

## CLYDE NURSING HOME NEWS

Believe it or not Christmas has officially arrived at the nursing home! This has been an exciting activity-filled week. The halls are lined with holiday decorations put in place by the Cherry Heights Acteen group. They made festive door decorations for many resident doors.

Pay Taylor's Brownie troop changed a plain ordinary lobby into one that sparkles with that special Christmas touch. They gaily decorated our Christmas tree and it lights up our whole

room. Some of you might recall the Ban Bag Toss we had at the Halloween Carnival. You know the clown with the big mouth. Our residents enjoyed it so much we've incorporated it into our activity program. We already have a lively competition going between Minnie Cawley, Callie Gabbert and Leona Baggett. Who will win out? Maybe next week's game will provide the answer to that question.

I always knew our ladies were slightly vain and this week proved it. I have never seen so many ladies with their hair freshly done as I saw today. Everyone wants to look their best during the holidays. (I don't blame them—so do I).

I cannot remember seeing "The Christmas spirit" flow as freely as I've seen it this year. Already many generous people have given our residents fruits and gifts. Thank you for sharing with us.

Please remember our Christmas party for our patients is this Sunday, Dec. 22, at 3:00 p.m. We'd love to have you with us.

**Church Gets Bus, Clyde Helps**

Clyde—Many of you will be pleased to know about the new bus you had a part in purchasing for the Hallock, Minn. Baptist Church. The bus has been delivered.

The following letter was received by the Acteens of the First Baptist Church in Clyde. The girls collected Betty Crocker Coupons for several months, and many of you had a part in this.

The letter reads:  
Dear Friends,

We have our bus now-- a 1970 66 passenger, almost too large for a church but wonderful for the singing group. We got the million coupons finished suddenly. A church in North Dakota had saved up two million but had never written for permission to get a bus, so when they told General Mills they had all these they were refused as the company hadn't enough funds to honor them. Also General Mills quit all big projects for the time being due to inflation they said.

Anyway, their misfortune was our gain as they let us have 130,000 points which is what we needed to get our million. This gave us \$5,000 to purchase the bus.

We don't need any more coupons. We want to thank everyone who helped. I think two thirds of our coupons came because of work the Clyde G.A.'s did, and we want to thank you very much.

**English Foods Christmas Dinner**

CLYDE—Eight seniors, Mrs. Lloyd Huff and special guest, Mr. Ernest Sublett, drove to the ranch home of Lesa Ledbetter on Sunday for their annual English foods Christmas dinner. The senior English IV classes have been enjoying this project for a number of years at school, but the project has been enlarged this season to include traditions of Yule log, Druid's blessing, Minstrels and Merlin's magic. Students also decided to come in costume to represent some character or authors in British history. Such famous personalities as Henry II\* Queen Victoria, Androcles' lion, Liza Doolittle, St. Joan, Mark Anthony, Friars Lawrence and tuck, Wife of Bath and James Boswell attended. Mr. Sublett arrived as Oberon in cape and crown designed for his production of *A Midsummer Night's Dream*.

Foods were festive. A baked peacock, restored to full plumage was the "piece de resistance". Wild duck, baked suckling pig, kidney and steak pies, and fried sweetbreads were taste treats. English muffins and Yorkshire pudding were warm and filling. Bubble and squeak attracted samplers as did the Banbury tarts, caraway seed cake, truffles and flaming plum pudding. Mugs of hot spiced tea wassail added to the happy glow of the occasion.

**CONSERVE AND SAVE**

DISH WASHER SAVER-TIPS

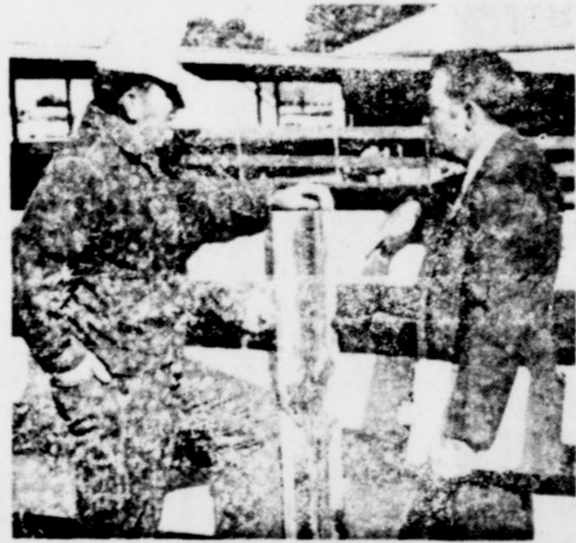

- A dishwasher will usually hold a whole day's dishes. It takes as much hot water and energy to wash 1 dish as it does a full load. Stack your dishes out of sight in your dishwasher and wait until you have a full load to turn it on.
- Use only detergents manufactured specifically for dishwashers. A wetting agent helps prevent water spots on glasses and silverware.
- Clean the filter screen often. A clogged filter can reduce the efficiency of your dishwasher.
