Number 3

Junior Class To Present 'Mama's Baby Boy' Tues.

'Mama's Baby Boy', a three-act farce by Charles George has been chosen by the Junior Class and will be presented here in the school auditorium next Tuesday night at 8:00 o'clock. This screamingly funny play exceeds the speed limit in laughs and ludicrous situations. One laugh piles on top of another until the audience is almost weak from howling. Imagine the great amount of fun that is obtained by having a very attractive widow near-

ing forty, having her eighteen-year-old son dress and pose as a youth of fourteen, so that she might pass as a younger woman and marry a widower, whom she believes to be wealthy. In turn, the widower, trying to appear younger, has his seventeen-year-old daughter pose as a girl of thirteen, so that he might wed the widow, whom he believes to be rich. Neither the widower nor the widow has a cent. This situation leads to no end of amusing complications, when each party tries to keep the knowledge of his losses from the other, also the real ages of their respective offspring. How it is all eventually worked out makes one of the funniest farces of modern times.

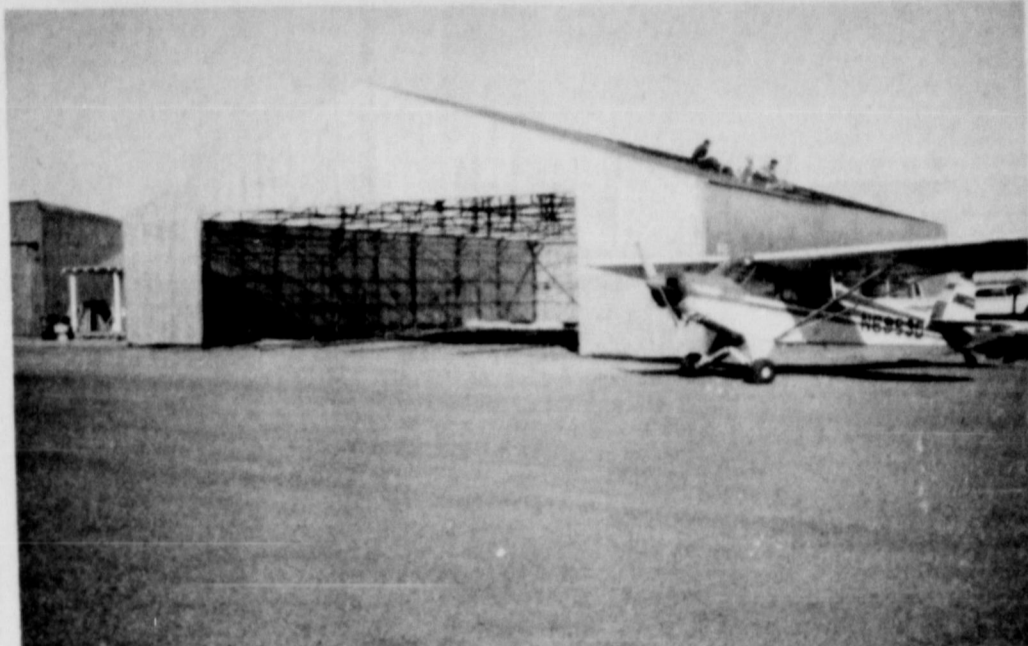

Coming Events

KCHS Band will be in Vernon today (Thursday) for UIL Concert and Sight-reading Contest. The group plans to leave the school at noon and perform at 3:05 p.m. in the Wilbarger Municipal Auditorium. It is hoped that all those who can go to Vernon with the band will do so.

KCHS girls are participating for the first time this year in a track meet at Holliday Saturday, April 26.

Cortez found a thriving cotton trade in Montezuma's Mexico.

The cast includes Gayle Campbell as Mrs. McLean, an attractive woman of forty, looking years younger. She has charm in abundance and is rather light and frivolous; Tommy Guy Waldrip as Shepherd McLean, a clean-cut, good-looking lad of eighteen; Joe Barnard as Luther Long, a tall, handsome man of forty, looking much younger; Connie McKinney as Juliet Long, a small girl of seventeen, very pretty and a typical modern girl of today; Jill Thompson as Mrs. Matil-

ANOTHER NEW ENTERPRISE FOR KNOX CITY — Pat Leroux, owner of the newly-completed airplane hanger located at the Knox City Airport north of town is pictured here with his crew of workmen about two weeks ago. Work began in March and upon completion the hanger will provide space for five or six planes.

Newly Constructed Hangar Sets Off KC'S New Airport

Pat Leroux, professional flying instructor, is the owner of the 60' x 75' all steel airplane hanger currently under construction at the Knox City Airport. Nearing completion, it will soon be available for the storage of five or six airplanes.

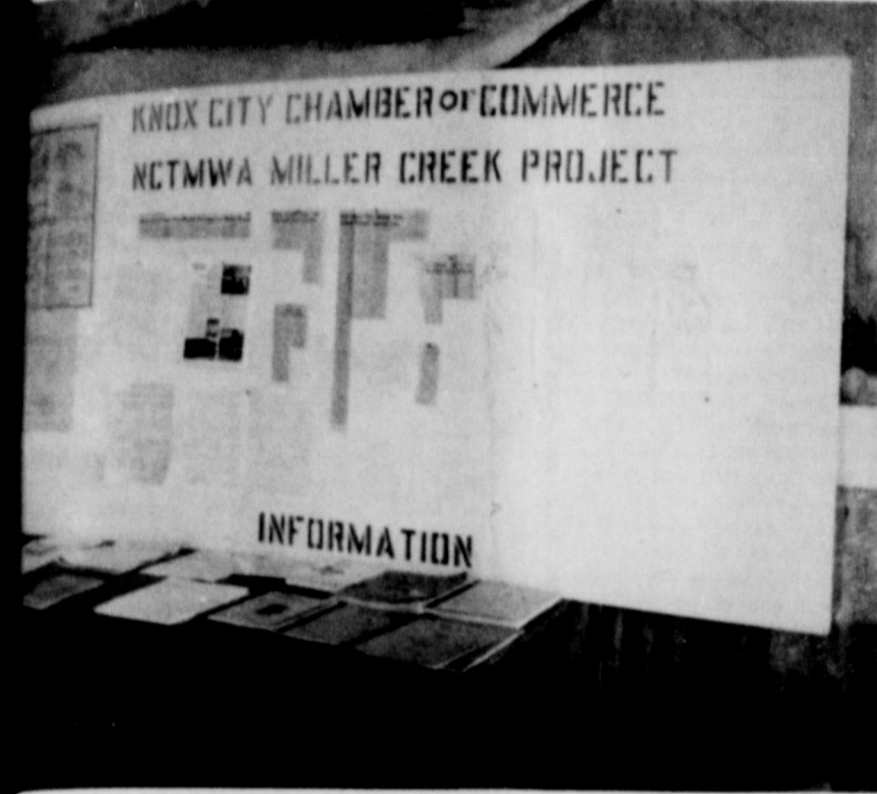

Leroux began construction on the frame work in mid-March and is doing much of the work himself. The building features a maintenance shop and facilities for annual plane inspections, a job for which he is qualified, also.

Upon completion, hanger space may be rented on an overnight or monthly basis, and will also be available to the City of Knox City for any worthwhile need.

Leroux stated that he considered building such a hanger only because of Knox City's new airport and the demands it created for hanger space and maintenance. Since the completion of the airport, the Knox City Flying Club for which Leroux is instructor and mechanic, has become more active and visiting planes are more frequent.

A crop dusting pilot for the past 12 years, he came to Knox City in 1949 and was employed by Roy Taylor in crop dusting operations for Northern Star Seed Farms in O'Brien.

Leroux left Knox City for a time only to return in 1960 with his new wife, the former Orella Garcia. The couple has two children, a daughter, Yvette, age 7, and a son, Bovier, age 5. They live at 1007 East 7th Street.

CHAMBER OF COMMERCE has displayed at City Hall, vital information concerning North Central Municipal Water Authority District and the Miller Creek Project. Have been prepared, answering many questions that area residents may have. Are invited to visit the display.

Local Citizens Now Await Hise Action On NCTMWD

signed by many residents last fall, that the city be in the North Central Water District management results from the creation and Reclamation Committee recently. The Public Health Service Drinking Water Standards as well as The Chemical Analysis of Water put out by the State Department of Health Laboratories state that nitrates are the end product of the aerobic stabilization or organic nitrogen, and as such they occur in polluted waters that have undergone self-purification or aerobic treatment processes. Nitrates also occur in percolat-

ports on actual evaluations of local water samples made by the State Department of Health. The reports indicate that the water in all of the city wells now show a nitrate content well above the safety level recommended by the SDH.

The Public Health Service Drinking Water Standards as well as The Chemical Analysis of Water put out by the State Department of Health Laboratories state that nitrates are the end product of the aerobic stabilization or organic nitrogen, and as such they occur in polluted waters that have undergone self-purification or aerobic treatment processes. Nitrates also occur in percolat-

ing ground waters as a result of excessive application of fertilizer or leaching from cess-pools.

Wastes from chemical fertilizer-producing plants (apart from fertilizers in the field) are also an increasingly important source of nitrate pollution.

If our readers, after looking over the bulletins furnished by the Chamber at City Hall, still have questions concerning the water quality in the Knox City area, the Herald will make every effort to obtain the necessary information. Readers are asked to address their correspondence to this paper.

KC To Sponsor Elementary Track Meet Wednesday

The Knox City Elementary School is sponsoring an elementary track meet for boys and girls in grades one through 6. The meet will be held Wednesday, April 30, at 1 p.m. at the Greyhound football field. The rain date has been set for Thursday, May 1 at 1 p.m. at the Greyhound field.

Schools invited to participate include O'Brien, Rochester, Weimert, and Munday.

There will be separate divisions for boys and girls and

competition will be according to age which will be University Interscholastic League ages, September 1, 1968. The seven age divisions will include 6, 7, 8, 9, 10, 11, 12, and younger contestants may compete against older ones if desired.

Approximately 70 contestants are expected to compete Wednesday, and 640 ribbons will be awarded for the first four places. Ties will be settled by the flip of a coin.

Events for each age division include 50 yard dash, 75 yard dash, and 100 yard dash, open for all contestants; the 600 yard shuttle relay, 6 team members, a boys division and a girls division and each school may enter up to three teams in each division; pullup, the best three boys and the best three girls from each school in each division; and the broad jump, the best three boys and the best three girls from each school in each division.

Each contestant will be required to identify himself by wearing a card pinned to his back bearing his name, age, and school.

*Bulletin

A preliminary meeting of all workers on the Knox County Cancer Drive will be held Thursday (tonight) at 8 p.m. Another meeting for the house to house campaign will be held April 29 at the same above time. Both meetings will be held in the auditorium at the Church of Christ in Munday.

VISITING HERE

Mrs. E. W. Woolly of San Angelo arrived here Sunday afternoon for a visit with her son and his family. Mr. and Mrs. David Woolly, Duane and Mike.

FHA-FFA Awards Presented At Annual Banquet Thursday Eve

A near-capacity crowd in the school cafeteria Thursday evening saw outstanding members of the Knox City Chapters of Future Homemakers of America and Future Farmers of America receive awards for achievements during the past school year at the annual awards banquet.

Randy Hise, chapter president and vice president for the Oilbelt District, served as master of ceremonies, and Johnny Carver, vice president, gave the invocation.

Extending the FHA and FFA welcomes were Mary Reese and Joe Barnard.

Chapter officers conducted the FHA opening ceremony and included Margaret Howell, president; Mary Reese, first vice president; Gayle Campbell, second vice president; Lou Ann McGaughey, third vice president; Connie McKinney, fourth vice president; Linda Martinez, fifth vice president; Eloise Jordan, secretary; Melody King, treasurer; Teresa White, historian; Mary Beth Anderson, parliamentarian; Donna Railsback, typist; and Sue Egenbacher, pianist. Alice Martinez recognized the officers and their parents.

Mrs. Vera Newton, FHA advisor, expressed her appreciation to the FHA girls for their dedicated work this year and also to others who had worked in any way in their behalf. For the first time, members of the FHA chose an individual for honorary membership. Mrs. Vic Thomas was this year's recipient and was chosen for the many things she has done to benefit the FHA work.

Junior Degrees of Achievement were presented Karen Helms, Connie Gentry, Cicris Skiles, Kathi Kent, Carol Speck, Carol King, Rolanda Stubbs, Terri Whitten, Jan Lankford,

"A LOT OF SENTIMENT GOES WITH THIS AWARD" Leon Burkaam, Knox City FFA advisor, left, told the banquet guests as he presented the Chapter Leadership award to Randy Hise, Knox City senior who is chapter president and Oilbelt District vice president. The winner of this award is chosen by FFA members.

Marisela Montalva, Shirley Wright, and Mary Jo Campbell. Chapter Degrees of Achievement went to Mary Beth Anderson and Alice Martinez.

Earlier in the year Jacqueline Crownover was named as the Betty Crocker Homemaker Award recipient. The Crisco Award went to Margaret Howell as the most outstanding homemaker student. Recognized as FHA Girls of the Month were September. See FHA-FFA, Page 2

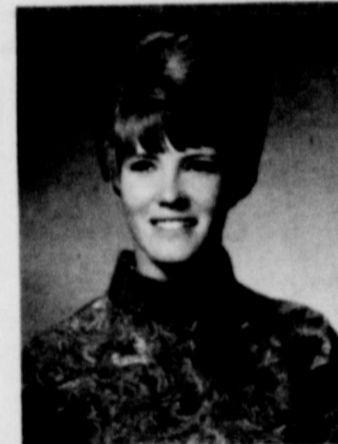

To Honor Couple

Mr. and Mrs. Jack Stubbs recently returned from a trip to the Oil Company Anniversary Dinner held at the Country Club.

Seniors Of The Week With Their Autobiographies

PINKIE WOODWARD

Sandra Louise "Pinkie" Woodward was born in the Knox County Hospital on July 14, 1951 to the proud parents of Mr. and Mrs. "Son" Woodward. She was destined to become a redheaded tomboy, being surrounded by brothers. Her life was kept to a minimum roar, which was better than what her grandparents had predicted. Her high school career, after it had gotten a fair start, became a gypsy movement.

Among her major accomplishments, which started in her freshman year at dear old KCHS, were a member of FTA, FHA, the basketball team, and band. She was honored by Who's Who in English I, Algebra I, and General Science.

Her sophomore year started with her participation again in FTA, basketball, band, and secretary of FFA. Then on October 28, 1966, the first of the gypsy movements began. To Fort Worth. There she was on the National Honor Society, and a member in band. She was honored by being Lake Worth High School March Queen. See Seniors of Week, Page 2

CARLA SHELTON

Carla is the daughter of Mr. and Mrs. Carl Shelton. She was born on December 29, 1950, in Colorado City, Texas. At the age of five, she moved to Knox City where she started school. She also has a little sister who is five years younger than she is.

FTA has been her best interest. She has been in the organization for the past four years. She has been involved in all FTA activities including the district and state conventions her junior and senior years. She has been secretary for the organization for the past two years. Carla was in FHA for three years. She attended the FFA workshop before her junior year and was treasurer her junior year. She has been in the band for the past four years playing a bass clarinet. She attended band contest for the past five years. The first two years of high school she played basketball. She was on the tennis team her freshman year and she was on the volleyball team her sophomore year. When she was a junior, she served as social chairman for the class.

The two people that she admires and respects the most are her parents.

RANDY HISE

Hise Receives DeKalb Award

Randy Hise, son of Mr. and Mrs. W. P. Hise, was recently named winner of the 1969 DeKalb Agricultural Accomplishment Award. The award is presented to outstanding seniors in vocational agriculture departments.

Randy was chosen to receive the award on the basis of scholarship, leadership, and his supervised farming program which consisted of the raising of registered Duroc and Hampshire swine and the feeding of beef. He is the twelfth boy from Knox City to have received the DeKalb Accomplishment Award and his name will be engraved with the other winners on a special honors plaque provided by the sponsor.

A favorite among his classmates, Randy is president of the local FFA chapter and vice-president of the Oilbelt District. He is Senior Class president and president of the National Beta Club as well as having served one year as youth director on the local Chamber of Commerce. He plans to attend Texas Tech next fall.

ATTEND WEDDING

Mr. and Mrs. Lloyd Waldrip were in Abilene Saturday evening to attend the wedding of a former Knox City girl, Charliise Silk.

Donors Given Second Chance

For the benefit of those who were involved elsewhere or ill in January when the Red Cross Bloodmobile was in Knox City, another opportunity to donate blood is made available today (Thursday).

According to Kenneth Crownover chairman of the local Bloodmobile, donors are invited to Munday where the Blood Bank will be set up in the Church of Christ from 12 noon until 6 p.m.

KC Woman's Mother Dies At Haskell

Mrs. Myrtle Kuykendall, 83, mother of Mrs. Juanita Purdom of Knox City, died suddenly at 5:30 a.m., Wednesday, April 16 at the Rice Springs Care Home in Haskell where she had been a patient for the past year. Services were held Friday at 10:00 a.m. in the Vera United Methodist Church. Rev. Charlie Garrett of Floydada and Rev. Aaron Ellison of Haskell officiated. Interment was in the Vera Cemetery with Smith Funeral Home in charge of arrangements.

Born February 28, 1885 at Grapevine, Texas she married James Perry Kuykendall December 7, 1909 in Vera. He died in 1949. Mrs. Kuykendall had been an area resident since 1897. She was a member of the Primitive Baptist Church.

Survivors include two sons, Perry of Ashland, Missouri,

and Van of Goodyear, Arizona; five daughters, Mrs. Purdom, Mrs. Leon Walker of Morenci, Arizona, Mrs. Cora Bell Gardner of Haskell, Mrs. Artis Nelson of Archer City, and Mrs. Margaret Bland of Bedford.

It's About 'Time' Again

Daylight Savings Time will go into effect at 2 a.m. Sunday, April 27.

Experience teaches us that the best time to move the clock forward one hour is before going to bed on Saturday night.

Under the terms of the Uniform Time Act passed in 1966, clocks will remain advanced one hour until the last Sunday in October.

A state may exempt itself from observance of DST only if it exempts the entire state. The only states to have done so are Arizona, Hawaii, and Michigan.

Kathy Verhalen; October, Jill Thompson; November, Genia Gibson; December, Margaret Rodriguez; January, Alice Martinez; February, Stella Reyes; March, Mary Gentry; and April, Carol King.

Gayle Campbell, incoming president was recognized and received a pin. Connie McKinney was also recognized as a participant in the FHA State Chorus. Miss McKinney entertained the banquet guests by teaching them two songs and then having the entire group join in the singing.

Chapter officers conducting the FFA opening ceremony included Randy Hise, president; Johnny Carver, vice president; David Speck, secretary; Lynn Beason, treasurer; Mike Newton, sentinel; Joe Barnard, reporter; and Leon Burkham, advisor. Brent Railsback led the FFA creed, and Bobby Lewis recognized the officers and their parents.

Mr. Burkham called on chapter sweetheart, Gwen Angle to assist in the presentation of awards. FFA Foundation Awards were made to Johnny Carver, Farm Safety; Randy Hise, Public Speaking; Sam Tankersley, Livestock Farming; Don Hawkins, Crop Farming; Bobby Lewis, Agricultural Mechanics; Lynn Beason, Electrification; and Craig Carver, Soil and Water.

Receiving the Star Greenhand Award was Brent Railsback for the outstanding vocational ag student in FFA participation. Brent was also awarded the Chapter Scholarship award for the highest scholastic average for a period of one year.

Henry Rodriguez was named Chapter Star Farmer and was selected on the basis of having been the outstanding chapter farmer in FFA participation.

Randy Hise received the top Chapter Leadership award, a valued honor, selected by members of the chapter.

Receiving Chapter Farmer pins were Craig Carver, Henry Rodriguez, Rogers Lankford, Mike Newton, Bobby Lewis, Steve Lester, Sam Tankersley, Max Spencer, Tommy Collins, and Steve McKaye.

Mr. and Mrs. Ray Escobar were recognized as parents of Lone Star Farmer Charles Escobar, freshman student at Texas Tech who was unable to be present.

W. R. (Bill) Baker, Knox City Schools superintendent, was named as Honorary Chapter Farmer, receiving the award as the individual who had done so much during the past year in the interest of FFA.

The Cities Service Awards, made possible each year by Mr. and Mrs. Joe Roy Smith, were received by Brent Railsback, Outstanding VA I student; Rogers Lankford, Outstanding VA II student; and Randy Hise, Outstanding VA IV student. Randy was also recognized as winner of the DeKalb award.

Mike Newton and Margaret Howell gave the summations on the year's activities, and the FFA closing ceremony concluded the program.

April Showers was the banquet theme, and Homemaking II students decorated the room with pastel umbrellas and mixed spring flowers.

A delicious meal of baked ham, potato salad, pinto beans, combination salad, bread, iced tea, and chocolate cake was served.

Mrs. Newton and Mr. Burkham received gifts of appreciation, FHA Beau, Johnny Lewis received a gift from the FHA girls, and Randy Hise presented Chapter Sweetheart Gwen Angle an FFA jacket.

Tax Man Sam Sez

This is refund time at Internal Revenue Service. A popular question at our Internal Revenue offices is, "Where is My Refund?" The chances are pretty good that it's being processed rapidly by our Internal Revenue Service employees and the computer. The computer generally sends between 900,000 and a million refund checks to taxpayers in our half of Texas. On a good day when the electricity is flowing smoothly through the computer transistors, 15,000 refund checks will be sent out. If everything goes real well the total may go up to 25,000 or more.

Most taxpayers who sent their tax returns in early in January have already spent their refunds. Some few have been notified that their return needs audit, or they have been audited. If you belong to "The 11:59 p.m. April 15, Club" a little patience with the Internal Revenue Service employees and Internal Revenue Service's digitized record keeper is in order.

MRS. VIC THOMAS, left, is recipient of the FHA's first Honorary Membership Award in appreciation for her active interest in the Future Homemakers. Mary Reese is shown as she fastens the pin.

SUPT. W. R. (Bill) BAKER, was named Honorary FFA Chapter member Thursday evening at the awards banquet. Mr. Baker has contributed much toward FFA work the past year. Randy Hise makes the presentation as Johnny Carver looks on.

US Naval Officer Presents Program To KC Lions Club

Knox City Lions were entertained at their regular noon luncheon meeting on Wednesday of last week by Commander M. C. Barker, USNR who showed a very interesting film of the Apollo 8 flight to the moon and the return. Some of the film was made at very close range of the moon with the earth shown in the background. From the moon, the earth looks very much as the full moon does to us here, the members remarked.

Commander Barker is well known in this area as he formerly made regular visits to Knox City in connection with his job as a salesman for a tire company.

At the present, most of his time is spent in recruiting college students for the Naval Aviation Cadet program. Commander Barker is stationed at the US Naval Air Station in Dallas.

The boll weevil causes 90% of insect damage to cotton.

SENIORS OF WEEK

Continued From Page 1

ceived the LWHS Emerald Award in World History and was elected cheerleader for the oncoming year at LWHS. But, alas, once again the gypsy blood stirred and the registration day of her junior year found her in Canyon, Texas. Here she lived peacefully until mid-term and the band-wagon rolled her on up into the panhandle of Oklahoma. She enrolled at Keyes High School and became an active member in band and the Oklahoma Honor Society. She participated in the junior play, and was an usher at the KHS baccalaureate and graduation services. She was also elected head majorette for the "Fighting Pirate Marching Band" and attended twirling camp at the University of Oklahoma in Oklahoma City. But then the gypsy roving became old and she went tearing home to Knox City, Texas. She enrolled at dear old KCHS her senior year and now participates in FFA, the Beta Club, basketball, and band.

She was deeply touched and honored by her old classmates by being runner-up for class favorite, and being chosen friendliest girl, and wittiest girl. She is serving as secretary and reporter for the band. She has made the honor roll for the first two six weeks and, if Mr. Cooksey keeps participating, she hopes to make it for the next four six weeks. Among all her rovinings, she considers "home" her best.

Her future plans include attending college at the University of Texas at Arlington. She hopes to become a laboratory Technician, provided she has finally drained her gypsy type brood, and can be still long enough to become one.

Liquor advertising has been banned on Philippine highways, according to Texas Alcohol Narcotics Education (TANE).

Services Held Tuesday For Mrs. Van Winkle

Agness G. Van Winkle, 72, was found dead by her husband at her home about 6 a.m. Monday.

Dr. Robert G. Howell, M.D. said death was due to natural causes.

Funeral services were held at 2 p.m. Tuesday from First United Methodist Church, with the Rev. B. J. Foster, pastor officiating.

Burial was in Knox City Cemetery with Smith Funeral Home in charge.

Born February 27, 1897 in Dallas, Mrs. Van Winkle married Tom Van Winkle February 29, 1916 in Knox City. The couple came to Knox City in 1960 from Bellington, Tenn. She was a member of the Presbyterian Church. Survivors include a son, N. Nelson, Mrs. C. E. Dell, and Mrs. L. A. Dallas, and two grandchildren.

Pallbearers were Otto Lawson, C. E. Joe M. Clonts, Ed and Tom Campbell.

How Baseball Fans Keep Their Cool

School's almost out and the baseball season is in full swing. Little leaguers use up a lot of energy trying to get their team in the winning position, and in the hot and dusty days of summer their common cry after the game is "What have you got to drink, Mom?" Well, in just a few minutes you can give them a real thirst quencher that will also replace the go-power lost in this morning's workout. Delicious and nutritious as a quick snack or a meal-time beverage and served hot or cold, either soup suggestion will make your young athletes feel like they're batting .1000.

LITTLE LEAGUE SOUP

1 can (10 1/2 ounces) condensed cream of potato soup
1/2 cup milk or light cream
1 cup tomato juice
Blend all ingredients. Serve well chilled or hot. 3 to 4 servings.

HOME RUN SOUP

1 can (11 1/4 ounces) condensed green pea soup
1 soup can milk
1/4 cup light cream
1/2 teaspoon dried mint flakes, crushed
Blend all ingredients. Serve well chilled or hot. 3 to 4 servings.

Bequeathing Your Body

Since time immemorial, men have been making bequests of their money or other worldly possessions. But suddenly, just within the past few years, a new kind of bequest has come into being. Today a person can bequeath not only his wealth but also various parts of his own body. This has become possible because of a series of scientific breakthroughs. Doctors are now able to transplant, from the dead to the living, everything from eyes to kidneys, from skin to bones.

One result of this development has been to focus attention on the

unusual legal problems that are involved.

Offhand it might seem that it should be just as easy, legally, to donate one's body after death as to donate one's blood during life.

But there is a stumbling block. In matters of burial, the law has traditionally given consideration not only to the wishes of the deceased but also to the wishes of his surviving family. And even though the deceased may have wanted to donate all or part of his body, the widow or other relatives might well feel differently about it.

Annual Mother-Daughter Tea Held Here Sunday Afternoon

The annual Girl Scout Mother-Daughter Tea was held Sunday afternoon at The Woman's Club. Debbie Wall played background music on the piano, as guests were served from a table beautifully decorated in a spring motif.

Entertainment was provided for the mothers by the various girls scout troops. The Cadette

special committee has gone to work under the auspices of the National Conference of Commissioners on Uniform State Laws. It is drawing up a model statute, to be recommended for adoption by the various state legislatures.

The committee is seeking to insure, to every person willing to be a donor, that his wishes will be carried out. It is seeking to devise a modern mechanism for a new kind of gift—and to transplant it into the body of the law.

A public service feature of the American Bar Association and the State Bar of Texas. Written by Will Bernard.

Last year, Texas reported 140 tornadoes. The tornado season is here, and knowledge of what to do if a tornado approaches may mean the difference between life and death for you and your family. The basic rules of tornado safety are outlined in a circular published by your Texas Department of Public Safety. For more information, contact your local city or county civil defense director.

Cotton was used in Zuni and Hopi Indian ceremonies in 500 B. C.

troop, its leader Mrs. J. M. Newman, sang songs entitled "Blowin' In the Wind" and "Rose, Rose". The Junior troop presented the skit, "What's On the Moon". Their leaders are Mimes, Clyde Bouldin and Jack Stubbs. Mrs. Guy Robinson and Mrs. Sam E. Clonts, leaders of the Brownie troop had taught their girls to sing the "Brownie Smile Song" and a song entitled "Contest" which they performed for their mothers. Approximately fifty mothers and daughters were greeted by the hostesses Mrs. John Grindstaff Jr., Mrs. Jerry Ray, and Mrs. Jerry Odom.

A tornado watch is used to alert the public to the possibility that tornadoes may develop over a certain area. A tornado warning means that a tornado has actually been sighted in the area or its presence has been detected by radar. When the weather threatens, the Department of Public Safety urges you to keep turned to your radio or television for information. Do not call police, civil defense, or the weather bureau except to report a tornado.

Streams In Desert Places
BY OZELLE STEPHENS

"I will not leave you comfortless: I will come to you." (John 14:18)

The resurrection ministry of Christ should be our constant study in times like these. He showed Himself alive to many by infallible proofs. He taught them things pertaining to the kingdom of God. "And being assembled together with them commanded them that they should not depart from Jerusalem, but wait for the promise of the Father, which saith He, ye have heard of me. For John truly baptized with water, but ye shall be baptized with the Holy Ghost not many days hence." (Acts 1:4,5)

He knew that man must have an experience of grace and deep love of God to be able to stand steadfast and stay faithful to the Kingdom work. So He told them that, "ye shall receive power, after that the Holy Ghost is come upon you; and ye shall be witnesses unto me both in Jerusalem and in Judea and in Samaria, and unto the uttermost parts of the earth." (Acts 1:8)

We must obey Christ's command and receive this power to help us to meet the needs of our fellowman.

IN ABILENE
Mr. and Mrs. Doug Meinzer and Tyke spent Sunday in Abilene visiting their daughter and her family, Mr. and Mrs. Jimmy Skiles and Scotty.

RETURNS HOME
Mrs. Earl Watson returned to her home here Saturday after spending last week in Fort Worth with her son and his wife, Mr. and Mrs. Harold Watson.

KC VISITOR
Former resident O. M. James who now resides in Seaguin was visiting here with friends last Friday.

Friends were glad to learn that the James plan to return to Knox City in about a year following his retirement.

Truscott News

BY RUTH BROWN

Mr. and Mrs. Chester Roberts of Abilene visited Mrs. Idoma Chowning over the weekend.

Visiting in the home of Mrs. Irene Gerold Saturday were Mr. and Mrs. Lester Myers of Crowell and Mr. and Mrs. Elvris Brinkley of Springfield, Colo.

Mr. and Mrs. J. L. Price of Seymour visited Mr. and Mrs. Tommy Tapp over the weekend.

Mr. and Mrs. Bill Owens visited in Vernon Saturday.

Mrs. Sydney Alexander visited her son, Mac Alexander, in the St. Paul Methodist Hospital in Dallas last Friday through Sunday.

Bob Brown of Crowell spent the weekend with his grandparents, Mr. and Mrs. J. R. Brown.

Mrs. J. C. Eubank returned from visiting Mr. and Mrs. Lloyd McLaughlin of Carlsbad, New Mexico and Louis Eubank of Denver City. She also visited D. W. Eubank in Hobbs who brought her home last Monday.

Mrs. Mary Baty of Gilliland visited Mrs. John Bullion Saturday.

Bill Myers went to Stephenville with the Crowell FFA land judging team last week.

Wayne Brown is visiting his parents, Mr. and Mrs. J. R. Brown.

The Truscott Home Demonstration Club served dinner to Lions Club members and their families last Wednesday night.

The weather in Truscott this week has been nice and "springy". A show of .2 of an inch of rain was received Saturday night. Grass and wheat

look good but a tank filler is needed.

Jim Roark of Crowell visited Harold Barry Sunday.

Spring weather caused several persons to try out their fishing abilities last week.

Mrs. John Jones of Seymour visited Mrs. John Bullion last Tuesday.

The water lines are as far as the Crowell-Benjamin highway and should be finished before long.

The Gilliland Home Demonstration Club met in the home of Mrs. Emil Navratil last Wednesday. Miss Trimmer gave a program on diets and calories. Several ladies from Gilliland attended a Tri-County Rally at Goree Tuesday.

Those on the Gilliland A Honor Roll this six weeks are George Anne Abbott, Teddy Dittmore and Scotty Abbott; those on the B Honor Roll are Lynde Reeves, Raymond Dittmore, Marshall Reed, Louis Baty, Robert Dittmore, Trenna Cash, and Randy Reed.

The Gilliland School Board met last Monday. Louis Baty was re-elected president; A. J. Navratil, vice-president; and Sammy Abbott, secretary. The re-election of L. D. Welch and Jim Cash was approved. The board also approved the Region IX Service Center Appropriations.

The Gilliland 4-H Club sponsored a cake walk and domino party at the Gilliland School last Friday. Gilliland candidates for the Knox County Share-the-Fun Festival are Scotty Abbott and Trenna Cash.

PART OF THE GROUP OF THE VERNON CARAVAN

Vernon Boosters Eat Lunch At City Park Here Saturday

Some fourteen cars made up the caravan of Vernon Boosters who were in Knox City Saturday just before lunch to publicize the 24th annual Santa Rosa Roundup to be held there this year beginning April 30 and continuing through May 3.

Orbie Cannedy, president of the world-famous Santa Rosa Palomino Riding Club reported the club was in its 21st year and had just returned last week from a two-day performance at the Astrodome where they received a standing ovation from over 35,000 spectators. The club performs colorful precision drills each night and play a major part in the Grand Entry.

Identification Needed To Buy Ammunition

DALLAS - Hunters and sportsmen need only identify themselves to be able to purchase ammunition under the 1968 Federal gun control law, B. Frank White, Southwest Regional Commissioner of Internal Revenue, said today.

There are no forms to fill out, but a person must show some identification such as a driver's license to indicate he meets the age requirements set forth in the gun law.

The 1968 Gun Control Act limits the sale of ammunition for pistols, revolvers and other handguns to persons 21 years of age and over. Ammunition for rifles and shotguns may be purchased by persons 18 years of age and over.

White said that unlike the restrictions on the sale of firearms, a person can buy ammunition outside his home state. Thus, a hunter on a trip or a sportsman attending a shooting match will have no problem obtaining ammunition.

Draw near to God and he will draw nearer to you.—(James 4:8).

We should be receptive to God's guidance and inspiration when we have a problem to solve, pray to God to be shown how to think and speak in order to arrive at the correct solution. Express confidence in Him, for under God's spiritual guidance we can work out our destiny. He blesses us in everything we do. Our burden is lightened and every cloud is brightened, when we turn to God.

By ALESTINE FLYE

Well I guess I can get some ice for my snow cone stand so my stand will be open the cutest thing that was ever spoken were when little Nadra Kim Rhodes told me the other day that when I got ready for some ice, All I had to do was go to Lubbock and get all I wanted for my stand, so I guess I will go to Lubbock for ice.

The Church of God, Mission ladies held a Staturday night sale, and want to thank everyone who cameby, and trade with us.

The church held Sunday school, no other service for Sunday, we are repairing our church

Mrs. Lura West is in the Knox County hospital and will be thankful for anyone that care to come by to see her, she is the Daughter of Mrs. Willie Brantley

I want to think everybody for the confidence on my artical. The report from over seas, is a wonderful thing, we at home sure, love about you and your write up.

Everyone hates to hear about Mr. Hob Smith being ill, hope he is upsoon. Everyone is praying for him.

Services of the Church of God in Christ

Sunshine Band was held on Sat. evening. Missionary Wilson taught the lesson, Sis. Manuel also helped with the children.

Sunday School had a fair attendance with Supt. Smith in charge. The lesson was good job in their class.

YPWW was held on Sunday evening with a good discussion on the lesson from St John 3rd chapter "Ye Must Be Born Again."

Night servc was conducted by Sis Wilson and Sis. Manuel taught from the 40th Psalms. We were blessed in each service.

We will begin our Church Anniversary April 30, 1969. Everyone is invited.

IQs MISLEADING

Most children who suffer with learning disabilities have an average or above-average IQ, but they usually have poor eye-hand coordination and a poor body image. Help with their physical coordination seems to help with thinking in sequence, a necessary process for learning.

CALL IN YOUR LOCALS

Local Nurses At Lubbock Symposium

Mrs. Emma Watkins and Mrs. Cornie Covey, Knox County Hospital supervisors, accompanied by Mrs. Corinne McKinney and Mrs. Leota Covey, were in Lubbock April 18 and 19 attending a symposium on cardio-vascular nursing. The affair was sponsored by the Methodist Hospital.

While there, the ladies visited West Texas Hospital and viewed the intensive care unit. They reported a very educational and informative trip.

Mrs. Watkins left Lubbock for Melrose, N. M. where she visited her sister-in-law and her husband, Mr. and Mrs. Holt Mosely, former Knox City residents. She returned to Knox City Tuesday.

The Cancer Nobody Talks About

Cancer of the colon and rectum is the most frequent internal cancer among both men and women in the United States.

Nearly three out of four patients might be saved from this cancer with early diagnosis—and proper treatment. Safeguards: an annual "procto", especially for people over 40; knowledge of cancer's warning signals.

Former Residents Win Bowling Honors

The Junior I Bowling League recently completed its bowling season and special awards and trophies were presented to the winners.
Finnice Lee Seitz, 8-year-old, was presented a first place trophy and championship shirt patch along with his team, the Fireballs, for first place. Finnice missed winning the trophy for high three game series by only one pin.
Deanna Seitz, 10-year-old, was presented a trophy and shirt patch for bowling the season's high game of 132. Her team won second place.
Finnice and Deanna are the son and daughter of Mr. and Mrs. Cecil Seitz of Dalhart, formerly of Knox City, and the grandchildren of Mrs. Finnice Walker of Knox City.

Hospital News

Patients dismissed from the Knox County Hospital since April 13, 1969:

L.T. KENNETH ROBERTS HAS COMPLETED THE JET BASIC TRAINING (14A091501) PENSACOLA, FLA. (FHTNC) - Marine Second Lieutenant Kenneth M. Roberts, son of Mr. and Mrs. W. Kenneth Roberts and husband of the former Miss Barbara G. Duke all of Benjamin, Tex., has completed the basic jet training course with Training Squadron Four at Forrest Sherman Field, Naval Air Station, Pensacola, Fla.
He made four arrested carrier landings and four catapult take-offs from the deck of the attack aircraft carrier USS Lexington in the Gulf of Mexico.
Upon completion of his advanced training, he will receive his Navy "Wings of Gold" and his designation as a Naval Aviator.

RATTLESNAKE STEAK, ANYBODY? From left, Craig Brothers, Keith Rowan, Eulalio Garcia, Lynn McAda, and sponsor Rev. W. A. Park display kill. (Herald Photo)

O'Brien RA Boys Kill Huge Rattlers West Of Town Saturday

The RA's of the First Baptist Church in O'Brien were having lunch on their monthly hike last Saturday about six miles west of Knox City when their sponsor, the Rev. W. A. Park, spotted a diamondback rattlesnake who "just happened by", he reported. Mr. Park killed the five foot, three inch reptile with a cedar post.
The boys meet regularly on Wednesday of each week and try to work in a hike once a month, Mr. Park said. They informed the Herald that they have killed snakes before on their outings but this is the largest so far. The huge snake had ten rattlers.

With Every 7 Or 8 Farms Closed Out, 1 Business Goes

The leader of a national organization which promotes agriculture and the rural community has spoken out by endorsing legislation introduced in the Texas Legislature to curb corporate farming. Msgr. John George Weber of Des Moines, Iowa, National Catholic Rural Life Conference Chairman, has issued a statement in support of H. B. 700 introduced by Rep. Charles Jungmichel of La Grange. The Jungmichel bill would make farming and ranching by conglomerate corporations illegal in Texas.
Msgr. Weber says, "Texas lost about four thousand farmers in 1968. With each seven or eight farms closed out, one business establishment on Main Street would also close. An estimate of twelve thousand people involved in this migration would be rather conservative. There are, undoubtedly, many reasons for this migration, the chief of which is the low income the farmer received for his investment, management, labor and risk. If 1968 were an exception to the trend, one might not be too alarmed, but this migration from the country to the city has been going on for years with many evil consequences.

"A new feature is developing in rural America which should alarm every citizen of our country. This new feature is the invasion of agriculture by conglomerate corporations. According to a statement of policy at a recent national seminar on corporation farming, there is evidence that these corporate interests 'are utilizing a number of devices, including vertical integration of food production by conglomerate corporations; purchases of huge blocks of land for hedging and speculative purposes, undermining of farm markets by price manipulation; by-passing of competitive markets; and mutually advantageous agreements with chain stores and food handlers. The manipulation of markets and the movement toward monopoly bodes ill for the consumer as well as for the farmer.'

"The statement concludes: 'If large corporations and non-farm interests become predominant in agriculture, the need for many Main Street businesses, schools and churches and municipal facilities will be eliminated. . . This impact on community life makes the corporation farm invasion a human, as well as an economic problem. It is a problem which demands the concern of all Americans. Some actions recommended were: (1) the enactment of the Metcalf Bill on the national level which would limit the write-off of taxable non-farm income against farm losses; (2) the enactment of H. R. 676 introduced by Congressman Neal Smith, which would place weekly limits on the number of cattle slaughtered by meat packers from their own flocks; (3) enactment of legislation to make credit available to young farmers on a long term, low interest basis; (4) the enactment of legislation to give farmers bargaining power as a countervailing force to the economic power of corporations; (5) the enactment by state legislatures of laws regulating corporation farming.'

The church leader says that the Jungmichel bill will permit family corporations to engage in farming, but will eliminate conglomerate corporations from agriculture. He urges that farmers and rural people contact members of the legislature in support of the bill.

IN SHAVER HOME
Brack Shaver and a college friend, Danny Scott of Mesquite, both students at the University of Texas at Arlington visited in the home of Brack's parents, Mr. and Mrs. Eddie Shaver over the weekend.

Early travelers called cotton the "vegetable lamb."

S. S. Reports Bill Cornett Honored At Texas Tech Rodeo Thurs.

Many people think of social security in such terms as, "Oh, that's some benefit the government gives you if you live long enough," according to Edwin Draughon manager of the Vernon social security office.

To help understand what social security is, Mr. Draughon briefly explained what it isn't. Social security isn't "some benefit the government gives you if you live long enough." It's not charity; it's not welfare. The government doesn't give you any part of your social security benefits and unless some drastic changes are made in the program it never will. The only part the government plays in the social security program is to administer.

Social security is a social insurance system. It's compulsory but aside from this it is based on the same philosophy as other insurance. One pays the equivalent of his premiums, (social security taxes on his wages) as he goes through his working life: his employer matches his payments; and the total is kept in a special trust fund that can only be used for the payment of benefits and operating expenses.

The worker buys four kinds of insurance in paying his social security taxes. These are survivors insurance, disability insurance, retirement benefits, and hospital insurance under Medicare.

Of course the only kind of benefit one ever wishes to receive is retirement benefits but it is necessary in planning one's financial future to be aware of the full value of the other three benefits.

If the worker dies he knows in advance that his wife, minor children, and dependent parents have social security protection. If he becomes totally disabled so that he is unable to work he can count on monthly benefits for himself, his wife, and children. At age 65, Medicare is there to use for his hospital and doctor bills.

"Be sure your wife and family are fully informed on all aspects of your social security program," Mr. Draughon said, adding that one should inquire at the Vernon social security office at 1728 Fannin Street for additional information.

Another honor was bestowed on Bill Cornett the past weekend during the Texas Tech Rodeo. Bill, president of the Texas Tech Rodeo Association, was presented the Dub Parks Award, a beautiful silver buckle to the individual who has contributed most to the association each year.

Dub Parks made great contributions to the club in the form of leadership, honor, and willingness to work. After his life was taken in a tragic automobile accident, it was decided to establish this award as a living memorial to all who follow after him.

Individual club members conduct a secret ballot to select the individual who possesses these qualities and who has contributed his or her time unsparingly to benefit the club. This award is something to be proud of due to the manner of selection. The sentiments attached are of much greater value than the buckle itself.

Dub's mother, Mrs. Hickman, presented the buckle to Bill at Thursday night's performance of the rodeo.

A junior, majoring in agriculture economics, Bill was recently elected business manager of the Texas Tech student association. He also serves as secretary of the Agriculture Economics Club and is a member of the Alpha Beta, agriculture honorary.

During his sophomore year, he was named outstanding sophomore in Agriculture Economics and senator from the School of Agriculture that year. He has been on the Dean's List for five semesters.

He, too, is a member of Sigma Alpha Epsilon, social fraternity of which he was chosen Best All Around, having distinguished himself as an outstanding Tech leader.

Bill and his sister, Gail, who is a freshman student at Tech this year, where both contestants in the rodeo. Their parents are Mr. and Mrs. Clifford Cornett.

Those from Knox City attending the rodeo performances included Mr. and Mrs. Clifford Cornett, Mrs. W. H. Cornett, Mr. and Mrs. White Hudson, Mr. and Mrs. Roy Carver, Mr. and Mrs. Bud Carver, Mr. and Mrs. Charles Lankford, Mandy and Lydia, and Mr. and Mrs. Leon Burkhart, Mike and Gaylynn.

Executive Changes Announced By Lone Star Gas Company

DALLAS - Election of Howard J. Yonkers of Dallas as senior vice president, accounting, for Lone Star Gas Company highlighted a series of executive changes announced today by Louis G. James, Lone Star president.

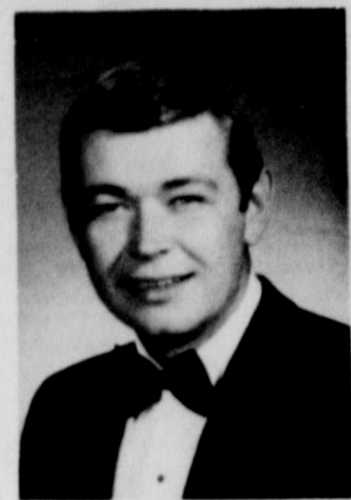

Yonkers, who joined Lone Star in 1930 and was elected comptroller in 1958, subsequently announced the election of Louis W. Brown, former first assistant comptroller, to replace him as comptroller.

C. J. Harrison was elected vice president, exploration and gas supply, and Robert G. Davis was elected corporate secretary and assistant general counsel. Harrison, former assistant vice president, exploration and gas supply, joined the company in 1949. He is a graduate of Southern Methodist University. Davis was senior attorney prior to his election. He is a graduate of St. Mary's University, San Antonio, Texas.

Other elections announced included J. Bryan Sutherland, former vice president, finance, as vice president, finance, and treasurer; J. O. Anselin, former treasurer, as vice president, special services; Tom G. Cross, former corporate secretary, as vice president, ad valorem and special taxes; and Richard B. Williams, former assistant general counsel to the post of associate general counsel.

In addition, Bill Satterwhite, former senior attorney, was appointed assistant general counsel. R. L. Vineyard, former manager, stock transfer, was appointed to the post of assistant secretary.

Liquor advertising has been banned on Philippine highways, according to Texas Alcohol Narcotics Education (TANE).

BILL CORNETT

JANET SUE JACOBS

Miss Jacobs Is Engaged To Cloyce Mitchell

Announcement is made of the approaching marriage of Miss Janet Sue Jacobs to Cloyce Mitchell.

Miss Jacobs is the daughter of Mrs. Mable Jacobs and the late Don Jacobs, Mitchell is the son of Mr. and Mrs. O. R. Mitchell of Munday.

The bride-elect is a Knox City Junior. Mitchell is a 1963 graduate of Munday High School and is now employed at Underwoods in Wichita Falls.

The couple will be married June 15 at 4:00 o'clock in the afternoon at the First Baptist Church in Knox City.

IT PAYS TO ADVERTISE

Visit City-County Library; New Books Added This Year

This week, April 20 through April 26, is National Library Week. We are quite proud of the new City-County Library in Munday, and would like to invite everyone to come in and look around.

During the past year many new books have been added to the library. These books should be of interest to every age; subjects vary from the "Dr. Suess" and "Curious George" books for the very young, to the current best-selling adult novels. There are many history, biographies, science and fiction for youthful readers. Also art, hobbies, manners, farming gardening and many others.

We now have a special section "Reading for the College-Bound Students" which should be of interest to the high school and college age.

We want to thank the people who have donated books and magazines, and encourage others to do so. If you should find a long-forgotten book belonging to the City-County Library and return it within the next two weeks there will be no fines charged on it.

Mrs. Pansy Hines, Librarian.

longing to the City-County Library and return it within the next two weeks there will be no fines charged on it.

Mrs. Pansy Hines, Librarian.

Miss Tanner's Engagement Told

KNOX CITY - Mr. and Mrs. C. D. Tanner of Olton have announced the engagement and forthcoming marriage of their daughter, Miss Ira Janell Tanner and Bill W. Beck. The prospective bridegroom is the son of Mr. and Mrs. Ernest Beck Jr. of Vera.

Miss Tanner is a 1966 graduate of Olton High School, and her fiancé graduated from Seymour High School in 1965. Both are seniors at Texas Technological College in Lubbock. She will be a candidate for a BS degree in home economics education in August, and his major is agriculture economics.

The bride-to-be spent several weeks during February and March in Knox City High School doing her practice teaching under the supervision of Mrs. Vera Newton, homemaking teacher.

The wedding has been set for August 2 at the Valley View Church.

Admissions at the Veterans Administration's 166 hospitals reached 647,000 in FY 1968, 22,000 above the 1967 figure.

RANDOM RAMBLINGS
(and a lot of haomalimali)

By BOBBY ROBINSON

Three thousand to five thousand Islanders hiked or drove up to the National Memorial Cemetery of the Pacific, located in the extinct volcano crater, Punchbowl, final resting place for thousands of American war dead, to attend the annual sunrise services on Easter morning. We didn't go, but understand it was quite impressive.

Remember one particular Easter time in KC during Mrs. Carl Morgan's second grade. One Jane Smith and yours truly had a tearful argument over a prize gold-colored Easter egg which we had both reached for at the same time during a school hour egg hunt. She hasn't said much to me since.

Local sugar workers went back to work a couple of weeks ago and, as a result, have filled the air with "Hawaiian snow". They must burn the sugar cane before harvesting in order to destroy all unnecessary material, and to kill the scorpions, rats, spiders, and any other pests which might be hiding in the deep growth of cane. The ashes falling from the sky are called "snow". It's quite messy to our white uniforms.

City fathers finally decided to have ancient Honolulu Stadium demolished, but not until after the '73 Hula Bowl game. Be willing to bet that the termites have it leveled sooner! The Hawaii Islanders began their baseball season on April 11th with a pretty fair-looking bunch of guys, including playboy Bo Bellinsky. Speaking of playboys, the king of 'em all, Hugh Hefner, was over here recently for a week trying to find a suit-

able site for a super Play-boyclub/Resort.

With Apollo 10 coming up in a few weeks, we are reminded that Hawaii is in a key position for both tracking and recovering the capsule. Moon-circling Apollo 8 splashed down only a thousand miles southwest of here, and the three astronauts were welcomed to Hawaii the next day by hundreds of cheering well-wishers at Hickam Air Force Base. Apollo 9's retro-rockets were supposed to have been visible overhead on the morning of its re-entry, but postponed firing until an hour later - too late for us. A big satellite-rocket tracking station is located on Oahu.

While playing golf the other day, we hit a ball into the rough. So, being accustomed to hitting from the Texas rough, I pulled out an iron to be used in self defense just in case a snake was spotted. Came to find out that there was no need for the club because there are no snakes in Hawaii. Nope, not a single one! Hope we don't get too used to walking in the brush without being careful - might be sorry when we get home and do the same!

L. M. Boyd, in the Honolulu Advertiser, says, "Still haven't located the nation's longest stretch of highway without a curve in it. . . world's longest straight stretch of railroad track is a 297-mile run across Australia's Nullarbor plain." Maybe he should oughta come to Texas! That's pau for now. Aloha. . . .

Mercurization gives cotton more luster and strength.

CARL SHELTON, past president of the Knox City Country Club, is preparing to plant part of the beautification plant material furnished by the Wichita Brazos Soil and Water Conservation District.

Beautification Begins At Knox City Country Club

A beautification project has begun at the Knox City Country Club with the planting of materials furnished by the Wichita Brazos Soil and Water Conservation District.

Ornamental shrubs and hybrid Bermuda grass will be planted and observed. Soil Conservation Service personnel at Knox City will observe and keep records of progress to determine adaptation and benefit of the grass and shrubs.

Miss Coffee Engaged To Sherman Wall

Mr. and Mrs. Horace B. Coffee of Vernon have announced the engagement of their daughter, Linda Sue, to Sherman Dan Wall of Borger. His parents are Mr. and Mrs. L. H. Wall Sr., also of Vernon.

Miss Coffee is a 1965 graduate of Northside High School and will be a candidate for a BA degree from Baylor University in May. She is a member of the Kappa Theta Social Club of Baylor.

Wall was graduated from Northside High School and received his BS degree from Midwestern University. He is a member of Kappa Alpha Order. Wall is a coach and teacher in the Borger School system, and served in these capacities in Knox City High School from 1966 to 1968.

Most cotton knits now have wrinkle-resistant, shape-holding finishes, and are machine-washable. If you prefer to hand wash, remember to squeeze the garment without twisting, and rinse without wringing. After rinsing, blot out excess moisture by rolling the garment in a clean bath towel. Spread it flat on dry towels to dry. Smooth and shape the garment in place. If touchup ironing is needed, use a steam iron.

Farm and Ranch News

By Herman Collier

Most home gardens in Knox County are off to a good start. But insect control may be required sometime during the growing season to keep them healthy and producing at maximum.

All home gardeners should keep in mind that not all insecticides are recommended for home garden use. Therefore, gardeners should learn to identify insects and the chemical which best controls them. Poor insect control may result in the use of the wrong insecticide and perhaps a bigger problem could come from insecticide residues on the treated vegetables.

The Food and Drug Administration has set restrictions on the use of insecticides applied to edible crops. Observance of these restrictions protects the consumer from the harmful residues, explains the county agent.

Information on controlling insects in the home garden and a list of the insecticides which are widely used and generally available are included in L-642, "Control of Insects in the Home Garden." Copies are available at the County Extension Office.

The county agent suggests that gardens be checked frequently for insect infestations, and if they are found, that control measures be applied before the situation gets out-of-hand.

PRODUCING LONGER STAPLE COTTON STILL BEST BET

A kind of dilemma is facing many cotton farmers on the Texas Rolling Plains concerning the growing of longer staple varieties. There has been a rapid movement to the production of longer fibered cottons over the last two years, but prices during the past season have been disappointing to growers. At present, textile mills are more interested in shorter staple cottons because they are cheaper.

A partial answer goes back to last year's market activity. Stocks of longer staple cottons have increased rapidly relative to short staple to short staple cotton hand. Furthermore, last year's wide price spread between short and long staple cotton was an abnormal situation and could not be expected to remain.

In most cases, however, longer staple cotton is still bringing \$15 to \$25 more per bale than short staple cotton. Another encouraging aspect is that cotton breeders are developing longer staple, stormproof varieties which have the yield ability of popular 15/16 inch cottons.

In yield trials in Dawson County the past season, researchers from the Texas A&M University Agricultural Center at Lubbock found that new stormproof cottons with an inch plus staple averaged slightly more in yield than old 15/16-inch staple varieties. Yield was 646 pounds of lint per acre for the longer staple varieties compared to 605 pounds for the short staple varieties.

Longer staple varieties in the trials included Paymaster III, Lockett 4789, Lockett 4789A, Lankart 3840, Lambright X-15-5, Stripper-Cala S and Tamcot 788.

Knox County producers are encouraged to continue to strive to produce high quality cotton. This means cotton with a relatively long, strong fiber that is well matured. Mills with increasingly higher spinning

landowners and operators need many kinds of plant materials, grasses, shrubs and legumes to satisfactorily treat their land. By planting and observing new plant material a better determination can be made as to which species can best be used to solve problems that develop in planning soil and water conservation on farms, ranches and watersheds.

JEAN BURNISON

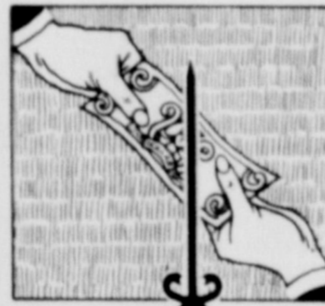

Jean Burnison Is Engaged To Terry Hester

Mr. and Mrs. Keith Burnison are announcing the engagement of their daughter, Cynthia Jean, to Terry Lee Hester, son of Mr. and Mrs. Truett Hester of O'Brien.

Miss Burnison will be a graduate of Munday High School in May. Hester is a 1967 graduate of Carney High School and is attending Cisco Junior College.

The wedding is planned for June.

Cotton goods were prohibited in England in 1712.

WHEN YOU GIVE TO THE AMERICAN CANCER SOCIETY you are making an investment that pays off in the saving of human lives.

4-H Festival Friday Night

Knox County 4-H Clubs will celebrate their annual Share-the-Fun Festival with a talent show and a king and queen contest. It will be held Friday, April 25, at the Munday High School Auditorium. The talent show starts at 8:00 p.m., and each club is to present a talent sketch. Ribbons will be awarded to the winning talent entries.

After the talent show, the Knox County 4-H King and Queen will be crowned. Each club has a king delegate and a queen delegate. They are chosen by a penny a vote. The club collecting the most money will have the winning king and queen. Half of the money collected by each club is kept in the club's treasury and half is turned over to the county 4-H council.

All residents of Knox County are urged to attend the Festival.

County 4-H Clubs To Have Party Thursday, May 1

All 4-H clubs in Knox County will have a party and square dance, Thursday, May 1, 7:30 p.m. at the Rhineland Gym. Mr. Joel Wilson, Public Relations Director for West Texas Utilities, will conduct the square dancing. The party was originally scheduled for St. Pat-

to the land and storage facilities over the state - reduce the expense of operating farms and ranches - create more available wealth for people and the governing bodies of the state.

Money will be made available to universities, individuals, companies or foundations for projects approved by the Evaluation Committee of the state association.
