## KNOX BOYS TO EXHIBIT AT WICHITA

Nine 4-H Club members of Knox County are exhibiting their fat calves at the Wichita Falls District Show this week.

The nine boys who are showing their calves are Hardy Richards, Vera; Stanley Glover, Benjamin; Fred Lewis Crenshaw, Benjamin; Pat Hill, Munday; John Charles McFerrin, Benjamin; Leroy Davis, Vera; Jerrel Trainham, Vera; Billy Richards, Vera; and Carrol Fred Glover, Benjamin.

Many ranchmen of Knox County who visited the County show at Munday on February 19, think that the Grand Champion calf shown by Stanley Glover, will come close to winning the Grand Championship at Wichita Falls. This calf is a beautiful specimen of breed type and quality and has an abundance of finish. The steer fed by Carrol Fred Glover is also expected to be a strong contestant.

Stanley Glover, Hardy Richards, Pat Hill and Billy Richards will also represent Knox County in the District Livestock Judging Contest. Twelve counties of the district will participate in the contest. Four classes of four steers each will be used in the judging contest.

## Registrants Reclassified By Draft Officials

Registrants reclassified by the Knox County Local Board on March 7:

- 1-A—Billy G. Spikes.
- 1-C—Hamilton V. Henson, Henry D. Matthew, Jr., Thomas J. Hoffman.
- 4-F—Oleiver Draper, Damian L. Armentariz, Alvin C. Wiggins, Arthur L. Blackburn, Cecil McMin, Elmo D. Morrow, Fred C. Robinson, Mike M. Chavez, Cleo C. Myers, Joe Hurd.

## AAA To Continue Feed Payments

Word has just been received from the State AAA office to continue dairy feed payments through February. The payment rate is the same as in previous months.

Payments will only be made for the January and February production. Payments cannot be made on October, November and December production.

## Old Age Checks Are Larger Than In Past

The State Department of Public Welfare announces that checks for old age assistance are now in the mails. The checks average \$21.23 and total \$3,767,978.

This compares with an average of \$21.17 per check for February and it was revealed that there are now fewer on the rolls and fewer applications are being made, due to improved economic conditions over the state.

## FRIDAY NIGHT SINGING

A regular Friday night singing was held in the home of Mr. and Mrs. J. W. Tankersley. The Tankersley Quartette sang and a new quartette organized consisting of Irel Ferguson, soprano; Virginia Tankersley, alto; Jay Hawkins, tenor; J. T. Cypert, bass.

The next singing will be given in the home of Mr. and Mrs. Roy Tankersley at Haskell, Friday night, March 10.

## FIREMEN GET WORKOUT

Last Saturday afternoon the local fire department answered an alarm to the Robinson home where a large barn caught fire from a brooder that had just been installed. The young chicks hadn't been moved into the building but quite a few hens were lost in the fire.

Lee Ames of Fort Worth arrived on Tuesday for a visit with the J. C. Ames family.

## Methodists Visit Rally Held In Stamford

Rev. and Mrs. C. H. Williams, Mr. and Mrs. J. C. McGee, Mr. and Mrs. Chad Wilson, Mrs. C. C. Hoge, Mrs. S. M. Clonts, Misses Ruth Rice, Ann Rice, Mary Bea Woodward, were in a party which went from the Methodist Church here to the Sunday School rally held at Stamford last Sunday evening.

After a sing-song conducted by Rev. Willie Matt Culwell of Jayton, groups formed for the study of problems of the various departments of the Sunday school work. Coming back into the auditorium at 4:00 p. m., the group heard Bishop H. A. Boaz bring a ringing message on the moral conditions and the needs of the day religiously.

The building of Sunday School and church attendance was the major concern of the meeting.

## Tax Declaration Time Postponed To April 15

The time for filing 1944 Declarations of Estimated Income and Victory Tax has been extended until April 15, according to a bulletin from W. A. Thomas, Collector of Internal Revenue at Dallas.

These estimates of this year's income must not be confused with the final income tax returns on 1943 income, which 50 million persons must file not later than March 15. Returns on 1943 tax are required by law of all taxpayers, regardless of whether or not tax was withheld from their salaries. Only a limited number of taxpayers are required to take additional steps of estimating this year's income, which has now been postponed until April 15.

Originally, it was intended that both the 1943 income tax returns and the 1944 declarations would be filed at the same time. However, the declaration forms were delayed pending final action on the new Revenue Bill.

Collector Thomas said the new declaration forms will probably be distributed late in March, and the first installment of estimated tax will not be due until the declaration is filed on or before April 15.

## Guy Steen Now With County Tax Office

Guy Steen, formerly associated with Stud Norris' Food Store in Knox City, has been appointed Deputy Assessor-Collector by Earl Sams, County Tax Assessor-Collector.

Mr. Steen began his duties Tuesday of this week and will assist in the sale of auto license tags in the various county sub-offices as advertised elsewhere in this paper.

## New Excise Tax Goes In Effect April 1

The new Revenue Act passed on February 25 providing for increases in excise tax on certain articles, goes into effect on April 1.

The Act provides for an increase in tax on luggage of all kinds, toilet cases, purses and other related articles. Other items to feel the increase will be theatre admissions, jewelry, furs, toilet preparations, electric light bulbs and telephone services.

The increases vary from 5 to 20 per cent over the present tax.

Mr. and Mrs. P. C. Lowrey visited Mr. and Mrs. Gilbert Lowrey in Lubbock last week-end.

## George Moffett Has Splendid Record To Offer District Voters

### Farmers Urged To Sign Farm Plan Sheets

Farmers of this locality are urged to sign the 1944 Farm Plan Sheets, according to word from the local AAA office at Benjamin. This procedure is now under way and was started on March 7.

Community committeemen for each area will hold a meeting at the places and dates listed below, which will take care of the entire county. Meetings will be in session from 5:00 until 8:00 o'clock:

Vera, school house, March 10; Munday, school house, March 11; Gore, school house, March 13; Hefner, school house, March 14; Rhineland, Claus store, March 15; Sunset, school house, March 16; Knox City, Legion Hall, March 17.

The plan sheets give the farmers a chance to plan their farming operations for the coming year and will, at the same time, tell the world what is going to be done on the farm front in 1944. The administrators of the War Food Program need to know this information so that they may plan future programs.

The boys on the front lines want to know what the farmers are going to do to back them up in 1944. This is the only way that they can get the information.

The farmers who do not sign up the plan sheets for their farms are depriving people all over the world of information that they want to know and of information they need to know.

## Mobilization Week For 4-H Club Groups

The period from March 4 to March 12 will be 4-H Mobilization Week in Texas and throughout the nation. One of the purposes is to encourage every active 4-H member, boy or girl, to take the responsibility for enrolling at least one new member and helping the new member to get started in the local 4-H Club.

Another objective is to let the people know what the club boys and girls have been doing.

We can tell you a little about that—In 1943, Texas 4-H Club members produced and conserved more food, feed and fiber than in any previous year. And they did this while sharing a larger part of the regular farm work than at any other time.

A record number of Texas boys and girls were enrolled in club work last year. Nearly 41,000 white boys and about 60,000 white girls wore the 4-H insignia. This was an increase in club membership over 1942 of about 6,000 boys and 18,000 girls. In addition about 9,000 Negro boys and 10,000 Negro girls carried on similar work in counties having the services of negro County Extension Agents.

During Mobilization Week every active member of a Texas 4-H club will have the opportunity to reaffirm intention of carrying his or her goals to completion, especially those affecting food production, conservation and health. But an even larger membership is sought for 1944. L. L. Johnson and Onah Jacks, extension state club agents, are shooting for an enrollment of 50,000 boys and 90,000 girls. Miss Jacks says that this figure would represent only one-third of the Texas girls eligible for 4-H club work.

## KNOX CITY ORCHESTRA PLAYS AT MUNDAY

The Knox City High School orchestra played for the Munday football banquet last Friday night, March 3. Members of the orchestra making the trip included: Otice Green, director and trumpet; Henry White, drums; Sam Emory Clonts, trumpet; Jimmy Croft, baritone; Paul Green, piano; Donald Caussey, clarinet.

## PARTY

Carol Finley was hostess to a group of her friends last Saturday night in her home. Many enjoyable games were played, followed by candy making and corn popping. Guests included Sos Webb, Margaret Jackson, La Voyce Coogan, La Rue Malouf, Donald Caussey, Rudolph Hackfield, Bobby Jo Hackfield, Jack Teaff and Mrs. H. W. Finley.

## EASTERN STAR DEPUTY TO BE HERE MARCH 16

The Eastern Star District Deputy will be in Knox City on March 16 to give special instruction to the members of this order.

Friends of State Senator George Moffett, farmer-legislator of Chillicothe, Hardeman County, often called "Cotton" George because of his long struggle to develop broader uses of cotton, have authorized the placing of his name in our announcement column as a candidate for Congress from the 13th District.

Senator Moffett is an active member of the State Senate, stands high among his colleagues, and is considered an independent thinker. He is well known over the district, and also stands high in his own county, where he received over ninety per cent of the votes in the contest in which he was elected to the State Senate. His statement follows:

"For many years I have gained valuable experience in public affairs, as a member of the Texas Legislature. I am now chairman of three important Senate committees, and a member

"Cotton" George Moffett

of ten others. I have often taken the lead for farmers, small businessmen, the schools, and war veterans.

"I was born near Chillicothe, Hardeman County, forty-eight years ago; I am married, and have two small children. My father came from Ellis County over fifty years ago, and still owns the Hardeman County homestead he bought then. He always insisted that work is a necessary part of living, and I am no stranger to it. At age fifteen, I left home, and finished high school at Chico, in Wise County. After serving in World War I, I worked for several years at Graham in Young County. I believe that my lifelong acquaintance over the district and my past experience in both branches of the Texas Legislature, qualify me to represent the 13th District in Congress.

"During the campaign, I will discuss other issues and enlarge upon the following:

"First, nothing should be allowed to hinder the early and successful conclusion of this war, with the least possible loss of life and waste of money.

"Second, we must do full justice to the men and women now serving their country. Those disabled must have the best care and treatment possible to give them. Under no circumstances should this be neglected. Also, the Federal Government must provide for the completion of the education of those who wish it, when they return, and for suitable employment for those not wishing further schooling. Many other matters will arise regarding those so deserving at our hands, and any doubt should be resolved in their favor.

"I have often been the author of bills in the Texas Legislature to help veterans of both World Wars, and I expect to continue my efforts for them.

"I served in World War I and I think the grief of a World War every twenty-five years must be stopped. I do not believe the peace can be maintained by paper treaties alone, but if they are backed by military preparedness, we will not be the victim of another Pearl Harbor nor another Bataan. The present war with Japan might have been avoided if Congress had fortified our Pacific outposts in keeping with the plain advice of our military leaders, given two years before the blow fell. The cost would have been small then; now it is costing many lives and billions of dollars to retake those outposts.

"At the close of the war, landowners who have been dispossessed of their homes and farms for war purposes, should have the prior right to repurchase them without price increases. Idle government-owned war plants should be sold at public auction to

## Vera Woman Dies In Seymour Hospital

Mrs. Mary Francis Welch, age 22, wife of John D. Welch, died on Monday, March 6, at the Baylor County Hospital in Seymour. Mrs. Welch was a resident of Vera, where the family had lived for several years. Interment was made in the Vera cemetery.

Mrs. Welch was Mary Francis Davenport before her marriage to John D. Welch in 1938. She was born in Haskell County on March 15, 1922.

Surviving her are the husband and one daughter, Peggy Jean, age four. Another younger child had preceded her in death. Other relatives surviving are her mother and step-father, Mr. and Mrs. Rube Richards; her father, Russell Davenport; three sisters and two brothers, Mrs. J. O. Archer of Dallas, Hardie, Billie, Tommy Dean and Robbie Jan, of Vera; her grandmother Mrs. Sallie Davenport of Haskell.

Out-of-town relatives attending the funeral were: Mr. and Mrs. J. W. Phillips, Anton, Texas; Mrs. H. C. Vannoy and niece, Riverside, California, Mr. and Mrs. Tom Webb, Knox City; Mrs. Bert Davenport, Fort Worth.

## Past Record Shows Red Cross Doing Good Work In Knox County

Did you know that since January last year, your Knox County Chapter of the American Red Cross has served 492 families in Knox County and that there were 178 furlough investigations made for service men?

Did you know that a Knox County boy, because of inadequate postal facilities and lack of stationery in his utilized Red Cross services and forwarded to his parents in this country a message of safety and good health?

Did you know that a civilian in Germany forwarded through Red Cross channels a 25-word letter to his sister in this country and that the sister by the same methods sent a 25-word letter to her civilian brother inside Germany?

Did you know that relatives in Knox County having not heard from their servicemen within the required four months have enlisted Red Cross help and as a result they are now hearing from their boys regularly?

Did you know that a husband abandoned his pregnant wife and volunteered into the service and that your Chapter cared for the wife as well as locating the erring husband and helped the wife in filing for allotment due her under Public Law 625, also making it possible for her to participate in the Maternity Program for wives of enlisted men?

Did you know that your Knox County Chapter has loaned \$400.00 to servicemen and their families?

Did you know that the Red Cross does not do for servicemen and their families what they can do for themselves?

## Chief Petty Ratings Offered By Navy

A limited number of chief petty officer ratings are now available in the Navy's ship repair units, and the Navy recruiting stations in the Dallas district are authorized to enlist experienced men for these openings, Lieut. Comdr. L. H. Ridout, Jr., officer in charge, said today.

Applicants should have a minimum of eight years' experience in their line of work, five years of which should have been served as superintendent or foreman.

Ratings available currently are for foundrymen, patternmakers, radio engineers, blacksmiths, boatbuilders, engine mechanics, boilermakers, copper-smiths, Diesel engine mechanics, gasoline engine mechanics, divers, machinists, riggers and shipfitters.

## Suit Filed Against Utility Contractors

Grover Sellers, Attorney General for the State of Texas, announced last Friday in Austin that he had filed an anti-trust suit in the 119th District Court at Ballinger, Texas, against Fairbanks-Morse and Co. of Illinois, the Universal Electric Co. of Alabama, and the H. B. Gieb Co., of Dallas.

The Attorney General, in his petition alleges that these three companies conspired "to furnish equipment and sell Fairbanks-Morse diesel engines and equipment to various municipalities in the State of Texas, to the exclusion of all other brands and makes of engines and equipment; and further to control the municipal elections and to determine the plans and specifications and the bidding of such construction in the cities of Jasper, Angleton, Sonora, and the City of Winters."

These defendants have occupied a dominant position in the business of constructing municipal utility plants in Texas since about the first of January, 1940.

## Food Waste Subject Of National Drive

The reported terrific waste of food in the United States is a challenge to the American housewife, Miss Albertine Berry, home economics director of Lone Star Gas Co., stated today in launching a food saving campaign. She declared that government reports show between 15 and 30 percent of all food produced is wasted.

"This waste," she said, "occurs in harvesting, shipping, in stores, and above all, in the kitchen. Here's where the housewife can take hold of food conservation and actually make her kitchen fight for victory. Food is conserved through careful buying, proper preparation and cooking, serving smaller portions and use of left-overs."

Miss Berry pointed to the necessity for victory gardens, warning that "there is a greater danger of people actually suffering from food shortage this year than ever before."

## AUTO TAGS TO BE SOLD AT SUB-OFFICES OVER COUNTY

County Tax Assessor-Collector Earl Sams announces that he will have sub-offices located in seven towns in the county. Sale of auto tags will begin Monday, March 13. Auto owners are reminded to bring the old license receipt and Certificate of Title when purchasing the new tags.

# How to take care of your Gas Range

**1.** Do not put wet dishes directly on the enamel. (This enamel is glass.) Protect top with asbestos mats.

**2.** Wipe off spilled foods at once, with dry cloth. Later when range is cool, clean with damp cloth.

**3.** To clean top burners of aluminum or enamel, use mild soapsuds; rinse and dry. (Do not boil in soda solution.)

**4.** To clean broiler grill, let cool before washing with soapsuds; use fine steel wool. (Remove grill and pan from the range as soon as food is taken off.)

Whenever possible, use only a moderate heat for broiling, and you will find the broiler easier to clean. (Many foods broil well with a moderate heat.)

**5.** The oven-lining will last longer if you roast meats at low temperatures (250° to 325°). It makes better-tasting meat besides, and also cuts down grease-splatter on oven-walls.

**6.** To clean up spill-overs on oven-floor, let cool, and then use a fine steel wool.

**7.** Don't load the oven-door with heavy roasts as you put them in or take them out. It might warp the door.

THE GAS RANGE OF TOMORROW is being planned today for you by the Gas Industry. When the war is over and the peace is won these miracle ranges will be available. In the meantime, keep on buying more war bonds to hasten victory.

**Party**

Well, I guess everyone knows by now that there was a party last Thursday night; Jack Simmons had a birthday, so his mother decided to give him a surprise birthday party. Ent, you know, I'm beginning to wonder if it was really a surprise.

About half a dozen of us went over there, and then started the games. Eventually, three more dropped in from a dinner given by the Juniors. Altogether, there was a big crowd. We played a few games; then Jack opened his gifts, and I DO mean gifts!

(Continued from front page)

the highest bidder rather than at private sale to those with political influence. Definite opportunity should be provided for the little man to buy surplus war materials, the same as a corporation that maintains lobbyist in Washington.

"In fact, the little man must always be given full consideration, for his prosperity is the salvation of a democratic form of government. War conditions have squeezed the little businessman, salaried people, and the small farmer very hard, and proper consideration absolutely must be given them from now on. Equality of opportunity is necessary if democracy is to survive.

"We need less unnecessary meddling and red-tape. This country has been built from the bottom up and not from the top down, a regulation from Washington tries to do.

"Income tax reports should be made simpler so that the average man and woman can make them out. Women have certainly done much to help win this war and no further effort should be made to abolish their right to make separate income tax returns. Taxes must come down after the war.

"Turning back our clocks brings about general dislocations during the winter months, which cripples instead of helping the war effort. Daylight saving time was not used during the winter season in the other war, and should not be now.

"Scientific research has produced many substitutes besides synthetic rubber, and there will be efforts to develop synthetic substitutes for cotton, leather and other farm and ranch products. Science should be freely used to help broaden the market for farm products, just as it has broadened the market for factory products. The manufacturers can establish their own research laboratories; a farmer cannot. Therefore, the government should encourage scientific research to discover new ways to use farm products. I am glad to have been the author of a bill which has already resulted in the wider use of cotton. Prosperity lies in producing for wider markets, and providing more post-war jobs.

"Though war is upon us, we must not forget the obligations of assistance for the aged. The people have indicated by their vote and otherwise, that they want old age assistance paid. I have voted to do this in the Legislature, and expect to continue it in Congress.

"I have done more about equalizing freight rates than any other member of the Texas Legislature. However long and hard the struggle may be, I expect to continue it, until this long-standing injustice to our part of the nation is corrected.

"I sincerely solicit your vote in the July Democratic primary, and assure you that, if elected, I will stand for common sense in government and the best interests of our country."

He got more nice ones. He thinks that since so many gave him shaving supplies, he is old enough to start shaving now. Well, Jack, let us warn you, be careful, don't cut yourself. (Enough of that.)

Now comes the most beautiful cake I have ever seen and I've seen lots of them. It was white, trimmed in a nice shade of pink, with "Happy Birthday, Jack" written on the top. And we had some delicious ice cream. Ice cream and cake, folks, doesn't it make you hungry? Well, it does me; so I have just time enough to say we had a wonderful time, and "Happy Birthday, Jack," better late than never.

### Juniors

The Juniors gave a Dude Ranch dinner Thursday, March 2. Everyone was dressed as a cowboy or a cowgirl. The dinner was given in the Home Ec. Room. Those present were: Mr. and Mrs. T. E. Holcomb, Mrs. Browning, Miss Parsons, Miss Rice, Mr. Graves, Virginia Tankersley, Ann Tallant, Vonnie Morrow, Billy Joe Averitt, Elvis Hutchinson, Alton Lee Ward, Bettie Reeves, Hille Faubion, Joe Clonts, Lilla Jackson, Jimmie Craft, Sam Edwards, Claudia Hall, Jessie Marie Lewis, Georgia Lou Cogburn, Travis Barnett, and C. D. Hughes.

The guest of honor was Wayne Darr who is home on furlough. They were proud to have Wayne present. Everyone seemed to have a good time.

### Basketball Team

The basketball team which has been rather unlucky this year, consist of ten boys. They are:

Jack Simmons, who does a rather good job of jumping center and handling the ball.

Bud Norris, our flashy forward, who is responsible for most of our points.

Harvey Reynolds, forward.

Bill Averitt, guard, does some rather good and fancy playing.

Weldon Ritchey, who plays both center and forward and does an exceptionally good job at both, also plays some guard.

Henry L. White, one of our most promising players, has an uncanny ability for long shots and is doing alright.

Sam Clonts, who is doing a good job as guard, and who we hope will be back next year.

Joe Clonts, guard, who is also doing alright when he is not thinking of the girls!

Monte Whitten, who is doing a good job of playing center, has improved greatly.
