Partially Disabled Veterans May Still Reenlist in Grade

Partially disabled combat wounded veterans may still reenlist in the grade in which they were discharged if it was announced this week by M-Sgt. Carl Hargrove, local recruiter.

The message received by Hargrove stated: "The enlistment in the Regular Army or Air Force of partially disabled combat wounded veterans of army, air force, navy, marine corps and coast guard of World War II who possess or are training in certain critically needed skills and who meet eligibility requirements is authorized."

Formerly the deadline for reenlistment in grade was Dec. 31, 1947. Now, however, this deadline has been extended to June 30, 1948, in order that all eligible veterans may apply for enlistment.

Further information may be obtained from Sgt. Hargrove or Sgt. Ingalls at the local Army and Air Force Recruiting Station, 221 Ave. B NW, Childress.

Altar Society to Sponsor Bridge and 42 Tournament

The Altar Society of St. Joseph's Catholic Church is sponsoring a Bridge and Forty-two tournament to be held at the Premier Hotel on Tuesday evening, January 27, at 7:30 o'clock.

Refreshments will be served at the close of the games and there will also be cake auction sale. The members of the Society ask that everybody attend.

South Dakota's governor is paid \$3,000, the lowest salary received by any governor.

275 Farms in Foard Took Part in AAA Program in 1947

At the close of the 1947 program year there were 275 farms in Foard County that took part in the AAA program, and assistance was rendered totalling \$51,453.60, according to a report released by W. H. Hoosey, secretary of the Foard County A. C. A.

The various practices carried out were construction of tanks and reservoirs, a total of 214,664 cubic feet of dirt moved in this construction; forty miles of terraces, 21,000 pounds of Austrian winter peas planted, 16,652 pounds of vetch planted, 3,000 acres of land deep plowed to prevent erosion, 391,900 pounds of super-phosphate applied to winter legumes. As an example of what value to the soil super-phosphate is the following is given:

Carl Lawson of the Rayland community in Foard County, who seeded 32 acres of alfalfa in 1942, and the most hay that he ever got in any one cutting up until 1947 was 257 bales on the entire 32 acres. In January, 1947, Mr. Lawson applied 300 pounds of 20 per cent super-phosphate per acre and on his second cutting in 1947 he got 1,750 bales from the 32 acres. This is just one of the many reports received at the A. A. C. office. Others report from 50 to 100 per cent increase by the use of phosphate.

Due to the cut in appropriation for 1948, it was necessary to cut out some of the practices in order to carry on the program successfully, Mr. Hoosey stated. The following practices have been selected by the county committee to be in effect in 1948:

Super-phosphate assistance from the government, \$18.80 per ton; tanks and reservoirs assistance, 8c per cubic yard; terraces, \$1.50 per 100 feet; deep plowing, \$1.50 per acre; winter legumes—for assistance of legume seeds, call at the AAA office for this information.

The AAA office is here to assist the farmers in every way possible and Mr. Hoosey urges that any farmer be free to call for any help they may be able to render.

County's Rural Property Shows Huge Valuation

Farm property in Foard County is now worth more than \$10,324,000, and rural homes here and throughout the state are in the best condition in history, according to a report just released by the Title Council of America.

More than 75 per cent of farm dwellings in Texas and the South are in excellent condition or need only such minor repairs as painting or general maintenance, the report revealed. Only 61.1 per cent were in good repair in 1940. The report was based on Bureau of the Census surveys.

"The rise in farm incomes and property values since 1940 has been accompanied by a great increase in the number of rural homes equipped with such modern conveniences as electric lights, tiled baths and showers and running water," said F. B. Ortman, chairman of the Council's residential construction committee.

Electricity, for instance, has gone into hundreds of thousands of the nation's rural dwellings since 1940, Ortman noted. More than 59 per cent of all farm homes now have electric lights, in contrast to 31.4 per cent in 1940.

More than 32 per cent of rural dwellings in the United States today have running water, and 20.1 per cent have private baths, according to the Title Council report. In 1940, 17.7 per cent had running water and only 10.6 per cent private baths.

Celebrates on 83rd Birthday by Taking First Airplane Ride

L. G. (Pappy) Andrews celebrated his eighty-third birthday Saturday by taking his first airplane ride. The flight over Crowell and Foard County was made in the new Cessna 140 belonging to Clinton McLain. Clinton was at the controls.

"Airplanes aren't any more dangerous than horses were in my earlier time," stated Mr. Andrews at the conclusion of the ride. He expressed hopes of taking a longer hop at a future date.

McLain, a private pilot and member of the National and Texas Flying Farmers, said that Mr. Andrews was the oldest person that he had ever taken up. However, he announced his desire to take any person riding who is eighty-three or older.

Other passengers enjoying rides recently are: Mrs. P. H. McLain, Mrs. H. E. Hays, and Mrs. J. H. Schultz.

With six privately owned planes, Foard County is rapidly growing in flying enthusiasm. Local airmen are Roy Barker, Hagan Whatley, Dwight Campbell, Ebb Seales, Glendon Hays, Ben Barker, Richard Davis, James Weiss, Archie Campbell, J. T. Brooks, Charlie Drabek, Wayne and Glen Gamble, Duane Capps, Homer Matthews, Sherman McBeath, and Weldon Hammonds. Several of the above men have been taking training under the G. I. Training Program.

All flyers appreciate the use of the landing strips furnished by the Roy Barker and Hagan Whatley.

F. J. Jonas Buys Dunagan Interest in Grocery Store

F. J. Jonas has bought the interest of Mr. and Mrs. E. A. Dunagan in the Crowell Cash Grocery, the change in ownership becoming effective Monday, Jan. 19. George Clifton has been employed as a clerk in the store. Herman Biggestaff is in charge of the meat department.

Mr. and Mrs. Dunagan have not announced their future plans.

Truscott Cemetery Association Will Meet Monday, Jan. 26

There will be a meeting of the Truscott Cemetery Association Monday, January 26, at 7:30 p. m. The meeting will be held at the Baptist Church with the election of officers for the coming year to take place.

Everyone in the community is asked to be present at the meeting.

ROTARY CLUB

Fred Youree of the Shirley-Youree Drug attended the meeting of the Crowell Rotary Club last Friday at the DeLuxe Cafe for the first time as a new member. Fred was introduced as a new member by President Marion Crowell.

With Hubert Brown as program chairman, Miss Margaret Curtis gave an itemized report of the financial condition of the club which was appreciated by the Rotarians. The report revealed that the club is in good shape financially.

B. J. GLOVER IMPROVED

B. J. Glover, who has been critically ill in the Methodist Hospital in Fort Worth, is slightly improved, according to Glenn Hall, who was at the hospital Tuesday. Mr. Glover is a retired employee of the Halsell ranches and a well-known resident of Crowell and Foard County for many years.

97th Birthday of Mrs. G. W. Wallen Celebrated Sunday

Mrs. G. W. Wallen, pioneer resident of Foard County, celebrated her ninety-seventh birthday Sunday, January 18, at the home of her daughter, Mrs. J. W. Owens, of Margaret, with whom she lives. Mrs. Wallen is in good health, stays up all day and is able to care for herself. She crochets, embroiders and pieces quilts for pasture. She is seemingly happy and contented.

Present for the dinner were Mrs. Wallen; Mrs. Owens, her daughter, and the following grandchildren and great grandchildren, Mrs. Faye Jackson and sons, Elmo and Lanny, of Wichita, Kan.; M. and Mrs. John L. Hunter Jr. and son, Lewis, of Margaret; Mr. and Mrs. Vernon Garrett of Crowell and Mickey Thompson of Dimmitt. A number of friends called during the afternoon and congratulated the honoree.

C. H. S. Basketball Team Defeats Knox City Greyhounds

The Crowell High School basketball team broke even again this week in its two games. The Wildcats came out on the small end of a 40 to 30 score at Seymour last Friday night, but they found here on Tuesday night by the score of 27 to 21. Knox City defeated Crowell earlier in the season.

Boyd McWhorter, tall center for the Seymour, was high scorer in the Seymour game with eighteen points. Crowell's scoring was fairly well divided. Bob Edwards, Wildcat center, was forced to miss these two games due to illness.

The Wildcats staged a late rally to win the Knox City game. They were trailing by three points at the beginning of the fourth quarter, but Dalton Biggerstaff and Rouse Todd "got hot" and scored ten points in this quarter to cinch the game for Crowell.

The Crowell volleyball girls also broke even in their games. They dropped two out of three sets to the Seymour girls and defeated the Knox City girls in the same manner. They also won from Knox City several weeks ago at Knox City.

At the request of the Chillicothe school officials, this Friday's games will be played in Chillicothe instead of Crowell. The Eagles will close the Wildcats' basketball season when they come here for games on Friday night, February 13th. Crowell's next home game will be here on Friday night of next week with the Munday Moguls.

Yellow Line Danger Signals Being Added to State Highways

Austin, Jan. 17.—Officials of the Texas Highway Department Thursday told the story about the bright yellow lines now being seen by motorists every day throughout the vast 27,000 mile system of paved highways.

"The new yellow no-passing line being put down on our highways is a double indemnity device," State Highway Engineer D. C. Greer declared.

"It gives a flashy and obvious warning of danger to the motorist who wants to protect his own life and the lives of others," he explained, "and it gives the police something definite on which to jail or punish the driver who apparently cares little for his life and thereby endangers the lives of innocent motorists in the other lane."

Last year President Truman's Highway Safety Conference urged the States to concentrate on improvement of highway center stripe in a major attempt to reduce the ghastly toll of accidents due to head-on collisions and side-swiping.

In all States the color was changed to yellow, which tests have shown is more visible in all kinds of weather than any other type of marking. This yellow color is used also to impress the motorist that where yellow is seen on the road it must not be crossed.

Sixty-five thousand gallons of yellow paint are being used by the Texas Department's painting crews to mark these no-passing zones. The painting operations have been under way since November and are now moving rapidly toward completion.

Highway Department officials pointed out the state-wide yellow striping program for no-passing zones is considered the best meth-

New Pastor

REV. VERNON M. NEWLAND

New Pastor First Christian Church Arrived Saturday

Rev. Vernon M. Newland, new pastor of the First Christian Church of Crowell, arrived here Saturday with his family from Oklahoma City and filled the pulpit at the church Sunday morning and Sunday night.

Rev. Newland is a graduate of Phillips University with an A. B. degree, and also has M. A. and B. D. degrees in graduate school. He was a missionary, with Mrs. Newland, to China, Tibet and the Philippines for thirteen years and is now in America on a prolonged furlough. He founded and was the first president of Midwest Christian College of Oklahoma City. As an accident of war, he and his family were interned by the Japanese for 31 months, being released from Santo Tomas Internment Camp in February of 1945.

Rev. Newland is taking the pastorate of the Crowell church for a brief ministry of perhaps a year, prior to entering upon further home or foreign missionary work.

The new pastor and his family are now located in the parsonage of the church, one block east of the church.

Pioneer Resident of Margaret Has Made Recovery

Mrs. Sudie Bradford, pioneer resident of the Margaret community, who was critically ill at her home in the latter part of 1947, has recovered her former good health to some extent. Although she is not entirely well, her physical condition has greatly improved.

Mrs. Bradford maintained her record this year of several years standing of giving the Foard County News twelve yearly subscriptions, one for herself and eleven for her children. She pays for more subscriptions to the paper than any other one person in the county. Her only rival is Lee Whitman of the Thalia community who takes half that number for himself and children.

New Addition Made to Building of Mac's Food Market

Hagan Whatley has finished a 14x45-ft. addition on the east side of the Mac's Food Market building which has added greatly to the space and appearance of the store. Twenty feet of the addition has been cut off in the back to be used as a storage space and the balance is being used in the store. The vegetable rack has been moved to the east wall where fresh fruits are also on display.

Mac Steele is owner and operator of the store, and Mr. Whatley owns the building which also houses the frozen food lockers.

od from the engineering point of view for temporarily combating the traffic accident menace on the highway system.

The officials are hopeful the traveling public will soon become "yellow line conscious," since crossing the yellow line is not only an invitation for loss of life and limb, but is a violation of Texas law under the new uniform traffic code making violators liable for a maximum fine of \$200.

"Do not cross the yellow line," is the new password to safer driving.

According to the United States Department of Commerce the United States buys more from Canada than any other country.

There were 92 cities in the United States with a population of over 100,000 at the last census.

Burial of Mrs. E. C. Bennett Made in Jacksboro

Funeral Held in Crowell Church Thursday Morning

Funeral services for Mrs. E. C. Bennett were held at the Assembly of God Church on Thursday morning, January 15, with Rev. Warren Everson, pastor of the church, officiating. Interment was made in the cemetery in Jacksboro, the old family home of the deceased. W. F. Briscoe, her first husband, was buried there about forty years ago. Wm. Mack Funeral Home was in charge of the funeral arrangements. Mrs. Bennett died at the home of a son, Dave Briscoe, Wednesday morning following a long illness.

A special song "If We Never Meet Again This Side of Heaven" was rendered by Elmo Hudgens, who played his own piano accompaniment as well as accompaniment for the choir songs.

Pall bearers were Ike Everson, Wayne Dishman, Carlan Ribble, Roy Everson, Merl Gray and Earl Gray. Flower bearers included Misses Frances Ford, Wanza Spears, Oneta Eubanks, Joyce Harris, Connie Dishman and Rozella Denton.

Elizabeth Caroline Bennett was born in Jacksboro on November 3, 1864. She was married to W. F. Briscoe in 1879 and to them were born thirteen children, two of whom passed away in infancy. Eleven lived to be grown. Two sons have died in recent years, Earnest, and Ira, who passed away on Christmas day, 1947. Mr. Briscoe died on Feb. 11, 1907, in Jacksboro.

Mrs. Briscoe, with her children, came to Foard County in 1909. In 1924, she was married to A. H. Bennett, who passed away in 1925. She had resided here since that time. She was a devout Christian and lived a consecrated life, becoming a charter member of the Assembly of God Church, and remaining a devout member all her days. She did active service as long as she was able, then did her work in various ways from her home and even from her sick bed. Her influence is far-reaching.

Survivors are the nine children, as follows: Elmer Briscoe, Crowell; Ellis Briscoe, Tolson; Jessie Briscoe, Chalk; Frank Briscoe, Crowell; Edward Briscoe, Elkhartsville; Dan Briscoe, Crowell; Reuben Briscoe, Firebaugh, Calif.; Dave Briscoe, Crowell; and Mrs. R. H. Copeland, Firebaugh, Calif. Fifty-five grandchildren also survive as well as seventy-two great grandchildren and one great great grandchild. There are a number of nieces and nephews and friends also.

Dinner in Vernon Honors L. G. Andrews on 83rd Birthday

A dinner at the home of Mr. and Mrs. Charles Andrews in Vernon Sunday was given to celebrate the 83rd birthday of L. G. Andrews of Crowell. All of the Andrews family was present with the exception of J. B. Andrews of Amarillo.

They were the honoree and his wife, Mr. and Mrs. L. A. Andrews and Miss Maye Andrews of Crowell, and Mrs. Lorena Harrison and daughter and son-in-law, Mr. and Mrs. Jimmie D. Hamrick, of Paducah, and the host and hostess, Mr. and Mrs. Andrews and children moved to Crowell from Plano in 1901 and have made their home here since that time.

Council Degrees to Be Conferred Here Tonight, January 22

Council Degrees will be conferred at the Masonic hall tonight, Jan. 22. A degree team from Levelland, headed by Cone Green, will be here to confer the work.

All Royal Arch and Council Degree Masons are invited and urged to attend this meeting. Refreshments will be served.

BROTHER-IN-LAW DIES

Mrs. M. N. Kenner received the information Tuesday morning that her brother-in-law, J. M. Downing, of Van Horn had passed away following a stroke suffered earlier in the day. Mrs. Downing has been ill for some time but her husband was presumably well until a short time before his death.

Mr. Downing had visited here with his wife numbers of times and many Crowell people knew him well.

This year some 350,000 pieces of mail were sent to Noel, Missouri, to be mailed by the postmaster there, so that they might bear the Noel postmark.

TUG O' WAR? NOT US!

How about a game of tug o' war? Not us. We pull together. Ever notice the prevailing spirit of co-operation among C. H. S.'s students and faculty? Everybody pulls together to help everyone else. Co-operation is one of the objectives of the C. H. S. system. According to Webster's dictionary, co-operation is the act of working or operating together to one end. The end to which we all strive is

completion of our education. Each individual student is helping to make the education of the rest of the student body more enjoyable at the present and more memorable in the future through co-operation. If the future student bodies of CHS continue to pull together as the present student body is doing and as the past student bodies have done, CHS will always remain at the top of the list.

NEW STUDENT MELVIN MERLE NEWLAND

Coming from Hardin Junior High in Oklahoma City, where he swam in a sixty foot pool with the water heated all year round, is Melvin Newland, who has the good fortune of having wavy hair, a "cute" grin, and brown eyes. He has a hobby of studying the atom bomb! This fourteen year old freshman likes all sports with football and swimming as his favorites. Melvin has visited China, Japan,

French Indo China, and the Philippines. His father was a missionary to China, where they were captured by bandits three times. While Melvin was in America, the rest of his family—Marcia, Nealand, Marilyn—spent two years and seven months in a Philippine concentration camp. Paul was born there. His family had a cup of rice a piece each day for ten months. Rev. D. M. Newland has been traveling while lecturing in colleges and Christian camps. Melvin has studied Freshman classes in Junior high and enjoyed science more than any other subject, although he plans to be a missionary to China.

When asked whether he had a girl, Melvin said, "No, not yet, anyway." We are glad to find he is planning to attend school here the rest of this year and maybe next year.

BILL BREEDLOVE AND J. L. GOBIN VISIT CHS

Ex-students, Bill Breedlove and J. L. Gobin, visited CHS last Monday. Looking dapper and alert, they were greeted by old chums. While Bill was in China, Buddy was stationed in the Philippines. Both have served two years in the Navy. From all indications they are the same two guys who left the decks of CHS two long years ago.

ASSEMBLY

Monday, Jan. 10, students had more visual education while they were entertained by a film on Surplus Material from the war and how it would be used. There was also a film urging boys who were interested in aviation to join the Air Corps. Ray Black took the film seriously and is off to join.

NEWS FROM H. E. DEPARTMENT

Freshman girls are busy planning their first meal Tuesday. It will be a breakfast at 3:45. Everything from egg omelet to hot biscuits was discussed, but Mrs. Kenner knew it takes twice as long to wash dishes when there are so many cooks, so the meal will be cocoa, toast, oatmeal and oranges. If a delightful aroma floats from the room at the end of the hall upstairs, you can wish you were sampling their first meal. Second year Janes will know how to cure cuts and bruises at the end of the six weeks' course in first aid. These girls are learning invaluable information and may save lives.

THE SPOTLIGHT IS ON

Lora Abston, true Thaliaite, is seventeen years old, CHS senior, has blue eyes, brown hair, and a smile for her friends.

An ideal day spent in her life would consist of a late morning's sleep. She would have breakfast consisting of orange juice, cinnamon toast, bacon, egg, jelly and butter, served in bed by her sister, Iris. Then she'd like to read the paper and a letter from Berger, if she was lucky. After lunch Lora would like to have the car, get all the "kids" in the vicinity and cruise around a bit. Of course, after supper, she'd want to attend a picture starring her favorite cinema stars, Cornel Wilde, and Barbara Stanwyck. Then she'd like to stop at the "Drug Store" for a coke and a "Gabbfest" with her friends. Maybe she'd go skating if it wasn't too cold. Finally she'd like to go home in kind of a round about way. All in all, she'd like to have her way and be able to do just as she pleased for one day! Lora prefers North Texas State Teachers College at Denton after graduating from CHS.

LETTERS TO THE EDITOR

Editor's note: Do you have a pet peeve you want to air; an ideal that will help other students? If so, this column is for you. Sign your letter and bring to room 106.

BOB EDWARDS

The Senior Class along with the rest of CHS students regret that Bob Edwards is ill and in the hospital. We hope to see you at school soon, Bob!

BILLY EARL LYNCH

Billy has been confined to his home for the past few days with the "flu." We are missing you very much. Hurry back, Billy!

TEEN CANTEEN

"Dozy Do" "Swing Your Corner" and like calls were heard at the Teen Canteen Saturday night.

After trying several square dances, Coach Red Whitaker led the Canteeners in the Virginia Reel.

Cokes and sandwiches were served by the mothers to forty-five C. H. S.ites.

RIALTO THEATRE

The Rialto Theatre invites Betty Lee Williams and Mary Helen Payne to attend the show, "Miracle on 34th Street" with John Payne and Maureen O'Hara, Sunday or Monday, January 25-26.

PLAYER OF THE WEEK

Who is that handsome hunk of man with brown eyes and hair? What junior boy always tells the funniest jokes? Who was quarterback on the football team and is now guard in basketball? That, my friends, of the Wildcat, is Dalton "Butch" Biggerstaff. "Little Butch" was born November 6, 1930, at Kirkland, Texas. His dad is known as "Big

Butch" and Dalton inherited the name "Little Butch" from him.

"Butch's" favorite sport is football. (Natch, Man!) He may have not been the largest man on the Wildcat team of '47, but he had the speed and the fighting spirit to push through the line with all his might! Basketball rates as his second choice. "Butch" has sunk many a basket and rung up the score for CHS. If you see a blond haired girl, five feet, four inches tall, 110 pounds, and a sparkling personality, give Butch a ring. He can take over from there.

Butch prefers popular music and Esther Williams. As for college he likes them all as long as it's T. C. U.

GYM JANES

The volleyball team was defeated by Seymour in their second conference game Friday afternoon. The Crowell girls lost by a margin of 15-0 the first game, and they won the second game by a margin of 15-13, but lost the last game by a close margin of 15-13. The Crowell girls who saw action in this game were Joline Lanier, Anna Lankford, Mary Jo Short, Julia Johnson, Maggie

Evanson, Mary Ruth Jones, Betty Brock, Betty Barker. All of these girls showed excellent teamwork and played an excellent game. Come out tomorrow night when the Crowell volleyball girls play Chillicothe here in their third conference game. We predict this will be a close game.

WILDCATS LOSE TO SEYMOUR, 40 TO 30

Crowell Wildcats wound up on the short end of the score last Friday when the Seymour Panthers beat them 40 to 30.

The Panthers had a very strong, tall, and experienced team. The outstanding player for Seymour was their "Yea foot tall" center.

Crowell was handicapped by the loss of two starters, Bob Edwards and Grover Yocham. Top scoring honors went to F. L. Ballard with 9 points. Butch Biggerstaff was hot on his trail with 8 points.

The Panthers had a very strong defense and most of the Wildcats' points were made from very long shots. The Panthers' height and experience gave them an advantage over the short and inexperienced Wildcats. The Wildcats fought desperately for the ball throughout the contest.

WILDCAT WHISPERS

It's been a hectic week with finals over and the last stretch starting and all the teachers tightening the noose on our necks. Oh, woe is me!

To get down to business, Peggy Weaver, Joyzell Thomson and Jane Bruce were having a good time sitting in Rondyn Self's jeep while Rondyn ran around with Vernon Jones Sunday night.

Harold Thomson spent Sunday evening at Mary Huskey's. Harold Thomson's hoopy or car is in top shape. We're ready to go again, kids. (Unless he sells it.)

Jane Bruce would shine with gold or something if Harry Yocham would look at her.

Mary Alice and Rusty seemed happy Sunday night. Billy Johnson sits near Peggy Weaver now in the first period study hall.

Maureen Youree and Gordon Wood Bell are making the spotlight now.

Who is John's new girl? Break out with the news, Sanders.

James Bice seems very much attracted to Laverne Farrar.

On our version of Alice Richter, as of last week, we'd like to say that it is really Frankie Vaneč who gets all of her attention.

Marcia Kincaid, won't you please make up your mind which boy you like, so I'll know where I stand?

"Bogie" and "Posy" were seen around town Sunday evening.

A newcomer to enter CHS Monday morning was Melvin Newland. We hope that you will like our school as much as we are going

to like you. Hmmm, what ever happened to your long list of boy friends, Harriet? Four cavaliers, John Sanders, Hack Norman, Gordon Bell and Jim Tom Cates. See ya next week. The Cat's Tail.

PHONE 57 CROWELL, TEXAS

WE, YOUR LOCAL CHEVROLET DEALER—and every other Chevrolet dealer in America—are both proud and happy to make the following report to buyers and prospective buyers of Chevrolet products. Again in 1947, Chevrolet built and sold more cars and more trucks than any other maker in the industry, just as Chevrolet has built and sold more cars and more trucks than any other maker for the total seventeen-year period, dating from January, 1931 to January, 1948—the modern period of motor car history. Naturally, we as well as the Chevrolet Motor Division of General Motors are deeply grateful for America's outspoken preference for Chevrolet passenger cars and trucks; and we are determined to do everything in our power to continue to deserve this preference in the future as in the past. We want to thank each and every person in this community for his friendship and goodwill for this organization. We solicit and appreciate your patronage. We are doing our level best to prove that, by filling orders for new Chevrolets just as promptly as we can—even under today's trying conditions—and we are deeply and doubly appreciative of the patience and understanding of all our customers who are awaiting deliveries of new Chevrolets. Needless to say, you buy wisely when you buy the product of the world's largest producers of cars and trucks, for that is the way to maximum dollar value! Rest assured that we'll fill your order for a new Chevrolet just as soon as it is humanly possible to do so. Meanwhile, please let us help to keep your present car or truck in good running condition by bringing it to us for skilled service, now and at regular intervals.

Births in Texas in 1947 Far Exceeds Any Former Record

Austin.—It is estimated that during 1947 there were 195,000 live births and 61,000 deaths in Texas. The number of births in 1947 far exceeds the former record of 180,000 in 1946. The excess of births over deaths last year gave Texas a natural increase in population of 134,000 people, according to Dr. Geo. W. Cox, State Health Officer.

It has been apparent for some time that reductions in the mortality due to preventable causes do not any longer offset the staggering increase in the number of deaths due to cancer and the various heart diseases. For this reason, it was not difficult to predict that 1947 would see the general death rate begin an upward trend.

Practically all of the increase in the mortality during the first nine months of 1947 may be attributed to the steadily mounting toll of death levied against the population by heart disease, cancer, and apoplexy.

Considerable satisfaction should come to those engaged in public health work in knowing that during the first three quarters of 1947 the lowest death rates ever recorded in Texas were reached for the following diseases: typhoid fever, diarrhea and dysentery, scarlet fever, diphtheria, measles, poliomyelitis, tuberculosis, malaria, syphilis, pellagra, and typhus fever.

Veterans News

The number of veterans in an interrupted or discontinued training status increased slightly during November, Veterans Administration reported.

Of all veterans who had entered training under the Vocational Rehabilitation Act (Public Law 16) for disabled veterans since the program began, 32 per cent, or 121,700, no longer were in training on November 30, 1947. This number includes 22,400 disabled veterans who had been declared rehabilitated.

Under the GI Bill (Public Law 346), about 43 per cent, or 1,915,400, of all veterans who started training since the beginning of the program, no longer were in training at the end of the month. Only 9,600 of this number completely exhausted their entitlement to training.

Veterans Administration during November entered into 1,076 contracts and 700 contract supplements with education institutions to provide educational training for World War II veterans, bringing the total number of contracts in force at the end of the month to 11,968.

Agreements with job training establishments signed during the month totaled 4,481. On November 30, 1947, there were 206,811 such agreements in force.

At the end of November, 697,146 job training establishments and 40,097 educational institutions were on the approved list of training facilities.

About thirty thousand pharmacies throughout the country, taking part in the Veterans Administration home-town pharmacy program, filled more than three-quarters of a million prescriptions for veterans during 1947, the Veterans Administration estimated.

The veterans were undergoing

CARD OF THANKS

We especially desire to thank the many friends who were so kind to us and to our mother, Mrs. E. C. Bennett, who was ill in our home for several months, with deeds of thoughtfulness and neighborliness. Your kindness and helpfulness will always be remembered and appreciated by us.

Mr. and Mrs. Dave Brisco.

CARD OF THANKS

I take this means of expressing my thanks to the many friends who have visited me since I have been in the hospital and for the cards, letters, gifts and flowers I have received. They have helped to make my stay more pleasant and every kindness will be remembered.

Mrs. O. M. Grimm.

DR. FRANK B. BOYLE

VETERANS' QUESTIONS AND ANSWERS

Q. I am a disabled veteran of World War II and would like to know if I can be given a statement of my disability?

A. Information from your folder regarding your disability may be furnished you when, in the judgment of the Administrator of Veterans Affairs, it would not be injurious to your physical or mental health. Your private physician may obtain from VA, upon written request, any information concerning your condition which he requires to treat you.

Q. Will Veterans Administration pay for tools and equipment while I am taking on-the-job training?

A. VA will pay for those tools and equipment that are needed by all trainees for the satisfactory pursuit of the same training course.

Q. Will VA pay tuition for a veteran to attend school while he is taking on-the-job training under the GI Bill?

A. Yes, Veterans Administration will pay for such schooling if his course of study is related to the vocation for which he is in training, or if the school course is prescribed and recommended as a part of his job-training.

Q. What should the veteran do if he is not satisfied with the job-training he receives?

A. That is a matter for the veteran to decide himself, but it might be advisable for him to seek the counsel of a VA training officer. He can always discontinue his training, or with VA's permission, he can switch to another training establishment.

Where Do People Live the Best?

Russia?
England?
United States?

The answer: The U. S.

We are better fed, better clothed, and have more automobiles, refrigerators, telephones, and radios per capita than any other country.

Why? One reason is the efficiency of the American farmer. In countries where farm production is low, the standard of living is low.

The American farmer represents only 2 1/2 per cent of the world's farmers, yet he produces approximately 20 per cent of the world's food supply.

Steel production also is an accurate measure of living standards. America, with only 7 per cent of the world's population, produces 50 per cent of the world's steel.

THE BIBLE SPEAKS

By LOUIE D. NEWTON, D. D.

When We Work With God
Lesson for January 25, 1948

Dr. E. STANLEY JONES was in Atlanta on one of his several visits, and some of us were asking him about his notable and unique experience as a missionary in the Orient.

Dr. Newton
I had a thousand lives to give, they would all gladly go to the wistful souls of Asia.

Paul would have been enheartened in the day that he wrote II Corinthians 5:20 to 6:10, and Romans 12:9-21, to have heard someone talk as Dr. Jones talked that afternoon.

Thus we come to see the significance and the meaning of the memory verse for Sunday's lesson. "We are fellow workmen for God," I Corinthians 3:9.

PEOPLE WHO WORK WITH GOD
Read Hebrews' 11th chapter for a picture of some of the noble souls who really worked with God, by faith, as the writer delights to put it.

HOW WE WORK WITH GOD
Read again the eleventh chapter of Romans to discover how the men and women named there worked with God. Two words will quickly come to light—faith and obedience.

GOOD WORKMEN ESSENTIAL
We come now to the deeper implications of the lesson, revealed in II Corinthians 5:20 to 6:10. "We then, as workers together with him, beseech you also that ye receive not the grace of God in vain; but in all things approving ourselves in much patience, in afflictions, in distresses, in watchings, by kindness, by love unfeigned, by the power of God."

JOY OF WORKING WITH GOD
Why did Dr. E. Stanley Jones answer so quickly about giving a thousand lives to the benighted, wistful souls of Asia? Because he had discovered the unspeakable joy of working with God in reconciling men unto him.

Weekly Sermon

by A. R. Hanson, Moody Bible Institute, Chicago.

The Writing on God's Hands
"Behold, I have graven thee upon the palms of my hands" (Isaiah 49:16).

Israel had charged that God had forsaken her. The accusation was not a new one—in times of difficulty, the first reaction was often that "God has forgotten." It was a revealing accusation, unfortunately, for it showed how little the Israelites understood the true nature of God and how little they comprehended the great depths of His love for them.

Had God forgotten Israel? Does He ever forget? "I have graven thee upon the palms of my hands," Isaiah records. This singularly bold metaphor, drawn from the strange, half-savage custom of having tokens of remembrance indelibly inscribed on parts of the body, emphasizes the permanence of God's concern for man. God never forgets man. It is man who forgets God.

The picture here is of remembrance more tender than a mother's. Mothers may forget their children, Isaiah says, but God does not. Instead, He has ever been searching for man. "I am come to seek and to save," were the words used by Jesus Christ. The Bible repeats the theme in many ways—here in metaphor, there in type, now in symbol, again in parable and finally in the fullest expression of love on Calvary's cross.

Did God forget? The Psalmist knew the answer when he said, "I am poor and needy, yet the Lord thinketh upon me." David knew, when he asked, "What is man, that thou art mindful of him?" Isaiah tells us, once and for all, what God has promised: "I will not forget thee."

There were more foreign born Italians in the United States than citizens of any other country, at the last census.

Canada is the best customer the United States has.

Shower at Foard City Compliments Mrs. Joe Farrar

To compliment Mrs. Joe Farrar, who was married Dec. 22, a bridal shower was given on Thursday, Jan. 8. Hostesses were Mesdames Jack Welch, Hughston McLain, Howard Ferguson, J. C. Rader, and Glenn Shook.

Decorations in the recreation room at Foard City carried out a pink and white scheme.

The lovely bride's book was presented over by Mrs. J. C. Rader. Mrs. Howard Ferguson introduced guests to the honoree, Mrs. Joe Farrar.

Incidental piano selections were played by Mrs. Jack Welch, who also accompanied Mrs. Hughston McLain and Mrs. Howard Ferguson in a duet, "Near You."

Mrs. Glenn Shook served as the

master of ceremonies at "The Ladies Be Seated" program. Mrs. Grady Halbert presented "A Little Bird Told Me," as the introduction of the program. Three singing housewives then took part. Mrs. Joe Farrar was acclaimed the winner of the afternoon and was presented her shower gifts as her prizes.

Dainty, frosted cakes and spiced tea were served to the guests.

BIRTHDAY DINNER PARTY

Mrs. Edward Brock honored her daughter, Bobbie Ruth, on her eighteenth birthday with a supper on Wednesday evening, January 14.

Guests present were Ray Gamble, Mary Ray Ayers, Bobbie Akers, Laverne Farrar, Bobby Cato, Mr. and Mrs. Eudale Oliver and sons, Mr. and Mrs. Louis Pyle, Mr. and Mrs. Dave Shultz and family. The honoree received many nice birthday gifts.

42 Club Meets in V. W. Browning Home

Upon the invitation of Mrs. V. W. Browning, the Crowell Forty-two Club met in Truscott in the pretty new Browning home on Friday, January 16. Besides the club members, Mrs. Browning had as her guest, Mrs. Seth Woods, her sister.

In the games, Mrs. Dwight Campbell was high scorer and was presented a pretty prize. The hostess served a tempting dessert plate to those present. A tour of the home and its attractive yard was made before the guests departed.

WEST SIDE H. D. CLUB

With Mrs. John Teague as hostess, the West Side Home Demonstration Club held its first meeting of the new year in the home of Mrs. L. Kamstra.

"Unique Bible Stories," the subject for the afternoon's study, was discussed by Mesdames Teague, S. H. Ross, J. L. Kinchee and Kamstra.

Roll call, "Men of the Bible" brought to mind those grand old characters of the Old Testament, Abraham, Moses and Joseph and

Leslie Thomas Announces for Re-Election

Judge Leslie Thomas has authorized the News to announce that he will be a candidate for re-election to the office of County Judge, subject to action of the Democratic primary. In authorizing such announcement, Judge Thomas issues the following statement:

"I have served in the capacity of County Judge of Foard County for a number of years during which time I have worked diligently toward rendering unto the people of Foard County a progressive, yet an economical administration; if my administration has been a successful one your co-operation in my endeavors has played a major and a decisive role in making it so, and if the fruits of my labors, as viewed from your vantage point, have been such as to merit another term as your County Judge, I shall sincerely appreciate your vote and influence. Should I be re-elected to such position, I shall continue to exert my every effort to the betterment and advancement of Foard County."

St. Paul and St. Luke of the New Testament and of course, Our Lord's life, were very interestingly portrayed.

Club plans for 1948 were made and the new year books were distributed.

The hostess served a lovely dessert plate to the members present and to one visitor, Mrs. E. V. Halbert of Foard City.

The next meeting will be held in the home of Mrs. S. E. Tate.

GAMBLEVILLE H. D. CLUB

The Gambleville Home Demonstration Club met January 16, in the home of Mrs. J. C. Prosser with a splendid attendance.

For recreation, two songs, "Smile A While" and "Count Your Many Blessings" were sung. These were led by Mrs. W. J. Garrett. The Collect for Club Women was recited in unison by the members. Roll call was answered by "A Fruit I Intend to Plant This Year." The quotation of the club calendar was noted.

"Without courage, there cannot be truth and without truth, there can be no other virtue," Scott.

As the new county demonstration agent had not yet arrived, there was no demonstration and in its place, the ladies each engaged in needlework.

At the close of the meeting, Mrs. Prosser served a delicious refreshment plate. The next meeting will be with Mrs. Andrew Calvin at her home on February 6. All members are urged to attend and an invitation is extended to visitors at all times.

Sub-Junior Club Has Meeting

The Sub-Junior Adelpian Club had its regular meeting on January 14th, with Rondyn Self as hostess.

A beneficial program was presented. Peggy Pittillo made a talk on "It's a Woman's World." Peggy Weaver gave "Where Does the Blame Belong," and Jenny Wehba talked on "The Count of Ten."

The club will meet again January 28th, with Rozella Auty as hostess.

SEW-N-SEW CLUB

Twelve members of the Sew-N-Sew Club met with Mrs. Hughston McLain in her home Thursday, Jan. 15th.

After a short business meeting, presided over by Mrs. Howard Ferguson, president, the ladies engaged in hand work.

A tasty sandwich plate was served to Mrs. Clarence Garrett, Mrs. Harry Traweck, Mrs. Eugene Owens, Mrs. Howard Ferguson, Mrs. J. C. Rader, Mrs. Jack Welch, Mrs. W. L. Johnson, Mrs. Kenneth Halbert, Mrs. Fred Borhardt, Mrs. Bob Myers, Mrs. Glenn Shook, and a new member, Mrs. Robert Lee.

The next regular meeting will be on Jan. 29th.

Bethlehem Steel Co., will endeavor to alleviate the scrap shortage by importing a million tons—100 shiploads of steel from the Pacific islands within the next 18 months. The scrap was purchased from China which got it from the United States in payment of a war debt. It will cost \$30 million. Shipping costs will be around \$8 million, leaving China \$10 or \$12 million.
