

POSTINGS

Post had the quietest Halloween in its 62 year history Friday night, if you don't count the wanton wrecking of two school buses Thursday night and four downtown burglaries Saturday night as Halloween pranks. (We don't. We put both of them in the major crime category.)

There wasn't a single fire alarm named in on Halloween, for the first time in the 22 years Marvin Williams has been a member of the Volunteer Fire Department. Nor was there an alarm either the night before or the night after the witches' holiday.

Police caught two small fires, but extinguished them themselves without the necessity of a fire man.

The community's "outhouse burning tradition" passed into limbo.

In fact, even trick and treaters were at a minimum.

We guess the Denver City game spoiled Post's Halloween just as it spoiled the Antelopes' district title hopes.

Speaking of the 'Lopes, this department deems it highly important that the Post gridders rally from two tough defeats to close out their season with a pair of victories for a winning 7-3 season.

Post is just getting into a balanced football program which promises to produce competitive teams for a number of years to come. A winning tradition is important to establishing such a program so the 'Lopes need a 7-3 season (second best in at least a dozen years) to get the momentum going.

That's why we urge local fans to "hit the road" the next two Fridays and back the 'Lopes in their closing clashes at Idalou and Merton.

Rotarians will finance 'overhaul' of troop quarters

The Post Rotary Club, which sponsors Boy Scout Troop 316, voted at its Tuesday luncheon in City Hall to pay the estimated \$150 needed to purchase materials for the remodeling of new troop quarters on the second floor of the Old Sanitarium building.

The action came after Silas Short, new scoutmaster for the troop who has succeeded Hoyt Thomas, spoke before the club and told of the proposed remodeling plans for three rooms in the county-owned building.

He estimated at least \$150 will be needed.

The troop, which has been meeting in the old Postex office, will hold its first meeting in the Old Sanitarium building at 6:30 p. m. Monday.

A. J. McAllister has succeeded Short as chairman of the troop committee.

Both McAllister and Johnny Kemp, in charge of troop financing, attended the troop meeting Monday night which drew six new scouts — Mark Short, William Halford, Gary Wood, Danny Sawyers, Brad Lutz and Keith Little.

Other scouts attending were Howard Halford, Zack Short, Danny Guthrie, David McBride, Ray Martinez, Duane Morris and Joe Clary.

Scoutmaster Short told Rotarians that several other boys are planning to join the troop within the next few weeks.

Two charged in cutting affray

Thomas Rogers, 58, was treated and dismissed at Garza Memorial Hospital early Sunday morning after being cut on the hand and head in an affray at a barbecue stand on the Ralls highway shortly after midnight Saturday.

Rayphus Foley, about 40, said by city police to be Rogers' son-in-law, was charged with simple assault in connection with the knife attack. Rogers was charged with being drunk.

Campaign to end Saturday

United Fund within \$2,200 of its goal

Garza County's 1970 United Fund drive stood at \$7,809 in cash and pledges today with Mrs. Helen Cornish, campaign chairman, hopeful that the \$10,000 goal can be reached before the two-week effort ends Saturday.

"Our projections show we can make it," Mrs. Cornish said, "providing those who haven't given come through as generously as those who already have made their contributions."

32-member board

Water, Inc., unit formed in county

A 32-member board of directors with J. B. Potts as its chairman was elected Monday night in the organizational meeting of a Garza County unit of Water, Inc., which was attended by over 400 Garza farmers and Post businessmen in the district courtroom.

Vic Slater, Postex Plant manager, was named vice chairman, and County Judge J. E. Parker, secretary - treasurer.

Library circulation already tops 1968's

The Post Public Library continues to gain in popularity and usage with local readers.

The Rev. George L. Miller, volunteer librarian, announced today that October's circulation of 670 books boosts the library's circulation for the first 10 months of 1969 to 7,069 books which surpasses the total number checked out in the entire year of 1968, which was 6,396.

Mr. Miller's library report for October shows 47 new books added to library shelves during the month to bring acquisitions for the year to 761 books.

Seventeen books were lost or discarded and \$11.89 was collected in overdue fines.

Bids are tabled

Council votes to buy police auto

The Post city council voted unanimously to purchase a new city automobile, but tabled acceptance of bids on the vehicle, in the only action taken at Monday night's regular monthly meeting.

A number of other city matters were discussed by the council, but none were at the point where action could be taken.

The council decided to hold a special meeting within the next few days to decide what to do about the proposed street paving project — whether to go ahead with the fiscal agent employed on the project or terminate the city's contract with him. The paving project has been "hung up" for several weeks because of the council's refusal to pass a "go-ahead" ordinance calling for a blanket lien on property involved in the paving.

THE COUNCIL expressed itself as receptive to a proposal by the county commissioners' court that the radio dispatcher's and radio operators' salaries be raised, but decided not to take action on the proposed raises until the county (See City Council, page 8)

\$250 reward offered in destruction school buses

Search discovers wrecked vehicles

A group identifying themselves as "outraged private citizens" today offered a \$250 reward for information "leading to the arrest and conviction of the person or persons responsible for the theft and destruction of two Post Independent School District buses on or about Oct. 31."

The reward was offered through the office of Sheriff L. E. Claborn Jr.

Meanwhile, the sheriff's department is continuing its investigation into the theft and destruction of the buses, which occurred late last Thursday night or early Friday morning.

The buses were stolen from the bus parking lot south of the elementary school building and wrecked — one by pushing off a high bluff about two miles south of town and the other by running into a deep gully just off U. S. Hwy. 380 a few miles west of town.

Both buses were totally wrecked, with insurance only partially covering the replacement value of \$9,400, according to Supt. Bill Shiver.

One of the school buses, the one wrecked south of town, was found early Friday morning, but the other was not found until late Friday afternoon, after a helicopter and an airplane spent hours in the search, with the wreckage finally being spotted from rancher Bob Macy's helicopter.

The bus found Friday morning had been pushed from an approximately 75-foot high bluff, called Lookout Hill by some local residents and Buffalo Point or Gibson's Lookout by others.

The bus had turned sideways in its tumble down the bluff and lodged in a gully against huge boulders. The bus body had been jarred from the chassis and the interior knocked into a shambles.

The bus thieves had driven the vehicle to the top of the bluff over a little-used oil field road.

The bus wrecked west of town was lodged in a 15 or 20-foot gully just off the highway and out of sight from the roadway.

"Of all the cases of vandalism we've had on school property, this was by far the worst," Supt. Shiver said.

"I'd hate to think one of our students had anything to do with it," the superintendent said. "We have a fine student body, and if the buses were stolen and wrecked by kids who are in school, it will be a surprise to me."

After the bus west of town was found, someone broke out the window glasses that had not been broken when the bus plunged off the highway.

Shiver said the reason the buses had been left sitting where they were found was because the insurance adjusters preferred it that way until their investigation was completed.

The superintendent said Wednesday he understood the wrecked buses had been purchased from the insurance company by the Post Wrecking Yard.

In addition to Macy's helicopter, the search for the stolen buses was aided by an airplane owned by Sonny Guinn of Tahoka, Sheriff Claborn said.

SCHOOL BUS STOLEN, WRECKED

One of two stolen and wrecked Post school buses is shown where it lodged after being pushed off a 75-foot bluff south of town. The buses were stolen late Thursday night or early Friday (Halloween) morning. The second bus was found wrecked west of town.

Two charged in four nighttime burglaries

Four Saturday night break-ins here apparently have been solved with the filing of burglary charges against an 18-year-old youth and juvenile charges against another.

Pascual Romero, who turned himself in to Sheriff L. E. (Fay) Claborn Wednesday after having been charged in the burglaries, was being held in lieu of \$1,500 bond, the sheriff said.

The juvenile charged in the break-ins is an inmate of the state reformatory, but had been released to attend his father's funeral here last Friday.

The places burglarized were the Western Auto Store, Harold Lucas Chevrolet - Olds, Hudman Furniture Co. and Cash Implement Co.

YULE PACKAGES TO VIETNAM PLANNED

The Amity Junior Study Club is calling for contributions this weekend for Christmas packages to be mailed Monday to a platoon of U. S. soldiers in Vietnam.

What are needed are homemade cookies or any of a number of items soldiers hold dear in the battle zone.

Those interested in the project are asked to read the complete story of the project on today's women's page (page 5).

An attempt was made to break into the Corner Grocery, but two persons escaped on foot after being surprised by officers in the alley at the rear of the store. Jimmy Hundley, who was watching television in Hundley's Men's Wear next door to the grocery store, had called the officers after hearing a disturbance at the rear of the grocery.

Officers said from \$12 to \$15 was taken from a cash register and cold drink machine at Cash Implement Co., where entrance was gained after the burglar broke the glass from a window, reached in and unlocked the rear door.

Owner T. B. Odum said the burglary at the Western Auto Store was the tenth in nine years. Six wrist watches, valued at about \$10 each, an undetermined number of pocket knives, and from \$10 to \$12 in change left in the cash register was stolen after the burglar crawled in a 7 by 16-inch opening between the bars of a window at the rear of the store.

Postage stamps and three blank checks were all that was missed at Hudman Furniture Co., where the burglars failed in an attempt to break into the safe. They gained entrance by knocking the glass out of the back door.

Officers said nothing was reported missing at Harold Lucas Chevrolet - Olds, but that a set of keys had been taken from the office and

left on the hood of a pickup truck inside the building. The burglars had knocked the lock off the back door to get into the building.

Sheriff's officers, city police and highway patrolmen took part in the investigation of the break-ins.

Edwards funeral held Wednesday

Funeral services for J. A. Edwards, who died about 9 a. m. Tuesday at the home of his son, Henry Edwards, in the Pleasant Valley community, were held at 2 p. m. Wednesday at the Pleasant Valley Baptist Church, of which he was a member.

Mr. Edwards, who would have been 82 years old on Nov. 16, was born in Kaufman County and moved to Garza County in 1915. He lived near Corpus Christi from 1925 until moving back to Garza County in 1930. He moved to the Fort Worth - Dallas area in 1931, returning here three years ago to make his home with his son.

Mr. Edwards was engaged in farming while a resident of Garza County, but was employed as a machinist at the time of his retirement several years ago.

Surviving are the son and a sister, Mrs. Emma Rogers of Kaufman. Mr. Edwards' wife died three years ago.

The Rev. Sherman Ervin, pastor of the Pleasant Valley Baptist Church, officiated at the funeral services. The body was taken to (See Edwards, Rites, page 5)

James Mitchell home from Vietnam

Sp6 James Mitchell, son of Mr. and Mrs. James W. Mitchell, arrived in Post Sunday after completing his year of service in Vietnam and his two years of Army service. He received his discharge after being flown home from the big Vietnam supply base Cam Ranh Bay.

Mitchell served with the 18th Engineers Brigade.

His future plans are indefinite. He will help his father at the Garza Auto Store for the present.

Moisture total now 25.99 inches

The 1.85 inches of moisture Saturday, which officially got November off to a wet start, has boosted Post's official moisture total for 1969 to almost 26 inches, or 25.99 to be exact.

County Agent Syd Conner said the October total was 4.85 inches and that it's "too wet" for any cotton harvesting.

Conner agreed with farmers he talked to Monday night who said "We've never seen a crop like this and don't know what to expect."

Temperature-wise, Post's high for the last seven days was 67 degrees on Tuesday with the low of 33 degrees coming Monday morning.

CofC drive for members slated

Directors of the Post Chamber of Commerce have been given forms for the upcoming Chamber membership drive, with each board member asked to contact at least four prospects at once for membership.

Plans for the membership drive were discussed at a meeting of the directors Tuesday night.

Fred Myers was appointed chairman of a nominating committee for a new Chamber president and five new directors. Ballots will

be mailed members at an early date, with members asked to vote for a president and five directors from among the names on the ballot, or to write in their choice if they wish.

A banquet committee was appointed and plans are under way for the annual membership banquet, which will be in January or early February.

Directors were told of the fine arts committee displays to be seen in Post throughout November.

Jaycee turkey shoot is set for Sunday

The Post Jaycees will sponsor a turkey shoot at 1 p. m. Sunday, Nov. 9, at the rodeo grounds skeet range.

Everyone is invited to take part in the turkey shoot. Several good shooters from other towns in the area have indicated they will be here for the event, the Jaycees said.

Awards presented Garza historians

Nineteen members were present at a meeting of the Garza County Historical Survey Committee at 10 a. m. Tuesday, at which time County Judge J. E. Parker presented each member Distinguished Service Awards received at the state meeting.

Delegates who attended gave a report on the convention.

An invitation to dedication of an O'Donnell historical marker at 3 p. m. Saturday, Nov. 8, was read from the Lynn County HSC.

Chrysanthemums grown by Jimmie Samson that were first place winners at the Chrysanthemum Colorama Festival in Lubbock were displayed at the meeting by George Samson.

Also on display was a colored map developed by the horticultural department at Texas Tech and named for Marjorie Merriweather Post.

Mrs. Helen Livingston read a letter of commendation and appreciation to the committee members from chairman Mrs. A. C. Surman and Dr. Surman.

Vandals cut up 10 new screens

The new screens on ten of the 52 new windows installed at the Post Junior High School were slashed by vandals over the weekend, Supt. Bill Shiver reports.

The vandals evidently used a pocket knife to slash the new screens from top to bottom.

A commode in one of the restrooms near the athletic fieldhouse also was put out of commission by vandals, the superintendent said.

Concern over gas gate rate increase

Citizens of Post and other towns and cities in this area of West Texas owe their city councils a vote of thanks for banding together to protect their (the citizens') interests in Pioneer Natural Gas Company's application to the Railroad Commission for a gate rate increase in its West Texas distribution system.

A steering committee of 12 will represent the various communities at the Railroad Commission's hearing on the gas company's request, which was postponed from Nov. 4 to Nov. 24 in order to give the steering committee time to make a study of the application for the gate rate adjustment.

The hearing had already been set for Nov. 4 by the Railroad Commission, but was postponed to Nov. 24 at the request of the gas company, which asked for the postponement at the request of the steering committee.

It is Pioneer's intention to ask the Railroad Commission to establish a city gate rate of 34 cents, plus an allowance for federal surtax, compared to the present gate rate of 28 cents. The Federal Income Tax 10 per cent surtax charge would currently expire Dec. 31. Pending legislation would cause its continuation, with the outcome likely to be determined during the pendency of the Railroad Commission proceeding on the application. Continuation of the tax at a 5 per cent rate would add approximately one-half cent to the gate rate, making it 34½ cents, and continuation of the tax at a 10 per cent rate would add approximately one cent to the gate rate, making it 35 cents.

Pioneer explains that a new gate rate will have no immediate effect on current gas rates. They also explain, however, that such an increase would establish a new cost of gas at the city gate for any subsequent changes in domestic and

commercial rates.

In other words, an increased gas rate would mean that much higher gas rates to the consumer if, and when, the company asks for increased gas rates. This is what the cities have in mind in wanting to make a study of Pioneer's application for a gate rate increase—to determine if it is justified. They know that if the gate rate increase is granted, it will be there when the time comes for the company to ask for an increased gas use rate.

The cities' steering committee has estimated that it will be able to make its study of the application and be represented at the Railroad Commission hearing at a cost to the cities of 50 cents or less a meter. It at first was thought that this cost might run as high as 75 cents a meter, but response of the communities involved in joining in the study has been such that it is now estimated the cost will be less than 50 cents a meter. This cost will be shared on a meter basis by the respective cities.

Involved in the cost to the cities is the employment of a rate expert, two engineers, an accountant and two lawyers to make a study of Pioneer's application and to represent the steering committee at the Nov. 24 hearing before the Railroad Commission.

Pioneer points out that the last determination of the gate rate was based on the year of 1961, and that since that time, the cost of gas, labor and materials and supplies, as well as interest rates, have increased, and they believe that the 28-cent rate is deficient.

Incidentally, Pioneer was granted an increase in gas rates paid by the users in November of 1967 throughout its West Texas distribution system.—CD

Veterans Day . . . a time to remember

Next Tuesday, Nov. 11, is Veterans Day, which was first observed as Armistice Day. Silence had fallen across Europe at 11 a.m. Nov. 11, 1918, ending World War I. This is still a day of hope, 51 years after that eventful day.

Over 4½ million men represented the United States during this great conflict, World War I. Over 126,000 men would not be coming home, having paid the supreme sacrifice for their country. They were remembered in services beginning on Nov. 11, 1921. In 1926, Armistice Day was the official name given this day of observation. In 1938 Congress proclaimed the date a legal public holiday.

The hopes and dreams of mankind were shattered just one year later, in 1939, when World War II began. America again responded to the challenge. Over 16 million men were called to forsake peaceful pursuit and bear arms for the protection of ourselves and our allies.

Twice since that date, Americans have come to the aid of oppressed people, once in Korea, and now in Vietnam. When communist forces invaded Korea and South Vietnam, we came to the aid of those suffering people who had visions of living in a land that was free.

We Americans still maintain hope for peace

in the world today, even though battles continue to rage and take their toll in the jungles of Vietnam. We will not accept a peace of slavery, but a peace of honor and dignity.

As we in Garza County and elsewhere throughout the nation observe Veterans Day 1969, we remember the Tomb of the Unknown Soldier, a symbol of all American fighting men who paid with their lives, that the living might enjoy enduring freedom. More than one million men have given their lives in this manner.

Veterans of all wars of the United States now number more than 29 million. There are more than 27 million of these veterans alive today. We have a tremendous responsibility and owe a great debt to these veterans.

To this very special group of Americans we owe a pledge of assurance that we are worthy of the many sacrifices they have made and are making at this moment, that we may remain a free nation.

We face the future with confidence and hope that world peace will come because of the actions and deeds of our veterans of past wars and our men who fight today on the battlefields of Vietnam.

What our contemporaries are saying

Women bear pain much more heroically than men do—especially when it comes to wearing shoes.—Joe Harrison in The Texas Spur.

With today's progress in transportation, there's no such thing as a distant relative. — Billye Stockton in The Crosbyton Review.

NOT ONLY IS Thanksgiving going to be here almost before we know it, but there are only about forty more shopping days until Christmas.

And how did Halloween treat — or trick — you? Our's didn't seem much like Halloween, mainly because of the football game, which cut down on the number of trick-or-treaters. Thank goodness, we didn't have any reports here of razor blades being hidden in candy bars and apples given the youngsters, as did happen in some places.

THAT RAZOR BLADE trick was the work of a depraved mind, just as was the Thursday - night - before - Halloween theft and wrecking of a couple of school buses here. Someone has to be "sick" to think up and carry out such outrages.

The theft and wrecking of the school buses caused one school taxpayer to wonder out loud why a bus barn hasn't been built long before this. This taxpayer was of the opinion that a good bus barn could be built for the cost of one of the buses wrecked last Thursday night.

GETTING BACK to the Halloween night football game, naturally all the fans were disappointed that Post lost to Denver City, but not as disappointed, perhaps, as the Antelopes and their coaches.

The Antelopes' six lost fumbles — the most I ever remember in more than 15 years of covering 'Lope games — hurt, of course, but I don't think they hurt as much as Post's inability to pass or to defend against Denver City's passes.

A TEAM THAT can go on the ground — "three yards and a cloud of dust" — can do all right against weaker opponents, but when it comes up against a team of equal ability which has a passing game and passing defense to boot, there just isn't much hope for the ground - game - only team. That appeared to be the case here Friday night.

Don't get me wrong, I've never given up on the 'Lopes and it's too late to start now. I think they'll win their next two games and finish the season with a 7-3 record, which will be the best since 1966 and the second best in over 15 years.

THE MAN UP the street says if dollar bills shrink any more, George Washington is going to have to get a hair-cut.

Last Friday morning's headlines told of an alleged federal land grab in the waning days of the Johnson administration. Friday evening's paper had a story defending the "land grab" as being perfectly legitimate. What one believes more than likely depends on which edition of Friday's paper he read. If he read them both, he is more than likely confused.

JUST AS WE'D begun to think there was nothing new to worry about, they came up with the cyclamates scare.

We are indebted to one of our exchanges for this:

WHAT IS FREEDOM?
Freedom is a boy walking in a field with his dog. The dog's tail is wagging, and the boy is whistling.
Freedom is the flag being raised before a football game when players stand together in the mud, eyes on the flag.

Freedom is a photographer up on a mountain with some Marines who are raising the flag—on Suribachi.

Freedom is a Red Cross worker walking into a prison compound with a package — "From the U. S. A."

Freedom is an Air Force pilot circling his downed buddy and totally forgetting his own life.

Freedom is a Navy pilot with a rescue ring around his body, smiling up at the helicopter crew in Haiphong Harbor.

Freedom is a group of young Marines standing on a deck, waving, leaving San Francisco for Destination Unknown.

Freedom is golfers laughing on the eighteenth green.

Freedom is a drive in a national park with a camera, a dog, and a picnic basket.

Freedom is a sign which reads, "Welcome to Our Town!"

Freedom is old enough to speak for itself, and when it speaks, the world listens.

Freedom is strong and bright, and when it is defended, America is safe.

November is 'Texas Lions Camp for Crippled Children Month'

AUSTIN — Gov. Preston Smith has officially proclaimed November as "Texas Lions Camp for Crippled Children Month." Lions League President E. J. Grindstaff of Ballinger and Executive Director Frank Robertson were in Austin to accept the proclamation.

In his proclamation, Governor Smith stated: "For 17 years, the Lions Camp for Crippled Children at Kerrville has provided two weeks of summer fun — without any cost whatsoever — to more than 11,000 deaf, blind, mute and crippled children of Texas.

"In recent years, through its rehabilitation program for the adult blind, the camp has helped more than 700 Texans to return to the sighted world as productive citizens.

"The camp for children operates during the three summer mon-

ths and the balance of the year is devoted to the adult training program.

"Lions is an international organization whose motto is, 'We Serve,' and the efforts of Texas Lions in behalf of crippled children, the deaf, the mute and the blind have contributed much to the welfare of these disadvantaged citizens of Texas.

"All citizens of Texas take great pride in this worthwhile project sponsored by the Lions Clubs of Texas."

Idalou Wildcats

AT IDALOU

Friday, Nov. 7—7:30 PM

The Idalou Wildcats are not a ball club to be taken lightly. Scouts were rather bewildered when Idalou which had a lot of veteran material coming off a fair 1968 season dropped their first six ball games.

But the Wildcats have done an "about face". They started out two weeks ago by defeating Tahoka in a close one and then surprised the experts last week with a 20-6 victory over Morton—a 5 point better victory margin than Denver City enjoyed over Morton the week before.

It's essential to Post's improved football program for the Lopes to regain their momentum and go on to ring up two district victories at the close for a 7-3 season. Winning seasons are a big help in building winning tradition. It will be Post's second best season in over a dozen years if they can come back with victories over Idalou and Morton.

Fan support for these two road games is essential. If you're a real Antelope fan, prepare to hit the road.

Post Music Club's program of sacred music is well received

The program on "Sacred Music" was well received Monday night when the Post Music Club, National Federation of Music Clubs, entertained at the First Methodist Church at 7:30 o'clock.

Mrs. Bill Shiver, president of the club, welcomed the guests and Mrs. Don Pennell introduced those participating in the program.

A quartet, composed of Jackie Gordon, Carolyn Walker, Lonell Brown and Debbie Hays from the First Baptist Church, sang "Unto Me" by Charles P. Jones, accompanied by Mrs. Pete Jones.

Women's sextet from the First Baptist Church sang "Wonderful Peace" by W. B. Cooper, accompanied by Mrs. L. G. Thuet Jr., Mrs. Parnell, Herb Germer, Stanley Butler, Bill Pool and Don Pennell.

The Holy Cross Catholic Church choir, directed by Sister Eva Sanchez, and accompanied by Mrs. Jerry Conoly, sang "Gloria". Mrs. Ronald Babb directed the junior choir of the First United Methodist Church in singing "Pure in Heart" and "Wondrous Love." Mrs. K. W. Kirkpatrick accompanied the group.

The Bethel Baptist Church choir presented the hymn, "How Great Thou Art" in Spanish. They were directed by Gabriel Saldivar and accompanied by Mickey Saldivar.

The Post Music Club chorus, under the direction of the Rev.

George L. Miller, presented "Rejoice", with Mrs. Boo Olson at the organ and Rocky Gribble as guitarist. The Rev. Mr. Miller sang a solo, "They Cast Their Nets" by William Alexander Percy during the special presentation.

Members of the chorus are Mmes. George Miller, James Dietrich, Roy Haney, Shiver, Jerry Thuet, L. G. Thuet Jr., Elwood Wright, Pennell and Bob Macy.

Mrs. Harley Turbyfill and Mrs. Pennell were hostesses and served refreshments to guests, the complete membership of the club, including new members, Miss Kathleen Shanafelt, Mrs. Wright and Mrs. Germer.

New club has project going for servicemen in Vietnam

"Do you want to brighten Christmas in Vietnam for a platoon of young soldiers?"

This question is being asked this week by members of the newly organized Amity Junior Study Club which has chosen this project of remembering our fighting men in Vietnam during the upcoming holiday season.

Mrs. Butch Wilson, temporary chairman of the club, is also chairman of the project.

Originally the young ladies decided to send homemade cookies only but have since enlarged their list to include ballpoint pens, writing paper, playing cards, books, cigarettes, chewing tobacco, song books, snuff, lighter flints and wicks, canned goods, such as bean dip, shoestring potatoes, etc., sewing kits, small puzzles and "things to do" in general.

Homemade cookies still heads the list, according to Mrs. Wilson, but all these other items are needed and wanted by soldiers fighting in Vietnam.

Donations of money will also be accepted to help defray mailing costs.

The 1st Platoon of the Americal Division has been selected to receive these gifts through the help of Bernard S. Ramsey and his son-in-law and daughter, Sp5 and Mrs. Freddy Simmons.

There are 23 men in this group, ranging in age from 20 through 26. A list of the names and hometowns of these men has been sent to Mrs. Wilson.

Anyone wishing to bake cookies or purchase any of the mentioned items may take them to Bob Collier Drug Store or to Mrs. Wilson's home at 802 West 12th St. If you wish your items to be picked up, call 2985.

Club members hope to get all the packages in the mail Monday so time is of the essence.

Shower is held for bride-elect

Linda Jo Ramage, bride-elect of Dan Stewart, was honored with a bridal shower at the Grand School lunchroom last Saturday.

The shower was to have been in the home of Mrs. Weldon Gibson but was moved to the school due to the bad weather.

Red punch, white tea cakes, nuts and mints were served from a table covered with a white cut-glass cloth and centered with an arrangement of red carnations, arranged by Miss Ramage's chaperone, Mrs. Robinson.

Best gifts were a mixer and steam iron.

Guests were: Mrs. McGhee, Robert Lee Taylor, Don Clary, James Shelton, Gilliam, Hubert Dunn, Dillard, Weldon Callaway, Payton Crawford, Hansel Hallman, Valton Wheeler, Ferrel Wheeler and Mab Robinson.

HELEN RUTH HODGES
Wedding date is set as Dec. 27

Mr. and Mrs. C. D. Hodges are announcing the engagement and approaching marriage of their daughter, Helen Ruth, to Charlie N. Brown Jr., son of Mr. and Mrs. Charlie N. Brown Sr.

Wedding vows will be exchanged Saturday, Dec. 27, in the First Baptist Church.

Miss Hodges is a 1969 graduate of Post High School and is a freshman at West Texas State University at Canyon. Mr. Brown is a 1965 graduate of PHS and is also attending WTSU.

Garza County HD Club News

GRAHAM HD MEETING
Mrs. Karen Parnell, HD agent, gave an informative program on "Stretching the Food Dollar" at the Monday afternoon meeting of the Graham HD Club in the community center.

Members answered roll call with "the most useless thing I have in my purse." In the business meeting the club voted to make donations to the homes for retarded children in Abilene and Lubbock. A committee of four was appointed to be in charge of the Christmas party which will be Dec. 15.

Mrs. Mary Cowdrey and Mrs. Orabeth White served refreshments to 13 members. Mrs. Iva Edwards and Mrs. Dorothy Cowdrey will be hostesses for the Nov. 17 meeting.

CLOSE CITY HD
Mrs. Jewel White and Mrs. Thelma Thomas were hostesses for the Close City HD Club meeting Tuesday afternoon in the Close City Community Center.

Virginia Custer, Inez Ritchie, Lola Peel and the hostesses answered roll call by telling "the most useless thing I have in my purse" before hearing a program by the agent, Karen Parnell, on "Stretching the Food Dollar."

Mrs. Ritchie will be hostess for the Nov. 18 meeting.

It's My Turn

— By MRS. C.

This is last - chance - to - give week!

When I accepted the job as your friendly drive chairman for the Garza County United Fund I promised myself to do a do-or-die job for two weeks and then curtains!

I hate things that drag on and on and can't see that much benefit is derived from continuing something that can be accomplished in the time allotted to it.

By this time everyone in town has had time to examine his or her social conscience; has had time to decide if they are taking a free ride or if they are doing their part.

All cards that are out will be processed through Saturday and then if YOU still haven't made your contribution it is entirely up to YOU. No one is going to come asking, you'll have to take the time and effort to bring your contribution in. We're not going to turn down any MONEY. We're just not going to come after it!

The smartest thing I did after accepting the job as drive chairman was to sit around home thinking out loud about who to appoint business division chairman. Mr. C listened to me for several days and finally with a grin on his face said: "Stop worrying about that, I VOLUNTEER."

Which was just what I wanted! Little did I know that I was also gaining a secretary to make the daily United Fund deposits and setting up this fine set of books for me. I'm glad I married him!

My next genius - type move was to line up many young farmers to work the rural areas. Gad, what a bang - up job they are doing. Money keeps pouring in daily. I'm awfully impressed and it leaves one with a good feeling to know that the United Fund is truly a county-wide operation.

Probably no one had more fun "collecting than Winnie Tuffing. She graciously accepted the job of working Justiceburg. And work it she did!

She came in bright and smiling Monday morning with her "cards" and really wowed us with the total she had collected. How did Winnie do so well? She made a few pans of muffins, filled her coffee pot and headed for the Justiceburg post office during one of those awful weather days we had last week. There she set up court, served goodies and collected money by the handfuls.

Mrs. Edmund Wilke, our Southland correspondent and postmistress, is handing that area for

us. As a helpful hint, Mrs. Wilke, you might add a pan or two of muffins to the same set-up if things aren't going too well.

That streak of lightning you see tearing up and down Main Street is Boo Olson out contacting the downtown employes. Kicking up the mud - dust in the outlying district is Lorrye McAlister. After compiling a list of every retail employe in town, she volunteered to call on everyone working out of the immediate downtown area.

You all treat her nice as she finishes up her calls. You don't find many like that any more.

Dean Robinson turned out to be my gem at the courthouse. He accepted the job willingly and is still plugging away on a few over there that are "hard to catch."

Tune in next week for more accolades. And you citizens who haven't given yet step right up and do so. WE NEED YOU and YOU NEED THE UNITED FUND!

Deacons entertained in minister's home

The Rev. and Mrs. James Criswell entertained in their home this week for the deacons of the Trinity Baptist Church and their wives.

Present were: Mr. and Mrs. Floyd Hodges, Mr. and Mrs. Harold Britton, Mr. and Mrs. K. Morris, Mr. and Mrs. Thurman Maddox, Mr. and Mrs. Bobby Gordon and Mr. and Mrs. Marvin Dunlap.

'World Community Day' observance Thursday

"World Community Day" will be observed when the ladies of the Presbyterian, Methodist and Christian churches meet at the First Presbyterian Church Thursday, Oct. 13, for a 12 o'clock covered dish luncheon and a program conducted by the First Christian Church.

Mrs. Willard Kirkpatrick will give the devotional and Mrs. Bill Crane, Mrs. Lee W. Davis Sr., and

Pledge coffee honors four Monday evening

Louise Green, Jane Mason, Genevieve Bertran and Sybil White were honored with a pledge coffee when Gamma Mu chapter of Epsilon Sigma Alpha met at the Community Room Monday night.

Gale Birkes was hostess and served refreshments to the honorees and six members.

Mrs. Lee W. Davis Jr. will give excerpts from the book, "Close Your Eyes When You Pray."

LISTENING POST

Happy Birthday

By ROSEMARY CHAPMAN
Poor Kurt. Being eight years old is hell. I washed his hair in the sink last night and in doing so, noticed three blackheads on his face. Naturally, I immediately gave him a sermon on "cleanliness" and then proceeded to demonstrate by slathering his face with soap, and scrubbing fiercely. Suddenly, at the really - very - truly - tip - top - of - his - voice, he shrieked "YOW! YOW!" "On, no, honey", I said, "Did I get soap in your eyes?" "No", he replied, "It's that stuff you're putting on my face - it feels AWFUL." (Local color for the day.)

We've had several changes in library personnel lately, so here's a list of our current volunteers:
Monday: 2-4 Henrietta Nichols;
4-6 Mary Prather
Tuesday: 4-6 Sue Shytles; 7-9 Rosemary Chapman
Wednesday: 2-4 Madge Webb; 4-6 Joy Parker
Thursday: 4-6 Ruth Ann Newby; 7-9 Pee Wee Pierce
Friday: 2-4 Margie Wilson; 4-6 Joy Dickson
Saturday: 9-12 Louise McCrary.

Our substitutes are Sue Carpenter, Jo Cash, Estelle Davis, Nancy Macy, George L. Miller, Jewel Steele, Lois Williams and Glenda

Morrow.
I'm certain that you will soon grow to love us all.

Two years ago, a friend of a friend of our library, Grace Halsell, sent us two children's books which she had written - "Getting to Know Peru", and "Getting to Know Colombia". Miss Halsell was working as a staff writer for President Johnson at the time, and also sent us two books about the White House which the Pres had autographed for us.

Now, of all things, I've just run across our friend again - this time in full page spreads in the Fort Worth Star Telegram Oct. 19 and Nov. 2. She's written a new book entitled "Soul Sister", and it's made quite a splash.

Miss Halsell, a Texan whose ancestors owned slaves, is one of two white people who have taken the drug Trimethyl Psoralen to turn themselves black.

The effects of the drug lasts about six months, and during this time the authress traveled extensively in the South and Harlem, gaining a unique insight into racial problems.

"As a black woman, I found the devils of Harlem less menacing, craven, dishonest, cruel, ruthless, than the 'superior' Caucasians of the South. . . Nothing in all my travels over the past two decades, nothing in my experiences prepared me for going to the South as a black woman."

Yet, if she were born black, she believes that she would prefer to live in the South.

"In the ghetto one feels he's in a trap, that there is no hope. He fights against an 'enemy' that is unseen, and he calls it the System, the Establishment. In the South it's more a man-to-man conflict. One knows 'the man', the enemy. He knows the Klansman, the racist, the oppressor, the murderer by name. But the Negro also knows that a man can change, that attitudes are adaptable. And so in Mississippi the Negroes do have hope."

Sounds as though our friend has written an interesting and timely book. Hope we can have it at the library within a week or so.

Just finished a wonderful, funny-sad sort of a book from the Post Library - "Tell Me That You Love Me, Janie Moon" by Marjorie Kellogg. It's one of the most moving and unusual stories that I've read in years, and I recommend it to each of you wholeheartedly. (They're making a movie from the book with Judy Garland's daughter, Lisa Minelli. Certainly hope they'll do it justice.)

Meeting held by LCC trustees

LUBBOCK — The Lubbock Christian College board of trustees held their quarterly meeting Oct. 28, during Lectureship '69 and later participated in a joint meeting with the board of development to discuss mutual plans.

Dr. J. B. McCorkle, vice chairman, presided at the meeting that voted slight increases in college fees; to give an extension to the Post Office Department on a parcel of land for a proposed sub station; postponed action on a proposed educational foundation; re-elected John Ritchey, Little and Jess Hail Jr., Lubbock to three-year terms; and re-elected Joe Barnett, Broadway minister, as lectureship director for 1970.

Dr. F. W. Mattox, president of LCC gave a report on the progress the college was making toward attaining four-year status. "All areas of growth were progressing on schedule," he said, "but we are in need of more books for the library."

J. B. Potts, president of First National Bank, is chairman for the Post area on Campaign IV, the campaign to financially enable LCC to become a four-year school. He will be contacting all friends and potential friends of LCC about this important transition to a four-year college.

Calvary Baptist revival slated

The Calvary Baptist Church will begin revival services Sunday, Nov. 9, and continue throughout the week, the Rev. Warren Capps, pastor, announced.

The Rev. Bobby Phillips, pastor of the South Seminole Baptist Church, Seminole, Tex., will bring the messages, with Douglas Jones of Wayland Baptist College directing the music.

Youth activities and special music will be a regular feature in the meeting.

The time of the services will be 9:30 a. m. and 7:30 p. m.

"The public is cordially invited to attend," said the Rev. Mr. Capps.

Diabetes insulin was discovered in 1921 by Frederick Banting and Charles H. Best. Both are Canadians.

PAY BILLS To Enjoy Continued CREDIT

The credit bureau's message to the consumer is simple. Pay promptly. Spelling it out clearly - never let an account go past due without payment or immediate contact with the creditor. Never allow an account to become an item charged off to profit and loss. This means that the merchant has given up hopes of collecting and has changed your account from an asset to an expense item. The item is automatically recorded in the files of the credit bureau. There it cannot be changed or altered unless subsequent dealings with the same firm results in a better record.

Never allow an account to be listed in the collection department of the credit bureau. Payment in full will result in better credit reports, but the item must remain on file for many years to come - perhaps for the rest of your life.

Your credit record is a picture of your character and has been found to be an extremely accurate guide to your future actions, particularly pertaining to whether you will pay future contracts and debts.

Keep your picture bright and shining and enjoy all the conveniences of the machine age. You can cut off the advantages of credit buying by disregarding or ignoring warnings of your merchant friends.

Marching contest set for Nov. 18

By KIM McCLELLAN
Nov. 18, the Post High School band will go to marching contest, competing with Denver City, Hale Center, Frenship, Floydada, Morton, and other bands in our classification.

The contest will consist of drills such as counter - marches, step-two drills, pinwheels, block - band, and a six-to-five drill.

The numbers the band will play on the field are: "Jayton Fanfare," "Everything's Coming Up Roses," "King - Size," "Stars in Your Eyes," and "What Now, My Love?"

Go, band, go!

The Texas Highway Department has built about 1,100 safety rest areas, roadside parks and scenic turnouts along the State's 69-thousand - mile highway network.

GOOD NEWS

By Curtis Lee

There is a new vitality permeating the lives of thousands of persons across the land today. These persons are eager to meet each new day. They have been touched and transformed, and the people they see appear to them to be different. There has not been any change in the people seen, but there has been a radical change in the eyes of these thousands of persons.

What has happened?

The world is the same. There is still murder, poverty, ignorance, death, pain and corruption everywhere. There is still the every-dayness of every day. There is still boredom and depression everywhere we look. There is still anxiety and panic to behold on every hand. There is still individual desperation apparent in the lives of young and old.

The "what has happened" is that these thousands— and it might be millions in this land of ours—have experienced God's great personal love for them. The actual experience of these persons is not only evident to them, but to their friends and neighbors. And oh how these "touched" persons long to share what they have experienced.

The Good News is experienced, the Gospel is true. In this our city of Post the living, breathing reality of God's great and unconditional concern for each individual is known.

As you read this you are a person whom God loves. You are accepted, You are wanted. You are significant. You are important. You have a place in the company of God's people.

This Sunday the people of God will gather to worship Him. You belong there. You are wanted there. You are needed there. You can have a share in sharing with others how greatly God loves them.

The greatest experience of your life awaits you. Ask anyone who knows. God loves you and these countless thousands love you. There are hundreds right here in Post who are ready to share God's love shown to them in Jesus Christ.

If you will listen, God is speaking. Come listen with us.

Seniors want to wish Mr. Lee a happy 27th birthday.

The pep rally was full of spirit Friday afternoon. The Junior High and high school students did yells as the band played to raise the spirit before the Post - Denver City game. The Seniors won the spirit stick. The football skit was presented by Pam Petty, Nancy Cook, Sue Parrish, Sally Dorland, Sue Johnson and Rebecca Pruitt.

Last Friday the Seniors had to write papers for Mr. Shiver on their objectives of high school.

There was a Fifth Quarter following the Post - Denver City game Friday night. Joe Province and Jerry Watson from Wayland College furnished the music. A few that were there: Nancy Norman, Debert Rudd, Bobby Norman, Ronald Martin, Janice Brockman, Sue Britton, Charles Baker, Kelly Duren, Diane Brockman, Debra Brockman, Debra James, Gale Browning and others.

If you want to know why the sun is shining again, ask Jackie Gordon?

Friday afternoon between each class the fight song was played on the intercom. This was to raise the spirit of the students.

Maxine Cummings asked me to print the following: A note to say to high school students about Friday night's bomb at "Teen Town" won't happen again — misunderstanding between band and myself — see you on Saturday night when we beat Morton on Friday, Nov. 14.

Held at church

Horror House big Halloween event

By JUDY LOFTON

Following the Denver City game Friday night, the Calvary Baptist Church hosted a horror house in the basement of the church.

At one time, over 75 people— young, teen-age and adult — were seen at the party. Groups of three, four and five were shown through the house and told the horrifying story of Dr. Zerberdies, the mad scientist.

The story began with the group being shown the body of Dr. Zerberdies, played by Ted Williams, in his coffin. The group was warned that his body was known to come back to life.

Weird music was played throughout the tour. In complete darkness, except for the leader's flashlight, the group was led into the room of Susie, the Professor's daughter. There, they found Susie, brutally beaten and hung from the ceiling by a rope, which warned the group that the insane doctor was alive.

Hurriedly, while trying to find their way to the door, the group came upon the gardener, whose head had been chopped off with

an axe, and blood was everywhere.

The group moved on and came upon the Professor's dead wife, whose head had been chopped off by a guillotine. Near her, chained to the wall, was the wife's maid, played by Debbie Hays. She was alive and faithfully caressing her dead mistress.

Then, all of a sudden, Dr. Zerberdies' dead body, now played by Loyle Brian, emerged from a dark corner and chased the group out the back doorway.

After going through the horror house, the groups were served hot apple cider, caramelized apples, candy and sandwiches.

Thanks goes to all who helped with the refreshments, and special thanks goes to Carolyn Walker, Loyle Brian, Kay Lofton, Debbie Hays, and Jackie Gordon. These people planned and decorated the horror house.

Everyone had a lot of fun and a lot of scares.

What's the good word? Beat Idaho!

LOUISIANA VISIT

Mr. and Mrs. Loyd Edwards returned last week from an eight-day visit in Ringgold, La., with her parents, the Rev. and Mrs. D. W. Reed. The Rev. Mr. Reed is a retired Baptist minister and he and his wife are former Post residents. The Edwards report that her father's health is much improved.

Place to study

Library open two nights each week

By BILLYE WILLIAMS

Each Tuesday and Thursday from 7 to 9 p. m., the library remains open. This is to allow students extra time for use of materials in the library.

There are usually from 15 to 30 students at the library, but you should have seen it just before Civics papers were due.

On some nights when there are just a few people, very enlightening conversations begin. Boyd Noble was found to be very intellectual. Randy Hudman likes beef very rare. Many of us learned of Mr. Lee's exploits as an amateur race driver.

Ordinarily, several books are checked out, especially reference and research. However, the other night a book was checked out and then back in about five minutes. Speed reader?

Do not be mistaken, the library is a place to study. In Senior English we have had three major tests. Had it not been for these two hours to study in each time, I feel sure I would not have done so well.

Each student at the library has these quiet hours and I am sure they all benefit.

Incidentally, one of the greatest reference sources at the library talks. Just give Mr. Lee the key word and you are inundated with facts.

Mr. and Mrs. Lee keep the library open and it is greatly appreciated. However, only you can derive the full benefit from the opportunity. Don't take advantage of it, respect it.

Son-in-laws paint interior of house

By MRS. GLENN DAVIS
Mr. and Mrs. Quannah Maxey think they have about the best three sons-in-law anyone could have as they recently painted the interior of the Maxey home.

Mr. and Mrs. Junior Gray from Graham visited Sunday afternoon with the Noel Whites.

Mrs. Butch Cross, Donna Stewart and Debbie Tucker of Arlington spent the weekend here visiting relatives.

Mrs. Duff Green, who had been visiting in Lubbock with another daughter, Mrs. John Kirksey, and family came home Sunday with the Quannah Maxeys.

Mrs. Johnnie Rogers and Mrs. Presson visited Saturday and Sunday in Vernon with a friend of Mrs. Presson's.

Mr. and Mrs. Delmer Cowdrey visited the Clark Cowdreys Sunday.

Mr. and Mrs. Fred Gossett spent the weekend in Fort Worth visiting their daughter and son-in-law, the E. A. Dunlaps.

The Alvin Davis family were Friday supper guests of Mrs. Glenn Davis.

Mr. and Mrs. Clon Edwards visited Saturday evening with the Carl Flutts and the Bill McMansons visited Sunday evening.

Mr. and Mrs. Noel White and Steve spent Wednesday night with the Lewis Masons.

Kim McClellan spent last week with her aunt, Mrs. Willie Mason, while her parents were at their home on LBJ Lake. The Quannah Maxeys joined the Ray McClellans on Wednesday.

Mr. and Mrs. Oliver Teer of Stockton, Calif., recently visited his mother, Mrs. Jim Graves, and Mr. Graves. The Teers and Mrs. Graves attended the Church of Christ on Sunday morning. Mrs. Teer is a former resident.

Mrs. Ada Oden visited while Wednesday afternoon with Mrs. Viva Davis.

E. A. Howard, Bud Spurling and Dickie Wallace recently made a trip down near San Angelo to buy sheep for some of the FFA members.

Sunday luncheon guests of Mrs. Glenn Davis were Mr. and Mrs. Carrol Davis. Visiting later were Mr. and Mrs. L. H. Peel, Elvius Davis and Patricia.

Mr. and Mrs. Jason Justice were

Monday luncheon guests of her parents, Mr. and Mrs. Fred Gossett. The Virgil Stones visited in the evening.

The Glenn Huntley family have recently returned from a stay in Hawaii. Mr. Huntley will be stationed in the states.

Mrs. Stella Booth and her daughter and family of Paducah visited Sunday with the Bob Lusks and attended services at the Church of Christ.

Melvin Stewart was taken ill Sunday around noon and was rushed to Garza Memorial Hospital by ambulance. He was still in the hospital on Tuesday. We wish for him a quick recovery.

lution system would require "at least six and one-half years to build," Williams said. He described the water system as a "concrete-lined river going uphill" which would be 200 feet wide and 40 to 50 feet deep.

He said Water, Inc., is now organizing on a county by county basis to obtain vitally needed grassroots support and that "we must have education, publicity, and membership" in all these county units.

"If we fail in 1971 we will be in bad shape," Williams said, "because national focus will shift to water problems in other areas of the country."

Williams said it is estimated that two per cent of all the private power in Texas will be required to import the water through the proposed system.

"East Texas now realizes it has everything to gain and nothing to lose by the Texas Water Plan," Williams declared. "We're going to have to do some horse trading with Mississippi if we are to get the water," he added.

Williams said the Garza County goal is at least 100 members as it will be for the 50 West Texas county units planned.

Lewis Herron, chairman of the nominating committee for the board, read a slate of 29 Garza county members proposed for the board of directors. Three more were added by floor nominations and all 32 elected.

The board elected includes C. E. Basinger, Frank Boetick, Jim Cornish, Judge J. E. Parker, A. C. Cash, Wayne Carpenter, Elvius Davis, D. C. Hill, H. H. Hart, Monroe Lane, Jack Lott, Harold Lucas, C. Assembly of God to hold revival

The Assembly of God Church will begin a revival at 7:30 p. m. Sunday, Nov. 9, with the Rev. Lawrence Lewis of Snyder as the preacher. The Rev. Mr. Lewis is pastor of the First Assembly of God in Snyder.

Services will be held at 7:30 nightly through Nov. 13, according to the Rev. Wilson Weed, pastor of the church.

There will be special singing and music and prayers for the sick in addition to the revival messages. The public is invited.

Posi couple named area chairmen for '69 Christmas Seals

Twenty-three people from communities in and around West Texas, including Mr. and Mrs. Giles Dalby of Post, have been selected to head area committees for the 1969 Christmas Seal campaign of the West Texas Tuberculosis and Respiratory Disease Association. The appointments were announced by Dr. Taylor Evans, Lubbock dentist, chairman of the Christmas Seal campaign.

Football Hall of Fame great Sammy Baugh, of Fisher County, has been named the honorary chairman of the campaign.

Ninety-three per cent of the amount raised from Christmas Seals in Texas support these local programs: Adult health education, public school anti-smoking education, skin testing for tuberculosis, mobile x-ray unit surveys, tuberculosis clinics and respiratory disease clinics.

The Christmas Seal campaign will get under way on Nov. 12. The slogan is: "Use Christmas Seals—It's a Matter of Life and Death."

Close City news

Navy man, home on leave, party honoree

By MRS. BARNIE JONES
It rain was news any more we sure would have lots of news this week. Since the sun is shining so pretty this Tuesday morning we can take inventory and count the blessings we have to enjoy and hope that it will continue to shine until we can gather our crops.

Howard Lee Teaff was honored Sunday with a dinner at the home of his grandparents, Mr. and Mrs. Will Teaff. He is home on a 30-day leave from the Navy and is stationed in Washington. Those attending were his parents, Mr. and Mrs. Howard Teaff, Mr. and Mrs. Delbert Cockrell and Mr. and Mrs. Roy Teaff and children of Post, Mr. and Mrs. N. B. Teaff and family of Sweetwater, Mr. and Mrs. Milton Bayer and daughter of Plains, Mr. and Mrs. Dennis Popham of Midland, Mr. and Mrs. Auda Vee Teaff and son, Mr. George Statz and Allen, P. M. and Sandra Bayer and Becky Watson, of Lubbock.

Mmes. Karen Sistrunk, Patsy Craig, Oneta Gunn, Evelyn Jones, Claudine Tipton and Eula B. Smith attended the Baptist World Alliance Day of Prayer meeting at the Friendship Baptist Church Tuesday. Theme was "Let Us Rise Up and Build."

Revival to start at First Baptist

A one-week revival is to begin Sunday, Nov. 9, at the First Baptist Church, with the Rev. B. H. Kendrick Jr. of Idalou as the evangelist, and Joe Wortham of O'Donnell as the singer.

The Rev. Joe Vernon, pastor, announces that services will be held at 7:15 a. m. and 7:30 p. m. weekdays and 11 a. m. and 7 p. m. Sundays. The revival is to continue through Nov. 1. A supervised nursery will be available for every service.

The Rev. Mr. Kendrick is a graduate of Howard Payne College, Austin Theological Seminary, and Southwestern Seminary, Fort Worth. He moved to the Idalou First Baptist Church six years ago from the Alamo Heights Baptist Church in San Antonio.

Mr. Wortham, who will be in charge of the singing, is minister of music and education and youth director at the First Baptist Church of O'Donnell. He has served churches in Oklahoma and Texas and has led music in revivals in four states.

City Council—

(Continued From Front Page)
does.

The commissioners have asked city approval of a raise for the chief dispatcher from \$250 to \$265 a month and of the operators from \$1.27 to \$1.35 an hour. The salary increases would cost the city approximately \$24 a month.

The Rev. Howard Smith, pastor of the Church of God of Prophecy, and Emmett Shedd, a member of the church, met with the council to request permission to buy the former Golden Years Nursing Home building, across the street from the hospital, and to hold church services there.

The council tabled action on the request until conferring with the city attorney to see what changes would be necessary in the hospital zoning ordinance to permit purchase of the building for use as a church. The present hospital zoning ordinance restricts the zone to residences.

The new automobile the council voted to purchase would come equipped for the police department, but would be used by the city manager for a year before being turned over to the police department. In the meantime, the police would use the city manager's present automobile in addition to the one it already owns. An older model police automobile would be traded in on the new car.

THE COUNCIL had voted at its October meeting to ask for bids on purchase of the new automobile. The two bids received were opened and read at the meeting, but the council decided to table acceptance until a later meeting.

City Manager Bobby Pierce reported to the council that he had met with the commissioners' court and they had agreed to pay the county's share of the cost of the new Chapman Park property in the northeast part of town. Pierce said negotiations for purchase of the property are under way. The park property comprises about seven lots.

The council took no action on a request by Pat N. Walker that it adopt a resolution for a Green Thumb Program here. It was explained that the program is a government aid program, which makes work on public properties, such as parks, available to retired farmers and agricultural workers.

The council decided to find out more about the program and what its cost, if any, to the city might be before taking action on the proposed resolution.

The October police report, made by Police Sgt. Otis G. Shepherd Jr., showed 22 criminal charges and nine traffic charges filed in corporation court.

Lose 10 Lbs. In 10 Days On New Grapefruit Diet

This is the revolutionary new grapefruit diet that everyone is suddenly talking about. Literally thousands upon thousands of copies have been passed from hand to hand in factories, plants and offices throughout the U. S. and Canada. Word of its success has spread like wildfire, because this is the one diet that really seems to work for most overweight people. A well known Toronto columnist recently praised it to the skies. He reported losing 20 pounds quickly and easily long after he despaired of ever getting down to his wartime weight of 165 pounds. All this without cutting out the occasional beer or rye. If it is followed exactly the average overweight person should lose 10 pounds in 10 days. There will be no weight loss in the first four days. But you will suddenly drop five pounds on the 5th day. There after you will lose one pound a day until the 10th day. Then you will lose 1 1/2 pounds every two days until you get down to your proper weight. Best of all there should be no hunger pangs. Now revised and enlarged, this new diet plan lets you stuff yourself with foods that were formerly "forbidden". Such as big steaks trimmed with fat, Southern fried chicken, rich gravies, mayonnaise, lobsters, swimming in butter, bacon, fats, sausages and scrambled eggs. You can eat until you are full, until you can't possibly eat any more. And still you should lose 10 pounds in the first 10 days, plus 1 1/2 pounds every two days thereafter until your weight is down to normal.

The secret behind this new "Quick weight loss" is not generally known. Fat, it has been theorized, does not form fat. Perhaps fat fights fat. And the grapefruit juice in this new diet might act as a catalyst (the "trigger" to start the fat burning process. You stuff yourself on the permitted foods listed in the diet plan, and still lose unsightly fat and excess body fluids. When the fat and bloat are gone you will cease to lose weight and your weight will remain controlled. A copy of this new and startling successful diet plan can be obtained by sending \$3 to The

'Lopes journey to Idalou Friday for district game

Wildcats coming back after lackluster start

The Post Antelopes, losers to Frenship and Denver City in their last two outings, will journey to Idalou Friday night to take on the moving Idalou Wildcats in a District 4AA encounter.

Swamped by Denver City, 60 to 37, three weeks ago, the Wildcats are 2-1 in district play following their wins over Tahoka and Morton.

Idalou lost non-conference games to Kress, 12-0; Petersburg, 24-0; Crosbyton, 16-7; Lockney, 34-0; and Abertathy, 14-12.

ON THE BASIS of comparative scores against common opponents, the Antelopes rank as favorites. The locals lost to Denver City 21-14, 20 points less than Idalou; whipped Tahoka 35-8, 24 points more than Idalou, and beat Lockney, 37-7, which drubbed the Wildcats by 34 points.

Idalou's steady improvement the last few weeks and the fact that they will be playing on their home field makes Friday night's game nearly a toss-up, however.

Last year, their first in District 4AA, the Wildcats outlasted Post, 23-26, in a wild one. Idalou's offensive star that night was Gary Sage, 160-pound halfback, and he is back with them this season. Sage is one of the best broken field runners in the district.

"Idalou has been doing a real good job the last two weeks, and we'll have to go all out to beat them Friday night," Coach Billy Hahn predicted.

PROBABLE starters on offense for Idalou, their weights and classification, are as follows:

Left end: Larry Petree, 135, junior; left tackle: Marvin Turner, 20, senior; left guard: Randy Johnson, 185, junior; center: Steve Fleming, 155, senior; right guard: Randy Bevers, 175, senior; right tackle: Tommy Gonzales, 160, senior; right end: Tommy Merritt,

175, senior; quarterback: Dennis Drake, 155, senior; tailback: Wayne Atchley, 140, junior; halfback: Gary Sage, 160, senior; fullback: Tommy Snodgrass, 140, junior.

Coach Hahn said the Antelopes had a "fine" workout Monday afternoon and that their spirit is still high despite their two district setbacks.

Robert Bullock, who has been out two weeks with an injured leg, is expected to be back at his corner-back position against Idalou Friday. Coach Hahn said it is doubtful that linebacker Ralph Menchaca, who missed the Denver City game because of an injury, will be ready to go against Idalou.

Denver City triumphs, 21-0

Mustangs cash in on Post miscues to win

Fumbleitis and the Denver City Mustangs hit the Post Antelopes at the same time Halloween night at Antelope Stadium, with the Mustangs chalking up a 21 to 0 victory.

Six lost fumbles contributed to the Antelopes defeat, along with two scoring - bomb passes from quarterback Gene Richardson to halfback Larry Clinton.

The Denver City win left the Mustangs in a first place tie with Frenship in District 4AA, with the two teams to settle the issue Friday night on the Mustang gridiron. The loss virtually eliminated Coach Billy Hahn's Antelopes from the race for the district championship or a share of it.

The Mustangs scored 14 points in the second quarter and seven points in the third in marching to their third consecutive victory over Post.

THE ANTELOPES outgained the Mustangs on the ground, 281 yards to 147, but couldn't cope with the Big Red in the air, completing one of five passes for nine yards against five of 12 for 171 yards.

Antelope halfback Neff Walker personally outgained Denver City on the ground, chalking up 155 yards rushing to DC's 147. On two occasions, Walker broke into the clear behind the Mustang secondary only to be pulled down from behind.

The teams exchanged fumbles early in the first quarter after Denver City had received the opening kickoff and punted to the Post two-yard line. Walker gained four, but George Torres fumbled on a

diver play, and Gary Kerr came up with the ball for Denver City on the five.

Billy Smith carried twice for three yards, but the Mustangs fumbled on third down with Steve Newby recovering for the Antelopes on the six.

From there, the 'Lopes mounted a drive to the Denver City seven-yard line before relinquishing the ball on a fumble by Walker.

Torres, Walker and Karl Bruce Hall got the 87-yard drive going with a first down to the 19 after Newby's recovery of the Mustang fumble. Torres was held for no gain, but Walker carried for 11 and a first down on the 30, then for seven and five yards and another first down on the 42.

HALL CRASHED through for seven, then two, and Walker added seven for a first down on the Denver City 42. Quarterback Ray Altman kept for seven yards, and Walker plowed for six and a first-and-ten on the 29.

Walker rammed for two, Torres got five, and Walker three more for a first down on the 18. Torres and Walker gained only three in two tries, but Denver City was penalized five yards to the 10. Walker was stopped a yard short of the first down, but had it made on a fourth down try only to fumble, with Denver City recovering.

The Mustangs scored their first touchdown on a drive from their 19-yard line after an exchange of punts in the second quarter. A 15-yard penalty against the Antelopes that moved the ball to their 21 helped the drive along, with Ricky Hatfield scoring five plays later from the one-yard line. Jimmy Youngblood's extra point kick failed, giving Denver City a 6-0 lead with 4:06 remaining in the first half.

Terry Moreau fumbled the ensuing kickoff, with Youngblood recovering for Denver City on the Post 16. Three plays gained only two yards, and Norman Mason missed with a field goal attempt to give the 'Lopes the ball on their 20.

WITH THE Antelopes unable to move past the 25 in three tries, Altman punted to the Mustang 45, from where the ball was returned to the Post 46. On the first play, Clinton got behind Post defender Hall on the 20 and took a pass from Richardson to go in for the Mustangs' second touchdown. Richardson swept end for the extra points to boost his team's lead to 14-0.

The Mustangs racked up their third touchdown early in the third period after fielding Altman's punt on the Denver City 36. Again, Clinton got well behind the Post defender, took Richardson's pass on the 30 and went across untouched for the score. Mason kicked the extra point.

Late in the third period, the Mustangs moved from their 44 to the Post 13, from where Billy Smith blasted across the goal line, but a flag went down on the play - off-

sides against Denver City. In the meantime, extra-curricular activity had flared at the line of scrimmage, resulting in the ejection of linemen David Perez of Post and Terry Hardin of Denver City.

Mason missed another field goal try early in the fourth this time from the Post 19.

With 2:03 showing on the clock, the Antelopes held for downs on their 33 and made it to the Denver City eight behind the running of Walker, Hall and Altman. With the seconds ticking away, many of the Post fans began yelling for a field goal try to get the 'Lopes on the board, but Post chose to go for a fourth down pass, with the ball falling harmlessly in the end zone with no one near it.

Tahoka 'big boys' defeat freshmen

The Post freshmen lost to a Tahoka team "loaded" with sophomores and juniors, 46 to 2, here last Thursday evening.

The Tahokans started their scoring parade in the first quarter after recovering a Post fumble and added a pair of touchdowns in the second period to lead 20-0 at the half.

Post scored a safety in the third quarter by gang - tackling the Tahoka ballhandler behind his goal line, but the visitors retaliated with a third quarter touchdown to increase their lead to 27-2.

The Bulldogs tacked on three more touchdowns in the final period, the final one coming in the last few seconds of the game.

Each team made eight first downs. Post completed three of 11 passes, with four intercepted, and Tahoka hit five of 15, with two picked off.

Junior Stelzer, Bill Hudman and Robert Mindieta were outstanding for Post on defense, and Roger Pace, Stelzer and Mindieta on offense, according to Coach Bud Davis.

VISIT IN BIG LAKE

Mrs. Velma Ball and Miss Bonnie McMahon visited in Big Lake with friends Monday. Miss McMahon visited Mr. and Mrs. Ellis Mills, former residents of Post where Mr. Mills was principal of the Post Primary and Elementary schools. He is now counselor in the Big Lake schools. The Mills still own their home in Post and told Miss McMahon they might make their home here after Mr. Mills retires.

8th grade ends season unbeaten

Post's 8th grade football team ended its 1969 season undefeated Tuesday with a 6 to 0 win over a Plainview 8th grade team on the latter's gridiron. The Post 7th grade team lost, 24 to 6.

In the 8th grade game, Post scored in the first quarter, with quarterback Jerry Tyler going over from the one-yard line following a sustained drive. John Redman, Johnny Jefferson and Charles Bell were the ground-gainers in the drive.

The remainder of the game was a defensive battle, with Post holding on to its three-yard line to stop Plainview's most serious threat.

Ricky Shepherd, Mark Bevers, Mackey Sappington and Richard Dudley were Post's defensive standouts.

Plainview held a 16-0 halftime lead in the 7th grade game, with Post's touchdown coming in the third quarter on a pass from Tony Conner to Eddy Gannon. Plainview scored their third touchdown in the last 24 seconds of play.

Conner, Gannon, Kevin Kenny, Mark Terry and Joe Baker were Post's offensive standouts, with the entire team playing well on defense.

The 8th grade team ended its season with a record of five victories and two ties, while the 7th grade team won two and lost five.

Out on a Limb

Five out of eight was the best The Dispatch's football forecaster could do last week, giving him a 45-23 mark on the season for a .662 "batting" average. He tries again this week...

Nixon new pastor at Justiceburg's church

By MRS. FIRNIE REED
We are very proud to have the Rev. A. T. Nixon as the new pastor of the Justiceburg Baptist Church. Everyone is welcome to attend all services. Sunday School starts at 10 a. m. and church at 11 o'clock. Twenty-five were present last Sun-

day. Mrs. Jewell Reed and Ronnie visited Luther Reed in a Slaton nursing home Friday. The Billy Huddleston family of Snyder spent the weekend at their ranch here and Mrs. Huddleston and daughters attended church.

Clyde Allen Cash, a student at West Texas State University, spent the weekend at home with his parents, the Bandy Cashes. Mrs. Pearl Nance, Winnie Tuffing and Iva Smith visited the Hub Haires Friday night. Mrs. Iva Smith visited the Jim Shipley and Mrs. Pauline Coleman Sunday. Mr. and Mrs. Bandy Cash attended the cattle sale in Lubbock Thursday and visited Luther Reed in Slaton. Mrs. Iva Smith visited Mrs. Bess Thompson Thursday in Post. The Mason Justice family spent the weekend in the James Minor

home. Mr. and Mrs. John Boren visited her parents, Mr. and Mrs. G. E. Bradford, over the weekend and attended the Texas Tech homecoming game on Saturday. We would like to extend our sympathy to Mr. and Mrs. Pete Walls on the death of a brother-in-law, Curtis Pinkerton, of Snyder. Mr. and Mrs. Sam Bevers Jr. and family visited the J. K. Jones in Midland Sunday. Mr. and Mrs. Jerry Key and children stopped by for a visit with his mother, Mrs. Raymon Key, on Sunday while moving from Farmington, N. M., to Wichita Falls.

Mrs. Bertha Seabourn and Mrs. Bruce Caldwell of Snyder were Friday visitors to Mrs. Raymon Key. The Richard Richardsons of Amarillo visited in the Key home Sunday and Mrs. Key's sister returned home with them. Mr. and Mrs. John Easter, Vickie Parnell and Mrs. Ginny Melton of Lubbock visited the Billy Blacklocks Sunday. Benny Don Seward, a nephew of Billy Blacklock, is seriously ill in a hospital in Temple. We wish for him a speedy recovery. Donnie Blacklock and Vickey Jones of Snyder visited the Billy Blacklocks and Don Robisons Sun-

day. Mr. and Mrs. Jimmy Timmons of Denver City and a Mrs. Timmons of Andrews visited the Bill Mizes Sunday. Mrs. Bob Dillard and Lea Ann Bevers and the Ralph Miller family of Fluvanna visited the Riley Millers Friday night. By the way, the Millers had a "spook" house for the kids on Halloween, which 44 people visited. It was nice of them and the children sure did enjoy it. The Donnie Coles of Snyder and the Imon Newmans visited the Weldon Reeds Sunday.

Pearl Nance and her daughter, Lois, spent Tuesday night in the Weldon Reed home. Lois has returned to her home in Denver, Colo., after a visit here. Mrs. Pearl Skeen of Fredericksburg left Wednesday after a visit with her brother, Milton Woodard. The Doug Caffey visited the Don Robisons Sunday and Mrs. Robinson visited the James Ethridges in Lubbock Monday.

Resident in hospital after heart attack
Mrs. W. E. Dent suffered a heart attack last Saturday in her home and is a patient in Garza Memorial Hospital where she is reported to be doing very well. Mrs. Howard McCampbell of Amarillo is spending the week here with her mother. Other relatives visiting over the weekend were Mr. and Mrs. Gordon Sanders, Mr. and Mrs. Bill Sherrard, Mrs. Eddie Sparkman, Lubbock; David McCampbell and Mr. and Mrs. Dewey Reep, Amarillo.

Women at Grassland entertain with party

By MARY LEE LAWS
The Missionary Women of the Nazarene had a party at the home of Mrs. Wanda Rogers at the service parlance Monday evening. Mrs. Rogers will leave with her husband and family for Africa Dec. 23 where the Rev. Kenneth will return to missionary work.

Talana and Kim Gribble gave a Halloween party Friday night. Attending were Howard, Sheila, Cindy, Janet and Lee. They all went out trick or treating and had a good time. Janet and Lee won prizes for the best costumes. More rain again and the old roads

sure are muddy. One needs a four-wheel drive to get the kids to the highway to catch the bus.
Mrs. R. L. Craig and Patsy Craig went to Lubbock last Thursday to visit the Biff Davis family.
The Rev. E. A. Rawlings visited Mary Craig Saturday afternoon. Beulah Tew was admitted to West Texas Hospital Saturday and is in Room 217.
Mr. and Mrs. William Young of Lubbock were Sunday dinner guests of the Jurd Youngs. The Buck Thompsons visited in the afternoon.
H. C. Gribble and Rocky played

at the Hootenanny in Andrews on Saturday night. Mr. and Mrs. C. W. Roberts of Tahoka, Mrs. Gribble and the Dean Laws and daughter attended the affair and were real proud of H. C. and Rocky. Preacher and Lois treated the group to supper.
J. C. Bailey is in Methodist Hospital in Lubbock.
J. W. Inklebarger is out of the Lamesa hospital for a few days and is staying with his sister in Lamesa.
The Donnie Fairweathers of Lamesa visited the Dean Laws and Warrens over the weekend.
The Rev. and Mrs. E. A. Raw-

lings were Wednesday luncheon guests of the W. G. McCleskeys. Mr. and Mrs. T. J. Murray spent Friday night with their daughter-in-law in Lubbock.
Delbert and Brenda entertained Halloween night with a party in their home.
Mrs. Barbara Hawkins and child of Austin are visiting her mother, Mrs. R. L. Craig, this week.
