

THE KNOX COUNTY HERALD

VOLUME 54

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, MARCH 5, 1959

NUMBER 14

This is our last column for the month and for us, if not for readers, it's a sad day.

Twelve and a half years ago I knew nothing about newspaper business, and even less about writing a column. We'll be the first to admit we haven't learned much—but we've had a lot of fun trying!

Mostly we've tried to keep it on the light side, and give our readers a few laughs... but sometimes we've been serious, and our opinions—which on any subject are usually pretty strong—have had a habit of creeping in.

We hope the column has furnished some enjoyment for our readers... and that you will miss reading it as we will miss writing it.

A newspaper isn't just a business... it's a way of life. And it has been a part of our job to be aware of everything that went on (well, maybe not everything), interested in everything that happened, and curious about things we didn't know.

We've been a part of the community when it had its tornado, its worst flood, longest drought, most disastrous fire, the discovery of oil, the development of irrigation... and all the other things, good and bad, that have happened through the years.

So wherever we go and what ever we do—we feel that we'll always be interested in Knox City, and that it will always be "home" to us.

During the past few months, while The Herald has been on the market, we've been visited by several strangers who were greatly impressed by the modern stores, the fine homes, good churches, schools, the hospital and clinic, prosperous farms, and the other things that make a community attractive. And we've swelled with pride at their praise.

But a town just reflects the people in it, and Knox City is a good town because it is full of Knox Citizens. Twelve and a half years ago we thought the best people in the world lived here... and we still believe that.

We know you are going to like Jimmy and Jenny Hill, the new publishers of The Herald, and that they will like the town, be a part of it, and grow with it.

So with a word of thanks to our advertisers, our subscribers, and all the people who have helped us during our newspaper career, we'll call this THE END

O'Brien to Host Area Track Meet

O'Brien School's Invitational Track meet will be held Saturday, March 14, Supt. Elvin T. Mathis announced last week.

The meet will include about the same schools and same events as last year's, Supt. Mathis said, when all the schools in Knox and Haskell Counties were invited, plus Guthrie, Paducah, Hobbs, Hawley, Bronte, and Lueders.

There will be two divisions with possibly nine events each. Last year's events were pole vault, 50-yard low hurdles, broad jump, high jump, pull-ups, 50-yard dash, 100-yard dash, shot put, and 440-relay. In the high school division last year there was also 880-medley relay composed of 220, 110, 110 and 440.

Details of the meet will be announced next week.

Scouts to Meet Monday Night

There will be a Boy Scout meeting at the Scout Hut Monday night at 7 o'clock, Duck Robinson, Scoutmaster, said Wednesday.

The meeting is for the purpose of registration and organization, and Robinson urged all boys in the eligible age group to attend.

OIL NOTES

Katz Oil Co. No. 1 J. H. Davis is a 2600 foot Knox County wildcat at 4 1/2 miles northwest of Knox City. Location is 5943 feet from east and 330 feet from south end of section 3, J. Mitchell survey. American Petroleum Co. completed a Tannehill well in Davis tract last week. C. Y. Gorman et al plugged 2219 feet the No. 2 J. M. Bradberry, wildcat three miles south of town.

Ready to break open their piggy banks and buy swimming pool bonds from Lions Club president Otto Lawson are Lynne Clarke, daughter of Mr. and Mrs. Charles Clarke, and Jon Smith, son of Rev. and Mrs. Oran D. Smith. Jon, of course, is more interested in the wading pool.

Post Couple New Publishers of Herald

Effective Sunday, March 1, Mr. and Mrs. James E. Hill, formerly of Post, are new owners and publishers of The Knox County Herald. The sale was announced by Mr. and Mrs. J. C. Branch, who have published the newspaper since September, 1946. While this is their first venture

Knox Farm Bureau Membership Drive To Begin Monday

Kick-off Supper for a membership drive of the Knox County Farm Bureau will be held in the Munday grade school lunch room Monday night, March 9, it was announced this week by J. Omar Cure of Munday, president.

Guest speaker will be Austin Crownover, state sales director of the Farm Bureau Insurance Company of Texas.

Other officers of the county organization are:

Mrs. J. Wesley Trainham, of Vera, first vice-president; Wayne Hutchinson of Knox City, second vice-president; Jerry Tomanek of Gilliland, secretary-treasurer; Gene Kissinger of Knox City County Service agent; and Vera Patterson, Munday, office secretary-treasurer.

White Calls Meeting Of Alumni Assn.

Rufus White, president of the Knox City School Alumni Association, has called a meeting of the association for Monday night, March 9.

"Anyone interested in the annual homecoming of Knox City students is urged to attend. And we welcome any suggestions for improvements in the homecoming," the president said.

The meeting will begin at 7:30 in the high school library. A date for the 1959 homecoming will be set.

LECTURES TO BEGIN MONDAY AT LOCAL CHURCH OF CHRIST

Stanley Shipp of Sweetwater, former minister of the Knox City Church of Christ, will be the first speaker in a lecture series beginning at the church Monday night, March 9, Jerome Savage, minister of the church, said this week.

Shipp's subject will be "Individual Preparation for Worship." Speaker for Tuesday night, March 10 will be Eugene Brewer, minister of the Stamford Church of Christ, whose subject will be "Fellowship in Worship."

Ed Kirk, assistant professor of education at Abilene Christian College, will speak Wednesday night on "Attitudes in Worship." Kirk is a former Benjamin school teacher, and preaches for the Benjamin Church of Christ.

"Hindrances in Worship" will be the subject for Owen Aiken of Rule Thursday night. Aiken recently returned from France, where he preached seven years, and plans to return to France in

as publishers, the Hills are "newspaper people." Originally from San Angelo, Hill has been in the printing trade since his high school days and has wide experience on newspapers and in commercial printing shops in West Texas. Purchase of The Herald fulfills a long-standing ambition to publish his own newspaper.

Mrs. Hill and the couple's two children, Linda, 11 and Brice, 7, arrived in Knox City Wednesday. Mr. Hill, who has been production superintendent on the Post Dispatch, expects to arrive the latter part of the week.

Mr. and Mrs. Hill have visited many towns all over Texas during the past three years, in their search for a newspaper. On their first visit to Knox City they decided "this is it," and they are looking forward to becoming a part of the community.

In announcing the sale Mr. and Mrs. Branch expressed their thanks to Herald advertisers and subscribers for their patronage during the past twelve and a half years. "Knox City has been good to us," they said, "and although we have not made any plans for the future, we hope to be able to remain here." The new publishers are young and energetic and we feel that they will give the community the good newspaper that it deserves.

The Branches will be around several weeks to help the new owners get acquainted with Knox City and with the routine of printing The Herald.

Patrol to Check Drivers Licenses

Sgt. Jirek of the State Highway Patrol said this week that sometime in the near future, the Patrol will check drivers licenses and equipment in the Knox City area.

Any violators will be subject to fines of \$1.00 and costs up to \$200, Sgt. Jirek said.

Rex Kyker, head of the speech department at ACC, will speak Friday night, March 13 on "Worship Him in Spirit and Truth." Services will begin at 7 each evening, and Savage invited everyone in the area to hear these outstanding speakers.

SHORT TRIP... BUT EXPENSIVE

"Trying out" his 1959 Thunderbird proved expensive for a Wichita Falls man Monday night.

Starting at the traffic light in Knox City, the car was pursued by officers to Munday, where the driver turned down a one-way street and was caught by Eddie Carr and Joe Massey, Knox City and Munday officers.

Fines of \$200 and costs were levied in Knox City, and the same amount at Munday.

Race Develops For City Council As Deadline Nears

All city officials whose terms are expiring filed this week for re-election, and a race developed for the office of alderman.

Candidates for re-election are Mayor Otis Harbert and Aldermen Otis Cash and Vaughn Gruben. Third candidate in the alderman race is John Hansen.

Harbert and Gruben are completing their first terms in office, and Cash his second.

Holder members of the council are Doyle Graham, Buddy Angle and Dr. C. G. Markward.

Deadline for filing as a candidate in the city election is Saturday. City Secretary Wesley Garrison said. The election will be Tuesday, April 7.

Clonts Files for School Trustee

Sam Emory Clonts filed Wednesday for a place on the school trustee ballot, Supt. E. A. Youngblood announced.

Previously filing for re-election were Lloyd Waldrip and Bobby Burnett. Horace Finley, president of the school board whose term also expired, would not run for re-election.

Claud E. Reed is the only candidate for county trustee, precinct 1, a post held by B. M. Farmer for many years.

The election will be held the first Saturday in April, which is April 4, at the American Legion Hall. Abe M. Watson was appointed by the board as election judge, with C. Bohannon, J. T. Cypert, and Carl Chafin as clerks.

City to Continue Warning System

City Secretary Wesley Garrison said this week that the "tornado season" is approaching and the city will continue the same warning system used last year.

The signal to be used is two blasts of the fire alarm, a pause, then two more blasts. One long blast means that storm conditions have lessened.

The warning does not mean, Garrison said, that a tornado is imminent, rather that Knox City is in an area where the Weather Bureau says tornadoes may occur, and that clouds should be observed.

Knox City and county officers are part of a tornado warning network covering a wide area of West Texas, and when tornado conditions exist the officers keep clouds under observation and are in contact with each other by shortwave radio.

The pressure change warning system at the city hall has nothing to do with imminent tornadoes, Garrison added, but furnishes information for use by the Weather Bureau in making long-range forecasts.

Woman Killed in Car-Truck Crash

A car-truck collision at the intersection of FM 143 and U. S. 82 last Thursday took the life of a 77-year-old Spur woman who had been in Knox City to attend funeral services for her sister, Mrs. Ella Wells.

Killed in the crash was Mrs. W. H. Suddeth. Injured were her niece and nephew, Sam Hill and Miss Mary T. Hill, both of Hubbard. Miss Hill was reported in serious condition at the Knox County Hospital.

The three were traveling in a 1952 Chevrolet driven by Hill. The car entered Highway 82 from FM 143 and crashed into the side of a van-type truck belonging to A. Brandt Co. of Fort Worth. The truck caught fire and burned following the accident.

Rollie Elvington of Fort Worth, driver of the truck, suffered an injured knee.

Investigating the accident were Highway Patrolman George Garrett of Seymour and Knox County Deputy Sheriff H. C. Stone.

Thirteen Enroll in Short Course on Insect Control

Thirteen adults enrolled in the insect control short course which began at the school Monday night.

The course will consist of four training sessions. It is being taught by H. A. Turney, entomologist with the Vocational Agriculture Service with headquarters at Texas A&M College.

Arnold Brown, vocational agriculture teacher, said next Monday night's session would start at 7:30. Others may enroll then he said.

Attending the first session on beneficial insects were B. F. Cornett, Lloyd Waldrip, Clifford Cornett, Harold G. Bankston, John Crownover, C. Bohannon, Howard Word, Charles Reese, Sam Emory Clonts, Samray-White, Bruce Campbell, Jr., Clyde Voss, and George Houston.

Turney shows colored slides and answers any questions after his lecture.

Church Announces Change in Schedule

Due to the lengthy days, the schedule of evening services at the Knox City Foursquare Church have been changed, Rev. Floyd V. Bailey, pastor, said this week.

Sunday evening worship services and Wednesday evening prayer service will begin at 7:30 p. m. instead of at 7:00. The Crusaders, church youth organization, will meet at 6:30 on Sunday evenings.

New Methodist Parsonage to Be Dedicated Here Sunday

Bishop William C. Martin of the Dallas-Fort Worth area will dedicate the new parsonage of the First Methodist Church Sunday.

Rev. Oran D. Smith, pastor, has announced. The dedication will begin at 11 o'clock. Bishop Martin will preach the morning sermon following the dedication.

Construction of the parsonage began in 1955 while Rev. Walter Driver, now of Roscoe, was pastor. Rev. Driver did much of the actual labor on the house.

Valued at \$18,000, the parsonage contains 2,000 square feet of floor space, plus the carport and storage. It has three bedrooms, each 16x12, a 24x14 living room, and is carpeted throughout.

At noon Sunday, a basket lunch will be served at the church.

District Superintendent Marshall Rhee of Stamford will accompany Bishop Martin to Knox City. The two will also dedi-

Lions Start Bond Sales Campaign

Sale of bonds for construction of a swimming pool officially began at the Wednesday noon meeting of the Knox City Lions Club.

The bonds—in denominations of \$10 and \$100 are issued by the Lions Club, which was recently incorporated as a non-profit organization. Bonds are payable in ten years and earn four percent interest annually.

Otto Lawson, club president, said the order in which the bonds will be redeemed will be

MINISTER GETS FIRST POOL BOND

The Rev. John W. Price, pastor of the First Methodist Church of Chillicothe, purchased the first bond for construction of a swimming pool here when bond sales were launched at the Lions Club Wednesday.

Mr. Price, former pastor of the Knox City Methodist and secretary of the Lions Club, was visiting the club with a group of Chillicothe Lions.

After the meeting, the minister gave the bond to the Youth Department of the Methodist Church.

County Taxes 92% Collected

John A. Smith, Knox County Tax Assessor-Collector, said Wednesday that about 92% of the county taxes had been collected. Total county taxes are \$134,420.33. Current collections are \$124,776.59 and discounts allowed in October, November, and December were \$3,063.55.

A 3% penalty is imposed on taxes paid in March. The penalty increases throughout the year.

Smith said the county has collected \$48,586.95 in state taxes since July, 1958 and through January 31, 1959. The total included poll taxes, ad valorem, delinquents, penalty, insolvent lists interest, etc.

He reminded Knox Countians that deadline for car registration is April 1. He plans to be in each community in the county the week of March 16 to register cars.

"Please bring your 1958 Registration Receipt and Certificate of Title when you come to register," he said.

determined by a drawing—thus the last bond sold could be the first redeemed. The club plans to redeem the bonds with funds raised by special activities, Lawson said.

C. E. Williams is head of the bonds sales committee, which includes Paul Hoge, Roy Smith, Jeff Graham, Otis Harbert, Jack Fisher, Bill Sams, P. C. Spenny, Truman White, W. P. White, Jack Barker, R. P. Barnard, S. N. Reed, Claude Reed, Joe Roy Smith, Gerald Averitt, Hob Smith, Pete Edge, John Robin and Alton Fitzgerald.

The club's swimming pool committee, headed by Bill Sams, and the board of directors met Friday night with a Lubbock contractor to discuss plans and costs of the pool. Plans call for a pool slightly more than 82 feet long, 30 feet wide at the deep end and 50 feet wide at the shallow end. There will also be a separate wading pool for tots.

The committee also met with the city council Monday night, and the council tentatively agreed—pending approval of the city attorney—to furnish filtered water to the pool at a minimum charge. The filter plant will be designed so the pool has to be refilled only once a year.

The city will also furnish the site for the pool in the city park. The complete installation, pool dressing rooms, concession stand, etc., will require a space 100x180 feet in the southeast corner of the park.

The Lions will contract the pool proper, but plan to use volunteer labor for the dressing rooms and other concrete work.

Lawson urged everyone in the area to see a member of the sales committee and buy as many bonds as possible. "Remember, it isn't a gift, it's an investment," he said. "Besides paying interest on your money, it is an investment in the health of Knox City and surrounding communities."

"A swimming pool has been talked several years," he added. "Now it is going to be built, but it will take the wholehearted cooperation of everyone in the community."

Christian Church Announces Special Pre-Easter Plans

The First Christian Church is beginning the final phase of its Pre-Easter program. Since the first of January, data has been gathered by a community census and plans have been made for the observance of Easter.

Beginning this week the Evangelism Committee is directing an evangelistic emphasis.

The minister, John C. Waddell, begins his "Pastor's Class of Instruction" for the older children and youth on Saturday morning. This class is to help prepare any of the children and youth for membership in the Church.

The highlight of the entire Pre-Easter Schedule is the annual Holy Week of Preaching which will be done by the minister. The theme for this year's Holy Week Preaching series will be "Prayer and Religion." The preaching series will begin on Palm Sunday night when Mr. Waddell will preach on "The Prayer Life of Jesus." Themes for subsequent evenings will be "Prayer and Family Life," "Prayer and Guilt," "Prayer and New Inner Strength," "Prayer and the Lord's Supper," "Prayer and Universal Concerns." These are questions that deal with the vital aspect of living.

A recent survey among many average Church goers dealt with sermon topics they would like to hear. Among the most frequently mentioned was "How To Make Prayer More Effective." With this in mind Mr. Waddell chose the theme being used for this year's Holy Week Series.

The Holy Week Series will begin each evening at 7:30, Sunday through Friday March 22 through March 27. The Thursday evening service will include the annual Thursday Maudy Communion Service.

The First Christian Church extends a deep and personal invitation to all who would make Easter more meaningful and significant, the minister said.

Benjamin to Elect Mayor, Aldermen

A mayor and two aldermen will be elected at Benjamin the first Tuesday in April which is April 7, City Secretary W. M. Hertel said this week.

The terms of Mayor Jack Barker and Aldermen Aubry (Pete) Barnett and Collins Moorehouse expire. Hertel said Wednesday that no one has filed, and that Mayor Barker says he is not a candidate for re-election.

Deadline for filing is Saturday March 7, thirty days before the election as state law requires. Holdover aldermen are W. T. Cartwright, W. H. Dodd, and J. A. Kilgore.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Texas — 56th Legislature is moving like a snowplow — with the snow still falling and the snowballs flying.

Taxing and spending committees are pushing doggedly through their hearing schedules. But new bills are still swirling into their path, and in whatever direction they move, they're constantly pelted with objections.

With the 120-day session nearing halfway point, each passing day increases the possibility that they'll come to the May 12 quitting deadline "snowed under."

OVERHAUL PLAN — Rep. Frates Seeligson is pushing his take-some, add-some tax plan as a long-needed updating of Texas' tax structure.

Seeligson (of San Antonio) told the House Revenue and Taxation Committee that many taxes still on the books (such as those on clock peddlers, waxworks, medicine shows, etc.) are no longer useful. Others, such as the chain store tax, he called inequitable.

Seeligson's bill would repeal some 38 such taxes and increase levies in other areas—auto sales, cigarettes, liquor, beer, corporation franchises. His plan also would include two ideas backed by Gov. Price Daniel—to take over abandoned property for the state and to make a bookkeeping transfer of \$18,000,000.

But unlike the governor, Seeligson is frankly pulling for a general sales tax.

Other new tax ideas are to increase the levy on beer from \$4.30 to \$10 a barrel, by Rep. Leon Thurman of Anson.

Rep. W. T. Oliver of Port Arthur has introduced a five per cent gross receipts tax on hotels, motels, rooming house rentals and airline passenger business. Oliver also proposed a five-cent-a-gallon tax on soft drink syrups and a three per cent levy on

pop sales.

GALS AT IT AGAIN — That hardy repeater from many past sessions, the women's equal rights amendment, is back again. Sen. George Parkhouse of Dallas is sponsor of the proposed constitutional amendment which would remove legal restrictions on women.

Representatives of the Federated Business and Professional Women told the Senate Committee that some Texas laws classify women with "infants, imbeciles and lunatics." They pointed to the statute that prevents a married woman's selling, without her husband's permission, property she acquired on her own hook.

As usual, no one opposed the women. But the proposal was packed off to the attorney general for a "full appraisal of what it would have."

OF CHURCH AND STATE — Religion and politics got mixed — with explosive results — when four legislators announced they'd heard atheism was being taught in the state colleges.

A bill to require all faculty members in state schools to take an oath they believed in a supreme being was introduced by the four. They are Reps. Bill Holloway of Grand Saline, Joe Chapman of Sulphur Springs, Ben Lewis of Dallas and W. T. Dungan of McKinney.

College officials and university pastors joined in calling the charge "ridiculous." Several University of Texas spokesmen, both educators and ministers, said they had never known a time when there was more sincere interest in religion among both faculty and students than at present.

WHY VACCINATE? — Sen. Floyd Bradshaw of Weatherford and the medical profession are

at odds as to the value of small-pox vaccinations.

Sen. Bradshaw refused to send his four children to Austin schools, which require vaccinations, and is teaching them himself in his office. He also introduced a bill which would prohibit local school boards from requiring that children be vaccinated before they can attend school. Quoting from a 34-year-old medical article, Bradshaw told the Senate Public Health Committee, "the bedbug is the sole conveyor of smallpox."

But medical spokesmen credited vaccinations with eliminating the scourge that once killed thousands every year. Dr. J. M. Coleman of Austin told the committee that allowing children to come to school unvaccinated had the same "potential for destruction" as allowing them to bring "pistols and switchblade knives."

FOUR ALARM HEARING — Committee discussion of bills on city firemen's and policemen's hours brought more spectators than a first class fire.

City officials and the firemen's and policemen's associations are in a head-on clash over the old issue.

A bill by Rep. Robert Johnson of Dallas would set maximum hours, increase overtime pay for fire and police work in cities 10,000. A rival bill by Rep. Ben Sudderth of Brownwood would give the cities control over these matters.

City officials declare the peo-

ple who have to foot the bill ought to be able to make the decisions. Spokesmen for the associations said, in effect, that they have to come to the legislature because they can't get any help from their cities.

HOW MUCH CREAM? — Milk producers and milk sellers are

squabbling as to whether the law should require that milk be labeled as to butterfat content.

House Health Committee sent the labeling bill to a sub-panel.

Retailers opposed the bill, said the procedure would be costly. They said, too, that there would be no competition to provide richer milk which a calorie-conscious public wouldn't want. Present law requires 3.25 per cent butterfat content for whole milk.

Producers said they thought the public ought to know what they're buying.

SHORT SNORTS—Texas Capitol grounds of the 1980's will extend almost to the University of Texas campus, if plans materialize. A proposed master plan, unveiled by Governor Daniel and the State Building Commission, aims at continuing present expansion northward by four blocks and in a four-block-wide strip. National Safety Council sent congratulations to Governor Daniel for Texas' eight per cent drop in traffic deaths for 1958. Latest reports show 2,336 killed last year as compared to 2,539 the year before.

ANNOUNCE BIRTH OF SON

Mr. and Mrs. Jay Foster Corley of Shreveport, La. have proudly announced the arrival of a son.

The boy was born Friday, Feb. 14. He weighed six pounds, 9 1/2 ounces and has been named Jay Forrest.

Mrs. Corley is the former Faye Reeves, daughter of Mr. and Mrs. F. D. Reeves of Knox City. Mr. and Mrs. Thead Corley of Rochester are paternal grand parents.

Marine Corps Seeks Women Recruits

Young ladies who dream of being well-groomed, poised and confident can get the answer to their dreams from Sgt. Moore, Marine recruiter for this area.

As the sergeant put it, "Most of us have our own private misgivings about ourselves. We wonder if we are attractive . . . if people like us . . . if we make a good appearance; all of this wondering is something which we are all concerned."

As a Woman Marine, a young lady can develop the kind of poise and self-confidence she didn't dream possible.

Sergeant Moore stated, "The Marine Corps is no 'Charm School' by any means, but there are many opportunities for young women, particularly those who will be graduated from high school this summer. 'Here', he

said, "Is the opportunity for a girl to meet new friends, see new places, learn new things and equip herself to meet everyday social and economic problems. In general, when a young lady becomes a Woman Marine she steps into an entirely new life."

The sergeant is in Seymour the third Thursday of each month from 12 'til 4 p. m. and will be glad to discuss the Marine Corps program with any young woman who are interested. He urges that they bring their parents along to talk about this opportunity.

CANCER KILLS!

One man, woman or child every two minutes in the United States

You can fight back

You are urged to see your doctor at least once a year for a thorough checkup — even when you feel fine. Your doctor can detect cancer in its "silent" stage — when chances of cure are highest.

What can be done?

Plenty! Thousands of cancer victims could be saved each year. Today, one third of those with cancer are being saved. But — one half could be saved through earlier diagnosis and better treatment.

How

By the approved methods of radiation and surgery. No paste, pill, potion or lotion can cure cancer. And, we ask that you beware of "wonder" cures. They can be deadlier than the disease.

BE ALERT to the Seven Danger Signals:

- Unusual bleeding or discharge
- A lump or thickening in the breast or elsewhere
- A sore that does not heal
- Any persistent change in normal bowel habits
- Persistent hoarseness or cough
- Persistent indigestion or difficulty in swallowing
- Change in a wart or mole

If any of these symptoms appear, it may or may not mean Cancer, but don't take any chances. See your doctor at once.

Mrs. Salvoni Feted By Church Group

Mrs. Fausto Salvoni of Milan, Italy was entertained by the Ladies Bible Class of the Church of Christ Wednesday at a luncheon in the home of Mrs. Allen Hester.

Preceding the luncheon, Mrs. Salvoni was presented a money corsage containing a gift of \$100. Following the luncheon, individual gifts were presented by the members of the class to Mrs. Salvoni, her son, Mark, 4, and her daughter, Danella, 1½.

Out of town guests included Mrs. Harold Paden of Munday whose husband was formerly a missionary to Italy; Mrs. Owen Akin of Rule, whose husband was a missionary to France; Mrs. Payne Haddock, whose husband is presently a missionary in Sweden now visiting in the States; and Mrs. C. V. Hackney of Munday, mother of Mrs. Hester. Thirty members of the class attended.

The Salvonis are missionaries in Italy, supported by the local Church of Christ. They are here for an extended visit in the States. Mr. Salvoni is presently on a tour of the West Coast.

ATTEND LECTURES AT ACC

Mrs. T. J. Dearing, Mrs. B. L. Leaverton, and Mr. and Mrs. Ottis Cash were in Abilene last Wednesday night to attend the Abilene Christian College lectures in Sewell Hall. Following the lectures, the group remained for a band concert by the college band. Joe Lynn Cash, son of Mr. and Mrs. Cash, plays the saxophone in the band.

Mrs. Jim Rea, Sr. and Mrs. Jim Rea, Jr. and Pam were in Abilene Monday.

Knox Garden Club To Study Birds

The March meeting of the Knox City Garden Club will be held at the home of Mrs. Donald Tankersley Wednesday, March 11, beginning at 2:30 p. m.

A study of birds will be the program with the theme "The kiss of the sun for pardon, The song of the birds for mirth, One is nearer God's heart in a garden, Than anywhere else on earth."

Assisting Mrs. Tankersley with hostess duties will be Mrs. Horace Finley and Mrs. T. S. Edwards. Roll call will be answered with horticulture exhibits.

At the suggestion of Mrs. George Houston, an officer of the club, members of the City Council Wednesday signed an ordinance designating Knox City a Bird Sanctuary.

The ordinance reads: "BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF KNOX CITY IN COUNCIL ASSEMBLED:

"That the entire area embraced within the corporate limits of the city of Knox City be, and the same is hereby designated as, a Bird Sanctuary.

"That it shall be unlawful to trap, shoot or attempt to shoot or molest in any manner any bird or wild fowl or to rob bird nests or wild fowl nests. Provided, however, if starlings or birds are found to be congregating in such numbers in a particular locality that they constitute a nuisance or a menace to health or property in the opinion of the proper health authorities of the city of Knox City, then in such event said health authorities shall meet with the representatives of the Audubon Society, Bird Club Garden Club or Humane Society, or any of said clubs as are found to exist in the city of Knox City, after having given at least three days actual notice of the time and place of said meeting to the representatives of said clubs.

"If as a result of said meeting no satisfactory alternative is found to abate such nuisance, then said birds may be destroyed in such numbers and in such manner as is deemed advisable by said health authorities under the supervision of the Chief of Police of the city of Knox City.

"Anyone violating the provisions of this Ordinance shall be punishable by a fine of not less than \$1.00 nor more than \$100.00.

"This Ordinance shall take effect immediately upon its adoption."

The ordinance was signed by Otis Harbert, mayor, and councilmen Vaughn Gruben, Ottis Cash, and Doyle Graham.

Mrs. Kenneth P. Walters and Miss Exa Faye Hutton of Pampa spent the week end here with Mrs. Walters' mother, Mrs. B. L. Leaverton, and Miss Hutton's sister, Mrs. Ottis Cash, and family.

Mr. and Mrs. Tom Hampton and son, Tom Lauren, and a friend, Thomas Cotton, all of Dallas were week end guests in the home of Dr. and Mrs. T. S. Edwards.

Hertel-Hamilton Vows Exchanged

Miss Sonja Hertel became the bride of Daniel Hamilton in the Church of the Nazarene Jan. 31, 1959.

The bride is the daughter of Mr. and Mrs. Johnny Hertel of Fillmore, Okla., and the granddaughter of Mrs. Ida Hertel of Benjamin. The bridegroom is the son of Mr. and Mrs. Bill Hamilton of Caddo, Okla.

The Rev. Emmett Boydston, pastor of the Baptist Church in Caddo, officiated.

Mrs. Kattie Boydston sang "I Love You Truly, and The Lord's Prayer." She was accompanied at the piano by Mrs. Joy Ragan of Fillmore.

Given in marriage by her father, the bride wore a floor-length dress of white satin, styled with a fitted bodice inlaid with rhinestones and lace daisies. The skirt fell into a chapel length train. She carried a white Bible topped with white carnations.

Miss Simone Hertel, sister of the bride, and Miss Ethel Moore, were maid of honor and bridesmaid. They wore matching dresses of blue silk, princess styled with jackets. Each carried a bouquet of pink carnations.

Jim Bayles was groomsmen. Ushers were Lester Bailes of Fillmore and Troy Reed of Seminole. Immediately following the ceremony, the bride's parents hosted a reception supper. The table was lace laid and decorated with the three tiered wedding cake.

Mrs. Hamilton is a 1958 graduate of Milburn High School and was a freshman student in Southeastern State College of Durant, Okla.

The bridegroom, a 1955 graduate of Caddo High School, was a junior student at the University of Oklahoma.

They will continue their studies in Fort Worth where they will be at home at 1904 South Henderson.

Shower Honors Mrs. Middlebrook

A post-nuptial shower honoring Mrs. J. F. Middlebrook, the former Miss Patsy Guinn of Munday, was held recently at The Woman's Club in Knox City.

Guests were greeted by Miss Mary Lou Booe of Munday, and presented to the receiving line composed of the honoree, her mother, Mrs. L. C. Guinn, Sr., of Munday, the bridegroom's mother, Mrs. F. J. Middlebrook of O'Brien, and the bridegroom's grandmother, Mrs. Jim Tankersley of Knox City.

Munday school mates of the bride presided at the refreshment table and displayed gifts. The table was lace-laid over white satin and centered with a huge red and white heart. Heart shaped cakes, inscribed Patsy and J. F., and red punch were served. Sixty guests registered. Gift from the hostesses was a set of cooking ware.

Mr. and Mrs. Carl Shelton and daughters, Carla and Sheri, spent the week end in Colorado City with her parents.

Study Clubs Have Texas Day Program

Members of the Knox City Study Club were guests of the annual Texas Day program. Included on the program was a film, "Much Ado About Something," presented by the American Cancer Society. Miss Edna Killan of Wichita Falls brought the film.

Mrs. Charles Reed and some of her seventh grade students presented a program on Texas. Jinx Reeder was commentator. Don Reeves described the Texas Flag and Kay Collins gave a reading, "I'm Going Down to Texas."

Fay Sharp presented a poem and Mark Anderson told some tall tales of Texas. Wanda Minicy and Martha Kay Waldrip joined the group as they sang Texas Bluebonnets and Texas Our Texas.

Hostesses for the afternoon were Mmes. David Counts, W. L. Collins, Curtis Hines and Ted Darland. Delicious refreshments of coffee and flower garden cake were served as the guests arrived.

Two new members were voted into the club. They are Mrs. Bill Sladek and Mrs. John Robinson.

The next meeting of the clubs will also be a joint meeting with the Knox City group as hostesses. It will be a fine arts program presented by Rev. and Mrs. Oran Smith on March 17.

Floyds to Observe Fiftieth Anniversary With Open House

Mr. and Mrs. L. C. Floyd of Knox City will observe their 50th wedding anniversary Sunday, March 15, when open house will be held at the home of their daughter, Mrs. H. B. Stubblefield in Munday.

Friends and relatives of the family are invited to the open house. Calling hours will be from 2 to 5 p. m.

Granddaughters of the couple will assist with hostess duties.

Ladies Auxiliary Meets at Munday

Ladies Auxiliary to Barracks 1025, Veterans of World War I met in regular session March 1 at Munday, with Mrs. R. M. Almarode, president, presiding.

Following the business meeting, coffee and cake were served to the auxiliary and barracks members.

The next meeting will be April 5 at 3 p. m. at the Knox City Legion Hall.

Mr. and Mrs. Eddie Carr and Candy spent Monday in Abilene.

Ed Kirk Named Assistant Professor At Abilene Christian

ABILENE, March 3.—Ed Kirk, formerly of Benjamin and teacher at the Abilene Christian College Campus School for four years, will become an assistant professor of education on the Abilene Christian College faculty.

Kirk has taught a course in psychology for the Department of Education for two semesters and is being moved into the department on a full-time basis because of expanding enrollment at ACC.

Director of the Campus School, Ted Pitts, said an announcement will be made soon concerning Kirk's successor.

Kirk taught school for eight years at his home town of Benjamin before joining the Campus School staff. At Benjamin he coached basketball and football for three years.

As basketball coach for the Abilene Christian High School team, Kirk guided his cagers to an outstanding season this year with 36 victories and only seven defeats.

Kirk received his Bachelor of Science degree from ACC in 1945 and his M. S. degree from ACC in 1957, both in secondary education.

His wife is the former Yuneva Bass, and they have two children, Ollie 11 and Sandra 10, both students at the Campus School.

Students Entertain Lions Club Members

Students from the Knox City school presented the program at the Lions Club Wednesday in observance of Public Schools Week.

Supt. E. A. Youngblood introduced Renella Watson, senior declaimer, and the eighth grade chorus.

The chorus, which is directed by Mrs. Curtis Casey, will entertain teachers at an English luncheon in Wichita Falls Friday in connection with the district TSTA meeting.

The Lions Club meeting was also livened by visits from two candidates for district governor. Meeting by accident were L. R. Lapham, candidate from the Cactus Lions Club, Abilene, and Ben K. Lawson, candidate of the Chillicothe Club.

Lapham was accompanied by J. D. Perry and Joe Williamson, both of Abilene, and candidate Lawson was accompanied by J. C. McClesky, Chillicothe school superintendent, and Rev. John W. Price, pastor of the Chillicothe Methodist Church. Rev. Price is a former pastor of the Knox City Methodist Church.

School Lunchroom Menus Announced

Menus at the Knox City School lunchroom for the week beginning March 9 will be as follows: Mon: Macaroni and cheese, mixed greens, buttered carrots, celery sticks, sliced bread and butter, cherry cobbler, milk.

Tues: Chicken pie, tossed salad, cheese strip, sliced bread, butter, ice cream, milk.

Wed: Tuna salad sandwiches, potato chips, pinto beans, cake

squares, milk. Thurs: Steak and gravy, creamed potatoes, tossed salad, sliced bread, butter, jello with fruit, milk. Fri: Barbecued Vienna sausage, English peas, tossed salad, rolls and butter, apple butter, milk.

Mr. and Mrs. H. D. Hediger and daughters, Sue Linda and Debbie, and Mrs. D. V. Hutcheson and Randy of San Antonio spent the week end here with their parents, Mr. and Mrs. L. C. Floyd.

Uncle Ben from Benjamin says:

DEAR MISTER EDITOR:

The weather has been sorter bad out our way lately and I ain't got out much to find out what's going on. The wood in the shed is gitting low and my old lady's been looking at me, the woodshed, and the axe all in the same look. If things keep gitting worse I reckon I'll have to chop a few planks off'n the porch.

My old lady don't give no credit for it, but when I'm setting around I'm thinking mighty hard. Fer instant, I been thinking the last day or two that one of the great troubles with man is him being so stubborn. It ain't all his fault. The first 20 year his mother is always pestering him about where he's going, the next 40 year his wife pesters him with the same question, and when he died I reckon the mourners is all wondering the same thing.

It's sorter natural fere a feller to git stubborn about everything with a life like that. I recollect I had a neighbor onct that got drunk and saddled up his horse backwards. When his old lady pointed it out to him he got so mad that he allowed as how he was saddled up just right for the direction he was going, rode off facing the horse's tail and waving at his old lady.

What brought all this to mind was a piece I saw in the papers the other day about more moonshine liquor being made in the South than ever in history. They ain't making no money out

of it, but they're just stubborn because the Government has said they can't squeeze their corn instead of eating it or feeding it to their hogs.

I got a neighbor up the road that comes to church ever Sunday, sets in the front row and goes to sleep. When the local preacher is in the pulpit he can snore right through the benediction. But let a strange preacher visit us and he sets there with his hands cupped to his ears all the way. I asked him one day how he could sleep so good with the local preacher and listen so good when we has a stranger. He said he was just a little bit stubborn about such things that he knewed he could trust his local preacher but one of them strangers might slip in a paragraph or two about evolution or vitamins. When I asked him what vitamins had to do with it, he said there weren't nothing in the Bible about 'em and what ain't in the Bible ain't got no business in the pulpit.

I don't know nothing, fer instant that the world needs more than a square egg, one you can set any place like a cake of soap and it won't roll off. If Secretary Benson would pass a regulation that square eggs was illegal, we'd have square eggs in time for this year's Easter. Man is a contrary animal and it ain't good for him, but I got to admit he has a heap of things to make him contrary.

Yours truly,
Uncle Ben

Impala Sport Coupe—like every Chevy—has Safety Pilot Glass all around.

Chevy stops quickest... goes farthest on a gallon!

Chevy showed the best brakes of the leading low-priced three in a test of repeated stops at highway speeds conducted and certified by NASCAR*. Chevy also won over the other two in a NASCAR economy run—with the highest gas mileage for 6's and V8's at cruising speeds of just over 55 miles an hour.

Here's a car that knows how to get the most out of a gallon. And it's the only car in its field to bring you hydraulic valve lifters in all popular engines—6 and V8. This means smoother, quieter performance for you. There are many other advances just as fundamental as the efficiency of Chevrolet's engines and the depend-

ability of its new brakes (with more lining area than any other low-priced car). But why not stop by your dealer's and let Chevy do its own sweet talking!

Mrs. Minnie Pack Dies; Rites Today

Funeral services for Mrs. Minnie E. Pack, 70, were held at 10:30 a. m. this morning (Thursday) at the First Baptist Church with the pastor, Rev. Muriel Johns, officiating.

Mrs. Pack, who apparently died of a heart attack at her home sometime Monday evening, was found Tuesday by her daughter-in-law, Mrs. V. A. Pack. Investigating police and a doctor said the cause of death was probably a heart attack.

Born Minnie Kemp in Erath County Feb. 11, 1889, Mrs. Pack married Charles H. Pack on July 3, 1904, at Stephenville. He died January 17, 1923, and Mrs. Pack had lived here since 1931.

She was a Gold Star Mother and a member of the Baptist Church.

Survivors include five sons, V.

A. W. E. and W. L., all of Knox City, J. A. of Odessa and Marvin of Goldsmith; three daughters, Mrs. C. C. Pelton of El Centro, Calif., Mrs. Clifton Duncan of O'Brien, and Mrs. Johnny Smithers of Vernon; two sisters, Mrs. Frank Haney of Enfield, Illinois and Mrs. Bessie Lyman of Fort Worth; one brother, Herbert Kemp of Stephenville; 24 grand children and 14 great-grandchildren.

Interment was in Knox City Cemetery under the direction of Pinkard-Smith Funeral Home.

Former Resident Dies at Hamlin

F. E. Holden of Hamlin, a former Knox Countian, died of a heart attack Thursday in his front yard. He was 73.

A house mover, Mr. Holden was the father of 15 children. He moved to Hamlin about 40 years ago from Knox County.

Funeral services were held at 10:30 a. m. Saturday in the Four square Church in Hamlin with Rev. Carl Pool, former pastor, officiating.

Born in Kerr County on Oct. 29, 1885, Mr. Holden married the former Mattie Langford in Knox County in 1903. She died in 1925. Surviving children of the marriage are W. C. Holden of Georgia, four daughters, Mrs. Pauline Murel, Mrs. Lorene Gray, Mrs. Agnew Mason, all of Dallas, and Mrs. Bernice Sligh of Gregston.

On June 27, 1927 he married the former Gladys Knox of Anson, who survives. The surviving children are eight sons, Bill and J. C. of Seminole, F. E. Jr., of Perryton, Willis, E. J., W. D., Richard and Ronny, all of Hamlin; two daughters, Mrs. Alice Davis of Henrietta and Mrs. Eva Lee Mayberry of Sylvester.

Also surviving are a brother, Douglas of Graham, 19 grandchildren, 12 great-grandchildren, and a half-sister, Mrs. Fannie Laney of Seymour.

Mrs. Charles Markward and Chuck spent the week end in Hamilton with her sister, Mrs. Ben Selman, and family. Mrs. Markward returned Monday while Chuck remained to spend the week.

Funeral Held at Rochester for Mrs. Martindale

Funeral services for Mrs. Mollie Martindale, 92, mother of Mrs. M. H. Frederickson of Knox City, were held at the Rochester Methodist Church at 3 p. m. Sunday with the pastor, Rev. David Rackley, officiating, assisted by Rev. Vaughn of the Church of God in Haskell.

Mrs. Martindale, a resident of Haskell County since 1903, died at 4:30 p. m. Saturday in the Haskell County Hospital.

She was born Mary Helen Merrill Aug. 27, 1866 in Nashville, Ark. She married James Agustas Martindale October 4, 1883 in Nashville. The couple came to Texas in 1892 and lived in Fannin County and Ellis County before moving to Hill County, near Covington. In 1903 they moved to Haskell County.

Mr. Martindale died in 1932. Mrs. Martindale was a nurse and had nursed many people in Haskell and Knox Counties. She was a member of the Rochester Eastern Star and Rebecca Lodge.

Survivors include three sons, Dr. Lee Martindale of Oakland, Calif., Luther Martindale of Dallas, and Hicks Martindale of Rochester; four daughters, Mrs. L. B. Hedgepeth of Dallas, Mrs. Frederickson of Knox City, Mrs. A. S. Lamber of El Cerrito, Calif., and Mrs. E. F. Johnston of Oakland, Calif.; 11 grandchildren, 10 great-grandchildren, and two great-great-grandchildren.

She was preceded in death by a daughter, Mrs. Ruth Stoker, who died in 1940, and a son, Sim Martindale, who died in 1941.

Seniors Selling Theatre Tickets

Members of the senior class of Knox City High School are selling tickets to the movie, "The Naked and the Dead," which will be held at the Texas Theatre March 10-12.

Proceeds from their sales will go to help finance their annual trip. Both adult and children tickets are being sold.

The class has selected its play a three-act farce called "Good Gracious, Grandma." The play will be held in April.

This year's graduating class will go to New Orleans, as the seniors have done the past three years. They will leave Knox City April 29.

Mrs. Otis Cash is sponsor.

Mrs. W. L. Duncan and Mrs. Burt Duncan and children from Odessa were week end visitors of relatives and friends in the O'Brien community.

A lower price alone isn't going to keep cotton competitive. True, cotton must have competitive price, but these are two or three other sides to the "cotton use" problem... one little thought of angle is a "constant source of supply" . . . you can't expect mills to promote cotton with large financial outlays for advertising, etc., when they may find themselves without the fiber because of drastic acreage cuts or legislation that prices cotton too high for sales no matter what promotion is used . . . also, cotton's uses are challenged by new developments in other fibers . . . sometimes a new product can do a better job in a specific field . . . so cotton must keep looking for new markets . . . the only way this can be done is by research and development . . . if cotton is to survive, it must level, but it must improve itself, just as other fibers are doing, and it must create demands by promotion . . . there's going to be a fight for markets as long as we have a free economic system . . . that's the reason we've progressed so much in the U. S. . . let's keep it that way . . . and let's keep cotton competitive.

More Stretch
Campaign is underway to put more stretch in cotton fiber . . . a couple of experts figure it's one of the most important areas of basic research for cotton . . . when cotton does become more elastic, it will be in a much better position to compete with other fibers in sweaters, winter suits and like markets.

Two Stomachs
Animals who have at least two stomachs, such as cows, thrive on cottonseed products . . . but the poor chickens and hogs, who have only one stomach, can't match up to the food . . . fact is, an overdose to a chicken can be fatal . . . to the chicken, that is . . . why? . . . research is underway to find out and maybe correct it . . . what a market could open up!!

For Free
Like a chart showing estimate of cotton prices this year? . . . send name and address to Corner on Cotton, P. O. Box 1022, Memphis 1, Tenn. . . it's free . . . if you wrote for the other free work sheet you'll get this one automatically.

BACK FROM CONVENTION
Mrs. Joe Roy Smith and Mrs. J. C. McGee returned Tuesday from Mineral Wells where they attended District 1 convention Texas Federation of Women's Clubs. They were delegates of the Knox City Study Club of which Mrs. Smith is president.

CARD OF THANKS

I would love to say a personal "thank you" for the many nice things done for my comfort and cheer through my illness in the hospital and while I am "taking it easy" at home. I appreciate so very much all the cards, visits, flowers and gifts; the kind and competent care rendered by the doctors, nurses and hospital staff. I gratefully cherish all the faithful prayers and expressions of concern for my recovery.
