Odd Bits Salvaged

Have you, have you had your cranberries today?

The shadow thrown over the Thanksgiving dinner table last Monday disclosing contamination of cranberries by a cancer-producing chemical came in time to make a change in the menu. Now if the turkey can just get some high official to declare him inedible, we can all stay with our daily diet.

The report came from Arthur S. Fleming, secretary of health, education and welfare, at a news conference, but producers quickly denied any dangerous berries are on sale to the public. It seems the contamination is by a weed killer, the active ingredients of which had induced cancer in rats.

Noticed further that a cranberry expert stated effective steps were taken to remove any danger to the public and said he would not hesitate to eat "all the Washington cranberries I can hold." When it comes to cranberries, the question is: Are you a man or a mouse?

Steel started trickling from the mills this week, as the longest strike in the steel industry's history was ended temporarily by the Supreme Court. Things will be humming until January 26, then we wonder what will happen.

Workers on strike who have seen their savings dwindle to nothing during the 116-day period seemed reluctant to return to work—many of them, at least—without a contract. That average of \$3.11 an hour is not enough for them without other benefits. At least, it will buy some cranberries, gentlemen.

Our nomination for the year's meanest man: That dentist who dropped those sugar-coated laxative pills into the bags of trick-or-treat children who called on him on Halloween night.

In our town, trick-or-treat is a sort of innocent carrying-on by the children who are sometimes accompanied by one of their parents to see that everything is in order. When treated, there are no tricks, except maybe soaping of windows, etc.

But if we were in Mr. Dentist's shoes, we'd be making plans to be in another neighborhood next Halloween. The trick he pulled on those kids will likely not be forgotten in a year!

That pungent odor of frozen vegetation that presented itself last Friday morning came a little earlier than usual. Some think the freeze set a record for this area and possibly cut short the production of irrigated cotton in the vicinity.

Deaton Greene of Seymour said the smell of frozen feed and cotton, weeds and other vegetation was pretty rough to take Friday as he was reading R. E. A. meters over the county.

Repercussions have started in the North Central Texas Water District since receipt of tax letters which were sent out recently. Some think the board has "stubbed its toe" in setting estimates of many valuations and a stormy session is in prospect when the equalization board meets next Monday. However, we believe the board will be found ready to adjust any errors in estimate, judgement and transcript.

We were called by telephone Wednesday night and asked to pass this information to our readers: Since notices were mailed out, it has developed that personal property values, as far as automobiles are concerned, reflect in excess of 65 per cent in the water district. It was stated that autos will be adjusted to represent 65 per cent of the "Blue Book" values, the national standard of auto valuation. These reduced values will be made without the necessity of taxpayers appearing before the equalization board, water district officials assured.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Glen D. Henson of Odessa are announcing the arrival of a son on Monday, November 2, 1959. He made his arrival at a Winters Hospital, weighed 6 pounds and 14 ounces and has been named Steven Glen. Grandparents are Mr. and Mrs. Barney B. Bedford of Winters and Mr. and Mrs. H. D. Henson of Munday.

Area Scouts To Have Banquet At Seymour Nov. 7th

Dr. Travis White, President of Midwestern University in Wichita Falls, will head the program at next week's second annual banquet for the Brazos Valley District of the Northwest Texas Council Boy Scouts of America. The dinner meeting will be held at the Seymour High School cafeteria at 6:45 p.m. next Tuesday, November 17th.

This annual meeting of all parents and leaders of Cub Scouts, Boy Scouts and Explorers is also open to the public. Tickets are \$1.50 per person and may be purchased from any local scout leader. There will be a baby sitter available to those parents who can't leave the children at home.

There are three more highlights to the meeting in addition to Dr. White's speech. The new district officers will be presented to the Scouters and parents along with a report on the progress of Scouting in Archer, Baylor, Knox and Throckmorton counties.

Funeral Service For Mrs. Hammons Slated Thursday

Mrs. Mattie E. Hammons, 82, resident of the Goree area for nearly 40 years, passed away at 2:45 p.m. Tuesday at the Knox County Hospital. She had been ill for about six weeks.

Born in Delta County on February 8, 1877, she was married to J. M. Hammons on October 21, 1894. Mr. Hammons preceded her in death June 27, 1953.

Mrs. Hammons had lived in the Goree area since 1920. Funeral services were scheduled for 3 p.m. today (Thursday) from the Church of Christ in Goree, with Minister Payne Hattax officiating. Burial will be in Goree Cemetery under direction of McCauley Funeral Home.

She is survived by three sons, Elbert of Pageland, S. C.; Ruby of Goree and Tony Hammons of Alice; three daughters Mrs. Bertha Denham and Mrs. Annie Edwards both of Goree; Mrs. Eva Taylor of Throckmorton; two brothers, Bill Moore of Midland and Fred Moore of Plainview; three sisters, Mrs. Clay Martir of Petty, Mrs. Sam Hamilton of Albert, Okla., and Mrs. Joe Hammons of New Castle; 21 grandchildren, 34 great grandchildren, and one great-great-grandchild.

Questionnaires On Farm Census Being Mailed Area Farmers

Questionnaire for the 1959 Census of Agriculture are now in the mail and will be in the hands of local farmers within a few days, it was announced today by Field Director James W. Stroud of the Census Bureau's regional office at Dallas.

The farm census questionnaires are being mailed from Chicago, Illinois with the distribution timed so that the report forms will reach farmers about a week ahead of the date when census takers will begin the field canvass. The advance mailing is for the purpose of giving farm operators time to consult their records before filling in the answers required by the questionnaires and getting them ready for the census takers to pick up. This procedure is designed to insure greater accuracy of reporting and to save time both for the farmer and the census taker when the latter calls at the farm.

The 1959 Census of Agriculture questionnaire is designed to provide information on the number and size of farms, acreage and harvest of crops, livestock production and inventories, selected farm facilities and equipment, selected farm expenditures, farm values, and mortgage debt. On the average, each farmer is asked about 100 questions, many of which can be answered by simply checking "yes" or "no."

Mr. and Mrs. J. C. Ledbetter visited their son and wife, Mr. and Mrs. Benny Ledbetter, in College Station over the week end and attended the A&M and SMU football game on Saturday.

Mr. and Mrs. T. E. Pettiet and children of Midland were guests of Mr. and Mrs. W. G. Weiborn and Gaston last Monday night.

The Texas Boys' Choir, pictured above, of Fort Worth will be presented in a concert here on Thursday, November 19, at the school auditorium. The program will begin at 2:30 p.m., and a large crowd from this entire area is expected to be present to hear them.

The Texas Boys' Choir begins its fall season of 1959 with the added prestige gained during a highly successful European tour this past summer. Twenty-six concerts in Wales, England, Belgium, Holland, Paris, Italy and

Switzerland brought standing ovations and rave notices from music critics abroad. The British Broadcasting System presented them on a "spectacular" as one of the four best choirs heard at the internationally known competition, the Eisteddfod, in Llangollen, Wales. They also sang a special mass for the Pope in Rome.

Back in America this twenty-seven voice boys' choir from Texas sang on the steps of the Capitol in Washington and gave a Watergate Concert with the Navy Band. Their 1959-60 season begins in late October and includes ap-

pearances with major symphony orchestras, concerts for Civic Music Associations in Fort Worth and Oklahoma City, and an extended tour through the southeastern states to Florida.

The Texas Boys' Choir, as presented on tour, is composed of carefully selected singers, chosen by audition from some 150 boys participating in the activities and rehearsals in Fort Worth. These boys, aged 8 to 14 years, are active, alert American boys, molded into a perfectly trained ensemble by their Director George Bragg.

Tax Collector To Make Visits Beginning Mon.

John A. Smith, tax assessor and collector for Knox County, announced this week that he and his helpers will make visits to various communities of the county next week to receive payments of 1959 taxes.

This is for the convenience of those who find it inconvenient to make a trip to Benjamin for this purpose. The schedule of his visits is as follows:

Monday morning, Nov. 16, Truscott; Monday afternoon, Gilliland; Tuesday morning, Vera; Tuesday afternoon, Rhineland; Wednesday, Nov. 18, Goree; Thursday, Nov. 19, Knox City, and Friday, Nov. 20, Munday.

Mogul Banquet Is Set November 21

The Munday High School annual football banquet will be held Saturday, November 21, at 7:30 p.m. in the Grade School Cafeteria.

The speaker will be Mr. Jess Stiles of Bowie, a well known football coach who played and coached football at Midwestern University. He was head coach at Haskell and is presently head coach of Bowie High School football team, and an outstanding authority on football for several years.

Tickets are \$1.50 per plate and may be purchased from the high school office, phone 3841; also from the following: Martha Elliott 4131; Jimmie Del Peysen, 6741; Margaret Cloudis, 5106; Jan Pendleton, 5811 and Mary Ann Renau, 2051.

Class Favorites Named At Goree

In special class meetings held November 8, Class Favorites were chosen by the Students of Goree High School.

JoAnn Estes, Randal Brown and Gerald Kinman were elected Senior Favorites. The Junior class chose Tommy Howry and Andrea Struck. Sophomore favorites are Jimmy Paul Howell and Frances Warren. The Freshman voted Buddy Loynd and Pat Knight as their favored classmates.

These students get special recognition in the Goree yearbook, The Wildcat.

Leaders In Baptist Revival Services

REV. ROBERT YOUNG

A revival meeting will begin on Friday night of this week at the First Baptist Church in Munday, with services continuing through Sunday, November 22.

Rev. Robert Young, pastor, will be the evangelist for this revival, which will be the first evangelistic crusade since he assumed his duties as pastor a few months ago. "Inspiring gospel sermons—a message for your heart" will be the pastor's theme during these services.

Song services featuring great gospel songs and music will be under the leadership of John D. McCallon of Altus, Okla.

Norman Is Elected State Director

Cline Norman, manager of the local P. C. A. field office, was elected state director for the Munday Jaycees on Tuesday night, October 27.

Duties of the state director are the co-ordinator of state Jaycee activities with the local club and his club's representative on the state board of directors, along with the local president.

Open House Slated At Preacher's Home In Goree Sunday

Open house will be held on Sunday afternoon, November 15, from 2:30 until four o'clock, in the "preacher's home" for the Church of Christ in Goree.

The new residence was completed about a month ago, and Mr. and Mrs. Payne Hattax moved into it around October 15. Mr. Hattax is serving as minister of the Goree Church of Christ.

The entire public is cordially invited to attend this open house.

JOHN D. McCALLON

Services will be held twice daily—at 10 a.m. and at 7 p.m.—during the revival, and the public is extended a colorful invitation to attend.

4-H Awards Banquet To Be Monday Night

The annual 4-H awards banquet will be held at 7 p.m. Monday, November 16, in the Munday school lunch room with Clarence Herring, Jr., and Wanda Beth Welch, co-chairmen, presiding.

Speakers for the occasion will be Curley Hayes, farm and ranch advisor for West Texas Utilities Co. in Abilene. Thirty-one boys and girls will receive ribbons and awards at the banquet.

Tickets may be purchased from the presidents of the 4-H Clubs over the county for \$1 each.

EASTERN STAR MEET

The Munday chapter, Order of Eastern Star, will hold its regular meeting at 7:30 p.m. Tuesday, November 17, at the Masonic day, hall.

Widening Of Highway From Benjamin To Baylor County Line Is Abandoned

The Knox County Commissioners' Court met with Texas Highway Department at Austin on October 20, 1959, in regard to State Highway 82 and FM 267 Road. The State was interested in obtaining further right-of-way on State Highway 82 from Benjamin to the Baylor County line.

Officials of the Lone Star Gas Co. advised the Knox Commissioner's Court that the cost to move their gas line on the highway would be approximately \$1,000,000 and the State advised that there would be a cost to the County of approximately \$7,000.00 to \$14,000.00 for buying additional right-of-way; the State

of Texas paying one-half of the expense leaving a balance for Knox County to pay the sum of \$60,000.00 to \$64,000.00.

The Commissioners of Knox County felt that this was out of reason and after due discussion with the officials of the State Highway Department, it was agreed that the State would not require additional right-of-way on State Highway 82 and that Knox County would not be out any expense on the widening of this Highway, thus saving the County the approximate sum of \$64,000.00.

The State has further agreed that on FM 267 Road from Gilliland tying into Highway U. S. 79 in Foard County would not be charged against the Farm to Market Program in Knox County, but would be paid for out of secondary road funds; letting of this road for construction would be done in the near future. It was further stated that Knox County was still entitled to 32.5 miles of Farm to Market Roads before exhausting the quota allotted to them.

Trautham Named New Manager For Munday Dept. Store

Cecil Haygood of Floydada, owner of the Munday Department store, announced this week the employment of L. D. Trautham, formerly of Lubbock, as manager of the local store. Mr. Trautham took over his duties last Monday.

The new manager has several years of experience in the operation of dry goods stores, having recently been employed with a shoe store in Lubbock. Prior to that time, he was manager of Cobb's Department Store in Morton and has also been connected with Cobb's stores in Lubbock.

He has a wife and three children, two daughters, 10 and 13 years of age, and a son, five. His family expects to join him in Munday in the near future.

Eight weeks in duration, the school indoctrinates students in all phases of submarining. Upon graduation students are sent to operating submarines or to advanced technical schools for further training.

Weinert Bulldogs To Play Divide In Bi-District Game Here On Friday Night

The Weinert Bulldogs, winners of District 3-B 6-man football, and the Divide Trojans, winners in District B, will tangle on Mogul Field at Munday on Friday night of this week in a bi-district game. The game will begin at 7:30 o'clock.

Weinert's No. 1 backfield trio of J. W. Swaner, Bill Rainey and Chesley Forehand worked their usual awesome scoring combination last Thursday night to

defeat Paint Creek by a score of 54 to 33, winning the district crown. It was the third consecutive district title for the Bulldogs.

The victory was Weinert's 32nd straight win and gave the Bulldogs a perfect record at 9-0 for the season.

Rainey led the Bulldogs with 24 points on touchdown runs of 24 and 12 yards and on six perfectly booted extra points. Swaner scored 18 points on touchdown runs of 45, seven and five yards, while Forehand accounted for two TD's, one on a 32-yard punt return.

The Trojans clinched the District 4 title last week with a 47 to 27 win over Ira, and gained a 10-0 record for the season.

The season's tops in 6-man football will be reeled off here at Munday on Friday night, and a large crowd is expected to be on hand for the bi-district conflict.

Crow A. Parham, Vera Farmer, Dies; Rites Wednesday

Crow A. Parham, well known Vera farmer, passed away at 7:30 p.m. Monday in Baylor County Hospital at Seymour. He was 73 years of age.

Funeral services were held at 10 a.m. Wednesday from the Vera Baptist Church with Rev. Douglas Crow, pastor, and Rex Gene Lueder officiating. Burial was in Henson Cemetery at Red Springs. Mr. Parham was born March 17, 1886, at Gibson Station, Va., and had lived in the Vera community for about 20 years. He had been ill with leukemia for several years.

Surviving are his wife; five sons, Windal of Artesia, N. M., C. A. and Sam, both of Lamesa, Albert and Billy Joe, both of Vera; six daughters, Mrs. Afton Johnson and Miss Reddie Lou Parham, both of Vera, Mrs. Albert Patterson of Seymour, Mrs. Dalton Morgan of Odessa, Mrs. Charles Hertel of Jal, N. M. and Mrs. Don Hall of Benjamin; two brothers, Clervie Parham of Wichita Falls and Hubert Parham of Corpus Christi; four sisters, Mrs. Amelia Swyers of Victoria, Mrs. Emma Lee Stringer of Chickasha, Okla., Mrs. Ruth Gunn and Mrs. Thelma Richmond, both of Seymour; and 19 grandchildren.

Oil Activities

Fleather Oil and Gas Drilling Corp. of Dallas has staked its No. B-1 B. C. Anderson as a 5500-foot wildcat, one mile northwest of Knox City.

Hanes, Donnell and Beaty completed No. 2 B. W. Golden in the Golden (Tannehill) Field, 2 1/2 miles east of Goree. The well pumped 36.35 barrels of 38 gravity oil, plus 50 per cent water, per day from pay perforated at 1663.72 feet. Total depth was 1770 and gas-oil ratio was 250-1.

RECEIVING CATTLE

Chas. Moorhouse has been busy the past two months receiving and delivering cattle sold on contracts. He says the calves have weighed lighter than the owners expected, however the cattle on ranches are in good condition and prospects for grazing is good for this winter. He says he has more buyers for cattle than at anytime this year.

THAT "TEMPORARY" GAS TAX INCREASE

Since October 1, when the increased federal gasoline tax went into effect, total gas taxes have just about doubled the price the motorist pays for his fuel. In other words, combined state and federal gas taxes come to approximately 50 per cent of gasoline's cost to the consumer.

The higher federal tax is called temporary. The law provides that it will expire in 1961. But our experience with "temporary" tax laws of this kind has been a sorry one. "Temporary" periods have been extended again and again. To all intents and purpose they have become permanent.

Now the president of one of our oil companies makes an important proposal. He calls upon the petroleum industry to "start — right now — to prepare for the hard fight we will inevitably face in 1961, when the 'temporary' tax is due to expire." He adds: "We owe it to our customers to keep the temporary tax temporary."

This proposal will surely have the wholehearted support of all gasoline-using citizens, which means practically all of us. The gas tax, remember, is a sales tax, which is paid entirely by the consumer. The oil companies simply act as tax collectors for the states and the federal government. And even though gasoline is an absolute necessity, it is now taxed much more heavily than most of the absolute luxuries — including mink coats and diamonds!

JEFFERSON, O., GAZETTE: "Whether it is deer, pheasant, duck or rabbit, it is always good to enjoy the colorful fall days of the woods and open fields."

"Unfortunately, hunting accidents in recent years have multiplied to an alarming degree — mainly because the number of hunters has increased. Every hunter knows the rules of safety as every motorist knows the rules of the highway, but accidents happen with guns as well as with automobiles."

"Ninety-nine times out of 100 hunting accidents are caused by carelessness. A cardinal rule of the hunter is to never carry a loaded gun in the car."

CANTON, GA., TRIBUNE: "It is fine for us to enjoy religious freedom with the right to worship as we please, but it does us little good unless we really worship."

NEW TOOLS FOR THE FARMER

Mr. Khrushchev showed a deep interest in American agriculture while he was here, and with good reason. Despite the fact that Russia has a huge farm acreage, some 40 per cent greater than that of the U. S., and has a much larger proportion of its labor force engaged in farming, Soviet food production is still gravely inadequate by American standards.

Various reasons account for that. One of the most important is stressed by John F. Lawrence, writing in The Wall Street Journal. It is found in the quality and quantity of Russia's mechanized farm equipment, as against ours.

The Russians, he says, have only 870,000 tractors to do all their plowing and harvesting — a mere 20 per cent of the number used on American farms. And American equipment that is now on the production lines or soon will be would make Russian farmers blink in disbelief.

Mr. Lawrence describes some current developments. One is a ten-ton tractor, capable of pulling a three-ton cultivator at a 19-an-hour pace. Another is a self-propelled combine that cuts an 18-foot swath of wheat. Another is a corn picker that will pluck the ears from four rows at a time. Another is a forage harvester to chop 45 tons of fodder an hour.

So it goes. And, says Mr. Lawrence, "Farmers are grabbing up the big new machines so fast, in fact, that farm equipment makers frequently are hard-pressed to keep up with demand." Here's why farming U. S. style is so far ahead of farming Soviet-style.

FREDONIA, N. Y., CENSOR: "Almost everyone used to regard employing the handicapped as a kind of charity. The man who gave jobs to workers suffering from some sort of physical disadvantage was generally looked upon as a good-hearted fellow willing to assist others at some cost to himself."

"The heart has its reasons. So has the brain. And the brain, judging on the basis of experience, now informs us that employing the handicapped is a lot closer to good business than it is to charity."

"Some relaxation is necessary to people of every degree: the head that thinks and the hand that labors must have some little time to recruit their diminished powers." — Bernard Gilpin.

CHIT-CHAT FROM THE LAUNDROMAT

Goblets, glasses, vases, dip bowls, planters, flower bowls, ice cube bowls, jars, mugs (if you choose to make the handle)—all are being made from the lowly ole Clorex, Pyrex (and other brands) bleach bottles that you empty at the Laundromat when you wash. Speaking of bleach . . . some fabrics will yellow when bleach is in the water. Such fabrics have been treated with resin to make them wrinkle resistant, or crisp or have a sheen or embossed finish. Synthetics will also be yellowed by bleach.

A few drops of household ammonia added to the bleach water will help remove stains on any white cotton pieces. Pre-soak your cup towels this way. A 3 per cent solution of hydrogen peroxide is a good bleach too.

We have lovely customers from Munday and elsewhere washing at the Laundromat and in order to be of more help to all our customers and to express a simple "thank you," a Bulletin telling how to remove stains from fabrics at home will be given free to each one who asks for it. It is yours for the asking!

Speaking of lovely customers: Mrs. David Bristol and Mrs. Joe Wilda had a happy feeling when they located a Westinghouse Laundromat in this vicinity. They told the attendant they had been looking everywhere for such a place to wash and finally found the Laundromat store in Munday. NOTE: the sign of a progressive community! They continued by saying they got better results washing on the Westinghouse Laundromat automatic washing machine. So we love to pass authentic, first hand information on to you.

Realized Farm Income Off 10-15%

Two top spokesmen for the U. S. Department of Agriculture got up before the National Association of State Departments of Agriculture in Nashville, Tenn., the other day and gave conflicting versions of what our farm income looks like in these waning months of 1959.

True D. Morse, the under-secretary of agriculture who often speaks for Secretary Ezra T. Benson, painted a somewhat rosy picture in which he saw agriculture in general in a stronger position than at any time in the past several years. Then Oris V. Wells, administrator of the Agricultural Marketing Service, appeared to give us an entirely different version but one which we knew was nearly in line with the facts back home. It made some of us wonder whether one top hand in our USDA sometimes is completely uninformed on facts another top hand knows all about.

Wells reported to us that so far in 1959 farm prices have averaged four per cent lower and net realized income of farm operators some 10 to 15 per cent below the prices and incomes for the same months in 1958. This, of course, was in sharp contrast to a similar report Wells had given us the year before, when farm

GIVE THANKS

America is a praying nation. Founded and built on the right to freedom of worship, we go to God in prayer and thank Him for the freedoms we have in this land.

We pray for peace. We ask for strength to meet the challenges of the day. We give thanks for our abundance.

While humble in prayer, we must remain strong. You can be a partner in maintaining this strength by investing in U.S. Savings Bonds. They now pay 3 1/4% interest when held to maturity, the highest rate in history.

Texans, Give Thanks during November by signing up for payroll savings where you work or buying U.S. Savings Bonds where you bank.

Goliad Baptist Church Receives Highest Honors In U.S. On Achievement Program

CORPUS CHRISTI — The first Baptist Church of Goliad, which celebrated its 110th anniversary this year, has received the state's highest honors in the annual Church Achievement Program sponsored by the Baptist General Convention of Texas.

The church, the Rev. Paul Milton, pastor, was named state representative during the opening session Monday of the Baptist convention here Nov. 2-5. Dr. Forrest C. Feezor, BGCT executive secretary, presented the Rev. Mr. Milton with a special certificate.

Another church, the Slide Baptist Church near Lubbock received special commendation for rating high honors in the state program for the second consecutive year. Last year the Slide Church was named runner-up in the program.

Seventeen other churches, one from each Baptist district in the state, received honorable mention during the presentation of awards, and 87 other Baptist churches were cited as outstanding in their districts.

In presenting the certificate to the First Baptist Church of Goliad, Dr. Feezor praised the church for sponsoring 77 projects in community and world missions. More than 85 per cent of the church's membership actively participated in the projects.

Organized in May of 1849, the church is one of the oldest in the state. Originally the church was named "Mary Elizabeth Lott Memorial Baptist Church" and two of the church's charter members were Negro slaves.

The church conducted a vigorous community improvement campaign, including a big church-supported drive urging Goliad residents to pay their poll taxes. A full page advertisement in a Goliad newspaper and a telephone canvass of voters urged more actual participation in civic affairs.

Community betterment, however, was only one phase of the achievement program. Of the 77 projects sponsored by the church, 59 were designed to build a better church through improved worship services, evangelism, education, stewardship, organization and leadership, and better buildings.

The church organized a brotherhood, offered marriage counseling services, conducted four revivals, organized two church choirs, and completed 15 projects to improve

their church building and parsonage.

Churches winning honorable mention in the program include the East Mountain Baptist Church near Gladewater; Whitehouse Baptist Church; Fannett Baptist Church near Beaumont; Utopia Baptist Church; Jerusalem Baptist Church of Hale Center; Pantex Baptist Church; First Baptist Church of Howe; Peoria Baptist Church near Hillsboro; Dyess Grove Baptist Church near Temple; Wylie Baptist Church near Abilene; Greenwood Baptist Church near Midland; Mable Deon Baptist Church; Emmanuel Mexican Baptist Church of Sierra Blanca; First Baptist Church of Gordon; Carlton Baptist Church and Huffman Baptist Church.

June Petty Circle Meets Monday In Blacklock home

The June Petty Circle of the First Baptist Church met in the home of Mrs. B. L. Blacklock last Monday. Mrs. J. O. Bowden led the opening prayer.

After a short business meeting with ten members and one visitor, Mrs. Otis Simpson, presented Mrs. Litt Lemley, community chairman, presented tracts printed in Spanish to be distributed locally.

Mrs. Paul Pruitt gave a review of chapters 2 and 3, "Evangelism through Preaching" and "Evangelism through Teaching" from the book "By All Means" by Baker J. Cautchen.

The closing prayer was led by Mrs. J. W. Hawkins.

Munday Man Serves In Pacific Fleet

PACIFIC FLEET (PHTNC)—Maynard P. Brown, aviation machinist mate third class, USN, son of Mr. and Mrs. John Brown of Route 2, Munday, Texas, serving aboard the attack aircraft carrier USS Bon Homme Richard, is taking part in a large fleet training exercise off the coast of Southern California, Nov. 2-6, involving units of the U. S. Pacific Fleet.

The exercise, under the direction of the Commander of the First Fleet, is pitting "Blue" attack carrier striking forces against opposing "Orange" defensive forces. The Blue forces are launching carrier aircraft attacks and simulated guided missile attacks on a large land mass. The Orange defenders are attempting to stop them with Navy carrier and land-based aircraft and surface craft.

Submarines are practicing attacks on the groups during the early phases of the exercise.

Operations of this type are designed to prepare units of the First Fleet for deployment to the Far East and duty with the U. S. Seventh Fleet.

Arlington Business And Civic Leader To Speak To Methodist Men Next Monday

Tom J. Vandergriff, business and civic leader of Arlington, will be the principal speaker next Monday night at the regular meeting of the Methodist Men's Club.

He was born at Carrollton and educated in the public schools there and in Arlington. He attended Northwestern University, S. M. U., and the University of Southern California. After graduating from college, he returned to Arlington and became associated with his father, W. T. Vandergriff, in Vandergriff Enterprises, a concern operating automobile dealerships and other interests in Arlington, Irving and Carrollton. Mr. Vandergriff is very active in many local, regional and state civic projects. Together with his father, he sponsors The Arlington High School Band, purchasing all uniforms for this organization, many instruments and financing

all out-of-town trips. He was elected President of the Arlington Chamber of Commerce when he was only twenty-three years old. Mayor of Arlington since 1951, Mr. Vandergriff has been named Arlington's "Citizen of the Year" and signally honored by the Texas Junior Chamber of Commerce as one of the "Five Most Outstanding Young Men in Texas." He was elected President of the Arlington Community Chest in 1951 and has been re-named to this office every succeeding year since that time. He has been Vice President of Tarrant County's United Fund for many years. He is a member of the Board of Trustees of Southern Methodist University, one of the youngest men ever to be named to such a position by a major university.

Mr. Vandergriff has long been active in the recently completed

TOM J. VANDERGRIFF

effort to elevate Arlington State College to four-year status, the proposal to bring major league sports to the Dallas-Fort Worth area and in the promotion of Arlington's development. The city has grown from a population of 8000 to 50,000 during his years as Mayor.

Mr. and Mrs. Joe Lynn Phillips and son, Joe Chris, returned home last Monday night from a ten day vacation in Denver, Colo.

4-H Beef, Electric Projects Win Chicago Congress Trip For Texas Pair

A Martin County boy and a Brown county girl are the champion Lone Star 4-H'ers in beef and electric projects, respectively. They have been named state winners by the Cooperative Extension Service, and will be delegates to the National 4-H Club Congress opening Nov. 29 in Chicago.

Sixteen-year old Bobby Sale's prize steers have won for him the

Bobby Sale

Myrna Perkins

trip provided by E. I. du Pont de Nemours, the new awards donor. But then, Sale, who lives in Stanton, started out a winner.

In 1951—his first 4-H year, his steer was judged state reserve grand champion. Sale has shown grand champion or reserve champion steers in Martin county every year since 1953.

In addition to the more than 100 beef cattle he has raised, his successful projects have been

dairy cattle, swine and poultry, including game birds.

Young Sale is junior leader and past president of the Stanton 4-H Club and information chairman of his county club. He is a junior at Stanton High School. Through his 4-H work, he has earned money to help pay for his college education.

Another Chicago-bound champion is Myrna Perkins, 3200 4th st., Brownwood, electric program winner.

Miss Perkins became interested in this project in 1953, shortly after joining 4-H. The first year she made a lamp and completed 10 repair jobs. Since then she has made 21 articles and twice as many electrical repairs.

The Brownwood High School senior has also given approximately 80 demonstrations and has prepared and led several electrical plant tours for Brown county young people. A junior leader and district club treasurer, she has devoted seven years to 4-H work.

The donor of her trip is the Westinghouse Educational Foundation.

Both Miss Perkins and Sale are eligible to win \$400 national 4-H scholarships provided by their respective award donors.

War.) He was a handsome young chap, with an eye for the ladies—and they likewise directed semi-averted glances in his direction. There was one young lady for whom I entertained a secret affection — she was very pretty and only about twice my age — and when the lieutenant began squiring her around, I lost much of my admiration for him. However, that wasn't what I set out to write about.

My favorite among all the troopers was a corporal — Fritz V. Lindrude. (That may not be the exact spelling.) He had cards with his name and title printed on them. I have an idea that he was from Minnesota or perhaps the Dakotas, although I can not recall that he ever said.

He was older than most of the soldiers and was almost bald-headed. He would play boxball and we became friends. When business was dull, he would invite me to a nearby ice cream parlor where I had a strawberry milkshake. I must confess I don't remember what his selection was.

One day, he invited me to a baseball game. He was the pitcher; either two service teams or perhaps a military nine and the town team were opponents. The corporal was popular with the spectators and pitched his team to victory, one youthful fan shouting loud encouragement.

If he is still living, he would be at least 80 years of age.

I thought that he would be happy to hear from the lad of Del Rio days, and I would send him one of my books. So I confidently wrote to my Congressman — Jim Wright of Fort Worth — and he reported that inquiry revealed that there was no record of my friend in the War Department files. What inefficiency! What are we paying taxes for? No record of Corporal Fritz V. Lindrude! How can a man be sure there was ever such a person as U. S. Grant — much less Winfield Scott?

The War Department blithely claims to list every Union soldier who was in the Battle of Gettysburg — including all the horse-handlers and sutlers, almost 100 years ago — yet can not come up with any record of my friend, a mere 50 years back, just yesterday you might say.

Mrs. C. A. Reagan and Miss Lenie West spent the week end with Mr. and Mrs. W. G. West in Seymour.

Former Resident Passes At Brady

Mrs. Chas. Moorhouse and Dr. D. C. Eiland received word last Tuesday evening of the death of James L. Lawlis of Brady. Funeral services were held Wednesday afternoon at Brady.

Mr. Lawlis was the son of Mrs. R. A. Clements of Dallas and a nephew of Mrs. Moorhouse. He was a former resident of Munday for several years.

Drive carefully. The life you save may be your own!

The senior class dominated the election, placing in five out of ten places.

Best all-around girl is Frances Warren, sophomore, and best all-around boy is Charley Latham of the juniors. The sophomore class named Evelyn Jakubec and David Harlan as most studious girl and boy.

Patsy Steward and Sue Pace, seniors, tied for most athletic girl, and Foster Kelley of the juniors was selected as most athletic boy. Most beautiful girl is Rubi Dain Hammons, and most handsome boy is Donnie Estes, both sophomores.

The senior class sponsors the yearbook and are at present engaged in learning the rudiments of book publishing. Their sponsors are Wayne Bingham and Mrs. Patsy Cooper.

IT PAYS TO ADVERTISE!

My respect for the departments of the Federal Government has always been high — but it has been subjected to doubt recently. I had always thought that they preserved records with the greatest of care — but you be the judge.

When I was a small boy, my father and I lived in Del Rio one summer. He had a boxball (similar to bowling) alley in a large tent on a corner in the business district. As his health was impaired and he rested much of the time, I ran the place.

There was a "revolution" in Mexico — this was in 1908 — and many refugees swarmed across the Rio Grande and took up their abode in the Latin-American section of Del Rio. At the same time, American troops were assigned to the city to keep an eye on any infringement of American neutrality by combatants.

It was thrilling to a boy to see these soldiers, especially the cavalry troopers as they rode, or strolled, around. Some patronized the boxball alley. I recall one — a lieutenant, I believe — who was an especially dashing fellow, with the front of his hat brim pressing against the crown, giving a stream-lined effect. (This was the style of Roosevelt's Rough Riders of the Spanish-American

Mattson Mauls Benjamin 46-20

W. L. Holt and Gene Leonard paced the Mattson Mustangs to a 46 to 20 victory over Benjamin in a District 3 6-man contest at Benjamin last Thursday night.

The victory gave Mattson fifth place in the district and dropped Benjamin into a tie for sixth with O'Brien.

Holt scored three touchdowns and passed for a fourth while Leonard passed for two TD's and tallied one.

Holt ran for 40 and 50-yard tallies and caught a 65-yard scoring toss from Leonard, and passed 30 yards to Burlie Peiser for a fourth TD.

Leonard ran nine yards for a touchdown and passed to Peiser for 20 yards and another. Two safeties helped swell the Mattson total and Tommy Walker kicked three conversions.

Jim Cox ran 70 yards for one Benjamin touchdown and plunged two yards for a second and ran one conversion. Ronald Griffith tallied the other Benjamin touchdown on a 15-yard run.

Mr. and Mrs. W. B. Neill attended a funeral of their cousin in Abilene last Sunday.

Texas Housewife To Receive Sixth Car For Her Life

DETROIT — Christmas will come early this year for a Fort Worth housewife, as well as six residents of Ohio, Indiana and Illinois.

Mrs. John Anderson (3508 Sixth Ave.) won one of the seven national prizes in the "Dodge For Life" contest five years ago; she will be presented a Dodge Dart nine-passenger station wagon in special ceremonies at Ryan Motors, Fort Worth Dodge dealership. The vehicle fully equipped, will be the sixth she has received. Each year, as long as she lives, she will receive similar new Dodge cars.

At the same time, the other winners of the contest will be presented new station wagons at dealerships near their homes.

Drive carefully. The life you save may be your own.

CARD OF THANKS

We wish to express our appreciation for the wonderful words of sympathy and other kindnesses extended us during our recent sorrow. For the food brought in and served, the beautiful floral offerings and to Brother Young for the wonderful message he brought, we are deeply grateful. May God bless you.

The Family of Mrs. Mary Sharp.

Eagles Mangle Moguls, 50 to 6

Holliday's Eagles jumped off to an early lead last Friday night at Holliday, then poured it on in the fourth period to down the Munday Moguls, 50 to 6, in a District 1A-11 football game. The win left the Eagles tied for second place in the district with Iowa Park, with five wins and one loss.

Doc Myers, Holliday halfback, scored 22 of the Eagles' points. He was easily the game's outstanding performer.

Then late in the first quarter Terrell Taylor, quarterback, passed to Copeland for 19 yards and the Eagles' second score. Myers took a pass from Taylor for two additional points.

Holliday's first touchdown came when Myers passed to Larry Seale, end, for six yards. Dickie Copeland, halfback, ran around right end for two points.

The Eagles added another score early in the second quarter when Taylor dropped back to pass and then decided to run. He went through the middle scoring from 30 yards out. Myers ran over right tackle for the two points.

Munday's lone score came when Jerry Jetton, went over from one yard out. Jetton's run for two points failed.

The wild fourth period got under way when Myers ran 18 yards around left end. Taylor's pass

for two points went awry.

Next Copeland went through left guard from 12 yards out. Taylor's pass to Seale was good for two.

Mr. and Mrs. Oliver Shook and children of Chattanooga, Tenn., visited with Mr. and Mrs. Buster Ford and Helen last Monday and Tuesday.

Knox Prairie Philosopher Believes That Wave Of Honesty May Dry Up 90 Per Cent Of The Political Speeches

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek seems slightly serious this week, but you never can tell.

Dear Editor:
As I understand it, a wave of honesty is sweeping the television industry, for reasons everybody knows, and the thing may get out of hand.

For example, some people are demanding that politicians write their own speeches, and while it would be interesting to see what some of them would say, it'd be interesting only once. The second time up, nobody'd listen. Ninety per cent of the speeches would be eliminated.

Going even further, some people are demanding that television comedians write their own jokes. It's hard to see how some of their jokes could get any worse, but left on their own, they probably could swing it. This might be good for honesty, but it'd be hard on entertainment.

Honesty is a fine commodity, but you've got to understand the use of it if you intend to hold

your audience, your neighbors your friends, your wife, etc.

On the other hand, if every politician was required to write his own speeches, the speeches might not be as good, but they'd be scarcer. This thing needs exploring further.

At the same time, the world needs a little more self-reliance. It always has embraced me a little to see some big-shot arrive from an important trip to a foreign conference and step out of his airplane and, before a vast television audience of millions, pull out a sheet of paper, put on his glasses, and read! "I'm awfully glad to be back home. Thank you very much." When a man can't trust himself to say he's glad to be back, without a script, he ain't inspiring much trust generally.

There aren't enough leaders in the world who know what they think until they've had a staff conference to tell them. The symbol of leadership, where it used to be the mighty oak, now seems to be the common hedge, rows and of it, neatly trimmed and watered.

I don't know the solution to this problem. Don't be looking at me. My banker yesterday asked me how I was doing this year and I cleared my throat and said I didn't know yet. Maybe a scrawny hedge anybody can see through is better than no landscaping at all.

Yours faithfully,
J. A.

Distinguished Service Award Presented Sen. George Moffett By Farm Bureau

SAN ANTONIO — State Senator George (Cotton) Moffett of Chillicothe received the Texas Farm Bureau's Distinguished Service Award for outstanding service to agriculture last Tuesday.

Sen. Moffett, chairman of the Texas Senate's Agriculture and Livestock Committee, was honored for his many accomplishments on behalf of agriculture during his almost three decades of service in the Texas Legislature. The veteran lawmaker has been in the state Senate 21 years and before that was a member of the Texas House of Representatives for eight years.

Texas Farm Bureau President J. H. West of Bishop presented the award to Sen. Moffett at a general session of the 26th annual convention of the Texas Farm Bureau.

The Chillicothe Senator has authored or sponsored many of the state's major agricultural laws and has been a consistent friend of the farmer and rancher in the Legislature West said. Moffett has been a leader and a "powerful influence" in obtaining much of the beneficial legislation dealing with animal health, rural roads, insecticides, farm produce transportation and agricultural research and education, the state Farm Bureau president added.

Sen. Moffett is the second person to receive the TFB Distinguished Service Award which was inaugurated in 1958. Former TFB

President, Walter Hammond of Tye received the award last year.

Drive For United Fund Is Under Way

(By Harold Paden)

The community spirit of Munday has been shown once again in the united effort to raise the goal of 6,800 dollars for the United Fund Campaign for 1960. The big "U" out on the City Hall lawn will indicate to the public how well we are doing on it during the month of November. Watch the temperature rise as the contributions come in.

That big "U" will indicate some other things characteristic of Munday. "Community spirit will certainly be manifested. The people here in America are responsible enough and take initiative enough to care for our needy without delegating that responsibility to the federal government. That's democracy! In many socialistic countries the government cares for the needy from taxation, however, it adds graft, politics, insufficiency of administration, and robs the people of personal freedom, enterprise and initiative. Certainly we would not want the effective and adequate benevolent organizations now functioning through volunteer service clubs confiscated by federal control. Let us get behind the United Fund Drive of Munday and put over the budget by accepting our responsibility to the needy.

Show your good old democratic spirit by giving a liberal donation to the various committee leaders collecting for the United Fund. The farmers will be contacted by L. B. Patterson, Oscar Spann, R. C. Partridge, B. E. Smith; the business houses by Howard Horton, Troy McKnight, Gene Haynie and Zane Franklin; the employees by Mrs. Ed Jettson, Mrs. Gerald Reynolds, Bob Brown and Marshall Benner.

Deer And Duck Seasons Are Set To Begin Soon

Two major hunting seasons will get under way in Texas within the next ten days, according to the executive secretary of the Game and Fish Commission.

The duck hunting season will open noon, November 13. The bag limit will be four ducks daily, but not more than one can be a canvasback or redhead. The duck inventory in Texas at the present time is very good, according to waterfowl biologists, who have been making surveys throughout the State. Many of the ducks are young ones, however, indicating the late hatch in the nesting grounds.

Goose season already is underway, having opened at sunrise, October 26. The duck season will end January 1, and the goose season will end January 8.

Waterfowl hunters are required to have a \$3 Federal duck stamp, which can be bought at the Post Office.

The white-tailed deer season will open in most counties in Texas November 16. The mule deer season will open December 1 west of the Pecos. There will be deer seasons in many other counties in Texas under regulatory control. It is advised that you check with your local game warden on these areas.

The basic bag limit is on two bucks. However, doe shooting will be permitted in a number of Texas counties again this year, which will permit hunters to take either bucks or doe.

Mr. and Mrs. Roy Ford and Pam of Fort Worth were week end visitors in the home of Mr. and Mrs. Buster Ford and Helen.

Mrs. Herbert Jungman and Shirley of Rogers visited in the home of Mr. and Mrs. W. A. Jungman last week.

Mr. and Mrs. H. F. Jungman and Mr. and Mrs. W. C. Hertel were visitors in Dallas and Corpus Christi several days during the week end.
