THE ANNUAL BAIRD football banquet held Saturday night at the school cafetorium was an outstanding affair, even though it was about an hour too long. Members of the Bear squad were handsome and their dates were about as pretty a group of girls as you will see. The table decorations were outstanding and the general arrangement was good. Much credit goes to Pat Brown, wife of President Mickey Brown of the Quarterback Club, and her group for the attractive. ness of the affair. We will try have a list of the helpers ewhere. Gene Swinson did the center pieces on the tables each one representing a highlight of the season. He's quite an artist.

MIKE BRUMBELOW THE speaker, was outstanding. His talk was interesting, to the point and not too long. A number of awards were made. In the pep squad, the Joneses took the honors. Karen Gay Jones, daughter of the Lloyd Jones', was named the most outstanding pep squad member, and Miss Jones, the pep squad sponsor, was recognized and honored. Karen Bearden made the presentations and did a fine job.

COACHES VERNON Townsend and Ed Cotton were given gifts and received the plaudits of the crowd. James Snyder, president of the school board, gave the two coaches checks and the football players expressed their appreciation by giving the two mentors attractive gifts. The presentation of the gifts was very ably handled by Danny Ross, one of the captains and a senior on the squad. Football Sweetheart Karen Bearden was presented a charm for her charm bracelet. It was in keeping with the football theme.

THE QUARTERBACK CLUB always gives the coaches gifts at the banquet, but this year they threw them a curve — they the year, and the squads sponpresented gifts to the wives, Mrs. Townsend and Mrs. Cotton . . The jackets did not arrive in time for the banquet, which is about par for the course. Coach Townsend said that all 31 members of the squad were to receive jackets and explained at length

the difference in the awards . . All five graduating members of the squad were named as the years captains. For some reason, team captains are not named until the end of the season. The coaches appoint captains for each game and the team elects the years captains at the end of be season. The musical combo for Cisco Junior College presented the program and everyone liked it.

# Chevrolet's new low-cost quality delivery truck!

This introduces you to Chevy-Van-our new economy delivery truck.

It has a low price tag, over 40 sq. ft. of completely usable flat floor 71/2 ft. long, the engine up front, and a lot of quality features which make it a better buy. The body and frame-floor are welded together. The truck is strong, rigid, stable. Doors are double-wall construction.

Chevy-Van has unusual resistance to rust and corrosion. Especially vulnerable areas such as front stepwells are galvanized. Sealers are used at all critical joints inside

and out. Certain sections are treated with high-zinccontent primers; others with an aluminum-wax preservative.

The windshield is a big flat practical one-piece unit. The big 90-hp 4-cylinder standard engine is more powerful than some 6s, yet is remarkably economical. If you need more power, Chevy-Van offers a 120-hp six

at extra cost. Side doors and rear windows also cost extra.

Last but not least, it's a Chevrolet. Which means that it is built to work for you a long time at minimum cost.

ALWAYS COST LESS Telephone your Chevrolet dealer about Chevy-Van or any type of truck!

**Born On January 10** A daughter, Connie Jean, was

born to Mr. and Mrs. Bill Patterson on January 10, 1964 at Dyess Air Force Base Hospital. She weighed nine pounds and six ounces at birth.

The mother is the former Mary Lynn Hodson and she is making her home in Baird with her parents, Mr. and Mrs. Frank Hodson, while her husband is stationed in Greenland with the Air Force. Mr. and Mrs. Pete Chatham of Baird are great grandparents of the new baby.

CARD OF THANKS I wish to thank the Baird Volunteer Fire Department for extinguishing the fire at my home. These men are to be commended for their promptness, efficiency and courtesy. They deserve praise for their hard work and the manner in which they perform it.

Mrs. Ella Farrar
