NUMBER 46

5 Persons Drown When Bridge Gives Way

Y. W. A. CAMPING TRIP

The Y. W. A. girls of the First Baptist church went on their annual camping trip last Monday and Tuesday, June 27th and 28th to the Leuders encampment grounds. Although the girls had to push the truck most of the way from Rule to Stamford, not a one said "let's go back."

The group arrived at Leuders in time for dinner and afterwards found that some 4H club boys were arriving. Immediately a ball game was matched with the boys who after the game, said it was a good one. The Y. W. A. girls then enjoyed a good swim in rather a swift river. That night they went to the skating rink and spent two hours skating. Some of the group played golf.

About ten o'clock the entire group returned to spend a slumberous night at the cottages. At midnight, the first of the evening spent in playing games of 42, the girls had a feast of popcorn, candy, cake and lemonade. Although the hour was half past four when finally all settled themselves for a nap, some of the bunch could hardly enjoy rest for the noise made by the others having nightmares. And the only objection the girls had to the rain which fell most of the night was the fact that they had to return home two hours earlier the next day than they had planned. Incidentally, the girls state that they have never seen so much water at one time in their lives as they saw at Leuders.

Tuesday afternoon about three o'clock Mr. and Mrs. E. W. Holland delivered to their homes, with their leader Mrs. Joe Averitt, the following girls, Miss Alice Reese, Rowena Wall, Chylois Stovall, Maye Reese, Mildred Dutton, Wynell Rogers, Alta Hamm and Irene Holland, also two honor members from Rule, Miss Jerene Verner and Helen Avritt, also Mr. Price William Holland of Knox City. The entire group reports having had the best time ever had by any one.

H. L. Daniel and family and Grady Benedict and family returned home Saturday from their fishing trip to Saba a week when he was joined by Saba a week when he was joined by Mr. Benedict and family. The two men spent much time fishing and had great luck. The largest fish landed during their stay there was caught by Mr. Daniels, weighing five pounds. However, the day before Daniel arrived in San Saba his brother landed a 54 pounder.

Daniel and Benedict caught a lot of trout and bass in the mouth of the Brady as well as sighting quite a few wild geese. The two families returned home by way of Gustine where they gathered several specimens of petrified wood. Daniels says he can never relate all the happenings of the trip or reveal just how thoroughly enjoyable it was.

Mrs. G. H. Webb and Mrs. Otto Lawson and son were in Stamford last Thursday where they met Mrs. Webb's sister, Mrs. Lee Johnson. Mrs. Johnson is from Houston and is here for the week with Mrs. Webb.

Daughter of A. B. Stephens One of Party

Mr. and Mrs. A. B. Stephens of this city were called to Besly Oklahoma Sunday in the death of their daughter Mrs. Cal Lindsay who was numbered among the five persons who were drowned when a bridge collapsed.

Mr. and Mrs. Cal Lindsay and their nephew with Mr. and Mrs. John Lindsay and their four children had attended church services at Besly and were driving across the creek to a place for lunch after which they planned to attend the Baptizing services which were to be held near by. The nine in the party were in a wagon and as the team walked upon the bridge which spanned the swollen stream, one end of the bridge fell in, plunging the team, wagon and all the occupants into the water some 20 feet below. Of the nine, five were drowned, Mrs. Cal Lindsay being one of the five.

Mr. Cal Lindsay was finally drawn from the water by others who witnessed the disaster, but after he and Mr. John Lindsay had both been pawed down several times by the team. The baby of Mr. and Mrs. John Lindsay also fell between the horses but it was not injured by them and was drawn from the water with the tow men.

Many brave attempts on the part of the nephew and two sons of Mrs. Cal Lindsay were made to save her but all were in vain. Mrs. John Lindsay not only was drawn but washed some 65 miles down the stream and retrieved by a man who accidentally saw her body floating down the stream.

Mr. John Lindsay was saved from the rushing water but is suffering the tragedy of mental collapse from the loss of his wife and three children. It is feared that he will never regain his mind.

Burial at Lindsay

Mrs. Cal Lindsay was buried at Lindsay Oklahoma Tuesday afternoon at five o'clock. Wednesday the Stephens family returned to their home in Knox City, reporting the tragedy as being the worst they had ever known.

STOVALL FAMILY RETURN FROM A TRIP TO ARKANSAS

Reverend and Mrs. Stovall and family returned home last Thursday from their two weeks vacation trip into Arkansas. Reverend Stovall states that the most of the first week was spent in the Panhandle, the first weekend in Cheyenne Oklahoma, two days and night in Shawnee Oklahoma and then the bunch motored into Huntsville Arkansas. Four days were spent in Huntsville and the return trip was by way of Wichita Falls where they spent two days. Brother Stovall preached both Sundays he was away, the first in Cheyenne and the second at Dripping Springs Arkansas. The latter was just a school house located at the base of a mountain and is the place Mrs. Stovall's father preached and baptised his converts. A big crowd was in attendance at the preaching service at Dripping Springs, after which service the Texas families had dinner with the old time, pioneer, mountain families and enjoyed immensely the old Arkansas Hospitality. Among the various activities of the Stovall party was fishing, hunting, assisting in the making of lumber at the saw mill, helping to rob the bees and just a good time in general.

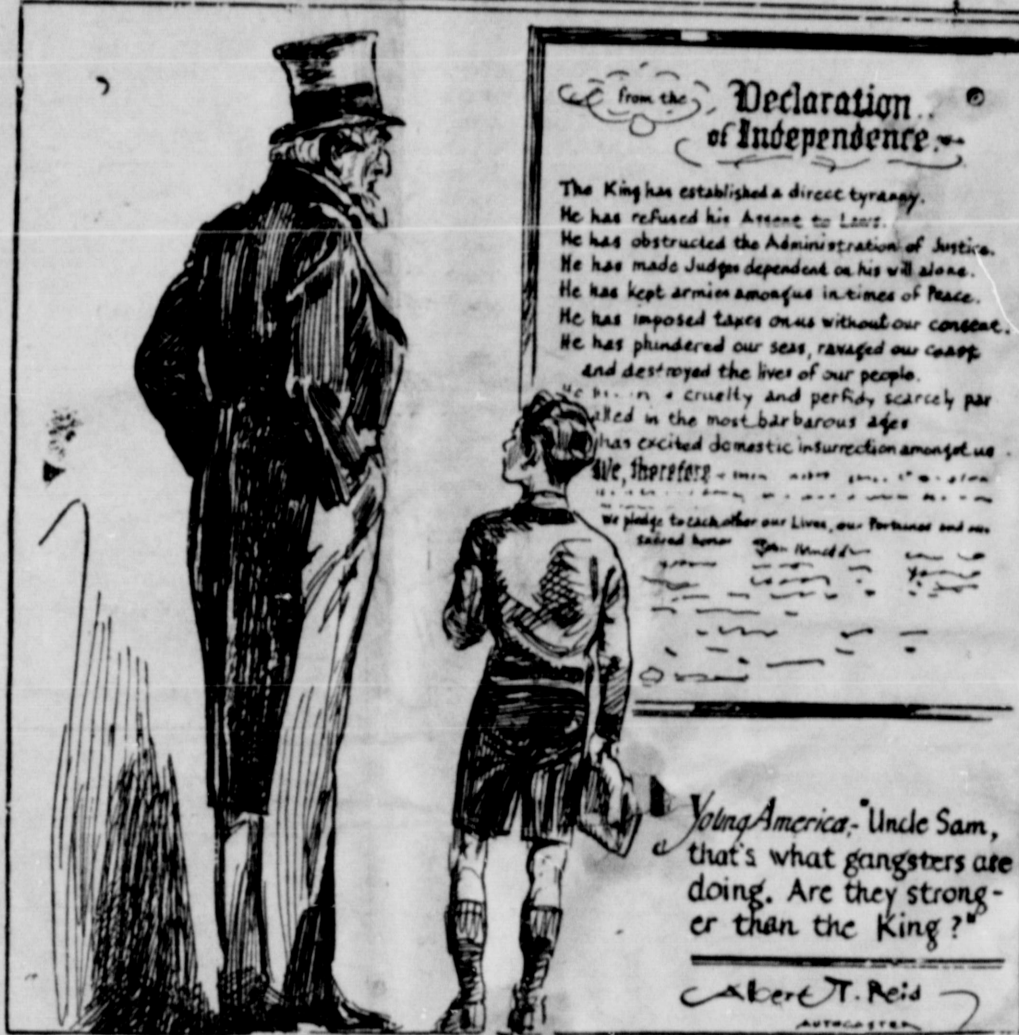

R. E. Lee of Abilene came to Knox City last Tuesday to be with his brother Dewey who is confined to his bed.

TO PREACH AT CHURCH OF CHRIST

Mr. J. F. Griffith announces this week that Brother Cameron of Rochester will preach at ten eleven o'clock Sunday at the Knox City Church of Christ. His subject will be "He that walketh in the Light as He is". Every one is welcome to the service.

Have We Lost Our Backbone?

By Albert T. Reid

BENJAMIN vs KNOX CITY

Monday night the Benjamin Fire boys met the Knox City Fire Boys on the diamond of the in-door base ball field. While quite a few Benjamin fans were present and seemed anxious to boost their team they went down in a big way, the score being 11 to 23, Knox leading.

Little Billie Dean Davis was complimented Monday evening, his 5th birthday, with a picnic given by his mother. Those who enjoyed the outing were Mr. and Mrs. Davis and two sons, Dr. and Mrs. Frizzell and two sons and Mr. and Mrs. W. E. Benedict. The crowd motored to Big Timbers on the League Estate.

G. A. GIRLS HAVE INTERESTING PROGRAM

The G. A. Girls of the Baptist church met Wednesday morning at ten o'clock at their time their weekly meeting. The program was as follows: Song, "Trust in Jesus". Devotional, Luke 4: 44. Prayer.

Study, Glimpse and Missionary Life. This group of girls urge that all girls between the ages 9 and 13 to join them in their meetings each week. They especially invited the girls of all the other churches. The meetings are held at ten o'clock each Wednesday morning.

Hospital Notes

Mrs. H. M. Cooner was dismissed from the Hospital last Thursday and returned to her home south of the city. Mrs. Rosa Sanders was dismissed last Wednesday and returned to her home in Vera.

Patients here now include Mrs. Winnie Horan of Munday, Mrs. Jake Tidwell of Knox City and Mrs. G. V. Ferguson of Knox City.

Mrs. Setta Thompson, nurse and daughter of Mrs. Ferguson, of Plainview, was here Tuesday to see Mrs. Ferguson.

Recent guests of Mrs. P. B. Baker were Mr. and Mrs. W. L. Cloniger and daughter Elsie, of Hughes Springs, Joe and William Cloniger of Marshall and Mrs. Otis Cloniger of Vernon.

DONALD DICKSON SPEAKS TO MISSIONARY SOCIETY

Mr. Donald Dickson of Seymour made a very interesting address to the ladies of the Methodist Missionary Society Tuesday afternoon on "Citizenship". Mr. Dickson emphasized that the best citizenship revealed in the lives of the people.

1 year for me before I thought I had made before.

A service was given Tuesday afternoon to the revelation of capsule sisters, new names to be drawn on Monday of next week.

The meeting adjourned with a word of prayer led by Mrs. C. C. Hope.

The North Side Missionary Circle of the Baptist church met Tuesday afternoon with Mrs. L. C. Porter. The devotional was led by Mrs. Horace Finley who also taught a very interesting Bible lesson. The Circle meets next with Mrs. G. T. Hardberger.

Mrs. J. M. Ashcroft of this city and Mrs. Mercer Armstrong of Benjamin entertained a few of their friends last Thursday night with a Buffet supper, games, of Birdge following. Guests were Knox City people with the exception of Miss Mable Moorehouse who was from Benjamin.

Mrs. L. L. Davis was hostess to the 42 club last Friday afternoon. Following the games the five tables were served refreshments of frozen fruit salad, cheese wafers, fudge cake and iced tea. The club meets next with Mrs. S. L. Favor.

He Looked "Just Escaped"

CANDIDATES FAIL TO LINEUP

Although the Candidates Base Ball team failed to get lined up last Friday afternoon, their opposing team led by E. O. Jamison met an interesting lineup under the management of Henry White. Fans met the opening inning with much disappointment in that the Candidates failed to function; however, all disappointments were eradicated with the appearance of G. T. Hardberger on the field.

George first appeared as center fielder and in the country. Looking from the ground up one beheld a firm pair of feet well shod (Mr. Hardberger always did dress his feet well.) But as the view ascended one beheld, what seemed, a lanky body covered with overalls still bearing the many angular clothes line creases. The open collar revealed a brown neck, seemingly too long for its circumference, and dominated by a prominent Adams apple which ascended and descended in regular intervals. The straight chin, in keeping with the movement of the Adams apple, made the upward and downward stroke but at a much rapid pace: the secret of which movements was a huge hunk of blo-gum. The small, close fitting ball cap gave the eyes a cunning, shaded effect, but the protruding, wandy hair in the rear climaxed the figure as being unusually interesting, in fact, he resembled one who had "just escaped".

Attired thus the player would be thought of as unskillful, but not such with George Hardberger. If fans expected him to be a "punch" player, they were disappointed; he played well, and amused the crowd well.

Manager Jamison not only played equal to managing his team but he also proved himself one of the stars

of the game. He strutted about in his bed room shoes impressing the fans with Luckey's slogan, "grandpa comforts are kind to your feet".

T. P. Frizzell stared in the first game of the season this last Friday afternoon. While his base ball suit resembled in every detail his work suit he did manage to capture the crowd (that really belonged to the team) worn by G. T. Hardberger. At least made T. P. look like a player who enjoyed either hitting or being hit.

Another new one in the game Friday was H. E. Wall. The first two or three innings Wall kept his team at high tension for he invariably fanned at the bat or dropped the ball in the field. However, the patience of both Wall and his components proved worthy, for Wall rose to stardom for the game ended.

A lively game went for five innings with Jamison's team several scores in the lead but the players were too enthused and the fans too responsive for the game to end, so it continued. New recruits were called in and the game went through nine innings with a tie. Eleven innings scored White's team 19 to Jamison's 18.

Harrison and Hardberger made star catches in right and center field; S. P. Kenny and T. P. Frizzell made quick dashes to first base on fair hits; Victor Pyeat covered the territory at second base falling down "just one time". E. F. Branton stumbled and, being out of practice in the art of crawling, failed to make first base, and manager Jamison showed old-time stuff at the bat.

All in all the game was most interesting; in fact, it was the most ludicrous in-door-base-ball game played in Knox City.

K C Trounces Goree

GAME GOES 13 INNINGS

Under a sweltering June Sun, and before a large crowd the Knox City team swung their efforts and defeated Goree here, Sunday June 26th, in a 13 inning ball game well played on both sides.

Blankship, tossed the pill for Goree, allowing only 7 hits, while Big Hassell Hill ejected the agate for the locals, and only allowed 3 hits, but well scattered, and he was going better in the 13th inning than when he started. The game was well featured by the fielding of Berryhill and the timely hitting of Joe Withrow, who drove in the first run and scored the winning run, when Waldrip sacrificed to Birbrey for a safety. Alfred also got his 2 for 5 at bat, and fairly hit a triple in the first inning, to be out at the plate. With the fine catching of Keith and the infield working almost errorless the contest was well worth the time and effort of the boys.

BAPTIST DEFEAT METHODIST

The Baptist ladies defeated the Methodist ladies in a base ball game Wednesday with a score of 10 to 3. Although the score was terribly one sided the game was never the less interesting. Mrs. E. W. Holland and Mrs. Bobbie Bradberry were stars for the Baptist and it seemed the handicap of the Methodist was the fact that they had no stars.

These two teams will play again next Wednesday evening at seven o'clock. Fans are urged to be there in great numbers.

Mr. and Mrs. Leslie Acker of Alpine are here visiting Mr. and Mrs. Gordon Acker. Mrs. Leslie Acker was formerly Miss Blanche Leas of Alpine.

MONDAY NIGHT RAIN TOTALS INCH AND HALF

Best Crops In Years

The slow rain which fell here all night Monday totaled about one and a half inches, giving Knox City and territory the best crops she has had in years. Although some sections of the territory did not need as much as an inch and half of rain no section was damaged by it.

Entered in the Postoffice at Knox City, Texas for transportation through the mails as second class matter.

Monday evening Knox City was invaded with bugs, small black bugs. The streets and business houses were covered with the pests Tuesday morning and what seemed a wagon load was burned about the lamp post in the middle of the street.

The bugs arrived Monday evening early enough to interfere with the ball game played between Benjamin and Knox City. Much discussion as to where the bugs came from has been made this week. Scientist Casey Jones states that they came out of the ground and since we do not know where they came from we are in no way to dispute Casey's word.

We had more bugs than Andrew Mellow has dollars, and that is some bugs.

C. C. Hoge and son Paul, Bill Clonts, Carl Davis, Matt Ivy, John Elbert Smith and Chad Wilson spent the last weekend fishing at Lake Kemp. Clay says the only disappointing thing about the trip was the fact that John Wilson and Lloyd Davis had to follow the crowd. Clay forgot to mention that he was the anxious one for the following. Mr. Hoge had the misfortune of breaking an axle of his car and had to telephone Mr. Wilson for help. Otherwise, the fishing and the trip were ideal for the entire party. The catch was big.

What appears to be a huge "chaw" of tobacco in the side of Clem Ball's face this week is really only the swollen vacancy where a tooth ought to be. Mr. Ball has been the subject of much fun this week because of "that pesky tooth."

It seems that in the quest of a good ball game that Nick Shaver and J. E. Russel missed the best game of the year Sunday by driving out of the city to Rochester.

Farmer Den Davis was in town Tuesday. Den says the farmers have enjoyed city leisure for the past two weeks but since the rain, well Den is just moaning over the fact that he is going to have to go to work. Den says the heel-burs and careless weels will soon have possession if he doesn't obey the rules of a good farmer and get on the job.

A PANOLA COUNTY FARMER'S PRAYER

I was riding past a lonely-looking old house one night last week. My horse pricked up his ears and nearby I saw a man secreting himself in a lonely place so I stopped to see what was going on. He fell on his knees and with uplifted hands cried out in a loud voice: "Lord, I am only a Panola county farmer. Thou knowest when cotton was 21 cents a pound, I had flour and plenty of everything to eat in my house and was well clad. But I was not satisfied. I wanted a change. I wore a Hoover badge and was faithful to the G. O. P. I believed I would get 35 cents a pound for my cotton and \$48 a ton for seed. O, Lord, two years have passed, never to return. Father, I am now too poor to buy the necessary Rockefeller for my Henry; it won't run without oil. I am still wearing a Hoover badge but it is on the seat of my overalls. "Lord, I am thankful for one thing, that is that Hoover made common rabbits taste good in the summer time. I pray that Thou will keep them replenished so I shall not want. I am sorry, O Lord, that my tomatoes and cucumbers would not pay the gathering of them.

"Give us this day our daily (corn) bread (which Colidge tried to make us eat for four years, and Hoover had us eating in three months). And lead us not into temptation to vote for another republican. President Hoover has all the power, Mellon all the money, Rockefeller all the oil, and the farmer the patched pants. Forever and ever Amen.—C. T. Grim, Route 2, Tatum, in the Cleveland Advocate.

The night bridge club was entertained last Friday in the home of Mrs. Vance Favor, she being assisted as joint hostess by Mrs. Brooks Campsey. Guests included five tables of players, the out-of-town guests being Miss Condon of Goree. A salad course was served.

ERNEST C. OZRO COX IS CAMPAIGNING WEST TEXAS THIS WEEK

Austin, Texas, June 30th—Ernest C. Ozro Cox, candidate for Congress-at-large, Place number 1, is campaigning the whole of West Texas this week from Austin to El Paso and Amarillo to Wichita Falls. He is traveling in his well-known black and white car driving from Austin to Pecos, by way of Sweetwater and Big Springs. From El Paso he goes to El Paso by train, and returning from there continues by car to Lubbock and North Panhandle.

Mr. Cox states that he has found a little confusion in the minds of some of the voters about the Congress-at-large race. The change by the State Democratic Committee in the usual method has caused a great amount of discussion and uncertainty among some of the voters of Texas. A ballot wrongly scratched may be cast aside and not counted at all. For this reason, Mr. Cox states he hopes the voters will carefully inform themselves on the method of using the ticket.

Following the 1920 census the Congressmen were re-apportioned among the various states on the new basis of population. This state gained three additional Congressmen, but the State Legislature failed to re-district Texas to absorb them. This made it necessary for the three new Congressmen to be elected by the whole state rather than any section. Then instead of letting the three highest men in the race have the places, the State Democratic Committee decided to make three separate places out of it. Now a voter is to vote for but one man, and one man only, in each place one man in Place 1, one man in Place 2, and one man in Place 3. No matter, if he prefers two men in Place 1, and none in one of the other places, if he does not scratch all but one man in each place he nullifies his vote. These three places are entirely separate campaigns and have nothing to do with each other nor with the other eighteen Congressional District races.

In his rounds, Mr. Cox is urging to study the issues of the Campaigns, and the qualifications of the Candidates and then vote according to the dictates of their consciences. He is emphasizing the importance of the citizen's use of the ballot as a weapon, and is urging the use of it as a necessary condition of Democracy.

Note:—Mr. Cox stopped in Knox City Tuesday for a few minutes on his way to Amarillo. The ex-service men of Knox City would appreciate your vote for Mr. Cox.

PEST MAY CUT PECAN CROP TO ONE-FOURTH BURKETT SAYS

Austin, Texas, June 22—Ravages of pests in the principal pecan growing sections of Texas threaten to reduce this year's crop to one-fourth of that of last year, or to approximately 8,000,000 pounds, if the depredations continue, J. H. Burkett, chief of the pecan division of the Department of Agriculture, forecast upon completion of personal inspection of northern portions of the pecan belt.

"Indications now, based on personal observation and reports to my office, indicate that the nut case borer is the most serious pest of the pecan and the most numerous. It was then estimated that the loss to the crop at the present time is at least 8,000,000 pounds," Burkett said.

He estimates that 50 percent of year's crop already has been destroyed by the pest and that 25 percent more will be taken. The borer is especially prevalent in Bexar, Tarrant, Gaudalupe, Uvalde, Bell, McLelland and portions of Comanche and Erath Counties.

Based on his prediction on present indications, Burkett pointed out that accurate forecasts of pecan production can not be made until the period of July 15 to August 15 and that August is usually considered the critical month for pecans.

"The pecan nut is practically the only food for the nut borer in its spring generation, which usually occurs from the last of May up to the middle of June," he said. "The second brood appears during the last of June and continues until the middle of July, so no one can accurately forecast pecan production until the period of July 15 to August 15."

Mrs. M. Spivy and children of Comanche are here visiting her parents, Mr. and Mrs. W. W. Hyde, and other relatives.

Political Announcements

The Herald is authorized to announce the following candidates subject to the Democratic Primary in July.

Union Grove

By Mrs. McMahan

Misses Ida and Corrie Hodges entertained Saturday night with a party. About thirty-five young people enjoyed our door games and music.

Miss Bessie Jones of Guthrie Texas is visiting her cousins Misses Alice and Edith Wilson of Union Grove.

The people of this community were glad to have Mrs. E. F. Branton, who is attending Tech College as our visitor Saturday evening.

Misses Annlee and Flo McBrayer have as their weekend guest, Miss Oetha Humphries of Knox City.

Mrs. Hulet Lea and daughter Miss Mildred left Wednesday morning for a visit in the homes of Mrs. Clyde Cox and Mr. Mart Lea of Tulsa Tex.

Little Clifford Cornett spent Sunday with Vaughn Gruben.

Misses Clovis and Joanna Lea spent Saturday night in the home of Mrs. W. H. Hodges.

Verna Mae Houston spent Saturday night with Miss Lavina McMahan.

A few young people attended the singing convention at Hood Sunday afternoon.

A small crowd attended singing Sunday night. The threatening weather kept many at home.

A number of Union Grove people enjoyed the ball game at Knox City Sunday afternoon.

Mr. and Mrs. Jess Marshall spent Sunday in the home of Mr. and Mrs. Hugh Dutton.

Reverend Stovall accompanied Mr. Parkhill to Big Springs Wednesday where he was called in the death of his father.

RAIL TRANSPORTATION IS EFFICIENT AND ECONOMICAL

● THE RAILROAD is the most efficient and the most economical transportation agency the human mind has ever devised.

The ability of commercial trucks to operate with various charges for their services has been because they are not required to carry all kinds and classes of freight. The truck can choose its freight and is privileged to reject that which it cannot handle, either because it is not equipped for such heavy service or the rates are too low to be profitable. The railroad CANNOT DISCRIMINATE but must accept all freight offered it.

In 1930 the shippers of Texas paid the railroads \$225,223,142 in freight charges. If the same volume and character of traffic had been carried by trucks it would have cost the shippers, according to the best available data on trucking costs, \$900,000,000, or four times as much.

What will be the effect on the shippers of Texas if only the traffic which the trucks cannot handle is left to the railroads? If traffic paying the higher rate is taken from the railroads by the trucks, it will be necessary for the rail carriers to increase their rates on the low grade traffic or go out of business. The total transportation bill will be greatly increased.

The railroad rate structure is a composite designed for the purpose of enabling the free movement of ALL ARTICLES OF COMMERCE, making it possible to bring even the cheapest commodities into general use and distribution. Were it not for the low rates made available by the railroads on many low grade commodities and raw materials, their distribution and use would be impossible and all commerce and industry would be seriously affected.

● THE RAILROADS CANNOT SUBSIST ON LOW GRADE TRAFFIC ALONE.

THE TEXAS RAILROADS

MELLOWED A HUNDRED MILLION YEARS

While Nature created frightful conditions in Pennsylvania...

UP from the buried sands of the Devonian millions of years before even these frightful conditions existed, comes the Bradford-Allegany crude oil of Pennsylvania District—the crude which Sinclair refined into Sinclair Pennsylvania Motor Oil. Bradford-Allegany crude is Pennsylvania's costliest crude. The extra price which Sinclair must pay for every barrel of Bradford-Allegany crude results from its remarkable lubricating quality—a quality which was established by the perfect oil-forming conditions in the Devonian Age, enhanced by a hundred million years of filtering and mellowing. Ask to have your oil changed to Sinclair Pennsylvania—the year-round Pennsylvania grade motor oil, de-waxed and freed from petroleum jelly at as low as 60° F. below zero.

Methodist Church Adopts Bible Study

A uniform study of the scriptures by all departments of the Methodist Sunday School has been adopted and all members are urged to be present with their Bibles Sunday next.

The entire school will begin the study of the gospel of St. Luke on Sunday, July 3rd, the first chapter for the lesson text.

The following synopsis and comments on the lesson has been prepared by request by L. B. Hammock.

Power of the Scriptures

So shall my word be that goeth forth out of my mouth: It shall not return into me void, but it shall accomplish that which I please, and it shall prosper in all that whereto I sent it. Isaiah 55:11.

(The Message Explained)

The apostle is setting forth a series of marvelous occurrences to a crowd. His gospel thus becomes to us as one of love, sympathy and brotherhood. He was speaking with a perfect understanding of the great events that were then transpiring and were soon to transpire and his message was to assure those things, he having been an eyewitness and minister of the word from the beginning. God had willed that a testimony be given and a record be kept of the authenticity of these stirring events which were soon to change the destiny of all mankind and direct their thoughts and devotions to things higher and holier and train their minds for the evangelization of the world.

He first portrays the sacred lineage of one who was to become the torch-bearer of the promised Savior, preparing the way and making the path of Him who was to save the sins of the world and regenerate a sinful people.

The righteous priest Zacharias and his wife had been promised a child. A child should be born to them who should be great in the sight of the Lord, and should go before Him in spirit and power and turn many to righteousness and make ready a people prepared for the Lord. His name should be called John, he should drink no wine or strong drink, and should be filled

with the Holy Ghost from his birth, and was to turn the disobedient to wisdom of the Just. As important as his mission might have been considered, it was soon to be overshadowed by the coming of the Messiah with a charge from God the Father to purge the world of sin; to rebuke and redeem sinners; to point them to eternal salvation through faith and obedience to God's commandments.

An angel had appeared unto the virgin Mary and had assured her that she had been greatly favored by the Lord, that her name for all generations should be called blessed, for to holy one to be born of her was to be called the Son of Highest and God would give unto him the throne of David and he should reign forever and of His kingdom there should be no end, and this holy one should be called the Son of God.

Many outstanding utterances are contained in this chapter. Mary when She had been overshadowed by the Holy Ghost boldly praised the Lord saying "For He that is mighty hath done to me great things, and holy is His name." "And His mercy is on them that fear Him from generation to generation."

A breathless calm now awaited the advent of the two great personages of John the forerunner of Jesus and the Son of God himself who was to be lifted up that he might draw all men unto him.

The most comforting verse of the chapter is the assurance that His throne should be established forever which statement clearly portrays that His throne should be one of spiritual strength and not temporal and that of His kingdom there shall be no end. The Mother of Jesus had said that He would scatter the proud in the imagination of their hearts, and would put down the mighty from their seats, would fill the hungry with good things and would turn away the rich empty.

With such a leader and such a Savior the spirit of the faithful is revived and courage is ever renewed and no true follower can be utterly cast down.

He came that we might not have life only but that we might have life more abundantly.

Mr. Buckner of Chandler Oklahoma is here visiting his cousin Eli.

Mr. Acker of Mineral Wells is in the week. He is somewhat in health.

Mr. and Mrs. Lloyd Fox of Thalia were guests of Mr. and Mrs. D. D. Robinson Sunday and Monday.

Caney Jones has his delivery truck all newly painted. Well, colors must match this year they say.

Let the man who knows how repair your tires with Shal Hot patches. Ashcroft Chevrolet Co.

Little Miss Billie Ray Garrison of Abilene is here visiting her cousins Anna Lou and Dorothy Warren.

Mr. E. G. Parkhill left Knox City Wednesday afternoon for Big Spring in response to a message stating his father had passed away.

Mr. H. Russell and Nick Shaver were Wichita Falls Visitors Tuesday. They visited G. D. McCarty and found him doing nicely.

Mr. and Mrs. J. F. Griffith had to have Hollis Griffith of Mr. and Mrs. J. F. Griffith before Texas to subscribe Herald this week.

Miss Cassie Thompson returned home Tuesday from Wichita Falls.

The east side base ball team defeated the west side team Monday in a battle of ten innings with scores 6 and 7.

We are glad to add Mr. U. F. Erwin to our list this week. Mr. Erwin runs the Service Station in front of the ice plant.

Mrs. George Clifton returned to Knox City last Thursday after an absence of several weeks. Mrs. Clifton has been ill but is quite improved now.

Ray Willis and Vance Jones were in Lenders Tuesday. They state that they could hardly believe their own eyes in the vast amount of water there from the recent rains.

GWENDOLYN JONES SLUMBER PARTY

Miss Gwendolyn Jones was entertained last Saturday night with a slumber party given by Mrs. P. S. Mackey. Others present were Minnie Mackey, Babe Nance, Billie Smith and M. Mackey. The first of the evening was spent playing games and at eleven all were ready for a great feast of cake and lemonade. Games were again enjoyed and at eight o'clock Sunday morning the group decided to retire.

A. J. Malouf and family are visiting in Rotan this week.

Mitchell News

Mitchell community is having plenty of rain and crops are looking fine. Mr. T. G. McQueary underwent an operation for appendicitis last week and we are glad to report his as doing fine.

Mr. Solau Lee has had to have quite a bit of dental work done but he is also doing well.

Miss Inez Carver is in San Saba visiting her sister, Mrs. Taylor.

Mr. and Mrs. Tommie Osborn and boys spent Sunday with Mr. and Mrs. Floyd Walker in Knox City.

Mr. Dick McGregor and children spent Saturday in Haskell with relatives.

Charlie Collier and family of the Cliff community were guests in the home of Carl Carver last week.

Johnnie Carver enjoyed her 4th birthday the 21, with sixteen of her friends spending the afternoon. Refreshments of ice cream and cake were served.

BOOKLET A FORWARD STEP IN THE LEGION'S SERVICE

"The distribution of the simplified summary of rights and privileges of World War service men and women under all federal and state laws will be an epochal step forward in the American Legion's service to veterans," Henry L. Stevens, Jr., national commander, said in a statement addressed to all World War veterans.

"Its distribution will be widespread. It will be given to every member of the Legion whose membership is of record on July 10th.

"I want one of these booklets for three reasons:

"First, I want it because I am a veteran and I wish to be fully informed of my own individual rights and privileges and there is no other compilation of this kind in existence that I know about without reading and studying every federal and state law that has been passed since 1919. This was done by the force of editors and

writers who wrote this thirty-two page summary.

"Second, I need it as a lawyer, because it gives in concise and plain language every provision and will save the trouble of wading through a mass of legal technicalities in order for me to put my finger on just what is wanted. Such a booklet, if it were available for purchase, which it is not, would cost about \$3.50, as much or more than Legion membership.

"Third, as a Legionnaire, I feel it my duty to be able to answer quickly any question which any World War veteran may ask in any state regarding his rights under any federal or state law. Every veteran should feel the same way, and if he is Legionnaire he will."

All men who wish to get this book and who are not a member of the Legion, must have their name on record by July 10th Mac Sweeney will be glad to take your application for membership.

The Way of Life Canned Vegetables

Grace Nelson, Co. Home Dem. Agent

By Bruce Barton
FASTER THAN RADIO

An unpleasant rumor began to circulate about a certain man.

Such stories are an unsolved mystery. How do they start? What is the magic which spreads them, magic more deadly than lightning, faster than radio.

You hear the tale in New York; you climb into an airplane and as you climb down in San Francisco you hear a voice exclaim: "What do you know about So and So?"

If the victim is famous and of enviable reputation, the broadcasting is twice as rapid. In the instance referred to this was the case. Here are the comments of the first three men who hastened to tell me the story.

Number One: "It just shows that you never can tell. Who'd think that old X would be up to such tricks?"

Number Two: "I was terribly shocked. What in the world could he have been thinking about?"

Both these broadcasters, you see assumed at once that the man was guilty.

Number three spoke with honest indignation. "I've known X for years. You can't make me believe that he ever did anything crooked. I don't care what the story is, I simply will not believe it."

The full facts came out a few weeks later and proved X an innocent victim. But the damage had been done.

There was a wise preacher in my boyhood who would say to the Sunday School: "Never believe what you hear and only half of what you see."

Much of what our eyes tell us is untrue. I see the sun move every day around the earth but, it does not move. I see that my cane, I thrust it into the water, is crooked. But it is not crooked.

Eyes are notorious deceivers. And as for the ears, they need to be policed every minute by tolerance and sympathy and common sense.

Mr. X of whom I have spoken, had lived an upright life for forty years. Surely, this should have counted in his favor. Surely, the answer of all his acquaintances should have been: "He's all right. He cannot have done it. We deny this libel."

The discouraging thing was that two out of three seemed to be secretly pleased that another good man had gone wrong.

Mrs. C. C. Hoge and children motored to Throckmorton Wednesday where they visited relatives.

Mrs. M. A. Reeder and Miss Mary are visiting relatives in Ryan Oklahoma.

W. C. Ballard and family spent Saturday and Sunday with relatives in Cisco.

Reverend Stovall and six B. W. M. U. ladies attended the Workers Council held Monday in the Weibert Baptist church. The Knox City party brought home the attendance banner in addition to gaining a great deal spiritually.

We are beginning a new quarter in our Sunday School next Sunday and that begins our Bible Study and let every one bring their Bibles with them to Sunday School and church.

MCCARTY IMPROVING SINCE ACCIDENT

Mr. G. D. McCarty had the misfortune of an accident last Thursday night which caused serious bodily injury. In the Wichita Falls hospital, however, he is doing nicely. In the Wichita Falls hospital, however, he is doing nicely.

Mr. McCarty was loading out his oil truck at the Continental wholesale house in Wichita Falls. It was raining and the streets being wet his foot slipped and he fell, hitting a concrete curb. Four ribs were broken one puncturing the lung. It was feared that pneumonia would set up; however we are glad to state that such has not yet happened and McCarty is doing nicely.

Immediately following the accident the Davis boys hurried to Wichita to be with Mr. McCarty, later returning home. Sunday Mrs. McCarty and Bobby and Mr. and Mrs. D. W. Davis spent the day with G. D.

Corn

Shuck, silk and clean carefully young tender corn. Cut from the cob without precooking. Add half as much boiling water as corn by weight heat to boiling, fill boiling hot into containers. Add three fourth teaspoon of salt and two teaspoons of sugar, seal and process immediately at 15 pounds pressure Number 2 C enamel tin cans for 70 minutes, pint glass jars for 75 minutes. Corn should not be canned in No. 3 tin cans because of the difficulty of heat penetration.

Corn should always be canned the same day it is gathered.

Okra

After the pods have been washed cover with hot water and being boil. Pack hot into the containers and add 1 teaspoon of salt to each quart. Seal and process immediately at 10 pounds pressure Quart glass jars for 40 minutes, pint glass jars after 35 minutes, number 2 and 3 tin cans for 30 minutes.

Squash

Wash and cut into cubes, and small quantity of water and simmer until heated through, stirring occasionally. Pack hot into containers add 1 teaspoon of salt to each quart and cover with water in which cooked. Process immediately at 15 pounds pressure, quart glass jars and No. 2 tin cans 60 minutes and No. 3 tin cans 70 minutes. If canning in tins use sanitary enameled cans.

Peas

Cover peas with boiling water and let come to boil. Pack hot into containers, add 1 teaspoon of salt to each quart. Cover with water, seal and process number 2 cans 40 minutes at 10 pounds pressure.

Vegetables should always be canned the same day gathered.

Mrs. Joe Averitt and Mrs. E. W. Holland chaperoned 15 of the Y. W. A. girls of the Baptist church to Leuders Monday where two days were spent in a most enjoyable way.

Mrs. O. L. Jamison, Yvonne Jamison and Misses Lora Jean Propps, Sydna Edwards and Claydene Hoge visited in Wichita Falls last Saturday.
