

Munday Young People Host To District Meet

Methodist Youths To Hold Fellowship Meeting Here

Young people of the First Methodist church of Munday will be hosts to the youth fellowship meeting of the Stamford district on Saturday and Sunday of this week. The meeting will be open at six o'clock Saturday evening with registration of delegates and assignment to homes. Supper will be served at seven o'clock, being followed by a vesper service with Stamford young people in charge. At the Saturday night worship service the McMurry Mission Band will have charge of the program on "Serving the Present Age Through our Life's Work." This will be followed by a recreation and fellowship hour, led by Munday young people.

The youths will begin a full day Sunday with 7:45 breakfast in the homes, to be followed by a council meeting. Seymour young people will have charge of the morning watch, beginning at 8:20 o'clock. Officers will be elected at the business session, and the McMurry mission band will be in charge of the church school. Rev. Kirk will be in charge of the church services.

At 1:45 p.m. a discussion of the June 1-5 assembly will be led by Neyland Hester of Lubbock. Miss Ida Belle Sherrard, of Munday, district director, will install the new officers at 2:00 p.m.

At 2:30 a consecration service will be led by Rev. S. H. Young, assisted by the McMurry mission band. Many young people are expected to attend these services and will represent all churches in the district.

Funeral For W. B. Tomlinson Is Held Tuesday

W. B. Tomlinson, well known resident of Munday, died at three o'clock last Monday morning at his home in Munday. Mr. Tomlinson suffered a heart attack and passed away before medical aid could reach him.

Born in Alabama on August 1, 1865, William Boyd Tomlinson was 76 years, 9 months and 3 days of age. He had resided in Knox county for about 23 years, during most of which time he was engaged in farming.

Mr. Tomlinson is survived by nine children, who are: John Tomlinson, Ropesville; Mrs. Ruby Hancock, California; J. E. Tomlinson, Munday; Mrs. Lola Cumble, Olney; Mrs. Addie Cadwell, McCloud, Okla.; L. E. Tomlinson, Velasco; Mrs. Carl Green, Munday; Mrs. Jessie Cadwell, Munday and Mrs. Dolly Snelson, San Antonio. Other survivors include two brothers, Ed and Jack Tomlinson of San Saba, 45 grandchildren and 15 great grandchildren.

Funeral services were held from the Church of Christ in Munday at three o'clock last Tuesday afternoon, conducted by Minister Carl A. Collins. Burial was in the Johnson cemetery by the Mahan Funeral Home.

Pallbearers were A. C. Boggs, Gene Brazzell, Sam Beavers, Tom Browning, Frank Russell and Clay Groves.

Local Group On Annual Fishing On San Saba River

Munday's anglers who make an annual trip to the San Saba river at Fort McKavett, gathered up fishing equipment, camping supplies, etc., and took off last Thursday to be on hand for the opening of the fishing season.

Leaving on Thursday were W. H. Atkinson, Henry Atkinson of Haskell, Leland Hannah and Lyle Stodghill, accompanied by Jess Gardley, their camp cook.

Dick Atkinson and Ed Bauman left Sunday to join these anglers and have a try with the rod and reel. The group usually spends a week on the banks of the San Saba.

Homer and Wilburn Loflin, who are employed at Abilene, visited relatives and friends here over the week end.

Only 8 Tire Permits Granted

Only eight certificates for the purchase of tires and tubes were issued last Friday at the regular meeting of the Knox county rationing board. This bears out the fact that Knox county is consuming her quota of tires, and it was stated that many applications have to be held over because of this fact.

Certificates were issued to the following:

- Jake Welch, two tires and tubes for tractor.
- C. C. Browning, two tires and tubes for tractor.
- B. B. Campbell, tire of tractor.
- James C. Eubank, tire for tractor.
- P. C. Phillips, tire for tractor.
- A. H. Hackfield, two tires for tractor.
- Mrs. S. M. Clonts, two tires for tractor.
- Porter and White, tire and tube for truck.

Goree Boys Injured In Accident Here

Three Goree boys narrowly escaped serious injury last Sunday afternoon when the pickup in which they were riding overturned at a point between Munday and the city park. Billy Bilderback, who was driving the car, said it got out of control and overturned. His companions were Tack Blankinship and Harold Jones, son of Mr. and Mrs. D. B. Jones.

Jones received a fractured collarbone, a severe cut on his knee and other cuts and bruises. After receiving medical treatment here, he was taken to his home and is reported to be recovering nicely.

U.S.O. Chairman

Leland Hannah, above, has been named Knox county chairman for the USO campaign which opens on May 11. Knox county has a quota of \$1,009 to raise in this campaign to raise funds for the United Service Organizations. The quota for this district is \$37,500.

Rexall Drug Is Being Remodeled

Remodeling work was started this week at the Rexall Drug Store, making more room for displaying of all types of merchandise carried in the store. New shelving is being added and other work is under way which will add to the attractiveness of the store.

A. L. Smith, manager, stated that the Rexall Drug will go into merchandising on a larger scale than ever before. Freezing of much of the merchandise usually handled by the firm necessitates the adding of a greater stock of that which has not been frozen by the government.

The remodeling work is expected to be completed within the near future.

Rhineland Dance Slated For May 14

The Rhineland club hall will be the scene of a dance on Thursday night, May 14, it was announced here Wednesday.

A good orchestra will be secured to furnish music for this dance, and the public is invited to attend. Admission will be 75 cents for gentlemen and 25 cents for ladies.

Mr. and Mrs. C. P. Baker received a letter from Ted Longino last Wednesday morning, stating that he had passed his physical examination in Abilene and was on his way to Camp Bowie.

A MESSAGE FROM THE SECRETARY OF THE TREASURY

THE SECRETARY OF THE TREASURY
WASHINGTON
May 7, 1942

TO THE PEOPLE OF TEXAS:

This week a new campaign for the sale of War Bonds and Savings Stamps is under way throughout the Nation. It is the War Bond Quota Campaign.

It is urgently necessary that you double the rate at which you are now buying War Bonds and Stamps. This will mean the sale direct to individual Americans of War Bonds and Stamps to the amount of not less than one billion dollars every month.

One billion dollars a month is the National quota. It is equal to one-tenth the combined income of all Americans.

This money is needed to buy the tools of war for your fighting forces. It will not pay for all of them. Our war expenditures now are at the rate of about FOUR BILLIONS a month, and they are growing daily. But a billion dollars a month direct from the people will make all-out production possible. Without it we cannot do our best, without it we cannot put forth our full effort.

It is desperately needed for another reason. We can't fight a war and at the same time live and spend as usual. There are not enough goods to go around — the things we buy with money. If we go on spending at the 1941 scale, we'll be robbing the fighting men to add to our own comfort or pleasure. We'll be driving up the cost of living for all of us. We'll be imposing dire hardships on our neighbors.

What is asked of you is ten per cent of your earnings — a little for liberty. It is not a tax; it is not even a contribution; it is a loan at interest, for your use and protection later.

Your Government asks you to cut down your expenditures, TO SAVE — your boys on the firing line and in the training camps, through your Government, ask you to save so that they may have what they need to WIN THE WAR for you — America asks you to save; to SAVE TO WIN THE WAR to buy War Bonds and Stamps up to not less than ten per cent of your income.

Is Liberty worth it? Is Democracy worth it? Is America worth it? I think I know your answer.

Sincerely,
H. Morgenthau

The above letter was sent to this newspaper by Secretary Morgenthau in Washington. We publish it in the interest of the War Bond Quota Campaign and earnestly recommend that all our readers do their share in the tremendous job ahead of financing the War effort.

Election on Creation of Soil Conservation Area to be May 23

All Knox county resident landowners will have opportunity to vote on the formation of a soil conservation district Saturday May 23. The proposed district will include the north half of Haskell and all of Knox county except that portion of Knox county that is owned by the Waggoner Estate.

The District will be known as the Wichita-Brazos Conservation District No. 527.

This election will be held on May 23 because 81 Knox county farmers petitioned the State Soil Conservation Board for a District during the month of January. In order to more fully determine the wishes of the Knox county farmers the State Soil Conservation Board held a meeting at Knox City on January 9. Eighty-five landowners attended the meeting. Twenty-three testified, 22 of which favored the formation of a district.

With the college the leader in producing commissioned officers for the United States Army, many who might have gone to military service earlier remained to complete the work toward their degree and commission.

Of the graduating class of 741, a total of 565 will be commissioned as second lieutenants on Saturday morning, May 16, and are expected to go to active duty within two months of that date. Many will go right from the final review to duty.

Among the candidates this year and the degree to be conferred is Bachelor of Science in Petroleum Engineering: W. H. Myers.

County Agents Meet at Seymour Last Monday

County agents and their assistants from 20 counties representing Extension Service District 3 met in Seymour last Monday to promulgate a new farm organization to permit quick assembling of information from all farms regarding production, supplies, needs, etc., and to disseminate useful crop information from federal agencies.

Attending were J. A. Scofield, district agent, and Isla Mae Chapman, district home demonstration agent, W. R. Nesbitt, goat and sheep specialist from A. and M. College, A. L. Smith, beef cattle specialist and Miss Jennie Camp, food preservation specialist.

The new organization, whose facilities will be made available to all government agencies, provides for a state committee, as well as district, county, community, and neighborhood committees. The neighborhood leaders will be charged with final action in disseminating and collection of information.

District meetings will be followed by county and community meetings. The new organization is expected to be completed by May 18.

Extension service leaders emphasized that the Victory farm organizations in Texas.

Mrs. G. W. Dingus returned last Sunday from Springtown, where she had spent a week visiting with her sister, Mrs. L. W. Boynton, and family. She also visited her daughter, Maxie Dingus, in Fort Worth.

Mr. and Mrs. Carl Jungman and daughter, Ida Joe, and Mr. and Mrs. H. F. Jungman spent last week end in Dallas.

Over 2,400 Register For Ration Books In Two Days

County's Quota Of Bonds for May Is \$11,800.00

Knox county's quota for the purchase of war bonds for the month of May is \$11,800, according to figures recently released by the treasury department.

May quota for the state of Texas is \$18,594,500, the figures revealed. Government officials are urging all citizens to place at least ten per cent of their monthly earnings in war bonds, and there is a likelihood that this amount will become enforced.

"The American voluntary system of war bonds purchases must be successful in reaching the quotas set by the Treasury Department for every county in the nation," officials said. "The job of every American now is to stop spending and save dollars to win the war."

Knox Lodge No. 851, A.F. and A. M., aided the county's quota at the regular meeting last Monday by voting to purchase a \$500 Series F Bond.

Local Boy To Receive Degree From A. and M. Gets Promotion

College Station.—The total of 741 candidates for degrees to be conferred at Texas A. and M. College Friday evening, May 15, shows a slight decrease over the 763 who received degrees last June, but the decrease is less than was to be expected under the present world conditions, acting registrar H. L. Heaton, explained.

With the college the leader in producing commissioned officers for the United States Army, many who might have gone to military service earlier remained to complete the work toward their degree and commission.

Of the graduating class of 741, a total of 565 will be commissioned as second lieutenants on Saturday morning, May 16, and are expected to go to active duty within two months of that date. Many will go right from the final review to duty.

Among the candidates this year and the degree to be conferred is Bachelor of Science in Petroleum Engineering: W. H. Myers.

County Agents Meet at Seymour Last Monday

County agents and their assistants from 20 counties representing Extension Service District 3 met in Seymour last Monday to promulgate a new farm organization to permit quick assembling of information from all farms regarding production, supplies, needs, etc., and to disseminate useful crop information from federal agencies.

Attending were J. A. Scofield, district agent, and Isla Mae Chapman, district home demonstration agent, W. R. Nesbitt, goat and sheep specialist from A. and M. College, A. L. Smith, beef cattle specialist and Miss Jennie Camp, food preservation specialist.

The new organization, whose facilities will be made available to all government agencies, provides for a state committee, as well as district, county, community, and neighborhood committees. The neighborhood leaders will be charged with final action in disseminating and collection of information.

District meetings will be followed by county and community meetings. The new organization is expected to be completed by May 18.

Extension service leaders emphasized that the Victory farm organizations in Texas.

Mrs. G. W. Dingus returned last Sunday from Springtown, where she had spent a week visiting with her sister, Mrs. L. W. Boynton, and family. She also visited her daughter, Maxie Dingus, in Fort Worth.

Mr. and Mrs. Carl Jungman and daughter, Ida Joe, and Mr. and Mrs. H. F. Jungman spent last week end in Dallas.

Bobby Barton Is War Prisoner

News From Goree Boy Picked Up Over Short Wave

By means of short wave radio, a message picked up in California was sent by telegram to Mr. and Mrs. C. A. Barton of Goree last week, informing them that their son, Bobby Barton, was a Japanese prisoner of war.

The short wave message was picked up by Joe Glover, former resident of Goree. Bobby requested anyone hearing the broadcast to inform his parents that he was a prisoner in Japan, and well and was being treated well. Glover relayed the message by telegram.

This was the first news Mr. and Mrs. Barton had received from their son since a cablegram came from Manila about December 25, 1941, a sergeant in the air service, was stationed at Nichols Field at that time.

Since no other message came, his parents had suspected that their son had been killed in battle. News of his being alive and well, although held as a prisoner of war, was welcomed by his parents.

Local Boy To Receive Degree From A. and M. Gets Promotion

College Station.—The total of 741 candidates for degrees to be conferred at Texas A. and M. College Friday evening, May 15, shows a slight decrease over the 763 who received degrees last June, but the decrease is less than was to be expected under the present world conditions, acting registrar H. Mrs. G. W. Dingus returned last Sunday from Springtown, where she had spent a week visiting with her sister, Mrs. L. W. Boynton, and family. She also visited her daughter, Maxie Dingus, in Fort Worth.

Mr. and Mrs. Carl Jungman and daughter, Ida Joe, and Mr. and Mrs. H. F. Jungman spent last week end in Dallas.

Over 2,400 people trekked to the elementary school building last Monday and Tuesday to secure their first war rationing books, now being used for the purchase of sugar.

A two-day school holiday was held here so teachers might carry on the registration. The registration was continued on Wednesday and Thursday of this week for those who were unable to register during the first two days.

Registration was carried on in all communities of the county. A complete count of the number to secure rationing books was not available at press time Thursday, but every individual in the county must have a rationing book before they can purchase sugar.

Around 1,400 persons registered in Munday during the first day, with over 1,000 coming Tuesday to secure their rationing books. Around 5 minutes were required to register each person. A sufficient number of helpers were on hand to carry on the registration, and very few persons had to wait to be registered.

Merchants of Munday are already selling sugar and taking stamps from the books. Each stamp is good for one pound, or two week's supply, of sugar and the entire book is good for a year's supply. Sugar can only be bought at the rate of one pound per book, however, and each pound must last a person two weeks.

Members of the rationing board stated that requests for securing sugar for canning purposes cannot be filled until later, or when authorized by government authorities.

R. W. Maples Dies Of Injuries From Car Accident

Funeral Services Are Held Thursday For Crash Victim

Death came Tuesday night for Roy Maples, prominent Goree farmer, the second victim of an automobile collision which occurred on Wednesday of last week northeast of Seymour.

Mr. Maples was taken to a Seymour hospital after the accident and lived for six days, although he never regained consciousness. Doctors held little hope for his recovery, although hopes of relatives and friends were strengthened when a Dallas specialist who was called to examine the injured man gave him a fifty-fifty chance of recovery.

Maples, who was engaged in farming at Goree, had been a resident of Knox county for many years. He was born in Montague county on January 21, 1890, and was 52 years, 3 months and 14 days of age.

Surviving him are his wife, Mrs. Roy W. Maples of Goree; two brothers and two sisters; Carl Maples of Wichita Falls, Mrs. Ruby Kethley of Abilene, Mrs. P. V. Williams of Munday and Avis Maples of Abilene.

Funeral services were held from the First Methodist church in Munday at three o'clock Thursday afternoon. Services were conducted by Rev. J. W. Baughman, Methodist pastor of Goree, assisted by Rev. Luther Kirk of Munday. Interment was in the Johnson cemetery by the Mahan Funeral Home.

Pallbearers were Orb Coffman, Grady Roberts, H. A. Pendleton, John Ed Jones, J. C. Borden, Sam Hampton, Will Ratliff and T. J. Hooser.

STAMFORD PRODUCTION OFFICE WILL CLOSE AT NOON ON SATURDAYS

The Munday office of the Stamford Production Credit Association will be closed at noon on Saturdays, beginning next Saturday, it was announced Wednesday by C. R. Elliott, local manager.

This is being done in order to conform with the federal wage and hour law, and customers of the local office are asked to transact their business before noon on Saturdays.

Mrs. Lawrence Kimsey and son, Larry Rex, spent last Sunday in Crowell visiting relatives.

EDITORIAL PAGE

"What a Man Does For Himself Dies With Him—
What He Does For His Community Lives On and On"—

SOMETHING TO REMEMBER

If you have a boy serving his country in the Army or Navy, whose life may depend upon the delivery of supplies to the four corners of the earth, read this:

In Portland, Oregon, where conditions are similar to those in hundreds of other American cities, a free-born American citizen answered the call for men to man a new freighter going into transport service. He had waited around for some days before the ship was ready, and when it came time to sign up was about out of money. He then found that before he could go on board as a seaman he had to pay the labor union about \$15. He didn't have the money. Fortunately he found a friend who loaned it to him.

Words are inadequate to express one's opinion of such a condition. Here is a situation where an American citizen can't get a job on an American ship carrying American-made supplies to American armed forces that are fighting to preserve the nation, until he pays tribute to private labor bosses. If the closed shop can tie our country up in this manner, what personal liberty have we to boast of?

In a free country, a man should have the right to join a labor union if he so desires, and he should have the right not to join if he so desires. Certainly no private organization should have the power to deny a man the right to work in a war effort, until that man can first pay it a cash tribute. How long the rank and file of American citizens will put up with such a condition remains to be seen.

OUR IGNORANCE OF RUSSIA

The people of the United States, together with those in Great Britain, are gradually revising their ideas about Soviet Russia.

The splendid showing of the Soviet Army against the Nazis, together with evidence that the people of Russia are behind the Red Army, creates a presumption that the people of Russia are firm in their support of Joseph Stalin and the Communist government.

Incidentally the Russian dictator has surprised Americans by his grasp of world events. There is no reason for surprise apparently except our own ignorance of the world situation and our refusal to make any intelligent effort to understand Russia and the Russians.

For example in 1936, Mr. Stalin in an interview with an American newspaper man, discussed two points of danger, "one in the Far East in the zone of Japan, and the other in Europe in the zone of Germany."

From this distance, after the lapse of six years it appears that Mr. Stalin scored a bullseye. Certainly it was not his fault that the people of this country were not able to accurately check the target.

The same observation can be made in respect to the ideas that the people of Soviet Russia were against their government and that the Soviet Union would collapse under attack.

TAXATION FOR SURVIVAL

From time to time in recent months charges of huge profits made on war contracts have come from Washington. Report after report has paraded thru the nation's headlines. A few extreme cases were seized upon, and many people began to believe that these extremes were normal.

As a matter of fact they're not. The Vinson committee itself estimated that a 7 per cent profit is "fair and just," and found that upon all government contracts had averaged 6.5 per cent.

Industry is not holding out for excessive profits. If anyone doubts that, the recent action of the National Association of Manufacturers should set him right. For the NAM, which represents about 80 per cent of the nation's war production manufacturers, is urging Congress to adopt a program of taxation "to the limit—leaving only enough for survival—in order to guarantee victory, to eliminate profiteering and to insure the future solvency of our government." According to this program, "all corporations and individuals with income should be taxed to the maximum for their ability to pay for the terrific burden of this war."

In this emergency every group in the country must cooperate to the fullest extent if America is going to lick the Axis in the shortest possible time. Such an appeal for a tax program indicates how completely industry realizes this. Nothing else matters but victory. But to achieve it we've all got to work together—pay and work and sacrifice as we never have before. No matter what the cost, however, it's cheaper than defeat.

Metals which ordinarily will not mix are readily emulsified by sound vibrations, producing "impossible" alloys.

Divine Love always has met and always will meet every human need.—Mary Baker Eddy.

THE DAY OF THE SUBSTITUTE

For want of a nail a nation was lost! You remember—the want of a nail caused loss of a horse-shoe, then the horse, the general, the battle and finally the nation. All U.S. industry is united today to see that no "nail" is wanting to win this battle.

Many of our sources of supply have been cut off—many vitally needed "nails" of production are difficult to get, and without some of these materials it might seem as if certain "horse-shoes" would be impossible. But industry and science are developing substitutes for these "missing materials" as they disappear from the market. This is the day of the substitute, and in many cases the substitute may be coming to stay.

Metals—the backbone of America—metals for planes, for tanks, for ships, for ammunition. The mad camper for materials to replace metals is giving plastics the greatest opportunity they have ever had to prove their industrial worth. There are plastics which are tougher than steel yet weigh but half as much.

Wool for the army—at the very time when the country needs it most to outfit a victory army with uniforms, blankets, and many other necessities a shortage of raw wool seems imminent, but industry is coming to the front with all sorts of substitutes.

Parachute troops in the United States need no longer depend on Japan for silk, and the Army may soon be marching on composition soles, which wear better than leather.

These are only a few of the many products American industry is lining up for the future. Substitutes so that we can be independent of many articles that we used to import. Substitutes because there is one thing for which we know no substitute—our democracy and American way of life!

TWO ROADS AHEAD

Uncle Sam has given American industry a job—to provide enough guns, tanks, planes and ships fast enough to win this War of Survival.

Industry can't do its job for national security—as well as it should—unless it is free to hire, promote, keep—the best American workers it can find.

What has become of the desires of the workers themselves as expressed by the full 25 per cent of the employees of the company in New Jersey who dared to refuse to pay their dues in a union local while exercising their right to work?

The National War Labor Board on April 8 imposed "maintenance of union membership" on that New Jersey company, manufacturers of vital machine tools. This ruling compels the employer to discharge any employee who withdraws from the local union.

This sort of action does not help to win the war. This method of arriving peaceably at a fundamental policy, as followed by the War Labor Board, does not get us any nearer to a set policy for labor relations for the duration of the war. It does not give labor the freedom from anxiety about "What will the Board do next?" so essential to the progress of the production of war material. It separates us farther from our goal of victory.

Only the elected representatives in Congress can decide which of two roads, our nation shall follow—whether we shall establish a basic national policy which will prevent any conflict with our one objective, to win the war as speedily as possible, or rather shall encourage time-consuming, costly excursions into such questions as maintaining the strength of unions when the national strength is at stake.

The time has come for Congress to provide concrete evidence of its own realization of the nation's goal; subordinating all else toward winning the war.

Last year long distance phone calls to Washington increased 83 per cent over 1940.

HANDCUFF WEDDING

Gems Of Thought

LOVE

Love of God and man is love of God and its expression.

Love, in its highest manifestation, is the richest, most persuasive, most powerful thing that God has to offer—it is the only weapon we need.—Rev. H. R. L. Shepard.

Love is the hardest lesson in Christianity; but, for that reason, it should be most our care to learn it.—William Penn.

To embrace the whole creation with love sounds beautiful; but we must begin with the individual, with the nearest.—J. G. Herder.

Love rules the court, the camp, the grove,
For love is heaven, and heaven is love.
—Sir Walter Scott.

TEXAS PASSES PEANUT PLANTING GOAL

College Station.—Texas farmers will plant even more peanuts than the 1,056,000 acres they were asked to plant, USDA war board reports from the counties indicate.

Reports from 231 counties with a total goal of 1,948,535 acres indicate that 1,125,724 acres either already have been planted or the seed for planting has been purchased, the Texas USDA war board announced. This acreage exceeds the goal for these counties by 77,189 acres.

At the same time, the county USDA war boards report a need for nearly twice as many peanut pickers as the 917 machines at present available. B. F. Vance, state board chairman, said the board had been informed an ample supply of pickers would be made available, as the War Production Board has authorized the manufacture of 3,600 new pickers to harvest this year's record crop.

Complete reports from the 254 counties in the state in all probability will bring the total acreage near the 1,140,000 acre mark, Vance declared, or approximately 80,000 acres in excess of the state's goal.

COFFEE DELIVERIES CUT

To conserve coffee supplies now on hand for the Army, Navy and civilian population and to make future supplies go as far as possible, the WPB has issued a conservation order limiting monthly deliveries of coffee to wholesale receivers to 75 per cent of the amounts accepted during the corresponding period last year. Practically all coffee received in the United States comes from Latin America.

BATTERY SWAPS ORDERED

Auto storage batteries have joined tin tubes in the wartime "shop and swap" list. Under WPB orders, no purchaser may receive a new battery unless he turns in a used battery at the time of the transaction.

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO: Mrs. Effie Alexander, Munday, Texas, and R. E. Alexander, whose residence is unknown. GREETING: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A.M. on the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 25th day of May, A.D., 1942, at or before 10 o'clock A.M., before the Honorable District Court of Knox County, at the Court House in Benjamin, Texas.

Said plaintiff's petition was filed on the 23rd day of January, 1941. The file number of said suit being No. 4165.

The names of the parties in said suit are: City of Munday, a municipal corporation, Munday Independent School District, a municipal corporation, and the State of Texas and Knox County, each being political subdivisions, and Mrs. Effie Alexander of Knox County, Texas, and husband, R. E. Alexander, who is unknown to plaintiffs, and that he is a transient person, and that his place of residence is unknown, as Defendants.

The nature of said suit being substantially as follows, to wit: A suit for taxes, being described as follows, to wit: All of Lots Number One (1), and Two (2), both in Block Number Two (2), Original Town of Munday, in Knox County, Texas. Taxes due the City of Munday for the years 1928, 1931, 1932, 1933, 1934, 1935, and 1940. Taxes due Munday Independent School District for the years 1935 and 1940, the State of Texas and Knox County for the years 1931, 1933, 1934 and 1940.

Issued this the 7th day of April, 1942.
LEE COFFMAN, Clerk District Court, Knox County, Texas. 43-4c

GREETING: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A.M. on the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 25th day of May, A.D., 1942, at or before 10 o'clock A.M., before the Honorable District Court of Knox County, at the Court House in Benjamin, Texas.

Said plaintiff's petition was filed on the 27th day of January, 1941. The file number of said suit being No. 4187.

The names of the parties in said suit are: City of Munday, a municipal corporation, Munday Independent School District, a municipal corporation, and the State of Texas and Knox County, each being political subdivisions, and Mrs. Effie Alexander of Knox County, Texas, and husband, R. E. Alexander, whose residence is unknown, Mrs. A. A. Smith and husband Dr. A. A. Smith, both of Knox County, Texas, as Defendants.

The nature of said suit being substantially as follows, to wit: A suit for taxes on the following property described as follows, to wit: The Hat Shop, a business con-

cern operated in the City of Munday, Texas, known as The Hat Shop, consisting of stock of merchandise and fixtures. Taxes due the City of Munday for the years 1935, 1936, 1938, 1939 and 1940.

Taxes due Munday Independent School District for the years 1935, 1936, 1938, 1939 and 1940.

Taxes due The State of Texas and Knox County for the years 1933, 1934, 1937, 1939 and 1940. Issued this the 7th day of April, 1942.

Given under my hand and seal of said Court, at office in Benjamin, Texas, this the 7th day of April, A.D., 1942.

LEE COFFMAN, Clerk District Court, Knox County, Texas. 43-4c

Mr. and Mrs. Earl Keese and son, Stanley, of Stamford visited in the home of Mr. and Mrs. Don Ferris last Sunday.

66
MOTOR OIL**

But how do I do it?

UNTIL PEACE COMES WITH VICTORY no motor cars will roll from the assembly lines which once produced more than 5,000,000 automobiles a year.

This is brought home to every car owner the vital, wartime necessity of making his car last longer.

If you are puzzled as to just what steps to take, a complete answer is ready and waiting for you at any Phillips 66 Service Station. There you will find a free folder, "Ten Patriotic Precautions for Good Citizens and Good Drivers" . . . published by Phillips in the interest of National Welfare. Also trained men to tell you what the Phillips Plan can do to help make your car last longer.

The heart of your car is the motor. Its care is of first importance. So keep the following facts in mind when you are deciding which oil to use:

The famous Phillips organization makes a complete and frank statement which does away with all doubt, if you want our best oil. Without hedging, without reservation, we say that **Phillips 66 Motor Oil is our finest quality** . . . the highest grade and greatest value . . . among all the oils we offer.

For seasonal or for the regular 1,000-mile change, play safe and save by asking for Phillips 66 Motor Oil.

Homer Leonard of McAllen on the radio recently. The Speaker of the House tells some amusing stories about the Missouri Ozarks, his native heath. Says Mr. Speaker: "I was walking across the hills one morning and came to a cabin. I stopped to get a drink of water. A woman was sweeping the floor—sweeping it out into the yard. She was bare-footed. I said 'Mawnin', mum.' She said 'Mawnin', stranger.' I looked down and said, 'I see you had a fish fry here last night.' She said, 'No, stranger, we ain't had no fish fry here, leastwise not in quite a spell now; them ain't fish scales you see—them's toenails; we had a square dance here last night.'"

Here and there: Harry Bene Crozier appoints your columnist on the USO state publicity committee and Secretary of Treasury Morgenthau sends a handsome document certifying that this chronicler is a Minute Man, to make talks in the War Bond campaign . . . "Coke Stevenson is making Texas a truly great Governor," says the Sulphur Springs News-Telegram, editorially.

Most people, if asked what is the newest part of Texas, would say unhesitatingly, "West Texas." But Floyd Studer, celebrated paleontologist of Amarillo, tells of the discovery of the ruins of an "apartment house" in the Panhandle, hundreds of years old. Also he says the oldest "newspapers" in Texas are to be found out there in the form of paintings on the rock. One such painting shows a man being killed by a buffalo—a tragedy that occurred many centuries ago. Another painting is found on a cliff overlooking a spring and shows a plumed serpent. In the ancient worship of the Aztecs of Mexico, long before the coming of Cortez and his conquering Spaniards, the plumed serpent was an emblem and you can still see these creatures carved in stone in the crumbling temples near Mexico City.

All newspapermen, sadly famil-

iar with the way an error will creep in and then another error sometimes slip in when a correction is attempted, will smile wryly at this from a paper:

"We stated last week that Mr. John Doe was a 'defective' in the police force. This is a typographical error. Mr. Doe is really a detective in the police force."

"Walking more will be good for us."

"The reduction in quick, easy transportation will cause us to get better acquainted with our neighbors."

"The almost-forgotten pleasure of visiting will be re-discovered and the lost art of conversation will be revived."

These are the philosophic observations of Bruce Melvin, regional consumer regulations executive of the Office of Price Administration for the Southwest. His eyes twinkle as he reels off the long title, for the former professor of sociology in Cornell University has a sense of humor. Friendly, mild-mannered, soft-spoken, Dr. Melvin has studied housing and rural youth problems over the nation.

Aims of his department are to assist the consumer to adjust himself to the restrictions on the quantity of goods (due, of course, to the heavy demands of war); to aid the consumer to buy wisely, to conserve and to find substitutes for goods which are becoming scarce.

Lon Boynton of Paris is editor of the Echo. When asked the name of his paper, he says: "A second-hand noise."

13th Edition Of Cowboy Reunion Opens July 2nd

Stamford Texas, May 6, 1942.—The 13th annual edition of the Texas Cowboy Reunion will be held this year "as usual" despite the war, it was decided at a recent meeting of directors of this non-profit organization. Dates for the Reunion were set for July 2nd, 3rd and 4th.

Although a number of rodeos throughout the Southwest suspended showings this year, directors felt that, in spite of the shortage of tires, the Reunion should be held for the benefits of the thousands of soldiers from every section of the United States who are stationed in Texas. Many service men from the north and east have never seen a real Western rodeo, it was pointed out, and this year's Reunion will afford them that opportunity. Reduced prices are being offered for men in uniform.

All of the regular Reunion features, plus some new ones, will be on the program for this year. W. G. Swenson, president, has announced. The three daily rodeo shows, the old-time square dances, the modern balls, the quarter horse show, the reunion of old-time cowhands, and one of the greatest attractions, the chuck wagon meals, all will be included, he said. A number of improvements and additions have been added to the plant since last year.

With the large number of troops in this area, it is expected that the attendance will surpass even last year's record-breaking crowd of more than 60,000.

John W. Coates of Corpus Christi, Mrs. C. C. Coates and Mr. and Mrs. J. A. Coates of Knox City visited in the home of Mr. and Mrs. Curtis Coates last Sunday.

PLANT SOGHUMS FOR FEED

It's getting late to plant corn, but there's plenty of time to seed milo, hegari, kaffir and other grain sorghums to replace much of the oats and barley crops lost to the greenbugs, says E. R. Eudaly, Extension Service dairyman.

A cow giving an average of two gallons of milk daily for ten months, Eudaly explains, will need 1,200 pounds of grain sorghum heads yearly when no oats or barley is used in the ration. "Every farmer who milks cows should plant enough grain sorghums to supply each animal with that amount of heads. In most cases it will require an acre of any of the grain sorghums to make 1,200 pounds of heads. The stalks can be cut and placed in a trench silo for use in place of pasture."

Whenever moisture conditions permit, farmers producing milk should plant one acre of sudan grass for each cow in order to insure pasture if at all possible. Good green pasture is the best

and cheapest feed possible for dairy cows, Eudaly says.

Plant sudan in rows. This method requires less seed and will furnish more grazing than if broadcast. Farmers having a surplus of sudan grass should cut the grass for hay, or if preferred, for silage. For hay, the sudan should be cut just before it heads in order to obtain the best quality. For silage, it should be allowed to head and form seed. If this is done no molasses will be needed in making silage. In any event, molasses might be difficult to get.

College Seniors May Be Enlisted In Naval Reserve

New Orleans, La.—College graduates and college seniors may continue V-7 enlistment in the United States Naval Reserve after May 1, despite the earlier announcement that beginning about that date this class would be closed to all men attending college who have not enlisted in Class V-1. It was announced today by Commander F. C. Huntoon, director of the Office of Naval Procurement of the Eighth Naval District.

In addition to seniors and college graduates admitted to Class V-7, all juniors who while sophomores were not eligible for Class V-1 service may enlist in V-7, as may juniors who became members of that class prior to April 15.

Class V-7 consists of men studying officer training in the Navy, who are commissioned upon the successful completion of their training period.

It was also announced that these previously eligible for V-1 training are not eligible for Class V-7.

Sophomores and freshmen attending college make up Class V-1. They may continue their college education at least until the end of their sophomore year, and in many cases stay in school until graduation.

Mr. and Mrs. Jimmie Silman and son, Jimmie, Jr., and Mr. and Mrs. Sied Waheed and family and George Salem visited with relatives in Hamlin last Sunday.

Sebern Jones took "the boys"—his son, Bobbie, and David Chase Eiland, son of Dr. and Mrs. D. C. Eiland—fishing at Throckmorton last Sunday. The boys caught their first fish and had a great time. Sebern was just a kid with them and enjoyed the outing as much as they did.

LOCALS

Mr. and Mrs. Gethan Rodgers and Mr. Rodgers' mother, Mrs. R. O. Peevey of Carlsbad, New Mexico, spent last week here, visiting relatives and attending to business matters.

Mr. and Mrs. Gethan Rodgers, Mr. and Mrs. J. T. Offutt and children and Mr. and Mrs. Lonnie Offutt and son visited with Mr. and Mrs. T. R. Smith of Fort Worth a few days last week. Gethan Rodgers reported for army service at El Paso, on May 3rd.

Mr. and Mrs. Payne Wood, Mr. and Mrs. F. S. Fowler and Miss Gladys Jones, all of Littlefield, and Mr. and Mrs. Leo Jones of Sweetwater visited with Mr. and Mrs. Travis Jones over the week end. The entire group spent the week end at Lake Kemp, fishing.

Mrs. Ida Simpkins of Crowell, mother of Mrs. H. A. Longino, is visiting with friends here this week.

SPEND HOLIDAY FISHING

Members of the Moguls, Munday high school football team, took advantage of the two day "sugar rationing holidays" this week by taking an outing and fishing trip on Miller Creek. They reported a very enjoyable outing.

Mr. and Mrs. Chas. Moorhouse of Benjamin visited with friends here last Sunday.

Mr. and Mrs. W. E. Braly left last Monday for St. Louis, Missouri, where Mr. Braly is taking treatment at the Barnes hospital. They expect to be gone several weeks.

HOME

I had to go—to do my part,
I had the feeling in my heart.
That life I lived, I loved I know,
But even so I had to go.

My country faced a danger strong,
To all my pals I said "so-long,"
And tho' I left my heart at home,
I've work to do across the foam.

That life I lived was lots of fun,
But things like war can't go undone.
That's why I'm here to do my part,
But 'way back home you'll find my heart.

If war should last a thousand years,
And hearts would cry a million tears,
I'd never try to reason why,
But breathe a prayer to stars on high.

Perhaps my dreams have gone astray,
And I'll dream another day.
I'll not regret my last good-bye,
Although it caused my heart to die.
So if I search to dream once more,
Of all the things I knew before,
Remember these fool dreams start
From deep within a soldier's heart.

Now let me breathe an evening prayer,
To home and all the loved ones there;
"God bless them all" is how I'll start,
For home is where I left my heart.

The above poem was composed by Ralph Eugene Crouch, who is stationed at Sheppard Field, Texas.

THIS IS THE STORY OF CARBOLOY

How a Most Strategic Material of the War—Invented in Germany—Was Made Available to the United Nations

More Precious Than Diamonds in War Production . . . Carboloy is an American trademark for cemented tungsten-carbide, an alloy second only to diamonds in hardness, more precious than diamonds as a vital material in America's war program. It is used for the tips of cutting tools, and for wear-resistant dies. Carboloy is used in small quantities; it is difficult to make and difficult to use—but it has never been scarce in modern times. There is no scarcity now.

Invented in Germany—Krupp Protected by U. S. Patents . . . Cemented carbide was invented in Germany—it belonged to Krupp of Germany, and this made all the rest of the world Krupp's customer. In this country, Krupp was protected by patent grants from the United States.

General Electric Creates Independent Production . . . The General Electric Company two years before this had begun research on tungsten-carbide and foresaw its importance in industrial production. For immediate use in its own plants and for easier availability to others, General Electric undertook the long and arduous negotiations for the American rights. Limited rights were obtained in 1928, with Krupp continuing to export the material to its United States customers—a business which languished, however, as General Electric painstakingly developed its own Carboloy technique. This paved the way for General Electric to make the United States entirely independent of Germany for its cemented tungsten-carbide supply as early as 1936.

American Tool Costs Half That of German . . . From the start, two totally different businesses were involved. Krupp originally ex-

ported cemented carbides in chunks—and was unsuccessful. General Electric—and its subsidiary, Carboloy Co., Inc.—found it necessary to develop a complete engineering and manufacturing service, making various types of Carboloy equipped tools, training men in their use, and offering to its customers a specialized and successful production technique. For purposes of fair comparison, a typical German cemented carbide tool in 1928 cost \$22.26 in the United States, while a comparable American Carboloy tool cost \$11.11.

Loss to General Electric for Many Years—Art Taught to Industry . . . In times of peace—and 1928 was such a time—the measure of success of industrial adventure is to be found in profit to the adventurer. By such a measure, Carboloy could not be called successful. Initial expenses were great. For a time the Company lost at the rate of \$1000 a day, and once had an operating deficit of more than a million dollars. One of the major contributing reasons was the continuing high cost of development, standardization, and training. In 1936-37 alone, training courses were given to 10,000 men in industry. Moreover, six major price reductions were made in the face of operating losses, until the standard tool blank had been reduced in price 90 per cent.

Faith and Perseverance . . . Depression was still another reason—labor-saving tools could not be sold to industry or labor at any price. But General Electric, with determination that now seems providential, kept on—increasing its

Over the entire period of its existence up to January 31, 1942 the total net profit of the Carboloy Company was 2.5 per cent of sales.

capacity, granting new licenses, condoning instances of unlicensed production, staying ahead of its market.

Production Multiplied Forty-five Times in Four Years . . . Cemented tungsten-carbide could easily have been a source of weakness here, as it was in England, had it not been for General Electric's policy of continued expansion. In 1939, the production of the Carboloy Company was less than 20,000 lbs.; in 1940, it was 55,000 lbs.; in 1941, it was 163,000—and in December came Pearl Harbor. Now, in 1942, the Company's production is going at a rate that is 45 times that of only four years ago.

Britain Dependent upon Us . . . By contrast, British companies, which had been content to continue as customers of Krupp, found themselves cut off from the vital material when Poland was invaded. But the General Electric Company was able to supply substantial quantities to British industry immediately and since then has continuously filled British orders. It has, in like manner, filled Canada's requirements since 1936. It is currently supplying Canada, Russia, and other United Nations. All this in addition to supplying the greatly expanded needs of American industry.

An Inspirational Story of American Industry . . . Thus, the story of Carboloy does not end in "too little and too late." Like many previously untold stories of American industry, it continues, a sturdy and inspiring example of public service born of private enterprise, and characterized by hard work, ingenuity, investment, research, risk, and courage—a familiar pattern on this side of the Atlantic. General Electric Company, Schenectady, New York.

Society

Eighty-Four Party Enjoyed Thursday At Club House

Mr. and Mrs. J. A. Wiggins and Mr. and Mrs. Ray Holcomb were hosts to a group of friends last Thursday evening when they entertained with an 84 party at the country club.

Summer flowers were arranged in profusion about the party rooms, and places were arranged for six tables of 84.

After the games, a delicious refreshment plate was served.

Those enjoying the occasion were Meses. C. L. Mayes, W. M. Mayo, Effie Alexander, Agnes Mayes and Miss Shelley Lee; Messrs. and Meses. Fred Broach, T. G. Bengel, C. P. Baker, W. V. Tiner, S. E. McStay, W. E. Braly, Aaron Edgar, Carl Jungman, H. F. Jungman, M. H. Reeves, Austin Caughman, B. L. Blacklock, C. R. Elliott, E. W. Harrell, John Ed Jones, D. E. Holder, J. C. Campbell, J. R. Burnison, Dr. and Mrs. A. A. Smith, and Dr. and Mrs. Taylor of Goree.

Guild Members Meet Monday Night With Mrs. Womble

Prayer was the subject of the program when the Wesleyan Service Guild met last Monday evening in the home of Mrs. Layne Womble with Miss Janette Campbell co-hostess.

Mrs. M. F. Billingsley gave a very interesting devotional on Prayer. The Guild sang several songs on prayer and Mrs. C. P. Baker read some beautiful poems on that theme.

Mrs. Womble gave a short talk on Why We Should Pray, and Mrs. Joe Bailey King gave the definition of Prayer.

Proceeding the program, Mrs. Joe B. King, president, presided over a short business meeting.

After the benediction, refreshments were served to the following: Mrs. M. F. Billingsley, Ellen Bounds, Mrs. C. P. Baker, Miss Ruth Baker, Mrs. O. H. Spann, Miss Janette Campbell, Mrs. Aaron Edgar, Mrs. Joe B. King and the hostess.

The next meeting will be at the First Methodist church, next Monday evening at 8:15, with Mrs. M. F. Billingsley as leader.

Clare Faye Bryan Becomes Bride Of Sgt. Orval Cline

Announcement was made here this week of the marriage of Miss Clara Faye Bryan to Sgt. Orval W. Cline of Boston, Mass. The couple were united in marriage in home of Mr. and Mrs. E. C. Bryan of Dallas, with Rev. Dilksday reading the ceremony.

Mr. Bryan, her uncle, gave the bride in marriage, and she was attended by her aunt, Miss Joyce Bryan of Dallas.

Mrs. Cline is the daughter of Mr. and Mrs. Porter Bryan of San Angelo, former residents of Munday. She is a 1941 graduate of San Angelo high school and is attending business college in Dallas.

Sgt. Cline, son of Mrs. Era Cline of Seymour, is a 1941 graduate of the Seymour high school. Following his graduation he enlisted in the air corps and is stationed at Boston, where the couple will make their home after July 1.

Hefner H.D. Club Meets Tuesday With Mrs. Akin

Members of the Hefner home demonstration club met last Tuesday afternoon in the home of Mrs. A. W. Akin, with Mrs. Turner Standlee presiding.

Roll call was answered by giving "My Fitting Problem." A report of the last council meeting was given as well as reports on extension work and Red Cross sewing.

Following the business session, a recreation and social hour was enjoyed. Sandwiches, cakes, jello, lettuce and cool drinks were served to 14 members and 4 visitors.

Miss Fannie Isbell returned home last Monday from San Angelo where he had been visiting in the home of her niece, Mrs. Guy Rutherford, and Mr. Rutherford. John Thomas Rutherford received a broken arm when he fell while playing in the yard, last Sunday afternoon.

Chas. Moorhouse of Benjamin was visiting friends and attending to business matters here last Saturday.

Sgt. J. P. Groves Weds San Antonio Girl at McAllen

Staff Sergeant J. P. Groves of Moore Field, Mission, Texas, and Miss Rea Arnett of San Antonio were united in marriage on April 4 at 5:15 p.m. at McAllen, Texas, by the post chaplain.

The bride wore a beige suit with white accessories and had a corsage of sweetpeas. Mrs. James Doss of San Antonio, aunt of the bride, was her only attendant.

The groom wore the regulation army dress uniform, and he was attended by Dr. James Doss of San Antonio.

The bride is the granddaughter of Mrs. Jack Linden Allen of San Antonio. She received her education in San Antonio and for the past two years has worked at Levy Bros. as ladies sportswear buyer.

The groom is the son of Mr. and Mrs. Dan Groves of the Sunset community. He received his education at the Sunset schools, and enlisted in the army air corps in September 1939. He is an airplane mechanic at Moore Field.

Sgt. and Mrs. Groves are at home at McAllen, Texas.

Girl Scout News

Hurrah, at last it is here... our social, I mean. It is to be a scavenger hunt on May 7, at the home of Miss Dell Neeb. Don't be surprised if someone comes to your house for something, (we guarantee we won't ask for sugar!). The Girl Scouts are patriotic, even as far as refreshments are concerned. We will have cornbread, buttermilk and butter. Oh boy!

The Girl Scouts are still gathering and folding defense papers. We plan to sell them soon. If we told you that we would get your paper, and have not done it, it is not because we are lazy—we just can't get transportation for it.

Be sure to watch the paper for other Girl Scout reports.

Harvey D. Arnold, former employee of the First National Bank, who is now stationed at Camp Barkeley, spent the week end with his parents, Supt. and Mrs. H. D. Arnold of Goree and with friends in Munday.

A Want Ad In The Times Pays

W.T.U. Employees At Lake Pauline Awarded Suit

In a \$140,000 law suit entered in Federal Court at San Angelo by representatives of 87 former and some present employees of the West Texas Utilities, Federal Judge William H. Atwell awarded a total of \$681.33, with payment to be doubled, to eight men, all of whom were at one time employed in the Lake Pauline generating plant at Quanah, as overtime pay under the 40-hour week labor law. Judge Atwell's decision was rendered on April 29.

Only two of such eight workers are now with the company it was announced.

The company employed approximately 1,200 people last year. Seventy-nine of those involved in the representatives' suit, the court ruled, were not entitled to any additional pay. Many of them are former employees and no longer connected with the company, it was said.

Basis for the suit was the contention that the company is engaged in interstate commerce inasmuch as the Quanah power plant generates some electric power which, in turn, is purchased by an Oklahoma agency. All power supplied by WTU to the agency is to be used for war production work, it was said.

A statement by Price Campbell, president of the West Texas Util-

ities, said that the company was fully aware that it was not engaged in interstate commerce as a whole and had not anticipated any differential on the part of the 40-hour labor law on the small amount of electric power generated at Quanah and purchased for use elsewhere.

The company, it was learned, has been operating and handling its 24-hour-a-day service and maintenance problems so that workers employed on an hourly basis receive pay and hours off duty equivalent to the 40-hour labor law requirements since December 15, 1940.

Mr. and Mrs. Harold Gleason and Carlton Mooney of Bomarton were business visitors here last Friday.

ATTACK! ATTACK! ATTACK!

America's attacking on both the fighting front and the home front today!
We're giving the Axis a bitter taste of what's to come.
We're fighting the inflationary 6th column that blows prices sky high here at home, too.
And every one of us who saves at least 10% of his pay in War Bonds is an important soldier in the attack!
Join the attack yourself!

HEFNER NEWS

Everyone is very busy planting their crops and gardens.

Several from Hefner attended the Senior play at the Goree school auditorium, April 28th.

There will be services at the Baptist church next week end.

Mr. and Mrs. J. Freeman went to Abilene the first of this week to be at the bedside of their mother, who is ill.

Leland Thurmon, son of Mr. and Mrs. Amon Thurmon, of Sheppard Field, spent a few days at home last week.

Mr. and Mrs. Earl Burgess of Gilliland spent last Tuesday in the home of Mr. and Mrs. J. E. Cure. Harold Jones was painfully injured last Sunday in a car accident. He received a broken collarbone.

Mr. and Mrs. R. R. Bates had a car accident last Sunday.

Mr. and Mrs. A. W. Akin, Mr. and Mrs. Hamp Jones, Mr. and Mrs. D. B. Jones and Mr. and Mrs. Dibrrell Jones and families visited relatives in Crowell last Sunday. Although their homes were damaged, none of them were seriously hurt.

Mr. and Mrs. Ferris Mobley took

their daughter to Wichita Falls last Monday for medical treatment, and at this time she is reported to be improving.

Jerry Hudson and family of Roundtimbers were visitors last Sunday with C. O. Bailey and family.

Mr. and Mrs. M. J. Jones spent the week end with relatives in Fort Worth recently.

Wade Mahan made a business trip to Seymour last Sunday.

CARD OF THANKS

With deep gratitude to you all, we express our sincere appreciation to each and every one for their deeds of kindness, words of sympathy, the floral offerings and other expressions of sympathy extended us in the recent death of our father and grandfather, W. B. Tomlinson. Especially do we want to thank Minister Collins for his kindness.

 Young People's services, 7:30.
 Worship hour song service, 8:45.
 Sermon, 9:00.
 Benediction, 9:45.
 Week-Day Services
 Ladies' Bible Class, Monday at 4:00 p.m.
 Prayer meeting, on Wednesday night, 8:45.
 Sunday morning sermon text: "Jerusalem which is above is free, which is the mother of us all," Gal. 4:26.
 Sunday evening sermon subject: "The Basic Cause of This War."
 We are thankful for the goodly number of friends and neighbors who are attending. Please note that all evening services begin at 8:45 instead of 8:30. Come and bring your friends. A hearty welcome awaits you.

FIRST BAPTIST CHURCH

Next Sunday is Mother's Day. We are planning a special program that will be different from anything we have ever had. You will want to be in this service. You will miss something if you are not there. All honor to mothers.
 Detailed plans for the Vacation Bible School beginning June 8th will be announced soon.
 Our summer revival meeting begins the first Sunday in August.
 Sunday, June 28, we will have a special Fiftieth Anniversary and Home-Coming celebration. The plans for this service will be worked out and announced in the next week or two.
 W. H. Albertson

NOTICE OF SHERIFF'S SALE

The State of Texas
 County of Knox
 By virtue of an order of sale issued pursuant to a judgment decree of the District Court of Knox County, Texas, by the Clerk of said Court on the 28th day of April, A.D. 1942, in a certain suit No. 4223, wherein the City of Munday, Munday Independent School District, and the State of Texas and Knox County, Plaintiffs, and L. E. Loveless, Defendant, in favor of said plaintiffs, for the sum of Three Hundred Eighty-Three, 87-100 (\$383.87) Dollars for taxes, interest, penalty and costs, with interest on said sum at the rate of six per cent per annum from date fixed by said judgment, together with all costs of suit, that being the amount of said judgment rendered in favor of said plaintiff, by the said District Court of Knox County, on the 24th day of March, A.D. 1942, and to me directed and delivered as Sheriff of said Knox County, I have seized, levied upon, and will, on the first Tuesday in June, A.D. 1942, the same being the 2nd day of said month, at the Court House door of said Knox County, in the City of Benjamin, between the hours of 2 o'clock P.M. and 4 o'clock P.M. on said day, proceed to sell for cash to the highest bidder all the right, title and interest of said defendant in and to the following described real estate levied upon as the property of said defendant, the same lying and being situated in the County of Knox and State of Texas, to-wit:
 Situated in Knox County, Texas, being the north 75 feet of Block Number Thirty-Nine (39), of the R. P. Munday Addition to the Town of Munday, in Knox County, Texas. The above judgment establishes

LAKE CREEK SERVICES FOR MOTHER'S DAY

Sunday school will convene at the usual hour—10 o'clock; their immediately after, some of the Sunday school teachers and pupils will give a Mother's day program. We trust that every parent and child of our community will be present.
 Then there is that ever-interesting feature of mid-day to which you still have a welcome—lunch, dinner on the ground.
 Afternoon at one o'clock, Miss Terry, pastor of the Four Square Gospel church at Weinert, will have charge of the song service, conducting it in a way that will be pleasing to everyone. Those who have heard Miss Terry with her accordion and guitar know her as one to whom the Lord has entrusted more than one talent. She will share with us, and others of the Four Square church, the joys and elation accompanying such praise service to our Lord.
 "Let everything that hath breath praise the Lord, Praise ye the Lord."
 At three o'clock, Rev. W. H. Albertson, pastor of the First Baptist church in Munday, will preach for us. Come and worship with us. Chas. Sargent

the amount of taxes due each of the above named parties as follows: City of Munday the sum of \$146.05, Munday Independent School District, the sum of \$79.74, and the State of Texas and Knox County, the sum of \$158.08, and decreasing the title of said property be vested in the City of Munday, Texas, as to all parties, and ordering the same sold and proceeds applied pro rata to the payment of the amount of judgment in favor of each as above set forth.
 (The above judgment does not include taxes for the year 1941.)
 Said sale to be made by me to satisfy the above described judgment, together with interest, penalties and costs of suit, and the proceeds of said sale to be applied to the satisfaction thereof, and the remainder, if any, to be applied as the law directs.
 Dated at Benjamin, Texas, this 28th day of April, 1942.
 LOUIS CARTWRIGHT,
 Sheriff Knox County,
 Texas.

Canadian War Workers Take Aptitude Tests

Passed by Censor
 If a woman seeks employment at one of the rifle and machine gun ammunition plants somewhere in Quebec province, she does not simply walk in, give in her name and find herself hired. She must first be interviewed by a specialist. If she gets by this first step, she proceeds to an examination room, a corner of which is shown here, and undergoes various tests. The two tests illustrated in this photo might be called the jig-saw and mirror tests. At the right squares are being fitted in their appropriate places, and at left an applicant draws an object, only the reflection of which appears in a mirror, with both left and right hands. There follows arithmetical and classroom tests to determine ability, speed and discrimination.

 Sophomore Reporter..... Nelda Matthews
 Freshman Reporter..... Leta Lane Gentry
 Sponsor..... Mrs. Manera Savage

Senior News

Thursday night our sponsor, Mrs. Savage, entertained the Seniors with a hamburger fry at her home. Several of the seniors displayed hidden talents at cooking, especially Jane, who is good at popping grease, and Randall, who who is an expert bottle opener—now, don't get the wrong impression, it was weak enough. Everyone had a swell time.

Friday night the home of Polly McAfee was crowded with Senior girls, and their sponsor, Mrs. Savage. Even though they didn't get so much sleep, they had a good time.

Saturday morning found a group of sleepy girls on their way to Lake Kemp for an all-day picnic. There they visited the basketball boys and a few others. Even though everyone came back feeling a little worn, (except for Evelyn) each had a wonderful time.

Jane and "Smitty" are doing pretty well this week since they have gotten only three sunburns.

The baccalaureate address will be given by Rev. Luther Kirk, of Monday, Sunday night at nine o'clock. Everyone is invited to attend.

Third Grade News

It has been fun to read our school news in the paper each week. We hope we will all be in the fourth grade next year.

Several of our daddies went fishing May 1, or soon after. Some of them caught fish.

Our rubber plant has another new leaf which makes three new ones in all.

Princess Iseng visited school with Don Reynolds Tuesday.

Fourth Grade News

Wanda Jean Rodgers has been making the most of these dust storms we have been having. Saturday she had a great deal of fun building villages in the drifting sand.

"We Take Pleasure in Serving You"

Official U. S. Treasury War Bond Quotas For May

The above map of Texas shows the War Bond quotas, by counties, for the month of May, 1942. Total War Bond quota for the State is \$18,594,500. Every income earner in the State is expected to step up War Bond purchases on a basis of ten per cent or more of income. This is necessary to help America's

some by all girls except those of the Senior class. His popularity is recognized all over school and he is, generally speaking, a "wow." The fact that he is a very industrious young man has probably gone a long way in helping him to be the first to complete his course in bookkeeping this year. His major in high school was math, but according to some of his classmates his main major was "blondes."

Having lettered two years in basketball, he acquired two stripes in his school jacket this year. This particular boy is accomplished in several lines, some of them being: catching freight trains, hobnobbing, and just "getting by." He also acts as a swell life guard for the young and inexperienced.

Randall Stogner leaves for the Senior boys of next year's class a wish for a successful basketball team and an invitation to join him in the Air Corps after they graduate.

Junior News

The Juniors are busy completing plans for the Junior-Senior banquet which is to be held in the Home Ec department May 9th at 8:30 p.m.

We sincerely hope that everyone will enjoy himself.

The Home Ec department had a very interesting visitor today. She was the State Supervisor. We enjoyed her visit very much.

Well, school is nearly out and the Juniors seem to appreciate the fact immensely. We hope that next year will be as interesting as this year has, although we certainly hate to lose some of our dear friends in the Senior class, who will bid dear old Sunset adieu, to take their next step in a new kind of life. We wish to congratulate

them with sincere wishes of happiness.

Dignified

The quietest member of the Senior class is a meek little blonde. Not timid, this character merely chooses to be dignified and quiet.

Having always attended Sunset School, she is well known and respected by everyone. She has been a very active member of the Senior class and always willing to work when called upon.

The rest of the Seniors have found out her interest has changed from a motorcycle to the army, chooses to list that as her main interest outside of school.

Alyne Ward leaves for the Seniors of next year a hope that they will conclude their school career as enjoyably and successfully as the Seniors of '42 have done.

A Rare Specimen

This space has been spared for a very active member of our Senior class. Having brightened the little red brick schoolroom of 11 years ago with a beam that has glowed until now, I find it is necessary to say that it has taken her presence to make the school days happy. Some years ago it was printed in our school paper that she was so bright her parents had to put her under a tub so the sun could rise, however she seems to think this statement was purely accidental.

Although this character didn't think it necessary to be an athlete she has been one of our most faithful fans of both basketball and volleyball during her high school career. Along with being a great ball fan, she appreciates the way a nice bicycle ride works up her appetite, and speaking of appetite,

she is truly happy with a great big sweet pickle and one slice of bread—sometimes a ham sandwich.

Outside of all these characteristics she has been a class officer for two of her high school years, and was crowned queen of the Sunset High School this year, and was elected the most beautiful girl of the senior class at a recent class meeting.

Her one great characteristic is the control of her temper and her greatest dislike is disagreeable persons (ones who agree to disagree). He favorites holidays are Christmas and July 4, especially does she enjoy July 4, for that day

Political Announcements

The Munday Times has been authorized to announce the candidacy of the following, subject to the action of the Democratic primaries:

- For Tax Assessor-Collector: E. R. (Earl) SAMS Re-Election; J. P. (Buster) TOLSON
- For Commissioner of Precinct 4: ED JONES Re-Election

brings her good luck. This little brown-eyed blonde has proved to be a complete success as a post, having enjoyed her high school years tremendously. Her last wish to the Seniors of 1942-43 is to acquire something which she does not possess—common sense.

This character is no other than Jenell Smith, better known as "Smitty."

LOCALS

Mr. and Mrs. A. B. Warren were visitors in Crowell last Sunday afternoon.

Mr. and Mrs. McLeroy, of the Sunset school faculty, Mrs. W. E. Reynolds and Mrs. Clyde Nelson were visitors in Denton last Sunday. Mrs. Reynolds visited with her daughter, Miss Gail Reynolds, who is a student in N.T.S.T.C., and Mr. and Mrs. McLeroy visited their daughter Jane, also a student in Denton.

Dick Harrell and Wayne Blacklock visited Jimmie Lee Haney in Wichita Falls the first of this week.

Mr. and Mrs. Jim Nelson of Pampa, and Mr. and Mrs. J. C. Nelson of Dallas spent last week end in the home of their parents, Mr. and Mrs. J. R. Nelson. Mr. Nelson has been ill, but is much improved.

W. B. Alexander and D. B. (Bugs) Daugherty of Seymour were business visitors in town last Monday.

HERE FROM GEORGIA

Kamal Waheed, who is in the army service and stationed at Augusta, Georgia, came in Tuesday for a short visit with his brother, Sled Waheed, and with other relatives and friends. Kamal is on a 10-day furlough.

Mr. and Mrs. R. H. Howell and son, Bobby visited in Lubbock last Sunday with their son and brother, Rex Howell and family.

Congratulations to Dr. and Mrs. Charles L. Farrington of St. Petersburg, Fla., upon the arrival of a son. Charles LaFayette arrived April 27th, and weighed five and one half pounds.

Harold Burton of Benjamin, clerk of the Knox county rationing board, was a business visitor in town last Monday.

Mr. and Mrs. Jake Cure and little granddaughter of Gilliland were business visitors here last Tuesday.

Earl Sams of Benjamin was here Tuesday, attending to business matters pertaining to the office of tax assessor and collector.

Melvin Strickland of Seymour was a business visitor here last Tuesday.

Clarence Doss of Stamford, line foreman for the Community Natural Gas Co., was a business visitor here Tuesday morning.

Price Ceiling Plan Explained In Area Meets

Siege guns on the Home Front were manned by all the folks at home this week as the battle against the High Cost of Living began in earnest. At every elementary school in the Southwest the folks at home "enlisted for the duration" by signing up for their War Ration Book No. 1.

With that out of the way, the Home Front soldiers settled down to the task of figuring out the next line of attack—the maximum price regulation announced last week by the Office of Price Administration.

Everyone is familiar with the "why" of the regulation, what with the recent leaps and bounds of price levels. But it may require a little study to attain a similar understanding of how the overall price ceiling works.

To meet this situation quickly, the Southwest Region OPA headquarters at Dallas has arranged 71 meetings with retailers and merchandisers in the three-week period starting last Monday. These meetings were arranged so they could be held in each trade area in Oklahoma, Louisiana, Texas, Arkansas, Kansas and Missouri, so every merchandiser could have the opportunity to hear the over-all ceiling explained and to answer questions on how it operates.

Mrs. J. F. Rumsey of Oklahoma City visited in the homes of Mr. and Mrs. W. A. Baker and Mr. and Mrs. C. L. Mayes last Friday.

Mrs. Wade T. Mahan, Mrs. W. M. Mayo and Mrs. Agnes Mayes visited friends in Seymour last Sunday.

Goree News Items

Mrs. Jimmie Rice entertained with a birthday party for her son, James Richard, on his first birthday, April 22.

Refreshments were served to the following: Mrs. Cherry Moore and daughter, Brenda Kay, Mrs. Melvin Cooksey and children, Melvin Jr., and Peggy, Mrs. Jack Fowler and daughter, Peggy Jean, Bobby Griffin, Carolyn Coffman, Mrs. Dennis Ford, Mrs. Roy Perdue and daughter, Janice.

Mrs. Cherry Moore and daughter, Brenda Kay, and Mrs. Levi Bowden and son, visited their mother, Mrs. John Vardeman, of Me-gargel.

Mrs. O. F. Greer of Seymour was a recent guest of Mrs. C. D. Greer. Mrs. Greer has recently moved to Seymour from California.

Heard Reeves, son of Mr. and Mrs. Victor M. Reeves, who is stationed at Fort Blanding, Florida, is home on a 10-day furlough. Heard will leave for his post next Friday. Miss Janette Moore of Wichita Falls was a week end visitor in the home of Mr. and Mrs. Reeves and with Mr. and Mrs. W. S. Heard.

Mr. and Mrs. Jim Goode and daughter, Mrs. Sanford Howell, visited Cadet Howell in Wichita Falls last week end. Cadet Howell will leave soon for Paterson Army, N.J.

Mr. and Mrs. Andrew Gilbert of Munday were Sunday visitors with Mrs. Gilbert's parents, Mr. and Mrs. S. M. Claburn. Mr. and Mrs. Earl Claburn also visited their parents this week end.

Cadets D. V. Burt and R. L. Chaney of Sheppard Field spent the week end with Mr. and Mrs. Jim Goode.

J. J. Roberts and great granddaughter, Terry Linda Ratliff, spent the week end in Rule with Mr. and Mrs. Bryan Lawson.

Mrs. John Williams has returned from a trip to Bakersfield, Calif.

where she visited with her husband, who is stationed there. Mrs. Williams teaches school at Rule.

Mr. and Mrs. Nealie Moore of Crane are here for a two weeks visit with relatives.

Mrs. C. C. Brown is spending a week in Dallas in the home of her daughter, Mrs. B. C. Wilson, and Mr. Wilson.

Tom Henderson and son, Tom, Jr., of Merkel, visited in the home of Mr. and Mrs. John Wilson last Sunday. Also guests in the Wilson home were Mr. and Mrs. J. L. Brown of Goree, and Mr. and Mrs. W. R. Caldwell of Bomarton.

Jimmie Goode, son of Mr. and Mrs. Edward Goode of Abilene, who underwent surgery a short time ago, is able to go home and will soon be back in school.

Mr. and Mrs. Ira Staleup and son, Mr. and Mrs. Charles Goode and son visited their daughters, Chlo Dell and Virginia, who are students in N.T.S.T.C.

Sterling Doug Goode of Wichita Falls was a week end visitor with his aunt and grandmother.

Mr. and Mrs. Jerome Spears of Crowell, who were injured in the cyclone at Crowell last week, have been transferred from the Vernon hospital to their home of their son and daughter-in-law, Mr. and Mrs. Mack Spears, in Seymour. Both patients are improving.

Mr. and Mrs. Reuben Bates had an accident on the highway north of Goree. Their car overturned when the rear tire blew out. Mrs. Bates received minor bruises.

A large number of people from Goree and surrounding communities went to Crowell last week to give aid to the stricken people. The Goree fire department took the fire truck and stayed several hours assisting in the work there.

Mr. and Mrs. H. E. Davis of Crowell were in the path of the tornado that struck last week. Mrs. Davis is a sister of D. B. Hamy and G. D. Jones. Mrs. Ike Wilson's home was also demolished. Mrs. Wilson is a niece of the Jones.

Mr. and Mrs. C. M. Howery and daughter, Lynda, of San Carlos Cal., are here visiting relatives.

Billy Bilderback, Harold Jones and Tuck Blankinship had a narrow escape Sunday when the pickup they were driving, overturned near Munday. The boys were bruised, but not seriously injured. Harold Jones received a fractured collarbone and numerous cuts and bruises.

Mr. and Mrs. Earl Howery and Mr. and Mrs. J. C. Watson made a business trip to Gorman last Thursday.

Mr. and Mrs. D. A. Bowles of Bomarton were in Goree last Monday.

John W. Yates, son of Mr. and Mrs. W. S. Yates, visited with his parents the past week. John is stationed at Camp Sutton, N.C.

Mrs. Leo Duncan and Mrs. Belton Duncan and children of Haskell visited in the home of Mr. and Mrs. Amos Duncan the past week. Helen Duncan accompanied them home to spend a week.

Mr. and Mrs. Allison and children of Roswell, N.M., were week end visitors with the daughter and family, Mr. and Mrs. Murphy Pennington.

Mrs. W. R. (Bob) Condon has been seriously ill the last few days. Her daughters, Mrs. Vance Favor and children of Crowell, and Mrs. Wallace Moorhouse of Throckmorton are at the bedside of their mother.

Mrs. C. P. Baker and Mrs. Louise Ingram were visitors in Seymour last Sunday.

TEXAS OUT-O-DOORS

Austin.—A new era in scientific fish management on a large scale will be inaugurated June 1, when the fishing season opens on Possum Kingdom Lake in Palo Pinto, Stephens and Young counties, with the Game Department and the Brazos River Conservation and Reclamation District having full authority to open and close seasons, fix bag limits, and length limits and prescribe the kind of fishing gear that may be used.

The fishing season opened in the remainder of the State under the general law on May 1, with special restriction applying in many counties.

The lake is the only one in Texas on which the Game Department has complete authority to regulate fishing. This authority was granted by the Legislature in regular session last year. The procedure, under law, is for the Department to draw up regulations that are justified by the abundance of the fish, the condition of the waters and other factors, and for the Department then to submit the regulations to the Brazos River Conservation and Reclamation District for approval or disapproval.

Significance of the Possum Kingdom lake law, it was pointed out, is that the huge body of water can be regularly studied by the Department's fish culturists, who are well trained in aquatic biology and thus are in a position to make recommendations and to correct factors that from time to time might be limiting the supply of any one or a number of species of fish in the lake.

Many large lakes throughout the United States are thus scientifically managed, with the result that fishing in those bodies of water was greatly increased. An instance, it was pointed out, is the series of lakes in the Tennessee Valley Authority set-up.

Possum Kingdom Lake already has been studied by Game Department fish culturists and regulations for the coming season were announced recently. They follow:

Open season, June 1 to March 1. No fishing permitted at any time within one-fourth mile of the dam in the lake proper.

Fishing gear permitted: Ordinary pole and line, throw line with not more than three hooks, rod and reel and ordinary lures and baits. Persons fishing for gar, carp, buffalo and suckers, may, in addition, use a wire loop snare.

Length limits (measuring from snout to fork of tail): Black bass, white bass, channel catfish, blue catfish and yellow catfish, 11 inches; crappie, seven inches.

Bag and possession limits: black bass, 7; white bass, 7; catfish, of one kind or in the aggregate, 7; crappie, of any one or all species, 12; smaller sunfishes such as bluegill bream, green perch, Warmouth bass, poggieeye, etc., 30 in the aggregate. Carp, buffalo, suckers and gar may be taken or possessed in any number.

Seines and nets for taking fish or minnows are prohibited. No minnows may be removed from the lake by any method, since it is considered necessary to conserve them to provide food for larger fish.

Care of Stoves Cited as Aid To Victory Effort

Pointing to government appeal for "good care of the things we have" to strengthen our country's war conservation program, Albertine Berry, home economics director for Lone Star Gas System, suggest ways to bring added life to cooking appliances and offset the order which "froze" such equipment.

"With rationing of household appliances set up for the duration," Miss Berry said, "the correct use and care of your gas equipment in the kitchen is a patriotic measure. Such care is now vital if your equipment is to last through an expected long duration and produce the cooking service it was built to bring. Efficient cooking equipment will make your fuel and food dollars stretch."

Miss Berry said that 18,618,000 homemakers who cook with gas have learned that the gas range is one of the most durable and simple of cooking appliances.

"A gas range is still more economical and efficient when correctly adjusted, kept clean and properly used. After use each day it is advisable to wipe off the enamel of the range top with a soft dry cloth while the range is still warm, but not hot. If further cleaning is necessary, wait until range is cool. Use only a mild soap. Wash, rinse, and dry as you would your best china. Avoid placing wet dishes, bottles, or glasses on top of the range. Acids from beverages and foods, (vinegar, tomato juice, fruit juices, milk, etc.) may remove the glaze from the enamel, leaving a permanent dull spot. If anything is spilled, immediately wipe off with a dry cloth or a paper towel."

Miss Berry said range top burners should be wiped with a damp cloth after every meal; broiler pan should be removed immediately after use and when cool washed as any other cooking utensil of the same material; the oven sides, bottom, door and racks of oven should be washed occasionally with soap and warm water and wiped dry; use of low temperature in roasting meat reduces spattering of grease and therefore minimizes oven cleaning; burners of modern gas ranges require little cleaning, but if the flame openings become clogged, insert a pipe cleaner to re-

Ten-Year-Old Sings With TSCW Band

Sally Maxwell, 10-year-old mascot of the Campus Sirenaders, Texas State College for Women dance band, may be small enough to fit into the curves of a bass fiddle but she's a big attraction when she travels with the band as a featured singer. Sally loves music of any kind, has been singing since she was 2, plays the violin and piano, and wants to learn to play the bass just like her two big sisters, TSCW students. Her parents are Major and Mrs. F. W. Maxwell of Denton and San Antonio.

move obstructions. Food stains on burners may be removed with fine steel wool, household ammonia or soda.

or stodgy or limited about the things the USO does for the service man. Whatever the demands, the personnel attempts to fulfill them to the best of its abilities.

If you are a soldier you can go to your USO center and write a letter home to mother, use a telephone, relax in a comfortable chair, take a bath, read, write, sing, toot a horn if you are a horn-tooter, buy a lunch, or a doughnut at cost or do any of the other innumerable things that soldiers want to do. Games and recreation of every type are provided. Whatever your religion, you will find at the USO center a man of faith to give you solace or advice; usually one of your own creed.

For its work in attempting to keep high the spirits of the American service man, the USO receives from the United States government only a building in which to operate. This building is provided by the government on a standard rental contract and this rental must be paid by the USO. All expenses otherwise must be supplied by the United Service Organizations through donations from the public. It is to keep this work going that the USO will appeal to residents of District 13 for funds.

John F. O'Donohoe, district chairman, has emphasized that each county will conduct its own campaign, with its own committees, in its own way.

"I believe the people of our district will appreciate an opportunity of organizing their own campaign," said O'Donohoe. "I have absolute confidence that you have only to show the people of Northwest Texas the goal, have only to tell them the job that needs to be done. They will find a way and a means of doing it."

O'Donohoe emphasized that the USO campaign is a local campaign

in spirit because wherever soldiers, or sailors or marines are stationed, there will be found nearby a USO center, which serves alike boys from the plains of West Texas to the sidewalks of New York.

Leland Hannah of Munday is chairman for Knox county. This county's quota in USO funds has been set at \$1,000.

HALF THE FARM SCRAP ALREADY DELIVERED

College Station.—As salvage officials prepared to launch an all-out campaign to get more scrap metals collected, county USDA war board reports indicate that Texas farmers already have sold half the scrap from their farms.

The Texas USDA war board is making a survey of the results of its state-wide campaign to get scrap iron off the farms and into the mills.

Reports from 158 counties as of March 31, indicate that 87,227 tons of scrap metal have been delivered by the farmers in these counties but that an additional 88,000 tons still remain on the farms.

Complete reports from 254 counties on the number of auto graveyards in the state show 1,019 graveyards with a total of 37,891 cars. This does not include auto graveyards in cities of 10,000 or more population, as the WPA made a separate survey of these cities.

W. M. Griffith, commissioner of the Knox City precinct, was in town last Tuesday, attending to business matters.

Mr. and Mrs. Lloyd Bowden and son, James Alan, of McCarney are visiting in the home of Lloyd's mother, Mrs. John Bowden, and with other relatives and friends.

WASHBURN NEWS

A. M. Searcey and family spent last Tuesday at Lake Kemp fishing.

U.S.O. Campaign To Open Monday

Knox County's Quota Set at \$1,000

Wichita Falls.—Organization of District 13 (Northwest Texas) for the USO campaign which opens Monday, May 11, has been completed at a meeting of county chairmen here, and the district's quota set at \$37,500.

Of the total quota for 15 counties in the area, Wichita county has been assigned \$22,500, or some 60 per cent of the total. Thirteen other counties will raise the balance of the fund. The quota for Foard county, whose capital, Crowell, recently was ravaged by a tornado, was absorbed by the other counties by voluntary action of the leaders of these counties.

The USO tries to do for the soldier, or sailor or marine away from home all the things the home folks would do if they were with him. There isn't anything staid

WAR

... after 10 years of something for nothing!

JIMMIE, too young to know about the newfangled theories of the past 10 years wherein you get something for nothing, is simply amazed at getting even double for his money. A double-decker brings a "Gee-Whiz!" and bulging eyes.

And Jimmie is right. The war is disproving all the socialistic theories of the last decade. The country is paying in blood for the sweat and toil it failed to expend in honest work during a period when political boondoggling and perpetual e-motion substituted for labor to make our nation strong and virile. The awakening is painful.

Today we are straining every ounce of energy in the wartime effort while proving the old theories wrong... working night and day to get something for anything! Today we know that PRODUCTION, not reduction, makes a people strong, a nation free. We are paying dearly for producing too little, too late!

We will win, of course. No other country can compare with America's potential war production. No other has the men, the machines—or the electric power.

America's electric companies, under trained and experienced business men, are supplying power for the vast wartime industries where it's needed when it's needed... a supply that is greater than the combined total of all the enemy nations.

While most everything else has gone up, electric rates remain the lowest in history.

In fact, like Jimmie, you are getting a double-decker... double for your money. The average price of electric service today is about half of what it was just 15 years ago.

It's true, maybe, that your bill hasn't been cut in half.

The answer is, of course, that you use more and better lights, more new and useful appliances.

But right now for two nickels a day a majority of West Texas homes operate lights, radio, cleaner, toaster, washer and refrigerator.

No, you don't get "something for nothing." But the electric nickel buys just about the world's biggest double-decker!
