

Churches to Have Mother's Day Services

Methodist Church
May 11th, Mothers' Day
will be observed in each of the local
churches.

The pastor of the Methodist
Church, Reverend Mann, has been
asked to deliver the baccalaureate
address to the graduating class of
the high school Sunday
morning and for that reason the
Mother's Day service will be held
on Sunday night at this church. Sun-
day morning Sunday School will be
held at the regular hour but the ele-
venth hour will be dismissed
and the membership will attend the
Mother's Day program in one of the
other churches.

Sunday night the special program
will be in observance of the day
and it will be an all family
service of which course is purposed
to honor the fathers. The church
will specially decorated, special
numbers will be given to ad-
dress the other special numbers
committee is working out
arrangements to have all
fathers and mothers pre-
sented will be sent to bring these
to the service and to carry
them home.

Program promises to be an
good one and every one is
attending who does not intend
attendance at another
at this hour.

Baptist Church
Sunday morning at the Baptist
Church will be given to a mother's
service in the form of a Mother's
Day sermon and special musi-
cians.

This church extends a welcome to
who wish to attend this service.
Sunday night a special program is
being arranged, a unique program
also promises to be very im-
pressive. The service will be a "Song
of Love". The theme of the sermon
will be "Christ's Love" and a song
will be sung to illustrate each point
of each sub-point. These songs
include congregational singing,
quartets and quartets.

The church opens its doors
to all who wish to attend. Every one

MISS HOGE WRITES WINNING POPPY ESSAY

Miss Claydene Hoge won first
place in the Poppy essay contest held
recently by the American Legion
Auxiliary. Following is her essay.

The Significance of the Poppy

The wearing of the poppy really
means something. There is some-
thing behind the little bit of red and
green crepe paper. It represents the
only means of livelihood of many
World War Veterans. It represents
the brave little wild flower of France,
which stood and blooms so brave-
ly during all the battles. It represents
our love and honor for all the sol-
diers that are now living, especially
the wounded. It represents our re-
spect and pays tribute to the ones
who gave their lives that the world
might be made safe for democracy.

During the war the brave little
poppy could be seen growing along
the trenches, never to be daunted
by the bullets and the blood of the
soldiers. Does not a flower seem
cheerful? Surely this little flower
cheered the soldiers and spurred
them on to victory.

The government has established
many hospitals to care for the maimed
and unfortunate veterans of the
World War. Many of these inmates
have families to support, so they are
allowed to make the little poppies
and are paid one cent each for them.
The government furnishes all materi-
als used in the making of these
poppies, but it takes time to make these
small flowers, therefore the incomes
of these unfortunates are very meag-
er.

Picture yourself lying flat of your
back, twisting the little bits of paper
wire day in and day out, not for
many of them this is the only in-
come and helps to support themselves
or their families. It employs their
hands and makes them forget their
troubles to a certain extent.

Every man, woman and child
should wear a poppy on every poppy
day. This shows their respect for the
dead, and pays tribute to the unfor-
tunates.

MISS REEDER IN "THE CHIMES OF NORMANDY"

Fort Worth, May 7, Miss Margaret
Reeder of Knox City will have a part
in the dancing chorus of Texas Chris-
tian University's production of "The
Chimes of Normandy" on the even-
ing of May 10. Miss Reeder will
dance in folk dances.

The performance is in charge of
Dr. H. D. Guetck, head of the
School of Fine Arts.

Approximately 300 girls from
the department of physical education,
under the direction of Mrs. Eben
Murphy, will make up the dancing
chorus for the opera. Sixty members
of the Choral Club will make up the
singing chorus.

The production is being given as
the climax of Fort Worth's annual
celebration of National Music Week,
and as a preliminary of T. C. U.'s
observance of Mothers' Day.

NEW BABIES

Mr. and Mrs. C. P. Littlepage of
the Grace Community are the proud
parents of a new seven pound baby
girl.

Mr. and Mrs. P. L. Dickay have
a new baby boy. He came last week.

Mr. and Mrs. A. P. Howard have
a new baby girl. She was a week old
Monday. Mr. and Mrs. Howard live
with Solam Hutchenson.

How's This for a Golf Story?

"What kind of a game do you play?"
asked one man.
"Oh, about 115," was the answer.
"What do you play?"
"About 112 on a good day."
"Well, let's shoot at a dollar a
stroke."
That night the "115" man told his
wife that the "112" man was a
crook.
"What was your score?"
"Eighty".

MOTHER HAMNER SURPRISED WITH PARTY

On Friday afternoon of last week
Mother Hamner was thoroughly sur-
prised when she attended a party,
which she thought was given for Mrs.
Ferry, to find that she was the hon-
or guest, the occasion being her
65th birthday.

Some thirty-five or forty friends
of Mrs. Hamner were invited to the
home of Mrs. Henry Hamner for the
afternoon. Mother Hamner arrived
a little late; however it seemed that
she had plenty of time for during
the remainder of the afternoon she
spoke often as feeling like a guest.
The surprise and the joy were almost
too great for her. She received a large
basket full of useful, nice gifts. This
party is the first of any kind ever
given for Ms. Hamner honoring her
birthday.

Refreshments of ice cream and
cake were served.

In reporting the surprise to the
Herald this week, Mother Hamner
expressed her great appreciation for
the kindness shown her and also for
the many, beautiful gifts.

CHEVROLET COACH WINS ECO- NOMY PRIZE

On February 21st, Mrs. Paul Law-
rence driving a 6 cylinder Chevro-
let Coach, won first prize in a 200
mile economy run from Los Angeles
to the Wrightwood Mountains, 6000
feet above sea level. This was a contest
open to stock cars only, and
was under observation of the Ameri-
can Automobile Association. The 6
cylinder Chevrolet not only won first
place in economy over thirty-eight
cars, seven 4's, twenty-one 6's, and
nine 8's, representing every price
class, but it broke all previous econ-
omy records for this event.

The 200 mile route included general
traffic, all kinds of streets, boulevards,
highways, and a long steep
6000 foot mountain grade. It there-
fore, provided an all-round test of econ-
omy.

The Chevrolet Coach averaged bet-
ter than twenty miles per gallon in
face of city traffic and steep moun-
tain grades. In winning the sweep-
stakes prize in this economy run
over all cars entered, including 4-
6-, and 8 cylinder cars, Chevrolet
again proved that it is wise to choose
a Chevrolet Six.

Uncle Jack Robinson of Abilene
an old confederate soldier and neigh-
bor of Reverend Stovall, was, with Mr.
Cola also of Abilene, a recent guest
in the Stovall home.

Can You Imagine?

Can you imagine Dr. Frizzell wear-
ing an evening dress? C. C. Hoge in
the ladies Bathing Review? Henry
Jones wearing a house dress? Joe
Averett and Chester Elliott in even-
ing dresses? Roy Smith wearing
Mrs. Smith's high heel shoes. Bill
Clarke wearing curls and cleaver
ear screws?

Well, you will see these men like
this Tuesday night, May the 13th
in the Womanless Style Show at
the school auditorium.

Among the renowned stars who
will be there in person will be Clara
Bow, Gloria Swanson, Norma Sheer
and others. The leading bathing beau-
ties of the world will be present the
most outstanding one being Miss
America (as portrayed by Neal Log-
an).

Paul Whlyman's orchestra will
furnish the music for the evening
and it is rumored that the ladies on
review will step lively to all the late
popular tunes.

What is it all about? Just this,
the First Christian Church is giving
a Womanless Style Show in the
school auditorium Tuesday night of
next week and it promises to be the
best presentation of the year. Those
taking part (which is some 40 men)
are greatly enthused over the com-
edy they hope to pull and the good
time they hope to give everybody.

Get your tickets now and get there
early for a good seat.

MICKIE HAS HIS FIRST KNIFE

Monday Mickie came into own-
ership of his first knife, a Barlow. He
often describes it as being a "dandy".
He wears the new possess on
with a chain hanging from a button
of his overalls and the Barlow in
his pocket.

Monday when he received the knife
from his Daddy, his first thought
was to show it to Dannie, his pal.
Dannie saw it from his house across
the street as Mickie held it up while
standing on the porch. Next his other
loved pal (Miss Mary Reeder) must
see it but she was deprived of this
great privilege until Tuesday morn-
ing. Mickie could not eat his breakfast
until Mary had seen the knife.
After these two, Mickie's real pals,
had seen the new possession, the lit-
tle owner has been content to sit and
whittle and whittle, however, with
the whittling there often comes the
ejaculation, "Mother, it's a dandy
knife".

J. T. Watson is back in the Hos-
pital. He had his second operation
and is doing nicely.

"Sonny-Jane"

Much talk is being heard about
town concerning "Sonny-Jane".
What is it? It is the Senior Play to
be presented by the class on the
evening of May the 16th in the
school auditorium. It will be a high
point in the year for the graduation
class. Their final efforts are being
centered on the success of this, their
play, and with all of that it cannot
be a success unless you see it. Get
your tickets now for that play.

Friday night, May 16th, you will
see the vaudeville act, Miss Benton
and Lucille Brander, a pretty neigh-
bor and the salutatorian, Miss Clay-
dene Hoge as Baby Wade and en-
gaged in newspaper work. Bill White
will be Freddie Beadle and the shiek
of Orchard Center while other mem-
bers of the class will portray charac-
ters equally as cleverly suited.

Get one of the circulars you see in
town telling about this play. Call
one of the members of the senior
class and buy a ticket or a half doz-
en tickets and mark Friday night,
may 16th FILLED WITH SENIOR
PLAY.

TELEPHONE COMPANY CHANGES HANDS

Local officials of the Haskell Tele-
phone Company stated Tuesday that
the company sold recently to the
Associated Utilities Company of
Chicago, or the State Telephone
Company. The sale included all the
plants owned by the Haskell Tele-
phone Company, The Knox City Ex-
change being one of the plants. Mr.
John W. Pace of Haskell retires as
manager being succeeded by Mr. R.
E. Fairley of Lubbock who is gen-
eral manager for the State Telephone
Company, with headquarters at Lub-
bock. Mr. Williams, who is manager
of the telephone construction crew
has been transferred with headquar-
ters of Lubbock. He made a business
trip to Knox City last week.

Mr. M. D. Metts, local chief oper-
ator, will be retained by the new
company as her assistant.

The Associated Telephone Utili-
ties Company operates in Twenty
states, having a population of 20 mil-
lion, and it has 100,000 telephones.
The State Telephone Company oper-
ates in a large territory in West
Texas, including towns in southern
Oklahoma and into portions of New
Mexico.

SCHOOL DISTRICTS CONSOLIDATED

Vote Carries 5 to 1

The election held Monday for the
consolidation of the four schools,
Gillispie, Jungman, League and Red
Top, resulted in a total of 149 votes
for and 25 against. The consolidation
carried with more than 5 votes to 1.
Votes cast in the different places are
as follows:

Gellispie for 79 against 2
Jungman for 13 against 2
League for 28 against 12
Red Top for 19 against 8
Total for 149 total against 25.

The new building will be located
north across the road to the Gun
Set Filling Station which is on the
Knox City Munday road. This loca-
tion of the four districts and is by
far more desirable than the exact
center since that place is in the mid-
dle of a field. The selected loca-
tion is by the highway and a conven-
ient place.

The next step in procedure will
be voting the bonds. According to
statements made Tuesday by men
from the different school districts
this will carry and work will start
on the building. Further statements
were made to the effect that the new
building will be completed for the
beginning of the next school year.

This consolidated district has 65
sections of land, territory sufficient-
ly owned for the erection of a first
class school. There are a total of 102
pupils in the four schools and 17
teachers are now being employed by
them. The Gellispie school has the
largest number of pupils.

The Red Top School will retain
their building and will teach up to
the sixth grade. This building is prac-
tically new and is a good one.

The consolidated school will run
busses for the convenience of the
boys and girls who live a distance
from the building. Authorities stated
Tuesday that the outlook for the
four schools for another year was
bright and that it is hoped another
year will find a large first class
school well on toward the making.

STORM DAMAGES

Tuesday Knox City citizens witness-
ed a very severe sand storm. It
was as bad as has ever been in this
territory with the exception that it
did not last quite as long as sand
storms of its equal in the past. It
was at its worst about noon and just
following. Cars on the road at this
time had to turn on their lights and
then several report that they had to
stop several times and wait for the
sand to clear a bit.

A number of people report small
and extended damage done at their
homes by the storm. L. B. Hammock
had most of his chicken houses over-
turned and blown considerably. Chick-
ens suffered as a result however only
one was killed.

J. H. Darnell had his new double
garage creased in. W. W. Hyde's
garage was blown over.

A. A. Nicholson of Union Grove
had his wind mill broken and several
things damaged.

206 IN SUNDAY SCHOOL

Sunday May 5th was a great day
for the Baptist Church. There was
a large attendance at both the morn-
ing and evening services and 206 in
Sunday School Sunday morning. The
song service was excellent.

The membership is delighted with
the new song books. This book is
one of the very finest church and
Sunday School books that we have
ever used.

We extend a welcome to all who
wish to worship with us.

Makes Life Sweeter

Children's stomachs sour, and anti-acid. Keep their systems sweet with Phillips Milk of Magnesia!

When tongue or breath tells of condition, correct it with a spoonful Phillips. Most men and women have been comforted by this universal laxative—more mothers should invoke aid for their children. It is a pleasant thing to take, yet neutralizes more than the harsher things too often played for the purpose. No household should be without it.

Phillips is the genuine, prescriptive product physicians endorse for general use; the name is important. "Milk of Magnesia" has been the U. S. registered trade mark of the Charles H. Phillips Chemical Co. and its predecessor Charles H. Phillips since 1875.

THE QUIET LIFE

Written about the year 1600
by William Byrd

What pleasure have great princes
More dainty to their choice
Than herdsmen wild who careless
In quiet life rejoice.
And fortune's fate nor tearing
Sing sweet in summer morning?

Their dealings plain and rightful,
Are void of all deceit;
They never know how spiteful
It is to kneel and wait
On favorite, presumptuous,
Whose pride sits in and sumptuous.

All day their flocks each tendeth;
At night, they take their rest;
More quiet than who sendth
His ship unto the East.
Where gold and pearl are plenty;
But getting very dainty.

For lawyers and their pleading,
They steem it not a straw;
They think that honest meanin'
Is of half a law:
Whence conscience judgeth plainly,
They spend no money vainly.

O happy who thus liveth!
Not caring much for gold;
With clothing which sufficeth,
To keep him from the cold,
Though poor and plain his diet
Yet merry it is, and quiet.

GIRL SCOUTS REGISTER FOR ANOTHER YEAR

Need Scout House

The Knox City Girl Scouts have registered for another year's work. This troop is just one year old, yet during the past year forty-three girls have registered and worked in the troop. Some of these girls have moved away, and some will move when school closes so that thirty-four girls have registered for the coming year. They are: Elma Clarke, Irene Holland, Mary Lou Graham, May Eliza Clarke, Stennie Opai Rutledge, Rhea Lightfoot, Lora Jean Propps, Mary Leon Hoke, Faye Hyde, Wynell Edwards, Mary Belle Stevens, Claudia Sue Thompson, Ruth Derr, Jonell Robbins, Rowena Wall, Yvonne Jamison, Corinne Shaw, Florence Wilson, Valma Henry, Maymie Shaver, Virginia Matto-L, Onal Durham, Marilyn Herring, Mary McAuley, Faye McAuley, Ione Messer, R'nell Lysie Addi Mae Shoret, Lois Huntsman, Beatrice Hammock, Frances Evans and Jodie Kussell.

The following eight women have registered as the community committee: Mrs. T. S. Edwards, Mrs. E. W. Holland, Mrs. T. E. Robbins, Mrs. Mrs. J. E. Clarke, Mrs. H. E. Wall, Mrs. J. A. Wilson, Mrs. C. C. Hoke and Mrs. E. B. Shaver.

The Scouts have registered for a Junior Reading and study course under the direction of the Knox City Study Club. They are very much interested in this plan and are anxious to begin work.

Just now the girls are planning their trip for the summer, and trying to plan for a girl scout house for next year. They must have a negotiable place to work and they must have a place to preserve and display their work. Let us all join hands and help these girls to secure a "Girl Scout House".

"Very Latests"

By MARY MARSHALL

To the young woman who contemplates making some of her own clothes the best advice that can be given is this: "Simplify." Don't attempt to make an evening dress, and a separate skirt, and a blouse and a few articles of lingerie. At least don't

attempt to do all these things to start with. A different technique is required in the making of the various sorts of clothes and you will get better results if you plan to make several blouses, or several simple house dresses to start with.

This year there is need in the wardrobe of every woman of a variety of different blouses and a distinct saving can be achieved if you make these yourself. The lower sketch shows one of the new spring blouses designed by an important French dressmaker.

To wear with above suit such as the one of flat cape shown in the upper sketch it might be made from natural colored tulle. It might also be effectively made from opaline white silk. Two shades of blue or two shades of green would be a good selection for wear with a blue or green suit or separate skirt.

- 1 Six-cylinder engine—50-horsepower—combines remarkable smoothness, flexibility, power and economy.
- 2 Ball bearing steering offers a short turning radius of 23 1/2 feet and assures easy handling in restricted places.
- 3 4-speed transmission gives ample power for every condition of road or load.
- 4 Channel steel frame, 6 inches deep, 15 1/2 feet long, takes over-size bodies without excessive overhang. Chevrolet offers unusually low loading height.
- 5 The rear axle is bigger, stronger and has spiral bevel gears—easily accessible for inspection or adjustment, due to a detachable cover plate.
- 6 Four long semi-elliptic springs, mounted parallel to frame, carry peak loads with safety, and provide better load distribution.
- 7 Rear fenders, splash aprons and full-length running boards are standard equipment on the Chevrolet truck and are included in the list price.

No matter what your business may be, bear in mind when you buy a truck that it's wise to choose a Six!

A six-cylinder engine runs smoothly—saving both the chassis and body from the harmful effects of vibration. It is more flexible in traffic. It requires less gear-shifting. And it maintains high speeds more easily.

The Chevrolet Utility Truck gives you all the superiorities of six-cylinder performance—for its price by a great 50-horsepower six-cylinder valve-in-head engine. And, in addition, it brings you all the advantages of modern design listed at the left.

Come in today and see this sturdy six-cylinder Utility Truck. You can see for yourself why truck buyers are finding it's wise to choose a Chevrolet.

WHO'S WHO DOWNTOWN

Mrs. Pross Clarke is the lady tall-
 or, the one who always knows how
 your pletes are hanging and whether
 or not your suit needs pressing.
 Although Mrs. Clarke helps her hus-
 band wash and press their way
 through life, she also adds a tune to
 the pass port. She has musical talent
 which are expressed in voice and
 hands; she plays to piano too.
 Mrs. Clarke, like her husband, is
 jolly and can have as good a time
 as any one present at a party.
 Mrs. Ables is head of the ready-
 to-wear department of Hyrant Link
 Company and she knows just how
 badly you need that new dress; too,
 she can pick 'em out just to suit
 your taste, style and size.
 Although Mrs. Ables has a young
 daughter almost her own size, she
 still has that alertness of mind,
 freshness of person and that pleas-
 ing personality that always insures
 the retaining of that school girl
 sweetness.
 Mrs. Davis (which one?) well,
 both of them, Lloyd and Carl. Both
 the Mrs. Davis help their husbands
 sell groceries; they know what you
 have to eat and what you paid for
 it and still further they can tell you
 where you can buy good groceries.
 Mrs. Lloyd Davis is a splendid
 conversationalist and if you do not
 choose to buy groceries she can
 make a conversation of any am-
 ount of time, valuable to you.
 It has not been our pleasure to
 personally meet Mrs. Carl Davis and

dress. She works at the White Mer-
 canile Company which company
 seems to have specialized this year
 on "graduation Frocks". Alma is a
 very fine girl. She is quiet, depend-
 able and has a pleasing personality.
 Every one likes Alma.
 Mrs. C. H. Keck is another of
 those women who know you have
 banana pudding for dinner or wheth-
 er or not you have dinner at all; she
 sells groceries at the Edwards Self
 Service Grocery.
 Mrs. Keck is certainly to be com-
 plimented for both her ability and
 her courage. These qualities were
 found to be dominant in her life
 when Mr. Keck got sick the other
 week and she had to run the store
 by her self. Well, she did the work
 did it well and without a murmur.
 She is a fine little woman.
 Mrs. Cecil Coates is none other
 than Betty and she not only knows
 what you eat but also how you eat
 it: she works at the Sanitary Cafe
 with her husband.
 Betty and Cecil now own the San-
 itary Cafe and both are experienced
 sufficiently to operate a good eating
 place. Betty is one of those types of
 women who attends strictly to her
 business, and in a pleasing manner.
 Mrs. H. E. Wall is (we almost said
 chief clerk) at Wall's Dry Goods and
 Variety Store but we know this is
 erroneous for little Miss Margaret
 Ann Wall has proved herself, in a
 variety of ways, as being not only
 the chief clerk but the boss of it all.
 Margaret Ann is a very fine little
 girl.
 Mrs. Wall is also. She is a quit
 woman, kind and very pleasant. She
 is a splendid hand in the store; in
 fact, we don't see how Mr. Wall
 could do without her.
 Mrs. Dave Whitford is another
 woman who sells Dry Goods. She is
 probably better known as Wilma and
 her place of sales is Malou's.
 One of the most important things
 about Wilma is that she out-

Wima is a very pleasant girl.
 There is another town woman we
 have not mentioned; it is the wife.
 We are almost afraid to say who we
 are for it seems that some of our
 about town have it made up to tell
 themselves who we are. One for in-
 stance is S. L. White. Mr. White in-
 sists that we made a mistake last
 week about the domino game, but,
 well, we don't know. What did we
 say about a domino game anyway?
 More next week.

 Indigestion Gone Has A Fine Ap-
 petite Since Taking Orgatone Feels
 Splendid
 "I am certainly glad to say a good
 word for Orgatone (Ogotane)," said
 Mr. J. T. Tidwell, retired business
 man who was formerly in the real
 estate and oil business, who resides
 at 1500 Burnett.
 "I am enjoying bette health than
 I have in years, since I have taken
 two bottles of Orgatone (Argotane)
 he continued."
 "For about the last 10 or 20 years
 I have suffered dreadfully from
 stomach and nervous indigestion.
 I've had several pains in my right
 side, I had no appetite at all and I
 would blot after eating. Gas crowd
 my stomach after eating. Gas crowd-
 ed my heart and caused me to have
 smothering spells and I thought I
 had heart trouble. My nerves were
 so badly upset and for months and
 months I couldn't get any rest and
 would not go to sleep until about 3
 o'clock in the morning."
 "When I saw Orgatone (Argota-
 ne) advertised, I began taking it.
 I have not finished my first bottle
 when I noticed I was getting better.
 My appetite is simply enormous and
 I eat anything I want without being
 troubled afterward. I never have a
 headache and the gas that used to
 crowd my heart has left me and I
 know now that it wasn't near a trou-
 ple. My nerves are in good condition
 and I sleep like a log every night.
 In fact, my whole system has been
 relieved and Orgatone (Argotane)
 has done wonders for me and I am
 glad to recommend it."
 Genuine Argotane may be bought
 in Knox City at the Orient Drug
 Store.

On account of the increased work
 of the City Secretary it will be ne-

RED CHAIN FEEDS ARE SUPERIOR FEEDS

We are all subject to colds. But
 they need not cause us suffering.
 Bayer Aspirin breaks a cold in a hurry.
 Or taken in time, helps it off entirely.
 You can avoid other suffering the same
 way. Headache, and even the pain
 from neuralgia, neuritis or rheuma-
 tism, yields to Bayer Aspirin. It al-
 ways helps; never harms; does not af-
 fect the heart. Genuine Bayer Aspirin
 has Bayer on the box and on each
 tablet.

SUCCESS

"You cannot say that any man is successful, so long as he is alive," said the head of one of America's great industries not long ago. He meant that any man might make a blunder which would offset all that had gone before, how successful he had been.

That was drawing it pretty fine, but how many men whom the world regards as successful feel that way about themselves? Find the men who feel that they have succeeded in doing all that they ever hoped or tried to do and you find the unhappy men alive. They may have succeeded in their business enterprises but they have not succeeded in living.

Success means different things to different people, and sometimes the man whom the world pities has succeeded in leading a happier life than has the one whom the world envies. A man who overtakes his ideals is not a success in any true sense of the word. Unless our standards grow steadily higher as we approach them we soon lose the zest of striving to attain them, and in that striving not in the overtaking lies happiness, and nowhere else.

It is a common misconception that the Declaration of Independence declares happiness to be one of the inalienable rights of humankind. The right to pursue happiness. And the man or woman who discovers early in life that the nearest approach to happiness is through a constant endeavor to do the job in hand, as well as it can be done comes nearer to success, not only in his or her immediate occupation but in the broader sense of living a successful life.

Postal Employee Enthusiastic About Konjola

Stomach And Bowel Troubles Soon Banished "Should Have Taken New Medicine Long Ago", He Says

Mr. FRANK B. NORMAN

"I suffered for along time with stomach trouble", said Mr. Frank B. Norman, 828 Mississippi Street Amarillo. I had a very poor appetite and after eating I was subject to painful accumulations of gas. I was becoming very nervous and did not sleep well at night. I was troubled with constipation and found it necessary to take cathartics constantly. I was losing strength and energy and no matter what I tried in the way of medicine nothing seemed to help me.

"I seemed to improve in health from the time I began taking Konjola. My appetite picked up and I was able to manipulate my food better. I did not have that tired out feeling in the morning and my work was easier and more pleasant. Constipation soon passed and cathartics were no longer necessary. After continuing the treatment for a time I realized that Konjola was the medicine I should have taken long ago. I am continuing to take Konjola and am recommending it to all my friends.

Given a real trial over a period of from six to eight weeks, Konjola has made a record without parallel in the history of medicines. Ailments of the stomach, liver, kidneys and bowels and rheumatism, neuritis and nervousness readily yield to its power.

Konjola is sold in Knox City at the Orient Drug Store, and by all the best druggist in all towns throughout this entire section.

RIDE ELECT HONORED WITH SHOWER

Roses in myriads of shades from home flower gardens were used in profusion in the decoration of the rooms in the home of Ms. E. Q. Warren Saturday afternoon when Mesdames E. Q. Warren, C. C. Hoge, S. M. Clonts, T. C. Bolin, T. S. Edwards, S. E. Youngblood and Miss Ruby Evans entertained with a miscellaneous shower in honor of Miss Suvella Bridges who is soon to become the bride of Mr. Ursey Cubine of McLean, Texas.

After the guests had arrived Miss Loree Branton gave a piano solo Nevin's "Venetian Love Song", Virginia Lowrey read in a delightful and pleasing way "That Old Gang of Mine", Mrs. Gordon Acker beautifully rendered "Just Been Wondering What I'd Do" as a vocal solo. Miss Sydna Virginia Edwards very appropriately read "To the Bride and Groom". Mrs. E. R. Carpenter gave a word of warning to the bride elect just before she was invited in to the "Federation of House Wives" by Mrs. Gordon Acker, Mrs. J. A. Wilson, Mrs. T. P. Fretzell Jr., Mrs. Henry Jones, Mrs. Ben Farmer, Mrs. Preak Clarke and Mrs. John Smith.

Just as the initiation was over a negro mammy (Myrtle Evans) came in carrying a basket full of lines that she placed on a clothes line as she alternately complained about the wash, and sang negro melody. When all the articles were on the line she surveyed her work with approving eyes and began whistling a song. Other gifts were brought into the honoree on large trays by Misses Ruby Evans, Loree Branton, Daphna Humphries, Mable clonts and Clara Clarke.

After all the gifts were opened and viewed by the guests in their turn delicious refreshment plates were passed to the guests by Misses Ruby Evans, Loree Branton, Daphna Humphries, Mable clonts and Clara Clarke.

OLD FOLKS SAY DR. CALDWELL WAS RIGHT

The basis of treating sickness has not changed since Dr. Caldwell left Medical College in 1875, nor since he placed on the market the laxative prescription he had used in his practice.

He treated constipation, biliousness, headaches, mental depression, indigestion, sour stomach and other indispositions entirely by means of simple vegetable laxatives, herbs and roots. These are still the basis of Dr. Caldwell's Syrup Pepsin, a combination of senna and other mild herbs, with pepsin. The simpler the remedy for constipation, the safer for the child and for you. And as you can get results in a mild and safe way by using Dr. Caldwell's Syrup Pepsin, why take chances with strong drugs?

A bottle will last several months, and all can use it. It is pleasant to the taste, gentle in action, and free from narcotics. Elderly people find it ideal. All drug stores have the generous bottles, or write "Syrup Pepsin," Dept. BB, Monticello, Illinois, for free trial bottle.
