knox City, and Robert Elliott, Knox City.

These 4-H members were given the registered Duroc animals through the Sears Foundation, and after exhibiting them at the county show, the first-place winners will compete in the district show held in connection with the Texas-Oklahoma Fair at Iowa Park Saturday, Sept. 29.

When the gilts farrow next spring, the fitters will be weighed at the age of eight weeks to determine the winners in the litter contest, and after the 4-H member gives one sow back to the Foundation to be passed on to another 4-H member, three pigs will be selected to feed as market hogs. These will be exhibited at the fall show in 1952.

Co-sponsor with the Sears Foundation for the annual swine show will be the Munday CDA.

## GREYHOUNDS RESTING FOR HARD GAME NEXT WEEK

The Knox City Greyhounds do not have a game this week, and Coach David Slaughter is keeping them busy getting in shape for their conference next Friday night, Sept. 28, with the Paint Creek Pirates.

The Knox City-Paint Creek game, which will be played on the Greyhound field, is expected to be one of the best and hardest fought games in the district this year. The 'Hounds will be out to win and upset the pre-season prognosticators who picked Paint Creek or Weinert to win the district championship this year.

In their two practice games the local boys have showed a lot of spirit and a lot of class. In the first game, with Odell, they came out fighting after the half-time period, and came from behind to win the game 26 to 20. Last Friday night, the visiting Millersview team proved to be badly outmatched—so badly that Coach Slaughter sent his first string to the showers before the half, and the second and third strings finished the game, which had a final score of 40-8.

Scorers for the 'Hounds were Roy Day, who scored twice, L. C. Teague, Tommy Abe Watson, Jerry Wilson and Wallace May. Jimmie Joe Jones kicked for two extra points.

Local fans also saw a game on the Greyhound field last Thursday night, when the Mattson Mustangs, coached by Wm. Roy Baker of Knox City, defeated the Guthrie team 40-12.

## MELBA REID - B. T. EVANS MARRIED SATURDAY

Mr. and Mrs. O. D. Reid have announced the marriage of their daughter, Melba Maureen, to B. T. Evans of Rochester.

The couple exchanged vows Saturday, Sept. 8, at 1:00 p. m. in Clayton, N. M.

Only attendants were Bub Evans, brother of the groom, and Mrs. Varnell Evans, matron of honor.

The bride wore a brown dress with brown and white accessories. She carried a handkerchief as something old and blue, wore a necklace as something new, and borrowed a hat pin.

The groom is the son of Mrs. Agnes Evans of Rochester. The couple has established residence at Stinnett, where the bride will complete her high school education.

## ATTEND MASONIC MEETING

Those from Knox City who were in Throckmorton Tuesday night to attend the 91st Masonic District meeting were: Herman Egenbacher, O. T. Harbert, C. C. Hoge, Otto Lawson, W. M. Rowan, John Henderson, E. L. Park, Bill Reeder, E. A. Egenbacher, Abe Watson, G. A. Branton and John May.

## DR. BOWDEN TO MAKE HOME IN KNOX CITY

Dr. and Mrs. Ben W. Bowden of Munday have purchased a home in Knox City and are making plans to move here from Munday around October 1, it was announced this week.

A native son of Munday, Dr. Bowden has been living there and practicing in both Knox City and Munday since July, 1950. He has maintained an office in the clinic here.

Dr. and Mrs. Bowden have purchased the J. R. Hughey home and are "looking forward to making their home in Knox City," he said.

## BENJAMIN CHURCH TO HAVE CANDLELIGHT SERVICE

Karel DesGrange, pastor of the First Christian Church in Benjamin, announced Wednesday that a candlelight service will be held at the church Sunday evening, September 23.

"The young people of the church will give a program portraying stories and hymns by candlelight," the pastor said.

The public was invited to attend the program, which will begin at 7:30.

## Knox Countians Advise Changes In Farm Program

A series of meetings were held recently in the communities of Vera, Gilliland, Truscott, Benjamin, Knox City, Munday, Rhineland and Goree by the County Mobilization Committee, headed by J. C. McGee, chairman, for the purpose of getting ideas of farmers and ranchers as to improvements that might be made by the different agricultural agencies.

Ideas obtained were the following: The Farm Home Administration should raise loans for purchase of farms to at least \$30,000 in this area, as the present maximum loan of \$14,000 will not purchase a farm large enough to support a family.

The Farm Credit Administration should use a revised system of appraising land so that present prices should be used in loans.

The Soil Conservation Service should hold more tours of ranches and farms to show the results of their work, and a local soils laboratory should be set up.

The Extension Service needs more research on cotton insect control, and should hold more field trips to show results of soil improving practices.

A soils laboratory should be set up for the farmers to obtain quick fertilizer recommendations and land tests.

Changes suggested for the PMA were as follows: The support price for basic crops should be 100 percent parity, as farmers should be entitled to the same percent parity as industry. The method of figuring parity should be brought up to date, with present, and each year one year should be added and one year dropped in figuring parity. (Example: 1951 parity based on years 1945-1950, and 1952 parity figured on years 1946-1951). This method would keep farm prices more in line with items farmers have to buy.

Grain sorghums should be classified as a basic crop because a large acreage in Texas is devoted to this crop, and many more uses have been found.

There is a need for more cotton warehouse storage to store loan cotton, and they should be approved even though they are not on a railroad siding, as much of the cotton crop is hauled by trucks. Storage space in the county is not adequate.

The county committee should be given more authority in adjusting allotments on farms that have changed ownership and cropping systems.

The State Committee should be elected in the same way that the county committee is elected, thereby giving farm people more direct representation.

Local elevator operators (Continued on Page 7)

Mr. and Mrs. J. R. Hughey plan to move in Childress next week. Mr. Hughey will be associated with a wholesale food company.

## Junior Football Game Tonight

The Knox City Junior football team will meet the Rule Junior team on the Knox City field tonight (Thursday), opening the 1951 season.

The junior teams play eleven-man football.

This year a junior conference has been organized, and members of this district are Knox City, Rule, O'Brien, Rochester and Weinert. Winner of the district will be awarded a handsome trophy. Coach David Slaughter said.

Knox City's starting line-up for the first game will be:

Rob Jensen, LE; Bob Jensen, LT; Tommy Carter, LG; Wyndol Stephens, C; Frank Griffith, RG; Billy Davis, RT; Kenneth Day, RE; Wayne Stephens, QB; Cecil Beauchamp, HB; and Robert Elliott, FB.

"We have about 25 boys in uniform and will have a pretty good team," Coach Slaughter said. "The boys have been working hard and I think the people of Knox City will enjoy the games."

The team will play four home games and four away from home.

## Knox Boys Receive Merit Awards

Four Knox County boys were presented awards of merit for outstanding work in 4-H and FFA work at the first annual meeting of the Seven-County Bankers Association held near Seymour on Sept. 11, according to County Agent W. C. Pallmeyer.

Receiving awards were Bobby McBeth, Knox City 4-H Club member; Charlie Clarke, Knox City FFA; Glen Bruce, Munday 4-H; and Melburn Johnston, Munday FFA. Also attending the meeting from Knox County were Bruce Campbell, Knox City banker, W. E. Braty, Munday banker, L. E. Groves, Knox City FFA instructor, E. R. Ponder, Munday, FFA instructor, and County Agent Pallmeyer.

The Seven-County Bankers Association is composed of bankers in Knox, Baylor, Haskell, Throckmorton, Shackelford, Jones and Young counties. The clinic included a tour of the Chester Cox farm and the Arledge ranch in Baylor county. Farm and ranch improvement practices were explained to the 200 attending, and the afternoon program was devoted to talks on the bankers' responsibility to agriculture and the farmers' relation to the bankers.

## ELECTION NOVEMBER 13 TO FILL LEGISLATIVE POST

John Ben Shepperd, Secretary of State, recently mailed to the County Judges of Foard, Hardeman, King and Knox Counties, which comprise the 114th Legislative District of Texas, the Governor's Proclamation ordering a Special Election to fill the unexpired term of the Honorable John E. Morrison, Jr., resigned. This Special Election will be held jointly with the election on Constitutional Amendments on Nov. 13.

Shepperd stated in a letter to the County Judges that it was the duty of each County Judge to get together and set a final filing date. The Judges of each County must make provisions for drawing for places on the ballot and all other necessary arrangements. He further stated that the returns of the election must be mailed to the office of the Secretary of State within 48 hours after the returns have been canvassed by the Commissioners Court.

## EIGHTH GRADE HEARS REPORT ON KOREA

The eighth grade of the Knox City elementary school heard an interesting report on Korea Monday, from a Marine Platoon Sergeant, Everett Matthews, who recently returned from the fighting front.

Sergeant Matthews told the class about the dress and customs of the Korean people, as well as about the arms and ammunition being used by U. S. and South Korean troops. He also answered many questions put by members of the class.

Sgt. Matthews is now at home on leave and does not expect to be back in Korea before next year, if then.

## Sunray Well Has Daily Potential Of 1,575 Barrels

Potential tests Tuesday indicate that the Sunray Oil Corp. No. 1 Snelson, five miles northeast of town, may be the best producer in the North Knox City Palo Pinto Reef Lime field thus far.

During a three hour test the well flowed 196.9 barrels of oil through a 5-8 inch choke, which equals 1,575 barrels per day.

The oil tested 40.6 gravity at 80 degrees.

Highest potential on other wells in the field was on Skelly Oil Company's No. 1 Stubbs, which flowed 119.95 barrels of 37 gravity oil in four hours through a 24-64 inch choke.

The top of the reef was picked up at 4,153 feet, and a drillstem test at 4,212-87 feet showed gas to the surface in four minutes and oil flowed in seven minutes.

Drilling contractors are standing by, waiting on orders.

Tests on the Skelly Oil Co. No. 2 Stubbs, one and a half miles north of town, indicated a potential of 139 barrels of oil per day, through 16-64 choke.

Yateman Drilling Co. has contracted to drill the Stanolind No. 1 Myrtle White, one and a half miles east of town, and their rig is expected to be moved on the location from Anson within the next day or so.

Lewis Drilling Co. set surface casing Tuesday on the Stanolind Oil & Gas Co. No. 2 George Stubbs, and drilled the plug this morning (Thursday).

Deep Rock Oil Co. has set pipe for completion of the No. 1 Jenkins, near O'Brien, in the Strawn sand. The rig from this well is expected to move to location for the Cary-Christopher No. 1 Mrs. J. T. Orsborn. This test will be in King County, one mile north of the Katz field.

Leasing activity has picked up in the Knox City area in recent weeks, with several leases both northwest and east of town reported to have changed hands at \$50 per acre with 1-16 override.

## BENJAMIN SOROSIS CLUB OPENS SEASON WITH DINNER

The Benjamin Sorosis Club opened the 1951-1952 season September 13, with a dinner. Hostesses were Mrs. J. C. Patterson, club president, and Mrs. S. E. Reed, Mrs. Jack Barker, Mrs. O. D. Propps and Mrs. F. E. Davidson, members of the program committee.

Mrs. Patterson welcomed the members after the distribution of the yearbooks by Mrs. Reed, and the club then heard a report on Future Aims.

Mrs. I. T. Wright, education chairman, reported the loan of \$200 of the Luta Moorhouse Nursing Scholarship Fund to Lois Brown, a recent graduate of Benjamin High School. Miss Brown is now a student in Memorial Hospital, Abilene. A contribution to CARE, for Korean aid, will be made by the club.

The next meeting of the club will be on Sept. 27, when Mrs. Robert Hames, school nurse, will be in charge of the program on health.

Visitors in the home of Mr. and Mrs. Abe Watson last week were Miss Mary Ed Chamberlain, Mrs. Joe Starr and Dr. Russell Starr, all of Glasgow, Ky., and Mr. and Mrs. Ira Russell of Dallas.

Guy Glenn and sons, Robbie and Mike, left today for Starr, South Carolina, to visit Mr. Glenn's mother and other relatives.

 in Desert Places  
 by Cassie Stephens

"Best in the land and wait patiently for Him."  
 Have you come to a place in life that you lost yourself in? Are you troubled by problems, sorrows, and perplexities? Have you traveled far in the desert of trials and tribulation to find no way out? Remember, God is there. He will not leave you. Listen and you will hear Him say, "I will send out all my that labor and am heavy laden and I will give you rest." A rest that will cool your soul like healing waters. He knows your sorrows, but He wants you to rest in Him. He wants you to leave out your hopes and dreams and rest in Him. He is the same Christ who helped thousands while here on earth. He wants you to tell Him all about your troubles. He is interested in helping you. He is infinitely patient, He is able and willing to bear your every burden. He will heal your broken body. He will give you peace and joy. He wants to help you. The scripture says, "Christ is knocking at your heart's door." He is on the inside and He wants you to open the door. You must keep your eyes on Him. Look to Him and you will see the way of salvation. A fountain of life has been provided for every need. When Christ died upon the cross, a fountain of life sprang up that has been flowing down through the ages. I pray God open your eyes to your inheritance in Jesus Christ. Whatever your need, come to the fountain of life. When you have partaken of its life-giving stream, tell it to others.

## Know Your Water Meter

Water meters seem to be little understood and frequently questioned. We are interested in using a meter that merits the confidence of the users, and in order to have that confidence it must be understood. The water meter does not have a brain or a heart, and is the same today and tomorrow. It cannot think, and it cannot forget. It is positive, unbiased and disinterested. It cannot gener-

ate power to run itself. It runs only when water is forced through it, and the speed varies with the quantity of water passing through it. If the meter would overrun it would convert itself into a pump, and deliver power to the water, and therefore create energy and become the long sought perpetual motion.

Some people, no doubt, feel meters never run too slowly, but always too fast, and register more water than is used. The manufacturer assembles the proper gears in the meter, and all meters are tested before installed, and there is nothing anyone can possibly do to the meter to make it show more water than actually passes through it, except to change the gears in the meter.

Complaints are made that a neighbor uses more water than he does himself, and still his neighbor's bill is much less. It is not possible for anyone to know how much water is used in his own home, much less his neighbor's, unless he puts some kind of a mechanical device on the line to measure the amount used from day to day. Water meters are so designed that once equipped with proper gears, they do not and cannot overrun and register more water than passes through them. Therefore, if you get a high bill, do not attribute the cause to a faulty meter. The meter is not at fault, and the assumption that it is will result in another high bill, as nothing has been done to correct the condition that caused the other high bill.

The meter reader is only human, and at times will misread the meter, but this is no fault of the meter. In order to avoid such errors, a system has been installed whereby a printed form is filled out by the meter reader, if same shows to be out of line with previous monthly readings, and this meter is immediately reread by another city employee, which reduces misreadings to a minimum. If there is a small discrepancy in the reading of the meter, this will be adjusted by the next monthly reading.

The proper action to take, if you receive a high bill, is to check your own home and plumbing. It may be you used more water, resulting in a higher bill. If you feel it was not used, it evidently was wasted. Look for waste. If you cannot locate it the City will be glad to have a man help you make a check for leaks, etc. It may be necessary for you to get a plumber to find the trouble. Do not be misled and put to ad-

ditional expense by thinking the meter is at fault. We do not claim meters are perfect, but we do know that when they wear and get out of fix and become hard to turn, THEY ARE NOT REGISTERING ENOUGH. This statement is proved by actual tests made by the thousands. If a water meter is on a home and has functioned correctly and satisfactorily over a period of time, it cannot subsequently change itself so as to register more water than passes through it, and nothing can happen to change this meter, which once served this location accurately, into one that runs too fast and registers more water than passes through it, except, as stated above, to change the gears in the meter. You are in greater danger of being hit by a tornado than you are of being overcharged by a water meter.

Most complaints result from waste of water and not from usage. The smallest leak (1-32") under pressure of 60 pounds, will result in a waste of 6,333 gallons of water in one month. The City, in writing this message to all water users, is trying to be of help in eliminating waste. If we can be of help at any time, please call on us.

(Adv.) CITY OF KNOX CITY

home of Nora Lee Davidson Saturday night.

Mr. and Mrs. Seth Woods and son, Jimmy, and Mr. and Mrs. Marion Chowning, Jr., attended a square dance in Knox City Monday night.

Mr. and Mrs. Joe Reid Jones of Abilene visited his parents, Mr. and Mrs. Louis Jones, over the week end.

Miss Vandolyn Browning was married to Howard Savage of Stephenville on Saturday night of last week. The couple visited her parents, Mr. and Mrs. V. W. Browning, over the week end.

Mr. and Mrs. R. B. Glidewell returned this week after visiting their sons and their families in Orange and Vidor.

Mrs. Bud Myers visited her parents, Mr. and Mrs. Kenneth Morrow, in Clarendon Monday.

Mrs. Dean Wright of Borger visited her parents, Mr. and Mrs. C. C. Browning, over the week end.

Mr. and Mrs. Ped Davidson made a business trip to Lueders Monday.

Mrs. Rex Traweek and boys visited her mother, Mrs. Cox, in Crowell Monday.

## Not Much Time Left

We've got plenty, but have you? We mean time before harvest. For nearly everybody in our community, it's only a matter of days and hours before the cotton is due to roll. Let's get our butchering done FIRST.

If you don't have what you need to butcher, we have plenty on hand. Come in and get what you need—WHOLESALE PRICES pay any time, but especially at harvest time.

## Will Buy Will Sell

This column is for our customers who produce livestock and farm products for sale. When we do the butchering and processing, it can be used by them free of charge. Come in and ask us about the items listed below, or ask our customers direct:

**WILL SELL** — Wilson Bean; One-half beef, weight 155 pounds.

**WILL BUY** — H. R. Hamp; hind one-quarter beef, fifty to seventy pounds.

**WILL BUY** — Locker; heavy hens.

If you want to buy or sell, come in and ask for a listing in this column. All purchases or sales will be made and paid direct between seller and buyer.

Lowen Johnston, Reporter

Mr. and Mrs. G. S. Johnston spent last week end fishing in New Mexico. They were accompanied by Mr. and Mrs. Wayne Barnette and sons of Littlefield.

Mr. and Mrs. Fred Waldrip, Margaret Waldrip and Mrs. Clark attended the McMurry football game in Abilene Saturday night.

Mrs. R. I. Wainworth, Mrs. Dick Johnston and C. R. Banner transacted business in Wichita Falls Tuesday.

Mrs. Lillian Coway and daughter visited in Amarillo, Elton and other points on the Plains last week.

Mr. and Mrs. John L. Grindstaff and son visited in Lubbock Sunday with relatives and friends.

Leon Aubry, Sam Johnston, John Grindstaff, Mr. and Mrs. Alton Hester and Mr. and Mrs. Benny Hughes attended the

Abilene-Lubbock baseball game in Abilene Monday night.

The O'Brien Pop Squad, sponsored by Miss Margie Lowrey, has new suits for the football season. The ladies' suits are good costume, made with 1 1/2 green skirts, and gold button-jackets. Leaders are Betty Johnsons, Barbara Hines and Dottie Stephens. The other suits are of blue costume with white shoes and blue socks. The majorette, Faye Lowrey, has all blue satin, lined in pink, and gold tights. She wears white shoes. Cathy Hester, the mascot, wears a suit identical to the majorette's.

Mr. and Mrs. Alton Leach and Jane Goehard attended the Abilene-Lubbock baseball games in Abilene Monday and Tuesday nights.

Donald Causey, recent graduate of Texas University, is now employed as a geologist for the Humble Oil Co. in Midland. Donald is the son of Mr. and Mrs. G. W. Causey.

**HERE TO ATTEND FUNERAL FOR MRS. GUY CLINE**

Funeral services for Mrs. Guy Cline will be held at 10 o'clock Thursday at the Central funeral home.

Mrs. L. M. Kay, Mrs. Hattie Smith, Mr. and Mrs. C. H. Smith, Mrs. W. H. Smith, Mrs. G. H. Smith, Mrs. L. H. Smith, Mrs. M. H. Smith, Mrs. N. H. Smith, Mrs. O. H. Smith, Mrs. P. H. Smith, Mrs. Q. H. Smith, Mrs. R. H. Smith, Mrs. S. H. Smith, Mrs. T. H. Smith, Mrs. U. H. Smith, Mrs. V. H. Smith, Mrs. W. H. Smith, Mrs. X. H. Smith, Mrs. Y. H. Smith, Mrs. Z. H. Smith.

**BENJAMIN P-T-A TO CONDUCT MEMBERSHIP DRIVE**

The Benjamin Parent-Teacher Association had the first regular meeting Tuesday, Sept. 28, at the school building.

The opening exercise in the form of two enjoyable musical numbers, was presented by the Elva Russell and Winnie Sue Jones, members of the Sophomore class.

During the business meeting a membership drive was discussed. It is hoped that all parents and others interested in the school will become active members of the P-T-A. Several night meetings were planned in order that fathers may have an opportunity to attend.

The placement of highway caution signs near the school building was discussed.

Mrs. J. D. Redwine, program chairman, presented an interesting program. The topic was How Children Acquire Moral. Karel DeGrange, pastor of the First Christian Church, was the principal speaker.

During the social hour, refreshments were served by Mrs. Lawrence Johnson, Mrs. R. D. Benson, and Mrs. Freddie Crenshaw, to 27 members.

**WESLEYAN SERVICE GUILD MEETS WITH MRS. GILPIN**

The regular meeting of the Wesleyan Service Guild was held in the home of Mrs. J. T. Gilpin Wednesday night, Sept. 12, with seven members present.

Mrs. J. C. McGee, president, presided during the business meeting. Mrs. John Wilson was in charge of the program.

At the next meeting, which will be held Oct. 10 in the home of Mrs. Alton Fitzgerald, the Guild will begin the study of the book of Acts.

Following the program, refreshments of ice cream sandwiches and coffee were served to Misses Wilson, Cordelia Woodward, Mack St. Clair, A. V. Kozietz, Doyce Graham, Ernie Wilson, E. Q. Warren, McGee and Gilpin.

Sunday guests in the home of Mr. and Mrs. J. C. McGee were Mr. and Mrs. Bobby Simpson and Judy of Haskell. Mr. and Mrs. Howard Mayfield of Ft. Worth, and Mrs. T. C. Stinson and children, Mike and Char- mie of Paducah.

**W. M. S. MEETS MONDAY AT BAPTIST CHURCH**

The Woman's Missionary Society of the First Baptist Church met Monday afternoon at the church for Mission Study.

The group sang "Living for Jesus", which was followed by prayer. Mrs. J. E. Hitchcock presented Mrs. Jim Ross, who reviewed the first chapter of the new mission study book, "Little Came Creek".

During the business session, plans were made to send a box of new and used clothing to Buckner's Orphans Home.

Those present were Meses Hitchcock, Ross, J. T. May, G. T. Hardberger, W. H. Paul, H. R. Besuchamp, Arlie Williams, J. M. Averitt, E. V. Becker, H. E. Wall, Abe Watson, Oliver King, A. F. Layne, C. J. Reese, H. E. Johnson, A. P. Denton, Pryor and her mother, Mrs. Barry.

Week end guests in the home of Mr. and Mrs. A. P. Denton were Mr. and Mrs. A. P. Denton, Jr., of Burkburnett, Miss Ruth Jane Denton, teacher in the Burkburnett schools, and Bart Denton, freshman student at Hardin-Simmons University at Abilene.

**CHARLIE CLARKE ELECTED FFA CHAPTER PRESIDENT**

Charlie Clarke, son of Mr. and Mrs. Bill Clarke and a senior in high school, was elected president of the Knox City chapter of the Future Farmers of America at the organizational meeting Monday night.

Other officers elected were: First vice president, Gary White; second vice president, L. C. Deague; third vice president, Tommy Watson; reporter, Monroe Thomas; secretary, Barney Arnold; treasurer, George Coats; parliamentarian, Oscar Mangis; historian, Kenneth Hoops; sentinel, Jimmie Jones; song leader, Roy Day; and advisor, L. E. Groves.

Zana Hamm was elected FFA Sweetheart.

**IT'S MOVIE TIME in TEXAS U.S.A.**

**GO TO A MOVIE TONIGHT!**

BUT FIRST THE MOVIE MEN OF THIS TOWN WOULD LIKE TO ASK YOU A QUESTION.

Did you ever stop to think what an important part in everyday life the Movies play? Or, put it this way—

WHAT KIND OF A WORLD WOULD IT BE WITHOUT MOVIES?

The Motion Picture Theatre in any community is a haven of entertainment at modest prices. The talents of great artists are yours in an atmosphere of comfort and ease.

The theatre, like schools and churches, play an important role in civic responsibility.

We bring this thought to you because we want you to join not only with us, but with every theatre in the State in celebrating

MOVIETIME in TEXAS

And we promise you the greatest parade of pictures ever made during this Jubilee.

So why not relax and go to a movie tonight?

Sincerely,

CLYDE E. WILLIAMS

THESE FOUR-SEASON SUCCESSES

by *Jaunty Junior*

As featured in 'GLAMOUR'

Warm or cold, Fall, Winter or Spring, these marvelous new Jaunty Juniors in rayon will feel . . . and look . . . absolutely sensational! Tailored in Jaunty Junior's own custom way, they are impervious to moths . . . remarkably wrinkle-free!

Left: "Travel-Cheque" jacket with forked collar, doubled button closing, V-shaped hip pockets. Sizes 7 to 17.

Right: Checked jacket with solid skirt . . . the skirt fabric echoed on the jacket collar cuffs, turnback pocket flaps. Sizes 7 to 17.

Ours and Ours Alone!

**COBB'S**

"YOUR FRIENDLY DEPARTMENT STORE"

grades accepted for making loans. Cotton graders should be placed in all cotton producing

counties, thereby getting grades immediately.

Coverage of wheat insurance should be raised even at an increase in premium, as the present coverage is too low as compared to investment.

A greater margin of profit should be allowed vendors handling materials under purchase orders, as it is hard to get some dealers to stock materials with so low a margin of profit.

Among the items causing discussion was acreage control, on which the following recommendations were made:

Acreage controls should be in effect when the carryover is great enough to reduce prices below parity.

Acreage controls should be reinstated in 1952 because much of the effects of the past conservation work has been destroyed in the 1951 program by the large acreage of cotton.

Cotton allotments should be based entirely on cotton history of the farm by reducing acreages by a certain percent of the

acreage planted in the years creating the surplus.

Cotton allotments should be based on cropland only, so that every farmer would have equal allotments.

Cotton allotments should be computed in the same manner as they were in 1950 except that the war crop credit should not be considered.

Other recommendations to the USDA in general were:

Cotton burrs should not be burned, but placed back on the land as fertilizer.

A better labor agreement should be worked out for the farmer, as the present program makes it difficult on farmers and ranchers and places restrictions on them that are not sound business policies.

When a farm program is started, it should be carried out, and not handled as the 1951 wheat program.

Some ideas were also given as to why people are leaving the farm. Among them were that the initial cost of farming is too great for new farmers to get started, and wage-price stabilization is unfair to farmers. Some thought the cash lease should be done away with as it gives an advantage to the large operator, who can operate at less profit per acre, and others were of the idea that enterprise should be left as it is, thereby giving everyone the right to use his land and money as he sees fit for his advancement.

**CARD OF THANKS**

I would like to express my appreciation to the people of Knox City for their kindness shown us in any way, all those who ministered to us during our recent bereavement.

May God's blessing be on each of you who helped us in any way.

Mrs. John Michaels  
Rochester, Texas

Guests in the home of Mrs. E. B. Denton over the week end were Mrs. Frank Poore and daughter, Joan, of Aspermont.

Saturday guests of Mr. and Mrs. Dick Cook were Mr. and Mrs. Keith Cartwright and son of Ft. Worth.
