Odd Bits Salvaged
By The Editor

Lots of football is being played this week!

k-k
The Moguls are playing their hearts out in practice periods in preparation for their most important game of the season against Chillicothe on Friday night.

k-k
In fact, one fan went out to watch their workouts Monday afternoon and remarked that the Moguls were so in dead earnest and playing so rough, with leather popping at every contact, that he couldn't take it. So he came back to town to more peaceful surroundings.

k-k
Fans are playing next Friday night's game every day this week—on the street corners, at counters of the drug store soda fountains and most anywhere two fans happen to meet.

k-k
Fact is, too, that they're playing games as far back as 1941, when Chillicothe beat the Moguls for district championship—and as far back as 1946, when the Moguls won their last district championship.

k-k
They're reviewing the fact that the Eagles of Chillicothe have to win Friday night to gain the district honors, while the Moguls can win the district with a tie!

k-k
The prediction is that 11-A's showdown match here on Friday night is strictly a toss-up, but Munday has the satisfaction of playing on its home field.

k-k
"Besides, we have a one-point margin," we told a fan Tuesday. "We defeated the Archer City team by a score of 32 to 6, while Chillicothe only beat them earlier in the season by a 31 to 6 score!"

k-k
"Yeah," he replied, "but Chillicothe beat them by every point they could, and I believe the Moguls could have made at least two extra touchdowns if they'd wanted to!"

k-k
"There's little to choose between the Moguls and Chillicothe," said Coach Grady Graves of Archer City after the game Friday night. But we reckon we'll choose the Moguls!

k-k
The Moguls have a 7 win and one loss for the season's record and 5-0 in district play, while the Eagles have only a tie to mar their otherwise perfect record. "But Chillicothe hadn't played a good team until that tie with Crowell," a fan reminded the group.

k-k
We choose the Moguls because they're our boys, and because we believe they've got what it takes. We realize, and they do, too, that this is a "do or die" situation next Friday night, and we hope they don't bat each other around so furiously this week that one of our players gets hurt before game time.

k-k
Reckon we'll be seeing you at the game—barring an attack of pneumonia—or something.

k-k
"Stand up and be counted" is the slogan gubernatorial candidate Jack Carswell give in a T. V. speech for his Constitution Party.

k-k
We don't know how closely his party adhered to this slogan, but it appears that Democrats of Texas did a pretty good job of standing up and being counted on Tuesday.

k-k
Although our state is making inroads toward a two party system, we thought we had it figured pretty well that the Democrats would win in Texas this time. Those races elsewhere in the nation couldn't hold enough interest for an old boy who was pretty well pooped. We went to bed with plans of listening further on election returns, but pretty soon the old Sandman had us in his grasp.

RHINELAND RANGERETTES STOMP PEACOCK PEAFOWLS

The Rhineland Rangerettes stomped the Peacock Peafowls Tuesday night, November 6, with a score of 65 to 40. The game was played at Peacock.

Janice Kuehler was high scorer for the Rangerettes with 32 and Ida Moorhead was high for the Peafowls with 13.

The Rangerettes next game will be with the Rule Bobcats on November 15 and the game will be held at Rhineland.

Mrs. Cerveny, 60 Dies At Seymour Hospital Monday

Mrs. Frank Cerveny, 60, a resident of the Rhineland community for over 50 years, passed away at 1 a.m. Monday in the Baylor County Hospital in Seymour following a long illness.

A native of Czechoslovakia, she was born Beatrice Michalik, daughter of the late Mr. and Mrs. John Michalik, on March 30, 1902. The family moved to Knox County in 1911 and settled in the Rhineland community.

She was married to Frank J. Cerveny on September 22, 1921, and they lived on their farm about three miles northeast of Rhineland during most of their married life.

Funeral services were held at 9 a.m. Wednesday from St. Joseph's Catholic Church in Rhineland with Father Bonaventura, O. S. B., substitute pastor, officiating. Burial was in St. Joseph's Cemetery under the direction of McCauley Funeral Home.

Serving as pallbearers were Alvin Michalik, Vernal and Marvin Zeissel, Lambert Holub, John Ed Wilde and Raymond Tselck.

Surviving are her husband, Frank J. Cerveny; a daughter, Mrs. J. C. Baly of Rhineland; a brother, Rudolph Michalik of Seymour; seven sisters, Mrs. Louise Hull, Mrs. Lillie Hipps and Mrs. Alice Schumacher, all of Wichita Falls; Mrs. Arln Smajstrla of Seymour, Mrs. Sophie Albus, Alko, Nev., Mrs. Mary Zeissel and Mrs. Wilma Homer, both of Rhineland, and two grandchildren.

Democrats Win In Knox County

Democratic nominees won by heavy votes in Knox County in the general election last Tuesday, as some 1,457 voters went to the polls.

Democrat John Connally received 996 votes to Jack Cox's 375 for governor, in complete, unofficial tabulation.

In area races, Demo incumbent Graham B. Purcell of Wichita County got 1,140 votes to 312 for Joe Meissner, in the 13th Congressional District race.

Voters here gave George Mofet of Hardeman County 1,168 votes to 188 for Ginny Moffitt of Wichita County in the District 23 senate race.

Statewide races and vote totals cast are:
Lieutenant governor — Smith, 1,175; Hayes, 282. Attorney general — Carr, 1,125; Kennerly, 227. Congressman — at large — Pool, 1,177; Barry, 271. Railroad commissioner — Ramsey, 1,243; Hanson, 200. Comptroller — Calvert, 1,151; Smith, 181. Land commissioner — Sadler, 1,247; Fay, 199. Agriculture commissioner — White, 1,225; Hubbard, 216.

Knox County approved 2 of the 14 constitutional amendments submitted. The votes on amendments were:

1. Workman's compensation for public employes, 341 for; 539 against.
2. Aid for needy, 555 for; 379 against.
3. Water storage, 379 for; 499 against.
4. Legislature create hospital districts, 273 for; 574 against.
5. Emergency succession, 454 for; 442 against.
6. Disability payments, 410 for; 478 against.
7. Official consultants, 333 for; 551 against.
8. Veterans' land re-sale, 403 for; 492 against.

Opening Set For Friday And Saturday New M System Super Market's Formal

The brand new M System Super Market, which held its open house last Friday and Saturday in their new building at the corner of Munday Ave. and G. Street, will hold its formal opening on Friday and Saturday of this week, it was announced Monday.

The new store, which has 7,200 square feet of floor space, is owned by John M. Edwards of Seymour, and Robert Nix has served as manager of the store since it was first opened in Munday.

A feature of the new building are the new "Stanley magic doors," which seem to say "Come in" as they open automatically for you. Inside, you will find a completely new store, well lighted, and with spacious aisles in which you may shop leisurely and in comfort.

Each counter in the store has a lighted counter guide, with store directory cards on each that make shopping easier.

Large refrigerated cases on the south, west and north walls holds complete displays of fruits and vegetables, frozen foods, etc., and they seem to "lift" the merchandise right up for your easy selection.

The completely air conditioned shopping area gives you complete shopping comfort, regardless of weather conditions, and recorded music is played throughout the store from speakers built into the ceiling.

"We were well pleased with the reception given our new store last week end," both Mr. Edwards and Mr. Nix said, "and we cordially invite everyone to our formal opening."

Over 2,000 free prizes will be given away during the formal opening.

"Visit us during our formal opening Friday and Saturday," they said, "and see our display of complete super market items in a new store that was designed for you, our customers."

JOHN CONNALLY
New governor of Texas, as approved by Knox voters.

Goree And Woodson To Play Thursday

It was announced Tuesday that the Goree and Woodson football game, scheduled for Friday night, has been set up to 7:30 p.m. Thursday. This change has been made so fans of this area may enjoy the game at Goree, then see the Munday-Chillicothe game on Friday night.

The Goree Quarterback Club will be serving a chili supper prior to Thursday night's game. Home made chili and pies will be served from 5 to 7 p.m., and everyone is invited to come out and enjoy the supper.

Proceeds will be used to pay for new football uniforms which were purchased to replace those destroyed in the recent laundry fire at Goree.

Moguls Trounce Archer City 32 to 6 Friday Night, Still Tops In District

Pete Alcalá, Douglas McGrady and Jackie Booe proved their worth to the Munday Moguls last Friday night by leading their team to a 32 to 6 victory over Archer City on the Wildcat field and to keep top position in the District 11-A standing.

Alcalá accounted for all the Mogul touchdowns except one, which was scored by McGrady. Jackie Booe was the stalwart on defense, as he recovered two Wildcat fumbles and accounted for half the tackles.

Archer City's score came late in the first quarter when Barney Oliver raced four yards for a tally to tie things up 6-6 and Lannie Yeager missed the go-ahead extra point kick.

Alcalá scored the first Mogul TD early in the first quarter, racing 13 yards untouched to cap a 22-yard drive. Booe recovered a fumble to set up the scoring situation. Alcalá was stopped short on the PAT try by Roddy Oliver.

Munday took possession following the kickoff on its own 45 ft.

er the Wildcats tried an on-side kick. After one first down and on a third down effort Alcalá broke through right guard and raced past defenders for a 25-yard touchdown. McGrady passed to wingback Bruce Pruitt for the two extra points.

Archer City drove once, before the half to Munday's 25 before being halted.

The Moguls quickly added another tally in the third quarter after Ricky Couch intercepted a Barry Morrison pass on their own 46. It took Alcalá only three tries before he broke loose over left tackle and sped past the defenders for 20 yards and paydirt. McGrady was stopped short on the points-after try by Mike Stewart and B. Oliver.

Booe set up the next Mogul TD by recovering another Wildcat fumble on the 50-yard line. Alcalá and fullback Louis Flores drove the ball to the two-yard line and from there McGrady crashed

H. R. (Bob) Hicks, Farmer Of Area Dies On Wednesday To Speak Here

H. R. (Bob) Hicks, well known area farmer, passed away at 1:30 a.m. Wednesday in the Knox County Hospital. He had been in failing health for a number of years and seriously ill for several weeks. He was taken to the hospital on Monday.

Had Robert Hicks was born March 31, 1905, at Sipe Springs and married Julia Mae Moore on September 1, 1928.

He came here in 1939 and was engaged in farming southwest of Munday since that time. He was one of the successful farmers of this area, and a member of the Methodist Church.

Surviving him are his wife, Mrs. Julia Mae Hicks, and several uncles and aunts.

Funeral services were scheduled for 3:30 p.m. Thursday from the First Methodist Church in Munday with the pastor, Rev. Rex L. Mauldin, officiating. He will be assisted by Rev. Luther Kirk of Amarillo. Burial will be in Johnson Memorial Cemetery under the direction of McCauley Funeral Home.

Serving as pallbearers will be Joe Bailey King, J. C. Harpham, Wendell Partridge, W. R. Moore, Sr., Elwood Hackney and Levi Bowden.

Gets Promotion

Announcement was made this week by West Texas Utilities Company that Russell Crownover, above, assistant district manager for the Company in Abilene, will succeed K. K. Francis as district manager in Stamford. The change will become effective January 1 when Mr. Francis will retire from active service with WTU.

A. D. Green, Jr., WTU local manager in Stamford since 1959, will be transferred to Abilene where he will serve as Local Manager. The changes in personnel were announced by President, C. L. Young of Abilene.

The Crownovers are former residents of Stamford and are well known in this area. He served as a WTU district storekeeper in Stamford from 1937 until 1942 when he volunteered for service in the U. S. Air Force. He returned to Stamford in 1946 and served as a relief Local Manager until his transfer to Abilene in July, 1956, as the Company's chief pilot. He has been serving as an Assistant District Manager since 1960.

Born in Abilene, Crownover attended the Abilene Public Schools and was graduated from high school in 1930. He began his 25-year career with WTU in 1937 when he was employed as an assistant storekeeper in Abilene. A short time later, he moved to Stamford to assume his new duties as district storekeeper.

Munday Girl, Gilliland Boy Receive Gold Star Awards At 4-H Banquet Mon.

4-H members, their parents and honored guests, held their annual 4-H achievement awards banquet last Monday night at Rhineland. Serving as master and mistress of ceremonies were Marion Kuehler and Dorothy Edgington of Rhineland, chairmen of the 4-H council.

Receiving the highest 4-H award, the Gold Star Award, were Jeanette Brazell of Munday and Charles Murray of Gilliland.

Jeanette, 14, is the daughter of Mrs. Mayme Brazell of Munday. She has completed five years of 4-H Club work and has carried demonstrations in food preparation and preservation, clothing, gardening and junior leadership.

This year, she has done outstanding work in clothing, dairy foods and leadership. She and her partner won a trip to the

State 4-H Roundup with their dairy foods demonstration, and she placed second in the county 4-H dress revue. In junior leadership, she was selected to attend the district 4-H camp, then served the county rally day as chairman. She rendered valuable service in the planning and preparation for the 4-H rally, and served as one of the instructors in a work group.

In previous years, Jeanette has won awards in food preparation and preservation, clothing, and home economics, and has also proved herself a good citizen in the community. In junior high school, she was a majorette and has taken an active part in church work. Last summer, she worked 50 hours in the Knox County Hospital in the volunteer program.

Charles Murray, 15, son of Mr. and Mrs. R. G. Murray of Gilliland, has been a 4-H member for five years. He has carried a total of 20 projects, including poultry, dairy cattle, swine and gardening. He has attended 4-H Roundup at College Station the past two years, giving demonstrations in dairy and soil and water conservation.

He has served as local club reporter two years and president one year. Charles has won five medals and 17 ribbons in his 4-H work.

Charles and Jeanette, their parents and county agents, will attend the district Gold Star luncheon at Abilene on Tuesday, November 13. They will be televised over KRBC at 12 noon.

To Speak Here

Using the topic: "Knowledge Through Learning," Richard C. Kim, above, assistant professor of political science at Hardin-Simmons University, will be featured speaker at a meeting of the Parent-Teachers Association at 7:30 p.m. Thursday, November 15. The meeting will be at the Munday school lunch room.

A native of Hawaii, Kim has been a member of the H-SU faculty since the fall of 1961. Born on the island of Maui, to which his parents had moved from Korea about the turn of the century, Kim graduated from Waldwin High School, Wailuku, in 1941 and entered the U. S. Army to serve as interpreter in Japanese and as language instructor during World War II. He will receive his Ph. D. degree from the University of Oklahoma next May.

His address will be very informative and inspirational, and everyone is invited to hear him.

Livestock Survey Cards For County To Be Distributed

Rural mail carriers from the post offices at Munday and Goree will leave some livestock survey cards along their routes beginning November 16. Information reported on these cards are used to set the yearly inventory of livestock and poultry on Texas farms.

Rural carriers distributed the cards at random in boxes along their routes. This means that not every box will get a card. For this reason, it is important for everyone who gets a card to return it filled out, so the U. S. D. A. can get a true sample of the state's livestock holdings.

Carriers assisting with the survey are: W. A. Speice, route one, and R. G. Guess, route two, Munday, and W. Parnell Skelton, route one Goree.

Facts and figures secured in this survey are the basis for the Texas and national pig crop report and inventories of livestock and poultry on farms as of the first of the year.

Mrs. Clydie Branch Former Resident Passes In Dallas

Mrs. Mrs. Clydie Branch, well known former resident of Munday, passed away in a Dallas hospital last Saturday afternoon, several hours after suffering a heart attack. She was the mother of Jimmy Branch, former publisher of the Knox County Herald, who died of a heart attack some three weeks ago.

She and her husband, the late Emmett Branch, lived in Munday for a number of years. Mrs. Branch moved to Dallas after the death of her husband.

Surviving are a daughter, Mrs. E. F. (Tug) Nesbitt of Dallas, a sister and two grandchildren.

Following funeral services in Dallas at 2 p.m. Monday, the body was brought to Munday and a second funeral service was held from the Church of Christ in Munday at 2 p.m. Tuesday with the Dallas minister officiating. Burial was in Johnson Memorial Cemetery.

Rains Delay Cotton Harvest

Heavy general rains last week end almost stopped receipts after Monday and only 4,239 samples were classed at the U.S.D.A. Cotton Classing Office in Munday, according to A. D. Peebles in charge.

Grades ran about the same as last week with 19 percent Middling Light Spot, 47 percent Strict Low Middling Light Spot, 9 percent Low Middling Light Spot, 9 percent Middling Spot, and 18 percent Strict Low Middling Spot.

Staple percentages ran 29/32, 10; 15/16, 46; 31/32, 29; 1 inch and longer, 12.

Market activity was still slow with Middling Light Spot 15/16, averaging 30.52; Middling Light Spot 31/32, 30.93; Strict Low Middling Light Spot 15/16, 29.45; Strict Low Middling Light Spot 31/32, 29.88; Strict Low Middling Spot 15/16, 28.07.

NEPHEW OF LOCAL RESIDENT PASSES

Wade Wardlaw, 5, son of Mr. and Mrs. Stanley Wardlaw of Phoenix, Ariz., and grandson of Mr. and Mrs. Bert Wardlaw, also of Phoenix and former residents of Munday, passed away Monday night, October 29, following an incurable illness since birth. Funeral services were held Friday in Phoenix.

Mrs. Maude Merrill was able to be brought home from the Knox County Hospital last Friday and is recuperating nicely at the home of Mr. and Mrs. O. O. Putnam.

EDUCATION OR CATASTROPHE?

We naturally think of the jet age of international air travel in its most obvious manifestations—standards of speed, comfort and reliability which make it possible for us to go almost anywhere in the world in a matter of hours.

But there is more, much more, to it than just this. And the possible for us to go almost anywhere in the world in a matter of hours.

But there is more, much more, to it than just this. And the possible significance has been admirably summarized by President Juan T. Trippe of Pan American World Air ways. Mr. Trippe is one of the great pioneers of commercial air transportation, who has worked steadfastly, often in the face of powerful opposition, to improve the service and reduce the costs.

In his words: "Mass travel by air many prove to be more significant to world destiny than the atom bomb. For there can be no atom bomb potentially more powerful than the air tourist, charged with curiosity, enthusiasm and goodwill, who can roam the four corners of the world, meeting in friendship and understanding of people of other nations and races."

"The tourist plane and the bomber for years have been racing each other toward a photo finish. In my opinion, however, the tourist plane, if allowed to move forward unshackled by political boundaries and economic restrictions, will win this 'race between education and catastrophe'."

Perhaps, on some happy future day, there will be no more bombers and other weapons in the sky—and their places will be taken by the peaceful tourist planes. This, certainly, is one of the hopes for our menaced civilization.

SCHOOL BOY LOGIC

There is too much talk today about the profits of business being excessive. The critics of profits never mention the fact that government would be flat-busted with its excessive cost of operation, if it were not for profits to tax. The federal government runs billions in the red now. We can create a real reflection if the anti-business talk keeps up and is reflected in action. Then watch the public debt climb and the value of the dollar drop.

It is generally conceded that a bank must have a healthy earning capacity. If it were to lend money at no interest it would be bankrupt. Industry is no different than a bank; if it produces goods and services at no profit or too little profit, it will go bankrupt.

Government has no income except what it first takes from its citizens in taxes. Its solvency depends on the ability of its citizens to produce a surplus (profit) to tax.

The National Grange states that it is vigorously opposing legislation which would tend to compel railroads to continue the operation of non-profitable passenger trains. In its words, "Such operations result in increased freight charges to offset passenger train losses. Higher freight costs add an additional burden on farmers."

This year shopping center developers in the United States and Canada will spend more than \$24 billion on construction and equipment. New buildings, including additions to existing centers, will total 193 million square feet. On top of that, real estate purchases by the developers will total 18,000 acres and cost about \$200 million.

Why Have Unity?

"Behold, how good and how pleasant it is for brethren to dwell together in unity" (Ps. 133:1).

The scripture tells us that unity is a very good thing and that which is pleasant—this should be true of the brotherhood of man and especially of the family of God. On the other hand, division is very bad, being unpleasant in so many ways, and God hates division. (Prov. 6:16-19).

The question is asked, "Why is unity so important?" Let us turn to the Bible for our answer. Let us consider a prayer that the Lord prayed while in the shadow of the cross. "Sanctify them through thy truth: thy word is truth. As thou hast sent me into the world, even so have I also sent them into the world. And for their sakes I sanctify myself, that they all may be sanctified through the truth. Neither pray I for these alone, but for them also which shall believe on me through thy word; that they all may be one, as thou, Father, art in me, and I in thee, that they also may be one in us; that the world may believe that thou hast sent me, and the glory which thou givest me I have given them, that they may be one, even as we are one: I in them, and thou in me, that they may be made perfect in one, and that the world may know that thou hast sent me, and hast loved them, as thou hast loved me" (Jno. 17:17-23). Let us note a few things from this prayer. 1. Christ prayed for the apostles. 2. He prayed for those who would believe on him through the words which the apostles were to preach. 3. Christ prayed that all believers might be one as he and the Father were one. 4. He prayed that they might all be one in him. 5. Christ prayed that this should be true in order that the world might believe that God had sent him. 6. He prayed that all might be made perfect in one.

Hence, the prayer of John 17, should convince us that the Lord's plan was that unity should exist among his people. This unity can be had only by every person following the word of Christ. "Christ is not divided." (1 Cor. 1:13).

Miss Vining And Jack Proffitt Are Married Saturday

The First Baptist Church in Royse City was the scene of the 8 p.m. Saturday wedding of Miss Ann Vining and Jack Proffitt.

Parents of the couple are Mr. and Mrs. George W. Vining of Royse City and Mr. and Mrs. Jim Proffitt of Munday.

Honor attendants were Miss Barbara Gilbert and Roy George Rhodes. Others in the wedding party were Misses Shirley Gibbs and Margie Vining, the bride's sister, both of Royse City, J. T. Barnett of Garland, Bill Fuller of Arlington, Charles Rhodes,

Larry Rhodes, Lori Murry, Lee Fikes and Lynn Fikes all of Royse City.

Reading the vows was Rev. Carroll T. Cole of Kountze.

The bride wore a gown of silk taffeta and alecon lace. A basque bodice topped a bouffant skirt that ended in a chapel train. She wore a tiara of seed pearls atop her veil and carried white orchids and carnations.

Following a trip to Corpus Christi, the couple will make their home in Garland.

Mr. and Mrs. J. R. Burnison returned home last week from a visit with their daughter and family, Mr. and Mrs. Jack Anderson and daughters, in Clovis, N. M.

Miss Jeanene Lowrance And William Albert Redder Are Married Saturday

MRS. WILLIAM ALBERT REDDER

Jeanene Lowrance, granddaughter of Mrs. Alice Lowrance of Munday, and William Albert Redder, son of Mrs. Angela Redder, were married in the St. Joseph's Catholic Church, Saturday at 4 p.m. with the Rev. Anthony Schroeder, pastor, officiating.

Mrs. Leo Fetsch, organist, and the St. Joseph's Choir provided wedding selections.

The bride was given in marriage by her uncle, Homer Lowrance. She was gowned in a floor-length dress of white satin and chantilly lace designed and made by her grandmother. Seed pearls outlined the V neckline.

Her veil of illusion was held by a tiara of seed pearls and she carried a white orchid encircled with white carnations atop a white Prayer Book.

Freida Lowrance of Wichita Falls was maid of honor. She wore a dress of lilac cotton satin, with rounded neckline, three-quarter length sleeves and a full skirt. Her headdress was of purple satin and net and she carried a lilac mum.

Peggy Turnbow of Weinert, bridesmaid, was gowned identically to the maid of honor.

Edward Redder served his brother as best man. Ushers and groomsmen were Doyle Lowrance, Louis Redder, and Albert Schumacker.

The bride graduated from the Munday High School and attended Glenn and Lott's School of Beauty in Abilene. Redder attended Rhineland High School and served two years in the United States Army.

A reception was held in the bride's home in Munday. Assisting at the reception were Miss Raye Holcomb, Mrs. Doyle Lowrance and Brenda Lowrance. Mrs. Danny Byers presided at the registry.

After a wedding trip to points in West Texas, the couple will be at home in the Rhineland community where the bridegroom is engaged in farming.

Out of town guests here for the wedding included Mr. and Mrs. W. F. Prater of Haskell, Mr. and Mrs. Leo B. Prater and family of Eldorado, Mrs. Dallas Gray of New Braunfels, J. F. Lowrance and family of Goree, Mr. and Mrs. Sammy Byers and Freida Lowrance of Wichita Falls, Mr. and Mrs. E. H. Lowrance and family and Mr. and Mrs. T. V. Lowrance and Bobby of Pampa, Mr. and Mrs. G. D. Lowrance and family of Chillicothe, Mr. and Mrs. Homer K. Lowrance and Mechel of Bellevue, Mrs. L. N. Douglas and Mr. and Mrs. Claud Story and family in Abilene.

Mr. and Mrs. Curtis Gollehon, Tommy and Allen, of Brownwood visited their parents, Mr. and Mrs. B. O. Norvill and Mr. and Mrs. J. C. Gollehon, over the week end.

Mr. and Mrs. M. B. Norvill and children of Seymour were Sunday guests of his parents, Mr. and Mrs. B. O. Norvill.

Mrs. Omer Cure visited Mrs. Skip Cure and sons in Ft. Worth several days this week while Skip is in Lawton, Okla., where he has been transferred, looking for living facilities.

Activities of The Colored People

By Fannie Mae Johnson

Sunday School was well attended at all churches.

Sunday was a high day at West Beulah Church. The deacon's reunion was held at West Beulah Sunday evening at 3 o'clock. It was seven preachers present. Rev. Johnson of Haskell bring the message. He made our hearts rejoice as he expound the word of God. The singing and music was grand. Money raise was \$67.25.

Mr. and Mrs. Edward Bradley visit her sisters Sunday in Wichita Falls, Misses Patsy and Valarie Tolver.

Mrs. Ida Mae and Mrs. Mary Alice Wilson of Wichita Falls visit here Sunday. Mr. Malorie Wilson enjoyed his granddaughters.

The young people are really taking a stand in the Sunday School and we are very proud. We know they are the girls and boys of today and the men and women of tomorrow. We take our hats off to them that they may go forward.

Mr. M. C. Murry of Dallas is here visiting his father, Mr. Milton Murry.

Mrs. Henry D. Kennard, Miss Betty Carter and Ruby Kennard and Charles were in Wichita Falls shopping Monday.

Beta Chi Chapter Meets On Saturday

The Beta Chi Chapter of the Delta Kappa Gamma Society met in the Texas Cafe in Haskell on Saturday, Nov. 3 at 2:30 in the afternoon. Thirty-five members were present from Haskell, Knox and Stonewall Counties. Mrs. Maxine Klump of Old Glory is the president of the chapter.

A memorial service honoring the late Mrs. Ada Fitzgerald Rike was conducted. Mrs. Mary Martin had charge of the service. She was assisted by Mrs. Faye Woodson, Mrs. Louise Greene and Mrs. Aura Lee Thornton. Friends of Mrs. Rike were special guests for the service. Mrs. Rike, an honorary member and a long-time resident of Haskell, passed away last summer.

The program for the November meeting of the Chapter was on "New Frontiers for Women." Director was Mrs. Vera Bell. Mrs. Opal Nanny spoke on Art, Mrs. Margie Lott on Music and Mrs. Jean Shwadelen on Politics.

A short business meeting followed the program. Names were drawn for the Christmas party presents. Mrs. Louise Greene reported for the finance committee. The meeting ended after group singing of some of the more unfamiliar Delta Kappa Gamma songs. Haskell members, acting as hostesses, served pumpkin pie and coffee.

To Retire

K. K. Francis, above, who has served as WTU's District Manager in Stamford for the past 25 years, will round out more than four decades of service with his retirement in December.

His long career in the utilities industry began in 1917 when he was employed as a cashier and meter reader for the Grand River Gas Company in Vian, Oklahoma. This company later became a part of the Commonwealth Pub-

lic Service Company, and he served as a material clerk for the Company's line construction program in Oklahoma and Arkansas. His career was interrupted by World War I when he volunteered for service with the U. S. Army Engineers.

He returned to work for Commonwealth following the close of the war and was sent to DeQueen, Arkansas as a material clerk on the construction of an ice plant.

In December, 1920, Francis resigned his job with Commonwealth to accept a job with West Texas Utilities Company in Abilene. He served as an assistant to the Chief Clerk, and six months later, joined a transmission crew as a material clerk on the construction of a line from Abilene to Cisco.

From 1921 until 1924, Francis served as a WTU Local Manager in Baird, Hamlin and Stamford. In 1924, he returned to Abilene where he served as Assistant District Superintendent until he assumed his duties as District Manager in Stamford in 1937.

This veteran WTU'er was born in Morrilton, Arkansas in 1897, and spent his early life at Vian, Oklahoma where his father, the late G. L. Francis, Sr., worked as an accountant. He attended the public schools and was graduated from Vian High School in 1915. While still a youth, he worked part-time in drug stores and grocery stores, and during the summers of 1915 and 1916, worked in the wheat fields in Oklahoma and Kansas. He attended the University of Oklahoma one year.

Mr. Francis is one of Stamford's most active citizens; is an elder in the Presbyterian Church and has been a Mason since 1919. He is a past director of the Rotary Club and the Stamford Chamber of Commerce, serves on the Zoning Board, the Boy Scouts and has served as a director of the Stamford Cowboy Reunion for many years.

Mrs. Francis is the former Geneva Allen of DeQueen, Arkansas. They were married in 1920

and are the parents of a son, K. K., Jr., and a daughter, Jeannine.

LOCALS

Native **LAMBS** are now being processed in the Center of the Southwest

Here, in the very heart of the Nation's largest sheep-producing area, a famous packer has established a lamb processing plant.

Any new industry contributes to the economy. But a new industry which processes a product of the area is doubly important.

We are convinced that this is a growing trend. It has become an important part of our continuing efforts to inform America's business leaders about our industrial advantages.

It is another reason why we say that we face GROWTH UNLIMITED here, in the Center of the Southwest.

Knox Prairie Philosopher Finds Out The Temperature On The Moon Liable To Make Farming Mighty Hard

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek seems to be a little moon-struck, his letter this week indicates.

Dear editor:
I don't like to stand in the way of scientific progress, I don't care how much progress the world makes so long as it goes around me, but I read in an article last night that the best brains are predicting that we'll put a man on the moon by the end of the 1960's, and there are a lot of people who can't wait. I can.

I suppose there are people who are itching to be able to say, "By the way, I spent last week end on the moon," but it's sort of like the people who brag about eating breakfast in New York and having lunch in London. That's going a long way to get something to eat that's no better than what you could have had at home. You can't make me believe any lunch on earth is worth flying 3,000 miles over the ocean to get to. I always have a meal at noon on this Johnson grass farm, and sometimes between breakfast and if I don't travel over a

J. A.

hundred steps. I could never see any point in going after something which, if you sat still, would come to you anyway.

Furthermore, I've been reading some things about the moon which make me less and less enthusiastic about it. For example, one article I read said the temperature up there varies from 214 degrees below zero to 250 above. That sure seems like going a long way to burn up in the daytime and freeze at night. It doesn't seem like a place I'd be interested in trying to farm. Furthermore, I'll bet the television reception up there is terrible.

What I'm saying is, certainly man ought to try to explore the moon, if his tax money holds out. But just don't expect too much to come of it. The race to the moon may be like next week's football game—awfully exciting at this stage but not very important after it's over. Now if the coach would just take my advice, we could win that game . . .
Yours faithfully,
J. A.

'68 Chevrolet Trucks

THEY'VE ALWAYS BEEN TOUGH BUT NEVER STRONGER THAN NOW!

You can be sure that new engines, frames, suspensions that licked Mexico's Baja* Run will work for you long, faithfully and at traditionally low Chevrolet cost.

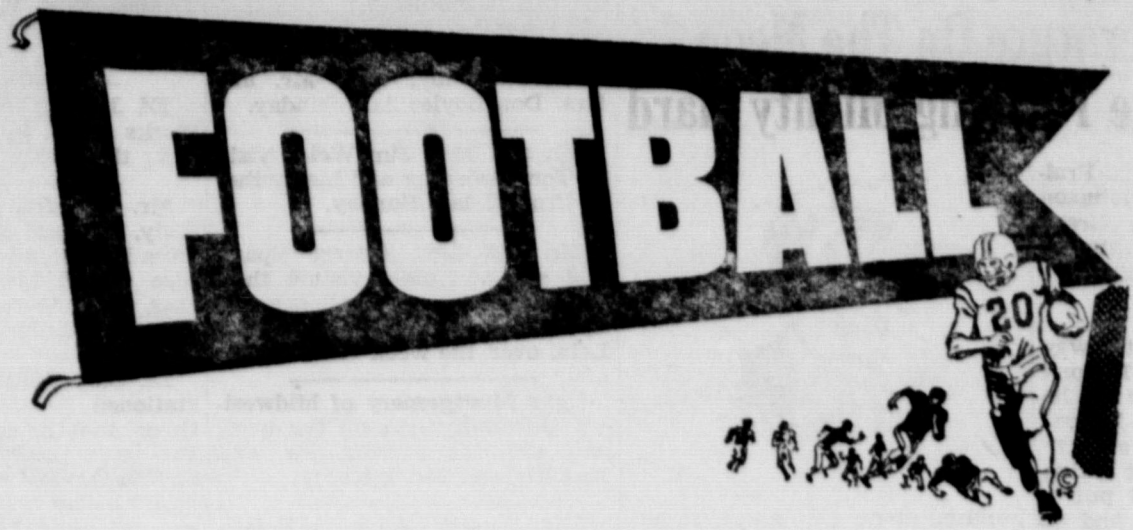

A Chevrolet truck has always been a sound investment because of its quality construction. This is what makes it give you an honest day's work every day at very low cost and—when you are finished with it—return more resale money to your happy pocket.

This year stronger frames, engines that can pull more, and practically tailor-made suspension systems make Chevrolet trucks a better buy than ever. If you're in the market now, we'd welcome the chance to tell you about, and let you drive, the new trucks. Just give us a call.

1963 Feed Grain Program Outlined

Feed grain producers in Texas, Knox County, will be notified this fall about general provisions of the 1963 feed grain program, according to T. W. Russell, Chairman, Agricultural Stabilization and Conservation Committee. Unlike the 1962 program, only one sign-up will be held for the 1963

feed grain program and that will be early next year. Additional information, including the base acreages, yield, and payment rates established for farms, will be mailed to growers prior to the sign-up period. Farmers who have already planted their 1963 barley will be able to participate in the program provided they reduce their 1963 feed grain acreage by at least the minimum. The chairman explained that

YOUNG TEXAN FOR NOVEMBER—Russell Stanley Wilkinson, Jr., of Lubbock has been named "Young Texan of the Month" for November by the 8,000 Optimist Club members of Texas and the Troy V. Post Foundation. Wilkinson, an outstanding student and athlete during his high school years, now is enrolled on a four-year basketball scholarship as a freshman student at Texas Technological College in Lubbock. He plans a career in teaching and coaching athletics. As a result of his selection as "Young Texan of the Month," Wilkinson will receive the state's highest youth recognition award—The Troy V. Post Award. Wilkinson was chosen for the honor in competition with hundreds of other nominees by a panel of state leaders headed by Governor Price Daniel.

Knox Prairie Philosopher Admits He Was Jittery About Bomb Scare For A Somewhat Peculiar Reason

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek must have been affected about like everybody else by the international situation, his letter this week indicates.

J. A.

Dear editor: Despite the fact I've tried my best to keep the international leaders informed that this Johnson grass farm out here is the most un-bombworthy spot on the face of the earth, that nobody in his right mind would waste a bomb on it, I'll admit I was a little on the jittery side when those Russian ships were sailing toward those American ships off of Cuba two weeks ago. Well, not jittery enough to make a run for any place, I don't have any place to run to, but I was uneasy, and the reason is that the world's not ready yet for an all-out missile war. It's too inexperienced. I mean, its aim ain't good enough. Oh, I know the experts talk about intercontinental ballistic missiles which are in place and zeroed in on this or that big population center, but judging by the number of failures, misfirings, and off-course satellite shots so far, how do I know a giant missile with an atomic warhead aimed at Wichita Falls might not get off two degrees and land on my chimney?

This is typical of the human race. You're required to have a license to drive a car 60 miles an hour, a license to get married, a license to sell real estate, a license to even cut hair or run a beauty shop, but any nitwit can pull the pin loosening a missile going 600 miles a second. I tell you, this is a dangerous situation for a man who has spent years carefully developing a farm that's not worth dropping a cannon ball on. Building a big city, that's one thing, everybody knows that's a bomb target, but when even this Johnson grass farm might get

Oh, I know the experts talk about intercontinental ballistic missiles which are in place and zeroed in on this or that big population center, but judging by the number of failures, misfirings, and off-course satellite shots so far, how do I know a giant missile with an atomic warhead aimed at Wichita Falls might not get off two degrees and land on my chimney?

Mary Janelle Albus Honored At Shower

Miss Mary Janelle Albus, bride-elect of Richie Wayne Smith of Stamford, was honored with a miscellaneous gift shower on Sunday, November 4 in the Columbus Club Hall at Rhineland.

Guests were greeted by Mrs. Robert Hertel and Miss Donna Verhalen and presented to the honoree, her mother, Mrs. C. J. Albus, the bridegroom's mother, Mrs. A. H. Smith, of Hamlin, the bride's grandmother, Mrs. John Albus, Mrs. Richard Roush, the groom's sister and Mrs. P. W. Albus, the brides aunt.

Mrs. Charles Kotulek of Odesa, presided at the guest registry. Refreshments were served by Misses Marilyn Albus, Karen Roush of Wichita Falls and Linda Carol Kuehler of Abilene, from a lace covered table centered with an arrangement of bronze mums. Appointments were in crystal and silver.

Hostesses were relatives and friends of the bride. The couple will be married on November 10th at 4 p.m. in the St. Joseph's Catholic Church in Rhineland.

Mr. and Mrs. Jerry Lemley and daughters of Abilene visited their parents, Mr. and Mrs. Bill Lemley and Mr. and Mrs. O. O. Putnam and Mike, over the week end.

Mr. and Mrs. Ben Yarbrough were visitors in Wichita Falls last Thursday.

the 1963 program will be a voluntary program, under which a farmer may divert an acreage of barley, corn, or grain sorghums to a conservation use and receive a diversion payment and a price support payment; he will also qualify for a price support loan on his crop. Base acreages for each of the three grains for a price support loan on his crop. Base acreages for each of the three grains will be combined into a total grain feed base for the farm, and the farmer may divert from one or more of the feed grains represented in his total base. The minimum diversion will be 20 percent of the farm's total feed grain base, and the maximum will be 50 percent or up to a total of 25 acres, whichever is higher, but not in excess of the total base for the farm.

As under the 1963 wheat stabilization program, a farmer will have to comply with the intentions shown on his agreement; if he does not comply fully with provisions of the program, he will not be eligible for any payments or price support on any of the three feed grains. Also, to be eligible for a diversion payment and price support on one farm, a grower taking part in the 1963 feed grain program must not exceed the total feed grain base acreage on any other farm in which he has an interest.

Advance payments will again be available at the time of sign-up. Final payments will be made after compliance has been determined.

F.H.A. Policies Are Aired At Abilene

The entire personnel of the Seymour office of the Farmers Home Administration attended an area meeting held in Abilene, October 25 and 26.

Wilburn A. Satterwhite, Baylor County supervisor, states that five areas were represented at the meeting, these having headquarters at Weatherford, Seymour, Eastland, San Angelo and Colorado City. Abilene was a central meeting point. The purpose of the meeting was to explain the new policies of the FHA program.

The meeting was attended by the entire personnel of the state office, with headquarters in Temple. These represented various phases of the FHA program, and most of them spoke at the meeting. About 100 representatives attended.

On the program were also representatives of A & M College Extension Service. They discussed such subjects as farm management, dairy management and soil practices. Some of the speakers emphasized the FHA program and stated that the administration program seeks to serve the major needs of the farmers who are in the program. And under

the expansion of the program many of the needs will be served of residents in towns of 2500 or less.

L. J. Cappleman, state director, stated that not a cent of FHA loans had been lost in the rural housing loan department. The director said this department is making a thorough survey of the borrower's assets before making the loans.

A new feature soon to be available is the handling of senior citizens rural housing. From reports made at the meeting it was noted that the Seymour unit consisting of Baylor, Knox and Throckmorton Counties led the State in rural housing loans made this year.

This area also led the state in farm ownership loans made this year. This includes Baylor and surrounding areas. Mr. Oris R. Bruner is area supervisor with headquarters at Seymour.
