BY NORMAN FISHER
RESPONSE, TO DATE, has not in nearly as good as had been hoped for on the Baird Public School's request for volunteers to help erect new stands in the Bears Den.

With the Bears not playing at home again until Oct. 9, chances are good that at least some of the new stands will be in place by that night. But, with some help from volunteers, especially welders, the whole section could be completed.

When finished, the stands will provide seats for about 1,000 more fans. They will be 10 rows high - slightly higher than the present east stands - and will provide more comfortable surroundings for the home folks.

Present home stands will be taken to the west side, giving the entire stadium a 1,000 increase in seating capacity.

Anyone who can help on the project is asked to contact Dick Vestal, VA Instructor. Ag students are welding forms for the stands during class periods.

MEMBERS OF THE Callahan County Sheriff's Posse have laid preliminary plans for a long-overdue improvement to the organization's rodeo arena.

On the schedule is a new building on the rodeo grounds to replace the existing ticket booths and to include restrooms. Having restrooms at the arena will be a definite improvement. Lack of such facilities has been one of the rodeo's biggest drawbacks in recent years.

Completion of the new building, which is expected before next year's rodeo, will be a big step in the modernization program underway on the grounds.

WATER MAIN breaks are continuing to plague the City of Baird.

The break Saturday night, which required that water to most homes and businesses be off until mid-morning Sunday, was the third time in recent days for most of the town to be without water for a few hours.

While repairs can be made, it appears very likely the only total solution will be replacement of part of the water distribution system within the foreseeable future.

INTRODUCED, WITH no fanfare at all, last week in The Baird Star was a column for and about students in the Baird schools. The accent, of course, will be on the high school grades.

The column will be written by Mary Corn, a senior in Baird High. We are sure she would appreciate help or comment from students, their parents, or anyone interested in the schools.

We feel that school-age youngsters are an important part of any community, and that at least one portion of the newspaper should be devoted to their doings and interests.

SCHEDULED TO observe birth-days next week are:

Lillian McGowan and Charles Young, Sept. 28; Eva Black and Earnest Gillit, Sept. 30; Mrs. James Asbury and Bob Jacobs, Oct. 2; and Dr. M. L. Stubblefield, Jimmy Trowbridge and Joyce Morrow, Oct. 3.

DAUGHTER IS BORN
Mr. and Mrs. Craig Buchanan of Baird are parents of a daughter, Cynthia Ann, born Sept. 11, in Hendrick Memorial Hospital in Abilene.

Grandparents are Mr. and Mrs. Hershel Wagley of Putnam and Mr. and Mrs. Frank Payne of Baird.

Mrs. Pearl Ebert Rites Saturday

Last rites for Mrs. Pearl Ebert, 82, of Baird, a lifetime resident of Callahan County, were at 10 a. m. Saturday at Baird Presbyterian Church. The Rev. Frank Waggoner, pastor, officiated.

Burial was in Ross Cemetery with Godfrey Funeral Home in charge.

Mrs. Ebert died at 9:45 p. m. Thursday in Callahan County Hospital.

She was born in Callahan County Aug. 2, 1882, and married Harry N. Ebert in Baird in September, 1904. He died in 1959. She was a longtime active member of the Baird Presbyterian Church.

She is survived by a daughter, Mrs. R. F. (Sallye) Jones of Weslaco; two sisters, Mrs. Flo Walsh of Baird and Mrs. Stella Haley of Fort Worth; a grandson, Dr. Kenneth F. Jones of Houston; and two great-granddaughters.

Sheep, Goat Program Set

Jim Gray, animal husbandman with the Texas Agricultural Extension Service, will present a program on sheep and goat selection Tuesday, Sept. 29 in Cross Plains.

The meeting will be in City Hall at 10 a. m.

In the morning session, Gray will discuss feeding, breeding, clip preparation, and other factors relating to good management of sheep and goats.

In the afternoon session, Gray will give a selection demonstration on sheep and goats. By following the selection practices outlined, producers have increased weight average of their clip by several pounds.

The program will be completed by 3 p. m.

More Rain Adds To Area's Total

Rains which brought almost eight inches of moisture to the southern area of Callahan County, dropped more than two inches in most other sections of the county in the past week.

Baird, Clyde and Putnam all recorded amounts which totaled from two to 2½ inches since Saturday. Cross Plains received 7.88 inches of moisture Saturday through Wednesday.

In this area, most of the rain fell slowly, with only brief heavy showers. Most of the moisture soaked into the soil, keeping runoff fairly low.

Because most of the rain soaked in the ground, many stock tanks in the area caught little or no additional water.

HOSPITAL NEWS...

NOW IN HOSPITAL
The following persons were listed Wednesday as patients by Callahan County Hospital:

Mrs. Gloria Alvarez and baby, Abilene

Charles Franklin Bynum, Cross Plains

Mrs. Annie Batley, Clyde

Mrs. Rosa Watson, Cross Plains

Webb Bruton, Baird

DISMISSALS

The following persons have been dismissed during the past week by Callahan County Hospital:

Melvin Tollett, Baird

Mrs. W. L. Morris, Clyde

Mrs. Mary T. Dennis, Baird

Mrs. Willis Rogers, Clyde

C. O. Strange, Clyde

Johnny Massengill, Cross Plains

Joe Henson, Baird

C. P. Porter, Baird

Danny Cathcart, Baird

P. L. Butler, Putnam

Hugh McDermott, Cross Plains

Putnam to Tackle Mattson Saturday

Putnam High School footballers will visit Mattson High for a game at 8 p. m. Saturday.

Remaining Putnam schedule for the season includes:

Paint Creek at Baird, 7:30 p. m. Oct. 1; Highland at Baird Oct. 15 at 7:30 p. m.; Moran at Cisco at 7:30 p. m. Oct. 24; Gordon at Baird Oct. 29 at 7:30 p. m.; Nov. 6 at Strawn at 7:30 p. m. and Nov. 19 at Carbon at 7:30 p. m.

Blackburn Club Opens New Year

Corinne Blackburn Club opened the new club year with a dinner at Wyatt's Cafeteria in Abilene Sept. 21 at 7:30 p. m., in honor of the president, Mrs. Beatrice Deal.

An arrangement of gold books, each with a title of one of the departments of study, encircled a bouquet of white flowers. Other books down the center of the table led to a white globe representing the world. Place cards were golden candles, signifying the course of study. "Enlighten Your Own Pathway." Menus were inside.

Officers serving for the year with Mrs. Deal are first vice president, Mrs. Lynn Ault; second vice president, Mrs. Juanita Daniels; recording secretary, Mrs. Roland Nichols; corresponding secretary, Mrs. Clyde Latimer; treasurer, Mrs. S. N. Dunlap Sr.; critic, Mrs. Archie Nichols; reporter, Mrs. W. A. Robbins; legislative chairman, Miss Burma Warren; counselor, Mrs. D. C. Cox.

Invocation was given by Miss Burma Warren. Welcome was by Mrs. Viva Peek. Mrs. Deal, president, brought greetings and welcomed Mrs. Gladys Salley to the club as a new member. Mrs. Juanita Daniels presented year books and gave highlights of the year's work. The year book is dedicated to Miss Burma Warren, the club's only charter member still active.

Club members attending were Mmes. Eulala Ault, Eulees Corn, Bethel Cox, Juanita Daniels, Beatrice Deal, Frances Dunlap, Mary Holley, Vera Latimer, Lucibel Manion, Cleora Nichols, Viva Peek, Margie Ray, Estelle Reese, Florice Robbins, Eldena Williams, Gladys Salley and Miss Burma Warren.

Next meeting will be Oct. 5 in the home of Mrs. E. L. Reese.

Revival Meeting Set at Mission

Mission Bautista Ebenezer in Baird will hold revival services Sept. 27 through Oct. 4, part of a statewide evangelistic crusade being sponsored by Texas Baptists this fall.

The Rev. John La Noue, BSU Director at the University of Houston, will be the evangelist for the meeting here.

Joining members of the church in visitation and personal soul winning will be Charles A. Burgess, Abilene, a visiting layman.

Rev. La Noue will preach in English.

Latin American people especially are invited to attend.

The revival meeting here is one of about 400 local church revivals throughout the state Aug. 30 - Oct. 11.

Following the week of local revival meetings, the church here will join with other churches of the area in sponsoring a major-central campaign in Abilene, beginning the evening of October 4th.

Mrs. Felix Mitchell has returned home after spending a week with a sister, Mrs. Elizabeth Ritche in Tulla.

Only two Texas governors, Pendleton Murrah and Beauford Jester, died in office.

SEEK FOURTH STRAIGHT VICTORY

Bears Pointing For Rotan

It will be the end of the non-district road Friday night when the Baird Bears go after their fourth straight victory of the Yellowhammers.

The following week, Baird barges into conference action in Ranger.

Rotan will stack a 1-1 record on the line against Baird's perfect 3-0 mark when the two square off at 8 p. m. Friday. The 'Hammers were idle last week after beating Spur 12-6 the week before, after an opening-game loss.

Wildcat Scheduled for County; Re-Entry Project Being Sought

A wildcat is slated to be drilled four miles west of Clyde in Callahan County.

The venture is Gray Engineering and Lauderdale & Straughan of Abilene No. 1 J. P. Shanks.

Location is 990 feet from the south and 330 feet from the east lines of a 172 acre lease.

It spots 990 feet from the south and 2,310 feet from the west lines of Section 43, BBB&C Survey.

Proposed depth is 3,350 feet with rotary to test the Palo Pinto and Moran Sand.

R. H. Supply Co. of Albany staked No. 8 C. B. Snyder Estate in the regular field 2½ miles northeast of Baird.

Location is on a 164 acre lease being 2,760 feet from the north and 150 feet from the east lines of Section 144, BBB&C Survey.

Proposed depth is 1,000 feet with rotary.

Laco Oil Co. of Abilene filed application for re-enter and deepen a project four miles southeast of Putnam in the Scranton Field.

It is No. 2 W. P. Ledbetter, located on an 80 acre lease. Site is 750 feet east and 3,000 feet south of the northeast corner of Section 21, BOH Survey, but in M. Cherry Survey.

The project was originally drilled as Bennett & Little No. 2 Ledbetter and plugged at 1,726 feet. New proposed depth is 1,775 feet.

John W. Barbee, Abilene, has filed application to drill a 660-foot east offset to a Cross Cut discovery prorate in the Callahan County regular field.

No. 2 Fred Cutbirth, located 10 miles west of Cross Plains, is spotted 1,787 feet from south and 1,127 feet from east lines of Bartola Garcia Survey 204 and a 160-acre lease.

Operator will test the Cross Cut Sand, drilled to 2,250 feet with rotary. The discovery well is the operator's No. 1 Cutbirth.

Lucile H. Horton, trustee, will drill a shallow well in the Callahan County regular field.

Located six miles southwest of Cross Plains, No. 6-A Jessie Klutts is spotted 750 feet from north and 550 feet from west lines of Block 44, Comal CSL Survey 181 and a 169-acre lease.

Operator will test the Amerada Sand, drilling to 500 feet with cable tools.

The starters also made a brief appearance as the second half opened.

Wally Harris led Baird's offensive attack with his two scoring efforts in as many carries, while Eddie Childers had 59 yards, Richard Windham gained 43 and Steve Stanley added 30.

Sharing heavily in the success of that first quarter was the Bear offensive line of Jimmy Collins, Bruce Bell, Bobby Black, Pat McKennon, Kelton Jones and Thomas Robbins.

Carrying the load through almost three quarters of the game were J. D. Faircloth, Dickie Hass, Benny Brame, Kenny Townsend and Richie Crow in the backfield, and Tommy Bear-den, Jimmy Ault, Ronnie Price, Robert Griggs, Bobby Jack Sims, Donald Barron and Lester Hughes.

The Bears lost no time in taking control of the game. Roscoe ran three plans and punted to the Baird 27.

On the first play Wally Harris circled right end, behind an almost-perfect carpet of downfield blocking, legged 73 yards for the touchdown. So devastating was the blocking that Harris was hit only once -- just as he neared the goal.

Richie Crow converted to make it 7-0.

From then on, the Bears could do no wrong while Roscoe could not recover from that initial 73-yard shocker.

Almost before the spectators had settled back into their seats after the first Bear TD, Half-back Eddie Childers slashed off left end on another near-perfect play which was good for 30 yards and a second score.

Quickly Harris came back for a 42-yard run and a touchdown, with Childers keeping pace on a 25-yard pass from Steve Stanley.

Richard Windham wrapped it up just before halftime when he gouged nine yards for the fifth

Bear touchdown. He added the point from conversion to go with the two booted by Crow to make it 33-0.

The starters left the field seconds before the first quarter ended.

Although holding the short end in both weight and experience, Bear reserves out-fought the shocked Plowboys throughout the second quarter to leave it 33-0 at half-time.

Roscoe finally cranked up a scoring drive in the third with Jim Rayborn, the Plowboy quarterback, blasting the last two yards. Larry Holdeman kicked goal.

Charles Shelan scored for Roscoe in the fourth period to make it 33-13. The Plowboys threatened again late in the game, but the Bear regulars returned to the field to blunt the drive only inches from paydirt.

Because of the long scoring runs, Roscoe had 10 first downs to seven for Baird, but the Bears amassed 308 yards rushing and 56 in the air to 185 and 11 for Roscoe.

Three pass interceptions and four lost fumbles by Roscoe contributed heavily to the Baird cause.

Funeral Held For J. W. Jones

Services for J. W. (Jake) Jones, 58, of Abilene, a former Callahan County resident, were at 2:30 p. m. Wednesday in Elliott Funeral Home chapel in Abilene. Burial was in Clyde Cemetery.

Mr. Jones, a Highway Dept. employe for 24 years, died Tuesday in Cox Memorial Hospital in Abilene.

He was born April 22, 1906 in Denton Valley, and moved to Abilene in 1924 from Baird. He married Jewel Appleton in 1925 at Baird.

Surviving are his wife; a son, Bill W. of Nederland; two brothers, Ott of Clyde and Lloyd of Garden City; two sisters, Mrs. Will Allen and Mrs. Gordon Ford of Clyde; and two grandchildren.

Haynie A. Price, Baird Native, Dies Sept. 17

Haynie Archie Price, 59, a native of Baird, died Sept. 17 in Willows, Calif. following a heart attack. Burial was there.

He was born in Baird Sept. 2, 1905, the son of the late Mr. and Mrs. J. R. Price. His grandparents were the late Mr. and Mrs. W. E. Gilliland.

Surviving are a daughter, Mrs. Thaddous Box of Lubbock; four brothers, Mack of Springfield, Ore., Olin of Inglewood, Calif., Bob of Boulevard, Calif., and Richard of Medford, Ore.; a sister, Mrs. Wade Harding of Boulevard, Calif.; and three grandchildren.

Sorority to Conduct Car Wash Saturday

Psi Pi chapter of Beta Sigma Phi will conduct a car wash this Saturday from 8 a. m. to 5 p. m. at Konczak's car wash in Baird. Price will be \$1.50 per auto.

Proceeds from the car wash will go to chapter donations to various charities.

Members will pick up and deliver cars. Anyone wishing their car washed may telephone UL 4-1293 anytime Saturday.

Jr. Wednesday Fetes President

The Junior Wednesday Club held its annual president's dinner at Wyatt's in Abilene Monday, Sept. 21, at 7:30 p. m.

The invocation was given by Mrs. Bill Cason. Mrs. Emil Ringhoffer Jr. president, welcomed members.

Outstanding club members for 1963-64, Mrs. Vernon Townsend, was revealed by Mrs. Glen Elliott.

Mrs. Dick Vestal, chairman of the year book committee, presented year books to members. Theme of the year is "So Much To Learn; So Little Time."

Members attending were Mmes. Cason, Ringhoffer, Elliott, Vestal, Townsend, John Allen, Ray Black, Wilburn Carrico, Frank Crow, Ed Cotton, J. C. Earp, Joe Harris, James Eubanks, Charles Greenway, Stanley Harris, Jimmy Roy Higgins, A. H. Ringhoffer, Charles Walker, Bruce Williams, Mike Young, and Miss Beckye Griggs.

Next meeting will be Oct. 5 in the home of Mrs. John Allen.

COURTHOUSE RECORD

MARRIAGE LICENSES
The following marriage license was issued in Callahan County during the past week:

Joseph Dewey Zubar, Abilene and Odessa Legate, Abilene.

NEW VEHICLES
The following new vehicles were registered in Callahan County during the past week:

James T. Windham, Clyde, Chevrolet pickup

H. D. Covington, Baird, Chevrolet truck-tractor

Jimmy Jenkins, Baird, Volkswagen sedan

Industrial Electric Co., Baird, Ford pickup

R. L. Clinton, Putnam, Ford sedan

Lee Loper, Clyde, Ford pickup

Harry Rackow, Baird, Chevrolet pickup

Mrs. Irene O'Brien Dies in Big Spring

Funeral for Mrs. Irene O'Brien, 85, of Big Spring, mother of Mrs. J. M. Simmons of Clyde, was at 2 p. m. Monday in Big Spring. Burial was in Big Spring City Cemetery.

A native of Alabama, she had lived in Big Spring since 1920. She died Sunday in Big Spring, and was born Nov. 7, 1878.

She is survived by two other daughters, Mrs. Robert E. King of Mamaroneck, N. Y. and Mrs. F. B. Timmons of Big Spring; four sons, Charles of Mexia, Jack, Bledsoe and George of Big Spring; 14 grandchildren and 11 great-grandchildren.

EULA ITEMS

BY MRS. R. G. EDWARDS

Just a few short weeks ago, we were moaning and groaning under the weight of a heat wave and drought. Then all of a sudden Old Mother Nature turned loose what she had been withholding. It rained, and rained. Not much water has gone under the bridge as yet for all of it has fallen slow and easy. Since this time last week this part of the community has had 2.52 inches. The rains have brought much relief, and you would hardly believe that the dry parched fields of a few days ago could make such a quick comeback.

The farmers have been very busy (weather permitting) trying to get some small grain

planted, hoping for some fall and winter grazing. More rain is needed to build up subsoil moisture for lasting effects. More rain is needed to fill surface tanks and reservoirs.

There are not very many patches of cotton in this community any more and what there are, are beginning to open. Reese Miller has the earliest field and I heard last week that a crew had already begun the harvest. The yield is expected to be below normal.

Mrs. H. R. Sullivan visited in Lubbock last week, then went on to Red River, N. M., for a few days rest and vacation.

Mr. and Mrs. L. T. Harris visited Sunday in the home of their daughter and son-in-law Mr. and Mrs. Bill Echols and family of Caddo.

Mr. and Mrs. Cecil Warren of

Pasadena, Calif., Mrs. Nellis Harrison and Mrs. Bernadine Nixon of Big Spring have been visiting in the home of Mr. and Mrs. Erston Harrison.

School has started and according to Mr. Mac Coppinger the final enrollment is 197. Seventy-seven are high school students.

Dena Favor, who attended a seminar sponsored by the Attorney General at Austin, and David Black, who attended one sponsored by the Farm Bureau at Huntsville, were speakers at the Methodist Church Monday night. There were some very good reports from this meeting and we are proud that two of our fine young people had this opportunity. It might be noted, too, that both are available for speaking engagements for any church, civic or community group. Contact can be made

through them or Mr. Mac Coppinger, supt. of schools.

The week of prayer for State Missions and Baptist Latin-American New Life Crusade was observed by the Baptist women last week, with programs every day.

Riding Events Slated For Arena on Sundays

Play night activities, conducted each Saturday during the summer, has been discontinued for the winter months. In their place, various riding contests will be sponsored each Sunday afternoon by the Callahan Riding Club.

Events will begin at 2:30 p.m. each week in the rodeo arena east of Baird. Competition will be open to anyone who wishes to participate.

OPLIN OBSERVATIONS

BY DAPHNE FLOYD

The Oplin vicinity was blessed with a good rain over the week end. I call it good, for approximately 2 inches of rain had fallen by mid-morning Monday.

Mr. and Mrs. Ray Floyd, her brother and wife, Mr. and Mrs. Cotton Barrett and her father, W. S. Barrett, all of Lawn, visited Sunday afternoon with Mr. and Mrs. Roy Heuerman and sons of Ovalo.

Mr. and Mrs. Floyd Summerour of Baird visited last Sunday with her sister and husband Mr. and Mrs. Albert Betcher Jr. Mrs. Summerour also attended

church services at the Baptist Church.

Winifred Scott entered Hendrick Memorial Hospital again last Friday, due to inflammation in his knee, on which he recently had surgery. He was expected to remain in the hospital several days after the first of the week to be sure all the infection had cleared up. The Scotts five year old daughter, Kathi is staying with me in the daytime while Daddy is in the hospital and while mother teaches school at Cross Plains.

Mrs. Ernestine Windham of Lometa visited a few days the latter part of last week with her brother, Lee Straley and Freida.

Clyde 4-H Club Places in Fair

Clyde 4-H Club had the 10th place educational exhibit in agriculture at the West Texas Fair in Abilene.

Theme of the exhibit was Range Management. The exhibit showed a well-managed pasture as opposed to a poorly managed pasture.

The 4-H committee which prepared the educational exhibit included Kay and Irene Faircloth, Jane and Bill Galusha, Betty King, Gary Goin and Murray Edwards. Members were aided by Mr. and Mrs. Roy Goin, and Mr. and Mrs. Ray Faircloth, adult leaders.

Gary Goin showed the 3rd place junior heifer calf in the Angus division of the junior show at the West Texas Fair. The same heifer was 11th in the open Angus show.

Goin, son of Mr. and Mrs. Roy Goin of Rt. 2, Clyde, was awarded a certificate for a registered heifer in the Houston Beef Calf Scramble. He purchased his heifer from P. H. Perry, Angus breeder at Rockdale.

Goin has entered his heifer in the junior Angus show at Dallas.

The origin of knitting is unknown, although it is assumed to have been developed from netting.

During the famine of 1315 one tenth of the inhabitants of Ypres in Belgium died of starvation.

Psi Pi Elects Mrs. Roger Corn

Mrs. Roger Corn was elected Valentine sweetheart of Psi Pi Chapter, Beta Sigma Phi at a regular meeting Sept. 17 in the home of Mrs. Todd Newton.

Mrs. Corn will represent Psi Pi chapter in the international Valentine sweetheart contest, which closes Nov. 1.

Mrs. Dick Vestal, vice president, presided over the business meeting and welcomed Mrs. John Maas as a guest to the meeting.

Mrs. Vestal and Mrs. Jon Hardwick were in charge of the day's program on "Oratory."

Mrs. Vestal listed points of a good oratory, emphasizing good beginning and a good ending, both of which are very close together." Mrs. Vestal also told the importance of good diction and a good speaking voice.

Mrs. Hardwick presented recordings of John F. Kennedy's speeches and a tape recording of the Sept. 3 chapter program, after which she called for comments from all those present as to how they thought the chapter might incorporate the points of good oratory into sorority and club programs.

During the business meeting it was decided to have a car wash this Saturday from 8 a. m. to 5 p. m. at the Konezak Car Wash.

Present other than Mmes. Corn, Vestal, Hardwick, Maas and Newton were Mmes. Robert Barnhill, Norman Fisher, Kenneth McPherson, Bill Skinner and Mrs. Frank Windham, social director of the chapter.

Mr. and Mrs. T. T. Baker of Dallas visited friends in Baird and attended to business matters here last week.

now! the beautiful shapes for '65

'65 Chevrolet Impala Sport Sedan

Chevrolet Impala '65

It's longer, lower, wider—with comforts that'll have many an expensive car wondering why it didn't think of them first. More shoulder room, more leg room up front. Curved side windows, an

instrument panel that's a conversation piece. In fact, just about everything's new right down to the road. And even that'll seem newer because the Jet-smooth ride is smoother than ever.

'65 Chevrolet Malibu Super Sport Coupe

Chevelle Malibu '65

Here's all that made Chevelle America's most popular new-sized car—plus some new surprises. Like those cleaner, bolder lines. Like the silky way its new ride skims over the choppiest roads. Like

V8 power that'll make you think we stole some of Corvette's stuff—which we did. All told, five engines are available from a quieter six to a V8 that comes on 300 horses strong.

'65 Chevy II Nova 4-Door Sedan

Chevy II Nova '65

It may be the expensive-est looking thrift car you've laid eyes on. But thrifty it is. The big difference being that Chevy II's marvelous mechanical efficiency now wears a debonair new look. And

offers a new range of engines, including a new 300-hp V8. You could get the idea that saving you money was the last thing we had in mind—if it weren't for that price sticker on the window.

New top-of-the-line Corvair Corsa Sport Coupe

Corvair Corsa '65

How's this for sport with an international flair! The longer, wider design gives all closed models a hardtop roof, along with more shoulder and entrance room. And to go with the racier look,

there's up to 180 hp available in the new Corsa series, up to 140 hp in the Monza and 500 series. Also a flatter riding independent suspension, more responsive steering and a wider road stance.

See 5 beautiful shapes for '65—Chevrolet, Chevelle, Chevy II, Corvair & Corvette—at your dealer's

TECUMSEH TOPICS

BY LILLIAN CRAWFORD

Well, its good news this time as we had a good rainy spell of weather for several days. We have not had the heavy down-pours such as the places south and east of us, where rainfall was from 4, 12 and 17 inches. In this area, our rainfall was about 2 inches and we do have creek water, and thats something to talk about.

Ira Crawford fertilized a patch for wheat and at the time he drilled the grain in, it sorta' looked doubtful as to whether there would be enough moisture to bring it up or not. He now has a good stand of wheat since the rains fell. It looks now like it might ease a feeding problem this winter.

Irene Crawford, daughter of Mrs. Kae Crawford, was to have entered Hendrick Memorial Hospital yesterday for scheduled throat surgery today (the 22nd). We hope for Irene that all will go well and she will soon be able to be home. Irene has been employed in the District Clerk's office in Abilene, and we feel sure she will be missed during her absence.

Mr. and Mrs. Dale Crawford and children visited Mr. and Mrs. Ira Crawford and Lynda Sunday. Dale never seems to

have time to visit around much but he does think of the people of Oplin and those who have gone on and those who have moved away.

In a way of visiting around Oplin in a quick way, he, Betty Jane and three children took off in the afternoon and climbed up on the mountain with two field glasses. They did this for a little outing with the family and enjoy looking over the country where he lived during his school years.

No doubt in my mind but that many pleasant memories were refreshed, along with some that were not so pleasant, such as the time he was aroused early one Sunday morning in March 1948, by his dad telling him to get up, the house was on fire.

Lynda Crawford was just a little more than a year old at the time, and I was in Callahan County hospital with her as she was sick.

This recalls to my memory also just how I felt when I saw Ira, Dale and Hulon step out of the car and walk toward the hospital. Well I noticed they all looked peculiar some way but I couldn't figure it out, but later learned the story of the fire, then I realized, no wonder after fighting the blaze, trying to save some furniture, bedding and clothes, the peculiar look was partly due to them wearing clothes that I had not seen them wear.

Even after these 16 years, I can still thank my neighbors and friends for bringing in clothes that were useable and well appreciated, along with the cash donations, but most of all I thank God there were no human lives lost in the fire.

I must close as this is already our of reason for a news letter since part of it is somewhat old, but as you have noticed, sometimes I write just as I would talk as if I were in your presence.

Please excuse me, maybe next time I won't get off on memory lane.

Mrs. Jane Beavers of Earth visited last week with her daughter, Mrs. Glen Rockey and Mr. Rockey.

Mr. and Mrs. D. D. West and sons, Don Paul and Steve of Pasadena visited last week with their parents, Mr. and Mrs. Fred Cummings and Mr. and Mrs. Tom West.

FLOOD PREVENTION SITE — Here is the flood prevention structure which also provides water for irrigation to the Chester E. Woody farm. The site was on recent Callahan County tour to view programs financed in the county by Farmers Home Administration.

47 Make Callahan Tour to View FFA-Financed Farm Program

Forty-seven interested business and farmers recently made a visit to two Callahan County farms to observe farm programs financed by Farmers Home Administration.

The first farm visited was that of Mr. and Mrs. Chester E. Woody where Mrs. Woody greeted the group with coffee and cookies.

The Woodys secured a soil & water conservation loan to complete a Great Plains conservation program contract with the Soil Conservation Service. Mr. Woody has had a plan with the Central Colorado Soil Conservation District since 1948.

In 1959 he was granted an easement to the Turkey Creek Conservation District to construct a flood prevention structure on a Turkey Creek tributary running through his farm. After construction of Site 6, Turkey Creek Structure, he revised his plans to convert 45 acres, formerly cropland, to Coastal Bermuda.

In 1964 he was granted a permit to irrigate 67 acres from the flood prevention structure. To complete his plan, Woody has established the 45 acres of Coastal Bermuda grass and applied one application of commercial fertilizer. He will build permanent cross fences to allow him to rotate the pastures.

The Farmers Home Administration made Mr. and Mrs. Woody a loan for the sprinkler irrigation system, sprigging the Coastal Bermuda, fencing, fertilizer, shredder and other operating expenses. The Great Plains conservation program helped him with federal cost shares in establishing Coastal Bermuda and fences. The Woodys will irrigate both coastal and common Bermuda.

The group went on to the farm of Mr. and Mrs. Paul Lut-

zenberger to observe the operation of a Grade A dairy. Lutzenberger gave a demonstration on the pipeline and bulk tank storage, milking two cows for that purpose. His milking herd, replacement heifers and herd bull were on exhibition.

He explained that the trench silo and pasture were below normal due to the dry weather. Mr. Lutzenberger is also a cooperater with the Central Colorado Soil Conservation District.

Cold milk and cookies were served by Mrs. Lutzenberger.

B&PW Holds First Meeting of Club Year

Baird Business and Professional Women's Club met at Wilma's Cafe Sept. 17.

Mrs. Jessie Odom, president, called the meeting to order and minutes were read and approved.

Mrs. Lida Rhoades, District 7 director, was guest speaker and also showed pictures of "The Story of National Federation of Business and Professional Clubs, Inc."

Mrs. Beatrice McElroy, chairman of the club book committee, reported that club books will be ready for the next meeting.

It was voted to give \$5.00 to West Texas Rehabilitation Center. Mrs. Mae Lewis presented Mrs. Corrie Davis with a past president's pin.

Dinner was served to the guest, Mrs. Rhoades of Stamford, and club members Jessie Odom, Mollie Brightwell, Beulah Hickman, Rubye Berry, Margaret Young, Isadore Grimes, Helen Brown, Alma Stephenson, Beatrice McElroy, Mae Lewis, Vada Bennett, Sarah Parks, Floy McMullen and Corrie Davis.

The club adjourned to meet Oct. 15.

ROWDEN ROUNDUP

BY MRS. B. CROW

Mr. and Mrs. Warren Price, Mrs. Gene Mauldin and Mrs. J. D. Cauthen attended the Fair at Abilene Monday afternoon.

Mr. and Mrs. Mike Odom and son of Texas A&M spent Saturday night with his parents, Mr. and Mrs. Blan Odom and Marlian.

Mrs. Ray Boen visited Mrs. Ruby Anderson at Baird Thursday.

Mrs. Sterling Odom, Mrs. N. V. Gibbs and Mrs. Lella Gibbs attended funeral services for Mrs. Ebert at Baird Saturday morning.

Mrs. B. Crow visited Mrs. A. D. Gibson at Baird Friday afternoon.

Mr. and Mrs. Roland Mauldin of Abilene spent Sunday with his parents, Mr. and Mrs. Gene Mauldin.

W. E. Nowell of Abilene visited Mr. and Mrs. B. Crow Friday morning.

Judy Gibbs attended the Youth Rally at Cottonwood Monday night of last week.

Mrs. Bill Lawrence is at home from the hospital. We hope she will continue to improve and be up and about soon.

Mrs. B. Crow visited Mrs. Mattie Gibbs Monday morning.

Mrs. Geo. B. Scott spent Monday with Mrs. Lella Gibbs.

Mr. and Mrs. Willie Masters, Melinda and Charlotte of Snyder spent Saturday night with her parents, Mr. and Mrs. Gene Mauldin.

Mr. and Mrs. Dale Gibbs, Gary and Roger had supper with her parents, Mr. and Mrs. B. Crow Saturday night. They had spent the day at Lake Brownwood.

Mrs. Lella Gibbs and Mrs. N. V. Gibbs visited Mr. and Mrs. Walter Rose at Cross Plains Monday night.

ADMIRAL NEWS

By Ann Smith

Mr. and Mrs. Bill Skinner visited Mr. and Mrs. Jimmy Cauthen and family Wednesday night.

Robin Killpatrick of Ballinger came last Sunday and has been staying with her grandparents, Mr. and Mrs. Joe Jones.

Seems like everyone is trying to get sick at once. Last Wednesday Mr. C. P. Porter was taken to the hospital, but got to come home again Saturday morning, which was good news. But later that morning I was told Rob Walker had a heart attack and was in an Abilene hospital. We wish for both a speedy recovery and to be up and going again soon.

Mr. and Mrs. Gene Black visited Mr. and Mrs. Jimmy Cauthen and family Saturday night. Mr. and Mrs. Joe Jones went to Ballinger Sunday and then on to San Angelo to see their daughter, Mrs. Everett Killpatrick, who was in the hospital there. I understand she is to come home Wednesday.

Bro. Bob Bedwell and family of Brownwood visited in the home of Mr. and Mrs. James Walker and family. Bro. Bob preached here Sunday morning and evening.

Mr. and Mrs. Warren Price visited with Mr. and Mrs. J. D. Cauthen Friday night.

Well, we are getting some more of that good needed rain. It is falling slow again this morning which doesn't put much water in our stock tanks but we are thankful for it anyway.

Methyl cyanide is found in the blood of smokers, but is absent from that of non-smokers.

Emperor Hadrian of Rome passed laws in 125 A. D. regulating the supply of hot bath water for miners and making the baths available to the women while the men were working underground.

Doris Jean Kniffen Is Married To Thomas M. Searcy at Clyde

Doris Jean Kniffen became the bride of Thomas Muriel Searcy Friday in marriage rites read in the home of the bride's parents.

Parents of the couple are Mr. and Mrs. Eugene Kniffen of Rt. 2, Clyde, and Mrs. and Mrs. J. T. Searcy of Rt. 1, Clyde.

The Rev. Harold Watson, pastor of the First Baptist Church, read the double ring ceremony.

Attendants were Lanelle Pettiet, maid of honor, and Kenneth McKelvaln of Abilene, best man.

The bride's gown of sculptured brocade was fashioned with scoop neckline, long sleeves and bell skirt. A bow with streamers accented back waistline. Her butterfly veil of illusion was caught to a cabbage rose. She carried gardenias on a Bible.

Miss Pettiet wore a pink satin dress designed with bateau neckline, fitted bodice and flared skirt. Her headdress was similar to that worn by the bride.

Following the reception the couple left for a trip to Carlsbad, N. M. After Sept. 21, they

will be at home in Clyde.

The bride is a graduate of Clyde High School and attends an Abilene business college.

The bridegroom attended school at Cross Plains.

John T. MaGee Rites Thursday

Funeral for John Thomas MaGee 71, former Callahan County resident, was at 10 a. m. Thursday in First Baptist Church of Clyde, with the Rev. Harold Watson, pastor, officiating.

Burial was in Clyde Cemetery under direction of Bailey Funeral Home.

Mr. MaGee died in Eva, Okla. Sunday, following a heart attack. A service was held there Tuesday.

A resident of Eva the past six years, Mr. MaGee was born in

The Baird Star, Baird, Callahan County, Texas, September 25, 1964

Blackfoot, May 14, 1893. He married Dora Mae Watson in Raton, N. M. June 10, 1933. He farmed in Oklahoma, New Mexico and Callahan County.

Surviving in addition to his wife, are a brother, Jess of Aspermont; and a sister, Mrs. Mary Pottel of Abilene.

Pallbearers were Jack, Walton and Cotton May of Lawn, Ernest Klepper, J. B. Paylor and Bernard Dugan of Clyde.

Sharon Ann Steen, Gilford Rice to Wed

Sharon Ann Steen and Gilford M. Rice Jr. will be married Nov. 28 in Clyde Methodist Church.

Parents of the couple are Mr. and Mrs. Harry Steen and Mr. and Mrs. Gilford M. Rice Sr.

Most of the mainland coast of Texas is separated from the Gulf of Mexico by a chain of long, narrow barrier islands.

Mr. and Mrs. J. T. Warren

Warrens Mark 50th Anniversary

Mr. and Mrs. J. T. Warren of Baird will observe their 50th wedding anniversary Sunday with an open house at their home, 412 Walnut. Friends are invited to call between 2 and 5 p. m.

Hosts will be their children, Mr. and Mrs. Howard Warford of Sacramento, Calif., and Mr. and Mrs. Joe Warren Jr. of Ft. Worth.

The Warrens were married in Oplin Sept. 27, 1914 and have lived in Callahan County since that time with the exception of about 18 months while Mr. Warren worked for the Rock Island Railroad in Oklahoma.

They have lived in Baird for more than 20 years.

Mr. Warren, who is semi-retired, also worked for the Texas and Pacific Railway for a number of years, and farmed for a time.

Grandchildren of the couple are Mrs. Jerry Cargill of California, and Cynthia Ruth and Jo Anne Warren of Fort Worth. They are members of First Baptist Church of Baird.

Lt., Mrs. Patterson Living in Scotland

Lt. (jg.) and Mrs. Larry T. Patterson were married in Prestwick, Scotland, and are now living in Troon, Scotland. Lt. Patterson is officer in charge of Prestwick Courier Transfer Station.

He is the son of Mr. and Mrs. L. G. Patterson of Kermit, former Clyde residents. The bride is the daughter of Mrs. Mary Nell Smith of Dallas.

Highlights and Sidelights

AUSTIN — Speaking before more than 300 county and district attorneys, sheriffs and judges at a Law Enforcement Conference here, Atty. Gen. Waggoner Carr proposed the following 8-point program:

1. Expand training and education of law enforcement officials;
2. Provide more officers and pay them better;
3. Teach personal knowledge of confinement to juvenile offenders;
4. Teach and gain increased parental responsibility;
5. Make parents financially responsible for damage done by juveniles;
6. Place responsibility on juveniles themselves through such programs as the Texas Youth Conference;
7. Continue and improve the annual Attorney General's Law Enforcement Conference; and
8. Step up local community "crime drives."

SHELL GAME — State Senator William Patman of Ganado and Rep. Paul Haring of Goliad have entered strong protests with the State Parks and Wildlife Commission, on behalf of their constituency, opposing an application by Heldenfels Brothers of Corpus Christi to dredge for oyster shell in Copano Bay.

According to Haring, Heldenfels Brothers want to use the shell to build a road by Copano Bay. But the State Highway Department would readily accept the use of lime instead. Protestors insist that dredging in the bay would kill off live oysters reefs and destroy fishing, sporting and tourist attractions in the area.

A-G OPINIONS — Attorney General Carr has ruled that Rep. H. G. Wells of Tulla, who represents Briscoe, Hale, Swisher and Floyd Counties, should get legislative pay through his term even though he now is attorney for the High Plains Underground Water Conservation District No. 1. Wells is not running for re-election.

Carr also held that professional roller derby contests are not taxable under the Admissions Tax Laws of Texas; and that "concrete containers" to be used as burial vaults, in garden-type cemeteries to keep graves from settling, are funeral merchandise under state law and are not exempt as crypts or mausoleums.

APPOINTMENTS — Gov. John Connally has appointed George Dowlen of Canyon as Criminal District Attorney of Randall County. He succeeds the late Truett G. Hull, Jr.

Connally also picked Paul N. Howell of San Antonio to succeed E. E. Voigt on the San Antonio River Authority Board. Howell, an oil man, also is a director of the San Antonio Carter said no written protests

PALMETTO DAM PROJECT —Edna and Ganado area people packed a Water Commission hearing room when Bureau of Reclamation representatives and the Jackson County Flood Control District took up consideration of the proposed Palmetto Bend Dam project.

Most of those attending the hearing favored construction of the 15-mile dam which would cost \$48,150,000 to build. However, Commission Chairman Joe Carter said no written protests had been received.

Harry Burleigh, area planning engineer of the Bureau of Reclamation, outlined the two-part project. It will begin with construction of a dam across Navidad River to form a reservoir with a capacity of 192,000 acre feet and a conservation level of 44 feet.

Part two of the plan would extend the dam across nearby Post Oak Branch and Lavaca River.

IN CLYDE

Today is '65 Pontiac Day.

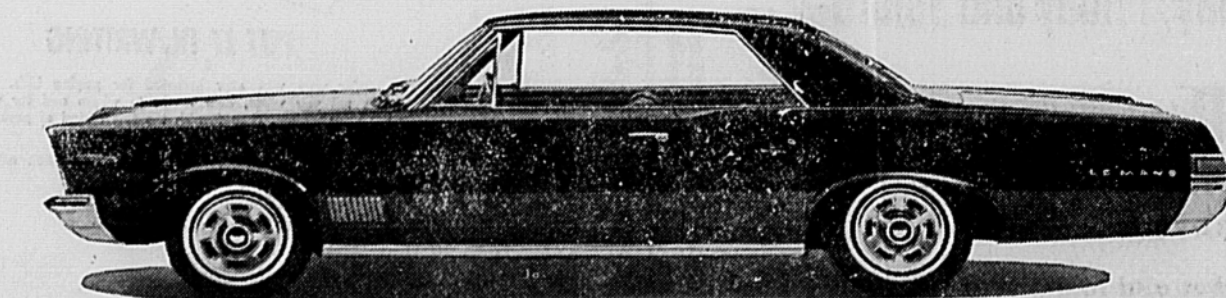

1965: The year of the Quick Wide-Tracks

What do we mean by "quick"? Just this: A new-all-over Pontiac offering a new Turbo Hydra-Matic — the silkiest, swiftest-shifting automatic transmission you ever touched a toe to; eager new Trophy V-8 power; new steering agility; a surer-footed Wide-Track ride. And a new Pontiac Tempest that's become even more of a Pontiac with new style, new length and Pontiac-quick reflexes to match. You never knew cars could be so beautiful, and so keenly alert to your touch. This is your year to drive a Wide-Track—quick!

'65 Pontiac Pontiac How does the success car outdo itself for 1965? Beautifully, just beautifully. But this Pontiac has no intention of getting by on looks alone, though it could. So there's new quickness, Pontiac style. A new nimbleness. New fuel savings. A smooth, easy new ride. Drive a '65 Pontiac and see how one success leads to another.

'65 Pontiac Tempest Tempest's even more of a Pontiac now, and what more could a car be than that! The '65 Tempest looks like a Pontiac, as you can see. Rides like a Pontiac on Wide-Track. Goes like a Pontiac, too: a 140-hp six is standard. Or you can get a quick V-8, up to 285 hp. You'll wonder how we can keep the price so low on so much car.

CARD OF THANKS

Members of the Baird Elementary School M.F.T. wish to express thanks to Mrs. Ruth Elliott and other officers who served and worked so hard to make our project a success.

A special thanks to Glen Elliott, who furnished his equipment to build the walk-way from the school to the cafeteria. This special thanks is also extended to the following men who worked with him to make the walkway possible - Bill Cason, Alton Payne, Jerry Loper, Charles Greenway, Ervin Bates, Winn Talley, Joe Harris, Jack Corn, Charles Reeves, Bruce Williams, Jim Charlesworth, James Snyder and the City of Baird.

If you have not seen the fine job these men have done, make a special trip by the school. Baird Elementary M.F.T.

Math Workshop Draws 22 First Day

A total of 22 persons attended the first session of a workshop on new concepts in teaching mathematics Monday at Clyde Public Schools. The workshop will meet each Monday at 4 p.m. for 12 weeks.

All sessions are open to interested teachers or parents. There is no charge.

Shower Honors Ann Barton

Ann Barton was honored with a kitchen shower in the home of Mrs. Jack Sims on Sept. 14.

The dining table was decorated in fall colors. The centerpiece was in the bride's colors of gold and yellow.

Refreshments of Cokes, cheese sandwiches and brownies were served.

Hostesses for the party were Cheryl Sims, Jenece Tucker, Vicki Odom, Janet Ross and Sarah Berry.

About 14 guests were present.

MRS. DON MAYFIELD BURNS
... former Thekla Ann Barton

Thekla Ann Barton, Don M. Burns Married in Baird Church Rites

Thekla Ann Barton of Baird and Don Mayfield Burns of Clyde were married in double ring ceremonies Saturday night at the First Methodist Church in Baird.

The Rev. Charles Lutrick of Floydada's First Methodist Church officiated.

The bride is the daughter of Mr. and Mrs. Tom Barton. Burns is the son of Mrs. Fred Burns and the late Mr. Burns.

Mrs. J. B. Paylor was organist and Mrs. Richard E. Mitchell was soloist.

The bride was given in marriage by her father. The attendants were Mrs. Cheryl Vines, matron of honor, Janet Ross and Mrs. Bill Berry, bridesmaids. Cathy Dyer was flower girl and Boyd Burns ring bearer.

Bill Murray of Abilene was best man. Groomsmen were Paul Burns Jr. and Bobby Lynn Huckabee, both of Clyde.

Tommy Barton, Johnny Paylor of Clyde and Bill Berry seated guests.

Bodice and long sleeves of the bride's gown were of chantilly lace. Mock pearls accented neckline, bodice and garlands of lace applied on front of de-lustered satin skirt with chapel train. Pearl motifs centered lace medallions on the pillbox hat holding her butterfly veil.

She carried pale yellow rosebuds on a white Bible.

Attendants' dress of gold velvet had scoop neckline and bell skirt. Cabbage roses of matching fabric held butterfly veils. Each attendant carried a long-stemmed yellow rose.

Reception was at Fellowship Hall.

The couple will reside at Roanok where the bridegroom is employed by California Pools, Inc. of Dallas.

The bride is a graduate of Baird High School and attend-

ed Texas Christian University. The bridegroom is a Clyde High School graduate.

Air Cleaner Is Essential to Tractor Life

A late-model tractor can be expected to run 3,000 hours or more under dusty conditions and under full load if the air cleaner is clean and kept in proper working order.

County Agent Pat Garner points out that the same tractor without a proper air cleaner, or with one operating improperly, can be ruined in 15 hours of operation.

An air cleaner functioning properly, he says, is about 99 per cent efficient in removing the most harmful, larger particles of dirt and dust.

Cleaners should be properly and frequently serviced, and owner-manuals tell how to do this. For instance, points out Garner, cleaners should be inspected daily and proper weight oil used, and kept at the correct level. Change oil when the dirt deposit in the cup builds in the cleaner up to a quarter inch, and keep fittings and hoses airtight and in good condition, advises the county agent. Clean the cleaner body carefully once a year.

If operating in a dusty area, the air intake pipe location on the tractor may need changing. It should be 6 to 8 feet above the ground, or out of the dust cloud for most efficient operation, explains Garner.

First convent in Texas, the Ursuline Academy, was established in Galveston in 1847.

BEAR TALES

By MARY CORN

Last week Baird's school students had their pictures taken for the 1964-65 Headlight, the yearbook put out each year by the high school seniors. Everyone had been looking forward to this event and now is anxious to see how the pictures came out.

Tuesday, the junior class began its annual sale of magazines. Chosen captains of the selling teams were Larry Towler and Dana Corn. These people and their helpers will be around Baird with subscriptions for residents to obtain.

Help these kids with their job by buying a subscription if at all possible. Profits from the sales will be used for the class's junior-senior banquet, and for the senior trip and other expenses next year.

The Spanish Club of Baird High School had its first meeting early in the week. Eighty-four students have entered the club for the 1964-65 school year. This number is above that of last year. Requirements for entrance into the club are that you have to have had one year of Spanish or have begun your first year.

Election of officers was the main agenda of the meeting. Chosen as president was Tally Windham, with Bruce Bell as vice president; Dana Corn, secretary; Stephanie Lafon, treasurer; and Mack Sutphen as reporter.

Many activities are carried on by members of the Spanish club. Skits, special programs and films are presented by the students, with the assistance of Mrs. Nichols, the Spanish teacher at BHS.

Well, Baird High's football boys have done it again! Friday night they played an outstanding game against the Roscoe Plowboys winning over them with a high margin of 33-13.

Although the Bears were most assuredly picked to win, no one expected the game to be quite such a steal for them. However, proving themselves victors once again, the team mowed down their opponent, letting them score a near minimum of points.

Wally Harris, a halfback on the football team, gave the Bears two touchdowns, both of them displaying fine skill. Eddie Childers, also a halfback, came through with two more touchdowns to match Harris, and Tally Windham, a fullback, rammed the opposing team with a long yardage touchdown. Superb blocking by the Bear line enabled these boys to go through for the scoring.

Just a reminder to all of you that the FFA boys are putting on a special program Saturday, Oct. 3 at 7:30 p. m. in the high school auditorium.

Pat Saddler, Billy Bollinger, Bill Moore, Lloyd Ray Hughes, Billy Seelig, Hal Miller, and B. P. Stephenson will present to the audience all different kinds of music, all the way from hillbilly to modern jazz.

This is going to be a very entertaining program, so be sure to be there and see these boys in action. Admission will be \$1 for adults and 50c for students.

The word "porphyry" originally meant "purple stone" and was applied to stone from Egyptian quarries mined for use of the Roman Emperors.

First and Second Grades

Several in our class went to the ball game at Novice Friday night - Sheri Price, Brenda Chapman, Roger Reynolds and Ginger Mills.

Terry Myers spent part of the week end having fun with his pony, Brady.

Ginger Mills had her grandmother from Quanah as guest over the week end. They went to Cisco shopping.

Zoie Lyn Wagley and his brother Jimmy went dove hunting Saturday.

Raymond and Betty Threet went to Cisco Saturday with their sister, Syble.

Laura Branch spent Saturday shopping in Abilene with her mother.

Jerry Nettles spent the week end in Baird with Aaron Tollett.

David Isenhower told our class that they had two little lambs.

Danny Henry had guests this

week end, Marvin and Sue Henry.

Evelyn Wagley told our class about a little dove they found that had a crippled wing. She is caring for it.

Sheri Price had fun at the Fair with Ida Mae and Buddy Waddell. It rained but they went right through it to see many things at the Fair.

Kathy Hurley went to Baird shopping with her grandmother Roggenstein.

Third and Fourth Grades

Several from our class went to the West Texas Fair at Abilene last week, including La Fonda Knott, Carolyn Cudwell, Tana Price, Larry Chapman, Tim Ferguson, Kenneth Chapman and Buddy Waddell. Everyone had a fine time, even though they were a little sleepy the next day.

Jerry Foster enjoyed a fox hunt Saturday with his father and brother.

Cindy Feely had guests over the week end, the Norman family.

Larry Bible's sister from Dallas visited his family Saturday and Sunday.

Carolyn Cuiwell's Aunt Mary visited her during the week end.

Cheryl and Michael Branch started to Dallas to see their grandparents, but had car trouble and didn't make it this time.

Linda and Brenda Nettles spent the week end in Baird with their grandparents, the Floyds, and a friend, Cynthia Tollett.

Larry and Kenneth Chapman, Buddy Waddell, Tim Ferguson, Cindy Feely and Anna Price all attended the ball game at Novice last Saturday. Though we didn't win, it was a good game anyway. Let's all go cheer the Panthers on to victory Saturday night at Mattson.

Marsha and Rhonda Knott, Bonnie Nettles and Mrs. Verda Brown attended the FTA Section of District VII, TSTA meeting in Haskell, Saturday.

Mrs. Verda Brown showed three paintings in an art exhibit at Seminary South Shopping Center, Fort Worth, Sept. 17-20.

Mr. and Mrs. Macie Hyatt of Cisco and Mrs. Verda Brown went to Fort Worth Sunday to get the 20 paintings entered by the Cisco Art Club.

Mr. and Mrs. Henry Fry of Cisco were Sunday visitors with Mr. and Mrs. John Petty. Cary and Dennis Petty of Brownwood spent the week end with their grandparents, Mr. and Mrs. John Petty.

Mr. and Mrs. Clint Blakely of Eula, Mrs. Bruce Kerley and son Mike of Snyder were Sunday visitors with Mr. and Mrs. R. B. Taylor.

Mrs. S. M. Eubank attended the funeral of Mrs. Pearl Ebert in Baird Saturday.

Jerilyn Pruet of Clyde spent the week end with her grandparents, Mr. and Mrs. H. A. Pruet.

Mrs. Nell Moore of Cisco spent Monday with Eva Moore. Mrs. Beauford Allen of Merkel came down Tuesday and she and Eva

went to Houston where Eva will go through the Anderson Clinic.

Area Masons Set Putnam Meeting

Officers and members of six Masonic Lodges in this area have been invited to attend a workshop at 7:30 p. m. Oct. 10, at the Masonic Hall in Putnam. Albany, Baird, Cross Plains, Moran, Clyde and Putnam lodges are invited.

The workshop is being held to enable Masons to study common problems of Masonic Lodges and their operations. It will be conducted by L. T. Harris, a Clyde rancher and chairman of the Masonic Workshop Area covering eight nearby counties.

The workshop is part of a statewide semi-annual program for the quarter-million members of nearly 1,000 Texas Masonic Lodges. It has been authorized by John R. Collard Jr. of Spearman, Grand Master of Masons in Texas. He urged all officers and members of the invited Lodges to attend and said other Masons are also welcome.

Chemical tests in present use are sensitive enough to detect one part in a billion of certain drugs.

NEW FORD — Here is the 1965 Ford Galaxie 500 LTD, one reason why Ford Division calls its 1965 models the most changed in the division's 15-year history. Five separate roof lines are offered with interior and exterior trim features to give distinction to 17 different models. The complete line of 1965 Fords goes on display this Friday.

Ford to Unveil 'Most-Changed' New Models for '65 on Friday

The most-changed Ford in the 15-year history of Ford Division will debut in Ford dealer showrooms Friday Sept. 25.

"All 17 models in the 1965 Ford lineup -- including a new luxurious 'LTD' series -- are literally new from tires to roof and from bumper to bumper," said Lee A. Iacocca, Ford Motor Co. vice president and Ford Division general manager.

Vertical-mounted dual headlights and modernistic, hexagonal-shaped taillights accent the crisp look of the new Ford. Side styling features straight-through lines emphasized by a sharp, full-length fender line from front to rear.

An ultra-modern six cylinder engine rated at 150 horsepower -- lighter, more powerful, more economical and smoother-running than any other six cylinder engine previously offered in the Ford line -- heads a list of additional owner-benefits which include such items as the industry's first center-facing dual

rear seats in 1965 Ford station wagons. Replacing the conventional third "jump seat," this new design affords comfortable seating for four children in the rear of the wagon.

Some of the many other features are curved side glass for increased shoulder room; a 13 per cent reduction in the floor-tunnel for greater passenger comfort; a recessed instrument panel with several additional inches of "living room spaciousness" in the passenger compart-

ment, and a deeper trunk capable of holding two-sulter cases in an upright position.

All 1965 Ford models have been completely restyled. Five separate roof lines and different series ornamentation gives new and more complete distinction between the models.

Vertical-mounted dual headlights highlight the front with a grille that features thin horizontal bars. The turn signal-parking lights are concealed behind the grille and are visible only when illuminated.

Five new and distinctive roof-lines have been developed for two and four door hardtops, sedans, convertibles and station wagons.

The 1965 Ford features new, low-profile tires designed for better traction and handling as well as longer tire life and better brake performance -- all at no increase in vehicle height.

The Ford Galaxie 500 LTD series -- a completely new line of super-luxury two and four door hardtop Fords for 1965 -- features interior fabrics comparable in value to those in America's most expensive cars. Simulated wood paneling is used in the instrument panel and in door trim to produce a true luxury-car decor.

Sharing features common to all 1965 Fords, the new Ford Ranch Wagon, Ford Country Sedan and Ford Country Squire offer several new station wagon design ideas for 1965. All Ford wagons feature a unique rear window air deflectors. Styled into the rear body pillar, the deflectors direct a curtain of air across the rear window surface to reduce accumulation of dust, water or snow.

Unique, center-facing dual rear seats available on Ford Country Sedan and Ford Country Squire wagons offer comfortable seating for up to four children. With one seat folded, a "table and chair" arrangement ideal for youngsters' games on trips is provided. With rear and center seats folded, a four by eight foot sheet of plywood may be placed flat on the load floor with the tailgate closed.

'Rust Resistant Triumph' Called Violation of Federal Seed Act

Callahan County wheat growers were reminded this week that use of the variety name "Rust Resistant Triumph" in labeling wheat seed shipped or sold in interstate commerce is considered a violation of the Federal Seed Act.

County Agent Pat Garner said the U. S. Department of Agriculture has found the variety to be non-resistant to leaf rust.

The act, explained Garner, is administered by USDA's Agricultural Marketing Service with cooperation from the states and specifies that variety names of agricultural seeds shall not be false or misleading.

The Oklahoma Agricultural Experiment Station requested changing the name of the variety to "Triumph 64" and it has

been approved by AMS as being in compliance with Federal Seed Act requirements, the county agent said.

Use of the new name will prevent farmers from being misled into thinking the variety is rust resistant, Garner said. The change will also clarify future labeling as to the variety of wheat produced from the foundation seed now being released from the Experiment Station, AMS seed officials told Garner.

At least 14 Texas streams are known as Salt Creek.

If you see lightning, stop worrying, it has missed you.

Brownsville, Texas, is closer to Panama than to New York.

"Am I glad I found out in time that an independent agent makes The Big Difference in insurance!"

"Suppose I'd bought home insurance directly from some companies!

"Consider this: My independent agent checked with me regularly to make certain my insurance kept up with today's replacement values. If he hadn't, I'd be several thousand dollars poorer today.

"And consider this: I got paid promptly! If there was any fussing or quibbling with

the insurance company, I didn't know it. He took care of everything.

"Most important, because I had an independent agent I had no worries about insurance at all...no worries about losing big money."

We are independent insurance agents. Let us explain how The Big Difference in insurance—our continuing, personal attention—can help you.
