

Trial of Former French Militia

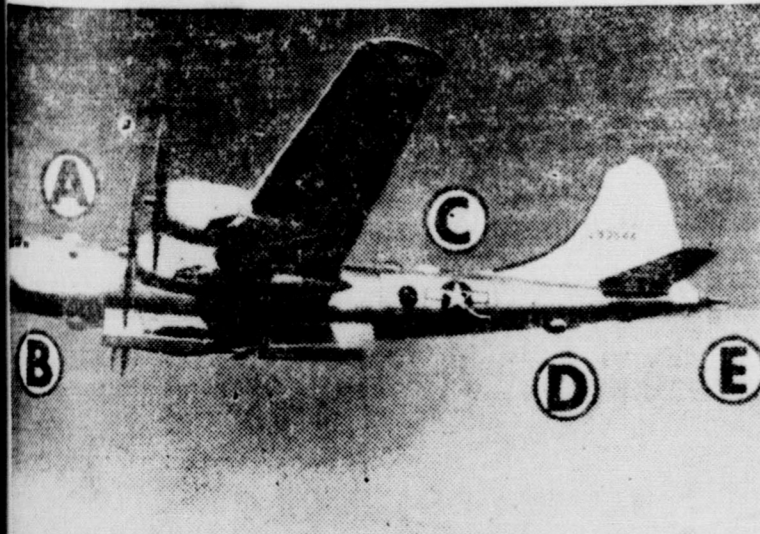

The photo shows a scene during the military trial of the members of the former French Militia in Grenoble, France.

No Gasoline Problem in Paris

Anybody who owns a bicycle in Paris these days is lucky. Bikes are the only means of transportation, outside of walking, as there is no gasoline for the few cars left in the French capital.

B-29 Secret Armament Revealed

The armament of the B-29 super-fortress has been revealed to the public. All turrets and guns are remotely controlled electrically.

MOVING TO CANYON

Mr. and Mrs. Q. V. Winningham and family left this week for Canyon where they will make their future home.

Singers Invited to Attend Singing Sunday Afternoon

A singing will be held at the First Christian Church Sunday afternoon, October 1, beginning at 3 o'clock.

HOSPITAL NOTES

Patients In: Mrs. Bert Ekern and infant son. Mrs. Tom Callaway.

Foard County Men Report Sunday for Induction

Seven Foard County men left Sunday for Dallas to report for induction into the armed forces.

In Service

Pvt. Henry Briscoe is seeing active duty on the battle front in France, according to a letter received by his parents.

Cpl. Vance Swain of the U. S. Marines arrived at home Sunday from San Francisco after spending two years in the Japanese battle fronts.

Pvt. Bob Gobin of Camp Fannin was here spending the weekend with his parents.

Chippie Griffin, pharmacist Mate 2-C of Norman, Okla., was here on a week-end pass.

Pvt. Eugene Everson, who has completed his basic training in the Army Engineers at Fort Jackson, S. C., is at home on a 15-day furlough.

A-C James K. Archer, who has been hospitalized for six weeks on account of a sinus operation, has recovered and is out of the hospital.

James R. Higgs, S-2-C, has arrived safely somewhere in the South Pacific, according to a letter received by his parents.

Sgt. Carl Cobb left Sunday for Camp Crowder, Mo., after a visit here in the home of his brother.

Pvt. Lawrence (Son) Glover has landed safely in France recently, according to his parents.

Pvt. Leland E. Porter, son of A. P. Porter, who served thirteen months with the artillery in the Southwest Pacific.

S-Sgt. Robert (Ed) Dunn, son of Mrs. W. T. Dunn of Margaret, has recently been released from the Fletcher General Hospital at Cambridge, Ohio.

Sgt. Albert Lee Earthman, who is stationed at Liberal, Kan., visited his parents in Thalia last week.

After having spent four months in England, P-4 Clifton E. Skelton was returned to Camp Blanton, Fla. He is now with his parents.

S-2-C Bobby Joe Hunter is spending a leave in the home of his parents, Mr. and Mrs. John L. Hunter Jr., in Margaret.

Lieut. H. C. Brown and wife are expected to arrive in Crowell today for a visit with their parents.

S-Sgt. Clyde Eddy and wife arrived here Wednesday from Camp Crowder, Mo., to visit relatives.

Red Cross Knitting Chairman Asks for Knitting Assistance

Mrs. Jack Seale, Foard County Red Cross Knitting chairman, is asking that any who can assist with Red Cross knitting during the fall and winter.

Youngest Vet Back

Entering the merchant marine at 14, now 15 years old with 13 landings on battle-torn France to his credit, Gerald W. Haddon, Chicago, has been returned home.

Sgt. Albert Merl Sandlin Reported Missing in Action

Sgt. Albert M. (Merl) Sandlin, son of Mr. and Mrs. Arthur Sandlin of the Vivian community, has been reported missing in action since Sept. 12, over Germany.

Sgt. Sandlin was a side gunner on an airplane and was on a bombing mission over Germany when he disappeared.

He entered the service two years ago Sept. 19, and took his basic training at Lubbock.

Crowell Wildcats Defeated by Quanah Indians

The Crowell Wildcats football team went down in defeat at the hands of the powerful District 2AA Quanah Indians Friday night.

The Indians quickly took the offensive and kept it most of the game. The Indians ran off a single wing formation with an air ball.

German Each Year

Joseph Parrachini, 13-year-old and mascot for a group of F. F. I. in Carpentras, is responsible for killing 13 Germans and wounding several others.

Wilburn C. Pierce Killed in Southwest Pacific Sept. 19

Pvt. Wilburn C. Pierce, son of Mr. and Mrs. G. F. Pierce of the Vivian community, was killed in a glider accident in New Guinea on Sept. 19.

Wilburn Clarence Pierce, a native of this county, was born Sept. 11, 1910, at Margaret.

Survivors are his parents, five brothers and one sister: Roy, Ross and Fred, of Swearingin; Mrs. Opal Duncan of McFarland, Calif.; Herman Pierce of Quanah,

Report on Cotton Pulling Hearing

Last Thursday some 210 farmer delegates met at Paducah, Texas, representing 22 counties in this section of West Texas.

The following farmers represented Foard County: Homer Zeigler, Ab Dunn, W. A. Barker, Jim Nason, L. L. Morgan, Oscar Fish and Claude Nichols.

Not all the counties had completed their poll of growers but indicated they would do so promptly.

Foard County is taking a referendum vote and results will be reported promptly.

Should the large majority of the 60 counties involved vote favorably the State Wage Board could order the regulations in effect over the entire area affected.

So far as the hearings held are concerned sentiment seemed to be very largely in favor of the program.

Prices for pulling in six Arizona counties have been fixed at \$1.35 per hundred for pulling in the field.

Through the line for the second quarter. Quarterback Jacobs kicked the first try for extra point but failed on the second attempt.

Substitutes in the game for the Wildcats were J. C. Patton, Joe Mason and Carlos McBeath.

Starting Line-Up table listing players for Quanah and Crowell teams.

The Wildcats have been working hard this week on blocking and new play formations in preparation for their game tomorrow.

Government Cotton Report for County

There have been 281 bales of cotton ginned from the 1944 crop in Foard County up to Sept. 16, as compared with 825 bales ginned up to the same time in 1943.

United War Chest Drive Will Open in Foard County October 14; Plans and Organization Ready for Campaign

The campaign for Foard County's part in the annual United War Chest drive was opened at a meeting of the chairmen with County Chairman Claude Callaway on Tuesday evening.

MISS BLANCHE GROVES, Baptist Missionary to China, who was interned by Japanese and a repatriant to the Grisholm, will speak at the Baptist Church on Tuesday evening.

District High School Officials Attend Meet Here

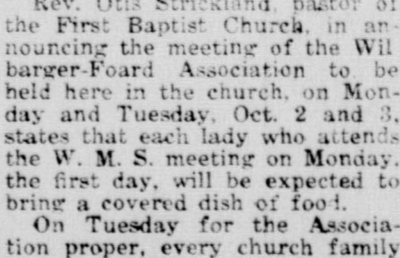

The High School officials of District 12-A met at Crowell on Wednesday, Sept. 20, for the purpose of organizing for the inter-scholastic League competition in football and basketball and checking eligibilities for the school year of 1944-45.

It was decided to determine the basketball championship by a double round robin playoff this school year with the district being divided into two halves.

Plans Made for Wilbarger-Foard Baptist Association

Rev. Otis Strickland, pastor of the First Baptist Church, in announcing the meeting of the Wilbarger-Foard Association to be held here in the church, on Monday and Tuesday, Oct. 2 and 3, states that each lady who attends the W. M. S. meeting on Monday, the first day, will be expected to bring a covered dish of food.

Yank After Sniper

Yank infantryman pokes the muzzle of his rifle around a street corner in Liege, Belgium, to take a shot at a German sniper hidden in a building at the end of the street.

The local Parent Teacher unit is sponsoring an auction sale to be held on the court house lawn on the evening of October 14.

Those responsible for the plans of the project are all those who are interested in the Crowell Schools to make a donation of some article to be sold.

PTA To Sponsor Auction Sale on October 14

The local Parent Teacher unit is sponsoring an auction sale to be held on the court house lawn on the evening of October 14.

A large part of the proceeds is to be given to the school libraries which have been much depleted and to buy books and equipment.

For the following working women have been named: Mrs. Roy Todd and Mrs. Bob Abston.

The merchandise for sale will be stored in the court house until time for the sale.

The highlight of the meeting will be a message from Miss Blanche Groves, a Baptist missionary to China on Tuesday evening.

...speak no evil!

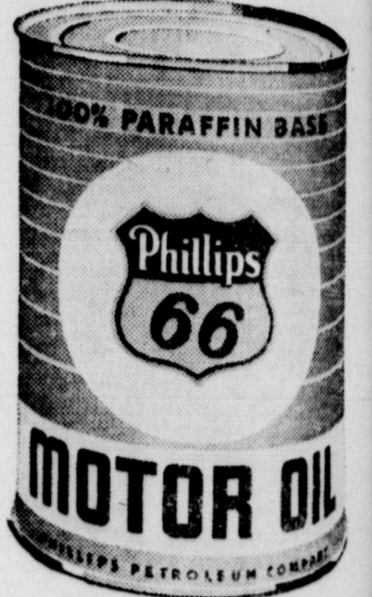

"There is only one evil", wrote Socrates, "that is ignorance." And ignorance it obviously is, which sometimes prompts the careless car-owner to say that all motor oils are alike, that there is no difference between any of them.

Oils vary in chemical composition, in stability, in freedom from harmful impurities, in lasting power, in ability to maintain viscosity, and in many other ways as well.

That is why all intelligent car-owners naturally prefer a quality oil. But not all of them know the simple, easy way to be sure of getting it, as explained by the following facts:

Phillips offers a number of oils because car-owners' preferences vary almost as much as their cars and pocketbooks. But when you want our best oil, remember Phillips tells you frankly that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer to average motorists.

Figure the cost per year of draining and refilling with quality oil every two months, as experts advise, as against the cost of using cheap oil; and it is plainly foolish economy to take a chance. So when making the seasonal change from summer-worn lubricant, get quality by getting Phillips 66 Motor Oil.

It's Phillips Finest Quality

Texas Tech Issues Statement Relative to G. C. T. Program

Lubbock, Sept. 25.—The president's office at Texas Technological College has issued the following statement regarding the government college training program for those who have been in the service: "Men and women who were in service in any branch of the Army or Navy services on or after September 16, 1940, and whose term of active service was 90 days or more, exclusive of any period he was assigned for a course of education or training under the Army Specialized Training Program, or Navy College Training Program, may apply for at least a year of college training under the Veterans' Administration and at government expense of such person was discharged for any reason other than dishonorable and if under the age of 25 years at the time of entrance to service, according to information received

by Texas Technological College. "Such persons may select the course of study they wish to pursue and the college they wish to attend, whether within their own state or another state. The Veterans' Administration is authorized to pay all tuition fees and other college charges and to provide books and board and room, travel expense, etc. These latter are provided for by monthly payments of \$50.00 per month to single students or \$75.00 per month if the student has dependents. Payments of tuition, fees, etc., are made directly to the college. "Applications for such school training may be made to the Veterans' Administration at Waco, Texas, or in the case of persons wishing to enter Texas Technological College, applications may be made to Registrar W. P. Clement who will provide proper forms to be forwarded to the Veterans' Administration. Applicants who go directly to Mr. Clement should bring with them transcript of high school credits and evidence of graduation if they have not been

admitted to college. If they have attended another college they must bring a transcript from that college also. "In addition to the academic records, they must also bring their discharge certificate and record of military service for prompt action. "Service men and women who wish to take advantage of this opportunity must apply for such school training within two years of the date of their discharge. Those who were in active service for more than 90 days may qualify for more than one academic year of training. "To move an infantry division of 15,000 men and their equipment by rail, 356 passenger cars, 82 baggage cars and 900 freight cars are needed, the Office of Defense Transportation says. "The percentage rise in employment of women in the last four years is nearly equal to that for 40 years, 1900 to 1940, according to the Rationing and Re-employment Administration

lene preached Sunday in the Church of Christ Church. Miss Frances Jones, who has been working in Crowell, returned to her home Saturday. Mr. and Mrs. Dallas Benyon and son, Bobbie Joe, of Kings High, Ft. Billy Benyon of Reno, Nevada, and E. J. Johnson of Quanah were guests in the home of Mrs. Wayne Young Sunday. Mrs. H. P. Gillespie, Mrs. John Black, and Joan Green visited in Knox City Saturday. Miss Joyce Jones spent Friday night as a guest of Sharon Sue Haney of Crowell. Born to Pvt. and Mrs. F. W. Fannin, Sept. 10, 1944, a girl, Carole Jo. Mrs. W. O. Solomon has been visiting her daughter, Mrs. Leonard Loyd and family of Menard. Mr. and Mrs. L. F. Fannin of Chillicothe spent the first part of last week with friends and relatives in Truscott. Face powder is known to have caused explosions... when found on men's lapels.

Early Diagnosis of Tuberculosis Surest Avenue to Recovery

Austin.—Urging the importance of early diagnosis as the surest avenue of recovering from tuberculosis, Dr. Geo. W. Cox, State Health Officer, asserts that the danger of this disease lies not so much in its virulence as in its insidious attack.

"If a tuberculosis patient realizes his plight in the earliest stages of the disease, immediate treatment could very likely save his life," Dr. Cox said.

The victim usually has sufficient warning of the onset of the disease, but all too frequently ignores them.

"The warning signs are usually noticeable enough to attract attention," Dr. Cox said. "A cough that persists, loss of weight, easy tiring—if any of these symptoms are present, delay in seeking proper medical attention only lessens the chance of arresting the disease."

"It is the better part of valor, in the presence of such symptoms, to seek the advice of the family physician without delay," Dr. Cox stated. "Early diagnosis and early treatment are the real foes of tuberculosis. To deprive oneself of their immeasurable advantages results at best in a long period of treatment, and all too frequently in premature death."

Dr. Cox emphasized that babies and young children can pick up the germs of tuberculosis just as readily as they can pick up the germs of any other disease. He stated that on no account should they be kept in rooms with infected persons, use the same dishes, sleep in the same beds, or come in any other intimate contact with tuberculosis patients.

SAFETY SLOGANS

When you return from hunting don't guess that you have withdrawn the loads from your gun—know.

Every year some one while hunting gets injured or killed while dragging his gun through a fence behind him. Don't do it.

Members of a hunting party should walk abreast for safety's sake.

Thousands of happy holidays are spelled by careless driving.

**POST-WAR Magic**

**STORYBOOK** automobiles—light metals—plastics—100-octane gasoline—television—electronics . . . Postwar America is in for an incredible and marvelous homelife.

With the coming of electronics, all-electric kitchens, washers that do everything but laundry-mark, let's not lose sight of why we so avidly yearn for these coming tools to make our leisure hours longer. Time was when the thought of purchasing additional electrical appliances had to be carefully considered, lest we exceed our budget—our cost for electric service was about as much as we felt we could afford. Now, after many years of increased use of electric current, we find the cost of service very little greater!

More and more West Texans are telling their neighbors that there is one household item that has stayed down in price . . . that they are using twice as much electricity as they did fifteen years ago at the same monthly cost!

**WHY?** You don't have to get a crystal ball to figure this out—steady reduction in cost of electric service has been attained by strict business management . . . and because company employees consider it their personal responsibility to see to it that all additional costs are eliminated in rendering such service.

For he that will love life, and see good days, let him refrain his tongue from evil, and his lips that they speak no guile.—First Peter, 3:10.

The scarcer help becomes the more the services to which we have become accustomed suffer. Some men have to have the spur of competition to make them give good service.

The following letter received from an English woman by the editor of one of our dailies gives an interesting view of conditions in England and the reaction of the English people toward this country.

The recent increase in money wages has been the result of the fact that the money wage has been raised in some places to the point where it is no longer a wage.

Some people don't know what they want and won't rest until they get it.

Willys Jeep advertisement with logo and text: 'Willys builds the versatile Jeep'.

HISTORY

Birthday of John Adams: John Adams was born in Braintree, Mass., on October 19, 1735. The Adams family made a remarkable record in the political history of America.

When the war ends this nation will have a federal debt around \$350,000,000,000. This debt and the interest will have to be paid out of new wealth created.

An effort is being made to continue after the war, the same degree of prosperity in this country that it has enjoyed during the war.

The dread of old age that some have is most disturbing because it is one thing that comes to man which he is powerless to do anything about.

There should be included in the list of the things for which we are fighting the determination to make Germany realize that crime does not pay.

Women are getting men's wares today, the same as always. Except now they have to work for them.

It's easier to see through the other fellow when your own conscience is clear.

Any man who thinks he's farsighted is a poor judge of distance.

Many a woman has two big reasons for not liking short skirts.

No vice is so bad as bad advice.

FOR WHOM THE BELL TOLLS

What We Think (By Frank Dixon)

For the past several weeks I have devoted this column to the discussion of small industries that might be introduced into local communities as post war projects.

Some time ago I mentioned that small town industries could be built up by supplying a single part or parts to the product of larger industries located in nearby large centers.

I know a housewife who has built up a nice business making special types of homemade pickles and relishes.

These are but a few suggestions of small industries. The secret is to start small, feel one's way along and learn as one goes.

Prisoners of War in United States—How They Live. Of more than 180,000 prisoners of war now held in over 100 permanent camps in the United States, 130,000 are Germans and 50,000 are Italians.

German and Italian prisoners are here for three reasons: 1, it is more economical to bring them to this country than to ship food overseas for them.

Although Japan did not ratify the Geneva Convention, which governs most of the civilized nations in their internment of prisoners of war, this country treats Japanese with the same consideration given Germans and Italians.

While Japanese prisoners in this country may be visited by representatives of the International Red Cross, the YMCA, and the protecting power, Spain, the Japanese prisoners are disinterested.

Most German prisoners are confident of a Nazi victory and they loathe upon American newspaper accounts of Allied victories either as propaganda or temporary setbacks.

Prisoner of war camps are like a few square miles of Germany in Italy transplanted to America.

IN THE NEWS 30 YEARS AGO

News items below were taken in whole or in part from the issue of The News of Oct. 2, 1914.

Last Wednesday while Mrs. J. Langley of Thalia was out looking after some young chickens, she got her foot entangled in a wire, and fell over an embankment to the ground, resulting in breaking her ankle and also dislocating the ankle joint.

Charles Andrews of this city and Miss Maye Major of Memphis were married at the home of the bride's parents in Memphis at 8:30 a. m. Tuesday.

Miss Maude McDaniel and W. C. Tisdale were married Sunday at the home of the bride's parents, Mr. and Mrs. J. H. McDaniel, in the Foard City community.

John Shirley of Crowell and Miss Muriel Nichols of the Black community were married Sunday night at the home of Rev. J. H. Emery of the Black community.

Chasley Moneus and Miss Maye Simmons of the Good Creek community were married at the Methodist parsonage in this city Sunday, Rev. R. A. Stewart officiating.

Mrs. Will Womack left Wednesday for Coleman where she will visit her relatives.

Paul Shirley returned home Tuesday night from Floydada and Paducah where he had been buying stock.

Furd Halsell from Fort Worth is here looking after the interest of his ranch.

What Foard County needs most now is an army of cotton pickers.

There will be moving pictures as usual at the opera house Tuesday and Saturday nights.

Crutcher Cole has accepted a position with the R. B. Edwards Co.

radio, tuned only to local stations. They may subscribe to American newspapers, even foreign language papers, but none printed in their own countries.

There are libraries in all prisoner of war camps, and the PW's may own books passed by the censor. Nazi propaganda literature is not permitted.

Teachers, some from leading German universities, doctors, opera singers, musicians, scientists and skilled technicians are among the prisoners.

The International Red Cross, the life-line between the PW's and their own people, operates seven ships that regularly cross the seas.

The PW spokesman, elected by the prisoners, keeps close contact with the International Red Cross representative, but the visiting representatives for German and Italian prisoners—all of them Swiss—say "no serious complaints have ever been made."

Early in February 6,000 Italian PW's were put to work repairing salvaged clothing at the request of the Procurement Division, U. S. Treasury, which provided sewing machines formerly used on WPB sewing projects.

All members present for the meeting of the Crowell Rotary Club Wednesday at noon at the DeLuxe Cafe marked the first 100 per cent attendance meeting during the new Rotary year.

The program for this meeting included comments on the war situation by W. F. Kirkpatrick and an interesting talk by Judge Leslie Thomas on "What Can the Rotary Club Do to Make it a Greater Influence for Good in the Community?"

A school near Price, Utah, for prospective mine workers is the first of its kind in the history of the Manpower Commission's contribution to the nation-wide effort to increase fuel production.

## Mrs. C. R. Ferguson Entertains House Guests with Party

As a compliment to Mrs. F. W. Burns of Houston and Mrs. R. L. Leonard of Memphis, Tenn., sister of Mrs. C. R. Ferguson, who have been guests in the Ferguson home, Mrs. Ferguson delightfully entertained four tables of ladies on Thursday afternoon.

Cut flowers of the season were used in the house decoration. Games of 42 provided diversion for the afternoon and Mrs. M. S. Henry was hostess in the games. She was given a pretty box of dusting powder and the honor guests were presented the same.

The hostess served a lovely refreshment plate to the following: Mrs. Burns, Mrs. Leonard, Mrs. M. S. Henry, Mrs. T. L. Hogston, Mrs. R. L. Kincaid, Mrs. Hines Clark, Mrs. M. J. Girsch, Mrs. J. B. Beverly, Mrs. S. T. Crews, Mrs. Leo Spencer, Mrs. Garland Burns, Mrs. B. W. Self, Mrs. Frank Crew, Mrs. N. J. Roberts, Mrs. J. W. Bruce and Mrs. T. B. Klepper.

### ADELPHIAN CLUB

Interesting and diversified programs will be featured during the 1944-45 club year for the Adelphean Club. The general subject is "This Changing World."

Mrs. Lewis Sloan was featured speaker for the club on Wednesday, Sept. 29, when Mrs. John Carter entertained at the club house. Mrs. Sloan gave an outstanding review of "Bell for Adano" by John Hersey. With understanding, the speaker gave a beautiful interpretation to the author's story, which is written in a crisp, easy manner. Mr. Hersey has made the most of his observation as a war correspondent during the Sicilian invasion. "Bell for Adano" should make the reading public sit up and take notice and possibly profit from the lesson he has so aptly woven into his narrative. He wants his readers to know Italian American hero, Major Victor Jappola, U. S. A., and his experiences as the Allied representative in a Sicilian town of Adano.

Major Jappola was born in the Bronx, and became a clerk in the New York Sanitation department before entering the Army. Basing the town of Adano was a new experience, but one to which he brought vitality and fervor. He was strong with desire to have the people of Adano learn the way of democracy, by helping them and teaching them to help themselves. The author presents a dramatic and rapid picture of what Major Jappola was up against in his day-by-day task of trying to eradicate the poisonous black taste of fascism and restore the people of Adano the feeling

## Nervous, Restless

On "CERTAIN DAYS" Of The Month!  
If functional periodic disturbances make you feel nervous, tired, restless, "dressed out"—at such times—try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It helps nature! Pinkham's Compound is also a grand stomachic tonic. Follow label directions. Worth trying!

- Combination Salad
- Hot Rolls
- Pumpkin Pie with Whipped Cream
- Drinks—Coffee, Tea or Milk
- All for 50 cents

## Food, Home Notes

(By Miss Elizabeth Elliott, County Home Demonstration Agent)

### Can Food For Overseas Shipment

Canning in tin cans seems the most practical solution to the shipment of home-made goodies for the men overseas.

That applies to fruit cake which G. I.'s give top priority among delicacies which families are now preparing for shipment prior to the deadline date of October 15.

Fortunately, a homemaker can use her own favorite recipe for fruit cake, plum pudding, or Boston brown bread. After the ingredients have been mixed well, the batter can be packed into greased or waxed paper-lined R-enamel or plain tin cans. No. 1 or No. 2 cans are more satisfactory than larger ones. One to one and one-half inch head space should be left. The first roll on the can should be sealed before steaming the fruit cake. Then the second roll made before the cake is processed in a pressure cooker.

If a pressure cooker is used for steaming, the pot cook should be left open during the steaming time. If a water bath is used, the hot water level should be about two inches below the can. Number 1 cans should be steamed for 60 minutes and No. 2 cans for 75 minutes. After steaming, seal is completed, then cans should be placed in a pressure cooker and processed at 10 lbs. pressure for 30 minutes. Fruit cake made with honey will stay moist longer. Substitute honey for one-half of sugar called for, then reduce the liquid in recipe by one-fourth. Odd as it seems, canning cookies is recommended for better shipment. Honey cookies, butter-scotch, or those made with dried fruit or molasses usually keep well. Candies may be packed in a can easily with layers of waxed paper between each of the layers and the extra space filled with popped corn or nuts. Peanut brittle, taffy, and fruit-nut candies are the best to send.

Canned chicken is especially a favorite with men overseas. Tensons usually are delighted with barbecue meat, chili, or tamales. Preserves packed in tin is usually very acceptable. Relishes and pickles are fine for a short period of time provided they are canned in R-enamel cans. Any of the above recipes are available from your county home demonstration agent.

### H. D. Council Meets Saturday Afternoon

The Council for the Home Demonstration Clubs of Foard County met Saturday, Sept. 23, at 2:30 o'clock at the office of Miss Elizabeth Elliott, County Home Demonstration Agent.

The meeting was presided over by Mrs. E. M. Davis, chairman. Mrs. Herman Kinchele called the roll to which the following members responded: Margaret—Mrs. H. L. Shultz; Gamberville—Mrs. W. J. Garrett; Mrs. E. G. Morgan; Mrs. E. M. Davis and Mrs.

Apple Sauce Cake  
With apples coming on the market in large quantity, a good way to use them is in apple sauce cake.

1 c fat, 1 c sugar, 1 c unsweetened, thick, smooth; 1 t soda, 1 c chopped raisins, 2 1/2 c sifted flour, 1/2 t cloves, 1/2 t cinnamon, 1/2 t nutmeg, 1/2 t salt.

Cream the fat and sugar together, add the apple sauce. Mix the raisins with 1/2 cup of the flour, sift the rest with the spices and salt, and add the dry ingredients to the liquid mixture. Beat well, pour into a greased pan, and bake in a very moderate oven (300 degrees to 325 degrees F.) for about 1 hour.

Tons of Nuts  
A record crop of English walnuts is expected this fall in the states that produce most of these nuts commercially—California and Oregon. Latest estimates of the U. S. Department of Agriculture are for a total crop of 74,000 tons in contrast to last year's crop of 63,300 tons and an average of 54,650 tons.

Most of these nuts will come to market in their shell. Usually less than a fourth of the crop is shelled and sold to confectioners, bakers, and other food industries. The common practice is to market the finer grades of walnuts in their shells and to shell the lower grades for sale as nut meats.

October is the big month for harvesting walnuts, but they do not reach the market in large quantity until the holiday season.

Second largest nut crop will be pecans, grown mostly in the South and expected this year to be about 71,470 tons. Last year's pecan crop was about 64,474 tons.

Almonds, grown almost entirely in California, are expected this year to yield a crop of 19,700 tons—about 3,700 tons larger than last year and 5,310 tons larger than average.

A Few Pounds Extra  
Not a surplus of onions but rather a shortage of space to store them during the peak of their harvest is the way the War Food Administration explains the country's present onion predicament. Onions are the primary Food Selection for the period from September 21 through October 7. If every housewife will buy a few extra pounds of onions to store

at home, this will be insurance against too few onions on the market later when onions are seasonally short. Moreover, it will absorb some of the crop that for lack of a place to go may otherwise be left in the fields and lost.

Cheddar Cheese Supplies  
Supplies of Cheddar cheese for civilians during October are expected to be about the same as in recent months, but considerably larger than supplies during October last year. In addition, civilians are expected to receive about 16 million pounds of cheese other than Cheddar during October.

J. C. Prosser; West Side—Mrs. Henry Ross, Mrs. Herman Kinchele, Mrs. Donald Norris and Mrs. S. E. Tate; Foard City—Mrs. Glen Jones.

Mrs. W. J. Garrett gave a quiz on "The American Flag." During the business hour some committees reported. Mrs. Donald Norris gave a report on the Council funds.

Plans for Achievement Day were discussed and the clubs will put on different exhibitions of work they have accomplished during the year. It was decided that the October demonstrations for the clubs will be for each member to give a report on clothing accessories at the club meetings and to exhibit some made-over articles.

RIVERSIDE 4-H CLUB  
The 4-H Club of Riverside met Friday, Sept. 22. New officers were elected. They follow: Violet Rummel, president; Louise Toie, vice president; LaVerne Farrar, secretary; Peggy Jean Payne, reporter; Jacquelyn Wesley, assistant reporter; LaVerne Shultz, recreation leader and Irma Mae James and Jacquelyn Wesley, council committee.

There were fourteen present at the meeting.

## KEEP COOL BUT SAVE FAT

All right, boys, we know it's a hot day and that dunk in the pool will cool you off. But don't forget to do what you started out to do—save that used fat to the meat dealer. There are many vital products needed by the armed forces and by civilians, that can't be manufactured without fat. Save and turn in every pound you can.

## A Time for Planting...

THE broad lands of Europe and Asia, freed of the oppressor, can now be planted again. The farmers in Russia and Poland and other ravaged countries can raise food to banish the specter of starvation... if they get the seed.

You can help them make their fertile acres fruitful once more. You can bring them new hope, new faith, and a chance to grow their daily bread. You can help—with your gift to your local War Fund this year.

Through this fund, not only is seed provided for fellow farmers, but a host of other kindly things are done for our own and our allies all over the world.

This once-a-year war drive provides such vital necessities as books and sports equipment for prisoners of war; entertainment for millions of Ameri-

can boys through the U. S. O.; medicines and surgical equipment for our fighting allies; aid for struggling China; help to men of the merchant marine who often lose all their possessions to the hungry oceans.

The money you give will yield many-fold. Give once—and you give to many organizations engaged in sowing good will. The need this year is very great. Won't you try to increase the amount you gave last year?

Give generously to your
