Look To The East

by Aaron Edgar

We did not do our Good Friday "farming" this year!

It's a custom we've adhered to rather religiously during most of our adult life. We don't really know just how it came about, except that Good Friday is regarded as a sacred day and that all good deeds performed on this day will come forth and bear fruit.

We've been so determined on garden planting on this day each year that we've taken some considerable risks to accomplish this job at the pre-determined time.

For instance, we've been known to run races with early-morning thunder-showers on Good Friday and, although hurrying, we did not quite win the race. The end result was that we'd come in from the planting chore almost wringing wet, thereby taking our chances of running the risk of an onset of pneumonia, or something.

Age seems to mellow some of those rather foolish notions and actions. In fact, a few almost complete "crop failures" in spite of our set-in-our-ways activities even seemed to refute the idea of Good Friday planting insuring a good crop.

Good Friday is a good day for many things, however. It helps the soul to reflect on why Good Friday is observed in the first place as we look forward to the celebration of Easter, when visitors to the Grave of Christ found it empty and that the Saviour had, indeed, risen from the grave.

Good Friday, as our dictionary says and as all Christians know, is defined as the Friday of Holy Week, observed as the anniversary of the Crucifixion of Christ. Then, as we look forward to Easter, we reflect on the completion of Christ's mission on earth - victory over death and the grave and extending to us the opportunity of eternal life.

But Good Friday was not just Good Friday this year. It was also the first day of April, April fool, or All Fool's Day, a day on which playful tricks are practiced.

We escaped the "playful tricks" this year, in that none were played on us; and, we didn't give any "Playful garden tricks" an opportunity to upset us, either. We just didn't plant our pinto beans, or anything!

But there is yet another reason, or other reasons.

We couldn't dispel the idea that April 1 (although Good Friday) was too early for planting. This was augmented by the fact that a killing freeze came just a few days earlier.

Early gardeners qualified their early actions with the statement of: "So what if it does freeze? All I've lost is just a few seeds and a little time. I can always re-plant."

Since our infirmities of age have warned us of the necessity of less strenuous and unwarranted exercise, the idea of replanting didn't appeal to us to any great extent!

And another thing: When in Osbornes one day, we were presented one of their new 1983 almanacs. In the past we'd never paid much attention to the almanac. If it was Good Friday, it was the day to plant, come whatever!

But we got to perusing this informative little booklet and came upon a section entitled: Planting Guide - Farm and Garden Bulletins. We found in small type the words: Note: Latitude and climate govern the time of planting. Wait for the proper time in your locality, then plant according to these bulletins. A bulletin was devoted to each of the 12 months in the year.

In the April bulletin, we found: April 1st (Good Friday) to 3rd, a barren period for planting. To us that meant: If you want to act crazy, go ahead and plant. But it won't make anything!

With our pinto beans in mind, we perused further and found April 13th and 14th as "fine for planting sweet corn, beans, tomatoes, peas" and such. By then, we'll surely be deep enough into spring that plantings will come up in a hurry and start reaching for the sky fast.

Another reason for not planting on Good Friday is that a quickie thunder-shower with cold north wind hit this area

(Continued on Page 6)

DEPARTING COUNCILMEN COMMENDED . . .

New Council Members Take Office April 12

The City Council of the City of Munday, Texas met at 8 p.m. Tuesday, April 12, at the Munday City Hall in regular session.

Members present: Mayor James W. Reid and Aldermen M. M. Booe, Donald Hobert, Ray Lynn Hardin, Bob Therwhanger, and Aldermen elect Bob-

by D. Burnett, Doris Dickerson and Jessie Tucker.

Members absent: Von Marr.

Mayor Reid called the meeting to order. Minutes of the March 25th and March 26, 1983 special meetings, and March 31st bid opening were read. No alterations. Mayor Reid stated minutes

and bid opening are approved as written.

Note: Booe requested that the meter formerly installed at Ray Ford residence be installed so it can be observed until it completes a full cycle to see if dial turns properly.

The elections returns of the April 2, 1983 city officials election were examined. Results were as follows: Bobby D. Burnett, 159 votes; Doris Dickerson, 151 votes; Jessie Tucker, 140 votes; write in votes were: Ray Lynn Hardin, 5 votes; Jessie Mae Johnson, 1 vote; Donald Hobert, 11 votes; Keith Davis, 2 votes; M. M. Booe, 4 votes; Mark Reed, 3 votes; Larry Smith, 1 vote. Booe moved that Bobby D. Burnett, Doris Dickerson and Jessie Tucker be declared elected. Hobert seconded the motion. Voting for were Booe, Hobert, Hardin and Therwhanger. Noes, none. Carried. Mayor Reid duly executed oaths of office for each new member, they repeating the oaths, and Burnett, Dickerson and Tucker were sworn in.

Appreciation for the years of dedicated service by M. M. Booe, Donald Hobert and Ray Lynn Hardin was expressed by the Mayor, Council and City Administrator. Munday is a better place to live as we look back over some of the things these three men helped accomplish. They left the meeting at this time.

Mayor Reid next appointed Doris Dickerson as Mayor Pro-Tem. Other department heads will be appointed later, he said.

Gerald Saffel, Melvin Cypert and Charles Baker entered the meeting. Chief Saffel requested the Council permit him to organize "Explorer Scouts" using the law enforcement concept to work with these boys (and perhaps some girls). He explained possible benefits to the youth and the community. Steven Joyce, (also present) District Executive (Continued on Page 4)

Accident Kills Driver At Truscott Dam Site

A truck driver of Rochester was killed on Thursday afternoon, April 14, at a dam site near Truscott when the truck he was driving backed over him.

Raymond H. Butler, 68, was pronounced dead at the scene at about 5 p.m. by John Phillips, justice of the peace at Munday. Gene Nix, Knox County sheriff, stated Butler received massive head injuries.

The sheriff said death occurred about 3 p.m. when the truck's brakes accidentally released. The driver had apparently walked behind the vehicle to check something when it rolled over him.

The dam, being built by the U.S. Army Corps of Engineers to prevent brine from nearby salt flats from entering the North Wichita River, is just a few miles north of Truscott. The dam has been completed, but additional work on the surrounding area is being continued.

Sheriff Nix said the truck is owned by Williams and Son Trucking Co. of Rochester, which is a subcontractor on the project.

Mr. Butler was born on March 13, 1915, in Young County, and married Wanda Guffey on December 17, 1938, in Dickens. He had been a ginner and lived in Rochester some 10 years. He was a former resident of Spur and was a member of the Rochester Church of Christ.

Funeral services were held at 2:30 p.m. Saturday from the Church of Christ in Rochester, with Minister Owen Aiken of the church, and Minister Truett Kuenstler, officiating. Burial was in the Rochester Cemetery.

Serving as pallbearers were Joe Wayne Hasty, Carlos Carmack, David Epley, Jesse Templeton, Danny Harris and Tony Adkins. Named as honorary pallbearers were Kendall Carmack, Don

Guffey, Denver Guffey and Don Collins.

Survivors include his wife; a son, Billy Ray Butler of Burleson; a sister, Theda McArthur of Spur; and two grandchildren.

Rhineland Residents Urged To Attend Important Meeting

Persons interested in receiving water from the Miller Creek Reservoir who reside near the tentatively proposed route are urged to attend a meeting on Tuesday, April 26, at 7:30 p.m. in the Columbus Club Hall in Rhineland.

The route of the water line now proposed would begin at the Knox City water station south of Munday, north by Dr. Stewart's veterinary barn, and north along FM Road 267 to Rhineland, and probably east, west and north of Rhineland for several miles. Everyone living within a radius of approximately one mile of this route is asked to attend the meeting.

A representative of an engineering firm and an official of the Farmers Home Administration, the agency which may assist in financing the project, will be in attendance to impart information relative to this project and answer questions which may be asked. If the project is approved, to tie in on the line now would be considerably cheaper than to wait until a later date.

The cooperation and participation of each household along the proposed route is urgently needed in order for the project to be approved and become a reality.

Sunday's When We Spring Forward

Sunday's when we lose that hour we gained back yonder in October!

Daylight Savings Time is hounding us again! We barely get accustomed to living the "life of Riley" when we have to change our ways.

The change will take place at midnight Saturday night. Just turn your clocks and watches ahead one full hour, and be on time all the time. If you don't want to do the chore at midnight, make the time change at bedtime, then you won't miss anything but an hour's sleep!

We'll be abiding with daylight savings time until October, then we'll change back. Gets monotonous, doesn't it?

Sales Tax Rebate Checks Following Downward Trend

State Comptroller Bob Bullock recently sent checks totaling \$33.7 million in local sales tax payments to 974 cities who levy the one-percent city sales tax.

"Statewide, these checks are down more than 3 percent from last year," Bullock said. "This follows the downward trend we're seeing in state sales tax receipts. For the first time in 21 years, we've seen a drop in the number of sales tax dollars collected from year to year. We've found the oil and gas industry pays about 30 percent of our state sales tax, either directly or indirectly, and the hardest hit areas of our state are where the local economy leans heaviest on oil and gas."

Knox County's overall drop in sales tax revenues from 1982 is 5.62%; however, Munday has received more money thus far in 1983 than for this

QUALIFYING FOR STATE at the District III 4-H Horse Judging Contest was the senior team from Knox County, which placed second in the competition. Two of the members are shown here, Kristi Boone, second from left, and Shawn Cude, at right. Not pictured is Leah Boone, the third member and the third high individual in the contest. Kristi and Leah are students at Knox City High School and Shawn attends Munday High School. With Kristi and Shawn are county extension agent Charles Siepel and the horse judging team's coach, Mary Ann Boone.

TO WAGE WAR ON BOLL WEEVIL . . .

Meeting Slated To Set Uniform Planting Date

Farmers of Knox County are making plans to wage war against their No. 1 enemy, the cotton boll weevil.

With this in mind, all cotton producers of the county and their wives are invited to a get-together and fish fry on Thursday night, April 28, at 7:30 o'clock to set a uniform planting date for this year.

The uniform planting date is one of the best weapons local farmers have to combat the ravages of the boll weevil, with the date being set late enough in the

spring that weevils will not find squares large enough for their survival.

The meeting Thursday night is being sponsored by the Knox County Boll Weevil Association and the Knox County Program Building Committee.

Charles Siepel, county extension agent, and Vernal Zeissel, leader in the farm program, stress the importance of farmers setting and following a uniform planting date over the county.

"With the new PIK Program reducing the cotton acreage locally by about half," he said, "it is very important that we protect our remaining acreage from destruction by the weevil."

All interested persons have a cordial invitation to attend this important meeting.

Wheels For Life Bike Ride Fights Childhood Cancer

Bike-a-thon chairman Jean Reneau today asked Munday residents to participate in the St. Jude Children's Research Hospital "Wheels-for-Life" Bike-a-thon to be held May 7th, with starting location at the Mogul Field House.

Volunteer workers and riders are needed for the Bike-a-thon to raise funds for the world-famous research center and its battle against childhood cancer and other catastrophic childhood diseases.

Jean said this year's ride is being dedicated to Terry, a leukemia patient at St. Jude. "By riding for Terry, we'll really be helping all stricken children since research is the only way these illnesses can be conquered," Jean said. "We're looking for people who will contribute some of their time and energy to help children live. We really need bike riders, since they are the ones who can make this Bike-a-thon successful."

In the Bike-a-thon, riders enlist sponsors who donate a sum for each mile completed. Riders who raise \$25.00 will receive a St. Jude t-shirt, and those raising \$75.00 will receive a barrell tote bag. Sponsor forms are available from Jean Reneau.

"You can put your muscles to work for a child's life in this Bike-a-thon," Jean said. "We need every bike and every rider."

Interested persons can contact Jean Reneau, Box 597, Munday, Tex. 422-4491.

Notice To Jaycees

The Munday Jaycee chapter will meet to elect new officers at 7:30 p.m. Thursday (tonight), at the Texas A&M Research Station.

All Munday Jaycees are urged to attend this important meeting.

New Officers Chosen At School Trustee Meeting

The Munday Independent School District Board of Trustees met in regular session on Thursday, April 14, 1983.

Results of the election were canvassed and Byron Gass and Ronnie Stewart were sworn in as new members. The board was reorganized with Phillip McAfee as president, Spike Bryan as vice president and Byron Gass as secretary.

Approval was given on contracts for teachers and aides as recommended, for 1983-84 school year.

The board accepted a letter of resignation from Mrs. Marie Ivey, effective May 20, 1983. New civics textbooks for grade eight were approved. Other routine business and miscellaneous items were discussed and approved.

Winter Reluctant To Give Way To Spring

Old Man Winter held tenaciously to his grip on the weather, even during last week, then gave way to spring with quite a bit of reluctance. Even after the calendars heralded the arrival of spring on March 20, the stubborn old man held on to his rein.

It was on Friday morning, April 15, that winter held its final splurge (we hope) of the season. At that time Goodson Sellers, local U.S. weather observer, gave a thermometer reading of 30 degrees, which probably set a record late date for a freeze in this area.

Last year's readings were better. Records show the last freeze on March 7, with 18 degrees, coming on the heels of 19 degrees the day before. We had no freezing weather in April of 1982, the lowest reading being 34 degrees on April 6.

Weather Report

For seven days ending at 5 p.m. Monday, April 18, 1983, as compiled and recorded by Goodson Sellers, local U.S. weather observer.

	TEMPERATURES	
	HIGH	LOW

Stockholders of P.C.A. To Hold Meetings April 22-23

The Annual Stockholders Meeting of the Rolling Plains Production Credit Association will be held Friday, April 22, 1983, in the City Auditorium at Childress, Texas, and Saturday, April 23, 1983, in the Stamford High School Auditorium with registration beginning at 10:00 a.m. This marks the beginning of the 50th year of the Production Credit System.

The highlight of this year's Stockholders Meeting will be the showing of a film *Agri-America 2003 A.D.* This 20 minute film illustrates how technology will change farming and life in rural America in the 21st Century. It was shown for the first time at a national meeting in Kansas City on March 11, 1983, which began the celebration of the 50th Anniversary Year.

Two directors will be elected during the business session of the meeting. Garon Tidwell of Munday was nominated for re-election and John L. Grindstaff, Jr. of Knox City will be opposing him. For the second position, Dan Henard Jr. of Wellington was nominated for re-election with Billy Ferrel of Esteline opposing him.

Other members of the current Board of Directors are W. J. Boykin of Northfield, Chairman; W. H. Williams of Spur, Vice Chairman; and B. H. DeBusk of Anson.

Agricultural credit needs of this area are served by Rolling Plains PCA with

offices located in Stamford, Munday, Spur, Matador and Childress.

Gospel Meeting Set At Weinert Church of Christ

The Weinert Church of Christ will be holding a gospel meeting beginning Thursday (today), April 21, and continuing through Sunday, April 24. Services will begin at 7:30 each evening.

Jim and Sue Hackney of Fort Worth will be conducting the special services. He is a graduate of Weinert High School and Abilene Christian University, and serves as pulpit minister for Midtown Church of Christ in Fort Worth.

A ladies luncheon will be held Saturday at the Weinert Community Center from 11:30 a.m. until 2 p.m. Mrs. Hackney will speak to the gathering on "A Woman's Attitude - Her Key to Survival".

Saturday night will be youth night, with emphasis on Christian living. Refreshments and games will follow the service, and all area young people are invited to participate.

Members of the church extend a special invitation to local residents to attend and share in these special worship services.

City Post Office Plans Promotion

The Munday Post Office is celebrating spring with a special Philatelic promotion set to run from April 18 to May 14. Postmaster Dolores Lambeth announced today.

"The purpose of the program is to call attention to the educational benefits as well as to the overall fun of stamp collecting," Mrs. Lambeth said. "It's the most popular hobby in the world."

In keeping with the theme of the celebration, "Get Carried Away with Philately," the recently issued 20-cent commemoratives that feature colorful hot air balloons are available at the post office.

Another popular item on sale, the postmaster noted, is the inexpensive and useful guide to stamp collecting, "The Postal Service Guide to U.S. Stamps." This paperback contains background information on many postage stamps dating back to the 1800s. It also has listings, current values and colorful illustrations of most of the stamps.

Ambulance Report For March, 1983

Bobby Hutchinson, Munday ambulance coordinator, reports the ambulance service made 15 calls in March, the fewest in one month so far in 1983. The amount due on these calls is \$1,050, and none of this had been paid when Hutchinson turned in his report.

The ambulance has served our community 54 times since the beginning of this year.

Cane Pole Is Simple, Effective Way To Fish

Although most of the high technology anglers of today wouldn't be caught dead using a cane pole, many fish are caught with this simplest of fishing rigs, says Jim Davis, fisheries specialist for the Texas Agricultural Extension Service.

The cane pole is especially efficient for catching croppie, bluegill and redear sunfish during nesting activity. Using a cane pole, positioning a minnow, cricket or earthworm into small openings in brushy areas becomes easy with a little experience.

Flipping, a bass fishing technique using a long rod and fairly short line, copied a time tested cane pole fishing method.

Fishing with a cane pole is not as complicated as other methods. This characteristic surely accounts for its immense popularity, Davis says. There are, however, certain methods that can enhance fishing success with a cane pole.

The length of a cane pole should be two to three times as long as the anglers height. More length makes the pole too cumbersome and less length may not provide the desired reach.

Several types of line are available for cane pole fishing, with monofilament the most popular. When selecting a line, buy the smallest pound test that will hold the biggest fish you expect to catch, Davis advises. Also, the lighter the line used, the less likely the fish are to detect it and the more life-like the bait will appear.

The end of the line should be tied securely about two-

thirds of the way up the pole, then additional knots tied at one foot intervals to the end of the pole. If a large fish is hooked, the terminal end of the pole may be broken but the additional knots may assist in landing an otherwise lost fish.

Perhaps the most important item for cane pole fishing is the hook. Although hooks come in a variety of shapes and sizes, a good rule thumb is to match the hook size to the mouth size of the fish. Proper hook style selection can also account for more fish and prolong bait life.

Floats and sinkers are optional utilized by cane pole enthusiasts. Floats assist in signalling a bite and also in suspending the bait at the desired fishing depth. Sinkers are used to carry the bait down and hold it in the fishing area.

Cane pole fishing is easy to learn and a good way to master the basics of a great pastime. Under many conditions, the cane pole can catch more fish than more sophisticated tackle. Don't look past this technique when fresh fish are needed for the table, Davis concludes.

Seymour To Celebrate Fish Day

Residents of Seymour are once again preparing to hang out their famous 'Gone Fishing' signs, vacate the town, and head for Lake Kemp to celebrate their 57th annual Fish Day. The three day celebration, sponsored by Seymour Chamber of Commerce, will begin April 30 and continue through May 2, according to Jim Vita, general chairman.

Festivities will start Saturday, April 30, at 11:00 a.m. with the 2nd annual Fish Day Chili Cookoff. Judging of the chili will be at 4:00 p.m. Other events scheduled for Saturday include a volleyball tournament, frisbee contest, cow chip throwing contest and a boat parade.

A Bass Tournament, with \$2,000.00 in prize money and merchandise, will be held Sunday, May 1, starting at 6:00 a.m. Other events will include numerous contests, a ski show, ski contest and boat races.

The final event of the three day celebration will be the Little Miss Lake Kemp and Miss Lake Kemp contest to be held Monday, May 2, at 1:00 p.m.

The public is invited to at-

tend and participate in the events. For pre-registration or more information, contact the Seymour Chamber of Commerce at (817) 888-2921.

Rich Custard Cobbler Is Easy-To-Make Family Dessert

For a quick and easy family dessert, try Golden Nugget Custard Cobbler. The rich custard, flavored with a hint of lemon, is topped with tender, bite-sized pieces of refrigerated flaky biscuits.

GOLDEN NUGGET CUSTARD COBBLER

- 3 eggs
- 1 cup sugar
- 1 tablespoon cornmeal
- 1/2 cup evaporated milk or half-and-half
- 1/4 cup margarine or butter, melted
- 2 tablespoons lemon juice
- 1 teaspoon vanilla
- 10-oz. can Hungry Jack refrigerated flaky biscuits
- Dash nutmeg, if desired
- Whipped topping, if desired

Heat oven to 375°F. In medium bowl, beat eggs slightly; add sugar, cornmeal, evaporated milk, margarine, lemon juice and vanilla. Mix well. Separate dough into 10 biscuits; cut each into 4 pieces. Arrange biscuit pieces evenly in ungreased 8-inch round or square baking dish. Pour egg mixture over biscuit pieces; sprinkle with nutmeg, if desired.

Bake at 375°F. for 24 to 29 minutes or until deep golden brown. Serve warm with whipped topping, if desired. Store in refrigerator. 6 servings.

TIP: Loosely cover baking dish with foil last 10 minutes of baking to prevent over browning.

J. C. Elliott, 76, Longtime Resident Of Munday, Dies

J. C. Elliott, 76, longtime resident of the Munday area, passed away at 8:30 a.m. Friday at the Knox County Hospital, after having suffered an apparent heart attack at his home in Munday.

He was born on December 5, 1906, at Eddy, son of the late Mr. and Mrs. C. R. Elliott, who were prominent in many Munday activities for many years. The family moved to Munday in 1912, where J. C. was reared and attended the local schools. After graduating from Munday High School, he attended John Tarleton Agricultural College in Stephenville and graduated from West Texas State College at Canyon. Returning to Munday, he taught in the local school and served on the coaching staff for a time. He later became associated with his father in farming and ranching.

Mr. Elliott and Nina Collins, daughter of another pioneering Munday family, were married on May 30, 1932, in Munday. They lived here all their married life and reared their family here. Mr. Elliott was a member of the First Baptist Church in Munday.

Funeral services were held

at 2 p.m. Sunday from the First Baptist Church in Munday with the pastor, Rev. Jim Way, officiating. Burial was in Johnson Memorial Cemetery under direction of McCauley-Smith Funeral Home.

Named to serve as pallbearers were James A. Reid, Garon Tidwell, Goodson Sellers, Hugh A. Beaty, Spike Bryan and James Smith.

He was preceded in death by a son, John Marion Elliott, in 1959.

Surviving him are his wife; a son, Robert Wayne Elliott of Munday; two daughters, Ann Elliott Johnson of Abilene and Martha Kay Ralls of Taylor, Neb.; seven grandchildren, Belinda (Elliott) Boni of Slidell, La., Criss Johnson of Arlington, Julie (Johnson) Warren of Abilene, Robin (Elliott) Herring and Sheryll Elliott, both of Munday, and Alan and Mark Ralls, both of Taylor, Neb., and 3 great-grandchildren.

The earliest recorded instance of a newspaper was the Roman *Acta diurna*, founded by Julius Caesar and posted daily in public places to inform the public of the news.

Munday Nursing Center News

BY NANCY CYPERT

Valerie Kinnibrugh of Truscott visited her mother, Henrietta Burgess.

Henry Liberda of Wichita Falls visited his mother, Mary Nacol, and his uncle, Joe Kubena, on Monday.

Dorothy Moore and Dorothy Travis came Tuesday afternoon and called bingo for the residents. We want to thank these ladies for coming and sharing with the residents.

Mr. and Mrs. Hershall Mansfield of Knox City visited her sister, Gurtha Smith, on Wednesday.

The ladies from Believer's Chapel came Thursday afternoon and hosted the April birthday party. We have two residents with birthdays in April, Gillie Lewis and Myrtle Tomlinson. The residents were served cake and punch. They really enjoyed the party and we want to thank these ladies for making it possible.

Ida Horne spent the weekend with her son, Jack Horne of Wichita Falls.

Mr. and Mrs. Dorman Followill of Boulder, Colorado, visited his mother, Gurtha Smith, during the weekend.

Mr. and Mrs. R. L. Trammell of Arlington visited his mother, Susie Trammell, over the weekend.

Dovie Partridge came Fri-

day and conducted Bible study for the residents. The residents enjoy this and we want to thank Dovie for coming.

Mrs. Iola Hudson of Knox City visited her sister-in-law, Mary Johnson, over the weekend.

We want to thank the Senior Citizen group for coming Saturday and conducting the sing-along. The residents enjoy this time of singing each week.

Elsie Lawson of Knox City visited her mother, Mollie Bromley, on Sunday.

Mr. and Mrs. Charles Manson of Duncan, Okla., visited his uncle, John Manson, on Sunday.

Mr. and Mrs. Mutt Chamberlain of Goree and Opal Crouch of Monticello, Kentucky, visited Lola Moore on Sunday.

Mr. and Mrs. Curtis Seale of Goree visited his mother, Maggie Gunn.

Judy Brewer and Chris and Lana Morton of Abilene and Becky Stone of Breckenridge visited their grandmother, Myrtle Tomlinson, and helped her celebrate her birthday.

We want to thank the First

Baptist Church of Goree for holding church services for our residents Sunday afternoon. This means a lot to the residents.

HOSPITAL REPORT
Jewel Warren remains in Hendrick hospital in Abilene and Joe Guerrero is in the hospital at Seymour. We hope they will both be able to come home soon.

Seniors Are Honored At Church Meals

As the end of school and graduation nears, the 31 seniors at Munday High School are being treated to the traditional parties, including the dinners given annually by local churches. Others who are lucky enough to be invited to these occasions are Mr. and Mrs. Doyle Lowrance, Mr. and Mrs. Doug Donoho and Mrs. and Mrs. Dan Sloan. By virtue of being superintendent, principal and senior sponsor, these men and their wives are special guests at the senior suppers.

St. Joseph Catholic Church hosted the seniors on Tuesday, April 12. Spring colors were used in the decorations and tables were covered with white cloths accented with candles in various shades.

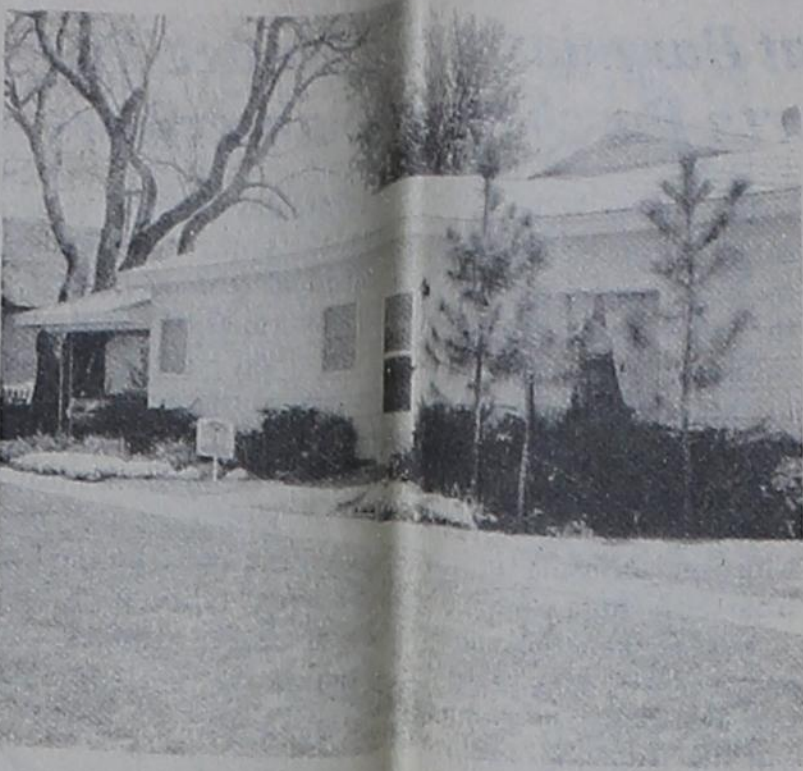

A home-style meal of fried chicken, mashed potatoes, gravy, vegetables, homemade bread, strawberry shortcake and tea was served.

Annette Brown, Betty Kuehler, Ruth Brown and LuRose Schumacher were in charge of the preparations, and other church women provided the food.

On Tuesday, April 19, the seniors went to a picnic at the Church of Christ. Red and white tablecloths and picnic baskets of flowers set the outdoors mood.

Popular picnic food was served, including fried chicken and steak fingers, potato salad, beans, relish plates, fruit salad, homemade ice cream and cokes. The meal was prepared and served by several of the church women.

Mr. and Mrs. Larry Swan were also guests at the supper.

GRACEFUL PINE TREES, a fairly unusual sight for this part of the country, are the focal point in the yard of Mr. and Mrs. L. L. Wise at 340 N. Main in Munday. The pines, flowerbeds and green grass caught the attention of Munday Garden Club judges as they made their yard of the week decision.

Free Trees Given By Foundation

The National Arbor Day Foundation is giving ten free wildlife trees to people who become Foundation members during April, 1983.

The free trees are part of the Foundation's effort to encourage the planting of trees which attract songbirds and other wildlife.

Scotch pine, black walnut, Norway spruce, red oak, European mountain ash, and American arborvitae trees; and autumn olive, American bittersweet, tatarian honeysuckle, and silky dogwood shrubs will be given to members joining during April. The six-to-twelve inch plants will be shipped this spring

postage paid with enclosed planting instructions.

These trees were selected to provide berries and nuts, nesting sites, and protection from the elements for wildlife, according to the Foundation.

The National Arbor Day Foundation, a nonprofit organization, is working to improve the quality of life throughout the country by encouraging tree planting. The Foundation will give the ten free trees to members contributing \$10 during April.

To become a member of the Foundation and to receive the free trees, a \$10 membership contribution should be sent to WILDLIFE TREES, National Arbor Day Foundation, Arbor Lodge 100, Nebraska City, NE 69410, by April, 1983.

CITY COUNCIL
(Continued from Page 1)

for organizing Explorer Scouts, explained the program. Several cities benefiting from this type scouting program which works directly under and with local law enforcement officers were mentioned. Fifteen million dollars of liability coverage to protect the city is available to an active Explorer Scouting group. Also \$3,000.00 health insurance is available for very little premium. The Texas Sheriff's Association backs the Explorer concept, Joyce said. These youths, he said, must believe in God to belong.

Therwhanger moved that the Munday City Police Department be authorized to sponsor a new Explorer Scout unit in Munday, Texas. Age requirement must meet the approval of the advisor. The Council retains the authority to set other requirements they deem needed for proper administration. Tucker seconded the motion. Carried with all members voting for.

Lester Yates of Lone Star Gas Company entered the meeting. He explained the reasons for the March 11, 1983 request of rate increase for Lone Star Gas Company. I realize, he said, that three of you are new members just sworn in and have not had opportunity to study the rate request. Mr. Yates further explained Lone Star Gas Company's operation, depreciation methods, etc. Mayor Reid questioned need for the increase and commented on depreciation method, and cost of gas purchased. Other Council members were asked to comment. Some did. After discussion, Therwhanger moved that the rate increase request be suspended for 90 days from this date. Dickerson seconded. All members voted in favor of suspension.

No action was required at this meeting in regard to the rate increase request of General Telephone Company which is before the Public Utility Commission.

The H.U.D. project was discussed. The City Administrator reported that surveyors were in Munday 1 1/2 days; also Environmental Impact Statement work is being done. Contacts with Jacobs and Martin, also with H.U.D., indicate work progress. H.U.D. requires attendance by the City Administrator on April 14 and 15 at a meeting in Arlington, reference administration of funds. Further report will be made later.

After discussion, Burnett moved that Mayor Reid be authorized to attend the T.M.L. conference in El Paso to represent Munday, and the City pay the expense for same. Discussion of new H.U.D. administration by the state is to be a part of the program. Therwhanger seconded the motion. Carried with all in favor.

A shotgun trade for the Police Department was discussed. After discussion, Dickerson moved to table this item at this time. Therwhanger seconded. All for.

Therwhanger moved for approval of bills as follows: (Bills include new garbage truck) - from airport funds, \$302.97; from ambulance funds, \$275.67; from street paving special fund, \$198.75; from operating fund, \$28,405.07. Dickerson seconded. All in favor.

The Council instructed the Administrator to advertise for bids on the 1973 Chev. 2 ton truck to be sold. Two issues in the Munday Courier and open sealed bids at the proper time.

Therwhanger moved to adjourn. Burnett seconded. All in favor.

Vehicle ownership and use was clarified by the City Administrator to new council members: Vehicles owned, insured and operated by the City are: Fire Department - 3 fire trucks and 1 van; Ambulance Service - 2 vans (funds were raised for both and fully donated to the City by Munday Ambulance service); Water Department - 1 pickup and 1 backhoe; Sewer Department - 1 pickup; Street Department - grader, shredder and two trucks; Police Department - 1 car; Garbage Department - 1 truck and packer;

City Administrator, monthly vehicle allowance: Administrator owns vehicle and insures and pays own expense - out of town (more than five miles) City furnishes gasoline only; Administrator furnishes vehicle for water meetings, all out of town trips required (even to Austin when he and one or more of the governing body attend).

Note: Operational cost losses of Munday Ambulance service is shared 1/3 Knox County, 1/3 Hospital and 1/3 Munday and Goree (based on percent of population in each City).

R.N. for Home Health Director

Management opportunity for R.N. as Director of Home Health in Munday. Candidates must have initiative, organization ability, good nursing skills. Supervisory and home health experience helpful. Competitive salary, excellent benefits and travel reimbursement. Send resume to: Emily Tripp, R.N., Beverly Enterprises, 807 Washington Dr., Suite D, Arlington, TX 76011. Or call collect to: Juanita Gonzalez or Mary Jo Reynolds, 1-817-274-9823

Child Safety Seat Bargains May Not Be Worth Purchase

Parents who feel they cannot afford the \$30 - \$40 cost of a new child safety seat may be tempted to search the garage sales and want ads looking for a bargain.

"But a used child safety seat that is defective is no bargain," says Dr. Mary Ann Shirer, a health education specialist with the Texas Agricultural Extension System.

"Parents need to shop carefully to avoid buying a defective used seat which can endanger the life of their child if they are involved in an accident," she adds.

The first test of a child restraint device, says Shirer, is whether it has a label stating that it "meets or exceeds all federal safety standards."

Beginning in 1981, the federal standard governing child safety seats required crash testing of the devices to insure their safety. All seats that meet the standard can be considered good ones.

Some car seats manufactured prior to 1981 meet these requirements, while others do not. "Many seats now on the used market were made before 1981, so parents should always look for that label," warns Shirer.

March Drilling Report

Railroad Commission Chairman Mack Wallace announced that Texas operators reported 95 gas and 89 oil discoveries in March 1983.

One year ago, 157 gas and 42 oil discoveries were filed with the state's energy regulatory agency.

Gas discoveries in March included 37 in deep South Texas, 15 in West Central Texas, 14 in the Refugio area, 13 in Southeast Texas, five in North Texas, three in the Midland area, and two each in the Panhandle, East Texas, and the San Antonio and San Angelo areas.

Oil discoveries included 16 in West Central Texas, 15 in the San Antonio area, 11 in the San Angelo area, ten each in North Texas and the Refugio areas, seven in the Lubbock area, six in the Midland area, four in deep South Texas, three each in Southeast Texas and the Panhandle, and two each in East Texas and East Central Texas.

In March, operators reported 575 exploratory and field tests wound up as dry holes. New applications for permits to drill oil and gas tests totaled 2,621 in March compared with 3,154 in the same period of 1982.

Applications to drill, deepen, plug back and for service wells in March amounted to 3,002 against 3,529 a year earlier.

Operators filed 865 amended applications to drill. A year earlier they submitted 1,013 amended requests.

Birthdays And Anniversaries

April 22 - Rene Reed, Misti Zeissel, Diane Robnett, Gaylon Albus and Paula Waggoner.

April 23 - Donna Welch, Tinnie Tynes and Briana Alexander.

April 24 - O. R. Mitchell, Brandy Branam, Martha Moore birthdays; Mr. and Mrs. Larry Albert anniversary.

April 25 - Sudy Howry, Danny Brown and Tony Morgan.

April 26 - M. M. Booe, Johnny Reid, Doyle Blair and Holly Hutchinson.

April 27 - Clarence Brown, Lino Perez Jr. and Jerry Wayne Branam.

In addition to the federal safety label, Shirer recommends that parents look for the following defects in used child restraint devices.

Check the harness to see if it is torn at any point. A torn belt system can be easily repaired on most safety seats with replacements ordered from the manufacturer.

Also examine the padding to see if it is torn. If so, it should be replaced with new padding from the manufacturer.

A child restraint system with these defects will not adequately protect a child until the belt system and padding are replaced. Parents should not purchase a used seat with these problems unless they actually intend to repair them, notes Shirer.

If the device has a metal frame, check to see if it rattles. Ask the owner if you may tighten the screws on the frame. If the frame is still loose after tightening, do not buy it.

Also, check the seat bars. If they are twisted or bent, do not buy the seat, since full protection cannot be guaranteed.

According to Shirer, the manufacturer's directions for using the safety seat should be provided by the owner. Most seats after 1981 have a place on the seat to store instructions. For effective use of the seat, Shirer recommends that parents carefully follow the manufacturer's instructions.

Finally, try the seat in your car before buying. Certain types of safety belts may cause installation problems. Bulky seat-belt buckles, for example, will not fit through the belt slots on some safety seats.

"When it comes to the safety of our children," says Shirer, "a 'bargain' may not be the best buy."

Simply using a child restraint device is not enough. "Parents must also make sure that the device itself is safe and used properly in order to protect their children from injury or death in an accident," she adds.

Band Boosters Elect Officers

The Munday Band Boosters met Monday, April 11, to elect officers for next year. M. M. Booe was re-elected president. Other officers are Jeane Redder, first vice president; Ruby Booe, second vice president; Frances Parker, secretary; Linda Oustad, treasurer; and Dorothy Brown, reporter.

Out-going officers are Chris Meers and Joan Hutchinson.

Band calendars were discussed, and lists of names to be contacted were given to several band mothers. Calendar sales are now in progress, according to members, and if you have not been contacted about a 1983-84 calendar by the first week in May, you should talk to one of the officers listed above and turn in your order.

The Band Boosters wish to thank each business and individual supporting the Munday band by advertising in or buying one of the calendars.

It's A Girl

Robby and Beverly Crowner of Munday are happy to announce the arrival of their daughter, Alishia Denise.

She was born at 11:49 p.m. on Friday, April 8, 1983, was 20 1/2 inches long and weighed 7 lbs. 4 oz.

Alishia has one brother, Jarred, who is 11 1/2 months old.

Notice To Subscribers

The Munday Courier has suspended its practice of mailing individual renewal postcards to subscribers. Instead, the Courier will publish a list of readers whose subscriptions are approaching expiration. Subscription prices are listed below. Renewals and new subscribers must be paid in advance. (United States Postal Service requires subscriptions be PAID IN ADVANCE)

Mail subscriptions: Knox and adjoining counties, \$7.00; elsewhere in Texas, \$9.00; out of state, \$10.00; and Foreign subscriptions, \$15.00.

Rebounder Exhibited To Lions Club

Leon Hiatt of Plano, "The Rebounder Man", exhibited his product in a 45-minute health and fitness seminar at a recent meeting of the Munday Lions Club.

The program, which proved entertaining, informative and interesting, was brought to the Lions meeting by Lion Gary Schur.

Hiatt demonstrated how he lost 51 pounds and seven inches around the waist in seven months' time - without starving himself. The rebounder is a type of exerciser that provides more than 85% absorption of the skeletal shock experienced in most forms of exercise. It helps to enhance and maintain good health and physique, as demonstrated by Hiatt.

Hiatt remained after the club meeting with interested members.

On Duty In England

Staff Sgt. Michael G. Bradley, son of Earl D. and Erma Bradley of Clifton Park, N.Y., has arrived for duty at RAF Bentwaters, England.

Bradley, an airframe repair technician with the 81st Tactical Fighter Wing, was previously assigned at Hill Air Force Base, Utah.

His wife, Diane, is the daughter of Elba McMahon of Munday.

The sergeant is a 1973 graduate of Shenendehowa High School, Clifton Park.

Setpoint, Inc. Is Cited For Meteoric Growth

Setpoint, Inc. of Houston was recently recognized by Inc. Magazine as one of the fastest growing privately held companies in the country at a special program called "A Celebration of the Entrepreneurial Spirit" held in Lexington, Ky.

During a "Small Business Day" event on April 5, Gov. John Y. Brown Jr. presented each company representative attending with a Kentucky Colonel Commission. This went to Wyman Tidwell, president of Setpoint, and his wife, Belinda.

Wyman is the son of Mrs. Jack Tidwell of Munday, and Belinda is the daughter of Mr. and Mrs. Curtis Coates of Knox City.

Knox County Hospital News

Patients in hospital as of April 15, 1983:

Munday - Josefa Lopez.
Knox City - Dave Whitford, Bessie Russell, Mary Foshee, Allene Wall, Cora Stone, Robert Smith, Laverne Thompson, Mildred Tankersley, Easter Haste.

O'Brien - Rachel Catano.
Rule - George Goble.

Patients dismissed as of April 8, 1983:

Munday - Anna Alba and baby boy.

Knox City - Arthur McGaughey, Ida Reynolds, Guadalupe Melendrez, Charles Reeves.

Haskell - Oscar McNulty.

LEARN TO FLY

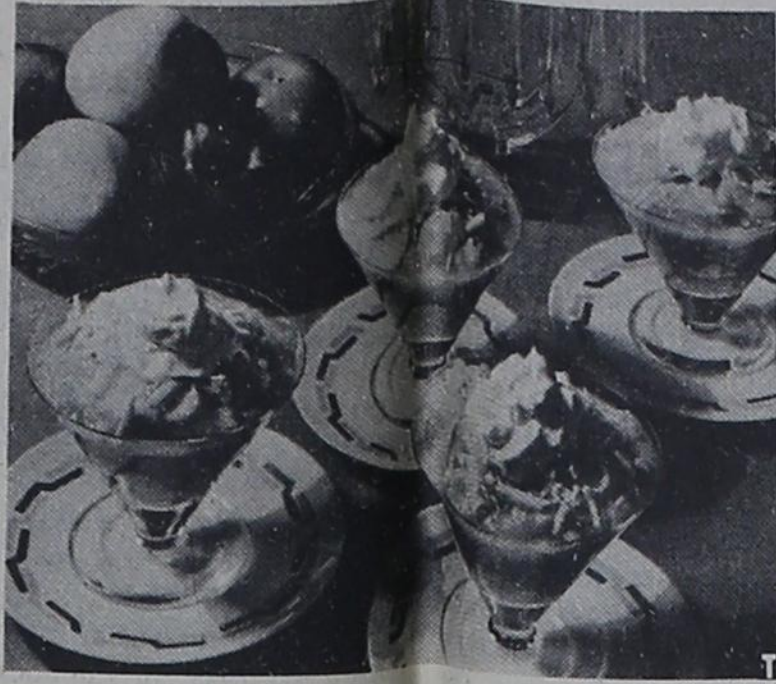

Private Pilot Ground School at Stamford Airport starting April 28 at 7 p.m.

Stamford Flying Service
915-773-3392

THE JUNIOR HORSE JUDGING team from Knox County took first place at the district contest for the second year in a row. Shane Spinks, who is at left in the back row, took first high individual honors in the division. He is a student at Benjamin Junior High School. With him in the back row are the judging team coach, Mrs. Mary Ann Boone of Knox City, and county extension agent Charles Siepel. In the front row are the remaining team members, Patricia Sanders of Knox City, and Jae-Jae Reneau and Robin Reneau of Munday.

COOKING CORNER

With National Applesauce Month just around the corner, why not celebrate with an exciting ambrosia dessert or use these quick and easy tips from the International Apple Institute to liven up your meals. Nearly half of each year's American apple crop is processed into convenient, inexpensive apple products such as apple cider and juice, canned and frozen apple slices, apple pie filling, and everyone's favorite, applesauce. Applesauce is usually made from a blend of two or more apple varieties and nothing artificial is ever added. Seasoned to taste, applesauce is delicious and you can enjoy it all year round.

APPLESAUCE AMBROSIA

- 1 16 oz. jar applesauce
- 2 bananas, sliced
- 2 1/2 mandarin oranges, sectioned
- 1/2 cup toasted slivered almonds
- 1/2 cup flaked coconut
- Whipped Cream

Combine all ingredients except whipped cream; chill. Serve in dessert glasses topped with whipped cream. Makes 8 servings.

Here are those quick and easy tips:

- Combine applesauce, ground beef and seasonings for a delicious new meat loaf. Applesauce keeps meat loaf moist and adds a subtle apple flavor.
- Season applesauce with hot mustard, cider vinegar and brown sugar for a tangy ham glaze.
- Applesauce makes a terrific topping for puddings, custard pies and ice cream.

CANCER ANSWER LINE

American Cancer Society
M. D. Anderson Hospital
and Tumor Institute

Question: Are there different types of skin cancer?

ANSWERline: There are three main types of skin cancer, classified according to the cells involved. These are basal cell, squamous cell, and melanoma. More than 90 percent of all skin cancers fall into the first two classifications. Basal cell cancer occurs more frequently, but grows more slowly. It rarely spreads, but if left untreated can extend to underlying bone. Squamous cell cancer occurs less often, but is a greater danger because of rapid spread. These two types of cancer can appear on almost any area of the skin, but most commonly they develop on exposed parts of the body—face, neck, forearms, and the back of the hands. Squamous cell cancer and melanoma skin cancer appear very much alike, showing up either as a pale, waxlike pearly nodule that may eventually ulcerate and crust or as a scaly, red sharply outlined patch. Malignant melanoma is a virulent form of skin cancer, which spreads rapidly. Melanomas are usually dark brown or black in pigmentation. They begin as mole-like growths that increase in size, change color, become ulcerated and bleed easily from a slight injury.

Question: Is chemotherapy replacing surgery and radiation in the treatment of cancer?

ANSWERline: At present surgery and radiation are the methods most often used in treating cancer. Chemotherapy ranks third. In some cancers all three of these are used. A fourth method under intense investigation is immunotherapy. In this method, attempts are being made to stimulate the body's complex self-defense system, so that it will recognize and reject a foreign substance, such as cancer. Immunotherapy is producing good results in some cases of melanoma, and is being tested on a variety of other cancers including leukemia and breast cancer. Much more work is needed for immunotherapy to become a major cancer treatment.

Do you have further questions? Call your local unit of the American Cancer Society or call M. D. Anderson Hospital & Tumor Institute's Cancer Information Service, 1-800-392-2040 toll-free in Texas, 792-3245 in the Houston area.

Harris Exterminating Service

Termite, Rodent & Insect Control
Gary Harris, Owner
P. O. Box 54 Seymour, Texas 76380

As spring time arrives, your need for pest control will also arrive with termite and insect problems.

In April, May and early June, termite swarms are found in and around your home. When termites have worked their way into your home, call Gary Harris at Harris Exterminating Service located in Seymour, Texas.

Complete guarantees are issued and we are licensed and bonded through the Texas Pest Control Board in Austin, Texas.

Harris Exterminating, formerly known as Top-O-Texas Pest Control in Wichita Falls, Texas, is now located in Seymour, Texas.

Police Report

by Police Chief Gerald Saffel
The following activities took place during the reporting period of March 28-April 17:

Six citations and seven warning citations were issued. The department performed numerous assists to motorists, the ambulance, fire trucks and other departments, and escorted two funerals.

One stolen bicycle was reported, as were two vandalism incidents. One disturbance call and a family disturbance were handled. We investigated two thefts, one burglary and two juvenile cases.

One juvenile was arrested for theft, and two adults for possession of controlled substance; a case of adverse affects of drugs was reported and the subject hospitalized; and one subject was questioned for illegal use of drugs.

The department also recovered 75 pounds of marijuana.

The police department is very concerned not only with the quantity of narcotics on the streets but also with the quality. During our investi-

gation, we found that one juvenile was hospitalized with severe pain and numbness in the lower half of her body after helping two other people smoke one marijuana cigarette. The department has been told that some dealers are mixing hallucinogenic or mind-altering drugs (such as PCP) and emulating fluid in the marijuana to give it

more "punch". If this is true, it could kill or permanently injure the smokers. People need to realize there are no health or quality controls on illegal drugs. Users also need to know that dope dealers are not their friends. What may seem just to be serious. *****

Vera Happenings

By MRS. THELMA COULSTON

Weekend visitors in the home of their brother and sister were Mrs. Rosie Lee Myers of Carlsbad, New Mexico and Mrs. Ruby Gaiter of Ft. Worth, who spent the weekend with Mr. and Mrs. George McKinney and Mrs. Mary Lou Gore.

Mr. and Mrs. A. C. Miller and girls of Rhome were visitors with her parents, Mr. and Mrs. Cecil Cleveland.

Mr. and Mrs. W. J. (Bill) Townsend visited Zoe Ann Alford in Wichita Falls last Friday.

Mr. and Mrs. Jim Coulston, Michelle and Jonathan, of Tahoka visited their parents, Mr. and Mrs. Fernman Dowd and the Carl Coulstons during the weekend.

Mr. and Mrs. Jack Alexander of Pampa visited their

niece and husband, Mr. and Mrs. George McKinney, Friday and Saturday.

Rhonda Kinnibrugh of Vernon Regional College in Vernon spent the weekend with her parents, Mr. and Mrs. Billy Kinnibrugh.

Benny Archer was guest speaker at the Vera Baptist Church on Sunday morning. Guest speaker at the evening services was A. C. Miller of Rhome, Texas.

Mr. and Mrs. Clinton Prescott of Seymour were Sunday visitors with Mrs. Lona Feemster and Mr. and Mrs. J. Winston Feemster.

Mrs. June Trainham visited Mrs. Tommie Lee Sullivan and Glenda Jo in Denton on Wednesday and Thursday. They also visited Mr. and Mrs. Marvin Stricklin in Sanger and an aunt,

Mrs. Arthur Ferrell in Justin. She was accompanied home by her mother, Mrs. Sabra Rice, who spent two weeks with a daughter, Mr. and Mrs. Royce Young and girls in Plano.

Mr. and Mrs. Bert McClary of Seymour were visitors in the home of her sister, Mr. and Mrs. Duward Richard.

Mr. and Mrs. Olen Coffman were in Dallas on Friday for Olen to receive a checkup by his doctor. Visitors in the Coffman home Sunday were Jud Lane of Archer City and Robert Coffman of Wichita Falls.

Mr. and Mrs. David Penick of Midland visited in the home of Mr. and Mrs. Russell Penick during the weekend. Mrs. Penick will be remembered as the former Jerry Polston, who was employed by the Munday newspaper for a time.

Mr. and Mrs. Goodson Sellers visited relatives in Midland a few days last week.

Goree News Items

By MRS. GRACE SMITH

HOSPITAL NOTES

Mrs. Edith Moore is recovering nicely from surgery she underwent at the Presbyterian Hospital in Dallas on Friday.

Mr. and Mrs. Ewen Beaty were in Abilene on Friday for Mrs. Beaty to have an eye examination.

CEMETERY ASSOCIATION

The Goree Cemetery Association met last Thursday evening for their regular meeting. The president, Jack Beaty, presided. Minutes of the previous meeting were read by the secretary, Mrs. Merle Moore. A motion was made and seconded to accept the minutes as read. A business meeting followed. Officers for this year were elected. All officers but one were retained for another year. They are president, Jack Beaty; vice president, Allene Seale; secretary-treasurer, Merle Moore; and reporter, Ina Scarborough. Dimple Jetton has resigned her job as ground keeper. Archie Struck will be taking over this job on May 1.

ATTEND FUNERAL

Mr. and Mrs. Alvis Watson of Laguna Park have been visiting his brother and wife, Mr. and Mrs. J. C. Watson, for several days. They all attended the funeral of their uncle, Mr. Joe Kee, at Olney on Tuesday.

HERE AND THERE

Mr. and Mrs. L. O. Chamberlain visited her grandson and wife, Mr. and Mrs. Russell Routon, in Merkel recently. They spent the last weekend with her daughter and family, Mr. and Mrs. Ronald Coody and Debbie, at Farmers Branch.

Mrs. Opal Crouch of Monticello, Kentucky, is visiting Mr. and Mrs. Jack Beaty. Other visitors in their home during last week were Mr. and Mrs. Doug Beaty, Abilene; Mr. and Mrs. Bobby Beaty, Fort Worth; Brian Beaty, Seymour; Mrs. Lola Purdue and Mrs. Eva Ray Estes, Munday, and Mr. and Mrs. L. O. Chamberlain.

Mr. and Mrs. Tony Scott and Amanda, Snyder; Mr. and Mrs. David Birkenfeld and Jenny, Janet Birkenfeld and Mr. and Mrs. Don StClair and John, Seymour; and Mr. and Mrs. Wayne Birkenfeld and Dwayne visited their parents, Mr. and Mrs. Joe Birkenfeld, Debra and Johnny, during the weekend. They all attended the Birkenfeld reunion at Rhineland on Sunday.

Visiting Mr. and Mrs. Pete Beecher on Sunday were Mr. and Mrs. Rodney Gilroy and Rodney Lynn Jr. of Abilene.

Mr. Clyde McKinney of Leon, Kansas, is visiting his sister and husband, Mr. and Mrs. Riley Bell. Other visitors in the Bell home Sunday were Eldon McKinney, Seymour, and Mr. and Mrs. Ronnie McKinney and children, Archer City. This is the first time Mrs. Bell has seen her brother, Clyde, in 30 years.

Mr. and Mrs. Jerry Underwood and

family attended the wedding of her niece, Miss Patti Canafax, and John Stinson in Hobbs, N.M., Saturday afternoon.

Mr. and Mrs. Brad Hosea and children of Wichita Falls spent the weekend with their parents, Mr. and Mrs. E. B. Hosea.

Mrs. Allie Echols of Megargel visited her son and wife, Mr. and Mrs. Carl Echols, last week.

Mrs. Grace Hutchinson has returned to her home in Bridge City after visiting her sister, Mrs. Gladys Lambeth, for two weeks.

Mrs. Goldie Brown visited her sister, Mrs. Allene Parham, in Wichita Falls last week.

Mr. and Mrs. Charles Horry and Steven of Wichita Falls and Mr. and Mrs. Roy Campbell of Graham visited Mr. and Mrs. Dewitt Green during the weekend.

Visiting Mr. and Mrs. Jack Nuckols are his aunt and husband, Mr. and Mrs. C. O. Munson of Vista, Calif. Other visitors in their home on Sunday were Mr. and Mrs. Bill Hurley and Mrs. G. W. Brown of Seymour and Mr. and Mrs. Troy Nuckols and family of Munday.

Mr. and Mrs. Lloyd King and Eddie visited Mr. and Mrs. Gary King, Lloyd, Mark and Candy, in Breckenridge last Tuesday. They attended the funeral of Mr. Lawrence Sullivan there Tuesday afternoon.

Mr. and Mrs. Dub Pylant of Pittsburg have been visiting Mr. and Mrs. Jay C. Elliott.

Mrs. Neva Kennedy of Lubbock is visiting her sister, Mrs. Lois Moore.

Mr. and Mrs. L. O. Chamberlain visited Mr. and Mrs. Jack Moore at Holliday on Saturday.

Mr. Roy Shake and Misti of Abilene were dinner guests in the J. C. Watson home on Sunday.

Mrs. Wynona Sanders of South Lake visited her mother, Mrs. A. R. Pace, and in the James Peek home a few days last week.

Misses Ruth Jameson and Rosemary Farley of Kerrville visited Mr. and Mrs. Les Jameson during the weekend.

Visiting Mr. and Mrs. Floyd Nickerson and Linda on Sunday were her daughter and husband, Mr. and Mrs. Melvin Matus of Graham.

Mr. and Mrs. Garon Jetton and Jason of Wichita Falls and Miss Kenna Cotton of Abilene spent the weekend with Mr. and Mrs. George Cotton and Kipp.

Mr. and Mrs. Bud Yates of Wichita Falls visited his sister, Mrs. Ballie Cooksey, on Saturday.

Mrs. Madge Beasley of Bomarton visited Mrs. W. R. Couch last Wednesday. Doyle Lowrance of Munday visited in her home on Friday.

Mr. and Mrs. Tony Hammons were

shopping in Stamford and Haskell last Tuesday.

Visiting Mrs. Winnie Howry during the weekend were Mr. and Mrs. Jackie Howry, Melanie and Becky, of Wichita Falls and Mr. and Mrs. Melvin Matus of Graham.

Mrs. Opal Crouch of Monticello, Kentucky, visited Mr. and Mrs. L. O. Chamberlain on Friday. They also visited Mrs. Lola Moore in the Munday Care Home.

Mrs. Bill Orsak visited Mrs. Eva Thompson and Mrs. Angela Redder in the Munday Care Home last week.

Mrs. Gladys Lambeth visited her daughter, Mr. and Mrs. Ronnie Hardin and family, in Wichita Falls during the weekend. Mr. and Mrs. Hardin brought her mother home on Sunday. They visited her father, Homer Lambeth, in the Seymour Nursing Home.

Mr. and Mrs. Ewen Beaty visited their daughter and family, Mr. and Mrs. Gary Nemeck and Terry, in Hawley Friday night.

Mrs. Allene Parham, Jeanette and Ray Lynn, of Wichita Falls visited Mrs. Goldie Brown on Sunday.

Mr. and Mrs. Parnell Skelton were guests in the home of Mr. and Mrs. Calbert Haskin during the weekend.

Mr. and Mrs. Sammy Byers of Lubbock visited her mother, Mrs. Lanna Mae Lowrance, and other relatives during the weekend.

Mrs. Anna Mae Lane of Munday visited Mrs. Doris Lane last Wednesday.

Mrs. David Speck, Elisha and Kyle, of Knox City visited her parents, Mr. and Mrs. Billy Huffman, on Saturday. Elisha spent Saturday night with her grandparents.

Mr. Jack Beaty visited Mr. Modrell Howard in the Seymour Hospital on Friday.

Mr. and Mrs. Ewen Beaty and Mrs. Lois Howard were in Seymour last Thursday to be with Mr. and Mrs. Modrell Howard when he underwent surgery at the Seymour Hospital.

SURPRISE!

Grandmothers are not forgotten, especially when it's their first grandchild.

Candy Estes was honored with a surprise party to celebrate the approaching birth of her first grandchild.

The party was held in the home of Mrs. Danny Lain on Saturday, April 9.

Breakfast rolls, coffee and soft drinks were served.

Attending were Mrs. Gary Harlan, Mrs. Mike Hosea, Mrs. Don Bowman and Jenni, and Mrs. Randy Walker and Mrs. Kathy Mayo of Seymour, and the hostess, Mrs. Danny Lain.

LOOK TO THE EAST

(continued from Page 1)

before we could get our planting operations in gear!

We hope it works out this year, because, in future seasons we may be plagued with two ideas: Whether to plant on Good Friday, or to follow instructions some people use to fill up an almanac.

Benjamin Man Dies Of Gunshot Wound

Michael E. Waldron, 40, of Benjamin, was found dead at his home on Wednesday morning, April 13, of a self-inflicted gun-shot wound, according to John Phillips, justice of the peace at Munday.

Waldron, who reportedly was alone when the shooting occurred, was shot about 2 a.m. with a small-caliber pistol, according to Phillips. His body was found about 10 a.m.

Mr. Waldron was born on April 12, 1943, in Lubbock and later moved to Benjamin, where he lived most of his life. His mother, Zena Waldron, served as Knox County Clerk for a number

of years. He married Julia Massey on June 26, 1964, in Mineral Wells. He was a carpenter by trade, a veteran of the U.S. Army and a member of the First Christian Church.

Funeral services were held at 3 p.m. Thursday from the First Christian Church in Benjamin, with Bobby Idol officiating. Burial was in Benjamin Cemetery under direction of Smith Funeral Home.

Serving as pallbearers were Billy Bumpas, Bert Leaverton, Donnie Ryder, Claude Jennings, Butch Young and Tracy Cartwright.

He is survived by his wife; two sons, Michael Jr. and Byron Waldron, both of Benjamin; a brother, Jack Waldron of Fort Worth; two sisters, Barbara Pierce of Benjamin and Pat Pepper of Lubbock.

NEW FOR 1983 - ENERGY EFFICIENT MODEL FPE-21TM

FRIGIDAIRE REFRIGERATOR-FREEZER

FRIGIDAIRE. FOR MORE FEATURES.

The **Electri-Saver Switch** eliminates the formation of condensation between refrigerator and freezer compartments. Set it on low to save energy, or high if condensation appears.

The **Frigidaire Electri-Saver Loop** uses warm refrigerant to keep condensation from forming on the sides of the cabinet, saving energy, and eliminating this need for electric heater strips.

Textured Doors are scratch resistant and easy to clean. Fingerprints won't show and spills wipe up quickly with a damp cloth.

Cantilever Tinted Glass Shelves are made of tough, easy-to-clean tempered glass. You can adjust them to store something as large as a turkey or as thin as a pizza.

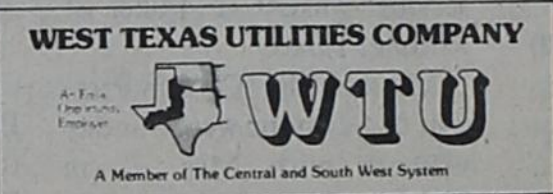

The **Meat Tender Drawer** has the Flowing Cold Air feature that keeps meats fresher, for up to seven days.

This 21.0 cu. ft. model is **100% Frost Proof**. You can forget the mess and time-consuming bother of defrosting.

Spreads Compartment makes it easy to store tubs of margarine, dips or cheese.

"Just-a-bin" **Door Shelves** move up and down to make it easy to store items of almost any shape or size. And they're removable - so they can go right to the table or food preparation area.

The **Suspended Ice Tray Rack** keeps ice trays near the top of the freezer and out of the way for organized storage.

FRIGIDAIRE. HERE TODAY, HERE TOMORROW

WITH QUALITY, DEPENDABILITY AND THE BEST IN FACTORY TRAINED APPLIANCE SERVICE

A NEW CONCEPT IN CARING

A new concept in caring is coming soon to Munday. It's Home Health Care, a service which will mean a great deal to you if you are ill, disabled, or home-bound.

In the comfort of your own home, we will bring you a professional medical care program that is designed just for you; a program customized to your needs by your own attending physician and our expert health care team.

Home Health Care will help you make it on your own. It will provide the registered nurses, physical therapists, speech pathologists and nursing assistants you need to get the right kind of meals, medical attention, therapy and exercise.

For more information, we invite you to call Joyce Hardin, Administrator of Munday Nursing Center, (817) 422-4541, or Emily Tripp, R.N., State Coordinator of Home Health Services, (817) 274-9823. Home Health Care is a service we truly believe in because it can and does enhance the human dignity of every individual we care for.

CHARLES BAKER INSURANCE

ATTENTION FARMERS:

All-Risk Crop Insurance

I will be selling and servicing Multi-Peril (All Risk) Crop Insurance on Cotton, Grain Sorghum and Corn for 1983.

SOME IMPORTANT CHANGES FOR 1983

Cotton will have only two stages. First stage is 50 days after planting or the date the first blooms are shed and will pay 60% of guarantee. After this is Second stage and will pay 100% of guarantee.

Neither Cotton nor Corn has to be harvested to be eligible for maximum indemnity.

You can qualify for increase coverage WITHOUT increase premium with Individual Yield Coverage Plan.

The ASCS office must be notified NOW in order to get necessary forms for your individual production yield.

APRIL 30 is the last day coverage may be purchased for 1983 crops in our counties.

Backed by my 28 years in the Insurance business, I believe I can offer you the information necessary for you to make a decision on Multi-Peril Crop Insurance.

May we help YOU . . .

Junior High Track Boys Run In Electra Meet

The seventh and eighth grade track teams participated in a meet at Electra on Thursday, April 14. These teams have not had much practice in meets this year, but several members did well enough to place at Electra. Coach Rogers Lankford accompanied the boys.

In the seventh grade division, Trey Thompson was second in the 400 yard dash with a time of 1:07.56, and Gary Welch was fourth in this event with 1:09.13.

Jo-Jo Stinnett was third in the high jump with 4'8". Joe Bejar was third in the 200 yard dash with a time of 29.26, and Jo-Jo Stinnett was right behind him at 29.56.

Joe Bejar won fourth in the shot put with 32'11". Gary Hamilton was fourth in the 1600 meter run with a time of 6:06.56, and the 1600 meter relay team, which was composed of Ernest Escamilla, Gary Welch, Trey Thompson and Jo-Jo Stinnett was in fourth place also. Their time was 4:41.93.

In the eighth grade division, Curtis Taylor had first

place wins in the high jump, with 5'4", and the 100 meter dash, with a time of 12.06. J. B. Jones was sixth in the high jump with a five-foot distance, and James Gass was in second place in the 100 meter dash with 12.40.

Anthony Stinnett jumped 18'4 1/2" for second place in the long jump, and Curtis Taylor had 18'2 1/2" for third place. David Hertel placed third in the 110 meter high hurdles with 18.01.

Anthony Stinnett's time of 27.05 was good for fourth place in the 200 meter dash, and James Gass was fifth in this race with 27.18. James was also fifth in the discus, with a throw of 99'2".

The 1600 meter relay team, composed of Douglas Schumacher, J. B. Jones, Jeff Bruce and Curtis Taylor, was fifth in their race with a time of 4:19.40, and Douglas Schumacher and Chris Baker were fifth and sixth, respectively, in the 1600 meter run with times of 5:42.20 and 5:44.05. Reggie Tucker had a sixth place finish in the 400 meter dash, and his time was 1:03.95.

Benjamin News

By MRS. GLADENE GREEN

FORMER RESIDENT DIES
Graveside services were held Wednesday, at the Mule-shoe Cemetery for Erdice Elaine Galloway Watkins of Lubbock. Mrs. Watkins was born on November 14, 1926, in Benjamin and lived here until after her high school days.

She passed away on Tuesday, April 12, in a Lubbock hospital.

She is survived by her husband, Sike Watkins, of Lubbock; a son, Kie of Austin; a daughter, Kim of Austin; her mother, Erdice Melton Galloway of Bartlesville, Okla.; two sisters, Joan Lacy of Dallas and Jean Thompson of Bartlesville. She was a niece of Judge H. T. Melton of Benjamin.

HERE 'N THERE
Patti Trevernia and daughters, Lisa and Andy, of Fredericksburg, Md., have been here several days to visit her parents, Mr. and Mrs. Pate Meinzer.

Recent guests of Mr. and Mrs. P. H. Pierce were Mr. and Mrs. Roy Inman of Ukiah, Calif., Mr. and Mrs. Frank Pierce and Terry of Stamford, Mr. and Mrs. Tracy McNulty, Misty and Bobby, of Plainview, Hammons Pierce Jr. of Megargel, Linda, Marla and Kelly Clark of Abilene, Sally, Jody, Marty and Margaret Walker of Burleson, Mr. and Mrs. H. L. McNulty of Knox City and Mr. and Mrs. Lonnie Vincent, little Lonnie and Jennifer, and Jennifer, Justin and Claudette Pierce of Benjamin.

Mr. and Mrs. W. T. Ward of Pueblo, Colo., visited her brother, H. T. and Kathleen Melton, and other relatives and friends here the first of this week.

Letters To The Editor

The Munday Courier:

I have not lived in Munday since the late 40's, but still enjoy reading the home town paper. Please be sure I get this week's paper; my uncle's obituary will be in it, Litt Lemley. I'm sending the \$9.00 for a year.

Mrs. Lucille Lauderdale
5220 Capistrano
El Paso, Tex. 79924

To The Munday Courier Force:

Greetings to everyone. I hope all of you are in the best of health. My thoughts are so often with my home folks, even though it's several years since I lived there, it's still home to me.

It's time to renew my subscription for another year. I certainly don't want to miss a single issue.

By the way, I happened to come across something humorous the other day, no reflections on elderly people, thought you might want to publish it and a few folks might get a laugh out of it.

My best wishes to all of you.

A friend always,
Ruby Jones Wickham
1276 N. Britain #174
Irving, Texas 75061

(Editor's note - Following is the article Mrs. Wickham sent.)

I am an elderly lady, and I live alone, but I don't get lonely because I have some men friends who keep me company. I wake up with Charlie Horse. I eat meals with Will Power. I spend my days with Arthur Itis and I go to bed with Ben Gay.

Things are not the same. Everything is farther away now than it used to be. It is twice as far to the corner, and they added a hill, I've noticed. I have given up running for the bus. It moves faster than it used to. It seems, too, that they are making stairs steeper than in the old days, and have you noticed the small print they now use in the newspapers?

There is no sense in asking anyone to read aloud, every-one speaks in such a low voice that I can hardly hear them. Even people are changing. They are so much younger than they used to be when I was their age. On the other hand, people of my age are so much older than I am.

I ran into an old classmate the other day and she had aged so much she didn't even recognize me. I got to thinking about the poor thing while I was combing my hair this morning and in doing so, I glanced at my reflection, and confound it, they don't even make mirrors like they used to.

Senior Citizens Enjoy Meeting

The Munday Senior Citizens held their monthly meeting April 7, 1983 in the Community Center, with Virginia Cary presiding in the absence of both the president and vice-president.

Opening prayer was voiced by Bera Spann, followed by the Pledge of Allegiance given in unison.

Minutes of the previous meeting were read and approved. The treasurer's report was given and accepted.

A letter from the Mayor pertaining to Revenue Sharing Funds was read.

Game night for April is the 21st, and the 28th is for singing.

There being no further business, the remainder of the morning was spent singing with Eunice Raynes at the piano and Bera Spann leading.

Grace for the noon meal was given by Leona Blankenship. A delicious meal was enjoyed by all, followed by a period of fellowship.

The meeting adjourned to meet again May 5, 1983 at 10:30 a.m. Any senior citizen will be welcomed.

Virginia Cary, Reporter

Mr. and Mrs. Chan Hughes were business visitors in Wichita Falls one day last week.

Local Woman's Son With Missionary Group In Mexico

Charlie Elliott

One-hundred persons from the First Baptist Church in Midland recently shared their faith and ministered to the physical needs of those less fortunate than they in four primitive villages in Mexico.

Only a river separates San Vicente, Zacatonal, Peidras and La Union from Big Bend National Park and the United States, but in terms of materialism, they are light years apart. Here, entire families spanning several generations share the same mud-thatched homes and walk the same cratered streets, all in a never-ending struggle to survive and find purpose.

Since 1968, First Baptist Church has sought to make their lives a little more comfortable and filled with a

greater awareness of the Creator. The church initially turned toward the lost and needy in Mexico through its Midland Spanish-language mission. For five years its pastor traveled to San Vincente on his own, witnessing, ministering to physical needs and sharing love. In 1968, several other persons felt called to expand the ministry to Mexico, and each spring has seen the missionary work become more expansive.

"We try to minister to the whole man," explained Charlie Elliott, activities director at the church. "We take care of their physical needs first - it's hard to tell a man about God when he's hungry or his teeth hurt."

Hundreds of villagers have been treated by doctors in

the missionary group, and the live birth rate has risen from 50% in 1968 to 90% today because of water wells dug by the missionaries and the water faucets they installed in every home.

But the greatest impact, Elliott said, is the change on the missionaries themselves. "Once you go, it calls you back. You remember the little kids running after the trucks crying, 'We'll see you next year.' It's changed our church from a great one to a greater one through a concern for people all around the world."

(Editor's note - The above article is composed of excerpts from a story by Patrick Dearen, staff writer with a Midland newspaper. Charlie Elliott is the son of Mrs. Evelyn Elliott and the grandson of Mrs. Leoma Tuggle of Munday.)

PUBLIC NOTICES "BECAUSE THE PEOPLE MUST KNOW"

NOTICE OF FINDING OF NO SIGNIFICANT EFFECT ON THE ENVIRONMENT

April 21, 1983, City of Munday, Drawer #39, Munday, Texas 76371, 817-422-4331.

To All Interested Agencies, Groups and Persons:

The above-named City proposes to request the U.S. Department of Housing and Urban Development to release Federal funds under Title I of the Housing and Community Development Act of 1974 (PL 93-383) to be used for the following project:

Street improvements by grading, paving, and curb and gutter work. Project is located in portions of Enum. Dist. 0084 and 0085 in the City of Munday. Included are portions of Cedar, Elm, Fir, Grape and Hickory Avenues and Main, B, D and E Streets. Also included is approx. 3050 LF of widening and reshaping existing earth drainage channels.

It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and, accordingly, the above-named City has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969 (PL 91-190).

The reasons for such decision not to prepare such Statement are as follows:

- (1) Provide better transportation access to and from neighborhood.
- (2) Facilitate drainage runoff during times of heavy rainfall; maintain ingress and egress.
- (3) No negative effects are anticipated beyond short term construction noise and dust.

An Environmental Review Record respecting the within project has been made by the above-named City which documents the environmental review of the project and more fully sets forth the reasons why such Statement is not required. This Environmental Review Record is on file at the above address and is available for public examination and copying, upon request, at City Hall between the hours of 8:30 a.m. and 5:00 p.m.

No further environmental review of such project is proposed to be conducted, prior to the request for release of Federal funds.

All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by the City to the City Hall. Such written comments should be received at City Hall on or before May 9, 1983. All such comments so received will be considered and the City will not request the release of Federal funds or take any administrative action on the within project prior to the date specified in the preceding sentence.

Mayor, James W. Reid
City Hall, P.O. Drawer #39
Munday, Texas 76371 28-1tc

project: B-82-DH-48-9117, Paving and Drainage Improvements, Munday Texas, \$500,000.00.

An Environmental Review Record respecting the within project has been made by the above-named City which documents the environmental review of the project. This Environmental Review Record is on file at the above address and is available for public examination and copying, upon request.

City of Munday will undertake the project described above the Block Grant funds for the U.S. Department of Housing and Urban Development (HUD), under Title I of the Housing and Community Development Act of 1974.

City of Munday is certifying to HUD that City of Munday James W. Reid, in his official capacity as Mayor, consent to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decisionmaking, and action; and that these responsibilities have been satisfied.

The legal effect of the certification is that upon approval, City of Munday may use the Block Grant funds, and HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is one of the following bases: (a) That the certification was not in fact executed by the chief executive officer or other officer of applicant approved by HUD, or (b) That applicant's environmental review record for the project indicates omission of a required decision, funding, or step applicable to the project in the environmental review Process. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), and may be addressed to HUD at 1403 Slocum Street, Dallas, Texas 75207. Objections to the release of funds on bases other than those stated above will not be considered by HUD.

No objection received after May 26, 1983 will be considered by HUD.

James W. Reid, Mayor
P.O. Drawer #39
Munday, Texas 76371 28-1tc

CITATION OF PUBLICATION
STATE OF TEXAS
To: J. Y. Qualls, if alive; if deceased, the unknown heirs of J. Y. Qualls and H. B. Qualls, if alive; if deceased, the unknown heirs of H. B. Qualls, Mrs. H. B. (Josephine) Qualls, if alive; if deceased, the unknown heirs of Mrs. H. B. (Josephine) Qualls, Defendants; Greeting: You (and each of you) are hereby commanded to appear before the District Court of Knox County at the Courthouse thereof, in Benjamin, Texas, by filing a

written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of issuance of this citation, same being the 30 day of May A.D., 1983, to Plaintiff's Petition filed in said Court, on the 13 day of April, A.D., 1983, in this cause, numbered 6941 on the docket of said Court and styled Mollie Collins, a widow, Plaintiff vs. J. Y. Qualls, H. B. Qualls, Mrs. H. B. (Josephine) Qualls and their unknown heirs, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: Trespass to try title in which Plaintiff for cause of action would respectfully show the Court:

1. That on or about the 28th day of September, 1978, she was the fee simple owner of land in Knox County, Texas, as shown by the map or plat of said town which is filed for record in the office of the County Clerk of Knox County, Texas.

2. That Plaintiff claims the land by adverse possession under the three, five and twenty year statutes.

3. That Defendants were the last named owners by deed before the adverse possession began.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Witness, Gloria West, Clerk of the District Court of Knox County, Texas.
Issued and given under my hand and the seal of said Court at Benjamin, Texas, this the 13 day of April, A.D., 1983.

Gloria L. West Clerk,
District Court,
Knox County, Texas 28-4tc

Bill Smith Retires From Telephone Job

Bill Smith, local Communication Technician for General Telephone Co. in Knox City, retired March 31, after completing 32 years service. He was honored with a retirement party on Saturday, April 9, at their new home in Munday, where Bill and his wife, Johnnie, moved in December.

Approximately 35 fellow employees and families attended from Seymour, Haskell, Olney, Aspermont, Rule, Knox City, Munday and DeLeon.

Leroy Clary, Local Manager from Seymour, presented Bill a silver belt buckle with 8 diamonds encircling GTE. Fellow employees presented him a new shotgun.

Bill began work on a Construction Crew for General Telephone in 1952 in Munday. He has worked the last 24 years in Knox City.

Bill and Johnnie Pearl are the parents of two boys, Freddie, a coach in the Grapevine School System, and Glenn, a city patrolman for the City of Stamford. They have four grandchildren.
