FREIGHT RATES FOR WEST TEXAS UNFAIR

Austin, Feb. 15.—The West Texas Chamber of Commerce campaign against freight rate discriminations, already grown into a nation wide movement, will be discussed in a district meeting in Wichita Falls, Monday, February 20.

Additional affiliates to the WTCC-sponsored Freight Rate Equality Federation will be sought at the session to make stronger the regional organization's case when its representatives testify before the Foreign and Interstate Commerce Committee hearing in Washington, February 28. Organizations have joined the Federation by the score but additional affiliates are needed, officials said.

The Wichita Falls meeting, called by President H. S. Hilburn, Plainview, will open at 2:00 p.m. in the Wichita Club in the Hamilton Building.

WTCC directors, local Chamber of Commerce Presidents and secretaries and other interested persons from more than 30 towns are expected to attend.

Col. E. O. Thompson of the

Texas Railroad Commission and WTCC Manager D. A. Bantien will attend the committee hearing in Washington. Copies of the WTCC report on freight rate discriminations recently were furnished on request to every member of Congress. This and other data furnished by the organization has aided the freight rate equality bloc of 65 Senators and Congressmen in its work in the present session of Congress.

President Hilburn says that although remarkable progress has been made in the equality campaign, the battle is far from won and its ultimate success calls for the cooperation of the entire Southwest.

"The Indiana Legislature has appropriated \$10,000 to fight us on freight rate adjustments. With opposition of this kind we cannot relax in our equality campaign for one instant. West Texas has taken the leadership for removal of discriminations and we must present a solid front if we are to win," Hilburn declared.

TAX STUDY HEADED HERE BY MRS. SAM CLONTS

Mrs. S. M. Clonts of Knox City today was named chairman of a local unit of the National Consumers Tax Commission as women here moved to join the commission's nationwide crusade against taxes that penalize the consumer.

Her appointment was announced from the commission's national headquarters in Chicago.

The commission is described as a non-political organization conducting a drive by housewives of the nation against hidden and direct taxes that add to the burden of the consumer by increasing prices.

The drive is led in Texas by Mrs. Kenneth C. Frazier, of Dallas, commission president, and Mrs. V. W. Taylor of Brownsville, Texas member of the organization's national

committee. "The commission is glad to have Mrs. Clonts among the leaders of this needed movement," Mrs. Frazier said, in welcoming the new chairman. "Already hundreds of units in many states are active in this educational drive on taxes that raise the cost of living for all of us. Most people pay hidden taxes without knowing it, and it's little wonder family budgets are strained when, for example, the commission's research department finds hidden taxes add 11c to a 29c purchase of meat, \$10 to every \$30 of rent, \$1.95 to a \$5 hat and \$1.56 to a \$4 pair of shoes."

A series of study programs will be arranged for members through which to inform families here of their tax burden, Mrs. Frazier said.

Whitis To Head School Again

In a recent school board meeting A. M. Whitis was re-elected superintendent of the Knox City Public Schools. The present school year is the second for Mr. Whitis as superintendent of schools and was warranted because of the rapid and successful growth of the local school system.

It was through Mr. Whitis' efforts that the local school was placed upon state aid by Mr. Beard, Deputy State Superintendent, an honor and help not formerly placed upon the school. It was also an idea of Mr. Whitis' that courses be added to the curriculum that would enable high school graduates to be better prepared for life. Salesmanship, Junior Business Training and Commercial Geography were added to the curriculum in the past two years; also affiliation was attained in commercial arithmetic. Formerly not a threat in the county intercollegiate league events, last year many events were won and Knox City just barely missed winning the All-round County Cham-

ionship, coming out second to Munday. The physical school plant has been vastly improved, largely through Mr. Whitis' efforts. During Mr. Whitis' administration the school has won four trophies of various competitions, something not known here for the previous four years.

In recognition of Mr. Whitis' educative abilities and leadership he has been the recipient of many honors. In the educative field the Knox County Teachers Association elected him their president; in the field of civic improvement he is the president of the Knox City Lions Club, and many other offices.

To show his ambition in the teaching field Mr. Whitis has completed all of his class work at Texas Tech for the Masters Degree.

Mrs. E. R. Branch returned Monday evening from Dallas where she had been at the bedside of her father, whom she reports much improved.

HOLDING THE RUNAWAY

Feats of Strength Exhibited Here Saturday by 'Iron Man'

Here is shown the "Iron Man," holding the world's record for moving the greatest load of weight with the human body.

On Saturday afternoon, beginning at 3:00 o'clock on the Main street of Knox City, he will perform unbelievable feats of strength.

The "Iron Man" is said by science to possess the most perfectly balanced set of muscles known. And while he weighs but 165 pounds stripped, he will pull three different truck loads, consisting of gasoline and oils, scientific feed, and a tractor and farm machinery, each weighing five tons gross. In doing this he will use a pair of overalls from a local store and an innertube taken from the stock of a local tire dealer. As a special feature he will make one pull using a rope around his bare neck.

In a recent contest with a giant strong man of Coblenz, Germany, he defeated the big man by more than four tons, and it was shown in "Believe It or Not," a most unusual comparison wherein the Red Ant was able to push 275 times his own weight on a level surface and the common Sand Flea was able to pull 300 times his own weight, also on a level surface, but the "Iron Man," weighing but 156 at that time, pulled a gross load of 48,000 pounds, or approximately 307 and 8-10 times his weight. Thus he was nominated the world's strongest creature for his size.

Each load he pulls here Saturday will be pulled up grade from a standing start. He has arranged with Mr. Karr, the local bakery man, for a bread contest which the children may enter free and will receive prizes for winning.

He will be assisted in the show by a 1939 tractor. Remember that you must be on time, as the show only lasts 50 minutes and will be given but one time. There will be no collection taken, nor anything sold.

Mr. and Mrs. Joe Smith and son, Edmund, and "Slough" McBrayer returned Monday from a visit in Whiteface and other points in West Texas.

DRIFTING MEN MEAN DRIFTING SOIL, FSA TELLS LAND OWNERS

"Drifting men mean drifting soil," said Howard M. Williamson, Knox County Farm Security Administration supervisor, today as he invited land owners of the county to consider using the "flexible farm lease," a description of which may be had at his office.

"This lease provides a method and an incentive," Mr. Williamson stated, "whereby tenants will remain on their land owners' farms for a longer period instead of moving every year."

"Men who own the soil are the ones most vitally concerned in bringing about improvements encouraging tenants to remain and to take care of the land as if it were their own," he said in appealing to landlords to consider the flexible lease and other current proposals to improve tenancy conditions.

"The foundations of agriculture in this state are threatened by difficulties with the cotton industry," Mr. Williamson continued, "and it is imperative that we develop a system depending largely upon livestock and other diversified farm products. This cannot be done with farmers who stay on a place for only one or two years. They must have time to build up their herds, develop pastures and build barns and fences."

"It is not the purpose of the flexible lease," he explained, "to benefit either land owner or tenant at the expense of the other. But it would stimulate mutual benefits, such as we already find in this very county, where some tenants have remained for a number of years and have planted orchards, built terraces and new buildings and improved old ones. Tenants of this type would be multiplied many times if assured that they will remain on the land until they have received the benefits of their labor and expense, or that they will be fairly repaid for these improvements should they be required to move through no fault of their own."

PARADE TO BE A FEATURE OF CALF SHOW

Beginning promptly at 11 a.m. Saturday and led by the Knox City High School Band, a parade will open the Knox County 4-H Club Calf Show. Following the band will be all the calves with their owners. Next in the parade will be all the school children with their pets. A \$2.00 cash prize will be awarded to the child having the best entry. This feature is open to all school children, regardless of what school they attend.

The children are asked to assemble their donkeys, goats, dogs, cats, pigeons, chickens, calves or whatever they may have in the way of pets at the big Calf Show barn west of the Eroach Implement Company between 10 and 11 o'clock, as the parade will start promptly at 11 o'clock. You may fix up your pets any way you see fit and the one judged the best will be given the \$2.00. The judging will be done by out of town people.

Mr. and Mrs. R. H. Hamner and their guests last week end W. B. Hamner of San Angelo and Mrs. M. Jacobson and Mr. and Mrs. Frank Rodgers and son of Houston.

John R. White and wife and Mrs. Henry White visited in Stephenville Tuesday and Wednesday.

Knox City business men and committees of the Lions Club are putting the final touches on all arrangements for the 5th Annual Knox County Calf Show. Fourteen boys will bring twenty calves to the show. The boys will have the calves on the grounds at 10:00 a.m. A calf parade will begin at 11:00 o'clock. The Knox City High School Band will lead the parade. Lunch will be served the 4-H boys and their parents promptly at 12:15.

The judging will start at 1:30 p.m. Ralph Howe, County Agent of Crosby County, who grew up in Baylor County, will judge the calves again. He has judged all the previous shows in this county.

The calves will be divided into two groups, a senior class for those calves weighing over 500 pounds, and a junior class for calves weighing under 500 pounds.

The Lions Club of Knox City is sponsoring the show and is furnishing the prizes and ribbons. A large silver plaque is to be given to the boy having the grand champion calf. The prize money will be the same for both classes. First prize will be \$7.50; second, \$6.00; third, \$4.50; fourth, \$3.00, and \$2.50 for every boy that brings his calf to the show.

The business houses are all decorated with welcome signs for the 4-H boys.

A large group of visitors from other counties will be here for the show. There is a great deal of interest in Knox County calves due to the fact that Knox County has had the grand champion of the district for the past two years. A group from Baylor and Knox counties have already indicated that they plan to attend.

RAINEY ADDRESSES STATE LEGISLATURE

Austin, Feb. 14.—Free public education is Democracy's chief bulwark, Dr. Homer P. Rainey, president-elect of the University of Texas, told Texas solons in joint legislative session last week.

In Austin for his first visit since his election last month as president of the State's largest educational institution, Rainey delivered the first college president's address to a State legislature in recent times.

The present director of the American Youth Commission cited "training for citizenship and increasing the wealth of the people" as the immediate results of higher education. He later cited five general goals toward which he would work as University president after taking over the office early this summer.

He postponed his return trip to Washington in order to accept the legislature's invitation to speak. His address preceded by one day the first committee hearing on University appropriations, for which has been requested a budget of \$2,006,000 per year for the next two years.

After stressing the value of higher education to any state, Dr. Rainey set as "special opportunities" for the University: Development of fact finding research institutes, provisions for an outstanding graduate school and ("most puzzling and acute problem") provision of a medium for "educating practically all of our youth who ask for the privilege of higher education."

Mrs. J. W. Collins of Hot Springs, N. M., and R. B. Collins and daughter of Magdalena, N. M., are visiting Mr. and Mrs. R. H. Hamner.

TEA GIVEN BY ECONOMICS GIRLS

"Duck down to the Home Economics Department February 8, 1939, at 7 p.m." was the message inscribed on the back of a picture of a duck which was sent out to the parents of the Home Economics girls and the high school faculty. Guests were greeted at the door by the new Home Economics teacher, Miss Gray.

The program consisted of the following: Accordion solo by Virginia Parkhill; song by Virginia Parkhill, Cleta Jones and Katie Belle Sweatt; accordion solo by Virginia Parkhill, and songs by Cleta Jones and Katie Belle Sweatt.

During the program the guests were served spiced Russian tea and ice box cookies.

THE EAGLES IN ACTION

The Sunset Eagles entered the County Basketball Tournament at Knox City last Friday and lost their first game to Goree. The team has entered the A.A.U. Tournament and hope to carry off some honors here in the near future. The Eagles' record so far this year is 26 games played and 23 won.

The team consists of nine members. The captain, Orville Strickland, has been with the team for three years, the present season making four, and he plays the position of forward.

Paynie Shannon has been on the team three years, counting the present season, and he plays the position of center. He has always been interested in basketball and is invaluable to the team.

Howard Myers is the other forward and has been on the team only one year, as he was a Junior last season.

J. P. Hill and J. E. Hunter are the two guards. J. E. was a substitute last year. This is the first year on the main team for both these boys and they have shown some remarkable improvement.

The substitutes are Junior Matthews, Joe Burton, Ralph McBeth and Roy Simmons. Roy and Junior came out for Senior basketball last year, but this is the first year for Ralph and Joe. Joe was on the Junior team last year.

The coach of the Eagles is Mr. W. C. Kimbrough, who has coached Senior basketball at Sunset for 7 years. He has made an excellent coach in every respect and we regret that this is his last year to coach at Sunset. The Eagle squad this year will lose Orville Strickland, J. E. Hunter, H. D. Matthews and J. R. Hill. The team this year has won four invitation tournaments. The tournaments were at Rule, Knox City, Goree and Sunset.

JUNIOR BASKETBALL

At the county meet, the Sunset Junior boys went to the finals. They beat Truscott 23 to 6 in their first game. Saturday morning they met the Benjamin team. This was a good game and fairly close. The final score was 17-11 in favor of Sunset. Saturday night in the finals they met Goree. The game started out right for Sunset, but in the last half Goree caught up and won the game by a score of 16 to 9.

GRADE SCHOOL NEWS

The first grade pupils have their post office completed and are ready to mail valentines to each other Tuesday.

The third grade pupils are glad to have Mary Lou Nelson and Raymond Jennings back in school after a long absence. They hear that Edna Earl Travis will be back soon. She has been on the sick list for two weeks.

The fourth grade pupils are planning a party Tuesday at B. P. Tankersley's home. They will play games, have a valentine box, and be served sandwiches, cookies and lemonade.

This week in chapel the sixth grade will have the first program in a series of amateur hours which will go through the fourth grade. The program will be made up of musical numbers, a short skit, and a dialogue. There will be prizes for first, second and third places and the judges will be unknown to the contestants.

SOPHOMORE REPORT

It is almost time for six weeks exams again and the Sophomores are beginning to get ready for them.

In English the Sophomores have been studying George Eliot's "Silas Marner," and have also been drawing pictures to represent parts of the story.

Most of the Sophs are not feeling so good this week, as most of them were vaccinated.

FRESHMAN REPORT

The Future Home Makers Club of the first year Home Economics class met Friday, February 10. This was the first meeting of the club, and it was very interesting. The program had several numbers in it and they were very valuable to the girls. The girls are going to plan a way to make money for the club, but they haven't yet decided on what they are going to do.

SENIORS ON PARADE

A most pleasant member of the Senior class is Traphene Wren. Traphene was born on April 1, 1922, at Munday. She was the blessed event in the lives of Mr. and Mrs. Clayton Wren. After six years of most pleasant childhood, Traphene started the misery of school days at Munday. When she entered the sixth grade, the family moved to Sunset and she has remained here since that time.

In the eighth grade, she entered Declamation and went to the county meet. She played on the Junior baseball team when she was a Freshman and an Sophomore.

Always a booster of Sunset activity, Traphene has followed all the teams of the school to both success and failure.

Her favorites are: Song, "It Makes No Difference Now"; Loy, blonde; subject, typing; color, black, and hobby, kaddak-ing.

ONE ACT PLAYS

This year a new idea is being used in the selection of the one act play to compete in the county competition for one act plays. There are two plays under production. Both plays will be worked up and an evening's entertainment will be held for the benefit of the public. Competent judges will make the decision upon the better of the two plays and that play will be the local entry in the county meet.

The two plays to be presented are Vera Hamill-Hafe's "Luncheon for Six" and William Alden Kimball's "Farewell Cruel World." The cast of "Luncheon for Six" is made up of Wynette Farmer, L. N. Bridges, Geneva Walker, Bobbie Armstrong, Margaret Dutton and David Clarke. The cast for "Farewell Cruel World" is made up of George Wall, Faye Heath and Edna Warren.

Proceeds of the evenings performances will go to the athletic fund.

SPORTS BY SPUTTERS

By Billy Dean Davis and Marjorie Propps

Tuesday night of last week the Greyhounds were hosts to Panthers of Seymour. The Greyhounds beat in the first game but the Panthers trampled all over them in the last two games of volleyball.

On last Wednesday night the Greyhounds met the Moguls of

Munday. The Greyhounds won the first game to the tune of 15-4, but the Moguls got hot and won the last two games. We are sorry to say that in this series of games one of our best players, Anna V. Carr, got her right thumb broken and will be unable to play the rest of the season.

The county meet is over and Goree should be very happy, because they had outstanding success. The Goree Juniors won the county as well as the Goree Seniors. For the opening Senior game Benjamin played Truscott and won. Next Goree played Sunset and the Goree team proved too fast for the Eagles from Sunset. This caused the favored team of the county to go down in defeat, and placed Goree in line for further progress. Saturday morning the Benjamin team defeated Munday and the Mustangs were placed in line for the finals that night. Goree and Knox City also played Saturday, and this game proved to be the most exciting of the entire tournament. Neither team ever had over a three point lead at any time during the game; both teams battled up and down the court sinking goal after goal. At the beginning of the game Knox City made the first score. For a time it looked as if Goree could not make a goal, but the team started scoring with the Greyhounds leading them a merry chase. At the half the score stood 8-8. Knox City was one point in the lead

at the beginning of the last quarter and the boys went into the last lap of the game with plenty of fire and fight. Goree took the lead, however, and throughout the last few minutes of play the two teams made goals alternately until the final whistle which found Goree in the lead by one point. The Greyhounds played a fast game and Goree did not have a comfortable lead at any time during the game. In spite of the fact that the home team was defeated everyone is proud of their spirit and loyalty, and we feel sure that our team was a winner in more ways than one.

Saturday night the final games of the tournament were played. The Goree Juniors defeated the Sunset Juniors in an exciting game between two good teams. The game between the Benjamin and Goree Seniors decided the outcome of the tournament, and there were many fans for both teams present and ready to cheer their favorite. The Benjamin boys were not a match for the Goree team, however, and Goree easily carried off the honors as the county champions.

Knox City was proud to have as their guests the teams of the county and other visitors that came to cheer the various schools. We wish to extend a hearty invitation for them to return and be our guests again.

HIGHLIGHTS OF THE TOURNAMENT

Biggest surprise of the tournament: Sunset's defeat.

Everyone noticed the attention that Paul Edward and David received when they entered the gym decorated by the fair twins from our neighboring town of Munday. Odell and Melvin seemed to wish that the twins were quadruplets.

The door keeper was kept very busy keeping Jean Anne, Ernestine, Anita and Zena posed as to O'Brien's arrival.

One of the biggest flurries seen at the tournament was the sudden rise of interest among the K. C. H. S. students about the masculine, as well as the feminine, arrivals from Goree.

There will no doubt be great happiness among Doris Apple's friends now that it is noticed that she and her Sunset basketball player are doing nicely again. Maybe those medals helped!

Everyone noticed how the home town girls went out of their way to be nice to the out of town girls, as well as the boys!

It was also noticed, and was quite amusing, that the Knox City boys and girls had quite a time with their yelling. They would get just a little mixed up at times and be cheering for two teams at one time, but having a good time anyway. It was noticed that one girl, apparently very excited, began cheering madly for a team that didn't happen to be playing at that particular time.

French General Sees the Spanish War

by ELLERY SEDGWICK, Editor Emeritus, Atlantic Monthly

Duval Says People Feel Franco Fights Alien Communism

IN the welter of books on warring Spain it is interesting to find one which speaks with peculiar authority. The famous French chief of staff, known to every member of the A. E. F., Gen. Maurice Weygand, dispatched as an official observer, Gen. Jean Duval, whose extended report, published last June in Paris (Librairie Plon) under the title "Lessons of the Spanish War," gives a professional account of the war in the Peninsula and its lessons for both soldier and civilian. The book gains weight from the unconditional endorsement of General Weygand.

"At the outset," says General Weygand in his introduction, "there was on the one hand an established government, and on the other a small group of men, determined to free their country from intolerable servitude. To begin with, odds favored the former, possessed of an army and supplies, far greater territory, gold, seaports, almost the entire fleet, and through it ready access to outside aid. But the government was without unity and was dominated by foreign influence."

General Duval is confident that the war is regarded by the Spanish people as a crusade against alien communism and that it will unite the nation as it has not been united for centuries. He anticipates that the post-war government, with the realism inherent in Spanish character, will play an independent part in European affairs, leagued with neither Germany, France, Italy nor Great Britain, but cultivating friendly relations with all, while it dedicates its energies to the rehabilitation of its war-torn land.

Causes of Revolution

Analyzing the causes of the revolution the General says that the Republic of 1931 was torn between a multitude of parties whose ambitions and susceptibilities were played upon by the agents of Moscow. Communist and anarchist agitators led the urban workers to believe that a Union of Iberian Soviet Republics, once all power and property were in the hands of a dictatorship of the proletariat, would guarantee them a workless, taxless, care-free existence. Workers' militia amounting to 400,000 armed men, far outnumbering the regular army, were formed by the anarchist, communist, and socialist parties. These illegal organizations were covertly aided by the supine Republican Ministers. Army equipment was stored in warehouses in the large cities of eastern Spain where it would be easily available to the radical mobs.

In 1934, as General Duval points out, the communists attempted to establish a soviet Spain, when they fomented a bloody uprising in Catalonia and the Asturias. They were defeated by the Spanish Army. In 1935 they broadened their alliance with the Socialists, left Republicans

Wide World Photo.
 ELLERY SEDGWICK
 Editor Emeritus of Atlantic Monthly who recently toured Nationalist Spain and is emphatic in his opinion that the war in Spain is between the forces of Communism and Democracy.

Deserted by Government Populace Believed They Had to Revolt

organized, made up of elements borrowed from the Italian army. Nothing could be further from the truth.

"The Italian Legion was organized in Spain early in 1937. For the most part it was recruited from Black Shirt ranks after the Ethiopian campaign. The rest are men in search of adventure, dreamers, or idealists eager to stamp out communism.

"The Italian Legion does not in any way correspond to the regular army; it has next to nothing to do with it. Like the Spaniards, however, the Italians have made a good showing in battle. The men are disciplined, patient and courageous; their officers intelligent, quick-witted, and eager for action. A study of the Santander campaign shows them men of action, good tacticians, proof against fatigue, eager to keep going the last day as the first. They did not have the equipment at the disposal of our (French) units in action; however, they knew enough to make the best of what they had."

General Duval has praise also for the Moroccan troops in the Nationalist service. "It has been said," he writes, "that the native troops represent an element of barbarous savagery. Our own experience, however, has taught us that Moroccan troops, under European leadership, conduct themselves in a way beyond reproach. The high degree of discipline in the Moroccan regiments might well have been an example to the anarcho-syndicalists of Barcelona."

Infantry Still Supreme

General Duval finds that infantry is still supreme in battle and notes that the greatest advance in material since the World War has been in anti-aircraft artillery. Spain has been a proving ground for many new weapons. Some of them, like the soviet tanks captured by General Franco's Moors with army blankets and bottles of kerosene, failed in action. It is notable that neither side has employed gas. Military tactics remain fundamentally the same, varied only by the extreme ruggedness of most of the Spanish battlefronts. There has been great use of infantry in proportion to artillery support that was the practice in the World War. Nationalist practice has been to use light artillery as accompanying guns, the gunners usually opening on targets in direct sight. Air craft has been employed principally for bombing, to assist the infantry in clearing strongly fortified positions and for distant reconnaissance. Most of all planes are used in formation; the individual flyers of 1914 are rare, except such extraordinary officers as Major Garcia Morato of Franco's forces who, on one occasion, is cited as having engaged single-handed more than a score of Russian planes, shooting down three and escaping with a whole skin.

Italians Good Soldiers

As to the war itself, General Duval's observations have a novel interest. He takes sharp issue with critics who disparage all Italian troops saying: "The Italian Legion, being an independent entity, has come in for special attention. Many fantastic stories concerning it are current. It is said to have arrived in Spain fully

TRUSCOTT H-D CLUB

The Truscott Home Demonstration Club met Thursday, February 9, in the home of Mrs. Roy Browder, with Miss Astin, county agent, present. A short business session was held, at which time an interesting report of the last county council was given by Mrs. Ozzie Turner and Mrs. Herbert Gillespie.

Miss Astin then took charge, giving many helpful facts concerning the food value and use of dried fruits. Three tempting dishes were prepared demonstrating the use of dried fruits.

Refreshments consisting of prune whip, topped with whipped cream and cherries, cake and hot chocolate were served to Meses. L. B. Balcom, Preston Henry, Bill Stoker, Herbert Gillespie, E. G. Rudloff, Lloyd Strange, Ozzie Turner, C. S. Woodward, O. J. Witte, Roy Browder and Miss Astin.

The next meeting, February 23, will be with Mrs. Van Browning, and everyone is urged to bring five cents for the educational fund.

FIGHT OPTOMETRY BILL

Austin, Feb. 15.—Branding the proposed optometry law as class legislation and discriminatory against Texas business, many retail merchants, jewelers and optometrists throughout the state are planning to fight the measure to a finish.

The bill regulating optometrists has been introduced in both the Senate and the House of Representatives. Opponents of the bill claim that powerful interests, some of them from out of state, are trying to lobby the bill through in a hurry.

In effect, the bill would put Texas optometrists under a board which is a virtual dictatorship. The board would have no accountability for its collected fees, and the present license fees on optometrists are doubled by its provisions, but can spend such money in any way they may desire. The new board would be given absolute power over optometrists and can deprive any optometrist of his license to practice without any further or higher appeal. The board alone determines who can make a living as an optometrist in Texas. The provisions of the law, so its opponents claim, will put many optometrists out of business in the smaller towns of the state and greatly limit and handicap the following of this profession in the larger cities.

No optometrist is allowed to advertise or to announce any credit rates for the provision of eyeglasses. Newspapers, neon signs, optometrists displays in store windows, radio, billboard and all other mediums of advertising for optometrists are wiped off the map by this stringent statute. Poor people will not be able to pay for spectacles on terms unless specially arranged for with members of the selected group who will profit by this legislation. Many members of both houses in which the bill is pending will oppose it as being a restraint to trade.

PILOT RUINS MOVIE TAKE

It is bad enough when an occasional airplane flies over a movie company on location and ruins an otherwise perfect take, but when an airplane makes a paying business of it, that's going too far!

Director David Butler ran into that problem when he was filming "Kentucky," the 20th Century-Fox Technicolor production featuring Loretta Young, Richard Greene and Walter Brennan, and coming Sunday to the Roxy Theatre at Munday, Texas.

One airplane not only passed overhead but kept circling low to see what was going on. The sound man came running out of his booth waving his arms wildly and shouting, "Get him out of the sky or we'll never shoot this scene." Director Butler decided to act quick-

ly. He signalled the pilot to come down.

When the young man alighted from his plane Butler said, "Look, we're trying to complete this scene today. If you must fly in this vicinity, go over and annoy Ed Thorgersen. He's on location for Movietone News two miles from here, to the north."

The pilot looked amazed. "Gosh," he replied, "He's the fellow that sent me over here."

FSA TO HOLD MEETING

The Farm Security Administration will hold a County-wide Educational Meeting in Throckmorton, Texas, Tuesday, February 21, in the County Court House and will begin promptly at 9:30 AM.

Every Farmer, Landowner and any other person interested in learning more about the

purpose of the Farm Security Administration and the way in which they are trying to aid the farmers of Throckmorton County, are invited to attend.

In this meeting the purposes of the program and various divisions, such as Farm Debt Adjustment, Tenant Purchase and the Rural Rehabilitation division, will be discussed, also the requirements which are necessary for a farmer and his family to meet before they are eligible for help from the Farm Security Administration.

It is hoped that there will be a good attendance at this meeting because there will be an opportunity given for the asking of questions in regard to the program and its various activities.

Mr. and Mrs. Merick McGaughey attended the "42" party at the Vera school auditorium last Friday night.

Mr. and Mrs. E. A. Darwin and baby, of Wellington, visited Mr. and Mrs. J. C. Patterson Sunday.

Earl Sams returned home from Mineral Wells Thursday, much refreshed in body and mind.

Jack Welch resigned his position as assistant county agent, to become effective February 20, and has accepted the position of supervisor of the Farm Security Administration at Tahoka. This comes as a substantial advancement to Mr. Welch. We regret losing this fine young couple but wish them the best of success in their new home. Mrs. Welch is spending some time in Mineral Wells visiting her parents before moving to her new home.

Mr. and Mrs. Van Earl Sams left Sunday to make their home at Childress, where Mr. Sams will be connected with the highway department.

Mr. and Mrs. O. D. Propp and Mrs. Floyd Lindsey of Stamford were in Dallas Saturday on business.

D. J. Brookerson returned Saturday from Marlin, where he has been taking special treatment for the past several weeks. He is much improved.

Joe Harper, assistant county agent at Crowell, has accepted the position made vacant in the county agent's office here by the resignation of Jack Welch.

Press Phillips of Munday, August Schumacher of Rhiloland, Ernest Beck of Vera and J. W. Smith of Knox City, county cimmiteemen, met with County Agent W. W. Rice Friday.

The 4-II Club gave a tournament in the assembly room of the court house Friday night.

Mr. and Mrs. W. C. Cunningham, Mr. and Mrs. Clyde Gibson and Mrs. Leroy Melton were in Wichita Falls Saturday on business connected with the new school building, which has been approved and will be under construction in the near future.

Mrs. H. V. Coats and children of Seagraves visited Mr. and Mrs. J. J. Handley the first of the week.

Mr. and Mrs. Alfred Kilgore entertained about forty friends last Saturday night honoring Miss Wauneta Brown, sister of Mrs. Kilgore, on her seventeenth birthday. Chinker Check and other games furnished entertainment. The honoree received many beautiful gifts. Refreshments were served at a late hour, after which the entire party attended the mid-night show at Knox City.

Elton Patterson of Brownfield spent the week end here visiting his many friends.

Mr. and Mrs. R. S. Campbell and children visited in Dickens with relatives the past week.

Mr. and Mrs. J. J. Handley spent Sunday in Childress with friends.

Mrs. W. F. Snody is visiting in Abilene with her sister, Mrs. O. L. Howell.

Mrs. J. J. Handley and Mrs. Coats spent Saturday in Chillicothe with friends.

Mr. and Mrs. M. T. Chamberlain visited in Munday Sunday with Mrs. Chamberlain's mother and brother.

Mr. and Mrs. Merick McGaughey visited J. N. Mc-

companied by Nella Meinzer, sister of the groom, and Bert Lewis Swaner of Holiday. They returned to Benjamin and went directly to their home, where they had everything in readiness for housekeeping. They are living in the Lewis Meinzer home until they can gain possession of their own home, which they purchased from Buck Coody. We extend sincere good wishes to this young couple.

The Father and Son Banquet given at the club rooms Tuesday night was one of the highlights in our city this week. The meeting was sponsored by the scoutmaster, Mr. Wendell Watson, with Judge E. L. Covey as toastmaster. The program was the Introduction of Father and Son, by Judge Covey; What the Boy and Scouting Means to Dad, by Lewis Williams; What Scouting Means in Benjamin, by Bill Brookerson; What Scouting Means to the Boy and How Dad Can Help, by Clyde Edward Williams, and Boys' Education, by W. C. Cunningham. The ladies of the Christian church served a three-course dinner to fifty-one guests. The room was beautifully decorated in red, white and blue, and the color scheme was also carried out in the menu.

Miss Jerry Coltharp was joined by friends from Guthrie and left Friday morning for San Antonio and other points, returning Monday night.

Miss Martha Crenshaw and Miss Janice Patterson had as their guests last week Messrs. Leon Dehnert and Emmett Beard of Algona, Iowa. They were entertained in the Crenshaw home.

In turn, the president asked her committees of last year to continue for another year. They are: Park Cimmitee, Mrs. Sara Clonts and Mrs. T. P. Frizzell Sr.; Program Committee, Mrs. Joe Averitt, Mrs. T. P. Frizzell Jr. and Mrs. John May; Finance Committee, Mrs. Caussey and Mrs. Carpenter.

The group voted to observe the World Day of Prayer in a union service at the Christian church Friday afternoon, Feb. 24, at 3 p.m.

A CALL TO PRAYER

You are invited to join in a fellowship of prayer the world over on the World Day of Prayer, February 24, from 3 p.m. to 4 p.m.

The World Day of Prayer is sponsored by the National Committee of Church Women. The theme of this meeting is "Let Us Put Our Love Into Deeds and Make It Real." The world needs the prayers of Christians as never before. "God will not ask thy birth nor will he ask thy race. Alone he will demand of thee what hast thou done on earth." "Whatsoever ye shall ask in prayer, believing, ye shall receive," said Jesus.

The church bell will ring at 9 a.m. for every Christian to pause for prayer. Then the bell will ring again at 2:30 p.m., the call to prayer at 3 o'clock in the Christian church.

SENIORS

The Seniors are taking payments on the annuals. The first shipment of materials has arrived. This shipment includes the lay-out sheets and several booklets for the staff organization. Each class will be responsible for the section of the annual about the class.

WHO'S WHO

The Baylor University of Waco is sponsoring a "Who's Who" in the Texas high schools in which the picture and record of the three outstanding students in each high school will appear. The book will be sent to the large business firms of the state. The faculty, after much consideration, chose Nathan Mitchell, Polly Chamberlain and Wanda Nunley to represent this school.

BASKETBALL

The Benjamin Seniors play-

ed the first game in the county meet with Truscott. Benjamin won by a score of 31 to 8. Next, Munday was defeated by the score of 26 to 7. This put Benjamin in the finals with Goree. Goree outplayed Benjamin to win the county championship. The Junior team played Sunset Saturday morning and was defeated by a score of 16 to 13.

The boys are now centering their attention on track and field and tennis events.

CHRISTIAN WOMEN'S ASSOCIATION MEETS

The Christian Women's Association met at the church Wednesday, Feb. 8, in a called meeting with the president, Mrs. A. B. Reese, in charge.

The following officers were reelected: President, Mrs. A. B. Reese; vice president, Mrs. Sam Clonts; secretary, Mrs. C. C. Hoge, and treasurer, Mrs. Marr. Mrs. Cogswell was elected reporter.

Paul Whiteman Ride 'em Cowboy

We mentioned Paul Whiteman's penchant for cowboy clothes or anything western a couple of weeks ago, and now comes word from Fort Worth, Texas, that he has been booked to play the Southwestern Exposition and Fat Stock Show there from March 10 to 19. That will give Mr. P. W. a chance to renew old acquaintances, ride the range on Anon Carter's ranch and do two of his network shows from the Lone Star State.

Connie Vance, secretary to madcaps Gill and Demling, is the only steno we know who doesn't raise an eyebrow when told to report for work dressed in hip boots, bathing suit or jodhpurs. She follows her bosses from beach to bridle path, jotting down quips as they let them fall.

John J. Anthony has been signed for another year to conduct the Original Good Will Hour on Mutual and is readying a newspaper column along the same line.

Latest addition to the popular Betty & Bob cast is Stanley Harris in the role of a newspaper man. Harris has done everything from play football to crack up in an army plane and still hasn't quenched his thirst for adventure.

Bob Trout celebrated his sixth anniversary of helping President Roosevelt celebrate his birthday when he introduced him on the air the other week on that occasion.

The characters and atmosphere in The Story of Mary Marlin are really authentic, whether the action be in this country, Europe or Asia. Authoress Jane Crusiberry spent many years on each Continent and writes from first-hand experience.

When Bob Hope insisted that bandleader-singer Skinnay Ennis also do comedy lines on his broadcast he almost had a war on his hands. Ennis finally gave in and as a result he has a new motion picture contract. Bob is still kidding him.

Benny Goodman and his swingsters head for the west coast to do a two weeks' stand at the San Francisco Fair, starting March 15. Their cut will be \$12,500 per, plus percentage. Who said swing is on the wane?

August 30, 1939, has been set as the date for the first World-Wide Revival in the history of the Christian church, with Dr. Charles E. Fuller, conductor of radio's Old Fashioned Revival Hour, officiating. It will be held at the San Francisco Fair.

Just in case you have ever wondered about it—Lucy Frances Langford never goes out alone, even to her Star Theatre broadcast. Hubby Jon Hall is her constant companion.

Sign in a Fort Worth lunch room: "Try our sandwiches, nobody likes a coward."

The day's bit of philosophy: "He who has a thousand friends Has not a friend to spare; And he who has one enemy Will meet him everywhere."

The mass of mail pouring in on Texas legislators is the heaviest in history. Most of the letters from the cities are protesting against the Fair Trade and Anti-Discrimination Bill. Very little has been heard yet from small towns and rural sections; and representatives of those districts are wondering about the attitude of their constituents toward these price-fixing measures which, it is pointed out, would raise prices in every town in Texas.

Many merchants are of the opinion the bills would help them but Jim Carroll, widely known newspaperman and executive secretary of the Texas Merchants Association, takes the position that the bills would surrender to out-of-state manufacturers the power to fix the price that Texas consumers must pay; that, though the price to the consumer would be raised, there would be no corresponding increase in payment for raw materials or wages, consequently it would amount to a reduction in income for the consumer and, as proof, cites New York where the price of 4,800 items was raised 8 percent after a price fixing law was passed. President Roosevelt is opposed to such laws and the effect in Texas would be to knock out the anti-trust laws that James Stephen Hogg labored so hard to place on the statute books.

Other interesting bills are pending before the Legislature. For centuries the village smitay has stood beneath the spreading chestnut tree (to quote Longfellow) and the blacksmith has plied his trade as a rugged individualist, untrammelled and unfettered by government. But now a law has been proposed to make the blacksmiths take out a license and (you guessed it) there will be a new state board and more government jobs.

Another bill provides for the licensing of high school janitors. Why discriminate against college janitors and kindergarten janitors? Let's have a separate board, with more fees and more appointments, for each group!

Austin hotel lobbies are filled with interesting people from all parts of the State these days.

Coming through the lobby the other night was General M. J. Bonner of Fort Worth, wearing a Confederate uniform. The Confederate veteran played old Southern tunes on his fiddle when Col. A. E. Humphreys, late "king of the wildcaters," was host to General John J. Pershing at Mexia during the oil boom.

Nearby, two men were chatting—Harley Sadler, who for 22 years has entertained West Texas with his tent show dramas, and Dick Halcomb. The showman took "time out" last summer to campaign for his cousin, Jerry Sadler, who was elected State Railroad Commissioner. Halcomb was Jerry's campaign manager, incidentally, the picturesque Hick, in speaking of someone he doesn't especially like, has a saying, "Yes, that fellow is studying to be a halfwit."

Another recent visitor to the Capital City was Joe Caldwell, former legislator from Asherton, who was welcomed to Southwest Texas in a most unusual fashion. When he stopped his car in front of a friend's house just at nightfall, a wildcat jumped into his lap. (The half-grown animal was tame.)

Even more startling was the experience of Constable Dusty Rhodes of Fort Worth (who was in Austin a few days ago). Some years back, the authorities were hunting for the victims of the Handley murders.

Rhodes stopped his auto just at dusk on a bridge over the Trinity, looked over the balustrade and found himself gazing into the faces of three corpses. One man went to the electric chair and another is in Alcatraz because of that discovery.

A well known Austin man who lives in a hotel has a regular hotel telephone and also has an outside phone. The other night, he was lonesome so he called the hotel on the outside connect him with his room and then—one receiver in each hand—he carried on a conversation with himself.

Entry in that "oldest joke" contest: A negro, enlisting in the army during the World War, was asked, "Do you want to join the cavalry?" He answered, "No, suh; if them enemies gets after me, I don't want to be bothered with no hoss."

Mrs. L. E. Hamm returned Tuesday from Wichita Falls, where she visited her sister who is ill.

AMERICAN BOY MAGAZINE COMPANION TO THOUSANDS

Hundreds of thousands of boys and young men read THE AMERICAN BOY Magazine every month and consider it more as a living companion than as a magazine.

It's as much a buddy to me as my neighborhood chum," writes one high school senior. "THE AMERICAN BOY seems to understand a boy's problems and considers them in such a sympathetic and helpful way. It gives advice and entertaining reading on every subject in which a young fellow is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in THE AMERICAN BOY."

Many famous athletes in all sports credit much of their success to helpful suggestions received from sports articles carried in THE AMERICAN BOY Magazine. Virtually every issue offers advice from a famous coach or player. Football, bas-

ketball, track, tennis, in fact every major sport is covered in fiction and fact articles.

Teachers, librarians, parents and leaders of boys clubs also recommend THE AMERICAN BOY enthusiastically. They have found that as a general rule regular readers of THE AMERICAN BOY advance more rapidly and develop more worthwhile characters than do boys who do not read it.

Trained writers and artists, famous coaches and athletes, scientists and men successful in business and industry join with an experienced staff to produce in THE AMERICAN BOY the sort of reading matter boys like best.

THE AMERICAN BOY sells on most news-stands at 15c a copy. Subscription rates are \$1.50 for one year or \$3.00 for three years. Foreign rates 50c a year extra. To subscribe send your name, address and remittance direct to THE AMERICAN BOY, 7430 Second Blvd., Detroit, Michigan.

PICTURE HIGHLIGHTS

One-Legged—Could you climb a mountain with two legs? Roger Tachum, above, climbs the Alps with only one!

Three Bennetts—These little girls grew up to be famous stars, left to right, Constance, Joan, and Barbara Bennett. Look magazine, presenting the picture story of their lives, catalogs them with "6 Husbands, 4 Divorces, 8 Children."

Skating Sensation—Stunt, 14, 5 feet 2½ inches tall, 105 pounds, and skating for only 9 months, graceful Mae Ross is Hollywood's newest ice star.

Vegetable Facial—Yep, that's what the lady's getting for her complexion. Idea comes from the Colombian Indians.

Healthy Feet—Picking up pencils with his toes is good foot exercise for your youngster, claims the current Look magazine in discussing healthy feet for children.

Don't Worry—This looks like the Queen Mary going down, but it's only a composite picture from John Haynes Holmes' amazing picture prophecy of "America in the Next World War" in the new Look magazine.

BIRTH OF A SONG

"Sweet Sue—Just You"
By Victor Young
Will J. Harris

Victor Young was born in Chicago. His father, an opera singer, discovering musical talent in his son, bought him a violin. At six he was able to play it.

Four years later, Victor was sent to his grandfather in Warsaw to study at the Conservatory of Music, where his virtuosity earned him the Diploma of Merit and an appearance with the Warsaw Philharmonic orchestra.

Victor toured the European capitals. The course of his life seemed shaped to a career of classical music. But, then, the world seemed destined to enduring peace.

War times found Victor playing in Kiev. Here he was detained by the Bolsheviks, but was aided to escape by a friendly officer who had heard him play.

Recognition came when he was elected to membership in the American Society of Composers, Authors and Publishers. His continuing contributions to American music.

He made his way to Paris, back to Chicago, and finally on to California, where he met his sweetheart and took a job in motion pictures, to help support his wife.

He became a composer and arranger of popular music, and his first tune "Sweet Sue—Just You" is already on its way to becoming a classic.

THE ARLEDGE HERD OF

Bilt-Rite Herefords

HEADED BY HAZFORD TONE 123d

A more than half-brother to HT Tone, grand champion of
American Royal and 1938 International and a winner in most
of the major shows this past season.

Hazford Tone 123d has a great show record in his own
right and an even better sire record, we believe, judging
from the 35 calves we got from him this year. He has
transmitted to them those very characteristics that make
him a "Bilt-Rite" Hereford. We invite you to see him,
his offspring and the breeding herd.

LAMB CHOPS FOR FEBRUARY PARTIES

February definitely is the "party month," for within its twenty-eight days, there are three grand excuses for parties—Lincoln's birthday, Saint Valentine's day, and Washington's birthday.

Lamb chops, garnished in keeping with the spirit of the day, make an attractive and delicious dish to serve at any or all of these entertaining events. The lamb chop platter garnished with rosy tinted apples as shown above makes an ideal party dish for the Saint Valentine's day luncheon or dinner, with the color of the rosy apples blending perfectly with the red and white color scheme of hearts and flowers. For the Washington's birthday dinner, fill the centers of apples with a mixture of chopped cherries, nuts and honey, and garnish the platter more elaborately with red cherries. For the Lincoln's birth-

day dinner, serve lamb chops with corn bread, baked in log or corn shaped pans, and a log cabin salad, made by piling asparagus tips, one on top of the other to form a log cabin in appearance.

How to Broil Lamb Chops
For broiling, have the lamb chops cut thick. Thoroughly pre-heat the broiling oven with the regulator set high. Place the chops on the broiler rack so that there is a distance of about three inches between top of chops and source of heat. If this distance must be less, reduce the temperature accordingly. When the chops are nicely browned on one side, season them with salt and pepper, turn them and finish the cooking on the second side. Chops cut 1-inch thick require about fifteen minutes for broiling.
Menus featuring lamb for each of the three holidays are sug-

gested by Inez S. Willson, home economist.

DRIVERS MAY CONTINUE USING OLD LICENSES

Austin, Feb. 14.—Drivers in Texas may continue to use their operator's licenses after April 1, the statutory expiration date for all such permits, the public safety commission announced today.

The commission said an indefinite period of extension is advisable pending legislative action on two proposals for re-issuing driving permits. The two bills referred to in the legislative hopper are Senate bill No. 3 and House bill No. 50.

Licenses issued to chauffeurs and drivers classed as commercial operators were not affected by the safety department's orders for extensions as these permits expire one year from date of issuance. Since Texas' driver's license law was enacted in 1936, two and three-quarter million licenses had been assigned to passenger vehicle operators. These permits were issued by tax collectors over the state under the statute that stipulated they would expire on April 1, 1939. However, no action had yet been taken by the 46th legislature to provide for renewal or reissuance of the licenses.

Safety department officials said the new expiration date would be announced later.

METHODIST CHURCH NEWS

Bishop Ivan Lee Holt to Preach Here Sunday

Monday, February 20, at 11 o'clock, Bishop Ivan Lee Holt will be with us for a special preaching service. This is not sponsoring any special cause for the Methodist church, but is in the interest of the spiritual life of our community. Everyone is invited to hear Bishop Holt.

We want you to hear this message, so please keep this date in mind. Next Monday morning at 11 o'clock at the First Methodist church. Following the service we are having lunch at the church for all who will attend, honoring Bishop Holt and his wife, who will be here at that time.

Services at the church Sunday, Feb. 19: Sunday School 9:45; Preaching services, 10:50; Young People's meeting, 6:30; Worship service, 7:15, young people in charge.

—A. A. Peacock, Pastor.

NOTICE

At a recent meeting the Sunset School Board passed the following:

1. Not to allow school taxes to become more than one year delinquent on personal property and two years on real estate.
2. All delinquent taxes are subject to prosecution after March 1, 1939.
3. Landowners insist that tenants pay their personal property tax, otherwise real estate valuations will have to be raised.
4. It is unfair to the tax payer who pays taxes not to collect the delinquent taxes.
5. School taxes may be paid either at the Sunset school house or at the tax collectors office in Benjamin.

MASON CELEBRATION

CHEVROLET LEADS

Detroit, Feb. 8.—Texas' auto registration figures for the year 1938, made public today, shows Chevrolet in first place in the state, as in the country at large.

Chevrolet, the figures reveal, registered 37,691 passenger cars and trucks in Texas in 1938. This represents 39 per cent of the state's total passenger car registrations in the low price group, and 38.7 per cent of truck registrations in Chevrolet's weight class.

This showing in 1938 gives Chevrolet leadership in seven out of the past eight years for passenger car sales in Texas, while Chevrolet trucks have led in seven out of the past ten years.
