

News of Baird PEOPLE & THINGS

By E. M.

WE WANT TO THANK those of you who have commented favorably on our efforts to arouse interest in the improvement of the gymnasium situation at our schools. Without exception the comment from those who are most interested — the patrons of the schools has been favorable. They see the need and express themselves as being willing to make the needed sacrifice to do that which is needful to bring the school plant up to the desired stand-

WHILE A NEW GYM would be nice indeed, we have not contended that that is the only answer. School administrators have shown that the present building could be satisfactorily remodeled to allow more seating, better dressing rooms and a new floor. The school trustees are faced with many problems — the gym is just one of them. We believe that they will face the situation squarely and do something about it.

MR. CLYDE WHITE of our community will be in Austin Saturday night where he will attend a party given by Steck Company honoring their veterans employees. Mr. White is a veteran with 30 years service with the company and will receive a 30 year pin at the party which will be held at the Commodore Perry Hotel. Steck is one of Texas' leading printing firms and Clyde is one of its oldest employees. He has covered this particular territory and covered it well during his years with Steck.

THE RECENT RATIFICATION of the amendment banning the poll tax as a requirement for voting in elections pertaining to Federal offices, has left things in a mess in Texas. Texans went to the polls last year and voted against the amendment to the Texas Constitution which would have banned the poll tax requirement. Now voters have to pay the poll tax to vote in Texas state, county, city elections, etc., but do not have to have the poll tax certificate to vote in federal elections. Seems that we Texans can get things all tangled up in a pretty good shape. Governor John B. Connally is urging all Texans to pay their poll tax so that they may have a say in their state government as well as their federal government. There will probably be two ballots when you vote in the Democratic primaries and the general election — one for Texas and one for the United States. To vote on the Texas ballot, you will have to have a poll tax. Not so in the Federal balloting. All you need is a registration certificate. Don't believe we would want to serve as an election judge this year. May we urge you to pay your poll tax. We have opposed poll tax as a voting requirement for many years, but since it is law we must abide by it.

AS MOST OF YOU have probably heard since news travels fast in small communities, we are leaving the Baird Star after two years as its editor. This is 30 for us here since this is our last effort. The load has been too great for a man of our limited abilities. When one bites off more than he can chew, sooner or later he must face facts. We are leaving without malice toward anyone. You have been most kind. The problems facing a small weekly paper are complex and we just can't fight them longer. Our plans for the future are not complete. We plan to rest for a few days before plunging into anything else. The friends Mrs. Mayer and I have made here will always be among our most cherished memories.

Bears Knock Crown Off Mavericks' Head In 73-68 Game Tuesday Night

Baird's Improving Bears knocked the Eastland Mavericks out of their top spot in District 10-A standings Tuesday night when they met and conquered the tall Mavs on the enemy grounds by a 73-68 score. On the same program and in an earlier game the Baird girls stretched their win streak to 24 games for the season with an easy 83-54 victory over the Eastland girls.

In dethroning the Mavericks, the Bears had to put on a spurt in the final period. They trailed for a little over three quarters. Tommy Barton led the Bears in scoring with 12 field goals for 24 points. He trailed Miller of Eastland for game honors who had 28. Others scoring for Baird were Richie Crow, 14; Max Gordon, 9; Wally Harris, 5; Tally Windham, 8; Jimmie Collins, 6; and Bobby Black, 7.

Paula Corn made 49 points in the little over half of the game she played to lead the Baird girls to their 24th win of the season. She sank 20 field goals and 9 charity shots for her score. Karen Bearden made 18; Vickie Jones made 12; Sally Green and Yvonne Shelnutt made two each. Elaine Hass played a good floor game but failed to score. Guards were Sue Howard, Betty Corn, Sharon Jeter Dana Corn, Judy Deason, Nadine Shelnutt and Cathy Townsend.

Last Friday night Ranger downed the Bears 50-40 in the Baird gym and the Baird girls defeated the Rangers 107-20. Wally Harris made

12 points for Baird while McGee made 24 points for the winners to take game honors. Others scoring for Baird were Gordon, 9; Barton, 10; Windham, 4 and Black, 5.

In the girls game Paula Corn made 40 points in less than two full quarters. Karen Bearden made 25 as she alternated at forward and guard for a little over a half. Elaine Hass made 3 and Vickie Jones made 16. Sally Green made 4, Yvonne Shelnutt made 11, Peggy Gordon made 4 and Joyce Howard made 4. Guards were Sue Howard, Betty Corn, Sharon Jeter, Dana Corn, Judy Deason, Nadine Shelnutt and Cathy Townsend.

The Baird girls have a full week ahead. Tuesday night they meet Clyde at Baird and Thursday night they meet Albany in a game which was moved up from Friday. Thursday morning they begin play in the Hardin-Simmons tournament against Anson, and will be in the tournament Friday and Saturday unless they lose their second game on Friday. The Albany games for both the girls and the boys were changed to Thursday so that the girls might enter the Hardin-Simmons Tournament.

In winning their 24 games the Baird girls have averaged 71 points per game while their opponents have averaged about 47.8 points per encounter. Paula Corn has averaged 38 points a game and Karen Bearden has averaged 18.3. Elaine Hass has averaged 8.

Auto Tag Sales To Start Monday

Albert Lovell, County Tax-Collector of Callahan County, said Monday his office would begin Monday, February 3rd issuing 1964 automobile registration plates. A total of 6440 plates have been received for this county.

Before 1964 license plates can be issued it will be necessary for the automobile owner to have his Certificate of Title and current registration receipt.

He said his office also had on hand a supply of pamphlets issued by the Department of Public Safety that explains in brief recent changes in the Safety Responsibility Law that went into effect the first of the year. Each motorist will be given one of the pamphlets when he purchases his car plates.

Numerous changes have been made in the law, and to help the motoring public become familiar with the new provisions, the tax office is making the pamphlet available to the drivers of the County.

Edwards Tosses Hat In Ring For Sheriff Race

W. C. (Smokey) EDWARDS

W. C. (Smokey) Edwards, a long-time resident of Baird, has authorized the announcement that he is a candidate for the office of sheriff of Callahan County subject to action of the Democratic Primary on May 2.

Mr. Edwards has paid his filing fee and has issued the following official statement in behalf of his candidacy:

TO THE PEOPLE OF CALLAHAN COUNTY:

After long and studious consideration, I have decided to offer myself as a candidate for Sheriff of Callahan County, subject to action of the Democratic primaries.

I am 56 years of age and have spent most all of my adult life in Callahan County. My family consists of my wife, the former Elizabeth Glover, and our 24-year-old son, Bill, who is now serving with the U. S. Navy stationed in Newfoundland.

My experience consists of having served three years as a Callahan County deputy sheriff, 28 years with Premier Oil Refining Company at the plant near Baird, and a sales representative for a supply company the past 12 months.

My stewardship in public life has consisted of eight years on the board of trustees for Baird Independent School District, during which time I was privileged to work with and for young people. I have found no more enjoyable or rewarding pursuit than that of being associated with our youth and striving to help them toward stronger and better citizenship. If elected Sheriff of Callahan County, much of my energies would be devoted to that objective.

During the coming nine weeks I hope to meet every voter of the county and discuss my candidacy and general fitness for the office. In the meantime, I invite your investigation of my character and general reputation. I cite you to any of the peace officers with whom I formerly worked, the school members with whom I served, or the scores of men and women with whom I was associated so many years at Premier.

I earnestly solicit your vote and influence, realizing all the while that in asking for your suffrage I am seeking the most precious gift a citizen has to convey — the vote. I assure you, though, that if elected I would never become unmindful of the trust reposed in me and that my objective would be to make you the type of public servant you want and have a right to expect.

Thanking each and every one of you for the warmth of your friendship through the years and sincerely asking the opportunity to become your next Sheriff, I am,

Gratefully yours,
W. C. (Smokey) Edwards

Roma McIntyre has been sick with virus the past 4 or 5 days, wasn't able to teach school Monday. We hope she soon gets to feeling ok.

Burette and Johnny May Remsey visited with me a while Sunday night.

Burette and Johnny May went to Mr. and Mrs. Edgar Harrises Friday night, think they played 84. Mr. and Mrs. Chester Allen went to the Harrises Friday night also.

Hi to you, Miss Ora Clinton, Mrs. Eura Lovelady also Mrs. Raymond Clark, Mrs. Jennie Weeks who are convalescing in the rest home in Baird. I will come in to see you all some of these days, hope all of you are feeling better.

I had hoped the old virus bug would have frozen from all the cold weather we have had this winter but I guess you can't kill the old bugger no matter how hard you try. Guess I had better get busy, so be good and I hope to see you next week.

LETTERS TO THE EDITOR...

As you know, the annual sale of Christmas Seals is the only time the County TB Association makes an appeal to you for support.

It is more important than ever that the work of the association continue, for it has been expanded to give aid, when needed, in all cases of respiratory diseases.

If any club or any individual who has not answered my Seal Letter would like to do so, it is

still not too late. A contribution in any amount may be sent to Callahan County TB Assn., P. O. Box 609, Baird, Texas.

I wish I could thank everyone personally, but since I can't I want to say that each contribution is noted and appreciated by your Association and on its behalf I extend thanks to all who have helped, including the many clubs, lodges and business firms.

Sincerely,
Helen Macdonald

Don't Mutilate VA Income Cards

Don't tear or mutilate that VA card for reporting income.

Glyndon M. Hague, Manager of the VA Regional Office, Waco, Texas, says that too many income reports are arriving at the VA in such condition they cannot be processed through the automatic equipment.

The income reports must be filled out completely and returned to the VA by January 31, 1964, to avoid removal of the recipients name from the pension rolls.

"A prompt, complete and neat return will avoid the risk of interrupted pension payments" Mr. Hague said.

'64 Chevy II Nova Station Wagon

CHEVY II by Chevrolet

You don't need a big car to get big performance. Not any more. You'll quickly see why when you check the '64 Chevy II.

There are two new higher performance optional-at-extra-cost engines for you to pick from. One is Chevrolet's strapping 195-hp Turbo-Fire V8. The other is a new chrome-trimmed 155-hp Turbo-Thrift Six.

If you've got a mountain to climb or a truck to pass, these are the engines that can leave either one safely behind you. In fact, this new Chevy II packs a wallop everywhere but in your wallet.

New brakes match this power, too. Bigger, to dissipate heat faster. Self-adjusting, to save you money. Other easy-care features include Delcotron generator and a fully aluminized muffler.

Chevy II is smartly styled outside, comfortable inside. There are a lot of models to choose from. A lot of extra-cost accessories to customize it just about any way you'd like. And a whole lot of fun to look forward to. At a very low cost. Test drive Chevy II at your Chevrolet dealer's soon. You'll like it!

PEOPLE AND THINGS . . .
(Continued from page one)

PLANS ARE FOR Mr. Norman Fisher, state editor of the Abilene Reporter News, to assume the editorship on February 1. Norman has been a friend of ours for some time and is a good newspaperman. He deserves and will need your wholehearted support and we ask that you give him the same fine consideration you have given us. Norman will move his family to Baird and will become a part of the community. We wish him success and a pleasant stay here. Again may we say thank you for every consideration. When our plans are complete, we will let you know. Right now our thinking is along the line of getting closer to Austin where our daughter and her husband live. What few talents we have include writing and selling, and

chances are that we will continue in one or both of those fields. Where ever we are, our best wishes will always be with the people of Baird and with the Baird Star. It has been a good newspaper for 75 years and will continue to be a good paper long after we are gone.

BIRTHDAYS THIS week belong to the following: January 26, Randall Kearney; January 27, Guadalupe Mendez; January 28, Robert Vinyard and Dorothy Lovell; January 29, Jeffery Barton, Alibelle Harris, Jackie Don Kelly and Bob Swinson; January 30, Mary Ann Bell and Lowell Corn; January 31, Mrs. Bob McKinnon, Roy McAdams and Richard Jaggars and February 1, Marsha Stanley, and Mrs. Jessie Odom. Mrs. M. L. Neithercutt, former resident of Baird who now lives in Midland, also celebrated a birthday this week.

Bobby Eklunds Are Parents Of New Son

Mr. and Mrs. Bobby Eklund of Baird are the parents of a son Richard Kirk, born at 4:30 p.m. Saturday, January 25, in an Abilene hospital. He weighed six pounds and four ounces. The new baby has a sister, eight year old Janet, and a brother, five year old Mike.

He has been seriously ill since birth, but reports are that he is improving and should be out of danger soon.

Bear Tales

The Baird High Beta Club is again attending the State Beta Club Convention at Dallas from January 31st to February 1st. The convention alternates between Dallas and San Antonio. The students going include: Dana Corn, Barbara Henry, Carol Lynn McGowen, Suzie Foy, Sandy Cummings, Stephanie Lafon, Eric Lovell, Larry Towler, Bobby Black, Maxie Gordon, Steve Stanley, Byron Snyder, Tommy Barton and Jimmy Trowbridge. The chaperones are Mrs. M. C. McGowen, Mr. and Mrs. Tom Barton and Mrs. Archie Nichols, Beta Club Sponsor. Our Beta Club has the honor this year of having Larry Towler and Steve Stanley serving as State Marshalls for the convention. They will direct the registration of the Beta Club members at the Baker Hotel, where the convention is being held.

Some of the Beta Club members are leaving today at noon for Dallas and the remainder will follow after the ball game tonight with Cross Plains. All the club members will be staying at the Statler-Hilton Hotel in downtown Dallas. Tonight the members will attend a talent show comprised of entrants from Beta Clubs all over the state. Saturday everyone will attend the sectional meetings to learn what the different clubs have accomplished all year. Saturday night there will be a banquet with a dance later in the evening.

One purpose of the Convention is to enable various candidates for the State Beta Club Offices to compete with each other. It resembles a National Political Convention due to all the color and excitement generated by the signs, slogans and pins used by the candidates. At the talent show tonight the students running for president will give their campaign speeches. Saturday morning each Beta Club present will cast one ballot for the candidate of their choice.

The Beta Club Convention is not only a lot of fun but is a wonderful experience, too. The various Beta Clubs exchange views on means of raising money to finance their trip and other worthwhile projects. The work shops give suggestions on how to conduct Beta Clubs and the duties belonging to the various officers.

Dresses and pillbox hats worn by the bride's attendants were of lilac mist satin. Seed pearls trimmed the small hats with circular veils. They carried colonial nosegays of white pompons. Their pearl earrings were gifts of the bride.

After a wedding trip to Fort Worth, the couple will resume study at Abilene Christian College where the bride is a junior and her husband a senior agriculture major.

A graduate of Baird High School, the bride is a member of Kappa Chi social club.

The bridegroom is a graduate of Uvalde High School and attended Southwest Texas Junior College before enrolling at ACC where he is a past president of the Rodeo Club and a member of the Aggie Club.

You Gotta Have Poll Tax To Vote In State And Local Elections This Year

Texas voters who desire to have a voice in their state, county, precinct and local elections will be required to hold a valid poll tax before they are allowed to vote, Governor John Connally said this week. Governor Connally made the announcement following the ratification of the amendment to the Federal Constitution abolishing the poll tax as a requisite for voting on candidates for National offices.

Governor Connally urged every Texas voter to pay his poll tax before the February 1 deadline in order that they might have a voice in running the affairs of their state or local government. Texans went to the polls last year and defeated an amendment to the state constitution which would have abolished the poll tax as a voting requirement.

There will probably be two ballots at the primary election and the general election, one for state and local officials and one for national officials. Those paying their poll tax may use both ballots while those who do not have a poll tax will be allowed to vote on the National candidates only.

Randall C. Jackson, member of the State Democratic Executive Committee from the 22nd Senatorial District joined the Governor in urging everyone to pay their poll tax payment between now and January 31. Convention strength is determined by the number of votes cast for Governor in the general election and it is important to this district that we have a heavy vote for governor in the General Election of 1964."

Shraders Celebrate Golden Anniversary

Mr. and Mrs. John H. Shrader, Senior, observed their 50th wedding anniversary Sunday, January 26, at an open house in the home of their son, John Hammond, at Scranton. One hundred and seventy-six people registered.

Mrs. Shrader is the former Ila Frances Ray. The couple was married in the home of her father, J. J. Ray, in Scranton on January 24, 1914. A veteran of 46 years of teaching in this area, Mr. Shrader is now retired. They make their home on their farm near Scranton.

Children of the couple are John Hammond, Junior, of Scranton, Mrs. Roy Armstrong of Iraan, Mrs. B. M. Freeland of Baird and Hugh Edgar of Odessa. There are 10 grandchildren.

According to Tax Collector Bert Lovell, 1615 Callahan County residents had paid their poll tax through Wednesday. He expected the total to reach some 2,300 prior to the deadline Friday night. He said that those who were 60 years of age prior to January 1, 1963, would not need to come by his office for exemption certificates. The exemption certificate law applies, he said, to residents of towns of more than 10,000.

Mrs. Ray Black Is Candidate For T.F.W.C. Office

Mrs. Ray D. Black of Baird has been nominated as a candidate for Junior Director, Eastern Region, Federation of Womens Clubs, and the story of her nomination was one of the feature items of The Texas Clubwoman Magazine in its January issue.

She was nominated by the Junior Wednesday Club of Baird and was endorsed by the Mesquite District TFWC at the Spring convention held in Graham in March, 1963. She was also endorsed by the junior clubs at the state convention held in Dallas in May, 1963.

She has served two years as president of the Junior Wednesday Club of Baird, and was named the club's outstanding member on two occasions. She is serving as secretary of the club at this time. She is also serving as a director of junior clubs of the Mesquite District.

She has served two years on the budget committee of the Baird United Fund and for five years has been president of the Baird Youth Club. She was active in girl scout activities, having served as community chairman of the local association and as day camp chairman.

Mrs. Black is active in the work of the First Methodist Church where she is president of the Women's Society of Christian Service and has served as superintendent of the children's department for two years. She is a member of the Mother-Father - Teacher organization and an active member of the Band Boosters Club.
