

THE KNOX COUNTY HERALD

VOLUME 54

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, FEB. 26, 1959

NUMBER 13

by RENE

For the first time in our life (somewhere around 29 years) we did something this week that every taxpayer is entitled, invited and welcome to do... but few of them ever do it.

In fact, we'll bet some of our readers live to be a hundred with their county seat, THEIR courthouse, and THEIR records to see how THEIR money is spent.

Other taxpayers may not have such curiosity as we do—or have a nose—but we found it somewhat interesting to see what bills were paid last month, and to whom it was paid.

The records are there for the public to inspect at any time... and we found our county officials ready and willing to explain anything we didn't understand—something we're sure they would do for any other taxpayer.

We already knew that county business is big business, and we called the figures and found that, not including salaries, total operating expenditures from three precincts and the general fund for last month amounted to \$5,930.79... and both County Judge L. A. Parker and Tom Bullington told us the expenses were unusually low.

The total included \$3,256.08 from the general fund, \$529.21 for Precinct 2 bills, \$814.52 for Precinct 3, \$994.56 for Precinct 4 and \$336.42 from the courthouse and jail fund. Commissioner T. C. Carter of Precinct 1 was ill and not there to approve the bills for his precinct.

The bills include everything from \$1.50 paid out for a coyote scalp to the expenses of two funerals... and Mrs. Zena Waldron wanted us to point out that a check received by her was for transcribing deed records, at night and on her own time, and not connected with her job!

The records are in Zena's office, of course, and there's no more helpful or obliging person in Knox or any other county.

So if you are really interested in your county business, instead of just reserving the right to complain about it, go to the records... if there's something you don't understand, ask about it, and if there's something you don't like, tell the right person about it.

Already big, county business is going to get bigger. Tax valuations are now more than \$14 million, including \$4 million in oil, Judge Parker tells us, and if tax valuations pass \$15 million—as the judge and county attorney expect—the law requires that a full-time county auditor must be available.

Our basketball team goes to Canyon tomorrow with, we imagine, quite a number of fans and the best wishes of everyone left behind.

Knox City represented this area in the regional basketball tournament last year, of course, and several years in the past. Some of these years were going all the way... and who knows, this may be the year.

Chuck Markward, son of Dr. and Mrs. C. G., is old enough to ask questions—and he often receives the easy answer, "God made it."

So the other day Chuck got down to asking the unanswerable question, "What I want to know is, who made God?"

Benjamin Man Head County Cross Drive

Desrange of Benjamin Man of the Knox County Cross fund drive, this week reached the county's goal for drive at \$1,893.09. Community chairman will be pointed at a later date. Of county goal, the following have quotas of: Benjamin, \$132.00; Knox City, \$50.00; Gilliland, \$47.00; Munroe, \$28.00; Rhineland, \$45.00; ... \$3.00; Vera, \$39.00; and ... \$100.00.

Annual fund drive will be March 1. "Red Cross drive" is entirely upon voluntary contributions, and after two of the most disaster years Red Cross needs more contributions than ever before," the chairman

Lions to Issue Bonds For Pool Construction

Members of the Knox City Lions Club voted Wednesday to go ahead with a swimming pool project, hoping to have the pool ready for swimming this summer.

The club was incorporated this week as a non-profit organization, and will issue and sell bonds in the amount of \$20,000 to finance the project. The bonds, in \$100 and \$10 denominations, will be sold to individuals and will bear 4 percent interest.

The motion acted upon by the club read, "Whereas the need for swimming facilities in our city is obvious, and whereas such facilities will be an asset to the future of our city, and its citizens, therefore be it resolved that the members of this corporation, hereinafter instructed and authorized to do so, do hereby instruct and authorize its officers and directors to provide such swimming pool, and necessary structures thereto, in such location as they may acquire, and that officers and directors shall be herein authorized to sell

Zogi Revue to Be Presented Here Tuesday Night

Music and mystery; fun and laughter; spine-chilling thrills and exotic excursions into the world of make-believe; all are in store for the people of this area when the Zogi Revue featuring Stars of Today appear in Knox City Tuesday night, March 3, in the school auditorium under the sponsorship of the Quarterback Club.

John Waddell, president of the sponsoring club, says the show is said to be an evening of enchantment, an evening of honest relaxation, an evening that will give folks something to talk about.

"Few stage shows are on the road today. And it is truly unusual when one of this calibre is available for this area," the president said.

Proceeds from the show will go toward the purchase of an electric scoreboard at Greyhound Stadium. Tickets may be purchased from any member of the Quarterback Club or at the door on the evening of the performance.

ALL DAY PROGRAM ON SOIL FERTILITY SET FOR MARCH 13

The Burlington Railway, in cooperation with the Texas Agricultural Extension Service, is sponsoring an all-day program on Soil Fertility and related subjects, to be held in Munday on Friday, March 13.

O'Brien to Observe Public School Day

Wednesday, March 4, will be Public School Day at O'Brien, Supt. Elvin T. Mathis announced this week.

In observance of Public Schools Week in Texas, a special assembly program will be held in the school auditorium beginning at 9 a. m. Wednesday morning. An outside speaker is being obtained, he said. Parents and patrons of the school were issued a special invitation by the superintendent to attend the program.

Classroom exhibits will be displayed in the rooms. The public was invited to attend classes throughout the day.

All teachers in the O'Brien school will attend the Oil Belt District, Texas State Teachers Association, meeting in Wichita Falls next Friday. Classes will be dismissed for the day, Supt. Mathis said.

County Halts Evaluation of City Property

The re-valuation of farms and ranches in Knox County for taxation purposes has been completed, Judge L. A. Parker announced last week as the first step to equalize taxes in the county.

In a meeting of the county commissioners Dec. 20, 1958, the court ordered "to pay C. A. Whitfield the amount due him for work done in the county" in the amount of \$5,760.00 for the re-valuation of 245,987 acres or 384 sections, minutes of the meeting read.

John Smith, county tax assessor-collector, said Whitfield graded and appraised all buildings on the farms and ranches and the land. "The re-valuation probably won't change the value of the land for taxation purposes," Smith said.

Plans to evaluate city property in Knox County were in the making when the commissioners court voted Jan. 19 to enter into a contract for evaluation of city property with the firm of McMorries and Associates of Amarillo. Court voted to pay for said service "not to exceed the sum of \$8,855.00."

However in a called meeting of the court on Feb. 16, the contract with McMorries and Associates was terminated. In regular meeting Feb. 9 commissioners okayed the McMorries Tax Valuation statement in the amount of \$1,259.75. Included in the itemized statement was \$169.75 for printing; \$600.00 for typing of cards of Truscott, Benjamin, Knox City, and Gore; and \$490.00 for abstract work to Jack Barker.

Future plans for the evaluation of city property in the county have not been revealed.

Mrs. Minnie Wells Dies; Rites Today

Mrs. Minnie Ella Wells, 71, died at 9 a. m. Wednesday in Knox County Hospital after a long illness.

She was born June 8, 1887 at Hubbard in Hill County and was married to Dan Edgar Wells Nov. 20, 1910. Mrs. Wells had lived in Dickens and Knox counties for the past 24 years. She was a member of the Presbyterian Church.

Funeral services were held at 3 p. m. today (Thursday) in the Knox Baptist Church with the Rev. Billy Frazier, former pastor, now of Idalou, and the Rev. Muriel Johns, pastor, officiating. Burial was in the Knox City Cemetery under the direction of Pinkard-Smith Funeral Home.

Survivors include her husband, Stanley and Mrs. Preston Scott of Spur, Mrs. C. C. Perry of Afton, Mrs. Laura Meyers of Houston, Mrs. Jerry Lemons of Colorado City, Miss Mozelle Wells and Miss Katy Wells of the home, and one son, Willie Wells of Dimmitt.

Baptists Change Meeting Schedule

Time of evening services at the First Baptist Church is being changed, H. E. Wall, chairman of the board of deacons, announced this week.

The change is effective this Sunday. Training Union will start at 6:30, followed by evening worship at 7:30. The Wednesday Evening prayer service will also begin at 7:30, Mr. Wall said.

★ BOY BITTEN; DOG SOUGHT

If anyone in this area sees a collie or part collie dog acting sick or peculiar, or dead, Mr. and Mrs. Charley Clayton, Jr. would be grateful if you would notify them.

Their seven year old son, Charles Terry, was bitten by a collie at the school Monday, February 16. The dog has not been located, and the family is upset because of the possibility of rabies. The first grader is not taking any treatment, however, since there has been no report of rabies in this area.

The Claytons live at 1103 E 6th St. in the house formerly occupied by the Bob Baileys. Their telephone number is 3291.

At Knox City Schools

Visitors Invited During 'Public Schools Week'

PROCLAMATION

WHEREAS, The greatest source of assurance for the future of the American Way of Life is our Public School System, which provides the tools of knowledge which will equip our young men and women to become constructive and responsible citizens in this land of freedom; and

WHEREAS, We have a great responsibility to maintain and advance the ideas and standards which our people have come to expect of their public schools, and to keep pace with the growing needs of our schools by providing improved methods and facilities.

NOW, THEREFORE, I, as Mayor of the City of Knox City, Texas, do designate March 2-6, 1959 as Public Schools Week in Knox City, in conjunction with Public Schools Week in Texas, and urge every citizen to visit at least one public school during this period and to become personally acquainted with the programs and accomplishments of our educational system in Knox City.

OTIS HARBERT
Mayor, City of Knox City

KNOX CITY TO MEET TURKEY IN REGIONAL MEET FRIDAY

The Knox City Greyhounds, victors over Weinert in the district (first round of regional) basketball game Monday night will leave Friday morning for Canyon and the regional meet.

The group will travel by private cars, with the school station wagon carrying the equipment. Plans are for the boys, coach Ted Darland and assistant coach Curtis Hines to stay at the Herring Hotel in Amarillo, 15 miles from Canyon.

The Greyhounds will play the Turkey Turks at 8:15 Friday night. If they win they will play again at 11:15 Saturday morning and if they win again, at 6:15 Saturday afternoon.

If the boys lose their first game they will be out of the tournament. If they win the first and lose the second they will play at 5 p. m. Saturday for third place.

The Turks upset McAdoo, one of the top teams in the state, 56-54 Monday night in the opening round of regional.

Before an overflow crowd in the Munday gym Monday night the Greyhounds cooled the Weinert Bulldogs 59-47. The Bulldogs were District 14-B champions and had beat Knox City twice early in the season.

Knox City stayed in the lead most of the way, with Weinert pulling ahead only briefly in the third period. Leading the scoring for Knox City was Dennis Anderson with 22 points, while Don Johnson, who had a back injury and wasn't as effective on re-

bounds as usual, still accounted for 18 points, Joe Elledge 10 and Jim Anderson 9. Knox City had an average of 59 percent, making 23 of 39 shots from the field. Weinert made only 18 of 61 attempts for 29.5 percent.

In the last 3:40 minutes of the game, with Weinert using a fast court press, the Greyhounds scored 13 points while holding the Bulldogs scoreless. Nine of the 13 points were free throws.

New Tannehill Discovery Finaled

American Petrofina Co. of Texas potentiated the No. 1 J. H. Davis as a Tannehill discovery in Knox County.

Well pumped 67.20 barrels of 35 gravity crude plus three percent water per day from 20 perforations at 2324 feet. Gas-oil ratio was 240.1. Operator originally drilled to 5059 feet, before plugging back to a total depth of 2373 feet. Pay was acidized.

Site of the field opener is five miles west of Knox City in section 56, G. G. Alford survey A-2. New field is approximately one mile south of production in the Carter-Gifford (Tannehill) Field and one mile west of production in the Wylie (Strawn) Field.

Suggested name for the new pay is Davis (Tannehill) Field.

INSECT CONTROL SHORT COURSE WILL BEGIN HERE MONDAY

What is the most effective and economical way to control insect pests of livestock and crops? This is one of the questions to be answered for farmers and ranchers during insect control short courses scheduled to be offered by five area schools during the month of March. Schools to conduct short courses are Munday, Goree, Knox City, Throckmorton and Crowell. The courses are being organized by the vocational agriculture teachers in the sponsoring schools and will be taught by H. A. Turney, Entomologist with the Vocational Agriculture Service with headquarters at Texas A&M College. Turney has both a B. S. and M. S. Degree in Entomology and has had three years of field experience in insect control work.

Four training sessions are to be held for each short course group. The schedule calls for meetings to be held in the high school vocational agriculture buildings as follows:

Knox City—Mondays, March 2, 9, 16, and 23.
Munday—Tuesdays, March 3, 10, and 24.
Goree—Wednesdays, March 4, 11, 18, and 25.
Crowell—Thursdays, March 5, 12, 19, and 26.
Throckmorton—Fridays, March

H. A. TURNEY

6, 13, 20, and 27. The first meeting at each school is set to begin at 7:00 p. m. The hour of subsequent meetings will be arranged according to wishes of participating farmers. Turney states that at Munday, Knox City, and Goree, he expects that main emphasis will be played on control of cotton bollworm. (See Insect Control, Page 8)

Parents of Knox City school students, as well as all others interested in the schools, were urged this week to visit the school during "Public Schools Week," March 2-6.

The public is invited to the school at any time during the year, whether to talk with the teachers, the administration, or to sit through a class, Supt. E. A. Youngblood said. However, visitors are extended a special invitation to participate in the statewide observance of Public Schools Week, although no special programs have been planned. "School officials feel it will be more constructive for visitors to see the every-day work of students and teachers," the superintendent added.

Plans are to arrange a display in several downtown business windows to remind everyone of Public Schools Week. There will be at least two display windows; one from high school and one from elementary school.

Schools throughout Texas will observe Public Schools Week beginning Monday. Governor Price Daniel's official proclamation reads in part:

"As we rush to train scientists and place satellites in outer space, however, it is important to remember that our public schools will furnish our leaders of tomorrow with the basic human, moral and spiritual foundations necessary for more advanced training and knowledge."

"In an effort to make Texas public schools the finest in the Nation, the citizens of our communities are urged to take an active interest in the school systems and to cooperate with the respective school boards, superintendents, principals and teachers."

"For the past nine years Public Schools Week in Texas has been set aside as a special time each year to place increased emphasis on our educational system. Parent-visitations is encouraged and each citizen is urged to recognize the tremendous importance of our public schools."

"THEREFORE, I, as Governor of Texas, do hereby designate the week of March 2-6, 1959, as Public Schools Week in Texas."

O'Brien to Host Meet for Area Speech Students

There will be a speech meet at O'Brien High School Tuesday, March 17, Supt. Elvin Mathis announced Wednesday.

In addition to the host school, Weinert, Knox City, Mattson, Vera and Hawley have been invited to participate. The meet will be in preparation for the district competition in March and early April. O'Brien, Weinert and Mattson are in District 14-B; Knox City and Vera in 13-B and Hawley in 17-B.

Events in the elementary division will be story telling, sub-junior declamation, senior declamation and junior declamation. In high school there will be debate, extemporaneous speech, junior declamation, senior declamation, poetry reading. Each school may enter two teams in debate and two students in each of the other events.

Exact schedule for the meet will be announced later, since the number of entries will determine the time for each contest. Awards will be made at the conclusion of the events.

The public is invited to attend, and there is no admission fee. Mathis and Mrs. Lee Haymes, O'Brien speech teacher, are directors of the contests. Abilene Christian College will furnish speech students as judges.

It is hoped that the contest will be an annual affair, Mathis said.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Texas—nearly seven weeks in session, the Legislature has not yet given any clear indication of how it will solve its problem—how much to spend and where to get it.

State agencies still insist they need every cent they asked for—and need it bad. But those who would be "fall guys" of money raising measures proposed thus far show no genial willingness to ante up.

Gov. Price Daniel is still pushing hard for his tax program. He suggested that critics would do better to stop sniping and start snooping—for a better way.

State Comptroller Robert S. Calvert called the governor's plan to gain \$18,000,000 by a change in bookkeeping just "legalizing a false statement." Budget Board Director Vernon McGee termed it "unworkable."

Daniel also contends that his plan for the state to take over unclaimed bank accounts, abandoned property, etc., might help a lot of people, since the state would advertise for rightful owners. But bankers and spokesmen for other affected industries called it "confiscation," said it would undermine public trust in institutions.

Corporations continue to blast at a franchise tax raise they say would increase their burdens as much as 500 per cent. A two-thirds vote of each House would be necessary to put this into effect to help with the deficit this year. Many say chances are dim.

A Lubbock legislator, Rep. H. J. Blanchard, made a survey on tax and spending attitudes. About 60 per cent of those replying opposed a sales tax. Roughly the same percentage favored more spending for teacher pay, higher education, old age assistance, state hospitals and pris-

ons. **GOTTA HAVE IT**—Strong pitches for more spending are being made by spokesmen for three major state services.

"I don't see how higher education can be financed without some broad-based tax," said J. R. Sorrel, chairman of the University of Texas Board of Regents. "You will have the backing of administration and this board in selling it to the people of Texas."

"We are absolutely broke, we don't have a dollar," said Prison System Director O. B. Ellis. "Riots that will cost more than the appropriation requested may result, if conditions aren't improved."

"You can chop off dollars, but you can't chop off children," declared a representative of the Texas Youth Council. Director James A. Turman said money spent on parole supervision and rehabilitation of youngsters in trouble would save on future prison costs.

THREE FOR SPEAKER—Three definite candidates already are jockeying for speakership of the House in 1961.

They are Reps. Wade Spillman of McAllen, Ben Glusing of Kingsville and L. DeWitt Hale of Corpus Christi. It may be a close-quarters fight. All are from the same general South Texas area.

Rep. Joe Burkett, who lost to present Speaker Waggoner Carr in a very close race, said he won't run again. Many members have protested early campaigning. They say it hampers work of present session.

"FREEDOM" BILL DELAYED—Senate Committee has put in its "back pocket" a bill to set penalties for those who refuse to make public records public.

Measure is one of several "freedom of information" bills sponsored by a group of news-

Corner on Cotton BY BOB COLLINS

Don't lose cotton acreage by not planting it and not turning it in . . . if you are not going to plant all your choice "A" acreage, release it to your county committee for reassignment . . . you'll get credit for the acreage just as if you planted it . . . If the acreage is planted by someone else, it can be considered in the history of the state and county . . . if it is not planted, it's lost . . . remember, you won't lose acreage history by turning it in, but everybody will lose if you don't . . . you can't turn in unplanted "B" acreage, however.

This is important to cotton and to you as a farmer, so don't let it happen . . . if you know of someone who isn't going to plant his allotment, talk with him . . . save your planting history . . . it could mean future money in your pocket if a bill is passed allowing you to sell or lease your allotment to someone else in your county or state.

Cotton Week
Cotton Week is slated for May 18-23 . . . theme of the week is "It's Cotton Time U. S. A." . . . National Cotton Council sponsors the program and can supply retailers with just about any kind of help that will sell cotton.

Texas Story
We've heard about a Texas cottonman who has stopped his friends from wearing synthetic shirts . . . when they show up wearing the synthetic he just presents them with a wash and wear cotton shirt, tells them to try it and then wear the better shirt . . . says there's no problem thereafter.

We Insist
Despite what you recently said, some farmers seem to think they can choose "B" plan and later get permission to switch to "A" if they get a poor stand or don't plant all their acreage . . . they are going to be disappointed . . . the law does give the Secretary of Agriculture permission to allow a switch to "A" . . . but you can be certain he isn't going to permit changes unless you have conditions that will melt the heart of a wooden Indian.

Veto
People who know say President Eisenhower will veto any bill to make direct payments to farmers . . . can the veto be overrid-

men's organizations.

It was sent to subcommittee for reworking with no time set for the subcommittee to report. In some cases, such action means the bill is buried for the session.

NEW AGENCY URGED—A bill has been proposed to take tax collecting out of the Comptroller's Department and set up a new agency headed by a state collector of revenue.

All sponsors of last session's Senate General Investigating Committee joined in sponsorship. They said they felt tax collecting could be handled more efficiently by an appointive officer of longer tenure.

Committee investigated the Comptroller's Department extensively last session. At one time members commented on the awkward position of an official who had to collect taxes and solicit votes—from the same people. However, the present Comptroller hasn't had any opposition in years.

SAFETY CONSCIOUS—Traffic safety legislation is developing into a major issue this session.

Rep. Tom James of Dallas has introduced the uniform traffic ticket bill, which he says will make for more effective enforcement against violators. He also proposes setting up county courts of record to review corporation court cases and also city traffic appeals courts.

James said he would join Col. Homer Garrison Jr., Director of the Dept. of Public Safety, in asking better salaries for state highway patrolmen.

Garrison told a recent meeting that "if the present trend continues, every second child born in Texas today will be killed or injured in traffic accidents."

Speaker Waggoner Carr said he felt "the climate of opinion was more favorable than ever before" for safety legislation.

SHORT SNORTS—Texas is pouring millions in state tax money into "inadequate, un-necessarily small school districts," said Texas Research League Director Alvin A. Burger in a recent speech . . . Maj. Gen. K. L. Berry has been re-appointed state adjutant general

by Governor Daniel. Brig. Gen. William H. Martin was renamed assistant adjutant general . . . Texas started 1959 by paying out more for unemployment compensation than it did in '58, the "recession year." Texas Employment Commission reported payments for January of this year were \$5,613,664, compared to \$4,918,511 a year ago . . . In a generous gesture toward a new rival, a House resolution was proposed to fly the flag of Alaska beside the Texas flag when the new 49-star U. S. flag is first raised at the State Capitol.

Uncle Ben from Benjamin says:

I see where some feller in Georgia that's been making and selling wood barrels for 50 years is going out of business. He says there ain't no sale now fer nothing but metal drums. I reckon sour kraut aged in a rusty tin barrel is another one of them post war improvements. We're going to keep on getting them improvements till tomain poisons on gits us all.

I hate mighty bad to see wood barrel makers go out of business. Besides losing all the useful things a wood barrel is good fer, what's going to happen to them annual cartoons showing a man walking home from the tax office in a barrel? It seems to me that them Congressmen, since they subsidize everything else, should come to the aid of the wood barrel makers.

And a piece in the paper this morning says they're going to have a contest in some North Carolina town to see which can walk 25 miles the fastest, a man or a horse. It was the man, not the horse, that thought up this contest. I think that illustrates in a nutshell the difference between horse sense and the kind some humans has got.

Well, our Congressmen is gitting back in the political groove and it looks like the Democrats has took over fer the time being. Politics in Congress fere the next two years is going to be as one-sided as a drunk's hat. The Republicans ain't going to have no

more say-so in the thing than a hog has at a hog calling contest. That's the way it goes, the Republicans run the country fer a spell, then the Democrats take over and I reckon as long as we keep swapping ends things will survive. In the meantime, life fer the voter is a everlasting struggle to keep his money coming in and his hair and teeth from coming out. Republican or Democrat Congress, it ain't the idea that the worst is yet to come that gits him down. It's the terrible uncertainty that when it's going to git here that keeps him awake at night. And the thing that worries me, Mister Editor, is that our problems git bigger and bigger all the time. Fer instant, in the thirties you had to buy a apple to help the unemployed, but now you've got to buy a automobile.

That rich feller that died in Maryland a couple year ago and didn't leave no will and no family really started somepun. The papers said recently that more'n 25,000 has now filed claims fer his estate. I'm going to tear the top off my birth certificate and file my claim today. I'm going to mail it along with 50 words more or less on who I think I am. If I hit the jackpot I'm going to quit writing this little piece fer your paper and build me a broadcasting station.

Yours truly,
Uncle Ben

Miss Marcella Benham of Chillicothe spent the week end with Mr. and Mrs. Leo Benham and other relatives and friends.

Mr. and Mrs. Bobby Golden and Mr. and Mrs. Billie Golden of Eastland were visitors in the homes of their parents, Mr. and Mrs. A. Golden and Mr. and Mrs. Ed Nolan Sunday.

General Telephone And Sylvania Merge

A new corporate name, General Telephone & Electronics Corporation, was approved this week when stockholders of General Telephone Corporation voted approval of the merger of Sylvania Electric Products Inc., into their company under the new name, at a special stockholders meeting held in the Statler Hilton Hotel in Dallas. At the same time, Sylvania stockholders voted approval of the merger at a meeting held in the Sheraton Plaza Hotel in Boston.

Donald C. Power, President of General Telephone, will be Chairman of the Board and Chief Executive Officer of the New Corporation. Don G. Mitchell, Chairman of the Board of Sylvania, will become President of the new company. Sylvania will continue to operate as a separate Corporate entity.

The merger will result in increased diversification of investment, substantially increased research and development facilities which may enable the General Telephone System to provide improved telephone service to the public and to serve better the National Defense effort. Sylvania will be in an improved position to finance future development to diversify further due to the research efforts of the combined companies, and to benefit from General's experience and background in foreign manufacturing.

General Telephone is the largest Independent Telephone Company in this country, and the second largest Communication System. It has telephone operating companies in thirty states, most of them in growing areas with continued prospects for sizable increases in subscribers. Sylvania is a leading manufacturing company in the fields of lighting, television-radio, electronics, photography, and chemistry-metallurgy. It has 45 plants and 20 laboratories in 39 communities in 13 states.

ATTEND FUNERAL SERVICES FOR W. J. (WILL) LANE

Here last Thursday visiting in the Eli Williamson home to attend funeral services for W. J. (Will) Lane were Mr. and Mrs. Rufus Kevel and Paul, Mr. and Mrs. Don Marvin and Mrs. W. J. Lane, all of Arlington; Mr. and Mrs. Bill Lane and Van of Fort Worth; Mrs. Sue Handcock and Mrs. Bob Webb of Dallas; Mr. and Mrs. Kenneth Handcock of Abilene; Mrs. Bell Prickett and Mrs. Orena McNeal of Wichita Falls; Mr. and Mrs. Jack Rainey of Levalland; and Mr. and Mrs. C. J. Williamson and Joe.

Mrs. C. C. Hoge returned Sunday from Temple where she spent last week with her daughter, Mrs. Dan L. Steakley, and family. Mr. Hoge went for her Saturday and spent the night.

Truscott News

1946 Study Club to See Cancer Film

A cancer film, "Much Ado About Something," will be shown in connection with the 1946 Study Club's annual Texas Day program Tuesday, March 3, Mrs. Paul Hoge, president, said this week.

Miss Helen Killion, a representative of the American Cancer Society, will show the film and give a short lecture.

The meeting will be held at the Woman's Club at 4 p. m. Hostesses will be Mrs. Rip Collins, Mrs. David Counts, Mrs. Ted Darland, and Mrs. Curtis Hines. The Texas Day program will be presented by Mrs. Charles Reed's seventh grade students. Guests will be members of the Knox City Study Club.

Mrs. Hoge urged all members to attend the meeting.

Mrs. Williams to Speak at Weinert Study Club Meeting

Mrs. C. E. Williams will be guest speaker at the regular meeting of the Weinert Study Club Thursday, March 5. Mrs. Williams will review the book "The Typical Texan" by Joseph Leach to highlight a program on Texas Heritage.

Speaker for a Federation Day program the first Thursday in February was Mrs. B. B. Campbell of Knox City whose topic was "Federation and Its Meaning." Mrs. Campbell was introduced by Mrs. Elwood Hackney, first vice-president of the club.

Givens-Headen Wedding Vows Read at Roscoe

Miss Glenda Givens, daughter of Mr. and Mrs. C. R. Givens of Knox City, became the bride of Drayton Headen Thursday, February 19.

The double ring ceremony was read at 6 o'clock in the evening at the home of Rev. and Mrs. Walter Driver in Roscoe. Rev. Driver, pastor of the Roscoe First Methodist Church and former pastor of the Knox City church, officiated.

Attending the couple were Miss Betsy Tienart of Olney, student in Ranger College, as maid of honor, and Jerry Bean, student in Ranger College, as best man.

For her wedding, the bride wore a white embroidered sheath dress, featuring a wide-scalloped neckline and brief sleeves. Her short veil fell from a headpiece of white velvet. She wore a single strand of pearls which belonged to her mother, and carried a cascade arrangement of white gladioli around a white orchid.

After a wedding trip during the week end the couple returned Sunday to Ranger where both are freshmen students in Ranger College. They will serve as supervisors of the boys' dormitory at the college.

The new Mrs. Headen is a 1958 graduate of Knox City High School, where she served as drum major her last three years in high school and a majorette prior to being named drum major. A talented actress and vocalist, the bride has entertained at many programs and conventions in this area. Two years in succession, she was named "Best Actress" in the District in One-Act Play Contests. Mrs. Headen is leader of the Rangeanns, College drill team.

The bridegroom is the son of Mr. and Mrs. John B. Headen of Carrollton. He is a 1955 graduate of Carrollton High School. He is a member of the college chorus and the boys' duet, and is one of the soloists of the Fine Arts. He is a member of the Masquers, the college dramatics club, is trainer of the Rangers football squad, and is sports editor of the college yearbook.

Attending the ceremony from Knox City were the bride's mother, her sister, Miss Jackie Givens, and Miss Ann Underwood.

W.M.S. Circle News

The Everley Hayes circle of the Baptist Women's Missionary Society met in the home of Mrs. Bob Jones Monday afternoon.

Mrs. H. W. Finley opened the meeting with prayer. Mrs. H. R. Beauchamp was in charge of the business. Members were reminded to bring clothes for the Mexican home in San Antonio next Monday.

Mrs. Bill Clarke gave the Bible lesson. Six members and one visitor were present. Mrs. W. N. Lewis voiced the closing prayer.

NEW COTTON VARIETY—S. N. Reed, left, of Northern Star Seed Farms and W. R. Woodward of Wacoa Seed Farms at Waco admire the new Northern Star No. 5 variety of stormproof cotton. The cotton was developed at O'Brien with the help of J. S. Mogford retired cotton specialist of A&M College, and was shown to cotton men from all over the area during Northern Star's recent field day. (Photo courtesy Abilene Reporter-News).

Church Achievement Program Entered By Truscott Baptists

The Truscott Baptist Church has entered the 1959 Baptist Church Achievement Program, pastor Homer Stephens said this week.

Sponsored by the Baptist General Convention of Texas, the program is designed to stimulate interest in small-church work. Outstanding achievements by pastors and churches in areas of Church, Community and World improvement are recognized.

More than 350 Texas Baptist Town and country churches entered the program last year. Participating churches in recent years recorded twice as many baptisms per member as the Southern Baptist Convention average.

Each church in the program sets up goals for advancement in the three areas. An inventory questionnaire furnishes suggestions for projects such as health, education, community recreation programs, citizenship training

race relation studies and world missions.

Pastors recognized in each of the Conventions 17 geographical districts receive a parchment scroll and the church a metal plaque which may be displayed in a prominent position outside the building.

Churches in the open country and in towns up to 2,500 population and all Latin-American churches and missions are eligible to enter this program. About two-thirds of the denomination's 3,812 churches are classified as town and country congregations.

Records and Scrapbooks of program progress are made under the direction of three special committees. The scrapbooks are basis for judging on the association, district, and Statewide levels.

Darwin Farmer, Direct Missions Associate for the Convention, is in charge of the program. He said the "enlistment of a church's total membership in active service" is the program's primary value.

Nominations Made For FHA Officers

Regular meeting of the Knox City chapter, Future Homemakers of America, was held in the homemaking department of the school last Thursday afternoon.

Pretricia Hendrix presided. The opening and closing rituals were held. Reports from officers and committees were given and play books were distributed.

The chapter will present a play, "Twelve Old Maids" as an assembly program and money-making project later in the year.

Chapter members voted on the proposed changes in the present state By-Laws. The proposed changes will be presented to the voting delegates at the state meeting in Dallas April 23-25.

Of the five proposed changes the chapter approved four and opposed the change in the election of state officers, Article VII, Section II. Sophomore homemaking girls gave a skit on Safety and Civil Defense, projects of FHA. Tak-

Streams In Desert Places

Ozelle Stephens

Sometimes man finds himself thinking and talking like hollow men, being misunderstood and misunderstanding. Remember we are on this earth for a reason. That is to seek God—know Him—love Him and witness for Him. There are many ways to find Him. In prayer—Bible reading and in others. We approach Him through Christ. He loves and cares for us because the Word says: "For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life." (John 3:16. Come to Him and He will make your burdens light and His yoke will bear you up.

"You can notice the difference..."

...with the first full tank."

That's what users say of Golden Esso Extra gasoline... and truer words were never spoken!

Golden Esso Extra will improve the performance of any car in any price class.

It is a modern gasoline of highest octane rating and exceptional purity, formulated with special chemicals from Humble's great Baytown refinery. It gives superior anti-knock performance; it burns cleaner than any other gasoline; it eliminates "bucking" when you start and "rumble" as you run; and it adds the power and response

that make driving safer and—yes, more fun! As one Humble customer puts it, "Golden Esso Extra wakes up your car!"

The cost is only pennies more than the cost of gasoline in the middle-price range (about a nickel a day on the average), and you get a dividend of improved performance on every mile you travel. Any car in any price class.

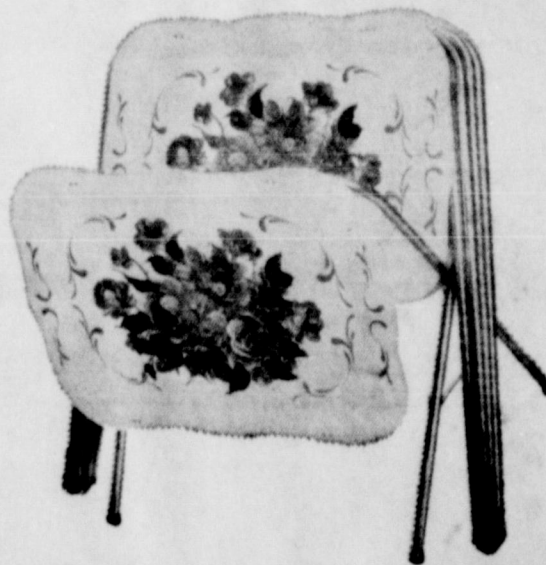

See for yourself—fill up with Golden Esso Extra under your neighbor's Humble sign. Every time!

Insect Control

(Continued from Page 1)
 Insects while at Crowell and Throckmorton more time will be devoted to control of livestock pests. Control of insects of small grain, fruit and nuts, stored grain, and various crops may be included if interest warrants it, Turney pointed out.
 The insect control short courses are being conducted under a new program undertaken by the Vocational Agriculture Division of the Texas Education Agency.
 Under the program, agricultural specialists are made available to vocational agriculture departments in public schools to conduct specialized training on a short course basis for farmers and ranchers. Specialists are stationed at Texas A&M College and their work is coordina-

ed through the Agricultural Education Department. The chief purpose of the program is to enable vocational agriculture teachers to provide better educational services for rural people, specialist carry training on newer and better methods to farmers and ranchers in the field. Specialists are now available to schools in farm management, dairying, farm welding, farm electrification, insect control, and tractor maintenance.
 Plans call for Entomology Short Course Certificates to be presented to enrollees on the closing nights of each short course. An entry fee of \$2.00 per person is to be charged. Enrollment is handled by the vocational agriculture teachers in the sponsoring schools: Arnold Brown of Knox City, Wayne Clift of Goree, Elmer Kuntz of Munday, Marvin Meyer of Crowell, and W. B. Owen, of Throckmorton.

J. A. Floyd Dies At Denver City

Funeral services for James Alvin Floyd, 63, of Denver City, brother of L. C. Floyd of Knox City, were held in the Denver City First Methodist Church Wednesday at 2:30 p. m.
 Mr. Floyd died at his home Monday. He is a former resident of Munday and had lived in Abilene before moving to Denver City three years ago.
 Born April 18, 1895, he was a retired electrical worker. He had been in ill health for several years.
 Burial was in Denver City under the direction of Denver City Funeral Home.
 Survivors other than his brother in Knox City are his wife; two sons, W. C. of Denver City and James Alvin, Jr. of Dallas; three daughters, Mrs. Belle Brown of Vera, Mrs. Leona Hendricks of Denver City and Mrs. Ethel William of Lubbock; another brother, Oliver J. of Azle, one sister, Mrs. D. B. Brown of Abilene; and 16 grandchildren.

Walsworth, Johnson Named to All-Area Basketball Teams

Danny Walsworth of O'Brien was named to the all-area Class B basketball team selected by the sports department of the Wichita Falls Times and Record-News this week.
 Walsworth, 5'11" senior, made an average of 22 points per game. Last year, as a junior, he was named to the Texas Sports Writers' all state Class B team.
 Others on the Wichita Falls papers' all-area team were Jerry Mann of Prairie View, Billy Plemons of Midway, Bobby Williams of Bryson and Jerry Sernadel of Petrolia.
 Don Johnson, Knox City junior, David Boykin of Weinert and Doug Gore of Vera all made the second team, along with Carl Henry and Leon Campbell of Midway.
 Selections for a third team included John Tom Johnston of O'Brien, and receiving honorable mention were Don Ryder of Benjamin, Jerry Walker and Don Raynes of Weinert, Joe Elledge of Knox City, and Charles Latham of Goree.

School Lunchroom Menus Announced

Menus at the Knox City School lunchroom for the week beginning March 2 will be as follows:
 Mon.: Tamales, green beans, corn, sliced bread and butter, grapefruit sections, milk.
 Tues.: Butter beans and ham hock, buttered carrots, green salad, cornbread, butter, banana pudding, milk.
 Wed.: Chicken salad sandwiches, pork and beans, potato chips, ice cream sandwiches, milk.
 Thurs.: Spanish rice, cole slaw, buttered greens, cornbread, butter, fruit salad, milk.
 Fri.: Holiday.

Area Teachers To Meet March 6 In Wichita Falls

Classes in the Knox City Schools, both high school and elementary school, will be dismissed all day Friday, March 6, date of the district meeting of Texas State Teachers Association, Supt. E. A. Youngblood said Wednesday.
 All teachers in the school are expected to attend the meeting, he said. The Oil Belt District meet will be held in Wichita Falls. Counties comprising the district are Knox, Archer, Baylor, Callahan, Clay, Eastland, Fisher, Foard, Hardeman, Haskell, Jack, Jones, Montague, Nolan, Scurry, Shackelford, Stephens, Stonewall, Taylor, Throckmorton, Wichita, Young, and Wilbarger.
 The Eighth Grade Chorus of Knox City Junior High School will sing at the English luncheon at Harrell School in Wichita Falls Friday. The chorus is under the direction of Mrs. Curtis Casey, Knox County Public School Music Teacher. Mrs. E. F. Branton, Knox City elementary principal, is vice-president of the English group. Mrs. Otis Cash, high school English teacher, is treasurer. Mrs. Branton will introduce the principal speaker at the luncheon, who will be W. D. Bond, professor of Hardin-Simmons University, Abilene.
 First general session of the convention will be at 10 a. m. A musical program presented by the Wichita Falls High School Band will be followed by the presentation of colors by the Wichita Falls ROTC unit. The invocation will be given by C. A. Jolly of Wichita Falls. Dr. Joe B. McNeil, superintendent of schools in Wichita Falls, will extend a welcome from the 120,000 citizens, 900 school personnel and 17,000 students of the city. Greetings will also be issued from TSTA by Vincent Miller, president of the organization.
 Dr. Walter K. Beggs, dean of Teachers College, University of Nebraska, will deliver an address based on the general theme of the convention, "Education for a Changing World." Platform guests will include past presidents of District VII.
 A program by a capella choir and orchestra of Wichita Falls High School will begin the second general session at 7:30 p. m. in the municipal auditorium. After the invocation by Thomas F. Barnett, Wichita Falls, Mrs. Luther Burkett of Haskell will bring greetings from National Education Association. Addressing the convention will be Dr. Lyman V. Ginger, dean of College of Education in the University of Kentucky. The Wichita Falls High School ROTC will close the meeting with the retiring of colors. The second assembly platform guests will include local unit presidents for 1959-60.
 In addition to the general sessions, there will be eighteen luncheons and three dinners. Ten of the luncheon meetings will be held at Senior High School. Other hosts include Harrell School, Kemp Hotel, Woman's Forum, Barwise Junior High School, Reagan Junior High School, Ben Franklin School, Underwood's Barbecue and Ben Milam School. Dinner meetings commencing at 5:30 p. m., are scheduled as follows: Classroom Teachers Association, Zundelwitz Junior High School; secondary principals, Mc Gaha School; and elementary principals, Fain School.

Rites Held at Goree For Pioneer Resident

W. R. Couch of Goree, Knox County pioneer and former Goree businessman, died at 5 p. m. Sunday at his home in Goree after a long illness.
 Funeral services were held Tuesday at 2 p. m. in the Goree Baptist Church with the Rev. C. R. Mathis, pastor, officiating. Burial was in Goree Cemetery under the direction of Lanningham Funeral Home.
 He was born Oct. 5, 1877 in Hill County and moved to the Miller Creek community in 1884. He worked on ranches during his younger years, including the famous XIT ranch. Mr. Couch married the former Leah O'Neal April 7, 1911 at Miller Creek.
 The couple moved to Goree in 1917, where Mr. Couch was associated with West Texas Supply Co. and later owned a furniture store. He retired many years ago. He was a member of IOOF, and the Baptist Church, and served on the school board for a number of years.
 A son, Robert, preceded him in death in 1952.
 Survivors include his wife; two sons, Taylor of Goree and Wayne of Big Spring; one daughter, Mrs. Jeff Lowrance of Goree; one brother, Arch Couch of Meridian; 15 grandchildren and one great-grandchild.

Weinert Wins Playoff With Two Straight

Weinert blasted O'Brien's hopes for the District 14-B basketball championship Thursday night by winning the second straight game, 52-42, in a play-off series.
 The two teams had identical 9-1 records when district play ended.
 High scorer for O'Brien was John Tom Johnston with 17. Weinert held O'Brien's all-star Danny Walsworth to 15 points, 11 of which were in the quarter.

GOLD STAR AWARD
 AMERICAN GAS ASSOCIATION INC.

mark of the world's most advanced range
 ...and it's GAS

When you see the Gold Star Seal on a modern gas range it means the range, whatever its make, has been awarded this distinction by meeting 28 Gold Star "standards of perfection." The Gold Star is your assurance of the fastest, coolest, cleanest, most carefree cooking. Among these 28 special features are the marvelous Burner-with-a-Brain, interval timer, and self-lighting broiler and oven. Of course, you get the exclusive advantages that only Gas can give, like smokeless closed-door broiling, and no hangover heat. What pleasure and convenience this means! See Gold Star Award Gas Ranges!
