

Gazing into the crystal ball: Greyhounds, 34; Rochester, 12.

It would not be too much fun to go to a football or baseball game without needing the officials at times, but fans should remember the "umps" are human beings just like everyone else and are going to make mistakes now and then. In nine times out of ten, however, the officials can see... and do see the plays much better than fans in the stands, or sidelines, and despite some miscalled plays, the officials do a much better job than any of us Monday morning quarterbacks could do.

The Knox City High School Student Council, which is a relatively new organization, since it was begun here only last year, is a much more important organization than most of us realize. The purpose of the council is to create a closer relation between the student body, faculty and school board.

Experts say that most accidents happen in the kitchen, but wise husbands eat them anyway.

The idea of a United Fund Campaign for Knox City has been discussed and "kicked around" by a few citizens. In other words the "United Way" would be to make one big all-out drive for funds. For instance Knox City has drives for the Red Cross, polio, Salvation Army, cancer, heart fund, Boy Scouts, etc. and from the businessman's viewpoint, it seems there is some kind of a drive to raise money going on most all time, whereas a United Fund Campaign would get it all over in one big drive. Another thing to be considered is the fact that more drives take more time, and more workers. The volunteer workers, most of them with regular jobs, or businesses of their own to see after would not have to be called upon a number of times each year to help raise money for some worthy cause.

I noticed... said that the U. S. Government is going to spend 100 million dollars on electronic machines to track down every taxpayer who does some (fudging) on his returns.

These machines will check automatically every return filed by every taxpayer... and every paper the machine finds suspicious will be flipped out... to be studied by an auditor. The machine works something like this... for instance if you are a family man, and report an income for \$8,000, but drive a Cadillac, the machine will become suspicious, mark your return for a check-up... or if you are a doctor, a farmer, lawyer, storekeeper, salesman, baker or candlestick maker... and your reported earnings are far below the norm... the machine will become suspicious, and mark your return for a check-up... but the machine won't stop there. There will be norms for medical deductions. If you report a lot more for doctor bills than other families of your size and income, or a lot more for doctors than you have been used to spending, the machine will mark you down for check-up.

The new super machines will be put into use because U. S. Treasury men estimate the U. S. loses several billion of dollars a year in revenue from taxpayers who fail to report all they earn. These new machines won't go into action right away. They will be tried out in 1961... but will be in full operation around 1967.

However, Knox is of the opinion it would do a lot more good to invent a machine into which clabberheaded politicians could be inserted and the machines in turn become suspicious and mark these professional politicians for a check-up... because no matter how many millions of dollars are collected from taxes... the government will waste billions more.

Yep! That's just like the government to spend 100 million dollars on electronic machines to check and double check on the taxpayer. If there were lower taxes and less wasteful government spending... there would be very little fudging on tax returns and the machines would not be needed.

General Telephone Co. Granted Rate Increase

Members of the City Council met Monday night in their regular monthly session and voted to grant General Telephone Company a rate increase here.

D. H. Campbell, revenue development representative for General Telephone, of San Angelo, and Bill Burdick, plant supervisor, Seymour, met with the council to discuss rates and service in Knox City.

Councilmen voted earlier to offer the phone company half of their proposed increase. Campbell told councilmen his company had authorized him to accept an increase as follows:

Business—Individual line service, \$8.50; two-party, \$7.50; extension, \$1.50.

Residence—Individual line service, \$4.50; two party, \$3.75; extension, \$1.00.

The above increase in phone rates is approximately 30 per cent.

All commissioners present, except one, voted for the above.

Stone Announces Candidacy For Com. Prec. 3

Sam Stone, well known farmer of the Gilliland community, became Knox County's first candidate for office in the 1960 elections last Tuesday, when he authorized The Knox County Herald to announce his candidacy for the office of Commissioner of Precinct Three.

Mr. Stone has lived in the precinct for the past 20 years, having been engaged in farming, and this is his first time to seek election to an office of any kind.

"I have am qualified to perform all the duties of this office," Mr. Stone said, "having a knowledge of the precinct and its needs. If elected, I will do my very best to make you a good commissioner, giving my time and efforts to the duties of office, and treating everyone fairly and squarely at all times.

"Upon this basis I earnestly solicit your vote, consideration, and influence in the 1960 primary election."

Rhineland Catholic Church Completes Thanksgiving Plans

St. Joseph's Catholic Church at Rhineland, has completed plans for their annual Thanksgiving picnic.

A Thanksgiving dinner with turkey and trimmings and homemade country sausage will be served.

Games, including a doll rack, fish pond for the children, ring toss and others will be played. In the evening Billy Walker and his Traveling Texans will play for a dance, beginning at 9:00 P. M., and continuing until 12:30 A. M.

The public is cordially invited to attend.

1960 Spring Meet Organizational Session Held Recently At O'Brien

The executive committees of the former spring meet districts 13 and 14 met at Carney High School, O'Brien, recently for the purpose of organizing a spring meet district. Elvin Mathis, Superintendent of Carney at O'Brien, was elected director general. Troy Gauntt, Rochester coach, was elected athletic director.

Each school having both high school and grade school was assessed \$20.00, including Rochester, Paint Creek, Mattson, Rule, Wetmore, Carney, Knox City, Benjamin, Vera, Goree and Megarick. Rhineland (high school only) and Sagerton (elementary only) were assessed \$10. These dues are to be paid by January 15, 1960. Dues should be sent to the director general.

All entries in the events are to be sent to Elvin Mathis, O'Brien.

City Attorney Joe Reeder was present at the meeting to inform the councilmen on Texas law concerning utility companies.

The new rates will be in effect December 1.

Other business of the council was to elect a mayor protem, and members elected Otis Cash to preside in the absence of Mayor Otis Harbert.

Scout Troop 161 Schedule Meeting For Monday Night

A meeting of Scout Troop 161 will be held Monday night, November 9, at 6:30 o'clock at the Scout cabin.

Boys in the age bracket of "11-up", interested in Scouting are urged to be present.

John Saunders is the new scoutmaster.

Crowned Queen

Katherine Ressel, daughter of Mr. and Mrs. T. R. Ressel, was crowned queen of Benjamin High School at the Halloween carnival Saturday night.

Katy is classified as a senior.

SATURDAY IS POPPY DAY

Saturday, November 7, will be "Poppy Day."

The American Legion Auxiliary will sell poppies all day Saturday, according to information released to The Herald.

Homecoming Game Friday Night To Decide Champion of District 10-B

Two mighty powers in District 10-B will clash here Friday night, October 6, when the hard-hitting howling 'Hounds and the stubborn Rochester Steers tangle in a "do-or-die" survival to decide the championship.

Both the 'Hounds and Steers go into this all-important "duel" undefeated.

The game Friday night will officially open the "homecoming" activities for Knox City Exes, thus a capacity crowd will be on hand for the kick-off—rain, sleet, snow, hail, or shine.

'Hounds Dump Rule

Buildozer Larry White, the potent fullback had himself a night against Rule last Friday, as he scored all of the 'Hounds five touchdowns of 1, 20, 2, 45 and 10 yards.

With White at the controls, and with plenty of petrol and steam, undefeated Knox City just like "old man river" kept rolling along to its ninth victory of the season, 33-0 over Rule.

The victory certainly set the stage for the "big one" tomorrow night, Friday with the Steers.

The 'Hounds first tally came in the middle of the first quarter when White's one-yard plunge climaxed a 94-yard drive. Try for the extra points failed.

In the second quarter Lolla-palooza Larry tallied from 20-yards out, from the one-yard line, and from 45 yards out, and ran the extra points to make it 26-0 at the half.

White scored again in the third quarter with halfback Joe Ed Glover kicking the extra point.

Rule made it to the four-yard line in the first quarter, and to the 10 in the fourth quarter, losing the ball on downs the first time.

Funeral Services Are Held Today For Mrs. Sharp

Funeral services were held today, (Thursday), November 5, at 2:00 p. m., from the First Baptist Church in Rochester for Mary Etta Sharp, 90, who passed away, Wednesday, November 4, at the home of her daughter Mrs. Lonzo Poe, West of O'Brien.

Rev. Young, pastor of the First Baptist Church, Munday, officiated, and interment was made in the Rochester cemetery under the direction of Pinkard Smith Funeral Home.

Mrs. Sharp was born January 21, 1869 in Arkansas and was married September 19, 1894 in Mississippi to George Monroe Sharp. She was a member of the Rochester First Baptist Church, and had resided in Haskell county since 1923.

Survivors include two daughters, Mrs. Lonzo Poe, of O'Brien; Mrs. Clyde Rogers of Goree; one son, Dallas Sharp, of Rochester; 35 grandchildren, 71 great-grandchildren, and one great-great-grandchild.

Revival Services To Begin Monday At Meth. Church

CHARLES W. GARRETT

Rev. Oran Smith, pastor, announced today that revival services will begin Monday, November 9 and will continue through Sunday, November 15, at the Knox City First Methodist Church.

Services will be held twice daily, 7:00 a. m., and 7:30 p. m., with Rev. Charles Wesley Garrett, pastor of the First Methodist Church in Chanute, Kansas, delivering the messages.

Rev. Garrett, who has served 15 consecutive years in the parish ministry of churches—rural, suburban, resort, industrial, college and city, has a M. A. and B. A. degree from Southern Methodist University, Dallas, a B. D. degree from Perkins School of Theology, and a Ph. D. from New York University.

Invitation is extended everyone to attend the series of services.

Homecoming Activities To Get Underway Friday Night

R. D. (Rufus) White, president, said this week that everything is in readiness for the Knox City Ex-Students homecoming slated Friday and Saturday, November 6 and 7.

The big two-day event will officially get under way at 7:00 p. m., Friday, November 6, at Greyhound Stadium with a welcome address by Jeff Graham, followed by the Knox City-Rochester football game at 7:30, and crowning of the queen at halftime.

Alumni President Extends Welcome

To Alumni, Ex-Students and former teachers:

We would like to have all of you present November 6th and 7th for the 16th homecoming of our school.

We hope to take you back to the best days of our lives in the good old school days. You will see the improvements in the school system and meet new friends and old ones. We hope this year to encourage more ex-students to take part, and attend the meetings in the future.

It is my pleasure to welcome each ex-student, ex-teacher and patron back to this community. The reunion will be incomplete without your presence.

Benjamin Christian Church Plan Special Services, Friday

Special services will be held Friday, November 6, at 6:00 p. m. at the First Christian Church in Benjamin.

A Gospel team from Midwest Christian College in Oklahoma City, Oklahoma, will conduct the services.

The Gospel team is composed of Dr. Charles Gresham, Marvin Garrison, David Bradshaw, and Mr. and Mrs. Sam Warfel. The public is invited to attend.

Christian Church Youth Attend MYF District Meeting

Youth of the First Christian Church attended a District CYF meet at Olney last Sunday afternoon. The theme was Christian World Friendship Fund, through which youth funds are channeled for missions and world outreach.

Those attending were Linda Grinstead, Belle Burnett, Jinx Reeder, Peggy Crowover, Jimmie Joe Reid, Danny Burt, and Jim Anderson. They were accompanied by Mrs. Joyce Crowover, sponsor, Joe Reeder and J. Wilfred Carter.

Quarterback Club Meeting Tonight

Quarterback club members will view a film of the 'Hounds-Rule football game tonight, Thursday, at the regular weekly meeting of the club at 7:30 o'clock in the fieldhouse.

With interest reaching the "boiling point" for the "big one" Knox City vs. Rochester game Friday night, a large delegation is expected to be on hand tonight for the quarterback club meeting.

Boy Scout Finance Drive Here Launched At Breakfast Meeting

The local Boy Scout Finance drive was launched Tuesday morning at the regular Jaycee breakfast. The new Jaycee club in Knox City is working the campaign this year as one of their projects.

Twenty-two Jaycee members hosted representatives of the Scout units in Knox City. Present were Eddie Williams, Jim Lea and Glen Davis, representing the Explorer Post and Scout Troop. Also present were John Saunders, newly appointed Scoutmaster, and Ulric Lea, Explorer Advisor, and long time Scoutmaster in Knox City, Past Scoutmaster Joe Clonts was also present. Clonts and Saunders are both Jaycees. C. E. Williams, member of the club, and chairman of the finance drive, was in charge of the program. He introduced Bunch Brittain, District Scout Executive, who showed a film-strip on the campaign, and gave a short talk on how the money would be used.

Brittain pointed out that the Northwest Texas Council included Knox County and twelve other counties in this part of the State. The Council is charged with raising the money to insure that the Scouting program is available to all boys from 8 to 18 within these thirteen counties. All of the money raised makes up the council budget, which in turn provides such services as a permanent Scout Camp (Camp Perkins), a council office, badges of rank and advancements, professional service from men trained in helping the local units give an effective program to boys, training literature and aids for volunteer workers,

zym, followed by entertainment, and a dance from 8:00 to 12:00 in the Legion Hall. Coffee will be served by Mrs. Myrtle White, Mrs. Carrie Belle Benedict, and Mrs. Mabel Pyeatt, during the dance.

Admission will be charged to the dance, but no charge will be made for the other social gatherings.

If anyone has an extra room, or can furnish lodging for ex-students during the homecoming, please notify Ancil Waldrup.

Plates To Be Sold

Members of the eighth grade class will sell plates with school pictures inscribed on the plates at the registration desk, high school, during homecoming. Anyone desiring to purchase the plates may do so when registering.

Final Rites Are Held For Russell Burr Glidewell

Final rites were held Tuesday at 3:00 p. m., from the Methodist Church in Truscott, for Russell Burr Glidewell, 75, who passed away in the Knox County Hospital, Sunday, Nov. 1.

Rev. Homer Stephens, pastor of the Truscott Baptist Church, Rev. Davis Stephens, pastor of the Truscott Methodist Church, and Rev. Carl Hudson, pastor of the Crowell Methodist Church, officiated.

Interment was in the Truscott cemetery.

Mr. Glidewell came to Texas in early youth and in 1926 he moved his family to Knox County. He was an active member in the Methodist Church. He was married to Miss Sophronia May Booe at Bell, Texas, in 1908.

Survivors include his wife, four daughters, Mrs. O. L. Brummett of Borger, Mrs. Elmo Glascock of Dallas, Mrs. O. J. Shook of Chattanooga, Tenn., and Mrs. W. D. Lindsey of Victoria; four sons, J. T. of Victoria, A. G. of Vidor, Russell B. Jr., of Truscott, and Fort Worth, and Joy L. who is stationed in El Paso with the army; one sister, Mrs. T. L. Reynolds of Katy; 22 grandchildren, 11 great-grandchildren, and a host of other relatives.

Welfare Information May Be Obtained From City Secretary

Perry C. Spenny, Field Welfare Worker, who has been transferred to Haskell, announced to the Herald this week that anyone desiring information concerning welfare service may leave their name with city secretary, Wesley Garrison.

Spenny will continue to work this county until a replacement for the office here is filled.

New Residents

Mr. and Mrs. Bill R. Smith and two sons, Freddy, 14 and Lynn, 11, and nephew Gary Carver, formerly of Munday, have moved to Knox City to make their home, and are residing on East 5th St.

Smith is Service Man for the General Telephone Company.

Uncle Ben from Benjamin says:

DEAR MISTER EDITOR:

I see by the papers where the high level politicians is getting in gear for the 1960 elections. The Republicans is bragging about prosperity and the Democrats is predicting a panic. All I know for shore is that if we ever have another panic in this country, it'll be televised.

And I see where a big insurance company has come out with a list showing how car drivers stand. Workers for wholesale firms get first place for being good and careful drivers, farmers and ranchers rank fourth, teachers sixth, and high school students at the bottom of the list, in 72nd place, the worst drivers on the road. That adds up, Mister Editor. If Johnny can learn to read without learning to spell, I reckon he figgers he can drive without looking where he's going.

But I ain't blaming the schools 'fer all this juvenile delinquency. It got a head start the day the woodshed was replaced by the garage. There's a old saying that he that giveth to a pig when it grunts and to a child when it hollers will end up having a fat pig and a unruly child. Too many parents use the giveth plan.

I brung up the topic at the country store Saturday night but all the fellers was busy talking about fishing and said juvenile

delinquency would have to wait. I ain't critising 'em none fer it. Fishing does a feller a heap of good and most of the time it don't do the fish no harm.

I heard a Civil Defense feller talking on the radio the other night and I'm writing my Congressman about his speech. He said in case a city is bombed city folks should pack up and go stay with their kinfolks in the country. It has took us country folks 20 year to git our city kin out of the habit of swarming down on us ever Sunday and eating us out of house and home. We got it done by leaving home on Sunday, putting up "smallpox" signs all over the place, and blocking the road with rocks and tree limbs. And now this Defense feller comes along and undergoes 20 year of hard work. It's important to git this feller off the air, and fast!

Our pracher talked Sunday on "family relations." He said a husband ought never start a argument with his wife when she's tired. I shore ain't starting one with mine when she's rested.

Yours truly,

Uncle Ben

Delta Tau Chapter Of Phi Theta Kappa Initiated Pledges

The Delta Tau Chapter of Phi Theta Kappa, national honorary scholarship society of Ranger College, initiated pledges and honored them with a dinner at Lone Cedar Country Club in Ranger, Thursday, October 22.

Freddie Cooper, president, conducted the initiation. The table which formed the initiation center had for a background a gold-sprayed replica of the Phi Theta Kappa key displayed under glass. The key was flanked by tall tiered ironstone candleholders holding gold candles. A blue and gold motif was used in table decorations to carry out the Phi Theta Kappa colors. The tables, arranged in a U shape, had as a centerpiece and arrangement of blue chrysanthemums and gold leaves. Hurricane lamps in black wrought-iron holders completed table decorations.

The invocation was given by Betsy Teinert. President Cooper acted as master of ceremonies and welcomed the guests and pledges. Dr. Theodore Nicksick, Jr., gave the response. After the dinner Miss Teinert gave a talk on "How to Do It Better."

Special guests were Dr. and Mrs. Theodore Nicksick, Jr., Mrs. R. L. Hamrick, and Mrs. R. A. Jameson, honorary member. New members include Glenda Givens Headen of Knox City.

Benjamin Bounces O'Brien, 49-6

Benjamin opened up with 18 points in the first period last Thursday night to pave the way for a 49-6 victory over O'Brien in a District 3 six-man football game.

The win was Benjamin's first district triumph and O'Brien's fifth loss. Am Cox and Donnie Ryder were the big guns in the Benjamin attack as Cox scored four times on runs of 35, 30, 37, and 15 yards and Ryder went 17, 50, and 5. Fred McGregor ran 40 for the other touchdown. Tom Brewster ran over a two point conversion.

Larry Gibson ran 14 yards for O'Brien's tally.

Vera Smothers Paint Creek

Vera ran wild last Thursday night to smother Paint Creek, 65-33 in a District 3 six-man football game.

Douglass hit pay dirt four-times to lead the winners, while Billy and Keith Horton tallied twice and Wayland Horton once.

GARDEN TALK

The Garden Club scouts have been out snooping around again in an attempt to select the outstanding yard of the week.

Several were considered, but they finally decided on the Jewell Day yard. Have you noticed it? If you haven't, drive by. The rose garden is in full bloom and beautiful. The rows of zinnias down the front walk, and a clump of chrysanthemums here and there... all blend together to make a very colorful picture. You will enjoy it.

And while passing, look right across the fence at a beautiful candle tree in bloom. Too, if you happen to be going to O'Brien, notice Mrs. S. N. Reed's bed of purple alyssum along her front walk. Also, we just mention the very unusual shrub we saw on Mrs. Caussey's front lawn. It's a French Mulberry. It grows wild in East Texas in the pastures along the roadways - yet it seems very much at home in Knox City.

Haskell County Unit Texas State Teachers Meet

The Haskell County unit of the Texas State Teachers association held the first of three annual meetings on Monday evening, Nov. 2, at the Rule High School cafeteria.

Speaker for the evening was Austin Siebert, minister for the Church of Christ at Coleman. The theme of the challenging speech to the teachers was for better guidance for the individual school child.

Hon. Ed. Cloud, representative of the 81st Texas legislative district, and Mrs. Cloud were guests for the banquet. Mrs. Lee Haymes of Munday, president of the unit stressed the paying of poll tax, keeping informed on the Hale-Aiken program, and attendance at county workshops of Child Guidance programs.

Publications in the form of pamphlets entitled, "First Steps for Better Schools," "Welcome to State Meeting of T.S.T.A." and a copy of the newspaper "Texas Schools" were handed to each teacher by Pat Morrison the Publicity chairman.

Membership Chairman, Mrs. Robert Speer, of Haskell reported Haskell County lacked, at the present date, only one teacher membership in being one hundred per cent in T.S.T.A.

The second meeting of the unit will be the evening of February 1, 1960.

Rev. Dan Barfield Speaks to Members Of 1946 Study Club

Rev. Dan Barfield, pastor of the Presbyterian Churches of Rule and Throckmorton spoke to members of the 1946 Study Club and their guests Tuesday afternoon at the Womans Club.

His subject was the Dead Sea Scrolls which were found in 1947 south of Jericho. These scrolls will finally be exhibited in the Hebrew University in Jerusalem. It is thought that they were written sometime between 170 B. C. and 68 A. D. and they are considered the greatest archeological discovery of modern times.

The finding of these scrolls has given us new resources for study of the Christian faith. Scholars have said that they have greatly enriched understanding of Judaism but most important they have provided material for a better understanding of Christianity.

Preceding the talk by the Rev. Barfield a trio of girls, Misses Jeane and Jeanette Colson and Lou Denton, sang "Ivory Palaces," accompanied by Mrs. Tommy Watson.

Hostesses for the afternoon were Mmes. R. P. Barnard, Bob Hincney and Rip Collins. Mrs. Collins introduced the speaker. Pumpkin pie and coffee was served to the guests as they arrived.

A cornucopia filled with orchid chrysanthemums centered the table.

The president, Mrs. Joe Clonts presided at a short business meeting following the program. The club voted to send contributions to several funds sponsored by the General and Texas Federations of Womens Clubs.

A report was given by Mrs. Paul Hoge on the purchase of new draperies for the Womans Club. Mrs. Ted Darland reported on the float which the club will have in the homecoming parade Saturday.

The next meeting of the club will be held November 17 with Mmes. George Wall, Don Reeves and Bill Sams as hostesses. The speaker will be James High of Stamford.

Mrs. Osborn To Observe Her 85th Birthday, Saturday

Mrs. Alma Osborn will have all her children at home on her 85th birthday which she will observe Saturday.

Other relatives will be present but no celebration is planned. Mrs. Osborn was born in Van Zant County. She is the former Alma H. Nelson, and married J. T. Osborn in 1893 in the same county.

They moved to Knox County 47 years ago and bought land west of the Brazos River. Her husband operated a country store in the Needmore community before moving to Knox City where he owned a grocery store until his death in 1933.

Children are Tom Osborn

Grain Sorghum Producers, Shippers Are Cautioned

Grain sorghum producers and shippers in the Texas Plains are cautioned by the Texas Agricultural Extension Service to be sure vehicles hauling grain are free of any seed other than grain sorghum.

A number of truckloads and carlots being shipped from Texas to Western states have been denied entry after a few cottonseed were found mixed with the grain.

Shippers are being required to fumigate these contaminated shipments — at a cost varying from \$50 to \$100 a load — before crossing the state line, reports D. M. McEachern of the Bureau of Plant Pest Control at San Antonio.

The states have regulations affecting import of cottonseed and other agricultural products.

Indications are that the grain sorghum possibly was contaminated while still on the farm, due mainly to use of the same vehicles for hauling both cotton and grain sorghum.

If further information is needed on this subject, please contact Troy Jones, Knox County agent.

THESE ARE SOME OF THE NUTS, BOLTS AND SCREWS THAT WERE NOT PUT INTO THE BODY AND FRAME OF THE 1960 PLYMOUTH.

They can't loosen and rattle because they're not there. Instead, Chrysler engineers now bring you Dura-Quiet Unibody: a body and frame that's a single unit welded around 5400 times for super strength. You will feel and hear the difference the first mile you drive the Solid Plymouth for 1960.

Expect a pleasant new experience when you first try the '60 Plymouth. What happened to the "car sounds" you used to think were normal? They're gone, in the new Solid Plymouth. They

were built out of it from the start. And they won't appear later to haunt you, because this car is built to stay quiet for a long, long time.

Quiet durability is only one of the advantages of solid Unibody construction. You'll notice unusual new comfort as well, and new handling ease.

We think this is the best built, best performing car in the low-price class. Try it and see what you think.

Correction!

In a news release in last week's issue of The Herald, an article stated that 'Lady Hawkins' was owned by John McGowen, but should have said the horse was owned by J. G. Hawkins. 'Lady Hawkins' won grand champion in the mare classes at the Haskell Horse Show, and recently won fourth place in the palomino pleasure division at the Dallas Fair.

tant to have somewhere for the youth to meet. The idea originated within the 1946 Study Club, was backed by the Lions Club, approved by the city, and was built entirely by the efforts of the towns people. Our Youth Center is as nice as any I have visited, especially so when you consider the size of our town.

But the number of kids who are on the Youth Center roll is restricted by protests from several groups. Three years have passed since the Youth Center was built, and in those three years, the fearful prediction from those groups have been proved wrong. Nothing, absolutely nothing goes on at the Kennel that kids would be ashamed for any one to see.

If you've never visited or chaperoned when the Kennel was open, you're missing a real treat to watch the kids enjoy themselves. I would like to extend an invitation to anyone to drop by and watch for a moment, and judge for yourself. The annual Miss Firelighter will be crowned at the pep rally. According to tradition, she will light the bon fire that is customary before the Rochester ballgame.

A new type of punishment for coming up without homework was enacted by Mrs. Cash last week. Jim Anderson, crowned king at this sort of thing, was the victim. When Jim came up minus homework, Mrs. Cash insisted that he make it up by contributing a theme for the following day. The title was to be "Why I Don't Turn in My Homework." (Jim turned this one in).

It seems impossible to write a column this week, without mentioning the forthcoming game. It has all the earmarks of a sensational game; two undefeated teams, a homecoming and a district championship riding on the contest. There seems to be little left to say out, "Beat Rochester!"

FHA Installs New Officers

The Knox City Chapter of Future Homemakers of America met and installed officers Thursday, October 29. President Pretrecia Hendrix presided at the white table decorated with candles and red roses in the school auditorium. Candidates for the offices were escorted to the stage and asked to give their duty as an F. H. A. officer. Then they were presented with a red rose, official flower of the organization, and proclaimed to be duly installed.

New freshmen members were then recognized and enrolled in the organization, and sophomore members gave the purposes of F. H. A.

The installation closed with members singing the F. H. A. prayer song. Refreshments were served to the members and their parents.

Mrs. C. M. Shwadenak is chapter sponsor of the following members: Pretrecia Hendrix, president; Peggy Crownover, vice-president; Lou Denton, secretary; Sue Shelton, treasurer; Melanie Verhalen, reporter; Jeanne Colson, parliamentarian; Linda Edge, historian; Donna Fitzgerald, song leader; Samantha Graham, pianist; Joyce Collins, Paula Jones, Ann Shelton, Wynette Graham, Linda Caddell, Joan Shaver, Annie Culp, Mary Lowrey, Jackie Givens, Donna Verhalen, Doris Marion, Betty Bryant, Nellie Reyes, Erlene Lewis, Frances Perez, Darolyn Stephens, Janelle Ward, Carol Collins, Charlotte Perdue, Jean Cornett, Judy A. Smith, Karen Graham, Carroll Tankersley, Claudia Reed, Sue Bankston, Samantha Graham, Virginia White, Lynda Dotson, Josephine Reynolds, Betty Al dridge, and Linda Swamer.

Rosignol Takes Part In Fleet Training Exercises

PACIFIC FLEET (FHTNC)—Carl W. Rosignol, interior communications electricians third class, USN, son of Mr. and Mrs. E. L. Rosignol of Knox City, serving aboard the destroyer USS Hollister, took part in a large fleet training exercise off the coast of Southern California, November 2-6, involving units of the U. S. Pacific Fleet.

The exercise, under the direction of the Commander of the carrier First Fleet, pitted "Blue" attack carrier striking forces against "Orange" defensive forces. The Blue forces launched carrier aircraft attacks and simulated guided missile attacks on a large land mass. The Orange defenders attempted to stop them with Navy carrier and land-based aircraft and surface craft. Submarines practiced attacks on the groups during the early phases of the exercise. Operations of this type are designed to prepare units of the First Fleet for deployment to the Far East and duty with the U. S. Seventh Fleet.

THE BIG CHANGE

is TO an **ELECTRIC RANGE!**

It's so inexpensive to cook the modern electric way. The average family served by WTU can cook a complete meal for less than three cents (3¢).

If you're like most homemakers, you'll agree to this: seeing your family sit down to a delicious dinner is one of the biggest thrills any woman can have. But—how often can you really enjoy it, when you're tired out, exhausted, after hours of battling with a balky, old-fashioned stove. Well, if that's your situation, get ready for something wonderful to happen—to you! Just start cooking with a modern, automatic electric range. Here's cooking that's faster, easier, cleaner—a range that does the work for you, turns itself on and off so that you don't even have to watch the food cook. You'll find that you'll enjoy dinner, too, along with the rest of the family. This is really living better—and cooking better—electrically. See the new automatic electric ranges on display today at your electric appliance dealer.

(Although this is addressed to Chevrolet owners, we'd be glad to have you read it, no matter what make you now own or plan to buy. It might well be as interesting and significant to you as to the Chevrolet owner.)

TO THE MORE THAN 16 MILLION PEOPLE WHO OWN CHEVROLETS

The first and the latest—the 1912 and the 1960 Chevrolet. The progress represented here is the result of continuing efforts to make your new Chevrolet always more beautiful, more useful and more valuable in every respect.

You belong to the largest family of owners in the automotive world. We hope you're proud of that. It must give you great satisfaction to know that your judgment in choosing Chevrolet has been confirmed by so many other people.

We know that we can hold your preference and your loyalty only by meeting our responsibilities to you fully and completely from the day you buy your Chevrolet to the day you trade it in. And so we'd like to talk with you about our responsibilities as we see them, and what we are doing to meet them.

Our first responsibility, we think, is clear: To design and build products that satisfy your needs and your wants to the highest possible degree. To that end, we have done these things for 1960:

Made the 1960 Chevrolet more economical, roomier, more quiet and comfortable, easier to handle and maneuver. Introduced the compact and revolutionary Corvair. Produced a new line of Chevrolet trucks with unprecedented advances in efficiency, cargo handling, driver comfort and ability to get a job done.

But it isn't enough to design and build the kinds of products you want. They must be built right. Solidly. Carefully.

Let us assure you of this: Chevrolet's fine reputation as a solid, well-built, dependable product is being safeguarded by more checks and inspections and tests, than ever before.

Along with your Chevrolet dealer, we want you to have available the finest and most complete service facilities. That is why we: Conduct training schools for Chevrolet dealer mechanics. Study and recommend improved service equipment and techniques. Maintain the industry's most complete parts warehouse system.

Finally, neither Chevrolet nor your Chevrolet dealer has any intention of forgetting you after you buy. To help keep you happy with your Chevrolet, we have established a department new to us, and so far as we know, new to the automobile industry. This is the Chevrolet Department of Owner Relations, whose only job is the coordination of Chevrolet and Chevrolet dealer activities so that you enjoy utmost satisfaction during your entire period of ownership. Through this department, and through all the other extraordinary steps we are taking, Chevrolet and your Chevrolet dealer hope to keep you a happy member of the Chevrolet owner family.

Knox Countians Visit Agriculture Experiment Station

Four county extension program building committeemen, Jack Idol, Lonnie Offutt, J. C. (Togo) Moorhouse, Lee Smith and the county agent, Troy Jones, visited the Spar agriculture experiment station Tuesday, October 27.

One of the primary interests of the group was to get the latest information available on the use of stilbestrol for finishing steers. Paul Marion, station superintendent, gave the group a

Appointment Of Farm Census Crew Leader Announced

Appointment of Warren L. Collins of Knox City as a crew leader for the 1959 Census of Agriculture was announced today by Field Director James W. Stroud of the Census Bureau's regional office at Dallas.

Collins will direct a force of census takers who will canvass all farms in Knox, Baylor and Throckmorton counties. Before assuming his post, he will go to Graham where he will receive five days of training by a member of the Census Bureau's staff. Topics to be covered include procedures for recruiting of census takers, census taker training, canvassing methods, preparation and submission of reports, and the supervision of census takers to insure a complete and accurate count.

The crew leader is one of the key people in the field operations of the Census of Agriculture. It is his responsibility to recruit and train the census takers and supervise their work; plan and allocate work assignments; review the work of census takers and take remedial action where necessary, and to conduct difficult interviews.

After completing his training Mr. Collins will return to his district where he will spend several weeks recruiting census takers, and training them in preparation for the start of the field canvass on November 18.

report on stilbestrol, a synthetic drug, which has hormone properties, and has been used in eight feeding trials of 58 to 140 days since 1954. It stimulated the appetite and growth of steers when added to the ration in minute quantities.

Other demonstrations visited by the group included, water and soil conservation; brush and weed control; grassland management and reseeding; and cattle maintenance.

services to Knox City. The Council Executive Board, made up of volunteers from all thirteen counties, has set a budget of \$75,000 for 1960, in order to give this service to all of its communities. This, coupled with a debt of \$8,000, which the board borrowed last year instead of curtailing service, means that \$83,000 needs to be raised in the council territory. Community Chests and United Funds have pledged \$53,000, leaving \$30,000 to be raised in 10 independent drives.

The Brazos Valley District Brittain's territory, has four of the independent campaigns. Knox City is joined by Benjamin Throckmorton and Seymour.

The objective of the Jaycees is to see every person on the Scout prospect list and give them an opportunity to invest in this largest youth movement in the free world. If you are not contacted and would like to help please call Mr. Williams at 5351.

STATE CAPITAL Highlights AND Sidelights
by Vern Sanford
TEXAS PRESS ASSOCIATION

AUSTIN, Texas It is more than a year until the day when the next President of the United States will be elected, but in Texas, the race is on.

From now until November 8, 1960, may well be a year of the most feverish political activity the state ever has known.

House Speaker Sam Rayburn fired the starting gun by calling for an all-out campaign to win the Democratic presidential nomination for U. S. Sen. Lyndon Johnson. Rayburn called for Johnson-for-President organizations in every county in Texas.

A campaign kick-off by the man who has often been called "Mr. Democrat" gave enormous impetus to the activities of Johnson supporters. Pro-Johnson clubs, rallies and editorials blossomed over the state. Gov. Price Daniel and the state executive committee had previously pledged support.

Speaker Rayburn's sponsorship also makes exceedingly difficult the position of Texas, liberal wing Democrats who have been cool toward the senator since the convention hassles of 1956.

In 1952, Rayburn championed the liberals in their battle against a conservative party leadership working for Eisenhower. But the same group, now the Democrats of Texas Club members will have to fly in the face of their old friend, Rayburn, if they decide on open opposition to Senator Johnson this year.

Some DOTers have pledged Johnson support. But Mrs. R. D. Randolph, leader, refused to commit herself on grounds the senator has not declared himself a candidate.

Candidate or not, Senator Johnson is whizzing around Texas for personal appearances scheduled at the rate of more than one a day in the months ahead.

FAREWELL TO BENCH—John Judge John E. Hickman has announced he will retire in 1960 from his post as chief justice of the State Supreme Court.

Judge Hickman, who became a commissioner on the high court in 1955, has served there longer than any other man in Texas history.

Noting that he is 76, the judge said he felt the time had come "to surrender the duties and responsibilities of my office to
