Knox City, Knox County, Texas 79529 Thursday, September 30, 1971

Number 42

THIS NEW FORD F-600 TRUCK WITH H MODEL HYDRAULIC PACKER UNIT arrived in Knox City last Friday. Water Supr. James Hewitt, left, explains the 16 cu. yd. refuse collection body to Henry White. The unit is side loading with adjustable side doors. Body is stationary mounted, non-tilting, and is equipped with a rapid traversing sweep cycle cleaning loading area in approximately 12 seconds. Positive dual controls on both sides of body automatically accelerate engine to proper RPM. The unit also has fold down extension steps.

## New Truck for Trash Disposal

# October Designated As Clean Up, Fix Up Month In Town

The City of Knox City has designated the entire month of October as "Clean Up, Fix Up" month and has agreed to assist in hauling off any item residents may want to dispose of, providing it does not weigh more than two persons can lift into the truck. Every resident is encouraged to clean up around his or her premises and help improve the appearance of our town.

## Band Will Be At ACC, Saturday

The Knox City High School Marching Band will be among the 500 students in Abilene Saturday for the annual Band Day at Abilene Christian College, according to Wes Hayes, band director.

Activities include parade competition in downtown Abilene Saturday at 10:00 a.m. and a performance by the combined bands during halftime of the ACC football game with University of Northern Colorado at 7:30 p.m. in Shotwell Stadium.

The halftime performance will include a salute to U. S. Armed Forces. All military personnel, law enforcement officers, and firemen will be admitted free in uniform, according to Wally Bullington, ACC athletic director and head football coach.

During halftime at the football game the ACC "Big Purple" band and the area high school and junior high bands will perform "Armed Forces March," "March America" (to the tune of "My Country 'Tis of Thee") and "Ceremony of Allegiance" narrated by Dr. Rex Kyker, professor and head of the ACC department of communication.

Lois Dunlap of Abilene, in his "Uncle Sam" uniform, will direct the Knox City Band and other band day participants in "The Star-Spangled Banner."

Two judges will rate the bands on the parade performance and trophies provided by the Abilene Chamber of Commerce will be presented to the top

## Services Held Wed. For Mrs. C. A. Richardson

Services were held here Wednesday at 9:00 p.m. in the Church of Christ for Mrs. C. A. (Ethel) Richardson, 68, who died Monday at 11:00 p.m. in the Brazos Valley Care Home after an extended illness. Darrol Bell, minister, officiated, and burial was in the Knox City Cemetery under the direction of Smith Funeral Home.

Mrs. Richardson was born December 12, 1902, in Freestone County, Texas. She married Claude Richardson October 12, 1923, and had been a Knox County resident since that time. She was a member of the

Wilson Motor Co. of Haskell had the accepted bid for a 1971 Ford F-600 truck and Pak-More Manufacturing Co. of San Antonio sold and installed a 16 cubic yard packer unit for refuse collection.

Mrs. Railback said that Knox City's sanitary landfill was the first step toward the new method of trash disposal and the new truck for compacting trash and garbage will be another step forward. Covered garbage cans will be necessary and trash will be picked up several times a week. It is hoped that all alleys can be freed of tree limbs within the next month as the new system will go into effect on Monday, November 1,

## Officers Elected For Big Five Golf Assn.

Mrs. Dorothy Smith of Hamlin was elected president of the Big Five Women's Golf Assn. at the final meeting of the group for the year Tuesday at the Knox City Country Club. Mrs. Betty Williams of Knox City is retiring president.

Other new officers include

## Local's Brother Dies In Alabama

Services were held Friday in Goodwater, Alabama, for I. H. Hawkins, brother of J. G. Hawkins of Knox City.

Mr. Hawkins died Wednesday in an Alexander City hospital after a lengthy illness.

Born May 28, 1892, his parents were the late Mr. and Mrs. J. M. Hawkins. He was a World War I veteran and a member of the Methodist church.

Survivors, in addition to Jay, are a son, Hogan, of Borger and another brother, Jim, of Goodwater.

Jay traveled by plane to Alabama for the services.

Survivors include her husband of Knox City; two sons, Claude Jr. of Houston and Tommy of Knox City; one daughter, Mrs. Sue Pearson of Columbus, Texas; three brothers, Everett Berryhill of Rochester, John Berryhill and Ervin Berryhill, both of Searcy, Arkansas; one sister, Mrs. Vic Thomas of Knox City; eight grandchildren and one great-grandchild.

## Former Knox Co. Judge L. A. Parker Buried Friday

Funeral services were held Friday at 2:00 p.m. for former Knox County Judge L. A. Parker, 77, in the First Baptist Church in Benjamin. The Rev. K. E. Woolley, pastor, assisted by the Rev. Douglas Crow, Vera Baptist pastor, officiated. Masonic graveside rites were conducted in the Benjamin Cemetery and Smith Funeral Home was in charge of arrangements. Mr. Parker died Wednesday, September 22, at 7:55 a.m. in the Knox County Hospital of an apparent heart attack. He became ill at his home earlier that morning and was brought to the hospital by his wife. Born November 17, 1893 in Arkansas, he married Oma Skelton in Boyce County, Texas, on August 13, 1916. They moved to Knox County from Collin County in 1925. He served as County Commissioner from 1947 until 1955. He was then elected County Judge and served until 1969.

Mr. Parker was a member of the First Baptist Church in Benjamin, was chairman of the Board of Deacons, and taught the Men's Bible Class. He was a member of the Masonic Lodge, Orient No. 905 of Knox City, a 32nd degree Mason, and a member of the Maskat Shrine, Wichita Falls.

Mr. Parker was an active member of the Eastern Star Chapter of Knox City and for four years he was the Grand

Deputy of the 91st District of the Masonic Lodge. He was a past Worshipful Master of the Orient Masonic Lodge, and a member of the Lions Club. Survivors include his wife, Oma of Benjamin; three sons, Luther of Sweetwater, Nolan of Stanton, and Dewayne of Kansas City, Missouri; three daughters, Mrs. Bonnie Garrett of Lafayette, La., Mrs. Dorothy West of Lamesa and Mrs. Ina Fern Gray of Morton; one brother, Homer Parker of Austin; three sisters, Mrs. May Lowrey of Glen Rose, Mrs. Jennie Shorr of Mesquite and Mrs. Josie Brown of Wichita Falls; 18 grandchildren and 9 great-grandchildren.

## Baker Participates In School Conference

Superintendent W. R. Baker was selected as a program participant for the 1971 Joint Convention of the Texas Association of School Administrators and the Texas Association of School Boards in San Antonio on September 26 and 27. Baker's assignment was to serve as member for the discussion group considering, "Plan A Special Education."

The convention, which expected to register 2500 school administrators and board members, was planned to provide information and ideas that would be useful and beneficial in the operation of the schools at the local level.

The fact that the convention was jointly sponsored by the

## City Sales Tax Shows Increase

The City of Knox City has received \$4,240.53 in city sales tax revenues for the second quarter of 1971, an increase over the same quarter of 1970, which was \$3,522.96.

City secretary Mrs. Faye Railback said that income from the sales tax has become much to the city, affording necessary improvements such as the resurfacing of city streets now in progress. Mrs. Railback said that to date 59 city blocks have been sealed and that approximately eight to ten more will be finished within the next few days. Work was to streets most in need of repair at this time. She explained that damage would have been irreparable to some streets after the first wet freeze of the approaching winter weather.

## Petroleum Production Pumps Over Five Million Into County Economy

Petroleum production continues to play a significant role in the economy of Knox County with direct input of \$5,234,657 last year.

According to the latest compilation of Texas Mid-Continent Oil & Gas Assn., the county in 1970 produced 1,578,997 barrels of crude oil valued at \$5,210,690 and 164, 157 thousand cubic feet of natural gas valued at \$23,967. It ranked 125th in value of petroleum

produced. In addition, the county received the stimulation of \$654,332 in royalty payments to landowners and others with mineral interests.

"Knox was one of 187 Texas counties that had petroleum production valued at more than \$125,000," says Kenneth E. Montague, Texas Mid-Continent president. "Its ability to produce helped Texas meet a record demand with record production of both oil and gas in 1970. This demand has again diminished Texas petroleum reserves as additions failed to offset withdrawals. In Texas, we only drilled 8,114 wells -- the smallest number since 1946."

Texas state government benefited from the county's petroleum, receiving \$239,692 in production taxes on crude

## Round-Up For West Texas Rehab Center To Be Oct. 4

Abilene - Officials of the West Texas Rehabilitation Center have delayed the annual Cattlemen's Round-Up until Monday, October 4 due to heavy rains throughout the state.

"With all of the high water in almost every direction from Abilene, it is impossible to get the cattle to Abilene for the sale at this time," announced C. A. Morris of Abilene, chairman of the event.

The Round-Up, originally scheduled for Monday, September 27, is the largest fund raising event of the WTRC. Time for the auction has not been changed and activities will get underway at 1 p.m., October 4.

"This does not effect either our horse sale or sheep and goat sale, both set for later in the month," Morris said. Cattle for the Round-Up were donated from ranchers and stockmen from throughout the Abilene area, as well as Del Rio, Monahan, Vernon, Childress, Electra, and Bowie, just to name a few places.

"We waited until the last possible minute before making the decision to delay the sale," Morris said, "but it's just one of those things that couldn't be helped. Maybe this will just give us more time to arrange for more cattle to come in."

"Weather always seems to be a problem as far as the sale is concerned," Morris said, "but usually we have to fight the dust - not the rain."

"All of us in the Governor's office appreciate very much his coming to help us, and he certainly has my personal wishes for every success in private life," Governor Smith said. "While we understand his necessity to return to his business, his loss will not only be felt keenly by my office, but by state government in general. He has done an excellent job here."

## Jim Huntsmans Move To Blackwell, Okla.

Mr. and Mrs. Jim Huntsman and Missy moved Friday to Blackwell, Okla., where Jim has been working since July. Housing was recently obtained and the family will live at 941 S. Second.

An operator for Cities Service here for the past seventeen years, Jim transferred there as an instrument man. His area of nine plants covers most of Oklahoma from Wichita, Kansas, south to Chico, Texas.

## Attend Nurses Meeting

Mrs. Emma Watkins and Wretha Fitzgerald were in Abilene last week to attend a meeting of District 15 of the Texas Nurses Association, which was held in the auditorium of Hendrick Memorial Hospital.

Mrs. Ellie Rucker, editor of RN Action Line, gave a report and the ladies also heard a report on recent news in the American Nurses Association.

## KC Lions Club Carnival Set For October 4, 5, 6

The Knox City Lions Club will again sponsor its annual carnival next week. Booths will open Monday evening, October 4, at 6 o'clock at the Little League Ball Park east of the school, and remain open each evening until 10 o'clock, through Wednesday, October 6.

This year marks the 13th consecutive year that the local club has sponsored this fundraising project.

J. R. Steinbeck will return with his Central State Shows and amusing midway rides for all ages.

Booths set up by the Lions will include Bingo, Cat Rack, Penny Pitch, Nickel Pitch, Milk Bottle Throw, Air Rifle booth,

## 'Hounds Fall To Irish

The Knox City Greyhounds were defeated by the Shamrock Irish here Friday night by a score of 28-0. The Greyhounds put up a stiff defense for two quarters and the score at halftime was 6-0.

Then in the third quarter the Irish began to open huge holes in the Knox City line to overpower the Greyhounds. The Greyhounds will play the Crowell Wildcats Friday night at 8:00 p.m. at Crowell.

### NOTICE

Knox City Quarterback Club will meet at 7:30 p.m. each Monday instead of 8:00 p.m. as previously reported. The club meets at the Country Club.

## KC Splits Games With Holliday

The Knox City "B" team was defeated 28-14 by the Holliday Eagles there last Thursday night in the rain. The Greyhounds had a hard time holding on to the ball in the early stages of the game and found them-

## Tips To Hunters, Landowners

According to officials of the Texas Parks and Wildlife Department, too many hunters may stay at home this year because good hunting spots have not been publicized enough.

Many landowners have good hunting on their farms or ranches but do not make the right efforts to attract hunters. The landowners could use their local weekly or daily newspaper to advertise, including game available, size of hunting area, and the price.

Hunters should keep an eye on the classified columns of newspapers or should contact Chambers of Commerce in areas where they would like to hunt, as most such groups keep a file of leases or available day hunting.

Game that needs advertising is wasted if not used, the hunter loses recreation time and the rancher loses dollars if all factors are not brought together.

## Coronation Postponed

Due to inclement weather, the crowning of the 1971-72 Band Sweetheart and Band Beau was postponed last week.

It is being tentatively planned for the Wylie-Knox City game on October 15, which will be the next home game.

Candidates for these honors are, for sweetheart, Mary Jo Campbell, Terri Whitten, Kathi Kent, Carol King, Jan Lankford, and Karen Helms, and for beau, Kenny Woodall and Charlie Lieb.

## Beginners To Play For Band Boosters Tuesday At 7:30 P.M.

Director Wes Hays has confirmed to Mrs. Kenneth Railback, program chairman, that the fifth grade beginners will be on hand with their tonettes Tuesday night, October 5, at 7:30 o'clock to entertain the regular meeting of the City Band Boosters.

Mrs. George Wall is extending an invitation to everyone who is interested in the band program. Not only youngsters to be taught, but always providing an entertaining, Mr.

**WINNERS IN THE WINSTON B. LUCAS children's photo contest** have been announced. According to Mr. Lucas' panel of judges, first place went to Amy Griffith, daughter of Mr. and Mrs. Charles Griffith of Benjamin. Second place winner was Kemp Jones, son of Mr. and Mrs. Ned Jones, Shane Tankersley, daughter of Mr. and Mrs. Bobby Tankersley of Knox City was named third place winner. Contest entries were first row, from left, Shane Tankersley, daughter of Mr. and Mrs. Bobby Tankersley; Rodney Smith, son of Mr.

and Mrs. J. R. Smith; Kemp Jones, son of Mr. and Mrs. Ned Jones; Patricia and Deniese Hamilton, daughters of Mr. and Mrs. Jack Hamilton; and Tyke Meinzer, son of Mr. and Mrs. P. D. Meinzer. Second row, left, Kelli Jo Whitten, daughter of Mr. and Mrs. Bits Whitten; Stacy Wayne James, son of Mr. and Mrs. Wayne James; Jeffrey Pierce, son of Mr. and Mrs. Sammy Pierce; Lori, Amy, and Becky Griffith, daughters of Mr. and Mrs. Charles Griffith. Third row, Michelle Hewitt, daughter of Mr. and Mrs. Mike Hewitt.

**4-H Club Week To Be Held Oct. 3-9**

Some 78,000 4-H boys and girls throughout the state will be "doing their thing" during the week of October 3-9 to promote 4-H, the national youth organization for action-oriented youngsters.  
Theme of this year's National 4-H Club Week as well as the theme used throughout 1971 is "4-H Bridges the Gap."  
"The theme will have a special meaning to 4-H'ers during that week since they are learning to bridge many gaps

as they strive to make a better world for tomorrow," points out Dr. Don Stormer, state 4-H Club leader. "As these youngsters attempt to find their own special place in our world, they are confronted with many gaps of uncertainty."  
Says Stormer, "Young people, through 4-H, are learning to bridge some gaps by creating roads of unity through cooperative efforts. They can reach others, understand and accept others, appreciate others and learn from them. Thus, through courage and dedication, they can become stronger, more conscientious citizens."  
In his 1971 4-H message, President Richard Nixon pointed to the fact that 4-H'ers were developing their skills through real life experiences. He said, "Four-H members are proving how effectively youth can meet the challenges of the Seventies, and they are an example throughout this Nation and the world."  
Some of the areas in which 4-H'ers are now active, learning to bridge existing gaps, include environment, nutrition, health, specialty groups, community betterment, management, careers and international programs.  
"Four-H has something to offer for every boy and girl between the ages of 9 and 19," adds Stormer. "It serves youth of all cultural, social and economic backgrounds and allows them to get a real grasp on many of the exciting things that life has to offer."  
National 4-H Club Week is set aside each year to promote 4-H and to recognize those 4-H'ers and adult leaders who are dedicating their efforts to worthwhile 4-H experiences. The week is also devoted to recruiting prospective 4-H members through various programs and activities.  
"If you're interested in finding out more about 4-H where the action really begins, contact your local county Extension Service agent," adds Stormer.

**Do It Yourself Campout Planned**

The NorCenTex Girl Scout Council's 9th Annual "Do-It-Yourself" campout weekend will be held October 2 and 3 at the West Texas Utilities campsite at Lake Pauline near Quanah, Texas.  
Great enthusiasm for the event is being shown by troops from the local and neighboring councils. Out of council troops attending the event include some from Hallinger, Weatherford, Snyder, Lubbock, and Salado.  
Theme for the campout is "Indian". Each of the approximately fifty troops has selected an Indian tribe to represent with a display item in its tent area.  
Among the varied activities being offered during the campout are Indian dancing, Indian craft and skills, films and storytelling. An item of interest to all attending is the secret patch which is unveiled Sunday commemorating the event.  
Director of the campout is Mrs. Stanley Smith of Wichita Falls assisted by Mr. Earl Martin of Burkburnett.

# Farm and Ranch News

By Herman Collier

## HOG CHOLERA QUARANTINE

There seems to be some confusion within the state concerning the current status of the hog cholera eradication program, according to Dr. William B. Thomas, Extension swine specialist from Texas A&M University. Texas is in Phase III and is not quarantined statewide. Producers of breeding hogs, feeder pigs and market hogs can move animals "freely" without an "on-the-farm inspection" throughout the state, except in Federally and State Quarantined Areas. Currently the only quarantined areas are in Tom Green, Lubbock, Hockley and Lamb counties. Only producers in these counties are limited to movement of hogs. Purchasers, however, must not sell hogs except for slaughter unless 30 days elapsed from the time of purchase. At the end of 30 days, release is automatic. In reality, only traders are affected by this restriction on the purchases.

## THE HOME LANDSCAPE

Now is the time to look over the home landscape and to make plans for renovations, advises Everett Janne, Extension landscape horticulturist. Landscape needs should be noted so that selections can be made early while good stock is still available at the nursery or garden center. Bare-root plants should be transplanted in late fall and winter while others can be transplanted throughout the year.

## RANCH MANAGEMENT CONFAB SLATED

A statewide conference for ranchers, technicians and others interested in ranch and range management will be held in Lubbock on October 8.

The Ranch Management Conference is slated to begin at 8 a.m. at the Farmers Coop, Compress, announces Dr. Bob Ragsdale, Extension range specialist at Texas A&M University.

Discussions during the day-long session will center around grass production, grazing management, horses, mesquite, nutrition and preconditioning.

Featured speakers will include Dr. Robert Berment, Colorado State University; Dick Whetsell, Adams Ranches, Oklahoma; Benton Watson, American Quarter Horse Association, Amarillo; Dr. Bill Dahl and John P. Goen, Texas Tech University; Dr. John Knox, New Mexico State University; and Pat Shepard, cattle feeder at Hale Center.

Purpose of the conference is to help solve some of the problems facing today's ranching industry, according to Ragsdale.

The annual conference is being sponsored by the Texas Section of the Society for Range Management, Abilene Christian College, Texas Tech, Texas A&M, Soil Conservation Service and West Texas Chamber of Commerce.

## Achievement Day Scheduled Oct. 4

It is the time of year for Home Demonstration club members and non-members to exhibit what they have been doing during the period from November 1970.

The Knox County Home Demonstration Clubs Achievement Day is scheduled for Oct. 6 in the Courthouse Assembly Room with judging beginning at 10:30 a.m. Divisions for the Achievement Day are clothing; arts - paintings; crafts; embroidery - crewel and regular; crochet; knitting; fancy work - any type of handwork not included in knitting, crochet or embroidery; horticulture - fresh fruits; artificial and dried arrangements; baked goods - breads, cookies, cakes, pies and pastries; canned goods - vegetables, fruits, jams, jellies, and preserves; and cut flower arrangements - fresh flowers from any source, arranged.

During judging there will be a program for the participants and visitors. A salad luncheon will be held before the awards are presented. Ribbons will be given for all entries.

Anyone interested in knowing more about the Achievement Day should contact Elaine Carmichael, Home Demonstration Agent, Box 22, Benjamin, Texas 79505. She can be reached in Benjamin at 454-2651 or Knox City, 658-8761.

## RETURN FROM TRIP

Mr. and Mrs. J. C. McGee accompanied by Mr. and Mrs. Claude Harrison and Mr. and Mrs. Billy Lorraine, all of Lubbock, returned Friday from a two week vacation. Highlights of the trip included visits to Las Vegas, Disneyland, Knott's Berry Farm, Forest Lawn Park and Grand Canyon, among other scenic places.

They also visited relatives in the Los Angeles area. Among these were Emery Harrison and family, Mr. and Mrs. Melton Bingham of Artesia, Calif., and Mr. and Mrs. Stanton Harrison of Pomona, Calif.

## FROM FORT WORTH

Mr. and Mrs. J. J. Hester and grandson, Lee Hester of Fort Worth, visited Tuesday in the home of Mr. and Mrs. Sam Ferguson.

PROPER MANAGEMENT of sorghum residue on the Billy Mitchell farm south of Knox City.

## Minimum Tillage Aids Storage Of Rainwater

"Knox County is not blessed with adequate rainfall for bumper crops each year, therefore methods must be developed to use the rain received more efficiently," says Mike Risinger, soil scientist, with the Soil Conservation Service. The value of rainwater stored as soil water during fallow for dryland crop production is widely recognized, but rainwater storage is highly inefficient. Frequently as little as 15% of the rainfall is stored as soil water, Risinger explained. Lack of sufficient surface residues has been a major factor in this inefficiency. Risinger reports some encouraging rainwater storage results have been obtained where 3,000 to 10,000 pounds of crop residue per acre were concentrated on the soil surface to reduce evaporation and runoff. In experiments with four different tillage treatments, agronomists have found minimum tillage methods allow twice as much

rainwater storage as do conventional tillage methods.

Risinger said this is accomplished in three ways. First, surface residues reduce evaporation. Second, they break up rain drops, preventing the ground sealing effects of rain and allowing more rapid and deeper infiltration of water into the soil. Third, residues significantly reduce runoff. More than one crop failure in our area can be prevented, or yields increased, if the rainwater which falls is efficiently stored as soil water. Risinger noted that an additional benefit of minimum tillage is almost complete wind erosion control.

Minimum tillage results can be seen on the Billy Mitchell, Lloyd Waldrip, or Philip Homer farms.

## IN LUBBOCK

Mr. and Mrs. R. M. Portwood Sr. were in Lubbock September 17, to secure abstracts and deeds to their property there. While there, they visited with their sons, Mr. and Mrs. George Paul Vance and family, Mr. and Mrs. R. M. Portwood Jr., and Ray Portwood, also Mr. Portwood's brother, Ralph and family and his step-mother, Pearl Portwood.

## VISIT FROM MERIDIAN

Mr. and Mrs. R. B. Jacobs and daughter, Norma Gail of Meridian visited this past week with her parents, Mr. and Mrs. R. M. Portwood. They have recently moved from Lubbock to Meridian where they purchased the Shady Rest Hotel. They live at State Park where Jacobs is custodian.

## 40th Annual Texas Prison Rodeo Scheduled Each Sunday In October

Huntsville - Most of the 15,500 inmates of the Texas Department of Corrections are looking forward to the 40th Annual Texas Prison Rodeo held each Sunday in October and most of them are wondering who will emerge as champion of the 1971 series.

However, oldtimers are looking to John Wesley of Navasota, serving a 12-year prison term at the Huntsville Unit, TDC, who last year finished a strong third while competing in only two events -- bareback bronc and bull riding. Because of his fine riding, he won the coveted silver "best bareback rider" belt buckle.

In addition to the sensational and thrilling convict cowboy contests, this year's show will highlight some of the best known country and western celebrities as guest artists.

Dottie West and the Heartaches will appear on October 3, followed by Connie Smith and Nat Stuckey on October 10; Charlie Walker on October 17; the Waylon Jennings Show on October 24, and the Porter Wagoner Show on October 31. Chuckwagon Races and the popular Chariot Races will be featured as added attractions during each of the five Sunday performances.

Reserved seat tickets, priced at \$3, \$4, \$5 and \$5.50 may be obtained by writing Texas Prison Rodeo, Box 99, Huntsville, Texas, 77340, enclosing check or money order.

Net proceeds from ticket sales are used to finance Treatment Programs for all inmates of the Texas Department of Corrections.

The rodeo is held in the prison stadium in Huntsville, with showtime being 2 p.m. each Sunday.

MISS BETTY GUTIERREZ

## Haskell County Forum Queen

Miss Betty Gutierrez, daughter of Mr. and Mrs. Humberto Gutierrez of O'Brien, is the new Haskell County American G. I. Forum Queen. She was crowned at the Fiesta held at the Corral Building in Haskell, September 16, by Janie Seballos of Anson. Betty was chosen from a field of six contestants. Miss Silvia Ortiz of Rule was first runner-up and second runner-up was Miss Delia Fuentes of Haskell.

Betty is an eighth grade student at Carney Rural School.

The proceeds from the Fiesta amounted to \$1,440.65 and were donated to Saint George Catholic Church of Haskell.

Noah Webster began writing the dictionary in 1807 and finished in 1828.

"He that hath the son hath life; and he that hath not the son hath not life." 1 John 5-12.  
When we believe that Jesus is the son of God who died for us then we are filled with the spirit of truth. When this truth is in our hearts forever God will bless us with great mercy and much peace, with truth and love. If we love God, we will do whatever He tells us to and He has told us from the beginning to love each other. We will do away with hatred, envy, jealousy, backbiting, and evil speaking. We will love and help our fellowman.

## O'Brien School News

The undefeated O'Brien Bulldogs defeated the Trent Gorrillas 66-16 last Friday night. O'Brien scored first as Rayland Hayes ran 15 yards for a touchdown and then kicked the PAT for two more points. Trent came back as Dickerson galloped 16 yards and Heatley kicked the PAT to tie the score.  
O'Brien again scored as Hayes broke for a 22 yard touchdown. Hayes failed on the extra points and the first quarter ended with O'Brien ahead 14-8. As the second quarter opened, the Bulldog line (consisting of Orlie Flores, Bobby Summers and Arly Watson) and halfback Steve Figueroa created a gaping hole through which Hayes was able to sprint 65 yards for a Bulldog score, Hayes converted for two, following the touchdown.  
James Washington then took over the running chores for O'Brien and culminated a good effort by plunging 1 yard for a score. Hayes failed to convert and the score was 26-8. The Bulldogs lost momentum at this point and Trent roared back as 210 pound Hamner rammed in from 1 yard out. The PAT for Trent was no good. O'Brien continued to play uninspired football at this point and Trent gathered in two points as the Gorrillas blocked an O'Brien punt, deep in O'Brien territory, which rolled out of the end zone. The first half ended 28-16, O'Brien's favor.

The Bulldogs, highly determined to improve their second quarter showing, popped back in the third quarter with 32 points, holding Trent scoreless. Danny Del Hierro picked up two touchdowns on runs of 2 and 19 yards and threw a 30 yard touchdown to Arly Watson. Hayes also scored six points as he rammed in from three yards out. Hayes converted on all four occasions bringing the third quarter to an end with O'Brien 60, Trent 16.  
Early in the fourth quarter Del Hierro found Watson open in the end zone for a 15 yard scoring pass to end the game. The offensive line and halfback Steve Figueroa did a good job blocking throughout the game. James Washington, Louis Conn,

Arly Watson, and Albert Alsidis were all very impressive on defense.  
The Bulldogs play at home Thursday, Sept. 30, meeting the undefeated Weibert Bulldogs. The Weibert team is a very fast one and executes very well. The O'Brien Bulldogs will keep on working very hard to prepare for this upcoming game with a fine Weibert team.  
The O'Brien "Bullpups", also undefeated, took their second straight win last Tuesday night, downing Lueders-Avoca 20-0. Jaime Rocha had 13 points for O'Brien and Devey Holmes had 7. Showing great offensive and defensive play were Luis Rojas, Randy Watson, Charles Castillas, John Alsidis, Max Rocha, David Adkisson, and Craig Brothers. The "Pups" will meet Weibert at O'Brien Tuesday evening at 7:00.  
Friday afternoon the internationally acclaimed pianist Richard Tetley-Kardos presented a piano recital at the O'Brien School. Mr. Kardos performed music written by such composers as Ludwig Van Beethoven, Sebastian Bach, Frederick Chopin, Claude Debussy and closing with the well known "Rhapsody in Blue" by American composer George Gershwin.  
Mr. Kardos has played in most capitals of the world and every year he tours the United States, South America, and Europe. He records for Columbia and RCA Victor labels, and he is also a professor at Ohio State University.  
Mrs. Johnny Reid, O'Brien Home Economics teacher, is serving as superintendent of the Women's Division at the Haskell County Fair. \*\*\*\*\*

## How To Bring A New Doctor To A Rural Community

Chicago - Here's a tip for the rural community that doesn't have a physician and wants one: "Look for an MD who grew up in a small community, perhaps even in the same part of the country," suggests the current AMA UP-DATE (July/August).  
Some 132 rural counties in 26 states are presently without a non-federal physician. "Paradoxically, most MD's who live and practice in rural areas enjoy their work," says Dr. Bond L. Bible, secretary of AMA's Council on Rural Health. "Once he has established his practice there, a doctor isn't likely to leave."  
Nearly half the physicians polled in a Council survey who were practicing in towns smaller than 2500 said they were brought up in a small town, Dr. Bible says.

AMA is helping small communities solve their medical care problems in several ways. The Association's Physicians' Placement Service helps communities find a doctor, and vice versa.  
Particularly in sparsely-populated areas, "we urge groups of communities to establish a centrally-located medical center with a group practice, together with mobile health units or satellite health stations," Dr. Bible says. "Thanks to today's automobiles and roadways, a doctor may be 15 or 20 miles away in distance,

but only minutes away in time."  
In one 4000-square-mile area of Washington State, with a population of five persons per square mile, AMA is supporting a pilot project to extend the capability of medical services in such areas. "It's a team approach, basically, in which the area's eight doctors coordinate their own efforts, and those of physician's assistants (called Medex), nurse practitioners, social workers and community health people," Dr. Bible explains.  
(Medex are former medical corpormen, returned from the armed forces, who have been

retrained to serve as physician's assistants.)

KCHS SOPHOMORES elected to head the class are from left, Mike Lankford, president; Stanley Newton, vice-president; Denise Grindstaff, secretary; Ginger Crossover, treasurer; Martha Jones, reporter; and Coach Jerry Lowrey, sponsor.

FRESHMAN LEADERS plan a really good year with the help of their sponsor, Jimmy Rogers, at far right. Officers elected were from left, Gary Carver, president; Cliff Ray, vice-president; Kary Kent, secretary; Debbie Reese, treasurer; and Stacy Angle, reporter.

Projected mobile home sales of between 20 and 25 million dollars have been predicted for this year by American Photo Copy Equipment Company for its subsidiary companies, Newport Homes, Pine Grove, Pennsylvania and Craftmade Homes of Henderson, Texas.

Ancient Greeks discovered it, Mayan Indians developed it, and Americans commercialized it. What is it? Chewing gum. About 550 million pounds were chewed last year. The Greeks first used a gummy substance called mastiche, but now most manufacturers use synthetic rubber as the chewing gum base.

## The Kennel

### Senior Class News

By CONNIE GENTRY

The Senior class met Tuesday to choose Annual King and Queen representatives. Nathi Kent and Micky Oxford were elected to represent our class. As our money making project, we chose to sell doughnuts. A very special thanks is extended to everyone who bought our doughnuts. We appreciate the support. We would also like to say a very big THANK YOU to Mr. McGaughey and Mr. Hays, our class sponsors. They went to Abilene at 4:00 Saturday morning to pick up the doughnuts for us. Also we would like to thank the Bruce Campbells for lending their garage as our "headquarters."

The Knox City Greyhounds will be playing the Crowell Wildcats at Crowell. This is their first out of town game so everyone come out and support the Greyhounds!

In Civics we are studying about Communism, Socialism, and Capitalism. Coach Lowrey is our teacher and our assignment for this Thursday is to write a report on Communism, Socialism, and Capitalism. If all of the Seniors are acting a little weird next week, don't worry.

### Junior Class News

By BECKY SWAIN

The Juniors received the spirit stick at last Friday's pep rally. We also received the award for the Rochester game. Let's keep the spirit up and support the Hounds!

The Juniors would like to take this opportunity to thank everyone for his support during our Junior workday. This workday was to support the production of the annual and the costs involved. Each class elects candidates for Annual King and Queen. Jamie Grimsley and Lanny Cypert will be our representatives from the Junior Class.

As I mentioned last week, there will be two Junior Sketches given each week. This week

the Juniors are Dean Bouldin and Debbie Burt.

Dean is the son of Mr. and Mrs. Clyde Bouldin. He has been in FFA for three years; choir, three years; National Beta Club, two years; Annual Staff, one year; and FTA, three years, where he is presently serving as chapter secretary. Dean is vice-president of District IX of the Future Teachers of America. He was also elected Mr. FTA from the local chapter.

Dean has played quarterback for the football team for three years. He is a guard on the basketball team and has participated in both tennis and golf.

Dean's favorite color is blue and his favorite recording artists are Creedence Clearwater Revival; Three Dog Night; Hamilton, Joe, Frank, and Reynolds; and James Taylor.

After graduation Dean plans to attend college, but is yet undecided as to where he will

go. Debbie Burt is the daughter of Mr. and Mrs. Kenneth Burt. Debbie has been a member of FHA, three years; choir, three years; and Pep Club, three years. She served last year as secretary of the Pep Club. Debbie is now a cheerleader for the Knox City Greyhounds.

She has been a member of the Houndette basketball team for two years, and plays guard. Debbie also participates in track where she is involved in the shot put, broad jump, 220 yard run, the 440 yard relay, and the 880 yard relay. She also played volleyball for one year.

Debbie's favorite color is purple and her favorite recording artists are the Creedence Clearwater Revival.

After graduation, Debbie plans to attend college in California.

### Sophomore News

By MARTHA JONES

The Sophomores met in a class meeting Tuesday, first period. The order of business was electing Annual King and Queen representatives and deciding on one project to help

make money for the annual. Debbie Bishop and Mike Lankford are the Sophomore representatives. If our class makes more money than the rest of the high school, Debbie and Mike get their pictures in the front of the annual.

We decided upon a bake sale as our project. Also decided was that there were to be two stations in town. With this the meeting was adjourned.

Early Saturday morning, Denise Grindstaff, Janna Hise, Ginger Crossover, Diane Clonts, Chris Larson, Karen Leach, Debbie Bishop, and Martha Jones appeared sleepily in front of Jones Drug and the Post Office to sell our baked goods. With the help of the citizens of Knox City and other surrounding towns, we sold out in a little less than three hours.

Sunday some of the Sophomores made signs at Diane Clonts's house. The earlier in the week we start, the more signs we get made!

### Freshman Class News

By STACY ANGLE

This year our class has the

distinction of being the largest class in high school with fifty-three members. We are probably also the largest freshman class KCHS has had in many years.

New students we would like to welcome are Cheryl Barnard, Anita Elliston, Cindy Stone, Olivia Quintana, and Mike Knisley. Since the class is fairly evenly divided, most of our classes are either all boys or all girls. Classes for both groups this year include Choir, English I, World History, Algebra I, Related Math, Physical Science, Homemaking I, Ag. I, Band, and Athletics.

Last weekend the class held a garage sale for the purpose of raising as much money as possible for our candidates for Annual King and Queen. De Lary Bateman and Gary Carver were chosen to represent us in the contest.

Freshman initiation has been set for October 12.

### Greyhound Reporter

**SCHOOL NEWS**

(Continued from Page 6)  
 "slip by" several times to carry them to a 28-0 victory. Shamrock was tough competition, but playing them helped in gaining greater team experience.  
 Friday night the Hounds will go to Crowell. Everyone is encouraged to attend the game and support the Hounds.  
**GET A WILDCAT!!!**

reminded to pay this fee.  
 A few more songs we have been practicing on are: "Tumbling Tumbleweeds", "Who Will Answer?", and "An American Is a Very Lucky Man". The solos in each selection have been scattered around so that each person will have a chance to "show-off" his talent! Who are the lucky winners?!!

**Cheering Group News**  
 BY JANIE ROMO

The KCHS students had a pep rally in the high school gymnasium. A skit was given by the Freshman Class. Characters were Randy Lewis and Stephen Logsdon.  
 The Greyhounds did a great job against the Shamrock Irish

**The Choir News**  
 By JAN GUINN

The choir is still working on "hard parts" in the songs we are learning. Each day we work to make each number a little better.  
 The dues have been set at fifty cents. Each member is

even though we lost 28-0.  
 Friday, October 1, the Greyhounds will play their first out of town game. So let's all go to Crowell and support the Hounds to show them that we are behind them 100%!!!!  
**!!!! GO HOUNDS GET A WILDCAT!!!!!!!**

**Homemaking I**  
 By GAYLE TANKERSLEY

This week the Homemaking I Class wrote reports on all the clubs and organizations of the Knox City High School. The reports were made as follows:  
 Cindy Stone and Temi Baker, Student Council; Stacy Angie and Gayle Tankersley, Beta Club; Cheryl Barnard and Kary Kent, FTA; Merri Clarke and Brenda Harris, Band; Vickie Berryman and Laura Lynn, Athletics; De Lacy Bateman and Sherry Mangis, FHA; Carolyn Orr and Annette Jackson, Pep Club; Lanette Bouldin and Shelly Grimsley, FFA.  
 We have also been learning our "FHA Prayer Song", our creed, and The Song of the Future Homemakers. We had a monthly meeting Friday presented by De Lacy Bateman, Gayle Tankersley, Brenda Harris, and Vickie Berryman. The program was a discussion on Drugs, War and World Problems, and Race. Refreshments were served by Sherry Mangis, Shelly Grimsley, Lanette Bouldin, and Cindy Stone. We all enjoyed them. Thank you.

**Homemaking I (Section 2)**  
 BY SUE HODGES

Last Friday, September 24, we had a program given by Pam Odom, Debbie Reese, Yolanda Ledesma, and Cindy Albus. Their program was on YOU. They went through and stated what each letter in "Peace", "Love", "Hope", and "Happiness" should mean to you.  
 After the program Jackie Rhodes, Anita Elliston, and Gae Farmer served refreshments.

**Jr. High Band News**  
 BY ADRIAN JONES

The band members this week have been trying to improve their sightreading. We have been playing marches and popular music. We would enjoy having you come hear the band play at the Pep Rally Thursday and help add spirit for the boys.

**Seventh Grade News**  
 BY LYNN LARSON

Our football boys played against the Holiday Eagles last Thursday. Our seventh grade won through penetrations and yardage. So far the seventh grade is undefeated! It was a district game for the eighth grade, and they came out victorious, too. The score was 34-0!!  
 The band and pep club didn't go because of rain, but we gave them a great pep rally! The spirit was high, and everyone had a terrific time. The eighth won the spirit job, but just wait till next week!  
 We got out of school almost an hour early last Monday. I know everyone was glad for a little holiday.  
 The game is at Archer City tonight. Please come to support our teams. We need to show Archer City that we back the Greyhound teams all the way!!  
**Go Pups!!! Get a Cat!!!!**

**Lunchroom Menu**

**BREAKFAST MENUS**  
 October 4-5  
 Monday - Teacher In-Service Day - Student Holiday  
 Tuesday - Orange juice, buttered toast with jelly, milk

 Thursday - Roast with gravy, mashed potatoes, steamed cabbage, hot rolls with butter, cherry cobbler, milk  
 Friday - Beef tacos, green beans, sliced whole wheat bread, pineapple pudding, milk

**Coaches' Comments**

By COACH ROGERS  
 The Greyhounds were soundly defeated Friday night by the Shamrock Irish. The boys played well the first half of the game, with the score being 6-0 in favor of the Irish. The real secret of the contest, however, was the inability of the Greyhounds to mount any type of offense. You don't play defense most of the game and score many points.  
 This week, against Crowell, we hope to improve our offensive game. There will be some personnel changes, to hopefully, develop some type of scoring threat. When our offense gets going, then the Greyhounds may come alive. We feel like we lost the last two games because we beat ourselves, by not playing up

MRS. GLEN HATAWAY

**Curd-Hataway Vows Exchanged**

Mr. and Mrs. W. P. Curd announce the recent marriage of their daughter, Shirley, to Glen Hataway, son of Mr. and Mrs. Harold Hataway of Sunray.  
 The wedding vows were read Friday, Sept. 17 at 7:30 p.m. in the Sunray Church of Christ with Guy Orntson, minister, officiating.  
 The couple is at home in Sunray, where both are enrolled in Sunray High School.

**SS Reports**

Students 18 to 22 who collect social security are reminded to report their earnings and any changes in school enrollment, attendance, or marital status to their social security offices.  
 The reminder comes from Wayne Klipping, social security manager in Vernon.  
 "If a student beneficiary leaves school or starts attending on a part-time basis, he needs to notify social security immediately," Klipping said. "Either of these changes in his status as a student will stop his monthly benefits if he is 18 or over."  
 A student's total yearly earnings from part-time or temporary jobs as well as self-employment can also affect his benefits, Klipping said.  
 "Any student in the Munday locality who knows his earnings for this year will exceed \$1,680 should report this to social security," he said. "Otherwise, he might receive payments which would have to be made up later."  
 Social security benefits are reduced by \$1 for every \$2 earned if the student beneficiary earns between \$1,680 and \$2,880 in a year. Benefits are reduced by \$1 for every \$1 earned if he earns over \$2,880 a year.  
 "A beneficiary can get full benefits for any month he earns less than \$140, regardless of how much he earns in a year," Klipping said.  
 If a student beneficiary changes schools, he should report his transfer to social security, according to Klipping.  
 "And if a student gets married, he should get in touch with us right away," he said. "Marriage stops a student's cash payments under social security."  
 Over 500,000 students, 18 to 22, get monthly social security payments because a parent collects disability or retirement benefits or has died. Students can continue to get benefits to age 22 if they continue as full-time students and remain single.

**Girls May Prefer Unconventional Breakfast**

Do you have a normally active teenage girl in your home—one who doesn't eat a conventional breakfast?  
 She could choose to eat a sandwich for breakfast, according to Frances Reasonover, Extension foods and nutrition specialist at Texas A&M University.  
 Why not? Miss Reasonover says the important point is that you eat as you like, as long as the foods you choose for the entire day include specified amounts from the basic four food groups, and as long as you meet calorie needs.  
 She explains that a day's eating might start like this: a cheese sandwich for breakfast along with a banana and a glass of milk. If that doesn't appeal, you may want to begin

to our ability. Friday night we plan to play 4 quarters, stress offense, and play good defense. If this happens we will beat Crowell. Don't give up on the Greyhounds. There is no room in the world for a losing attitude. Expect something to happen.

the day with spaghetti, chili, baked beans or deviled eggs.  
 For a normally active girl of average height—5 feet 3 inches—weighing 117 pounds, multiply 117 by 20 calories and you find that she needs approximately 2,300 to 2,400 calories each day.
