## WANTED --

students of O'Brien Schools as soon as possible!

That's the plea issued this week by the planners of an O'Brien Homecoming, sched-uled for Saturday and Sunday, January 17 and 18. And they stressed that it is not a homecoming of ex-students. but the entire community. The planners figured the best way to contact former residents was to get the addresses of former school students.

If you are a former O'Brienite, send Mrs. Sam Johnston a card with your present address on it. And on the card list as many addresses of other former residents as you can. The names and addresses are needed as quickly as possible so letters, invitations and perhaps a special newspaper edition can be mailed.

## Parade to Launch Homecoming at Benjamin Nov. 29

Plans are near completion for the annual homecoming for Ben jamin Ex-students and Ex-teach ers, this Saturday, November 29, 1958.

The activities will begin with Parade, starting at three P. M. Registration will be held in the High School immediately following the Parade. Supper will be served around 5:30, and the program will begin at seven.

The activities for the Home coming event will conclude with

The chief use for sorghum grain in the U.S. is feed for poultry, cattle, sheep and swine. The grain, which contains 12 percent protein, 3 percent fat and 70 percent carbohydrates, compares Abernathy spent Sunday visiting her parents, Mr. and Mrs. Jim grain. The starch from the grain. The starch from the grain can be used for food products, adhesives and sizing for paper and fabrics.

Sorghum is grown for grain on

substantial acreage in abou Texas counties. Cultural tices are similar to the quired by other crops such ton and corn. The met seedbed preparation and cultivation depends large the soil, climate and k

equipment available The Texas Agricultural periment Station has relea bulletin entitled "Grain hum Production in Texas. 35-page publication contain cussions on practically phase of grain sorghum r tion.

Husbands of members of the 1946 Study Club will be honored guests at the club's annual Christmas party Tuesday night, December 2. Hostesses will be Mrs. C. E. Williams and Mrs. Sam Wood-

The dinner party will be held at the school lunchroom beginning at 7:30. A turkey and dress-ing dinner will be served. Decorations will be a western Christnas motif.

Next regular meeting will be the first Tuesday in January for the election of new officers and annual business meeting. Host-esses will be Mmes. B. G. John-ston, M. E. Bradberry, W. J. Rodiy, and Woodward.

## Streams In Desert Places

By Ozelle Stephens

Thanksgiving is not just for hings but for the love from which they come. In God's pro-vision there is love enough to keep every heart singing forever enough love to guide every life, dry every tear, and heal every heart and body. It is always at hand and freely given when we recognize and accept it, blessings lood our hearts and fill our

Charles Fillmore, has said True thanksgiving is the soul's ecognition of its relations to It is the joyous surge of feeling that comes from concious awareness of God's lo presence and the contact the oul has with Him. True Thanks giving is spontaneous and over flows from the fullness of the heart. Let a continued song of raise Stream from your heart through the year
