Mogul Band Rated Superior At Contest

"Munday High School, first division." Those words were greeted with ecstatic cheers as the Purple Cloud band members learned they had been successful in earning a I rating at the University Interscholastic League marching contest held Saturday in Stamford.

The superior rating is a fitting reward for the local band, which has spent many hours of grueling practice under the hot summer sun, in fall rains and cool evenings. A total of 15 Class A bands participated in the contest, and Archer City, Jayton and Munday were the only three to receive superior ratings.

Archer City and Jayton will advance to the regional marching contest. Scores for the top bands were very close, with a smaller point spread between the three highest scores than between the third and fourth place bands. Archer City was awarded superior ratings by all three judges, for a score of 92.83. Jayton's

score was 91.00, and Munday received two I ratings and a II for an 88.66 score.

Opinions of the judges included comments on the excellence of our flag corps and twirlers, the good quality sound for a small group and the well-designed show. One ended his critique by saying the Munday band "showed lots of hard work and excellent teaching."

The band's next goal is to achieve the coveted sweepstakes award by earning I ratings at the sightreading and concert competition scheduled for April, 1985. If this is done, the band will be the first from Munday to win sweepstakes in 20 years.

Judges for the competition were Ed Martinez of Crowley, Dan Gibbs of Monahans and James Mallow of Brady.

GOLD STAR AWARD winners named at the Knox County 4-H awards program held Sunday, October 21, were Robin Reneau, at left, and Amy Parker. Robin, a seventh grader at Munday Junior High, is the daughter of Mr. and Mrs. John Reneau of Munday. Amy, whose parents are Mr. and Mrs. Doug Parker, is a sophomore student at Munday High School.

Gold Star Winners Named At 4-H Achievement Program

Two young ladies from Munday were the top winners at the annual Knox County 4-H achievement awards program held Sunday, October 21, at the Munday Community Center.

Robin Reneau, seventh grade daughter of Mr. and Mrs. John Reneau of Munday, was named junior Gold Star award winner. Gold Star honoree in the senior division was Amy Parker, a sophomore at MHS and the daughter of Mr. and Mrs. Doug Parker of Munday. Their awards were presented by Jane Locknane and David Tunmire, county Extension Service agents.

The Meritorious Service award was presented by Leona Partridge to Lewis and Gaye Spinks, former residents of Benjamin who now live in Vernon, for their support of the 4-H program in Knox County. Also receiving the Meritorious Service award was the Extension Home-

makers Council, which extends financial support to the 4-H organizations, helps with the food and fashion shows and provides funds

26-0 AT THROCKMORTON

Moguls Take Third Straight Shutout

The Munday Moguls kept their unbeaten record intact Friday night, moving to the top of the heap in District 3-A's east zone with a 26-0 victory over Throckmorton. The Archer City Wildcats also own a 2-0 record in district, followed by Windthorst and Throckmorton with one win and one loss, and Chilli-cothe and Bryson, who are both winless in district action.

Friday night's win was done in typical Mogul fashion - a relentless defense coupled with a strong running game and an improved passing attack. The Greyhounds were held to only one first down and 59 yards total rushing, while the Moguls mounted up 266 yards on the ground and 86 through the airways.

The first quarter was scoreless, with the Moguls driving to Throckmorton's four yard line before being halted by a penalty on second down. The Greyhound defense stiffened and pushed Munday back for two straight losses, forcing the Moguls to give the ball up on downs.

Throckmorton couldn't do much with their opportunity, however, and the Moguls were soon back in business from the 48. Backs Ronny Lowrance, Tim Collier and Todd

Thompson and quarterback Dent Offutt alternated in carrying the ball downfield, and Collier sprinted around left end for 11 yards and the touchdown with 11:20 left in the second quarter. A run for two extra points failed.

The two teams exchanged punts before the Moguls took control once more on a pass interception by Jim Earl Dockins. From the Greyhound 29 it took only four plays for the Moguls to hit paydirt again, this time on a 24 yard pass from Offutt to Thompson. The extra point run failed for the second time, but the Moguls held a 12-0 lead at halftime.

Munday was rolling again as the second half began, but when Thompson was tripped up behind the line of scrimmage deep in Greyhound territory, the Moguls had to give the ball over after the fourth down play wasn't quite long enough. Three plays later, Isias Dena blocked a Throckmorton punt and the ball was recovered in the end zone for a two-point safety, extending the Moguls' lead to 14.

Both teams punted again, but just before the quarter ended a 35-yard pass to Billy Taylor set the stage for two successive runs by Dockins to take the Moguls across the goal line for a 20-0 margin. Late in the game a Mogul fumble at the one and the ensuing tight defensive effort forced the Greyhounds to punt from their end zone, giving Munday a first and goal at the five. Collier did the honors for his team, going around left end with 31 seconds remaining. The fourth try for extra points was no good, but the Greyhounds had no time left to even get any points on the scoreboard, and Munday took its third straight shutout by a 26-0 score.

This week the Moguls host Chilli-cothe, 4-3 for the season and 0-2 in district play. The Eagles are led by all-district candidate Randy Boone, another speedy running back. After two games away from home, it is expected that a good crowd will gather to watch the Moguls attempt to lengthen their string of wins as the 1984 season comes into its final stretch.

STATISTICS		MUNDAY	THROCKMORTON
25	First downs	1	1
266	Yards rushing	59	0

1	Fumbles lost	0	0
9-65	Yards penalized	5-48	0

The Time Will Change Again!

Guess what? That's right! Good old standard time is really coming back!

On Sunday, October 28, the time officially changes back to standard time. Daylight Savings time will lie dormant for six short months before sprouting again in April. At 2:00 a.m. the time will fall back an hour. But, to save yourself from losing sleep, just roll the clock back an hour before you go to bed Saturday night.

This is the time of year that's welcomed by all right-thinking people, in our opinion, and those who think otherwise will have to suffer for six months, just like we have done!

United Fund Drive To Begin Its Campaign October 29

The annual United Fund drive to finance the 1985 budget will begin on Monday, October 29.

Ted Jordan, drive chairman, has announced the following people as division leaders for their area:

Perry Kuehler, business district; Linda Oustad, north residential; Gary Kuehler, northwest rural; Ronnie Cude, northeast rural; Linda Reddell, south residential; Gay Yost, southwest rural; southeast rural, Cindy McWhorter.

The 1985 budget has been released. Many worthwhile organizations depend on the United Fund to

support their work. Receiving monies this year are: Munday Little League Baseball, Inc. \$1,250.00; West Texas Rehabilitation Center, Abilene \$500.00; NorCenTex Council of Girl Scouts \$450.00; Northwest Texas Council of Boy Scouts \$450.00; the Salvation Army \$1,070.00; The American Red Cross \$400.00; City-County Library \$1,750.00; United Way of Texas \$50.00; Campaign Expenses \$700.00; total \$6,620.00.

Give generously when your neighbor calls for a UF donation.

MOGUL QUARTERBACK Dent Offutt is about to be sacked by the Throckmorton Greyhounds after he successfully completes another quarterback keeper play. Coming to the rescue in the background are #75

Brad Angerer and #73 Terry Shields. Friday night's 26-0 win over the Greyhounds brings the Mogul's record to 7-0 for the year and 2-0 in district play.

Dallas Firm Awarded Sale Of School Bonds

On Tuesday, October 16, the Board of Trustees of Munday ISD accepted four bids for the purchase of the school bonds. The winning bid was from Dean Wittier and BankTexas of Dallas with an effective selling rate of 9.866509%.

Superintendent Doyle Lowrance stated that they were very pleased with this action since the average effective selling interest rate for AAA municipal bonds in Texas for the week of October 8 has 10%.

The sell of the school bonds completes the third phase of a four-part plan set up by the Board. The final phase, before actual work begins on the remodeling and construction program, will be the bidding for the contract proposals. Before this action takes place, the trustees will be meeting with the architect to finalize plans before bid packages are released.

The Board is expecting to receive very competitive bids from Abilene, Fort Worth, Lubbock and Wichita Falls. The remodeling is tentatively slated to begin the early part of January with completion due the first of September.

Plans will be released later concerning the placement of the children during the remodeling process.

Stalled Front Brings Rain

A cool front, which passed through the region early Saturday morning, stalled out in South Texas and began dumping some much needed rain in our area.

We woke up Saturday morning to the pleasant sound of rain pattering on the roof and managed to pick up .57 of an inch of precipitation before the clouds broke up late Saturday afternoon.

Sunday morning was a repeat of Saturday and we picked up an additional .30 of an inch of precipitation. Cooler temperatures accompanied this rainy spell resulting in everyone wishing they could stay in bed with the covers over their head.

We couldn't believe our eyes Monday morning when more of the same greeted us and the area forecasters were calling for the cool, rainy weather to remain with us for several more days. Monday's rainfall total was .46 of an inch of precipitation.

Weather Report

For seven days ending at 5 p.m. Monday, October 22, 1984 as compiled and recorded by Goodson Sellers, local U.S. weather observer.

Lion's Pancake Supper Is Nov. 2

Frank Jackson, president of the Munday Lions Club, has announced that the Lion's annual pancake supper is scheduled for Friday, November 2, before the big game against Archer City.

This annual event is to be held from 5 to 7 p.m. in the Munday High School cafeteria. Tickets may be purchased from any Lions Club member or at the door. Prices are \$3.00 for adults and \$2.00 for children.

As always, the Lions are preparing to serve up a delicious feast so come on out and enjoy this once a year treat.

Area Cotton Show Slated January 7, 8

The 1985 Area Cotton Show is scheduled to be held January 7 and 8 at the Activity Center in Wichita Falls. Sponsored by the Rolling Plains Cotton Growers, Rolling Plains Economic Program and Texas Agricultural Extension Service, the purpose of the cotton show is to give the general public a greater understanding of the cotton industry. It will also provide area cotton producers an opportunity to exhibit cotton they have produced. The cotton show will include commercial exhibits, youth poster contest, quilt show, cotton contest, style show and educational sessions.

The show is open to all farmers, consumers and youth in a 30-county area of the Rolling Plains. For the show to be a success will require the interest and support of people interested in cotton.

(Continued on page 2)

Knox Farm Bureau Plans Convention

Members and guests of the Knox County Farm Bureau will gather at 6:30 p.m. Saturday, October 27, in the Munday High School cafeteria for their annual convention.

The menu will include barbecue, beans, chips and homemade ice cream. After the meal, those attending will adjourn to the auditorium for a short business session and a musical program given by the Imitation Stats of Seymour.

This group has gained a great deal of recognition for their performances since they began singing together about four years ago. Composed of farmers, a banker, an electrician, an oil company employee and a school music teacher, the group performs at benefits throughout the region and sounds astonishingly similar to their famous namesakes.

Although most of the musicians hail from Baylor County, the drummer, Royce Miller, is a Knox County native and resident of Vera. Other musicians are Rosie Priddy, guitar, and Billy Jean Young, piano. Singers are Curtis Priddy, base, Mack Bibb, tenor, Clifton Talley, lead, and Rusty Rose, baritone. As anyone who has heard them perform can confirm, they are sure to put on a highly enjoyable show.

Farm Bureau manager Don Welch said he expects a good crowd for the convention, so don't forget to mark your calendars for this special evening.

Now's The Time To Renew Your Paper

The older you get, the faster time goes by. Or maybe, it just takes you longer to get something done. Any way, here it is, time to renew those subscriptions again.

Look at the upper right hand corner of your address label. If the numbers 11/4/84 appear there, your paper needs to be renewed.

Since there are so many subscriptions due at this time, we are asking you to bring in or mail your renewal payment as soon as possible. We don't want anyone to miss a single issue!

Absentee Voting Rules Explained

The absentee voting laws are very explicit and have to be followed correctly. Gloria West, county and district clerk, has been receiving telephone requests for absentee ballots. Ballots cannot be mailed unless a written application is received in the mail. To help remind everyone of the Absentee voting rules, the main highlights are outlined in this article.

Applications may be made by qualified voters who will be 65 years of age or older on the day of the election, or who because of sickness or physical disability, or because of religious beliefs, cannot appear at the polling place on the day of the election. It must be mailed to the clerk, and the clerk shall preserve the envelope in which it is received. If the application is delivered to the clerk by any method other than by mailing it, the ballot shall be void and shall not be counted. The voter should include the address to which the ballot is to be mailed to him. If the ballot is furnished to the voter by any method other than by mailing it to him, or if it is mailed to any address other than one of the foregoing, it shall be void and shall not be counted. The marked ballot must be mailed to the clerk, and if returned in any other manner, it shall be void and shall not be counted.

Qualified voters who apply for an absentee ballot on the ground of expected absence from the county and who are absent from such county at the time of applying for an absentee ballot and expect to be absent from such county during the clerk's regular office hours, must mail in their request. The clerk shall not mail a ballot to any such voter unless the envelope in which the application is received is postmarked from a point outside the county, and the ballot must be mailed to the voter at an address outside the county.

Unless these rules are followed when applying for an absentee ballot, the clerk cannot send one.

The largest family in the world belonged to Mr. and Mrs. Fyodor Vassilet of Russia. At the time of Mrs. Vassilet's death, they had a total of 69 children. They were made up of 16 pairs of twins, 7 sets of triplets, and 4 sets of quadruplets. Mrs. Vassilet was so renowned that she appeared in the court of Russia's ruler, Czar Alexander II.

Go Mighty Moguls!

Local P.C.A. Office Loses Manager, Gains Loan Officer

The Rolling Plains Production Credit Association has announced that Mike Sloan, Vice-President and manager of the Munday Rolling Plains P.C.A. office, is being promoted to the Central Office of P.C.A. in Stamford, effective November 1, 1984.

Mike is a 1978 graduate of Abilene Christian University, with a degree in Agriculture Business. He was first employed by the Federal Intermediate Credit Bank of Texas in June of that year. In August of 1978, Mike was employed by the Childress P.C.A. office and served there as a loan officer before moving to the Munday office in January of 1979. Mike has been manager of the Munday office since April, 1981.

Mike has been very active in church and civic affairs since his move to Munday and is now currently serving as vice-president of the Chamber of Commerce, secretary of the Knox County livestock show board, and a member of the Brazos Valley Young Farmers Association.

Mike and his wife, Tammy, have two children, Dustin age 4, and Krista, 3 months. They are members of the Munday Church of Christ.

The people of the Munday area will miss Mike and Tammy to a great degree, and the Stamford residents are anxiously awaiting their arrival. Mike's office personnel, along with the Munday and joining communities, wish him and his family the very best this new opportunity has to offer.

Mike's promotion will result in Bobby Sosolik, current loan officer

for the Munday P.C.A. office, moving up as manager of the local office. Bobby's position as loan officer will be filled by Gary D. Decker, a Munday native, effective November 1, 1984.

Gary graduated from Munday High School in 1977 and attended Tarleton State University, graduating with a B.S. degree in Agriculture Education in 1980. He taught vocational agriculture for three years in the Lewisville Independent School District, and has been the Vocational Agriculture teacher for the Munday I.D.S. for the past year.

Gary is presently serving as a member of the Munday volunteer fire department, a director of the Chamber of Commerce, a member of the Brazos Valley Young Farmers Association, serving on the United Way fund drive, and is a city councilman for the City of Munday.

Gary's wife, Connie, is a teacher employed by the Munday Independent School District, and they have a son, James Michael, four months old.

The Rolling Plains Production Credit Association welcomes Gary to the association, and the Munday area welcomes him in his new position.

Visiting Mr. and Mrs. Chester Lain during the weekend were Mr. and Mrs. George Spann and Cheryl and a friend, Joey, of Ennis, and the Danny Lain family of Goree.

PUBLIC NOTICE

Lone Star Gas Company, in accordance with the Gas Utility Regulatory Act, hereby gives notice of the Company's intent to implement a new schedule of rates for natural gas service to be charged to the residential and commercial consumers in the City of Goree, Texas, effective November 6, 1984.

The rate schedule is expected to furnish a 5.82 percent increase in the Company's revenues from residential and commercial customers in the City of Goree, Texas.

A Statement of Intent has been filed with the City of Goree and is available for inspection at the Company's business office located at 126 West Main, Munday, Texas.

Lone Star Gas Company

MARK REED OF MUNDAY is shown here on the Lyle Stodgill farm east of Munday last Thursday, October 18, before he began stripping his first cotton of the year. This patch of cotton resembled a snowy field

and is expected to produce between 2½ and 3 bales to the acre. An exact figure was unavailable at press time because they were not finished ginning.

Cotton Harvest Begins In Munday

Mark Reed of Munday began harvesting his 1984 cotton crop last Thursday, October 18. Harvesting began on the Lyle Stodgill farm east of Munday. This farm consists of 52 acres of Cascot C-13 which was planted on May 23. This particular patch of cotton was planted as a seed block for Abell Ag.

After preparation for planting was completed, Treflan was applied for weed control. This cotton crop was watered six times and sprayed with Pix to shorten the joints between the blooms. It was treated four times with insecticide.

Before stripping could begin, Def and Prep were applied to drop the leaves and assist the stem in drying out. Acid was applied to kill the plant.

This cotton was expected to yield better than two bales to the acre.

Spooks And Goblins To Be On The Prowl

Halloween will soon be upon us again and we would like to give you some tips to help make this a safe Halloween for everyone.

Purchase or design costumes so that children can walk easily without tripping. Reflective tape should be applied to costumes and candy sacks. Masks, wigs and beards should not obscure vision. Facial makeup is preferable.

Always accompany your child and stay near well-lighted houses and apartments in familiar neighborhoods. Stay on sidewalks, but if you must walk in the street, remember to walk on the left side of the street facing traffic. Equip youngsters with flashlights. This enables them to see better and to be easily visible.

Be sure and check all treats when children return home. Discard unwrapped or loosely wrapped candy. Wash fruit and slice it into small pieces, checking for inedible additions.

If you are driving, remember that Halloween is an exciting night for children. Drive slowly and with extreme caution through neighborhood streets. Be on the look out for kids darting into the street from between parked vehicles.

Adults also need to make their property safer for Halloween visitors by sweeping and clearing away any obstructions from sidewalks, driveways, and porches and by turning on the porch light.

With adult awareness and planning, the night of ghosts and goblins can be a happy time unmarred by accidents or willful destructiveness.

Birthdays And Anniversaries

October 30 - Alice Andrade, Barry D. Therwhanger.

October 31 - Amy Huffman, Bill Kingston, Henry Ramirez, James Gass.

FHA Accepting Emergency Farm Loan Applications

Applications for emergency farm loans for losses caused by this summer's drought and extremely high temperatures are being accepted at the Farmers Home Administration (FmHA) office located in Knox City, FmHA County Supervisor Joe T. Boone said recently.

Knox County is one of 68 in Texas recently named by Secretary of Agriculture John R. Block as eligible for loans to cover part of actual production losses resulting from the drought.

Joe Boone said farmers may be eligible for loans of up to 80 percent of their actual losses, or the operating loan needed to continue in business, or \$500,000, whichever is less. For farmers unable to obtain credit from private lenders, the interest rate on the first \$100,000 bor-

rowed is 5 percent; interest rate is 8 percent on the balance borrowed over that amount. For farmers who can obtain commercial credit but who choose to borrow FmHA, the interest rate is 13.75 percent.

As a general rule, a farmer must have suffered at least a 30 percent loss of production to be eligible for an FmHA emergency loan, Boone said. Farmers participating in the PIK or federal crop insurance programs will have to figure in proceeds from those programs in determining their loss.

Applications for loans under this emergency designation will be accepted until June 3, 1985, but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and possibly carry over into the new farming sea-

son, Boone said.

FmHA is a credit agency of the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farming for a substantial part of their living. Eligibility is extended to individual farmers who are U.S. citizens, and to farming partnerships, corporations or cooperatives in which U.S. citizens hold a majority interest.

The FmHA office in Knox City is open from 9:00 a.m. to 5:00 p.m. Monday through Friday.

Reminder For Senior Citizens

There will be a singing night held at 7 p.m. Thursday night, October 25, at the Munday Community Center for the Senior Citizens.

Call in your locals by Tuesday noon at 422-4314.

COOPERATION KEEPS AMERICA STRONG AND FREE

"The Capitol is the cornerstone of our government. It has been my pleasure to serve with three presidents there during the time I have been your congressman. Two were Republicans, one a Democrat. I have helped each of them when I could, consistent with my own responsibility to represent the people of this district, not hesitating to be a part of the loyal opposition when I thought they were wrong. Regardless of who is president in the future, I will continue to serve with, and help him, whatever his name or his party, in order that America may remain strong and free."

CASCOT C13 is the variety of cotton shown here on the Lyle Stodgill farm east of Munday before stripping began last Thursday, October 18. This field of cotton

was irrigated and is expected to yield more than two bales to the acre. Mark Reed of Munday grew this particular crop as a seed block for Abell Ag.

Area Grid Roundup

HAMLIN PERSISTS OVER HAWLEY

In a game plagued with 13 turnovers, Hamlin kept its win streak intact with a 28-0 defeat of the Hawley Bearcats.

Coy McGee, Jerry Wood and Mike Howerton scored touchdowns for the Pied Pipers and Jeff Lawlis kicked the extra points. Hamlin leads District 7-AA and is ranked in state football polls.

SEYMOUR LOSES TO HENRIETTA

It was the fourth straight win for Henrietta, as the Bearcats took a 27-7 win over the Seymour Panthers, who dropped their third game in a row. The Panthers are 2-5 overall and 1-3 in district action, while Henrietta is 4-0 in district and 5-1-1 for the year.

The Bearcats scored on their first possession, as Roger Whatley made his first touchdown from the six. Whatley rushed for 119 yards on 23 carries, and scored again on his team's second possession. The third Bearcat touchdown came on a Rodney Chapin pass to Randall Villareal in the second quarter.

Seymour scored in the same quarter, with Corey Daniels carrying the ball across the goal and Ernest

Curley kicking the point after.

Jeff Scott scored late in the game for Henrietta.

VALLEY COMES BACK, BEATS KNOX CITY

Three second quarter touchdowns by the Valley Patriots wiped out an early 15-0 lead by Knox City, and helped the Patriots take a 34-15 win in their district 3-A game Friday.

Willie Robinson scored both of Knox City's touchdowns. Passes from Tim Clardy and Kirk Saul to Matt Barnett and runs by Clardy and Barnett spelled defeat for the Greyhounds. Knox City is now 1-6 in 1984 and 0-2 in league play, while Valley is tied with Aspermont for the 3-A west zone lead with two district wins.

WINDTHORST WINS ON SAFETY

This one wasn't much fun for the fans, but it was a fine defensive contest between Windthorst and Chillicothe, with the Trojans making two points count.

Ray Steinberger tackled the Eagles' Kyle Jones in the end zone during a pass attempt in the second quarter, and the resulting two-point safety won the game for the Trojans. Although Windthorst controlled the ball, neither offense was

able to sustain any successful drives.

BRYSON SHUT OUT BY ARCHER CITY

Beau Henry, Mark Teichman and Steve Wright scored for Archer City as the Wildcats defeated winless Bryson 29-0 Friday night. Archer City is tied with Munday with a 2-0 district 3-A east zone record.

Henry was the game's leading rusher with two touchdowns. Robert Stallcup added a field goal for Archer City.

Coach Edwards Comments

We played a tough, hard hitting, physical game against Throckmorton. The guys did an excellent job of blocking on the defensive line. Greg Urbanczyk and Hollis Adams had an outstanding game. Coach Edwards is quoted as saying "Greg and Hollis ate 'em alive!"

The Moguls played conservatively and had no big offensive turnovers thus enabling them to control the ballgame. The Greyhounds tried to single block the offensive line with no success so Munday was able to run up the middle with ease.

We expect the upcoming game against Chillicothe to be tough but hopefully we can come out on top in this contest.

The junior varsity did not see any action this past week, but should be in top form for the game Thursday night against Hamlin. The game is scheduled for 5:30 p.m. at Hamlin.

The junior high team lost to Throckmorton in a 38-8 win for the Greyhounds. The junior high team is hoping to add to their win record with Thursday night's game against Chillicothe at 6 p.m. in Chillicothe.

After examining all records, it was decided that the world's worst driver was really a man. His name was not given, for obvious reasons! Within a period of 20 minutes, he committed four hit-and-run offenses, drove on the wrong side of the road four times, and caused six automobile accidents. For his efforts, he received ten free tickets to traffic court.

It Happened In ★ 1971-72 ★

The following articles were taken from the 1971 and 1972 issues of the Munday Courier.

PHYLLIS HARPER, FLOYD REED JR. EXCHANGE VOWS HERE

Phyllis Jo Harper and Floyd Luther Reed Jr. exchanged wedding vows Thursday, December 23, 1971 in the bride's home with Rev. H. B. Graves officiating.

Presented in marriage by her father, the bride wore a blue velvet street length dress. An arch was decorated with break front fern with wedding bells in the center adorned with a white satin bow and flanked on either side by poinsettias.

The wedding was followed by a reception in the home of the bride.

The couple will live in Wichita Falls and attend Midwestern University where the groom is a sophomore.

RALPH CYPERT OPENS AUTO REPAIR SHOP

March, 1972

He's back in his home town, back at his old trade, back kidding and making fun with his friends and giving them prompt and efficient service.

He's been kinda galavanting around since quitting his trade in Munday several years ago. He has worked in Graham, Seymour and

Haskell, and most of the time has been service manager for an auto agency. He got tired of commuting, as he continued to make his home in Munday part of this time.

So he's opened his own business. He is located in the rear of the old H & H Tobacco and Candy Co. building, and he has all the necessary equipment to give most any type of repair service on automobiles and trucks. He wants you to come visit him - bring him those old sick autos and trucks for a healthy shot in the carburetor or pistons so's they'll continue to give you service.

His name is Ralph Cypert; he has opened Ralph's Auto Repair and ready to serve the motoring public.

You don't have to be told about Ralph and the type of service he gives. He grew up in this area, and he's worked on a heap of autos (maybe yours) during his lifetime. Give him a welcome back home - and a portion of your business.

W. BELLINGHAUSEN HAS CLOSE CALL

1972

Wilfred Bellinghausen had a call "too close for comfort" shortly after twelve o'clock Monday. He's thankful that he escaped injury.

He was travelling west on Main St. when he went around a car backing out from Beauty's Grocery. As he pulled back into the right lane, he discovered a telephone company truck loaded with poles had stopped suddenly to make a left turn.

Traffic was approaching on the left, there wasn't room to get by on the right, so Wilfred set his brakes and ducked. A telephone pole went through his windshield, but Wilfred had ducked in the right direction.

And a thankful driver crawled out to survey damage to his pickup!

WINS IN CONTEST

David Lynn Johnson, ten-year-old son of Mr. and Mrs. Leon Johnson, was a winner in the area "Pitch, Hit and Throw" contest in Wichita Falls on June 11, 1972. He will advance to the district level on Saturday, June 17, in the Ranger Stadium in Arlington.

Exxon Station Opens Under New Management

Monday, October 22, the Exxon Station located on north Highway 277 opened its doors for business under the management of Jimmy and Alice Armstrong. The station will be open from 6 a.m. to 9 p.m. Monday through Saturday and 8 a.m. to 5 p.m. on Sundays. There will be a mechanic on duty from 7 a.m. to 5 p.m. Monday through Saturday.

Jimmy, who is a native of Virginia, comes to Munday with 20 years experience in the service station business. He will be available for work on all types of cars and trucks. Jimmy is also experienced with diesel motors.

Alice, a former Munday resident, is the youngest daughter of Mr. and Mrs. Earl McNeill. We welcome the Armstrongs to our community and wish them the best of luck with their new endeavor.

Knox County Konections

L. JANE LOCKNANE
COUNTY EXTENSION AGENT - HOME ECONOMICS

This week is recognized as Energy Awareness Week. Home energy savings improvements help you save money and make money. The following home investment checklist can get you on your way to these savings:

1. Attic Insulation - Check to see if your attic has recommended levels of insulation for this area. If not, invest in additional insulation.
2. Heating/Cooling System - Clean or replace filters as needed. Close doors and vents in unused rooms. Insulate ducts and pipes in unheated spaces.
3. Exterior Walls - Consider adding insulation when remodeling or residing your house.
4. Water Heaters - Lower the thermostat on this big energy user. Install insulation wrap and flow restrictor shower heads and faucets.
5. Windows and Doors - Consider installing storm windows, doors, or double-paned glass to keep in the heat and air-conditioning.
6. Appliances - Fully load clothes and dishwashers. Keep refrigerator door closed.
7. Floors and Foundation Walls - Check for adequate insulation under floor, around basement, crawl space and foundation walls.
8. Thermostat - Consider a clock thermostat with automatic night setback. It will save you money. Keep temperatures at 65 degrees in winter and 5 degrees lower when sleeping or away. Higher temperatures are recommended for homes with sick, elderly or infants. Set at 78 degrees in summer.
9. Weather stripping/calcing - Locate air cracks around doors, windows and other openings where outside air is infiltrating into your home. Seal them with caulking or weather stripping for quick payback.
10. Sunlight - Let the sunlight in during the winter and keep it out

during the summer. Drapes, shutters, awnings, shade trees, glass with reflective film and solar screens help reduce energy loss.

All of these investments to save energy are valuable. You'll get your money back, you'll enjoy more comfort and the value of your house will increase.

With Halloween pumpkins in abundance I though you might enjoy the following.

PUMPKIN ROLL

- 3 eggs
- 1 cup sugar
- 2/3 cup cooked, mashed pumpkin
- 1 teaspoon lemon juice
- 3/4 cup all-purpose flour
- 2 teaspoons ground cinnamon
- 1 teaspoon baking powder
- 1/2 teaspoon salt
- 1 teaspoon ground ginger
- 1 teaspoon ground nutmeg
- 1 1/4 cups powdered sugar, divided
- 1 (8 oz.) pkg. cream cheese, softened
- 1/4 cup butter or margarine, softened
- 1/2 teaspoon vanilla extract

Beat eggs 5 minutes at high speed of electric mixer. Gradually add sugar, beating well. Stir in pumpkin and lemon juice.

Combine flour, cinnamon, baking powder, salt, ginger and nutmeg; add to pumpkin mixture, and blend well. Spoon batter into a greased and floured 15 x 10 x 1-inch jellyroll pan, spreading evenly to corners. Bake at 375 degrees for 15 minutes.

Turn cake out onto a towel sprinkled with 1/4 cup powdered sugar. Beginning at narrow end, roll up cake and towel together, jelly-roll fashion; cool.

Combine 1 cup powdered sugar, cream cheese, butter, and vanilla; beat until smooth and creamy. Unroll cake, and spread with filling. Roll cake up again; chill, seam side down. Yield: about 10 servings.

Child Safety Seat Ruling Is Effective October 31

In June, 1984, the Texas Legislature passed a ruling requiring mandatory usage of child safety seats beginning October 31, 1984.

The new law will require residents of Texas to transport children up to two years old in federally approved child safety seats and children from two up to four years old in the child safety seats or safety belts.

Fines of \$25 to \$50 for noncompliance will be assessed beginning January 1, 1985, though the law takes effect October 31, 1984. The law provides for dismissal of a fine if the person shows proof of acquisition by purchase, loan, or rental within 10 days after the offense. The law applies to passenger cars and light trucks. Exempted are persons

transporting children for hire and persons transporting a child in a vehicle in which all seating positions equipped with child passenger safety seat systems or safety belts are occupied.

Federally approved child safety seats are required to show the date of manufacture and required to include the manufacturer's instructions.

The current crash standard was implemented in January, 1981, so consumers should look for seats manufactured on or after that date.

Have a nice day!

IN TOUCH

BY JIM WAY
FIRST BAPTIST CHURCH

Halloween

Do you know that Halloween is a Christian holiday, like Christmas and Easter? If not, it may be because we still celebrate it with non-Christian customs connected with the same date from long ago. Before Christ was born, for example, the Druids in Ireland, Scotland and Wales honored their "god of the dead" on October 31. This date was their New Year and they celebrated the gathering of their harvest. Later, these practices were mixed with those of the Roman feast honoring Pomona, "goddess of fruit".

Our celebration of Halloween clearly follows many practices based on the beliefs of these pagan religions. The Druids believed that some women, who had sold themselves to the devil, rode through the skies on broomsticks, while others turned into black cats. They also believed that the souls of the dead returned on this night (ghosts). In some places, men wore costumes and masks to frighten these ghosts away from their villages. They also set bonfires and told stories of the weird sounds and mysterious sights they had experienced. Thus began the witches, black cats, masks, costumes and ghost stories still connected with this date.

The pumpkin is also connected with these pagan practices. It was believed that a man named Jack, who was stingy and drank too much, played a trick on the devil. The devil sentenced him to walk alone the rest of his life looking for a resting place. To help light his way, the devil tossed Jack a red-hot coal which he put inside a carved-out turnip and used for a lantern. In later years, the pumpkin replaced the turnip as a "Jack-O-Lantern".

After Christianity spread widely in the world and October 31st was given a new meaning, the enemies of the church made fun of Christians by worshipping the devil on Halloween. They set skulls on pretended altars and painted white crosses on church walls. Skeletons and tricks are still a part of Halloween to this day.

Since Christ has freed us from the powers of death and evil, is it right for Christians to continue following

customs of fear, superstition and death? Halloween has a happy meaning for us. Shouldn't our celebration reflect *our faith* rather than the beliefs of ancient pagans?

What does Halloween mean for Christians? We get a clue from the word itself. The first part, Hallow, means "To set apart as HOLY". We use it in the Lord's Prayer when we pray "hallowed by Thy Name". (There we ask that God's Name may be set apart from common use and kept to refer to God alone.) The last part, een, is short of evening or eve. We use it for Christmas Eve. Halloween, then, means Holy Eve, the night before a Holy Day.

What day is that? We go back to the 8th Century for our answer. Gregory III set aside November 1st on the Church Calendar to honor all the Saints who had no special day of their own, as St. Patrick, St. Valentine and others had. We call it *All Saints Day*. It's a kind of Christian Memorial Day, when we honor and remember the lives and examples of faithful Christians who are now with Christ in Paradise. When November 1st became All Saints Day, the night before became a "Hallowed eve", a night to prepare for the meaning of the coming Holy Day.

What we have today in most Halloween observance is a replica of the ungodly pagan practices. Halloween has become a night of fear and evil. Perhaps creative Christians can come up with some alternative ways of providing fun times for children, youth, and even adults without adopting pagan superstitions. I am sure our children would be much more safe and secure if we would.

Haunted House

The Benjamin Volunteer Fire Department will be sponsoring a "Spook House" for Halloween.

The Spook House will be open for tour by area ghosts and goblins at 9 p.m. on Friday, October 26, and at 7 p.m. on Wednesday and Thursday, October 30 and 31.

The Spook House will be located two blocks north and two blocks south of the intersection of Highway 82 in Benjamin. It can be identified by a rotating beacon on the roof.

MR. AND MRS. RAMON GARCIA exchanged wedding vows Saturday, October 20, 1984 before a Justice of the Peace in Knox City. The bride is the former Marcia Torres of Honduras. The couple was honored with a reception in the home of Mr. and Mrs. Otis Spann in Munday following the ceremony.

Police Report

By Police Chief Saffel

The Police Department would like to say thank you to the Munday and Knox City folks for their outstanding conduct at the homecoming football game. We would also like to thank the Law Enforcement Explorers, who did a fine job of patrolling the parking lots. This year is one of the first in which we have had no reports of vandalism during or immediately after the game. We would also like to thank the Munday reserve police officers and the other officers who assisted at the game.

Between October 1 and October 14, the Police Department issued 17 traffic citations and nine warnings. We helped two motorists, assisted the Department of Public Safety with a traffic accident and conducted a safety program at the elementary school. One subject was arrested for driving while intoxicated.

One suspicious person was investigated, as were two prowler calls, and one dog warning was given. We also investigated one reported assault, but charges have not been filed at this time.

Awards Program Discussed At Local 4-H Club Meeting

The Munday 4-H Club met Tuesday, October 16, in the basement of the First United Methodist Church. The meeting was called to order by president Angie Offutt.

The 4-H motto was led by Kacy Longan and the 4-H prayer was led by Kathy Wilde. The upcoming awards program was discussed and the group recognized those individuals who showed at livestock shows during the year.

The club has been collecting money to contribute to the new State 4-H Center being built in Brownwood. They turned in their money at this meeting and had a grand total of \$61.00.

Refreshments were furnished by Tessa Kiser and Dixie Reid. The meeting was adjourned by Angie Offutt.

Your boss is on the intercom. He's having chest pains.

DESTRUCTION OF THIS LARGE shade tree is another reminder that progress is being made on the removal of the old city hall. This particular tree is being removed to make way for a parking lot which will be located adjacent to the new city hall building when it is completed.

City Council Approves Bid On City Hall Construction

The City Council of the City of Munday, Texas met in special session at 7 p.m. on Monday, October 15, at the Munday City Hall.

Members present: Mayor Doris Dickerson and Aldermen Garon Tidwell, Richard Albus, Jessie Tucker and Gary Decker.

Members absent: Von Marr. Mayor Dickerson called the meeting to order. Minutes of the October 5 special meeting and October 9 regular meeting were read. Albus moved for minute approval as written. Tidwell seconded. All for.

John Lee Wilde, low bidder on Munday City Hall and fire station building met with the Council. Roof pitch, facade, alternates, bricking of additional area, etc., were discussed at length. Wilde explained various costs, facade heights, additional facade costs, additional brick of fire station area costs, additional metal needed, etc.

After further lengthy considerations, the motion was made by Albus that the following be approved for construction of the new city hall and fire station;

The base bid of \$143,800 remains as previously approved: Alternate No. 1 (additional) wall and insulation in fire station remain as accepted, \$1,120; Alternate No. 2 (cedar shakes on facade) remains as accepted, \$2,700; Alternate No. 3 (glass in overhead doors) in fire station be accepted, \$950; roof pitch on metal buildings are to be increased to 1" on 12" instead of 1/2" on 12"; brick is to be added to 10 ft. x 40 ft. walls on east and west end of fire station with brick ledge on north side of fire station approximately 4 ft. in height to be added; facade 6 ft. in height is

to be added to 40 ft. x 12 ft. walls on fire station - front fire station facade (adjacent to city hall) is to be increased in height to 6 ft. - facade on city hall to remain at 5 ft. in height - all facade to have cedar shakes installed. Additional cost for 5 1/2" brick ledge below floor line is \$100. All other materials and labor turn-key complete, not specifically set out above, is \$9800. New total for contract, turn-key completed with additions as set out - \$158,470. The Wilde contract is to be altered with addendums as set out above.

Decker seconded the motion. Voting for acceptance of above were Albus, Decker, Tidwell and Tucker. Noes, none. Carried.

Item 2 was tabled for further consideration. Tidwell moved to adjourn. Tucker seconded. All for.

Chili Cook-off Slated Saturday

The second annual Fall Festival and Chili Cook-off will be held Saturday, October 27, at the David Albus farm north of Knox City. This event is sponsored by the Knox City Chamber of Commerce and will be an all day affair.

Activities will include a Miss Chili Powder contest along with a horse-shoe pitching contest and other games. A concession stand will also be open.

Everyone is invited to come out and join in the festivities.

Go, Mighty Moguls!

Lee Snailum is now a resident of Heritage Home in Plainview. Lee has been a patient in a Plainview hospital for several weeks but was able to leave last week. His new address is: Lee Snailum, c/o Heritage Home - Room 39A, 2510 W. 24th, Plainview, TX 79072. Send Lee a card or a cheery note - it will make these long, dreary, wintery days pass faster.

HALLOWEEN DOINGS

Plans for the Halloween carnival are almost complete. Janice Tolson has made a few changes in the bingo committee. If you haven't been notified and see your name here, better call Janice - she may have a "job" for you. The committee members are:

Buddy and Janice Tolson, Raul and Reyes Barrientez, Sue and Davy Oxford, Martha and Kerry Cash, Jan and Homer Ralston, Laura and Dicky McCanlies, Jan and Steve Wilson and Rick and Myra Busby.

A coronation of "Harvest Royalty" will follow the carnival. Each class will have representatives. I do not have the junior and senior candidates, but the rest are as follows:

Kindergarten, Chrystal Hibdon and Tom Lyles; first grade, Michelle Conner and Jason Patterson; second grade, Bonnie Bohannon and Jason Simmons; third grade, Stephanie Conner and Robert Estrada; fourth grade, Kate Grill and Lonnie Vincent; fifth grade, Jennifer Ralston and Wesley Cash; sixth grade, Rebekah Duke and Tres Pierce; seventh grade, Nora Balones and Bryan Busby; eighth grade, Sandra Balones and Shane Simmons; ninth grade, Lori Ralston and Kemp Jones; tenth grade, Sue Gideon and Lonnie Bohannon.

You will be given a ballot when you enter the door to attend the carnival. Be sure to vote for your favorite candidate. Also if you are asked to buy a chance on any of the class give-aways, be sure to do so. And don't forget to attend the carnival Saturday night, October 27, in Benjamin.

HERE 'N THERE

Jan Pollock and Clodell Duke were business visitors in Abilene Friday.

Steve and Linda Kerns of Wichita Falls were weekend guests of her sister and family, the Randy Hibbons.

Wanda West and her father, "Hooed" Clarke of Cisco, visited Edith West and the Leroy Wests a couple of days last week.

Weekend guests of Bea Parks were Eula Greer and Fern and Buck Jeffries of Dallas.

John and Wendy Matus of Mergargel visited her mother, Jan Pollock, Saturday night and Sunday.

Recent guests of Kenneth and Jessie Roberts were Mr. and Mrs. Jodie Roberts of Clovis, N.M.

Hes and Louise Hall are visiting his brother and family, the Clarence Halls, in Plainview a few days.

Audrey Nolan is spending several days with his sons and their families in Midland and Odessa.

Wayland and Florence Draper of Powderty, TX were recent guests of Ozelle and Galen Kilgore.

Bill and Lorene Powers and granddaughter, Shelly Jo Powers of Midland, were weekend guests of Clarence and Maudie Clower.

Services Held For Ira Bowden On Friday, October 19

Ira Louis Bowden, 81, a retired farmer of Munday, died at 11:35 a.m. Wednesday, October 17, at Haskell Memorial Hospital.

Services were held at 2 p.m. Friday, October 19, at First United Methodist Church in Munday. Rev. Russell Byard, pastor, officiated. Burial was at Johnson Memorial Cemetery, directed by McCauley-Smith Funeral Home.

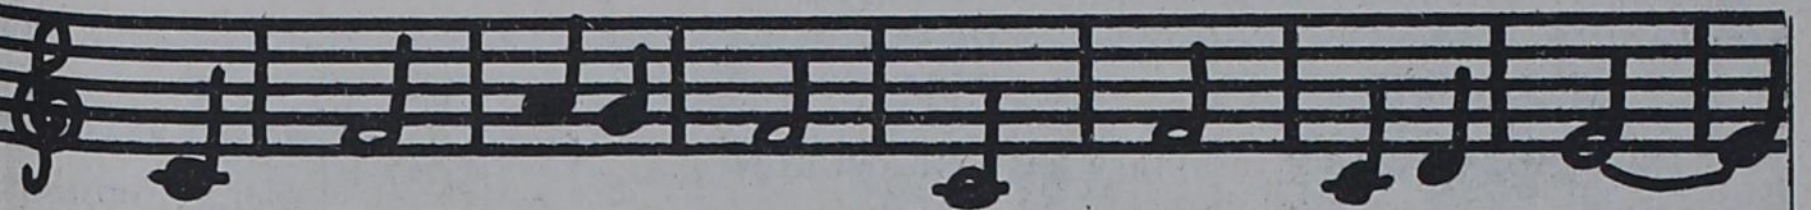

Born January 18, 1903, in May, he moved to Knox County in 1909. He married Grace Nelson on March 4, 1933, in Munday.

A member of the First United Methodist Church in Munday, he had been a Shriner for 59 years. He was a Knight Templar in the Masonic Lodge and a member of Knox Lodge No. 851.

Survivors include his wife; a brother, B. B. of Munday; and several nieces and nephews.

Pallbearers were Travis Lee, Garon Tidwell, Gary Tidwell, Bonner Bowden, J. B. Booe and John R. Rayburn.

The annual harvest of an entire coffee tree is required for a single pound of coffee.

JUDGES ATTEND SEMINAR: Ninety-six justices of the peace attended a 20-hour Texas Justice of the Peace Training Center seminar September 11-14 in Amarillo. The training center is based at Southwest Texas State University in San Marcos. The seminars are held in compliance with Article 5972, Section B, of the Texas Revised Civil Statutes. Among the judges attending were, from left, Don Griffith of Precinct 2, Benjamin, and John L. Phillips of Precinct 4, Munday.

Scruggs Honored Saturday At ACU Dedication

Guy Scruggs of Abilene was honored Saturday, October 20, at the ACU Homecoming activities. The university named the double gymnasium in Gibson Health and Physical Education Center as Scruggs Gymnasium.

During his 40-year career at ACU, Scruggs was head coach in baseball, tennis, badminton and assistant coach for virtually all other sports. He also was coach, teacher and principal at Abilene Christian High School. Although he officially retired in 1971, Scruggs still frequently visits ACU from his home near the campus.

From very humble beginnings in Munday, Scruggs rose to fame as a semi-pro baseball star in 1923. The St. Louis Cardinals offered him a contract to pitch in the National League. But when the major league offer came, Scruggs turned it down. "I didn't think I was that good," he

said, "and I already had a job teaching in Munday so I didn't report. And I'm glad I didn't."

In May, 1924, Batsell Baxter, president of Abilene Christian, was in Munday to speak at high school graduation. During dinner, he suggested that Scruggs and his wife, Bess, come to ACC that fall and teach. They accepted the offer, and the rest is history.

In honor of his dedication to the young people through sports and physical education, Munday honored him many years ago by naming the local football field, Scruggs Field. Although he left Munday, his name remained as a reminder to the many generations of athletes to come.

Until 1796, there was a state in the U.S. called Franklin. Today it is known as Tennessee.

Farm And Ranch Report

DAVID TUNMIRE
COUNTY EXTENSION AGENT-AG

Act Now For Blooms At Christmas

A gift often given at Christmas is the Christmas cactus. In December when these plants are so popular the store shelves are often lined with red and white flowering Christmas cactus.

Maybe you received or purchased a Christmas cactus two years ago and it never bloomed again. If it did bloom, it may have been closer to Valentines day than Christmas. Last year's Christmas cactus recipients could also be in the same fix this year.

October is the month to begin preparing your Christmas cactus so you can be assured blooms for the holiday season. These plants need a six weeks' rest period prior to bloom.

Plants need to be kept in a cool place until the flowerbuds are set. Temperatures higher than 55 degrees will often prevent or delay flowering.

During this rest period the plants should be given little or no artificial light. This light could result in delayed or no bud formation. Also, water just enough to keep stems from shriveling.

Move your Christmas cactus to a warm window about mid-November. These plants will bloom for several weeks. Keep the soil moist at this time and fertilize lightly once a month. This will help assure you a flowering holiday season.

Cotton Entries For 1985 Show

The 1985 Cotton Show will be January 7-8 at the Wichita Falls Activity Center. Producers interested in entering need to contact David Tunmire, Knox County Extension Agent, at 454-2651.

An entry will consist of one whole plant from the field and data from the harvest of 13.1 foot of row. All

yields will be calculated on the basis of land area, not planted area, and on forty inch row spacing. All entries must be collected under the supervision of the county Extension agent.

Prizes will be awarded for the top dryland and irrigated cotton entry.

Saving Fallen Pecans

That strong wind last week sure played havoc with the pecan crop. Many homeowners now have as many pecans in their yards as they do in their trees.

Mary Welch of Gilliland gathered a five gallon bucket full from just a couple of her trees. While Leta Mangis of Knox City picked up a grocery sack full from one tree.

One question which comes to mind with that many green pecans on the grounds. Is there anything I can do to save these pecans?

Only a small amount of the pecans which were blown off can be saved. It all depends on the stage of maturity the nut was in. If the nut can be peeled from the shuck it can be saved. Generally you will only be able to peel the pecans with the shuck split.

After Welch and Mangis have removed the shucks they will lay out the pecans to dry naturally. Do not try to dry these pecans artificially.

The time it takes to dry these nuts

will vary. They should be ready to crack about the time the remaining pecans begin to drop from the tree. Crack one to check the progress.

Animal Health Week Set October 22-28

The week of October 22-28 has been proclaimed as "Animal Health Week in Texas" by Gov. Mark White.

The observance is timed to coincide with the 88th Annual Meeting of the U.S. Animal Health Association in Fort Worth. This meeting is expected to bring some 850 animal health leaders of Texas and the nation to Fort Worth.

The history of present animal health organizations goes back to 1897, when representatives of livestock sanitary boards from Illinois, Nebraska, Kansas, Missouri, Colorado, Texas and what was then the Oklahoma Territory met in Fort Worth with leaders of the Bureau of Animal Industry. An organization, a forerunner of the current U.S. Animal Health Association, was founded with the goal of controlling and eradicating contagious and communicable disease in domestic livestock.

Veterinarians and researchers with the Texas Agricultural Experiment Station and veterinarians with the Texas Agricultural Extension Service will take part in the U.S. Animal Health Association meeting. Other faculty and staff from the College of Veterinary Medicine, Texas Veterinary Medical Diagnostic Laboratory and Animal

Science Department at Texas A&M University will take part in sessions which will cover a broad area of animal health concerns.

Mr. and Mrs. Don Carter of Roswell, New Mexico, Velma and Benny Melton of Granbury, Thelma King of Haskell and Rheasa and Danny Stocks of Abilene visited the Hub Fords over the weekend.

Mrs. Daisy Gaither returned home Friday after a visit with her son, Leon Looney and family, in Garland. She also visited a nephew, Gerald Mayo, in Garland, and a brother, E. R. Mayo, in Copeville.

CLIFFORD CORNETT, Vice Chairman of the Wichita-Brazos Soil and Water Conservation District, is shown inspecting the evergreen seedlings available through the SWCD Windbreak Planting Program. Trees this size can be ordered now for windbreak plantings on area fields, feedlots, farmsteads or homesites. Orders are taken on a first come - first serve basis at 658-3526.

Weinert Bulldogs Roll Over Bobcats

Behind the strong arm of Shannon Forehand and the fast feet of Ricky Perez, the Weinert Bulldogs cruised to an easy 60-30 win over district rival Rule Bobcats. The Bulldogs extended their record to 5-1, 2-0 in district and the Bobcats fell to 0-5-1, 0-2 in district.

However, it was Rule who scored first when Jack Workman ran back the opening kickoff 72 yards for a touchdown. On the following possession the Bulldogs came back and scored on a Ricky Perez four-yard run. After a Rule punt, Fore-

hand connected on a 32 yard pass to Ricky Perez. Perez scored again in the first quarter on a 6 yard run to make the first period score 16-6 in favor of the Bulldogs.

The second quarter opened up with a Forehand to Louis Perez 25 yard touchdown pass. The half came to an end with the Bulldogs ahead 28-6.

The third quarter scoring opened on a 16-yard run by Ricky Perez. Forehand began his aerial attack on the Bobcats by passing for three more touchdowns, two passes to Johnny Perez and one to Ricky.

Rule added to their score in the second half with two touchdowns by Glendale Vanderbilt and one touchdown by Clayton Sorrells. Workman kicked three extra points.

The game ended with a Bulldog victory 60-30 over the Rule Bobcats. Final stats showed that the Bulldogs had a balanced attack gaining 242 yards on the ground led by Louis Perez' 106 yards on 17 carries, and brother Edward Perez' 85 yards on 14 carries. Forehand was near perfect, passing 7 for 9 for 175 yards and 5 touchdowns. Louis Perez kicked 6 of 8 extra points.

The Bulldogs journey to Lueders-Avoca Friday night to take on the Raiders in another 4-A, 6-man game.

Subscriptions Due In October

Please note the increase in subscription prices when sending in your renewals. One year in Knox and adjoining counties \$8.50; one year in Texas \$10.50; and one year elsewhere in the U.S. \$11.50. Newsstand sales will remain 25¢ per copy plus sales tax. (Subscription prices include the sales tax which went into effect October 2, 1984.)

Friday night visitors in the home of Mrs. Daisy Gaither were Carol Looney and Cindy of Garland, Mrs. Felton Jackson and Marguerite Gray and Angela of Goree, Mrs. Randy Benge of Seymour and Mrs. Ronnie Hardin of Post.

FmHA To Aid Farmers In Debt Restructuring

The President announced on September 18, 1984, that he has authorized the following action by the Farmers Home Administration (FmHA) to help farmers who have demonstrated good production skills but cannot repay existing loans due to cash flow problems:

A. FmHA may set aside a part of an existing farmer borrower's debt without interest, thereby reducing payments so the remaining payments will be within the borrower's positive cash flow necessary for repayment ability;

B. FmHA may give loan guarantees not to exceed 90 percent to other lending institutions that reduce a debt enough to allow a borrower to have the positive cash flow necessary for repayment ability;

C. FmHA will provide more credit counseling and farm management guidance to farmers;

D. FmHA will conduct a pilot project to evaluate contracting for services of other lenders experienced in servicing farm loans to augment regular FmHA county office personnel.

All FmHA borrowers who are good managers and are in financial distress because their loan payment obligations exceed what they can pay from existing cash flow of their farm operations will be eligible for assistance.

FmHA may set aside collection of up to 25 percent, not to exceed \$100,000, of the borrower's total debt to FmHA. If it is possible to work out a repayment schedule the borrower can meet based on the balance not set aside, payment will be rescheduled on this basis. It must be determined that a new, reduced schedule of payments can be met from the borrower's anticipated cash flow and that full payment can be resumed at the end of the set aside period.

The debt will be set aside for five years, and the portion of debt that is set aside will not accrue interest during that period.

Payments on portions set aside will resume at the end of the five-year period. FmHA requires no loan funding to implement this part of the program. It can be accomplished

under the secretary's present statutory authority to set aside or reschedule a borrower's existing obligation to FmHA. Restructuring loan payments to bring them within the means of the borrower's cash flow involves no disbursement of additional loan money.

Farmers who are good managers and whose loans are in a state of nonperformance or other classification of difficulty, and who meet the statutory restriction of FmHA services to owners or operators of "not larger than family farms" will be eligible for assistance. The FmHA assistance will take the form of issuance to the bank, Farm Credit System lender or other eligible private-sector lender of a loan guarantee.

To qualify for the guarantee, the lender must write off enough of what the borrower owes, and take any other necessary action to assure that the borrower's repayment obligation can be met from the borrower's anticipated cash flow. At least 10 percent of a borrower's total debt must be written off. In adjusting the rate of payment to the farmer's cash flow, it may be necessary to reduce the balance due by more than 10 percent and/or liberalize the borrower's repayment schedule.

The program will restructure the borrower's debt on a basis within his ability to pay, and will avert loan failure, thus benefitting both borrower and lender.

A lender must initiate a guarantee application, and should consult with the local FmHA office for guidance on assembling its first request. All applications are received and

processed at FmHA county offices. The interest rate agreed to by lender and borrower should not exceed the rate given to the lender's best farm borrower. Limits on FmHA-guaranteed loan amounts are \$400,000 for operating purposes and \$300,000 for real estate purposes. This part of the debt restructuring program will be funded under FmHA's appropriated authority to guarantee other lenders' loans for farm operating and real estate purposes. The guarantee is automatically terminated when the borrower has paid the guaranteed loan in full.

Additional credit and management guidance will be provided by contracted experts who are competent to advise farmers on developing and carrying out financial and operational plans that are tailored to their needs and will enhance prospects for success of their farming operations. This service is extended from county offices and continues the professional expertise of FmHA along with the addition of contracted staff. Any farmer or lender who requests this assistance may obtain it. The service will not be limited to those who are direct borrowers or loan guarantee beneficiaries of FmHA.

In conducting the pilot project for contracting loan services, FmHA will utilize services of other lender organizations experienced in servicing agricultural loans to give their full-time professional staff reinforcements in peak seasons of farm loan servicing. Contracting at the county office level for an initial pilot program in several critical states will be completed by January 1, 1985. All the contracting will be conducted at the county office level.

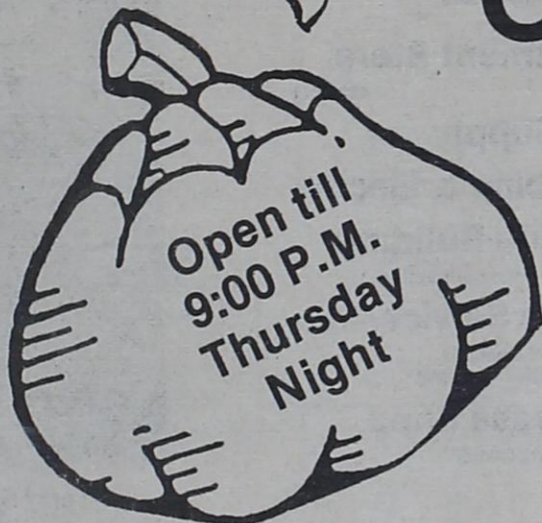

Mrs. Jo Ima Hill and granddaughter, Christi Jo Phillips of Goree, visited her daughter, Mrs. Johnny Antonisse and daughters, in Dallas during the weekend.

Goree News Items

By MRS. GRACE SMITH

HOSPITAL NOTES

Mrs. Riley Bell is back at home after spending a week in the Hamilton Hospital in Olney.

Jack Beaty, who received medical treatment in the Seymour hospital for several days, was able to return home last Wednesday.

Mr. and Mrs. Arthur Hargrove visited Mr. and Mrs. Eddie Hargrove in Eules and Mr. and Mrs. Gene Myers and family in Arlington last week while she was taking chemotherapy treatments in Fort Worth.

HOMECOMING

The tenth Goree Homecoming is past history now, but 450 or more people are happier because they attended this celebration Friday night and Saturday and met with old friends, classmates and teachers. The person traveling the longest distance to attend was Pat Hampton from Sfax, Tunisia.

VISITORS

Dr. Houston Greenhaw Jr., of Brazil visited in the E. B. Hosea home last Thursday night.

Mr. and Mrs. Everett Barger visited their son and family, Mr. and Mrs. Jack Barger, Jason and Jana, in Waco last week. Jack visited his parents here during the weekend and attended homecoming.

Mrs. Joe Kee of Olney and Mrs. Ethel Shelton of Graham visited in the J. C. Watson home last Wednesday.

Visiting Mr. and Mrs. Joe Birkenfeld and Johnny last week were Mr. and Mrs. F. C. Roy and daughter, Shirley Swanson, Santa Rosa, Calif.; Mr. and Mrs. Tony Scott and daughter, Snyder; Mr. and Mrs. David Birkenfeld and Jenny, Mr. and Mrs. Don St. Clair, John and Melissa, Janet Birkenfeld, Mr. and Mrs. Albert Smajstrala, Mr. and Mrs. T. J. Sturgeon and son, and Mrs. Diane Jeter and girls, all of Seymour; Mr. and Mrs. Micheal Pierce, Kerrville; and Mr. and Mrs. Wayne Birkenfeld and children of Goree.

Mr. and Mrs. Jimmy Blake of Archer City visited his parents, Mr. and Mrs. Elvis Blake, during the weekend and attended the Goree Homecoming.

Visiting Mrs. Lois Moore and attending homecoming were Mr. and Mrs. Charles Arnold and Janet of Houston and Mrs. John M. Edwards of Seymour.

Mrs. Jane Middleton, Martha and Matthew, of Arlington visited her parents, Mr. and Mrs. Barton Carl, and attended the Goree homecoming on Saturday.

Visiting Mrs. Beth Nickerson during the weekend and attending homecoming were Mr. and Mrs. Clint Aytes, Amanda and Chelsea, Decatur; Mr. and Mrs. Melvin Matus and Linda Nickerson. Also visiting in her home were Mrs. Lois Myers and children of Arlington.

Mrs. Beth Randolph, Brandi and Bercayle, of Odessa visited her parents, Mr. and Mrs. Ira Hargrove, and attended the homecoming.

Mr. and Mrs. Brad Hosea, Amber and Andrea, of Wichita Falls visited his parents, Mr. and Mrs. E. B. Hosea, during the weekend and attended homecoming.

Delton Smith of Panhandle visited his parents, Mr. and Mrs. Chester Smith, several days last week.

Visiting in the Danny Lain home on Saturday were Cynthia Stewart, Mineral Wells; Cheryl Ann Spann and Joyce Swalock, Ennis; Beth Randolph, Brandi and Bercayle, Odessa; Janey McCord, Seymour; Shirley Hardin, Post; Carol Looney and Mr. and Mrs. Lonnie McSwain of Garland.

Visiting Mr. and Mrs. Jerry Atkinson Saturday afternoon were her mother, Mrs. Ann Odle, and a friend, Maxine Kemplin, of Dallas. They also visited Lock Atkinson.

Mr. and Mrs. Bobby Beaty of Ft. Worth and Brian Beaty of Seymour visited Mr. and Mrs. Jack Beaty during the weekend. Mr. and Mrs. Douglas Beaty of Miles visited his parents during last week.

Leon Hargrove of Carnegie, Okla., and Mrs. Gene Myers and children of Arlington visited their parents, Mr. and Mrs. Arthur Hargrove, during the weekend and attended the homecoming.

Mr. and Mrs. Noel Neighbours of Edmond, Okla., and Mrs. Bessie Peek and Mr. and Mrs. Wayne Peek of Humble visited Mrs. Effie Neighbours during the weekend and attended homecoming.

Visiting Mrs. Ballie Cooksey Saturday evening were Mrs. Syble Young, Knoxville, Ark.; Mr. and Mrs. Joe Lee Stratton, Charlotte, N.C.; Mrs. Norman Frey, Plainview; Mrs. Athol Stratton, Ft. Worth; and Mr. and Mrs. Ward Cooksey, Seymour. They all attended home-

coming. Also attending the homecoming were Mr. Frey and Mr. Stratton, and Lloyd Stratton of California.

Mr. and Mrs. Carl Moeller of Velma, Okla., visited her father, Clyde Rodgers, during the weekend and attended homecoming.

Visiting Mr. and Mrs. Eldon McSwain during the weekend and attending homecoming were Mr. and Mrs. Millard McSwain, Rockwall; Mr. and Mrs. Terry Hamilton and Mr. and Mrs. Eldon Hamilton, Dallas; Lonnie and Billy McSwain, Garland; and Mrs. Becky Trimuar and baby of Memphis.

Mrs. Radene Turner of New Home and Mrs. Thena Mae Clarke of Ruidoso, N.M. visited Mr. and Mrs. Marshall Gass during the weekend and attended homecoming. Quinn Smith of Vernon visited his grandparents Saturday night.

Everett Jones of Weatherford, Boyd Jones of Hurst and Mr. and Mrs. Jim Jordan of DeSoto visited Mr. and Mrs. Harold Jones during the weekend and attended homecoming.

Mr. and Mrs. Johnny Jones and family of Arlington and Tina Blankenship of Olney visited Mr. and Mrs. John Jones and attended homecoming.

Visiting Mrs. Dimple Jetton during the weekend and attending homecoming were her daughter and family, Mr. and Mrs. Burt Williams, Kevin and Lynette, of Spearman.

Mr. and Mrs. Joe Shahan, Chris and Kevin, of Seymour visited Mr. and Mrs. Billy Huffman during the weekend.

Visiting Mr. and Mrs. L. O. Chamberlain and attending homecoming were her son, Jimmie Routon of Lubbock, and her daughter, Mr. and Mrs. Ronald Coody of Farmers Branch.

Charlie Edwards of Wichita Falls visited Mr. and Mrs. Tony Hammons Saturday morning and attended homecoming.

Visiting Mr. and Mrs. Wallace Roberts and Mrs. Ina Roberts during the weekend were Mr. and Mrs. David Moore of Athens, Mrs. Rose McCauley of Bomarton and Mrs. Sarah Coleman of Seymour.

Guests in the home of Mrs. W. M. Taylor on Saturday and attending homecoming were Mrs. Vestal Daughtry of Quanah, Bill Rodgers of Houston, and Clint Graham of San Antonio.

Mr. and Mrs. Wayne Couch of Skellytown visited Mrs. Lanna Mae Lowrance and attended homecoming.

Visiting Mrs. Goldie Brown and attending homecoming were Jerry Brown of San Antonio, Randel Brown of Vernon and Mrs. Jo Ann Patterson of Oklahoma City.

Visiting Mrs. Pearl Yates and attending Goree homecoming were Mr. and Mrs. Mike Chesher, Scott and Dana, Electra; Mr. and Mrs. Danny Yates, Jerrod and Charlie, Arlington; Mr. and Mrs. Macky Yates and Jennifer, Munday; and Mrs. Jan Westmoreland, Kyle and Kala, Piedmont, Okla.

Mrs. Vera Plimpton of Waxahatchie visited her sister, Mrs. Ina Scarborough, and other relatives here during the weekend and attended homecoming.

Visiting Mrs. Tennie Tynes during the weekend and attending homecoming were Mrs. Wynelle Hellums of Haskell and Jack Moorman of Possum Kingdom.

Heard Reeves of Wichita Falls visited in the Riley Bell home on Saturday and attended homecoming.

Clifford Bradley and Jamie of Irving visited his parents, Mr. and Mrs. Lloyd Bradley. Clifford also attended homecoming.

Mr. and Mrs. Scott Cunningham of Lubbock were here on Saturday for homecoming and visited his parents, Mr. and Mrs. W. D. Cunningham, and other relatives here.

Mr. and Mrs. Gene Beaver and granddaughter, Nikki Wenzel, of Brownfield and Debra Harlan and Krisi and Holli Harlan of Seymour visited Mr. and Mrs. Bill Decker and in the Tommy Decker home during the weekend and attended homecoming.

Visiting Mr. and Mrs. Tommy Greenwood this month is their son, Sgt. and Mrs. Joel Greenwood and family of Santa Anna, Calif.

Joel Coffman and daughter, Michelle, of San Antonio visited his parents and Mr. and Mrs. Walter Coffman, during the weekend and attended homecoming.

Roy Wayne Frazier and Ann Bell of Abilene visited his mother, Mrs. Etta Mae Frazier, during the weekend.

Mr. and Mrs. Pat King visited in the Don Estes home on Saturday

and attended homecoming.

Mr. and Mrs. Jimmy Paul Howell and Paula of Joshua and Mr. and Mrs. Keith Dickson of Littlefield visited in the Les Jameson home during the weekend and attended homecoming.

Clyde Rodgers visited in Haskell Sunday afternoon. He was accompanied to Haskell by Rev. Lester Patterson, who caught a bus for his home in McLoud, Okla. Rev. Patterson spoke at the First Baptist Church here Sunday morning.

Visiting in the Taylor Allen home during the weekend and attending homecoming were Judy Wallner, Richardson; Melba Feemster, Hurst; Jean Adkins Allen and Tuck Blankenship of Paducah. Also visiting in their home were Mrs. Bessie Peek and Mr. and Mrs. Wayne Peek of Humble.

Mrs. Geraldine Hardin of Wichita Falls visited her mother, Mrs. Gladys Lambeth, on Saturday and attended homecoming.

Visiting Mrs. A. R. Pace on Saturday and attending homecoming were Mr. and Mrs. Joe Royce Peterson of Kountze and Mrs. Katherine Wolver of Hillsboro.

Visiting Mr. and Mrs. Billy Moore on Saturday and attending homecoming were Cherry Moore, Clovis, N.M.; Keith Chamberlain and Linda, Wichita Falls; and Mr. and Mrs. J. J. Denton and grandson, Ricky Kilgore, of Arlington.

Wally Roberts Jr. of Angelo State University spent the weekend with his mother, Mrs. Helen Roberts, and attended homecoming.

Mr. and Mrs. Larry Foerster and family, Frisco, and Mrs. and Mrs. Troy Nuckols and family of Mun-

day visited their parents, Mr. and Mrs. Jack Nuckols, and attended homecoming.

Mrs. Chloe Lambeth of Lubbock has been visiting Mr. and Mrs. Merle Lambeth and attended homecoming.

Mr. and Mrs. Donny Land, Jason and Ashley, of Graham visited his mother, Mrs. Virginia Land, and attended the football game here Friday evening.

Visiting Mr. and Mrs. Johnny Moore during the weekend and attending homecoming were Mr. and Mrs. David Moore of Athens, Mr. and Mrs. Wendell Moore of Borger and Mr. and Mrs. Dale Burris and family of Haskell.

Mr. and Mrs. Danny Lain, Trevor and Leigh visited his sister, Mr. and Mrs. George Spann and family of Ennis, in the Chester Lain home in Munday on Sunday.

Mr. and Mrs. Jimmy Paul Howell and Paula of Joshua and Mr. and Mrs. Ward Cooksey of Seymour visited Mr. and Mrs. Ruby Hammons and attended homecoming.

Mrs. Lanna Mae Lowrance visited her daughter and family, Mr. and Mrs. Dewey Myers and children, in Plano last week.

Mrs. Gary Nemeo of Hawley visited her parents Friday night and attended the homecoming on Saturday.

The longest postal letter ever sent was one which was two-thirds of a mile in length. It was written on several large rolls of paper and addressed to the sender's boyfriend in the Air Force. The shortest letters were between two large publishers in 1862. One wrote "??". The reply was "!!".

THE IMITATION STATS of Seymour will perform for members and guests of the Knox County Farm Bureau at their annual convention scheduled for 6:30 p.m. Saturday, October 27, in the high school. The Stats are, in front row from left, Rusty Rose, Clifton Talley, Curtis Priddy and Mack Bibb. Musicians are, in back from left, Rosie Priddy, Royce Miller and Billie Jean Young.

Letter To The Editor

Dear Friends,

Homecoming is that special event when people with a common bond unite to reminisce about the good times of days gone by and the opportunity to catch up on the lives of fellow classmates. It's a time to rekindle the love for your friends and for the town in which you were raised.

I feel that every three years Munday, Texas sets the perfect atmosphere for all this to happen. The huge crowd for Homecoming 1984 was a testimony which reflects the love that the exes have for Munday

and the people who meant so much to them during the most important years of their lives.

Munday, Texas is my hometown and always will be. I'm proud to tell people I grew up in Munday and especially proud of the people of Munday. I salute all of you and I especially wish to thank all the people who played a part in putting together a great homecoming . . . see you in 1987.

THESE SMILING FACES seem to confirm the fact that the local Tiger Scouts troop thoroughly enjoyed their recent tour of the Munday Courier paper office. The fathers accompanied the boys on their tour and two of them are pictured here. Pictured left to right are Jim Cottingham, Nathan Herring, Keith Kuehler,

Brady Smith, Cory Swan, Barry D. Therwhanger, Eric Greenwood and Ryan Cottingham with Larry Swan in the background. Bryan Michels is also a member of the Tiger Scouts troop but was unable to make the tour.

Sod Treatment Key To Ryegrass Winter Pasture

When it comes to ryegrass production on winter pastures, the key is in the sod treatment. A demonstration on the Jerry Duren farm in Victoria County has shown that shredding and disking

Coastal bermuda grass pastures prior to planting ryegrass gave the largest production - 4,853 pounds of forage per acre.

The demonstration was a part of the Integrated Livestock Management Program of the Texas Agricultural Extension Service, a multi-disciplinary approach to meeting the needs of Texas producers.

The demonstration, under the direction of Dr. David Bade, Extension forage specialist, and former Victoria County Extension agent Dennis Hale, also showed that shredding only before planting resulted in 3,850 pounds of forage while planting in pastures with four to six-inch tall Coastal bermuda grass produced only 2,925 pounds

of forage.

Three varieties of ryegrass were used in the demonstration - Funks G-2401, Funks Marshall and Gulf Ryegrass. The ryegrass was planted at 30 pounds of seed per acre in early October. Forty pounds of nitrogen were applied when the ryegrass was three to four inches high. A topdressing of 20 pounds of nitrogen was applied in November.

Clippings of the ryegrass were collected in January, February and March - months when ryegrass is grazed. Production was slightly higher from Gulf Ryegrass. However, plant population counts and overall yields were the greatest on plots shredded and lightly disked prior to planting.

Brace Yourself Against The Coming Cold

Texans who know that the best defense is a good offense are already arming themselves against the coming cold weather. And their weapons are caulking guns, door sweeps, and weatherstripping. No one would tolerate a huge, gaping hole in the wall of their house. But a home which is not properly sealed - even if it is well insulated - presents this exact situation. Though these air leaks are not as obvious, they exist all the same around doors, windows, plumbing and electrical penetrations, and elsewhere.

Air infiltration makes your heating system work harder to maintain thermostat settings. In most cases the system can handle the job and keep your family comfortable. But you pay for it, winter and summer. And it's money wasted.

Caulking and weatherstripping are the principal materials used to "plug" those air leaks. They are simple, effective, and inexpensive to apply. Yet they are frequently overlooked in favor of more complicated and more expensive energy-saving measures. They should be your first line of defense in devising a sound strategy to maintain comfort while controlling energy use and reducing utility bills. When applied, these measures will typically save from 10 to 30 percent on heating and cooling bills.

Now's the time to start your defense against cold weather. Caulking is best applied when temperatures are above 45 degrees F. And you'll be more comfortable while applying it if you get the job done before a big temperature drop occurs. Easy how-to instructions are available wherever these products are sold.

For more information about these cost-cutting measures and other strategies to control your energy use, call the toll-free ENERGY HOTLINE 1-800-643-SAVE. For detailed information about specific use, durability, ease of installation, cost, and appearance of sealing products, ask for Texas Energy Topics #10.

Attendants Certified In Emergency Care

An emergency care attendant class, which began in Benjamin on August 27, was completed on September 26 with eleven persons being certified as emergency care attendants. The class consisted of twice weekly sessions with classes being four hours in length.

The Munday EMS crew is grateful to have these people in outlying areas certified in the event that the EMS crew can't immediately reach someone in need.

The emergency care attendants that were certified are listed below: Benjamin - Tracy Cartwright, Penny Eaton, Fred McGregor, Treena Patterson, and Jan Rolston. Seymour - Cindy Hardin and Barbie Kasperek. Munday - Patsy Hutchinson and Mickie Hutchinson. Crowell - Gary Erwin. Rochester - Howard Scheets. *****

I have sold all of my houses but two . . .

PUBLIC NOTICES "BECAUSE THE PEOPLE MUST KNOW"

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT
Sam B. Tyra, P.O. Box 87, Goree, Texas 76363, has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas.

The applicant proposes to inject fluid into the Tannehill, Coffman, Well Number 1. The proposed injection well is located 1 1/2 miles NW of Goree in the Goree Field, in Knox County. Fluid will be injected into strata in the subsurface depth interval from 1890 to 1893 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512/445-1373). 4-1tc

PUBLIC NOTICE
The City Council of the City of Benjamin, Texas will hold a public hearing on Wednesday, November 14, 1984 at 7:30 p.m. at the Benjamin City Hall to consider adoption of the proposed 1984-85 City of Benjamin budget for all city funds including revenue sharing funds. Full text of the complete budget is available for public inspection at the Benjamin City Hall from 8:00 a.m. to 5:00 p.m. Monday through Friday. Ernie Eaton, City Manager
City of Benjamin, Texas 4-1tc

KNOX COUNTY AGING SERVICE is accepting applications for a part-time kitchen aid. Must be 55 years or older and in good health. Must qualify under S.E.P. regulations. This is an equal employment opportunity. No discrimination against race, color or national origin. For more information call 658-3618 days or 658-3001 after 5. 4-1tc

FOR SALE: 80 acres of land approximately four miles SW of Munday; Nice frame 2 bedroom, 1 bath home on W. Main St.; Extra nice 3 or 4 bedroom, 2 bath frame home in SW Munday, cellar, fenced back yard, large trees, well. See Clint Norman or M. L. Wiggins, Norman Realty, 422-4936. 4-4tc

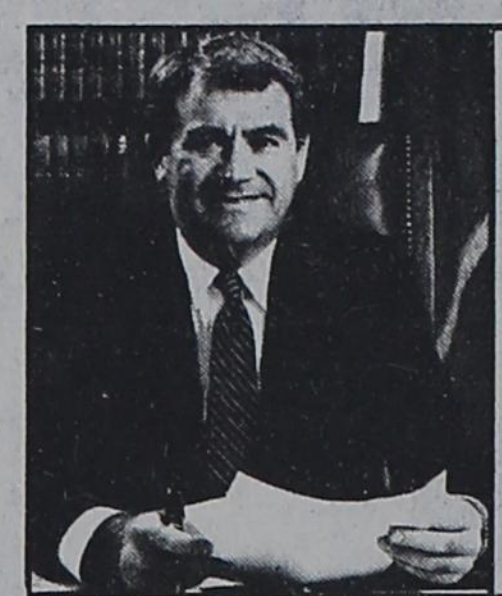

FOR SALE: 1981 Ford Courier pick-up. W. H. Bellinghausen, 422-4981. 4-2tp

Winter Pastures Need Fertilizer

Winter pastures which are just germinating from recent rains need adequate amounts of plant nutrients to help "catch up" from a slow start. "Many forage producers had planted their winter pastures in dry soil without a fertilizer application," points out Dr. Neal Pratt, forage specialist with the Texas Agricultural Extension Service, Texas A&M University System. "They needed a good rain first to get a good stand, and now these pastures should make some growth."

But they need adequate nitrogen, and this is where proper fertilization comes in, says the specialist. Fertilizer applications (topdressings) should be based on soil test recommendations, and there's still time to get soil tested, Pratt adds.

With adequate moisture, winter pastures will make good growth over much of Texas until about December 1, or the first heavy frost of the season, says E. K. Chandler, president of the Texas Forage and Grassland council. *****

CONSUMER ALERT

by
Jim Mattox
Attorney General

BODY WRAPS: TAKE OFF RIP-OFF?

Many Texans are overweight and out of shape. Most people want to be trim, but dieting and exercise programs are often difficult to maintain. Many consumers turn to less vigorous, more comfortable ways to lose weight.

THE PITCH

One well-advertised weight loss product is the "body wrap." Their typical ad will suggest the consumer can lose inches while relaxing. The consumer who buys a body wrap will get a plastic suit, and a material that has been soaked in a solution of some sort. The hopeful buyer wraps the material around their waist, puts on the suit, and waits for the inches to melt away.

RESEARCH RESULT

The Food and Drug Administration in a recent publication entitled *About Body Wraps, Pills and Other Magic Wands for Losing Weight* warned "Most medical experts agree that such treatment [body wraps] will cause loss of inches and perhaps pounds due

to profuse perspiration, but reductions are temporary. The fluid is soon replaced by drinking or eating. But rapid and excessive fluid loss is potentially dangerous because it can bring on severe dehydration and can upset the balance of important electrolytes in the body.

"Wraps have no effect on fat deposits and will not dissolve fat, even temporarily. Fat is not broken down by perspiration. It is gotten rid of only when fewer calories are consumed than are needed to meet the body's energy requirements.

FOR MORE HELP

If you have tried a "body wrap" and feel that you were deceived or misled, contact your Consumer Protection Office in Austin, Dallas, El Paso, Houston, Lubbock, McAllen, and San Antonio. We also have many free consumer brochures, including *How to Select a Health Spa*. The Attorney General's Office is the people's law firm. We're here to help you.

CARD OF THANKS

Sincere thanks to my many friends for your expressions of sympathy since the loss of my mother. I appreciate the many cards, calls and floral tributes. Continue to pray with me that this void will soon be filled by loving memories.
James Merrell

CARD OF THANKS

We would like to extend a very special thank you to those who were so kind to us during the loss of our loved one. The prayers, thoughts, flowers and food were very much appreciated. God bless each and every one of you.
The family of Secundino Lopez

CARD OF THANKS

We want to take this means of expressing our thanks for all the kindness shown us during Alvin's stay in the hospital. The prayers, comforting cards, visits and phone calls were all greatly appreciated. We will never forget your thoughtfulness.
Alvin and Marge Hollar

CARD OF THANKS

My sincere thanks to all for their prayers, cards, flowers and phone calls during my hospital stay. Thank you also for the visits and food since my return home. I pray that God will reward each of you for your kind deeds.
Bertha Moore

CARD OF THANKS

We want our many friends to know we sincerely appreciate the many acts of love, care, and concern shown Elkin during his hospitalization and also since returning home. May God bless each of you.
Elkin and Eva Warren

CARD OF THANKS

We wish to thank our many friends who helped us during the death of our loved one. A special thanks to all who helped with lunch at the Church of Christ, to everyone who brought food, flowers and for all your kind words of sympathy. May God bless you all.

CARD OF THANKS

The M.E.T. would like to take this opportunity to thank everyone who was involved with the recent production of Goldilocks and the Three Bears. The board members and officers of the M.E.T. worked very hard in preparation for the event as well as 4-H members and other students who helped sell tickets and hang posters. Several volunteers and members of Mrs. Loggan's speech class served as stage crew and helped with the set up and striking of the set. We thank them for their hard work. Several people in the community provided meals and lodging for the cast. They were: Mr. and Mrs. Sam Stone, Mrs. Ruth Horton, Mrs. Selma Choucair, Mrs. Cathy Bowen, and Mrs. Linda Smith. The M.E.T. would like to thank you for your generosity and hospitality. We especially want to thank those individuals who bought tickets and came to the play and to those people who joined the M.E.T. or donated their time and money.

THE MUNDAY ENTERTAINMENT TEAM

CARD OF THANKS

We want to thank each of you for the kindness shown us during the illness and death of Audrey. We appreciated so much the prayers, food, cards, phone calls, flowers and memorials. It is comforting to know there are so many wonderful people who care. May God bless each of you.
