

Callahan County Hospital Feud Brought To Commissioners' Court

By EARLE WALKER
Reporter-News Staff Writer

A long-smouldering controversy involving the Callahan County Hospital was brought before the Commissioners' Court Monday morning.

The commissioners were asked to restore the privilege of using Callahan County Hospital to a doctor who was barred from it last year. No action was taken immediately.

Approximately 65 people attended the meeting in the county courtroom, where the request was made of the County Commissioners' Court.

Rev. G. C. Williams, retired Clyde Methodist minister, was the lone spokesman for the lone spokesman for the crowd. He asked the ban against the doctor be lifted, and that he be allowed to treat his patients at the hospital.

How many in the crowd were supporting Williams' statement wasn't revealed, since Williams was the only speaker making the presentation.

Williams told the court and the crowd, which overflowed the room:

"We want the right to call our own family physicians when going to the Callahan County Hospital, and want them to be allowed to use facilities of the hospital."

"That right is guaranteed to us by the laws of Texas and the Constitution."

County Judge Lester Farmer, presiding over the county com-

missioners court meeting, arose at the conclusion of Rev. Williams' remarks. Farmer said: "We appreciate your coming here. That's a privilege you have of meeting and discussing things with us. The commissioners' court doesn't have anything to say at this time, and you are dismissed."

Williams expressed disappointment to a reporter afterward that the commissioners hadn't continued their open meeting and had a fuller discussion of the matter.

In Williams' remarks at the open meeting, he didn't call any physicians' names. He said the doctor in question, so far as he knows, is the only one the board had barred.

The Callahan County Hospital Board sometime in 1954 took the action against the doctor, said Williams, Judge Farmer and Douglas Fry, Putnam, a board member, in talking with a reporter after the public meeting with the commissioners.

Neither Williams nor any of the county officials questioned by the reporter would say what was back of the doctor's being barred. Williams said it was some disagreement with the board.

Williams said he was selected by "a cross-section of the people of Callahan County to serve as their spokesman" in the matter. He said the hospital is an "open-staff" hospital and any licensed physician is entitled to use it.

The hospital was built in the late 1930s by Callahan County, and is still publicly owned and tax supported.

Apparently not any of the Callahan County Hospital board members attended the open meeting in the county courtroom.

A few minutes later the reporter, seeking Judge Farmer to ask him more on the controversy's background, found him continuing his meeting with the commissioners in a room adjoining the judge's office.

Judge Farmer said that was their regular meeting place. They had begun the session upstairs in the county courtroom merely for the purpose of having room for the crowd, he said.

Fry, a member of the hospital board, came into the judge's office and talked also with the judge and the reporter. Fry answered a reporter's question by saying he was going into the commissioners' meeting, "on some other matters."

Efforts of the reporter to learn the contents of the letter, which the county hospital board sent to the disputed doctor informing him that he was barred, were unsuccessful.

Judge Farmer said he had a copy of the letter in the files in his office, where the conversation was taking place, but that he wouldn't reveal it. Such revelation should be done by the county hospital board if at all, Farmer said.

Board member Fry was asked to disclose the letter to the reporter. He also refused, saying that as only one member he didn't feel he should. He agreed with Judge Farmer that the whole board should do any showing that is done of the letter.

"Is the letter part of the board's minutes?" the reporter asked.

"I'm sure it is," said Fry.

Farmer said he didn't believe the county commissioners would continue Monday discussing the doctor. One commissioner, Claude Foster, had to leave, Farmer said.

All members of the Commissioners' Court were present for the portion of the meeting where Williams presented his request. They are Judge Farmer, Scott Bryant, Clyde Floyd, I. G. Mobley and Claude Foster.

Members of the Callahan County Hospital Board—none of whom apparently attended the larger meeting—are: Frank Windham, of near Baird, chairman; Paul Shanks, Clyde; Roland Nichols, near Baird; Douglas Fry, Putnam; E. A. Franke, Baird and Fred Stacy, Cross Plains.

In the crowd attending the meeting in the courtroom were people from Baird, Clyde, Putnam, Oplin, Cross Plains and rural areas near those places.

Rev. Williams, presenting his request for the doctor's restoration to practice in the Callahan County Hospital, didn't deal in any personalities.

"It's not my purpose to dig into specific cases or call names," he told the court, "but if you want to go into those cases, the people already know about it."

The doctor was barred from the hospital's use during the administration of D. D. O'Connor, former administrator, who served from Feb. 15, 1954, until Dec. 1, 1954. He was succeeded in Dec., 1954, by Mrs. C. O. Pass, who had previously been the administrator for several years.

Leslie Bryant Heads Baird March Of Dimes

Leslie Bryant, secretary-treasurer of National Farm Loan Association of Baird, was selected to head the Baird March of Dimes campaign.

Mr. Fred Tunnell, Cross Plains banker, is County Chairman and will select community leaders throughout the county to help in this most important campaign.

Mr. Bryant urges the people of Baird to do all in their power to help in this campaign. Last year Baird raised \$860.00 for the March of Dimes, and we should do as well or better this year.

Leather Craft To Be Offered At School

Where? In the homemaking department of the Baird High School each Wednesday.

We are very grateful to Mr. Ford and our school board for purchasing leather craft tools so we may offer leather craft to those who desire to take it.

Leather craft will be taught each Wednesday in our Homemaking department as a part of our "Learning Day Program."

Anyone may take it. Come at the hour most convenient for you. You are to furnish your leather, patterns, etc. For further information contact Mrs. H. G. Hamrick, homemaking teacher.

This work will start Jan. 26th.

Mrs. Johnson, Clyde, Dies

Mrs. L. N. Johnson, 83, longtime resident of Clyde, died Wednesday at 5:40 p.m. at the home of her daughter-in-law, Mrs. Laura Shields.

Mrs. Johnson had been confined to her bed for the past three months after breaking her hip in a fall.

She was born Sarah Frances Hatcher near Knoxville, Tenn., on Nov. 25, 1871. She married Samuel Shields at Knoxville, who died when their only son, Harry, was 2.

Mrs. Johnson later moved to Texas and married L. N. Johnson at Mexia. He died in 1945 at Clyde, two years after the death of her son at Clyde in 1943.

Besides Mrs. Shields, Mrs. Johnson is survived by one granddaughter, Mrs. George Lane of Dallas, and two great-grandchildren, David and Pamela Lane of Dallas, besides several nieces and nephews.

Funeral will be held at 10:00 a.m. Friday in the Clyde Methodist Church of which Mrs. Johnson was a member. Rev. A. B. Armstrong, pastor, will officiate. Burial will be in Clyde Cemetery.

Pallbearers will be: George P. Foster, Von Ray McClure, Doyle Hopper, A. E. Stevenson, John Weather and Tom Plimons.

Burial will be in Moran Cemetery. Wylie Funeral Home of Moran is in charge of arrangements.

P-TA Has Safety Program January 10

The Baird P-TA met Jan. 10 for a program on Safety. Following the invocation by Principal E. B. Posey and group singing by the audience, Patrolman Ross Kemp, was introduced as guest speaker. Mr. Kemp, who is Chairman of Safety for District III of the Highway Patrol, showed a film depicting the consequences of reckless driving. He stated that an educational campaign is being stressed to combat the alarming increase in traffic fatalities on Texas highways.

He emphasized the value of high school students, preferably those of freshman and sophomore classes, and quoted figures to show the decrease in accidents involving young drivers trained in such courses. The Texas Federation of Women's Clubs is sponsoring Driver Education as one of its projects.

Mr. Kemp also discussed the use of student safety patrols near school zones; and stated that the full cooperation of citizens is necessary for this to be a success.

He reported that the psychological effect of the use of radar on Texas highways has already caused a sharp decrease in accidents where the radar warning signs are posted. He urged citizens to cooperate in the effort to avoid the traffic fatalities, which, among other things, are causing insurance rates to become higher.

In the business session, Mrs. Frank Gardiner, president, announced the appointment of Mrs. Merle King as a member of the Baird Safety Committee and Mrs. J. V. Thompson as membership drive chairman. Mrs. J. L. Ault and Mrs. M. C. McGowan were appointed to secure a cot for use of children taken ill at school.

Mrs. Sidney Roy's room won the prize for having the largest number of parents present.

Recent holiday visitors with Mr. and Mrs. Joe Alexander were all of their children, Mr. and Mrs. E. L. Ledbetter of Abilene; Mr. and Mrs. L. C. Kimmell of Houston and Mr. and Mrs. Bill Alexander and children of Baird. A granddaughter, Mrs. Tommy Dickey and husband of Houston was also present.

Bob Simons of Oklahoma City, Okla. visited Mrs. Homer Driskill and other relatives here a few days last week.

Mrs. J. T. Lawrence visited last weekend and the first of the week in Breckenridge with her granddaughter, Yvonne and Sharon Melton while Mrs. Melton went to McKinney to visit her husband who is a patient in the Veteran's Hospital.

Buddy Tankersley, who had major surgery in a Dallas hospital last week, was able to be moved to his home here in Baird on Tuesday. His many friends wish for him a speedy recovery.

Mrs. Wendell Johnson spent last weekend in Peecos with her son and family, Mr. and Mrs. Cliff Johnson and son.

Joe Pierce of Abilene was a business visitor here on Monday afternoon.

Baird Bears Place Two Men On Reporter-News All-Area B Team

Johnny Bullock of Baird and Neal Wilcox, Hermleigh, were selected Most Valuable men in Class B football in this area by the Abilene Reporter-News.

Wilcox, a member of the first team for the last two years, headed the line for Region II-B champion Hermleigh and is chosen as the Most Valuable Lineman in the area. He scored 36 points during the regular 1954 season and was dangerous, not only as a pass receiver, but as a potential runner on Hermleigh's end-around series.

Bullock, who scored 133 points in leading the Baird Bears to the District 8-B championship, was a 48-minute man for Coach H. R. Jefferies' crew, and nosed out Eddie Morris of Strawn and Billy Joe Hollingsworth of Rochester for the Most Valuable Back.

Joining Bullock, Morris and Hollingsworth in the All-Area first team backfield is Roy Johnson, sparkplug of the Loraine Bulldogs, who tied Hermleigh for the District 6-B title.

Across the line are Wilcox of Hermleigh and John Lunardon of Strawn at ends, Bill Gorman

Jefferies Chosen B Coach Of Year

Two years ago a young man named H. R. Jefferies moved into the Abilene area as a football coach.

In 1953 his Rule team finished as runner-up to perennial power Rochester in the District 7-B race.

In 1954 he moved to Baird where his Bears won eight and lost three, bowing only to Class A Merkel and Cross Plains and to 7-B champion Rochester on penetrations in the bi-district playoff. In addition to winning the 8-B crown without a setback, Baird walloped its most heated rival, Clyde, for the first time in several years.

The Reporter-News therefore names Jefferies the Class B Coach of the Year in the Abilene Area.

of Baird and Bob Jensen of Knox City at tackles, Jay Houston of Hermleigh and Jack Russell of South Taylor at guards, and Donald Wade of Rochester at center.

Wade is the only junior on an otherwise all-senior eleven.

Wilcox is the only repeater on the first eleven from the 1953 team but Russell and Johnson were second team choices and Jensen, Wade, Morris and Hollingsworth received honorable mention last year.

Morris, a 170-pound halfback, is the top scorer not only among Class B backs but for all classes in the Abilene area.

His 177 points were nine better than the 168 tallied during the regular season by Hollingsworth. Bullock tallied 133 and Johnson 117.

The second team backfield owns an envious scoring record of its own. Robert Lee's Lynn Davidson tops this quartet with 107, followed by Gene Jones of Woodson with 94, Arbie Phillips of Bronte with 87 and Wayne Mason of Aspermont with 70.

Gorman, a 203-pounder, together with second team end Robert Corn, led the Baird line. Jensen, playing on a Knox City team that has been knocked around by most comers ever since it climbed up from six-man to 11-man football, has been All-7-B for the last two years.

Wade, who played guard last year for Rochester moved into the shoes of All-Abilene Area center Bill Harper and was one of the chief reasons Rochester lost only two of 12 games in 1954.

Lunardon has been playing steady football for Strawn for the past three years and he and guard Jack Russell of South Taylor have been on the 8-B All-District selections the last two years.

Russell is a 190-pounder, while his running mate, Houston of Hermleigh, is the watch charm type, weighing in at 148.

Rochester, Baird and Loraine placed three men each on the 22-man squad formed by the first and second teams. Hermleigh, Strawn, Robert Lee and Bronte had two each, while South Taylor, Knox City, Lueders, Woodson and Aspermont had one man apiece.

First Team
Ends: Neal Wilcox, Hermleigh; John Lunardon, Strawn; Tackles: Bill Gorman, Baird; Bob Jensen, Knox City; Guards: Jay Houston, Hermleigh; Jack Russell, South Taylor; Center: Donald Wade, Rochester; Backs: Eddie Morris, Strawn; Johnny Bullock, Baird; Billy Joe Hollingsworth, Rochester; Roy Johnson, Loraine.

Second Team
Ends: John Ben Glover, Rochester and Robert Corn, Baird; Tackles: Harry Prince, Lueders and Jack McDonald, Loraine; Guards: Don Bell, Robert Lee and Johnny Miles, Loraine; Center: Harold McCutcheon, Bronte; Backs: Lynn Davidson, Robert Lee; Arbie Phillips, Bronte; Gene Jones, Woodson; Wayne Mason, Aspermont.

Threatening Calls
State Rangers and Department of Public Safety officials are trying to locate a telephone caller who threatened the lives of Attorney General Shepperd and State Capitol Reporter Raymond Brooks.

"A bullet in the back of his head" was promised each man "if he didn't lay off the land business." Wives of both men received the calls at their homes.

Rep. Joe R. Pool of Dallas has prepared a bill having penalties up to five years imprisonment for such threats. Present law provides only a \$200 fine.

Everyone is invited to attend the Inaugural Ceremonies at Austin on Jan. 18.

Gov. Shivers wants one and all to know that "an invitation list to an event of this kind is very hard to compile." No invitation is needed and all Texans are invited, says the Gov.

Inauguration Ceremonies are expected to draw 30,000 visitors to Austin.

When Gov. W. Lee O'Daniel was sworn in for his first term there was a record number of 55,000 onlookers.

To Gov. Shivers, however, goes the record of having served as Gov. of Texas longer than any other man. He will have been in office five and a half years on Jan. 22.

Gov. Coke Stevenson, runner-up for the honors, served five years, five months and 13 days. Shivers beat that record on Dec. 24.

More Pay Now
Beginning with this, the 54th regular session of the Legislature, the lawmakers draw \$25

Giles was chairman of the Veterans Land Board, whose affairs continue under investigation by a Senate committee and three state agencies, in connection with block land sales.

Gov. Allan Shivers was almost as quick in appointing Giles' successor. He named J. Earl Rudder, 44, of Brady, to the full two-year term.

Rudder resigned as a member of the State Board of Public Welfare to take the position. He was sworn in at the Governor's office, immediately elected chairman of the Veterans Land Board, and joined the other members—Gov. Shivers and Attorney General John Ben Shepperd, in tightening veterans' land loan regulations.

Giles, who originated the veterans land program, said he stepped out because he thought someone else would have a better chance of getting needed changes in the veteran's land law.

Giles has been associated with the land office, in one position or another from the day he was graduated from the University. That was 34 years ago. He served 17 years as Commissioner.

per day. The old limit was \$10. Pay is now limited to 120 days, however. In the past they went on half-pay indefinitely after 120 days.

An amendment approved by the voters last Nov. granted the pay increase. It also gave the Legislators authority to increase the salary of the Constitutional officers.

At present the Gov. gets \$12,000; the Attorney General \$10,000; and the Treasurer, Comptroller, Secretary of State and the Land Commissioner \$8000 each.

It is expected that the Governor's pay will be increased by the Legislature to \$25,000 a year; the Attorney General's to around \$20,000; and the other officials to perhaps \$15,000.

Gun Safety Plan Aided By Game Wardens

The Executive Secretary of the Game and Fish Commission said plans already are being made to help along greater gun safety precautions in connection with hunting seasons.

He said game wardens "where possible" will be instructed to help set up actual gun safety courses on the local level.

The Executive Secretary said the need for greater attention to ordinary gun handling was emphasized during the last open seasons when a majority of the fatalities were attributed to youngsters.

The preliminary totals for the

seasons indicate that the total gun deaths will approximate that of 19 for the preceding year. Seventeen gun fatalities already have been listed, with some returns unreceived. Another death resulted from a hunter falling from his blind in a tree.

"There were some arresting phases to the reports" said the Executive Secretary. "Adult hazards seem to have been reduced, presumably because of safety efforts. But the youngsters' accident rate seems to have increased."

"Ten of the seventeen hunting fatalities involved teen agers, all except one 14 or under, and nine youngsters actually died from shooting accidents

The boys and girls basketball schedule was full last week. The boys played Cisco Tuesday night and won 34-31. Thursday night the boys and girls both played basketball in the Cross Plains tournament. The boys lost 70-49 and the girls lost 49-38. On Friday night we played our first conference game with Eula and the boys lost 34-33 and the girls lost 62-46. Saturday morning the boys defeated Baird 59-28 and Saturday afternoon the boys lost to Clyde 46-45. Saturday night the girls played Coleman for consolation and lost 53-51.

Carl White and Eereeta Speegle received little silver basketballs for being selected on the all-tournament team.

Union Usuals and Unusuals

Veda Yarbrough

Hi there neighbor! Isn't this beautiful snowy Monday. My mind this a pretty sight. Trees and weeds all look like Christmas trees.

Mrs. Sam Jobe, Mrs. Della Wise and Mrs. Mary Ramsey spent the day last Thursday with Ollie Burnam. I know they had a good time and lots of good things to eat.

Mrs. Mary Ramsey spent Saturday afternoon in Cross Plains visiting her sister and husband, Mr. and Mrs. John Bishop. Aunt Innie and Uncle John were doing pretty good she said.

I see cowboy, Marvin Eubank passing by on his little black cow pony on his way to feed his cows. Marvin, I think you used mighty good judgment this morning in going horse back. That way you will be sure you won't stick in the mud or get in a snow drift. Did I tell you Marvin and Lillie got a TV for Christmas? Oh, I did! Well, am sorry.

Think our new neighbors have moved in down here in the McKinney house. Don't know their names except it is Nancy McKinney, used to be and her husband. We are happy to have them for neighbors.

Jim was over in Moran this morning and saw Maurine McCollum. She said her mother was doing pretty well. Sure am glad to hear she is feeling better.

John, Roma McIntyre and I had dinner with Ruth, Bettie and Mabel Mobley Saturday evening. They really know how to cook and what to cook. They had some good old blackeyed peas and the best corn bread I think I ever ate and lots of other good things to eat. After dinner we watched TV which we enjoyed very much.

Roma and John didn't leave for Salt Lake City this morning as they had planned as the roads were too bad. They will leave for home Tuesday morning if the weather permits. We sure do hate to see them go out am glad they got to stay as long as they have. Just hope they have a safe journey home.

Roma and I visited a little while Saturday afternoon in Cisco with Emmitt Wood and family. Holmes Wood was in bed sick with flu. Hope he soon gets ok. Holmes and wife Peggie returned from Odessa last Thursday afternoon.

Last Friday night John, Roma and I went to the Jamboree in Cisco. We enjoyed all of it very much and especially the little Brown boys. Think I shall go again some time.

While over in Cisco Saturday afternoon we visited Mary Alice

Everett and girls awhile.

Did I tell you the Hired Hand didn't eat his blackeyed peas on New Years Day? Well he didn't, he ate pinto beans instead. The reason he said he had been eating blackeyed peas on New Years Day for a long time and he had been having terrible luck so he decided to try pinto beans and see if his luck would change. So will keep close watch on him and see if his luck changes. I thought he was having pretty good luck all the time. Now if his luck changes for the worst won't he be sorry he didn't eat his good old blackeyed peas. So will tell all of you in time which to cook next New Year.

Little Boy Jim and D. A. Yarbrough put in pretty good time going to sales last week. They sold a cow a piece and Jim bought a baby calf. The Hired Hand sold some calves at sale last week too. Think he did pretty well with them too. See his good luck has already started.

Saw my neighbor, Beth Coats, over in Cisco Saturday afternoon. She said she had a new gas cook stove, hot water heater and bath all in now and no time to stay at home and enjoy them. She is working in the school lunchroom in Cisco and Clyde, her husband, is working for Sandler Lumber Co. so they only eat and sleep at home she said.

We are very sorry to hear of Mrs. Welda Shackelford Thomsen of Glendale, Calif. being ill. Will do, we hope you soon are up and well again so you can come back to Putnam on a visit.

Mrs. Dell Jones has her telephone now. She sure is glad too. She and Miss Dove go over to Bert Jones' every once in a while to visit and watch TV. Now why don't you girls go in cahoots and get you a TV? Then these cold snowy days how you would enjoy it. Oh guess you wouldn't have time to play dominoes if you did. I just wonder how your domino games are coming along. I will be down pretty soon to see how you girls are getting along.

Burette and Johnny Ramsey visited Saturday night with Walter and Reba Francisco. I guess they had a good 42 game. Little Boy Jim and John beat Roma and I last night in playing 42. Oh well we didn't care for getting beat.

D. A. Yarbrough had lunch with us yesterday. Mrs. Onie Abernathy visited D. A. a while Sunday morning. Evelyn Abernathy did too.

Ollie Burnam got her bathroom all fixed up last week. Real pretty pale blue and yellow.

Mary Everett and girls spent Thursday night with Ollie and the Hired Hand.

Johnny Carl Gunn visited with us a while the other morning. He said he was busy helping feed the cattle and he might go to Okla. to see his grandmother and aunt pretty soon.

I see the clock says dinner time so I had better say so long for now. Be good and I'll be seein' you next week.

Braking Difficult As Ice Thaws

Believe it or not, it's twice as hard to stop your car on ice when the temperature is barely freezing than it is when the thermometer registers zero!

This information was given out by Mr. R. B. Roaper of Houston, Chief Safety Engineer, Humble Oil & Refining Co., and president of the Texas Safety Association, Inc. today as he discussed the winter hazards program which the Texas Safety Association, Inc. and the Texas Department of Public Safety is now conducting in cooperation with the National Safety Council.

"Temperature plays an all important part in braking distances and possible traction on snow and ice", Mr. Roaper said. "As the temperature rises, ice (and, to a lesser degree, snow) becomes much more slippery. For example, at 20 m.p.h. when the temperature is 32 degrees F., stopping distance without tire chains is 250 feet. When the temperature is 0 degrees F., stopping distance is 110 feet. This is a difference of 140 feet—a distance that might well cause a serious accident."

According to Mr. Roaper, this action of ice in response to temperature presents a real hazard to the unwary driver who doesn't appreciate the need for extra caution when ice is on the verge

of thawing. He said that is why it's important for the driver to "get the feel of the road" by trying out his brakes while driving slowly and away from traffic.

"Take the driver who starts out on an icy road early in the morning while it's still quite cold", Mr. Roaper explained. "He finds 'pulling away' traction and stopping ability fairly good. But as the sun comes out and the temperature rises, he doesn't realize that the ice will become much more treacherous. When he finds he can't stop in time to avoid an accident, it's often too late to put on chains."

Mr. Roaper said that a driver's only safeguards in slippery weather are increased caution and decreased speed. He believes, "Slow up in a freeze up" is still the best rule of thumb for safety.

Dr. and Mrs. M. C. McGowan and daughter, Carol Lynn, returned home last Friday night after spending two weeks in San Diego, Calif. where they visited two of her sisters and families, Mr. and Mrs. Paul Hay and children and Lt. Commander and Mrs. Joel Poukkula and family and also visited a number of their friends.

Odds and Ends Opportunity

The little Junior class along with the Scripture Gleaners from the Baptist Church met at the Community Center last Thursday night, Jan. 6. The Juniors' teacher, Miss Freida Straley, was in charge of the recreation for the evening. Due to lots of illness in the community and cooler weather the attendance was small. Those attending reported an enjoyable time. Refreshments of sandwiches, cookies, hot chocolate and coffee were served to the following: Mmes. Dave Poindexter and children, Donald Mack, DeWayne and La Rea; J. B. Pierce and son, Darrell; Mr. and Mrs. Ray Floyd, Mr. and Mrs. Clarence Breeding and children, Dorothy and Patricia, Clarice Poindexter and Miss Freida Straley.

There seems to be quite an epidemic of colds, flu, virus, etc., in the community.

You remember I reported last week that Grandma Poindexter had not been feeling so well. Further cold developed and by the middle of the week, Dr. Griggs diagnosed the case as pneumonia. But last Saturday afternoon when I called she was resting well and it was thought that with careful nursing she would be okay.

Mrs. Alice Hopkins is not feeling as well as usual either. She went to the doctor last week and her blood pressure was up again. More rest and take it easier, Mrs. Hopkins.

Say folks, my curiosity was aroused for several days last week wondering who the nice looking gentleman was who kept waving at me in a new blue Ford pickup. Finally I learned that my brother-in-law, Clyde Floyd had purchased a new pickup for the county.

Mr. and Mrs. Tommie Windham and Paula attended the funeral of her brother-in-law, Mr. Wilson Muriel of Novice, last Friday, who died from a sudden heart attack.

Sunday afternoon I was writing to friends telling them that

It was coming a pretty good shower. In less than thirty minutes I looked outside and the snow flakes were falling. Believe it or not there was heavy thunder along with the snow. Snow fell until night and now on Monday morning everything is blanketed with snow again. So far nothing is frozen over though.

Well the snow has really been falling since about 3:30 p.m. today, Jan. 9, and what could be better for this old dry earth we live on, as it's the wettest snow I've seen in a long time, and looks like it might stack up several inches of snow before we see daylight again.

As well as I like poems, looks like I should be able to write a good one of this snow scene, but suppose I'll have many lessons to take in writing poetry before you read one of my poems.

Ira, Lynda and myself visited Dale and Betty Jane today in their new home recently built and they moved in Jan. 4th. A very proud couple they are but who wouldn't be to have new furniture and a new home on Bowie St., Abilene.

While I was there, I called Sylvia Gwin and talked a few minutes. She told me her grandmother Gwin had been in Hendrick Memorial Hospital for an eye operation but was able to be moved out to her daughters' in Abilene, Mrs. Dee Pevy.

SPEAK ON LEGISLATION—"Legislation in the Public Interest" will be featured when the Texas Press Association holds its annual Mid-Winter Meeting Jan. 22 in Austin. Addressing some 200 Texas daily and weekly newspaper publishers will be three men who have been closely connected with legislative matters. They are, in the usual order, above: Representative Jim Lindsey of Texarkana, speaker-to-be of the Texas House of Representatives; Alvin A. Burger, executive director of the Texas Research League, Austin; and former State Senator James C. Nance of Oklahoma who also is publisher of the Purcell (Okla.) Register and co-owner of several daily and weekly newspapers in Oklahoma.

Atomic Energy To Be Used On Cancer

Atomic energy is to be put to work for the benefit of mankind at Baylor University Hospital in Dallas. Mr. Charles R. Moore, Chairman of the Dallas Executive Committee of the Baylor Board of Trustees, announced this new advance for the treatment of cancer today. Mr. Moore stated that plans have been completed for installation of a new "Theratron" Cobalt 60 Beam Cancer Therapy unit at Baylor University Hospital.

The Cobalt Therapy Unit is a new type of giant X-ray-like machine which utilizes radiation from atomic energy to penetrate the skin and retard or destroy the growth of cancerous tissue. In discussing the new unit Dr. J. E. Miller, Chief of the Department of Radiology at Baylor University Hospital, said: "The principle of X-ray therapy has been used in the treatment of cancer for a long time, but the new Cobalt machine makes possible deeper penetration with less harm to normal tissue than was ever possible before." The installation of this advanced machine will place Baylor University Hospital among the leading centers for treatment of cancer in the United States.

The installation of the Cobalt Unit has been made possible by a gift from Reserve Life Insurance Company of Dallas, Texas, in honor of the company's president, C. A. Sammons. The building and facilities, which will be valued at \$150,000.00, will be known as "The Charles A. Sammons Irradiation Therapy Center", according to Mr. Moore.

The Cobalt Unit weighs approximately eight tons and will require a special building with

heavy lead and concrete insulation on ceiling, walls and floor to keep radio-activity under positive control. The new building will be erected adjacent to the hospital's present X-ray Department. Mr. Boone Powell, Administrator of Baylor, said construction will start within thirty days.

According to Baylor Radiologists the Cobalt Unit is ten times as powerful as standard therapy available at the present time. Treatments with this machine are said to be effective on 15% to 20% of the patients who are not helped by the previously available lower voltage and with all patients treated, there is more effective treatment with less adverse effect to normal tissue.

Dr. Miller stated that especially trained personnel will be required to operate and maintain this advanced equipment. He said further "we are fortunate in having Dr. John T. Mallams on our Radiology staff who has had experience with this modality of therapy."

The new cancer therapy unit and the first supply of atomic radiation is scheduled for delivery in Dallas by June, 1955. The cancer treatment center will be in full operation shortly thereafter, according to announced plans.

Mr. C. A. Sammons, in whose honor the gift of the equipment was made, said, "I am humbled by the gift made in my honor, but thrilled with the thought of the great numbers of people whose lives may be saved or prolonged through use of this equipment."

Dr. Miller stated, "Naturally, I am pleased at the prospect of having the privilege of working with this equipment and to be a part of bringing its benefits to the people of this area."

Mr. and Mrs. Guy Nutt and children of Post spent last week here and in Dallas where her father, G. H. Tankersley is in the hospital. Mr. Nutt and Ann Gray returned to their home on Sunday but Mrs. Nutt and son remained here for another week.

Tri-County Art Guild Meets At Rising Star

The semi-annual exhibit and
tea of the Tri-County Art Guild
was held in the library building
in Rising Star on Saturday af-
ternoon, Jan. 8th from 2 to 4
o'clock. Forty-nine paintings
were on exhibit including por-
traits, landscapes, flowers and
still life.

A number of visitors from Cross
Plains, Putnam and Rising Star
were registered for the occasion.

Refreshments of coffee, cook-
ies, salted nuts and mints were
served by the Rising Star art
class.

Seventeen members were in at-
tendance as follows: Mmes. E. G.
Harper, J. E. Wood, R. L. Clin-
ton, Mark Adair, Craig McNeil,
Fred Heyser, Betty King, Mag-
gie Cook, L. A. Williams, R. D.
Williams, S. M. Eubank, R. A.
Horton, Bob Shults, Tom Stewart,
Fred Tunnell, M. S. Sellers and
Miss Bill Shults.

Mrs. Barnhill Hosts Gleaners Class

Mrs. Willie Barnhill assisted by
Mrs. E. O. Parsons entertained
the Gleaners Class, Thursday,
Jan. 6 at 7:30 p.m.

After singing the class song,
"Bringing In The Sheaves", the
opening prayer was given by Mrs.
Barnhill.

Mrs. Ellen McGowen, president,
presided during the business
meeting and the class voted to
send \$5.00 to the Reynolds Pres-
byterian Home in Dallas. Mrs.
McGowen gave an interesting
talk on "co-operation."

Mrs. Barnhill, on behalf of the
class, presented the retiring
president and secretary, Mrs.
Harry Berry and Mrs. Wade
Johnson, gifts for their untiring
work for the past year.

The closing song was sung by
the group, "God Bless America"
and prayer by Mrs. Virgil
Hughes.

A social hour followed and de-
licious refreshments were ser-
ved to Mmes. Harry Berry, Sallie
Eastham, E. C. Fulton, Virgil
Hughes, Mary Keher, Arthur
Johnson, Ellen McGowen, S. E.
Settle, Sam Smith, Edna Yonge,
Willie Barnhill and E. O. Par-
sons.

Mrs. N. L. Dickey visited one
day last week in Albany with Mr.
and Mrs. Hugh Ayers and Mrs.
Helen Price.

Mr. and Mrs. R. E. Hall visited
G. H. Tankersley, who is in a
Dallas hospital last, Sunday.
They also visited Mrs. Tankersley
who is in Dallas with her hus-
band.

Mrs. Womack Hosts Jr. Wednesday Club

The Junior Wednesday Club
met for a business meeting Jan.
3, 1955 at 7:30 p.m. with Mrs.
Bill Womack as hostess.

Annual reports of the various
officers and committee chairmen
were given.

The following officers were
elected for the coming year:
president, Mrs. Ray D. Black;
first vice-president, Mrs. Lee
Brown; second vice-president,
Mrs. Coleman Walton; recording
secretary, Mrs. Frank Crow;
corresponding secretary, Miss
Floy McCaw; treasurer, Mrs.
Garland Betcher; reporter, Mrs.
Cubelle Sorrels; federation coun-
selor, Miss Sarah Parks.

Those present for the meeting
were: Mmes. Jay Ashlock, Gar-
land Betcher, Ray D. Black, Lee
Brown, Wilburn Garco, Frank
Crow, Benton Prust, Cubelle Sor-
rels, Bobby Stanley, Bill Womack,
Cecil Stroope, Coleman Walton,
and Misses Dora Eubanks, Floy
McCaw, Sarah Parks and Vir-
ginia Stevenson.

The civic committee reported
that they had contacted a nur-
sery to do the landscaping of the
Baird Grade School ground and
after discussing the location of
the project with the school su-
perintendent, Mr. Bill Ford, it has
been decided that between the
cafeterium and the road will be
the logical place for the shrubs.
Due to the fact that at the pre-
sent time the playground equip-
ment is located there and it will
have to be moved before the
shrubs can be set out we wish to
take this opportunity to inform
the public that the Junior Wed-
nesday Club is holding the funds
we have collected for this pro-
ject in reserve and as soon as
the equipment can be moved
and the ground prepared we will
have the shrubs set out.

Refreshments were served and
a social hour followed.

Girl Scout Troop Meets Tuesday

The Girl Scouts of Troop 6 met
Tuesday, Jan. 11, 1955. President
Alberta Turner called the meet-
ing to order. After reciting the
Girl Scout Promise, Judy Ander-
son, secretary called the roll
and Edwina Reese, treasurer,
took up dues. Then they said a
grace and had nibbles after
which they had an interesting
discussion. It consisted of talk-
ing about one of the program
fields. It was called "Arts and
Crafts." They participated
in a flag ceremony. The song
leader, Donna Drennan, taught
the Troop a new song and Dar-
lene Saunders, game leader, lead
a game. After having a closing
song the meeting was dismissed.

Mrs. Harrell Farrell and
daughter of Abilene spent last
Friday with Mrs. Paul Dugan and
family and other friends here.

Mrs. Bud Eaker of Abilene vis-
ited Mrs. Tod Newton last week.

Betty Crocker Test Given Local Girls

On Jan. 12, 1955, senior girls
of all schools throughout the
notion were given a chance to
take a knowledge and attitude
test to determine the "American
Homemakers of Tomorrow."

This test was prepared by the
staff of Betty Crocker's repre-
senting General Mills. It was to
give the girls a better idea of
the kinds of knowledge they will
need to have before they go into
homes of their own.

These answer sheets are to be
returned to General Mills, graded
by their staff, and the correct
answers will be sent to our school
at the time the name of the
highest scoring student is certi-
fied. Other prizes that the girls
may win are a set of Encyclopedia
for their school, Betty Crocker
cook book for their homemak-
ing department, etc., all depend-
ing on the grades made.

The girl receiving the highest
examination score in each school
will be entered in state competi-
tion where the winner will re-
ceive a \$1,500 scholarship and
a trip with her school advisor
to Washington, D. C., Colonial
Williamsburg, Va., and Philadel-
phia.

The state winner who is se-
lected the All-American Home-
maker of tomorrow in Philadel-
phia April 21 will receive a
\$5,000 scholarship. Aiding in
making the selection will be a
committee consisting of 13 na-
tionally known educators and
public leaders.

Girls taking the test were:
Marquita McQueen, Elizabeth
Snyder, Carolyn Nichols, Gayle
Walls, Wanda Shelmut, Dolly
Summers, Rosie Monzello, Vergie
Mae Stevenson, Billie Beth Bell,
Marilyn Gilliland, Evelyn
Sprawls, Dorothy Henry.

Questions and Answers

Q—I am taking Korean GI
farm training. My school has
just informed me that it has ex-
tended the length of the course
beyond that which has been ap-
proved by VA. Will I get GI
allowance payments for the ex-
tension?

A—No, GI allowances, under
the law, may not be authorized
for extensions beyond the period
required to complete your ap-
proved training program.

Bridal Shower Given Mrs. Delmer Jackson

Mrs. Delmer Jackson, a recent
bride, was honored with a show-
er Saturday evening, Jan. 8, 1955,
from 6 to 8 p.m. in the home of
Mrs. W. V. Walls.

Mrs. Jackson, the former Bar-
bara Shelton, is the daughter of
Mr. and Mrs. Jake Shelton. She
is an employee of the Home Tele-
phone and Electric Company.

Many friends called during the
evening, and after viewing the
gifts, were served punch, cookies,
nuts and mints.

Mrs. Jackson was the recipient

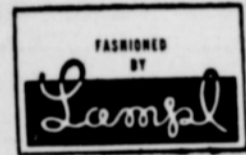

of many useful and beautiful
gifts.
Hostesses for the occasion
were the employees of the Tele-
phone Co. and Mrs. Mabel Bear-
den.

RECIPE OF THE WEEK

By Mary Lee Taylor
Chocolate Nut Pie
1/4 cup soft butter or margarine
1 cup sugar
1/4 cup flour
1/2 cup cocoa
1/2 teaspoon salt
5 unbeaten eggs
1/4 cup dark corn syrup
3/4 cup Pet Evaporated Milk
1 cup finely cut, unsalted nuts
1/4 teaspoon vanilla
Put butter into a 1 1/2-quart bowl. Mix in gradually a mixture of sugar, flour, cocoa and salt. When well blended beat in eggs, one at a time. Mix in syrup, milk, nuts and vanilla. Pour into a 9-inch pie pan lined with unbaked pastry made from pie crust mix. Bake on center rack of 375 oven (high moderate) 45 min., or until top is firm and slightly cracked. Cool before serving.
