NUMBER 43

Knox City To Make Bid For Industrial Location

Knox City's Chamber of Commerce agreed to sponsor a booth for Knox City in the Industrial Sites Selection Show to be held in Dallas January 22, 23, and 24, it was announced by C. C. Manager Clyde Williams at the Lions Club Wednesday.

Williams introduced Mr. Curry of Dallas to explain the show and told members he and the Chamber of Commerce had believed the idea a good one.

Mr. Curry told the club he and his associates had hit upon the idea of selling Texas cities to industrialists all over the world, as places in which to construct new industrial sites.

The show will be held at the Memorial coliseum in Dallas and booth space will be sold to all Texas cities wanting to sell industry on the idea of putting a plant in their town.

A 10 foot by 10 foot space for the Knox City booth will cost \$250, and Mr. Curry said that

was the only expense incurred by the town or city.

The show will be advertised on a national basis and all persons interested in new locations will be contacted through this medium and by direct mail, he said.

The show will be open to these people only, he said. There will be nothing for sale other than participating cities trying to sell industry on their town and location.

Booths will be open from 10 a. m. to 6 p. m. during the

show and at least two persons will be required to keep it open and to answer questions during the show, he said.

Curry said it was up to each town to decorate its own booth and to tell its own story. However he and his associates would help out in any way they could, he stated.

"This is an entirely new deal and we want to help you to make it a success," he said, "because

we may want to try it again next year," Curry concluded.

Williams said the whole community would be called upon for ideas and work on the project. Lion President Gerald Averitt asked the club what it thought of the project, and all members voted to endorse the project along with the Chamber of Commerce.

U. S. D. A. Says To Plant Winter Cover Crops Now

September is the time for planting winter cover crops. Legume cover crops are necessary to maintain a high production per acre of cotton and other cash crops. Regular use of soil improving legumes such as Austrian winter peas or vetch will improve and maintain the organic matter and tilth of the soil which is necessary for producing high yields of cash crops. Regular rotation with legumes producing large amounts of residue when returned to the land will also aid in control of cotton root-rot.

Austrian winter peas should be planted at rate of 20 to 40 pounds per acre when drilled alone or 15 to 20 pounds per acre when drilled with small grain. Vetch should be planted at rate of 12 to 16 pounds per acre when drilled alone or 8 to 12 pounds per acre when drilled with small grain.

Recommended planting dates are from August 1 to November 1. All seed should be properly inoculated with proper innoculant before planting.

A few of the District Cooperators in the Wichita Brazos Soil Conservation District who are using soil improving cover crops in their crop rotation and will vouch for their benefits are J. C. Moorhouse, J. B. Reneau, Clyde and Seth Yost, W. H. Langford and Buster Coffman.

Activity in the District

Terrace systems have recently been completed on Ross Bates, Chessar and Clark, George and Ernest Hunt. Lines will be run soon on Jerry Tomanek, Joe Alford and Fred Hollabaugh. Waterways have been designed for Frank McAuley, August Schumacher, and Edward Burns.

Reorganization of Farm Irrigation Systems have been completed on John Michels, F. C. Russell, J. G. Hawkins, J. P. and W. H. Summers. W. A. Wilde of Rhineland signed his Great Plains Conservation Program contract this week and work will start soon on his Erosion Control Concrete drop structure.

Knox City Students In College This Year

Knox City students enrolling in college are:

Judy Smith at North Texas State at Denton; Mary Nelle McElroy at Texas Tech in Lubbock; Dickie Goodson, Lyndol Cypert and Richard Herring at Draughtons Business College in Wichita Falls; Donna Gayle Fitzgerald at Nurses School in Lubbock; Bobby Robinson, Joan Shaver, Dennis Anderson, and Julia Penman at McMurry in Abilene.

Lou Denton at Hardin Simmons, Peggy Crownover at Wayland Jr. College in Plainview, and Buddy Moon at Henderson Jr. College, Jeannie Colson and Jane Smith at Draughtons Business College, Lubbock.

BLOOD DONORS — 66 area citizens answered the call for blood at the Red Cross Bloodmobile last Friday. Above is shown RN Chief Nurse L. Leslie of Wichita Falls and Knox Citian Mrs. Hazel Campbell donating a pint to the drive.

Blood Drive Said Big Success Here Friday

George Clevenger, Wichita Falls blood center administrator for the Red Cross, proclaimed the Knox City blood donations Friday as a huge success.

Credit for the success of the drive was given largely to Dr. Charles Markward, chairman of the drive. Mrs. Markward and her corps of workers solicited donors.

Everett Boulte of Knox City joined the "Gallon Club" Friday when he gave his eighth pint of blood.

Local volunteer workers were Mrs. Alton Fitzgerald, Mrs. Tom Campbell, Mrs. Joe Reeder and Mrs. Markward, all registered nurses, and Mrs. Dick Marion, laboratory technician.

Other volunteers were Mrs. Paul Clayton, Mrs. T. S. Edwards, Mrs. C. C. Hutchinson, Mrs. Guy Robinson, Mrs. C. J. Reese, Mrs. George Davis, Mrs. O. A. Green, Mrs. Murrell Johns, Mrs. Palmer Campsey, Mrs. J. M. Averitt, Mrs. O. M. James, Mrs. Lee White, Mrs. Lee Woodward, Mrs. J. C. McGee, Mrs. C. E. Reed, Mrs. Sam Clonts, Mrs. Herbert Bellinghausen, Mrs. Jerry Guinn, Mrs. Paul Hoge, Mrs. C. C. Hoge, and Mrs. Barbara Tankersley.

Dr. D. C. Eiland, county blood program chairman, announced that the next visit of the bloodmobile to Knox County will be in Munday on Nov. 16.

Lions Business Plans Varied

Business conducted at the Lions Club Wednesday other than talks by C. E. Williams and a Mr. Curry from Dallas, were:

Lion President Gerald Averitt told the members that the committee on Sight Conservation and the Crippled Childrens Hospital would be combined into the same committee. Those on the committee would be Claud Reed, Alton Fitzgerald, J. G. Robinson and John May.

Averitt told the club that the Carla Disaster Boxes drive had netted 35 large boxes of food and clothing and that they were sent to Carla Disaster Victims—and that both the Red Cross and Salvation Army could distribute them as they saw fit.

Carnival plans were running smoothly, he said.

The annual Lions Club Carnival will be featured here on Monday, Tuesday, and Wednesday, Oct. 2, 3, and 5.

Dr. Charles Markward made a report on the Red Cross Bloodmobile for blood here last Friday and said the drive had been a huge success.

There were 66 pints of blood donated.

"It was the largest turnout for the Wichita Falls area Red Cross in its history," the doctor said.

CROWELL GAME TO START AT 7:30 P.M. SUPT. SAYS

Superintendent E. A. Youngblood has announced that the football game at Crowell Friday, Sept. 22, will start at 7:30 p. m., instead of 8 p. m.

PEP RALLY TONIGHT

The Pep Rally will be held at the football stadium at 7:30 p. m. tonight (Thursday).

Munday Upsets 'Hounds, 25-6

In the Greyhounds third game of the season, the Munday Moguls outplayed the Knox City team by a score of 25-6 on the Munday home field last Friday night.

Douglas McGrady, Mogul left half, ran 15 yards off tackle for the first Munday score, and full-back Bruce Pruitt made the kick good for a point after.

Later in the first quarter, Munday's Jerry Meers, right half, ran the skin eight yards for another Mogul score.

Pruitt opened the second quarter for Munday when he caught a 14 yard pass from Ricky Couch behind the uprights.

Knox City's Eddie Williams decided to go to the air, and completed a 39-yard pass to Greyhound right end Jimmy Lea behind the goal for the only Knox City score.

McGrady took the ball for Munday in the third quarter and ran 10 yards for the last score in the game.

Although Knox City was aggressive, Munday was able to keep the ball in their possession three fourths of the game.

The Moguls were penalized 10 times during the game for a total of 120 yards.

Commissioner Court Minutes

Below is a copy of the Knox County Commissioners Court Minutes in a meeting held Monday, Sept. 11.

BE IT REMEMBERED that the Honorable Commissioners' Court of Knox County, Texas, convened in regular session on the 11th day of September, 1961, with County Judge, L. A. Parker, presiding and all members of said court being present, as follows: J. V. Carver, Commissioner of Precinct No. 1; W. W. Trainham, Commissioner of Precinct No. 2; J. B. Eubank, Commissioner of Precinct No. 3, and George Nix, Commissioner of Precinct No. 4.

J. B. Eubank made a motion, seconded by W. W. Trainham, that all Justice of the Peace Reports, and also all county bills which were approved to be paid out of the following funds, to-wit:

Precinct No. 1—Fund No. 600 (1), Precinct No. 2—Fund No. 600 (2), Precinct No. 3—Fund No. 600 (3), Precinct No. 4—Fund No. 600 (4), Salary Fund No. 200, General Fund No. 300, be given to the County Clerk and she be authorized to issue warrants on these bills, a list of which is given in the record.

All voted in favor of the motion.

The above minutes presented to me on this the 11th day of September, A.D. 1961, and correctly reflect all the business that came before the Commissioners' Court and the same is hereby approved, and the County Clerk is hereby ordered to file same for record.

QUARTERBACK MEETING

Knox City's Quarterback Club will meet immediately following the Pep Rally at the Field House.

Average Rate For Wheat Announced

The average county rates per acre for wheat acreage diverted to conservation uses under the 1962 wheat program are \$16.30 and \$21.80, according to Gaylon C. Scott, chairman of the Agricultural Stabilization and Conservation Committee.

Individual farm rates are based on these county rates, depending on the farm's productivity in relation to the county average, the chairman said. He also pointed out that each wheat producer in the county with a 1962 wheat allotment, and also each producer without allotments who have grown wheat in at least one of the years, 1959, 1960, or 1961, has received information on the 1962 wheat program, including two rates for his farm.

For the minimum payment, the rate is 45 per cent of the adjusted basic county support rate, multiplied first by the number of diverted acres, and then by the individual farm yield or productivity index.

The maximum payment rate is computed in the same way using 60 per cent of the adjusted basic county support rate.

Producers must use an acreage at least equal to 11.1 per cent of their 1962 farm wheat allotment for conservation in order to be eligible for price support under the 1962 program and be in compliance with their 1962 allotment.

In addition, farmers may voluntarily divert an additional one-third of their 1962 allotment. The payment earned for this additional diversion is made at the maximum farm allotment rate.

The diverted acreage must represent an additional amount over the normal conservation acreage and any acreage diverted to conservation uses for which payment is made under any other Federal program, such as the feed grain program.

If the payment rate you have received is incorrect based on actual production in 1959 and 1960, you may appeal to the County Committee for a correction. This will require that you furnish documentary evidence such as settlement sheets, scale tickets or other documents that will definitely prove your production the Chairman stated.

Grey Pups Romp Munday, 30-6

The Knox City Greypups romped over Munday's junior high school football team Monday night with a score of 30-6.

Joe Reyes made the first TD and the extra point. Phil Williams made the second one with Joe making the extra point.

Bobby Ward made the third touch down with a run through the left side of the line. Joe Reyes made the last score of the game for Knox City with Glenn Smith making the extra point.

The second string played the last quarter of the game.

Officials were Duck Robinson, Coach Ted Darland, and Doug Meinzer.

Firemen Receive Citation For Part MDAA's Drive

A citation for outstanding assistance in fighting Muscular Dystrophy was awarded Fire Chief Johnny Vinita and the Knox City Volunteer Fire Department by Judge Graham Purcell, president of the Northwest Texas Chapter of Muscular Dystrophy Associations of America, at the semi-annual meeting of the Northwest Texas Firemen's Association at Graham Sunday.

The award is an expression of gratitude for Chief Vinita's outstanding leadership as Knox County Campaign Chairman for the 1960 Thanksgiving March for Muscular Dystrophy, MDAA's annual nationwide appeal for funds.

In presenting the citation, Judge Purcell said, "It is especially noteworthy that the firemen and citizens of Knox City exhibited their unselfishness and concern for those less fortunate, by placing their own great loss—the devastating fire of November, 1960—secondary to the fight to conquer a dread disease which has victimized more than 200,000 persons, most of whom are children."

Vinita said it was the people of Knox City who had made the award possible, and that he and the firemen wanted to express their gratitude for making it all possible.

Muscular dystrophy is a progressively crippling disease which turns healthy muscles into fat, and eventually weakens the patient to the point where a minor ailment—even a cold—may be fatal.

Farm Bureau Plans Development Meets

The Knox County Farm Bureau are having Policy Development meetings as follows:

Monday, Sept. 25 in the Gilliland School at Gilliland, at 8 p. m.

Tuesday, Sept. 26 in Benjamin Masonic Lodge Hall in Benjamin at 8 p. m.

Thursday, Sept. 28, in the Knox County Farm Bureau office at Munday, at 8 p. m.

All Knox County Farm Bureau members are urged to attend this important meeting.

MAKING TOUR OF GINS — Eduardo A. Garcia Marles, Minister of Agriculture of Caracas, Venezuela, and John Hansen, Dallas and formerly of Knox City, are touring cotton gins in the United States. Hansen is a representative of Continental Gins, Dallas, and has made extensive tours to eight South American countries. He spoke to the Lions Club here last Wednesday noon on his travels. Marles and he were Lions guests.

O'Brien Plans Homecoming For Oct. 21 - 22

The community of the O'Brien schools met Monday, Sept. 18, for their first meeting of the school year.

A choral group from Munday sang several selections.

Teachers of the school were introduced by Supt. Elvin Mathis. Juanita Wilcox gave the preview of programs for the year. James Hewitt presided over the business session. La Verne Hewitt read the minutes.

The Community Circle will sponsor the Homecoming Oct. 21 and 22. Mrs. Elmo Stephens is president, Alton Hester vice president, Jean Barnard and Audie Johnston are secretaries.

The following were named as committee chairmen for the homecoming:

Myra Reeves, entertainment; Juanita Wilcox, program; Margaret Hill, food, and Annette Hester, decorations.

A pot luck supper was served in the cafeteria after the business meeting.

Fort Worth Man Killed In Car Wreck

Charlie Word Leverett, 72, of 1950 Hemphill St., in Fort Worth was killed in a one car accident about three miles east of Benjamin late Thursday afternoon, Sept. 14.

Apparently, Leverett, who was alone in the car at the time, suffered a heart attack at the wheel of the car, Knox County sheriff's department said.

His sister, Miss Ethel Leverett of Fort Worth is listed as his only survivor.

Joe F. Canafax Appointed Supervisor

County School Superintendent Merrick McGaughy has announced that Joe F. Canafax of Munday has been appointed supervisor and counselor for High School students in Knox County. He replaces Justin V. Anderson, who has retired.

Canafax was principal of the North Side High School, near Vernon, for 17 years, before coming to Munday, where he has taught for the last five years.

His wife is a homemaking teacher in the Munday schools.

McGaughy said that Canafax will be in each school in the county every three weeks to advise pupils and give I.Q. tests.

Uncle Ben from Benjamin says:

DEAR MISTER EDITOR:

We had a little wind out our way the other night and it blewed all kinds of stuff over my place, including a barrel stove, chicken feathers, a plow line, two empty paint buckets and a newspaper. I didn't pick any of it up because I figured the same wind took a heap of things off the place, leaving me about even. But the reason I mention it is on account of that newspaper the wind blowed up against my front porch. It was dated in 1939 and must have come off somebody's pantry shelf. I was two-thirds through reading it afore I noticed it wasn't the morning paper.

It had about the same things in it that's in the papers today. Trouble all over the world, prices going up, income coming down, unemployment, brushfire war everywhere, Congress working on the give-away programs, new weapons for destruction being invented.

The world is so confused, Mister Editor, that it's hard anymore to tell a 1939 newspaper from one in 1961 without look-

ing at the date. It used to be a feller could count on about 20 years between wars, and things getting normal for a couple years in between when folks could enjoy a little peace of mind. But I'm afeared them good old days has gone forever. Peace is as shaky as the planks in my barn loft, and confusion is getting to be our normal state of mind.

Even our preacher was talking about it Sunday. He said most wimmen especial live in a constant state of confusion. He give a lot of reasons for it, but he left out one that struck me while he was preaching. So many of them is plagued with the desire to go dressed and undressed at the same time. They don't know whether to dress to kill or torment.

And between you and me Mister Editor, I think my preacher is a little confused. For instant, he was telling my old lady last week that a certain woman member of his congregation was getting along fine now that her husband had passed away. He allowed as how she was raising her family, paying off the mort-

Benjamin News

MRS. BERT MARSHALL

Audie Chitty of Tulia visited his uncle Mr. O. V. Chitty and Mrs. Chitty here one day last week.

Mr. and Mrs. Douglas Benham and family of Chillicothe visited in the home of Mr. and Mrs. Oliver Kirk one day last week.

Mr. and Mrs. Grover Nunley gage, running a good farm and adding modern conveniences to her home. How do you like that? I think maybe our preacher has got to go.

But I was reading in the papers yesterday about one feller in this world that ain't confused. They had this man in court in Georgia for speeding. He told the Judge he was hurrying home to take his mother-in-law to the movies. The Judge fined him \$10 for speeding and \$25 for lying. That Judge ain't confused none, gits the wheat and chaff separated real quick.

Yours truly,
Uncle Ben

O'Brien News

MRS. SAM JOHNSTON

Mr. and Mrs. R. M. Johnston visited Mr. and Mrs. Bobby Fail and daughters in San Angelo last week.

Visiting Mr. and Mrs. Sam Johnston Sunday were Mr. and Mrs. Garland Hargis and Mr. and Mrs. Kenneth Roberts and Rod of Fort Worth.

Francis Gothard of Wichita Falls visited Mr. and Mrs. Dwight Gothard Tuesday.

Irby Fox who is in the Air Force in California, is visiting his parents, Mr. and Mrs. Albert Fox.

Mr. and Mrs. Jimmy Benton announce the birth of a son at the Knox County Hospital Sunday, Sept. 17. He weighed 8 lbs. 7 ozs. at birth.

Mr. and Mrs. Lewis Kay are grandparents of a granddaughter born at the Haskell Hospital. Mother of the new baby is Doris Benham. Mr. Benham was killed in a car wreck in the spring in California.

The O'Brien Bulldogs won their second game with Luegers last Thursday, 38-18. Jim Johnston passed to Bobby Oneal, Henry Casillas and Bobby Cox for three of the touchdowns and Larry Gibson ran for two, and Jerry Force passed to Gibson for one TD.

O'Brien will play their first home game Friday against the Straw team. Game time is 8 p.m.

Supt. Elvin Mathis and Mrs. Mathis accompanied the High School students to the Abilene Fair last Friday.

Mrs. Gladys Grindstaff is in Abilene this week to be with her mother-in-law, who is seriously ill in the Hendrix Hospital.

Bill Matura was in East Texas over the week end to return his wife, who had been visiting her parents, home.

visited relatives in Wichita Falls last Friday.

Recent guests in the home of Mr. and Mrs. Pete Barnett and Mrs. W. A. Barnett were: Mr. and Mrs. Derb St. Clair of Blue Ridge, Tex., and Raymond Motley of Olton.

Mrs. Lil Moorhouse met her daughter, Mrs. Glenn Dunkle of Dallas, in Jacksboro over the week end for a visit.

Week end visitors of Mr. and Mrs. J. D. Brown were Mrs. May Tucker and Mr. and Mrs. Stanley Tucker and son of San Antonio, and Mr. and Mrs. Curtis Brown and daughters, Diane and Debbie of Lubbock.

Mr. and Mrs. Pete Duke visited Mr. and Mrs. Willie Green and family in Sulphur Springs recently.

Mr. and Mrs. Dutch Young and family visited relatives in Wichita Falls one day last week.

Mrs. Butch Young of Tulia visited her parents in Vera and other relatives here last week.

Mrs. Kittie Brashier and Mr. and Mrs. Jess Jackson of Lubbock visited in the home of Mr. and Mrs. Bert Marshall and other friends here one day last week.

Mr. and Mrs. Claude Jennings were in Lubbock Friday to bring their daughter Peggy, and Pat Waldron home for the week end. The girls are in college in Lubbock.

Jimmie Norris of Tulia spent the week end in the home of Mr. and Mrs. Homer T. Melton and Jimmie.

The following from Benjamin left recently for college: Pat Waldron and Peggy Jennings—Lubbock; Billie Bumpas, Sue Ryder, Mary Duke, Bert Leverton and Katy Ressel—Denton; Charles Jennings, Abilene and Jan Duke, Ranger.

Mrs. Donnie Hertel and son and Mrs. Zena Waldron were in Abilene Saturday to meet Mrs. Waldron's son, Mike, who will be home on several days leave from Fort Hood.

Charles Hertel of Jal, N. M., spent the week end in the home of his mother, Mrs. Nora Hertel, and other relatives and friends.

American Legion Auxiliary Meets

The American Legion Auxiliary met Tuesday for regular meeting. Mrs. Ida Pack, president, presided over the business meeting.

Mrs. Ruby Robinson gave a talk on music and civil defense.

A gift was presented to the past president, Mrs. Ruth Robin. The Auxiliary will sell Duncan Hines fruit cakes. Any member may be contacted for these cakes.

CARD OF THANKS

I would like to take this means of expressing my sincere "Thanks" for all the cards and letters and phone calls while I was in the Dallas hospital.
Roy Smith.

ENROLLS AT DENTON

Mr. and Mrs. Harley Reeves, who spent the summer here with her parents, Mr. and Mrs. J. R. Hitchcock, have left for Denton where they will enroll as seniors at North Texas State University.

NOTICE -- NOTICE

The Lovelace Wash-O-Mat Laundry will be closed indefinitely after Wednesday, Sept. 21st.

All business has been greatly appreciated and we insist that all clothes be picked up this week.

Thanks . . .

1946 STUDY CLUB CELEBRATES 15th ANNIVERSARY AT DINNER TUESDAY

A wishing well celebrating the 15th anniversary of the 1946 Study Club highlighted the opening dinner of the club year Tuesday evening at Roddy's.

Members and guests dropped written wishes with coins in the gold wishing well which centered the head table at the dinner.

Wishes were read by Mrs. Tommy Reynolds and the coins will be used to purchase a piece of crystal, symbolic of the fifteenth anniversary, for the club house.

Forty-one members and two guests attended the buffet dinner. Mrs. Sammy Tankersley, president, gave the invocation.

Mmes. Curtis Hines and Jerry Cobb sang "May the Good Lord Bless and Keep You," accompanied by Mrs. Tommy Heffington.

Mrs. Palmer Campsey read the minutes of the summer business meeting, called the roll and gave a financial report. Mrs. Tankersley introduced the two guests, Mmes. David Slaughter and Archie Lieb.

The president thanked members of the Public Affairs and Community Affairs Committees for their work with the Bloodmobile. The club voted to assist the Lions Club with the carnival by holding a cake walk all three nights of the affair.

The next meeting of the club will be held jointly with the Knox City Study Club for Federation Day with Mrs. L. E. Dudley of Abilene as speaker. The meeting will be held Oct.

4-H Club Has Meeting Sept. 16

The Knox City 4-H Club had their September meeting at the American Legion Hall Saturday, Sept. 16.

Officers elected for the new year are: President, Janie Escobar; vice president, Renda Dutton; secretary, Cathy Richardson; reporter, Frances Rushing; and council delegate, Nancy Smith.

Projects to be worked on this year are: Clothing, achievement, food preparation, poultry, and livestock feeding, garden, and home ground beautification.

Mothers attending the meeting were Mrs. Roy Rushing, Mrs. Armstrong, Mrs. Joe Roy Smith, Mrs. James Dutton, and Mrs. H. W. Rushing.

There were 10 girls attending. Next meeting will be Oct. 14, at 9 a.m. at the Legion Hall.

HERE FROM STEPHENVILLE

Mrs. Mollie Hubbard of Stephenville spent Monday visiting here with Mr. and Mrs. H. H. Bales and other friends.

CALLED MEETING

MONDAY, SEPT. 25
7:30 P.M.

WORK TO DO

J. C. McGee, Secretary

A tea will be held at 2:30 p.m. for members of the executive committees of both clubs preceding the meeting.

A clean up day for the club house was agreed upon by members of the club. Those volunteering to help included Mmes. Paul Hoge, Jerry Guinn, Rufus White, A. J. Keathley, Hines and Tankersley.

Hostesses for the evening were Mmes. Heffington, Reynolds, Lee Presswood and C. E. Williams.

Fall flower on gold runners were used for decorating the tables. The head table was covered with an orchid cloth, centered with the gold wishing well. A white satin ribbon embossed with gold and the club years of 1946-1961 completed the decor.

VISITS IN DUTTON HOME

Mr. and Mrs. H. D. Dutton of Amherst, and Mr. and Mrs. W. H. Dutton visited Mr. and Mrs. James Dutton last week end. Jimmy Seale Dutton of Hardin-Simmons visited in his parents home, the James Duttons, over the week end.

each book with the name of the class being indicated. So, to the class of 1961, the thanks of all who will be using these books!

One lost book has been returned to the High School Library. It was found in the trunk of the car of a grandmother. Will all grandmothers look in their cars to see if some grandchild has carelessly left a library book there? All recently acquired books have been stamped with the name of the Knox City School.

Needed in the Elementary School Library: A Bible, any poetry, almanacs, agriculture yearbooks, travel books, good literature of dictionaries, books of poetry, almanacs, agriculture yearbooks, travel books, good biographies. Any book on Texas can be used in the 7th grade. Good paper bound books can be put to use in the 7th and 8th grades where they can be kept for limited circulation. Philip Colehour donated about two dozen good paper-bound books to the 8th grade room. Since paper-bound books do not hold up well—the circulation is limited and they are best handled in home rooms.

CHELIFER CANCRIODES

"AMONG OTHER THINGS..."

By BOB BURNETT, JR.

Hardly a day passes that one does not hear somebody speculate as to how long it will be until the Russians conquer us. Listening to people's conversations lately you would think that we are at the mercy of the Soviets this very moment. As a whole it is evident that the people of the United States are very pessimistic toward our chances in the cold war. Although we may be behind the Soviet Union in the race for space, etc., they are not as infallible as Mr. Khrushchev

Truscott News

By MRS. H. A. SMITH

Mr. and Mrs. V. W. Browning of Stephenville, former residents of Truscott, are visiting in the H. A. Smith home.

Mrs. Irene Gerald left for California Wednesday. She will visit her two sons in Bishop, Calif., and a nephew and family in San Francisco, and two sisters in Barstow.

A. G. Glidewell of Beaumont, and R. B. Glidewell Jr., of Fort Worth are visiting their mother here.

Mrs. Arthur Horne of Gilliland was a Fort Worth visitor Saturday, and Sunday.

Mr. and Mrs. H. L. Burton and Mr. and Mrs. Cecil Burton of McFarland, Calif., were visitors of Mrs. H. O. Clark and the Charles Burtons Wednesday.

Mrs. Lillie Smart and Miss Jewel Haynie attended the Colby Co. reunion at Henrietta last week.

Mr. Paul Bullion was dismissed from the Knox County Hospital Saturday.

Mrs. J. R. Spivey returned home Friday from a week's visit to relatives at Earth. She also attended the Bates family reunion there. She was accompanied home by her daughter and husband, Mr. and Mrs. Kinnibrugh.

Mr. and Mrs. Lloyd McLaughlin and daughter of Carlsbad, N. M., Mr. and Mrs. Horace Eubank of Meadow, and Mr. and Mrs. Vergil Smith of Abilene were week end guests of Mr. and Mrs. J. C. Eubank.

Mrs. Beatrice Benedict of Knox City visited her sister, Mrs. J. B. Eubank Sr., recently.

Streams in Desert Places

Ozelle Stephens

For the terrible time which is coming upon us we must hold fast to the sound of God, in faith and love in Christ Jesus. The good thing which was committed unto us must be kept by the holy ghost who dwelleth in us. God hath not given us the spirit of fear, but of power and love, and of a sound mind. We may have to suffer the afflictions of the gospel, but remember God hath saved and called us with a holy calling, not according to our works, but according to His own purpose and grace which was given us in Christ Jesus before the world began. We must stay true and faithful unto our Saviour who hath abolished death for us. To be ready for the terrible things we may have to suffer we must be prepared with a faith which comes from daily Bible reading and much prayer.

and Co., would lead us to believe.

When we look at a world map we immediately take it for granted that the Soviet Union is great, simply because of its size if nothing else. But if we examine the map a little closer we find that the city of Moscow and well over half of Russia is farther north than the city of Juneau, Alaska. Added to the fact that Russia has only one seaport that is accessible year round, Russia is at a great disadvantage, geographically speaking.

Russia has 200 million people to the United States 170 million. Russia is having a very hard time feeding these people because her agricultural production is only 40 per cent of ours. This is probably the highest peak that Russian agriculture will ever attain, since 5/6 of the U. S. S. R. is an unproductive wasteland. It always has and always will be. If you will remember during the great famine that Russia had last year, Premier Khrushchev asked the people to eat horse meat. One wonders what they will eat when all the horses are gone.

Russia's industrial output can not begin to equal that of the United States. Russia produces about 1/5 the oil, cotton textiles, and electrical power, and 1/2 the leather goods that the United States does.

The Communists tell us about the Russian working class being superior to the "American Capitalists," yet a Russian worker works 96 hours to buy a pair of shoes and an American works only eight. Also, an American works one hour to buy a cotton shirt to the average Russian's 22.

Instead of the Soviet Union having a loyal and faithful ally in Communist China, we are rapidly learning that they have a potential enemy. It is no secret that there is friction between Moscow and Peking, as to which city will be the capital of the Communist world.

Speaking of Russia's "allies," there are those who would like for us to believe that the 100 million people in the captive countries behind the Iron Curtain are an asset to the U. S. S. R. Actually these people would cut their throats if given half the chance. This was proven in Hungary in 1956 and again in East Berlin today.

These figures stated above prove at least that Nikita Khrushchev is one of the biggest liars the world has ever known. The United States is by no means perfect. We have made some colossal blunders the past few years, but America is still the greatest and most powerful nation on the face of the globe. If we Americans ever forget this and begin to lose confidence in ourselves and in our country, we

shall no doubt be at the mercy of men like Khrushchev and Mao Tse-Tung in but a few years.

Last Monday the cause of freedom and peace in the world was dealt a severe blow when the Secretary-General of the United Nations, Dag Hammarskjold was killed. Mr. Hammarskjold had been under severe attack by the

Communist bloc in the U. N. as a result of his dealings with Russia in Africa the past year. His death has created a great crisis in the U. N. now, for the Russians have an opportunity to make the organization simply "a forum for debate," if they can get the triumvirate they want instead of the Secretary-General. The responsibility of

keeping the U. N. the powerful organization for peace that Dag Hammarskjold worked so hard to do, will fall on the shoulders of the leaders of the Free World. It will be up to them to prevent Khrushchev from ruining this great organization. We can only hope that they will not fail in their task.

A votre sante.

GROWTH

Keynote of the Center of the Southwest

West Texas Utilities Company's service facilities are growing as the area we serve grows.

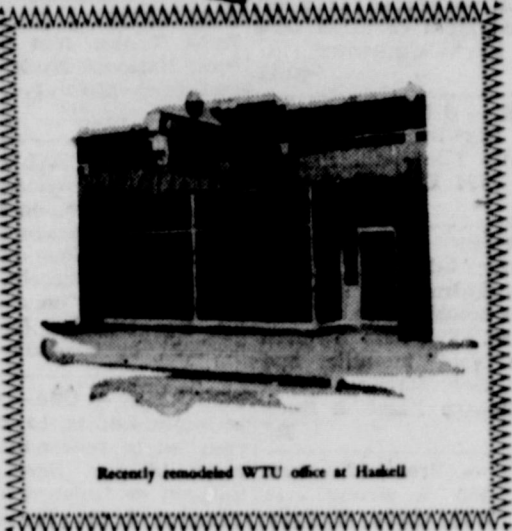

This service area is the Center of the Southwest—the very heart of a five-state region that is growing 25 per cent faster than the Nation.

A multi-million-dollar growth program is now under way, and even more expansion is in the planning stages. Major examples are our new generating, transmission and distribution facilities, where much construction is now going on.

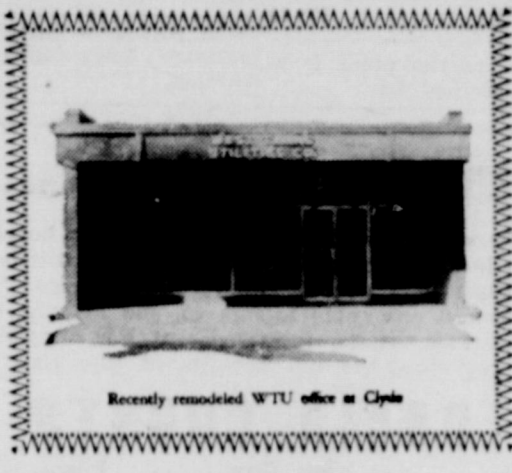

Our continuing growth program is seen also at the local level. Pictured here, for example, are three of our local offices which have been remodeled recently.

This Company is convinced that we face Growth Unlimited. The money we are spending for expansion today is our INVESTMENT IN THE FUTURE.

NOW! A NEW WORLD OF WORTH!

NEW FROM DIESEL TO DAZZLE!

'62 CHEVROLET JOBMASTER TRUCKS!

WITH NEW High Torque Power

Here they are—handsome, functional '62 Chevrolet trucks powered to work harder in every weight class. Hefty new V8's with the highest torque in Chevrolet history. New diesel brawn for medium-duty models. And new power to pick from in light-duty models.

There's a wider choice of power, a wider choice of torque, across the board. For heavies, there's the new High Torque 409 V8*, with 16½ per cent more torque than ever before available from Chevrolet. Big news in the middle-weight class is the new Chevy-GM 4-53 Diesel. It's compact, rugged, high in torque, and backed by years of GM Diesel experience. In the light-duty lineup, the High Torque 261 Six* adds new sock, new savings in extra-tough applications. You can pick from nine rarin'-to-work, ready-to-save engines.

Handsome new work-styling includes forward-sloping hoods that allow drivers to see as much as 10½ feet more of the road directly ahead. Chevrolet's famous Independent Front Suspension gives you a smoother riding, easier working, longer lasting truck. New heavier duty, smoother hypoid rear axles for middle-weights. Rugged new I-beam front axles* of 9,000- or 11,000-lb. capacity are available on Series 80 heavyweights. Mufflers are longer lived on all models.

You'll find a total of 198 models in the new '62 Chevy line—including three work-proved, versatile Corvair 95's. Every model is built to out-haul, out-last and out-value any other truck at anywhere near the price. See your Chevrolet dealer! *Optional at extra cost

New SERIES 80 DIESEL. Diesel savings and sure Chevy durability.

New FLEETSIDE PICKUP. Most modern version of America's most popular pickup.

Registrations Close Monday On PP&K Contest; Boys 6 Through 10 Eligible

Knox City area grade school boys have only until Monday, September 25, to register for the national Punt, Pass and Kick contest, and have the opportunity to test their gridiron skills in competition with young football enthusiasts all over the country.

Boys 6 through 10 may register, without charge at Arledge Motors, from 8 a. m. to 6 p. m. They must be accompanied by a parent or guardian.

Jack Arledge, of Arledge Motors, said 12 boys already have registered for the Knox City contest, which will be held here at the football field.

Arledge pointed out there is no limit on the number of entrants which can be accepted, since there will be an adequate number of judges on hand at the field to ensure every boy an opportunity to test the distance and accuracy of his passing, punting and place-kicking. However, he warned, 6 p. m. Monday is the absolute deadline for accepting registrations.

Five winners, one from each age group, will receive football uniforms in the Knox City competition, with runners-up receiving warm-up jackets, and third prize winners receiving footballs.

Scores from all Punt, Pass and Kick competitions held in the area covered by the telecasts of the Arledge home football games will be compared, and the top five regional winners will appear in the Cowboy stadium during a November game to compete in the national eliminations.

The top winners in each of the five age groups in the nation will be guests at the National Football League Championship game, accompanied by their fathers, and also will be received at the White House either just

prior to or just after the game. Special contests will be held to break all regional and national ties.

The Punt, Pass and Kick competition is sponsored by the Ford Division of the Ford Motor Co., in cooperation with the National Football League.

Truscott HD Club Has Meeting

Mrs. J. R. Brown was re-elected president of the Truscott Home Demonstration Club at a meeting held September 14.

Other officers for the coming year are: Mrs. E. A. Tomanek, vice president; Mrs. Bill Rake Council Delegate; Mrs. J. G. Adcock, parliamentarian; Mrs. H. P. Gillespie, treasurer, and Mrs. W. R. Owens, secretary and reporter.

Plans were made at the meeting for entertaining the Goree Club in October, and the following committees were appointed: Program, Mrs. Chowning and Mrs. W. O. Solomon. Exhibit: Mrs. Gillespie and Mrs. Corder, and refreshments, Mrs. Rake and Mrs. Jack Hickman.

Followin the business session, Mrs. Rake and Mrs. Gillespie presented a program on "Picture frames and Pictures."

The hostess, Mrs. Solomon, served cake and punch to 12 regular members and one new member, Mrs. T. H. Taylor.

Next meeting will be September 28, for a demonstration on cleaning and styling felt hats.

ENROLLS AT TECH

Mr. and Mrs. A. L. Ressel took their son Wayne to Lubbock Sunday, where he enrolled at Texas Tech.

AUSTIN, Tex. — Radioactive fallout is under close scrutiny at Texas' two testing stations in Austin and El Paso.

Resumption of nuclear testing by the Soviet Union brought on the 24-hour-a-day shift atop the State Health Department building in Austin where sampling devices, working like vacuum cleaners, pull jet streams of air through a filter to measure fallout.

During the four year nuclear test ban, radioactivity got progressively lower. Before the tests were stopped, engineers said it was 50 to 100 times higher. They expect results of Russian shots to begin showing up here within the next few days.

Meanwhile, Gov. Price Daniel announced a survey is being launched in Texas to make fallout shelter space available over the state. He said Col. R. Paul West of the U. S. Army Engineers at Fort Worth, who has been assigned to survey, will work in coordination with the State Civil Defense and Disaster Relief Division and local civil defense officials.

Survey is part of a national program to locate possible fallout shelter space in existing buildings, tunnels and other protected areas.

POULTRY INDUSTRY IN TROUBLE — Texas Agriculture Commissioner John C. White organized a conference of southern Agriculture Commissioners in Atlanta, Ga., to "seek ways and means to help save the poultry industry."

White said they will attempt

to find ways to relieve the current "disastrous poultry prices" which are at the lowest point in the history of commercial broiler production.

"This is not just a local situation in Texas," White said.

"The entire national broiler industry is suffering from a price depression."

He reported poultry prices dropped in the past week to as low as 10.5 cents per pound, or as much as five cents below cost for any producers.

Meanwhile, the Attorney General's Department is studying the record of a special court of inquiry to determine if anti-trust violations are involved in the price decline.

Witnesses testified the trouble is overproduction. Actually the overproduction is not in Texas but in the 21 other broiler producing states.

Phil Friberg, manager of the Western Hatcheries in Gonzales, said 50 per cent of Texas' broiler producers will be out of business if something doesn't happen.

Atty. Gen. Will Wilson wants to determine if "there is any effort to price the Texas poultry producer out of business."

PADRE ISLAND STUDY ORDERED — Governor Daniel has taken up Land Commissioner Jerry Sadler's recommendation that a feasibility study be made to determine whether Padre Island beaches should be turned into a state park area.

Sadler said the Governor agreed to appoint a statewide committee with instructions to report quickly. The long, slender island, a potential playground paradise, has been the center of controversy since it was proposed that a large portion of it be turned over to the federal government for a national park area.

LOAN COMPANIES CLEARED OF ANTI-TRUST CHARGE — A civil anti-trust suit alleging 31 loan companies conspired to push punitive small loan laws through the Texas Legislature has been dismissed by Federal Judge Ben Rice Jr., in Austin.

Presidential Message On Youths Physical Fitness

"The strength of our democracy is no greater than the collective well-being of our people. The vigor of our country is no stronger than the vitality and will of all our countrymen. The level of physical, mental, moral, and spiritual fitness of every American citizen must be our constant concern.

"The need for increased attention to the physical fitness of our youth is clearly established. Although today's young people are fundamentally healthier than the youth of any previous generation, the majority have not developed strong, agile bodies. The softening process of our civilization continues to carry on its persistent erosion.

"In answering this challenge, we look to our schools and colleges as the decisive force in a renewed national effort to strengthen the physical fitness of youth. We must expand and improve our health services, health education, and physical education.

"To members of school boards, school administrators, teachers, and pupils themselves, I am directing this urgent call to strengthen all programs which contribute to the physical fitness of our youth.

"In our total fitness efforts the schools, of course, will not stand alone. I urge that in all communities there be a program that will stir the imagination of our youth, calling on their toughest abilities, enlisting their greatest enthusiasm. We must have a program that will enable them to build the energy and strength that is their American heritage."

Suit, filed by J. L. House Jr., who operates a small loan business in Waco and other cities, charged that large Texas and out-of-state loan companies conspired to secure enactment of laws that would "destroy the small business of the plaintiff and all others similarly situated."

Judge Rice held the allegations did not show sufficient cause against the defendant companies to warrant a court trial.

OIL PRICES HIT — Governor Daniel joined independent producers in pleas for action to stem the tide of falling Texas crude oil prices.

"In view of rising equipment and operating costs, crude purchasers should be thinking of some price increase," he said.

"Domestic crude oil is long overdue for more realistic prices if needed exploration is to be stimulated. Lower prices, combined with a stringent law allowable pattern in Texas, will continue to aggravate the problem of the domestic oil producing industry. This, together with excessive foreign oil imports, some of them by the price-cutting companies, will hamstring the domestic industry and the producing states.

"I hope these and other purchasers will consider the plight of the domestic industry in their future actions," he concluded.

The president of the Texas Independent Producers and Royalty Owners Association, James F. West, said a personal appeal is being made to the heads of purchasing companies "in hope that common sense will assert itself."

PAPER BACKS IN SCHOOL? — State Board of Education has launched a study into the question of how much could be saved by using paper-back books in schools, and whether it would be worth it.

"We can't say what the savings will be until the study is made," State Education Commissioner J. W. Edgar said, "but it appears the initial savings will be considerable." He pointed out the principal cost of some books is what's inside, rather than the

CARD OF THANKS
I would like to express my appreciation to the many friends who sent food, flowers, cards, to those who sat up, for the visits, and all of the kindnesses shown us while my wife was in the hospital here.
B. B. Cochran.

materials used. Board authorized the Texas Agency to start by asking on both soft cover and hard cover editions of one textbook—Vocal Music for seventh and eighth grades. It also authorized the agency to have a qualified laboratory test the wearability of paper backs against hard covers and submit findings.

DEMOCRAT TURNS REPUBLICAN — Jack Cox of Breckenridge, former member of the Texas House of Representatives who ran as a democrat for Governor in 1960, announced he is enlisting in the Republican party "as a buck private."

"I can no longer support nor be a part of the Democratic Party under its present leadership and political platforms," he said. "And I shall immediately exercise my constitutional privilege of pledging my efforts and dedicating whatever abilities I may have to assist the Republican Party in its fight to restore constitutional government."

He said he will gladly serve the party of his new choice "in any capacity, no matter how small."

But he left the door open to run for Governor again. He polled some 620,000 votes in a two-
