## Knox Co. Farmers Union Will Begin Today

Members of the Knox County Farmers Union will begin their county-wide membership drive today (Thursday) through Friday, Jan. 22. Knox City and other area chairmen met at the county office Monday and Tuesday to discuss the drive. A breakfast this morning was held at the county office.

Services of all kinds including low cost Group Life and group hospitalization through Blue Cross-Blue Shield. Texas Farmers Union is the only farm organization in the state that has provided constructive support for programs that the farmers and rural communities need. He pointed out that 90% of all income in Knox County comes from agriculture and therefore, most everyone, especially farmers and their families, are more concerned than ever before about the future. He said that this probably explains why more and more farmers are joining Farmers Union.

## Rites Held Wed. For Carl Morgan

Knox City - Services for Carl Morgan, 79, were held Wednesday at 10:30 a.m. in the First Baptist Church with Elder C. H. Crane of Arlington and the Rev. Roger Butler, pastor, officiating. Burial was in the Johnson Memorial Cemetery in Munday with Smith Funeral Home of Knox City in charge of arrangements.

Mr. Morgan died in the Knox County Hospital Monday at 11:00 a.m. after an extended illness. Born May 1, 1891, in Bosque County, Texas, he moved to Knox County in 1905 and settled in the Gillespie Community. He married Annie Freeman in Weatherford, Texas, on June 18, 1933.

A retired farmer, he was a member of the Primitive Baptist Church. Survivors include his wife, Annie of Knox City; one son, Jimmy B. of Waco; one daughter, Mrs. Jerry Gribble of Oklahoma City; one sister, Mrs. Carrie Weaver of Rule; and four grandchildren. Nephews served as pallbearers.

## Opinions Asked On Telephone Proposal

City officials have been receiving some phone calls this week expressing personal opinions concerning the proposed new telephone service (Extended Area Service) as was presented to the City Council last week by Harlan Jones, division manager for General Telephone.

The service would allow customers in Knox City, Benjamin, Munday, and Goree to call any customer in any of the four towns with no toll charge. He explained however that, as Knox City was currently on a lower rate than any of the area towns, the service would increase rates here about \$2.25 for residential customers while businesses would have an additional charge of \$5.50 per month. As rates in nearby towns are higher than local ones, their increases would only amount to about \$1.25 per month on residential phones.

It is the hopes of city officials that more Knox City residents will make their opinions known either by contacting the mayor, councilmen, city secretary, Chamber of Commerce manager, or officials, or by going by the City Hall and making it your desires known there. As one official said, "It would help some, while others would not benefit from the extended service, so we would like to know how the majority of the residents feel."

## KC Man Recovering

Henry Waggoner has returned home after undergoing surgery last month in the Veterans Hospital in Big Spring. Waggoner, who was formerly employed by West Texas Utilities Co., said that he was doing well but that he would have to "take it easy" for awhile.

DISPLAYING FIRST PLACE TROPHY for the Aspermont Junior High tournament are the Knox City Greypaps pictured above with Coach Charles Hibbitts. Starters are shown in the first row, from left, Cliff Ray, Robert Taylor, Eddie Johnson, Gary Carver, and Joey Swain. Second row, left, Randy Lewis, Johnny Bradford, Don Swearingen, Joe Huff, Charlie Flye, and Danny Lewis. Third row, left, Donny Skiles, Steve Logsdon, Harvey Reynolds, Doak Graham, Jimmy Lynn, Mark Howell, Bruce Rainsback, and Coach Hibbitts.

## Jr. High Boys Still Undefeated

The Knox City Junior High boys won first place in the Aspermont Jr. High tournament last Saturday night when they downed Aspermont by a score of 55-31. The Pups had also defeated Spur and Rule to gain a place in the finals.

In the season's first district game, the boys defeated Paducah Jr. High Monday night, January 11. This was a big win for the Pups because Paducah has dominated district play for the last five years. Monday night, January 18, the Knox City boys won over Crockett 38-22 and now have Chillicothe and Munday left in district play.

The Pups stand 14-0 for the season. Next Monday, January 25, the Knox City Jr. High boys and girls will host the Aspermont teams and games will begin at 6:00 p.m. Fans are reminded to remember the date and time and attend the games.

## Diane Phillips Enrolls At A&M

Mrs. Danny Phillips, the former Diane Thomas of Knox City, has been accepted at Texas A&M for the spring semester. She is enrolled as a junior history major. She and her husband reside in Cameron, where he serves as assistant county agent of Milam County.

## Mothers To March In Fund Drive Mon.

The 1971 Mothers' March of Dimes has been organized and a group of twenty-six mothers will be working on the annual house to house fund drive for March of Dimes Foundation Monday, January 25, between 5 and 6 p.m. Rev. Roger Butler, chairman of the Mothers' March, said that he hoped that each house would welcome these mothers and give generously so that some day birth defects would no longer threaten our children.

## Have You Registered?

If you have not registered to vote already, the Herald reminds you that the deadline is Friday, January 30. According to Doris Crowover, manager of the local Chamber of Commerce, the city registration has been very light. There is no charge for registering. To be eligible to vote, however, regardless of age, one must register. Why not go register right now? Don't put it off another day.

## Girls Lose 1st District Game Hounds Defeat Wylie For 1st District Win

The Hounds wound up the first half of District 7-A play here Friday night overcoming Wylie 80-64 for their first district win. The Hounds led all the way with a score of 22-20 at the end of the first quarter, 49-37 at half; 67-53 at the end of the third quarter; and finally 80-64. Mike Newton had 23 points, and Rogers Lankford contributed 19. Roland Marion, also scoring in doubles, hit 11.

Wylie's Keith Moore had 14, while teammates Johnny Freeman and James Rogers both sank 12. The Hounds were barely defeated in the first three district games, losing all in the remaining minutes of each game, with Aspermont, Roscoe, and Baird. Knox City's B boys are still undefeated, with an easy win over Wylie 49-33. The B boys are playing every Tuesday and Friday afternoons at 5:00 o'clock before the A boys and girls' games. Good performances are noted on the B team and these games provide much enjoyment, so local fans are encouraged to get in on the action during the second half of district play.

The Houndettes lost their first district game here Friday night, losing to the Wylie girls, current state champs, 81-37. The Houndettes' record in District 7-A is now 3-1. Betsy Ross was high point Friday night with 21 and Jan Guinn had 11. The final round of district play began Tuesday night, but due to the Herald's Tuesday afternoon deadline, results will not appear until next week. Friday night, the Hounds and Houndettes will host Aspermont here beginning with the B boys at 5:00, the A girls following about 6:30, and the A boys between 7:30 and 8:00. On Tuesday night, January 26, the Knox City teams will play Roscoe there.

The concession stand is open at every game, and where else could you fans get more for your money? Come on out!

## Goree Girl Runner-Up Cynthia Partridge Crowned '71 Livestock Sweetheart

Knox City - A large crowd was on hand here last Thursday night when the annual Knox County Junior Livestock Show Awards Banquet was held in the school cafeteria and saw Cynthia Partridge, daughter of Mr. and Mrs. Wendell Partridge of Munday, crowned the 1971 Junior Livestock Sweetheart. Supt. W. R. Baker, gave the invocation. John Crowover extended the welcome and served as master of ceremonies. Treasurer Fuller Shannon presented winners their awards and premium checks. Mike Newton, local Future Farmer of America chapter president, introduced the 1971 sweetheart candidates who included Betty Rickel, Munday FFA; Jan Guinn, Knox City 4-H; Cynthia Partridge, Munday 4-H; Christi Greenwood, Goree 4-H; Kathy Milson, Benjamin 4-H; Barbara Brannon, Benjamin FFA; and Connie Gentry, Knox City FFA.

The candidates had been honored on Saturday morning of last week with a coffee in the home of Mrs. Sam E. Clonts. At this time the judges, Mr. and Mrs. John Hogue of Seymour, and Miss Marsha Shaver of Lubbock, personally interviewed each girl and were able to observe the candidates and award points. Among other requirements were that each girl was to participate in the Knox City Junior Livestock Show on Saturday, January 9.

At the banquet Thursday night, each girl appeared for the final judging in formal attire. As each contestant appeared, Mike Newton introduced her and gave a short resume of her various activities, 1970 sweetheart Miss Dianne Williams of Goree, announced the runner-up as Christi Greenwood of Goree and then the announcement that Miss Partridge had been chosen as this year's Knox County Jr. Livestock Sweetheart.

Entertainment was provided by Miss Jody McKinney who sang several numbers and was accompanied by Mrs. Wes Hays at the piano. Appreciation was expressed to individuals and to businesses for their contributions from Munday, Rhineland, Knox City, Benjamin, Gilliland, O'Brien, Truscott, Vera, and Goree. Purchasers for the sale included Hobbs Well Service of Rule, Donald Johnson of Knox City, M-System of Munday, M-System of Knox City, B & C Chemical of Knox City, Texaco Incorporated, of Knox City, W. R. Baker of Knox City, Dave and Cynthia Partridge of Munday, Lydia Lankford of Knox City, Sam E. Clonts of Knox City, Clarke and Anderson of Knox City, Knox County Farmers Union, Abilene Livestock Auction, Custom Farm Services of Knox City, David Counts Insurance of Knox City, TAT and Petty Flying Service of Munday, Gene Thompson and Knox Prairie Seed of Munday, Zeissel Brothers of Munday, The Citizens State Bank of Knox City, Farmers Grain Co. of Knox City, and First National Bank of Munday.

Mr. Field has served as local manager since 1968. He joined WTU in 1945 as local manager in Roby, and 13 years later was transferred to Rotan where he served until his move to Knox City. He recently received recognition in the November issue of the WTU publication "The Electric Times." He was added to the roster of WTU's Quarter of a Century Club in October when he completed 25 years of service on October 1. Mr. Field was serving a three-year term as Chamber of Commerce director in Knox City. J. B. Tabor Jr. has replaced Mr. Field as local manager, moving here from Turkey.

## Jr. High Girls Win Third Place Trophy

The Knox City Junior High girls brought home the third place trophy awarded them at the Aspermont Junior High tournament Saturday afternoon after the girls ran past Aspermont 42-21. Terri Baker hit 14, Kary Kent was responsible for 11, and Debbie Reese also had 14 points. Playing on defense were guards Shelly Grimsley, Gayle Tankersley, Mandy Lankford, Sherry Mangis, and Lanette Bouldin. The team, coached by Jimmy Rogers, beat Spur in the first round of the tourney 42-7. Baker had 18, Kent 4, and Reese 11. The girls lost a close one to Rule in the second game 33-31. Baker had 16, Kent 6, and Reese 9.

SMILING HAPPILY over the beautiful third place trophy are these Pupettes, pictured first row, from left, Terri Baker, Kary Kent, Debbie Reese, Lanette Bouldin, Gayle Tankersley, Shelly Grimsley, Mandy Lankford, and Sherry Mangis. Second row, left, DeLacy Bateman, Jane Arledge, Cindy Albus, Lisa Boone, Temilo Graham, and Sandy Stubbs. Third row, left, Coach Jimmy Rogers, Melinda Hewitt, Vickie Bergman, Pam Odom, Sarah McGaughey, Pam Skiles, Fina Rodriguez, and manager Merri Clarke.

**New Conservation Program Announced By Secretary Hardin**

The new Rural Environmental Assistance Program (REAP) for 1971, emphasizing a broad attack on the environmental problems created by the nation's farming operations, has been announced today by Secretary of Agriculture Clifford M. Hardin.

Announcement of the new program, formerly known as the Agricultural Conservation Program (ACP), permits resumption of the Federal cost-sharing of various beneficial conservation practices with farmers, but under a restructured program in line with modern day needs to better both the on and off-farm environment. It makes farmers partners in the venture between the Federal government and State, city and local governments to deal with the pressing problem of pollution.

The restructured program will be used to help preserve our environment, demonstrate good environmental enhancement practices, and return more public benefits at less public cost," Secretary Hardin pointed out.

Although the specific level of funding for 1971 has not been determined, the 1971 program will be funded, and the Congress will be requested by the Administration to provide funds for the 1972 program, the Secretary said.

Emphasis on the farm side will be on those practices con-

**Services Held For Mrs. Willie Ward**

Funeral services were held Tuesday at 10:30 a.m. in the Church of Christ for Mrs. Willie Rebecca Ward, 84, who died Sunday at 5 a.m. in the Stamford Hospital after a lengthy illness. Officiating was Darol Bell, minister. Burial was in the Willow Cemetery in Haskell under the direction of Smith Funeral Home.

Born November 30, 1886, in Hookley, Texas, she moved to Stamford in 1927 from Eastland.

She was a member of the Church of Christ.

Survivors include two sons, Albert Davis of Stamford and Jack Davis of Arlington; three daughters, Mrs. Ruth Salman of Stamford, Mrs. Blanche Patterson of Hamlin, and Mrs. Sue Ellison of Odessa; 20 grandchildren, 21 great-grandchildren, and one brother, Frank York of Beaumont.

Gravestone served as pallbearers.

**'Rehab '71' Kick-Off To Be Televised On January 30th**

A six and one-half hour television color-cast on January 30th will kick-off "Rehab '71", a year round effort of public education and fund raising for the West Texas Rehabilitation Center, announced Bobby Sayles, President of the West Texas Rehabilitation Center Board of Directors.

Tentative budget for the Center, Sayles pointed out, is \$426,000, most of which will come from contributions for West Texas Rehabilitation Center supporters throughout Texas, Oklahoma and New Mexico.

"The public education portion of "Rehab '71" is actually already underway," Sayles said, adding that speakers, articles and various programs carrying the story of the Center and its needs have already begun action. While "Rehab '71" is a year-long project, the most concentrated effort of the Center will take place during the months of February and March," Sayles said.

The all-star television presentation will start unrolling at 7:15 p.m., at Moody Coliseum on the Abilene Christian College campus in Abilene. The program, following a format similar to that of the "Tonight Show" will have Cactus Pryor, Texas television personality, as emcee. The show

**IN CAMPBELL HOME**

Gayle Campbell, freshman student at Tarleton State College, returned to Stephenville Tuesday after spending the holidays here with her parents, Mr. and Mrs. Tom R. Campbell.

Gayle was named to the list of distinguished students for the fall semester with a grade point average of 3.9.

The Campbells' son, Gary, senior student at Abilene ACC senior student at Abilene Christian College in Abilene, spent a week during the holidays visiting his parents and his grandparents, Mr. and Mrs. B. B. Campbell, Sr.

Houseguests of Gayle during the holidays were Larie Black of Midlothian, Elaine Walters of Goldthwaite, and Mary Nell Baird of Priddy, who are also freshman students at Tarleton.

**Hightower Elected President Pro Tempore Of Texas Senate**

Austin - Veteran State Senator Jack Hightower of Vernon added another laurel to his already impressive set of credentials Tuesday with his unanimous election to the post of president pro tempore of the Texas Senate.

The 44 year old Hightower, who was first elected as a state representative in 1952, thus becomes the Senate's second highest official, presiding over the upper chamber in the absence of Lieutenant Governor Ben Barnes. In addition, Hightower becomes third in line for the governorship behind Governor Preston Smith and the Lieutenant Governor, Senator Hightower will serve at least one day as acting governor when both men are out of the state sometime later this year.

The six year Senate veteran, who was first elected from the 23rd District in 1964 and two years later from the newly created 30th District, also chairs two committees - Administration and Youth Affairs - while serving as vice-chairman for a third - the Rules Committee. The Memphis, Texas, native also serves on 10 other committees: Agriculture and Livestock; County, District and Urban Affairs; Education; Finance; Jurisprudence; Legislative, Congressional and Judicial Districts; Oil and Gas; Privileges and Elections; State Affairs and Water and Conservation.

Senator Jack Hightower was nominated for president pro tempore by the dean of Texas Senators, A. M. Alken of Paris. Following Alken's nominating speech, seven other Senators delivered seconding speeches praising the accomplishments of the Baylor graduate, who ad-

**AS VEGETABLE**  
**TO MEET**  
**ORD**  
 West Texas Vegetable Growers' Conference will be held on February 3, 4 and 5 at the Bull Barn in Hereford.

be a day-long meeting at 8:30 a.m. The meeting is planned primarily for growers of vegetables in the area.

note address will be given on all-important topics. "How Texas Vegetable Growers can Secure a Future for the Texas Vegetable Industry by Working with a Strong Marketing Agency," Wayne Hawley, manager of the North Texas Vegetable Exchange, Fort Worth, will be the speaker.

Dr. John Downes, professor of agricultural Extension at Texas Tech University, will discuss the economic value of vegetables. This relates to "3.76 percent of the Extension program to increase agricultural income in Texas by 1976."

Vegetable producers in Knox County are encouraged to make plans now to attend this important conference.

**GREENBUG DAMAGE**

Greenbugs cause more damage when small grain crops are suffering from deficient moisture as is the case now.

Damage caused by greenbugs can be confused with moisture stress. To be certain that greenbugs are causing damage, producers should examine one linear foot of drill-row in five different locations in the field. The number of greenbugs found in these five locations should be averaged. In fields where small grains are still very short, greenbug populations averaging 25 to 50 per foot can cause damage occasionally. Because of the lack of moisture this is now the case in most fields. In small grains 3 to 6 inches tall, an average of 100 greenbugs or more will warrant treatment.

Insecticides that will control greenbugs are: D1-syston, Malathion, Methyl Parathion, Para-

Berry of Lubbock, Extension plant pathologist and Dr. Roland Roberts, also of Lubbock, Extension vegetable specialist.

Bruce Parr, vegetable producer at Friona and president of the West Texas Vegetable Council, will report on the activities of the West Texas Vegetable Marketing Association and will preside at a brief meeting of the council during which directors will be elected.

A roundtable panel discussion on vegetable marketing and production will wrap up the program. Featured will be the program speakers as well as David Fitts, a USDA marketing specialist; Thomas Longbrake of Weslaco, Extension vegetable specialist; and Floyd Butler Jr., vegetable producer at San Angelo.

The meeting is being sponsored by the Extension Service and the West Texas Vegetable Council. It is designed to present vital information on marketing and production of West Texas vegetables and to encourage growers to unite and support a coordinated Extension program of problem solving and result demonstrations to be conducted this year.

Vegetable producers in Knox County are encouraged to make plans now to attend this important conference.

## Fidelis SS Class Meets Jan. 12

The Fidelis Sunday School Class of the First Baptist Church met Tuesday at 7 p.m. in the home of Mrs. J. T. May for a social and business meeting.

President of the class Mrs. J. T. May directed the program. An interesting talk and devotionals was given by Mrs. Russell Boyd, followed by a prayer led by Miss Ethel Lemon.

Mrs. A. P. Denton was elected the new reporter for the class.

A project to enlist prospective members was discussed. Several members gave reports of visitation and contacts.

Mrs. Bud Thompson, class teacher, gave emphasis on properly filling out information on the offering envelopes.

Refreshments of fruit cake with coffee or punch were served to the fourteen members present.

The closing prayer was led by Mrs. W. B. McNulty.

## Tax Man Sam Sez:

We live in an age where it is popular to establish our identity. The "in" thing to do among college students is to seek your real identity. With the Internal Revenue Service computer you are really "in" if you give your correct name, address, and Social Security number.

However, the good tax folks moved your identity label off the top of your form 1040's that they sent you in the mail, and stuck the peel-off label on the front of your tax forms package.

Since all of us have to be "in" with IRS's computer it would appear that the first step is to search for our blue identity label. Then it's a simple matter of peeling it off and identifying ourselves, by sticking our label at the very top of our tax forms.

## Arch Lieb Is Speaker At Knox City Garden Club January 12

Mrs. J. T. Gilpin was program leader for the Knox City Garden Club meeting on "Conservation" in the home of Mrs. H. E. Wall on January 12, and members heard Arch Lieb, district conservationist for the Soil Conservation Service speak. Mr. Lieb related some of the problems facing the Miller Brazos District SCS and stated that the U. S. Department of Agriculture has authorized through the Food and Agricultural Act of 1962 and other authorities to provide local groups technical and financial help in conserving and developing their natural resources. The USDA also will help groups sponsoring conservation and development of their resources to improve their civic, social, health, and recreational opportunities, and the SCS will provide leadership in some programs, he said.

Lieb listed some of the needs in Knox County as the control of woody and noxious plants such as mesquite, cedar, prickly pear, and weeds on 130,000 acres in the county; the need to reseed 10,000 acres; and the need of permanent cover, such as Coastal Bermuda, on 21,000 acres. Lieb said that some of the sandy soils are eroded from wind and water and a permanent cover could be applied on entire fields and used for pasture. Another need suggested was the development of wildlife in the county.

"Since dove and quail are plentiful in the county, many of our ranchers and farmers should be encouraged to develop this potential source of income" the conservationist said.

He suggested further that several good fishing ponds in the county could be developed with the organization of groups for picnicking and recreation. Another source of recreation, he said, could be provided by a county park to be used by young and old, as recreation is needed for any age group.

Mr. Lieb presented slides picturing a number of places throughout the county which had been abandoned because of lack of water. He mentioned that this, in addition to other things could be the cause of rural people leaving the farms and rural areas to move into towns.

## Gift Tea In Johnson Home Honors Mrs. Lynn Beason

Mrs. Lynn Beason, the former Lynn Clarke, was honored Wednesday afternoon January 13, with a gift tea in the home of Mrs. Donald Johnson. Calling hour was from 4:30 until 5:30 o'clock.

Mrs. Johnson presented guests to the honoree, her mother, Mrs. C. G. Clarke, and the groom's mother, Mrs. Leo Beason. Special guests were the bride and groom's grandmothers, Mrs. Loree Clarke, Mrs. J. G. Hawkins, Mrs. T. E. Beason, and Mrs. E. C. King Sr.

The serving table was laid with a white lace-trimmed cloth and centered with pink gladioli and tapers contained in a silver vase-candelabrum. Hot

spiced tea, date nut tarts, dainty pink finger sandwiches, and pink and white mints were served by Carol King and Mrs. Dick Willison.

Registering guests were Terri Whitten, and Jody McKinney assisted in displaying gifts.

Hostesses included Mrs. R. P. Barnard Jr., E. Hob Smith, Jim Anderson, Bill Clonts, Wayne McKinney, Paul Clayton, John Egenbacher, Billy Gene Johnston, George Wall, Jack Tankersley, Olvis Hamm, Jimmy Huntsman, Allen Hester, Bits Whitten, David Slaughter, Sterling Lewis, John Smith, and Johnson.

Most of the livestock and swine went to Mexico and South American countries which have found Texas cattle and hogs more than adequate for upgrading their herds. Commissioner White said. Texas Department of Agriculture personnel are active throughout the year in helping foreign visitors locate and buy good Texas swine and livestock.

The figures on exports are based on the U. S. Department of Agriculture's health certificate records. Such certificates are required when exporting livestock and swine.

### Four Accidents Investigated in County For Dec.

The Texas Highway Patrol investigated four accidents on rural highways in Knox County during the month of December, according to Sergeant J. W. Garner, Highway Patrol supervisor of this area.

These crashes resulted in one person injured and an estimated property damage of \$2,050.00.

The rural accident summary for this county during the calendar year of 1970 shows a total of 58 accidents resulting in no persons killed, 17 persons injured, and an estimated property damage of \$64,685.00.

The "Operation Motorcade", in effect during the Christmas and New Year's holidays recorded 101 traffic deaths as compared to the estimated 87. Ten of these traffic fatalities occurred in the Lubbock Region in the following counties: Cochran, Crosby, Farmer, Swisher, Wichita and Wise which had one fatality each with Dallas and Potter Counties having two fatalities each.

The Patrol Supervisor reminded all motorists to think about the more than 30,000 people that have been killed in Texas traffic accidents during the last 10 years, and to join the drive to reverse this alarming trend of traffic deaths by strict observance of traffic laws and rules of defensive driving. ....

### Streams In Desert Places

BY OZELLE STEPHENS

"Do unto others as you would have them do unto you."

What we do for others has much to do with what our lives are, so does our thinking of others. Think about others as you would have others think of you. What we think of others can't either help or hurt them, but it can do a lot of harm to ourselves. We can poison out the whole outlook on life, and make our relationship with others impossible by continually thinking harmful thoughts and having wrong attitudes. Try for one day to think about others as you would have others think of you and see how much better you feel. Your body will seem lighter and you will feel much more cheerful.

What we say to ourselves is much more important, than we speak out loud. Our thoughts are the materials with which we build our consciousness. In the privacy of our own mind we form our opinions. We choose what we think and say. We are the only cause and effect of our thinking. Our future is on the tip of our tongue. Remember our unspoken words are as near the tip of our tongue as the ones we speak. ....

## Coaches' Comments

By COACH LOWREY  
 It was a long dry spell, but it finally ended with the Wylie game. Going into that game the Greyhounds had dropped six games in a row. Now we shall strive to win six in a row and get into a play-off situation. A great deal of credit is due our boys for breaking their string of losses. Losing is just like winning - it's a habit, a habit to be broken. Of course, many of our losses have been extremely close games. At this point, we are the only team in the district with three boys in the top ten district scorers and yet have won only one district game. A few points make a great deal of difference.  
 Stars were awarded to the following boys for the Baird and

Wylie games. Baird game: Mike Newton - 2, scoring 20 points and getting 10 rebounds; Rogers Lankford - 2, scoring 20 points and having five assists; Roland Marion - 1, having five assists. Wylie game: Greg Clontz - 2, having five assists and getting a defensive foul; Roland Marion - 1, scoring twelve points; Rogers Lankford - 2, five assists and 19 points; Mike Newton - 3, scoring 23 points, getting 12 rebounds, and having five assists.  
 Our Junior Varsity is having a very successful season being undefeated at this point with an 8-0 record. The real test will be with the Albany Junior Varsity who is also undefeated.

## "Wanted By The FBI"

The Dallas Office of the FBI through its Special Agent in Charge, Mr. J. Gordon Shanklin, has advised of excellent job opportunities with the FBI in Washington, D. C. for young people, male or female, who are at least sixteen years of age, United States citizens, high school graduates, and able to pass a rigid investigation of loyalty, reputation, and character. No previous experience is required. Qualified fingerprint clerk, typist, and stenographer.  
 The entrance salary for a clerk is \$4,897 (GS-2) per year, with a raise in 90 days to \$5,523 (GS-3) per year, if their work is found satisfactory. Only a twenty word spelling test is required for clerk applicants.  
 Applicants for the clerk position are considered for the fingerprint clerk position which starts at \$5,524 (GS-3) per year. Those individuals found acceptable for the fingerprint clerk position and who progress satisfactorily in such position are considered for promotion to \$6,202 (GS-4) per year after six months and to \$6,939 (GS-5) per year after one year in fingerprint work and to \$7,727 (GS-6) per year one year later. This means it is possible to reach a salary of \$7,727 per year after only two years of service.  
 A typist enters on duty at a salary of \$5,524 (GS-3) per year, and applicants for this position must be able to pass a ten minute typing test of 45 words per minute and a twenty word spelling test.  
 A stenographer is paid a beginning salary of \$6,202 (GS-4) per year, and applicants for this position must be able to pass three minute dictation test given at the rate of eighty words per minute, pass a ten minute typing test at the rate of 45 words per minute; pass a twenty word spelling test, and successfully pass a twenty question vocabulary examination.  
 Many young men and women continue their college education on a part-time basis in the Washington, D. C. area while working at these full-time jobs for the FBI. Young men who obtain a four year

## Senior Class News

By GWEN ANGLE  
 Our mid-term tests are over, and that is quite a relief! We have some of our tests back, and maybe we should have studied just a little bit harder.  
 The Honnis beat Wylie Friday night, but the Houndettes lost. The first round of district play will end following Tuesday night's game at Albany. Friday, the KCHS teams play Aspermont, there.  
 Last week we had a meeting with Mr. Baker and Mr. Burkham to discuss our senior trip. The girls are writing to several places of interest to get information. Our dues had to be in today (Monday) so we could make plans for an exact number of people. It won't be long now!  
 We aren't having Civics anymore. This semester we will take Texas History. The class will be at the same time, same place, and Coach Lowrey will still teach us.  
 In English, we are fixing to start writing our autobiographies. First, we will receive a grade and then they will be used in the newspaper as feature stories. The papers are due Friday, January 29. They must be typed and a picture included. Information that should be included is: place of birth, parents' names, and community, school, and church activities and achievements.

## Science Dept. News

By JEAN MARTINEZ  
 The students in Advanced Biology will be starting their lab experiments this week. Hopefully by Wednesday.  
 In lecture they are just about finished with the endocrine system.  
 One of the things they studied about the endocrine system is a condition known as Diabetes Mellitus. This condition is the result of a malfunction in the pancreas which is an endocrine gland.  
 The pancreas contains a tissue called the islets of Langerhan and this tissue functions in the production of insulin which is a vital hormone of the pancreas.  
 The islets of Langerhan is composed of two kinds of cells. These are the alpha islet cells which are responsible for the production of the hormone insulin which produce glycogen.  
 The glycogen activates the liver to bring about the conversion of glycogen which is animal starch, into glucose.  
 The insulin does two things. It functions in that it allows the liver cells to absorb glucose. Here the glucose molecules link together and form glycogen. Second it speeds up the conversion of glucose into energy by the cells.  
 Diabetes Mellitus is the result of the lack of the hormone insulin. The deficiency can be the result of an infection in the pancreas, injuries to or malfunctions in the pancreas, and ratabolism which is the breaking down of the glands.  
 If diabetes is present there will be an increase in the level of glucose in the urine. The sugar will not be oxidized by the tissue and the liver becomes depleted of starch.

## Junior Class News

 Mid-term tests are over, so now we can all breathe a little easier.  
 Choir began again Monday morning. We have been off since the Christmas holidays.  
 The Junior Class Play will be coming up before too long, and our sponsor, Mr. Hays, has been looking around and found several plays that we may choose from.  
 The basketball teams play Albany there Tuesday and Aspermont here Friday. Come and support our team! The games will start at 5:00.

## Freshman Class News

By DENISE GRINDSTAFF  
 The boys will turn to the glycogen for energy, but there will not be enough oxygen for fat oxidation to furnish all the body energy.  
 The fat will not be completely oxidized and the remains which are very toxic.  
 Diabetes Mellitus II found when the individual is young can in some instances be completely cured.  
 If the individual is middle aged, the condition will not be completely cured, but it can be controlled to the extent that the individual can live a normal life, by administering the artificial hormone.
