BAIRD, CALLAHAN COUNTY, TEXAS, FRIDAY, JANUARY 8, 1965

BY NORMAN FISHER

THERE ISN'T MUCH TIME 'ft for football fans to purnase tickets for Saturday night's banquet honoring the 1964 Baird Bears. Tickets will remain on sale until noon Sat-

But keep in mind tickets will not be available at the door. Everyone wishing to attend must buy a ticket by noon Saturday.

The decision not to have tickets at the door was made because an exact count on attendance is required by the caterer. It can get pretty expensive paying for meals not eaten.

So if you plan to be on hand to honor the Bears, get those tickets before noon Saturday.

HOW MANY NEW YEARS resolutions have you already broken?

We have a perfect record this year, for a change. We made only one resolution -- we resolved not to make any more resolutions. And so far we have stout-heartedly stuck to it.

If all the broken resolutions were laid end to end, there would be no more cold weather With all that hot air turned loose, the temperature would never go below 70 degrees again.

WITH ALL THE emphasis on higher education these days, most of our colleges have been growing rapidly. And some have made a pitch toward developing the status enjoyed by the Ivy League schools.

We heard about a notice posted on the bulletin board of such a school.

"At this college," the notice said, "it is traditional for all freshmen to remove their hats while crossing the quadrangle. This tradition goes into effect Monday morning."

FOR MANY YEARS mention of the word orgy has immediately brought to our minds the Roman emporers. But on reflection, it must also apply to many Americans.

We can't think of a better word to describe the widespread habit of grouping around the tv all day Jan. 1 to watch football games. If 8 or 10 straight hours of football-watching isn't an orgy, what is?

A FORMER BAIRD coach, Hiram R. Jefferies, is the subject of a feature article in the Dec. 24 edition of the Paducah Post. He has been superintendent of schools at Paducah for the past year.

He went to Paducah as high school principal in 1963 and was made superintendent the next

Jefferies was a member of the Baird faculty seven years, and is married to the former Rose-

mary Spencer of Baird. The story about the former Baird man is in a section of the newspaper prepared by students of Paducah High School.

The administration headed President Johnson emphasizes the forward look. In fact, since the days of President Roosevelt's 'New Deal," all Administrations have sloganized their programs for the future in inspiring terms -- New Deal, Fair Deal, The Team for Peace and Prosperity, The New Frontier, and now The Great Society. George Washington said that unless there was a vision a Nation perishes. So there must be the forward look to meet the rapidly changing
