

WASHINGTON LETTER

By Congressman Ed Gossett

Washington, D.C., Feb. 23rd—This has been a busy week in Congress. The House passed and sent to the Senate an appropriations bill for money to run the Treasury and Post Office Department for the next fiscal year in the amount of \$1,342,813,000.00.

The Military Affairs Committee this week reported a bill to draft nurses. The House Labor Committee reported the so-called Fair Employment Practices Act, about which I will have much to say later.

The Senate Foreign Relations Committee has just finished extended hearings, which will run into several volumes, on the so-called U.S.-Mexican Water Rights Treaty.

The Senate Foreign Relations Committee has just finished extended hearings, which will run into several volumes, on the so-called U.S.-Mexican Water Rights Treaty.

Figures just released show the national income for 1944 to have been 156 billion, 777 million, as compared with 143 billion, 134 million in 1943.

Dozens of official and unofficial reports come to a Congressman's desk each week. This week one report advertises our newest national park, the Big Bend National Park of Texas.

Another bulletin coming to my desk is issued by the Chamber of Commerce of Hawaii, concerning the possibilities of the Carolina, Marshall, Mariana, and Palau Islands, heretofore under Japanese mandate.

The Territories Committee, of which I am a member, met this week to hear Delegate Joseph Farrington of Hawaii and Delegate E.L. Bartlett of Alaska express the views and outline the problems of their respective territories.

Committees Named For Red Cross Drive Starting Monday

Committees will take to the field here Monday, March 5, with a view of winding up the local Red Cross Stroll Call campaign in short order.

County chairman Lloyd Hamilton has announced that committees for the Knox City-Union Grove-Brock consolidation are ready for the fire-works.

Ed Shaver and Guy Glenn will handle the downtown section, with Mrs. Henry White and Mrs. Bedford Smith in charge of the residential section.

L. W. Graham and W. M. Rowan have charge of the area north of town, while Claud Reed and C. A. Richardson, serving as heads of this local drive, will call on residents east of Knox City.

Ms. Ullie Lee, Mrs. F. L. Montandon, Ms. Bill Wilson, and Mrs. A. L. Russell will have charge of the section comprising Union Grove.

Ralph P. Rios and Lupe Gamez will work the Mexican colony in the drive, while Thomas James and Oscar Howard have volunteered to canvass the colored folks of our community.

With the quota substantially increased this year, the public will be expected to make larger donations than in the past.

A list of contributors will be published in the Herald as soon as they are available.

Mrs. Vaughn Brooks Rites Held Thursday

Funeral services were held in Rochester Thursday, February 22, at 2:00 p. m., for Mrs. Vaughn Brooks, 28, who passed away at the Knox County Hospital, February 21.

Rev. C. C. Beatty of O'Brien and Rev. J. S. Tierce of Rochester conducted the final rites.

Mrs. Piona Ava Herring Brooks was born April 12, 1917. She was married in 1939 to Vaughn Brooks, who survives her.

Other survivors are her parents, Mr. and Mrs. J. B. Herring, O'Brien, three sisters, Mrs. Raymond Duncan of Rochester, Mrs. Harold McQuary, Oklahoma City, Mrs. Tom McClellan, Stamford, four brothers, William and Ramsey Herring, O'Brien, Gordon Herring, Weatherford, and Felton Herring, U. S. Army, Camp Hood, Texas.

Mrs. Brooks had been a member of the Rochester Baptist Church since 1939. She leaves a host of friends to mourn her passing.

P. A. Smith Opens Tire Recapping Shop

P. A. Smith, recently of Aspermont, this week opened an OK Rubber Welding shop in the old M&M Building on North Main Street in Knox City.

Mr. Smith and his family moved here last week. The new enterprise, operating under the OK rubber welding system, will do tire recapping and repairing on all sizes automobiles and tractor tires.

Reduction Made On Home Canning Sugar

A tightened home canning sugar program for the 1945 season—a program designed to insure a fair distribution of the available sugar to those who actually need it for canning—has been announced by OPA.

Highlights of the new program are as follows: The housewife will apply at her local War Price and Rationing Board and indicate the amount of canning she intends to do this year.

As wounded American boys come back from the battle fronts they find American Red Cross workers in all military and naval hospitals ready to help them.

'Seeing Eye' Dog Does Not Need Good-Intentioned Help In Guiding Blind Master

The following article, which is re-issued by The Seeing Eye, Inc., Morristown, N. J., is published in the interest of our good friend Ross Griffith and his newly acquired Seeing Eye dog.

The helpful and kindly intentioned public is a greater hazard to Seeing Eye dogs than the traffic of Times Square in New York, according to reactions received from it graduates by the Morristown, N. J. school, which educates dogs as guides for the blind people.

While the intention of the public is only to be kindly and helpful, Mrs. Harrison Eustis, honorary president and founder of The Seeing Eye, said, "the result produced is similar to that which would occur if you grabbed the arm of a man who was driving an automobile rapidly in heavy traffic."

The public shows a perfectly natural, but a very harmful tendency to pet Seeing Eye dogs who are busily engaged in guiding their blind charges among pedestrians on the sidewalks.

Miss Betty Reeves became the bride of James Harold McBeth, Friday, February 23rd, with Rev. J. T. Albertson, pastor of the Munday Baptist Church, performing the ceremony.

Lt. Bruce Campbell Gets Purple Heart

South Pacific U. S. Army Forces—First Lieutenant Bruce B. Campbell, whose wife, Mrs. Mary M. Campbell, lives in Knox City, Texas, has been presented the Purple Heart, for wounds received December 21, 1944, while serving with an engineer outfit on Mindoro Island in the Philippines.

Lt. Bruce Campbell Gets Purple Heart

The medal was presented by Maj. Gen. Maxwell Murray, commanding general of Guadalcanal Island Command, at a ceremony held January 11, 1945 at a station hospital, Guadalcanal, where Lt. Campbell was brought aboard a hospital ship after evacuation from the combat area.

Betty Reeves Weds James H. McBeth

Miss Betty Reeves became the bride of James Harold McBeth, Friday, February 23rd, with Rev. J. T. Albertson, pastor of the Munday Baptist Church, performing the ceremony.

Mrs. McBeth is the daughter of Mr. and Mrs. Bud Reeves and will graduate from the Knox City High School this year.

Mr. McBeth is the son of Mr. and Mrs. J. S. McBeth of O'Brien, a graduate of the O'Brien High School and attended John Tarleton Junior College for two years.

Farmers May Delay 1945 Tax Estimates

Farmers (persons receiving at least two-thirds of income from farming) are permitted to delay filing 1945 declarations until January 15, 1946.

Declarations are required from farmers who expect to earn \$500 or more this year. If they postpone the filing of declarations until January 15, 1946, they must pay the full amount of estimated tax at that time.

Special forms and instructions have been mailed out to all persons who filed declarations last year. Additional copies may be obtained from the office of any collector of Internal Revenue.

307 County Youths Attend Club Meetings

One hundred and sixty-three 4-H Club girls and one hundred and forty-four 4-H Club boys attended the club meetings held by the County Agents, R. O. Dunkle and Lucile King, during the month of February.

Both boys and girls met together for the business meeting. The boys were in charge of the meeting. When the roll was called each boy and girl was asked to stand and tell what they are doing for the war effort, or what they plan to do, such as feed a calf, feed a pig, raise a victory garden, raise poultry.

After the business meeting we met in separate groups. Mr. Dunkle gave a demonstration to the boys on making a "rag doll seed tester."

Miss King gave a demonstration to the girls on "Knitting Foot Warmers." Each girl was asked to bring yarn and needles.

S-Sgt. Kenneth Nebhut is visiting in the home of his sister, Mrs. Loyd Huntsman, Sgt. Nebhut has just returned from Russia after completing 47 missions as gunner on a Flying Fortress.

The ship returned from a mission over Germany with two-thirds of the tail blown off and landed safely in England. Only ten members of the crew survived the flight.

Sgt. Nebhut has the Silver Star, Distinguished Flying Cross, Air Medal with seven Clusters, and the Purple Heart with two Clusters.

LIONS CLUB LUNCHEON - CLAY GROVES SPEAKER AT

Clay Groves of Munday, district supervisor of the Soil Conservation Service, was the guest speaker today noon at the Lions weekly luncheon.

Mr. Groves made an interesting address on the importance of soil conservation, deeming it a heritage we must preserve for future generations.

Several visitors were present today and a fair representation of Lions were on hand.

SNOW AND SLEET BRING ADDITIONAL MOISTURE

Additional moisture was added to Knox County fields and ranges early this week as a three to four inch blanket of sleet and snow covered this section.

By Tuesday night part of the fall had thawed, making slippery going for traffic and pedestrians.

The moisture amounted to approximately half an inch, according to official records.

CARD OF THANKS

I want to take this opportunity to express my sincere thanks and gratitude to the Knox City Lions Club for the help and consideration they have given me in taking the Seeing Eye training course and acquiring a Seeing Eye dog.

With the help of this fine organization I have realized a long-felt ambition. Thanks, fellows, thanks. Rose Griffith.

Sen. Geo. Moffett Sponsors State Bills

The Herald is in receipt of the following statement from State Senator George Moffett, at Austin:

"Texas fishermen ought to be assured of more fun and more fish in the next few months, and they won't have to throw back Black Bass longer than seven inches."

"Another bill, of which I happen to be the author, will reach the Governor's desk within a few days. It provides that returning service men and women may have their driver's licenses extended for one year without charge, and further provides that drivers licenses may be issued to persons for limited use in rural communities or other special areas, but not to be used on the main highways."

A further provision of this same law permits high school students from 14 to 16 years of age who have taken a drivers training course to apply for a drivers license. Qualified observers say that students who have taken the drivers training course are often the most careful and cautious drivers on the road."

Poultry Expert Will Cull Chicken Flocks

**Benjamin Club Has Interesting Meeting**

The Benjamin Home Demonstration Club met in the assembly room at 2:30 Friday, Feb. 23, with Miss Lucile King as demonstrator. The club president, Mrs. Lee Snallum, called the meeting to order. Twelve old members, one new member and one visitor answered roll call with their favorite recipe. Each one had a different one, each very interesting.

The finance committee reported a total \$20.70 was made at the cake walk. We lost the volleyball game to the P.T.A. The P.T.A. played a group of men after the cake walk. The games were exciting.

We plan to send a box to the soldiers at Sheppard Field before the first of March.

Mrs. Lee Snallum was elected as representative to council from our club, to be voted on as delegate to go to the district meeting at Seymour.

Business attended to, the president turned the meeting over to Miss King, who gave a demonstration on hot tamales. Each member helped to make them, and in turn, sampled the results. A few men came in and helped with the sampling. They were really good hot tamales.

The meeting adjourned to reconvene March 9. Mrs. Howard Spikes will be leader. She is to give a book review. All members are asked to come and bring a new member.

**Pfc. Fred Moody Is Member Cited Division**

The following Commendation, addressed to the officers and enlisted men of the 29th Infantry Division, was made public shortly after the Division participated in holding the German breakthrough in the Bastogne area.

Pfc. Fred Moody, husband of Mrs. Doris Moody, is a member of the 26th Division.

"I desire to express to each member of this command my sincere appreciation for the aggressive and courageous action which merited the enclosed commendation from our Army and Corps Commanders.

"When you initially attacked for seven days and nights without halting for rest, you met and defeated more than twice your own number. Your advance required the enemy to turn fresh divisions against you, and you in turn hacked them to pieces as you ruthlessly cut your way deep into the flank of the "Bulge." Your feats of daring and endurance in the sub-freezing weather and snow-clad mountains and gorges of Luxembourg are legion; your contribution to the relief of Bastogne was immeasurable. It was particularly fitting that the elimination of the "Bulge" should find the Yankee Division seizing and holding firmly on the same line held by our own forces prior to the breakthrough.

"I am proud of this feat by you as well as those you performed earlier. We shall advance on Berlin together.

W. S. Paul,  
Major General, U.S. Army

**Campfire Girls Meet**

Wednesday afternoon at 4:15, the Campfire Girls held their regular meeting in the Math room at the high school building. Betty Sue Teague, president, called the meeting to order. Norma Whitten read the minutes of the last meeting. Carol Ann Armstrong gave the treasurer's report, and Zana Ann Hamm gave the scribe's report.

Due to the absence of the guardian, Mrs. C. A. Wilson, Mrs. E. R. Carpenter met with the group. After a short business meeting, the club adjourned. The girls decided to wear their Campfire costumes on March 15 at the meeting. Most of the girls have started work to earn different beads.

It is of less importance that we receive from mankind justice, than that we deserve it.

—Mary Baker Eddy.

The sentiment of justice is so natural, and so universally acquired by all mankind, that it seems to be independent of all law, all party, all religion. —Voltaire.

# Red Cross War Fund Head Enlists Full Public Support

WASHINGTON, D. C.—Urging each American citizen to consider the Red Cross as his personal emissary to his particular serviceman, Colby M. Chester, chairman of the 1945 American Red Cross War Fund campaign, today asked all Americans to give to their fullest ability in support of the 1945 national goal of \$200,000,000.

"Those of us who must stay at home and fight by doing our daily tasks as efficiently as possible," he said, "like to feel that though we are not beside John or Jim or Bob on the battle field, we do have a personal ambassador in each of the ten thousand Red Cross workers now serving with the troops overseas."

Opening March 1 and continuing throughout the entire month, the third Red Cross War Fund will not only fill intensified needs on advancing war fronts, but will provide needed services to those who have returned from action, their families, their buddies awaiting transportation overseas, and their friends and neighbors at home in time

of natural or war-caused emergency. More than 3,000,000 volunteer solicitors stand ready to aid in local collections in every American community. Each will devote his time and effort toward reaching the goal so that men and women in military service will know the Red Cross "is staying right with them, right up to and beyond the day of peace and victory, Mr. Chester explained.

Without personal gain or remuneration, the 3,000,000 men and women volunteer canvassers will represent 3,756 Red Cross chapters throughout the nation. Seeking from door to door those contributions which will not be made through factory, office, school or theatre, each will carry an official identification card for the protection of the householder. For the most part, however, such identification will be unnecessary because the solicitor will be a neighbor or friend. To each contributor, he will give a red, white and blue window sticker bearing the well-known Red Cross emblem.

Cogburn. The Junior team (team II) consists of Henry White, Marshall Woolley, Billy Wheeler, Monte Whitten, A. P. Denton, Olene Walker, Dot Gage, Willie Marie Cogburn. The Junior II team won their first game with the Sophomore II team.

## Sophomore News

The Sophomores have been very busy this week taking six-weeks exams. We just know we'll pass English with flying colors because Miss Parsons got her some new glasses and will make the tests easier (we hope).

We were sorry Bobby Joe couldn't be present at the banquet, because everyone seemed to have a very enjoyable evening.

The Sophs want to wish Bettie Reeves much happiness upon her marriage to Harold McBeth, and the Soph girls just hope they're that lucky.

## Freshman News

The Freshmen have had six-weeks tests this week. We studied more than usual, too.

We were glad to have Brian Allen visiting us Monday.

Bobby Lynn was sick this week, and missed a few days of school. We missed him a lot.

The Freshmen enjoy the coke machine, and we're going to help take care of it.

Last week we looked out into the world of broken and burdened hearts. We were moved with a compassion of love and longed to do and say something to comfort them. In searching ourselves we found that we were helpless but when we turned to God's word, we found that He was near unto those of a broken heart and would hear and comfort those who called upon Him.

This week we will continue our search in God's word for comfort and strength. The condition of the world today is similar to the condition when Jesus had been crucified on the cross—was buried—and even after he had risen again. Many who had believed in him thought that he would use his power to save himself from the cross, not knowing he must give his life for the sins of the world.

Their hearts were troubled; they did not know how to trust in Christ spiritually. They were believing him to be their leader in this natural life, seeking things they could see, instead of looking beyond death into the spiritual life where Jesus shall rule and reign throughout eternity.

The disciples who had been with Jesus continually were troubled. They could not understand his going away and leaving them. Jesus told them that they could come to him after their work here was done. He also told them that he would not leave them comfortless, but that he would send the Comforter, which is the Holy Ghost. In John 14:16, "And I will pray the Father and He shall give you another Comforter, that he may abide with you forever."

Those who have worshipped God all through the ages have been persecuted by the world but God has always made a way of escape for his people. In the dispensation of the Father, he had prophets who loved and comforted his people and they were also comforted by dreams and visitations of angels. During the dispensation of Jesus—he himself loved, healed, blessed and comforted they who believed on him. Then when he went back to heaven he sent the Holy Ghost to be our comforter and strength. So the time since Jesus' going back to the Father has been the dispensation of the Holy Ghost.

Surely Jesus knew we would need comfort and strength to live in these evil days. We find in Acts 1:8, "That ye shall receive power after that the Holy Ghost is come upon you." Truly we need this power to stand in the days of trouble, heartache and horrors of war. It is a promise of the Father and is for all. Acts 2:39, "For the promise is unto you and to your children, and to all that are afar off, even as many as the Lord our God shall call."

So when we find ourselves faint and do not have the grace to stand steadfast and unmovable witnessing for our blessed Saviour, we should obey the command of Jesus when he said, "Tarry until ye are endured with the power from on high."

For surely it is for us and if we will humble ourselves and forsake our sins and call upon God in faith believing, He will hear from heaven and heal our land and show us great and mighty things that we know not.

I fear too many of us do not humble ourselves enough and wait upon the Lord for his blessings. The world is in a hustle and bustle going to and fro with little time to spend before God the Father.

But if we are in need of comfort and strength and fear the gathering clouds of sorrow that war has thrust upon the world, read St. John 14:27, the words of Jesus, "Peace I leave with you, my peace I give unto you: not as the world giveth give I unto you, let not your hearts be troubled neither let it be afraid."

If we are trusting in Jesus for the peace he gives and have his word hidden away in our hearts, praying without ceasing, it will be said of us as those of old. Psalms 112:7, "He shall not be afraid of evil

tidings: His heart is fixed, trusting in the Lord."

Remember, Jesus loves and will give sweet peace and comfort to all whosoever will believe on His name.

# More Honorable Than The Star and Garter

The American people are notorious "joiners." Social prestige and business prosperity are sometimes more easily attained by membership in fraternal and civic organizations.

The Red Cross roll call offers none of these advantages—it is an organization whose members have associated themselves together for the sole purpose of lightening human suffering.

Here are but three of the things you are supplying when you join this great organization:

1. Surgical dressings for the wounded.
2. Blood plasma, without which many men could not live.
3. Food, clothing, and recreation to those gaunt men behind barbed wire—our sons, and sons of our friends and neighbors.

Can you envisage any other order half so honorable—half so worthy? Dig deep, folks! In this lifetime, no greater opportunity for loving kindness, mercy, and benevolence will be offered you.

# Along the "Route to Tokyo"

13,093 miles of track serving the Southwest

Santa Fe, as the map above shows, is an important lap on the "Route to Tokyo."

That's why, during the past several months, travelers have seen armies of "Men at Work" all along our lines.

Capacity of our yards has been increased.

Curves have been ironed out so trains may get around them faster.

New Diesel "head ends" are pulling bigger loads up mountain grades.

Ingenious Centralized Traffic Control Systems have been installed at important points so the same rails can carry 50 per cent more traffic.

A new Santa Fe bridge is now being built across the Colorado River.

We have enlarged our capacity to meet the increasing loads of war. There will be no slackening of our job until the war is completely won.
