Odd Bits Salvaged
By The Editor

Every once in a while, we suppose, most of us look forward to the age of retirement.

This is particularly true with us, especially if we have some hard and trying days and our efforts go without accomplishments or reward. We get to thinking: "When we get old enough for that cherished Social Security, we'll just retire and let them have it."

Lots of people who carry on with their labors and mental ability way past the age of retirement should make us ashamed of ourself. And we were especially reminded of this just one day last week.

Mr. Henry Burge, 70-year-old postal employee who was forced to retire, still wants to be "a more useful citizen." So the Wichita Falls man enrolled in Midwestern University.

Because his high school graduation records were destroyed, he had to take the entrance examinations, which he passed with flying colors. He plans to get a degree in electrical engineering.

So, we suppose, the time to retire is not when you reach retirement age — but when you reach the limit of your ability.

In one of our exchanges last week, we ran across something that a civic club ran as an advertisement. We thought it worth repeating for people of Munday and other small towns to ponder over. Here it is:

NOTICE

AT THE SOUND OF A SIREN from fire fighting equipment, ambulance or police or sheriff's office vehicles, pull to the right as far as possible and STOP.

STAY STOPPED until you are sure ALL emergency vehicles have passed.

Do not follow emergency vehicles.

Do not approach within 600 feet of Danger area.

Pedestrians should stay out of the way.

Drivers should watch their rear view mirrors.

Teach your children to follow these rules, too.

We think that people of Munday are doing better, now. The time was when it seemed everyone went pell-mell to the scene of fire when the alarm sounded, drove over fire hose, and in other ways hampered efforts of the fireboys. It was kinda dangerous to get mixed up in the mad scramble; therefore, we kinda made it our policy to stay out of the way.

If we can't be of assistance, then why be a hindrance? In recent months, we believe more local people have kinda taken up with our policy. Least wise, we haven't heard our firemen fussing about the situation as much as they used to do.

Noticed, too where a Texas legislator — Rep. V. E. "Red" Berry of San Antonio, wants to divide Texas into two states.

A constitutional amendment proposed by the colorful retired gambler would create the "State of South Texas." Berry envisions it as a tax-free paradise in which horse racing, liquor by the drink, and tourist trade would flourish.

We doubt, however, if we folks out here in the big state of West Texas would go for such an amendment. We doubt if his idea of paradise would coincide with those of a lot of right-thinking people!

We punched our first time clock last Thursday!

When we took the papers to the post office, we noticed their time clock there, and remarked to Postmaster Chan that we had never punched one of those things in our life, whereupon he secured one of their time cards, showed us where to place it, and then how to pull the trigger, then gave us the card for a souvenir.

We checked in at exactly 10:42 a.m., and we haven't checked out yet. We just hope we're still on the payroll! With all the overtime we're accumulating, we should soon be well healed.

Mr. and Mrs. Leon Johnson and children and Mr. and Mrs. J. C. Rawlins visited Mr. and Mrs. Albert Johnson in Hamlin last Sunday.

R. E. Foshee, 59, Retired Farmer Dies On Monday

Ronald Earl Foshee, 59, well known retired farmer, passed away about 4:30 a.m. Monday after suffering a heart attack. He had been in ill health for more than two years.

Mr. Foshee was born June 22, 1903, in Montgomery County and had lived in and near Munday since 1910. He was engaged in farming until his retirement some two years ago. He married the former Lillie Jordan on April 11, 1926, in Robstown.

Survivors include his widow; a son, Ronald Foshee of Midland; a daughter, Mrs. Jim Adams of Wichita Falls; three brothers, Jess Foshee of Knox City; G. S. Foshee of Denton and B. F. Foshee of Brownfield; two sisters, Mrs. Lila Hodges of Conroe and Mrs. Lillian Nixon of Houston; two half-sisters, Mrs. Vera Williamson of Wille and Mrs. Jim Turner of Phoenix, Ariz.; and seven grandchildren.

Funeral services were held from the Church of Christ in Munday at 2:30 p.m. Tuesday with Howard Emerson, minister, officiating. Burial was in Johnson Memorial Cemetery under the direction of McCauley Funeral Home. Nephews served as pallbearers.

Notes From Knox Farms, Ranches

By Joe W. Doby, Knox County Agent

Bruce Campbell, Jr. and I attended the statewide meeting on screwworm eradication held in Austin, January 28. 180 counties in Texas were represented as well as Oklahoma and New Mexico.

As you probably know, the livestock producers still have not raised their 3 million dollars. This must be raised regardless of what the State and Federal government appropriates. There is only enough money to last until March 30. The law says the Federal money will stop when there is no matching funds. So it is left square up to the producers.

I have heard complaints that the program wasn't working because we had screwworms last summer. Uvalde County had over 3000 cases this past year and they have contributed \$54000.

The program is working and if you don't believe it, just talk to some ranchers in South Texas. One ranch in Bee County has been losing 100 calves a year to screwworms in past years but last year they only had six cases.

The fly factory at Mission is being readied to produce 100 million flies a week if the need arises. The objective last summer was to reduce the population of "the incubator" area in South Texas. They accomplished this as is attested by the fact Arkansas and Louisiana only reported a few cases.

The Southwest Animal Health Research Foundation is asking all producers whether they have given before or not to contribute. Give on the basis of 50 cents per head of cattle, 10 cents per head of hogs, sheep and goats.

Let's not let anyone say that Knox County failed to do its part.

Showing steers in the Wichita Falls Junior Show this week 4-H members, Paula and Larry Thompson, Brad Partridge, all of Munday; Leon Groves, Benjamin; Johnny Cook, Gilliland and Hollis Eakman, FFA boy from Knox City.

The 4-H adult leader training meeting are continuing each Monday night in February. Hope you leaders can attend every one, if not all then as many as you can make.

The Program Building Committee will meet Tuesday afternoon, February 12, in the courthouse. We have asked several new people to serve on this important committee. We will try to orient the committee on Rural Areas Development and let them decide whether anything can be done in Knox County. H. H. Partridge, Munday, is Chairman; Ancel Waldrip, Knox City, Vice-Chairman and Mrs. Arnold Navratil, Gilliland, Secretary. Y'all come.

Mr. and Mrs. E. D. Willis and two little granddaughters of Graham visited his sister, Mrs. G. M. Roden, and her sister, Mrs. Ona Tidwell, last Sunday afternoon.

Freedom Bond Drive Is Planned

Bankers, newspaper representatives and other officials who helped carry out a successful U. S. Savings Bond program in 1962 gathered at the Petroleum Club in Wichita Falls last Thursday night to map plans for another drive in 1963.

Highlighting the meeting was presentation of awards to bond drive leaders of three counties of the area that over-subscribed their bond quotas last year. These were W. E. Braly of Munday, George E. Morris of Seymour and R. C. Pirtle of Throckmorton.

Harry W. Phillips, vice president of the First National Bank of Fort Worth, who serves as chairman of the bond drive in District 4, was featured speaker. The group was told the same Freedom Bond program would be launched again this year, and that the goal in Texas and the United States would be to sell every family a savings bond between May 1 and July 4. Jessie L. Adams, Jr., state director, explained the 1963 sales program.

J. C. Porter, vice president of the First Wichita National Bank and chairman for District 15, was in charge of the meeting and gave the breakdown of sales in the 11 area counties.

Attending from Knox County were: Bruce Campbell of Knox City, W. E. Braly, M. L. Wiggins, Goodson Sellers and Aaron Edgar all of Munday.

Rhineland To Have Volleyball Games

The first volleyball tournament for this area will be sponsored by Rhineland High School, according to an announcement made recently by George Petrus, superintendent. This tourney will open on February 25 and continue through March 2.

Entry fee for each team is \$7.50, and cash prizes will be awarded to first, second and consolation winners.

Those interested in participating in the tourney may contact Mr. Petrus by mail addressed to him at route two, Munday, or phone 2549 during the day or 2542 at night.

Science Fair To Be Held February 28

The Munday High School Science Club will sponsor a "Science Fair" Thursday, February 28, in the Munday High School building.

The three group divisions will be: Intermediate, for grades 4, 5 and 6; Junior High, for grades 7, 8, and 9; Senior High, for grades 10, 11, and 12. Contact your teacher or sponsor for further information.

Elwin G. Darter Succumbs To Injuries Received In Accident On Oilfield Rig

Elwin Gerald Darter, 37, well known Munday man, passed away at 3 a.m. Tuesday in Stamford Hospital, succumbing to injuries received in an oilfield accident 5 1/2 miles southwest of Stamford last Friday.

The accident occurred on the Courtney lease about 3 a.m. Witnesses said the victim was working in the "crows nest" of the derrick when portions of the derrick gave way and he was caught by a cable. Although his safety belt held, he was badly injured.

Darter was born in Haskell on July 24, 1925, and moved to Munday in 1927. He attended the Munday schools and served in the

Former Goree Resident Dies

E. T. Childress, Sr., 83, a former resident of Goree, passed away January 28 in Yuma, Arizona. Mr. Childress farmed several years north of Goree before moving to Yuma in 1946.

Rev. Roy Don Rhoads of Avondale, Ariz., a great nephew of the deceased, officiated and was assisted by Rev. Ray Owens, pastor of the First Southern Baptist Church in Yuma.

Survivors are the wife, four daughters; Mrs. Florence Decker of Abilene, Mrs. Ola Coffman of Goree, Mrs. Pauline Howry and Mrs. Billie Dorez of Yuma, Ariz.; two sons, Jesse of Haskell and E. T., Jr., of Escobedo, Calif.; one brother, W. C. Childress of Haskell, a half brother and a step sister of Orange, sixteen grandchildren and nineteen great grandchildren.

Drive For Heart Fund Opens Soon

Knox County's Heart Fund Campaign will officially open February 24 when volunteers will contact their neighbors for contributions to help combat heart and circulatory diseases, according to E. Hob Smith, fund drive chairman.

Smith held a meeting Monday night in Knox City for officers and council members when plans were made for this year's campaign. Council members, one to each community participating, will plan their own programs for raising funds. Council members are: Mrs. A. B. Martin, Jr., Gilliland; Mrs. C. J. Albus, Rhineland; Mrs. Collins Moorhouse, Benjamin; Mrs. Orb Coffman, Goree; Mrs. Edmund Tomanek, Truscott, and Paul Hoge, Knox City.

"Heart and blood vessel diseases now account for more than 54 per cent of all deaths in the United States each year. Remember this when your neighbor calls on you for your Heart Fund contribution," Smith said.

Officers of the county heart group are Dr. C. G. Markward, Knox City, president; Dr. David Eiland, Munday, vice-president; Mrs. E. R. Carpenter, Knox City, secretary; Charles Baker, Munday, treasurer; E. A. Youngblood, Knox City, community service chairman, and Smith.

New Laundry To Open On Friday

Mr. and Mrs. J. R. Coody of Breckenridge, who have operated a laundry here for several years, are opening a new coin-operated laundry next Friday in the building formerly occupied by the post office.

The laundry is equipped with 24 new automatic washers and a water softener system that will supply rain-soft water to these machines. In addition, there are seven large capacity dryers, a soap dispenser, tables for folding clothes, and other features.

The building has been remodeled for this business and has a well lighted interior that has been painted in an attractive pink and blue.

The public is cordially invited to visit the new laundry on opening day, Friday.

Benjamin Man In Service In Germany

KAISERSLAUTERN, Germany (AHTNC)—Michael E. Waldron, son of Mrs. Zena Waldron, Benjamin, recently was promoted to specialist four in Germany where he is a member of the 3d Armored Cavalry Regiment.

Specialist Waldron, a driver in Troop I of the regiment's 3d Reconnaissance Squadron in Kaiserslautern, entered the Army in July 1961, completed basic training at Fort Hood, and arrived overseas in February 1962.

The 19-year-old soldier is a 1961 graduate of Benjamin High School.

RELATIVE OF LOCAL WOMAN PASSES AWAY

Mrs. Kate Browning received word last Saturday morning that her sister-in-law, Mrs. Ruma Harlan, passed away Friday night in a Houston hospital following a month's illness after suffering a stroke.

Funeral services and burial were at Baytown on Sunday.

She was survived by her husband, Ruma L. Harlan, two sons and three daughters.

Mr. and Mrs. Charles Sargent, Lou and Tammie, visited Mr. and Mrs. Lowry Wilson and children in Hale Center and Mr. and Mrs. Johnny Sargent and Kelly and Bob Sargent in Lubbock over the week end.

Kelly Johnson, 88, Pioneer Resident Of This Area, Passes Away On Friday

James Kelly Johnson, 88, pioneer farmer and business man who came to Knox County in 1889, passed away early Saturday at his home northwest of Munday. He had been in failing health for several years.

He was born March 8, 1874 in Washington County, Ark., and moved to Texas in 1878 with his parents, settling in Johnson County. He married Sarah Paralee Thompkins on October 3, 1897, and moved into a doughnut home he had prepared for his bride. His home was later built on this site.

Mr. Johnson was an early day drug store owner at West Munday, before the town was re-

located at its present site. He also was organizer and a director of the first co-op gin here. He farmed for many years before retiring several years ago.

His wife preceded him in death in January, 1955. Mr. Johnson had made his home with a son, Edwin, since her death. He was a member and deacon in the Primitive Baptist Church in Munday.

Funeral services were held at 3 p.m. Sunday from the First Baptist Church in Munday with Elder Fred Boen of Hamlin officiating. He was assisted by Rev. John Street, pastor of the Munday Baptist Church. Burial was in Johnson Memorial Cemetery under the direction of McCauley Funeral Home on land which his parents donated for the cemetery. Grandsons served as pallbearers.

Survivors include two sons, Edwin Johnson of Munday and Moody Johnson of Seymour; two daughters, Mrs. Henry Matthews Sr. of Munday and Mrs. Ben Dickham of Calallen, Tex.; a sister, Mrs. Elvin Goin of Portales, N. M.; 22 grandchildren and 35 great-grandchildren.

Boy Scouts Enter First Aid Week

Two patrols from Munday, Troop 76, participated in the Brazos Valley first aid meet in Seymour last Saturday, earning ribbons for each patrol and for the troop.

The Panther Patrol received a red ribbon for the third highest score in the meet, and the Flaming Arrow Patrol received a white ribbon for their work.

Other awards were given to each patrol and troop present. Troop 101 of Archer City had the two top scores, with two patrols earning a blue ribbon. Other patrol red ribbons included those of Troop 72, Seymour.

Troop 101 of Archer City received the blue troop ribbon; Troop 76, Munday, the red ribbon, and Troop 72, Seymour, the white ribbon.

Grass Fires Plague Munday's Firemen

Grass and trash fires getting out of control have continued to plague local firemen during the week.

At 9:30 a.m. Wednesday, February 2, they were called to put out a grass fire at "Big Alvin's" in the northeast part of town.

At 4 p.m. on the same date a garage owned by Mrs. Dorothy Mae Howry burned. Mrs. Howry reported quite a loss of things she had stored in the garage.

Fireman also answered three calls Tuesday afternoon to combat grass fires.

Amarillo Firm Gets Road Work

A contract for 7.9 miles of construction on FM Roads 2811 and 2701 in Knox and Haskell counties has been awarded to a Amarillo firm, it was announced in Austin this week by the State Highway Commission.

Gilvin-Terrill, Inc. submitted the low bid of \$111,359 on the project. Grading, base and surfacing on FM 2811 from SH 222 in Munday to FM 2534; and on FM 2701 from SH 222 in Knox City, south two miles to Haskell County line, and from Knox County line, south 0.49 mile to FM 2229 is expected to take 180 working days, according to Palmer Massey District Highway Engineer at Childress.

H. T. Cunningham, Resident Engineer at Munday will be in active charge of the project while it is under construction.

Former Munday Man Is Slain In Oklahoma

Deputy Sheriff O. N. Smith, 54, former Munday resident and son of Mrs. C. N. Smith of Munday, was shot to death last Sunday night near Shawnee, Okla.

Arthur Rittenhouse, 19, Detroit, Mich., who told officers he was absent without leave from the Air Force, has been charged with the murder in connection with the slaying.

Mr. Smith, who moved to Oklahoma about 25 years ago, had arrested Rittenhouse near McCloud, Okla., in connection with carrying a rifle while walking down the highway. Smith was shot to death with a pistol which Rittenhouse told Shawnee officers he had been carrying in a shoulder holster. The youth signed a statement in which he admitted the slaying. He was arrested a short time after the shooting.

In his statement Rittenhouse said: "I pulled the 25 automatic and told the sheriff to stop the car and keep his hands on the wheel. He reached for my gun, then I shot him four times." Smith tumbled from his car onto the highway and was struck by a passing car.

WORST IN THE WORLD

In a full page editorial, Life magazine urges immediate tax cuts—observing that "... nobody has a good word for our tax system. It is one of the worst in the world."

At the same time, Life argues that four conditions must be met if a cut is to be accomplished with a minimum of risk. These are in summary: That the President rigidly enforce his announced policy of holding down nondefense spending with a balanced budget as the ultimate objective; that monetary policy should be tailored to resisting inflationary pressures and the decline in our gold reserves; that tax cuts should be made in a series of stages, over a period of years; and that, finally, the whole tax structure should be reformed in wholesale fashion. Life concludes: "If these four conditions are met, responsible men can give wholehearted support to tax cuts. We need a better tax system. This is the year to start getting it."

To say the perfectly obvious, there will be heavy controversy over the four conditions Life emphasizes, and just what they will specify. But the basic idea behind this program is inescapable. Tax cuts which resulted in inflation that by further reduction in the value of the dollar, would more than offset the savings, must be avoided at all costs. And all cuts should bear a relation to a subsequent general overhaul of our antiquated tax system.

REAL "PUBLIC OWNERSHIP"

Capitalism as a system of work and living, comes in for a wealth of criticism these days—and not only from our enemies without, but from dissidents within.

But the American people, it would seem, believe strongly in it, and are convinced that it is going to survive, grow, and confound the salesmen of doom.

That is the logical deduction that can be made from a new Census of Shareowners in American corporations. The revelations are striking by any standard. For instance, in 1952 only one American in 16 owned stock—now one in six is a stockholder. And the stockholder population has passed the 17 million mark. The largest single group, interestingly, consists of over 5 million housewives.

The average stockholder is a pretty typical

citizen. He is 48 years old, with the middle-bracket income of \$8,600 a year. He is a craftsman, a professional, an executive, a clerk, a salesman, a retired person. And dividends bring him in some \$800 a year.

So much for the direct stockowners. Everyone who owns a life insurance policy or has an account in a savings institution is, indirectly, a stockholder, for these institutions invest much of their capital in corporate securities. This group numbers 120 million—capitalists all, whether they know it or not.

The enemies of capitalism are vocal. They make a lot of noise. But they don't seem to have made much of an impression on the people, who are proceeding to acquire an ever greater proprietary interest in the industries that keep this country going. Evidently they believe in the real "Public Ownership"—not the counterfeit called Socialism.

HALL OF FREE ENTERPRISE

There can be small doubt that there is much ignorance of the economic facts of life.

That has been proven in survey after survey, covering such matters as profits, labor costs, capital investment and so on down the list. There is a woeful lack of understanding of the roles played by the various elements in keeping the economy going, and the forces which may stimulate or depress it.

The result in accurately described by Fred G. Clark in Human Events: "It is this mass ignorance that permits political connivers to spread anti-private enterprise propaganda in order to draw votes from an uninformed and unsuspecting public."

That fact has caused the American Economic Foundation—whose task is to spread economic truth—to propose a Hall of Free Enterprise at the New York World's Fair of 1964-65. In such a hall, writes Mr. Clark, "... the basic economic facts of production and exchange of all goods and services can be dramatically demonstrated for all the world to see; and the contrast in results under freedom with those under dictatorship."

Anything which helps to clear away the clouds of ignorance surrounding our system of free enterprise within a free society adds to the power, the security and the prestige of the whole Free World.

CHURCH OF CHRIST

GOREE, TEXAS

Religious Liberty

In considering this question we sometime hear one ask, "But does not God grant every man the right to worship according to the dictates of his own conscious?" This has been man's privilege from the beginning. God placed before man in Eden the right way, and Satan advocated the evil; but man was privileged to choose for himself. When he brought the people of Israel out of Egypt, he gave them a new law and a specific plan of worship, yet he did not force them to accept it. "In the words of Joshua he said, "Choose you this day whom ye will serve..." They were privileged to worship according to their own choice. We may or we may not choose to do the things God has set forth for to do, but we should keep in mind that God has promised a reward to those who walk in his ways and punishment to all who disregard them. (2 Jno. 9; Gal. 1:6-8).

We often thank God that we live in a land of religious liberty, but let us take warning from Paul the apostle, "Brethren, ye have been called unto liberty, only use not liberty for an occasion to the flesh (Gal. 5:13). While God grants us the right of choice, our choice might be wrong, as was the choice of Adam and Eve. The people of Israel chose to pervert the ways of God and to worship strange Gods of the world. This brought upon them the wrath of God. Let us all study God's word and choose to do his will.

ALL BIG THINGS

DON'T HAPPEN IN BIG CITIES

Proud cities of small and medium size are scattered throughout the West Texas Utilities service area, plus some small towns and villages.

But collectively they compose the vital and fast-growing Center of the Southwest, where major business and industrial development is taking place.

For example: a nationally-known packing company has established a lamb processing plant here . . . an existing manufacturer has developed machinery for a new process which is the hit of the footwear industry . . . one of America's great business complexes has constructed a major textile-producing factory . . . a wool scouring plant has been built and expanded . . . a leading surgical supply company will soon start plant construction . . . and dozens of other operations are bursting out all over the area.

Yes, it is very true. All BIG things don't happen in the big cities. Our service area faces GROWTH UNLIMITED, and our own expansion plans are geared to measure and meet the electric service needs of this dynamic area, the CENTER OF THE SOUTHWEST.

Activities of The Colored People

By Fannie Mae Johnson

Sunday School was well attended at all churches Sunday morning.

Rev. George Wilson and Rev. Cooper of Vernon arrive at 11:30 a.m.

A part of the West Beulah membership attended the Deacon's reunion at Knox City at the church of the living God at 3:30 p.m. After a wonderful program by the deacons Rev. Sims of Crowell brought the message from the 12th chapter of Matthew and 5 verse using for his subject "Prayer Changes Things." The spirit ran high. Money raise was \$60.00.

Sunday night at 7:30 Rev. Wilson spoke at West Beulah church from the third chapter of Matthew, subject a strange voice. Ever one was helped from the glorifying message.

Percha Davis of Amarillo visit his mother here Sunday, Mrs. Parlee Davis.

Mr. Fisher, Mrs. Mary Alice and Mrs. Ida Mae Wilson of Wichita Falls visit Mary Alice's father, Mr. Marlie Wilson, here Sunday.

Mrs. Georgia Toliver, Mrs. F. M. Johnson and Mrs. Viola Jackson visit in Wichita Falls Monday. Mrs. Jackson went to the hospital for a check-up.

Mr. and Mrs. Roy Ross, Mrs. Pearly May Thomas and husband visit in Wichita Falls Sunday.

The membership of West Beulah are asking the cooperation of their many friends in the great drive they are putting on for the Master's cause. We at this time must raise some funds for our church. We are thinking about the souls of men as we all no men are going into judgement, some with no God in their heart and no Saviour on their side.

Men need God in all walks of life for that cause Jesus said in the Sunday school lesson Sunday. Let us go to the other side. He was just letting His followers no it was something He wanted to do on the other side.

May we look through the many happenings of the world and see Jesus because He is still working in the affairs of man.

Charles Jones visit his mother, Mr. Catherine Jones, in Dallas last week.

Mr. and Mrs. John Williams are the parent of a baby boy born in the Knox County Hospital Saturday night.

Brother M. H. Hendrick had an accident Tuesday but the report I receive was he was only sore from the fall.

We also learn that Brother Frank Scott is yet poorly also Mr. Snow Fisher. Let us pray for them with all our hearts.

Guests of Mr. and Mrs. Don Boyles over the week end were their son and family, Mr. and Mrs. Jimmy Boyles and Ken of Dallas and Mr. Boyles' brother, Clark Boyles of Abilene.

CARD OF THANKS

For loving help and sympathy shown us by so many friends at our time of grief, we would like to express our gratitude. We were indeed comforted by your kindnesses.

Miss Patsy Cline Weaver And Billy Ray Henson Married In Odessa Rites

MRS. BILLY RAY HENSON

Miss Patsy Cline Weaver of Odessa and Billy Ray Henson of Monahans were married at 4 p.m. January 19, in the Sherwood Baptist Church in Odessa. Rev. Joe Collier, pastor, performed the double ring ceremony. In the background was 4 stands candelabra with fern and lighted candles. Bouquets of white gladioli were on each side of the altar.

The bride's parents are Mr. and Mrs. Quinn Weaver of Muleshoe and Mr. and Mrs. H. D. Henson of Munday are parents of the groom.

Frank Foutz of Odessa sang "Always" accompanied by Mrs. Webber at the organ, who also played "The Lord's Prayer" and the wedding march.

The bride was attired in a formal gown of silk peau de soie combined with chantilly lace. The molded lace bodice featured a scalloped Sabrina neckline dusted in pearls. Long sleeves tapered to petal points. The magnificent skirt was enhanced by panels of lace down each side and flowed to a chapel train. Her veil of silk illusion flowed from a crown of pearls. Her bouquet was white roses and stephanotis.

Charlene Mowell of Fort Worth was maid of honor and Linda Weaver of Lazbuddie, sister of the bride, was bridesmaid.

Glen D. Henson of McCamey served his brother as best man. Ushers and groomsmen were Bob Cude and Don Bowman, both of Munday.

A reception was held in the recreation room of the church immediately after the wedding. The bride's table was covered in a white satin cloth decorated with carnations and mums, sprayed blue, and set in a candle holder with lighted tapers as the centerpiece. A sterling silver punch bowl and crystal cups and plates and a three tiered wedding cake topped with a miniature bride and groom completed the table decor.

For her wedding trip to El Paso the bride chose a three piece pink knit suit with black and white accessories.

Mrs. Henson is a 1956 graduate of Lazbuddie High School and was previously employed with

American Bank of Commerce in Odessa for the past five years.

Mr. Henson is a graduate of Munday High School and a 1959 graduate of Texas Tech. The couple will reside at 506 W. 4th in Monahans where Mr. Henson is employed with Halliburton Company.

Out of town guests included Mr. and Mrs. H. D. Henson of Munday, Mrs. Billy Joe Pruitt and Judy and Deborah Gresham of Wichita Falls, Mr. and Mrs. Jerry Weaver and Mr. and Mrs. J. D. Carpenter of Lazbuddie, Mr. and Mrs. J. E. Cain, Mr. and Mrs. Max Gibbs, Mr. and Mrs. S. D. Smoot, Mr. and Mrs. J. H. Ryan all of Monahans and Mr. and Mrs. Jimmie Henson of Anton.

The number of soil samples tested at the 3 laboratories operated by the Texas Agricultural Extension Service handled 50 per cent more samples in October and November 1962 than in the same months for a year earlier. We are happy to see this increase, says W. F. Bennett, extension soil chemist, for it means that more and more Texans are becoming interested in soil building and improving programs.

Mrs. L. C. Sweatt, who is undergoing treatment in Houston, expects to be released from the hospital next Saturday. She will likely return to her home here early next week.

World War Veterans, Auxiliary Members, Install Officers

Members of the Knox County Veterans World War I Barracks and Auxiliary No. 1029 met Monday, February 5, at the Legion hall at 7 p.m. for dinner. Following the meal, the retiring commander, Milton Dean, called the joint meeting to order. Guests presented where Mr. and Mrs. Joe Bobeen of Rising Star. Mrs. Bobeen is department president of the Auxiliary.

Separate business meetings were held. Mrs. George Weber, retiring president, presided for the Auxiliary. Routine business was attended to and Mrs. R. M. Almanrode gave the latest legislative report and the department president spoke to the women urging membership. The Auxiliary has a membership of 35.

Officers for the year were installed by Mrs. Almanrode, past president of District 13. Mrs. M. H. Dean acted as installing secretary and Mrs. S. E. Albright was stand-in for the installing officer, who was elected secretary-treasurer for the third year.

Officers installed were: president, Mrs. J. E. Reeves; senior vice president, Mrs. John Robin; junior vice president, Mrs. Kirby Fitzgerald; chaplain, Mrs. Clarence Woodward; conductress, Mrs. Gill Wyatt; assistant conductress, Mrs. A. H. Word; grooms, Mrs. Bob Cary; trustees, Mmes. R. F. Horan (1 year), Clarence Woodward (2 years), H. F. Jungman (3 years); chairman hospital and welfare, Mrs. George Weber; color bearers, Mmes. Erin McGraw, W. O. Lewis, V. Blankinship and Clarence Jones; musician, Mrs. J. R. Brown.

The Auxiliary presented a gift to the department president. The district meeting will be held February 17 in Graham and members are urged to attend. The next regular Auxiliary and Barracks meeting will be held March 5th.

Barracks officers were installed by M. H. Dean as follows: commander, R. M. Almanrode; senior vice commander, Kirby Fitzgerald; junior vice commander, John Robin; quartermaster, R. F. Horan; judge advocate, W. O. Lewis; chaplain, J. E. Reeves; service officer, Clarence Woodward; Sgt. at arms, Gill Wyatt; trustees, Clarence Woodward (1 year), Glenn Smith (2 years), H. F. Jungman (3 years), legislative chairman, J. E. Reeves.

Pictures were made of all officers, both Barracks and Auxiliary.

Baptist Ladies Meet February 4

The Baptist W. M. U. had 40 ladies to meet at the church Monday, February 4, for their monthly Bible study taught by Brother Street.

The lesson "Lord Teach us to Pray" was taken from Matthew 6:15-13. Brother Street defined the Lord's prayer and brought a very interesting study to the ladies. Certainly we all need to learn to pray, not mechanically so to speak, but a prayer straight from our hearts with faith, belief and love. We not only need to know how to pray publicly but most of all secretly.

Mr. and Mrs. Kenneth Box were guests of Mr. and Mrs. Aaron Edgar last Monday night. They were returning to their home in Borger after eight months stay in Ft. Monmouth, N. J., where Box had been taking special training.

Teen-Age Girls Sew Their Way To 4-H Honors

Designing skill and sewing know-how carried two teenagers from the Texas Panhandle to a string of awards in 1962, including a free trip to Chicago where they showed off their creations.

The young women, both 17, are Linda Holt of Spearman and Marilyn Coleman of Plainview. They were awarded trips to Chicago to the National 4-H Club Congress.

Miss Coleman

Miss Holt

Miss Coleman's trip was provided by Coats & Clark Inc. after she won first in the Texas 4-H clothing program. She has been a 4-H'er eight years and has served as parliamentarian of the Hale County 4-H Council. She is a daughter of Mr. and Mrs. S. E. Coleman Jr.

Simplicity Pattern Co. awarded the trip to Miss Holt, winner of the state's dress revue competition. She has been in 4-H nine years, is a former secretary of the Hansford County 4-H Council, and lives on the 1,000-acre farm operated by her parents, Mr. and Mrs. Nolan Holt.

Local Woman's Son Dies Of Injuries

Hershal C. Hutcheson, 56, long time resident of Longview, died Wednesday morning, January 30, in a Longview hospital from injuries received January 15 in an automobile accident east of Longview.

Hutcheson, former street and water superintendent for the city of Longview for 20 years, was fatally injured when a rear tire blew out on a small compact car he was driving, throwing it out of control. The car turned over, throwing Hutcheson out of the car and into the right hand side of the west bound lanes of the highway where he was found by a passing motorist. He lay about 50 feet from the car where he was found. He suffered severe head and chest injuries.

Hutcheson was a foreman for the Thiokol Chemical Company and a member of the Baptist church, where the funeral was conducted.

He was survived by his wife, Mrs. Grace Hutcheson, Longview; two sons, H. H. Hutcheson, and W. T. Hutcheson, both of Longview; 11 daughters, Miss Jane Hutcheson, Miss June Hutcheson, Miss Gail Hutcheson, Miss Helen Hutcheson, Mrs. Bobby Ramsey, Mrs. Horace Beard, Mrs. Eddie Stanley, all of Longview, Mrs. Charles Faircloth of Mount Pleasant, Mrs. Ray

Williams of Baytown, Mrs. Tim Heitman of Germany and Mrs. James Ross of Houston; his mother, Mrs. W. F. Hutcheson of Munday; one brother, Douglas Hutcheson of San Antonio; three sisters, Mrs. L. C. Guinn, Jr., of Knox City, Mrs. Freddie Morrow of Denver, Colo., and Mrs. J. W. Henderson of El Paso; 10 grandchildren.

Burial was in the Memory Park cemetery in Longview.

Scouts To Observe 53rd Anniversary

The 400 Cub Scouts, Boy Scouts and Explorers of the Brazos Valley District will observe the 53rd anniversary of the scouting movement during Boy Scout Week, February 7-13, with the theme "Strengthen America—Be Prepared, Be Fit."

They will join nearly 5,200,000 other Scouts and leaders in the nation in dedicating themselves to the Scout oath on Friday, February 8, the actual birthday of the movement in America. Scout week will be observed by over 130,000 Scouting units across the nation.

In Munday, Pack 76 is planning a blue and gold banquet for Cubs and fathers on February 8.

Scouts are welcomed and urged to wear their uniforms proudly during the week, and especially to church on Scout Sunday, February 10.

"The Union Of Avarice And Audacity Produces A Total Disregard Of Decency"

There are many wonderful drugs that accomplish seeming miracles, but, to use them safely they must be taken as prescribed by a Physician.

Do not believe all the claims made by certain avaricious firms who have the audacity to advise you to attempt unwise self-treatment when you are sick. Do not let door-to-door peddlers, high pressure television or mail order advertisers overpower your judgement. The best advice you can follow about what medicine you should take is your Physician's. He can prescribe the proper medicine because he can diagnose the cause of sickness.

We would like to add, we can also fill your every prescription, because we have the know-how and drugs to do so.

Letters From The People

Ever since Adam and Eve ate of the forbidden fruit, man has had a continuous fight against right and wrong. Communities have fought among themselves on what was right and what was wrong. So has the Federal Government and a few States been having a political fight about the right the Negroes should have, or shouldn't have.

God gave man the privilege to choose for himself as to what he thought was right. The laws in Texas give each the privilege of seeking justice through the Courts in any case where he thinks it is wrong. This, J. E. Walling, Jr., and others did in seeking to dissolve the North Central Texas Municipal Water Authority. A case which has held up the beginning of construction on the Dam, but I thank God for the decision the District Court in Haskell gave us, which has been

held valid by the Court of Civil Appeals and the Supreme Court at Austin, Texas.

The suit was testing the validity of the law that gave each City the power to appoint two Directors each to represent the City along with Directors from other Cities in building a Lake. Their contentions were that they should be elected by a vote from all the people of all the towns within the Authority before it would be legal for the Directors to assess and collect taxes from the people. The court's decision gave us the authority to assess and collect taxes.

Now, just a word to the ones who are delinquent in paying their taxes. You were told not to pay them, that the dissolvers of the Water Authority would kill the project and you would not have to pay them. This they have failed to do. You old people who are living on Social Security and Old Age assistance were told that it would take the medicine out of the cabinet and the food from your table to pay the taxes on this damnable lake project. Now, if I have been rightly informed this is untrue. My information is that either one of the representatives of the social security or old age assistance will increase your check a sufficient amount to take care of your taxes if your financial condition warrants such.

Now it is tax paying time and we Directors will use all the legal authority at our command to collect the taxes that are delinquent. The law fixes the interest and penalty and we would be violating the law to deviate from the prescribed penalty and interest charge. If suit is brought and we win, the cost of Court will be added. The longer you wait, the more penalty and interest will be. I give you these facts so as you can see what confronts you. The reason we have not brought suit is that the case in Court was being tried and tested to see if we had a legal right to assess and collect taxes, the Courts have given us that right.

I don't feel hurt or have any hatred in my heart toward any one over the present controversy and I am praying that the hatchet will be buried and we all

New Agreement To Aid Land Owners To Move Forward In Conservation Efforts

According to Jack Idol, Chairman of the Wichita Brazos Soil Conservation District, our District has received its new agreement with the United States Department of Agriculture. Mr. Idol stated that it is this agreement which provides the official basis for cooperation between the U. S. D. A. and local Soil Conservation Districts.

It was back in February, 1962 that Secretary of Agriculture Orville L. Freeman announced plans for the updating and broadening of the agreements with Soil Conservation Districts. At that time he stated "The basic memorandum of understanding currently in use with soil and water conservation districts was designed a generation ago and does not fully reflect modern conservation concepts and working arrangements. The purpose of this memorandum is to promulgate a modernized basic memorandum of understanding to reflect the concepts of the sixties as an initial step in more effectively helping private landowners to move forward their soil and water conservation efforts."

During the regular District Board meeting on Friday, January 25, M. C. Pennington, Area Conservationist for the Soil Conservation Service, presented the new executed memorandum of understanding to the District Board. He read a letter from Secretary of Agriculture Freeman to Jack Idol, chairman of the board, in which Sec. Freeman stated "I want to commend the governing body of the Wichita Brazos Soil Conservation District for your progressive action in updating your soil and water conservation program and modernizing your memorandum of understanding with the U. S. Department of Agriculture. This is an important initial step in helping private landowners move forward more effectively with their soil and water conservation effort."

"I assure you of the Department's readiness to cooperate with you to the full extent of its ability."

Mr. Pennington also quoted from a letter from D. A. Williams, Administrator, Soil Conservation Service, Washington, D. C. "I should like you to convey my compliments to the members of the district governing body for their foresight and vision in broadening the concepts of conservation and good land use in

their district. Commend them for recognizing the new challenges and opportunities which lie ahead in this field. I pledge to them the full cooperation of the Soil Conservation Service in meeting these new challenges.

Members of the Wichita Brazos Soil Conservation District Board are: Jack Idol, Chairman, H. W. Smith, C. C. Browning, L. D. Offutt, and H. D. Gammill.

Tommy Proffitt Is Now In Philippines

USS KITTY HAWK (FHTNC) —Tommy D. Proffitt, aviation structural mechanic airman, USN, son of Mr. and Mrs. James S. Proffitt of Munday, is serving aboard the attack aircraft carrier USS Kitty Hawk, which spent New Year's Day in the Philippines.

The carrier was in Subic Bay, the American naval center of the South China Sea. The naval base affords several recreation facilities and balmy weather nearly all year long.

The Kitty Hawk is operating in the Far East as part of the Seventh Fleet's fast carrier striking force.

Tax Man Sam Sez:

The Internal Revenue Service folks are putting in automatic data processing.

The electronic machines will tell IRS every business transaction that you made throughout the country during the year. The IRS folks expect to eliminate double claims on exemptions, among other things.

If the husband in Main and the wife in California are both claiming a dependent who is living with and being supported by Grandma in Texas, the machine will tell on them. It is a wonderful age we are living in. Maybe these machines will help us who are voluntarily paying by making reluctant taxpayers more willing.

What do they have to compete with our middleweight Fairlane?

FAIRLANE 500 2-DOOR HARDTOP

not a thing!

Fairlane is in a class by itself. It gives you the winning combination of big-car, room, ride, performance—yet it handles and costs more like the compacts!

To illustrate, let's compare the middleweight Fairlane with the compact Chevy II which some people mistakenly feel is in the same class. Fairlane is almost 15 inches longer. It has more leg room, front and rear—and 3 1/2 cubic feet more trunk space! Choice of two spanking V-8's or a spunky Six!

Next, compare the middleweight Fairlane with the big

Chevy. Fairlane is a foot shorter, far easier to park and handle. Yet, amazingly, Fairlane has more effective front leg room... about the same effective head room... practically the same trunk space! Plus Ford's exclusive money-saving twice-a-year or 6,000-mile maintenance! Yet Fairlane is priced hundreds lower—even lower than some compacts! Come see your Ford Dealer... compare for yourself!

Knox Prairie Philosopher Takes A Big Stab At Understanding Common Market In Europe; Misses As Usual

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek takes a look at the Common Market this week, but what he sees is hard to say.

J. A.

Dear editor:
In between news of new cold fronts, the papers lately have been filled with articles about England's troubles in getting into the European Common Market, and I have been giving this some thought.

As I understand it, nobody really understands it.

I mean, nobody understands why De Gaulle won't let England in, when all the other countries in the deal want her in. One magazine took ten pages to explain it, and never did.

The Common Market, it has been explained to me, simply lifts all the border barriers between the countries of Europe, so that potatoes, say, can move from France to Germany like they can from Knox County to Baylor County, without any tariff charges or red tape.

But De Gaulle is standing firm against England, possibly on the grounds that he doesn't like English potatoes. It's not that he has anything against Englishmen. For example, during the First World War and also in the Second World War, France was highly in favor of a common market in soldiers, and welcomed British fighters with open arms. Weren't any tariff charges on them. Why they even let Americans in on it.

This is all I know about the Common Market, and to rest my mind from all this international thinking, I would like to get on a domestic subject and ask the weather bureau a question.

Cold fronts have been sweeping over the United States so often this winter it's hard to keep up with them. For example, I'm not sure whether it was four or five fronts we had in January, and what I'd like to ask the weather bureau is why doesn't it name them like it does hurricanes? "Cold Front Khrushchev has been sighted in Canada and is due to hit the United States at midnight," the bulletin could read. Or "Blizzard Castro is weakening." If cold fronts are

CHEVROLET TRUCK QUALITY

You can see the difference wherever you look

If you believe various makes of trucks are pretty much alike, you aren't doing justice to your pocket-book. There are differences.

A Chevrolet truck welcomes comparison. Look at the little things on it—latches, hinges, stitching in the upholstery. Notice how strong the tailgate is, the rubber encased chains that keep it from sagging.

The body floor is made of select wood to eliminate the rust problem and give you better footing. The lower side panels are double-walled; you might dent the inside but it won't show through.

Chevrolet designs suspension systems to fit your need. The light-duty type is strong on comfort. Another kind for heavier trucks stiffens up as you increase your load and vice versa. Make sense?

If you are going to need a new truck this year, you should look at the quality Chevrolet has to offer. May we bring over a new '63 so you can examine it?

2 NEW 6-CYLINDER ENGINES

New High Torque 230-cu.-in. Six is lighter but more powerful than its predecessor. It is standard in Series C10 through C50 models.

New High Torque 292-cu.-in. Six—most powerful truck 6 Chevrolet has ever built! Standard in Series C60, optional at extra cost in lighter models.
