BUREAU MAN SAYS COPPER MINE 'AHEAD'

"I am more than gratified at the progress being made west of Knox City by Great Western in mining copper, and am happy to say the company has its project ahead of a rigid schedule," Robert C. Redfield, U. S. Bureau of Mines, said Friday night after a two-day inspection tour of the company properties.

Mr. Redfield expressed appreciation, while here, for the courtesies extended by Knox County people in furnishing information that might be of value in determining and developing resources of this district.

Great Western, one of three companies in Texas mining copper, has its project to the point, a company spokesman said, where tin cans and scrap iron cannot only be plated into copper, but where the company leaching vats will turn out a high grade copper concentrate.

Outside the field of metallic minerals, Great Western was understood this week to have been given a contract for supplying West Texas Bentonite to a large contractor in South Texas. The company was mining Bentonite and other minerals before moving into this new mining district to develop copper and other metals that will help win the war.

In addition to research being carried on at present, the company, it was reported Wednesday, will soon be making its own sulphuric acid—a step that would have been impossible before Pearl Harbor. The company uses a considerable amount of the acid in taking copper ores, in the sulfide stage, and turning the ore into a liquified copper carbonate solution.

Besides Mr. Redfield, E. E. Matthews of Snyder, financial agent and public relations chief of Great Western, was here Thursday and Friday.

Ration Board Removes 1944 Crops From List

Effective April 3, the Knox County War Price and Ration Board has issued an amendment to District Order No. 6-F, removing 1944 crop dry onions, both white and yellow, and 1944 crop Irish potatoes from the Community Price List for fresh fruits and vegetables. The 1943 crop onions and potatoes are still subject to the prices named on the list.

The 1944 crop onions and potatoes are not under price control at the country shipping point at the present time, however, it is expected that prices will be established for them within a few days.

New crop onions and potatoes are subject to Revised Maximum Price Regulation No. 271 at the wholesale level. Wholesalers may purchase new crop onions and potatoes from country shippers at whatever price they have to pay and add transportation at the carload freight rate, plus 40 cents per 50 pounds mark-up for onions and 60 cents per 100 pounds mark-up for potatoes. Retailers will take their mark-ups above their delivered cost.

Congressman Gossett Is Visitor Here

Congressman Ed Gossett was a visitor in Knox City last Friday, calling on old friends in a whirlwind trip over his district.

In company with B. B. Campbell, he spent a few hours talking to friends and was a caller at the Herald office. Congressman Gossett is a candidate for re-election this year.

CENSUS SHOWS 19,867 BALES COTTON GINNED OF 1943 CROP

Final figures compiled by the U. S. Department of Commerce show that a total of 19,867 bales of cotton were ginned in Knox County from the 1943 crop, as compared with 40,085 bales for the crop of 1942.

Edmund Couch Dies Suddenly In Austin

Edmund C. Couch, 65, formerly a resident of Knox City, died in Austin on April 3. Mr. Couch was well-known here. He had lived here several years and had been president of the old First National Bank and active in all civic enterprises.

At the time of his death he was employed by the State Railroad Commission as an insurance expert. Following his residence here he had been in the Rio Grande valley for several years, serving as County Judge of Hidalgo County and having banking interests there. The town of Edcouch, in the valley, had been named for him.

Mrs. J. F. Cummings Dies Here Monday At Age of 97 Years

Mrs. J. F. Cummings, affectionately known as "Mother Cummings", died at the home of her daughter, Mrs. M. L. Lewis, in Knox City on Monday, April 3, at the age of 97 years.

Funeral services were held April 4 at 2 p. m. in the Methodist Church with the pastor, Rev. C. H. Williams in charge, assisted by Rev. J. S. Tierce of the Baptist Church. Burial was made in the O'Brien cemetery, under the direction of E. Q. Warren, beside the grave of her husband.

Mrs. Cummings was a born Martha Tucker, on September 10, 1846, at Ashland, Wayne County, Tennessee. She moved with her parents to Texas in 1858, settling near Kaufman. On August 29, 1880, she was married to J. F. Cummings, who preceded her in death March 16, 1930. They came to Knox County on Dec. 29, 1906 and have lived in the vicinity of Knox City ever since that time.

Mr. Cummings was for a number of years a minister in the Cumberland Presbyterian Church and held pastorates among other places, at Benjamin, Vera and Truscott.

Mrs. Cummings was converted when she was 14 years of age and joined the Cumberland Presbyterian Church, of which church she has been a loyal and faithful member through the years, serving several years as a pastor's wife. At the time of her marriage to Mr. Cummings there were three children in his home whom she took to herself as a mother. Two of these survive, Tom Cummings of Knox City and Mrs. Maggie Spencer of Clayton, New Mexico.

To her and Mr. Cummings there were born five children, three of whom survive, Bill Cummings, Newsum, Texas; Mrs. M. L. Lewis, Knox City; Joe Humphries, Electra, Texas. Beside these there are surviving her 23 grandchildren, 35 great-grandchildren and 6 great-great-grandchildren.

JOHN DUTTON GETS CARD FROM NEPHEW IN GERMAN WAR PRISONER CAMP

John Dutton has received a card from his nephew, Wayne N. Howard, written on February 6, from a German prison camp. Howard was a member of one of the first tank divisions to land in Africa at the start of the Allied campaign against Rommel's Afrika Korps.

He was captured on February 14, 1943, at Paid Pass and has been in the prison camp in Germany since that time. Mr. Dutton has had several cards from him, usually requiring as much as four months in transit.

Howard is interned in the German Stalag VII Camp which is, according to recent maps, approximately 60 miles from Berlin.

APRIL DEMONSTRATIONS WILL FEATURE CHEESE MAKING

Cheese making will be featured to members of the Home Demonstration Clubs throughout Knox County during the month of April.

This will be a very worthwhile demonstration since there is a scarcity of cheese on the market and then too, there is usually a good supply of milk at this time of the year.

There was a cheese demonstration in the Hefner community at Mrs. Mooney's on Monday, April 3, one at Gilliland at Mrs. J. O. Cure's on Wed. April 5, in the Sunset community at Mrs. T. J. Partridge's on Thursday, April 6.

SANTA FE CARLOADINGS NEAR SAME AMOUNT IN WEEK 1943

The Santa Fe System carloadings for week ending April 1, 1944, were 21,450 compared with 21,508 for same week in 1943. Cars received from connections totaled 11,790 compared with 13,109 for same week in 1943. Total cars moved were 33,300 compared with 34,707 for same week in 1943.

Santa Fe handled a total of 33,962 cars in the preceding week of this year.

Knox City Churches Will Hold Union Easter Service

Knox City will observe Easter Sunday with a special Sunrise Service to be held at 6:30 a. m. at the First Christian Church. All the denominations will participate in the service, with a special program of music and short sermons by all the ministers of Knox City.

By permission of Mayor Hoge and Freechief Thomas, the city fire alarm will sound at 6:00 a. m. on Easter Sunday morning to awake the city so everyone can attend the service. The program follows:

WAR BOARD TO STABILIZE EGG PRICES

There has been considerable discussion among the farmers for the past two weeks relative to the market value of eggs. Prices within the county having been ranging from 22c to 24c per dozen.

The County War Board in its meeting Friday morning declared that the board would take the matter up with the War Food Administration at Ft. Worth and agreed to do all within its power toward getting the WFA to pay the support price of 26c per dozen to farmers for ungraded eggs.

Dan L. Boyd, area representative, explained that the egg purchasing program is of an emergency nature, and urges dealers in Knox County not under contract to make application to his office at 401 Federal Building, Fort Worth 2, Texas, and secure forms from his office. He also explained that the WFA would take delivery at any point in Knox County served by common carrier, in lots of ten or more cases.

Eggs are to be packed in new or good used standard cases and packing material. Dealers must furnish affidavit that farmers received a net less than 26c per dozen, 45 pounds net case basis.

Benjamin Study Club Celebrates Anniversary

The Sorosis Club of Benjamin celebrated its 20th anniversary last Thursday with a luncheon at the club house. The club was organized March 24, 1924, with 24 charter members.

The tables were centered with flowers in the club colors of purple and gold, golden Calendula with lavender sweet peas. Corsages were of sweet peas and muscaria.

Hostesses for the occasion were the club's social committee: Mrs. F. E. Moorhouse, Mrs. Oran Driver, Mrs. Doyle Pyatt and Mrs. Carl Patterson. Guests invited for the event included all former members over the 25-year period who had moved away and whose addresses could be secured.

After the luncheon, the following program was presented: Piano solo, Miss Edith Poole; Opening address, Mrs. G. H. Beavers; Objectives of the Club and their fulfillment, Mrs. J. W. Melton; Address, Mrs. Bruce Campbell; Closing, Mrs. Earl Sams.

Guests included the following: Mrs. J. H. Atterberry and Mrs. Bruce Campbell of Knox City; Mrs. D. J. Brookhouser, Seymour; Mrs. Vance Favors, Quanah; Mrs. Floyd Liney, Anson; Mrs. J. B. Moorhouse, Mrs. Lee Coffman, Mrs. W. F. Snody, Mrs. J. W. Galloway, all of Benjamin.

Club members: Mrs. G. H. Beavers, C. H. Burnett, O. W. Driver, J. W. Melton, Leroy Melton, Ed Moorhouse, F. E. Moorhouse, Doyle Pyatt, Carl Patterson, O. D. Propps, A. H. Sams, E. B. Sams, Howard Spikes, W. T. Ward, L. M. Williams, I. T. Wright.

Lion Ivan P. Oliver

The Stephenville Lions Club has nominated Lion Ivan P. Oliver for the office of District Governor of District 2-E Lions International. The District 2-E War Conference, at which time district officers will be elected, will be held in Fort Worth May 2 and 3.

Lions Hear Former Resident of Japan

The Knox City Lions Club was a privileged to hear at their luncheon today, one of the best speeches that has been brought to them since the start of the war against Japan.

The speaker was James H. Course of Dallas, for 13 years an employee of the Japanese government as a teacher of Economics and Commerce in the leading universities and colleges of Japan.

Mr. Course is a veteran of World War I, serving in the British Army and was a prisoner-of-war in Germany for the last nine months of the conflict. After the war he came to America and entered school. In 1924 he and his wife went to Japan and resided there until September, 1941. They were in China for awhile and came to the United States just before Pearl Harbor.

With first-hand knowledge at his command, Mr. Course brought a stirring message to the Lions that should have been heard by every American. He outlined the steady growth and history of Japan since being opened to the Western World by Admiral Perry in 1853. The brooding hatred that had developed since that time, the accumulation of war goods and the evident fact of impending war went unheeded by the world until the final culmination at Pearl Harbor.

An eye-witness to the Japanese conquest of Chinese provinces and cities, Mr. Course drew a graphic story of what we are now fighting to prevent to our country.

Mr. Course is presently employed by Sanger Bros. of Dallas, and is making a few addresses to service clubs and meetings through the courtesy of that company.

Mr. and Mrs. Olan Lowe of Benjamin, Mrs. S. B. Bowen, Mrs. A. J. Lowe, Mrs. V. J. Simpson, all of Wellington, spent from Saturday to Tuesday afternoon visiting Mrs. Ed. Campey.

ODT To Hold Farm Vehicle Meeting

The Office of Defense Transportation 1944 program for the movement of farm products to market and supplies to farms by motor truck will be explained in a meeting of ODT and War Food Administration officials in Dallas, April 10 and 11.

Robert A. Hicks, chief of the ODT's Farm Vehicle Section, Washington, will be in charge of the meeting which will be attended by representatives of the WFA, the AAA and the Extension Service of the Department of Agriculture. The principal purpose will be to explain the national farm transportation situation to regional and local groups and to arrange for local programs for the movement of the 1944 crops.

Joe Ed Sweatt Gets Inquiries About Seed From Entire Nation

The recent article in the Country Gentleman of April issue containing a story of Joe Ed Sweatt, 4-H Club member, and his activity in the production of the new combine grain sorghum, Bonita, has resulted in a nationwide inquiry.

Joe, a member of the Sunset club, has received letters from interested growers all the way from Illinois to California. The most unusual order was from W. L. Richmond of Vancouver, B. C., Canada, who inclosed one dollar of Canadian money.

Joe Ed said that 37 letters have been received and many contain money and checks for different amounts of seed. He is making a diligent effort to supply all requests by securing seed from other club members who still have a small amount of the seed for sale.

Joe Ed is fifteen years old and has a nationwide reputation as a having increased for seed purposes the new variety of grain sorghum that is particularly adapted to this section and a variety that has unbelievable qualities to resist drought.

4-H Club Meetings Are Well Attended

Over 300 4-H Club boys and girls attended the meetings held during the month of March. Truscott and Gilliland were the only clubs that did not meet, due to inclement weather.

Miss Luella King, Home Demonstration Agent, gave a very timely and instructive demonstration on refinishing furniture. The agent gave three methods of removing old varnish, enamel or paint. She says the most inexpensive way to refinish furniture is by using three parts of boiled linseed oil and one part turpentine. This must be applied while hot and polished with a coarse cloth. Three to nine applications makes a very nice dull finish.

A new foot stool and two old pieces of wood that had been refinished by this method were displayed. As a throw-in demonstration, Miss King displayed a pair of pillow protectors made from muslin and a lunch cloth applied with fruit designs made from feed sacks.

R. O. Dunkle, County Agent, gave a very interesting demonstration of treating Hegari seed for smut. Seregon was used in treating the seed.

Pictures of the Grand Champion calf and the group of the five best calves were shown the boys and girls.

MRS. MARSHALL HONORED

Mr. and Mrs. J. C. McGee were hosts for a dinner in their home Friday night honoring Mrs. Jesse Marshall of Puyallup, Washington. After dinner games of 42 were played. Present for the occasion were Mr. and Mrs. Bill Lankford, Mr. and Mrs. Oliver, Mr. and Mrs. Zack Williams, Mr. and Mrs. Bill Wilson, Mr. and Mrs. Parker Denton, Mrs. Buster Saunders, Mr. and Mrs. James Dutton and Mr. and Mrs. Y. R. Carpenter.

GUESTS AT TIDWELLS

Mrs. L. J. Tidwell had as her guests last Sunday besides her daughter, Mrs. Jesse Marshall and son, Clyde Tidwell and son Jackie, of Vallejo, California. Mr. and Mrs. H. E. Bevel and two sons of Anton, Mrs. Fred Griffith and children of Midland. Other guests were Buster Saunders and family, Jim Tidwell and family, Jake Tidwell and family and Miss Laura Shaw.

SURGICAL DRESSING WORKERS AND KNITTERS NEEDED

A rush order for surgical dressings has been received by the Knox County Chapter of the Red Cross. The surgical dressing room in the old school building was opened Wednesday and will be open each week day a 1:30 p. m. Monday through Friday. Your help is urgently needed.

WAR FUND IS TOPPED WITH \$1100 OVER

J. S. Tierce, War Fund Chairman of the Knox County Chapter of the American Red Cross states that the people of Knox County are certainly to be complimented for their work in meeting the 1944 War Fund call.

Through the work of the community chairmen, committees, and the interested people of the county, a "Big Job" has been "Well Done." On April 4, the following communities had reported "Over the Top": Truscott, Gilliland, Munday, Goree, Vera, Brock, Knox City, Sunset, Union Grove and Benjamin.

Final reports from other localities had not reached the Chapter Chairman, and they too may have gone over their quota. The following report shows how well every section of the county "came through."

Gilliland	\$ 407.76
Truscott	606.75
Goree	682.80
Brock	49.19
Benjamin	689.42
Vera	607.80
Union Grove	89.00
Sunset	501.00
Knox City	1758.46
Hefner	233.66
Rhineland	296.00
Munday	2627.00

Total

The Chapter goal was \$6700.00

An interesting sidelight of the campaign was the fact that every family in most communities had a part in the contributions. This was particularly evident in the Brock community. A check-up there shows a 100 per cent coverage of every family.

The executive committee of the County Chapter met in Benjamin on Tuesday night, April 4, with 15 members present. A report of the War Fund was made by Chairman Tierce, showing that the county had exceeded its quota.

The Production Chairman reports: 432 kits, 270 robes, 109 knitted garments and 6 afghans.

One nutrition class was reported being taught at Benjamin by Miss Lucille King.

The Home Service Chairman reported she handled during February, 53 cases and in March, 61 cases.

SUBSCRIPTION RATE, YEAR \$1.50

There is a nationwide drive to save waste paper. The present supply is very low. The enormous use of paper for containers takes a tremendous amount of this material.

Every shell that is fired comes from a paper container. Army fliers use paper clothing for warmth. Soldiers wear paper sun helmets. Tents, shelters, and temporary buildings are also made of paper. There are many ways for which paper is needed in the war effort.

The American people waste enormous quantities of paper, and vast amounts are thrown away. Those who bundle up their newspapers and magazines and sell them to a junk man or give them to some collecting agency, will help the war effort. Even circulars, letters, small bags, etc. if tied up in bundles, can be used. Whatever people can deliver to those who will salvage them, will be a greatly contribution.

A newspaper paragrapher remarks that the American people are supposed to talk more rapidly than formerly, but he doubts if they say any more things worth hearing.

It is a valuable gift to be able to talk freely and say something that sounds smooth and appropriate under all circumstances. The power of thought can move rapidly in some minds. They are quick to make comments on every little thing that comes up. While slower thinkers are trying to formulate a remark worth hearing, the fast talkers have gone on to something else. There are some fast talkers whose thoughts flow with such speed that they tend to monopolize the conversation.

Join The Red Cross—Do Your Bit

I GIVE YOU TEXAS by BOYCE HOUSE

The passing of Irvin S. Cobb calls to mind an interview which your columnist had with Cobb's close friend Bob Burns, several years ago. Burns related an occurrence in connection with the filming of his next picture:

"Cobb was visiting on the set and he told a story and then I told one. As I was telling mine, he had thought of another and tapped his fingers on his knee, impatient for me to finish—and I did the same while he was telling one. Everybody else crowded close and we weren't getting any work done on the picture until at last the director good-naturedly shooed Cobb to the sidelines."

Later, Cobb wrote Burns that he was making use of some of the barnyard player's jokes in speeches: "I always mention your name as the originator of the stories but I do it in such a reverent tone that they may not hear it."

"And they laugh at the jokes, too—it must be the way I tell 'em."

Cobb phoned Burns one day and invited him out to the house for supper, explaining, "Mrs. Cobb has never met you and she has expressed a morbid curiosity to see you."

Looks as though the Lieutenant Governor has reached the end of the political trail.

He has an intense ambition to be Governor, and the Attorney General's office is the traditional stepping-stone. Though carrying on a feud with Attorney General Sellers through long and fiery statements to the press, the Lieutenant Governor seems fearful of entering the race for Attorney General and thereby carrying his controversy to the voters.

If the Lieutenant Governor doesn't dare run for Attorney General this year, how can he hope to get anywhere in 1946 in a far more difficult race for the higher office of Governor? A formidable array of candidates is likely then, including State Railroad Commissioner Beauford Jester (candidate this year for a 6-year term on the Commission) and whoever is Attorney General then.

Yes, the Lieutenant Governor—like so many of his predecessors—will no doubt find that office to be a "dead-end" street.

ODT Advises How To Stop Black Market

How the public could help blot out the nation's black market in gasoline is being pointed out by the Office of Defense Transportation. Seriousness of the black market was indicated recently in a statement by Price Administrator Chester Bowles in Washington that it was responsible largely for the necessity of reducing ordinary passenger car gasoline allotments to two gallons a week, beginning March 22.

The ODT says there would be no black markets if: Consumers did not buy gasoline without coupons and would use only coupons rightfully issued to the motorist. Dealers would sell gasoline only for coupons issued to the customers.

CARD OF THANKS

We take this method to thank our friends, neighbors and loved ones for their kindness and devotion to us in our hours of sorrow over the loss of our darling babies and home.

Words cannot express our feeling for you who gave so freely of your time and money, food and clothing, to help heal our broken hearts. May God look down on each and every one of you and bless you. If trouble ever befall you may you have just such friends to stand by you in sorrow, as our sincere prayer.

Mr. and Mrs. Elton Robertson and Doris, Mr. and Mrs. J. W. Hewitt and families, Mr. and Mrs. J. N. Robertson and families.

Food Support Prices Insurance To Farmers Against Possible Loss

Assurance to Knox County farmers that they can go ahead with an all-out production program this year without fear of a collapse in prices was given this week by Emmett Partridge, the chairman of the County AAA Committee, who reviewed price schedules which were made effective by Congress' provision for carrying out the support price program.

A brief summary of the support price program for principle farm products grown in Knox County, is given below. Complete information on the methods to be used for supporting prices on the various commodities may be obtained at the County AAA office or from community AAA committeemen.

WHEAT—Non-recourse loans at 85 per cent of the parity price as of July 1, 1944 on wheat stored on farms or in warehouses.

COTTON—Non-recourse loans at 90 per cent of the parity price as of Aug. 1, 1944 on cotton stored on the farm or in warehouses.

SOYBEANS—Non-recourse loans on Soybeans at \$2.04 per bushel for the green and yellow soybeans grading number 2 or better with 14 per cent moisture content—20 cents per bushel less for brown, black or mixed.

PEANUTS—The War Food Administration will be the only authorized buyer of 1944 peanuts and will enter into contracts with shellers, crushers and producer cooperative associations under which they will agree to purchase peanuts from producers for the accounts of the Administration at \$160 per ton for Spanish, Virginia and Valencia types and \$145 per ton for the runner types.

BARLEY—Non-recourse loans on barley stored on farms or in warehouses at 85 cents per bushel—a deduction of 7 cents per bushel for warehouse stored barley unless the storage is paid through April 30, 1945.

GRAIN SORGHUM—Non-recourse loans on grain sorghums stored on farms or in warehouses at 95 cents per bushel for No. 2 or better—a deduction of 7 cents per bushel for warehouse stored grain sorghums unless the storage is paid through April 30, 1945.

RYE—Non-recourse loans on rye stored on farms or in warehouses at 75 cents per bushel for No. 2 or better—a deduction of 7 cents per bushel on rye stored in warehouse unless storage is paid through April 30, 1945.

VARIOUS SEEDS—Vegetable, winter cover crop, hay and pasture seeds. Designated prices for specified varieties will be supported through purchase programs—f o r varieties and prices see local county AAA committee.

WOOL—The WFA will offer to purchase domestic production of wool at the present support price (which is the current ceiling price less specified marketing costs.)

HOGS—The WFA will support until September 30, 1944, the price on good to choice hogs weighing 200 to 270 pounds at \$12.75, Chicago basis, and from October 1, 1944 through March 31, 1945, hogs weighing 200 to 240 at \$12.50. Good to choice hogs weighing 270 to 350 pounds will be supported for a limited period at \$13.75 Chicago basis.

EGGS—The WFA will support to producers for eggs at 90 per cent of parity price, but in no event less than a U. S. average farm price of 30 cents per dozen in the spring and early summer, and an annual average U. S. price of 34 cents per dozen.

TURKEYS, CHICKENS—The WFA will support prices to producers of turkeys and of chickens weighing less than three pounds live weight) at 90 per cent of the parity price, but in no event less than specified prices which will be announced at a later date. The method of support will also be announced at that time.

MILK & BUTTERFAT—Through purchases of butterfat, cheese and skim milk powder the WFA will support returns to producers of milk and butterfats at levels of not less than 30 cents per hundred pounds for whole milk or 4 cents per pound for butterfat above the returns which will be reflected by the following prices for butter, cheese and skim milk powder: Butter: U. S. Grade A or 92 score, 46 cents a pound, Chicago basis.

American Cheddar Cheese: Grade A or No. 1, 27 cents a pound, Plymouth, Wisconsin, basis.

Skim Milk Powder: U. S. Extra Grade, spray 14 1/2 cents and roller 12 1/2 cents a pound. FOB Midwest plant basis.

Payments with respect to milk or butterfat made directly to producers have been announced through the month of April.

Editor Receives Letter From Seaman Eads

The following letter was received by the Herald last Saturday from Jasper Ray Eads, Sic. U. S. N. R., now overseas:

March 23, 1944

Dear Sir:
I received my first edition of the Herald yesterday. The first home paper I've had since I've been overseas. It's just like receiving a big letter for I've lived there all my life and know almost everyone, although I'm sure things have changed a lot in the fifteen months I have been over here. I don't guess you know of me but I'm hoping to meet you soon. I noticed several of the boys named in the paper that were very good friends of mine and I hadn't had a word to where they were.

Our mail is very poor here, or has been lately although we expect it to pick up soon. The paper I received was January 27th issue. Kinda old but believe me it was news to me.

I haven't seen but very few Knox City boys since I've been here and any news is always new to me. I asked Dad to send me the paper when I first came over but it had been discontinued and I was very glad that you have taken it. Here's wishing you the very best of luck and success. It's a small paper but you would be surprised how big it seems to a fellow a long ways from home.

When you see Ancil Waldrup, Ottis Cash and Joe Watkins, tell them I said hello, and I'm hoping to be home soon.

Hoping my paper keeps coming on through the mails, I am,
Your truly,

J. R. Eads, Sic, U.S.N.R.,

Every Army division going overseas takes about 150,000 tons of equipment with it . . . largely shipped in water-proof paper or in heavy brown corrugated paper board. And it's these stronger brown grades of waste paper that are dangerously scarce!

Brown paper cartons, corrugated boxes, heavy brown wrappings and bags come into your house daily. These are the kinds of paper needed most by our fighting forces.

Save waste paper . . . and especially heavy brown paper! Pack it up . . . turn it in!
