WELL HIGH D HAVE 7 IN AUSTIN MEET

DEBATERS AND FIVE BLACK MEN WILL COME FOR STATE HONORS

One-half of the Crowell students representing Foard County in the interscholastic meet at Austin on Friday and Saturday last as well as they will get a first in the State meet at Austin on the 21st and 22nd. Although Crowell has won the meet, yet the local school will have more representation at Austin than any other school in this district of ten counties. A number of larger schools, Childress, Quanah, Wellington, Childress, Clarendon and others, are taking and Jim Allee Hart, manager of Crowell, won the out-event of the meet in coming against debating teams of other counties. The subject for the debate was "Resolved that the Cabinet of Government is Better than the Committee for the United States," the subject being used by all the schools of the state this year.

Involves Much Work
The debaters have been working for four months on their work and are now giving much time to preparation for the state contest. Efforts have already been made and hope to make a favoring showing at Austin and Crowell have every reason to believe they will.

Debate is one of the most outstanding events in school work as it is much thought and work on the part of the participants who must prepare their own speeches and be prepared to argue for either the affirmative or the negative. Extensive speaking, constant preparation, arguments, and correct delivery all brought out in debate.

Track Events
Bell was Crowell's only first runner in the track and field meet. He led a strong list of runners first in the minutes and seconds, completed in 5 minutes and 45 seconds. He led the runners from the finish. Crowell's relay team finished in the meet, Chillicothe first. It is reported that a between two of the Crowell boys the unfortunate accident happened Crowell from winning. However, second place entitles them to a free trip to Austin. In the track meet here, Crowell's Chillicothe relay team came in on both teams and in the meet at Childress. The Crowell relay team won at Lankford, Guy Todd, Ernie Bell and Arthur Bell.

Bell won second in the half mile, although he finished third. He was disqualified for some reason. Harold Hinds went into the tennis singles and tied for place. Nancy Cogdell won place in girls singles. Bell was the only school in the district to qualify five men for the meet and with the two debaters, the Austin meet is far ahead of representatives from other schools in the ten counties of Cottle, Foard, Motley, Childress, Childress, Collinsworth, King and others. Memphis won in the meet with Chillicothe, second; third and Crowell and fourth for fourth place.

Free Trip
The fact that Foard County has 100 percent membership in the interscholastic League, the Crowell boys will have free trips to the league fees. Coach Todd, whose efforts have been responsible for much of the success of the Crowell track team, is to have a free trip. All the contestants were loud in their praise of Childress hospitality. They were taken into Childress and accommodated in many ways.

City to Trade For New Tractor

A regular session of the common council Monday it was voted to advertise for bids on a new tractor for Foard County's road department. Six different machines, J. E. Atcheson, county engineer, stated that Foard County is in the market for a new tractor. It is planned to trade in the present "60," belonging to the county, for a new machine. Representatives from a number of firms are expected to be present in regard to the matter.

Rotarians of Three Cities Will Gather At Vernon Tuesday

Rotarians and Rotary Aids of Crowell, Quanah and Vernon will meet in a banquet at the country club in Vernon Tuesday night. There are prospects of over twenty-five attending the meeting from Crowell, according to reports made at the Rotary luncheon Wednesday at the Commercial Hotel.

Quanah and Vernon recently conducted an attendance contest for one month, the losing club to entertain the other, however, the contest resulted in a tie, both registering 100 per cent and the two clubs decided to have a "dutch" treat and invite the Crowell club to join them.

Dr. Rue P. Parcells of Amarillo, district governor, and three ex-governors of the 41st district are expected to be present at the meeting. The ex-governors are Walter Child of Wichita Falls, Ellis Boyd of Fort Worth and Bill Edwards of Denton. Each club is to furnish part of the entertainment for the program.

At the luncheon Wednesday, J. Ben Parrish of Quanah, district scout executive, outlined the plans for boy scout work here and gave details of the training school for men that will be started on Friday, May 3rd.

Byron Reese won a debate over Olin Hollingsworth on the subject, "Resolved that Red Hair is Better than Black Hair," by a decision of two visitors who acted as judges.

Visitors at the luncheon were J. J. Terrell, city secretary of Childress, Clifford Davis of Childress, Guy Rutherford and Ben Parrish of Quanah and C. H. McClellan of Wichita Falls.

May 3rd Is Date To Start Scout Training School

Ben Parrish Will Give Instruction to Men at the Baptist Church Basement

J. Ben Parrish of Quanah, district scout executive, was here Wednesday relative to scout work for Crowell. He announced the leadership training school would begin on May 3rd, Friday, for Crowell men interested in scout work and the first school would be held for one day each week for several weeks.

The training that would be secured as a result would enable anyone taking it to handle a troop of scouts. Mr. Parrish pointed out that no one taking the course was obligated to the scout work but that these courses were being held everywhere to acquaint the men of the community in the various phases of scout work. It is planned to have sixteen men of Crowell to take the course and different organizations and institutions of the town are asked to have men represented in the group. The 16 men will be formed into a regular scout troop at the beginning of the course and order the instruction of Mr. Parrish they will be given real scout work. When the first course is completed sufficient information will have been gained to carry a troop of scouts for six months, or rather through the tenderfoot and second class tests. Another school will be held later on that will enable the men to carry the boys through the first class test.

Valuable Information
The information that will be gained at the training school is as of much use to men as it is to boys and it is a real opportunity for a person to take advantage of the training for many reasons. He not only learns the inside workings of the boy scout movement, but also gains information on many subjects that is of great value to him personally, and he is in a position to pass this information on to the boys.

The training schools will be held in the basement of the Baptist church at eight p. m. and every man in Crowell or Foard County interested in boy scout work is urged to come to these meetings. By coming he is not obligated to take over scout work but the schools are held in order that the men of the community may become acquainted with boy scout work.

Committee Chairmen
The following local men have already accepted their appointments as committee chairmen for the Crowell program: M. S. Henry, civic service; H. K. Edwards, finance; Eli Smith, rural organization; Fred Rennels, troop organization; Dr. Hines Clark, health and safety; Rev. Woodie W. Smith, leadership and training; and Mack Boswell, publicity. Leo Spencer is vice-president of the Quanah Parker Area Council which includes Foard, Hardeman, Cottle, Childress and King Counties.

As soon as the proper leadership can be secured through the training schools, the scout work in Crowell can really get under way, however, about two troops will be organized before that time and other preliminary steps will be taken.

BIRTH

Mr. and Mrs. P. H. McElwain of Ivanhoe, California, announce the birth of a son, John William. Mrs. McElwain was formerly Miss Christine Allen, teacher in the Crowell schools.

JURY FOR MAY TERM OF COURT IS SELECTED

TEN CRIMINAL CASES AND 27 CIVIL CASES ON DOCKET AT PRESENT

The grand jury list for the May term of district court which will open on May 6th as issued by Mrs. Ida Roavis, clerk of district court, includes the following: N. J. Roberts, M. F. Crowell, L. A. Goodman, W. A. Dunn, R. N. Beatty, Albert Fish, Cates, Fred Brown, W. G. Chapman, Frank Matthews, Claude Davis, A. L. McGinnis, L. R. Morgan, and P. M. Hinkle. Grand jury will meet May 6th to call the docket which at present includes ten criminal cases and 27 civil cases.

First Week
Petit jurors for the first week of court have been announced as follows: J. E. Harwell, Arthur Sandlin, S. T. Knox, P. B. Flesher, C. C. Lindsey, Luke Bledsoe, J. S. Owens, C. W. Ross, B. F. Hinds, Roy C. Steele, T. Y. Rascoe, A. G. Ketchersid, J. F. Long, W. A. Priest, H. K. Edwards, E. M. Gamble, A. M. Nelson, P. C. Borchardt, M. T. Rhinehart, B. D. Russell, W. T. Blevins, J. A. Hough, C. E. Gafford, P. E. Randolph, Luther Tamplin, Troy Erwin, Arthur Bell, T. D. Edwards, R. S. Hinkley, Ed Huskey and O. D. Rader. This group has been called to meet on May 8th at 10 a. m.

Second Week
The petit jury list for the second week includes Felix Jonas, G. L. Pierce, J. S. Ray, Roy Ayers, Paul Bishop, B. W. Self, Jimmie Self, C. L. Calvin, F. A. Davis, G. F. Allison, L. L. Orr, G. G. Crews, C. E. Stewart, J. C. Bean, W. E. Taylor, C. A. Bowler, W. L. Smith, E. A. Dunagan, Ed Jones, G. W. Beatty, D. R. Magee, Ed Peacock, C. L. Adkins, C. Q. Crawford, W. R. Gibbs, J. L. Hunter, Jr., Cecil Dunn, D. G. Fahey, A. L. Davis, A. W. Dishman, J. C. Autry, Paul Shirley, A. W. Barker, Alva Spencer, W. B. Franklin and Leslie McAdams. This group will assemble on May 13th.

Cooksey Case
The trial of Melvin Cooksey of Knox County, charged with the murder of his wife, is slated for this term of court, having been continued by agreement of attorneys from the February term. The case was transferred from Knox County last September. It is alleged that Cooksey killed his wife with a hammer while the defendant maintains that she was killed by the kick of a mule. The case of Lloyd Owens vs. the Orient Railway in a suit for damages suffered to his foot while working on the Orient bridge over Pease river last summer, is also to come up at this term of court. The jury in the February term of court was out for nearly two days on the case and finally reached a verdict granting Owens \$2,750 damages but conflicting answers were given to some of the 24 special issues in the case, and it must be tried over again.

Six divorce cases are included on the civil docket and a few damage suits are also recorded. Two cases of criminal assault are also listed on the criminal docket.

The Famous Will Change Location

J. H. Lanier granted Irving Fisch a six year lease Monday on the space formerly occupied by Nick's Confectionery, City Tailors and the present occupant, L. Kamstra, jeweler. Mr. Fisch's dry goods store, The Famous, will be moved into the building about May 1st. At the present time The Famous is located in the Ringgold building.

The Lanier building is now being thoroughly remodeled and improved and is expected to be in shape for occupancy by May 1st. Mr. Fisch stated that the building will give him much more space than his present location and that he is planning to enlarge his stock in order to give better service than ever to his customers. The balcony in the Lanier building, formerly occupied by a beauty shop, is being torn down and numerous other improvements are being made.

Mr. Fisch will leave Sunday for market in order to increase his stock in accordance with the increase in the size and service of his store.

L. Kamstra will move his jewelry store into the Dockins Hotel building just west of the Ringgold building. He is now having space in this building improved and is adding a plate glass front.

George Hinds Secures Magnolia Oil Agency

George Hinds is again in the oil business having purchased the interest in the local agency of the Magnolia Petroleum Company from Charles Thompson. He is now in charge of the business.

Mr. Hinds was formerly Crowell agent for the Pierce Petroleum Company and sold his interest in that business to S. H. Ross several months ago.

Some of the portrait statues of the Egyptian pharaohs were ninety feet high.

Rev. McCarter Is One of 4 Approved District Teachers

Rev. W. R. McCarter, pastor of the local Methodist church, received word Monday from the General Sunday School Board of Nashville that he had been approved as a teacher of religious leadership training. Only three others in the Northwest Texas Conference have been approved in this course of study, these being Dr. P. W. Horn, president of Texas Tech; Dean Boyd McKeown, McMurray College; and Prof. W. W. Evans.

To be an approved teacher on this subject, has involved a great deal of work on the part of Rev. McCarter and he has devoted much time to it during the past year. He has taught the subjects on religious training for over ten years but it was just a little over a year ago that he devoted efforts to becoming an approved teacher. All branches of psychology have been the principal part of his study during this time.

Last year 51 credits for religious education were received through the course of the local Methodist Church conducted by Rev. McCarter. Two courses of study have already been held this year with over twenty taking the work.

Heretofore it has been necessary for Rev. McCarter to send the work of the students to national headquarters for approval of a committee before a credit could be given but now that will be unnecessary as his own approval will make them official credits.

To graduate in the special training course, one must complete four basic units and when this is done a diploma is granted. When four more units are completed a blue seal is added to the diploma, and the highest award, a gold seal to the diploma, comes when four more specialized units are completed. Several in the local church are now working for the gold seal.

"My ten years of work in religious leadership training is as valuable work as I have done in the ministry," stated Rev. McCarter.

REV. W. R. McCARTER

Rev. McCarter will conduct the revival beginning at the Methodist Church Sunday.

A. Y. NORMAN SECURES 800 ACRES IN CROSBY

In a recent trade with W. W. Boyd of Crosbyton, A. Y. Norman of this city traded his old home in the north part of town, 237 acres of land in Cottle County and a home in Vernon for 800 acres of farm land in Crosby County, near Crosbyton.

His brother-in-law, Hugh Cotner, formerly of Wichita Falls, is looking after the land there and is farming 400 acres of it. W. W. Boyd and family are living in the Norman home. Mr. Norman will continue to live here also.

SHERIFF MILLER WAS TAKEN HOME THURSDAY

Que Miller, Sheriff, was taken from the Crowell Hospital to his home Thursday afternoon. He is rapidly recovering from an appendicitis operation and stated that as soon as his side completely heals he will be up. Mr. Miller's condition was very dangerous several days after the operation.

He is in as fine spirits as ever now although he worried some Thursday afternoon fearing that his friends would not get him home in time that he might listen to the Dallas-Ft. Worth baseball game over the radio. He was carried home in Womack Brothers ambulance.

OFF FOR LEGISLATURE

Dr. R. L. Kincaid, representative of the 114th district, will leave for a 30-day session of the Legislature that opens Monday at Austin. Dr. Kincaid stated that bills that are certain to come up at this session are the civil service bill, the penitentiary bill and the appropriations bill.

The civil service measure is Governor Moody's pet according to Dr. Kincaid and he presents it at every opportunity. The penitentiary bill is in regard to centralizing the penitentiary system of the state. Other bills that Governor Moody will submit are not yet known.

REVIVAL BEGINS AT METHODIST CHURCH SUNDAY

REV. McCARTER WILL CONDUCT SERVICES FOR TWO WEEKS WITH LOCAL WORKERS

Crowell's third successive revival will begin Sunday when services for another two weeks' meeting will be opened by Rev. W. R. McCarter, pastor of the local Methodist Church, who will act as evangelist throughout the revival.

The meeting will be conducted entirely with the use of home talent; and J. A. Wright is to act as choir director. He will be assisted by Sam Mills and Ed Huffman and Mrs. P. W. Shirley will serve as pianist.

Regular evening services will begin at 7:35 p. m. and morning services will be held at 10 a. m. Rev. McCarter stated that no special young people's meetings will be held as the entire revival will be concentrated on the main services and an urgent invitation is extended to all to attend these.

Special Sunday School day services will be held at the morning services Sunday beginning at 11 o'clock, the time that the meeting will be opened.

Banquet Held By Junior and Senior Classes Wednesday

Interesting Program Enjoyed By 85 Students At Odd Fellows Hall

One of the most interesting school occasions of the year was celebrated Wednesday night when the Junior class of Crowell High School was host to the Seniors in a banquet served by the Rebekahs in the Odd Fellows Hall. The annual Junior-Senior banquet is an event that is looked forward to each year with much interest and enthusiasm by these two classes.

Ernest Spears, president of the Junior class, made a capable toastmaster for the evening. Songs by Miss Josephine Griffith and piano numbers by Miss Mary Sam Crews and Evelyn Sloan featured the musical program.

W. L. Home Address

Arthur Bell, junior, gave the address of welcome. He stated that he was proud of the close regard that existed between the two classes and that the Juniors were glad to honor the Seniors on such an occasion and that it was also a pleasure to have the faculty and other visitors present.

Grace Russell gave the Senior response and thanked the Juniors for the honor conferred upon her class. She expressed confidence that the Junior class would make new records for Crowell High School. Miss Russell also paid tribute to the faculty for its inspiration and the work that it had done for the class and the betterment of Crowell High School.

Leoma Knox was next on the program and gave an interesting reading "She Powders Her Nose." Superintendent I. T. Graves followed with a talk on the subject "From School Life to Life's School," after which Ludell Green complimented the Seniors with a beautiful poem.

Morris Bell Entertains

Morris Bell, the Will Rogers of Crowell, displayed his magical power by looking through his crystal and predicting the future of his upperclassmen. He predicted many unusual comical futures for many of the Seniors.

Elizabeth Kincaid followed with a reading "Clock Work," a humorous poem. Vance Swain, president of the Senior class, was next on the program and gave a toast to the Juniors and to their sponsor, Henry Black. Miss Autie Anthony, Senior sponsor, bade farewell in an appropriate poem.

As a compliment to the faithful manner in which Miss Anthony has served the Senior class, she was presented with a hand painted, leather bound volume of Shakespeare's works by her class.

Ernest Spears completed the program by thanking all that had helped to make it a success and complimented the Rebekahs on the service they had given. Misses Ila Lovelady, Frances Stewart, Ella Patton, Idura White and Mary Clayton Giddings acted as "Japanese Maidens" for the Rebekahs in serving the banquet.

The Odd Fellows Hall was beautifully decorated in a Japanese scheme and much work was reflected in the attractive arrangement of the many decorations.

ATTENDED PRESBYTERY

Those from Crowell attending Wichita Falls Presbytery at Chillicothe Tuesday and Wednesday were Frankie Kirkpatrick, Mr. and Mrs. G. H. Patton, W. F. Kirkpatrick, Mrs. S. O. Woods, Vera Patton, J. T. Cates, Gussie Ritch, Martha and Annie Rettig.

Nine Presbyterian Churches were represented at the meeting.

Delegation From Wichita, Kansas Here Next Friday

Over 125 of the leading business men of Wichita, Kansas, will visit Crowell next Friday, arriving here at 4:35 p. m., on their 25th or Silver Anniversary Good Will Tour. They will arrive on a special train of Pullman cars and will leave Crowell at about 5 p. m.

Immediately upon arrival, it is hoped that many Crowell people will be present at the Orient Depot with their cars to furnish transportation of the delegates to the Crowell business session and to offer any other courtesies. Wichita has made such trips to Crowell before and their visits are of real interest.

Souvenirs and Novelties

Souvenirs for both children and the grown-ups will be given away by men who represent many factories and wholesale houses. The Wichita American Legion Band that won the national contest at San Antonio last year, is making the trip along with an excellent quartet that has been a favorite on previous trips. A nationally known orchestra will also be in the group and will furnish toe-ticking numbers.

Crowell has a real opportunity to exhibit its hospitality to these leading business men and it is hoped that this city and section will turn out in large numbers to greet these good will delegates. A more convenient hour for the arrival could not be picked for at 4:35 p. m. the busy part of the afternoon is practically over and school is out. Let all of us do our part in leaving a warm spot for Crowell in the hearts of the Wichitans.

Report on School Census Completed

All reports on the school census for Crowell and Foard County have been turned in and complete report has been made in the office of the county superintendent, J. E. Atcheson. Crowell has 623 students of scholastic age compared with 648 for last year. The remaining school districts of Foard County have a total of 1,040 compared with 1,292 for last year.

The scholastics in the schools compared with last year are as follows: (the number for last year is given first) Four Corners, 9-13; Thalia, 295-240; Gambleville, 71-67; Fish, 27-36; Margaret, 201-141; Black, 50-39; Vivian, 196-98; Ayersville, 67-80; West Rayland, 121-129; Foard City, 143-121; Claytonville, 36-30; Beaver, 26-24; and Good Creek, 45-32.

The scholastic census is taken for those between the ages of 7 and 18. Next year the ages will begin with six as a result of action by the Legislature. Aid from the state's available fund is allowed on this census. Last year about \$15.50 per capita was allowed and it is expected that the amount will be about the same this year.

Interest Grows In Baptist Revival Here

Interest in the Baptist revival has continued to grow and the crowds this week have been even larger than those of the first week.

The largest crowd of the revival was present Sunday night when all seats in the church were filled, including about two hundred extra that were placed in the church. The special services Sunday afternoon attracted a good crowd also. Rev. W. W. Smith's sermon at that time, "Breaking the Alabaster Box," had considerable effect and resulted in the reconciliation of a few who had not been on the best of terms with each other.

Monday night the booster band gave a 30-minute musical and memory program. Special high school night services were held Thursday night of this week.

Jesse Owens Elected Manager of Ball Club

Plans for a baseball team for Crowell were started Wednesday night in a meeting of local fans and players at the district court room. Jesse Owens was elected manager of the club and upon his election, he took charge of the meeting and a discussion of plans for the season took place.

The general belief was that an excellent club could be formed here as material was plentiful, including many who have played on Crowell teams before and other men who are now located here that have played on semi-pro teams over the state.

To Start Practice

It was decided to start practice Friday afternoon at four o'clock and again Saturday at the same hour at the Crowell ball park. Manager Owens stated that urgent invitation was extended to all ball players of this section to come out for practice.

Most of the towns surrounding Crowell have already organized teams and a number of fast ball games are in prospect for Crowell fans.

G. W. Wright and family have returned to Foard County and are living on a farm on Route 2. The family formerly lived in Foard County and for the past several months have been in Vernon and Wichita Falls.

WEST RAYLAND

(By Special Correspondent)

Truman Fields, Fern Freudiger, Mr. and Mrs. L. P. Selvidge, Mr. and Mrs. R. F. Derrington and daughter, Onelta, attended the district meet at Childress Friday.

Cec' Baatenhammer of Talmadge spent Saturday night and Sunday with Jerry Young.

R. A. Rutledge made a business trip to Wichita Falls Monday.

The infant daughter of Mr. and Mrs. E. W. Crisp is ill with pneumonia.

Elijah Young won third place in declamation in the finals at the district meet at Childress.

Rev. W. A. Reed and family of Baker spent Sunday with Irvin Edwards and family.

W. M. Wade and family spent last week-end with her parents at Denton.

Rev. E. W. Loyd and family of Vernon visited Mrs. R. M. Gregg Monday afternoon.

The home demonstration club met Tuesday afternoon at the home of Mrs. Buck Clark. Miss Freeman demonstrated dress fitting and the making of individual patterns. Ice cream and cake were served to the following guests, Mrs. W. M. Wade, Mrs. Joe Huntley, Mrs. Adkins, Mrs. Allie Huntley, Mrs. J. E. Young, Mrs. R. M. Gregg, Mrs. J. S. Ray, Mrs. V. L. Courtney, Mrs. G. W. Scales, Mrs. G. B. Neill, Mrs. A. C. Crisp, and Misses Bertha Dunson, Eula Mae Gregg, Miss Virginia Freeman and Emma Freeman of Decatur. The next meeting will be with Mrs. V. L. Courtney Monday, April 22. Miss

Freeman will demonstrate color and design.

E. W. Crisp returned Tuesday from Spur where he had been on business.

Mr. and Mrs. L. P. Selvidge spent the week-end with relatives in Wichita Falls.

C. T. Wall of Vernon spent Saturday night with J. L. Rennels.

Miss Hattie Laura Prescott of Elliott spent from Sunday until Thursday with R. B. Prescott and family.

Ralph Gregg and family, Miss Eula Mae Gregg and Elijah Young attended the district meet at Childress Friday and spent the week-end with Mr. and Mrs. Mason Brown.

T. F. Belew, Mrs. Bell Baker and daughter, Naomi, left Saturday to visit W. N. Reid and family of Floyd and Mr. and Mrs. Henry Meadors of Levelland.

R. B. Prescott and E. M. Key went to Post and Tahoka Tuesday and returned Thursday. They were accompanied home by Mrs. Pete Gregg who will visit among relatives a few days here.

FOARD CITY

(By Special Correspondent)

William C. Aydelott left for his home at Slaton, Texas, Monday morning after spending several weeks with relatives and friends in this community.

Miss Bessie Dollar left Sunday afternoon for Truscott where she will work in the Johnson Hotel.

There was a cream supper Saturday night at the G. G. Mills building in Foard City. A large crowd attended.

Mrs. U. C. Rader is recovering from an operation of several weeks ago.

Mrs. Alice Dann of Sweetwater is visiting her parents, Mr. and Mrs. J. H. McDaniel.

Ned Stone has received a shipment of Barred Ancona baby chicks.

E. V. Halbert has a new house going up on his place, one mile west of Foard City.

Jesse Culpepper of this community and Lee Roy Statser of Crowell returned Sunday from Sweetwater where they were called to the bedside of Lee Roy Statser's sister.

Mrs. Jesse Culpepper spent the week-end with her sister of Crowell.

Miss Mary Nell Merriman gave the young folks a party Friday night. There wasn't a very large crowd on account of the rain Friday evening.

Arthur Aydelott and family, Jesse Autry and family, Misses Estella and Alberta Munger and William Aydelott went fishing Wednesday and a good number of fish were reported caught.

Jack Welch of this community went to Childress Friday where he was in a play Friday night.

Misses Treva and Ima McLain entertained sixteen of their girl friends Sunday, in celebration of Treva's birthday. Everyone present reported an enjoyable day.

A large number of young people from Foard City went to Truscott Sunday to see a baseball game.

Mrs. Athy of this community has been ill for the past week.

Mr. and Mrs. P. H. Aurthy's daughter of Vernon was visiting them Sunday.

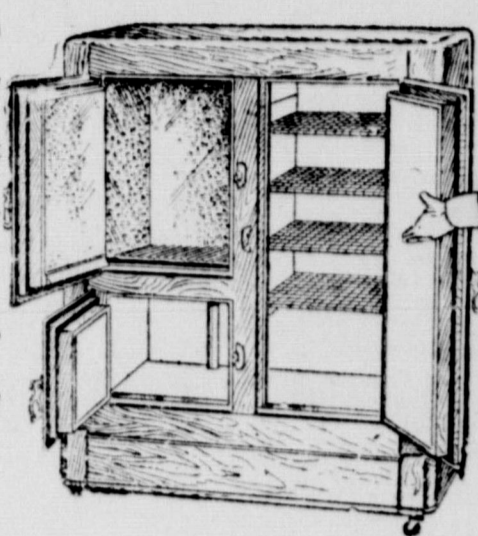

Remember Sunday School every Sunday morning at 10 a. m. Every body come.

Do You Carry Health Insurance?

Well that's a fine thing, but how about the health of the **WHOLE FAMILY?**

Hot weather is just around the corner. Flies, tainted food, ptomaine, indigestion, even typhoid fever may result if food is not kept in sanitary condition. A Gibson Refrigerator full of ice insures sanitation and safety.

Every Gibson has 14 walls of most efficient insulation material known. 30 pound to 100 pound top lid door

Some have wall of cork board the inner lining is getting porcelain Armeo Ins. Side door pounds to pounds.

When it's "Red Hot" temperature outside, it is **ICE COLD** in the provision chamber of any **GIBSON REFRIGERATOR**. Be safe. Buy a **GIBSON**. Gibson Refrigerators are good to look at, inside and out, and the inner walls that are hidden, that you can't see, are as good as what you do see.

4-H Boys and Girls Raising Own Funds

The various 4-H boys and girls clubs already are making plans to send an outstanding representative from their clubs to the A. & M. Farmers Short Course at College Station this summer, starting August 3rd.

Box suppers and carnivals seem to be the most popular methods of raising funds for this worthy purpose. Last week Foard City raised \$29 at a supper toward sending a boy and girl to the course from their clubs. Vivian lacks only \$4 having enough to take care of the expenses of their boy and girl. Several other suppers have been held by other clubs and more are being planned.

The clubs will choose their outstanding representatives to make the trip.

The most unsatisfied person in the world is the loafer, who wishes that he had something else to do.

Gas Forces Woman To Sleep in Chair

"Nights I sat up in a chair, I had stomach gas so bad, I took Adlerika and nothing I eat hurts me now: I sleep fine."—Mrs. Glenn Butler.

Even the **FIRST** spoonful of Adlerika relieves gas on the stomach and removes astonishing amounts of old waste matter from your system. Makes you enjoy your meals and sleep better. No matter what you have tried for your stomach and bowels, Adlerika will surprise you.—Ferguson Bros., Druggists. A-3.

Another Shipment Gallon Canned Fruit

The gallon canned fruits we bought some weeks ago won such high favor with our customers that we found it necessary to place an order for another shipment to supply the demand. This arrived the first of the week and we now have gallon canned Apples, Apricots, Peaches and Blackberries at the same specially low prices at which we sold the others a few weeks ago.

The low price is not the only special feature of this fruit, the high quality is another. Both of these have made a strong appeal to our customers for many of them have repeated their orders with the remark that the goods are well worth the money. Nowhere else will you find as good a buy in this class of merchandise.

Rupture Shield
Expert Coming To Vernon and Quanah

In Vernon on Thursday, May 2, at the Wilbarger Hotel and in Quanah on Friday, May 3, at the Quanah Hotel from 9 a. m. to 2 p. m. Evenings by telephone appointment only. One day only. No charge for consultation.

Mr. C. F. Redlich, the successful expert says:

The "Perfect Retention Shields" hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief, contract the opening in a remarkably short time and strengthen the weak tissues (the real cause of rupture) so that they frequently recover their previous natural retaining power, needing no further outside support. Stomach trouble, backache and constipation often caused by Rupture promptly disappear.

Truly remarkable and prompt results have been obtained not only with recent and not fully developed ruptures but also with old, long neglected ones.

Ingenious, recently perfected devices are now holding ruptures firmly which heretofore never had been retained.

No lastic belts nor filthy legstraps are used.

I guarantee to hold the rupture and also the durability of my absolutely sweat and moisture proof, sanitary appliances.

75 per cent of ruptured children recover completely through expert mechanical treatment according to statistics.

Do not waste your money on widely advertised mail order contraptions. You cannot fit yourself.

C. F. REDLICH, Rupture Appliance Expert, Home Office, 535 Boston Block, Minneapolis, Minnesota.

Everyone is invited.

THE STATE OF TEXAS
To the Sheriff or any Constable of Foard County—Greeting:

You are hereby commanded to cause to be published once each week for a period of not less than one year return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for period of not less than one year in said Foard County, a copy of the following notice:

THE STATE OF TEXAS
To all persons interested in the Estate of Erlander D. Shaw, Deceased, Fannie D. Shaw has filed in the County Court of Foard County, an application for the Probate of the last ill Will and Testament of said Erlander D. Shaw, deceased, filed with said application, and for Letters Testamentary, which will be heard at the next term of said Court, com- mencing on the first Monday in May, A. D. 1929, the same being the 6th day of May, A. D. 1929, at the Court House thereof, in Crowell, Texas, at which time all persons interested in said estate may appear and contest said application, should they desire to do so.

Herein fail not, but have you be- fore said Court on the said first day of the next term thereof this Writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Crowell, Tex- as, this 15th day of April, A. D. 1929.
(Seal) IDA REAVIS, Clerk,
County Court, Foard Co., Texas.
By A. G. MAGEE, Deputy. 44p

Probably the real sign of spring is when you see a farmer trying to get credit at a seed store.

Tollgates went out of business years ago on all roads, except the road to success.

Every time they bury the hatchet in Mexico, they leave the handle sticking out of the ground.

TIMBER AND CIVILIZATION

This country is now by far the greatest wood user in the world, and it will continue to need wood indef- initely, according to an opinion of a forest economist in the department of agriculture. One cannot conceive the idea that America is using more saw timber than all other countries together, and more than two-fifths of the world's consumption of tim- ber of all kinds. More and more wood has been needed with advancing civilization ever since the cave-man first used a

wooden club. The recent rapid de- velopment of substitutes, which brought timber-land owners for- ward with the question of the future need of timber, has not changed the trend of development in the use of wood. It is pointed out that the produc- tion of substitutes for wood often requires wood. The mining of coal for fuel requires a billion feet of wood a year for mine props and other uses. Brick and concrete dwellings ordinar- ily use much lumber for interior work, and a great deal of wood is re- quired in concrete construction. Along with the development of sub- stitutes for wood, there is a constant broadening also of the uses for wood. The manufacture of paper and other products from woodpulp, which consumed practically no wood 40 years ago, now takes the equivalent of more than 2 billion board feet from our forests, besides an equal or greater amount in the form of im- ported wood, pulp and paper. Wood is now being used in any number of new ways, for example, in the manu- facture of phonograph records and viscose sausage casings. The manu- facture of artificial silk from wood takes large quantities. The extent to which lack of wood has directly held back economic de- velopment in China, has kept down the standard of living in that country and the United States must not fol- low in the footsteps of that nation, but we must grow timber and main- tain a high standard for the future.

Great Passion Play In English Coming To Wichita Falls

For the first time in the South, the Passion play, spoken in English, is to be presented in Wichita Falls on May 1, 2 and 3 in the Memorial auditorium under the auspices of Masked temple of the Shrine, by a colossal company under the direction of Clarence E. Cramer of Chicago.

The Passion play has been presented, of course, in motion pictures and has been presented in German in a number of the leading cities of the South but this will be the first time it has been presented by a company of professional actors and singers in the leading parts in the English language.

The Passion play depicts the story of the betrayal, trials, crucifixion, burial and resurrection of Jesus Christ.

As a great tragedy, it has no superior in the world. But, unlike all other tragedies whose Hero is killed the Passion play closes with the most jubilant of scenes, "For He Is Risen."

The great chorus of 20 voices to sing in the performances at the Memorial auditorium who it will be given the first three days in May, sings the well-known and loved, "Hallelujah Chorus" from The Messiah.

The Cramer production is reverently staged and creates a vivid and lasting impression.

Audiences leave with the song on their lips, singing from their own jubilant hearts, for it is a tragedy whose Hero alone of all men rose from the dead.

The musical numbers are all sung in English, so as to bring to the entire North Texas territory the most potent of dramas in a way which will be understood readily by a child.

The first performance will be given the evening of May 1, followed by the evening of Thursday, May 2, and the matinee and night of May 3.

Tickets are now on sale at the Passion play headquarters, Hamilton building, Wichita Falls.

Miss Johnson Wants Dramatic Committees

Miss Jessie A. Johnson, expression teacher of the Crowell schools is hopeful that the women's organizations will organize dramatic committees in sponsoring dramatic arts here next year. Miss Johnson is thankful for the co-operation of the faculty and student body in her work this year, especially the responses to her speech arts department.

In commenting upon this fact Miss Johnson said "We are closing the school year with the firm belief that another year will see many fruits of the efforts put forth this year toward organizing the department into several groups of workers, the special poetry classes, public speaking, and dramatic art."

"It seems to me that it would be an excellent idea for each of the women's clubs of the town to make a special study of dramatic art and also to organize at least one dramatic feature entertainment during the incoming year. The various school classes should also fall in line with the movement with no less than two plays in an organized pageant and let this be a May Day event, with the other one-act plays to be presented in two evenings, leaving the third event to be presented by the Senior class, before the first week in May. This plan gives the school forces a perfect system and dates for the events may be arranged during the summer with work to begin at once in September.

"I wish the women, the school board and the faculty would think this plan over and organize a dramatic committee with workers to sponsor the movement and make it a part of the club and P. T. A. work."

Margaret Graduation Exercises Next Friday

Rev. Woodie W. Smith, pastor of the Crowell Baptist Church, will deliver the commencement address at the graduation exercises of the senior class of Margaret High School next Friday night. Preparations for the program are now being made. Baccalaureate exercises will be held Sunday at 11 a. m. in the school auditorium.

The twelve students graduating are Johnny Mae Short, Cecil Short, Margie Weger, David Lee Owens, Mattie Russell, Earl Ingle, Earl Orr, Emily Ellen Reinhardt, Lola Choate, Ruth Smith, Ruth Smith, Ruby Smith and Carl Ingle. Bailey Rennels, superintendent of the Margaret school, is teacher of the senior class.

The old fashioned mother who used to cut down her dress for her daughter, wouldn't dare do it today.

Program for Margaret 7th Graders Friday

Commencement exercises for Miss Claudia Carter's seventh grade class of Margaret will be held Friday night, April 19th in the school auditorium. Mrs. R. L. Kincaid of this city will deliver the commencement address.

Those graduating from grammar school are Lance Middlebrook, Annie Lee Davis, Thomas Smith, Inis Fay Davis, Robert Choate, Lorene Boman, Ralph Cannon, Willard Kerley, Mack Reinhardt, Ruth Malone and Jewell Dunn.

The following program will be given: Processional—Grand March; Invocation—Rev. Annis; Song—Vacation Time; Salutatorian—Robert Choate; Class Grumbler—Lance Middlebrook; Valedictorian—Lorene Boman; Song—Ah! Sweet Mystery of Life; Address—Mrs. R. L. Kincaid; Presentation of Diplomas—Claudia Carter; Benediction.

Richard Dix Plays In Baseball Picture

Richard DIX, probably the most popular actor on the screen, will be at the Rialto Monday and Tuesday, in the picture "Warming Up," an interesting baseball story dealing with a country boy's attempt to break into the big leagues.

The story, centering around the New York Yankee's baseball club, contains much comedy and human interest and the picture has been an outstanding favorite wherever it has been shown. Richard plays the part of a pitcher.

Food Preparation Is Womens Club Subject

During this month, salad demonstrations have been the principal part of the meetings of the Home demonstration clubs of Foard County. Various methods of making and serving salads were given by Miss Virginia Freeman, home demonstration agent.

In commenting on salads Miss Freeman said "The people are eating too many starch foods, and green vegetables in the menu has been very much neglected." Miss Freeman stressed the use of vegetables and fruits in the diet and has given demonstrations on the making of vegetable, fruit and meat salads and she hopes that these demonstrations have inspired the women of Foard County to have a more balanced diet in the future.

SAM ROSENTHAL UP

Sam Rosenthal, who became dangerously ill last Thursday morning with ptomaine poisoning, was able to leave the hospital Sunday and Monday he was well enough to come to town.

He contracted ptomaine poisoning following a meal in a cafe at Vernon Wednesday night.

TONSIL OPERATION

Dr. John Hanna of Quanah was at the Crowell Hospital Thursday and removed the tonsils of Mrs. E. Swaim and Esca Brown.

SPRING FEVER

A great discovery has been made. Spring fever is not a disease. It is only a popular name for a common and not altogether unpleasant experience that floats in on us about this time each year.

Medical science may boast of its victories over yellow fever, typhoid fever and scarlet fever, but it has failed to make even the slightest impression on spring fever.

Although our forefathers looked upon spring fever as a disease, science has taught us that it is not a disease at all.

At this season of the year, with spring approaching, most of us experience a feeling of languor, a new warmth fills the air. A general desire to "let down" is created and we pursue our everyday task less strenuously. The "all outdoors" calls and most of us would gladly lay aside our daily round of school and business and yield to spring.

This combination of sensations and desires is spring fever. It attacks the old and the young, the office worker, the housewife, the school boy.

A notion has come down through the years that this spring fever feeling could be offset only by the use of a tonic. Thus true to tradition, scores of mothers are seriously contemplating the mixing of sulphur and molasses, sassafras tea, "yarb tea," dandelion tea, or one another of the old, home-made standbys to feed the scores of reluctant boys and girls in large doses as a spring tonic.

Those who mix unsavory doses of sulphur and molasses tell the grimacing youngster that grandmother used to do that for mother every spring and what was good for mother must be good for them.

What we all need in the spring is not spring tonic laddled out in spoons from sticky jars and poured out of bottles as nauseating mixtures. What we need is fresh air and sleep, more outdoor exercise. The call of the outdoors is a real call and a true call and the wisest mother is the one who knows that it should not be denied. Dosing with home-made mixtures or with commercial remedies will do little more than upset the stomach and make spring for the small boy a time to be dreaded when it should be rather a period to enjoy.

Miss Emma Freeman returned to Denton last Friday after a visit here with her sister, Miss Virginia Freeman.

A little loving now and then has caused the shooting of many a man.

VISIT LIGHT PLANT

Thirty-five students of Henry Black's agricultural class spent over an hour Tuesday morning visiting the plant of the West Texas Utilities Company.

The operation of the light and ice plant was thoroughly explained to the students by W. O. Clary and Eli Smith, manager of the plant.

Teachers Asked To Bring Old Registers

J. E. Atcheson, county superintendent, has asked all of the county teachers this week to turn in their old registers with their final term reports. The superintendent's office is attempting to keep an unbroken file of all registers from each school and must depend upon the co-operation of the teachers in the matter.

These registers carry the grades of the children and constitutes the only record that Foard County has of these grades. The new registers must also be properly filled out and returned to the superintendent's office before the last month's report will be approved.

MAYE ANDREWS BACK

Miss Maye Andrews returned from Dallas Saturday where she has been for about one month undergoing special treatment for an injured knee. Her knee has improved considerably and she is able to walk on crutches now and it is expected that in a short while she can abandon them.

Miss Andrews' knee gave completely away on March 8th as the result of a ruptured cartilage caused by an injury in school several years ago.

In England a man 109 years old walked eight miles to go to court. Over here they would walk that for a cigaret.

TEXON TALES

Shulls give us straight dope about Mexico alright. Go down there and you can see Americans drunk. They are having a revolution now but any guy that feels shaky in Chicago can go to Mexico for quietness and safety. And them picture show titles why we have lots of 'em here with Spanish and English titles and then some of these guys give 'em translation in profane.

Crowell, Texas, April 19, 1929

Great Passion Play In English Coming To Wichita Falls

For the first time in the South, the Passion play, spoken in English, is to be presented in Wichita Falls on May 1, 2 and 3 in the Memorial auditorium under the auspices of Masket temple of the Shrine, by a colossal company under the direction of Clarence E. Cramer of Chicago.

The Passion play has been presented, of course, in motion pictures and has been presented in German in a number of the leading cities of the South but this will be the first time it has been presented by a company of professional actors and singers in the leading parts in the English language.

The Passion play depicts the story of the betrayal, trials, crucifixion, burial and resurrection of Jesus Christ.

As a great tragedy, it has no superior in the world. But, unlike all other tragedies whose Hero is killed the Passion play closes with the most jubilant of scenes, "For He Is Risen."

The great chorus of 20 voices to sing in the performance at the Memorial auditorium where it will be given the first three days in May, sings the well-known and loved, "Hallelujah Chorus" from The Messiah.

The Cramer production is reverently staged and creates a vivid and lasting impression.

Audiences leave with the song on their lips, singing from their own jubilant hearts, for it is a tragedy whose Hero alone of all men rose from the dead.

The musical numbers are all sung in English, so as to bring to the entire North Texas territory the most potent of dramas in a way which will be understood readily by a child.

The first performance will be given the evening of May 1, followed by the evening of Thursday, May 2, and the matinee and night of May 3.

Tickets are now on sale at the Passion play headquarters, Hamilton building, Wichita Falls.

Miss Johnson Wants Dramatic Committees

Miss Jessie A. Johnson, expression teacher of the Crowell schools is hopeful that the women's organizations will organize dramatic committees in sponsoring dramatic arts here next year. Miss Johnson is thankful for the co-operation of the faculty and student body in her work this year, especially the responses to her speech arts department.

In commenting upon this fact Miss Johnson said "We are closing the school year with the firm belief that another year will see many fruits of the efforts put forth this year toward organizing the department into several groups of workers, the special poetry classes, public speaking, and dramatic art."

"It seems to me that it would be an excellent idea for each of the women's clubs of the town to make a special study of dramatic art and also to organize at least one dramatic feature entertainment during the incoming year. The various school classes should also fall in line with the movement with no less than two plays in an organized program and let this be a May Day event, with the other one-act plays to be presented in two evenings, leaving the third event to be presented by the Senior class, before the first week in May. This plan gives the school forces a perfect system and dates for the events may be arranged during the summer with work to begin at once in September.

"I wish the women, the school board and the faculty would think this plan over and organize a dramatic committee with workers to sponsor the movement and make it a part of the club and P. T. A. work."

Margaret Graduation Exercises Next Friday

Rev. Woodie W. Smith, pastor of the Crowell Baptist Church, will deliver the commencement address at the graduation exercises of the senior class of Margaret High School next Friday night. Preparations for the program are now being made. Baccalaureate exercises will be held Sunday at 11 a. m. in the school auditorium.

The twelve students graduating are Johnny Mae Short, Cecil Short, Margie Weger, David Lee Owens, Mattie Russell, Earl Ingle, Earl Orr, Emily Ellen Reinhardt, Jola Choate, Ruth Smith, Ruth Smith, Ruby Smith and Carl Ingle. Bailey Rennels, superintendent of the Margaret school, is teacher of the senior class.

The old-fashioned mother who used to cut down her dress for her daughter, wouldn't dare do it today.

Program for Margaret 7th Graders Friday

Commencement exercises for Miss Claudia Carter's seventh grade class of Margaret will be held Friday night, April 19th in the school auditorium. Mrs. R. L. Kincaid of this city will deliver the commencement address.

Those graduating from grammar school are Lance Middlebrook, Annie Lee Davis, Thomas Smith, Inis Fay Davis, Robert Choate, Lorene Boman, Ralph Cannon, Willard Kerley, Mack Reinhardt, Ruth Malone and Jewell Dunn.

The following program will be given: Processional—Grand March; Invocation—Rev. Annis; Song—Vagabond Time; Salutatorian—Robert Choate; Class Grumbler—Lance Middlebrook; Valedictorian—Lorene Boman; Song—Ah! Sweet Mystery of Life; Address—Mrs. R. L. Kincaid; Presentation of Diplomas—Claudia Carter; Benediction.

Richard Dix Plays In Baseball Picture

Richard Dix, probably the most popular actor on the screen, will be at the Rialto Monday and Tuesday, in the picture "Warming Up," an interesting baseball story dealing with a country boy's attempt to break into the big leagues.

The story, centering around the New York Yankee's baseball club, contains much comedy and human interest and the picture has been an outstanding favorite wherever it has been shown. Richard plays the part of a pitcher.

Food Preparation Is Womens Club Subject

During this month, salad demonstrations have been the principal part of the meetings of the home demonstration club of Foard County. Various methods of making and serving salads were given by Miss Virginia Freeman, home demonstration agent.

In commenting on salads Miss Freeman said "The people are eating too many starch foods, and green vegetables in the menu has been very much neglected." Miss Freeman stressed the use of vegetables and fruits in the diet and has given demonstrations on the making of vegetable, fruit and meat salads and she hopes that these demonstrations have inspired the women of Foard County to have a more balanced diet in the future.

SAM ROSENTHAL UP

Sam Rosenthal, who became dangerously ill last Thursday morning with ptomaine poisoning, was able to leave the hospital Sunday and Monday he was well enough to come to town.

He contracted ptomaine poisoning following a meal in a cafe at Vernon Wednesday night.

TONSIL OPERATION

Dr. John Hanna of Quanah was at the Crowell Hospital Thursday and removed the tonsils of Mrs. E. Swain and Esca Brown.

SPRING FEVER

A great discovery has been made. Spring fever is not a disease. It is only a popular name for a common and not altogether unpleasant experience that floats in on us about this time each year.

Medical science may boast of its victories over yellow fever, typhoid fever and scarlet fever, but it has failed to make even the slightest impression on spring fever.

Although our forefathers looked upon spring fever as a disease, science has taught us that it is not a disease at all.

At this season of the year, with spring approaching, most of us experience a feeling of languor, a new warmth fills the air. A general desire to "let down" is created and we pursue our everyday task less strenuously. The "all outdoors" calls and most of us would gladly lay aside our daily round of school and business and yield to spring.

This combination of sensations and desires is spring fever. It attacks the old and the young, the office worker, the housewife, the school boy.

A notion has come down through the years that this spring fever feeling could be offset only by the use of a tonic. Thus true to tradition, scores of mothers are seriously contemplating the mixing of sulphur and molasses, sassafras tea, "yarb tea," dandelion tea, or one another of the old, home-made standbys to feed the scores of reluctant boys and girls in large doses as a spring tonic.

Those who mix unsavory doses of sulphur and molasses tell the grimacing youngster that grandmother used to do that for mother every spring and what was good for mother must be good for them.

What we all need in the spring is not spring tonic laddled out in spoons from sticky jars and poured out of bottles as nauseating mixtures. What we need is fresh, clean food, fruit, plenty of fresh air and sleep, more outdoor exercise. The call of the outdoors is a real call and a true call and the wisest mother is the one who knows that it should not be denied. Dosing with home-made mixtures or with commercial remedies will do little more than upset the stomach and make spring for the small boy a time to be dreaded when it should be rather a period to enjoy.

Miss Emma Freeman returned to Denton last Friday after a visit here with her sister, Miss Virginia Freeman.

A little loving now and then has caused the shooting of many a man.

Is De Laval and Dairy Day in Crowell

Every one is asked to come to our store any time this week and register. A free prize is to be given away on Dairy Day. Ask about it.

If you have a separator of any kind come. There will be many useful pointers given to those who are interested in selling cream.

If you do not have a separator of any kind come. If you are milking as many as three good cows you can make money with a De Laval separator.

If you are farming you can own three cows profitably. Come and hear these talks.

Do not forget to register for the Free Prize and get a souvenir.

VISIT LIGHT PLANT

Thirty-five students of Henry Black's agricultural class spent over an hour Tuesday morning visiting the plant of the West Texas Utilities Company.

The operation of the light and ice plant was thoroughly explained to the students by W. O. Clary and Eli Smith, manager of the plant.

Teachers Asked To Bring Old Registers

J. E. Acheson, county superintendent, has asked all of the county teachers this week to turn in their old registers with their final term reports. The superintendent's office is attempting to keep an unbroken file of all registers from each school and must depend upon the co-operation of the teachers in the matter.

These registers carry the grades of the children and constitutes the only record that Foard County has of these grades. The new registers must also be properly filled out and returned to the superintendent's office before the last month's report will be approved.

MAYE ANDREWS BACK

Miss Maye Andrews returned from Dallas Saturday where she has been for about one month undergoing special treatment for an injured knee. Her knee has improved considerably and she is able to walk on crutches now and it is expected that in a short while she can abandon them.

Miss Andrews' knee gave completely away on March 8th as the result of a ruptured cartilage caused by an injury in school several years ago.

In England a man 100 years old walked eight miles to go to court. Over here they would walk that for a cigaret.

TEXON TALES

Shults give us straight dope about Mexico alright. Go down there and you can see Americans drunk. They are having a revolution now but any guy that feels shaky in Chicago can go to Mexico for quietness and safety. And them picture show titles why we have lots of 'em here with Spanish and English titles and then some of these guys give 'em translation in profane.

Mutual Protective Life Association

(A Local Mutual Aid Association.)

WHY WAIT?

You have been thinking about taking out insurance for your entire family.

Now Is The Time

Only two more weeks left of our Student Month while you can get the children's policy FREE.

L. A. Foster, Sec'y., is in Dallas attending the State meeting of Mutuals, but Mr. Koontz is in the office and will be glad to serve you in any way.

One good way to keep from getting our car fenders dented is to just ride a bicycle.

A guy here says he don't believe you ought to slap a woman when get mad at her whether she is wife or not. He says to hit her hard with your fist.

The Texon Lyin' Club met last week and decided to let the United States do whatever they please about the Mexican situation.

Last Saturday the Star Telegram says Oklahoma and Texas had a meeting to see if the bridge over the Red River north of Denison would be free or not. Texas is liable to fool around and let in a lot of Scotchmen who would stay in Oklahoma if they keep the toll on.

Them automobiles is keeping the cost of living up and peddling down.

Dunwoody Industrial Institute, Minneapolis, Minn., will give any instruction it has to offer to anybody at any time, and for any length of course. The institute was founded 14 years ago with a student body of 40; enrollment today is about 5,000. Boys and young men dropping out of school or college are preparing for

Women Have Heavy Club Enrollment

There are 144 women enrolled in the home demonstration clubs of Foard County at the present time according to Miss Virginia Freeman, home demonstration agent. With the organization of women's clubs at Thalia and Black next month the enrollment will be increased considerably.

Foard County now has women's clubs at Foard City, Margaret, Vivian, Catesville, Ayersville, Gambelville, West Rayland and a combination of Claytonville and Good Creek communities in one club. All of the clubs are making excellent progress with their year's work and turning out in good numbers for the meetings. At each meeting a demonstration on some helpful subject is given by Miss Freeman.

Foard City now has the largest club in the county and 31 women were present the last meeting of that club. Vivian has the next largest enrollment.

Six girls 4-H clubs are now in operation in the county with a total enrollment of 122.

THALIA

(By Special Correspondent)

Rev. O. B. Annis of Margaret preached at the Methodist church here Sunday and Sunday night. A large crowd attended each service.

Mrs. J. K. Langley returned to her home here Saturday night from Littlefield where she has been visiting her daughter, Mrs. Jay Phillips.

The High School Senior baseball team played the Antelope team at Antelope Tuesday afternoon. The score was 9 to 3 in favor of the Thalia team.

C. C. Wheeler and family, Pete Gamble and family and C. W. Roberts and family attended church services at Crowell Tuesday night.

Mrs. J. C. Taylor, Truett Neill, Joe Johnson and Cecil Shelton were Crowell visitors Thursday afternoon of last week.

ADS ARE OPEN LETTERS

The merchant who prints an advertising message over his own name addresses you as much as though he mailed you a letter over his own signature.

It is his method of laying before you what he has to say about his own goods. He can't go out and by word of mouth spread the news of his merchandise, so he inserts an advertisement in the news paper.

The advertisement, or "open letter," has this advantage: It is brought out into the light of open day. It dispels any suspicion you may have that your neighbor is being made a better offer than the one made to you.

It gives you an insight into how the merchant is prepared to supply your wants. The advertisements are a directory that you should consult before you buy, just as you turn to the telephone directory when you wish to use the telephone.

They are the "Blue Book" of your buying tours. They are indispensable to intelligent and profitable buying. Read the advertisements. The merchant's name attached puts him on record as guaranteeing the good faith in which the message was written.

He signs his advertisements and, therefore, stands back of everything he says about his merchandise.

Churches

Young People Start New Organization

The first meeting of a new organization, the Christian Endeavor, will be held Sunday at 3 p. m. with the young people of the Christian and Presbyterian Churches taking part. Following the program a business session will be held in which officers will be selected and plans outlined.

The Christian Endeavor has been in operation in Crowell before but went out of existence several years ago. It is expected that between 20 and 30 will become members of the new organization of the Presbyterian and Christian Churches.

The program for Sunday at 3 p. m. is:

The Wonders of the Bible
Opening Song—"All Hail the Power"

Invocation—C. V. Allen.

Song—"He Keeps Me Singing."

Pepprogram—Blanche Schooley.

Song—"I Love to Tell the Story."

Leader's Talk—Teddy Burrow.

Special Song.

Sentence Prayers.

Scripture Reading—Martha Rettig.

Talk, "The Wonder of Its History—Mary Clayton Giddings.

Talk, "The Wonder of Its Unity—Edith Schooley.

Library Brownings—Frankie Kirkpatrick.

Talk, "The Wonder of its Universality—Vera Patton.

Poem, "The Needful Book"—Elizabeth Kincaid.

Talk, "The Wonder of its All-Sufficiency—Mack Boswell.

Talk, "The Wonder of its Salvation—Preston Rettig.

Invitation Song—"He Is Able to Deliver Me."

Business Session.

Methodist Church

We begin a series of special revival services Sunday at the Methodist church and we invite all the people of our town and community to attend the meeting and we solicit the prayers and co-operation of all Christian people in this most important work. The pastor will do the preaching and Brother J. A. Wright will direct the choir being assisted by S. W. Mills and Edward Huffman.

Regular Sunday School at 10 o'clock with classes and places for all. Had a number of new students last Sunday and an increase in attendance. Let each member of the school try to be on time and bring some one with them.

Sunday School Day Services will be conducted at the 11 o'clock hour Sunday with a special program. The children and young people are being trained and arrangements are being made for a great service at this hour. The program will be thoroughly enjoyed by everyone. The public is invited to attend. We would urge parents who are not members of the school to be present and thereby encourage their children and those who teach them.

Senior Epworth League meets at 6:45 with a splendid program of worship and study.

Woman's Missionary Society will have their meeting Monday afternoon at 3 o'clock.

W. R. McCARTER.

Baptist Church News

A great revival is now in progress and will continue over next Sunday or longer. The interest is growing with each service. The crowds are the largest ever witnessed in Crowell, so says the public.

The Ogdens are charming us all with their varied program of music, ministry and feast of good things. They are the best and if you haven't heard them yet, don't let any grass grow under your feet till you have heard them.

Pastor Woodie W. Smith is preaching the everlasting Gospel with the fervor of a prophet and the people are hearing him gladly.

The Booster band gave the best musical program Monday evening it has ever been our privilege to hear. They will have a picnic next Saturday, meeting in the basement of the Baptist church.

Tonight is school night and we are expecting the teachers sitting with their classes in great numbers. Come early and get a seat. The orchestra is doing fine work.

There has been over twenty additions to the church and about twenty-five conversions.
WOODIE W. SMITH

Christian Science Services

Sunday, 11 A. M. Subject for Sunday, April 21, "Doctrine of Atonement."

Sunday School 9:30. Wednesday evening service 8:00.

The public is cordially invited.

Intermediate B. Y. P. U. Program

Subject—How Christians Should Walk.

Leader—Bill Middleton.

Walk in Newness of Life—Clarine Nicholson.

Walk in Faith—Hazel Key.

Walk in Love—Peggy Thompson.

Walk Circumspectly—Charles Ray Smith.

Walk in Good Works—Frances Allison.

Walk in Worthily of the Lord—Jo Griffith.

Walk even as He walked—Vera Dawson.

We are starting a new contest Sunday night. Let's all come and be on time. League starts at 8:30.—Reporter.

Methodist W. M. S.

The Missionary Society of the M. E. Church met at the church for Bible study, April the fifteenth, but as the Baptist ladies had invited us to attend the meeting at that church, the Bible study was postponed until the fifth Sunday of the month and we went in a body to that meeting.

Mrs. Ogden gave a very interesting talk on mothers and homes. She made the mothers feel the responsibility of rearing their children and the importance of taking time to study them. In that way we may understand them better and be more able to help them solve their problems. We enjoyed the meeting very much.

On next Monday we meet in the social meeting at the home of Mrs. Sam Bell with Mrs. Jack Brian as leader. We hope for as many as possible to be present—you will enjoy the program.—Reporter.

Publication of an education magazine in the Arabic language has been inaugurated by the American University at Cairo, Egypt. It is said to be the first magazine in the Arabic language devoted entirely to the general discussion of modern education and the adaptation of progressive principles to the educational problems of the Near East.—School Life.

Foreign-born women are taking their own homes by teachers employed by boards of education in cities of the United States, according to Winifred Fisher, field secretary of the Council on Adult Education. Foreign-Born, New York City, places classes for women in public schools, in libraries, in factories, hotels, as well as in saloons or other community centers and even in railroad camps. Enrollment of full-time teachers on regular salary for this work is reported to be 33 places, and in 18 of these the salaries are on the same scale as those for regular elementary school teachers.

The great 1665 epidemic of cholera in London took more than 100,000 lives.

THE WORLD'S BEST FRIEND

Old Sol may search us and cause us to complain in mid-summer. But he is in fact the world's best friend, and we are more glad to welcome him back...

Although the short days of winter are not very popular, the curtain of early dark serves its purpose, and shuts out distractions that keep us from self improvement and away from our means of livelihood...

In spite of these advantages, the return of the sun presaging a change of seasons brings a thrill of anticipation. Those who fret under the July sun are captivated by thoughts of work in the garden and on the lawn...

There is something majestic about the procession of the seasons. It gives us confidence in the universe and makes us feel that planting time and harvest, day and night, summer and winter shall not fail, but each shall perform its share of service for the welfare of humanity.

A newly-imported disease known as the European larch canker is a menace to the valuable fir timber.

GOOD RECIPES

(By Betty Barclay)

FIRST COURSE SALADS Each of these First Course Salads is served on a bed of head lettuce and with French dressing or fruit French dressing.

Pineapple, Orange and Grapefruit Salad For each portion allow one slice canned pineapple, three sections grapefruit and one-half orange.

Banana and Cherry Salad For each portion allow one-half banana, one-half orange and six red berries.

Grape and Cantaloupe Salad For each portion allow one-half orange, one-half cup cantaloupe balls or cubes and six white grapes.

GOLDEN ORANGE FROSTING

Grate rind 1 orange 3 tablespoons orange juice 1 teaspoon lemon juice Yolk of 1 egg Confectioners' sugar

Mix grated orange rind with fruit juices and let stand 15 minutes. Strain into beaten egg yolks and add enough sifted confectioners' sugar to spread.

FRUIT SALAD IN ORANGE CUPS

3 oranges 2 slices pineapple 12 marshmallows 1-3 cup of nut meats 2-3 cup white grapes

Cut oranges in two; remove pulp carefully; then pull out all membrane, leaving orange cups. Cut pineapple, marshmallows and nuts in small pieces; skin and seed the grapes and mix all with orange pulp. Fill orange cups, cover with cream mayonnaise and garnish with grapes and nuts. Serve on lettuce.

A JOINT RESOLUTION

proposing an amendment to Section 5 of Article 4 of the Constitution of the State of Texas fixing the salary of the Governor; providing for its submission to the voters of the State of Texas as required by the Constitution, and making appropriation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 5 of Article 4 of the Constitution of the State of Texas be so amended as to hereafter read as follows:

"Section 5. The Governor shall, at stated times, receive as compensation for his services an annual salary of Ten Thousand Dollars and no more, and shall have the use and occupation of the Governor's Mansion, fixtures and furniture, provided that this amendment shall not become effective until the third Tuesday in January, 1931."

Sec. 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this State on July 16, 1929, at which election and at an election to be held throughout the State on July 16, 1929, at which election all voters favoring said proposed amendment shall write or have printed on their ballots the words: "For the amendment to the Constitution of the State of Texas fixing the salary of the Governor." And those voters opposing said proposed amendment shall write or have printed on their ballots the words: "Against the amendment to the Constitution of the State of Texas fixing the salary of the Governor."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and to have same published as required by the Constitution for amendments thereto.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State of Texas not otherwise appropriated to pay the expense of such publication and election.

Approved March 19, 1929. (A Correct Copy) JANE Y. McCALLUM, Secretary of State.

Wichita Woman Has Suffered Several Years

"Since Taking Orgatone I Feel Like A New Woman," Says Mrs. Clack

"I've looked for a long time for a medicine that would do for me what Orgatone did," said Mrs. Lizzie Clack, residing at 212 Scott, Wichita Falls, while talking with the Orgatone representative.

"For several years, I have been in a terrible condition, and I suffered from stomach and digestive troubles. I had a very severe, chronic case of stomach trouble. Every thing I ate, soured on my stomach, which caused gas to form, and I wouldn't eat because it hurt me so. I lost in strength and energy all the time and grew gradually worse. I was operated on several years ago, and had a severe pain in my back. I heard so much about Orgatone and read so much about it in the local papers, I decided to try it.

"I feel like a new woman now, and will be able to go back to work within a few days, if I continue taking Orgatone which I will. My stomach trouble doesn't bother me as it did, the pain in my back has disappeared and I eat anything I want now. I was sort of skeptical about Orgatone, for I had taken so many different medicines and treatments, but it was a lucky day for me that I bought it. I am certainly pleased with the results I have derived. Before taking Orgatone I had just given up of ever doing any work, for I wasn't able, but Orgatone has helped me so much I am going back to work within a few days, and yes, I am glad to recommend it, after what it has done for me."

Genuine Orgatone may be obtained in Crowell by the Reeder Drug Co. (Adv.)

An instructional course in oil and gas production has been inaugurated in Pennsylvania State College, school of mines and metallurgy. It includes the study of natural gas and methods of development and production involved in petroleum-production engineering. Two advisory groups, composed of leading men in the oil and gas industries, will co-operate with the school in carrying out the educational project and in establishing a research program to aid the oil and gas industries of the state.

When yellow jackets sting they sometimes leave the stinger in the puncture and sometimes do not.

The American negro is less susceptible than the white man to diseases which enter the body by way of the skin, a zoologist at the University of California says.

Mushrooms were cultivated in ancient Greece and Egypt.

A model tenement called Flower house was built in Sweden from Flower fund money, which friends of dead persons contributed instead of buying flowers for funerals.

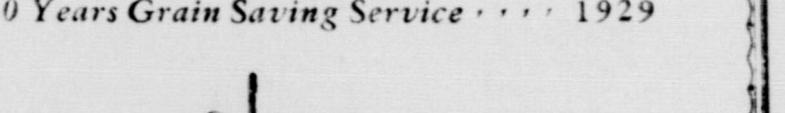

In 1921, Ontario employed 17,000 certified teachers.

Here's Feed for Chicks! WALK in and let's talk over what to give your chicks to keep them alive and growing. Let us show you a way to raise your chicks to early maturity at a lower cost per chick.

Chicks need cod-liver oil to protect them against leg weakness. They need buttermilk, alfalfa leaf meal, granulated meat, bone meal, wheat germ and other ingredients to make bone, flesh and feathers.

We have all of these ingredients carefully chosen, tested, balanced, uniformly mixed and ready to feed. Purina Chick Startena is the name of the feed. You'll know it by the checkerboard on the bag. The new feeding discoveries that come to you in this year's Startena will give 15 to 20 per cent greater growth than ever before. More than 2,500 hatcheries say, "Feed Startena." So do we. How many bags do you need?

Now is the time to fix up your MODEL T FORD

RIGHT now, after winter lay-ups and winter driving, is the time to go over your Model T and find out just what it needs in the way of replacement parts and adjustments.

To help you get the fullest use from your car, the Ford Motor Company is still devoting a considerable section of its plants to the manufacture of Model T parts and will continue to do so as long as they are needed by Ford owners.

These parts are quickly available through Ford dealers in every section of the country. Note the low prices in the partial list given below:

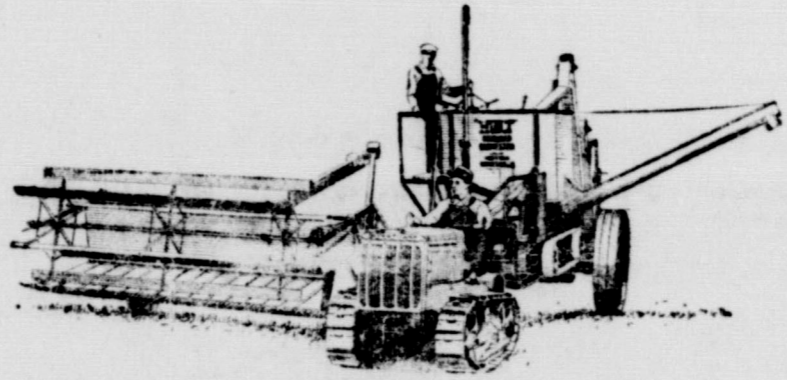

Table listing various car parts and their prices, such as Piston and pin (1.40), Connecting rod (1.60), Crankshaft (10.00), Cylinder head (6.00), Cylinder (20.00), Time gear (75), Time gear cover (1.00), Crankcase (12.00), Magneto coil assembly (5.00), Fly wheel (13.00), Transmission gear shaft (1.65), Transmission cover (6.00), Clutch pedal (.65), Steering gear assembly (less wheel and bracket) (8.50), Starter drive (4.25), Generator (12.50), Battery (8.50), Carburetor (3.00), Vaporizer assembly (with fittings) (9.00), Rear axle shaft (1.75), Differential drive gear (3.00), Universal joint assembly (2.50), Drive shaft pinion (1.50), Front axle (9.00), Spindle connecting rod (1.75), Front radius rod (1.80), Rear spring (6.00), Radiator-less shell (1917-23) (15.00), Radiator-less shell (1923-27) (14.00), Hood (1917-1925) (6.50), Hood (1926-27) black (7.00), Gasoline tank (6.00), Front fenders (1917-1925) each (4.00), Front fenders (1926-1927) each (3.75), Rear fenders (1922-1923) each (4.00), Rear fenders (1926-1927) each (1.25), Running board (1.50), Horn (battery type) (4.00), Headlamp assembly (1915-26) pair (5.50), Touring car top (1915-25) complete (27.00), Touring car top (1926-27) complete, includes curtains and curtain rods (35.00)

These prices are for parts only, but the charge for labor is equally low. It is billed at a flat rate so you may know in advance what the job will cost.

FORD MOTOR COMPANY

1886 Over 40 Years Grain Saving Service 1929

Save Your Threshing Bill... Harvest Your Crop On Time

WITH a "Holt" Combine, you eliminate the need of costly binder twine, wipe out the expense of shocking and hauling bundles, reduce the threshing crew to two or three men instead of twenty.

You don't have to wait for the custom thresher, or bother about shortage of labor, while your crop goes to ruin—and, instead of paying huge threshing bills, put the money in your pocket.

A "Caterpillar" Tractor and a "Holt" Combine makes you master of the threshing problem. "Caterpillar" will go into a wet, soft field and have the job done, while others are losing time and grain waiting for the ground to dry.

There is a "Holt" Combine and "Caterpillar" on display at points near you—write, wire or phone for address of nearest display—go look it over, talk with our representative, it doesn't obligate you at all.

PRICES OF "CATERPILLAR" TRACTORS AND "HOLT" COMBINES

Table listing prices for Caterpillar tractors and Holt combines, such as Caterpillar Ten (\$1,125), Caterpillar Fifteen (\$1,500), Caterpillar Twenty (\$1,975), Caterpillar Thirty (\$2,475), Caterpillar Sixty (\$4,306), Holt Model 38 (10 ft. cut) (\$1,595), Holt Model 34 (12 ft. cut) (2,100), Holt Model 36 (16 1/2 ft. cut) (2,420)

Address Inquiries to R. B. GEORGE MACHINERY CO. DALLAS, TEXAS

We have a few good buys in used and rebuilt "Caterpillar" Tractors and various other makes. Also several bargains in various makes of Combine-Harvester Threshers. Send us your order for thresher belts—complete stock—prompt shipment.

R. B. GEORGE MACHINERY CO. Dallas, Texas.

House Dress Contest To Be Held in June

Miss Virginia Freeman, home demonstration agent, has announced that a house dress contest will be held for the members of the home demonstration clubs of Foard County during the last week of June.

Each member of the various clubs is to make a house dress for the contest and a prize will be given to the best made and most becoming dress. Miss Freeman stated that the women are looking to the contest with much interest and a large number of entrants are expected to take part. Various demonstrations on color, design and costume fitting have already been given by the home demonstration agent.

STATE INSPECTOR HERE

Miss Cornelia Hutton, of Austin, state inspector of schools, was in Crowell Monday to inspect the schools here. She passed many complimentary remarks upon the work of the Crowell schools and stated that she was impressed with the work of Crowell High School.

To encourage settlement in the Province of Alberta, Canada, by desirable young men and women from the United Kingdom, a month's training in general farm work is offered without charge in the provincial government's agricultural colleges, and upon completion of the course paid employment will be obtained on selected farms. This is made possible through cooperation of the British Government and the provincial government of Alberta. The only expense to the students will be their board and lodging, approximately 6 pounds, and transportation to their place of employment. Preference will be given to young men 17 to 25 years of age. Wages paid the young men during the first season will depend upon age and ability, but will probably range from \$10 to \$20 a month and keep. They will be encouraged to return to the agricultural schools at the end of the season for further scientific training on the same terms. The aim is to enable such a student to receive approximately a year of thorough training in the theory and practice of Canadian farming, which will enable him to earn good wages in farm employment and, ultimately, with the assistance of the Alberta government, to start farming independently.—School Life.

SOCIETY

MRS. GEO. SELF HONORS
MRS. REID WILLIAMS

One of the prettiest parties of the spring season was that given by Mrs. Geo. Self on last Thursday afternoon complimenting Mrs. Reid Williams of Loveland, Colo.

A predominant color scheme of green and orchid was featured in the decoration motifs. The tables were gay with covers of green edged with orchid and tally cards in the same colors. Lilies in green bowls added to the effectiveness of the decorations.

A number of games of 600 were played after which an ice cream consisting of squares of orchid ice cream and angel food cake laced with green and green punch were served on trays laid with maderia and lace doilies centered with sprays of lilies. Table favors were bouquets of orchid stock and yellow snapdragons, while the guest favors were corsages of sweet peas.

The following ladies comprised the guest list: Mesdames Reid Williams, M. L. Hughston, N. J. Roberts, John Williamson, Russell Beverly, A. Y. Beverly, M. S. Henry, Joe Johnson, W. B. Johnson, Esca Brown, T. P. Reeder, Gordon Bell, Sam Bell, G. C. Walker of Dallas, Byron Reese, M. M. Hart, Howard Bursey, Jack Brian, Brown Franklin, Oscar Boman, Sidney Miller, Lona Shawver, John Ray, Paul Shirley, Hines Clark, W. C. McKown, T. B. Klepper and Misses Inez Sloan, Lottie Woods, Frankie Kirkpatrick and Winnie Self.

COLUMBIAN CLUB

On Wednesday, April 11th, Mrs. C. R. Ferguson was hostess to the members of the Columbian Club and a few guests for a delightful meeting. Madames Williams of Ft. Worth, T. F. Hill, Russell Beverly and Miss Jessie Johnson were the guests.

After a short business session, Mrs. J. S. Ray conducted a lesson on the Modern Novel and chose as a special study "Kristine Lavransdatter," by Sigrid Undset. The Noble Prize for 1928 was awarded Mr. Undset for this novel. The life of the Viking Woman of early Norwegian times is vividly portrayed in the content of the book and Mrs. Ray gave a resume of the story in a succinct and charming manner. The time of the story was about 1348 and the life of early Norwegian women while fraught with the hardships of pioneers was much the same compound of love and service, joy and sorrow, working and living as we find today.

Mrs. Ferguson assisted by Mrs. S. J. Ferguson served a delicious refreshment plate. Our delegate to the district meeting of Texas Federation of Womens Clubs, Mrs. Dow Miller, will leave April 24 for Snyder will convene on April 25, 26, and 27 inclusive.—Reporter.

MEHARG-HOWARD

Miss Veatrice Meharg became the wife of Jimmie Howard in a wedding ceremony performed by M. M. Hart, Jr., justice of peace. Mrs. Howard just recently moved here with her family who are now on the Greer farm. Mr. Howard has been living with his parents for some time on the Kincaid farm in the southwest part of the county.

JUNIOR PICNIC

Twenty-four members of the Junior class met at the school building Wednesday at 4:30 p. m. to go on a picnic at Tom Bell's farm. An enjoyable ride was had on the hay-cooper bed of Ralph Cogdell's truck. Many games were played and enjoyed by all. After returning they drove through town singing and giving yells. Leema and Blanche, with due thanks to "Moco" declare they received a "bumping good time."—Reporter.

TWO SCHOOL PROGRAMS

Miss Jessie A. Johnson will present her expression pupils in two programs next week at the high school auditorium during the morning assembly hours beginning at 8:50 a. m. The first will be given Wednesday morning before the grammar grades and the second on Friday morning before the high school. The public is urged to attend both programs.

MOTHER'S SELF CULTURE CLUB

With Mrs. L. S. Spencer as hostess, the Mother's Club met on March 22nd. Mrs. George Burress was leader and an interesting lesson on Horace Mann was had. The hostess served delicious refreshments at the close of the meeting.

On March 30th, Mrs. A. Y. Beverly entertained the children of the Mothers' Club with an Easter Egg hunt. A delightful time was had by all the children.

On April 12th, the Club met with Mrs. Paul Shirley. An interesting hour was spent in child-study, after which a refreshing plate was served.

Sleds which sold for \$50 and \$60 each at the fair held recently at Anchorage, Alaska, and snowshoes which sold for \$10 a pair, were made by native boys in the industrial school at Eklutna, Alaska, maintained by the United States Bureau of Education. All sleds and snowshoes entered by the boys were sold, and orders were taken for more. Other articles contributed to the boys' exhibit at the fair were totem poles, hunting knives, vegetables raised by the boys, and canned fish which they caught and put up during the summer.

There is one automobile to every thirty-four persons in the world. A baby whale becomes an adult in two years.

Fashionettes

NOTES OF FASHION
and Store News

Lace! A new-old trimming that is in popularity each day. From a fashion magazine we have these notes—"Laces are particularly outstanding, and often lace buttons and cuffs are the only trims used on a dress." And—"Laces are exceedingly favored trims and insets of lace may be seen on a number of ballbuntings, halou and sisol hats." If you are planning to make over a dress one of these deep lace collar and cuff sets would add the desired lacy touch.

An unusually big silk glove season is in vogue now. The tan shades in silk gloves are the most outstanding. A variety of shades are being shown in an attempt to match hosiery. Ensembles and prints are two of the big early spring styles that continue to be good.

The vogue for sleeveless dresses is very evident in the new afternoon and sport frocks, and georgette, chiffon and flat crepe are the leading materials.

Men's Florentine straw hats for \$1.25! A new line of little boys wash suits have arrived, sizes 2 to 6. There are a number of clever designs and pretty color combinations in these most practical suits. Those new sun suits for the youngsters are here now also. Turn them loose in them to play—give them sunshine for health. Doctors everywhere are endorsing them.

For our Friday Special we will sell childrens dresses—\$1.25 values at 80c—\$1.95 values at \$1.49. All children dresses reduced for Friday only.

Blaw & Rosenthal
CROWELL, TEXAS

OUR MODERN GARMENTS

The average person is not impressed when you talk to him about raw products, and he recognizes little connection between 275,000,000 pounds of sheared wool on the backs of sheep and wool clothing. Neither does it register very deeply that 50,000,000 acres of productive land in the United States is devoted to raising cotton that is used in making clothes and other industrial products.

Whenever you engage in the popular pastime of "ask me another," just quiz your big smart brother about his best shirt, and his cuffs and collars, and have him tell you what he knows about farmers and their flax crops. Of course, a lot of people have seen the silk worm in the movies and they have coupled it up with lustrous fibres, insect larvae, nests, cocoons and caterpillars.

Sure they know all about silk! But a most interesting story concerns rayon and the product is so new that it isn't in the school books; but it is on merchandise counters, and more than 100,000,000 pounds of this textile was used in the United States during the past year. In the beginning rayon was a spruce tree of the American forests. The spruce pulp has been converted by processes devised by American chemists and manufactured into the most popular textile of the day. As a result we have rayon fabrics and products that include everything that was formerly made from silk.

As one generation follows another, it must be observed that the tendency is to become more discriminating in the selection of our work and food, and particularly about the garments and material which go into our living.

Things Worth Knowing

Nearly 15,000 persons visited the confederate museum at Richmond, Va., last year.

The Russian revolution separated Eugene Brasol of Daytona Beach, Fla., and his son for eleven years.

An Indian garden containing many of the plants used by the red man has been laid out in Allegheny State park, New York.

New York University last year had 17,000 students enrolled in its evening classes, all of these students being employed during the day.

A wrought iron gateway bearing a bronze reproduction of the Robert E. Lee coat of arms is to be placed at Washington and Lee University.

The five-ton griffins that watched over the old Chicago board of trade have lost their jobs. There is no place for griffins at the new building.

Model aircraft construction and flying, a new activity in public playgrounds, was reported last year by 138 communities.

A woman of Jacksonville, Fla., saw what she thought were alligators in a city sewer. Police arrived with ropes and axes to find two city employes working.

In forty-nine years Minnesota has paid out \$1,243,165.53 in wolf bounties.

There is no tree which serves so many useful purposes as the bamboo.

Chincilla rabbits are a comparatively new breed, which first appeared in France.

An electro-magnet which belongs to the French Academy of Sciences weighs 120 tons.

Beryllium, a metal lighter than aluminum, is much harder, and

VIVIAN CLUB

Nineteen members were present at a meeting of the Vivian home demonstration club in the home of Mrs. J. B. Raspberry last Thursday.

Four kinds of salad were made by

Miss Freeman in a demonstration before the members. The next meeting will be held at the home of Dave Boren.

Reindeer were first brought to America in 1892.

"THE HOME OF SPLINTERS"

R. J. ROBERTS, Local Manager

April 19, 1929.

Dear Friends:

We believe every one would welcome a good rain.

Keep your chicken houses free from Mites and Blue Bugs using C. C. Mite Killer once a year. It is absolutely guaranteed, it can be either sprayed or brushed on and is easy to apply. It is a good wood preserver.

Sheriff (to convicted negro on scaffold): "Rastus have you anything to say before you die?"

Rastus: "Yes, Boss, dis am suttinly gwine to teach me a lesson."

One good way to prevent bleeding at the nose is to keep it dry of other people's business.

Now is a good time to paint your car, we have a good stock of auto enamel that dries in 3 hours.

We have just received several new patterns of wall paper and will be glad for you to come in and see them.

Mother: "This letter from Charlie is very short."
Father: "Yes so is Charlie, or he wouldn't have written."

Yours truly,
SPLINTERS.

DELICIOUS

Cakes, Rolls, Pies, Cookies. Bread and every other Bakery Product—"Just like Mother used to mke."—when they are baked at Orr's Bakery.

Baked goodies that the whole family will enjoy, characterized by Orr's wholesome freshness and tastiness.

ORR'S BAKERY

scratches glass easily.

Mt. Whitney, in the Sierra Nevada, is 14,501 feet in elevation, or exactly one-half the height of Mt. Everest in the Himalayas.

While water lilies are native to the greater part of the world, the Pacific slope of North America and New Zealand have none.

Clover roots sometimes bore into the ground to a depth of nine feet.

In some African tribes a musician who plays badly is cruelly mutilated.

Fluffy feathers of a half-grown robin sometimes make it look larger than its mother.

The trapdoor spider gets its name from the hinged lid with which it covers the hole it lives in.

More than half the population of the United States is now classed as urban, that is, living in towns of 2500 or more.

Income from tuition and fees paid by students covers about 30 per cent of the expense budget of Yale University, according to the treasurer's report for 1927-28. During the college year \$1,597,512 was derived from these sources, making an average payment per student of \$318. To cover all university expenses an average tuition charge of more than \$1,000 would be required.—School Life.

AYERSVILLE CLUB

The Ayersville Community Club met April 10 at the home of Mrs. A. A. Wise. Miss Freeman gave a salad demonstration and reported that a demonstration on color and design would be given at the next meeting.

Twelve members and the following guests were present: Mrs. J. E. Yound and Mrs. A. C. Crisp of Wichita Falls, Misses Emma Freeman of Denton and Fern Kennedy of Wichita Falls. The next meeting will be held April 29 at the home of Mrs. J. W. Donahoe.

Statistics show that doctors only collect three-fifths of their fees. Now you can show this to your doctor.

The height of a small boy's ambition is usually about six and a half feet.

The girl with a fever blister needs no chaperon.

Throw
Away
Your
Worries

Don't let your grocery service worry you any more. Think what it means to trade with a grocery store where the stock is plentiful and of absolute dependability, and best of all—where the price is right and the service unexcelled. Yes that's saying a lot but that's just the kind of service you get at HANEY-RASOR'S, so naturally your grocery worries are eliminated when you avail yourself of our service.
