STREAMS in Desert Places

By Ozelle Stephens

When we draw near unto the Lord we can hear the Spirit say, "Seek ye the Lord while He may be found. Call upon Him while He is near." According to the scriptures the spirit of God will not always strive with man. Sin, unbelief, neglect to be led by the Spirit grieves the heart of God. A life in this state is not at ease but in a miserable condition. Fear fills the heart. Faith has no chance to work. Remember, God feeds the little birds, and how much more mindful of man is He? He wants to take all your fears and uneasiness away. He longs to give you peace of mind and a blessed assurance that all is well, so you can be a blessing every day.

Seek ye the Lord daily by prayer and through His word, and, "He will make you to be as a tree planted by the waters, and that spreadeth out her roots by the river, and shall not see when the heat cometh, but her leaf shall be green; and shall not be careful in the year of drought, neither shall cease from yielding fruit." (Ezekiel 47:12).

The biggest in town!

Five cents worth of electric service... it's the biggest nickel in town... and it buys lots of service... comfort and entertainment. For example, here's what 5¢ worth of electric service can do for your family:

- A penny's worth makes toast for all your family for three meals...
- Another penny swishes clean three tubs of laundry
- A cent's worth of electric service vacuums six large rugs...
- Then there is enough left out of the nickel to furnish refrigeration for the family's food for hours

• AND • Bring you and your family an evening's radio recorded entertainment!

Where else could the average family get so much value for one small nickel... a nickel that's now worth only 52% of its 1939 value, but a nickel that buys 17% more electric service than it did 14 years ago?

Let your local electrical appliance dealer show you how easy it is to put electric servants to work for you.
