

Newspapers are just like women. For instance, they both have forms. Back numbers are not in demand... they always have the last word... they are well worth looking over... they have a good deal of influence... you can't believe all they say... there's small demand for the bold-faced type... and every man should have one of his own, and not borrow his neighbors.

Won't you please help! When you visit out of town, or when someone from out of town visits you, nothing would please the Herald staff more than to print the "local" news, but of course we must have help. It is absolutely impossible for us to carry as much local news as we would like, unless we have help... so the next time you have company, or visit out of town, please let us know.

Little Story of Success: Some owe success in life to luck; some owe it to their mothers, but most acclaim the good advice they didn't take from others!

A word to the wise is sufficient... there is a total of 46 new patrolmen manning Texas highways. These trainees have just graduated from the Law Enforcement Academy of the Texas Department of Public Safety. Also graduating were 20 drivers license patrolmen and five license and weight patrolmen.

Today's Food For Thought:—Education should include training in the art of living with one's fellowmen.

Some of us could take a tip from an acrobat. He turns a flop into a success.

The Northwest Texas Council, Boy Scouts of America is now giving every eligible Scout and Explorer an opportunity to enroll for participation in the Fifth National Jamboree which will see 50,000 boys and leaders camping together at Colorado Springs, Colorado, from July 22 to July 28, 1960. Dr. Joe Steed, of Wichita Falls, chairman of the council's jamboree committee said that information about the jamboree is being sent each unit in the Council with the hope that every unit will be represented by at least one member.

Daffinitions: — After dinner speaker... An occupation monopolized by men. Women can't wait that long.

Commuter: A traveling man who pays occasional short visits to his home and office.

Money grabber: Anyone who can grab more money than you can.

Friend: One who has the same enemies as you have.

Economy: Denying ourselves a necessity in order to buy a luxury tomorrow.

Philosopher: One who instead of crying over spilt milk, consoles himself with the thought that it was over four-fifths water, anyway.

A "fed-up" school teacher resigned with this comment: "In public schools today the teacher is afraid of the Principal; the Principals are afraid of the Superintendent; the Superintendents are afraid of the School Board; the Boards are afraid of the parents; the parents are afraid of the children; and the children are afraid of nobody."

If you find the weather hot... cheer up; it's less than five months to Christmas.

There are too many leaders who would rather be smart than right.

Success Story: Farm boy goes to the city, makes enough money to retire and live in the country.

**Vernal Zeissel Brings In First Load Of Maize**

The first load of maize from the 1959 crop rolled into Knox City to Porter and White Feed Store Wednesday afternoon a few minutes past 1 o'clock. Rufus White

The 15,320 pound load of variety E56A was brought in by Vernal Zeissel of the Rhineland community. Sam White said the load of maize brought in Wednesday was the earliest date he could remember. With continued "open weather", harvesting of the bumper maize crop will be in full swing within the next few days, White said. The maize brought \$1.40 per hundred.

PICTURED ABOVE are members of the 1903 Court at Benjamin. The men took office on Jan. 1, 1903. The picture was supplied by Sheriff Homer T. Melton. Left to right, top row: E. C. Young, county clerk; Jim Hodges, county treasurer; G. B. Landrum, county judge; J. R. Reeves, sheriff, and D. J. Brookerson, county attorney. Bottom, left to right: P. C. Sams, commissioner, Benjamin; S. L. Hefner, commissioner, Old Goree; J. W. Smith, Knox City, and J. C. Doekery, Gilliland.

**SCD Explains Water Irrigation Management**

"Oh, how I hate to get up in the morning!" This is the reaction to some irrigation farmers as well as others who have to arise at 4:30 in the morning.

It appeared for a while that irrigation wells in the Wichita-Brazos Soil Conservation District would not have to be started however, mother nature could not hold out.

According to information released from the SCD, some farmers prosper more from their wells than others. Ever wonder why? Some give these as their reasons. He has better land, poisons more, uses more fertilizer, or has more water. Well, possibly this is true. Possibly another reason, overlooked by many, is the fact that one farmer may be using his irrigation water more efficiently than his neighbor.

"We like to refer to this efficient use of water as 'Irrigation Management', Bill Sladek pointed out. What actually then is irrigation water management? Defined, it is the use and management of irrigation water, where the quantity of water used for each irrigation is determined by the need of the crop and the water holding capacity of the soil, and where water is applied at a rate and in such a manner that the crops are able to use it, efficiently; and significant erosion does not occur. Sounds like a big order, well, it has often been said that, "Anything worth doing is worth doing right."

Several farmers in the Wichita-Brazos SCD adhere to the following four points in carrying out irrigation water management:

1. What crop to water, realizing that some crops require more water than others;
2. When to water.—Determined by available moisture in the soil, not by how the crop looks, a crop should never go into stress when watering has been started;
3. How much to water.—Adequate amounts to bring soil back to field capacity and at a non-

**Meth. Men Will Send Delegates To Ceta Canyon**

At a breakfast meeting of the Methodist Men's Club, 6:30 a. m., Monday, at the church, the group voted to send the president, Zeb Smith, and Vice-President, John Hansen to the Laymen's Retreat to be held at Ceta Canyon, Friday, Saturday and Sunday, August 7, 8, and 9.

Also at the Monday morning breakfast, Ulrie Lea was elected membership chairman; Paul Hoge, program chairman, and George Davis, Devotional chairman.

The club voted to apply for a charter at the Monday morning session. John Hansen gave the devotional, and new members, Kenneth Crownover, John Brown, and O. A. Green were recognized.

crossive rate; 4. How often to water—as often as needed to keep crops from going into stress.

In addition to the above they have a system designed to give them water when and where they need it. The technicians of the local Conservation Service will help farmers in determining whether they are using water as efficiently as possible.

**Final Rites Are Held For H. A. Patterson**

Final rites were held Tuesday at 2 p. m. from the First Baptist Church, Vera, for Henry Alexander Patterson, 76, long-time Knox County resident, who passed away Sunday, August 2, while preaching at an Association of Primitive Baptist in Arlington, Texas. Interment was in the Vera Cemetery.

Born March 23, 1883, at Springtown, Texas, the son of John Wesley and Elizabeth Patterson, he was married to Etha Taylor in 1904 and to this union was born six sons. Mrs. Patterson preceded her husband in death Jan. 30, 1922.

On March 4, 1923, Mr. Patterson was united in marriage to Dora Norman of Hot Springs, Arkansas, and to this union was born two sons and four daughters.

Patterson came to Knox County with his parents in 1897, settling on a farm five miles east of Benjamin. In his early manhood he was a ranch hand.

He joined the Primitive Baptist Church in 1910 and in December 1947 he was ordained to the full ministry of the gospel in the Primitive Baptist Church at Vera, which he had pastored since that time. He also served churches at Floydada, Afton, and Fort Worth.

Survivors include his wife, seven sons, Guy of Phoenix, Arizona, Glenn of Lancaster, Calif., Rex of Benjamin, H. A. Jr., of Lewisville; Elbert of Mesquite, Loran and Afton of Vera; four daughters, Mrs. Joe Cardwell of State College, Miss., Mrs. Joe Ed Swaatt of Wichita Falls, Mrs. Bob Thornhill of Red Springs, and Mrs. Robert Nix of Graham. Also surviving are two brothers, Oral of Benjamin and Bailey of Spearman; two sisters, Mrs. Ada Gibson of Tucumcari, New Mexico; and Mrs. Ruth Kenner of Crowell; 31 grandchildren and five great-grandchildren, a host of nephews and nieces and friends who mourn his passing.

**Damage Is Slight From Monday's Fire**

The Knox City Volunteer Fire Department made a call to the East section of town around 4 p. m. Monday, when a small barn at the J. R. Grimsley place caught on fire.

The blaze originated from a trash fire, but quick work of firemen soon had the blaze under control. A TV pole nearby was slightly scorched.

**Funeral Services Held Sunday For Mrs. Mary Smith**

Mrs. Mary Abilene Smith, 55, long time resident of the O'Brien and Rule areas, died Saturday at 5 a. m. in the Haskell Hospital.

Funeral services were held at 3 p. m. Sunday in O'Brien Methodist Church. Rev. Murrell Johns, Knox City Baptist pastor, officiated and was assisted by Rev. John Rosenberg, O'Brien Methodist pastor.

Burial was in the O'Brien Cemetery, under the direction of Pinkard-Smith Funeral Home.

Mrs. Smith was born December 16, 1903, in Clarksville, Ark. She was married to George Collins in Arkansas in 1919. In 1941 she was married to Jimmy Smith in Rule. She had lived in the Rule and O'Brien areas the past 35 years.

Surviving are a son, Willie Collins of Knox City; two brothers, Harley Poteet and Andrew Poteet, both of Knox City; and four grandchildren.

**Nat'l. And State Figures Released On Wheat Vote**

National and State figures, (incomplete), on the wheat referendum held July 23, were released this week by Jess Gilpin of the Knox County ASC office as follows:

National: 199,240 votes were cast, with 160,718 for and 38,522 against. Percentage-wise the vote revealed 80.7% for, as compared to last year's vote of 84.1%.

Texas: 7,503 votes cast for and 1,248 against, or 85.7% for.

Knox County's vote revealed there were 124 farmers voting in favor of, and 18 against wheat quotas.

SHERIFF HOMER T. MELTON is shown above at his office in the court house at Benjamin. He is shown above talking on his radio to the police station in Seymour.

**Cardinals Edge Red Sox For Little League Title**

Robbie Glenn paced the Cardinals, as they slipped past the Red Sox in the final game of Little League play-offs, with two consecutive home runs. The sharp-fielding Red Sox won the first game, Saturday, August 1, by a score of 4 to 2. The Cardinals came back to tie the series Monday, August 3, with a 4 to 3 victory. The final game went right "down to the line" with the Cards emerging the victors by the narrow score of 6-5.

Mark Anderson matched Brack Shaver on the mound Saturday, August 1, to open the series. Anderson, the winning pitcher, was relieved in the fifth by Paul Rios, and Shaver, the loser found relief in Robbie Glenn in the same inning. The Red Sox

fielded like a well oiled machine, and successfully pulled out three double plays to put down possible Cardinal rallies.

Mark Anderson was the starting pitcher again for the Red Sox in the second game of the play-offs, Monday, August 3. Robbie Glenn was the winning pitcher for the Cardinals. The game, which was decided in the

**County Bond Sales For Year Total \$146,758**

W. E. Braly, chairman of Knox County's Savings Bonds Committee, reports that June bond sales in Texas were 11.4% greater than May sales. Bond sales in Knox county totaled \$146,758 for the first half of 1959. This represents 60.6% of the year's goal for the county. June sales in the county amounted to \$12,704.

Sales in Texas for the first half of 1959 were \$71,960,468 or 44.9% of the year's goal of \$162.5 million.

"The fine sales increase shown in June pointed up the fact that thousands of Texans are interested in an investment where their principal and interest are fully guaranteed by the U. S. Treasury Department. I believe strongly in the bond slogan 'Part of Every American's Savings Belongs in Saving's Bonds'." Braly stated. "More Texans should take part in the Savings Bonds program, not only as a tangible expression of patriotism, but as a practical way of saving for future personal security," he concluded.

**Social Security Representative To Be Here Wednesday**

Jess Fowler, representative of the Social Security Administration will be in Knox City, at the New City Hall, Wednesday, August 12, at 10 a. m.

Persons who desire information or assistance in Social Security matters are invited to meet with him.

**Chad Wilson Is Elected To Head Quarterback Club**

Knox City Quarterback Club met Monday night at the football field to elect officers for the coming year.

Chad Wilson was elected president, John Crownover, vice-president, and Fuller Shannon secretary-treasurer.

Membership in the Quarterback Club will be three dollars a year, and tickets will be on sale Monday morning.

President Chad Wilson urged all men in Knox City and the surrounding area to be sure and get their cards.

"This is the only way we can show the football squad we are really supporting them. We would like to have at least 200 men in the Quarterback Club by Sept. 1," Wilson said.

The first game for Knox City will be Chillicothe, here, Sept. 4.

Quarterback membership cards may be purchased from the membership committee, which includes John Robin, Bill Anderson, Fuller Shannon, Paul Hoge, W. J. Roddy, Henry Gene Jones, and Henry L. White. Other members may also solicit sales of the cards.

**Former Preacher Charged With Fondling Adjudged Unsound Mind**

A former Knox City preacher, Robert L. Dodson, was adjudged of unsound mind by a jury in 39th District Court at Haskell and was ordered committed to a State institution.

The sanity hearing was the outgrowth of a felony case pending in District Court against the 39 year-old man, formerly pastor of the local First Baptist Church, in which he is charged with fondling. The alleged incident occurred in November 1958, and involved the man's daughter. Dodson was subsequently indicted.

Complaint alleging that Dodson is of unsound mind at the present time was signed by his wife,

Mrs. Oleta Dodson of Fort Worth, where the family has been living in recent months.

Principal testimony in the brief sanity hearing was by Mrs. Dodson and the Rev. Raymond Marks, a Fort Worth minister. Defense counsel was the law firm of Ratliff & Ratliff of Haskell.

State Prosecutor Royce Adkins did not contest the hearing. He said that the felony indictment was still pending against Dodson, who will be subject to prosecution should he be released as sane at any time within the near future.

Dodson was carried to the State Hospital at Wichita Falls.

last inning, stood at 3-2 at the top of the sixth. Greg Knight drove in Paul Rios to tie the game, but in the bottom of the sixth, Stan Hansen stole home to win the game.

In the decisive final game, Paul Rios started for the Red Sox. Rios was relieved in the fifth by Ronnie Johns. Brack Shaver was the Cardinal's winning pitcher. Aside from Glenn's two homers, Mark Anderson homered in the fifth with no one on to move the Red Sox within striking range of one point. Cardinal efforts to score were halted. In the last half of the sixth, Jackie Fisher fielded a ground ball, tagged the runner, and threw to first for the double play to slow down the Red Sox's hitting rally. The game ended as Jerry Myers was tagged out at home plate while trying to score on a hit by Olie Garrison.

The Cardinals Yankee-like (See CARDINALS, Back Page)

**H. D. Clubs Hold Two County Meet**

The Knox and Baylor County Home Demonstration Clubs held their annual encampment July 30, 31, in the Veteran's Hall in Munday.

Registration was Thursday afternoon with Mrs. Gill Wyatt and Mrs. Edwin Johnson of the Munday club in charge. Seventy club members registered with all clubs, six of Knox County and seven of Baylor county being represented.

The welcome was given by Mrs. A. M. Almanrode with response by Mrs. O. T. Richeson. Song leader, Mrs. Bobby Roberson. The devotion was given by Mrs. L. D. Miller.

During the business meeting new officers were elected with Mrs. Wesley Trainham of Knox County being elected chairman and Mrs. R. M. Almanrode, Knox County, secretary and treasurer.

**JUST TALK**  
By JAMES HILL

What type crime ranks first on the list in Knox County right now? I asked Sheriff Homer T. Melton, recently.

"Worthless checks," he answered. "Number two on the list would be petty theft. Ordinarily petty theft ranks first."

Thus began a long interview with the sheriff of Knox County.

The nation, as a whole, has an all-time crime wave. Crime is up 42 per cent since 1945, and is still climbing.

Crime in Knox County is at an all time low.

Homer T. Melton was born in Goree November 12, 1909 and has resided in this part of the country all of his life with the exception of a few months hitch in the Navy, and a year in the Border Patrol at Alpine.

Homer T. has been in the law enforcement business most of his life, as his father, J. W. Melton was sheriff at Benjamin from 1923 until 1928.

Melton was first elected sheriff in 1946 and has been in office since that time.

"I don't care what you say about me just so you don't make any flowery reports", Melton said.

It would be indeed hard to write a story of the sheriff without handing him a few bouquets, for his record in office is certainly an impressive one indeed.

While I was interviewing the sheriff, Sherman McBeth of the Liquor Control Board, Vernon, dropped in to see the sheriff and he told me, "There is no better lawman in the country than Melton."

This seems to be the sentiments of most people in these parts, especially those in the know about such things. The sheriff and his deputy, H. C. Stone, have eight towns and communities to cover. They are: Benjamin, Truscott, Gilliland, Vera, Rhineland, Munday, Goree, and Knox City. Quite a few years ago there were twelve. "Taking care of law enforcement" (See JUST TALK, Back Page)

W. E. CLONTS HARDWARE & FURNITURE

As little understood as any function in the cotton industry is the role of the cotton merchant... yet without him the industry would be in about the same predicament as if all gins closed down... after all, there is nothing so useless as a bale of cotton until it reaches the manufacturer... without the merchant (often known as a shipper) the cotton would have an almost impossible trip... here's what the merchant does—or at least part of what he does—he buys cotton of all kinds and assembles the different kinds into even running lots for sale to spinners... since his livelihood depends upon cotton markets, he seeks and develops new markets... and he has taken American cotton to markets all over the world... since the merchant does business on a "year-round" basis the farmer has a market when he wants and needs it... also the merchant offers the spinner a constant source of supply... and he guarantees that the spinner will receive the cotton he wants... and guarantees quality, weight and delivery... and the merchant, or shipper, not only pursues markets but by his services encourages the spinners to use cotton in preference to other fibers... for all of this the merchant makes a profit of about one per cent.

Study Group Committee made up of members from seven major cotton exporting countries will present its recommendations for averting a cotton price war to the Cotton Exporting Countries' Study Group within next two or three months... the study group is made up of members from 12 nations.

Weevils A boll weevil lays an average of about 81 eggs... but sometimes she may lay 450... she only needs to be five days old to start laying... incidentally there are more male weevils than female... just thought you would like to know!

Orders Up Cotton mills had more firm orders on June 1 than at any time since early 1951... also the spinners were getting higher prices... "Mill margin" was at the highest point since late 1956.

LEAVE FOR HOME Mr. and Mrs. E. I. Welch left Friday to return to their home in Port Arthur, after a visit here with Mrs. Welch's sister, Mrs. S. M. Clonts.

## HERE FROM MASSACHUTTES

Pfe. and Mrs. Billy N. Denton are visiting here with his parents, Mr. and Mrs. M. S. Denton. Private Denton has been stationed at Fort Devon, Mass. ## Uncle Ben from Benjamin says:

DEAR MISTER EDITOR:

We had a right interesting session at the country store Saturday night. Things as a rule start off on the light side, with some of the fellers trying to tell the biggest lie. We had a few Saturday night that was pritty good. Maybe you've heard 'em and maybe you ain't. One feller said when he was a boy they had a windstorm that blowed all the lettering off'n the tombstones and turned the north and south streets east and west.

That reminded another feller of the time the wind blowed all the center markers off'n the highway and turned the family washpot inside out. Ed Doolittle allowed as how he hadn't had much experience with windstorms, but he said he recalled onct when he was a boy it rained so much one winter that he caught four fish in his rabbit holler.

The next thing we took up was toothpicks. It was voted unanimous that to git a license, all eating places should furnish a good supply of toothpicks. A

## Owners Of Dual Wheel Vehicles Given Warning

Owners and operators of dual wheeled vehicles were warned today by Major R. A. Crowder, Commander of Region No. 5 Department of Public Safety, that certain vehicles must be equipped with guards or mud flaps on the rear axles or face enforcement action by the courts.

The new law requires flaps or guards on road-trailors, trucks, trailers, and semi-trailors operated on public highways if the rear-most axle of the vehicle has four tires or more.

Crowder instructed the DPS patrolmen in his region to start issuing traffic citations against all violators of this law immediately.

Vehicles exempt from the mandatory mud flaps law are buses, school buses, tractors, and pole trailers.

Crowder pointed out that the mud flaps must be constructed of metal, rubber, rubberized materials, or any other substantial substance. The safety guards or flaps must be at least as wide as the tires behind which they are suspended or attached and must be of sufficient rigidity to remain within 8 inches of the surface of the highway under any conditions of loading in order to prevent slush, mud, or gravel being transmitted from the vehicle's rear wheels to the windshield of any following vehicle.

The new law—requiring the full time use of mud flaps—supersedes an old mud flap law requiring the use of mud flaps in wet weather.

### CALIFORNIA VISITORS

Mrs. Darmon Barnes and son Stanley, from Bakersfield, Calif., and C. B. Loper from Lancaster, Calif., are visiting their parents, Mr. and Mrs. Tom Loper.

### RETURNS TO OHIO

Mr. and Mrs. Pat O. Riley and daughter Kathleen, returned to their home in Lima, Ohio, Tuesday.

Mrs. Riley spent the last two months here with her parents, Mr. and Mrs. Frank McAuley Sr. Mr. Riley came after her last week.

feller can do some fo his best thinking while picking his teeth, it was allowed by one and all.

Naturally, the talk got around to wimmen, and they took a poll fer ever feller to state if he had ever thought of divorcing his wife. One feller said he'd been married 31 year and had never thought once of divorcing his old lady, but he'd thought a few times about shooting her. Another feller said he'd took a survey and found his old lady had used only 8 percent of the 796 recipes she's stuck in ever crack in the house fer the last 20 year. I recollect a few year ago a movie actress couldn't git a divorce because she couldn't prove she was married. Us farmers and ranchers don't have no trouble knowing and remembering we're married. Just ask the fellers at the country store.

Another thing we figgered out Saturday night, Mister Editor. We figgered that the brain power of a car owner was in exact opposite ratio to the number of rabbit tails and gadgets he had hanging on his car.

See by the papers where the price of pigs is uncertain. In the same paper I see where a cafe in Atlanta, Georgia, is selling pig-ear sandwiches fer 30 cent. The future of pigs looks good to me.

Yours truly,  
Uncle Ben

## 4-H'ERS AWARDED FOR BEST HOME PROJECTS

Hundreds of local 4-H Club boys and girls are among more than a third of a million club members in about 2,000 counties across the nation who are tallying their records in two useful home projects. Scores will be singled out for honors.

As many as eight club members in the county can win handsome gold-filled medals for doing an extra good job in either "beautification of home grounds" or "home improvement" programs, the Extension Service reports.

In addition to an estimated 10,000 county medal winners throughout the 48 states, individual state winners will be selected and 16 national winners will be named. Club members will be judged not only on excellence in project work, but also as all-around 4-H'ers demonstrating good citizenship and leadership.

To be eligible for the two top awards members must be over 14 years of age and have satisfactorily completed three years of 4-H Club activities.

While the 4-H program is conducted by the Cooperative Extension Service, United States Department of Agriculture, funds for awards are provided by private citizens, business, industry and educational foundations through arrangements made by the National Committee on Boys and Girls Club Work.

Awards in home grounds beautification have been given

### Truscott News

Mr. and Mrs. Floyd Roberson has recently returned from a visit with her brother Clyde Myers and family and her sister Mrs. J. D. Carroll and family and other relatives and friends in California.

LOCKER PLANT

### Surprise Birthday Party Honors Mrs. H. R. Collins

Mr. and Mrs. Norman Howell and sons, Jackie and Jimmy, and Mrs. Jeff Fletcher spent Sunday in the home of their parents, Mr. and Mrs. H. R. Collins of Haskell. Mrs. Collins was honored with a surprise birthday dinner.

Those attending were Mr. and Mrs. R. E. Tidwell, Mr. and Mrs. O. P. Collins, Mr. and Mrs. Leslie Collins and son Robby, Mr. and Mrs. Marjion Collins and son, Jerry, and E. C. Collins of Haskell; Mr. and Mrs. Edd Hargrove and children Don and Mary Lou of Breckenridge; Mr. and Mrs. Glen Daiden and Mrs. Bill Pannell of Haskell; Bill Pittman of Dimmitt, and Mrs. Pearl Lackney of Haskell.

### Annual Reunion Of Cypert Family Held At Haskell

The 18th annual reunion of the Cypert family was held in "The Corral" in Haskell, August 1 and 2.

On Saturday, swimming and different games were enjoyed by relatives present.

Sunday afternoon a business meeting was held, and new officers were elected for the coming year.

The next reunion will be held at Bridgeport, Texas.

Towns represented were Knox City, Munday, Rochester, Rule, Anson, Abilene, Spur Odessa, Plainview, Arlington, Fort Worth, Decatur, Bridgeport, Jal N. M., and Boston, Mass.

One hundred and sixteen people attended.

#### VISITS IN LUBBOCK

Mrs. Charles Givens spent 3 days visiting in Lubbock this week.

### Green-Hanson Wedding Vows Read Recently

Miss Leona Louise Green of Rule, and Bobbie Royce Hanson of O'Brien, were united in marriage July 25, at 10:00 a. m., in the First Baptist Church of Rule. The Rev. Rodney C. Dowdy performed the double ring ceremony.

Maid of honor was Barbara Stryker, of Rule and best man was Dempsey Herpache of Abilene.

After a short wedding trip to Lubbock, the couple are at home in O'Brien, where the groom is employed by Cities Service.

The bride attended Rule High School. The groom is a graduate of O'Brien High School, and attended Hardin-Simmons University.

Mr. and Mrs. E. L. Green are parents of the bride. The bridegroom is the son of Mr. and Mrs. L. R. Hanson of O'Brien.

### Billie Ann Webb And Wayne Stephens United In Marriage

Miss Billie Anne Webb and Wayne Claud Stephens were united in marriage at 7:30 p. m., Monday July 27 in the home of the bridegroom's parents, Mr. and Mrs. V. R. Stephens.

Rev. W. W. McFarland read the single ring ceremony.

A reception was held at the home of the bride's parents, Mr. and Mrs. M. L. Webb.

The couple are graduates of Tom S. Lubbock High School. She attended Draughtons Business College and is employed at Casey-DeLone Insurance. He is a student at Texas Tech, and is employed by Wood Furniture Company.

Stephens is a former resident of Knox City, and is a grandson of the late Mr. and Mrs. C. W. Garrison.

### Benjamin News

### Bradford Family Hold Reunion

Mr. and Mrs. Kenneth Bradford and his parents, Mr. and Mrs. Ben Bradford attended a family reunion in Vernon Saturday and Sunday for the Bradford family. Approximately 150 relatives attended the two day meeting.

The Bradford family hold a reunion every year on the first Saturday and Sunday of August.

### CIRCLE NEWS FLORENE SMITH CIRCLE

Ten members of the Florene Smith Circle of the WSCS of the Methodist Church met at the church at 9 a. m., Monday, Aug. 3.

The program, "Faith With Works in the Local Church" was presented. Mrs. George Davis was leader and also gave the devotional.

Mrs. Edwards was moderator for a panel discussion on duties of members toward the total program of the Methodist Church. Members of the panel were Mrs. L. W. Graham, Mrs. Guy Robinson, Mrs. C. C. Hoge.

Mrs. C. W. Stephens gave a report on the School of Missions held in Lubbock last week. Mrs. Edwards reported that the year-books would be ready for distribution at the next meeting.

Mrs. John A. Smith was named secretary of Youth Activities — she takes the place of Mrs. Arnold Glover who resigned.

Planning to attend the Stamford District Study Seminar at Hamlin on Friday, Aug. 7, are: Mrs. Edwards, Mrs. Graham, Mrs. Hoge, Mrs. Stephens, Mrs. Robinson, and Rev. and Mrs. O. D. Smith.

One of the teachers, Mrs. W. B. Landrum, of Little Rock, Ark., and New York City, field worker for the Women's Society of Christian Service said:

"Africa is a timely subject. It has long held the imagination of adventurous spirits. It is well called the world's last frontier."

The school closed last Friday morning.

### McGee-Ward Colored School To Open Monday

According to Supt. of Schools E. A. Youngblood, McGee-Ward (colored) school will open the 1959-60 term next Monday, August 10, for a "split-session".

The colored school will operate for about a six-weeks period, then classes will be dismissed during the cotton harvesting season.

Melvin Lee Lewis, formerly of Longview, will be principal of the school, Youngblood announced.

### Mrs. O. Stephens Attends School Of Missions In Lubbock

Mrs. Ozelie Stephens attended the School of Missions in Lubbock Monday night of last week at St. John's Methodist Church.

Study topic of the meeting was Africa.

Each year 28 Protestant denominational groups study the same theme from the viewpoint of world missions, for use on the North American continent by men and women, young people and children. This year "Africa" was chosen.

One of the teachers, Mrs. W. B. Landrum, of Little Rock, Ark., and New York City, field worker for the Women's Society of Christian Service said:

"Africa is a timely subject. It has long held the imagination of adventurous spirits. It is well called the world's last frontier."

The school closed last Friday morning.

### ATTEND CYPERT REUNION

Mr. and Mrs. A. C. Sharp, Jr. and Trendy Leigh of Arlington were here last week end to attend the Cypert reunion. Mrs. Sharp and Trendy are remaining for the rest of the week to visit her parents, Mr. and Mrs. Lloyd Waldrup.

### UNDERGOES SURGERY

Mrs. Annie Stephens, who underwent surgery in the Methodist Hospital in Lubbock, Tuesday July 28, is reported to be doing some better.

### VISITS SISTER

Mrs. Nancy Turner of Fort Worth is visiting her sister, Mrs. Lela Milford, this week. Mr. and Mrs. J. B. Herring and sons of Abilene spent a while in the Milford home visiting their aunt Mrs. Turner.

### CARD OF THANKS

We desire to express to our kind neighbors and thoughtful friends our heartfelt thanks for their many expressions of sympathy during our hours of sorrow.

Especially do we wish to thank you for the food, flowers and for all the many, many favors bestowed upon us.

Mrs. H. A. Patterson and family. Itc

### CARD OF THANKS

We wish to express our sincere thanks and appreciation to those who helped in any way during the loss of our loved one.

We thank you for the beautiful floral offering and the food, and your many expressions of sympathy will always be remembered.

Willie Collins Family  
Harley Poteet Family. Itp

### VISITS IN O'DONNELL

Mrs. E. W. Stephens is in O'Donnell in the home of her daughter, Mrs. W. L. Barton, where she will stay while recuperating from surgery.

### VISITING IN DUMAS

Mrs. Hattie O'Brien is visiting her son, Floyd Gutherie, in Dumas.

### SPENDS WEEK END HERE

Sharlyn and Jehuree Mosse, students of Abilene Christian College, spent the week end with Mr. and Mrs. Gentry Day and family.

### RETURNS HOME

Mr. and Mrs. Z. I. Smith and children have recently returned home from a vacation in the Ozark Mountains. They visited Eureka Springs, and Roaring River State Park, and ended their vacation with relatives in Hot Springs, Ark.

### RETURNS TO FORT WORTH

Ann Milford and Myrna Gardner of Fort Worth have returned home after spending a week here with Mr. and Mrs. Bud Thompson, and Mrs. Lela Milford. Mr. and Mrs. Thompson took the girls home and spent a few days vacationing in Fort Worth and Dallas last week.

### HERE FROM ARLINGTON

Visiting Mr. and Mrs. W. H. Paul last week end were their daughter, Margie Paul of Arlington, and their granddaughter Phyllis Paul of Port Lavaca.

### VISITS PARENTS

Mr. and Mrs. Grady Paul of Port Lavaca, arrived here Monday afternoon for a visit with his parents, Mr. and Mrs. W. H. Paul.

# STATE CAPITAL Highlights AND Sidelights by Vern Sanford

TEXAS PRESS ASSOCIATION

AUSTIN, Texas — With the dilemma broken on a tax bill for regular spending, legislators began to look down the road.

Rep. Murray Watson of Mart proposed a resolution that pointed up the lawmakers' uneasiness about having more rough decisions before the year is out.

Watson's resolution called on Gov. Price Daniel to say immediately whether he would call another special session to raise money for the Hale-Aikin school improvement program.

Hale-Aikin proposals, which include an \$800 a year salary boost for teachers, would cost an estimated \$120,000,000 a year. There have been repeated rumors that the governor will recall the Legislature next fall to enact Hale-Aikin. Also floating around is

the rumor that a one-cent per gallon hike in the gasoline tax is being "saved" for that purpose.

Watson charged, "I think there has been a definite deal made with the Texas State Teachers Association. . . Somebody should know what's going on here instead of just the governor and the teachers' lobby."

Governor Daniel's supporters called this unfair. They declared that the governor, like everyone else, couldn't tell how it would be until after the dust settled from the fracas over raising money for the basic budget.

AT LAST — when the Legislature finally voted out the new \$185,000,000 tax bill, it voted it out in a big way. Tally was 29-

## Can You Stop In Time?

It takes more than the distance between goal posts on a football field (100 yards) to stop a car traveling at 60 miles per hour under the best driving conditions. 4-H Club members point out. At 60 mph, a car travels 88 feet per second. There's not much "time" to come to a dead stop upon approaching a tractor or other slow-moving farm machinery.

"Highway safety is everyone's responsibility," 4-H leaders declare, and during the summer when traffic is at its peak the obligation becomes greater. The devastating fact that three out of four traffic fatalities occur in rural areas makes the 4-H Safety program the "number one crop" for nearly a million conscientious club members.

Statistics reveal that there are more teenage drivers on the highways today than ever before.

It is also true that drivers under 20 years of age have a worse safety record than older drivers.

So each 4-H boy and girl enrolled in the safety project is encouraged to become a "self-policing committee of one." These 4-H'ers make certain that the family car, truck, and tractor are in safe operating condition at all times.

For the past 15 years the 4-H Safety program has been supported nationally by General Motors, which among other things provides incentive awards for top ranking club members in each state. The awards consist of \$400 college scholarships, all-expense paid trips to the National 4-H Club Congress in Chicago, medals of honor, and plaques. The program is under the direction of the Cooperative Extension Service, United States Department of Agriculture.

## Former Patients Of TRC, Gonzales Invited To Reunion

Former patients of the Texas Rehabilitation Center of Gonzales Warm Springs Foundation who reside in the Knox County area are invited to attend the third annual reunion of former patients Sunday, August 23, at the Center.

As far as officials of the Foundation know, this is the only hospital in the United States which holds reunions for its former patients.

## Vegetables Head Plentiful Foods

What's plentiful in Texas food stores this August?

Fresh fruits and summer vegetables dominate the list of more than a dozen plentiful foods, reports the Agricultural Marketing Service, Dallas, after making a survey of stocks immediately available to Texas and other southwest homemakers.

Pears and plums rate the feature spots because shipments will be rolling from the largest pear crop since 1949 and from a plum crop about 70 per cent larger than last year.

Supplies of peaches, lemons and limes are expected to run especially heavy, too.

Only meat to make the U. S. Department of Agriculture's August plentiful foods is turkey. About 65,000,000 pounds are moving from national cold storage stocks.

USE THE HERALD WANT ADS FOR QUICK RESULTS

other purposes. He said further gasoline taxing should be left to the states, which need the money worse.

Earlier this year the governor mentioned the gasoline tax as a possible source of additional future revenue. State gasoline tax is presently 5 cents a gallon; federal tax, 3 cents a gallon.

KNOX CITY, TEXAS

WHY DO WITHOUT  
A LITTLE LUXURY  
LIKE THIS...  
LET ALONE

THESE BIG CHEVY VIRTUES!

Chevy's the only car of the leading low-priced three that gives you the convenience of crank-operated vent windows. No awkward latches to fumble with... your knuckles and fingernails will appreciate it.

bigger brakes

Bigger, yes, and built with bonded linings for as much as 66% longer life. And how's this for proof that Chevy's a real stopper: in a NASCAR\*-conducted test of repeated stops from highway speeds, Chevrolet outstopped both of the "other two" time after time.

\*National Association for Stock Car Advancement and Research.

award-winning engines

The NASCAR Outstanding Achievement award goes to Chevrolet! Chevy wins for "the creation and continuing development of America's most efficient V-type engines... for the establishment of new levels of V8 compactness combined with outstanding smoothness." And you can choose among eight V8's and the Six that won the Mobilgas Economy Run for its class.

full coil ride

You're the expert on ride, so you'll want to try Chevy's easygoing smoothness for yourself. MOTOR TREND magazine can give you a hint of what you're in for: "... the smoothest, most quiet, softest riding car in its price class." And Full Coil springs, of course, never squeak, never need grease.

fresh styling

POPULAR SCIENCE magazine gave Chevy's styling a thoughtful look, then said it this way: "In its price class, Chevy establishes a new high in daring styling..." You'll find your own happy way of saying that Chevy's the only unmistakably modern car in its class.

greater roominess

Automobile Manufacturers Association records carry the facts on this. In a Chevy sedan, for example, you've got more front seat room than all but one of the high-priced cars! And Chevy's front seat hip room spreads up to 5.9 inches wider than comparable cars.

bigger savings

Here's solid proof that Chevrolet squeezes more miles out of a gallon: In the famous Mobilgas Economy Run, two Chevrolet sixes with Powerglide took the first two places in their class. Winning mileage: 22.38 m.p.g. And that, friends, took top honors for Chevy from every full-sized car!

higher trade-in

N.A.D.A.\* Guide Books prove that your Chevrolet will keep its value. Chevy used car prices last year, for example, averaged up to \$128 higher than comparable models of the other two cars in Chevrolet's field.

\*National Automobile Dealers Association.

**Cardinals--**

(Continued From Front Page)  
comeback exhalted themselves as the 1959 Little League Champions. The Red Sox, who were last year's champs as they defeated the Braves in the playoffs, finished second. The Tigers claimed the third spot, followed by the Braves.

The three-game thriller climaxed the Little League season. The boys played tight aggressive baseball, to the satisfaction of the many fans on hand. The games were certainly a "toss-up", with only one break separating the two teams.

**Just Talk--**

(Continued From Front Page)  
ment in any town or community is not a one man job," Melton pointed out.

"Knox County officials and even the citizens themselves, are what make a job like mine possible. If it were not for all the splendid cooperation I get from these sources our law enforcement would be a different story."

What about the juvenile problem in Knox County? I understand it is up considerably, too, in the rest of the nation.

"Fifty per cent of all crimes in the United States is committed by teenagers in the age group of 16 to 19," Melton continued.

"That is only three per cent of the teenagers in that age group, though."

"In Knox County, my aim is to stop crime before it is committed. When I find a juvenile has committed a crime that isn't too serious, I try talking to them and reasoning with them, and try to get them straightened out. I give them every chance I can. We have had a few cases where they had to be sent off to the reformatory, but I think we have had a pretty good record so far in that respect."

"I don't think the kids are any worse today than they were when we were children. The only difference now is that there are a lot more of them and they can get to town, or go any place too easy and too quick."

"We had some pretty bad juvenile trouble some time ago, but things have been going pretty smoothly some time."

A month ago I was in Benjamin and had a talk with a citizen over there about law enforcement in Knox County. I told him I was trying to gather information to write a story about the sheriff. "Good for you," he said, "there are some folks here that don't quite understand how much the sheriff does for the people in Benjamin."

When asked to elaborate on the subject, he said: "We are too small to have any marshal or night watchman on duty all the time, so the sheriff just takes on that job, too. I have never heard him say anything about his work, but he is the most dedicated sheriff I have ever seen."

"Most of the bad element steers clear of this county, because they have heard of the sheriff. It is his 'being on the ball' all the time that has kept Benjamin clean."

"Another thing, I like the way he handles the kids around here. He goes in for preventive crimes measures. Most lawmen wait 'till a crime is committed and then start to work on it. Homer T. starts to work on them before they are committed, if he can."

This isn't the only person I have had occasion to talk to on the subject of crime and law enforcement, but this is a pretty fair statement for all the people interviewed.

Another question to the sheriff was: "When you bring in someone on a felony offense or bootlegging charge do you get full cooperation through the court?"

"Complete cooperation," he

**Grain Sorghum Tour Is Scheduled Saturday On The John Jones Farm**

Shown above are Don Brown, DeKalb representative, Sam White, seed dealer, and John Jones, farmer, on whose land the variety test plot of DeKalb sorghum is grown. The large sorghum heads shown are F-63.

The farmers and ranchers in the Knox and Haskell county trade area are invited to participate in a Hybrid grain sorghum tour Saturday, August 8.

The tour will begin at 9 a. m. at the Texas Theatre in Knox City where a film about Hybrid grain sorghum will be shown. From there the tour will proceed to various fields of combine grain and forage sorghum. The tour will end at the farm of John Jones, three miles east of Knox City where Mr. Jones planted a test plot of all the varieties of combine sorghum sold by the DeKalb people.

The tour is sponsored by Rufus and Sam White, of Knox City, seed dealers for DeKalb in this area. (Adv.)

I had in mind a former town I lived in some years ago, where a charge for bootlegging cost only a buck and court costs. To run a stop sign cost \$27. It was a standing joke to everyone to say—"Bootleg all you want to, but for gosh sakes don't run the stop sign."

Bootlegging in Knox County comes a little higher. A Knox City man was the last bootlegger charged on the court docket, and he paid a fine of \$150.00 and court costs—a total of \$193.00 for one pint of whiskey.

As Melton pointed out, it is certainly not a one-man show—here, or any place else. If a case that comes to court isn't dealt with rightly and justly—right, in the fact they are guilty, and fairly, in the fact they are given a stiff enough sentence or fine—then it doesn't make much sense in bringing them in, in the first place.

There have been ten sheriffs at Benjamin since the county was organized and settled back in '36. Melton is the 10th sheriff, and he and L. C. (Lewis) Floyd are the only ones living today. Floyd was sheriff from 1943 to 1946.

The sheriff has an impressive array of trophies he has collected through the years. Because of the glass front and poor lighting, it was impossible to get a picture of them.

**IN DALLAS MONDAY**  
Mrs. Sammy Tankersley, and Mrs. Melvin Lowery spent Monday in Dallas.

**Revival Slated At Baptist Church August 9-16**

With Jame B. Rutledge, evangelist, Springlake Baptist Church, Paris, Texas, delivering the gospel messages, revival services will begin Sunday, August 9, and will continue through August 16, at the Knox City First Baptist Church.

Services will be held twice daily, at 10 a. m. and 8 p. m., Rev. Murrell Johns, pastor, announced.

Invitation is extended everyone to attend, and enjoy the "Old Time" Gospel Singing and special music.

**Perfect Attendance Buttons Awarded To Five Lions**

Otto Lawson, Jimmy Lynn, Pete Edge, Paul Fitzgerald, and George Wesley Coats were awarded perfect attendance buttons at the Wednesday noon luncheon session.

President Doyle Graham reported that a total of \$103.75 was netted on the donkey ballgame played here Monday night of last week.

Graham reviewed the director's meeting held Wednesday morning, and told of the new management and new rules to govern the swimming pool for the remainder of the season.

**HERE FROM PLAINVIEW**  
Mrs. Roy Carnes of Plainview, and Mrs. A. C. Sharp Sr., of Spur are visiting their mother, Mrs. Lulu Denton this week.

**RETURNS HOME**  
Mrs. C. W. Stephens has recently returned home from a trip to her daughters, Mrs. Alvin Roberts, in Tullia. While there she attended the Ceta Canyon Camp for two days, and went to Lubbock last Monday for the School of Missions for five days.

**ANNOUNCE BIRTH OF SON**  
Mr. and Mrs. J. C. Warren of Seymour announce the birth of a son, Howard Wayne, July 22, in the Seymour hospital. The youngster weighed 6 lbs., 13 ozs. at birth.

**O'BRIEN ELECTS THREE TEACHERS; SCHOOL CALENDAR IS ANNOUNCED**

The Board of Education of Carney High School of O'Brien, Tuesday night, elected Tommy Robison of Haskell as athletic coach and Mr. and Mrs. B. C. Beard of Levelland as elementary teachers. If the budget will permit, one more teacher will be hired out of local funds, if not, the faculty is complete, Supt. Elvin Mathis said.

Robison graduated from Haskell High School in 1953. He attended North Texas State for the next three years, playing football the first two years. Then he taught at Slidell one year and returned to North Texas, getting his Bachelor of Science degree in 1958. During the last school term Robison coached at Pawnee High School, located between Corpus Christi and San Antonio. While in high school, he was twice voted all-district, once at center and another year at tackle. For three years he caught for the O'Brien baseball team, managed by Sam Johnston. Robison married the former Patricia Lueb of Pawnee on July 17.

Mr. and Mrs. Beard resided near Olton last year. She taught the first grade there. Previous to that, both taught in Hart two years and in Springlake for the same length of time. Mr. Beard is a Baptist minister, having pastored the Hopewell Baptist Church near Olton the last three years.

In other action, the board approved the term schedule. School will start at 9:00 a.m. on Aug. 31; dismiss Nov. 26 and 27 for Thanksgiving; turn out at 2:00 p.m. on Dec. 22 for Christmas and resume classes on Jan. 4; observe March 11 for District VII teachers' meeting at Sweetwater; Easter Holidays on April 15 and 18; with the school term ending May 20, and senior graduation on May 23.

Necessary changes were made in the 1958-1959 budget, and a tentative budget for 1959-1960

was approved. The Lester Humphrey Pest Control Co., was given a contract for treating terraces on the three teacherages.

The faculty as it now stands consists of Elvin Mathis, supt.; Mrs. Lee Haymes, English; Gene Sanders, commercial; Tommy Robison, math, science and coach; B. C. Beard, 5th and 4th; Mrs. Erwin C. King, Jr., fourth and pep squad sponsor; Mrs. S. D. Jones, third; Mrs. B. C. Beard, second; and Mrs. Julia Hamby, first.

**Explorations Are Staked In Knox County**

Three wildcats have been staked in Knox County as follows:

Paragon Corp., No. D-1 H. M. Michels, two miles east of Munday, 990 feet from north and 2310 from east lines of section 31, block 2, D&W survey, to 2150 feet.

Paragon Corp., No. E-1 H. M. Michels, three miles north of Munday, 1120 feet from south and 30 from west lines of section 99, block 2, D&W survey to 2150 feet.

Paragon Corp., No. E-2 H. M. Michels, three miles north of Munday, 330 feet from south and 2310 from west lines of section 99, block 2, D&W survey, to 2150 feet.

**Meeting At Benjamin To 'Air' Hunting, Fishing Regulations**

A public meeting has been slated at 8 p. m., August 18, in the courthouse, Benjamin. Purpose of the meeting is to discuss proposed hunting, fishing and trapping regulation in Knox County.
