Greyhounds Hold Rochester Steers To 31-14 Victory

The Rochester Steers chalked up a 31-14 victory over the Knox City Greyhounds Wednesday afternoon, but the 'Hounds thrilled local fans by holding the visitors to six points during the first quarter and scoreless in the second quarter.

In fact, except for the sensational long runs by the fast Rochester backs, the 'Hounds outplayed the highly favored Steers all through the game.

Rochester scabbard Tony McWhorter made the difference in the ball game, accounting for three of Rochester's five touchdowns. His first came in the first period, when he took a Knox City punt on his own five yard line. Almost trapped when he momentarily fumbled the ball, the flashy runner reversed his field, loafed along until he picked up beautiful blocking, and scampered 95 yards for the tally.

In the third quarter, Hollingsworth got loose for 60 yards and the Steer's second score. A few plays later Finley completed a pass to Teague, who was jarred loose from the ball, and the Steers regained possession of the ball. After McNelly was downed for a yard loss and McWhorter picked up a yard, a smooth, tricky hand-off deceived the 'Hounds and Glover galloped 55 yards for another Rochester score. 'McGuire kicked the Steers' only extra point of the game.

Operating from a spread formation, the 'Hounds took to the air, and a pass from Finley to Leach was good for 15 yards and a pass to Teague accounted for another five. Then a long pass and a sensational catch by Lewis put the 'Hounds in scoring position. Burt circled right end to pay dirt but the play was called back, and the 'Hounds kept plugging at the line until Finley carried over on a quarter-back sneak. A pass from Finley to Lewis was good for the extra point.

In the final period McWhorter on a quick opener through the left side of his line scampered 45 yards for a Rochester TD. A few plays later Glover intercepted a Knox City pass on the 45 and was chased out of bounds on the four. The Greyhounds held the Steers three times, but McWhorter carried the ball over on the fourth try.

Knox City's second touchdown came after Finley intercepted a Rochester pass on the midfield stripe and carried it to the Steer 30. Working the ball down to the 15, the 'Hounds scored on a pass from Finley to Lewis in the end zone. Burt carried over for the extra point.

Finley, Lewis, Teague, Burt, Bob Jensen, Leach and a number of other 'Hounds played heads-up football all through the game. The team meets the Leuders Pirates on the local field next Friday night, Nov. 20, in their last scheduled game of the season, and after seeing the team perform against Rochester, local fans are looking for a win.

The win by the Steers puts Rochester and Rule in a tie for the lead in the District. The two teams will clash at Rochester Friday night, Nov. 20, in what should be a bang-up game.

TRAINING SCHOOL FOR H-D LEADERS SCHEDULED

A Work Simplification Training School for Home Demonstration Club leaders in Knox County will be held November 18-19 in the home of Mrs. Bill Dodd in Benjamin. It was announced this week by Miss Anna Lee Drieschner, Knox County Home Demonstration Agent.

The school will be conducted by Mrs. Eula J. Newman, Home Management Specialist for the Texas Agricultural Extension Service.

Two leaders each from the clubs in Munday, Truscott, Gilliland and Benjamin clubs will participate in the school, along with Miss Drieschner and Mrs. Louise Jeffers, Dickens County Demonstration Agent.

Emphasis will be placed on finding simpler, quicker and easier ways to do household jobs. This type of training is both interesting and beneficial to homemakers.

LIVESTOCK PRODUCERS USE EMERGENCY LOANS

More than \$11,689,000 in special livestock loans has been loaned to approximately 1,190 farmers and ranchers throughout the United States, and nearly 600 other applications are being considered, Wilburn A. Satterwhite, Farmers Home Administration supervisor for Knox and Baylor counties, reported this week.

The special livestock loan program authorized last July helps established producers of cattle, sheep and goats to maintain their herds, Satterwhite said. The producers who can borrow are those with good past records of livestock production but who are temporarily unable to get adequate credit from commercial banks, cooperative lending agencies or other responsible sources to enable them to go ahead with normal livestock operations. They must have reasonable prospects of success with the help of a loan. Commercial feed lot operators are not included.

Applications can be made at the Farmers Home Administration office in Seymour. Committees authorized by Secretary of Agriculture Benson approve the loans. Applications for more than \$50,000 must have final approval by the Secretary of Agriculture in Washington.

A borrower may use his loan funds for usual expenses of carrying on a livestock operation, including restocking his herd up to the number he had before he had to reduce his herd.

The five-percent loans may amortized over a 3 year period and secured by the best loan possible on the borrower's property and his personal obligation to repay the borrowed money. Other creditors, although not asked to subordinate their claims, are expected to agree to stand by so the farmer can have a fair chance to work out his difficulties. Agreements are made to let the farmer apply a reasonable part of his livestock income to repaying the special livestock loan.

L. W. Cypert, 71, Retired Farmer, Dies Saturday

Funeral services for Lorenzo Wayne Cypert, 71, retired Knox City farmer, were held at the local Methodist Church Sunday afternoon at 2:30 o'clock. Rev. Oscar Bruce, pastor of the church, officiated, assisted by Rev. E. V. Becker, Rev. Floyd Bailey, and Rev. Doyle Eagle of Munday.

Mr. Cypert died at his home at 1:30 a. m. Saturday, Nov. 7, of a heart ailment.

He was born in Eastland county in 1882, and moved to Haskell county in 1897. In 1904, he was married to Miss Myrtle Stockton, and they moved to Knox City in 1921.

He was a member of the Knox City Methodist Church.

Survivors include the wife; three sons, J. T. and Verlin Cypert of Knox City and Truman Cypert of Munday; three daughters, Mrs. Marlin Smith of Granbury, Mrs. Floyd Knox of Rochester and Mrs. Lynn Tankersley of Knox City; three sisters, Mrs. Vera Denton of Bridgeport and Mrs. Lulu Denton and Mrs. John Griffith of Knox City; and a brother, L. R. Cypert of Munday. Also surviving are ten grandchildren and a number of nieces and nephews.

Church Schedules Fellowship Meeting

A Fellowship Meeting will be held at the local Full Gospel Mission Monday night, Nov. 16, with Rev. C. W. Drake in charge. It was announced this week by Mrs. Nettie Wilcox, pastor.

The Churches of God in Munday, Haskell and Rochester will participate in the service.

Rev. Drake is pastor of the Rochester Church of God.

There will be good music and special singing, the pastor said, and the public is cordially invited to attend.

SUPPER CLUB MEETS WITH MRS. JOHN WILSON

Members of the Monday Night Supper Club met at the home of Mrs. John Wilson Monday night, and from there went to the City Cafe for their evening meal.

After eating, the group returned to Mrs. Wilson's home for games of bridge and canasta. Eight members were present.

Mrs. N. F. Mullins, Sr., president, said the next regular meeting will be held Monday night, Nov. 23. She urged all members to attend.

Local Clubs Completing Plans for "Turkey Shoot"

Members of the Knox City Lions Club and the 1946 Study Club are completing plans for a "Turkey Shoot" to be co-sponsored by the clubs just prior to Thanksgiving.

Tentative plans call for the contests to be held on Nov. 21, 23, 24 and 25 in the basement of the American Legion hall, and the clubs expect to give away about thirty turkeys during the four-day event.

Shooting will be at fixed targets, and the turkeys will be awarded to the high scorers in each group of 25 or 25 marksmen.

Mrs. Rip Collins, Study Club president, Wednesday named two committees to work with the Lions Club committees on the shoot. Members of the publicity committee are Marie Cone, chairman, Marion Perdue, Betty Williams and Velma Voss. On the gallery committee are Mabel Wilson, chairman, Marie West, Juanita Hickok and Laura Clonts.

The Lions Club committees named by Jeff Graham, president, are: Ammunition, targets, etc. Otto Lawson, Joe Clonts and W. P. White, Place and arrangements, Otis Harbert, C. H. Keck, E. V. Becker, C. E. Williams and W. L. Collins. Operations, Rev. Floyd Bailey, Chad Wilson, Herman Egenbacher and Vaughan Gruben, Prizes, O. W. Causey, Bud Thompson and Charles Reed.

Practice Sessions for Legion Program To Begin Tonight

All entertainers who plan to be in the "Television Show" were asked by Mrs. Bobby Bradberry, director, to be in the school gymnasium tonight at 7:30 p. m. (Thursday).

The gigantic music revue is sponsored by the American Legion with Curtis Coates as commander.

A new feature added this week to the program is the identity of "Mr. X." A five-dollar bill will be given to the first person who guesses his identity as his biography is read. "Mr. X" will also appear on the stage in disguise.

The show will be held in the gymnasium Thursday night, November 19, beginning at 7:30. Highlight of the evening will be the awarding of a television set to the holder of the lucky ticket.

Funeral Held at Bryan Thursday For Truman Gilpin

Funeral services for J. Truman Gilpin were held at the Free Will Baptist Church in Bryan Thursday, November 5 at 3 o'clock. Rev. Charles Sopp officiated, assisted by Rev. Oscar Bruce, pastor of the Knox City Methodist Church.

Truman, the 17-year-old son of Mr. and Mrs. J. T. Gilpin of Knox City, was electrocuted early Wednesday morning, Nov. 4, on an oil rig nine miles west of town. According to Justice of Peace W. L. Robinson, who conducted an inquest Thursday morning, the floor of the rig, which had just been washed down, had been charged from a short circuit caused by the wet planking.

The rig was owned by the RHK Drilling Co. of Abilene and was drilling on the Hamilton Ranch under contract to the Seaboard Oil Co. Gilpin had been working on the rig two days.

Interment was in the Bryan City Cemetery under the direction of Hillier Funeral Home.

Pallbearers were Curtis Todd, Jack Gilpin, James McKinney, Floyd Saxton, Milton Risinger and James Floyd.

A native of Bryan, the deceased was born Nov. 7, 1935. He moved to Knox City with his parents in 1951. He attended high school here and was a member of the Greyhound football team.

Survivors are the parents, a brother, Billy; and his grandparents, Mr. and Mrs. Seab Keith of Kurten and Mrs. Mary Gilpin of Bryan.

Books Needed By School Library Listed

Mrs. Phil Colehour, who has been doing volunteer work at the high school library for the past month, this week issued a list of books badly needed in the library.

Mrs. Colehour said the books named are not, by any means, the only ones needed. It is a partial list of books that should be found in every school library.

It is hoped that some owners are on book shelves in Knox City and will be donated to the school.

The list compiled by Mrs. Colehour is as follows:

Autobiography of Benjamin Franklin; Oregon Trail, by Francis Parkman; Uncle Tom's Cabin, by Harriet Beecher Stowe; Gulliver's Travels, by Jonathan Swift; Kenilworth, by Walter Scott; Barretts of Wimpole Street, by Rudolph Besier; The Return of the Native, by Thomas Hardy.

Uncle Remus, by Joel Chandler Harris; Little Shepherd of Kingdom Come, John Fox; The Spy, by James Fenimore Cooper; Far Away and Long Ago, by William Henry Hudson; Rowena, by Helen Hunt Jackson; To Have and to Hold, by Mary Johnston; The Jungle Book, by Rudyard Kipling; Drums, by James Boyd; Oliver Twist, by Charles Dickens; Royal Road to Romance, by Richard Halliburton; Flying Carpet, by Richard Halliburton; Lamb's Tales from Shakespeare; Shakespeare's Hamlet; Lor of a Cowboy, by Andy Adams.

Little Men, by Louisa May Alcott; Pride and Prejudice, by Jane Austen; Jane Eyre, by Charlotte Bronte; Scarlet Letter and House of Seven Gables, by Nathaniel Hawthorne; David Copperfield, by Charles Dickens; Complete Works of O. Henry; Poetry by Longfellow, Whittier, Frost, Wordsworth, Browning, Chaucer, Keats, Housman, Shelley and Tennyson; and Modern Plays by O'Neill, Maxwell Anderson, Galsworthy, Shaw etc.

Mrs. Otis Cash, who is in charge of the library, reported that books are still being donated. The library is open, and students are assisting Mrs. Colehour in binding worn books.

Former Resident Loses Cafe in Fire

A major fire in Ruidoso, N. M., Monday of last week destroyed the Davis Grill, which was owned and operated by Denny W. Davis, formerly of Knox City.

The early morning fire also destroyed the Ruidoso Bowling Center, where the blaze started, and two residences, and seriously damaged the Diamond Bar and the Village Beauty Salon.

1946 STUDY CLUB TO HAVE THANKSGIVING PROGRAM

The annual Thanksgiving program of the 1946 Study Club will be held Tuesday, Nov. 17 at 4:00 p. m., at The Woman's Club.

Rev. Oscar Bruce, pastor of the local Methodist Church, will be the guest speaker. Program leader will be Mrs. Jeff Graham, and Mrs. George Wall will be hostess for the meeting.

Mrs. Rip Collins, president, urged all members to attend and hear Rev. Bruce, and to take part in the very important meeting which will follow the program.

BAND PARTICIPATES IN MIDWESTERN HOMECOMING

Members of the Knox City school band reported an enjoyable time during Homecoming activities at Midwestern University in Wichita Falls Saturday, despite the cold and windy weather.

The band participated in the 13-block downtown parade. After the parade they returned to the university for a barbecue dinner at the school cafeteria. The directors met together for lunch and were given complimentary passes to the football game for each member of the band and the sponsors. Max Kreutz House of Music presented each director a baton.

Possibility of new oil production for Knox County was indicated Wednesday when a show was found at a shallow depth in the Seaboard, et al. No. 1 Hamilton, wildcat location about eight miles northwest of town.

Tests from 2495-2510 in an unidentified Wolfcamp sand had gas to the surface in six minutes, and the well flowed 38.7 gravity oil in 1 hour and 2 minutes at an estimated rate of 15 barrels per hour.

The oil-bearing sand was topped at 2,500 feet.

Schlumberger test was run this morning and it was reported that operators will set pipe and attempt completion of the well.

A slight show at approximately the same depth was found in a previous test in the same area.

Dallas Woman to Be Guest Speaker at Garden Club Meeting

Mrs. Tommy Hampton of Dallas, a native Knox Citian, will be guest speaker when the Knox City Garden Club entertains the Santa Rosa Horticulture Society Wednesday, November 18, at The Woman's Club.

Mrs. Hampton is the former Miss Sydnia Edwards, daughter of Dr. and Mrs. T. S. Edwards. She is active in garden clubs in Dallas and is a certified judge of flower shows. Her subject will be "Developing Designs," telling and showing how to make arrangements.

A business meeting for the officers and directors of the society will be held at the club house at 10 a. m. From there the officers and directors will go to the farm home of Mrs. Ancil Waldrip for an old-fashioned Thanksgiving dinner. Mrs. Waldrip is a collector of antiques and her home is furnished in antique furniture. The old-fashioned menu will be served in a quaint style.

At 1:30 p. m., the officers and directors will meet with garden club members and guests at the club house for the program by Mrs. Hampton. The public was invited to attend. Admission will be 50 cents.

A 30-minute film, Developing a Garden, will be shown by Mrs. C. N. Neal of Vernon, first vice-president of the Santa Rosa Horticulture Society.

All club members were urged to attend the program.

Cantata Practice Set for Monday Nite

Directors of the community Christmas Cantata this week asked those taking part in the program to make a special effort to attend the practice Monday night, Nov. 16 at 7:30, at the First Baptist Church.

Practice sessions will be held at the church every Monday night until the Cantata is presented early in December. It is sponsored by the Knox City Study Club and the 1946 Study Club, with a number of the churches in town cooperating.

Benjamin Minister On Program at State Convention

Karel Desgrange, minister of the Benjamin Christian Church, had a part on the program during the Texas Christian Convention, held in Dallas Nov. 3-5.

Sponsored by the Dallas Christian College, the convention featured 70 speakers from eight states and one foreign country, Thailand.

Another feature of the meeting was a Bible Verse-Finding Championship Contest.

WEATHERPROOF YOUR SOIL. SPECIALIST ADVISES

COLLEGE STATION. — Will expected fall and winter rains be beneficial or detrimental to the soil on your farm? If soil is unprotected, says M. K. Thornton, agricultural chemist, it needs weatherproofing by conditioning the soil to soak up rainfall or at least slow the run-off rate.

Soils can be "proofed" against erosion losses, he says, by providing a green blanket of protection. That blanket can be made of any closely woven cover of growing oats, winter peas or one of the other adapted legumes. Or if you do not prefer to plant legume, any compact

growing crop like rye, barley or wheat will provide weatherproofing against damaging erosion, Thornton adds.

Few people question the value of weatherproofing the soil in the long run, but some ask if it will pay off next year.

The answer, points out Thornton, comes from records kept by extension service demonstrators in all sections of the state. Corn following fertilized legumes produced 36 bushels an acre against 18 bushels where corn did not follow fertilized legumes. This same method of farming showed the following year a per acre increase of 71 per cent for cotton, 63 per cent for grain sor-

"HEY THERE, MR. BAGPIPER"—Three-year-old Bobby Jo Bailey of Dallas ran to the side of Scottish Bagpiper Bobby Laidlaw and tugged his kilt in a vain attempt to get his attention while he shrilled a tune on the lawn of the Texas Scottish Rite Hospital for Children. Laidlaw and 21 other members of the Plymouth Kiltie Band gave a concert at the hospital in Dallas before 40 tiny patients, including Bobby Jo who is undergoing free treatment for a crippled hand. P. S. There was a happy ending for the two Bobbys. As soon as Sgt. Piper Laidlaw finished the tune ("The Eyes of Texas," no less), he laid down his pipes and talked to the little girl.

ghum, 56 per cent for wheat, 65 per cent for oats and 129 per cent for sweet potatoes.

Thornton suggests you see your county agent about weatherproofing your soil. He can help select the right winter cover crop and proper fertilizer for weaving a blanket of green on your farm.

JEWEL LUNSFORD CIRCLE OF W. M. U. MEETS

The Jewel Lunsford Circle of the Baptist W. M. U. met in the home of Mrs. Clyde Smith Monday for mission study.

Opening song was "Jesus Saves." Mrs. E. V. Becker offered prayer and Mrs. J. T. May read the scripture selection.

Mrs. May conducted a short business session. Members were reminded that the District 17 W. M. U. convention will be held Friday, November 13.

Mrs. H. W. Finley, who was in charge of the mission study, introduced Mrs. Martin Smith as a helper in giving the last four chapters of the book "Let's Listen."

Thirteen members and two visitors were present for the meeting. Mrs. W. N. Smith gave the closing prayer.

REDSKINS, YELLOWJACKETS TO PLAY SATURDAY AT McMURRY HOMECOMING

ABILENE. — One of McMurry College's oldest football rivalries will be renewed in Abilene Saturday at 2:30 p. m. (Nov. 14) when the McMurry Indians take on the Howard Payne Yellowjackets.

It's McMurry's Homecoming game, and more than 2,000 of the college's exes are expected to return to the Reservation.

The Redskin-Yellow Jacket tilt will be the third Texas Contest for both the McMurry Methodists and the Howard Payne Baptists. The Indians dropped their conference opener to Abilene Christian, then got back on the championship contender list with a 47-21 victory over Austin College while Texas A&I was handing ACC its first setback in conference play.

Howard Payne was outscored 26-20 by Austin College but was awarded a 2-0 forfeit victory when two Austin players were ruled ineligible for Texas Conference competition. Payne played its second conference game Saturday night, Nov. 7, against Texas A&I in Brownwood, while McMurry was meeting Lamar Tech of the Lone Star Loop in a neutral-site engagement at Ballinger.

With ACC's announcement last week that they will withdraw from the Texas Conference, and Austin College's dissatisfaction with the League ruling on its ineligible men, the conference is in a state of turmoil.

In past rivalry, McMurry has won only 5 games against the Jackets, while losing 14 and splitting even on two occasions.

Probable starters for McMurry will be Ends Jim Bales and Tommy Watkins, tackles Charles Keese and Grant Teaff, guards W. T. Stapler and Bernard Weems, center Gerald Watson, quarterback Joe Bill Fox, full-back Elroy Payne, and half-backs Bill Cantwell and Otis Ratliff.

SCHOOL LUNIHROOM MENU

Menu at the Knox City school lunchroom for the week beginning Nov. 16 will be as follows:

Monday: Barbecued wieners, mashed potatoes, carrot, pineapple and apple salad, sliced bread, milk, ice cream.

Tuesday: Lima beans with ham hock, Harvard beets, vegetable salad, cornbread, butter, milk, chocolate pudding.

Wednesday: Tamale pie, green beans, cheese slices, onion rings, crackers, milk, peach halves.

Thursday: Beef and vegetable stew, spinach, cabbage slaw, cornbread, butter, milk, apple delight.

Friday: Spaghetti and cheese, buttered cabbage, fruit salad, rolls, butter, milk, prune cake.

OLIE RAY GARRISON HONORED ON BIRTHDAY

Mrs. Wesley Garrison honored her son, Olie Ray, on his fifth birthday with a party at her home recently.

Punch, ice cream and cake were served to Gary Mack Garrison, Judy and Penny Meizer, Dwight and Randy Reeves, Shirley Faye Johnston, Charles C. McAuley, Tommy and Sandra Woodward, Roma Sue Egenbacher, Nancy Lippard, David

Hoge, Charles and Johnny West, Francine Posey, Pat Shannon, Dera Stephens, Nancy Mills, Mr. and Mrs. Olie Iseng, Annie Garrison, Mrs. O. M. Olson, Blanche Elliott, and a number of mothers.

BENJAMIN TEAM HONORED

Mr. and Mrs. A. W. White of White's Cafe in Benjamin were hosts recently to a barbecue dinner honoring the Benjamin Mustangs.

The menu consisted of barbecued chicken, chili-stew, pecan pie, ice cream and milk.

The team enjoyed the food and an exchange of humorous recitations.

Buddy Conner was elected captain of the Mustangs for the year, and Glenn Hale was elected co-captain.

STREAMS in Desert Places

By Orzelle Stephens

"Yea, though I walk through the valley of the shadow of death, I will fear no evil for Thou art with me..." (Ps. 2:4)

Here again we find personal comfort and confidence in the Shepherd of our soul. Many times as we walk through the green pastures, beside the still waters, when renewed strength and divine guidance is ours, there comes a sudden change. The lovely path seems to become a wild and rugged pathway that leads through a deep valley of gloom. Along life's pathway we are often faced with desperation and horrors. It is here that we learn to really appreciate the Great Shepherd. You will find Him standing somewhere in the shadows. He is watching you and knows your every sorrow. He is the Lily of your every deep valley. Do not fear to Trust Him. He will drive all darkness away. His sunlight will burst upon you with all of its glory. Then you will thank God for the great lesson in walking by faith instead of by sight.

The Divine Mission of the Church

The account of the early church in the book of Acts makes the divine mission of the church evident.

Acts 20:7 tells of Paul PREACHING to the assembly on the first day of the week. Acts 8:4 reveals that Christians scattered by persecution "went everywhere PREACHING THE WORD." The Lord's command challenges us to go "into all the world, and PREACH THE GOSPEL to every creature." (Mark 16:16)

Concerning worship Acts 2:42 says "And they continued steadfastly in the apostles' doctrine, and fellowship, and in BREAKING OF BREAD, AND IN PRAYERS." Acts 20:7 states "And upon the first day of the week, when the disciples came together TO BREAK BREAD, Paul preached unto them." These passages further emphasize the words of the Lord in John 4:24 "God is a spirit: and they that worship him must WORSHIP him in spirit and in truth."

A third element in the mission of the church is indicated in Acts 2:45, "And sold their possessions and goods, and PARTED THEM TO ALL MEN, as every man had need." Acts 4:35 shows that "DISTRIBUTION WAS MADE unto every man according as he had need." Additional teaching on this is in Galatians 6:10, "Let us DO GOOD UNTO ALL MEN, especially unto them who are of the household of faith."

Thus is established a 3-fold mission of the church: (1) Preaching the gospel, (2) Worshiping God, and (3) Ministering to those in need. The church of Christ is endeavoring to fulfill this mission. We invite you to study and worship with us.

AMERICA'S NEW RAILROAD

The "stamp of newness"—and another new Santa Fe freight car is ready to roll

21 miles of new freight cars added by Santa Fe last year!

Remember when you used to count freight cars as a kid? How would you like to count and stencil the "stamp of newness" on 21 miles of them? That's what Santa Fe did last year—added 21 miles of new cars to its great fleet of modern freight cars. And so it goes—year after year after year—until today there are 84,898 freight cars serving shippers on the Santa Fe.

With this building new program, Santa Fe is meeting the ever-growing need for moving vast tons of wheat, livestock, perishable foods, minerals and merchandise to the markets of America.

And many of these cars are new and special types to serve shippers in new and better ways—like the "MTC 3150" mechanical refrigerator car that works like your home freezer.

It costs Santa Fe millions of dollars—earned dollars—to acquire this great fleet and maintain its own "steel highway."

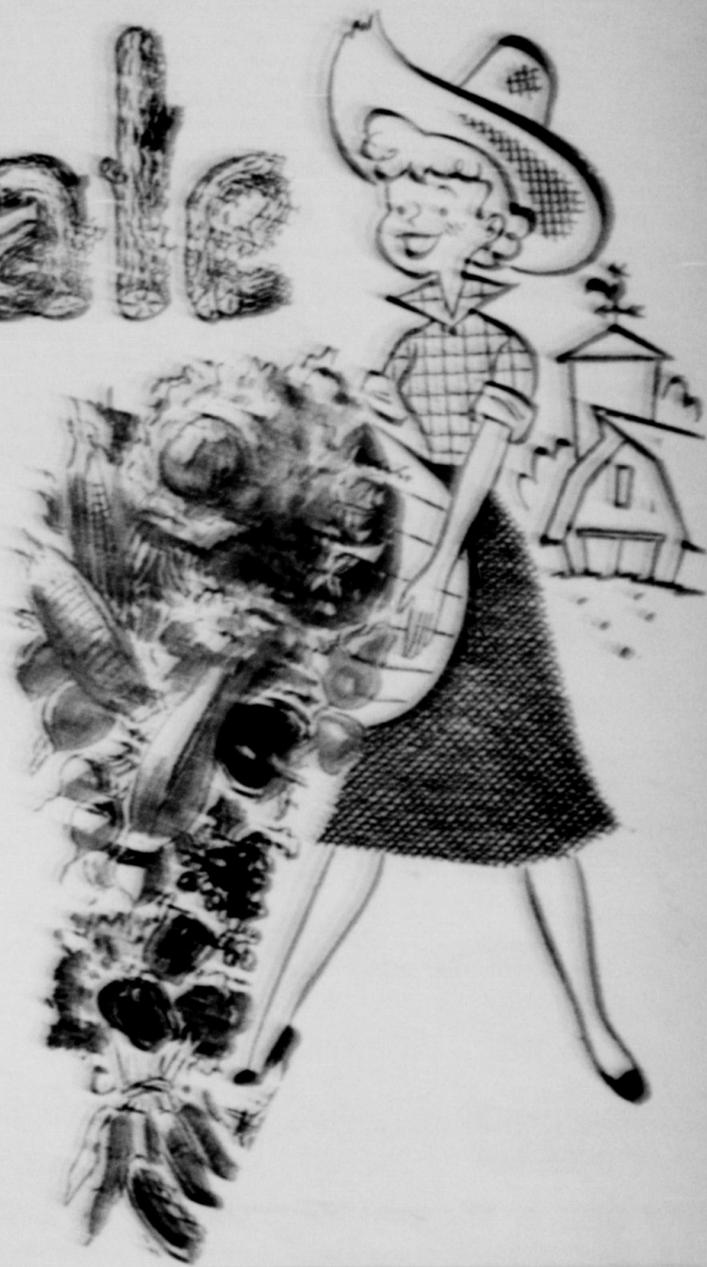

But it doesn't add a penny to the taxes you pay.

NOVEMBER 14 BIG DAY FOR 4-H CLUB MEMBERS

COLLEGE STATION.—America will salute its 4-H youth and their local volunteer leaders for a notable year of accomplishment on November 14. This day has been set aside as National 4-H Achievement Day and the more than two million 4-H members in the nation will be honored.

The more than 121,000 members in Texas will join in the observance and in many counties public meetings will be held in which achievement awards will be presented to the members who have completed their demonstrations for the year or have won county, district and state honors in their fields.

According to Floyd Lynch, state 4-H club leader, one of the most outstanding developments of recent years has been the spread of 4-H club work into other countries of the world. At the present time, he says, over 40 countries have active 4-H or some educational program like it for rural youth. This growth, he adds, is reflected in the number of young men and women now going from this nation or coming to it from other countries under the International Farm Youth Exchange program which started in 1948.

Lynch says the 4-H theme for 1953, "Working Together for World Understanding," will be highlighted in window displays, radio programs, meetings and other activities.

He encourages Texans to at-

tend 4-H achievement meetings in their community or county for a first-hand report on what this, the world's largest volunteer rural youth organization, means to the boys and girls who actively carry out their program of work. Four-H work, he adds, is supervised locally by the county extension agents who represent the state land-grant college, in this state it's Texas A & M, and the United States Department of Agriculture. The local adult leaders assist the county extension workers in conducting the program in the counties.

Why more than a million owners this year
have chosen the "Worth More" **FORD!**

They have discovered first hand what the surveys show...
Ford, with all its fine-car features, is worth more
when you buy it, and worth more when you sell it!

OVER A MILLION OWNERS can't be wrong! Ford is the one fine car in the low-price field. It gives you the "GO," the style, the comfort, and "build" of cars that sell for far more. And, it's only natural that Ford keeps its value better, in resale, than any other car on the American Road. Check the features below for some of the "Worth More" reasons for the swing to Ford.

Lowest-priced V-8 in America! And the only V-8 in the low-price field. Ford's high-compression V-8 power plant delivers its "Go" on regular gas!

Most Modern Six of all is Ford's high-compression, low-friction Mileage Maker. With Overdrive, it was the winner in 1953 Mobilgas Economy Run.

Smoother Ride, with front end road shock reduced up to 80%, is another Ford big-car feature... and you get it without gas-eating extra weight.

Fine-Car Build means using steel of the same quality and thickness as in costliest cars. Ford is the most completely insulated car in its field.

Fordomatic Drive is the only "automatic" in its field with the "Go" of an automatic intermediate gear plus the smoothness of a torque converter.

Finest Power Steering—the Ford Master-Guide. Does to 75% of the steering yet retains normal steering "feel" on the straight-

FARM FAMILY MAGAZINE AWARD

The Progressive Farmer magazine to receive its "Master Farm Family" award. The award is based upon distinguished accomplishments in farming, in

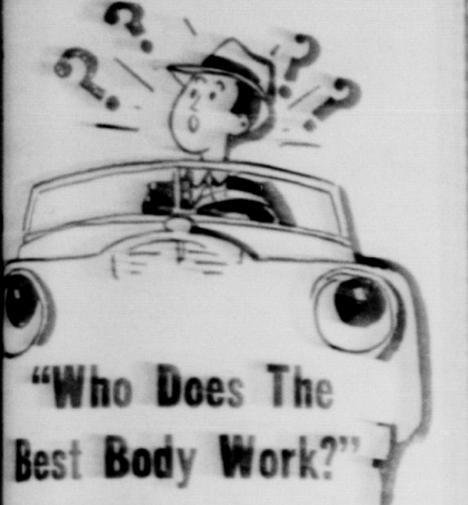

homemaking and in community service. The Master Farm Family program is not a contest. Eugene Butler, editor of the magazine, pointed out "Families compete only against the Master Farm Family standard with certain minimum requirements. The family must take good care of the land while making it pay a reasonable profit on farming operations. The family must take an active part in community life. And they must show interest and leadership in good schools, farm organizations, vocational agriculture, 4-H club, conservation and all those group activities that are so vital to a happy, prosperous family life."

"The B. T. Smith family is a good example of a Master Farm Family," he continued. "They have one of the most and most completely equipped farm homes in the state built by efficient farming and hard work. Mr. Smith has a well balanced

farm program that includes both crops and livestock. He has more than doubled his farm output over the years, not by adding land but by making his acres produce more by use of irrigation, legumes, fertilizers, etc. He also saves time and labor by having his barns efficiently arranged and making use of various labor saving devices. The Smiths and their children are active in church and agricultural activities."

"The Smiths will be honored along with ten other Master Farm Families at a State Award Dinner in Dallas next January. Also their story will be told in a well-illustrated article in The Progressive Farmer magazine sometime in 1954."

Week end guests in the home of Mr. and Mrs. Pete Whitten were Mr. and Mrs. Monte Whitten of Wichita Falls, Mr. and Mrs. Tommie Herring of Abilene and Bill Whitten, student in Texas Tech. Lubbock.

"Who Does The Best Body Work?"

That's easy! Just ask one of OUR customers and they'll say "Benedict's & Body Shop!" And it's no wonder. We are skilled and trained in body repair and painting, and have the best equipment. Whether it's a dent or a scratch or a big job, bring your car to us. You'll like our prices, too.

From where I sit... by Joe Marsh

Sheriff's "Push" Pulls a Vote

Was talking with our newly elected Sheriff Williams the other day. He told me about a fellow who stopped by his place late one night just before election.

"Heard a knock at the door," he said. "Followed me over to the house. Told me his car would dead down the road and would I give him a shove. My boy, Flip, and I went out to his car with him. We're all set to push when he steps on the starter and the motor turns over.

"Well, Flip and I just stood there when the fellow leans out the window and says, 'Just wanted to make sure you're the right man to vote for.'"

From where I sit, the fellow who's quick to lend a hand walks any community a better one. But you don't have to run for office to prove you're a good neighbor. One way I know is just to have a little regard for the other fellow. Whether your neighbor likes beer or ketchup, don't try to push him to your choice. Just give him your "vote of confidence."

Improved again! Now the BEST gasoline in Texas is even BETTER!

No. 1 in Texas

by a wider margin than ever

A few weeks after the Japanese surrender in World War II, the Humble Company introduced a vastly improved Esso Extra gasoline to Texas motorists.

At that time, the Company promised a policy of continuous improvement. Humble told motorists that Esso Extra would never take second place in quality.

That promise has been kept. Improvement of Esso Extra has been continuous. Statewide, Esso Extra has consistently led other Texas gasolines in quality. Statewide, Esso Extra has been No. 1 in quality every year.

And now, because Texas motorists driving modern automobiles have learned that Esso Extra gives them extra performance, Esso Extra is also No. 1 in sales.

The improvement in the quality of Esso Extra announced by this advertisement is substantial — it is a major improvement. It places Esso Extra far ahead of other gasolines in the qualities that are reflected by performance in your car.

Today, Esso Extra gasoline is No. 1 in Texas by a wider margin than ever before.

Esso Extra gasoline, statewide, has consistently led all other Texas gasolines in quality; now, new improvements have widened the margin between Esso Extra and the rest: Humble Esso Extra has no equal throughout the state of Texas.

Tests prove Esso Extra's superior quality!

There are three qualities of a gasoline that are brought out in the performance of your car. In all these three qualities, Esso Extra leads.

Extensive and continuous laboratory testing of Esso Extra and other gasolines proves Esso Extra's superior qualities, and those laboratory tests have been confirmed by road testing in specially equipped automobiles.

Esso Extra leads in anti-knock performance: In today's automobile engines, with their high compression ratios, anti-knock performance is the most noticeable quality of a good gasoline. There is no substitute for this quality. Only a gasoline with a high octane rating — that is, high anti-knock performance — burns so evenly and completely that it transfers all the usable energy from the gasoline to the pistons. When your car's engine pings or knocks, you're losing power. Esso Extra has the highest anti-knock performance in Texas.

Esso Extra leads in power: High anti-knock performance assures more power. Since Esso Extra has the highest anti-knock performance in Texas, it gives you more power than any other Texas gasoline. This conclusion has been verified by special laboratory testing equipment which actually measures the power delivered by a gasoline burning in an automobile engine. Road tests by both Humble technicians and independent research facilities have confirmed the laboratory tests. Your car will develop extra power when you use Esso Extra.

Esso Extra leads in quick starting: In comparative tests with other gasolines, Esso Extra's quick starting characteristics were rated "Excellent," while those of other popular gasolines ranked from "poor" to "meh," "adequate." When you use Esso Extra your engine starts at almost the instant you press the starter button. But quick starting is more than a convenience. It saves gasoline, and it prevents premature dilution of the engine's oil. If you use your car mostly for town driving, you will specially appreciate Esso Extra's quick starting quality.

And for good maintenance, Esso Extra contains a patented oil-wear oil. This oil is not a lubricant. Its purpose is to dissolve the piston washers that collect carbon on top of pistons and under valves, and thus help to prevent carbon deposits in the upper parts of the engine.

See for yourself — test Esso Extra in your own car!

Esso Extra will give you the same results obtained by researchers when you test it in your car. Its quality is so superior that you will notice at once that Esso Extra gives you extra quick starting, extra anti-knock performance, extra power.

You'll discover that you enjoy your car more, that it runs better, that you're getting — at last — the performance you expect from a modern automobile. No other gasoline can duplicate Esso Extra's performance in your car. Because no other gasoline matches Esso Extra's quality.

Fill up with improved Esso Extra gasoline at any Humble sign — it's the same extra performance gasoline at every Humble sign.

Car Dealer Attends Company Meeting

Dan Steakley, local Chevrolet dealer, has just returned from Fort Worth, where he attended a preview showing of the new 1954 Chevrolet trucks.

The exhibit, held in Will Rogers Auditorium, and the accompanying business session were sponsored by the company for all retail dealers and salesmen in this area, and emphasized the importance the company is attaching to its new truck line.

"The meeting was somewhat unique in our experience because it was devoted exclusively to new truck models," Steakley said. "The 1954 line contains so many new features that even a review of high spots required considerable time."

Mr. Steakley said he plans to arrange a special showing of the new line when the trucks become available for display later this month.

FUTURE HOMEMAKERS ATTEND DISTRICT MEETING

Members of the Future Homemakers of the local school concluded a successful FHA week by attending the district meeting in Vernon Saturday.

The local group presented a skit at the district meeting entitled "The Expectant Father." Attending were nine members, Jo Ann Wilson, Peggy Jones, Leeta Hester, Deanna and Glenda Carter, June Cox, Sharon Wilson, Carol Jones, and Sequoya Harden. They were accompanied by Mrs. Charles E. Silk, instructor, Mrs. Ernie Wilson and Mrs. Boyce Cox.

Mr. and Mrs. Clyde Williams visited in Ft. Worth the first part of the week. Mrs. Williams' mother, Mrs. J. Rollie Pray, who had visited here the past week, returned home with them.

Mr. and Mrs. John Gipson spent the week end in Ft. Worth visiting his parents, Mr. and Mrs. Bruce Gipson. They also visited George Wesley Coats in Baylor Hospital, Dallas.

Guests this week in the home of Mr. and Mrs. Z. E. Cone are his mother, Mrs. A. J. Cone of Bowie, and her mother, Mrs. Charlie Lechner of Henrietta.

Mr. and Mrs. Sam Pfrimmer of Dumas visited Mr. and Mrs. C. Bohannon and other friends here last week.
