PRIZE STEER SHOWN BY S. D. GLOVER.

The annual 4-H Fat Calf Show held at Munday last Saturday was a huge success in every detail.

The Chamber of Commerce and business men of Munday served a chuck wagon dinner to over 200 visitors, exhibitors and members of the different livestock judging teams from Haskell, Foard, Knox and Baylor counties.

The high point of the show was the selection of the Grand Champion steer which was owned and fed by Stanley D. Glover and bred by the League Ranch. This steer was of extra quality and finish and weighed 990 pounds. Mr. Scofield, the judge of the show and other visitors thought this steer would come close to a Grand Championship at Wichita Falls on March 9.

The Reserve Championship award was won by Carrol Fred Glover, with a calf that weighed 950 pounds, and was also bred by the League-Davis ranch of Benjamin.

The Blue Ribbon calf of the junior division was fed by Fred Lewis Crenshaw, Benjamin, and bred by the McFaddin ranch of Benjamin. This calf was of extra type and quality and weighed 760 pounds. Other boys who exhibited their calves and are deserving of honorable mention are: John Charles McFerrin, Benjamin; Hardy Richards, Vera; Jerrel Trainham, Vera; Billy Richards, Vera; Leroy Davis, Vera; Tommie Montandon, Knox City; Sam Bruton, Benjamin; Jerry Westbrook, Truscott.

Ten livestock judging teams of FFA and 4-H Club members were entered in the judging contest. The 4-H Club boys of Baylor County and the FFA boys of Munday tied for first place with a total of 510 points out of a possible 600 points. The Knox County 4-H Club boys and the Haskell FFA team tied for second place with a total of 450 points. Paint Creek FFA, Foard County 4-H and Rochester FFA tied for third place with a total of 435 points.

First place honors in judging of the service clubs was won by the Hoof and Horn Club of Munday. The team members were C. R. Elliott, C. P. Baker and W. R. Moore. Second place honors went to the Knox City Lions Club. The team members were O. L. Jamison, Guy Steen and Hugh Rogers.

First place honors of the candidate team was won by N. S. Kilgore, with second place going to Charlie Warren and third place to Walter Snody.

Army Advises How To Secure Used Trucks

How to proceed in spot negotiation purchase of trucks which the Army considers uneconomical to repair for its own use is explained by John C. Massenburg, regional director of the Office of Defense Transportation.

The prospective buyer first must obtain from an ODT district office nearest the point of sale a letter indicating a Certificate of Necessity will be issued for the vehicle.

The prospective buyer may use the letter as a permit to view the vehicles to be sold. If one is selected, he will complete the deal through the ODT. Trucks will be sold at Camp Howze, Gainesville, Texas; Camp Wallace, Hitchcock, Texas; Fort Sam Houston, San Antonio, Texas; Fort Bliss, El Paso, Texas; Camp Swift, Bastrop, Texas; Camp Hood, Killeen, Texas; Fort Sill, Lawton, Oklahoma.

Local Orchestra Plays At Munday Banquet

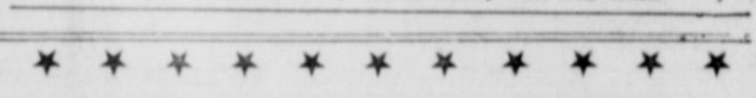

Otice Green and his orchestra were in Munday last Thursday night to play for the Vernon District FFA banquet.

The banquet was held in the school gymnasium and was well attended by FFA members from over this district of the state. Senator Moffett of Chillicothe and Rep. Callaway of Crowell were the principal speakers.

Members of the local orchestra attending the banquet were: Otice Green, director, cornet; Henry L. White, snare drum; Jimmy Craft, bass drum; Donald Caussey, clarinet; Paul Green, piano and trombone; Sam Clonts, trumpet.

This year, with service flags in windows of nearly every home, Red Cross will mean so much more to Americans. As depicted in this reproduction of a 1944 Red Cross War Fund poster, many windows also will display the symbol of participation in the cause of Mercy and Humanity—the Red Cross.

A Proclamation By The President

In response to the appeal of the National Red Cross, the people of the Nation are rising to meet the needs. These needs are set before us at least in part by the following Proclamation by the President of the United States.

WHEREAS the war has entered a decisive stage requiring the fullest measure of individual sacrifice;

WHEREAS the American National Red Cross is an auxiliary to the United States armed forces and, as such, is providing indispensable service to our troops throughout the world as well as to their families at home;

WHEREAS these war time activities, including the collection of life-saving blood for the wounded, recreation work in military hospitals, provision of aid to families of service men, shipment of food parcels to war prisoners, production of surgical dressings, operation of war seas clubs and recreation centers, and recruitment of army and navy nurses, all combine to save countless lives, restore hope, and provide comfort for our fighting men;

WHEREAS through its vast network of local chapters, this agency of our people simultaneously conducts an extensive program of training and community service, while continuing with traditional efficiency to lessen the distress of those overwhelmed by disaster; and

WHEREAS this agency is wholly dependent upon individual support and personal participation and is issuing its 1944 appeal to the entire citizenship for a minimum war fund of \$200,000,000;

NOW, THEREFORE, I, FRANKLIN D. ROOSEVELT, President of the United States of America and President of the American Red Cross, do hereby designate the month beginning March 1, 1944 as "Red Cross Month" and earnestly beseech my fellow Americans to observe it by opening their hearts to this humanitarian appeal in order that we may keep the Red Cross at the side of our fighting men and their dependents in their hour of greatest need

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States of America to be affixed.

Done at the City of Washington, this 19th day of February, in the year of our Lord, nineteen hundred and forty-four, and of the Independence of the United States of America the one hundred and sixty-eighth.

By the President: Cordell Hull, Secretary of State Franklin D. Roosevelt.

Women's Society Honors Mrs. Evans

The Women's Society of Christian Service met in a social hour Monday in the home of Mrs. J. A. Wilson, honoring Mrs. W. F. Evans on her birthday. As the guests entered they signed the guest book in the form of a birthday wish for Mrs. Evans. Mrs. Lee Smith was in charge of the entertainment of patriotic games about George Washington.

At the close of the afternoon lovely gifts were presented Mrs. Evans. Refreshments of sandwiches, pickles, cake and coffee were served to twenty-seven guests. The centerpiece was an unusually beautiful arrangement of cydonias and snap dragons.

Two In Hospital As Result of Collision

Mr. and Mrs. W. A. Smith of Munday are confined to the Knox County hospital with undetermined injuries as the result of a two-car accident on the Benjamin-Knox City highway last Saturday night.

Other occupants of the Smith's car were his daughter-in-law, Mrs. Chas. Smith of O'Brien and Mrs. F. L. Lusk, his daughter-in-law. They received only minor injuries and were released after first-aid treatment.

At this time the occupants of the second car involved have not been learned but it was established that none of them were injured.

The accident occurred in front of the Stubb's home. Glaring headlights were believed to have been the cause.

Judge Callaway Has Splendid Record As State Representative

Rep. Claude Callaway, now serving his first term as State Representative of this district, was a caller at the Herald office this week and made his announcement for a second term as Representative of the 114th District, composed of Hardeman, Foard, King and Knox counties.

Judge Callaway complimented the people of the district and said that it was a pleasure to serve them. He further stated that during his first and

Claude Callaway

only campaign—"When the people of the 114th legislative district elected me as their Representative, you will recall that I made very few promises. I was free to tell you that I saw no good reason why the business affairs of our state could not be run on a good sound business basis just as you would run your own business, and if elected I would give my untiring efforts to fulfill these promises.

"Through the cooperation of my colleagues we have been able to bring about an increase in the state funds for the aged people in the amount of \$1,800,000 per year; an increase of \$1,600,000 for the schools, which gave the teachers an increase in salaries; and at the same time reduced the general fund deficit more than \$12,000,000 by economy in our state government.

"My appointment on several important committees gave me a wonderful opportunity to be instrumental in helping to carry out what has been called by many the most practical business session the Legislature has had in many years. I served on the Appropriations, Educational, Liquor, and Public Printing committees. I was also one of the five members of the committee in the House that wrote the Departmental Appropriation Bill. This committee made the appropriation for the 48 state departments, which bill provided for \$9,000,000 less than the bill two years ago and eliminated 1,300 (Continued on back page)

COUNTY COUNCIL 4-H CLUBS TO MEET ON MARCH 3

The Knox County Council of 4-H Clubs will meet on March 3 in the Assembly Room of the courthouse at Benjamin at 2:30 p. m.

Each club is to have a representative from their club at council in order that three delegates may be selected to go to the district meeting at Haskell, April 19.

Every club is urged to have all its members present for this meeting.

GOREE MAN IS RECRUIT AT U. S. NAVAL TRAINING STATION

A new recruit at the Naval Training Station, Great Lakes, Illinois, is Marvin Melvin Howry, 18, son of Mr. and Mrs. Neil Howry, of Goree.

Now undergoing "boot" training, he is being indoctrinated into Navy life, and is being instructed in seamanship, military drill and naval procedure. He soon will be given a series of aptitude tests to determine whether he will be selected to attend one of the Navy's service schools, or will be assigned to active duty at sea.

Word was received here Wednesday morning of the death of Sharon Elizabeth Hammock, six months old, the daughter of Mr. and Mrs. Roger Hammock of San Bernardino, Calif. Sharon was the great granddaughter of Mrs. C. B. Teague, Mr. Hammock was reared and lived in Knox City until grown. Cause of the child's death was attributed to pneumonia.

The War Fund Goal of the Knox Knox County Chapter of the American Red Cross is \$5,700.00. The roll call membership drive will get underway on March 1. In the past the people of Knox City and other communities have responded well to this call.

Each community in the county has a definite goal which they will work for in order to reach the county quota. The following are community chairmen and workers who will carry on this important need.

Knox City: Mrs. Henry White, and assisted by Mrs. Henry Jones, Mrs. Barney Arnold, Mrs. E. E. Teaff, Mrs. J. V. Jones, Mrs. C. C. Hoge, Mrs. J. T. May, Mrs. Lee Smith, Mrs. W. E. Clonts, Mrs. T. E. Holcomb, Mrs. H. P. Arledge, Mrs. Ray Willis, Mrs. Roy Smith, Mrs. J. O. Hamm, Mrs. C. A. Wilson.

For the downtown business district: A. J. Malouf and E. O. Jamison.

These workers appreciate the Red Cross and what the people of Knox City have done in the past, and feel that present needs will be met.

Community chairmen in this vicinity are: Munday, Mrs. H. A. Pendleton; Goree, Mrs. Roy Maples; Vera, Mrs. T. H. Jones; Gilliland, Mrs. Marion Ryder; Rhineland, Miss Georgette Claus; Truscott, Mrs. T. B. Masterson; Benjamin, Mrs. E. B. Sams; Sunset, Mrs. E. M. Almanrod; Union Grove, Mrs. Ulric Lea; Brock, Mrs. G. W. Montandon.

The Red Cross has already turned over to the Army and Navy 5,000,000 pints of blood, which costs about a dollar a pint to process. More than 92,000 pints a week are now being furnished.

Each week a prisoner-of-war box is also going to each American in prison camps in Europe. A war prisoner can live a week on these boxes if he received nothing else. Unfortunately these boxes are not allowed at present to reach our prisoners in the hands of the Japanese.

Eighty-five percent of the present goal of \$200,000,000 is earmarked for military purposes only.

Over Four Hundred Boys and Girls Attend 4-H Club Meetings

Four hundred and sixty-two boys and girls attended the 4-H Club meetings held during the third week of February. The boys had charge of the meetings.

R. O. Dunkle, County Agent, gave a demonstration on brooding baby chicks. He stated that coccidiosis and pullorum were the most common diseases among baby chicks. He stated that sanitation was the best preventive for the diseases. A self-feeder for broiler type chickens was displayed.

Mr. Dunkle told the boys and girls about the Calf Show and displayed the ribbons to be given to the boy who has the Grand Champion calf, and the Reserve Champion Calf. He also told them about the judging teams from Baylor, Foard, Haskell and Knox counties that would compete in judging at the show. Ribbons for these teams were also displayed at these meetings.

Miss King, County Home Demonstration Agent, gave a demonstration on Victory gardens. She displayed a miniature frame garden and explained how to make a frame garden and how and what to plant in a frame garden. Bulletins on frame gardens and leaflets on the type of seeds best suited to this climate were given the club members.

The following girls from the Truscott club turned in six-inch squares for Red Cross afghans: Martha Orr, Patsy Owens, Ann Haynis and Faye Black.

KNOX COUNTY HERALD

C. H. MOSS, Editor

TELEPHONE, DLAL 2902

Entered as second class matter at the postoffice at Knox City, Texas, under the act of March 3, 1879. (Application Pending)

SUBSCRIPTION RATE, YEAR \$1.50

It is often remarked that it is a terribly hard thing that men have to be forced to leave their homes and families and customary occupations, and go out to fight men against whom they have no personal hatred.

It is a hard thing, but it is a fundamental fact that a price has to be paid for all things. Few things come without effort, and sacrifice is usually necessary. We have a wonderful country, and we have to pay a price for it. Peace is a fine thing, the opportunity to carry on one's activities without interference from violent men and hostile countries.

But to get these wonderful things, we have to pay a price. That price is the willingness of young men to go out and fight to protect these rights, and the willingness of the folks at home to back them up with labor and effort and money. Our service men recognize this necessity, and the cheerful spirit with which they accept it is marvelous.

Many people talk about the bad state the country will be in when the war is over, with the necessity of finding work for perhaps 20,000,000 or more service men and war workers. Yet our country is infinitely better off

than it was a century ago, since it has the most marvelous development in the world for producing the things we need.

We have the facilities to produce enough to provide comfort for all the worthy people. It is up to the business world and the government to find means to keep this production equipment going. With all the brains in American business, and the cleverness of the statesmen, it will be strange if ways cannot be found to maintain general prosperity.

MAIN STREET

War has helped destroy a lot of America's old illusions. Gone are the ideas that all South Sea beauties look like Dorothy Lamour; that all Englishmen wear monocles and all Russians whiskers. Gone is the idea that *free-enterprise* is some vague theory for the guy in the big city to worry about.

Wherever you live... on Main Street, Park Avenue, or RFD No. 4... you are vitally concerned with the continuation of this American system.

The grocery, the millinery shop, the corner drug, the hardware store, the hamburger stand, the score of other businesses which make up your Main Street, the farm on RFD No. 4, the

ranch in the south end of the county... all of them, like your local electric service company, are products of business management under the system of private enterprise.

PRIVATE ENTERPRISE—the right of every American to work when and where he wants, within reason; to enter any business or profession; to create, produce and benefit by his own success.

Red Cross Sewing Quota Is Completed

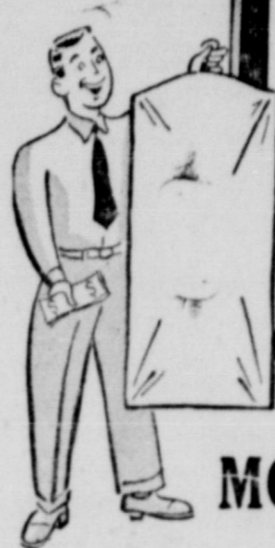

The quota of Red Cross sewing has been completed. Through the cooperation of the women of the community, this has been completed in the shortest possible time. There will likely not be any more sewing to be done until June unless the county gets an emergency call.

The women are to be commended for getting so much done in so short a time and so little sacrifice on the part of each.

If you failed to get up to the Red

Cross room, during the working hours, you missed some of the joy of service, for as those hospital garments were finished and tied in bundles for shipment, the women did not see bundles of unbleached domestic cut out and sewn together, but they saw an opportunity to cheer and comfort, in a small way, some wounded soldier brought back from the battlefield.

Your sewing chairman wishes again to thank you for your cooperation. As soon as the next quota is received you will be notified through this newspaper.

As school is drawing nearer and nearer to the end, the Seniors are very anxious to get all of their work in in order that they can enjoy their last days in Knox City High School. We have enjoyed working as a group with the one everlasting goal in mind, that of graduation.

Perhaps we have not had as many social gatherings as we could have enjoyed, but because of the situation our country is now involved in, we find it impossible to do very much. We feel as if that was best in every respect.

The closing days of our high school career will be a thrill we all look forward to. Parties, banquets, picnics, and other enjoyable occasions will indeed help to furnish us with clean, wholesome fun. Not only are we look-

state employees. I find that each of these 48 departments are still operating efficiently.

"I was chairman of the committee that wrote the Rural Aid School Bill. This bill gave an increase in teachers' salaries, also an increase in transportation for the rural school children who lived more than three miles from school.

"I am a member of the Joint Legislative Committee that sits between sessions and supervises the spending of rural aid money to our schools in Texas. The rural aid in Texas amounts to over \$9,000,000 per year and most of the schools in my district are participating in this fund, either in salary aid, high school tuition or transportation aid.

"During the entire 120 day session of the Legislature, I answered every roll call, being at my desk to cast my vote on every measure that came before the House. Therefore, I feel that I have had a very active part in this legislation that has made history by increasing appropriation to the aged people, the crippled children and to the schools, all of which amounts to \$3,500,000 per year increase; and reduced the total appropriation \$12,000,000, for the biennial. This was done by economy for there was no new tax of any nature levied.

"I will admit that I have neglected visiting the people in my district, yet this has been a much greater loss to me than it has to you. However, I felt that so long as we are in total war, you had much rather I would be working for you than to be visiting with you; still I want each and every community of my district to feel free to call on me when I can be of any service to you, and I shall be happy to answer the call.

"In conclusion, I ask that after you have considered my record of service, if you consider I have rendered you a sincere service, then I ask that you please consider me for re-election for a second term, and I assure you that I will do my best to render you a greater service if re-elected. I feel that the experience I have gained will certainly be a great help to me in serving you.

"I shall be prevented from giving much time to my campaign for the next three months, as I shall be very busy serving on a special committee appointed by the Lieutenant Governor and the Speaker of the House for the purpose of re-writing and re-codifying the school laws of our state.

"Again thanking you for your splendid cooperation and assuring you that I will do my best to visit as many of you as possible between now and the election on the limited amount of gasoline I am allowed, and hoping to prove worthy of the trust that you have placed in me."

Sincerely, Claude Callaway.

ing forward to these days but they will be long remembered in every Senior's future days.

Freshman News

The Freshmen have been staying at home this week, preparing for the Six Weeks Tests.

The Freshmen are in a daze; their minds just won't follow Mr. Holcomb and Mr. Graves in the change periods.

Home Ec. girls made cocoa, coffee and toast the other day and served the teachers.

We have some new students: Jean Hall, Tom Paul Clary, and Jimmie Ames

Reba Mae is happy because she is moving into a new home here in town.

The girls and boys are missing their volleyball and basketball periods. People keep choosing that period to practice for assembly and for class meetings.

Sports

Manday afternoon the girls volleyball team played O'Brien here. Knox City won the first game and O'Brien won the second. K. C. again won the third game, winning the match. The games were close and exciting.

The boys basketball team entered into a tournament at Benjamin last week. Thursday night they played the Gilliland team; Friday night, Munday. Although the boys were defeated, they were very good sports.

February 24 the boys will have a chance to even the score with Gilliland. Both the basketball and volleyball teams will play. Your support is needed and will be appreciated.

At the altars of 42,000 Methodist Churches during the week of February 27-March 5, men, women and children will respond to the call from their bishops and pastors for a rededication of "self, service and substance" to the wartime emergency program of the church.

March 5 is the "Day of Dedication." If on this day the 8,000,000 members of the Methodist Church throughout the world shall make a real rededication of their lives to the Master's service the power of it would shake the world. You are invited to make the next two Sundays especially significant in your own religious life by attending services and entering into this world-wide fellowship.
