

An important meeting for parents and boys... and in fact for everyone interested in Cub Scouting, will be held Tuesday night, October 27, 7:30 o'clock at the American Legion Hall. All boys between the ages of 8 through 10 and their parents included are urged to attend. Purpose of the meeting is to reactivate Cub Scouting here. This scribe knows of no other program that will build character, and mold the future of our town, county, state, and nation than the Scouting program. We hear a lot of talk about "let's do something for our youth" and combat juvenile delinquency... so now is the time for all good citizens to come to the aid of the scouting program in Knox City. Make it a point to attend this important meeting and help John Hansen and others get Cub Scouting back on sound footing here.

Just meditating... The loss of a friend is like that of a limb; time may heal the anguish of the wound, but the loss can not be repaired.

Will someone please teach, instruct or show Mrs. Bob Gage the art of removing a cobbler from the oven???

On a number of occasions The Herald staff has received a request from some individual or organization to "please put this story on the front page where people will see it." This strikes this scribe as being very funny. You see the average weekly reader covers the whole paper. As a matter of fact, he usually glances casually at the front page, turns to the locals, and reads them, and then slowly makes his way through the paper back to the front page.

You just can't "bury" an item in a "small-town weekly", because the reader will search it out wherever it may be. Frankly I have always felt that every sheet in the paper is the front page. It's different in a city daily where the world news is generally carried on page one. There the reader interest may be focused on the front page.

In a country weekly, such as The Herald... every page carries an array of community news. Knox Citizens read the Benjamin, O'Brien, Truscott news, locals, society, classified ads, etc. The front page on a weekly is used for articles and stories of general, but not necessary of the most important interest. Therefore in placing a story, announcement, or an article designed to catch the attention of local readers, the inside pages are better than page one.

It amazes this scribe how an item on the front page may be missed by the readers, while some little squib sandwiched in on one of the other pages will always be read.

I was looking over the Lions Code of Ethics recently and

LIONS CARNIVAL HUGE SUCCESS

The Lions Club Street Carnival which closed last night after a three night stand, was termed very successful, president Doyle Graham said.

Net proceeds from the carnival was not available at press time, but the overall profit to the club will be far above expectations.

Prexy Graham issued words of thanks to everyone who assisted in making the event a success.

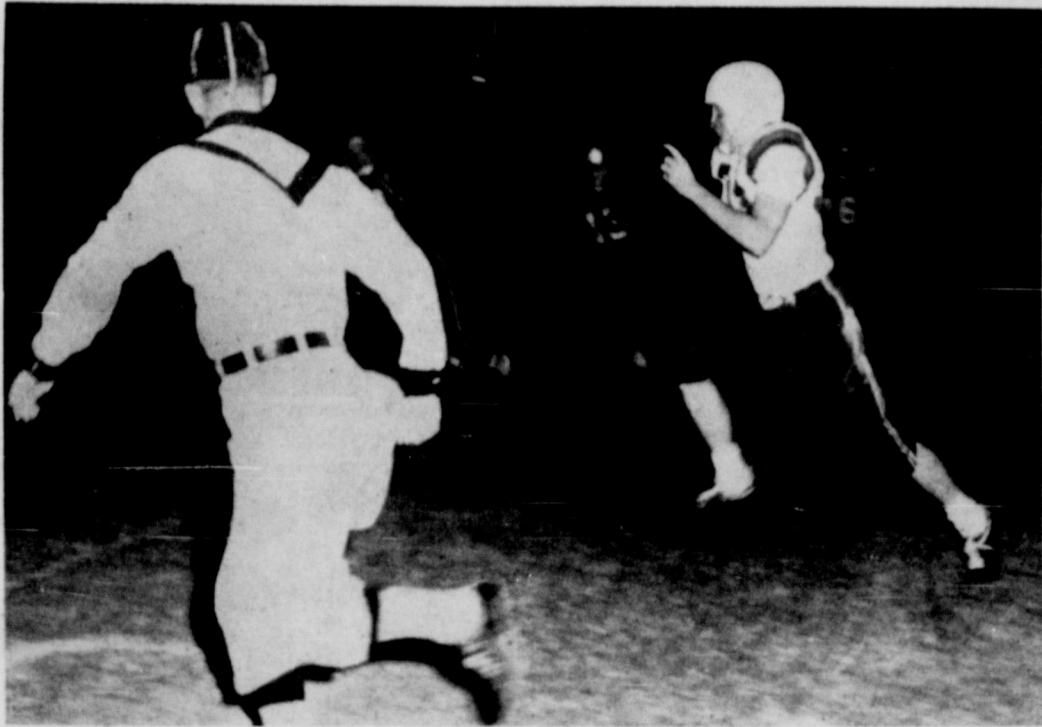

Exact amount of profit to the Lions Club will be released at a later date.

Funeral Services Held Tuesday For Georgia Fae Rios

Funeral services were held in the Rios home, Knox City, Tuesday, October 13, at 4:00 p. m. for Georgia Fae Rios, 7-months old daughter of Mr. and Mrs. Joe Rios, Jr. Father Johns of Rhineland officiated.

Georgia Fae was born March 7, 1959, and passed away early Tuesday morning in the Knox County Hospital.

Survivors in the immediate family include the parents, one brother and one sister. Interment was made in the Knox City cemetery, under the direction of Pinkard-Smith Funeral Home.

FIRST TOUCHDOWN — Larry White is shown above making a bid for Knox City's first conference touchdown against Throckmorton last Friday night. Larry made three of the four touchdowns. KNOX CITY JAYCEES, GUESTS HEAR CONGRESSMAN IKARD

Congressman Frank Ikard spoke to the newly organized Knox City Jaycees Tuesday morning at their regular breakfast meeting.

"Most of you have kept up with proceedings of the recent sessions of Congress the last few weeks, and probably know we have passed some important legislative bills," Ikard began.

"I think you will agree that Congress has tried to be fair minded, and has tried to work with the Republicans on solving problems when possible. During this session we have passed a Labor Bill which will help curb the graft and gangster elements in some of our labor unions.

"It is not a perfect bill, by any means, but it will certainly help. Another important bill passed by Congress was the admission of Hawaii at the 50th state," Ikard said.

Ikard said we are in a critical stage of expenditures and fiscal affairs. Congress approved one bill \$800 million less than requested.

On the recent visit of Khrushchev to this country, Ikard commented:

"Khrushchev has a great deal of ability. He is dedicated to Communism, and also dedicated to spreading Communism all over the world. He can speak of peace in the same breath he

speaks of war.

"I think our form of representative government will prove the best to other nations, if they were compared along with Communism. We have the ability and will to govern ourselves. Our people run the government, not the government to run the people."

Ikard said the next session of Congress will be a busy one, as there were many important issues.

"We are second place in the race for outer space," Ikard said.

"What difference does that

Safe Stolen From Weiss Grocery At Vera Sunday Night

A plate glass window was broken at the Weiss Grocery in Vera, Sunday night and an unlocked safe which contained no money was carried off, sheriff Homer T. Melton said.

The safe was found Monday morning, between U. S. Highway 82 and Rhineland, investigating officers Melton and H. C. Stone, reported.

Spenny To Be Transferred To Haskell Nov. 1

According to an announcement released to the Herald this week, Perry C. Spenny, Field Worker, with the Welfare Office here since July 5, 1957, will be transferred to the Haskell office November 1.

Spenny said he, along with Robert Speer, of Haskell, and Mrs. Eula Russey, of Seymour, will continue to work this county, until a replacement for the office is obtained.

Spenny said the office in Knox City will remain open, with a possibility of a local resident filling the position.

After November 1, Spenny, working out of the Haskell office, will serve all of Throckmorton county and Haskell county.

LARRY WHITE BACK ON TOP

By JAMES HILL

After one week out of his familiar spot, fullback Larry White of Knox City's unbeaten and untied Greyhounds loomed back to the leadership among Abilene area scoring this week.

Bulldozer, bruiser White sparkled last Friday night against Throckmorton with three touchdowns and a pair of two-point conversions to boost his total to 88 on 12 touchdowns and eight extra points.

Grand Jury Returns Eleven Indictments

The grand jury in session Monday at Benjamin returned 11 indictments as follows:

Two for burglary; two for car theft; four for swindling, (obtaining money by worthless checks over \$50.00); three for forgery.

ASC DISTRICT MEETING HELD HERE TUESDAY

With W. M. Hott, a program specialist ASC State Office, College Station, in charge, a 17-county district ASC meeting was held in Knox City, Tuesday.

Representatives from the 17 ASC offices in the district, were present for the meeting which was a preliminary session concerning the 1960 cotton allotments and marketing quotas.

Knox City Throttles Throckmorton; Play Newcastle Here Friday

The Knox City Greyhounds opened district 10-B play with a hard-fought victory over a determined Throckmorton team last Friday, 28-11.

After an exchange of punts and the first of six fumbles lost by Knox City, the Hounds took over on their own 30, and scored in nine plays, with Larry White scoring from the 11. Try for extra points was no good and the first quarter ended 6-0.

Early in the second quarter, a 41-yard pass play evened the score, and the attempt to kick the extra point was faked, but the pass fell incomplete. The Knox City Hounds then fumbled the next three times they had the ball, each time inside their own 20-yard line. Each time Throckmorton was unable to make a first down and at the end of each series attempted a field goal. The third time was charm and the Throckmorton Greyhounds went ahead 9-6.

Knox City bounced back as Joe

Ed Glover returned the kick-off to the 42. Six plays later Joe Elledge passed to Johnson for 5 yards and the touchdown. The conversion attempt fell short, and the score was 12-9. This was the half-time score as the clock stopped a Knox City drive on the one-foot line.

Knox City took the second kick-off and moved quickly for a score with fullback White skirting left end for 10 yards. White ran the same play for the

Final Rites Are Held For Former Knox Citian

Funeral services for D. D. Hairston, 55, Wichita Falls Lumberman, and former Knox City resident, were held at 3 p. m., Tuesday, at the First Baptist Church, Wichita Falls. Burial was in the Crestview Memorial Park.

Hairston was born December 17, 1903, in Wood County, Texas, and had been a resident of Wichita Falls for 12 years. He was owner of the Hairston Lumber Company, and co-owner of the Fox-Hairston Construction Co.

Hairston at one time operated a grocery store in Knox City.

He is survived by his wife; two daughters, Mrs. Kenneth Myers of Wichita Falls and Mrs. Joe Ledford of El Dorado, Kansas; four sisters, Mrs. Roy Dacus and Mrs. Carl McGuire, both of Fort Worth, Mrs. Kelley Freeman of Muleshoe, and Mrs. Lee Keezee of Lubbock; one brother, Alvin Hairston of Los Angeles, Calif., and two grandchildren.

C. E. Williams To Head Scout Fund Drive Here

Tom Craddock, of Seymour, vice-chairman of the Brazos Valley District, announced that C. E. Williams has been named chairman of the 1959 Boy Scout Fund Drive for Knox City.

The drive will be officially launched in Knox City on the morning of Tuesday, November 3.

Jaycees Charter Night Banquet Slated Tuesday

Knox City's Jaycees Charter Night Banquet will be held next Tuesday night, October 20, at 8 o'clock in the school cafeteria. State Jaycee President Jack Miller will be on hand to present the charter and be guest speaker for the occasion.

A call meeting of directors was held this morning, (Thursday) at 6:30 o'clock, to make final preparations for the Charter Night Banquet. Jaycees now have a membership of 46.

extra points, and Knox City led 20-9. The Hounds next score came on a dazzling 47 yard dart by White with the fullback adding the extra points also, bringing the score to 28-9. At this point, Throckmorton made their best offensive effort of the night with two pass completions and a penalty moving the ball to the Knox City Hounds three-yard line with first and goal to go. The Hounds mighty defense never looked better as they held Throckmorton for four downs and took over the ball on their own four. Two plays later, they moved the ball across the 20, but a penalty moved the ball back to the five, where a good defensive play by the Throckmorton line earned them a safety and made the final score 28-11.

Student Council Elects Officers

The Knox City High School Student Council met recently and elected the following officers for the year:

President, Pat Hendrix; vice-president, Lyndol Cypert; secretary, Paula Jones; Parliamentarian, Ted Harper, and acting reporters, Sue Shelton, and Donna Verhalen. Ben Fletcher is sponsor.

The student council was begun last year by Kelton Tidwell.

The purpose of the student council is to create a closer relationship between the student body, faculty, and school board. They try to compromise in giving the responsibilities and privileges that will be a benefit to the school and students.

The organization has met four times this year. They have discussed various projects which they will try to carry out.

Before any of these can be effective they must be passed by the superintendent and school board. The student council will meet every Tuesday morning before school.

Junior High To Play Aspermont Here Monday Night

The Knox City Junior High football team will play Aspermont Junior High here at Greyhound Stadium Monday night, October 19, at 6:30 o'clock.

"B" team workout will follow the Junior High game.

In the Junior High game played here Monday night, Rochester was victorious 20-6.

Billy McCallie scored twice for Rochester, and Roy Speck made the other touchdown for the visitors.

David Gentry scored the touchdown for Knox City.

Special Program Tonight (Thursday) At O'Brien School

For an evening's entertainment, tonight, (Thursday), October 15, the speech class of O'Brien High School will present "Love Hits Wilbur" and "Eh?", two one-act plays.

Guitar and Accordion music by Alton Hester Jr., and Israel Zamao will be featured. Also, between curtains, four grade school students will dramatize readings.

Friday Deadline To Sign Application

According to an announcement by J. T. Gilpin of the ASC office, Friday, October 16 will be the final date to sign application for Conservation Reserve Contracts.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

TEXAS PRESS ASSOCIATION

AUSTIN, Texas — Rural and small town residents will have an advantage over their city cousins when the new auto insurance rating plan goes into effect January 1.

Under the new system worked out by the State Board of Insurance, a driver's auto insurance premiums will be raised or lowered according to his driving record. Each accident or ticket for a moving traffic violation puts a "black mark" on the driver's record and moves his insurance premiums up a notch.

In the congested streets of the larger cities, one wrong move, even if unintentional, often brings a ticket or a crumpled fender or both. In most small towns, the local lawman is not usually too exercised if one of his friends and neighbors makes a U-turn on the main street.

Purpose of the plan is to put the biggest part of the burden for insurance payments on the people who bring on the most damage and expense. People who have a history of numerous traffic violations, according to Department of Public Safety statistics, are the one who have the most accidents.

It is also hoped, of course, that the plan will encourage careful driving with its cash incentive.

Drivers with no record of any accident or violation for the past three years will get a 20 per cent reduction in their insurance rates. Drivers with one point against them will pay current rates.

Those with from one to five points against them will pay increased rates on a sliding scale, and those with six or more points will pay through the nose—double rates.

Some activities will be very expensive, point-wise. Drunken driving, hit-and-run driving and negligent homicide will cost four points. An accident with damage over \$25 brings two points; running a red light, only one point.

In most cases, the effect of a violation on insurance premiums will hurt the pocketbook worse

than the usual fines.

PANEL ON AGING — Sen. Crawford Martin of Hillsboro has been named to head the Governor's Conference on Aging.

This group will study problems of elderly people and take the state's report to the 1961 White House Conference on Aging.

Also named by Gov. Daniel to the panel are State Welfare Commissioner John Winters; State Health Commissioner J. E. Peavy; State Employment Commissioner Perry Brown; Dr. C. J. Ruilman, state director of mental health and hospitals; and Jess Irwin, the governor's budget director. Also, Mrs. William B. Ruggles, Herbert Shore and Eldred Thomas, all of Dallas.

MORE APPOINTMENTS — Other new appointments announced by Gov. Daniel are:

To the State Finance Commission: Lacy Boggess of Fort Worth, W. B. Russell of De Kalb and Walter Taylor of Tuscola.

To the board of Texas Southern University: Dr. W. R. Banks of Prairie View.

To the Seed and Plant Board: Owen Gilbreath and Arthur Young of Lubbock, Emmett Harper of Martindale, Heino Staffel Jr. of Austin and C. B. Godbey of College Station.

As chief justice of the Seventh Court of Civil Appeals, Amarillo: James G. Denton of Lubbock. Howard Davison of Lubbock was named to serve Denton's unexpired term as judge of the 98th district court at Lubbock.

HOSPITALS, COLLEGES A-BUILDING — With a new fiscal year begun, state boards and agencies are busy making plans for building programs.

State Board for Hospitals and Special Schools announced that a 1,000-bed nursing hospital for mentally retarded patients will be built at Denton. Construction of new cottages to house mental patients at Denton is already underway.

University of Texas Board of Regents is beginning a \$17,895,000 building program spread over the various branches of the huge system. Most recently approved

by the regents are three buildings for Texas Western University, El Paso. They will include a classroom-office building, a warehouse building and gymnasium-field house. Other UT projects, either begun or being planned, include improvements at the Medical Branch at Galveston and at McDonald Observatory, a new headquarters at the Institute for Marine Science, Port Aransas, and five buildings for the main campus at Austin.

Streams In Desert Places

Ozelle Stephens

When we read the scriptures for these days in which we live, we hear the prophets and apostles saying—"There shall be a time of trouble—wars, international conflicts, famine, pestilences, persecutions and false Christ." But we also hear them saying the wise shall understand. They are you who feed on the word and wait on the Lord. You can hear Him saying, "Take heed that no man deceive you." When you watch, pray, and keep the love of God flowing through you, you will not be afraid, and will be able to endure to the end. It is His promise to be with you even unto the end of the world. There is much work to be done for the Kingdom. Happy is he that serve. sPa.p

CARD OF THANKS

We would like to express our thanks to the doctors and nurses on the staff at the Knox County Hospital for the excellent care I received while a patient there, and to Hob. Smith and the nurse.

Also we want to thank relatives, friends and neighbors who donated blood and for every deed of kindness rendered.

The prayers, cards, visits, flowers and every deed helped to hasten my recovery.

The doctors and nurses were so kind to me at Abilene and may God's richest blessing be with you all now and forever more.

Thank you so much! Mr. and Mrs. Loyce Teague and family. 1tp.

CARD OF THANKS

We would like to thank all the people from the First Baptist Church in Knox City, The Mexican Baptist Church in O'Brien, and all of the friends who sent flowers, food, and other expressions of sympathy at the loss of our baby.

'Graham Crackers'

BY J. TOM

I have read many columns dedicated entirely to "rock and roll"; some simply ridiculed it, passing it off as an intolerable product of the "beat generation", while others condemned it, even to the point of saying it should be abolished.

But before anyone can justly condemn anything, he must first analyze and understand the object of his condemnation. Therefore, I will attempt to present my views on what "rock and roll" is and how it affects teenagers.

Many people have tried to pin "rock and roll" down to one specific beat or sound, for instance saying that it is speeded up western music, but that cannot be done because any song can be rewritten to "rock and roll" style. This statement can be proven by the examples, "The Bells of St. Mary's" by the Drifters, or perhaps better known is "Lavender Blue" by Sammy Turner. Webster defines music as "the art or science of harmonic sounds." Now, anyone who has listened to "rock and roll" will tell you that it doesn't always include harmonic sounds. Therefore, the phrase "rock and roll music" is not consistently correct; perhaps it should be referred to as "rock and roll

noise." There is no set pattern except that for a song to hit the top, it must please the teenagers. At the present any song that pleases teenagers is termed "rock and roll."

The American teenager of today is the product of 183 years freedom. He has created his own styles of hair, clothes, cars, and music. His personalized style of music is written by teenagers, sung by teenagers, and appreciated only by the younger generation.

The most important quality in the success of "rock and roll" has been the inability of the parent to appreciate it. The American teenager has created a style of music that is his alone, and the more adults protest, the more popular it becomes. The only way that popularity would ever lose popularity with the teenagers, is for the parents to become devoted fans, and then the teenagers would be forced to create another style.

"Rock and roll" has been seriously challenged only once. Calypso, the native music of the West Indies, staged a swift climb in popularity, but was caused to decline as rapidly as it came by the older generation's acceptance and participation in the craze.

However, if "rock and roll" remains a fad until my parents rush out to buy Elvis Presley records, it is due a long stay!

Mrs. George Thomas, Mrs. Bill Johnston, Mrs. D. T. Elmore, Mrs. Sam Johnston, Mrs. John Grindstaff, Mrs. Elmo Stephens, Mrs. John Covey and Mrs. Dave Vannoy.

The group was dismissed with prayer by Mrs. Sam Johnston.

Christian Church To Participate In Institute

First Christian Church of Knox City will participate in the Church Life Institute at Highland Heights Christian Church in Wichita Falls Sunday afternoon from 2:45 to 8:00. Dr. A. T. DeGroot, distinguished professor of Church History at Brite College of the Bible will address the Institute on "The Ultimate Mission of the Church."

Other features of the program will be symposiums on "Christian Witness" and "Christian Faith," and a two hour work period by groups. The Church Life Institute is sponsored by District 19 Texas Christian Churches, Rev. Lamar Hoeker of Vernon, president.

ANNOUNCING THE NEW PLYMOUTH!

SOLID FOR '60! AT YOUR DEALER'S TOMORROW!

BUILT A NEW SOLID WAY TO GIVE YOU SOLID SATISFACTION

CHRYSLER ENGINEERING INTRODUCES A NEW KIND OF PLYMOUTH THAT MARKS A MAJOR BREAKTHROUGH IN CAR DESIGN. BODY AND FRAME UNIT ARE WELDED TOGETHER AS ONE, IN A NEW WAY. MANY PARTS THAT WORK LOOSE, RATTLE AND NEED FIXING IN ORDINARY CARS ARE ELIMINATED. THIS LOW-PRICE '60 PLYMOUTH IS STRONGER AND ROOMIER. IT USES LESS GAS THAN BEFORE. IT RIDES MORE COMFORTABLY, WE BELIEVE, THAN ANY OTHER CAR IN ITS CLASS.

Chrysler Corporation development behind it. It will suit you particularly if you want a feeling of quality and a sense of craftsmanship. It is built carefully and precisely. We believe there is no other car in the low-price field that resembles it.

PLYMOUTH'S NEW DURA QUIET UNIBODY is a rigidly-formed structure, locked by approximately 5400 precise welds. It has no conventional body bolts, braces, struts or stays to give trouble. Road noises and road shocks are dampened. Even the sound of the wind is hushed.

We doubt if any car at any price has ever ridden or handled as well as this new low-price automobile. Practical Stabilizer Design, incorporating rear stabilizer fins, adds stability on the road, cuts wind resistance, gives better gas mileage.

The new Solid Plymouth is a young, exciting car with ten full years of

AN ALL-NEW INCLINED OVERHEAD VALVE "6" IS AMONG FIVE PLYMOUTH ENGINE OPTIONS FOR 1960. The first inclined engine ever in an American passenger car is the new Plymouth 30-D Economy Six, most powerful "6" in America. Very economical, it is inclined to make servicing simpler, to lower the car's center of gravity and to make handling and riding easier. Also for 1960: the limited-production SonoRamic Commando V-8*.

SOLID PLYMOUTH 1960 OFFERS FEATURES NO OTHER CAR IN ITS CLASS CAN OFFER. Custom-Positioned Front Seat. Safe-T-Matic doorlocking system*. RCA "45" Record Player*. And many more.

DISTRICT VII ENGLISH WORKSHOP MEETS OCT. 17, WICHITA FALLS

"A Closer Look at Proposals for the Language Arts Program" will be the subject for the 12th annual District VII Workshop and Conference of English and language arts teachers held at Midwestern University in Wichita Falls on October 17. Registration will begin at 8:45 A. M. in the Midwestern University Student Center. The conference will include lectures, panel discussions, and a luncheon address by Miss Dorothy Davidson, Texas Education Agency staff member of the Commission on English and Language Arts.

Dr. Autrey Nell Wiley of Texas Woman's University will discuss "The Basic Issues in the Teaching of English" in her report from 1958 national conferences. English and language arts teachers from all levels will study the proposals of new English standards and be given opportunity to contribute their ideas to the commission report before its adoption. Dr. Madge Davis, chairman of the Midwestern English and Journalism department, is program chairman of the workshop, and Mrs. McDuffy B. Kessler of

Plymouth Features Economy for 1960

The 1960 Plymouth is the strongest, quietest, fastest accelerating, most economical operating car in Plymouth's history. It features unified body and frame structure and completely new styling for this economy champion. Two completely new engines are added in the 1960 Plymouth line of six engines, each of uniquely different design and each developed to fulfill a specific requirement. The 30-D Economy Six, with 145 horsepower, is introduced for drivers who require maximum fuel savings. The SonoRamic Commando V-8, with 330 horsepower, which brings ram induction to passenger cars for the first time, is primarily a "performance" engine with outstanding acceleration characteristics.

Weinert Crushes O'Brien, 66-32

The Weinert Bulldogs crushed the O'Brien Bulldogs, 66-32, Thursday night in a District 3 six-man football contest played at O'Brien to remain undefeated. Bill Raminney accounted for 24 of Weinert's points on two touchdowns and six conversions. David Earle scored three times and Don Cunningham and Chesley Forehand scored two times each. Jerry Rowan led the O'Brien attack with four touchdowns while Larry Gibson added one touchdown and one extra point and Junior Hefter added one extra point.

INITIATED

Joe Lynn Cash was formally initiated in the ACC Art Club October 1, at the first club meeting of the year. Joe Lynn was also admitted into the Science Club where he will continue to work with Knox County Clay, as his project.

Seymour, is general chairman. Mrs. Richard W. Kidd of Electra is secretary-treasurer. District VII, one of eleven state divisions sponsored by the Texas Joint English Committee for School and College, includes the following counties: Archer, Baylor, Callahan, Clay, Eastland, Fisher, Foard, Hardeman, Haskell, Jack, Jones, Knox, Mitchell, Montague, Nolan, Scurry, Shackelford, Stephens, Stonewall, Taylor, Throckmorton, Wichita, Wilbarger, and Young.

New Plymouth To Go On Display

The 1960 Plymouth, which goes on display at Egenbacher Motors, Knox City, and in dealer showrooms over the country, Friday, October 16, is the strongest, quietest, fastest accelerating, and most economical operating car in Plymouth's history. It features unified body and frame structure and completely new styling. Harry E. Chesebrough, vice-president of Chrysler Corporation and general manager of the Plymouth-De Soto-Valiant division, says the 1960 Plymouth "creates new standards for its price class on any basis, on which you can compare automobiles." He cited several innovations in body construction, engine design and the joining of the various assemblies to produce longer life, improved comfort, and a better fuel economy with even quicker performance and less maintenance cost. Two completely new engines are added in the 1960 Plymouth line, each of uniquely different design and each developed to fulfill a specific requirement. The 30-D Economy Six is introduced for drivers who require maximum fuel savings. The SonoRamic Commando V-8, which brings ram induction to passenger cars for the first time, is primarily a "performance" engine with outstanding acceleration characteristics. Billy Joe Davis of Knox City is among the 933 currently enrolled at San Angelo College. This is the largest enrollment in 32 years of the institution. Davis, son of Mrs. Roy J. Davis, is an engineering major.

Truscott H. D. Club Elects Officers

The Truscott H. D. Club met in the club room October 8 at 2 p. m. with Mrs. Black in charge. Eight members were present and the meeting was opened with a "sing-song" by the group. A report by Marie Gilliespie revealed \$236.35 in the council treasury. Officers elected include the following: Mrs. Martin, chairman; Mrs. Black, vice-chairman; Mrs. Dodd, secretary; Mrs. Parker, treasurer. In the business session discussion consisted of meals for the Rotary Club. H. D. Club members voted to feed Lions and Rotarians, but set a charge of \$1.25 per plate. Friendship quilt was discussed. An interested program was heard on "Property Rights of Women." The next meeting will be held Thursday, October 29.

Play Newcastle Friday

The 'Hounds will play Newcastle here tomorrow night, Friday, October 16, at 7:30 o'clock in a non-conference tilt.

Coach Ted Darland said Tuesday that the services of Joe Ed Glover will be lost in the game Friday night, and possibly for the game against Aspermont, due to a knee injury.

Cooperation Asked

Darland asks that Knox not be driven across the practice field located at the Southeast end of the football field.

and trustworthy citizen in the near future, when Perry Spenny of the Welfare Office, moves to Haskell.

We haven't known Mr. and Mrs. Spenny very long, but they are certainly swell people and we certainly hate to see them leave Knox City. We are certain they will remain an asset to any town they happen to live in, just as they have in Knox City.

In our first conference game, with Throckmorton last week, the 'Hounds had some of the fans biting their fingernails in the first half. But true to their tradition, they came through in flying colors. Some fans felt they were up against their toughest opposition this year, but we think they were just too confident.

Anyway, the proof is in the pudding. Next week, we believe the final tally will be Knox City 32 and Newcastle 6.

Everyone was just a little sore at the referees' decisions last week, and we think they were justified. We know of two instances in particular, that they failed to see men in motion, unnecessary roughing and of course, the wrong count on first downs. Since referees were first put into play in sporting events, they have been ridiculed and cussed from every source, but occasionally folks are justified in their accusations.

Actually, we feel some of the "decisions" were the spark that started the flame under our boys and got them to really playing ball!

thought how wonderful it would be if everyone . . . not just Lions . . . followed these basic principles of right.

Let us look at those outlined principles for a few seconds and see if they might not apply to everyone in a very beneficial way.

To show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To seek and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken, or because of questionable acts on my part.

To remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right of ethics of my position or action towards my fellow man, to resolve such doubt against myself.

To hold friendship as an end and not a means to hold that true friendship exists not on a count of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always bear in mind my obligation as a citizen to my nation, my state and my community, and to give to them my unwavering loyalty in word, act and deed. To give them freely of my time, labor and means.

To aid my fellow man by giving my sympathy to those in distress, my aid to the weak, and my substances to the needy.

To be careful with my criticism and liberal with my praise, to build up and not destroy.

A farm lad who took a job in the big city returned home a few months later to report he was flat broke in spite of the big pay. He said, "Most of my money I spent on women and whiskey. The rest I just wasted."

Shamrock Station To Hold "Open House" Saturday

Formal opening of Wright's Shamrock Service Station, downtown highway 283, Knox City, will be held Saturday, October 17.

Olen Wright, operator, and his family, formerly of Ranger moved to Knox City about three weeks ago. The Wrights' have a daughter, Cheryl and a son Clarence, who is assisting in the operation of the station. Clarence returned from the service last month.

During "open house" at the new Shamrock Station Saturday, there will be free gifts for the grownups and free lollipops for the kids.

CONGRESSMAN IKARD SPEAKS--

(Continued From Front Page)

make?" the Congressman asked. "People in outer space can dominate the world," he told the audience.

He said the weather could be predicted with amazing accuracy, and armed satellites could be launched any place in the world by remote control. Equipped with hydrogen weapons they would be able to wreck any bases we might have at any place.

Ikard said the Russians could move around the moon now and that our scientists have said they had made great advances in rockets and propellants.

"We can't afford to fall further behind, it is simply a matter of survival. We need to develop more in science. That way, we won't be in second place," Ikard pointed out.

Ikard said our Trade and Aid programs must be meshed together. That way, they would

be more effective and would also save money. The national debt is almost \$300 billion, and has continually gone up the last seven or eight years.

He proposed to work out a budget for the payment of World War II.

"This is the first time our government hasn't made a budget for the paying of its debts. We should retire our loan the same way we would pay for a house or car. You folks wouldn't think of buying a house and just pay the interest for 20 years. You would want to pay so much each month on the principal, also. Yet that is what our government is doing today—paying interest—nothing on the principal," Ikard concluded.

Ikard commended the Jaycees for the 46 membership as a new organization, and told them he had once worked in the Jaycee organization.

Jaycees from Stamford and Munday, as well as members of the local Lions Club were on hand for the event.

DeSoto's On Display Friday, October 16

Bold styling, engine improvements, and brawny body structure combine to bring new strength and quality to the 1960 De Soto.

Three De Soto models in each of two series reveal poised, powerful styling from a striking grille to sculptured rear fenders.

The new De Soto will go on display at Egenbacher Motors Friday.

VISITS MOTHER

Mr. and Mrs. Bernie Humphries and children of Wichita Falls spent Sunday with his mother, Mrs. J. M. Humphries and his sister, Mrs. Paul Fitzgerald, and family.

Livestock And Range Program Is Planned

The Livestock and Range Subcommittee of the County Program Building Committee met Tuesday afternoon at 2:00 p. m. in the county courthouse at Benjamin.

Purpose of the meeting was to plan next year's livestock and range program for Knox County. Some of the plans made were: cooperate with other organizations for setting up Knox County on a Brucellosis program; bull fertility testing; stress importance of leptospirosis vaccination and encourage further work on performence testing of beef cattle.

The group also made plans to visit the Spur Agriculture Experiment Station in the near future.

Members of the committee present for the meeting were: J. C. (Togo) Moorhouse, Edgar Jones, C. C. Browning, and Lee Smith.

Also present was Jack, chairman of the county program building committee.
