

## Kracker Krumb's Odd Bits Salvaged at Random

The talk of this section is irrigation.

And we guess there could be no better time to talk this means of getting water than right now—when our long dry spell has been prolonged into a drought.

It was nice a week ago last Sunday to walk out of church services and find a slow, steady rain falling. It looked like it was getting ready to rain a full week, but it stopped in two hours.

It was nice to be able to drive in the rain again. This we did last Sunday evening when we hit a shower near Crowell at about 7:30 o'clock.

It was nice to wake up during Sunday night and hear the steady pitter-patter of raindrops on the roof, then roll over and resume the comforts of sleep with the assurance that it could rain again.

But it stopped then, too, after the gauge had registered .26 of an inch.

So we reckon the talk of irrigation is not at all out of line. As one person remarked to us, this area may continue to be one of the best producing areas anywhere.

And they're doing more talking about it—they're punching irrigation wells in many places. Some farmers have gotten weak wells—not enough for any extensive irrigation—while others are getting stronger ones.

John Reneau invited us to see his well last week, but we have not gotten around to seeing it. He says he's got a good one out on his farm southwest of town.

And others are meeting with equal success. A local drilling firm, the Knox-Plains Pump Co., headed by Doris Dickerson and Don Combs, had four pumps going the first of this week.

Two of these were on the B. E. Smith place, east of town, and reports are that Mr. Smith has two very strong wells.

Another is on the Boyd Meers farm and the fourth is on the L. W. Hobert place.

"We'll have another one going on the Lonnie Offutt farm before your paper comes out," the boys told us Monday.

They're going below the first water sand, and say that the second sand is producing much better water than the first.

Most wells average from 60 to 65 feet in depth, so it doesn't take very long to punch one and get it ready to be placed on the pump.

Getting moisture at the right time will mean a lot to the farmers, and we are told that the right time is during the winter months. We were told: "If we can start with a good bottom season, we'll always make a pretty good crop."

Don't know just what the official analysis on any of the water is, but the general opinion is that it's suitable for irrigation.

Soon after arriving in Munday in 1938, we took a journey with Austin Caughran out to the Reneau farm to see a well being pumped. It looked like irrigation was in prospect then, but it soon died down.

"We didn't know how to fit the wells, then," Mr. Reneau told us recently, "to keep them from sanding down."

Now they seem to have overcome that little detail, too.

Local merchants are stocking irrigation pumps and supplies in anticipation of a boom in this field, and it looks like irrigation is going to be tried rather extensively in this area.

And one growing season may determine whether this method of farming is successful. They may have something there.

## J. W. Sanders, Sr. Announces For Precinct Post

J. W. Sanders, Sr., of Goree has authorized the Times to announce his candidacy for the office of Commissioner of Precinct 4. His statement follows:

"This is to announce my candidacy for Commissioner of Precinct 4 of Knox County, subject to the Democratic primary. I have been a resident of Goree for 11 years, and my record is an open book. I am going to make this race for commissioner with an open heart and clean hands. I have no mud to sling or criticism to make.

"I will give my word of honor that if elected commissioner of Precinct 4, I will give the people of the precinct and county a fair, impartial administration. I will see to it that our rural roads throughout the width and breadth of our precinct are taken care of, even the remote corners of our precinct, just the same as in our little towns and villages. Or towns of Munday, Rhineland, Hefner, Brushy and other parts of my precinct will have the same consideration as my own town of Goree, for I consider one part of the precinct just as important as the other.

"We have school buses, mail cars and patrons who travel every foot of our roads, and, if elected your commissioner, I will be on duty to serve the people 24 hours a day. The roads are not all of the commissioner's duties. I promise to always be on the alert for anything and everything that we are entitled to for the betterment of our county.

"When you, both men and women, go cast your votes just consider me, and any consideration and favors shown me will be very highly appreciated."

## Funeral Services For John M. Jones Held In Fort Worth

Funeral services were held in Fort Worth on Tuesday for John Nance Jones, 60, former Knox City wholesale and retail oil dealer, who died in a hospital there Monday.

A native of Navarro County, Mr. Jones came to Knox City in 1906, and moved to Fort Worth about 18 months ago. He was in the Army from 1912-15, and served in the Philippines. He was known by many local people.

His wife, two brothers, Henry Jones of Knox City and A. E. Jones, of Fort Worth, and two sisters, Misses Willie and Hazel Jones, survive.

## Old Fiddlers Meet Saturday

Screaming fiddle strings and the tapping of feet will bring back tunes of the long ago next Saturday night when the old fiddlers' contest will be held at the Munday school auditorium. The program will begin at 7:30 o'clock.

Fletcher Wren, one of the first fiddlers to play the familiar tunes in Munday, will be in charge of the contest, and all old fiddlers are invited to enter. Admission will be 50 cents for adults and 15 cents for children.

Mrs. Dan Latimer of Paduach, Mrs. John Martin and Mrs. L. A. Gilmore of Wellington visited with Mrs. Tom Martin last week.

## Deputy Collector Willing To Help On Income Returns

The preparation of individual income tax returns for the year, 1951, usually presents some problem to the average citizen with which assistance is desired. For this reason a deputy collector of internal revenue will visit this area to assist with income tax problems.

Deputy Collector Kenneth F. Washington will be at the Chamber of Commerce in Haskell on February 21 to assist any person who desires assistance. This will be the only visit made to this area before March 15, it was stated.

## To Speak Here

Dr. Herbert E. Stotts, above, professor of sociology or religion at the Iliff School of Theology, Denver, Colo., will speak at the First Methodist Church in Munday at the 11 o'clock service next Sunday.

Dr. Stotts has served in the Kansas, North Texas, California and Colorado conferences of the Methodist church. At present he is chairman for Colorado of the Christian Rural Overseas Program; director of Rural Work for the Colorado Council of Churches; Rocky Mountain editor for The Christian Advocate; national president of the Methodist Rural Fellowship, and holds numerous responsibilities in the home mission field of the Methodist church.

He will have a message of interest to all who attend the service.

## Knox County Hospital Notes

Patients in the Hospital February 11th:

Hugh Rogers, Knox City; Koenig Baby Boy, Hereford; J. T. Cook, Gilliland; E. Horne, Gilliland; Joan Lane, Munday; Mrs. W. J. Brown, Knox City; Mrs. G. D. Jones, Goree; Mrs. F. Fuentz, and baby, Munday; Mrs. J. B. Banner and baby, O'Brien; Abe Watson, Knox City; Jimmy Garcia, Knox City; Mrs. Dwane Russell and baby, Munday; Rebecca Esponzoa, Knox City; Tony Johnson, Benjamin; H. P. Findley, Rochester; Mrs. Howard Barnett, Benjamin; Mrs. Frances Kenrich, Vera; R. L. Grady, Rochester; Jeff Simmons, Knox City; Emmitt Hatch, Munday; Mike Stoker, Truscott; Mrs. Sarah Reese, Knox City; Mrs. J. H. McNutt, Throckmorton; M. C. Nix, Munday; Fuentz Baby Girl, Munday; Tallant twin girls; Mrs. E. B. Littlefield, Munday; Mrs. Vaughn Brooks, O'Brien.

Patients dismissed since February 4th:

Linda Grimstead, O'Brien; J. F. Draper, Goree; Mrs. Press Phillips, Munday; Mrs. Bill Carmack, Rochester; Sue Moorhouse, Benjamin; Mrs. Kate Lea, Knox City; Mrs. Frank Harrison, and baby, Munday; Jess Hitchcock, Knox City; Earl Hansen, Rochester; Mrs. V. Fuentz, Munday; Mrs. R. F. Tallant, Munday; Audrey Guley, Munday; Elaine Aranda and baby, Amherst; L. E. Brown, Benjamin; Homer T. Melton, Benjamin; Mrs. J. B. Welborn and baby, Munday; Mr. and Mrs. A. M. Reeves, Rochester; Allen Eiland, Munday; Tommy Myers, Knox City; Mrs. Quel Hughes, Vera; Mrs. Paul Jones, O'Brien; R. L. Anderson, Rochester; Jim Tankersley, Knox City; Mrs. J. B. Babner and baby, O'Brien; Mrs. John McCrary and baby, Knox City.

Births:  
Mr. and Mrs. B. J. Banner, O'Brien, a daughter.  
Mr. and Mrs. Matt Verhallen, Knox City, a daughter.  
Mr. and Mrs. V. Fuentz, Munday, a daughter.  
Mr. and Mrs. John McCrary, Knox City, a son.  
Mr. and Mrs. Frank Harrison, Munday, a daughter.  
Mr. and Mrs. R. F. Tallant, Knox City, twin daughters.  
Mr. and Mrs. E. Arando, Knox City, a daughter.  
Mr. and Mrs. Dwaine Russell, Munday, a son.

## BAKE SALE AT GOREE

The Goree basketball girls are sponsoring a bake sale on Saturday, February 16. The sale will be held in the Maples building.

## Chamberlain Announces For County Clerk

M. T. Chamberlain announced this week that he will be a candidate of re-election to the office of County Clerk of Knox County, subject to the action of the Democratic primaries.

Mr. Chamberlain bases his candidacy on his past record, and assures the public that he will continue to serve the citizens of Knox County to the best of his ability.

"While I will make an active campaign," Mr. Chamberlain said, "the duties of my office may not permit me to see each voter in the county personally. In the event I do not see you, please consider this a solicitation of your continued support."

## Local Boxers Win In 16-Bout Card Monday

Again a crowd of local fans filled the Munday school gym last Monday night to see a 16-bout boxing card that came up to all their expectations. Munday boxers took four of the fights, with Tuscola and Hamlin taking three each.

The top victory of the night was scored by Cleburn Fields, 127, of Munday, who took a hard-slugging decision over Royce Irwin, 126, of Tuscola. The battle was a thriller from the first blow, with Fields scoring a knockdown in the second round and going on for a win.

Most popular of the fight card was the bout between Ken Minatra of Tuscola and Pete Cresta of Munday. Both of these 65-pounders slugged it out, with the Tuscola boy holding a good lead all the way. Cresta could take the punishment, however, and kept wading in to receive a big round of applause from his admirers at the end of the bout.

Results of the other bouts are: Raymond Boyd, 130, Hamlin, took a decision from Scotty Powers, 131, of Breckenridge.

Billy Kelly, 90, Hamlin, decisioned Jimmy Mullin, 97, of Haskell.

Perry Elliott, 113, of Hamlin, won over Ralph Hargrove, 110, of Munday, by a TKO in the third.

John Pointer, 126, of Breckenridge fought Pete Prentice, 126, of Tuscola to a draw.

George Spann, 127, of Munday took Kenneth Kaiser, 126, of Breckenridge by a TKO in the first round.

James Goodwin, 87, of Munday drew with Jerry Smith, 87, of Rochester.

Billy Joe Hollingsworth, 144, Rochester, won over Kevon Rogers, 145, Hamlin, by a TKO in the second.

Don Roberts, 98, Munday decisioned Lee Swindell, 97, Tuscola.

Robert Bonner, 135, Munday took Wilma Hollowell, 144, Tuscola by a TKO in the second.

Junior Howeth, 160, Munday decisioned Lawrence Alvarez, 160, of Munday.

Much credit for the activities of the local boxing team goes to D. E. Whitworth and Raymond Carden, coach, who have worked untiringly with the local boys.

## Cage Playoff Game Set Here Friday Night

The cage playoff games to determine the championship of District 8-A will begin here Friday night at 7:30 o'clock when the Munday Moguls meet the Roscoe team.

This will be the first of a three-game series. The Moguls will play at Roscoe on Saturday night, and the site of the third game will be determined later.

The winner of this series will play the winners of Throckmorton-Merkel series to determine the district champions. Admission to the Friday night game will be 25 cents for children and 50 cents for adults.

M. T. CHAMBERLAIN

## Joe Simmons For Commissioner Of Precinct One

Joe Simmons, Knox City contractor, tossed his hat in the political ring recently, announcing that he will be a candidate for County Commissioner of Precinct No. 1, Knox County, which includes the Knox City and Sunset communities.

Mr. Simmons, who has lived in the precinct since 1906 and has been in the construction business about 25 years, has never before sought public office. In announcing his candidacy he said:

"I believe I am qualified to perform the duties of County Commissioner in an efficient, business-like manner. If the voters of the precinct see fit to elect me to this office, my promise is to render the best service possible to the precinct and the county."

Mr. Simmons hopes to personally discuss his candidacy with each voter in the precinct, but in the meantime he asks that his experience and qualifications be given careful consideration, and he will appreciate your vote and support.

## Showers Bring Hopes Of Rain

A heavy shower during the early morning hours last Monday, accompanied by lightning and thunder, made local residents turn over in bed and resume a more restful sleep, as they had hopes of a good rain bringing an end to the prolonged drought. At getting up time, however, they found the welcomed rain didn't last long.

Records of H. P. Hill, local U. S. weather observer, showed that Munday received only .26 of an inch, which was the biggest rain this year.

To the north of us, people were more fortunate. A few miles north, in the Rhineland community, an inch of moisture or better was reported, with water standing in the terraces.

Farther north, in the Vera and Gilliland communities, an inch and one-half of rain was reported, with good showers being reported at Benjamin and Truscott.

## To Homecoming

Rev. J. R. Bateman, pioneer pastor of West Texas, has been invited to Whiteface, Texas, next Sunday for the homecoming of the First Methodist Church there.

Rev. Bateman, a former pastor of the Whiteface church, will preach at the 11 o'clock service next Sunday.

## Knox Cattlemen Eligible To Show In Cattle Show

According to information received from Kirby Clayton, county agent of Cattle County, Knox cattlemen are invited to show their animals in the Cattle Live-stock Show on April 5.

Animals may be brought in Friday, April 4, or Saturday morning, April 5, until 8:30 o'clock. Entry deadline is March 15, and entries should be sent to Kirby Clayton, Paduach, Texas.

D. Burns of the Pitchfork Ranch will judge the show.

## Cub Scouts Hold Blue And Gold Birthday Banquet Friday Evening

## Moguls Down Haskell, 55-26 Here Friday

The Munday Moguls chalked up their 18th victory of the basketball season last Friday night when they trounced the Haskell Indians, 55 to 26, in the last home game of the season. This also made the Moguls victors of the eastern half of District 8-A, having gone through the district games undefeated.

Sonny Lang led the Moguls in scoring, racking up 20 points during the game. Bobby Wilson tallied 11 for Haskell.

The season's record stands at 18 wins and six losses for the Moguls, with all the losses being in non-district games.

In the B game, the little Indians nipped the junior Moguls by a close score of 44 to 43.

## Kelsie's Cleaners Will Open Here On Next Monday

Kelsie M. Nelson, who is opening Kelsie's Cleaners in Munday, stated this week that his place will be open for business next Monday morning. The new tailor shop will be located in the building across the street north of Munday Auto Company.

Mr. Nelson is experienced in cleaning and pressing work, having been employed here for some time. He and Mrs. Nelson will both be employed at the shop. He stated that the latest in cleaning and pressing equipment is being installed, and he solicits the patronage of people of this area.

## Church Dedication Set At Knox City

Everyone is cordially invited to attend the dedication service of the "Full Gospel Mission," which will begin at 7:30 p. m. on Tuesday, February 19 and Wednesday, February 20.

Special speaker for each service will be Rev. Guy Shields of Wichita, Kansas. Rev. Nettie Wilcox will serve as pastor of the mission.

The mission is the non-denominational church which has recently been completed at Knox City.

## Weather Report

For the period of February 7th through 13, 1952, as compiled by H. P. Hill, U. S. Weather Observer.

## CHICAGO CAKE

CHICAGO—Towering twenty-foot tall and aglitter with 101 candles (there's one on top to grow on), this giant cake rises to the occasion of Marshall Field & Company's one-hundredth birthday. Since its founder first declared, "Give the lady what she wants!", the Chicago store has grown with this city, the Midwest and the nation. Now visitors from all over the world gather around the century cake at Field's to help celebrate.

Friday evening, February 8, the Munday Cub Scouts held their annual Blue and Gold birthday banquet. Dens 1, 2, 3, and 4, of Pack 76, were hosts to their families and friends of scouting in this area.

The table decorations and place cards were made by the boys and the guests were invited to inspect the banquet room before being served.

Rev. R. L. Butler brought the invocation and Joel Massey, Cub master, presented the scout of the day and others guests and families.

Mrs. Travis Lee, accompanied by Shirley Hill, led the scouts and their guests in a sing-song, and while the den stunts were clicked as Julie Massey made in progress, camera shutters candid shots of the evening's festivities.

Parents and guests extended congratulations to Mrs. Orvil Peddy, who received the trophy cup in behalf of Den 3, the den holding more advancement award points for this month.

The following boys were awarded advancements: Elton Floyd, Allen Eiland, Dickie Butler, John Massey, Jerry Bowden, Bobby Partridge, Don Kegley, Johnny Jones, Joe Sahadi, Walter Burleson, Roger Dale Bell, Jimmy Lee, John Reneau, and families. Tommy Cunningham was awarded his evelbas badge, and was advanced into Scout Troop 76. He was received by Mr. Harold Whiteside, Scout field worker from Seymour.

Guests other than the cubs' families were, Milt Wyatt of Wichita Falls, Mr. and Mrs. Harold Whiteside and son, Ronny, of Seymour; Rev. and Mrs. R. L. Butler, Mr. and Mrs. Gene Harrell and Mr. and Mrs. W. R. Moore, Jr.

## Castor Bean Crop Explained At Meeting

A meeting for the purpose of explaining the castor bean crop to Knox County farmers was held at the court house in Benjamin last Monday night. Over 100 interested farmers were in attendance.

The program was under the direction of County Agent Bill Palmeyer, and C. C. Churchill of Vernon, who is employed by the Baker Castor Bean Company, was the speaker. Mr. Churchill discusses the uses of the bean, the availability of seed, and culture of the crop. A terse conclusion of the talk, he answered the many questions of those in attendance.

Also on the program were Mr. Winters of Chillicothe, another employee of the Baker Company, and Jess Gilpin, Knox County P. M. A. advisor.

A poll was taken of those attending and it was indicated that 888 acres of beans were to be planted.

## Goree P.-T. A. In Meeting Tuesday

The Goree P. T. A. met Tuesday afternoon, February 12, at 3:30 in regular meeting with Mrs. Milton Kirby, president, presiding.

A choral number was rendered by the eighth grade choral club, which includes: Linda Joyce Lambeth, Glenda Morse, Sherry Haskin, Jeanie Beasley, Pat Putnam, Mona Mobley, Imogene Decker and Gene Blankinship.

Rev. S. E. Stevenson, leader of the program, gave a talk on "Love," after reading the 3rd chapter of Corinthians. Rev. J. B. Baughman gave a talk on "Be Yourself."

## BIRTH ANNOUNCEMENT

Mr. and Mrs. Dwaine H. Russell are announcing the birth of a son, John Charles, who was born Sunday, February 10, at the Knox County Hospital, Little Johnny tipped the scales at seven pounds and nine ounces. Both mother and son are doing nicely.

O. S. Ferguson of Fort Worth returned home last Sunday after a two weeks visit here with his daughter, Mr. and Mrs. Dick Atkinson.

 of Congress, March 2, 1879.

### GRASS ROOTS OPINION

**CORVALLIS, ORE., GAZETTE-TIMES:** "The government is like any family. There are many desirable things each wants, but they should not be purchased until such time as they can be afforded. Now is the time to economize, and the sooner Congress and the President realize it the better."

**OURAY, COLO., COUNTY HERALD:** "Now, while we are supposed to be fighting for the freedom of the world at large, our federal government has gone into California and grabbed an entire river that has been supplying irrigation for farms and villages for fifty years in undisputed possession. . . . It looks like we had better do a little fighting at home to put the federal government in its place or we will be as badly off here as the Russians are."

**FAIRFIELD, IOWA, DAILY LEDGER:** "The place to insure good government in the future is in the caucuses and the primaries. If the qualified voters neglect the caucuses and primaries and permit designing politicians to foist grafting office seekers on them (the people) they should not complain. Our election laws plainly vest the right of selecting candidates in the people. If the people fail to exercise their right it is their own fault."

### SUCCESS MUST BE EARNED

Retailing makes many an important contribution to the economic well-being of this country. Among other things, it is one of the biggest builders and developers of physical property. World War II, the chain store industry alone has as an example, it is estimated that, since spent \$3,512,000,000 for construction and modernization to its outlets. This does not include the big investments the chain have made in warehouse construction and new equipment. Nor does it include the tremendous sums spent for similar purposes by stores other than the chains.

This spending has one primary purpose—to make it easier and pleasanter for the consumers of the nation to do their shopping. The physical changes which have taken place in typical retail stores in the last decade have been tremendous. The highest possible degree of sanitation has been attained. Displays are infinitely more attractive. Stocks are far larger and more varied. And, in the process, the stores' operating efficiency and economy have been greatly improved—to the benefit of the owner and customer alike.

This trend is one of the many fruits of the competitive system. If anyone has a monopoly on retail trade, there would be small reason to improve a store's physical attributes or anything else—the consumer would have to accept what he found and like it or lump it. But, when competition is free, the store which lags behind the march of progress soon finds customers are passing by its doors in droves. Success goes to those who earn it.

### ONE OF THE BIG REASONS

America has but one-sixteenth of the world's population. Yet we produce nearly half of the world's steel; generate half of the world's electric power; and operate almost a third of the world's railroads. Our leadership in other fields is equally pronounced.

Many diverse reasons are responsible for this. One of them is realized by relatively few people. It lies in the fact that we have a tremendous abundance of coal—and, equally important, a competitive coal industry which has made the most of the resources that Nature granted us. The tremendous expansion that has taken place in steel, power, and other enterprise could not have been accomplished without an abundance of reasonably priced coal—and coal of many different grades. Today nearly everything we eat and wear and use depends in some fashion on coal. It has been and remains a basic source of power.

As time goes on, America's appetite for coal continues to increase. It's a huge appetite and a healthy one. To meet the demand, the coal companies have been spending hundreds of millions of dollars for new machinery, new processing plants, and to develop new mines to replace worn-out properties. And the industry has met, as a matter of simple routine, a large foreign demand for coal as well.

Coal is a first-class example of how free, competitive enterprise can develop a great natural resource to the enduring good of all.

### THE PROFITS AREN'T BIG ENOUGH

The president of the Chamber of Commerce of the United States recently made some telling comments on the vital subject of wages and profits.

He pointed out that while the unions use "equality of sacrifice" as an argument for higher wages, the fact is that hourly earnings in manufacturing have risen faster than prices since the Korean war started. Employees have received important fringe benefits in addition.

Corporation profits, after taxes, are now at their lowest level since 1946—but wage payments have risen more than 50 per cent in that time. It is an obvious impossibility to meet higher wages out of profits. Since 1945, wage payments have increased some \$65,000,000,000. But the profits of all corporations, after taxes, are currently only about \$17,000,000,000. So, he said, "American industry would have long ago been destroyed if wage increases were paid out of profits."

The argument, made by many labor leaders, that wages can again be substantially increased without raising prices to the consumer—a category which includes all the union members as well as the rest of us—is without basis in fact. The statistics, no less than past precedent, completely refute it. Ever-soaring wages mean ever-soaring prices, too.

### Uncle Sam Says

The "take-it-easy" years beckon invitingly to farm people who have built up a retirement fund in United State Defense Bonds. As the only large group of Americans not covered by group security or pension plans, farmers find Defense Bonds are ideal kind of retirement fund. Defense Bonds are absolutely safe—backed by the full resources of this great country—and they pay a good rate of interest—\$75 invested today becomes \$100 in 10 years and \$133.33 in 20 years. U. S. Treasury Department

Judge C. E. Coombes of Stamford, orator, author and storyteller, is a poet, too. You'll like these lines, entitled "Affinity":  
 There's a thought in the petals of flowers,  
 A theme in each blade of grass;  
 Those blooming beneath my bowers—  
 Those along the road I pass,  
 I may impart these thoughts to others  
 Or stow them away in my mind;  
 I may dwell on their beauty

and Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!  
 Taking harsh drugs for constipation can punish you brutally! Their cramps and griping disrupt normal bowel action, make you feel in need of repeated dosing. When you occasionally feel constipated, or gassy but are relieved, take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all-vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine.  
 Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

### Texas Schools Face Overcrowding In Future Years

AUSTIN—Texas schools are facing one of the most critical periods in their history, Charles H. Tennyson, executive secretary of the Texas State Teachers Association, said today as he outlined pressing needs for new buildings and more teachers over the entire state.

The school population, particularly on the elementary level, is growing at an alarming rate, he pointed out. For example, births in Texas in 1945—this year's first graders—numbered 156,000. In 1947, births in the Lone Star State jumped to 197,000, an increase of 65,000. If this additional group could be divided into classes of 30 children each, Texas would still need 2100 additional teachers and classrooms in just the first and second grades.

And the birth rate continues to climb. In 1950, live births numbered 203,678 and the num-

ber in 1951 will exceed that figure.

In addition to the birthrate, educators worry about the size of the graduating class as compared to the number of children entering the first grade. For instance, this year, 156,000 youngsters crowded into first grade-rooms over the state, but only 90,000 graduated from the eighth grade. "This left already overburdened teachers with 66,000 additional children to accommodate in one year.

"The gain is going to continue to increase until at least the 1956-57 school year, Tennyson added. "By that time, the elementary schools must take care of 300,000 children in addition to the ones now enrolled. If 75 per cent of this number enters public schools, it will mean 8,654 additional classrooms."

The average cost of each classroom and related facilities now exceeds \$28,000. Thus Texas must spend \$22,312,000 for buildings and facilities alone if the children are to have desirable schools. And this does not take into consideration the need

### People, Spots In The News

**COMMUNIST** prisoners of war on Island of Kojima are kept busy knitting socks and gloves for Korean orphans in Pusan. It's a form of useful recreation.

for new facilities to replace undesirable buildings and to relieve already over-crowded conditions. A recent survey made by the Texas Education Agency shows that Texas needs to spend \$340,294,500 to bring school buildings, facilities, sites and buses up to ideal conditions.

After the 1956-57 school year, the elementary enrolment over the state should begin to level off, but high schools will then face the problems of increased enrollment.

Texas does not face the educational problem alone. A nose count among elementary children over the entire nation showed that grade school population rose nearly three million from 1947 to 1950, the U. S. Census Bureau reported that enrollment in all schools and colleges was at an all-time high of slightly over 30 million persons. This represents a fifth of the nation's total population and half of the population between 5 and 20 years of age.

Dr. and Mrs. D. C. Elland and son, Allen, returned home last Sunday from Dallas, where Allen received treatment at the Baylor Hospital for a broken leg. He is reported to be doing nicely.

Mr. and Mrs. Lee Haynes spent the week end with Mr. and Mrs. Mac Haynes of Odessa and Mr. and Mrs. John Nobles and family of Big Spring.

Mrs. G. R. Elland returned home last week from several weeks' visit with relatives and friends in Lamesa.

## 600,000 Home Gardens Texas Goal For 1952

The cost of living index has risen 11% since the start of the Korean War, and the Secretary of Agriculture has requested that home food preservation be used to help combat shortages that may arise and also to help combat rising prices.

No one plan can cover all gardening problems, but listed below are some points to keep in mind when planting a garden:

1. Keep them small. A small garden well cared for is better than a large neglected one. Long rows save time and care in cultivation. Several crops may be planted in the same row if the distance between rows is the same. Extension bulletin No. B-70 which may be obtained at the county agent's office gives space requirements to aid in

planning space requirements.

2. Perennials will be growing in the same spot for several years so they should be planted in their own special areas at which will be harvested early one side of the garden so that they will not be disturbed by preparations for the annual crops.

3. Space for spring crops may be used again for later crops. For example, tomatoes may follow radishes or cucumbers may be planted after spinach.

4. Tall crops such as corn and pole beans may be planted together. If possible, they should be planted on the north side of the garden where they will not shade out the low growing crops. This is particularly important if the rows run east and west.

5. Do not waste space. Plant enough of each vegetable for the family's use, but not more than can be used. Plans should be made to allow extra for canning

## Britisher Amazed at 'Miracle Drug' Pigs

Chapman Pincher (left), science editor of the London Daily Express, recently visited Lederle Laboratories at Pearl River, N. Y., and got a first-hand view of what the American farmer is doing with the anti-biotic feed supplements to increase the nation's pork supply. It is obvious Pincher needed no tape measure. Both these pigs are from the same litter and received the same basal diet. The only difference was that the larger pig also received a supplement containing aureomycin and vitamin B<sub>12</sub>. While here, Pincher also observed similar growth-promoting results in poultry.

and freezing.

6. Remember that some plants such as melons, potatoes, sweet corn, and asparagus take up quite a bit of room. It may be better to plant less of some crops if you want several kinds of vegetables in a small garden. The yield per foot of row space, as well as the growers like and the things which will add most to the family diet should be considered.

7. Some crops such as radishes, sweet corn, and lettuce have short periods of yield when they are at top quality. These should be planted more than once dur-

ing the season to provide a continuous supply if the climate permits.

8. For bulletins on different vegetable, general garden information, and garden insect control, contact your local county agent.

Only a small quantity of seed is required to plant a garden, and seed should always be obtained from reliable source. If the local dealer does not have the desired variety, they can be ordered from a major seed company. It is recommended that one plant varieties that are recommended for the area, because their performance has been checked. Also buy seed for only the present year's planting demand. Do not plant seed too thick, as seed are wasted, and more work is required to thin the vegetables so that they will grow properly, and give good yields.

Seed should always be treated. This will prevent seed from rotting in the soil, and also kill the seedborne organisms that are on the seed. Seed inoculants may be obtained at seed stores.

## Teachers Meet Set March 7-8 At Sweetwater

Approximately 2,000 teachers and administrators from 23 Texas counties are expected to attend the Oilbelt District VII Teachers' convention at Sweetwater March 7-8, according to C. W. Tarter, superintendent of Sweetwater Public Schools.

"Education Is Good and Is Getting Better," theme chosen by Texas teachers this year, will be emphasized throughout the convention.

A host of outstanding national educators will be on hand to address the Oilbelt delegation, A. B. Passmore, district president

and elementary supervisor of the Vernon Public Schools, has announced.

Featured speakers for the three general sessions will be John Brackeen past president of American Association of School Administrators; Judge John A. Brett member of the Criminal Court of Appeals; and Dr. James Hymes, Jr., from George Peabody College.

At the level meetings, a new feature of the convention, Dr. Henry Otto from the University of Texas; Dr. John Carroll, of Texas Technological College; and Dr. R. A. Collins, Hardin-Simmons University, will address the teachers when separate meetings for elementary, junior high and senior high grades will be held.

District VII officers in addition to Passmore are Laura Sheridan of Sweetwater, vice president; J. W. Hamilton, secretary, from Seymour; Johnnie Mae Long of Wichita Falls, treasurer; Earl Connell of Anson, membership chairman; and G. H. Kirby, past-president, from Wichita Falls. Olat South, Sweetwater, is general chairman of the convention.

Local chairmen for sectional meetings are Mrs. E. J. Yates, classroom teachers; Marie Hill,

music; Mrs. E. J. Woodard, art and elementary; J. G. Overton, mathematics; Marie Haney, library; John McKay, industrial arts; and Reba Roberts, science.

Musical programs will be presented by Sweetwater choral and band students, the Jacksboro Choral club and the Abilene Christian College A Cappella choir.

Sweetwater Classroom Teachers will honor Oilbelt delegates at a reception in the Sky Room of the Bluebonnet Hotel Friday night following the general session. Mrs. Roger Eaton is president of the Sweetwater association.

Counties included in District VII Oilbelt region are Hardeman, Foard, Wilbarger, Wichita, Clay, Knox, Baylor, Archer, Montague, Stonewall, Haskell, Throckmorton, Young, Jack, Scurry, Fisher, Jones, Shackelford, Nolan, Taylor, Callahan and Eastland.

With the exception of Callahan, Taylor, Scurry, Fisher, Jack, Montague and Haskell counties, District VII has a 100 per cent membership in the Texas State Teachers Association, it has been announced by membership chairman Connell.

Mr. and Mrs. Joe Williams of Ozona visited her parents, Mr. and Mrs. Jim Reeves, over the week end.

## Weekly Health LETTER

Issued by Dr. Geo. W. Cox  
M. D., State Health Officer  
of Texas

**AUSTIN**—Chicken pox cases are most numerous in winter and spring, says Dr. Geo. W. Cox, State Health Officer. Ordinarily people do not consider it a serious disease. But probably the most serious factor is that light cases of smallpox and the symptoms of chickenpox are similar. Only a physician can tell the difference. At first sign of skin eruptions, you should put the patient in bed and call the family doctor.

As in any other illness, chickenpox lowers body resistance to other disease germs. Thus, complications such as pneumonia, inflammation of the kidneys, erysipelas, and gangrene of the skin may occur, resulting in a serious illness.

Chickenpox is highly contagious. It usually develops two or three weeks after exposure. After one attack, the patient is immune to the disease. Although chickenpox occurs most frequently among children less than fifteen years of age, adults, too,

can get the disease if they did not have it when they were children.

The chickenpox germ gains entrance to the body through the mouth and nose. Skin eruptions of a sick person contain the germs. The disease spreads rapidly through families and schools as an infected person can spread his germs widely by careless coughing, using a common drinking cup, towel or wash cloth for his own welfare and to protect others the patient should stay in bed and apart from susceptible members of the household until all danger of spreading the disease is passed.

Control of chickenpox is important because the disease is so highly infectious that it attacks large numbers of children. This interferes greatly with school attendance. The control of chickenpox and all other communicable diseases depends upon the cooperation of parents with

their family physicians, and school and health authorities.

"Help to keep your city clean."

Mr. and Mrs. Jerry Edwards of Abilene visited her parents, Mr. and Mrs. Chester Bowden, over the week end.

### Goree Study Club Holds Its Regular Meeting Thursday

A very interesting program was enjoyed by the Goree Study Club, Thursday, February 7, at 4 p. m. at the Club House. Mrs. S. E. Stevenson gave a part of the book, "Faith Is the Answer," written by a minister and a psychiatrist. The two main steps in having faith are:

1. Practice of regular prayer, devotion and meditation;  
2. Surrender of ones' life to child-like trust to the will of God, she stated.

The 8th grade girls chorus entertained with singing of four religious songs and some fourth grade boys and girls gave a choral reading.

The following officers were elected to serve in 1952-53: President, Mrs. Barton Carl; 1st Vice President, Mrs. James Carver; 2nd Vice President, Mrs. W. M. Taylor; Recording Secretary, Mrs. Mary Jo Jones; Corresponding Secretary and Treas., Mrs. Reuben Bates; Critic and Parliamentarian, Mrs. Doris Rogers; and Reporter, Mrs. Billie Hutchens.

The following members answered roll call with their favorite Bible scripture: Mmes. Clyde Taylor, H. C. Arnold, W. M. Taylor, J. W. Baughman, Mary Jo Jones, V. M. Reeves, Billie Hutchens, Barton Carl, Calvin Robinson, Reuben Bates, Lloyd Stewart, S. E. Stevenson and Mks Bernice Goode.

### Activities Of The Colored People

The "Womanless Wedding" was a gay occasion and was very well attended.

We are appreciative to all who supported the program Sunday afternoon at the Dunbar School. Especially do we wish to thank the patrons who made the lunches possible. The P.T. A. made a profit of \$48.75.

For the interesting magazines brought to the school last week, we thank Mrs. Mae Bowden.

Sied Waheed and son, Donald Waheed, of Lubbock visited relatives and friends here the latter part of last week.

IT PAYS TO ADVERTISE

GIL REICHERT and HILLBILLY SINGER

### Vagabond Kings Basketball Team To Make Appearance Here February 22

The Vagabond Kings Basketball Team of Detroit and Dearborn, Michigan, will appear in the Munday Gymnasium on Friday night, February 22, at 8:00 P. M. The opposing team for this occasion will be a team from Wichita Falls.

This basketball team was originally organized back in 1947 by King Boring, one of the Midwest's foremost sportsmen. Today they have traveled from New York to California, from as far south as Georgia and Louisiana, up into Canada, and now they will appear here in Munday!

The 1950-51 season was the biggest and best yet for the Kings—fast becoming the nation's "most watchable" basketball team. The squad extended their victories to 318 out of 338 contests. However, the team is not only an outstanding "playing" one, it has entertainment at its best. You need not know anything at all about basketball to get a thrill out of seeing the Vagabonds. They entertain with juggling acts, clowning, harmonica playing, romance and some of the best trick shots and high class basketball one can see.

Two of the special entertainment features are Gil (Tiny) Reichert, eight feet four inches, 315-pound Ringling Brothers and Barnum & Bailey circus attraction, who has been a member of a circus troupe for years, and the other a young Hillbilly singer and musician who will serenade the team and fans during the game. The giant will not participate as an actual player, although he has seen several years' service on traveling basketball teams. He will entertain at half-time where his years of showmanship will be used to a great advantage as a special attraction. He also appeared in the motion picture titled "Greatest Show on Earth" with Dorothy Lamour and James. The singer, who sings western and hillbilly

folk songs, will serenade the fans in troubadour fashion, and who will aid the Vagabonds in their ball handling through the rhythm of his guitar.

Other special features will be added from time to time to make this show the finest of its kind on the road today. Don't miss this! It's worth seeing.

### TO STORK SHOWER

Mrs. Levi Bowden, Mrs. Joe Bailey King, Mrs. R. L. Ratliff, Mrs. Chester Bowden, Mrs. Worth Gafford and Mrs. Gene Thompson attended a stork shower given for Mrs. Buddy Gafford in Wichita Falls last Wednesday morning.

Mr. and Mrs. Bobbie Broach were business visitors in Wichita Falls on Monday of this week.

Mr. and Mrs. Nadine Walding of Levelland visited Abraham and Joe Choucair over the week end.

Mr. and Mrs. T. E. Pettit of Littlefield visited Mr. and Mrs. Clayton Wren over the week end.

### A Safe Hog House

A truly safe individual hog house is something any farmer who ever has been attacked by a vicious sow will appreciate. Such a hog house has been designed for simple construction from durable materials.

The hog house is an eight-foot square at the base, tapering on all four sides to a four-foot square at the top. The top opens upwards, enabling the farmer to walk erect through a door on one side. If attacked, escape is easy.

The house is built on three skids or runners. Its low height (3 1/2 feet) and small size conserve the heat from the sow.

The entire structure is built by applying asbestos-cement board over a wood framework.

Plans for building the safety hog house can be obtained free by writing the Asbestos Farm Service Bureau, 221 North LaSalle St., Chicago 1, Ill.

### LOCALS

Mr. and Mrs. George Hammock and sons of Anson visited relatives and friends here a while last Monday.

Mr. and Mrs. E. W. Harrell and little grandson, Gene W., Jr., visited with relatives in Anson last Sunday.

Mrs. Bob Couch of Hobbs, New Mexico visited relatives here and at Goree this week.

Alfred Collins of Naravisa, New Mexico visited relatives here the past week end.

Research studies have shown that scalding is a necessary step in preparing most vegetables for freezing regardless of how long they are to be stored. Scalding stops certain undesirable changes such as loss of quality and vitamin content. Heating gives a brighter color, shrinks the food, further cleans the product and stops enzyme action.

This eye-catching dancing frock has a fascinating background. It didn't come from a high-fashion salon, though it is as chic as can be. Instead, it came from the barn. Fertilizer now is packed in gaily printed cotton bags — and this thrifty-wise young lady took advantage of seven of the 100 lb. print cotton sacks to make this fetching formal!

## K & K Cleaners

We are announcing the return of Mrs. A. E. (Bill) Bowley, who has been on leave of absence for the past few months, due to illness. We are happy she is back with us, and we feel all of our customers are glad she's back, giving you the highest quality supervision and finishing work.

We pledge again to always give our customers everything desired in cleaning service, with special attention being given to each garment during each phase of cleaning and pressing.

### Rush Jobs for Emergencies

We have added more rack room for your convenience. To eliminate crowded closets in your home, leave your clothes here as long as you desire. Always parking room for customers. We sincerely appreciate your past and continued patronage.

Our new Spring Line of Suit Samples have arrived. Come in and look these over!

Mr. and Mrs. J. R. Rogers and children of Azle spent the week end with her parents, Mr. and Mrs. Luther Hunter.

## Gilliland Club Meets February 6

The Gilliland home demonstration club met on Wednesday, February 6, in the club room. The meeting was opened by group singing. Eight members answered roll call, and minutes of the previous meeting were read and approved.

Plans were made for the Valentine party at the County Council. Several members were making plans to attend.

A nice refreshment plate was served to members by the hostess, Mrs. Arnold Navratil. Mrs. John Thompson volunteered as hostess for the next meeting.

## Build a Poultry Feeder

The farmer who is handy with tools can make rainy days pay off by using them to put together needed equipment. A weatherproof outdoor poultry feeder, for example, is simple to build and once in use it will encourage proper feeding, reduce waste and prevent contamination of feed.

For ease of cleaning and durability, it is suggested that the feeder be made principally of asbestos-cement board.

This feeder holds one and three-quarters bushels of mash. During the summer months it should be placed in a shaded area. Pullets will go without feed during the heat of the day unless it is easy to get to and protected from the sun.

Complete instructions can be obtained free by writing the Asbestos Farm Service Bureau, 221 North LaSalle St., Chicago 1, Ill.

Drive carefully. The life you save may be your own!

Corn hybrids have been developed by the Texas Agricultural Experiment Station for use in the major corn producing areas of the state and farmers should check with the local county agricultural agent for information on the best hybrid to use in their section.

## BIRTH ANNOUNCEMENT

Miss Ida Mae Schumacher is the youngest member of the Walter J. Schumacher family. She was born on Monday morning, February 11, at 12:20, weighing seven pounds and 12 ounces. Mother and little daughter are reported to be doing nicely.

The use of a five per cent DDT household spray will control the common bedbug. Several applications of the spray ma-

terial may be required for a complete job.

### RESERVE OFFICERS NEEDED FOR EXERCISES

AUSTIN—Army Reserve lieutenants were urged today to submit applications for active duty as umpires for the "Longhorn" Army-Air Force field exercise scheduled at Fort Hood early this spring.

Col. C. M. Culp, Chief of the Texas Military District, said that Army Reserve first and second lieutenants of all branches and services, regardless of their military occupation specialty, are now eligible to apply as a result of the relaxation of the original quota specifications by higher headquarters.

Applications will be accepted at District headquarters until February 17th. Local Organized Reserve Unit Instructors will furnish applicants with full information and assistance in getting their applications in before the deadline date.

### LOCALS

Mr. and Mrs. A. B. Warren attended the spring show for White's Auto Store in Wichita Falls last Sunday.

Mr. and Mrs. A. Coyle attended the funeral of John M. Jones, of Knox City, in Fort Worth, last Tuesday.

Miss Ilene McClaren of Wichita Falls visited her mother, Mrs. Ann McClaren, and brother, John, over the week end.

Mr. and Mrs. Joe Bill Pierce, Cindy and Johnny, of Midland,

spent the week end with her parents, Mr. and Mrs. P. V. Williams.

An aid to solving the farm labor problem is the prevention of accidents in the United States were sufficient to produce and harvest a goodly proportion of some of our major crops.

Needles used for home sewing should be bought by size rather than the set. Assorted needles often include many that are never used. Buy the needle that was made for doing a specified home sewing job.

If 1952 agricultural goals are met, farmers must fully utilize

and make the most efficient use of labor, materials and equipment. Wise planning and the use of good management practices will be doubly important in meeting the goals.

Mr. and Mrs. Howard Collins of Lubbock visited with relatives here over the week end.

## Open for Business Monday, February 18

Kelsie's Cleaners, which has been operating in O'Brien for the past several weeks, will open for business next Monday, across the street from Munday Auto Company.

Kelsie Nelson, operator, has had a number of years of experience in the tailoring business, having been employed by John C. Spann, and Munday Cleaners.

We have installed the latest in cleaning and pressing equipment, and we assure you the best in tailoring work at all times. We solicit the patronage of people of this area.

All silks will be finished personally by Mr. and Mrs. Nelson.

We give curb service. Free pick-up and delivery, if desired.

### KELSIE'S CLEANERS

## How you, too, can reduce hauling costs on your job

Here's a sure way to cut hauling costs on your job. Get a truck that gives you more mileage on gas and oil... that costs less for upkeep... that carries more payload. A truck like that will really save you money!

Owners of Dodge "Job-Rated" trucks enjoy the outstanding economy of trucks that are "Job-Rated"—engineered at the Dodge factory to fit a specific job. Because they're "Job-Rated," these trucks stand up better, save money.

Come in today and let us show you how a Dodge "Job-Rated" truck will cut your hauling costs.

Reduce costs with low upkeep—You get such money-saving advantages as chrome-plated top piston rings, exhaust valve seat inserts, positive-pressure lubrication, and many others.

Reduce costs with economical power—Dodge truck engines have four rings per piston, lightweight aluminum pistons, compression ratios as high as 7.0 to 1, and other economy values.

Reduce costs with bigger payloads—Because a Dodge "Job-Rated" truck has better weight distribution, it carries more load on the front axle. As a result, you can haul bigger payloads.

"We've saved a lot of money with Dodge 'Job-Rated' Trucks..."

says fruit packer FRANCIS HEIDRICH  
 Herman J. Heidrich & Sons  
 Orlando, Florida

"We're really sold on Dodge for all-round economy and dependability. Every one of our trucks has been replaced by a Dodge and the whole fleet is standing up in a way that sure saves us money."  
 "Dodge trucks certainly fit our job—and keep costs down."

See us today for the best buy in low-cost transportation...

Mr. and Mrs. C. P. Littlepage moved their daughter, Mrs. Jack Shipman, from Munday to Benjamin last Monday, where she will live until joining her husband in San Diego, Calif., where he is stationed in the Navy.

Bert Marshall was a business visitor in Seymour last Monday.

Mr. and Mrs. Von Terry, accompanied by Mr. and Mrs. Bill Brown of Knox City were visitors in Sweetwater Monday of last week.

Mr. and Mrs. Sherman Nevils and children of Knox City were visiting Mr. and Mrs. Aaron White and family Monday evening.

Brady Wampler was in Knox City Monday of last week attending to business.

Mr. and Mrs. O. J. Beeler of Falls were visiting her parents, Mr. and Mrs. N. B. Gillentine, Monday evening. They were en route to Abilene to be at the bedside of his mother, who was ill. N. B. Gillentine accompanied the Beelers to Abilene to visit a few

### BUYS \$1,000 BOND AT BATTLE FRONT

Sgt. Clarence L. Aldridge of Sheridan, Ark., expresses faith in his country in dual fashion—in fighting for it and in buying U. S. Defense Bonds. The Sgt. is shown above counting out \$750 in military scrip to become the first man at the X Corps Command post in Korea to buy a \$1,000 Defense Bond during the recent Bond Drive. Capt. Joseph S. Edwards, personnel adjutant, is shown serving as Bond officer.

days in the home of Mr. and Mrs. Harry Elliott.

Mrs. Dutch Young and children of Munday were visiting relatives and friends in Benjamin last Tuesday. Mrs. Jack Shipman returned to Munday with her for a short visit.

Mr. and Mrs. Malcolm Shipman spent Tuesday and Wednesday at their home in Flagler, Colo., attending to business.

Mr. and Mrs. Jim Cash and children of Gilliland visited in the home for Mr. and Mrs. W. E. Ryder, Sr., two days last week.

Mrs. Von Terry and Mrs. Bert Marshall were shopping and attending to business in Knox City Tuesday and Wednesday of last week.

Mrs. Doug Benham visited relatives in Seymour on Tuesday of last week.

Recent guests in the home of Mrs. Lillian Gibbens and her sister and family, Mr. and Mrs. Lloyd Mayes, of Albany and Rosalie Drabek of Crowell.

Mrs. Eugene McGregor and daughter of Munday visited relatives and friends in Benjamin last Saturday.

Mrs. Dutch Young and children of Munday visited Mr. and Mrs. Grover Nunley and family and Mrs. Jack Shipman Saturday.

Mrs. Lillian Gibbens transacted business in Knox City Saturday.

Mr. and Mrs. R. B. Jennings and children of Fort Worth visited in the home of his mother, Mrs. F. M. Jennings and family over the week end.

Mrs. Jack Qualls and children and Mrs. A. L. Smith and children and Mrs. Joe Ben Qualls and children of Abilene visited in the home of Mr. and Mrs. Ben Qualls over the week end.

Mr. and Mrs. Bill Pierce and

children were shopping in Knox City Saturday.

Mrs. Opal Harrison, Sharon and Helen spent the week end in Lorenzo with Mr. and Mrs. E. Wampler and family and in Lubbock with Evelyn Harrison, who is in nurses' training there.

Week end visitors in the home of Mr. and Mrs. Walter Hertel were: Mr. and Mrs. Bill Bob Glenn of Amarillo and Donnie Hertel who is stationed in the Air Corps in Oklahoma.

Mr. and Mrs. C. P. Littlepage and Mrs. Jack Shipman visited in the home of Mrs. W. H. Littlepage in Knox City Sunday.

Miss Ruth Johnson, who is attending Midwestern University in Wichita Falls visited her parents, Mr. and Mrs. L. J. Johnson, and family over the week end.

Mrs. G. H. Beavers, Sr., Mrs. Doris Mulkey of Oklahoma City Okla., and Mrs. G. H. Beavers, Jr., of Fort Worth spent last week in Benjamin attending to business.

Mrs. Eugene Howse and children spent last week with her husband, who is employed in Kansas. Mr. Howse returned home with them for a few days.

Mr. and Mrs. Eugene Hamilton and son, have gone to Corpus Christi, Austin and other points on their vacation.

Mr. and Mrs. Vel Jennings and son of Weatherford visited Mrs. F. M. Jennings and family and Mrs. Stell Kedrick over the week end.

Mrs. Verna Mae Harrison and baby of Mineral Wells spent the week end with her mother, Mrs. F. M. Jennings.

Billy Crenshaw of Lubbock visited his parents, Mr. and Mrs. Dave Crenshaw, last week.

Mrs. Dorothy Nell West and family of Wichita Falls visited

in the home of her parents, Mr. and Mrs. Wayne Young, and other relatives over the week end.

There will be singing every second Sunday of each month at different churches in Benjamin. The next singing will be at the Baptist Church. The first Sunday in March a county singing will be held in Benjamin.

A bridal shower was given for Mrs. Morris Brown, a Japanese war bride, in the Club House on Tuesday, February 5. Cakes and punch were served the many guests. Mrs. Brown received lots of nice gifts including an electric coffeemaker given by the hostesses. The hostesses for the occasion were: Mmes.

Wayne Young, Dutch Young, Joe Ben Qualls, Billy Ben Benson, Bill Dodd, Chilcoat, Vernon Benson, Hester Hall, Cantrell Qualls, Tom West and Mary West.

Mr. and Mrs. H. F. Jungman and Henry Michels returned home last Monday after several days' visit in Mineral Wells.

Mrs. M. F. Finley returned home last Sunday from a visit with Mr. and Mrs. O. J. Smith in Wichita Falls.

Mr. and Mrs. Jim Reed and family visited relatives in Abilene over the week end.

## THE FAMOUS Firestone

CHAMPION CURVED BAR TRACTOR TIRE in Either  
**OPEN CENTER** or **TRACTION CENTER** Design

SOME farmers prefer Open Center tires, while others demand Traction Center. Regardless of the type you prefer, Firestone has it. No one else offers you a choice, because Firestone alone provides both tread designs.

If it's Open Center design you want, see the sensational new Firestone Champion Open Center, Curved Bar Tractor Tire. Try it—for traction, for cleaning, for smoothness on the highway, for all

around performance. You'll find it's way ahead of any open center tire ever made.

If it's the Traction Center Tire you want, there's only one—the patented Firestone Champion. This tire has long been recognized by thousands of farmers the country over as the top performer for year-around work. A test on your own farm will show you.

So again we say, regardless of your preference in tractor tire tread design, see us.

When you have a flat—call us. We will pick up your tractor tire, repair it, and return it to you promptly.

## Knox Prairie Philosopher Says He's Baffled, Why Do Candidates Pay More For Office Than They Make

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek is worrying again, his letter this week reveals:

Dear editor:  
I have been noticing lately the trouble some prospective candidates for various offices have been havin in makin up their minds, from president down, some of em sayin they already know but aint gonna tell, others sayin they just can't reach a decision. I can appreciate the latter, as I feel the same way every year about my farm in activities, I just can't reach a decision, and frequently by the time I get my mind made up it's too late to plant.

But the best case of indecision I've noticed is by a prospective candidate who says he will run for senator if the people of the state contribute \$150,000 to his campaign fund.

I will go him one better. If the people of Texas will contribute \$150,000 to me, I believe I'd be willin to forget any political aspirations, of which I have none, and settle down to a steady life of farmin, especially since it would be necessary to

J. A.

serve in the U. S. Senate at least 10 years to even gross \$150,000.

As a matter of fact, I do not understand a lot of things about politics. For example, the opponents of Senator Taft claimed he had spent 5 million dollars in Ohio, but he said that was nonsense, the race had cost only about \$700,000 all told, which means he'll have to serve 46 years to ever gross that much at the goin salary of \$15,000 a year, just to break even.

But I ain't singlin out any one person or party. Take nearly any office, north or south, outside of public weigher and justice of the peace and a few court house jobs. There probably ain't a major race to be run this political year where the can-

**TEXAS OBSERVES BROTHERHOOD WEEK**—Governor Allan Shivers, right, presents to R. E. (Bob) Smith of Houston a copy of the official proclamation designating February 17-24 as Brotherhood Week in Texas in 1952. Smith is a member of the national board of the National Conference of Christians and Jews which for 24 years has been carrying on an educational program for civic understanding and cooperation between Protestants, Catholics, and Jews. Smith is also national vice chairman for the Southwestern division of the Conference. He has recently received recognition in a national magazine for his efforts to improve Latin American relations through his work with the Texas Council on Human Relations. Governor Shivers is honorary chairman for Texas of the annual Brotherhood Week celebration.

didate or his friends won't spend ten to one hundred times as much gettin elected as the office pays.

I do not understand this. I can understand how a man can farm year after year and go in the hole every time, because I have done it for years, am probably doin it right now, but how a man can want to serve so bad he'll pay ten times what the office pays to get elected, has always been a source of great puzzlement to me. You mean to say politicians are as dumb as us farmers? I don't believe it.

Yours faithfully,  
J. A.

Mr. and Mrs. Conrad Link and sons of Lubbock visited her parents, Mr. and Mrs. Oscar Spann, last Sunday.

### Dist. Agent Attends Council Meet February 1

Miss Fern Hodge was a visitor when the Knox County Council met on February 1, in the Assembly Room. Miss Hodge is Agent for District III.

The demonstration by Miss Henson for January was on yeast breads. Each club reported two meetings and having this demonstration. Munday club has three new members and Truscott reported sponsoring the March of Dimes.

Council is sponsoring the Stamps Quartet March 17, at

Benjamin in the gym. Advance tickets will be on sale by each club so be sure and get yours.

A Valentine dinner-party will be held February 15, in the Assembly Room at 7:00 o'clock. Each member is cordially invited.

The following changes were made by Mrs. Cure on Council committees: Mrs. Oscar Solomon was changed to serve as chairman of Finance, Miss Jerry Nix was changed to Finance and Mrs. Weldon Floyd was appointed to Education and Expansion. Mrs. Lee Snailum was changed to serve as chairman of the Yearbook committee and Mrs. Jack Brown was appointed to the Yearbook.

Miss Henson reported that Mrs. Scott, a representative of

Simplicity Patterns, will be in the Haskell auditorium, April 7, showing the fitting problems for hard-to-fit persons. All County club women are invited to attend.

Miss Charlotte Williams, who is attending T. S. C. W. in Denton, spent the week end with her parents, Mr. and Mrs. P. V. Williams.

Mr. and Mrs. Delbert Montgomery of Fort Worth visited her parents, Mr. and Mrs. Dee Clough, and other friends and relatives over the week end.

Mr. and Mrs. Orman Moore and daughters of Wichita Falls visited her mother, Mrs. Erin McGraw, over the week end.

### Funeral For Ross Berry Is Held Tuesday

Ross Berry, 64, of Fort Worth, passed away last Monday in a Fort Worth hospital. He was a member of the Baptist Church in Fort Worth, and a brother of the late Mrs. F. E. Jetton of Goree. He was a brother-in-law of the Gray brothers of Munday.

Survivors include his wife, Mrs. Hallie Berry; two sons, Ross Berry, Jr., U. S. N.; W. J. Berry, Grand Prairie; three daughters, Mrs. H. H. Phillips, Wichita Falls; Mrs. Jessie Murphy, Mineral Wells; Mrs. Bob Callaway, San Francisco, Calif.; two brothers, C. D. Berry, Ponca City, Okla.; Fred Berry, Estelline; two sisters, Mrs. Bertha Williams, Grand Prairie, and Mrs. M. K. Brown of Fort Worth.

Funeral services were held in Fort Worth on Tuesday. Nephews served as pallbearers. They are: Dave Brown, Billy Brown and A. J. Berry, Fort Worth; Jetton Johnny, Strongburg, N.

M.; Floyd Jetton, Azle; S. B. and Dave Jetton, Goree.

Attending the funeral were Mr. and Mrs. S. B. Jetton and Lynell and Mr. and Mrs. Dave Jetton of Goree. F. E. Jetton and Myrtle and Mr. and Mrs. V. G. Lambeth were unable to attend.

Five Texas youths may participate in the 1952 International Farm Youth Exchange Program. The IFYE delegates are known as "grass roots diplomats" and they live with rural families during the time they are in the foreign countries. The program is sponsored by the Agricultural Extension Service.

## GET MORE TRACTION at no extra cost!

Change to **NEW GOOD YEAR O-P-E-N C-E-N-T-E-R SUPER-SURE-GRIP TRACTOR TIRES**

New Super-Sure-Grip is the "greatest pulling tire on earth" — as proved in actual farm tests where it pulled tractors through wet, slick, slippery soil where other tires bogged down.

These super traction tires will help you plow, plant and harvest faster. They'll save crops when you are pressed for time and they don't cost a penny more!

Super-Sure-Grips are good crop insurance — let us install them on your tractor.

**SUPER-SURE-GRIP GOES WHERE OTHER TIRES WONT**
