

Washington, D. C., May 5 — During this week of dramatic and sensational news from all parts of the world the House of Representatives has been hard at work on important matters affecting the future economic and political security of this country.

The House Ways and Means Committee has been in constant session debating the Bretton Woods agreement which has to do with the control of international currency and the financial dealings between nations. The House Banking and Currency Committee has been at work for weeks on the problem of reciprocal trade treaties, which was former Secretary of State Hull's substitute for the log-rolling tariff fights of years gone by, and involves the whole problem of trade and commerce between nations.

The first thing done in the House this week was the passage of a resolution for American adherence to the United Nations Food and Agricultural Organization. This organization was born two years ago at the Hot Springs, Virginia International Food Conference, presided over by a former Texas Congressman, now Food Administrator, Marvin Jones. The over-all purpose of this organization is to be a clearing house for facts, figures, and ideas. All nations bear a proportionate part of the cost. Our part will not run over a million dollars a year.

This week the House has been debating the Summers Resolution to amend the Constitution as to treaty making. Many of us content the present requirement of a two-thirds vote in the Senate to ratify treaties has been destructive of American participation in international affairs. It kept us out of the League of Nations, it kept us from joining the World Court, it destroyed many useful treaties of arbitration and in effect has allowed the foreign policy of this country to be controlled by one-third of the U. S. Senate.

May 3 was Polish Constitution Day. The House set aside an hour and a half for speech-making in commemoration of the 15th anniversary of the adoption of the Polish constitution. In the United States we have more than three million people of Polish descent. In the Congress there are nine Polish members, from the states of Connecticut, Illinois, Wisconsin, and Michigan.

It is to be hoped the Polish question does not disrupt the efforts of the United Nations to set up a world organization for the prevention of war. The racial minorities of this country should remember they are first Americans.

I was this week chosen chairman of a sub-committee on war prisoners. The purpose of this committee is to see that war prisoners now in this country are promptly returned to their own homes after the war and that none remains here to become permanent residents.

For several years a fight has been going on in Congress to repeal the so-called land grant railroad rates. In the early days the United States government gave certain railroads nearly 139 million acres of public land. Texas gave 33 million acres of State land, and other states contributed an additional 15 million acres. As a result of these contributions, 27 railroads are now required to haul government property at one-half the established rates. The bill the House passed repeals these land grant rates. During this debate I made a speech insisting that while rates were being discussed we should require the removal of discriminatory freight rates from which the Southwest has long suffered.

One German hero who is apparently coming through this war with an untarnished reputation is the old sea dog of World War I, Count von Luckner. His home city is the only large city of the Reich not seriously damaged by the war. Credit for its comparative escape is said to be due the Count, who interceded with the Americans and surrendered to them. Although Count von Luckner sunk dozens of Allied ships in World War I, it is his proud boast that no lives were lost, and that during his famed career he never so much as killed a cat. This is certainly something of a record for a warrior who wears all the decorations his country could confer. It is to be hoped that enough of his kind are left in Hitler's mad domain to plant the seeds of sane living in the despicable ruins of Nazidom.

7th War Loan Quota Knox City Is \$114,700.00

Coinciding with President Truman's Proclamation of V-E Day, Knox County will open its Seventh War Loan campaign with renewed vigor and determination. Conceding past performances in fulfilling and surpassing local quotas as routine, the new campaign promises a challenge to people of this community.

With Germany down on her knees and only Hirohito and his gang to be dealt with, the Seventh War Loan is expected to come to a quick, successful conclusion. The campaign will extend for a period of 30 days, starting May 12th.

Knox County's quota has been set at \$430,000.00. Of this amount, \$270,000.00 is the quota for Series E Bonds, and \$160,000.00 in negotiable bonds, or all other series.

Knox City's quota is \$71,000.00 in E Bonds and \$43,700.00 in all others. An organization will be set up in the near future to handle sales of the bonds, and arrange for specific "all-out" sales days.

Lt. Clyde Graham Receives Honors

Mr. and Mrs. W. L. Graham have received a copy of a Commendation awarded their son, Lt. Clyde Graham, for outstanding ability and performance as a fighter pilot in the European theater of war.

Lt. Graham is a member of the 366th Fighter Group, a unit that has seen considerable action over the rapid advance of Allied ground troops in the occupation of Germany.

The Commendation, dated April 28, 1945, read as follows:

"For outstanding pilot ability and officer-like attitude toward all his responsibilities in the European Theater of Operations 2nd Lt. Clyde W. Graham, O-519280, is heartily commended. That the phenomenal advance of the ground forces depended to a great extent on the effectiveness of fighter-bomber coordination has been universally accepted as fact. This officer played a significant part in that air effort. The undersigned is proud to have flown with him during the air offensive which led to imminent victory in Europe."

HAROLD N. HOLT, Colonel, Air Corps, Commanding.

74 Guests Attend Baptist Banquet

Seventy-four of Knox City's up and coming young people attended the spring Young People's Dept. banquet at the First Baptist Church last Friday night.

After doing away with a splendid meal of baked chicken and all the accessories, the youngsters heard a good program of musical and voice numbers. Rev. Keenan made a short talk to the crowd.

Martha Jane Jones On ACC Honor Roll

Martha Jane Jones, 1944 graduate of Abilene Christian High School, and the daughter of Mr. and Mrs. H. M. Jones of Knox City, Texas, had her name placed on the honor roll for the fifth six weeks at Abilene Christian College, Abilene, Tex., as a result of her making a grade of "Superior" in three subjects.

Martha is a freshman in Abilene Christian College and is majoring in chemistry.

Sgt. Clyde Feemster Will Visit Parents

Sgt. Clyde D. Feemster, returning from nine and a half months overseas duty in the European theater of operations, is in the Fort Sam Houston reception center, San Antonio, Tex., prior to reaching his home at Vera, where he will visit his parents, Mr. and Mrs. J. W. Feemster.

Sgt. Feemster has completed 35 missions as a gunner aboard a B-17 bomber of the 15th Air Force. He has accumulated over 282 hours of operational combat flying.

Citizens State Bank Improving Quarters

Lost—one perfectly good bank, in solvent condition when last seen.

Citizen State Bank customers Wednesday morning found a crew of workmen in the bank building apparently demolishing the whole works. A quick search failed to produce any of the usual personnel, and after timidly inquiring of their whereabouts, we were referred to the store building in rear of Lowrey Dry Goods, adjacent to Chas. Hughes Radio Shop.

There temporary quarters had been set up and business was going on as usual. Officials stated that it would probably take 60 to 90 days to make the extensive repairs now under way.

A new vault will be installed, as well as new fixtures and office furniture throughout.

Cooker Clinic Dates Set For County

A cooker clinic will be held in the various communities by the club women for the purpose of testing the gauge on the cooker. The women are getting their cookers in readiness for spring canning.

Since V-Day has come, let's not forget that the war is not over in Japan. We must keep pulling and working until the end. One way is to test your cooker and get it ready for spring canning, so you can put more canned goods on the shelves.

If your cooker needs repairs see your local merchants for parts and if they do not have them write J. P. Dowell, McKinney, Tex.

The clinics to be held are as follows:

- Benjamin, Assembly, Room May 11, Mrs. J. C. Patterson. Brock, Mrs. John Henderson's, May 10, Mrs. J. Henderson. Gilliland, Mrs. O. A. Burgess', May 16, Mrs. Geo. Solomon. Hefner, May 15. Munday, Elem. School, May 9, Mrs. Joe Patterson. Sunset, Sunset School, May 17, Mrs. R. M. Almonrode. Truscott, Baptist Church, May 24, Mrs. H. M. Black. Union Grove, Union Grove School, May 25. Vera, Mrs. C. C. Allen, May 23, Mrs. C. C. Allen.

Paul Hoge Writes Letter To Parents

Chief Pharmacist Mate Paul Hoge, aboard the recently bombed US Hospital Ship Comfort, took time out shortly after the attack to write a short letter to his parents, Mr. and Mrs. C. C. Hoge, that he suffered no injuries.

Early this week, Lt. Dan Steakley called Mrs. Steakley, sister of Paul, from Pearl Harbor telling her that he made contact with Paul and verified his safety.

Paul was recently promoted to Chief Pharmacist Mate aboard the Comfort.

Cpl. Charles Paul Now Aerial Gunner

Cpl. Charles E. Paul, son of Mr. and Mrs. C. F. Paul of Knox City, has written his parents that he has completed a course in aerial gunnery and had already made his second mission over enemy territory.

Cpl. Paul has been overseas 22 months. He had been a cook prior to entering the gunnery school about four months ago. He lately received the Presidential Citation medal.

Study Club To Sell Mothers Day Florals

Members of the Knox City Study Club will have a Mothers Day flower sale in the Vogue Dress Shop Saturday, according to Mrs. E. F. Branton, president of the organization.

Pot plants and bouquets in a nice assortment will be offered for sale. Mothers Day is next Sunday, May 13th.

Dale Graham, RM 3-C, on the Abram S. Hewitt, landed in San Francisco recently and has visited his sister, Mrs. J. A. Wilson in Seaside, Oregon, and brother, Jeff Graham, MAM 3-C in San Diego. He has called his parents, Mr. and Mrs. L. W. Graham, several times but will not have enough time to visit them.

V-E Day

Knox City observed V-E Day in a quiet, thankful spirit that came on the heels of President Truman's radio address that the war with Germany was officially over.

Most business houses did not open Tuesday morning, knowing the official proclamation was coming at 8 o'clock, and others closed immediately after the local fire siren sounded, as previously arranged.

Residents spent the day at home, reading or listening to the various radio accounts of the unconditional capitulation of what was left of Hitler's bedraggled army. Others went fishing, for a drive, or visited the next door neighbor to share in the good news.

Sighs of relief went up from people with servicemen or women in the fighting zones in Europe. The "stop fire" order meant that the chances were lots better of seeing sons, husbands, brothers, and other loved ones sometime in the future.

The wholesale slaughter of millions was brought to an end. Many more will die as a direct result of the warped idea of one man that he could conquer the world. Many will be maimed for life, wrecks of humanity, but at last it is over.

Only one more gang remains to be obliterated. That will be accomplished with the same grim determination that subdued Germany. It just takes time and lots of lives to do those kind of jobs. And when it is all over, if ever we allow such to happen again we have no place on earth as a race of man.

History books are dry reading. Volumes will be written about the present war but none of them will contain one word of blame, fault or belated advice how it could have been prevented. Time and the unbiased nature of historians will be kind to future generations in reading of what has happened.

Few of us have read of any incident in the Civil War or the First World War that made any difference in our thinking. We that have experienced the greatest war yet are deeply impressed with the folly of it. Too bad that impression cannot be handed down to others, but God endows each one with a clean, unbiased mind to start with, regardless of how it may get cluttered up later.

We have a fine opportunity to see that another war in Europe doesn't happen within two or three generations. It will take a hard, firm hand to impose peace, but we should do it and do it now, while the picture is clear in our minds.

Benefits of Veterans Bill Explained At Conference

Forty-three Knox County farmers, farm women, members of Commissioners Court, and business men attended the Agricultural Planning Meeting at Benjamin, on May 2, for the purpose of studying and becoming familiar with the so called "G. I. Bill of Rights," and its provisions and benefits for returning war veterans.

It is the opinion of all those who attend the meeting and others that it is our obligation to be prepared to meet demands placed upon us when veterans need advisory help upon their return.

Many local representative, committee members and representatives of Federal Agencies attended the meeting and explained different benefit features of the "G. I. Bill of Rights."

R. O. Dunkle, County Agent representing the State Extension Service, was chairman of the meeting and explained the hospitalization feature of the "G. I. Bill of Rights," which provides the hospital care for disability incurred in line of duty will be provided for upon request to the Veterans Administration, which is located at Waco, Tex. It also provides that illness of veterans not due to service will still get hospitalization, providing a bed is available at hospital and that the veteran is financially unable to pay the cost.

W. T. Templeton, attorney for the Selective Service Board, gave a complete summary of the general administrative provisions of the "G. I. Bill of Rights," and named members of the state and county of the local Veterans Service Committees.

W. R. Moore, local representative of the Veterans Service Committee, explained the activities of the committee and how it is functioning to help returning veterans by becoming familiar with their wants and desires.

T. E. Ballew and Miss Willis Mae Dusham, representatives of the Farm Security Administration, explained the rights and benefits that might be obtained through loans from this Federal Agency. Mr. Ballew explained that a loan not to exceed \$2,000.00, could be obtained, if the local Veterans Committee gave it approval. The members of this committee are Luther Graham Knox City, Press Phillips, Munday and Roy Smith Knox City.

S. H. Southall, representative of the U.S.E.S., told of this agency's activity in helping veterans to obtain employment and its assistance in veterans' training for future employment.

Clay Groves, member of the Extension Service Agricultural Advisory Committee, told of the committee's assistance in an advisory capacity and of the committees help in locating veterans on farms. Mr. Groves is a World War I veteran, and knows the many problems that a returning veteran has to deal with.

Miss Lucile King, County Home Demonstration Agent, gave a very interesting demonstration as to how Home Demonstration Clubs, throughout the county, can assist the returning war veterans' wives. She exhibited many articles of home improvement, such as the upholstering of furniture, recaneing chairs, balanced food diets according to the Texas Food Standard, and articles of clothing and table spreads made from feed sacks, which were very attractive and useful.

L. B. Donehod, local agent of the Federal Land Bank, made the statement that his agency was not designed to assist war veterans except in the regular manner of assisting purchasers of agricultural lands; however, the Federal Land Bank, he stated, will welcome applications from returning veterans providing the regular requirements can be met by the veteran.

C. R. Elliott, secretary of the local Production Credit Association, stated that this association would gladly assist returning veterans, who have arranged to live on the farm and who have had previous farm experience.

W. C. Albright, representative of the Readjustment Allowance for Unemployment Association, stated that many returning war veterans had already received unemployment allowances, and more especially to returning veterans who were self employed and whose income was less than \$100 per month.

School Alumni Officials Arranging Program for Big June 3rd Convention

CAA Approves Local Airport

Mayor Roy Baker announced at the Lions Club luncheon today that Knox City's local airport had been officially recognized by the Civil Aeronautics Authority, and displayed a framed certificate to back up the assertion.

Mayor Baker has been working on the deal for some time and has been in contact with government agencies for the past four months.

The certification means that any private plane can land, be serviced, park for any length of time, or perform any activity permitted on government controlled fields.

Rev. T. A. Keenan made a short talk to the Lions, explaining the status of the housing project, and expressing his farewell thanks to the club for their fellowship and confidence. Rev. Keenan stated that construction would start as soon as the contractor could get here from work he has going in Fort Worth.

Draft Board Moves Up Large Number 1-A Classification

Registrants reclassified by the Knox County Local Board at their regular meeting, Tuesday, May 8:

- 1-A—Linsey L. Howell, Olen W. Lewis, Lucas F. Birkenfield, George L. Conwell, Juan L. Enriquez, T. W. Hardin, Emmett C. Wallace, J. B. Tomlinson, Floyd J. Middlebrooks, L. E. Welch, Chalmers E. Hobert, Mat L. Verhalen, Olen W. Coffman, Johnnie F. Hertel, James C. Gaither, Howard B. Stacey, John H. West, George W. Hodges, J. T. Offutt, Olie F. Cheek, J. C. Shipman, Cleo M. Pearce, James H. Adkins, Thurman B. Gulley, Lamer A. Searcy, J. D. Hicks, Raymond H. Lawrence, Sam J. Fought, Lloyd D. Allen, Willie I. Ferguson, Paul Tankersley, Loyd V. King, Glenn L. Besch, Melvin I. Lowrey, John M. Lane, James F. Teddlor, Jr.

- 1-C—Charles N. Gruben, Homer D. Hediger, Wilburn M. Loffin, Joe C. Weaver, James A. Harrelson, Joseph C. Large, Jesse G. Valladares, Victor W. Contreras, J. C. Reagan, Luther W. Reagan, William M. Trimble.

- 2-A—Louis W. Foster, Elvin N. Apple.

- 2-A (F)—Encarnacion G. Valladares.

- 2-C (L)—Leo F. Harian.

- 2-C (L)—Fred S. Broach, Jr.

- 4-F—Frank Harrison, Audrey O. Hediger, Vincent E. Lane, Luis S. Casillas.

- 4-A—Onie L. Brummett, Clyde W. Stone, Simen R. Alexander, Billie M. Hayes, Earl Wilson.

R. E. Massey On Pacific Cruiser

Aboard a Light Cruiser in the Pacific—Recently out of recruit training at San Diego, Calif., R. E. Massey, seaman, second class, USNR, son of Mr. and Mrs. E. C. Massey, Vera, Tex., is at sea, as a member of the crew of this crack cruiser.

Massey was a freshman at Texas A and M College, taking an agricultural course, when he enlisted last November. He plans to finish his college work after the war.

His battle station is powder-passer for one of the cruiser's batteries of guns. His new ship had a record of more than 50 engagements in the Pacific when he joined her.

Pfc. Irving Paul is here on a 30 day furlough from the Birmingham General Hospital, Van Nuys, Calif. Irving was wounded in action on Luzon, Feb. 6th.

Slim Egenbacher spent several days at Possum Kingdom Dam fishing.

Mrs. C. L. Bailey left Wednesday to return to her home in Wichita Falls.

The executive board of the Knox City High School Alumni Association met Tuesday night to start planning for this year's meeting. The board feels that this year's meeting should be the most outstanding, and it is hoped, the best attended of any meeting to date.

Following are the names of the board officers, executive committee, and committees appointed to make arrangements for the meeting:

President, Pete Whitten; Vice-President, Mrs. Willis Shaw; Recording Secretary, Ruth Rice; Corresponding Secretary, Mabel Pycant; Treasurer, Bernice Swift; Executive Committee, Henry Jones, Ancil Waldrip, Loyce Teague, Mrs. E. R. Carpenter, Mrs. Jim Reeves.

FOOD—Mrs. Lee Smith, Mrs. Loyce Teague, Mrs. Geo. Montandon.

DECORATIONS—Ruth Rice, Mrs. Arville Coyle, Mrs. Max Sellers, Mrs. Grant Woodriddle.

TABLE—Loyce Teague, Ancil Waldrip, Olvis Hamm.

ICE WATER, COFFEE—John Smith, Loyce Waldrip.

HOUSING—Mrs. Dan Steakley, Mrs. Bedford Smith, Mrs. Johnny Joiner.

SOCIAL—Pete Whitten, Henry Jones, Roy Smith, Vance Favor, Mrs. Bob Vaughn, Mrs. E. R. Carpenter, Mrs. E. E. Teaff, T. E. Holcomb.

REGISTRARS—Mrs. Chad Wilson, Yvonne Jamison.

This being the first community gathering since V-E Day, we wish to make this truly a community affair, so if you have or have not attended school here in Knox City, we urge you to plan now to attend this service on Sunday, June 3. As to our out-of-town guests, we especially ask the members of the past graduating classes to take it upon themselves to write to as many members of their classes as possible inviting and urging them to attend. Do not forget to write to any of the past faculty members that you possibly can for we would like to have a goodly number of our old teachers present this year.

Special attention! (Housing Committee)—We are asking this committee to start work immediately in obtaining the names of those in the community who may have available room to entertain one or more of our out-of-town guests. To the citizenry of Knox City we ask that you contact a member of the above mentioned committee and inform them of any available room you might have to accommodate our out-of-town visitors. This information must be completed in time for next week's issue as we have planned to make this our mailing issue, and a copy will be mailed to everyone whose name we have on our list as an ex-graduate, pupil, teacher or friend of Knox City High School.

SPECIAL ATTENTION! EVERYONE! We are asking everyone in this community who has a boy, girl, sweet heart or friend in the service of our country to leave at the Field office any information they may have of their whereabouts or anything pertaining to them that we may make notation of in next week's issue of the following issues prior to our alumni meeting.

We of the Knox City High School Alumni Association especially wish to have every service man or woman who is in our midst to attend our meeting Sunday, June 3.

Surely this will be the opportune time for a wholehearted community gathering, so again we ask YOU and YOU and YOU to plan now to attend and aid in any way possible to make this a day to enjoy and to remember. As in past years we will have a basket lunch and everyone attending the meeting is asked to bring a basket filled to meet the requirements of their own as some extra. Everyone is cordially invited to have lunch with us regardless of whether you are in any way affiliated with the school.

Ex-graduates, please remember to pay your 1945 dues of 25 cents to any member of the officers' board.

Alumni Association.

KNOX CITY HIGH SCHOOL

**FRESHMAN NEWS**

We are all hoping to have a picnic before school is out, but we may not get to have one.

All the high school is going to take a test on English, Arithmetic, History, Geography, etc. Some of us may find that we need to be back in grammar school.

Most of the freshmen girls belong to the Horizon Club and the members of the club are going on a hike Saturday.

Most of us attended the Baptist Banquet last Friday night and enjoyed it a lot.

**SOPHOMORE NEWS**

The Sophs have really been enjoying the arguments in World History, even though they get a little rough sometimes.

We wonder why we didn't get a holiday on V-E Day. Could it be because we're so dumb that we have to go to school?

The Sophomore boys have taken the spring fever, or should I say "summer fever"? But, the girls have had it all year.

**JUNIOR NEWS**

We of the Junior Class feel a little sore at "The Old Man" because he wouldn't let us have a holiday last Tuesday, but since the President had requested that we keep going, I guess we will have to be satisfied.

Everything around here is in a mess. Mr. Graves is especially mad at the Juniors because of the argument about where, when, and all the details of the party and picnic which is to come off at the end of school. We plan to spend the day at Campbell's Lake. (If we can get permission from Mr. Campbell.)

This morning we took a test to find out if our English is as good as it should be. It was very simple, and everybody seemed to make a good grade on it. Of course, we will never know the outcome of this, for that is the "Old Man's" business.

The Juniors, or most of them, went to the Young People's Ban-

quet last Friday night and enjoyed it very much. Especially did we enjoy the talk by Rev. Keenan on "How Much We Are Worth." We got lots of laughs out of Mrs. Brad and "Uncle Charley" (Moss). The menu was as follows:

Baked hen, dressing, Waldorf salad, corn, English peas, potatoes, pecan pie and ice cream.

Well, that's about all, folks! See you in the Funny Paper! If there is a Funny Paper.

**SENIOR NEWS**

Every week brings us closer to the end of our high school days. Some of us will be happy about it, and some will be sad.

Speaking for every senior, I am sure that they have enjoyed every year in dear old K. C. High and will remember them always.

It seems that Elvis Hutchinson, one of our last year classmates, is in the States again. Maybe he can come home before long. All of Elvis's friends will be glad to see him.

The Senior Class wishes to thank the Cameron Lumber Co., for the nice graduation book they gave each of us. They are lovely, and we think it was very nice of them to think of the Senior Class of '45.

**THE DOGHOUSE**

ATTENTION! AT LAST THE SECRET HAS BEEN DISCOVERED!

We now know how Mr. Graves has developed such strong muscles. The secret is exercises before bedtime each night, after which a good book stimulates circulation.

Thank you very much, Joe, but the Juniors can think of enough ways to spend their money.

The teachers all hope that Monte is back from his trip in time to take his final exams.

School was at a standstill yesterday when the Juniors had a class meeting. It was the nearest thing to a fight that has ever happened in this school. But I think it came out a draw.

Edna Earle, we would like to know your way of talking teachers out of test, and making them wait till another day to give you the test.

Oh yes! We noticed the other day in the paper that an exercising set was for sale cheap. You had better look into that, Mr. Graves.

Who ran over that little pig out behind Rudolph's house Friday night? It couldn't have been you, could it, Monte?

Say, why did Holcomb and Graves go up to Oklahoma last week? Don't tell us it was just to look at land.

**CARD OF THANKS**

We want to thank our many friends and good neighbors for the kindly visits and expressions of sympathy upon the news of the loss of our beloved husband and father. The burden of sorrow has been lightened by your love and sympathy. God bless you for this kindness.  
Mrs. Dow Warren and Son.

**Louise Lewis Weds Marion Evans**

Miss Louise Lewis of Knox City and Marion Evans of Marlin were united in marriage Saturday morning, May 5, at 9 o'clock, in the Baptist parsonage at Marlin. Rev. W. O. Wright performed the single ring ceremony.

The bride is the daughter of Mr. and Mrs. M. L. Lewis, and is a graduate of Knox City High School. Mr. Evans is the son of Mr. and Mrs. C. C. Evans of Marlin.

Attendants were the groom's sister, Lena Payne Evans, and Luther Wooley of Knox City.

Dressed in a two-piece aqua blue dress with white accessories, the bride wore for something old, a stick-pin that belonged to an uncle, Bob Cummings. For something borrowed she carried a handkerchief that belonged to Mrs. John Lewis of Knox City.

Guests present at the ceremony were Mr. and Mrs. C. C. Evans of Marlin, Mrs. G. L. Ford, Galveston, Cpl. and Mrs. J. C. Evans and children of Camp Howze, Mr. and Mrs. J. A. Nutt and son of Marlin.

The couple at present are living at 713 Coleman St., Marlin.

## Eunice Taylor Weds S-Sgt. H. N. Miller

In an impressive ceremony April 29, 1945, at the Bethany Church in Berkeley, Calif., Eunice Taylor and Staff Sgt. H. N. Miller exchanged vows.  
The Rev. Carl B. Anderson read the service before a flower decked altar. The only attendants were Mrs. Clifford Cornett, maid of honor, and Clifford Cornett USN, best man.  
The bride wore a navy blue dress with pink accessories. Her flowers were pink orchids. Mrs. Miller is the daughter of C. C. Taylor of San Saba, Tex., and granddaughter of Mrs. J. W. Carver of O'Brien. Both the bride and groom were former residents of Abilene, Miss Taylor having been employed by Moutray Oil Co. there for the past four years.  
Sergeant Miller is the son of Mrs. M. Miller of Abilene. He has just completed 18 months overseas duty in the European theater.  
At present the couple are making their home in Berkeley where Sergeant Miller is stationed in the Army Air Corps.

## Frozen Foods Theme May Demonstration

Miss Martha Buttrell, Emergency War Food Assistant of A. & M. College, College Station, Tex., will give a demonstration on Preparing Foods for the Frozen Food Locker. She will also prepare "Frozen Foods" for a lunch, says Lucile King, County Home Demonstration Agent.  
This demonstration will be given May 21 at 2:30 P. M. in the Assembly Room of Benjamin Courthouse.  
Miss Buttrell plans to prepare pineapple or strawberries, green beans or English peas and chicken for the Frozen Food Locker. She will give a demonstration on killing and dressing the chicken also.  
The frozen foods to be prepared are beef or pork, peas and fruit.

Herbert Dunlap and nephew Walton Dunlap are spending the week visiting Mr. and Mrs. Jack Dunlap and family of Cottonwood, Tex.

For new and renewal subscriptions of any publication, see Ross' News Stand.

Miss Sarah Ruth Gipson of Ft. Worth is visiting Mrs. Paul Fitzgerald and other relatives.

Miss Wynelle Edwards is in Wichita Falls visiting Mrs. W. T. Knight, Jr.

Mr. and Mrs. Bud Norris and Dornita of Aspermont were in Knox City Wednesday morning on business.

Mr. and Mrs. Robert Hutchinson and family of Dennis Chapel Community, spent Sunday with the R. M. Humphries family.

### Needmore-Hutto

Well, at last warm weather is here again or it seemed so Sunday.

George Williams returned home from the hospital last Friday and is able to be up. Mrs. Williams was improving.

Miss Alcie Carroll returned to her job in Slaton last week end.

The Ladies Quilting met last Thursday with Mrs. Ross Oliver with only 10 members present and no visitors. Four quilts were quilted. The club meets

Thursday of this week with Mrs. S. S. Dozier for the last quilting for this year with an exchange of gifts from capsule friends. We are all sorry Mrs. George Williams can not be with us at this last meeting, she always enjoys them so much.

Alton Pack and family, Mr. and Mrs. Marvin Pack and several others spent last weekend on Lake Kemp fishing.

Louis Kay, accompanied his mother, Mrs. B. F. Kay of Knox City, to Mohab, Utah, last week to the bedside of Mrs. Kay's granddaughter, Mrs. Lawrence Ivey who was seriously ill in the home of her parents Mr. and

Mrs. Ben Lillard. Louis called his sister, Mrs. Walter Roberson, Saturday night to tell her Mrs. Ivey was better and they thought out of danger.

Mr. and Mrs. Ross Williams and family, Mr. and Mrs. Joe Williams and family and little Freddy Mann Carver of Knox City, Mr. and Mrs. L. E. Nance and Bobbie and Mrs. J. W. Carver spent Friday night and Saturday on Lake Kemp fishing. They reported a very nice time and caught quite a few fish.

Patsy Ruth Carver was on the sick list last weekend with the mumps.

Miss Inez Carver spent Friday night in town with Mrs. Bob Jones.

Mr. and Mrs. Archie Dozier of Spur, was here this week visiting Mr. and Mrs. S. S. Dozier and family.

Mrs. Gentry Day visited Mrs. L. L. Houston in town last Sunday afternoon.

### Veterans Bill

(Continued from front page)

perintendent of Public Schools, stated that honorably discharged veterans who were not over 25 years of age and who can demonstrate that their training or education was interrupted or interfered with at the time of induction is eligible to receive a refresher or training course, and in cases where the veteran was attending college at the time of his induction can take up his educational training again and receive living allowances for he and his wife up to the \$75.00 per month. Mr. McGaughey also stated that all expenses such as laboratory, tuition and book supplies could also be paid for under the "G. I. Bill of Rights."

J. A. Wilson, secretary of the local board, led an interesting discussion as to the first things a veteran needs to do upon his return. The first thing, as Mr. Wilson explained, is to report to the local board in person or by letter within five days after his discharge. This is required by law, he said. Other features of primary importance upon the veterans return would be explained to the veteran at the time of his first visit to the Selective Service Board.

James C. Harpham, a veteran of World War I, gave a very interesting talk upon the attitude of returning veterans and that adjustments of their lives back to civilian life must be gradual and the friendship toward the veteran should be helpful rather than inquisitive.

Each service organization of the county, such as the Lion's Club, Chamber of Commerce, Rotary Club, Home Demonstration Clubs, school superintendents, preachers and bankers who attended the meeting plan to pass this information on to all persons in their respective neighborhoods.

Judging from interest shown by these many Knox County citizens, the returning war veteran to Knox County can expect most any kind of help, advice and service. Everyone expressed his sincere desire of assisting a veteran in every way possible in making his readjustment to civilian life and fully realized his or her responsibility and obligation.

A man wrapped up in himself makes a small package.

**IT'S ALL IN THE WAY YOU LOOK AT IT!**

(The lines above may look like a mystic maze. But if you close one eye and tilt this page to the position shown, you can easily read four familiar words.)

MAYBE you won't thank us for reminding you of the H C of L. But it doesn't seem nearly so high when you look at it in the light of your electric bills!

Almost alone among household necessities, the price of electricity has not spiraled upward with war. In fact, official government figures\* show that the average price of electricity has actually dropped 3.2% since 1939!

That's especially good news now, but it continues a long trend. Electric prices have been coming down so steadily the average American family gets about twice as much electricity for its money today as it did 15 years ago.

If your bill is no smaller, it's because you're using more electricity to do more jobs than you did then. But the saving is there.

It has been accomplished by America's light and power companies in spite of rising costs and taxes—on top of huge war demands for service that were met without delay, shortage or rationing.

It was done by efficiency and experience and sound business management—by the same American enterprise which built our nation and on which its future depends.

### The Family Altar

By Rev. Violet Byers  
Co-Pastor Foursquare Church

"Blessed is the Nation whose God is the LORD." As I listened over the radio on V-E Day to the President's formal Proclamation to this Nation, I rejoiced to hear him give God the thanks and glory for the victory in Europe, and to infer that he was looking to God to give us the victory over Japan.

Not only did the President thank God but the majority of the Statesmen, Generals, Foreign Ministers to the great conference, business men, housewives, fathers and mothers, were thanking God for overflowing hearts, and in each city the trend of celebration turned toward the churches in service of Prayer and Thanksgiving. Truly the word of the Psalmist David in Psalm 33:12 can be applied to this nation. "Blessed is the nation whose God is the Lord."

We have seen the downfall of the European Nations who have turned their backs on God, and have persecuted God's chosen People. Did not God tell Abraham in Genesis 12:3. "And I will bless them that Bless thee, and curse him that curseth thee; and in thee shall all families of the earth be blessed." Truly the curse has fallen on the nations who have persecuted God's children, but to the nation who still looks to God we may expect God to bless. The same principle applies to the individual. We look around us daily and see people who have forgotten God and deny Him as the creator and their lives are lacking the blessing of God, and many even seem to be cursed, and on the other hand we see many who love the Lord, and in whose lives God comes first, and His commandments are obeyed to the letter, and God is blessing them, not only in material things but in Spiritual Blessings.

Surely the WORD OF GOD is steadfast and true, and will endure unto the end of all things, and when we see the prophecies in God's word being fulfilled daily, in the blessings and curplings of Nations, one would think that the individual would wake up to the fact that God means exactly what He says. And when God said that "Without Holiness no man shall see God" He meant just that. And when Jesus said "Ye must be born again" he meant what he said. There is only one way for the individual to receive the blessing of God on their lives, and that is believe what God says, accept Jesus as their personal saviour, turn from their wicked ways, and seek God with open hearts, and God's blessing will be on their lives. Always remember Jesus loves you.

Rev. Violet Byers and the Family Altar.
