West Texas C. of C. Submits Plan for Saving Soil, Etc.

A broad declaration of principles proposing an enabling act to provide local governments more money to carry on farm-to-market road work, flood control and water conservation has been prepared by the Soil Conservation Commission of the West Texas Chamber of Commerce. This bill has been prepared on the assumption that HJR 24, as submitted by the last Legislature, will pass at the coming general election, November 2. This amendment, if adopted by the Texas legislature, will eliminate the state income tax and permit the counties of Texas to levy up to the same amount for farm-to-market road and flood control purposes within the county. W. T. C. C. Manager D. A. Bandeen explained that under this program it would be possible for counties and counties to get added revenue to carry on needed work, with funds that are not now available either to the city or to the county. He pointed out that although revenues of city and county governments have greatly increased, there are now no new forms of revenue for either, making it difficult for them to provide services and protection which tax payers are demanding, and which cannot be made available under the present constitutional limits. At the same time, he said, there is no new tax provided, the amendment if adopted merely eliminating the state general fund and returning the money to the county for needed expenditures.

Workers Arrived

The new Crowell street market has arrived and it is the intention of the Chamber of Commerce Civic committee to have the market assembled and bolted together as possible. Denton will do the erecting after a surveyor has given correct location for each post. A fifty dollar (\$50.00) donation by the Business and Professional Women's Club has swollen the amount received to date to \$400. This means that the project is still short by \$154.00. It is hoped that the remaining eighty dollars will give their share. They see the post actually set and an asset to Crowell. They do, then the project will be a financial success.

Uncle Sam's Selective Service

(Editor's note: Below is one installment of a series of questions and answers on the second peacetime military training program. It has been prepared under the direction of the Texas Director of Selective Service, Maj. Gen. K. L. Berry.)

GENERAL INFORMATION

Q. What is the purpose of the new Selective Service law?
A. To train a body of men capable of defending the nation and to select the men for this duty by the fairest method possible—registration of every man 18 through 25 years old, regardless of wealth, influence or social position. From this registration will be chosen those men 19 through 25 years of age who are deemed best fitted to receive 21 months of training.
Q. Is this the first peacetime draft?
A. No. The first was in 1949.
Q. How many men will be affected by the Selective Service law?
A. Military authorities estimate 9,600,000 men will be registered in the United States and its possessions. In Texas between 550,000 and 575,000 men are expected to register.
Q. Who administers the program?
A. President Truman has named Maj. Gen. Lewis B. Hershey as national director of the Selective Service System. In each state the governor acts as coordinating head and names a state director. Gov. Beauford H. Jester has named Maj. Gen. K. L. Berry, state adjutant general, to hold this position in Texas.
Q. When will the Selective Service law go into effect?
A. President Truman has issued a call for the registration of all men 18 through 25 years of age who are living in the U. S. and its possessions. Registration in Texas will take place on the following days: On Aug. 30 persons born in 1922 after Aug. 30, 1922, will register; on Aug. 31 or Sept. 1 persons born in 1923 will register; on Sept. 2 and 3 persons born in 1924 will register; on Sept. 4 or 7 persons born in 1925 will register; on Sept. 8 and 9 persons born in 1926 will register; on Sept. 10 and 11 persons born in 1927 will register; on Sept. 13 and 14 persons born in 1928 will register; on Sept. 15 and 16 persons born in 1929 will register; on Sept. 17 and 18 persons born in 1930 will register; on Sept. 19, 1930, will register on the day they are 18 years old or within five days after they are 18.

Sunday School Contest Comes to Close Sun.

Sunday, August 29, will be the last in the nation-wide July-August Bible School contest, conducted each year among annual, national and Sunday Schools of the Christian Church. In the small Sunday School class, the Christian Church of Crowell is in a close race with Connorsville, Ind., for first place. Both schools have had almost 150 per cent increase over the average attendance of last summer. The Christian Church is making this final appeal, so far as this summer contest is concerned, to all its members and other friends, not attending elsewhere, to make a special effort to be present this last Sunday in the contest. With 121 present last Sunday the goal for this Sunday is 130. It is believed that Crowell has a good chance yet to well have the Indiana Sunday School from its first place position. An appropriate award and special recognition in a national religious journal goes to the winner.

The Annual Rental Paid by the Navy for Leased Properties has been reduced by \$15,000,000 since the close of World War II.

Reasons Given for Reduction in Number of Draft Boards

Austin, Texas, Aug. 21—Economy in government—that is the reason Texas Selective Service local boards have been reduced from the World War II total of 351 to the present total of 137. Selective Service does not have as much money to operate as it did under wartime conditions. That is the reason many counties in Texas have been combined into intercounty local board areas, Maj. Gen. K. L. Berry, state Selective Service director, says. "We are practicing a much more rigid economy this time than we did under the 1940 Selective Service Act," General Berry said in explaining reduction in the number of local boards. General Berry said that the state Selective Service set-up is based upon the idea that one local board should be established for each 100,000 population, regardless of county lines, but that no more than five counties should be combined in any local board. "Keeping costs in mind as well as areas to be covered," said General Berry, "we have attempted to establish local board areas according to these ideas. We have done everything humanly possible under the circumstances to put the system on an equitable basis for everybody."

In establishing local boards, General Berry said, it was necessary to consider several other factors, such as highway and railroad facilities. "Under these circumstances," General Berry said, "Selective Service state headquarters asks every citizen's cooperation with local board members in this effort to operate the system at a saving to the people."

Dr. T. W. White Taken to Houston for Burial

Dr. T. W. White, father of Mrs. Alton Bell, who died in the Crowell Hospital on Sunday, August 15, was buried in Houston on Tuesday, Aug. 17, beside the grave of his wife who died Dec. 28, 1947, in that city. The body was shipped to Houston by train and was accompanied by his son, Robert White, of Woodville, Texas. Mr. and Mrs. Bell and daughter, Carolyn, and Mrs. J. W. Rowland, another daughter, and husband, went to Houston by automobile. Funeral services were held at the George H. Lewis Funeral Home in Houston on Tuesday morning at 10:30 o'clock conducted by Rev. M. M. Wolf, pastor of the Riverside Baptist Church in Houston. Dr. White, well known Baptist minister, had a long and colorful career in the Baptist Church of Texas. He came to Texas from Brookhaven, Miss., and during his early years served churches at Jacksonville, Beville, Port Lavaca, Yoakum, Freeport and Angleton. Later he became a general missionary with state mission board, with headquarters in Dallas. Dr. White went to Houston in 1920, as missionary from Union Baptist Association, a position he held until his retirement eight years ago. Among the outstanding activities in the association was his fight to raise the salaries of members of the ministers' association. Ministers in Union Association are now among the highest paid in the state. While missionary for the Union Association, Dr. White preached more than 3600 sermons, and was credited with converting 573 people, and also received 1,472 re-dedications. At the time of his death, he held the title of missionary emeritus for the association. He attended Centenary College, Shreveport, La., and was ordained a Baptist preacher in 1890. He was married in Cuero in 1896. Dr. White is survived by three daughters, Mrs. Bell of Crowell, Mrs. Jack Rowland of Houston and Miss Mary Dale White, a librarian in the W. A. C.; two sons, John P. White of Leonardtown, Md., and Robert A. White, of Woodville, and six grandchildren.

New Buildings Added
Three new buildings had been added to the Crowell School plant: a vocational shop and classroom for the Vocational Agriculture Department, a bus repair shop, and a bus shed. These buildings were purchased from the Childress Army Air Base at a very nominal cost. However, many improvements have been added to these buildings to make them modern in every detail. The Veteran Vocational School uses the classroom four nights per week and the vocational shop, when they need it. Allen Taylor has been employed to operate the bus shop and service Crowell's twelve school buses. This setup should enable the Crowell School to operate its buses at a great saving, as all parts, gasoline, and oil can be purchased at wholesale prices.

The Crowell Colored School has been remodeled so two classrooms can be used instead of one as in the past. Mrs. Mattie Stevenson of Dallas will serve as principal of the school and will be assisted by Mrs. Lillian Powell, who has taught the school for many years. Proper Sanitation of Eating Places Urged by Dr. Cox

Austin. The Texas State Department of Health cannot maintain daily inspection of all eating places and the public is urged by Dr. Geo. W. Cox, State Health Officer, to insist on the proper sanitation of the establishment where they eat. If the public is careless in this respect the incentive to maintain clean food service will be lessened and operators will only maintain the

level the public is willing to accept. He urged that the public patronize "eating establishments which measure up to a high standard of cleanliness." The State Health Department is making every effort to improve sanitation of eating places, Dr. Cox said, and there is "no excuse for cafe owners not taking advantage of the food handlers schools which are being offered all over the state." He added that there are laws, rules and regulations which require the use of approved equipment and methods in such establishments. "The public should be aware

of these sanitary rules and regulations and insist that restaurateurs observe them. Patrons should realize that tables and counters will be many times cleaner than the kitchen and other places out of sight," he warned.

He urged milk appraisal by the patrons also. Texas law requires that a milk bottle cap state the grade of milk, and whether it is raw or pasteurized. "Insist on having the milk served in its original container, with a covered cap and a legal label," Dr. Cox advised.

"Obviously," he said, "the best in sanitation can be had only by close co-operation between the public and the investigators of the State Health Department."

Mr. Fine, educational editor of the New York Times, visited the campus of the college for Negro girls and was greatly impressed by the model institution. The college is one of the projects of the W. S. C. S. to which the Wesleyan Guild contributes.

For closing, the group stood with bowed heads as Rozella Austry softly sang "Ready." Refreshments of iced Cokes were served by the hostesses, Mrs. Allison Denton, Mrs. W. L. Johnson and Mrs. Blake McDaniel.

LYNDON JOHNSON

FOR

U. S. SENATOR

PEACE

PREPAREDNESS

PROGRESS

Knox City, Texas August 25, 1948

To My Friends in West Texas:

Before you vote in the United States Senate Race, I would like to tell you of my friend for over thirty years, LYNDON B. JOHNSON.

I know that I have always wanted a personal recommendation from someone who knew the candidate, before I cast my vote for any man. You can listen to the Candidate's radio speeches, study his platform, but you ALSO want to know what somebody YOU know thinks about him.

It's in that spirit that I am taking the liberty to tell you about Lyndon Johnson, candidate for United States junior Senator. Most of you know me personally. I know Lyndon Johnson. His great grandfather, Dr. Baines, was one of the founders of Baylor University. All of his life Lyndon Johnson has been a straight-talking, clean living, hard-working Christian gentleman.

I first became acquainted with Lyndon Johnson over thirty years ago. At that time he worked as a boot black and shined my shoes. I watched him grow up in the hill country of central Texas. I followed him as he worked his way through college, starting as a janitor. After having taught school, he became secretary to a congressman, and was then elected to Congress from the 10th District. The day after Pearl Harbor, he volunteered for combat duty with the Navy and earned the Silver Star for gallantry in action against the Japanese. He has become the most influential member of Congress.

Lyndon Johnson has a full life of public service ahead of him. He believes the only way to Peace is by Preparedness. He believes in black top roads, rural electrification, soil conservation and flood control.

In Travis County, which Lyndon Johnson represents in Congress and where his opponent has lived for thirty years, Lyndon Johnson received 17,481 votes to 7,316 for his opponent in the first primary. Among the people who know both best, it was Lyndon Johnson more than two to one. I know that Lyndon Johnson will prove trustworthy in any kind of a crisis. He has my personal recommendation and I sincerely hope that you will cast a vote for Lyndon Johnson on August 28th.

So acute is the water shortage becoming in the west that in Los Angeles, county supervisor Raymond V. Daryl has asked the California legislature to put up \$1,000,000 for ideas on how to get sweet water from the sea, cheap.

Although the Navy's submarine service had less than two percent of the total Navy personnel, the submarine forces sank two-thirds of all Japanese ships accounted for by the Navy during World War II.

That brings up another question. Is it likely that Ananias became fond of Saul all at once? Hardly. Ananias could not have liked the man; there was then nothing about him to like. We know from Paul's own words that people generally were not attracted by his looks. Yet Ananias, who could not have liked Saul, much less been fond of him, went and called him "Brother" and gave him his start in the Christian life.

DO YOU KNOW A SAUL?
 Not far from where you are sitting at this moment there may be someone like Saul. He is a Christian, but a new and (so far) poor one, maybe. Someone nobody believes in, someone you scarcely know. It may be a child out of some low-grade home; it may be an ex-drunkard (not so long over it) or an ex-convict even; perhaps someone who has actually done you a wrong. But this person may be just where Saul was, needing a friend. God may already have touched his heart, all he needs now is the human touch of a Christian friend. Maybe you can't love him, but if he is a human soul God loves him. If you can help him, then you are his Ananias. You know what you ought to do. Will you do it?

THE BIBLE SPEAKS

By DR. KENNETH J. FOREMAN

International Union Sunday School League

SCRIPTURE: Acts 9:1-22
 DEVOTIONAL READING: Luke 10:25-37

At the Word of Command

Lesson for August 29, 1948

DO PEOPLE always do what they know is right? You would think so; but they don't. It is strange how many excuses people can think up to get out of doing what they know in their hearts they ought to do.

But not this man Ananias. He was a shining exception. There are three Ananias in the New Testament, and this one makes up for the other two. One of the others was a rascally priest and one was a famous liar; but this Ananias, another of the "unheralded" characters from the Bible, is famed for going when God said, "Go." We know nothing much else about him, but this is enough.

NO WONDER HE HESITATED
 It was just after the conversion of Saul. At the time of our story, nobody had ever heard of Paul, only of Saul as he was then called; and nobody heard anything good. He had a bitter, ruthless man. He had no use for Christians. Extermination was his only answer to the Christian challenge. The name of Saul brought terror.

On this day of our story Saul had been only three days a Christian. He had had nothing to eat all that time, and he was said to be blind. You may be sure that Christians stayed away from him. His Jerusalem cronies had no doubt given him up as crazy, but no Christian would go near him either. At this point our Ananias had a vision: The Lord told him to go to Saul and lay his hands on him in help and blessing. Naturally Ananias held back. "This was a dangerous man, said he. But again the Lord in the vision said, "Go," and Ananias went.

Suppose Ananias had said No. That might have changed the whole course of Christian history. How? He could have thought of many an excuse. "Aren't there other men who can baptize Saul as well as I can... This whole vision may be only a mistake... And so forth. But not when it became clear to him that this was God's will, Ananias went, though he still did not like it. How is it with you? When you know what you ought to do, what is the first thing you think of? How to do it, or how to get out of doing it?

TAKING ORDERS FROM GOD
 How can we tell when it is really God who commands us? Most Christians today are suspicious of visions, and well we may be. Too many crazy things have been done by people who saw "visions" for us to trust such experiences very far.

One way to which God's orders come to us in the Word of God, particularly in words of Christ. For example, take one of the hardest things Jesus ever said: "Love your enemies and pray for those who persecute you." That sounds tough. It is tough. But it is a command. Yet don't most of us leave that command in the closed Bible and act as if the words had never been said?

That brings up another question. Is it likely that Ananias became fond of Saul all at once? Hardly. Ananias could not have liked the man; there was then nothing about him to like. We know from Paul's own words that people generally were not attracted by his looks. Yet Ananias, who could not have liked Saul, much less been fond of him, went and called him "Brother" and gave him his start in the Christian life.

W. P. Hord and Miss Shirley Moos Wed in Austin on July 28

The marriage of Miss Shirley Moos and W. P. Hord was solemnized on Friday, July 28, in St. Martin's Evangelical Lutheran Church in Austin with the Rev. F. G. Roegner officiating.

The bride is the daughter of Mr. and Mrs. Gus Moos of Austin. She was graduated from Austin High School and is a junior student at the University of Texas where she belongs to Gamma Phi Beta sorority, the Home Economics Club, Sidney Lanier Literary Society, the Lutheran Students' Association and the Austin Club.

Mr. Hord, the son of Mr. and Mrs. S. B. Hord of Crowell, is a graduate of Crowell High School and is now attending the University of Texas where he is a junior

in the Business Administration School. He is a member of Lambda Chi Alpha fraternity, the Ex-Marine Club, the West Texas Club and the Baptist Student Union. He served three and one half years in the Third Marine Division in the Southwest Pacific.

Arrangements of white gladioli, asters, daisies and chrysanthemums in white wicker baskets, palms, fern and cathedral tapers in white candelabra decorated the church for the formal double ring ceremony. Family pews were marked with white flowers and satin bows.

A half-hour prelude of organ music was presented by Frederick P. Savage. The selections included "Ave Maria," "Serenade" and "Traumerie." Jeff Jennings sang "Because" and "The Lord's Prayer."

Given in marriage by her father, the bride wore a dress of ice aqua-white satin with a chapel-length train. The dress was fas-

hioned with scalloped neckline and yoke of rose point imported lace, long lace sleeves forming points over the hands and buttoned with a row of tiny satin buttons, a basque bodice and a skirt which fell from the scalloped waistline.

Her finger-tip veil of imported illusion fell from a coronet of stephanotis. She carried pure white Brassocattleya orchid on a white Testament. The bouquet was showered with stephanotis and white satin ribbons. Her only jewelry was a single strand of pearls.

Miss Gwendolyn Moos, sister of the bride, was maid of honor. She wore a Venetian blue taffeta gown fashioned with a scalloped neckline, cap sleeves, bouffant skirt caught onto a dropped waistline and a yoke of dew-blue illusion. Her colonial bouquet of fuchsia beauty asters was arranged with lace and ruffling and tied with fuchsia tissue satin ribbons. Her headdress was a bandeau of matching asters.

The bridesmaids wore identical dresses, made like that worn by the maid of honor, in American Beauty and gold taffeta with yokes of a matching illusion. Their bouquets carried out the color plan and their headdresses harmonized.

Miss Carolyn Sue Hord, small sister of the groom, was flower girl. She wore a gown of Alice blue taffeta made with a scalloped neckline and full dirndl skirt. Her wide taffeta sash was scattered with shasta daisies. She carried a miniature bouquet like the bridesmaids and wore a bandeau of daisies in her hair.

Louise Zweiner of Fredericksburg was best man and ushers were Charles Coffield of Rockdale, Jack Swope of Killeen, William James Catterell of Austin and Stanley Moos, brother of the bride.

A reception was held at the Gamma Phi Beta sorority house after the wedding. The couple left following the reception for a short wedding trip to Kerrville. They are now at home at 4213 Ave. G.

Miss Janet Roark Becomes Bride of Robert N. Gillespie

Miss Janet Roark, daughter of H. C. Roark and Robert Nelson Gillespie, son of E. T. Gillespie of Victoria, were united in marriage on August 5th at the First Baptist Church in Corpus Christi, Rev. C. C. Hereford, pastor of the church, officiated at the marriage service.

The bride wore a coca brown dress with white accessories. Her corsage was of white gardenias. She is a graduate of Crowell High School and attended Business college in Fort Worth. She has

been reared in Crowell and has many friends here.

The groom is a graduate of Woodsboro High School. He served in the Navy during World War II.

Mr. and Mrs. Gillespie will reside in Woodsboro.

Bride-Elect Is Honoree at Lovely Bridal Shower

Mrs. Clyde Alverson, who before her recent marriage, was Miss Gwendolyn Ownbey, was complimented with a beautiful bridal shower on the day before her marriage, August 13, when Mrs. Glen Goodwin, Mrs. Howard Williams, Mrs. A. G. Bell, Mrs. Henry Johnson, Mrs. Garland Foster and Miss Margaret Curtis were hostesses in the banquet room of the Baptist Church.

Mrs. Johnson received the guests at the door and presented them to the honoree; Mrs. Lester Ownbey, her mother, and to Mrs. Virgil Johnson, her sister. Miss Glenna Self secured the guest signatures in the pretty bride's book. Miss Betty Barker played incidental piano selections during the calling hours.

Misses Betty Williams, Julia Rose Johnson and Marjorie Brock presided in the dining room at the punch service. The attractive table was centered with the punch bowl placed on a reflector, and surrounded by white carnations and fern. Thus the color scheme of green and white was established. Frosted lime punch was served with sand tarts and white and green mints. The tiny white napkins were lettered in green, "Gwen-Clyde."

Mrs. Williams, Mrs. Bell, Mrs. Foster and Miss Curtis entertained in the gift room where the many lovely and useful gifts were displayed.

Morning Party Is Given to Honor Mrs. J. C. Cumley

Mrs. Hines Clark was hostess to a small group of ladies on Saturday morning as a compliment to her daughter, Mrs. J. C. Cumley, of Dallas, who was a guest in her parents' home last week.

An informal hour of visiting and renewing acquaintances was enjoyed, after which the hostess served dainty date bars and Fritos with iced Cokes. Other out-of-town guests for the pleasing occasion were Mrs. R. L. Leonard of Memphis, Tenn., who is the house guest of her sister, Mrs. C. B. Ferguson, and Mrs. David Thomson of Honolulu, a guest in the home of her sister, Mrs. J. R. Beverly.

Guest in Ferguson Home Complimented by Morning "Coke"

Miss Annie James, of Muskogee, Okla., who has been a guest in the home of her uncle and aunt, Mr. and Mrs. Tom Ferguson, was named honoree by Mrs. Richard Ferguson who entertained informally with a delightful Coke party on Tuesday morning.

The house was artistically decorated in varicolored zinnias. The hostess served a pretty plate of finger sandwiches, cookies, potato flakes and iced Cokes to about twenty ladies.

Hernando de Soto, a Spanish explorer, discovered the Mississippi River.

"Red River" Tells a Thrilling Story

Out of the adventure-swept history of the great Southwest, Howard Hawks has fashioned a spectacular production called "Red River," which opens at the Rialto tonight.

A great Western saga that takes its place alongside such screen classics as "The Covered Wagon" and "Cimarron," "Red River" is based on the popular serial, "The Chisholm Trail." Co-starring in the film are John Wayne, well-known to screen fans for his rugged he-man roles, Montgomery Clift, a comparative newcomer who is sensational, the always likeable Walter Brennan, and a charming miss called Joanne Dru.

Dykes are used in the Netherlands because much of the country's area is below sea level.

Years later Dunson and his adopted son, Matthew Garth (Montgomery Clift), his trusted friend, Grover Nadine (Walter Brennan), and a huge band of trusting cow wranglers strike out over the new-famous Chisholm Trail, with Abilene, Kansas, as their goal. The road is long and tough, the dangers many.
