Local Doctors Give Preventive Measures To Be Used to Help Control Poliomyelitis

Hines Clark, county health officer, and Dr. J. H. Barnebee, city health officer, Monday announced the following preventive measures to help control poliomyelitis:

"This disease has made its appearance among us, there having been four or five cases diagnosed in the last few days, and, in order to prevent ourselves from catching the disease, the following measures are suggested:

"Cleanliness is first in importance—premises, yards and streets should all be kept clean to prevent the gathering of trash and garbage in a breeding place for flies of other disease bearing insects.

"Exposed fruits and vegetables should be washed in clean water, making them fly-proof. It is against the State health regulations to peddle meats and other things on the street. All public houses are to be made fly-proof and garbage is not allowed to accumulate and decompose.

"The accumulation of trash and other debris in trash barrels should be removed and emptied as often as necessary.

"Methods of making privies and outhouses sanitary are available and should be used.

Rep. Christopher Offers Amendment to Increase Soil Conservation Program

Farmers of the country will be interested in an amendment which Congressman George H. Christopher of Missouri, a member of the House Agriculture Committee, introduced in the Department of Agriculture Appropriation Bill to increase the Agricultural Conservation Program from \$282.5 million to \$400 million, Clyde Neil, chief of the PMA program, said Monday.

Congressman Christopher, in presenting his amendment said, "It is time and high time that the people of the United States wake up to the fact that conservation is the greatest need of the country at the present time and that our loss of topsoil is our greatest misfortune. The PMA program for Agricultural Conservation has taught the American farmer and helped him financially in a program of terracing, and liming and other soil building practices and has done more for actual soil conservation accomplished in the fields than all other programs combined. Every dollar of taxpayers' money that has been spent by PMA has already returned to the Federal Treasury in income taxes paid by farmers who would never have made enough money to pay an income tax had it not been for the PMA program. The appropriation for the PMA program should be raised to \$400,000,000 per year. The two greatest needs today are lime and terraces. Terraces to protect the body of the soil itself and lime to increase the growth of legumes. Money spent for soil conservation is not an expense but the best investment the taxpayers of the United States have ever made or ever will make because it helps guarantee food, clothing, and shelter not only for themselves but for their children and grandchildren."

Senator Morris to Be Guest of Honor at Paducah Rodeo

Central West Texas supporters of Senator G. C. Morris of Greenville (Hunt County) are planning a rousing and typical send-off for their candidate for lieutenant governor. On the evening of Friday, June 30, at 8 p. m. the Rodeo Arena in Paducah, they will give a free rodeo show, at which Senator Morris will be the guest of honor and the principal speaker.

Program for the evening has been worked out by a committee representing the Central West Texas region, and a rally attended by several thousand people is being projected. Col. Byron Shotts of Paducah will preside, and Hon. Claude Callaway of Crowell will present the speaker.

Senator Morris has been known in Central West Texas for many years as the man in the Texas senate who guided, with success, such important measures as the rural road construction bill, the well-balanced tax measure now in use in Texas. He has been the consistent opponent of the retail sales tax movement, and is widely credited with keeping it out of the Texas law books for the past ten years. He has also served with distinction as lieutenant governor, and is now asking for his first elective term to that important office.

The free rodeo show with which his friends will greet Senator Morris is well worthy to represent the area. Sammy Baugh of Rotan, probably the best-known athlete in Texas ever gave the nation, will join Harold Felts of Paducah (who is a crack amateur roper) in contesting Fred Albright of Knox City and Nolan Pitcock of Aspermont in a team match, the latter pair to represent the professionals. The match roping will be known as the "amateurs versus the pros," and each team will rope eight calves. They will go for a cash prize of \$200, so the match will be hotly contested. Pitcock and Albright are widely known RCA ropers.

Another spectacular event will be Steeldust's Little Sister, one of the champion reining mares of the United States, contest an opponent in a reining match. Little Sister will be ridden by Fred Albright.

Good cowboy music will enliven the show and rally. It will be furnished by the Cottle County Cowboys.

71st Annual Texas Press Ass'n. Meeting Held in Fort Worth

T. B. and Bill Klepper joined the large number of Texas newspaper men and women of Texas Friday morning in Fort Worth where the 71st annual meeting of the Texas Press Association convened Thursday, Friday and Saturday at last week with Hotel Texas as convention headquarters.

The program committee did an excellent job in preparing an interesting as well as an entertaining program. Led by Amos G. Carter, owner and builder of the Fort Worth Star-Telegram, and his associates, Fort Worth proved to be an ideal host in entertaining its hundreds of visitors.

Each program featured a helpful and inspirational address on topics of interest to the newspaper profession by outstanding speakers from over the nation.

The first of the series of entertainments was lunch at Swift & Co.'s meat packing plant at noon Friday, followed by a conducted tour of the plant.

Later Friday afternoon the visitors were taken to the WBAP-TV studio and from there to Amos Carter's Shady Oaks Farm for a barbecue and program in the evening. Mr. Carter acted as master of ceremonies at this gathering.

Saturday at noon the visiting newspaper men and women were served lunch at the Convoir Consolidated Vultee Aircraft Corporation plant near Fort Worth and were conducted on a tour of the assembly lines of the aircraft factory where the Convoir B-36 and RB-36 airplanes are manufactured.

The last meeting of the convention was held in the Crystal Ball Room of Hotel Texas with a banquet and concluding program Saturday night.

GRANDMOTHER DIES

Mrs. Ralph McKown attended funeral services for her maternal grandmother, Mrs. Bettie Gunter, in Whitesboro last week. Mrs. Gunter was 91 years of age and had resided in Whitesboro for 66 years.

She is survived by four children, fourteen grandchildren and twenty-one great grandchildren.

Drive-in service stations were inaugurated in 1903. Today there are 250,000.

The committee emphasizes that the show and rally is entirely free to the public and everyone is invited to be there.

Memorial Service Sponsored Jointly by IOOF and Rebekahs

A joint memorial service was held by the Odd Fellows and the Rebekahs on Friday evening, June 16, at the Odd Fellow and Rebekah Hall. The service was open house to which the public was invited.

Nannie McDaniel asked the guests to register as they arrived. Juanita Garrett, Noble Grand of the Rebekah Lodge, presided and was assisted by J. W. Naron, Noble Grand of the Odd Fellow Lodge.

The meeting was opened by the presentation of the American flag, the pledge of allegiance, and the singing by the group of the national anthem. Annie Bell Polk, chaplain of the Rebekahs, led in prayer.

The Rebekahs draped their charter in memory of the late W. F. Kirkpatrick, a loyal member, in an impressive ceremony. "Beyond the Sunset" was given by the Abbe Jones and Alyene Graham. The memorial staff entered to soft strains of "Near the Cross," favorite song of the deceased and retired to the music of "The Old Rugged Cross," played by Mae Solomon.

After the staff members had taken their positions for the service, they formed a perfect cross and the parts were given from these positions. Marjorie Brock and Patsy Carroll sang as special numbers, "Near to the Heart of God," "Whispering Hope" and "Did You Think to Pray?" May Solomon accompanied these songs.

Following the memorial service, the Rebekah drill staff gave some fancy drills which they use from time to time in their work. The meeting came to a close with prayer by the chaplain.

Special tribute was given in memory of two sisters and eighteen brothers deceased since the last memorial service was held: Florence Burrow and Nora Banister; G. C. Calvin, J. A. Crawford, B. T. Meason, W. O. McDaniel, J. M. Teal, M. H. Jones, A. L. Davis, C. C. Radley, E. V. Halbert, John S. Ray, C. C. Fox, J. C. Thompson, J. E. Thompson, W. F. Kirkpatrick, C. B. Graham, E. W. Burrow, Claude Adams and G. R. Moore.

A social hour followed the memorial service when refreshments of ice cream and cake were served to more than one hundred guests and members.

Crowell Businesses Protest Installation of Parking Meters

Representatives of twenty business firms in Crowell Tuesday signed the petition protesting the installation of parking meters in the Crowell business district. The petition was filed with the City Secretary for consideration of the City Council in their regular meeting Tuesday night.

The petition read, "We, the undersigned merchants of Crowell, whose businesses will be affected by the installation of parking meters in this city, hereby petition the Mayor and City Council to reconsider the stand taken for the installation of parking meters on the downtown streets of Crowell.

"We feel that if the factor of safety is involved in this issue, the chief factor with which we should have been concerned is enforcement of uniform traffic regulations rather than the meters.

"If the meters are to be installed, we request that they be installed uniformly all over the town's business section instead of showing discrimination between businesses. We believe that cooperation can accomplish more than discrimination."

LIONS CLUB

The Lions Club met at the DeLuxe Cafe Tuesday at noon and had as guest speaker County Agent Joe Burkett, who made an interesting talk on insecticides. This topic was of great interest to the club members since the purchase of the spraying machine and the spraying of the city is being done by the club members with the financial aid of other local clubs.

Due to the windy conditions existing the past few weeks, very little spraying has been done. However, there remains only enough materials to spray the city one more time and the Lions Club would like to urge all clubs, organizations or individuals, to contribute to this worthy project and help rid the town of polio. Contributions should be made to Ted Stafford at the Chamber of Commerce office or to Mrs. Ella Rucker at the City Hall.

In order for the sprayer to be most effective it is necessary for each individual property owner to see that his properties are kept clean and free from rubbish and other insect breeding places. Such places that are not being properly tended and need to be cleaned up, etc., should be reported to the City Hall.

Citizens of outlying communities, who see the need for spraying their properties, may make arrangements for getting the materials and sprayer by contacting Ted Stafford at the Chamber of Commerce office.

Mrs. Magee was assisted in the campaign by her co-workers, Mrs. J. R. Farrar of Foard City and Mrs. R. L. Hunt of Crowell.

BUY LAUNDRY

C. A. Parker of Paducah has bought the helpfully laundry southeast of the square from Mr. and Mrs. Charlie Durham and took over management of the business this week.

Mr. Parker's family consists of his wife and two sons, Wesley B. and C. A. Jr., and daughter, Laverne.

THE METHODIST MEN

The Methodist Men meet tonight at 8 o'clock at the Crowell Methodist Church. All men are invited. There will be a good program and refreshments.

NEW MINISTER

Lynn Fisher of Stanton, graduate of Abilene Christian College in Abilene, is the new minister for the West Side Church of Christ. He assumed his duties in the early part of June.

John Elliot of Natick, Mass., translated the Bible for the American Indians.

Another Deep Test Staked in Foard by Cities Service

The Cities Service Oil Company has staked location for a 6600-ft. wildcat ten miles northeast of the Johnson field. Drillsite is 600 feet from the south and west lines of the northwest quarter of Section 8, Block A, SPUR survey. Location is approximately seven and one-half miles west of Crowell.

Two other deep wildcat locations, one in Knox County and one in King County, have also been announced.

A 7700-foot wildcat, the No. 1 Mary A. Martin, will be drilled in King County by Continental Oil Company.

An important wildcat venture in this section is the Sinclair Oil & Gas Company's No. 1 G. H. Beavers, a proposed 6800-foot test three miles north of Benjamin in Knox County.

Three other deep wildcats now are nearing proposed depths in King, Hardeman and Cottle Counties.

Ike Everson Taken by Death Friday Afternoon, June 16

Funeral services were held Sunday at Baptist Church.

Funeral Services Were Held Sunday at Baptist Church

Funeral services were held Sunday afternoon, June 18, at the First Baptist Church for Ike Everson, who passed away at his home on Friday, June 16, following a short illness. The services were conducted by Rev. H. M. Sheets, pastor of the Assembly of God Church in Pampa, who was assisted by Rev. N. W. Brooks, pastor of the Assembly of God Church in Wylie.

Elmo Hudgins of Pampa, a son-in-law of the deceased, played piano accompaniment for the choir songs, "Where We'll Never Grow Old," and "How Beautiful Heaven Must Be," which were led by Mrs. W. F. Statter. Mr. Hudgins also accompanied himself as he sang a solo, "If We Never Meet Again This Side of Heaven."

Pall bearers were Johnnie Marr, Leslie Thomas, Herbert Fish, Wayne Dishman, Charlie Durham and Jake Denton. Named as honorary pall bearers were Tom Bursey, John Marr, R. S. Haskew, Egbert Fish, A. A. Haskew, Dr. Hines Clark, Dr. J. M. Hill, Dr. B. L. Kincaid, Dr. J. H. Barnebee, Jr., Tom Cooper, W. A. Patton, C. W. Carroll, J. W. Shelton, Loyd Teal, Charlie Reynolds, M. F. Crowell, A. B. Curtis, J. T. King, E. T. Evans, Charlie Bartley, J. H. Carter, Grady McLain and Dud Greening.

Flower bearers were Mrs. Virgil Dockins, Mrs. Johnny Marr, Mrs. Charlie Rodgers, Mrs. Emil Kainer, Miss Joyce Harris, Miss Helen Ribble, Miss Blanch Jones, Miss Rozella Denton and Mrs. Charlie Durham.

Interment followed in the Crowell Cemetery under the direction of the Assembly of God Church in Pampa.

William Isaac Everson was born in Grafton, West Virginia, on May 15, 1876. He came to Merkel, Texas, with his parents in 1890. He was married to Miss Minnie Williams in 1896 and to the couple five children were born, two preceding him in death. His wife passed away on July 8, 1905.

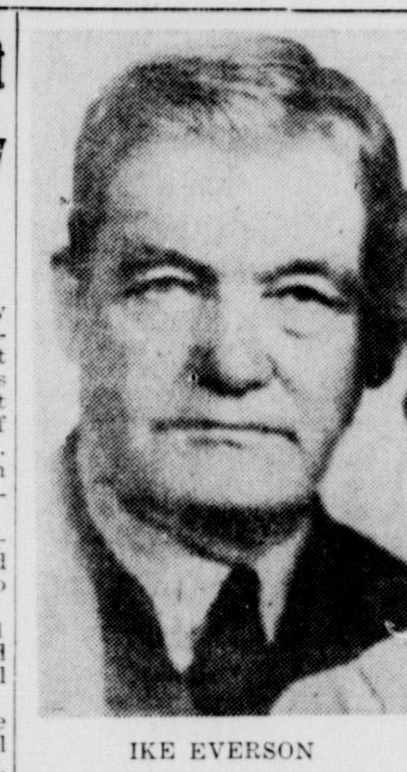

He was later married to Miss Artie Totten on Oct. 1, 1906. Nine children were born to the union, one of whom died in infancy. Mr. Everson moved to the Vivian community in 1915 and remained there until moving to Crowell about a year ago.

He was saved and united with the Assembly of God Church in 1946 under the pastorate of his son, Rev. Warren Everson. He was a man of high honor and had many friends in this section. He loved his family and friends devotedly.

Survivors include his wife, the eleven children, Walter Everson Kainer, Roy Everson of Paducah, Mrs. L. B. Wright of Compton, Calif., Floyd Everson of Crowell, Warren Everson of Crowell, Mrs. Elmo Hudgins of Pampa, Mrs. E. A. Boren of Crowell, Eugene Everson of San Diego, Calif., Dayton Everson of Crowell, Melvin Everson of Bristow, Okla., Dale Everson of Pampa, all of whom were present for funeral services with the exception of Mrs. Wright of Compton, Calif., who was unable to attend.

Other survivors are three brothers and three sisters, twenty-two grandchildren and many other relatives and friends.

Out - of - town relatives and friends present were Mart Everson, a brother of Eldorado, Okla.; Mr. and Mrs. Claude Davis, Robert Davis, Mrs. Henry Bass and children, Mr. and Mrs. Doyle Davis, Rev. White, Foy Riley, Mr. and Mrs. Caswell Davis, Mr. and Mrs. West Beatty, Mr. and Mrs. Claude

IKE EVERSON

Crowell Garden Club Members Invited to Quannah Tonight

The members of the Crowell Garden Club and their husbands have been invited to be the guests of the Quannah Garden Club members and their husbands for a picnic supper on June 22, (tonight), at the Quannah Country Club at 7:30.

All local members who can possibly attend are asked to please do so, states Mrs. Thelma Hunt, Garden Club president.

Crowell Child Victim of Polio

Patience Brigham, 4-year-old Negro child of Crowell, was admitted to the polio isolation ward at Wichita General Hospital Sunday afternoon, according to an announcement made Monday.

Her case brings to seven the number of polio patients treated in Wichita Falls since the first of the year. She is the daughter of Mr. and Mrs. Aron Brigham of Crowell.

The other two Crowell patients, Gordon, 10, and Catherine, 6, children of Mr. and Mrs. T. F. Cates, were released from the hospital Saturday night, it was reported.

HOSPITAL NOTES

Foard County Hospital

Mrs. George Pierce and infant daughter
Wayne Seal
Bill Geaslin
Mrs. Grady Magee
Mrs. Magdaline Sparkman and infant daughter (Col)

The quicker death is on the gallows. It is a fraction of a second quicker than the electric chair.

Collins, all of Quannah; Mrs. Frank Green, Mr. and Mrs. Frank Spencer of Eldorado, Okla.; Mrs. E. A. Totten and two daughters of Fort Worth; Arthur Totten of Decatur; Mr. and Mrs. H. W. Kelly and family, Mr. and Mrs. Edmond Davis and children, Mrs. Jim Taylor, Rev. and Mrs. H. M. Sheets and son, Don, Mrs. Earl Dowd, all of Pampa; Mr. and Mrs. R. F. Everson and Mr. and Mrs. Emil Kainer of Paducah; Mrs. H. Y. Downing and Virgil Downing of Wichita Falls; Mr. and Mrs. R. V. Timms of Pampa; Ransom Lee Everson of Augusta, Ga.; A. A. Haskew and children, Luars, Estelle and Rudy, of Pampa and Rev. and Mrs. H. H. Haston of Chalk.

Truscott Farmers Elevator Ships 118 Cars of Wheat Up to Last Thursday

The Truscott Farmers Elevator had shipped 118 cars of wheat last Thursday, according to figures released to a News representative by Lester Hickman, manager. With approximately 2,000 bushels to the car the 118 cars would total 236,000 bushels received at the elevator from the Truscott and Gilliland communities.

These two communities in the northern part of Knox County harvested a good wheat crop. Mr. Hickman estimated that the elevator would receive from 15,000 to 20,000 bushels more when the harvest was completed. It is also estimated that the community lost at least 30,000 bushels when the big hail storm passed over the wheat fields of the Truscott community just before harvesting began.

The average yield per acre was very good, Mr. Hickman said. Many fields in the two communities made from 25 to 35 bushels per acre and one small patch of Westar variety on the Big 4 Ranch made 40 bushels to the acre.

Clean-Up Drive Meeting Set for Thursday Morning

A meeting to work out plans for a concerted cleanup campaign for Crowell and Foard County will be held at 10 a. m. Thursday (today) in the District Court Room of the Foard County Courthouse. A representative of the State Health Department will meet with the group.

An emergency clean up drive was started here last week, but a more intensive campaign is needed. The meeting this morning will be open to the public. Representatives of all clubs are invited to attend.

Saturday Is Last Day for Candidates to Pay Assessments

N. J. Roberts, Foard County Democratic chairman, announces that all candidates must have their assessments paid on or before Saturday, June 24, in order to qualify to have their name placed on the ballot.

Committeemen are calling on business houses, and all reports received have been in favor of the two-day holiday. It was pointed out that some businesses may be forced to remain open a few hours during Monday to supply their customers with necessities, but in the main, most of the merchants can remain closed.

A definite announcement of the plans will be made in next week's Foard County News.

Rev. N. B. Moon Resigns as Pastor of Baptist Church

Rev. N. B. Moon resigned as pastor of the First Baptist Church at the last regular church conference early in June. His resignation will become effective July 1.

Rev. and Mrs. Moon will move to Belton where he has accepted a position as missionary for the Bell County Association.

Rev. Moon has served as pastor of the First Baptist Church of Crowell for the past three and one-half years.

Rain Tuesday Night Measures .67 Inch in Crowell

A general rain fell over Foard County Tuesday night which measured .67 of an inch by the Government gauge at the Crowell State Bank. The precipitation was heavier in the east and southeast portions of the county, measuring more than an inch. In other parts of the county, the moisture received was probably about the same as was recorded in Crowell.

Growing crops will be greatly benefitted.

Crowell Postoffice to Close at 5 P. M. Beginning July 1st

The Crowell post office will close at 5 o'clock on each week day beginning July 1, it has been announced by Postmaster Alva Spencer. On Saturday the office will be closed Saturday at noon as heretofore.

Mr. Spencer says the early closing hour is in line with the economy program now being conducted by the Postoffice Department.

ROTARY CLUB

Rotarian Powell of Vernon and Capt. Tommy Johnson and Major H. C. Cole of New York City were visitors at the Wednesday noon luncheon of the Crowell Rotary Club at the DeLuxe Cafe.

The program talk by Rotarian Hubert Brown, mayor of Crowell, who gave a detailed account of the business affairs of the city and made note of the improvements that have been made in the past two years. The mayor and members of the City Council serve without pay and the money they would receive goes to paying the salary of a City manager, a position now held by Ebb Scales.

The latest move to improve conditions in the city is the program of installing parking meters. Mr. Brown assured Rotarians that this program is not intended to hurt any business man and asked for the cooperation of everybody.

2-Day July Fourth Observance Being Discussed Here

The Retail Committee of the Foard County Chamber of Commerce is this week studying the possibility of a two-day observance of the Fourth of July this year instead of the customary one day.

The committee in a meeting this week discussed the plans and it was believed to be a practical solution to the problem of a holiday that comes early in the week. The Fourth of July falls on Tuesday, and it is believed that if the preceding day, Monday, is declared as a holiday, the business men and their employees will have a chance to stretch the holiday instead of breaking the time from the week end to the real holiday.

Committeemen are calling on business houses, and all reports received have been in favor of the two-day holiday. It was pointed out that some businesses may be forced to remain open a few hours during Monday to supply their customers with necessities, but in the main, most of the merchants can remain closed.

A definite announcement of the plans will be made in next week's Foard County News.

Rev. N. B. Moon Resigns as Pastor of Baptist Church

Rev. N. B. Moon resigned as pastor of the First Baptist Church at the last regular church conference early in June. His resignation will become effective July 1.

Rev. and Mrs. Moon will move to Belton where he has accepted a position as missionary for the Bell County Association.

Rev. Moon has served as pastor of the First Baptist Church of Crowell for the past three and one-half years.

Rain Tuesday Night Measures .67 Inch in Crowell

A general rain fell over Foard County Tuesday night which measured .67 of an inch by the Government gauge at the Crowell State Bank. The precipitation was heavier in the east and southeast portions of the county, measuring more than an inch. In other parts of the county, the moisture received was probably about the same as was recorded in Crowell.

Growing crops will be greatly benefitted.

Crowell Postoffice to Close at 5 P. M. Beginning July 1st

The Crowell post office will close at 5 o'clock on each week day beginning July 1, it has been announced by Postmaster Alva Spencer. On Saturday the office will be closed Saturday at noon as heretofore.

Mr. Spencer says the early closing hour is in line with the economy program now being conducted by the Postoffice Department.

Bill Bond returned to Danville, Ark., Sunday after a business trip here.

Mr. and Mrs. I. J. Jackson and daughters of Black visited her grandmother Bradford Sunday.

Mrs. Louie Kemp and Mrs. Jas. Bowers and daughter, Janie, visited in Vernon Friday.

Mr. and Mrs. Roy Ayers were Saturday visitors in Vernon.

Judy and Lynn Garvey of Dallas,

Sedan Defies Lightning Bolt

SUNNYVALE, Cal.—Using a Chevrolet four-door sedan, the Westinghouse Electric Corp. demonstrated here that a man's best friend in an electrical storm is his automobile. Joseph H. Cox, engineer, sat nonchalantly behind the wheel while a 2,000,000-volt of man-made lightning banged into the steel roof. As shown below, the shock passed around the roof and harmlessly out through the Chevrolet's tires.

The volt was produced by the 25-foot-high "surge" or impulse generator which can be used for a quality control test on big power transformers.

son, Jimmy Hopkins, are visiting her mother and other relatives in Norman, Okla.

Mr. and Mrs. Douglas Adkins and son of Lubbock, Mr. and Mrs. James Adkins and family of Fort Worth, Mr. and Mrs. Houston Adkins and children and Mrs. Mary Matthews of Vernon visited their parents, Mr. and Mrs. Cap Adkins, during the week end.

James Bice, son of Mr. and Mrs. Henry Bice, and Miss Violet Rummel, daughter of Mr. and Mrs. August Rummel, were united in marriage at 5 o'clock Sunday afternoon at the Lutheran Church, south of Lockett. A reception followed at the home of her parents of this community. They will make their home on the J. E. Calvert farm.

BRINGING HOME THE BACON

Comparisons of commodity prices in the various countries of the world mean little unless they are related to wage rates. In other words, it is the ability of the workman to "bring home the bacon" that counts.

The U. S. Department of Labor has calculated the minutes of working time required to earn enough money to buy a pound of bacon in ten countries. It is a revealing

example of the superiority of living standards as against the rest of the world.

The average American works 30 minutes for his pound of bacon. His equivalent in Canada works 45, and in Great Britain, 53. In Ireland he must work 96 minutes. Finally, the Soviet Union—that wonderful "Workers Paradise"—is last on the list, with 466 minutes of work needed to get that precious pound of bacon!

These enormous differences are principally due to the economic and social systems under which men work. In the United States we have a free economy. The pound of bacon is one of the products of a highly efficient, extremely competitive industry which lives and prospers only if it meets the needs of free consumers. The same thing is true of everything else we buy, whether it be an automobile or a pair of shoes. The only free economy can produce abundance for the masses of people can't be repeated too often.

We grow neither better nor worse as we get old, but we like ourselves. — May Lambert Becker.

Polio Clean-up CAMPAIGN

FOR HEALTH AND SAFETY OF OUR CITIZENS, PLEASE CLEAN UP YOUR PREMISES

ELIMINATE FLY, RAT, MOSQUITO, AND FIRE HAZARDS ON YOUR PREMISES BY:

1. Removing all old containers, tin cans, bottles, tires, and all other trash from your premises. Remove all decayed vegetable matter and trees.
2. Depositing all garbage and cans in a regulation covered galvanized garbage container and keep it covered. Use 5 per cent to 10 per cent DDT spray to spray garbage cans and immediate area. Place trash so that it can be picked up by city trucks.
3. Keeping all chicken and rabbit pens thoroughly cleaned daily. Use DDT spray for insect control around the pens.
4. Keeping all outside toilets clean and make them fly tight. Cover all waste with dirt after each use of the toilet. Get sewer connection if sewer line is available as soon as possible.
5. Clean up all vacant lots. Cut weeds and brush if possible. If burning constitutes a fire hazard call Fire Department for supervision.

CITY ORDINANCE

Ordinance relating to the traffic and regulating the use of public streets within the City of Crowell, Texas, prescribing regulations on the parking of vehicles upon such streets, providing for the use of parking meters, defining and establishing parking meter zones, the regulation, control and inspection of parking meters and providing that the time of parking on streets shall be measured by parking meters: Providing for the enforcement hereof and for penalties for violation, and for repealing conflicting ordinances, and providing an emergency.

WHEREAS, because of congested traffic conditions that now exist and have existed for a long period of time on the streets of

the City of Crowell, Texas, due to the numerous motor vehicles using the said streets and because of the custom and habit of the operators of said vehicles of parking the same for a long period of time in close proximity to other motor vehicles on the most congested parts of the streets in the business section of the municipality; and

WHEREAS, the said condition resulting from the use of said streets and the manner of parking thereon impedes traffic and constitutes a danger to life, limb, and the property of motorists, pedestrians, and other persons using the said streets; and

WHEREAS, the City Council of the City of Crowell, Texas, has authority to make all needful police regulations necessary for the preservation of good order and the peace of said municipality and by its inherent police powers to adopt all ordinances regulating the public use of streets and to promote the welfare and safety of its citizens and others using the same, it is the opinion of the City Council of the City of Crowell, Texas, that the conditions above described may be best remedied by providing for the use of mechanical parking time indicators, commonly known as parking meters, by the designation of individual parking spaces on said streets, by restricting parking in said areas to reasonable intervals of time and by compelling the operators of motor vehicles, who enjoy the use of such parking spaces so designated to pay for the privilege of so doing the amount hereinafter stated by the insertion of a coin or coins in the said parking meters and in the manner hereinafter provided.

BE IT ORDAINED by the City Council of the City of Crowell,

Texas: SECTION 1. As used in this ordinance, the following words shall be defined as follows:

(A) The word "vehicle" shall mean any device in, upon or by which any person or property is or may be transported upon a street, except a device which is operated upon rails or tracks.

(B) The word "street" shall mean any public street, avenue, alley, road, boulevard, highway or public place located in the City of Crowell, Texas, established for the use of vehicles.

(C) The word "person" shall mean and include any individual, firm, co-partnership, or corporation.

(D) The word "operator" shall mean and include every individual, who shall operate a vehicle as the owner thereof, or as the agent, employee or permittee of the owner.

(E) "Parking." The standing of a vehicle upon a street whether such vehicle is occupied or not and whether such vehicle be accompanied or not by an operator for a period of time in excess of two minutes.

(F) "Mechanical Parking Time Indicator" or "Parking Meters." A device or devices which shall indicate thereon the length of time during which a vehicle may be parked in a particular place which shall have as a part thereof a receptacle or chamber for receiving and storing coins of the United States money, a slot or place in which said coin or coins may be deposited; a timing mechanism to indicate the passage of the interval of time during which parking is permissible and which shall also display an appropriate signal when the aforesaid interval of time shall have elapsed; also brief instructions as to their operation.

SECTION 2. For the purpose of this ordinance the congested area is hereby declared to be Main Street from Donnell Street to Austin Street; and on Commerce Street from Houston Street (1st Street) to Browning Street, (A Street); California Street from Houston Street (1st Street) to Browning Street and Houston Street (A Street) from Donnell Street to Austin Street, at such places as the City Council, City of Crowell, Texas, may designate. And We, the City Council, hereby determine that because of the flow of traffic on the streets or portions of the streets within such area that parking therein shall be subject to the provisions of this ordinance.

SECTION 3. Parking meters shall be installed under the direction and supervision of the police department in each parking meter zone and shall be erected upon the curb or street immediately adjacent to the individual parking space hereafter described and each parking meter shall be so constructed and adjusted so as to show by a signal that the space adjacent thereto is or is not legal in use. Each parking meter shall immediately indicate by a proper legend the legal parking time permitted by the insertion of any coin or coins and when operated shall indicate by proper signal the duration of the period of legal parking during the immediate period of operation and on the expiration of such period shall indicate illegal or over-parking.

SECTION 4. The City Council shall have lines or appropriate marking painted upon the curb or street adjacent to each parking meter outlining and designating the parking meter zones or space for which said meter is to be used and each vehicle parked adjacent to any parking meter shall be parked within said lines or markings. It shall be unlawful for any person to park any vehicle in such a position across or without any such line or marking and to park a vehicle in such a position that it shall not be entirely within the space designated by such lines or markings. Said City Council may provide by appropriate lines or markings loading zones on such streets or parts thereof, which may be used by commercial trucks or delivery trucks for the purpose of loading or unloading merchandise or materials without the erection of parking meters thereon or the requirement of a deposit of any coin or coins for the purpose only of loading and unloading and no vehicle shall occupy such loading zone for a period in excess of thirty (30) minutes.

SECTION 5. The Mayor and City Council are hereby authorized to provide for the purchase, acquiring, installation, operation, maintenance, supervision, regulation and use of the parking meters provided for in this ordinance, and to maintain said meters in good working condition, and the Mayor is hereby vested with power and authority to enter into a contract for not more than six months or trial period, after an approval of the terms and conditions thereof by the Mayor of the City of Crowell, Texas, for the purchase and installation of parking meters, the payment for such meters to be provided for solely from the receipts, funds and revenues obtained from the operation of said parking meters, without in any manner obligating the City of Crowell, Texas, to pay for the same from any other source.

SECTION 6. Regulation of Parking in Individual Parking Spaces. Whenever a vehicle shall be parked in an individual parking space, where a parking meter has been installed, the person parking such vehicle shall deposit one cent coin—or a five cent coin of the United States money in said parking meter if such meter displays the signal showing that legal parking is only permitted on such deposit.

SECTION 7. Upon depositing the coin required and upon placing such meters in operation as aforesaid the parking space may be lawfully occupied by such vehicle for twelve consecutive minutes for each one cent coin of the United States deposited therein, sixty minutes upon and after deposit of one United States five cent coin, and one hundred and twenty minutes upon and after deposit of two United States five cent coins. Payment of the aforesaid amounts for the above periods shall be made for parking in the areas set forth hereinabove.

SECTION 8. When any vehicle shall be parked in any space adjacent to which a parking meter is located in accordance with the provisions of this ordinance, the operator of said vehicle shall, upon entering said parking space, immediately deposit or cause to be deposited a five cent coin or a one cent coin of the United States, in such parking meter and put such meter in operation, and failure to deposit such five cent coin or one cent coin and put the meter in operation shall constitute a breach of this ordinance and subject such person to the penalty prescribed herein. Upon the deposit of such five cent or one cent coin and placing said meter in operation, the parking place may be lawfully occupied by such vehicle during the period of parking time in accordance with the time limitation as designated on said parking meter. If said vehicle shall remain parked in such parking space beyond the parking time limit fixed for such parking space, the parking meter shall by its dial pointer indicate such illegal parking and in that event, such vehicle shall be considered as parked overtime or beyond the period of legal parking time in any such part of a street or avenue where such meter is located, shall be a violation of this ordinance and punished as hereafter set forth.

SECTION 9. It shall be unlawful and a violation of this ordinance for any person to cause, allow, permit or suffer any vehicle registered in the name of, or operated by such person to be parked overtime or beyond the period of legal parking time established for any parking meter zone herein described.

SECTION 10. It shall be unlawful and a violation of the provisions of this ordinance for any person to permit a vehicle to remain or be placed in any parking space adjacent to any parking meter while said meter is displaying a signal that the vehicle occupying such parking space has already been parked beyond the period of time prescribed for such parking space.

SECTION 11. It shall be unlawful and a violation of the provisions of this ordinance for any person to deface, injure, tamper with, open, or willfully break, destroy or impair the usefulness of any parking meter installed under the provisions of this ordinance.

SECTION 12. It shall be unlawful and a violation of the provisions of this ordinance to deposit or cause to be deposited in any parking meter, any slug, device or metallic substance or any other substance for a five cent or a one cent coin of the United States.

SECTION 13. It shall be the duties of the police officers of the City, acting in accordance with the instruction issued by the Mayor, to report:

(A) The number of each parking meter which indicates that the vehicle occupying the parking space adjacent to such parking meter is or has been parking in violation of any of the provisions of this ordinance;

(B) The state license number of such vehicle;

(C) The time during which such vehicle is parked in violation of any of the provisions of this ordinance;

(D) Any other facts, a knowledge of which is necessary to a thorough understanding of the circumstances attending such violation. Each police officer shall also attach to such vehicle a notice to the owner or operator thereof that such vehicle has been parked in violation of a provision of this ordinance and instructing such owner or operator to report to the City Hall of the City of Crowell, Texas, in regard to such violation. Each such owner or operator may, within 24 hours of the time when such notice was attached to such vehicle, pay to the City Secretary as penalty for and in full satisfaction of such violation, the sum of One (\$1.00) Dollar. The failure of such owner or operator to make such payment to the said City Secretary, within 24 hours, shall render such owner or operator subject to the penalties hereinafter provided for violation of the provisions of this ordinance.

SECTION 14. Any person who shall violate any of the provisions of this ordinance and any person who aids, abets or assists therein shall, upon conviction be punished by a fine not exceeding One Hundred (\$100.00) Dollars.

SECTION 15. The City Council shall designate some member or members of the police department to collect the coins deposited in the parking meters. In collecting such coins, the person or persons so designated, shall cause the removal of the coins from the coin box of each meter to be in such a manner as to permit the coins to fall unobstructively into a coin collection cart, and deliver the same to the City Secretary of the City of Crowell, Texas. The said Secretary of said City shall count the coins so delivered and deposit the same to the credit of said City of Crowell, Texas. (Meter Fund).

SECTION 16. The specified coin or coins, required to be deposited in the parking meters as provided herein shall be placed in a fund

used exclusively for the paying for the cost and installation and maintenance of said meters and to provide adequate parking facilities for all persons using the streets of the City of Crowell, Texas.

SECTION 17. This ordinance shall be deemed to be in addition and supplementary to, and not in conflict with, nor a repeal of existing ordinances of the City of Crowell, Texas, but shall be an additional provision for the regulation of traffic and parking in the parking meter zones provided for herein.

SECTION 18. If any section, part of section, sentence, clause, or phrase of this ordinance shall be held to be unconstitutional or invalid, the remaining provisions hereof shall nevertheless remain in full force and effect.

SECTION 19. All ordinances or parts of ordinances or resolutions in conflict with the provisions of this ordinance are hereby repealed.

SECTION 20. The fact that there is no ordinance of said City of Crowell, Texas, authorizing or regulating parking meters creates a public necessity and the emergency requiring that the rule providing that the ordinances be read at regular meetings, be suspended, and said rule is hereby suspended, and this ordinance shall take effect from and after its passage, approval and publication as required by law.

PASSED AND APPROVED, this 16th day of May A. D. 1950.

HUBERT C. BROWN, Mayor, City of Crowell, Texas.

(SEAL) Attest: ELLA RUCKER, City Secretary, 46-7c

HISTORY

Father's Day, June 18—Credit for the origin of Father's Day is generally given to Mrs. John Bruce Dodd of Spokane, Washington. The idea occurred to Mrs. Dodd in 1909. She felt such a day was a deserved tribute to her father who had successfully reared a family of children after the death of their mother. She took the matter up with the Spokane Ministerial Association suggesting that the third Sunday in June be set aside as a day on which to honor fathers. The suggestion met with the approval of the Spokane Association and the first observance of the day in Spokane was held in June 1910. It was suggested that sons and daughters wear a red rose in honor of a living father and a white rose if the father was dead. The Spokane observance of the day did not at once gain general circulation, and movements favoring the setting aside of a day to honor Father were reported in several parts of the country during the next several years. Each community believed itself to be the originator of the idea for the day. Ten years after the promotion of the day by Mrs. Dodd of Spokane, Mrs. Walter Hamlet Burgess of Cheltenham, Pennsylvania, took out a charter for National Father's Day, incorporated, and registered the name in the United States Patent Office. She had at that time never heard of

any of the previous efforts in other communities for establishing such a day. When she learned of Mrs. Dodd's activities she withdrew her claims to priority. A couple of resolutions were introduced in Congress to designate a day for honoring fathers. Both failed to pass. Finally after some years a general agreement of the third Sunday in June was reached. This year it falls upon June 18.

More than one-seventh of Utah's area, 13,130 square miles, is said to contain workable coal deposits.

Lewis of Wapato, Wash., Mrs. Loyd McLaughlin and daughters of Carlsbad, N. M., and George Myers of Truscott.

Those attending the funeral of Arthur Hseng of Gilliland Sunday from here were Mr. and Mrs. A. S. Tarpley, Guynn Hickman, Brook Chesshir, Mr. and Mrs. John Black, Mr. and Mrs. Farris Caddell and daughters, Mr. and Mrs. Dud Ellis, Charlie Laquey, L. A. Haynie and Mr. and Mrs. Clyde Bullion.

Mrs. H. A. Smith is visiting her son and family, Mr. and Mrs. Billy Smith, and daughter of Ft. Worth.

Vernon were guests in the home of Mr. and Mrs. W. T. Blevins over the week end.

Shirley Jean Campbell of Weatherford is visiting her sister and family, Mr. and Mrs. Jack Harding.

Joe Reid Jones visited his grandmother, Mrs. R. A. Chilcoat, of Throckmorton last week.

Leo Jones of Fort Worth brought his father, L. P. Jones, home Saturday after spending a few weeks in Topeka, Kansas, for medical treatment.

Tom Long of Santa Fe, N. M., is visiting Mr. and Mrs. Tom Westbrook.

MILEAGE MARATHON

An oil company research expert recently squeezed about 150 miles per gallon out of regular-grade gasoline. He rearranged the gear ratio of his car, buffed the tires smooth for better road action, disconnected the fan, reworked the engine and then, in a "mileage marathon," coasted whenever possible. He drove about 16 miles per hour.

The word "petroleum" is derived from the Latin words "petra" meaning "a rock" and "oleum" meaning "oil."

CUT CORROSION COSTS

Formaldehyde is now used in America's oil fields to counteract hydrogen sulfide corrosion. The manufacturer says the new technique results in a saving of \$29 on equipment replacement for every \$1 invested in the chemical.

See Cameron About Your NEW HOME

Let us take care of building your new home. More than 80 years' experience goes into every Cameron-Built Home. Our reputation for reliability and quality materials is your assurance of complete satisfaction. In building and construction — if it's a Cameron job, it's a good job.

FHA FINANCING

No need to keep on paying rent when liberal, long term financing is available. For full information and arrangement for financing your new home, see us.

REMODEL — REPAIR NOTHING DOWN — UP TO 3 Yrs. to Pay

Repaint, repaper, reroof your home. Add a room, build a garage or a fence. Install an attic fan or a floor furnace. Do anything to your property to make it more convenient, enjoyable and attractive.

No down payment — up to 3 years to pay.

But a certain Samaritan, as he journeyed, came where he was; and when he saw him, he had compassion on him.—Luke 10:33.

Children, for the most part, reflect the home from which they come. If the parents are lax in their observance of local laws, the children are going to grow up with the same habits. If the father is lax in his morals and discusses his shortcomings in the hearing of his sons, the boys are going to be that kind of men. If the church and other worthy things are ridiculed or spoken slightingly of in the presence of the children they are going to grow up with that same attitude.

As further proof that war never pays, if any were needed, we call attention to the fact that we fought to get Hitler out and Stalin in. Now we would like to get Stalin out.

Some one has suggested that the goat be adopted as the emblem of the taxpayer. For many reasons the goat would be an admirable selection. No one ever heard of a word of praise or commendation for the goat, and no one ever heard of a word of praise, appreciation or commendation for the taxpayer. Notwithstanding the fact that it is the taxpayer who builds all the roads, pays the teachers, builds all the bridges, provides all the money to run the county, state and national government, provides all the money that the welfare office doles out, and pays for all the things that contribute to the so-called "fuller life" of today, the goat is often pictured as disconsolately eating a tin can that he has picked up in the alley. Here again the goat resembles the taxpayer. He eats the only thing that is left after everyone else gets what he wants—the things no one else wants.

The high courts of the land have ruled that members of a congressional committee have a right to ask of any man this question: "Are you now or have you ever been a Communist?" The witness is obliged to answer. If he refuses he may be both fined and imprisoned. The basis for the court decision is that the welfare of the general public and the nation is above the reluctance of an individual to disclose personal facts about himself which are pertinent to the investigation being conducted by Congress. The court did not rule that it was a crime to be a Communist, but it is an offense to block in any way a reasonable investigation by Congress.

Health Letter

Texas State Department of Health, Austin, Texas, Geo. W. Cox, M. D., State Health Officer.

Austin—Death rates from diabetes is three times as high in diabetics whose condition was not discovered until after complications developed than for patients whose illness was recognized and brought under treatment before advanced symptoms appeared.

Based on recently completed national studies, this was revealed Thursday by State Health Officer George W. Cox.

"Diabetes has not always been a public health problem," the health officer declared. "It became one when we found that the death rate is much greater when the condition is discovered late. "Public education makes for lower diabetes death rates, and public education in such matters is a health department job." Dr. Cox told this story about diabetes:

It used to be that many diabetic patients sought treatment only after having developed serious complications. A considerable number of all diabetics examined at autopsy showed active pulmonary tuberculosis.

The discovery of insulin gave physicians a specific treatment for prolonging patients' lives, even before it was entirely clear what the disease was and what its effects were. Thus, even after event took place with insulin therapy, eventually leading to the realization that early discovery means longer life.

"Diabetes mellitus" — called sugar diabetes by some people — is a condition in which the body cannot properly process the sugar it needs. The result is chronic thirst, hunger, and weakness. Eventually, without insulin, the patient will literally starve to death. Insulin injections will correct the faulty body processes.

"In 1949, there were 739 diabetes deaths in Texas," Dr. Cox said. "By comparison, that same year there were only 189 polio deaths. "It's the family physician who is in the best position to discover diabetes or a pre-diabetic condition. That's just one more point in favor of regular medical check-ups," the doctor concluded.

An honest man is one who does not feel the necessity of digging up an excuse for going to the circus.

Joyous confidence and eager anticipation both shine in the eyes of 8-year-old Virginia Lee Brown, Berger, Texas, polio patient in the out-patient clinic of the Texas Scottish Rite Hospital for Crippled Children in Dallas. L. R. German, brace maker (left) has assured Virginia that she will soon walk again. Her father, T. A. Brown, (right) lends a helping hand in fitting the specially made braces. Many children, polio victims and others, get the best possible medical care and attention at the Scottish Rite Hospital. The charity hospital, now serving humanity for 27 consecutive years, is supported by contributions from kind-hearted Texans all over the state.

In The News . . .

30 YEARS AGO

News items below were taken from the issue of the Foard County News of June 25, 1920:

According to information received by the News, Margaret is to have a light plant. The enterprise is being promoted by Messrs. Roden and Kempf.

Wheat yield is good, according to a few reports made this week. The wheat is already in the shock and ready to be thrashed and it is believed the yield will be better than expected. Rain amounting to two inches fell Thursday and Saturday.

County agents of the state are teaching the boys how to judge stock. P. D. Chaney spent two days in Wilbarger county this week assisting the County Agent N. R. Tisdale.

W. B. McCormick was over from Snyder Saturday and Sunday.

Miss Bee Hallmark left Friday for Colorado to spend a few weeks with her sister, Mrs. Lon Robertson.

Mrs. Kenny Woods and children are visiting the family of G. W. Johnson in Canyon.

Barney Lindsey was here last Thursday between trains. He is travelling out of Waxahachie for a candy house.

Miss Emily Purcell made a trip to Benjamin Tuesday.

Miss Emma Pendleton left yesterday for Pilot Point on her vacation.

Misses Una and Winnie Self and Mabel Pittillo returned from Waco Friday last week.

Mr. and Mrs. J. R. Beverly left Tuesday for Fort Worth.

The appropriation of \$4,000,000 made by the Legislature will raise the available school fund to approximately \$12.70 per capita.

Farmers of the Foard City community are anxious for a cotton gin and will make any reasonable concession to procure one.

Memorial Gifts Made to County Cancer Crusade

Among the contributors to the 1950 Cancer Crusade for Foard County, several have made their contributions in memory of a loved one and, as stated at the start of the campaign, a list of the memorial gifts are listed below, it was announced Monday by Mrs. A. G. Magee, County chairman.

- Those wishing to add to this list by making donations to this memorial fund may send their contributions to the Foard County Chairman.
Mr. and Mrs. J. R. Beverly, in memory of J. H. Cope.
Mr. and Mrs. N. J. Roberts, in memory of J. H. Cope.
Mr. and Mrs. John Long, in memory of J. H. Cope.
First Christian Church of Crowell, in memory of J. H. Cope.
Mr. and Mrs. A. G. Magee, in memory of J. H. Cope.
Mr. and Mrs. T. B. Klepper, in memory of Mrs. J. N. Nislar.
Mrs. Mary B. Ray, in memory of C. W. Beideman.
Marjorie Magee, in memory of Capt. W. L. Stiles and Capt. L. B. Stiles.
Henry Ferguson, in memory of J. H. Cope.

Chicken thieves are seldom paroled but the law enforcement agencies of most states often parole murderers, sadists and rapists.

For Commissioner, Precinct No. 4: TOM BURSEY (Re-Election)

Washington Newsletter

(By Congressman Ed Gossett)

Washington, D. C., June 16, 1950—The new liberalized DP Act has now become law. The bill passed in the last Congress would have

the season several million of them are junked or sold for a pittance to some foreign country, the manufacturers have had a prosperous year and are planning on extensive plant extensions for next year, so that a still bigger share of the cargo of the gray train may be secured.

It sounds ridiculous you say? But that is just what is being done in regard to the farm program—exactly that. If the refrigerator manufacturers were smart they would unite production controls to the end that the government would not be subjected to repeated and unconscionable losses. They would realize that it is never smart to kill or even discourage the goose that lays the golden eggs.

In my opinion the beneficiaries of the farm price support program should invite curtailed production and federal control. They should begin before the house all falls in on them, and the farm support program loses the rest of its friends. The farm support program is a program that requires honest and fair cooperation. Its biggest danger is the non-cooperator who is out to satisfy his greed at the expense of the entire farm industry.

SENIOR FAVORITES AT TCU—Elected by the student body, the three TCU coeds picked as favorites among the senior class girls are, left to right, Miss Nina Shaw, Fort Worth; Miss Shirley Brunson, Midland; and Mrs. Georgia Mixon Smith, Plainview. Three girls and three boys were selected from each of the four classes and announced in the 1950 Horned Frog, University yearbook.

SOPHOMORE BEAUTIES—Favorites elected by the student body at TCU from among the girls of the sophomore class are, left to right, Miss Amelia Douglas, Electra; Miss Ann Guest, Fort Worth; and Miss Ann Bettie, Olney. Three girls and three boys were selected from each of the four classes and announced in the 1950 Horned Frog, University yearbook.

POLIO AND DREAD DISEASE POLICY
Poliomyelitis, Diphtheria, Leukemia, Encephalitis, Tetanus, Spinal Meningitis
PAYS ALL MEDICAL EXPENSES UP TO \$5,000.00 PER PERSON
Hughston Insurance Agency

admitted 205 thousand DP's. This law expires on June 30. The new law permits the admission of 341 thousand so-called DP's. I objected to many features of the old bill, and voted against the new one. However, the new bill does have some improvements over the old. It permits among the 341 thousand to be admitted, the admission of 54 thousand German "expellees." It has always been my contention that the German "expellees" were of better stock than were most of the so-called DP's who have been cared for in our DP camps since 1945 and 1946.

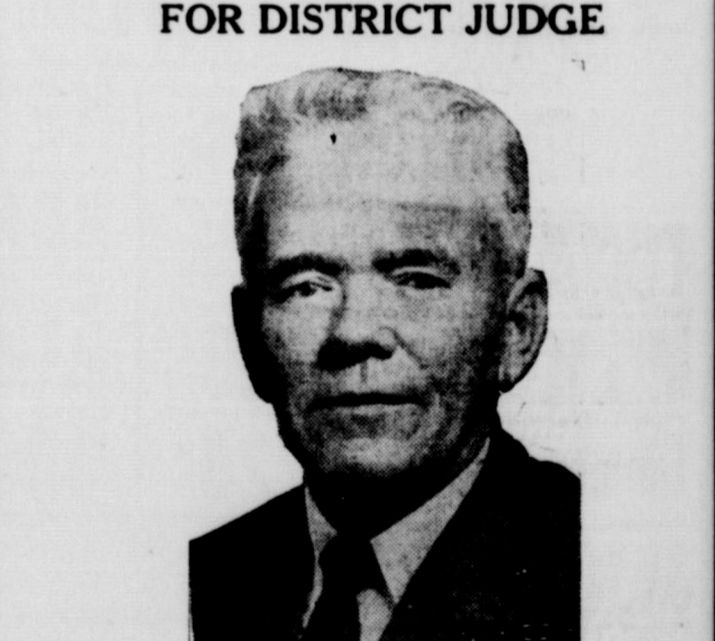

The Immigration Committee today started hearings on a number of bills to increase the Italian quota. A half-dozen Congressmen from districts in which the Italian vote is large are urging such legislation. I shall certainly oppose any further liberalizing or increasing of immigration into this country.

For the past week Washington has been afflicted by a milk strike. Nine big dairies in the so-called "Washington Milk Shed" have a complete monopoly on supplying milk to the one and one-half million persons who live in the metropolitan area of Washington. Now no one can get milk without a doctor's certificate. During the last ten years we have paid a Washington dairy more than \$2,500 for milk. What we may be forced to pay after the strike is over is anyone's guess.

The Political Action Committee of the CIO (CIO-PAC) is having a big national rally in Washington today. They are discussing ways and means of defeating Congressmen who have so-called bad labor records. Anyone who voted for the Taft-Hartley Bill, for example, has a bad labor record, regardless of other considerations. Following the day's rally, those attending will have a party on the south lawn of the White House.

Mr. Sam Rayburn, Speaker of the House of Representatives, this week assured me that we would get a vote on the so-called Lodge-Corn Union.

VOTE FOR . . . JESSE OWENS FOR DISTRICT JUDGE

Governor Shivers appointed Jesse Owens District Judge of the 46th Judicial District to serve the unexpired term of the late Judge Welch. His appointment was recommended by most of the lawyers, who practice in this district, as well as by many other prominent citizens.

Judge Owens gave up a good law practice to accept the appointment and at the end of the present term he will have served as District Judge seventeen months. Has he served you well? If so, does he deserve longer time in this office?

Jesse Owens was elected County Judge of Foard County, Texas, two times and served in that capacity from 1923 to 1927.

He was elected District Attorney of this District two times and served in that office from 1937 to 1941. He was an Assistant Attorney General of Texas during the Administration of the Honorable Gerald Mann and the Honorable Grover Sellers. He served as a trial lawyer in that office from January, 1943, to January, 1946.

He has been engaged in the practice of law continuously since January, 1927.

Jesse Owens will appreciate your vote and influence in the Democratic Primary to be held July 22, 1950.

(Pol. Adv. Paid for by Foard County Friends)

June 22, 1950

LOCALS

Billy Cates of Long Beach, Cal., is here visiting his grandfather, Mrs. A. E. McLaughlin.

Bedroom suite, \$204.65, \$174.00.—Womack's.

Master Henry G. Hays spent last night in Amarillo with his grandparents, Mr. and Mrs. A. E. Holl-

Allen Sanders, who is studying at WTSC in Canyon this summer, spent the week end at home.

Miss Mary Ragland Thompson Commerce visited on Father's day in the home of her parents, Mr. and Mrs. Charlie Thompson.

Visit the gift shop when you buy a gift.—Womack's.

Luette Love of Paducah visited the home of her grandparents, Mr. and Mrs. Shelby Wallace, from Tuesday until Monday.

Mrs. Harvey Turnbough and daughter, Jo Ann, are visiting in the home of their parents and grandparents, Dr. and Mrs. R. L. Crowell.

Samson luggage, card tables and folding chairs.—Womack's.

Lealy Spradlin of Foard City is among the 1200 students attending the summer school at Hardin-Simmons University. She enrolled in the first six weeks of school which will end July 8.

Jolene Wallace visited in the home of her sister and brother-in-law, Mr. and Mrs. J. B. Washburn, of Paducah from Wednesday until Sunday. Mr. and Mrs. Washburn returned home with her and Mrs. Washburn remained the rest of the week in the home of her parents, Mr. and Mrs. Shelby Wallace.

B-36s, world's largest bombers, roll down assembly line at Fort Worth division of Consolidated Vultee Aircraft Corporation. Latest models of the B-36 are being equipped with four jet engines in addition to six 3,500-horsepower piston engines. These Texas-built planes can carry heavier loads of bombs over greater distances at higher altitudes than any other aircraft in the world.

Mr. and Mrs. N. J. Roberts spent Saturday and Sunday visiting relatives in Fort Worth and Dallas.

Rakes, hoes, shovels and water hose at Womack's.

Rev. and Mrs. N. B. Moon returned home Wednesday from Paris, Ark., where they visited Bro. Moon's mother, Mrs. W. L. Moon.

L. Kamstra and Carol Teague visited Mr. Kamstra's son, Martin Kamstra, and family in McCamey last week, returning home on Wednesday of last week.

Mrs. Clint Simmons returned home Monday from the Quannah Hospital where she underwent a major operation on June 6. She is making satisfactory improvement.

Mrs. Robert Holmes and three small sons, Robert, Gerald, Ronald Dean and Larry, returned to their home in Vernon Wednesday after a visit with Mrs. Holmes' sister, Mrs. Willard Traweck, and family.

Mr. and Mrs. Claude Callaway, Mr. and Mrs. P. H. Stevens and daughter, Claudette, of Clarksville and Joe Welch spent the week end visiting in the home of their son, brother and uncle, Milton Callaway, and family in Snyder.

Mr. and Mrs. A. B. Stovall of Talpa visited his cousin, J. A. Stovall, and Mrs. Stovall Saturday night. Accompanied by J. A. Stovall, they left Sunday morning for a visit with relatives in Merryville and other points in Louisiana.

Mrs. D. Blount of Breckenridge, Mrs. Loyd Kent and daughter, Nancy, of Phoenix, Ariz., and Mrs. Troy Martin of Decatur, Ala., visited in the home of Mr. and Mrs. A. Y. Beverly recently. The ladies are sister and nieces to Mrs. Beverly.

Morris Johnson of Thalia and M. W. Wagon of Crowell, both seniors, are attending summer school at Hardin-Simmons University in Abilene. They are enrolled in the first six weeks of the summer school.

Mr. and Mrs. Jim A. Hart of Stephenville visited over the week end with Mr. Hart's mother, Mrs. Carrie Hart, and Mr. and Mrs. R. Magee. They returned to their home Sunday afternoon accompanied by Mrs. Hart who will visit in their home.

HISTORY The Assassination of the Archduke Franz Ferdinand—June 28: At a time like the present when there is much talk of war with Russia it is interesting to turn back to the incidents that led up to World War I, and discover how small an incident, when reviewed in retrospect, plunged the world into World War I and laid the ground work for World War II. The incident was the assassination of Sarajevo, Bosnia of Archduke Ferdinand, heir to the throne of Austria Hungary. The Archduke with his wife visited Bosnia, to attend the military maneuvers as Commander of the Austro-Hungarian armies. As they entered the city of Sarjevo they narrowly escaped death from a bomb thrown at their carriage. Later in the day they were both shot and killed as they were returning in their carriage from a reception at the town hall. The Serbian minister at Vienna had previously sent warning to the Austrian government that it was known that there was a plot against the Archduke's life. After the assassination the Austrian government held the Serbian government responsible for the crime and made a number of demands upon the Serbian government. When the demands were not met events rapidly led to the precipitation of World War I which spread until it took in the entire continent of Europe, England and the United States.

In a pipe organ, the short pipes produce the high notes.

Texas Has 65,000 Men Available for Military Service Austin, Texas, June 16—Texas draft boards have more than 65,000 men fit for duty and available for military service in case of emergency or war. Lt. Col. Morris S. Schwartz, deputy state director of Selective Service, said today.

State draft boards during May added almost 5,000 to this group by classification action of its 137 local boards. These figures represent men who have been classified in 1-A by the boards under the federal draft act.

The draft boards during May made 12,338 new and original classifications. These represent men who were classified for the first time under the Selective Service Act of 1948. Of this number, 7,830 were classified in a deferred status.

Approximately two-thirds of the classification each month involves men who are classified for the first time. The other one-third involves registrants who are reclassified because of change in status, such as marriage, physical condition and other factors under the law.

Local boards at the end of May reported the registration of 5,092 youths who reached their 18th birthdays during April. More than 60,000 18-year-olds are registering each year under this law.

These registrations brought totals on draft board registration lists to 551,228. Of this number, local boards had classified 413,415 by the end of May.

Salvation Army Representative to Visit Foard County Major Bernice Lyons, field representative for The Salvation Army in Texas, will visit Foard County the week beginning July 3 to continue the work of W. D. Pedigo who recently retired.

Major Lyons will conduct the Salvation Army's Annual appeal in Foard County to help finance the state-wide program which the Salvation Army is carrying out in Texas.

Among these projects of interest to citizens all over the state are the Salvation Army's home and hospital in San Antonio for unwed mothers, the work of the Army in prisons and jails, its missing persons service, its relief work in time of disaster, and its welfare work in the more than 200 Texas communities that benefit greatly from the work of this humanitarian organization.

LIVESTOCK SHIPMENTS Austin, Texas, June 19 — Livestock shipments in Texas rose 75 per cent in April from March, the University of Texas Bureau of Business Research reported.

March - to - April shipments of sheep and calves were up 87 and 7 per cent, respectively. Hog shipments slid 10 per cent during the monthly period.

In comparison with April 1949, livestock shipments rose 15 per cent in April 1950. Compared with April 1949, hog shipments were up 38 per cent; calves, 35 per cent; and cattle, 3 per cent.

The youngest president ever inaugurated was Theodore Roosevelt at 42, and the oldest, William Harrison at 68.

A Balalaika is an old Russian stringed instrument.

Telephone Company Installs 100,000th Telephone Recently With the installation of a new telephone in the home of Mr. and Mrs. H. W. Winslow at Carlsbad, N. M., the Southwestern Associated Telephone Company and its subsidiary companies are now furnishing telephone service to more than 100,000 company owned telephone stations, it has been announced by Roy Autry, president of the telephone company.

At the close of World War II, Southwestern Associated Telephone Co. served slightly less than 40,000 telephone stations. Since that time, the company has more than doubled in size by the installation of additional telephones and by the acquisition of more telephone property. The most recent acquisition was the Two States Telephone Company, which formerly had headquarters at Texarkana, and which will be consolidated with Southwestern Associated Telephone Company when details can be completed.

Mr. Autry pointed out that having reached 100,000 company owned telephones, there would be no let up in the company's determination to install a continually increasing number of new telephones and to furnish present subscribers with the type of service which they desire.

Southwestern Associated Telephone Company is one of the operating companies of the General Telephone Corporation system, the largest of the non-Bell telephone

TEXAS ADVERTISING GAINS Austin, Texas, June 19—Texas newspaper advertising lineage gained 2 per cent from April to May, the University of Texas Bureau of Business Research reported.

Reports from 35 Texas newspapers showed May advertising lineage bettering the May 1949 level by 6 per cent.

Mr. and Mrs. Granville Lanier of Amarillo visited this week in the home of his parents, Mr. and Mrs. J. H. Lanier Sr.

CARD OF THANKS I wish to express my thanks for the many cards, beautiful flowers and useful gifts that I received during my recent illness. May God's richest blessings rest upon each and every one of you. Mrs. Clint Simmons.

CARD OF THANKS Words are inadequate to express the thanks and appreciation felt by all of us for the many deeds and words of kindness tendered to us during the illness and at the death of our loved one. The doctors, the nurses were so very good and to them and for the beautiful flowers, the food sent in and for all attentions of friendship evidenced, we all would say, "Thanks and God bless you." The Family of Ike Everson.

Weekly Sermon

AN ALPHABET LESSON

Written by the Rev. W. D. Crunkilton for Moody Bible Institute, Chicago

It was Queen Victoria who said, "I thank God for the letter 'M.'" What did the good queen mean by this, She referred to the verse found in I Corinthians 1:26, "Ye see your calling, brethren, how that not many wise men after the flesh, not many mighty, not many noble, are called."

Let us be cautious of interpretation here. This is always the first step to take the Scripture—to understand it. Of course, we believe it first of all, then interpret it. This must be done before we can either apply or act upon it. No doubt chaos has developed right here, when people have acted upon the Bible without first knowing what it really meant. Fanaticism has resulted.

We are plainly told here that not many of a certain group are called to become Christians. Notice, however, it does not say, "Not ANY wise, mighty or noble are called," but it declares that not "many" are so called. There is a big difference between "any" and "many."

Let's look a bit closer at this. It must be apparent to everyone that among those who are converted to Christ, most of them are quite ordinary people. It is not the civic leaders who are usually turning to Him, but it's the man in the street who hardly knows the authorities. It is not the president of the company who receives Christ, but perhaps the office boy. It may not be the governor but his chauffeur, not the businessman but his gardener who is converted. It was this way in the first century, and it is this way today—with notable exceptions.

What does all this mean to you and me? Better to be a gardener and know God, than own the property and be lost. But—wherever you are and whatever your position, God loves you and wants you for His own. Break every bond, therefore, that would hinder and come to Christ without delay. Thank God for the letter "M."

ORGANIZED LABOR WAKES UP

Two national unions of utility workers, on three separate occasions, have expressed their grave concern over the spreading threat of socialization of the electric industry.

Thus, the CIO Utility Workers Union of America adopted a report which said, in part: "The government is already in the utility business to quite an extent and, unless we are on our guard, will soon own most of it. This will be the first step down the socialist highway."

Two Missouri locals of the International Brotherhood of Electrical Workers have issued a statement against the practice of granting large Rural Electrification Administration loans for building transmission lines and generating plants in areas where the power supply from private industry is adequate. They observed, "Our tax money will help build a business which by the very nature of its location will take business away from the privately owned utility for which we work and eventually destroy that company, thereby destroying our jobs. Also, this will destroy the effectiveness of our collective bargaining which we now enjoy with our company."

These strong statements have not been made because the unions and individuals concerned have any particular affection for the utilities. They have been made because certain segments of organized labor have awakened to the fact that socialism is the foe of free labor and free unions—just as it is the foe of free enterprise and freedom of the individual. If government is going to take over the machines that serve the nation, it must also control the men who run them. Every man who works and every union official should realize that Russia is the outstanding example of total socialism today and labor is not free there.

THE COUNTRY PRESS SAYS

Baltimore, Md., Daily Record: "We are inclined to believe that business executives may well consider going actively into politics themselves as a matter of self-preservation."

Bozeman, Montana, Chronicle: 7:15 p. m.

Evening worship service, 8 p. m. Subject of the sermon: "There Is a God in Heaven." Don't miss this sermon. Bring a friend.

FAVORITE JUNIOR CLASS COEDS AT TCU—Representing the girls of the junior class, Mrs. Martha Bruce Wilde (left), Plainview; Miss Lois Long (center), Edwards, Miss.; and Miss Letta Eubank, Dallas, are among the 1950 Favorites elected by the TCU student body. Three girls and three boys were selected from each of the four classes and announced in the 1950 Horned Frog, University yearbook.

FAVORITES AMONG TCU FRESHMEN—Selected from among all the coeds in the freshmen class at TCU, Miss Beverly Herrin (left), Vernonia, Ore.; Miss Jo Ann Ruby (center), Lufkin; and Miss Ursula McDermott, Lufkin, are three of the 12 coeds named as "Favorites" at the University. Three girls and three boys were selected from each of the four classes and announced in the 1950 Horned Frog, University yearbook.

LEGAL NOTICE

THE STATE OF TEXAS, COUNTY OF FOARD.

To those indebted to, or holding claims against the Estate of W. F. Kirkpatrick, deceased: The undersigned having been duly appointed Executrix of the Estate of W. F. Kirkpatrick, Deceased, late of Foard County, Texas, by the Honorable Leslie Thomas, Judge of the County Court of said Foard County, Texas, on the 12th day of June, A. D. 1950, hereby notifies all persons indebted to said estate to come forward and make settlement, and those having claims against said estate to present them to her within the time prescribed by law at her residence in the City of Crowell, Foard County, Texas, where she receives her mail, this the 13th day of June, A. D. 1950.

FRANKIE KIRKPATRICK, Executrix of the Estate of W. F. Kirkpatrick, Deceased. 47-4tc

LEGAL NOTICE

"During the last 100 years the per capita debt of the people of the United States has been multiplied 600 times in size. In the year 1850, the public debt was \$2.77 per person. The Treasury Department reported in February this year that the debt now amounts to \$1,698.00 for each man, woman and child in the United States. (About \$6,800 for the average family)."

GET OIL WITHOUT ORDERING

By means of its special degreedy system, the oil industry now provides automatic fuel delivery to more than 70 per cent of the nation's oil-heated homes. The degreedy system enables local dealers to keep close tabs on the amount of oil in a consumer's tank at all times, and to schedule deliveries accordingly. The system is only one of the many services provided by the nation's oil men for the general public.

Deliberate with caution, but act with decision; and yield with graciousness, or oppose with firmness.—Colton.

"WILDCATS" HAVE RECORD YEAR

The petroleum industry drilled an estimated 6,680 "wildcat" wells in 1949, the largest number in any year since the discovery of oil in 1859. "Wildcats" are exploratory wells drilled in unproved territory. Since only one in five is a success, they involve great financial risk.

Polyandry is the form of marriage in which a woman has more than one husband.

Miss Violet Rummel Becomes Bride of James Bice Sunday Afternoon; Ceremony Read in Lutheran Church at Lockett

The marriage of Miss Violet Rummel and James Bice was solemnized Sunday afternoon, June 18, in the Zion Lutheran Church near Lockett with Rev. E. R. Rothgeber directing the double ring ceremony.

halo of seed pearls to which her finger-tip veil was attached. For something old, she wore a gold wedding band which had belonged to her grandmother, the late Mrs. Mary Schoppa. For something borrowed, she carried a white linen handkerchief belonging to her sister, Doris Rummel, of Vernon. She further carried out the sentimental tradition by wearing blue garters, a gift from an aunt, Mrs. Adolph Bodding. For something new, she wore a rhinestone necklace and ear bobs, a gift of the groom. She also wore a six pence in her shoe.

Miss Doris Rummel, a sister of the bride, served as maid of honor and was attired in a frock of aqua organdy with which she wore a corsage of pink carnations. Miss Laverne Shultz and Eugene Rummel, a cousin of the bride, were candlelighters. Miss Shultz wore a pink taffeta dress and her candlelighter was decorated with white sweet peas.

Mrs. Geneva Tucker and Misses Dorothy Bodding and Lillian Zoch were bridesmaids. Mrs. Tucker, a sister of the groom, wore a line organdy dress and a corsage of yellow carnations. Miss Bodding, a cousin of the bride, wore a yellow organdy frock and a corsage of white carnations while Miss Zoch, also a cousin of the bride, wore a lime organdy dress and a corsage of yellow carnations.

The groom, son of Mr. and Mrs. Henry Bice of Crowell, chose T. E. Smith of Vernon as his best man. Lee Bice, brother of the groom, Robert Lee Rummel, cousin of the bride, and Dick Rothgeber served as groomsmen. Janet Rummel, wearing a dress of orchid taffeta, and Dolores Schoppa, in a dress of pink taffeta, were flower girls and LaVoy Rummel, sister of the bride, and Martha Rose Rothgeber, dressed in a pink net dress and a yellow net dress respectively, were junior flower girls. Ring bearers were Bejena Johnson, niece of the groom, and Dene Rummel, cousin of the bride.

Floyd Bice, brother of the groom, and David Rummel, cousin of the bride, were carpet rollers and ushers were Edgar Schoppa and Arthur Shultz. They are uncle and cousin of the bride.

Jimmy Johnson, organist, played the traditional professional and recreational compositions.

Mrs. Rummel, mother of the bride, wore an aqua dress with white accessories while Mrs. Bice, mother of the groom, wore a tan dress with white accessories.

The bride attended school at Five-in-One and Crowell and is a senior in Crowell High School. Mr. Bice attended school at Thalia and Crowell, being a graduate of Crowell High School in 1950. Following a honeymoon in the Texas Panhandle, Mr. and Mrs. Bice will make their home southwest of Thalia.

Immediately after the ceremony, a reception was held at the home of the bride's parents. About 225 guests were in attendance at the reception.

Crowell B&PW Club Installs Officers at Dinner Party

The Crowell Business and Professional Women's Club held formal installation of officers on Wednesday evening at Hotel Premier with Alyeen Ater of Childress, first vice president of the Texas Federation, serving as installation officer.

New officers for the 1950-51 club year were installed: Cora Carter, president; Dove Carlile, vice president; Thelma Mae Hunt, recording secretary; Ella Rucker, corresponding secretary and Lottie Russell, treasurer.

Guests for the occasion were Alyeen Ater and Loretta Danley of Childress, Jess Tillery and Peggy Fox of Crowell.

Dove Carlile presided over a short business session during which Cora Carter was elected as delegate to the national convention to be held in San Francisco, Calif., July 2 to 7. The club also voted to make a contribution to the Cancer Fund.

Hostesses Marjorie Magee, Bertha Burkett and Gussie Turner served a beautiful and appetizing three-course dinner to 16 members and the three guests.

During the installation, Peggy Fox sang "A Perfect Day" and also sang "A Dream Is a Wish Your Heart Makes." Both were enjoyed. Ella Rucker played her piano accompaniment.

Mrs. Borchardt and Mrs. Black Honor Mrs. Tommy Johnson

Mrs. Lee Black and Mrs. Henry Borchardt complimented Mrs. Tommy Johnson with a morning "Coke" party Saturday morning at the home of Mrs. Borchardt.

From a silver tray outlined with daisies, the guests were served dainty sandwiches, cookies and assorted munchies, and Mrs. Merl Kincaid and Mrs. Crews Cooper assisted in serving the iced drinks.

Present for the party were Mrs. Johnson, the honoree and Mesdames H. C. Brown, her mother; Leslie McAdams, Hartley Easley, Dick Carroll, R. J. Thomas, M. S. Henry, J. R. Beverly, Fred Youree, George Self, Gordon Bell, Leon Speer, Herbert Edwards, Alton Bell, F. C. Borchardt, T. S. Haney, Merl Kincaid, J. M. Hill Jr., Ray Shirey, James Barnebee Jr., Ted Stafford, Winston Simmonds, Lorraine Carter, Mac Steele, Mike Rasberry, Nelson Oliphant, J. B. Rasberry, Crews Cooper, Horace Lovelady of Vernon and Harvey Turnbough of Lubbock.

Scene from "Mayala," showing Sunday and Monday at the Rialto.

Former Residents Observed Golden Wedding Anniversary

Mr. and Mrs. Valmer Bond of Sugar City, Colo., former residents of Foard County, recently observed their 50th wedding anniversary at their home in Sugar City. The couple left Foard County many years ago. Mr. Bond is an uncle of Mrs. W. A. Dunn of Margaret.

The five children of Mr. and Mrs. Bond reside in Colorado. They are Bailey Bond, Mrs. Mildred Bean, M. G. (Buck) Bond, Mrs. Helen Dillon and Mrs. Edna McDonnell. There are ten grandchildren and one great grandchild.

Mr. and Mrs. Bond were married in Arapahoe, Okla., in 1900. Four generations were represented at the reunion.

The celebration was attended by Mr. and Mrs. Dunn, Mrs. Dunn took part on the program in honor of the couple. A number of relatives attended from various parts of Texas.

Billy Gene Naron Weds Miss Lasater

Miss Marjorie Doris Lasater, daughter of Mr. and Mrs. Hubert Lasater of Quanah, became the bride of Billy Gene Naron, son of Mr. and Mrs. Jim Naron of Crowell, in a quiet, simple ceremony performed Saturday evening, June 3, at 8 o'clock in the pastor's study of the Church of Christ, with Bro. W. L. Baze, pastor, directing the couple in the recitation of the marriage vows. The bride was attired in a street length dress of pink jersey with which she wore white accessories. She graduated from Quanah High School and Mr. Naron attended Crowell High School.

The couple will make their home in Crowell where the bride-groom is engaged in farming.

Compliments Guests at Picnic Supper

Complimenting several out-of-town visitors of Mr. and Mrs. G. Magee, a large group of friends gathered at the Magee home on Sunday evening, June 11, for a picnic supper and an informal period of visiting.

The honor guests were Mr. and Mrs. T. C. Griffin of New Orleans, La.; Mr. and Mrs. Wayne Molloy, Miss Janet Penix and N. H. Williams, all of Hollis, Okla.; also Cpl. Wm. Irvin, Army Air Force, San Antonio, son of Mr. and Mrs. Magee.

Forty-seven guests enjoyed the out-door party.

FATHER'S DAY GUESTS

J. N. Ribble was honored on Father's Day by having all his children at home for the first time in four years. A sumptuous dinner was served at the home of Mr. and Mrs. Ribble, with the following present:

Mrs. R. M. Hudson, Madeira, Calif.; Mrs. Esther Hardin, Crowell; Mr. and Mrs. W. H. Finley,

Decatur; Mrs. Pearl Wright, San Angelo; Mr. and Mrs. M. O. Ribble, Shawnee, Okla.; Mrs. Jack Dunlap and son of Vernon; Mr. and Mrs. W. S. Ribble and five children of Sweetwater; Mrs. Hugh Shaw and two sons of Dallas; Mr. and Mrs. Nelson Hudson and two children of Oklahoma City, Okla.; Mr. and Mrs. Jim Garrett and son, Mike, of Akron, Ohio; Mr. and Mrs. Glenn Grissom and daughter, Mavis Jo, of Sweetwater; Scott Buckley of Sweetwater; Mrs. Lewis Ballard and son, F. L., of Crowell; Mrs. Grissom, Mr. Buckley and Mrs. Garrett are grandchildren of Mr. Ribble.

There are eight children, twelve grandchildren and four great grandchildren in the J. N. Ribble family.

SEW-N-SEW CLUB

Mrs. Hughston McLain and Mrs. J. C. Rader were co-hostesses to eleven members of the Sew-N-Sew Club of Foard City in the Recreation Room on June 15.

Delicious refreshments of iced Cokes and cookies were served to Mesdames Howard Ferguson, Bob Myers, R. J. Owens, Eugene Owens, Glen Shook, Harry Traweek, James Sandlin, Junior Chawning, Marlin Thompson and the two hostesses. Each member is urged to be present when new officers will be elected for the following year.

HOME FOR FATHER'S DAY

All the children of J. H. Carter were at home on Father's Day, June 18. They are Mr. and Mrs. Jim Hinds Carter of Oakland, Calif.; Mr. and Mrs. R. H. Emery of Sterling City; Mrs. Geraldine Jones and daughter, Shirline, and Miss Claudia Carter of Wichita Falls; Mrs. Dock Wright of Littlefield, Mr. and Mrs. John Carter and son, John Calvin, and daughter, Rondelle, of Plainview and Miss Cora Carter, Ted Carter and Mr. and Mrs. Loraine Carter and daughter, Jon Ann, of Crowell.

Transient Salesmen May Not Be Reliable

Foard County residents have been advised again by the Better Business Committee of the Chamber of Commerce to exercise caution in the purchase of magazines, books, advertising and picture coupons from transient solicitors.

During the past two months solicitors have visited this county in large numbers attempting to sell to local citizens. In making the warning advice to local people, Herbert Edwards, chairman of the Better Business Committee, said that people who are talked into buying from the salesmen are apt to find they have spent their money for nothing in return.

Edwards stated that the most effective way to stop this type of activity on the part of solicitors and their fly-by-night methods is to gain the cooperation of all the people of the county. He stated that if the salesman can not show a letter of endorsement from the Foard County Chamber of Commerce, no goods should be purchased from the transient sales-

man. Particular emphasis has been placed by the Better Business Committee on the purchase of picture coupons from transient photographers. Several local people had been forced to buy pictures they had not ordered recently while such a studio was set up in Crowell. Mr. Edwards stated that when a local resident is in doubt about a solicitor or transient business of this type, he should call the Chamber of Commerce office in Crowell for a confirmation. "This is a service that the Chamber of Commerce is happy to give because it helps protect the people who live in our county," Edwards added.

It was pointed out that an honest-looking face and smooth fast talk are not indications of honesty on the part of the salesmen. A call to the Chamber of Commerce may save money.

Originally there were four months between presidential elections and the inauguration to allow for slow methods of communication and transportation.

ATTEND JUNIOR CAMP

Mrs. Dick Davis and two daughters from Crowell, Karen Davis and Dana Loy Roberts, have returned from Junior Camp of the Methodist Church at Camp Canyon. The camp was from June 12-16. Mrs. Davis is director of attendance this year.

PIANO BARGAINS

Practically new Spinet reduced price; Kimball's studio new, save \$150.00 on this. Plenty of practice pianos \$95.00 up. — Searcy's Piano Store, 1404 N. Main, Fort Worth, Texas.

TRUE FOUNDER

While Charles Darwin, "Origin of Species" (1859), inverted the scientific world's theory of evolution, Lamarck (1744-1829) was the true founder of the theory.

CHECK YOUR BEST REASON

For Having a Checking Account . . .

1. Convenience of paying bills by mail. No time-wasting trips around town.
2. Convenience of getting money when you need it. You can usually cash checks where you are known.
3. Permanent receipts for every payment. Your cancelled checks are legal receipts.
4. A record of your spending is easily kept on check stubs. Important for tax purposes.
5. Your money is safe in the bank. There's danger in leaving it around the house.

GET ALL FIVE ADVANTAGES BY OPENING A CHECKING ACCOUNT AT THIS BANK.
