COOPERS COMMENTS

By Albert Cooper

The story is told that on one of his visits around the country on a campaign tour, Senator Vest had to spend the night in a little western town. The best hotel the town afforded was poor enough, but the Senator made the best of it until breakfast the next morning. He was especially put out by the stuff put before him that they called coffee. After sampling the beverage, with a frown, he called the proprietor. When he appeared, with a wave of the hand, the Senator said to him, looking at the smoking liquid before him, "What do you call this stuff?" "Coffee," meekly replied the Proprietor. "Coffee," repeated Vest in fine scorn: "My friend, I could insert a coffee bean in my mouth, jump into that river out there and swim to the next town and I'll guarantee that one could ball up much better coffee than this over the entire route."

Coffee Time should never be spoiled that way, and Jerry does a good job, with many delightful moments spent that way. Many valuable lessons can be learned, and one of them is, Don't drink too much strong coffee. Claud Holley visited a Doctor recently and after the examination, the Doctor was consulting with both Mr. and Mrs. Holley. The Doctor said to Mrs. Holley, "Your husband is too fond of strong coffee. You should not let him have it. He gets too excited." Mrs. Holley quickly replied, "But Doctor, you should see how excited he gets when I give him weak coffee."

So, if you have one eye on a new home or household appliances and the other on college for Junior, or Jane, you may find what you've been wanting in Savings Bonds. And, have you explored the built-in tax advantages of Savings Bonds -- as they apply to the youngster's college education and retirement income for you and your headman?

DEADLINE TO ORDER VEHICLE REGISTRATION PLATES PASSED

AUSTIN — The deadline is passed to order 1970 Texas motor vehicle registration plates by mail, but there still is time for motorists to register their vehicles without a lot of the bother of former years.

The cutoff date for mail orders was March 1. But the 3-part computerized form which all Texas vehicle owners received just after January 1 still will save time -- if motorists act quickly.

All one needs to do is to take the registration application to his county tax collector's office or sub-station with the fee.

The process is greatly simplified and the lines -- if any -- are fast-moving.

That's still no guarantee there won't be long lines facing those who wait until the last few days before the midnight April 1 deadline. Each year, thousands of motorists put off registering their vehicles until the last minute.

And, each year, the final days of the registration season find tax collector's offices and substations jammed with procrastinating drivers.

The Texas Highway Department has these tips for quick and easy registration:

Don't throw away your registration applications; don't write on it or mar it. However, if the address is incorrect, you should show your correct residence address in accordance with instructions on the form.

Don't separate the three parts of the form. Take it to the county tax office or substation in one piece.

Don't send your application to the Highway Department in Austin; and, remember, the deadline is passed for ordering license plates by mail from your county tax office.

If you did not receive a three-part registration form by mail, or if you have lost it, take last year's motor vehicle registration receipt and your car title to the county tax collector's office or sub-station. Your vehicle registration will be processed as before, and you'll receive a time-saving computerized form next year.

10 resounding reasons why you should buy a new Chevrolet instead of a new something else:

- 1 Higher resale value.** Year after year. No other car in Chevrolet's field gives you as much back on your initial investment.
- 2 Deep down value.** Exclusives like flush-and-dry rocker panels and an extra set of fenders keep Chevrolet looking good longer.
- 3 Smooth, smooth ride.** Because of Chevrolet's computer selected springs, Full Coil suspension and advanced body mounting system.
- 4 Impressive styling.** The impression is that it's an expensive car, if you want to make an impression.
- 5 Massive interiors.** Result? Room to stretch out or to sit tall. Chevrolet has more front leg room than any other car in its field.
- 6 Side-guard beams.** Chevrolet puts more between you and the outside. Steel beams built into every door.
- 7 A finish that lasts.** It's unfortunate other cars in Chevy's field don't have a Magic-Mirror finish because it sure keeps its shine.
- 8 Exceptional engines.** Chevrolet's standard 350-cubic-inch V8 runs on regular fuel. Plus there are five more engines available.
- 9 Tremendous selection.** Of colors. Of accessories. Of engines. Of transmissions. Of fabrics. And of models. There are nine big Chevrolets alone.
- 10 America's favorite.** Something a new "something else" can't claim. If actions speak louder than words, doesn't this say something to you?

Putting you first, keeps us first. CHEVROLET

Wind, Rain, Snow and Some Hail In Union Area Last Weekend

Hi neighbor! Well, March is
nere officialy. The wind is on
a whis this Monday morning.
We had quite a lot of rain the
last of the week, and some
said it snowed a little. We had
hail last Monday afternoon.

Ollie Burnam had her grand-
children Dale and Christie Isen-
hower of Marfa. They came up
to see me a while Thursday.
James and Gayle Isenhower

went to Houston Thursday and
were to be back Sunday. We
enjoyed them coming to see me.
Julie Claxton had dinner
with me Sunday. She and I went
to the singing at Scranton Sun-
day afternoon with Burette
Ramsey. We had pretty good
singing. I thought. I always en-
joy being a Seranton. Johnny
May did not feel like going. We
hope she feels better today.

When I got home from Scranton,
I found a note in my car
saying Fay and Emmett Wood
and Lucille Kelley of Cisco came
to see me while I was gone. I
was sorry. I looked for them
to come and have Sunday dinner
with me.

Mildred and Gerald Carter
and Mrs. Esta Lemon of Vernon
came to see me Friday and
spent the night. Went back to
Vernon about noon. Wish they
could have stayed longer. John
and Roma McIntyre had supper
with us Friday.

Ollie Burnam returned last
Tuesday night from a visit to
Midland and Marfa and other
places. Glad she came home.
Kinda lonesome up this street
when she is away so long.

The 38 party met last Thurs-
day evening with Mrs. Sybil
Harris, north of Moran. There
were 16 present and we had a
good time.

Mr. and Mrs. Bynon of Moran
visited the Burette Ramsey's
Friday evening.
Mr. Leonard Alvey visited
with Burette Ramsey Saturday
evening. Mrs. Myrtle Alvey, who
is in the Clyde Nursing Home,
is no better.

I tell you, the wild rye and
weeds are growing like mad.
Got to mow yards here the first
of March. Have to mow yards
about eight or nine months of
the year.

Guess I better go, so be good
and I hope to see you next
week.

MRS. W. P. REED

WHY I AM A MEMBER OF THE CHURCH OF CHRIST

There is only one basic rea-
son in the Scriptures as to why
anyone is a member of the
church of Christ. No one can
be a member of His church
without it. If one is a member
of His church it is because the
Lord added him to it. Acts 2:47
informs us "... And, the Lord
added to the church daily such
as should be saved." That is the
only way revealed in the Scrip-
tures that anyone ever became
a member of the church; "the
Lord added" them. That is why
I am a member of the church
of the Lord; He added me. He
adds ALL the saved.

Any man can become a mem-
ber of the Lord's church in the
same way. The Lord will add
him when he is saved. So, the
question of importance is,
"What must I do to be saved?"
Let the Lord answer. "He that
believeth and is baptized shall
be saved. He that believeth: no
shall be damned." Mark 16:16.
The man who believes and is
baptized according to the Lord's
teaching is saved. The Lord
adds him to His church. He does
not join anything. He does not
need to join anything. He is not
a member of any denomination.
Why would he want to be a
member of any denomination?
What could it add to his life
that Jesus does not give him
when He adds him to His
church?

COMMENT ...

(Continued from Page One)

can be learned also at coffee time. President Coolidge once entertained some friends from Vermont, inviting them to have dinner at the White House. They were worried about their table manners, so they decided they would do exactly what the President did. The meal passed smoothly until the after dinner coffee time. They watched as the President poured his into a saucer. They followed suit. Then he added sugar and cream. The guests did likewise. Then Mr. Coolidge leaned over and put his on the floor for the cat.

One fellow came into the drug store and sat down. Judy came to take his order and he said, "Coffee, please, without cream." Judy looked at him and blinker her eyes and said, "You'll have to take it without milk. We don't have any cream."

U-U and Merle's serve good coffee, too, and Sanka if you want it.

I walked into a drug store up on the Plains one day for a coffee break. Three girls were busy washing glasses and cups after a rather heavy traffic hour. One of them turned around toward me and said, "Whatcha want?" "Sanka" I said. She said, "You're Welcome. What do you want?"

Incidentally, I'll bet you can buy good coffee at Roger's Grocery, and give a hearty welcome to Roger Corn and family.
