Hounds Blank Crowell

The going was again tough for Crowell, Stanley Newton, Rob Harrison, Danny Woodall, and Robert Taylor led the defensive effort and forced a punt on 4 needing 6.

Following the punt the Hounds put together a long sustained drive with the offensive line leading the charge, opening holes in the defense and holding out the defense to give Swain time to pass the ball. Carver carried for 2, Swain passed to Will Whiteley for 13 yds and a 1st down. Swain then passed to Chonts for 15 and a 1st down. Harrison carried for 4. Swain passed to Whiteley for 18 and a 1st as the first quarter ended with the ball on the Wildcats' 26. Harrison carried for 7. Swain kept for 2. Harrison carried

for 2 and a 1st. Newton carried for no gain. An incomplete pass to Whiteley then Swain passed to Phillip Newton for 15 yds and a Touchdown. Swain kicked the extra point.

The Hounds tried an onside kick on the kickoff but it did not go the necessary 10 yds and Crowell got excellent field position at the Hounds' 47.

The defense was up to the challenge. Cliff Ray made his presence known to the Wildcats making 3 tackles and assisting on another along with Chonts and Stanley Newton. The defense forced a fumble and the Hounds took over on their own 44.

On the first play Swain passed to Phillip Newton on the same play that scored earlier for a score and Newton ran the Wildcats into the endzone for 56 yds and his second touchdown of the night. Swain kicked the extra point. Score read 14-0 with seven minutes left in the 1st half.

A good runback by Crowell set them up again on the Hounds' 49. Phillip Newton showed his defensive ability on this series making 3 tackles and assisting on 2 more. On a 4th down needing 7 Stanley Newton knocked down a pass to end the Wildcat threat at the Hounds' 19.

THE 1972-73 KCIS BAND ROYALTY — Gary Hewitt, who was named only minutes earlier as Band Beau, by band president Belva Penman, presented the bouquet after crowning the new Band Sweetheart Yolonda Bradford. The two popular band students are both seniors. Yolonda is the daughter of Mr. and Mrs. Kenneth Bradford and Mr. and Mrs. James Hewitt are Gary's parents.

KC Band Royalty Named

Miss Yolonda Bradford was chosen 1972-73 Band Sweetheart and Gary Hewitt was named Band Beau at halftime ceremonies here Friday night during the Knox City and Crowell game.

Senior candidates for Band Sweetheart were Jan Guinn, Doris Howell, Karla Tyler, Susan Stone, Shari Shelton, Yolonda Bradford, Belva Penman, Becky Swain, and Debbie Wall. Band Beau candidates were Gary Hewitt and Leslie Fitzgerald.

The senior band members were driven onto the field in nine cabs, each decorated with glittered musical notes on which the name of each candidate was written. Each contestant received a gift presented by Debbie Bishop, junior majorette, and Little Christi Clayton and Barbie McGaughey. The band assembled on the field and the candidates walked from the east side of the field toward the Knox City spectators for the coronation as the band played, "Scarborough Fair".

Band president, Belva Penman presented the new band

beau, Gary Hewitt, to the fans and he in turn presented the sweetheart with a bouquet of mums and crowned her with a rhinestone tiara. The band began playing "Exodus" as the royalty and their court left the field.

Band members had chosen Yolonda and Gary by secret ballot and their identities were not known until the moment of the coronation.

Yolonda is the daughter of Mr. and Mrs. Ken Bradford and has participated in many organizations during her high school years. These include Band, Stage Band, FFA, Choir, Basketball, and Track. She is now serving as an FFA officer, and was recently elected class favorite. Yolonda was escorted by Rob Harrison, son of Mr. and Mrs. Bob Harrison.

Gary is the son of Mr. and Mrs. James Hewitt. He has been a member of Band, Stage Band, FFA, FFA, Choir, and Beta Club. During his junior year, Gary served as vice president of his class and student council representative.

CROWN AND GIFT BEARERS last Friday night were these two lovely young ladies, Miss Christi Clayton, left, daughter of Mr. and Mrs. Paul Clayton, and Miss Barbie McGaughey, daughter of Mr. and Mrs. John McGaughey. Christi carried the crown for the coronation while Barbie carried the gifts for presentation by Debbie Bishop.

We want to express our humble and sincere appreciation to everyone of you for your continued support and concern for the hometown paper.

local merchants that keeps this paper going and it is the news from all of you that makes the paper interesting to our readers.

Thank you again, all of you, for making our open house such an enjoyable one.

Judges were Dub Crain, Joe Rogers, and Mill Humfield. Some of their comments on the performance of the band were: "Fine looking band", "A very uniform knee lift", "You have learned your show and music well, band shows excellent discipline and spirit", "I enjoyed your show, keep up the good work", "Congratulations to band and director", "Band seems to know music well, each person doing his share—that's a good sign." All three judges gave the KCIS band a I.

Kary Kent and Debbie Bishop each received a I Division (superior) rating in solo twirling, while Becky Swain and Stacy Angle each received a II (excellent). An ensemble made up of the four twirlers received a I, also.

Streams In Desert Places

By GUELLE STEPHENS

"Giving thanks always for all things unto God and the Father in the name of our Lord Jesus Christ." Eph. 5:20.

There are different levels of thanksgiving but the divine level comes from the Lord. Our Scripture tells us that we must give thanks always for all things. The true Christian gives thanks when misfortune and calamity comes. He has a kingdom that cannot be moved. He lives above the things of the world.

The true meaning of Thanksgiving to a Christian is summed up in this scripture. In every thing give Thanks. For this is the will of God in Christ Jesus concerning you. The all knowing God who loves you, understands and some day, you too, will know why.

1970 FARMER MUST BE BUSINESSMAN
The farmer of 1980 will have to be a businessman just as much as an agriculturalist, according to Dr. John Hopkin, Skiles professor of Agricultural Finance for the Texas Agricultural Experiment Station.
He also will need an operation physically large enough to supply his family and adequate standard of living and still be able to generate enough capital to keep expanding. This means he likely will have to generate minimum farm sales of over \$40,000 annually, which will require that he have control over farm assets (land, equipment) totaling over \$250,000 to \$300,000.
And since profit margins have declined for most farm production, there will be greater stress on business and financial management skills, Hopkin, also with the Department of Agricultural Economics and Rural Sociology at Texas A&M University said.
Generating both equity and debt capital, or risk and borrowed capital will be one of the main concerns of the future farmer. The larger investments plus the need to keep competitive by utilizing new and usually expensive technological advances are causing capital to be very important.

The Jr. High basketball tournament is being held at the O'Brien gym this week. The 5-man will be played Saturday. The Jr. class is sponsoring this event and invite everyone to attend the games. We will have the results next week. The football team will play their final district game Friday night at O'Brien with Trent. Now Is Time For Farmers To Choose Tillage Method

The opportunity is now for farmers to choose the method of tillage for the coming crop. Fields of late milo and many of the cotton fields in Knox county have yet to be plowed in preparation for the next crop. According to Pete Elliston, soil conservationist with local SCS office, some landowners plan to use minimum tillage this year.

According to Elliston, much confusion is generated when one speaks of minimum tillage. Minimum tillage is often confused with no tillage. However with no tillage crops are planted directly into stubbles with no cultivation following. Chemicals are relied on entirely for weed control in no-till crops.

On the other hand minimum tillage is a combination method of cultural and chemical farming. With minimum tillage farmers usually rely on chemicals for weed control and plan no more than about two trips over the field with the plow.

Elliston continued that it would be almost impossible to explain entirely all the different combinations that could be used

the quarter ended with Bulldogs ahead 56-47.

Fourth quarter scoring came as McCaulley's Benavides scored to bring the final score to 56-25.

The win brings the undefeated Bulldogs face to face with the Trent Gorillas. The Gorillas, preseason pick of the district, are senior led and have size and speed. The Bulldogs will be working hard to come up with an effort to match the Gorillas in the District showdown Friday, November 17, 7:30 P.M. at O'Brien.

Scout Explorers Organizing Here

A group of 28 students were present Monday night at the high school for the first meeting of a new scouting post the Explorers. Bob Harrison David Counts, Joe Clouts, all of Knox City, and James Smith of Munday met with the students.

The organization is open to both males and females 15 years of age through 21 and is a challenge to this age group both in physical and mental activities, according to a spokesman.

The Explorers will be aviation-oriented with the Knox City Flying Club as the sponsoring organization. Harrison will serve as aviation post advisor with Counts as assistant. W. R. (Bill) Baker will be committee-man and Roy Stewart, institutional representative.

The goal of the new organization is to stimulate an interest in flying. There will be the study of all different aspects of aviation such as the history, mechanics, and navigation.

A spokesman quickly explained that there would be no actual flying for quite sometime and that later if some of the students desired to become pilots provisions would be made to obtain a licensed instructor.

The Explorers expect to move slowly and if there is a conflict and a session is missed, the members will have the opportunity to "catch up". Also meetings will be held regularly but will be held as the school calendar permits.

The next meeting will be Tuesday, November 21, at 7:00 p.m. at the high school. A small fee of \$2.50 will cover registration and a magazine from the national organization.

Anyone interested persons, in O'Brien, Benjamin, as well as Knox City, within the age group, are invited to attend the next meeting.

Agriculture Big In Texas

Texas has always been proud of her state, and the Texas "tag" is very real because agriculture is "big" in Texas.

"It's appropriate to take a look at the state's agricultural industry as we enter the month of November, the month designated as "Texas Food and Fiber Abundance Month", says Charles Baker, marketing specialist with the Texas Agricultural Extension Service Texas A&M University.

"For instance, consider that agriculture is a \$60 billion industry in Texas, second only to the oil and gas industry," points out Baker. "In addition, the agricultural industry provides employment for 25 to 40 percent of the Texas labor force."

Of the state's approximately 168 million acres, some 100 million acres are in cropland—more than any other state. Texas also boasts more and bigger farms than any other state in the nation.

"Not talk about diversity! Texas produces more than 200 different types of crops and livestock. No, in many ways the state is self-sustaining," states Baker. "In addition, it provides food and fiber for consumers throughout the country as well as abroad. Texas is the third leading agricultural state in the nation and ranks fourth among the leading agricultural exporting states."

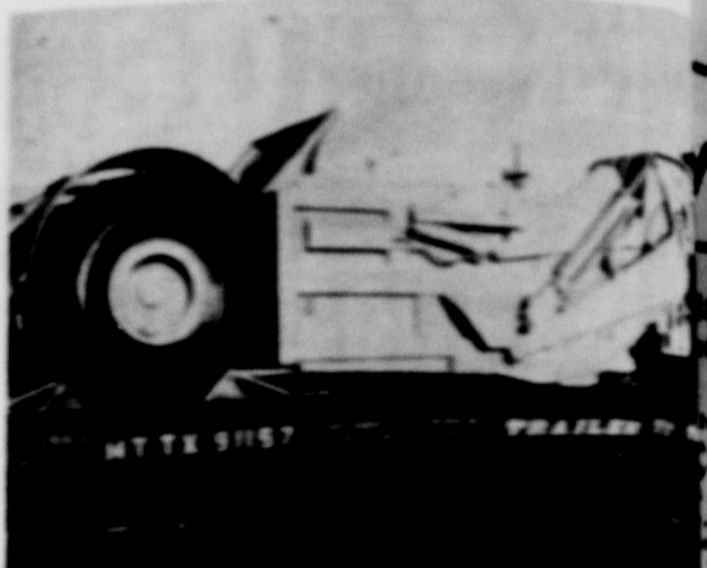

"In the United States, Texas leads in the production of all cattle, beef cattle, rice, sheep and wool, goats and mohair, cotton and grain sorghum. It is also a leading producer of peanuts, pecans, hay, citrus and vegetables. Not to be overlooked are the dairy, poultry and egg, wine, corn, soybean, hemp, wheat, timber, horse and manure/culture (cattle) and shrimp farming industries."

WE ARE THE AUTHORIZED DEALER FOR THE FORD, OLIVER, GENE WOOD TRACTOR S. Come To See We Appreciate You. It's a good bet that someone of Texas state is not just with a hand on a fiber product produced in the state every day," says Baker. "It's indeed fortunate to have such a wide array of high quality food and fiber products at our fingertips at reasonable prices. During the upcoming Thanksgiving season, it's appropriate for all of us to reflect on our good fortune of living in a state such as Texas that is overflowing with food and fiber abundance. It is indeed a time for everyone to meet his blessings. Had a little Texas "bragging" might just do it, too!

Freshman Class News
By AL BATEMAN

This week is mainly about sports. As you know, football season for high school is just about over and basketball is coming up. The girls have been working hard in Basketball and of all the Freshman girls playing Basketball, Mandy Lankford was the only one who made the A team.

In football, we, the Junior Varsity, played Benjamin's A team and Jayton's B team. Benjamin gave us quite an experience. Donny Skiles, our quarterback played some of a defensive tackle. Jimmy Moore played everywhere!! First, he played at his starting position of defensive safety. He ended up playing flanker, as an offensive lineman and a defensive lineman. He also threw for our only touch-down while playing flanker. Mark Howell played some at quarterback and on defense. Mike Burkham got his shoulder hurt and was examined by Dr. Howell and taken from the game. He later returned to the sidelines to watch the rest of the game without shoulder pads or a helmet on. Jayton's B team beat the bulls 6 to 0.

Band News
By MARTHA JONES

Early Tuesday morning the KCHS Band met at the band-hall, suit, hat, and food in hand, to go to Wichita Falls for the UIL marching competition. All the way to Wichita Falls, kids sang, ate, drank, slept, and worried about the contest to take place at 10:00 a.m.

The Buses arrived in Wichita about 9:15 and everyone piled out to look around and stretch their legs. At 10:00 the band was ushered down onto the field and a 10:20 the show was presented. In about seven short minutes, the show was over. The band went up into the stands to hear a couple of other bands and the ratings. When the announcer started talking everyone got really quiet. The announcer said, "Paducah-3, Munday-1, KNOX CITY-1!!!! Hardly any KC band member heard any ratings after that! Now that the band has gotten a 1 in marching, they are well on their way to a SWEETSTAKES!!!"

The band ate lunch at Furr's Cafeteria and at 2:30 the buses headed for Knox City. The band was back by 4:30 or 5:00.

Sunday morning, Jimmy Helms turned up on the cover of the Magazine Section of the Wichita Paper. He was lying on his tuba at Memorial Stadium. He was just planning to take a short nap when a photographer snapped his pic-

ture. Monday afternoon, the Band officers elected Yolonda Bradford October band Member of the Month. Yolonda plays the drums.

Friday night, Band Sweetheart and Beau were crowned. It took much getting ready for the big event. Finally came the moment when the Seniors walked through the Band to stand in a semi-circle in front of the stands. The contestants and their escort were Jan Guinn and Gary Hewitt, Doris Howell and Danny Woodall, Karla Tyler and Greg Clonts, Susan Stone and Leslie Fitzgerald, Belva Penman, and Bobby Reeves, Shari Shelton and Don Ray. Yolonda Bradford and Rob Harrison, Becky Swain and David McLaughy, and Debbie Wall and Will Whiteley. Phillip Newton was supposed to be Yolonda's escort. Poor Phillip!! He got hurt and couldn't. I'm sure he wished he could have escorted her because Yolonda was elected Band Sweetheart 1972-73. Gary Hewitt was elected Band Beau. Congrats, Yo and Gary!!!!

Monday and Tuesday were just regular days, but Wednesday we made our cooking plans and market list in preparation for cooking Thursday and Friday. The girls made doughnuts yesterday and guess what! That's what they're going to make today. We're in groups A and B. The B's cooked yesterday and the A's will cook today. While one group cooks the other does some kind of written work. But you can bet whatever we cook everybody wants to eat some of it. The girls today will be rushed because of the pep rally, but that's all right because doughnuts don't take long. As soon as they're cooked someone has already eaten them.

Coaches' Comments

By DON MULLINS
It was great satisfaction beating Crowell after what happened last year. Most of you remember that they beat the Greyhounds 61-0 last year and the score was small as it was because time ran out. At the beginning of this year, Crowell was picked to win the district and held high rankings in the top ten in Class A in the state. Due to some personnel problems and attitude factor, they didn't improve and the Greyhounds did. We were very pleased with the team's effort and comeback after last week's loss to Holidat.

This knocks Crowell out of the race and should enable us to share in the district championship; that is if we win against Archer City and Holidat wins over Munday. If Munday could beat Holidat and we beat Archer City, then the district championship would be in favor of the Honds.

Our defense had another good night Friday, and the offense did enough to allow our passing game to open up. Phillip Newton scored on two passes and did a good job running before a knee injury took him out before the half. It is impossible to tell now whether he will be able to go Friday night. Art Cronover and David McLaughy also sustained knee injuries but didn't look like they were as bad as Newton's. Greg Clonts also had a good night catching eight passes for 88 yards and one touchdown. Will Whiteley had a good night catching and he caught several key passes. Joey Swain completed 18 of 25 passes for 269 yards.

We plan to take everyone on the team to Archer City Friday night, including the B team. This could be our most important game of the season with all the marbles being decided on this one game. It means third place or a tie for first for us and I think that our boys have come too far to settle for anything except first place.

The opening game of the season against the tough Hawley Bears proved successful for the Houndettes. Heads-up defense by Houndette guards caused the much taller Hawley forwards to turn the ball over in several instances. Hawley's success this season will be determined by how well their forwards perform.

In order to defeat Hawley, we knew that we would have to do a better than average job in rebounding because of their height. The Houndette forwards turned in a good night with a total of 68 points for their effort. The forwards trap also caused many turnovers by the Hawley guards, which accounted for numerous points for the

HOUNDS

(From Page One)

Gary Carver ripped for 29 yds through a big hole on 1st down. Swain passed to Phillip Newton for 9. Harrison carried for 2 yds. Swain again passed to Newton for 20 yds at the Wildcat 30. The next pass was intercepted by Crowell.

With one minute, 27 seconds left in the half Crowell tried desperately to get on the score board. Ricky Haeker spoiled their effort by intercepting a pass and running it back 20 yds to the Hounds 35.

A Screen pass to Carver lost 1. Rob Harrison then blew through for 22 yds. On the last play Swain passed to Whiteley for 17 yds. Score at the Half- 14-0.

The defense played the second half with a fear of what could happen. They proved to be up to the task. Following the kickoff to open the second half Crowell kept the ball on the ground and moved from their 31 to the Hounds' 41 before giving the ball over on downs still needing 5.

Carver carried for 14 and 1, then a clipping penalty cost the Hounds 15 yds. The Hounds had to punt on the 4th needing 14.

The Hound defense led by David McGaughey forced a punt after an interference call had given Crowell a 1st down.

On first down a bad pitch out was bobbed but recovered for a 15 yd loss. Swain passed to Roy Posey for 10 yds, then passed to Clonts for 33 and a 1st down. Swain passed to Whiteley for 10 and a personal foul by Crowell moved the ball to the Crowell 10 yd line. Harrison carried for 2.

Swain passed to Clonts for 8 yds and a touchdown on the second play of the 4th quarter. Swain's kick was true Score 21-0.

The Hound defense proved itself throughout the remainder of the game with some outstanding efforts by the secondary and Billy Baker broke through to tackle the Crowell runner for an 11 yd loss. Robert Taylor caused a 10 yd loss. Bobby Reeves subdued the runner for an 11 yd loss.

The Hound offensive effort was led by Rob Harrison carrying the ball 7 times and catching his first pass for 13 yds.

Phillip Newton played only the first half but turned in his usual outstanding performance along with Stanley Newton, Rob Harrison, Cliff Ray, and Greg Clonts.

Joey Swain has had a lot of success this season and has thrown several TD passes but his performance against Crowell was truly his best. He showed the confidence and poise needed to lead the Greyhounds to victory. Friday night at Archer City. Game time 7:30.
