THANKS

We want to express our thanks to the people in the Knox City trade territory for their patronage during the three years we have been in business in Knox City.

We've tried to merit that patronage by being good citizens . . . we've purchased a home here, intending to be here "from now on", and we try to bear our share of all community projects and take part in all civic affairs.

Too, much of what we earn goes back into our business. We're not here for a "quick profit", so we look to the future by constantly adding to and improving our equipment and, by every means possible, improving our service to our customers.

Thanks again for your patronage . . . we've enjoyed serving you these past three years, and are looking forward to serving you many more!

"Study needs Good Lighting!"

Good report cards start with a ... "Light Conditioned" Desk

Brighten your boy by brightening his books! Light Conditioning helps you do it—by giving him the kind of light that's proved best for studying.

A Light Conditioned study desk makes homework easier, less tiring, and students happier. With scientifically planned light, eyestrain is reduced to a minimum. And since it's easier to study, it's easier to learn. Homework is finished faster.

Now is the time to Light Condition your home. We will be glad to help you select the right kind of lamps and fixtures and the right size bulbs to use in them.

Better light with better light! Protect young eyes with proper lighting. Always be ready with a spare.

Streams in Desert Places

By Orville Stephenson
 "When he growth quietness, who can make trouble?" And when he hideth his face, who can behold him? whether it be done against a nation or against a man only." (Job 34:29)
 There is unrest, turmoil, and disturbance around us today. Many are wondering what to do, which way to go, and to whom they can turn for help. Listen, dear reader, Jesus is the only one you can depend on. He went to a sure foundation on which you can build your faith.
 What was in trouble. Everything seemed against him. The trials and tribulations were as a great storm beating upon him. He heard the cry of fear, and God spoke to him and said, "Say unto him, Take heed, and be quiet; fear not, neither be faint-hearted." (Isa. 41:10)
 If the trials of your life make you fight and struggle, remember to take heed, be quiet before the mighty one who will take all your fears away. He will calm the storms of your life and supply your every need.
 We read of a people who were trying to fight their own battles. They got their eyes off of God and on the circumstances around about them. It was impossible for God to help them until they returned unto Him. He waited patiently until they returned. "Therefore will the Lord wait, that he might be gracious unto you, therefore will he be exalted, that he might have mercy upon you; for the Lord is a God of Judgment; blessed are all they that wait before him." (Isaiah 30:18)
 "When Job was tested and everything was gone, he still waited before God and said, "When he growth quietness, who can make trouble?" I thank God for the quietness and peace He can give to the heart of man, and it is for you, who-so-ever will wait before Him.
 Prov. 1:28 says, "But whosoever hatheneth unto me shall dwell safely and shall be quiet from fear of evil."
 Isaiah 27:3 says, "And the work of righteousness shall be peace; and the effect of righteousness, quietness and assurance forever."
