Moguls Win Over Paducah, 28-21

Two pass interceptions Friday night by Ray Hernandez, after Munday had taken a 28-21 lead over the Paducah Dragons, preserved the victory for the Moguls.

Munday scored the winning touchdown with 6:46 left in the game. After the kickoff, Paducah ran only three plays before Munday's Ray Hernandez picked off a pass. The Moguls fumbled the

ball, with the Dragons recovering. From the 44-yard line, Paducah picked up two first downs. With time running out on the clock, the Dragons were forced to go to the air.

After completing two passes, one for 18 yards and another for three, and two incomplete passes, Ray Hernandez then intercepted another Dragon pass, this time in

the end zone. Bringing the ball out to the 20-yard-line, the Munday team only had to snap the ball once as time ran out.

The game began with the Moguls receiving the opening kickoff and driving 70 yards in 11 plays to put Munday on the scoreboard for seven as Daniel Serrato scored on a three-yard run.

Paducah came fighting back with Tanner Brown scoring on a 77-yard run to tie the game at 7-7.

Paducah was penalized on the kickoff and Coach Edwards chose to take the penalty. Bobby Dockins broke loose on an 83-yard gallop up the middle of the field, untouched, for Munday's second TD. The extra point sailed wide to make it 13-7.

After forcing the Dragons to

punt, Munday began their next scoring drive at the 15-yard line. Slowed by three penalties for 35 yards, it took thirteen plays to punch out 85 yards. Freddie Sosa carried 21 yards on a pass reception, Dockins picked up 61 yards and Chad James added ten, before Hernandez scored on a seven-yard run. Dockins kicked the extra points for a 21-7 lead.

Paducah set up their next touchdown with a 66-yard drive that took nine plays. Chris Smith crossed the goal line on a four yard run for the Dragon's second TD. Lee Cory kicked the extra point, cutting Munday's lead to 21-14 going into halftime.

In the third quarter, Munday and Paducah exchanged punts and fumbles. After recovering a fumble at their 27-yard line, the Dragons took six plays to tie the game on a 25-yard pass to Paul Ryan with 1:02 left in the period.

Munday's winning score came on the 43-yard line after 14 rushing plays. Bobby Dockins scored from 10-yards out with 6:46 left in the game. Dockins kicked the PAT for a 28-21 Mogul victory.

The Moguls will play their last home game of the season this Friday night as they host the Spur Bulldogs at 7:30 p.m.

COACH'S COMMENTS

We played our best game of the year against an outstanding Paducah squad which was 5-1 going into the game. The Moguls really hustled, trying to contain Paducah's quickness and speed. The offensive line did an outstanding job of picking up their blitzing defenses and we were able to adjust during the game to their offensive successes.

I was real proud of our Moguls when we came back to score the winning touchdown in the fourth quarter after Paducah had tied the ballgame.

Concerning this week's game, Spur has a very quick young team and they are playing very well, although they've given up the big mistake. They're physically whipping their opponents, but losing on the scoreboard. This will be our seniors parents' night game and I know we'll need to play well to beat Spur.

Subscriptions For November Due Now

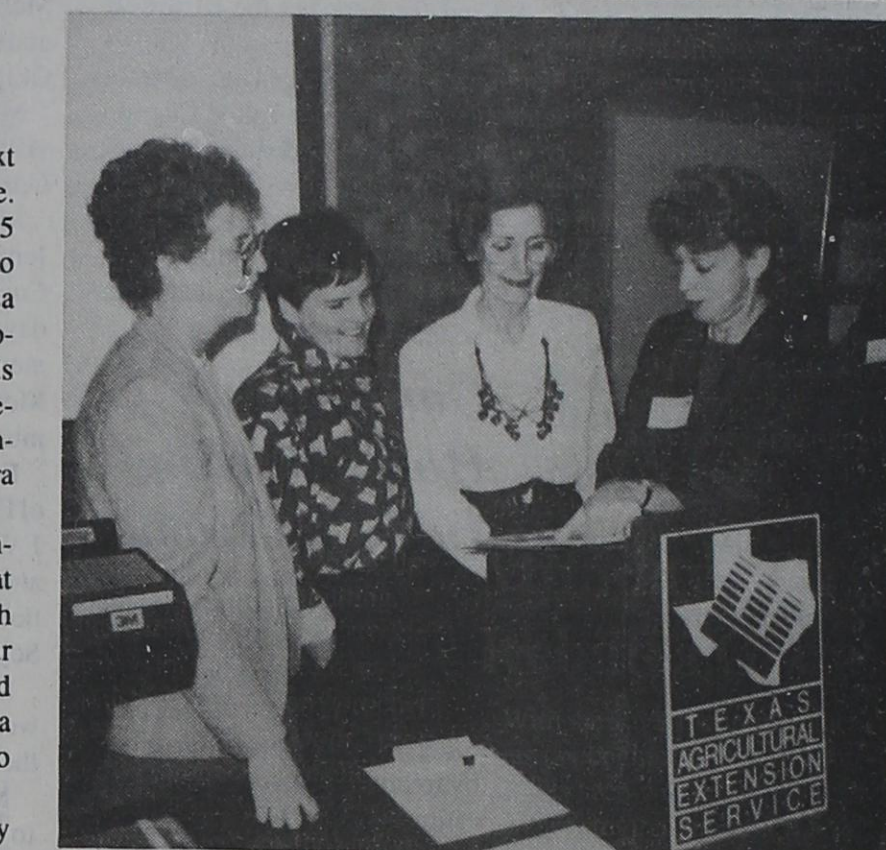

Check the mailing label at the top of your Courier to see if your subscription runs out in November.

Shop At Home And Support Your Town

Are you tired of the seasonal promotions and gimmicks of big city chain stores? Are you tired of walking 'miles and miles' in the mall? Are you tired of paying sales taxes that profit some other city in rebates?

If you answered yes to any of these questions, then perhaps it's time you considered shopping at home. Munday has a lot of pluses to offer the local shoppers.

By staying at home to shop you can indirectly help create new jobs, add additional sales tax

LYNN FITZGERALD, Munday Chamber of Commerce; Candice Morris, Texas A&M; Doris Crownover, Knox City Chamber of Commerce and Susanna Coppemoll, Dept. of Recreation, discuss the festivals and events workshop held last week in Vernon.

Chamber Managers Attend Workshop

A mini-workshop on staging successful festivals and events was conducted Wednesday, October 16, at the Texas A&M Research and Extension Center in Vernon. Community leaders and Chamber of Commerce Managers from 21 Rolling Plains counties attended to gain management skills in conducting events.

The training was sponsored by the Department of Recreation, Park & Tourism Sciences and the Texas Agricultural Extension Service with Texas A&M University. Featured speakers were

Extension Club To Hold Annual Achievement Fair

Knox County Extension Homemakers will hold their annual achievement fair on Friday and Saturday, October 25-26, at the Benjamin Memorial Building.

The public is invited to the Saturday morning program beginning at 11:00 a.m. on "Crochet Baskets" and "Spool Dolls" presented by Lubbock Home Economist, Ann Callaway. Everyone will also want to view the various exhibits made and prepared by Extension Homemaker Club members.

For more information, contact Jane Rowan at (817) 454-2651 or any club member.

Susanna Coppemoll and Candice Morris with the Department of Recreation, Park & Tourism Sciences. Kay Wolf, chairman for the Texas Festivals Association presented effective marketing through promotion, advertising and sponsors. Generating new ideas and effective administration was emphasized throughout the training.

West Texas Utilities sponsored lunch for the workshop participants. Citizens in Knox County can visit with their Chamber of Commerce leaders for specific details about the workshop.

Those attending the training from Knox County were Lynn Fitzgerald, executive vice-president of the Munday Chamber of Commerce and Agriculture, and Doris Crownover, manager of the Knox City Chamber of Commerce.

Munday's Tax Rebates Grow

With the 1.5% increase in local sales tax beginning July 1, Munday has seen a dramatic 15.07% increase in the amount of tax rebates received this period.

Last year at this time, Munday received \$4,001.45 compared to this year's \$4,604.28. For the year to date, Munday shows a 6.65% increase over last year, with \$47,077.65 for 1991 and \$44,142.24 for 1990.

Knox City showed a slight decline of .01% this period, but a 2.47% increase over last year's total-to-date. Goree had a large increase of 29.69% for the period and 9.91% for the year-to-date, while Benjamin reported no rebate for the period, but showed a slight increase of .39% over last year's total-to-date.

Overall, Knox County showed a 6.15% increase in payments this period and a 4.05% increase in year-to-date rebates.

In all, the State Comptroller's office dispersed \$89.1 million to 962 Texas cities that collect sales taxes. This year's total is just over \$1 billion as compared to not quite \$924 million at this time last year, an increase of 10.15% over 1990's payments.

First Baptist Church To Host Revival

Dr. Pete Bradfield has announced that the First Baptist Church in Munday will host a revival from Sunday, October 27, through Thursday, October 31. Samuel E. Tullock, D.D., Director of Missions in Kaufman-Van and Baptist Area, will serve as the evangelist. Music Evangelist will be Rev. Ford Cole of the First Baptist Church in Haskell.

Dr. Tullock has pastored Texas churches in Kyle, Merkel, Taylor, Gatesville, Waxahachie and Orpus Christi. He previously served as trustee for Mary-Har-n Baylor College in Belton for eight years and was a board member of the Baptist General Convention of Texas for seven years. He has conducted revivals

in Texas, Arizona, Ohio, Missouri, New Mexico, Illinois, Utah, Virginia, Washington, Wyoming, Georgia, Wisconsin, Minnesota, California, Colorado, Oregon, Hong Kong and the Philippines.

Dr. Tullock also served on the State Convention Committees to write the State Constitution and

nominate trustees for Baptist institutions. He participated in the New Life Crusades in Japan, Latin-America and Greater Dayton, as well as the Greater California Crusade. He pastored six churches that sponsored Latin-American Missions and conducted a weekly radio program in

Amendments On November 5 Ballot Explained In Courier

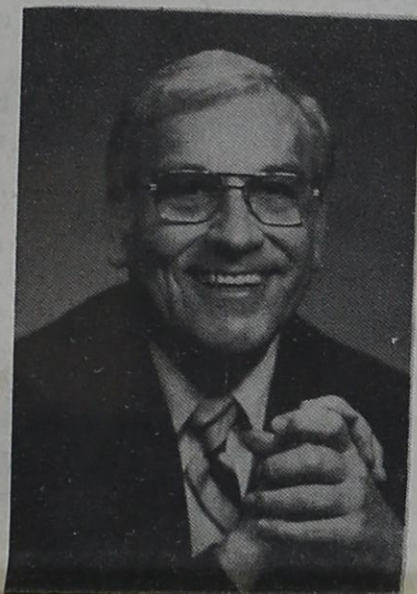

The amendments on the upcoming November 5 ballot have caused some confusion among voters.

In order to help local voters better understand the issues, the Courier has listed an explanation of each amendment in easy-to-understand everyday language. Look for these explanatory statements in this issue of the Courier.

WEATHER REPORT

	TEMPERATURE	
	HIGH	LOW
Oct. 15	80	49
Oct. 16	87	48
Oct. 17	94	58
Oct. 18	94	58
Oct. 19	89	47
Oct. 20	74	46
Oct. 21	83	53
Rainfall year to date 21.93		

DR. SAMUEL E. TULLOCK

Taylor for four years and in Waxahachie for eight years.

The local revival services will be at 11:00 a.m. and 7:00 p.m. on Sunday, October 27, and at 7:00 p.m. on Monday through Thursday. There will also be a Bible study and luncheon Monday through Thursday from 12:00 noon to 1:00 p.m. Nursery care will be provided for all services.

Munday Band To Compete In Region Marching Contest

The Munday High School Purple Cloud Band will compete in the Region Marching Contest this Saturday at 3:50 p.m. at Memorial Stadium in Wichita Falls.

The theme of this year's show is "A Tribute To Texas" and features music with a western touch. The band has been perfecting their show since August, when they began two-a-days before school

It's Time To Turn Back The Clock!

Standard Time Returns

Remember that hour of sleep you lost last spring when daylight savings time went into effect? Well, you're about to get it back this weekend!

Daylight savings time will officially end for another year at 1:59 a.m. Sunday, October 27, and Central Standard Time will resume one minute later at 2:00 a.m.

If you don't plan to be awake at 2:00 in the morning, just set your clock back before retiring Saturday night. If you forget to make the change, you'll be an hour early for church Sunday morning. So, don't forget to "fall back"!

started.

The judging this year will be a little bit different than in years past, as all bands who receive a first division rating and have submitted a letter of intent will be certified to the area contest November 2 in Abilene. At area, only two bands will advance to state unless there are 20 or more bands in Class A who obtain a level one rating. If there are 20 or more first division bands, three will advance to state. (Last year, seven Class A bands from this district received first division ratings.)

Classes 3A, 4A and 5A will compete in the morning, with the Class A and 2A contest in the afternoon. The proposed schedule for Class A bands is as follows:

3:30 p.m.	Windthorst
3:40 p.m.	Throckmorton
3:50 p.m.	Munday
4:00 p.m.	Muenster
4:10 p.m.	Knox City
4:20 p.m.	Crowell
4:30 p.m.	Paducah
4:40 p.m.	Petrolia

Those who have been to marching contests in the past know that the schedule is flexible and may not be exact. So be there early and support our band!

Icelanders read more books per capita than any other people in the world.

VERA NEWS
By Mrs. Thelma Coulston

Mrs. Sabra Rice returned home Saturday from a two week visit in the home of a sister, Mrs. Kathryn Tillotson in Milford, Ohio.

Mrs. Corinne Parrish of Franklin has been spending a few days visiting her brothers, the J Winston Feemsters and Clyde Feemsters, and her mother, Mrs. Lona Feemster, in the Brazos Valley Care Home in Knox City.

Mrs. Aleitha Beck and Mrs. Carl Coulston attended the Historical Marker Workshop in the fellowship hall of the First United Methodist Church in Knox City on Tuesday. The workshop was sponsored by the Knox County Historical Commission and the Texas Historical Commission. Mrs. Nancy Marble of Floydada was the featured speaker.

Garden Club Holds Meeting In Offutt Home

The Munday Garden Club met Tuesday, October 15, in the home of Mrs. J.T. Offutt for a salad luncheon.

Each member answered roll call by telling about something interesting that she had seen recently.

During the summer, members helped the businesses water the outdoor planters twice weekly. The Garden Club also purchased the dwarf crepe myrtle shrubs for the Downtown Park.

Members brought miniature flower arrangements to the meeting and there was discussion concerning the proper size and shape of such arrangements.

The next meeting will be Tuesday, November 5, in the home of Mrs. Weldon Floyd. Visitors and new members are always welcome.

The video cassette recorder was invented in 1961.

Mr. and Mrs. Punk Jennings of Idabel, Oklahoma, visited his sister, Mrs. Bertha Faye McKinney. Friday afternoon they drove to Rule to see Punk and Bertha Faye's mother, Mrs. Willie Jennings, and attended the Alexander family reunion at the Lions Club building Saturday and Sunday.

Rev. Delmer McBeath is spending this week in the home of his brother, Mr. and Mrs. Jelly McBeath in Vernon. Jelly will undergo knee surgery in Altus, Oklahoma on Wednesday.

Mrs. Bertha Faye McKinney visited Friday with Mrs. Mary Lou Gore in Seymour.

Mr. and Mrs. Gaylon Scott, Mrs. Jerrell Trainham and Mrs. Carl Coulston were in Benjamin Friday morning where they attended memorial services for Collins Moorhouse in the Benjamin Community Center.

Edward and Annie Mae Toles of Emory were recent visitors with J Winston and Robbie Feemster and attended the singing convention at the senior citizens center in Seymour.

Mr. and Mrs. Harold Beck were weekend visitors of a daughter, the Bill Hawley family, in Austin.

Mrs. Barbara Coulston returned to her home in Odessa Saturday after spending a few days with her mother, Mrs. Nora Mae Townsend, who underwent hip surgery in the Seymour hospital. Mrs. Carla Crawford of Lubbock spent Saturday thru Monday with her grandmother.

Mr. and Mrs. Jerrell Trainham and Jerrell Wendell were among the crowds that witnessed the Air Force Aerial demonstration by the "Thunderbirds" at Sheppard Air Force Base Saturday afternoon.

Mrs. Violet Patterson spent Tuesday thru Sunday in the home of her mother, Mrs. Tom King in Munday. Mrs. Reba Nix and Mrs. King brought her home Sunday afternoon.

LOOK WHO'S HERE

Matt and Pam Searcey of Olney are proud to announce the arrival of their son, Eric Matthew.

Eric made his arrival at Wichita General Hospital in Wichita Falls at 6:40 p.m. on Sunday, October 13, 1991. He tipped the scales at 6 lb. 13 oz. and stretched out 19 1/2 inches long.

His sisters, Terra and Samantha, are proud to have a baby brother in the family.

Waiting for babysitting duty are his grandparents, Mr. and Mrs. Wilmer Strader of Lyford and Mr. and Mrs. C.E. Searcey of Munday.

Eric shares the same birthday with his great-grandfather, Frank Omen of Haskell.

Texas Ag Forum To Meet Soon In Lubbock

Several items causing concern among farmers, ranchers, agribusinesses and governmental officials will be discussed during a meeting of the Texas Agricultural Forum on Monday, November 4, in Lubbock.

The meeting, at the Holiday Inn-Civic Center at 801 Avenue Q, is one of a series held each year for leaders of government, business and all facets of agriculture. It will begin at 7:45 a.m. and adjourn at 4:00 p.m. The registration fee of \$25 is payable at the door and includes lunch.

THE CLASS OF 1956 had the third place float in the 1991 Munday Homecoming Parade. Lots of hard work, creativity and fun went into this salute to the past, and a picture just doesn't do it justice! Congratulations to the Class of '56!

Goree To Host Carnival And Hamburger Supper

Ghosts and goblins beware! It's time for the Goree PTO Halloween Carnival!

The carnival will be held this Saturday, October 26, in the school gym. The night's festivities will begin with a costume contest for infants through adults, sponsored by the Goree PTO, at 6:30 p.m. The carnival will follow with lots of games for all ages.

The Goree High School Parents Club will also host a Hamburger Supper, featuring hamburgers, french fries and iced tea, in the cafeteria. Proceeds from this event will go to the high school prom. Individual slices of homemade pie and other goodies will also be available to tempt you.

LOCAL

Visiting in the home of Doug, Nahwana and Zane Donoho over the weekend were Zonelle Duke, Chuck and Jerilyn Miller, David and Peggy Alred, Don Duke, and Ronnie and Frankie Carlile, all of Ft. Worth, Charles and Linda Donoho of Templeton, California, Tony Max Donoho of San Marcos, California, Randy and Kathy Haines of Azle, and Jay Donoho of Waco.

Most animals of the desert have small bodies. Their size helps them escape from the desert heat. Some animals dig into the ground while others find shade under brush or rocks.

Sitatunga, an African antelope, has the rare ability to sleep under water.

The most common first name of U.S. presidents is James.

Letters To The Editor

Dear Editor,
I want to thank everyone who had any part in preparing the homecoming parade. It was just beautiful and I know a lot of planning, time and expense went into putting it together. It is something we will all remember for some time.

I brought back memories of times long ago when in 1924 we arrived in Munday. The town was over-run with wagons and horses, buggies and some cars. You just couldn't find a place to park.

That was when there were still some board sidewalks. The streets

were full of chug-holes. You had to go down in low gear to keep from sticking in the mud.

Our kids were raised on the City Hall lawn under the big trees where the fish ponds were.

All this traffic and so many people darting here and there in a hurry getting located for the homecoming parade brought back many lovely memories.

"We had a ring-side seat and enjoyed every bit of it."

LOOK WHO'S HERE

Falon D'Nae Sisneros would like everyone to know that she has a new baby sister, Tami R'Nae.

Tami was born October 10, 1991, at 6:20 p.m. in Women's and Children's Hospital in Odessa. She weighed in at 8 lbs. 2 ozs. and was 20 3/4 inches long.

Proud parents of this beautiful angel are Jeff and Leslie Sisneros of Midland.

Grandparents are Mr. and Mrs. Joe Sisneros of Snyder and the late Zane and Martha Franklin of Munday. Great-grandparents include Mr. and Mrs. Arsenio Manzanares of Littlefield, Mrs. Celestina Sisneros of Las Vegas, New Mexico, and the late Mrs. Jimmie Bullington of Munday.

Tami also has many aunts, uncles and cousins...not to mention her loving and helpful big sister...who are waiting in line to spoil her. What more could you ask for?!!

Old Glory Musical Slated For Saturday

The Old Glory Musical will be held Saturday night, October 26 in the Old Glory Community Center. The concession stand will open at 5:30 p.m. and the music will start at 6:30 p.m.

There is no admission charge and everyone is welcome. Interested singers or musicians may call (817) 989-2925 or 2760.

Jewel Searcey Snider and daughter, Pat and Ralph Dugger, all of Dallas, visited Ruth Griffith and other friends and relatives over the weekend.

It's A Girl!

Ernest and April Escamilla are very proud to announce the arrival of their daughter, Ellen Dan'l. Ellen was born Wednesday, October 9, 1991, at 10:27 a.m. in Humana Hospital in Abilene. She tipped the scales at 7 lbs. 5 ozs. and is 20 inches tall.

Proud grandparents are Troy and Paula Nuckols and Sylvio and Mary Escamilla, all of Munday. Great-grandparents are Mr. and Mrs. Jack Nuckols and Mrs. Jolma Hill, also of Munday. Ellen is also blessed with two great-grandmothers, Mrs. E.V. Shackelford of Munday and Mrs. Ellen Brown of Seymour.

Ellen is named after her mother, April Dan'l, and her great-great-grandmother, Ellen Brown, who is 95 years old. She also has lots of aunts, uncles and cousins on hand ready to help spoil her. A girl could get used to this much attention!

Services Held For Bernice Webb, 48

Bernice P. Webb, 48, of Rochester, passed away Wednesday, October 16, in the Haskell hospital.

Graveside services were conducted at 1:30 p.m. Friday, October 18, in the Rochester Cemetery with the Rev. Kathryn Byrd officiating. Arrangements were under the direction of Smith Funeral Home of Knox City.

Mrs. Webb was born September 30, 1943, in Rhineland. She was a member of the Catholic Church. She and Buford Wayne "Shot" Webb were married June 14, 1966, in Stonewall County. He preceded her in death in 1989.

She is survived by a son, Matt of Rochester; and four sisters, Margaret Thomas of Kermit, Joyce Weir of Fort Worth, Elnora Bryant of Nocona, and Dorothy Browning of Lawton, Oklahoma.

ASCS News

John Rector
County Executive Director

Wetlands

I hate to keep harping on wetlands and highly erodible land, but this is serious business and can result in loss of program benefits and substantial penalties if plans are not followed. We have received the following information from the Soil Conservation Service (SCS) concerning wetland determinations that is of vital importance to you if you have wetlands on your farm.

(1.) Producers who have received wetland determinations of prior converted cropland (PC) or farmed wetland (FW) must plant an agricultural commodity within five years of (1) the last year that ASCS has a record that a commodity was planted in the field or (2) the last year that the field was enrolled in a set-aside program, such as CRP, ACR, or conserving use for pay. If cropping history or participation in a set-aside program within five years cannot be verified, the field may have to be reclassified as a wetland, and agricultural uses will be restricted in order to maintain program eligibility. If you have any questions, come by or call the SCS office.

(2.) SCS is in the process of

certifying wetland determinations made before 11/28/90. If producers do not request a re-determination within 45 days of this notice, SCS will notify ASCS that determinations are final. The law requires ASCS to maintain a list of certified wetland determinations for this county.

(3.) Conversion of wetlands after 11/28/90 to produce annual crops, pasture or hay will result in loss of USDA program benefits. However, conversion to non-agricultural uses will not result in loss of benefits, if producers receive prior approval. Producers planning to construct buildings or roads, plant trees, build ponds or carry out similar activities in wet areas that might be wetlands should come by the SCS office before starting. If these wet areas are wetlands, and the activity qualifies for an exemption, SCS can help producers with the necessary paperwork.

(4.) Producers planning to maintain drainage systems, canals or other water conveyance systems should come by the SCS office to make sure that wetlands are not drained or reduced in size. Systems that have been in place since 12/23/85 can be maintained to original capacities, but enlarging older systems or constructing new systems can result in loss of USDA program benefits.

Sarpalius Files Bill To Protect Funding For Small Hospitals

Congressman Bill Sarpalius recently filed a bill in the U.S. House of Representatives that would prohibit the Department of Health and Human Services (HHS) from implementing rules that would block nearly \$6 million in federal funding for hospitals in the congressional district and permanently close the door on another \$63 million annually for those same hospitals.

"The Health Care Financing Administration (HCFA) of HHS has filed regulations indicating they would cease funding Medicaid disproportionate share hospital matching funds on December 31," Sarpalius said, "and that could result in the loss of nearly \$70 million in matching funds for our area during 1992."

Sarpalius (D-Amarillo) explained that "disproportionate

share payments" are joint state-federal supplemental Medicaid payments to hospitals which serve a disproportionate number of low income patients. The funds would be distributed to more than 16 hospitals throughout the district.

"This bill -- if enacted -- would make the current administration honor its commitment to assist those urban and rural hospitals which end up serving a larger percentage of low income patients through the federally mandated Medicaid Program," Sarpalius said. "I am deeply disturbed that this administration continues to pull the rug out from under our state and local governments by continually withdrawing federal matching funds from programs that the federal government mandates."

Sarpalius pointed out that his

proposed legislation specifically would assure Texas of continuing to receive more than \$117 million annually in HCFA matching Medicaid funds, of which \$5,938,155 would go to area hospitals under Texas' DISPRO I and II programs.

The bulk of the funds for the 13th District at issue in this dispute involve Northwest Texas Hospital in Amarillo and University Medical Center in Lubbock, each of whom is scheduled to receive millions of dollars under the DISPRO programs.

"These are big amounts of

money and this issue concerns me greatly," Sarpalius said. "Of equal concern to me is the fate of the 10 small, rural hospitals currently receiving DISPRO I funds and those ten, plus three other rural hospitals that would receive the DISPRO III funds."

"These expected monies will likely provide the difference between life and death for many of these small hospitals," Sarpalius said.

The Knox County Hospital would receive \$88,460 under DISPRO I and \$24,107 under DISPRO III.

Munday JV Falls To Paducah, 22-14

By MHS Journalism Class

The Munday JV fell to the Paducah Dragons, 22-14, in last Thursday's match at Munday's stadium.

The Moguls scored both touchdowns in the first quarter to jump into the lead 14-0. Dustin Kiser crossed the goal line from the one-yard line after setting up the score with a 50-yard run. Jake Jordan scored the extra two points with the option play.

Jake Jordan raised the score with Munday's second touchdown from the five-yard line. Dustin Kiser had set up this run with another long drive. The extra point attempt failed.

Paducah evened the score in the second quarter with two touchdown passes. Their first extra point attempt failed, but the second run was successful.

The half time score was 14-14.

Paducah once again scored as the third quarter ended. The extra point try failed.

Munday's Chad King caught a pass and carried it to the three-yard line. Paducah held the

Moguls as time ran out in the game.

Several key plays from Moguls kept the contest exciting. Terry Tomlinson picked off a Paducah pitch out on an option play. Jason Zeissel grabbed possession as several Moguls stripped Paducah's runner of the ball. Ray Martinez recovered a Paducah fumble.

Munday JV's record now stands at 3-2-1. Munday will travel to Paducah for a rematch on Thursday, October 24.

DARLYNE PHILLIPS and her daughter, Donna Scott, display their winning entries from the Crosby County Fair. Mrs. Phillips, a longtime Munday resident who currently resides in Crosbyton, won first, second and Grand Champion for her counted cross stitch scenes. Mrs. Scott was awarded first, third, and Grand Champion for her painted T-shirts.

At Your Service

by Dr. Larry Fitzgerald
Minister, Munday Church of Christ

Q: Why did Sarah give her handmaid to her husband to produce a child?

A: In ancient middle eastern culture a son was the most desired of any family, mainly because it was the son (or sons) who took care of the parents in their old age. Abraham and Sarah were elderly and had not produced any children. Therefore, according to custom, a wife could have her husband "marry" her slave and produce children which would belong to the slave-owner. That's why Sarah (Sarai) said to her husband: "Behold now, the Lord has prevented me from bearing children; go into my maid; it may be that I shall obtain children by her" (Genesis 16:2).

Since slaves were owned by their masters, it was up to the masters to decide whom the slaves would marry. Sarah gave her slave to Abraham to become his second "wife". A slave-wife was known

as a concubine and her rights were protected by the Old Testament law (Exodus 21:7ff; Deuteronomy 21:10-14).

While bigamy was allowed under the Old Testament law (Deuteronomy 21:15, etc.), God has always preferred monogamy. In fact, the Bible uses monogamy as the symbol of the union of God with his nation under the Old Testament (Hosea 2:19; Jeremiah 3:14; 31:32; Isaiah 54:5) and as the symbol of Christ and the Church in the New Testament (Matthew 9:15; 2 Corinthians 11:2; Ephesians 5:23-32; Revelation 19:7). Therefore Christians are to have one spouse unless scripturally divorced or widowed (Matthew 5:31-32; 1 Corinthians 7).

If you have a question for this column, write Larry c/o Box 211, Munday, TX. 76371.

Hall Twins To Celebrate 90th Birthday Sunday

The Hall twins, Clarice and Clara, were born October 31, 1901, in Anson to Alonzo and Adaline Hall. The girls, along with siblings, Neva Hall, Paul and Richard Hall (now deceased) and Lois Trimmier, grew up in Rule.

This Sunday, October 27, a celebration is planned in honor of the 90th birthday of the twins, Clarice Mitchell and Clara Cross. The family cordially invites everyone to join in the celebration at the Perry Patton Community Center in Munday from 3:00-4:00 p.m.. Your presence is the only gift requested.

NURSING CENTER NEWS

By Virginia Williams

Marie Smith and Helen Patterson called bingo Tuesday, October 15. Lillie Parker won the blackout game.

Gorin Rutherford, speech pathologist of Abilene Health Focus, is helping Mrs. Johnson and Mrs. Boger on Tuesday and Thursday afternoons.

Essie Mae Moore and Leola Hardin of Seymour visited Donna Couch and Mamie Fitzgerald.

The ladies from the First Baptist Church hosted the birthday party. Those who had birthdays in October were Euris Reid and Ray Harden, October 1, and Fleta Mayo, October 10.

Mr. and Mrs. Orval Wilson of Ft. Worth came to see his sister, Edith Runnels on Saturday afternoon.

Leona Blankenship of Munday is a new resident in the Nursing Center.

Charles Taylor Hutchinson of Louisiana came to see his mother, Helen Hutchinson, for the week-

end.

Henry Liberda of Wichita Falls came to visit his uncle, Joe Kubena, on Monday.

Everyone enjoyed the Saturday afternoon singing. Ruby Mers played the organ and Eunice Raynes played the piano. Virginia Cary shared a reading from the Guidepost. After repeating the 23rd Psalms, we sang several songs and Ruby Myers gave the closing prayer.

M.B. Caughran (Class of '35) of Lubbock and Elzie Hughes of Brownfield were her for Homecoming. They visited Edith Runnels, Mary Johnson, Merle Dings, Clarence Booe and Dessie Decker.

Calendar Of Events

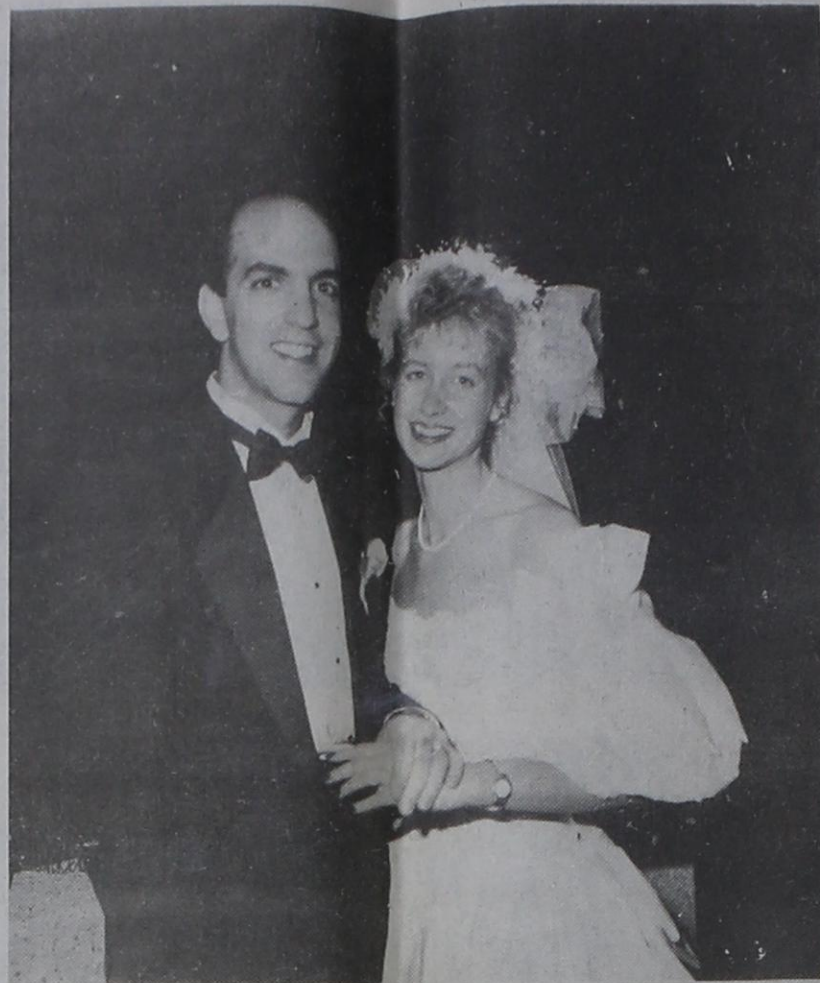

Thursday, October 24 - Munday Jr. High and JV play at Spur beginning at 5:00 p.m.

Friday, October 25 - Munday Moguls vs. Spur Bulldogs, here at 7:30 p.m.

Saturday, October 26 - Region Marching Contest at Memorial Stadium in Wichita Falls.

Monday, October 28 - Munday Volunteer Fire Department meets.

Tuesday, October 29 - Lions Club meets at noon.

MR. AND MRS. OMAR CHOUCAIR
...nee Allison Barto

Barto-Choucair Wed In April Ceremony

Allison Barto and Omar Choucair were united in marriage April 27, 1991, at 7:00 p.m. in the Spring Valley United Methodist Church.

The bride is the daughter of Bill and Louise Barto of McLean, Virginia. The groom's parents are Selma Choucair of Munday and the late Joe Choucair.

Georganne Bolte of Houston served as maid of honor, while Dr. Ramsey Choucair was his brother's best man.

Other attendants to the couple were Teri Lazarus of Seattle, Amy Hummer of Dallas, Jill Manning of New York, Keith Sanders of San Antonio, David Shaw of Houston and Gary Gray of Odessa.

Montie McAfee of Richardson, Lenny Welch of Fort Worth and Tim Smith of Dallas served as ushers.

The ceremony was followed by a reception at the Richardson Women's Club. After a trip to Hawaii, the couple now make their home in Plano. Both are employed by the accounting firm of KPMG Peat Marwick.

First United Methodist Church

Munday, Goree Loren Gardner, pastor

I Am Your Church

I am your Church. I am here because you built me. I am your Church. I am here not simply to adorn, but to serve. Your children and youth come to learn the ways of honesty, morality and religion. Your brides and grooms come to my altar that their weddings may be hallowed and sweetened by divine blessings.

I am your Church. I comfort your sick and sorrowing. I bury your deceased and offer solace and rest to the weary. I am your Church. My doors are open to all...rich or poor, bond or free. My pulpit rings out messages of good will to all, peace and par-

don, and of a Savior's love to all. I teach you the way of life and guide you on the road to heaven.

I AM YOUR CHURCH. COME AND WORSHIP WITH ME; SUPPORT ME; AND I WILL SERVE YOU ALL YOUR DAYS ON THIS EARTH AND BEYOND.

We hope to see you in your Church in Study and Worship this Sunday!

Farm and Ranch Report

By Donnie Peters

Wheat Pests Causing Problems

The 1991-92 wheat season is well on its way as many producers of Knox County have finished sowing winter wheat and stands are up, growing and approaching need for additional moisture.

But, somehow everything in the wheat season is not going well. I'm referring to the amount of insects being found in wheat fields.

Many producers, such as Bob Moore and Marvin Zeissel of Rhineland and Kynn Patterson of Benjamin, have had pest problems, primarily Army worms.

Army worms are the immature stages of dull colored, nocturnal moths. Several species of army worms damage small grains. Army worms range in color from pale green to brown or black and often are striped with white to yellowish lines from head to tail.

Army worm outbreaks are favored by cool, damp weather. Caterpillars are attracted to green, lush growing small grains. True to their common name, army worms may attack small grain fields in large numbers, devouring all plant material in their path. In taller, more mature small grains, army worms may feed before the crop canopy causing extensive damage before being detected. Periodic, careful inspection of small grain fields is strongly advised. Early army worm detection is also important because small larvae are more easily controlled with insecticides. Small army worms are often difficult to find. When inspecting, search the ground for these small green

worms. Where four to five larvae per square foot are found and seedling stand loss and foliage loss on older plants occur, control measures are recommended.

Approved insecticides, applied by aerial or ground methods, effectively control most species of army worms. Application rates should be sufficient to penetrate the crop canopy in small grains. Applications of approved pesticide impregnated baits are also effective in controlling army worms.

Mike and Arlin Kinnibrugh of Vera have had problems with grubs, a pest that seems to annually infect the same areas of fields.

White grubs are the larval stage of May or June beetles. Larvae are characteristically "C-shaped" with a white body and tan to brown head. The last abdominal segment is clear, allowing dark digested material to be seen. Larvae vary in size according to age and species.

Damage to plants results from larvae feeding on the roots. Small seedlings are often killed, resulting in stand loss. Severely pruned roots of larger plants result in stunting and increased susceptibility to drought conditions.

As soil temperatures decrease in the fall, white grub feeding decreases and larvae migrate deeper into soil. Where white grubs are a problem, delayed planting, until downward migration occurs, may assist in stand establishment. Seed and planter box insecticide treatments are not effective in controlling white grubs.

Greenbugs are also increasing in fields.

While walking diagonally across the field, make a minimum of five random counts per 20 acres of field area, each consisting of one linear foot of row. Greenbugs can be counted on small plants. On larger plants, slap the plants against the ground to jar greenbugs loose for counting. If greenbugs are numerous, estimate the number present. Make counts during the warmest part of the day when greenbugs are most likely to be exposed on the above ground part of the plants. During periods of cool, dry weather,

greenbugs may congregate in loose soil at the base of plants, making detection and chemical control difficult.

The need for applying the insecticide depends on the number of greenbugs present, size and vigor of plants, temperature, time of year, moisture conditions, stage of growth and effectiveness of parasites and predators. Irrigated small grains can withstand larger greenbug populations than dry-land small grains without yield loss.

It is impractical to outline specifically all conditions under which insecticides should be applied for greenbug control. However, information in the following table may serve as a general guide in determining the need for treatment.

Plant Height (inches)	No. of greenbugs per linear foot
3 - 6	100 - 300
4 - 8	200 - 400
6 - 16	300 - 800

The appearance of dead plants by greenbug feeding in spots within the field also may indicate a need for treatment. Occasionally, populations of 25-50 greenbugs per foot of drill row in very young small grain plants may warrant treatment.

Low temperatures will slow the activity and effectiveness of most

insecticides; therefore, it will take longer for them to kill when the temperature is low. It may take twice as long for an insecticide to kill at 45°F. as it would at 70°F. For best results, apply control chemicals when temperature is about 50°F. If you must apply them when the temperature is low, apply the highest rate recommended.

Terry and Karen Gray of Rhineland are proud to announce the arrival of their daughter, Tanya Faye. She was born at 9:59 a.m. Tuesday, October 1, 1991 at Wichita General Hospital in Wichita Falls, Texas. The scales tipped to 9 lb. 9 oz. and she measured 20 inches long.

Tanya has a big sister, Kala, who is 4 years old, and a brother, Kole, who is 2.

Grandparents are Louis and Margaret Urbanczyk, and Joe and Marguerite Gray, all of Goree. Great-grandparents are Annie Urbanczyk and Johnnie Gray of Munday, and Felton and Theda Jackson of Goree.

We want to send a heartfelt thank you to our family and the many friends who made our 50th wedding anniversary so special. We'll long remember this day and cherish your presence at the reception, all the phone calls, cards and gifts. A special thank you to our children and grandchildren who worked so hard to make this all possible.

Jack & Berniece Steward

SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS For the November 5, 1991, Election John Hannah, Jr., Secretary of State

This November, Texas will have the opportunity to vote on 13 proposed amendments to the Texas Constitution. To help you make informed decisions on these propositions, we present the following summaries of the proposed amendments. Below you will find the proposition as it will appear on the ballot followed by a brief description of the effect the proposition will have if it is passed.

Proposition 1:

"The constitutional amendment allowing home-rule cities with a population of 5,000 or less to amend their charters by popular vote."

Summary: A home-rule city is a city that is able to govern itself, generally through the actions of a city council or commission. To become a home-rule city, a city must have a population of at least 5,000, it must hold an election to become a home-rule city, and the measure must pass by a majority vote. Once a city becomes a home-rule city, it may adopt a charter, and this charter may be amended through an election every two years. However, under current law, if the population of a home-rule city falls below 5,000, the city is no longer allowed to amend its charter. If passed, this amendment would allow home-rule cities whose populations have fallen below 5,000 to continue to amend their charters through elections.

Proposition 2:

"The constitutional amendment mandating the repayment to the Department of Transportation of monies expended to assist the Texas Turnpike Authority in the construction, maintenance, and operation of turnpikes, toll roads, and toll bridges."

Summary: If passed, this amendment will allow the legislature to authorize the Texas Department of Transportation to spend money on turnpikes, toll roads, or toll bridges of the Texas Turnpike Authority. The Department of Transportation may use any available money that it has for this purpose. However, if the Department of Transportation uses money from the state highway fund, this money must be replaced by money collected by the Texas Turnpike Authority from tolls and turnpike revenue. Currently, the state is not allowed to use any public money to build or maintain toll roads or turnpikes.

Proposition 3:

"The constitutional amendment to authorize the legislature to further implement and enhance the administration of the veterans' housing assistance and land programs and to expand the investment authority of the Veterans' Land Board."

Summary: If passed, this amendment would ease the restrictions on how the Veterans' Land Board can invest money from the Veterans' Land Fund and the Veterans' Housing Assistance Fund. The board may invest any money that is not to be used for the payment of principal and interest on bonds, the purchase of lands, or the payment of expenses. In addition, the board is no longer limited to investing this money in bonds or securities of the federal government.

Proposition 4:

"The constitutional amendment authorizing the issuance of up to \$1.1 billion in general obligation bonds for acquiring, constructing, or equipping new prisons or other punishment facilities to confine criminals, mental health and mental retardation institutions, and youth corrections institutions, for major repair or renovation of existing facilities of the institutions, and for the acquisition of, major repair to, or renovation of other facilities for use as state prisons or other punishment facilities."

Summary: If passed, this amendment will allow the state to issue up to \$1.1 billion in general obligation bonds. The money from selling these bonds will be used to acquire, construct, or equip new prisons and substance abuse facilities, mental health and mental retardation institutions, and youth corrections institutions. This money will also be used to repair and renovate existing facilities. The bonds and interest on the bonds will be paid from the first money coming into the state treasury that is not set aside by the state constitution for other purposes.

Note: A general obligation bond is a bond that is repaid from the State's general revenue fund. Most of the money in this fund comes from state taxes and fees.

Proposition 5:

"The constitutional amendment authorizing the exemption for ad valorem taxes of certain property in an enterprise zone."

Summary: This amendment deals with property owned by an individual or organization that does business in an enterprise zone. If passed, this amendment would allow a county, a junior college district, or a municipality to exempt certain personal property from ad valorem taxation. To be exempt from this tax, the following conditions must be met: (1) the property must be acquired or brought into the state in an enterprise zone to be forwarded outside the state; (2) the property must be assembled, stored, repaired, maintained, manufactured, processed, or fabricated in the enterprise zone; (3) the property must be transported outside the state within 175 days after being acquired or brought into an enterprise zone; and (4) the person who acquired or brought the property into an enterprise zone is in a qualified business.

The purpose of this amendment is to encourage economic development in enterprise zones. Because some personal property will not be taxed, it will be less costly to operate a business in an enterprise zone.

Notes: An ad valorem tax is a tax imposed on the value of property. An enterprise zone is an area that has substantial poverty, unemployment, and economic distress. A qualified business is a business that is actively engaged in a new business in the enterprise zone or is expanding a business that is already active in the enterprise zone. "Enterprise zones" and "qualified businesses" are designated by the Texas Department of Commerce.

Proposition 6:

"The constitutional amendment creating the Texas Ethics Commission and authorizing the commission to recommend the salary for members of the legislature and the lieutenant governor, subject to voter approval, and to set the per diem for those officials, subject to a limit."

Summary: If passed, this amendment will create a Texas Ethics Commission that is established by the Texas Constitution. The commission will consist of eight appointed members. These members will be selected by the Governor, the Lieutenant Governor, and the Speaker of the House from lists of names submitted by legislators from each major political party. This commission can recommend the salary of the members of the legislature. It can also recommend that the salary of the Speaker of the House and the Lieutenant Governor be higher than the salary of the other members. If the commission recommends a change in salary, the voters of the state will be able to accept or reject the salary change at the next general election for state and county officers. If the voters approve the recommended salary, the salary will take effect on January 1st of the next odd-numbered year. If the voters reject the salary, the salaries would remain the same. In addition, the commission can set the per diem of the members of the legislature and of the Lieutenant Governor. This per diem could be raised or lowered every two years, as necessary. The commission will also have other powers and duties as provided by Senate Bill 1, 72nd Legislature, Regular Session (the ethics bill). Finally, this amendment provides that an increase in the Lieutenant Governor's salary will not disqualify a legislator from becoming Lieutenant Governor.

If this amendment does not pass, there will still be a Texas Ethics Commission that is established by statute. This commission could not set the per diem of the members of the legislature.

Note: A commission that is established by the Texas Constitution can only be repealed by the voters. A commission that is created by statute can be repealed by the legislature.

Proposition 7:

"The constitutional amendment to allow the board of trustees of a statewide public retirement system to invest the funds of the system in a manner that the board considers prudent."

Summary: If passed, this amendment will change the way in which the board of trustees of each statewide public retirement system can invest the system's funds. Currently, a board can only invest its retirement funds in securities (stocks, bonds, etc.). However, if this amendment passes, a board may invest its retirement funds in any way that it thinks is prudent.

Proposition 8:

"The constitutional amendment authorizing the voters of this state to consider state debt questions in the form of ballot propositions that must clearly describe the amounts, purposes, and sources of payment of the debt only after approval of the propositions by a two-thirds vote of each house of the legislature."

Summary: This amendment deals with the way that voters will vote on legislative action that would create a debt for the State. Currently, all propositions that create state debt must be approved by two-thirds of each house of the legislature and by a majority of voters during a constitutional amendment election. When these propositions are passed, they actually become part of the state constitution.

If passed, this proposition would still require propositions that create debt to be approved by a two-thirds vote of the legislature and a majority of the voters. However, when these propositions are passed, they will not become part of the state constitution. Instead, they will be enacted by statute. In addition, when the proposition is placed on the ballot, it must clearly describe the purpose of the debt, the cost of the debt, and how the debt will be repaid. The amount of the debt in the proposition can not be exceeded or renewed unless the proposition says that the debt can be exceeded or renewed.

Note: Creating a debt for the State means spending money that the State does not currently have. Selling bonds is one way that State debt is created.

Proposition 9:

"The constitutional amendment authorizing the commissioner of the General Land Office to issue patents for certain public free school fund land held in good faith under color of title for at least 50 years."

Summary: This amendment deals with lands that are technically owned by the state of Texas. In some cases, people have purchased or acquired this land from someone other than the State. While the State still technically owns this land, some people who purchased or acquired the land did not know that the land was owned by the state. From the time that these people purchased or acquired this land, they have believed that they are the legal owners.

If passed, this amendment will allow the Land Commissioner to give the legal title for this land (called public free school fund land) to certain people. A person is entitled to receive a legal title to this land if: (1) the land is surveyed public free school land; (2) the person could not gain the land's title under previous law; (3) when the person acquired the land, he or she did not know that the land was legally owned by the state and has believed that he or she has owned the land since January 1, 1941; (4) the person has a recorded deed on file in the county courthouse and has claimed the land for at least 50 years as of January 1, 1991; and (5) all taxes on the land, including any interest and penalties for late tax payments, have been paid for at least 50 years.

Note: Public free school fund land is owned by the State. Any revenue that this land generates (through sale, rent, etc.) is placed in the Permanent School Fund.

Proposition 10:

"The constitutional amendment authorizing the legislature to exempt from ad valorem taxes certain property of a nonprofit corporation that supplies water or provides wastewater service."

Summary: This amendment deals with property owned by a nonprofit corporation that supplies water or provides wastewater services. If passed, this amendment will allow the legislature to exempt property that is owned by these corporations from ad valorem taxes. In order for this property to be exempted, the nonprofit corporation must meet the following conditions: (1) the corporation's bylaws must say that, if the corporation stops operating, any leftover assets must be transferred to an organization that provides water supply, wastewater service, or both; (2) the leftover assets must be property that can be used for water supply and wastewater services.

Note: An ad valorem tax is a tax imposed on the value of property.

Proposition 11:

"The constitutional amendment authorizing a state lottery."

Summary: If passed, this amendment will allow the State to operate lotteries. The State would also be able to contract with other organizations that would operate lotteries on the State's behalf.

Proposition 12:

"The constitutional amendment to increase from 20 percent to 50 percent the percentage of Texas water development bonds previously authorized by Texas voters that may be issued for economically distressed areas."

Summary: This amendment deals with reallocating a percentage of the \$500 million of Texas water development bonds that were approved by Texas voters in 1989. These bonds were to be issued to fund water supply, water quality, and flood control projects. Currently, the board is limited to issuing 20% of the \$500 million (or \$100 million) of these bonds to provide water and wastewater facilities to economically distressed areas of the state. If passed, this amendment will allow the board to issue up to 50% of the \$500 million (or \$250 million) of these bonds for this purpose.

Proposition 13:

"The constitutional amendment providing for the issuance of general obligation bonds not to exceed \$300,000,000 to continue existing programs to provide educational loans to students, with repayments of student loans applied toward retirement of the bonds."

Summary: If passed, this amendment will allow the Texas Higher Education Coordinating Board to issue up to \$300 million in general obligation bonds. The money from selling these bonds will be used to finance educational loans to students. In the past, all bonds in this program have been retired through repayments from student borrowers, not the taxpayer.

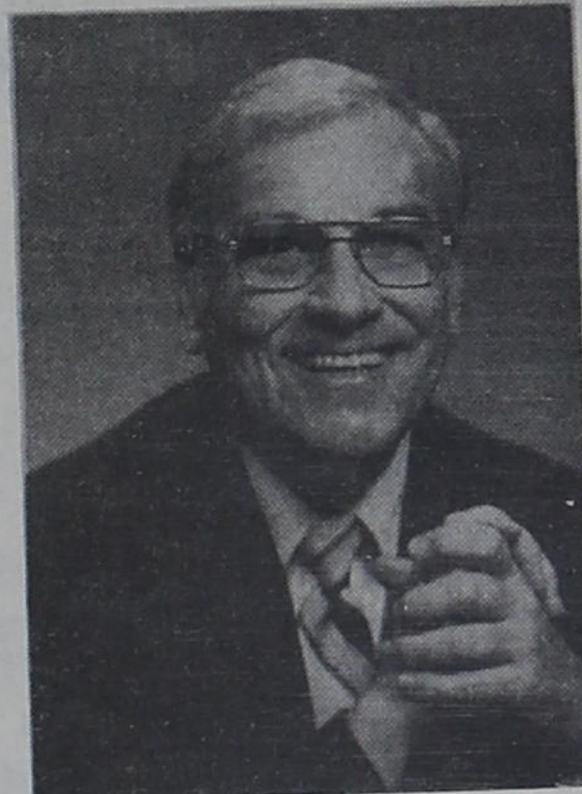

Thank You!!

Thank you very much for your prayers, cards and letters, phone calls, and visits during my surgery and while I was away from home. May God richly Bless you.

PRIMARY DIVISION FIRE PREVENTION POSTER winners were Megan Myers, first; Laurie Welch, second, and Crystal Urbanczyk, third.

CHRISTINA FITZGERALD was first place winner in the Intermediate Division of the local Fire Prevention Poster contest. Other winners were Brandon Sosa, second, and Angela Albus, third.

Fire Prevention Poster Winners Announced

In conjunction with National Fire Prevention Week, local students participated in a poster contest. The Munday Volunteer Fire Department, sponsor of the event, was very pleased with both the quality and quantity of the posters. There were 198 entries in the local contest.

First place winners will advance to Vernon for the next level of judging. Local winners were as follows:

Primary Division - Megan Myers, first; Laurie Welch, second and Crystal Urbanczyk, third.

Intermediate Division - Christina Fitzgerald, first; Brandon Sosa, second and Angela Albus, third.

Junior Division - Kandis Longan, first; Donald King, Jr., second and Andrea Brown, third.

High School Division - Keith Myers, first and Tanya Dunnam, second.

Special Education Division - Gene Shields, first; Gerald Taylor, second and Stephanie LanFranco, third.

Munday Teams Compete In Cross-Country Meets

The Munday Cross-Country Teams competed in a large meet at Abilene on Saturday, October 19. The meet was sponsored by Abilene Christian University and was run at Nelson Park.

The Junior High Girls team is now three for three, having won all three competitions they have entered. They won the Abilene meet by a very impressive 60 points less than the second place team of Wall, who had 113 points. In Junior High competition, all sizes of schools compete at the same time, so this was the second time the Junior Girls have entered a large meet and won the title.

In the Junior Division, there were 23 teams with a total of 121 runners. The Munday girls and their places were: Lori Clem, first; Kandis Longan, second; Kizzie Shields, third; Mindy Zeissel, twenty-third; Jennifer Baker, twenty-fourth; and Stephanie LanFranco, sixty-ninth.

The High School Girls Team finished eleventh in a field of 25 teams and 151 runners. Placing for Munday were: Mandi Moore,

63rd; Kerri Smith, 67th; Amanda Gully, 100th; Jami Howry, 117th; and Robin Welborn, 139th.

Kevin Stone is the only Munday boy running cross-country, and thus his position is as an individual and does not count on any team points. He was able to finish 27th in a field of 132 runners for his first meet of the season.

The next meet for the teams will be the District Meet at the Lake Creek Golf Course in Munday on Monday, October 28. The first race will begin at 4:00 p.m. Come out and support our teams.

Services Held For Danny Bicknell, 92

Danny Bicknell, 92, passed away Monday, October 21, at the Vintage Health Care Center in Denton.

Funeral services were conducted at 11:00 a.m. Wednesday, October 23, at the First Christian Church in Denton with the Rev. John Bain officiating. Burial was in Laurel Land Cemetery in Dallas under the direction of DeBerry Funeral Directors of Denton.

Mrs. Bicknell was born January 1, 1899, and attended public schools in Goree. She was a member of the First Christian Church in Denton and a former seamstress for J.C. Penney's and Margo's Department Stores. She and J.E. Bicknell were married in Goree in 1913. He preceded her in death in 1961.

She is survived by three daughters,

Jo M. Zimmermann and Betty Pritt, both of Denton, and Margaret Rainey of Kress; two sons, Col. J. E. Bicknell of Gilbert, Arizona, and R. Bryan McClusky of San Antonio; 12 grandchildren; 26 great-grandchildren and 27 great-great-grandchildren.

The Lord's Corner

by Dr. Pete Bradfield, pastor First Baptist Church

What is it that keeps you from seeing yourself as you really are, others from seeing you as you wish you really were, and God from helping you become what you would really like to be?

Pride - in yourself, your possessions, your abilities - brings destruction. Humility - before God, before others, before yourself - brings honor. God delights in raising up the lowly, but he despises the proud. A proud person fights himself, others and God, and eventually his end is destruction. Pride can ruin your life. Look for opportunities today to exercise humility instead. Nothing is as hard to do gracefully as getting down off your high horse - and nothing is as necessary. Look for one person today whose needs and interests you can place above your own. Go out of your way to express a word of sincere appreciation. Remember, all you have and are is given to you by God.

See you next week, and remember: the yoke of the Lord Jesus will never fit on a stiff neck.

The average hummingbird weighs less than a penny.

Truscott-Gilliland News

By Mrs. Clara Brown

Fifty-six attended Grandma's Dinner Sunday. The next dinner will be November 10.

The Truscott Extension Homemakers will meet Tuesday, October 22, with agent Jane Rowan providing the program.

The annual Extension Achievement Day will be next Friday and Saturday, October 25-26. While the adult division is for Extension members only, the junior division (through high school) is open to anyone in the county. Junior contestants do not have to be members of 4-H. Ila Mae Bullion will take Truscott entries to Benjamin if members will bring them to town Friday morning. Judging will take place Friday afternoon and exhibits will be open to the public Saturday morning. There will be a luncheon and program Saturday.

Rattlesnake sightings are still being reported. The E.O. Reed

Moorhouse Services Held In Benjamin

Collins Moorhouse, 84, passed away Tuesday, October 15, in an Abilene hospital.

Funeral services were at 10:00 a.m. Friday, October 18, in the Benjamin Memorial Building with Jim Pratt, Dennis Duke and the Rev. Byron Putnam officiating. Burial was in Benjamin Cemetery under the direction of Smith Funeral Home of Knox City.

Mr. Moorhouse was born February 18, 1907, in Kaufman County, and moved to Benjamin that year. He was a 1927 graduate of Texas Technological College in Lubbock. He was past postmaster in Benjamin and previously taught in Vera and Benjamin. He was a member of the Benjamin Methodist Church. He and Fayteen Timberlake were married November 26, 1934, in Vera. She preceded him in death August 10, 1988.

Survivors include a foster son, Roy Finis McGuire Jr. of Midland; a brother, Wallace Moorhouse of Munday; and a sister, Mrs. Vernon Brewer of Phoenix, Arizona.

CORRECTION

There were some errors in Lala Morgan's travels story in last week's Courier.

While in Morrissetown, Arizona, they visited in her nephew's home, not her grandson's.

Also, after returning to Munday on Friday night, they picked up Irene at Ursel Phillips' and took her to Dallas.

Our apologies to all concerned,

family killed five rattlers in their yard in a 48-hour period.

John Campbell visited his sister, Vula Hord, last Friday through Wednesday, before returning to California. John's wife, Grace, passed away in August, and he is planning to move to Crowell and live with his sister, Rada Dunn.

Norma Lee of Vernon visited her father, Edgar Jones, Sunday and Monday.

Ila Mae Bullion spent last Wednesday night in Lubbock with her cousin, Mary McClurg. The following day, they attended a meeting of the Lubbock chapter of the Colonial Dames. That night, Paul Bullion met Ila Mae in Lubbock and they spend the night with Sam and Wanda Bullion, returning to Truscott Friday.

Julie Cheever, Jenny and Kay of Allen, visited Curtis Casey over the weekend. They visited the sights around Truscott and Copper Breaks Park and ended with a Sunday picnic at the roadside park east of Benjamin.

Carrie and Harold Barry met their daughter and son-in-law, Bette and Derrah Adkins, Sunday and attended a polo game at Burleson in which Joe Barry was playing.

Steve Baty of Dumas attended the Munday homecoming over the weekend and visited his parents, Louis and Lula Baty.

Crystal Dishman and her mother, Gail Whitley, attended the 4-H awards banquet at Crowell Saturday night. Friday, Lee, Gail and Crystal attended the Crowell football game, along with Kay and Donald Miller of Guthrie.

A sincere thanks to everyone that made our pain and burden lighter with your prayers, calls, visits, food, encouragement, and with the efficient ambulance service, during Bes's stay in the hospital. Together, these things offer us hope for a speedy recovery.

NOTICE OF CHANGES TO ELECTION PRECINCT BOUNDARIES
STATE OF TEXAS §
COUNTY OF KNOX §
On the 7th day of August 1991, the Knox County Commissioners' Court ordered certain changes to the County Election Precincts pursuant to Chapter 42 of the Texas Election Code, such changes to become effective on January 1, 1992. The changes were necessitated in order to conform election precinct boundaries with the County Commissioner precinct boundaries adopted by the Knox County Commissioners' Court on September 19, 1991. As amended, all election precincts are affected. Additional information concerning these changes is available in the Knox County Judge's Office, Knox County Courthouse.

Benjamin News

By Mrs Gladene Green

A word of apology for not having any news last week. I had no idea that it would be missed by so many. I just had too much Homecoming and was too tired to gather the news Sunday night. Seventeen of the 26 remaining members of my graduating class were at homecoming and we all really enjoyed a pleasant reunion. ABOUT OUR SICK FRIENDS

Several hometown folks are still "under the weather". Nell Hudson is recuperating at the home of her son, Johnny Tom Hudson at Pilot Point, since falling and breaking her hip. She continues to improve.

Hess Hall spent several days in a Lubbock Hospital, but is now home. His reports were good, but he is on oxygen a big part of the time. Nora Duke was in Wichita Falls Monday to see a cardiologist.

Virginia Griffith has been having some real good days. She says she is completely free of pain now. Jane Gideon has been feeling real well also, but will go to the hospital in Wichita Falls Monday for more tests.

Rachel Duke, junior high cheerleader, broke a bone in her thumb during one of her routines. She's got a cast on and is pretty aggravated with the whole thing. Era Brown spent Thursday in the Knox County Hospital.

Wylie Joe Meinzer is feeling some better. He is due to undergo more tests soon.

FOOTBALL
The Benjamin Mustangs lost to Chillicothe Thursday night, October 10, 46-0. Jimmy Barrientez was the outstanding player for the Mustangs, leading the team in tackles and also having one interception. The Mustangs will play Goree this week.

The Benjamin Junior High Colts defeated Harrold, 28-0, Thursday night. Andy Dushan and Wade Pierce scored the TD's. Outstanding defensive players were Chad Rainwater, Zeke Duke and Andy Dushan.

CITY COUNCIL MEETS
At the regular monthly meeting of the Benjamin City Council last week, much attention was given to the dog problem in town. After lengthy discussion, it was decided (rather than pass an ordinance) to ask dog owners to please tag and vaccinate your pet and keep it at home as much as possible. While dogs will occasionally wander, please make a very real effort to keep yours at home. If this method proves unsuccessful, other measures will be taken. Thank you for your cooperation regarding this matter.

HERE 'N THERE
Omitene Barnett attended the Golden Wedding Anniversary reception honoring Jack and Bemice Steward in Goree last Sunday. Sunday night guests of Omitene were Maxie Steward of Albuquerque, New Mexico, and Ila Faye Lemmuseus of Bernadillo, New Mexico.

This past weekend, Omitene and her cousins, Mr and Mrs. Johnny Joiner of Lubbock, attended the Howard family reunion in Stephenville. The Joiners were overnight guests of Omitene Saturday night.

Visiting Era Brown a few days last week were her grandchildren, Polly Longren and Mr. and Mrs. Terry Wells and children, all of Arlington.

Recent guests of Juanita Burnett and Betty Mancille were Mr. and Mrs. Tommy Latimer and Todd Faulk of San Antonio.

James and Jimmie Klutts and Henry Rogers attended the funeral of the men's aunt in Canton last Monday.

Recent guests of Jan and Fred Carver were Dennis and Evelyn Anderson and Harold and DeeAnn Stone of Miami. Also visiting the Carvers enroute to their home in Lubbock after attending the Texas-Oklahoma game in Dallas Saturday were Brandi and Darrin Eschle and Mr. and Mrs. Johnny Eschle. Jacy Collins of Benjamin also spent the weekend with his grandparents.

Visiting Bo Milson last weekend to help her celebrate her birthday a few days early were her kids, the Shane Milsons of Brownfield, the David Milsons of Cedar Hill, the George Slades of Austin and the Kermit Woolleys of Spur.

Jan Pollock of Wichita Falls visited her mom, Clodell Duke last weekend.

John and Claudia Renthrop of San Augustine have been here visiting relatives.

Visiting Jane Gideon and Weldon Gideon recently and attending the wedding of Lana Gideon and Casey Caldwell in Haskell on October 12 were Mr. and Mrs. Oscar Gideon and Ariel of Playas, New Mexico; Mike Gideon of Bryan; Toni Benson and Daniel of Wichita Falls and Sue Gideon and Jeff Pierce, students at Texas A&M. Jeff also visited his parents, Sammy and Barbara Pierce and Wade.

Pearl Ryder, Kim Trepanier, Earlene Meinzer, Eunice Friday and John and Peggy Gillespie attended the Baptist Workers conference in Olney last Monday.

Larry and Gaye Neal and daughters have moved back to Benjamin from Vernon and are living in the K.E. Woolley house. He is former pastor of the First Baptist Church here and will be employed by the school. Welcome back.

Congratulations to Barbara Pratt, who has been named Postmaster at Weinert!

I almost forgot to mention my company last weekend. My sister and brother-in-law, Glenda and Norris McNeely of Denton visited and attended the Munday Homecoming. Peggy Dillard of Lubbock was an overnight guest in my home Saturday night. She visited her mom and sister, Audrey Nolan and Virginia Griffith in the Knox County Care Home.

Local firemen are "busyng themselves" getting the spook house ready for Halloween. They plan to have it open on Saturday night, November 2, and Monday night, November 4. On Friday night, November 1, there will be a Halloween costume party at the Memorial Building. This was started last year and was well attended, so a good turnout is expected.

This will give you an idea of how large a blue whale is: the largest dinosaur, along with an elephant and a man could stand on a blue whale with plenty of room to spare.

Thank You

We would like to express our appreciation to everyone for the kindness shown to us during our time of sorrow. The beautiful flowers, prayers, cards and words of comfort helped make this time a little easier to bear. We will always remember your thoughtfulness.
