SPIRITS REIGN IN SOCIAL WORLD

Parties Numerous

beginning early in the week, parties, in the spirit of Hallowe'en, vigil of all Saints day, were numerous including the citizenship of the town from the tiny tots to the grown ups.

Bridge Club

Mrs. Dannie Davis entertained the Tuesday afternoon Bridge Club last Tuesday. Hallowe'en decorations were used effectively about the house and also carried out in delicious salad and desert courses.

Night Bridge Club

Miss Lula Pearl Puckett and Mrs. John H. Darnell were hostesses to the night Bridge Club last Tuesday evening in the home of Mrs. Dannie Davis. The guests were masked and "gussing who's who" afforded much merriment. At the end of the first game masks were removed. Covers laid for 34 guests and Bridge was the popular game. A delightful salad course with pumpkin pie and coffee were served.

Senior League

On Thursday evening preceding Hallowe'en the Senior Epworth League was most delightfully entertained in the home of Miss Hazel Potter. The prevailing motifs and decorations were artistically arranged about the house and carried out in the refreshments. Fortune telling and many "spookie" games afforded an evening full of fun for the thirty guests.

Scout Party

Mrs. Cash's group of the girl scouts were entertained in the home of Mrs. O. L. Jamison on Hallowe'en night. Mrs. Jamison was assisted by Mrs. J. A. Wilson and Mrs. C. C. Hoge.

The scouts all wore clever costumes and masks and found much fun in gussing "who's who". After many interesting games were played refreshments of chicken salad, buttered rolls, date cake with whipped cream and orange jell, carrying out the Hallowe'en color scheme used through the evening, were served to the eighteen guests.

Guests at this party reported having an unusually good time.

Junior Class Party

The Junior Class of the Knox City high school was entertained in the home of Mrs. E. Q. Warren, assisted by Mrs. Sweeney and Mrs. Holt Moseley, room Mothers of the Juniors, Hallowe'en night.

The boys and girls were all masked and much excitement was aroused when one young man arrived who was so thoroughly "fixed up" that no one recognized him.

Fortune telling followed, the fortunes being read by a real witch who stirred her broth in a kettle and hummed the old refrain "Bol and bubbie, te."

A variety of interesting games followed the conclusion of which was the auctioning off of dainty, well filled boxes. The buyer of each box had the pleasure of eating with the young lady whose name he found inside the box he bought.

Sophomore Class Party

The Sophomore class was entertained at the Methodist Church by Mrs. Emory, sponsor, and Mrs. Rutledge and Mrs. Howell, class mothers. Friday night, Reverend Mann, class father, assisted in the entertainment by sponsoring "the chamber of horrors" which, with the fortune telling and games, kept the guests busy and well entertained during the evening. Individual pumpkin pie topped with ice cream and apples were served.

Freshman Class Party

The eight grade, Freshman class, was entertained Hallowe'en night by their room mothers and parents at the American Legion Hall. 48 guests were present, the spirit of whom was in high tide of the season. Following an interesting and busy evening the guests enjoyed pumpkin pie topped with whipped cream and hot chocolate.

Mrs. L. C. Porter, Mrs. Estelle Bolin and children, Mrs. B. C. Anderson and Miss Opal Bradberry spent the past weekend in Rosebud with relatives.

Mrs. G. B. Branton LECTURES TO GOREE STUDY CLUB

OUR FLAG

Saturday afternoon, November the first, the body of Mrs. G. B. Branton was laid to rest in the Odd Fellow Cemetery of Knox City, following her death on Friday, October the 21. Mrs. Branton's death came after two years of illness.

Mrs. Branton was born in Bastrop county in 1860. At the age of 15 she was converted and joined the Christian Church. In a few years she joined the Presbyterian church, to which faith she remained true until death came.

About the year 1876 she was married to G. B. Branton, to which union 12 children were born 8 of whom are now living. In 1900 the family moved to Knox county in the Cliff community, moving to Knox City a few years later. At the date of her death Mrs. Branton lived at her home in the south part of town. Three years ago Mr. Branton died and was buried in the Odd Fellows Cemetery. Mrs. Branton was laid to rest by his side.

The deceased is survived by her mother, Mrs. Sarah Armstrong, of Knox City one brother, Bob Armstrong of Amarillo, one sister, Mrs. John Morgan of Rising Star and 8 children. They are W. A. Branton of Rising Star, Mrs. Stoker of Knox City, E. F. G. A. and B. B. Branton Knox City, J. R. Branton of Ralls and Mrs. Hagan Thomasson of Fort Hancock. Mrs. Branton also leaves 35 grand children eight great great grand children and a host of relatives and friends.

Mrs. Branton was a loving mother, optimistic and kind at all times. Her absence will be felt in the town and community.

CLOSING DAY OF CHURCH YEAR AT THE METHODIST CHURCH

Sunday is the last day of the year for the Methodist Church. Lets make it the climax of the year. It is also the last day of the Rally Month which was extended to include Sunday. Let every member of the Sunday School make an effort to bring one other.

The sacrament of the Lord's Supper will be administered at the eleven o'clock hour. Every member of the church should avail himself of this sacred privilege. Will you be one to help make it "every Member" on this communion Sunday, and last day of the year?

The subject of the hour will be in keeping with the communion occasion. The subject of the evening hour will be The Life of One Dimension.

SEVENTH GRADE ORGANIZED

At a recent meeting of the members of the seventh grade of the Knox City school, the class was organized with the following officers being elected:

- President, John Elbert Smith
- Vice Pres., Elmer Wall
- Secretary, Marilyn Herring
- Treasurer, Viola Daniel
- Reporter, Faye Hyde
- Class Mothers, Mrs. E. F. Herring
- Mrs. A. L. Dutton
- Class Father, Mr. E. B. Shaver
- Assistant Father, Mr. H. E. Wall
- Class Sponcer, Mrs. Otis Cash.

LAND MOVES TO OKLAHOMA

Tuesday Reverend Herbert Land and family left for Canute Oklahoma where he has accepted a full time pastorate of the Nazarene church. It is a progressive country church with an increasing membership. Brother Land visited there some three weeks and reports that he is well pleased with his new location.

On his way to Canute Brother Land will stop in Wellington and attend the District Assembly of the Nazarene church. After this Assembly the local Nazarene church will call another preacher.

The Baptist Church is conducting a Sunday School training course this week. Sunday night there will be another of the pastor's Reverend Stovall, "song services". The public is cordially invited to hear this service. Those who were present for the other such service conducted by Brother Stovall, state that this service will be well the visit of any and every one who will be present Sunday night.

RED CROSS CAMPAIGN BEGINS MONDAY

Mr. Ray Willis, chairman of the Red Cross of Knox County stated Wednesday that the official membership campaign would begin Monday in Knox City. Mrs. C. C. Hoge, chairman of the school division, will be in charge there and other membership solicitors will conduct the campaign in town. It is hoped that every citizen will wear a red cross button, showing that he or she has become a member this year.

MRS. MARION WOOLEY

Mrs. Marion Wooley died at the home of her brother, Jim Wooley, of Knox City Tuesday, after an illness of several months. Interment was made in the Odd Fellow Cemetery following services conducted at the home by Reverend Osmus of Lubbock.

Mrs. Wooley is a former resident of Knox City, having lived here several years. She came to the home of her brother about two weeks ago. She is survived by her brother, Jim Wooley, one sister, Mrs. Lizzie M. Turner of Knox City, her husband and two sons, all of Stanton.

The deceased was a member of the Primitive Baptist church, the pastor of which conducted the services which laid Mrs. Wooley in her final resting place.

STUDY CLUB TO HAVE BRIDGE PARTY

One night next week the Study Club will have a benefit party in the home of Mrs. T. P. Frizzell. 42 and Bridge will be the popular games.

The Study Club is sponsoring this entertainment to raise funds to be used in making awards in the Home Beautification contest which recently closed in Knox City. These awards will be made soon.

The Study Club announced Tuesday that plans were being made for another Home Beautification contest for next year and which the club hopes to get started before long. It is hoped that more contestants will enter the work next year.

THE SCHOOL TAX IS DUE

Every tax payer who helps to keep the Knox City School functioning, should pay his or her taxes, because Knox City schools must continue to be operated for the benefit of those who will be the men and women of tomorrow.

While it is realized, of course, by

everyone, financial conditions are much below normal, and as a consequence puzzles the person who is assessed taxes how these taxes are to be paid, it nevertheless, behooves each one to meet the school tax at least, and if possible, pay other taxes due to the city and county.

But the most imperative right at his time is he tax for he operating of the Knox City schools, and unless there is sufficient money then the schools would not be able to operate the full term. Let us therefore, consider others—the students and their future—and see to it the school tax is paid.

"Did the children behave when you bathed them?" asked the mistress of the new French nurse.

"All but ze biggest boy—and, mirableu!—how he fight an kick an' nearly tear ze face off me before I could get him in."

"Which biggest boy—we've only got one boy, and he's only two years old?"

"Est is no him at all, I mean. 'Tis a boy who wears glasses an' has ze curly hair."

"Boy! Boy! That's not a boy! That's my husband!"

IT'S WONDERFUL TO FEEL LIKE I DO ALL THE TIME

Another Wichita Falls Woman Declares She Owes Her Present Good Health All to Argotane; Gains Daily

"For more than twenty years before I began taking Argotane I was in perfect misery from gall stones and pains in my back and sides," said Mrs. P. C. Chelson, who resides at 204 Austin Street, Wichita Falls, Texas.

"When I began taking Argotane, Mrs. Chelson continued "my system seemed to be all run-down. My back hurt me so I could hardly stand up. I had no appetite, could not eat much. But conditions have changed since I have started taking Argotane. The pains in my sides and back have left me entirely and I am feeling like a different woman. Those cramps that used to bother me so much in my stomach are a thing of the past and I have no more belching or gassy pains now. I can eat just anything that I please, and you would be surprised what a pleasure this is to me knowing the fact that for a long time it was impossible for me to eat anything which my appetite craved."

"You can put me down as a real Argotane booster and if anybody wants to know what I think of this meritorious preparation just let them call me, and I will do the rest.

Genuine Argotane may be bought in Knox City at the Orient Drug Store.

There will be an Armistice Day program, Tuesday morning, November the 11th at the Methodist church.

An out of town guest will deliver the address for the morning and the program will include appropriate numbers given by the Knox City school children. The public is invited to attend the program at eleven 11.

TOLD HE MUST DIE MAN FINDS LIFE IN CRAZY WATER

Deputy Sheriff Wants World To Know His Crazy Story

In the year of 1923 I was living at Altus, Okla. I was confined to my bed with a complication of diseases. It was diagnosed by different ones as Bright's disease, Paralysis, Neuritis, Rheumatism, and a dead liver.

When it was decided to take me to Mineral Wells, the doctors did not believe that I would live to get there, and the doctors in Mineral Wells when I arrived did not think that there was any chance for me to recover.

I drank Crazy Water for four months and was, so far as I can tell, completely well. I gained 94 pounds in weight, and took a job as deputy sheriff which necessitated my being on my feet from eight to twelve hours every day, and oftentimes doing a lot of night work.

Crazy Water certainly pulled me out of the grave.

"Guests Appreciate a Bright and Cheerful Home"

"Everyone appreciates a bright and cheerful home. It shows a spirit of sincere, wholehearted hospitality, and creates the impression that the host is actually reaching out into the night with a welcome for his guests.

"Through the new Home Comfort rate of the West Texas Utilities Company, you can inexpensively welcome your guests with warmly inviting light, for the normal necessities of your home will utilize the first two rates, then, through the use of additional 'comfort' lighting you can place further service, used for any purpose, on the low rate basis—4c per kilowatt-hour, or 3c where service is also used for heating or cooking.

"This new plan makes electric service so inexpensive, especially when you have an electric range, water heater or refrigerator, that truly you'll not notice the addition of this extra lighting to your bill—but you will appreciate the spirit of fellowship that good light engenders.

**WAGON SMASHED ON
HIGHWAY NEAR BROWNFIELD**

An accident on the highway last week near Brownfield in which a wagon was smashed and an automobile badly damaged, with both drivers badly injured, recalls to mind that it is unlawful for a horse drawn vehicle to appear on the highway at night without two lights. One should have a red light on the rear and a white light in front.

The Sheriff of Terry County points out that a good reflector on each end of the wagon will serve the same purpose. Anyway, it has become known that there is a law providing for lights on wagons and other vehicles drawn by animals, and in their absence the driver of the wagon is presumed to be negligent and cannot collect damages.

A word to the wise is sufficient.

LECTURES TO GOREE STUDY CLUB

or Jefferson, the flag of Jackson, of Webster, of Clay; The flag of Lincoln, of Grant and McKinley should exert such world wide influence. It has spread knowledge and faith and hope among all classes. It means liberty with justice. Its international influence places it in the first rank. It twines itself among the flags of the other nations, not for destruction and war, but for friendship and progress in everything that pertains to the advancement of humanity. It calls forth the admiration of mankind. Under its influence the arts and sciences have been fostered, commerce has expanded, and education has been made universal.

The Stars and Stripes are the symbol of invincible but unaggressive power. Our way is undisputed from Atlantic to Pacific and from the Great Lakes to the Gulf. The flag is the emblem of unity of our power our thought and purpose as a nation. It has no other character than that which we give it from generation to generation. Though silent, it speaks to us—speaks to us of the past, of men and women who went before us, and of the records they wrote upon it. From its birth until now it has witnessed a great history, has floated on high plain of government worked out by a great people. For the principles which it represents, men have been content to die on many a hard fought battlefield, knowing as they turned their pale faces upward to the stars that they were martyrs for the right.

We are glad to state that Mr. Killingsworth, manager of the State Telephone Company, is a new subscriber to the Herald this week.

HOG CHOLERA

Hog Cholera often times crops out at the end of long dry spells and it has been reported that there are now cases of hog cholera in Knox County. This is not surprising as a number of other West Texas Counties have found evidence of this disease already.

One reason of the seriousness of this dreaded disease is, the rapid rate at which it spreads. A wagon driven across a lot that is infested with Cholera may be driven for miles and still carry the virus with it. Sparrows and other birds that are often present to help the hogs eat their meal at feeding time are carriers of this disease, provide they have alighted in a Cholera infested lot before. A person may walk across an infested lot and then walk for miles to his own home and feeding time give it to his hogs. Streams are a good carrier of this disease.

Hog Cholera is characterized by complete loss of appetite, extremely high temperature, constipation usually followed by diarrhea, chills, depression, burrowing in litter, ears and tail drooping, and sometimes cough. Red spots or blotching appear on the skin of the belly, inner sides of the hogs and on the ears. In the advanced stages there is a staggering gait, and a gummy discharge from the eyelids often glues the eyes shut. All of these symptoms, however, may not appear in each individual hog affected.

There is no reliable treatment for Hog Cholera, but the best prevention is the serum which immunizes the hog. This is best administered by a trained veterinarian, or by one who has had experience in this line.

By W. E. Jones, County Agent.

**WHAT DR. CALDWELL
LEARNED IN 47
YEARS PRACTICE**

A physician watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation, known as Dr. Caldwell's Syrup Pepsin, is a mild vegetable compound. It can not harm the system and is not habit forming. Syrup Pepsin is pleasant tasting, and youngsters love it.

Dr. Caldwell did not approve of drastic physics and purges. He did not believe they were good for anybody's system. In a practice of 47 years he never saw any reason for their use when Syrup Pepsin will empty the bowels just as promptly.

Do not let a day go by without bowel movement. Do not sit and hope but go to the nearest druggist and get one of the generous bottles of Dr. Caldwell's Syrup Pepsin, or write "Syrup Pepsin," Dept. BB, Monticello, Illinois for free trial bottle.

**MISS REEDER BECOMES
OFFICER IN UPPERETTES**

A statement received from the News Service of the Texas Christian University in Fort Worth this week, states that Miss Margaret Reeder of Knox City has been elected secretary and treasurer of the Uppettes, an organization of the upperclassmen girls in Jarvis Hall.

Other officers who were elected from the Uppettes were Miss Eulalia Whitefield, president and Miss Dennie Suee Ratliff, vice president.

The Sunday School Day program which was given at the eleven o'clock hour at the Methodist Church Sunday was well attended and greatly enjoyed.

KONJOLA VERY MEDICINE THAT FIT THIS CASE

Amarillo Lady Rejoices Over Results Obtained from New and Different Compound

MRS. ETTER STANLEY

"For twenty years I tried to free myself of stomach trouble, constipation, kidney and liver trouble," said Mrs. Etter Stanley 1229 West Fifth street, Amarillo. "Even specially prepared foods did not digest. Gases formed and bloating pains resulted. My kidneys were so weak that night risings were frequent. I had dull pains across my back. Neuritis gripped me and I became almost helpless at times and suffered untold agony from piercing pains.

"Konjola seemed to just fit my case. Soon after starting the treatment, I began to feel better. Now after finishing the treatment, I feel like another person. Food now digests as it should and I feel better than in years. The pains of neuritis are rapidly leaving me. My kidneys have been strengthened and function properly. I am gaining in weight and strength."

It is the same glad story whenever Konjola is given a real test. Try this medicine for ailments of the stomach, liver kidneys and bowels, and rheumatism, neuritis, and nervousness.

Konjola is sold in Knox City at The Orient Drug Store, and by all the best druggists in all towns throughout this entire section.

Makes Life Sweeter

Too much to eat—too rich a diet—or too much smoking. Lots of things cause sour stomach, but one thing can correct it quickly. Phillips Milk of Magnesia will alkalize the acid. Take a spoonful of this pleasant preparation, and the system is soon sweetened.

Phillips is always ready to relieve distress from over-eating; to check all acidity; or neutralize nicotine. Remember this for your own comfort, for the sake of those around you. Endorsed by physicians, but they always say Phillips. Don't buy something else and expect the same results!
