

298 compete in Caprock Enduro

More than half fail to finish

Sonny Jordan of Lubbock was the overall winner of the Post Caprock Enduro, held Sunday on the U Lazy S Ranch six miles south of Post, with less than half of the 298-entry field finishing the tough 100-mile cross-country motorcycle test.

Lynette Pool of Euless won the 50-mile Power Puff Enduro with four of the six women entrants finishing. Only 144 entrants finished the 100 miles.

Many of the motorcycles broke down during the six-hour event stranding some of the riders miles from the finish line and the headquarters of the sponsoring Lubbock Trail Riders, Inc.

There were spills too along the ranch-country riding trail with Mark Terry, 15-year-old son of Mr. and Mrs. Bobby Terry, the most seriously injured.

He is still hospitalized here suffering from a type of rib injury after taking a spill seven miles out on the course.

The sponsoring motorcycle club maintained a first aid station with two trained first aid people along the route for treatment of injury victims. The aid man told The Dispatch at the end of the day that only other casualties during the enduro were two riders who lost skin scuffed off their legs in spills and one who lost a fingernail.

Post had two winners in the 0 to

100 cc in the B novice class. Ronald W. Thompson of Post finished second and J. D. Hendrick third behind the class winner, Deon Brown of Amarillo.

Riders were given penalty points for passing through time-clock check points too fast or too slow for the 18-mile established speed for the Enduro.

The riders went off three or four at a time at one minute intervals on the first 50-mile cross-country loop, were given 30 minutes for lunch, and then sent off at similar intervals on the second 50-mile loop.

Post Public Library volunteers maintained a refreshment and food stand at the starting point throughout the day and reported between \$150 and \$200 profit for the long day which began with the serving of a full breakfast at 7 a.m.

About 25 acres at the starting point were covered with campers, trailers and tents of the contestants and their wives and children for Saturday night so they would be ready for the 8 a.m. Enduro start.

The "cold front" blew in with light rain around 4 p.m. Sunday and made the enduro windup a more uncomfortable one, some of the final contestants finishing in the wind and rain.

Official results for the various divisions of the enduro:

0-100 CC A Class: E. W. Bryan of Amarillo, first; Dale Tow of Amarillo, second, only finishers.

101-200 CC Class A: Dean Bedloe of Amarillo, first; Glenn Terry, Amarillo, second; Jerry B. Anglin

of Lubbock, third.
201-250 CC Class A: Gerald Henderson of Amarillo, first; Joe Clark of Amarillo, second, and Ralph Coen of Roswell, third.

251-Up CC Class A: Roy Pool of Euless, first; Pete Donnell of Canyon, second, and 57-year-old Cecil Wise of Amarillo, third.

0-100 CC B (Novice) Class: reported higher in story.

101-200 CC Class B (Novice-lass): Joe Terry of Portales, first; Tom Cope of Estelline, second; and Bill Pando of Dallas, third.

201-250 CC Class B (Novice): Floyd McGrew of Lubbock, first; Jerry Riley of Amarillo, second; and Mike Tow of Canyon, third.

Number 25

Maybe it's a bit premature, but this is to announce that the Teenagers Live Nativity Scene, which Mrs. C originated 12 years ago, will again be held in the Cornish carport this Christmas eve.

It will be the 12th consecutive year for the "scene" and we are hoping our granddaughter, Andy, will enjoy it.

She's a little small to be "in" the cast but it won't be too long.

Christmas eve falls on Sunday this year, which will mean a lot of special church services around town, but we are hopeful that all who want to come can arrange their schedules for one of the 20-minute scenes at 6:30, 7:30 and 8:30.

All of this means of course that the "Cornish castle" will really be "jumping" with both daughters home for the holiday.

People have been asking if the "scene" is scheduled, but we had to wait for our family Christmas plans to jell.

That Thanksgiving paper is coming awfully early next week — on Monday morning about 6:30 a.m. to be exact — so if you have an ad or a news item for next week please bring it by the office tomorrow.

A lot of nice people have come forward in the last few days with United Fund donations and last week's "bleak prospects" of making the \$9,500 goal are "unbleaking" considerably. We still have almost \$700 to go but there are some "good steady givers" still to be heard from in the business division which gives us hope.

If there are any more who have been missed, this Thanksgiving season is the time to come forward— (See Postings, page 8)

Chamber directors discuss reports

Post Chamber of Commerce directors yesterday noon went over reports on the upcoming Christmas promotion, last week's Post Motorcycle Rodeo and Enduro, and the organization's budget and dues collections.

In a luncheon session at the Drover House Restaurant, directors completed work on their 1973 mail ballot for Chamber directors and discussed speaker possibilities for the annual banquet.

Attending were Mrs. Ruby Kirkpatrick, Walter Didway, Grant Lot, Jim Cornish, and Chamber Secretary Wynonne Kennedy.

FESTIVAL OF LIGHTS, SHOPPER CONTEST

Two new events for Christmas activities

Post's downtown Christmas season promotions, finalized at a meeting of the Retail Promotions Committee of the Post Chamber of Commerce last Thursday afternoon, call for two new events this year.

One of them is the previously announced Festival of Lights which will be held Friday night, Dec. 2, under the sponsorship of the Women's Division of the Chamber.

The other is a "smart shoppers" window contest which will be conducted Saturday afternoon, Dec. 9, with a variety of the prizes for the winners.

Santa Claus has scheduled two visits for Post this year on Saturday afternoons, Dec. 9 and 16. There will be three Saturday drawings for \$50 or more in merchandise certificates, beginning Dec. 9 and finishing Dec. 23 with a \$100 merchandise certificate guaranteed as the final drawing prize.

Christmas carol singing with members of various local church choirs participating is scheduled for the Festival of Lights event when downtown Christmas lights will be turned on for the first

Construction to begin Monday

The Pharr Construction Co. of Lubbock is expected to move in equipment Monday to begin construction of the new "law enforcement complex and county jail" here Monday.

County Judge Giles W. Dalby told The Dispatch yesterday that the county commissioners court authorized the signing of the construction contract Tuesday after receiving approval of the contract that same day from the state criminal justice council in Austin.

DEPENDING ON WEATHER

Cotton harvest is 'two weeks away'

Garza County's 1972 cotton harvest is still two or more weeks away, County Agent Syd Conner said yesterday.

Conner said "two weeks" before the harvest really gets rolling only "if the weather straightens up". If it doesn't, it will take longer. There are still lots of green bolls which haven't opened, Conner said, and lots of fields are still too wet to get into.

Some gins have ginned a few bales, he reported, but others

haven't even "cranked up" as yet. The county agent said quite a few "barky grades" are coming back on what cotton has been ginned, indicating that the cotton was harvested too early.

Post received an official 16 of an inch of moisture in the cold front which "blew in" Sunday afternoon with the low temperatures on Tuesday and Wednesday morning officially reading 28 and 29 degrees respectively. A new cold front is forecast this weekend.

Garza County's 1972 United Fund has now passed the 91 per cent mark en route toward its \$9,500 goal, Drive Chairman Jim Cornish reported today.

Contributions and pledges now total \$8,693.25, he said.

"We're in the cleanup stage, but still have 25 or so regular contributors in the big business division to contact," Cornish said.

"With the cleanup in the other divisions expected to add small amounts to the total, the success of the campaign will be determined by whether or not we take any substantial losses in giving from those still to be contacted," Cornish said.

"We barely have a chance to make it," he said after projecting the former giving of those firms still to be contacted.

Cornish said the drive this year took losses in several divisions, as compared with previous years.

The Postex Plant employees division boosted its giving this week to a final figure of \$1,212, as compared to \$1,325 a year ago. Many other divisions have "dropped off"

91 PCT. MARK PASSED

United Fund is going goalward

in about similar percentages. One major gainer, however, Cornish pointed out has been the farm and ranch division with contributions to date totaling \$691 as compared to \$425 a year ago.

He attributed this to wider contacts being made by women United Fund workers under the chairmanship of Mrs. Patty Kirkpatrick.

The hospital employees and postal employees division are yet to report and the downtown employees division is far from complete, Cornish said. He said it is hoped all three of these divisions will complete their fund canvasses this weekend.

"We've got a chance to make it, but we need every dollar we can get if we do," he concluded.

Persons wanting to give who have not been contacted are asked to leave their contributions at The Dispatch office or mail them to The Dispatch.

cash night is scheduled for Friday night, Dec. 8.

Many Post stores will start remaining open nights for Christmas shoppers beginning Monday night, Dec. 11.

The Smart Shoppers Window Contest will consist of entrants identified by (See Christmas, page 8)

Gold Star 4-Hers will be honored

Marla Shelton and Tony Conner, Garza County's 1972 Gold Star Girl and Boy, will be among the top 4-H boys and girls from each of the 20 South Plains counties in District 2 to be honored at the 15th annual District 4-H Gold Star Banquet at the Coronado High School cafeteria in Lubbock at 6:30 p.m. Monday, Nov. 20.

Guest speaker at the annual event will be Dr. H. O. Kunkel, Dean of Agriculture, Texas A&M University.

About 450 people are expected to attend the banquet. Also on the program will be Garza County 4-H members Nancy Cook, Junior Stelzer and Phyllis Kennedy.

The Garza County extension agents and the two Gold Star youngsters' parents will also be guests at the banquet.

Fire results in heavy damage at garage

Spilled while an air filter being cleaned, ignited and a fire which resulted in several hundred dollars damage at Garage, 615 North Broadway, 7:30 a.m. yesterday.

An employee of the shop said yesterday afternoon, "We are still checking to see just how much damage was done by the fire."

Cecil Foster Sr. is owner of the garage.

Damage was heavy at the building, Fire Chief Larry reported.

Under the hood of the burn-up caused wires which

which was in low gear, to "self-start" and run into a work bench, knocking it over and spilling cleaning fluid, which added "fuel to the flames."

The Dispatch will close at 5 p.m. Monday for a Thanksgiving holiday vacation for employees.

6 'Cycle Rodeo events draw 51

Fifty-one riders competed in the first annual Post Motorcycle Rodeo held Tuesday evening at the Post Stampede arena and sponsored by the newly organized Post Cycle Club.

Interest was high in the cycle rodeo, which included six events broken down into five classes, including a class for 14-year-olds and under. First and second place trophies were awarded in each event, according to Cecil Foster Jr., president of the Post Cycle Club.

Earl Chapman, an officer in the cycle club, reported that \$520 was taken in at the gate and including entry fees. "That's before expenses," Chapman said in quoting the \$520 figure.

Trophy winners in the various events were as follows:

One error found in vote canvass
Sheriff J. A. (Jimmy) Holleman "lost" 50 votes Monday in his election to his first four-year term.

The county commissioners court in canvassing the general election returns found a 50-vote error in the precinct 1 voting box. Holleman's total for the box should have read 305, not 355.

In other actions, the court: Authorized payment of the final \$625 to the First National Bank on warrants for the county's share of construction costs of the Lorenzo Alexander Community Center.

Decided it would be advantageous for the county to keep present operation of the multi-county food stamp office here rather than adopt the changes proposed by the state for single county offices.

Heard Commissioner Ted Atea report that the ambulance committee is to meet soon to seek a solution to the ambulance problem.

United Fund takes lots of work

Even though it always takes a considerable effort on the part of donors, it is not a simple job to get a United Fund campaign going. It is something that one has to do for the various agencies participating in the fund. It is not a simple job to get a United Fund campaign going. There were the usual number of "junk" articles in the last week's general election. Most of these getting written were for the same year who get their year after year. We have seen a few more since. One that caught our eye was a piece that was written for the county clerk's office. It was written by a man who was a member of the county clerk's office. Classroom teacher main cog

The classroom teacher is the main cog in the machine of public education. It is not a simple job to get a United Fund campaign going. competent teacher is not rewarded by society in a degree commensurate with her contribution. Most classroom teachers are turned into multiple roles of housewife, mother, and supervisor. Caught in a paper which emanates from the office of school functions, the classroom teacher finds her creativity stifled. Consequently, the quality of education tends to deteriorate.

Cooper proves 'experts' wrong

Congratulations to the Cooper Family who in their first year of Class A competition have won the right to represent District 5A in the 16-team playoff against teams from the 14th district.

What's happened is that in a month's time, he had spent 20 cents for \$122 worth of food stamps. He gets \$122 worth of groceries and \$24.47 pocket money. Just think what happens if this guy is a member of a committee of 15-20 other "sliggers" who work the same game.

Hermleigh Cards pound Southland by 61-29 score

SOUTHLAND — The Southland Eagles caught the Hermleigh Cardinals on Hermleigh's homecoming night last Friday and came out on the short end of a 69-21 score in a game that was called in the third quarter because of the six-man conference 45-point lead rule.

The Cardinals had scored 36 points before the Eagles got on the scoreboard with a 27-yard pass from Gregg Lester to Jerry Winterrowd, with the same combination working for the extra point.

Southland narrowed the gap a little more, with Lester again passing to Winterrowd, this time for four yards. Ray Garza kicked the extra points, and the score was 36 to 15. Hermleigh, however, came back with 11 more points to make the half time score 57-15.

Southland scored again in the third period on a Lester to Larry Koston pass, but Garza's kick was blocked to leave the score at 57-21. The Cards came back with two more touchdowns, at which point the game was called.

The loss left Coach Dan Kennedy's Eagles with a 3-5-1 mark and 2-3 in district play. They play their final game at Bula at 7:30 p.m. Friday against one of the league leaders.

Phillys' Phrases

By PHILLYS ECKOLS

The past week has been full of elections in Post High. To start the trend the Senior Civics classes had a "mock" presidential election. Nixon carried at our school 73 per cent.

Homecoming elections resulted in the following ways: Homecoming Queen, Gaynell King and runners-up were Anita Criado and Crystal Nichols. Pep Squad beau, Kenneth Price had Johnny Minor and Randy Kennedy as runners-up. The band elected Crystal Nichols as their sweetheart. Runners-up for band sweetheart were Donna McBride and Jan Bilbo.

There was a bonfire Thursday night. It really added to the excitement (but it wasn't the excitement most of us expected). Our head cheerleader, Gaynell King was almost hit by a burning tire as it fell from the bonfire. But, our wounded football hero, Johnny Minor, saved the day. Johnny who had just gotten his crutches earlier that day, used one to knock the tire-down. He handled that crutch like an ol' pro. I bet the coaches wish he could pick up football plays as quickly as he did the usefulness of crutches.

Our "Teacher of the Week" is Coach Bobby Davis. "Citizens of the Week" are Tina McAlister and Timothy Owen.

This is the last week for you to buy a yearbook!

I was glad to see a good and complimenting article about our basketball team in the Lubbock paper, with only one more football game left — I'm really excited

POST STUDENT HONORED

Two students from the James Connally Campus of Texas State Technical Institute were awarded monetary grants to aid in their vocational training by Altrusa International Foundation. The students' names were submitted by the Altrusa Club of Waco, a 63-member classified women's service club. Mrs. Floried Boedeker, president of the Altrusa Club of Waco, (left), presents the grant checks to Sharon Wheeler of Waco (front) and Rita Valdez of Post. Both recipients are first trimester students in the dental assistant program at State Tech.

about basketball season. Let's win District!

The band has really been working hard, getting ready for Contest. Good luck, ya!!!

If you haven't bought one of the band's fruit cakes — do — they're yummy!

Bobby Davis gets 'Teacher of Week'

By DEBBIE HOOD
This week's "Teacher of the Week" is Bobby Davis. He has been teaching in the Post school system for two years. The things he enjoys most about teaching is the association with and the guidance of the young people. He has been teaching for 11 years, and he received his B. S. from West Texas State University.

This year Mr. Davis is teaching Algebra I, P.E., and athletics. In his spare time he watches old movies on TV, plays golf, and worries about the next football game. Coach Davis participates in the THSCA.

When asked what being chosen "Teacher of the Week" meant to him, he replied, "I think it is an honor bestowed by the students upon teachers whom they both like and respect, for which I am flattered."

CLOSE CITY SOCIAL

The regular monthly Close City community social will be held Saturday, Nov. 18 at 6 p.m. in the center. Table games will follow the potluck supper.

Prayer group meets Wednesdays, Fridays

By SYLVIA SMITH

Talk about a good time! The prayer group meeting early every Wednesday and Friday at 7:30 in the Ag Building really has been having a good time in the Lord! Sharing how God has helped us and brought us closer to him lifts us through the week. Then there is the time of prayer — WOW — that's the greatest of all! I know those who have come have received a blessing. Why don't you come?

PHS Novel News . . .

By MIKE SMITH

This week, this column will be devoted entirely to the great British author, Charles Dickens.

Charles Dickens died from a stroke on June 9, 1870. One hundred years later, he was honored at a celebration all during the summer of 1970. Dickens is rated by some as

second only to Shakespeare among the English authors. About ten biographies about Dickens' life were published and some of his more prominent works were reprinted in the summer of 1970. Don't think that Dickens' works have died down. His books are selling at a rate close to a million copies a year. Dickens societies and Pickwick clubs (named after his famous "The Pickwick Papers" book) celebrated the Charles Dickens Centenary with many activities such as plays, readings, and concerts. There is certainly no disagreement between any of us that Dickens was truly a brilliant author, from our own experience in reading his works and the public's reactions toward them.

Charles' life began in poverty and ill health with a father who had to go to a debtor's prison because he could not pay his bills. Charles worked as an apprentice in a blacking factory and later as a court reporter, which was a difficult job. The people he knew when working were the sources of the characters in many of his novels. The reporting job led to writing sketches of life in London for newspapers. All these were reprinted in one volume called "Sketches by Boz." Its popularity led to novels such as "The Pickwick Papers", "Bleak House", "Oliver Twist", "David Copperfield" and others.

"Marley was dead to begin with" was the interesting sentence which began one of Dickens' most loved and enduring tales, "A Christmas Carol." Published just before Christmas of 1843, the book sold 6,000 copies the first day it was put out. One of Dickens' friends said that it had done more good than all the pulpits in Christendom. Hardly a Christmas has passed in the century of the book's existence that it has not been read and enjoyed by thousands.

It is not exactly many characters Dickens but the number is some following short episode on Charlotte Neckett. (Her name was Charley) an orphan. "Bleak House." Charley's brother locked up in their man.

"To keep 'em safe, you see?" said Charley. "They can play, you know, an't afraid of being locked up, you, Tom?"

"No-o!" said Tom stoutly. "When it comes on dark lamps are lighted down in court, and they show up bright — almost quite bright."

"Yes, Charley," said Tom. "Then he's as good as said the little creature — such a motherly, womanly her to bed. And when he's goes to bed himself. And come home and night the and has a bit of supper, he up again and has it with me, you, Tom?"

"Oh, yes, Charley," said "That I do!" And either a glimpse of the great pleasure his life in in gratitude for Charley who was all to him, he laid his face on scanty folds of her frock, and ed from laughing into tears.

Dickens made his last major English Literature with "The story of Edwin Drood," was left unfinished at his in 1870. His novels have over the past century, and will probably last several

VISIT IN CALIFORNIA

Mrs. M. F. Smith of Post her son, Willis Smith, and of Garland, visited in California last week with the Jimmy family. Weekend visitors in Smith's home here beside Willis Smith were her families, Billy Smith of Big and Junior Smith of Haver,

TINA McALISTER, TIM OWEN

Two sophomores named 'Citizens of the Week'

The outstanding citizens of the week for this week are Tina Jalane McAlister and Timothy Jay Owen. They are both sophomores.

Tina is kept busy most of the day with her activities, which include twirling in the band and being on the junior varsity basketball team. The thing she likes best about school is seeing her friends each day and learning the exciting subjects offered at Post High School. She says the best quality any person could have would be to have a great personality which includes, humor, sympathy, and all good qualities.

Tina's plans for the future are to finish high school and go into a secretarial college or be an airline stewardess. She considers the most worthwhile contribution to Post High School is to be helpful and to show loyalty in everything you do. The most famous person Tina admires is her mom and she states that, "She is close and helpful to me."

Timothy is also kept busy at school with football, band, track and the FCA. The best thing he

likes about school is seeing his friends and taking part in school activities. The best quality a person can have, he says, is his personality most of all, because that is how people grade you as a person.

His plans for the future are to finish high school, go to Texas Tech and major in physical education. His most worthwhile contribution to Post High School is to be an outstanding student in his classes and to have pride in everything he does. When asked which famous persons he admires the most and why, Timothy states, "I admire my parents because they try to help me in every situation that I need help."

RETURNS FROM HOSPITAL

J. E. Parker was returned to his home here last Friday from Lubbock's Methodist Hospital, where he had undergone major surgery. Parker, who served 12 years as county judge, recuperated so rapidly from the surgery that he was able to return home several days ahead of schedule. He is reported to be getting along "just fine" at his home here.

Happiness Comes from the Inside

By Syd B. Wyatt

"For as he thinketh within himself so is he." Proverbs 23:7.

Thoughts make the man. We are what we think and we become what our minds have prepared us to be.

The Christian of all people of the world should be happy. This happiness should radiate continually. After all we have been promised our daily bread, shelter and clothing, a way of escape when tempted and that no hardship will be placed on us that we can not bear, forgiveness of all sins and last but not least a home in heaven in the life to come.

Yet in spite of all these promises some of the unhappiest and most tormented people I know are followers of Christ. They have not received the peace of God and many are wandering why.

The reason so many Christians are still living without true Christian happiness is that they have never made their

minds receptive to God and aware of God's blessing. Beautiful music has no value to a person who has no appreciation of beautiful music. Nor does art have appeal to a person who has no understanding of fine art. A person who will not open up his heart to God and look around at the beauties of God's creation and the beauties in his life, man, will never be happy in the Lord.

The mind of man in everything we believe, Christ is the mind. We are moved to obey God's commandments by the mind. We are also moved to find happiness by the mind.

A good way to begin finding happiness is to sit down and count your blessings. There may be lots of things without country and surroundings but we still have it better than anyone else in the world. After you have done this look around you and find someone to help who is less fortunate than you. This is where real Christian happiness comes from.

Friday Night

Nov. 17 — 7:30 P.M. KICKOFF

Coach Bobby Davis' Post Antelopes will wind up their 1972 football season at Tahoka Friday night, hoping to bring up the final grid count to four victories in ten starts. Tahoka's Bulldogs, the only team in the loop to defeat the Cooper Pirates, were in the thick of the title chase until upset by Frenship's Tigers. They sport a 3-2 record in district play and a 6-3 for the season. But don't forget the 'Lopes came up with a victory over Frenship so everything's possible.

Syd Wyatt, minister of the Post Church of Christ, gave an inspirational talk on what Rotarians have to be thankful for at that civic club's weekly luncheon in city hall Tuesday.

WAITING FOR SECOND HALF

Band Sweetheart Crystal Nichols waits to enjoy the second half of the football game with runners-up Donna McBride (left) and Jan Bilbo. Crystal was crowned in a between-halves ceremony at the Post-Roosevelt Homecoming game.

COME ON, POST EXES!

Dear Editor:

"What if we had a homecoming and no one came?" — we almost did, with the exception, of course, of the two individual class reunions.

I couldn't help but notice the difference in the schedule of activities planned by the Spur Ex-Students, who also had their homecoming this past weekend, and the one activity scheduled by the Post Ex-Student Association. The Spur exes were invited home to attend a barbecue, parade, business meeting, coffee, a program of entertainment, two nights of dancing, and various other sessions of visiting and fellowship with their former schoolmates. Activities were planned that could be enjoyed by ex-students of every era; while the one activity planned by the Post Ex-Student Association was a dance following the football game.

Upon dragging out my old high school annual, I managed to come up with these statistics: Out of my graduating class of 40 students, I counted only 13 who danced (unless others have visited with Arthur Murray since graduation). I daresay the percentage of dancers in the classes just preceding and following ours was even less.

BAND RATES CLASS II

The Post High School band was one of nine Class AA bands to receive Division II ratings yesterday in UIL marching competition at Lubbock. The other Division II bands were Floydada, Cooper, Abertamy, Slaton, Olton, Tahoka, Idalou and Ralls. Six Class AA bands receive top honors in the competition. They were Morton, Friona, Dimmitt, Frenship, Denver City and Littlefield. Lockney and Roosevelt received III ratings.

VISIT GRANDPARENTS

Capt. and Mrs. Hollis Tarpy, and daughter Rebecca, visited in the home of Mrs. Tarpy's grandparents, Mr. and Mrs. W. C. Knowles. Captain Tarpy is now stationed at Fort Carson Air Base, in Colorado. The Tarpy's were transferred from San Antonio.

Now don't get me wrong. I have nothing against dancing, and was included in the 13 students who did dance. The point I want to make is that it is doubtful that Bud Everett would drive 150 miles to homecoming to try to recapture the title that we won at the "Jitterbug" contest 25 years ago. On the other hand, he might make the trip if he thought the football queen of that year might also be in attendance, or the president of our class, neither of whom danced, by the way.

Come on Post exes, let's dedicate our "Homecoming 1973" to the students of Post High School and let it be our proclamation to them that it is truly an honor to be an ex-student, or better still, a graduate, of PHS.

In the meantime, congratulations to Spur Ex-Student Association! They sure know how to have a homecoming.

Postings—

(Continued From Front Page) to The Dispatch office with check or cash in hand. We never hesitate to ask. And we'll tell you why. One of our "regulars" who has been giving \$125 each year to the fund wrote out his check for only \$100 this year. When we saw him yesterday we told him we were sorry he had had to cut his contribution down \$25. He looked surprised. He said he thought he had only given \$100 last year. So he sat down and wrote out a check for another \$50 with the comment, "If you are struggling to make it maybe this will help."

Post, Tahoka to end seasons Friday on Bulldog grid

Final football game for 14 PHS seniors

Fourteen senior class members of the Post Antelope football squad will be suited out in their high school grid togs for the last time Friday night when the 'Lopes play Tahoka Bulldogs at Tahoka in the final game of the season for both teams.

Senior members of the Post squad are: John Johnson, Kenneth Robert Mindeta, Robert La, Tol Thomas, Noel Saldid, Johnny Minor, Rodney Comp-Dan, Dan Hodges, Roger Pace, Dan Conner, Bill Hudman, Randy and Danny Lee.

Though Minor will be suited out, he is doubtful if the tough lineman will see action, since he has a bad injured heel to go with injured knees which have slowed him since the start of the season. He was on the team but not suited out for last night's Roosevelt game.

Because the Antelope squad is in good physical condition, Coach Davis said, with Mindeta, he is also bothered with knee injuries, slated to start on offense at fullback position. Other field starters likely will be on the line at quarterback, Ken E at tailback and Donnell Harp at halfback in place of David, who sustained an ankle in Roosevelt game.

The only offensive line change is the addition of Bill Hill as left end. Noel Saldid will guard and Rodney Compton

at right guard, the coach said. Tahoka, which was in the thick of the race for the District 3AA championship until losing to Denver City, 13 to 12, Friday night and dropping to a 3-2 mark in loop play, will be heavily favored over the Antelopes. Up until last Friday night, however, Tahoka's only loop loss had been to Frenship, which is the only district team Post has been able to beat. Both games were decided by one point, Tahoka losing to the Tigers, 18-17, and Post beating them, 8-7.

The Bulldogs have three powerful runners in quarterback Phil McClendon, fullback John Thomas and tailback Jim Bailey. McClendon is also a capable passer with wingback Louis Zeditz and end Gary McCord his favorite receivers.

Coach A. J. Viertel's probable starters on offense against Post will be as follows: Gary McCord, 156-pound senior, tight end; Larry Reynolds, 170-pound senior, split end; Clifford Laws, 215-pound senior, left tackle; Gordon Terry, 191-pound senior, right tackle; Chuck Hoskins, 160-pound senior, left guard; Ken Turner, 178-pound junior, right guard; Robin Harvick, 150-pound senior, center; Phil McClendon, 151-pound senior, quarterback; John Thomas, 175-pound senior, fullback; Jim Bailey, 170-pound junior, tailback; Louis Zeditz, 171-pound senior, wingback.

Forecaster says 'Lopes to whim-wham Tahoka

The Dispatch's football forecaster, Pigskin Pete, came down on Tahoka in percentage last week by missing on five games out of six predictions.

He called it wrong on the Post-West, Abernathy-Idalou, Ham-Ballinger, Dunbar-Brownfield and TCU-Texas Tech games.

The right and five wrong gives forecaster a total of 111 "hits" and 44 misses on the season for a 71 percent mark.

Pigskin Pete's predictions for the week are as follows, his bets in capital letters: POST at Tahoka. 'Lopes going to win all their fans a big favor setting Bulldogs.

ROOSEVELT at DENVER CITY. 'Lopes ride home for Eagles.

ANTHELOPE at Frenship. Picking Post to finish with two victories out of one.

POST at OLTON. Not much chance here for Mustangs.

POST at MORTON. Indians coming along after slow start.

POST at ABERNATHY. Home advantage, for one thing.

POST at FLOYDADA. Whirlwinds in the way.

POST at IDALOU. Wildcats to win on winning note.

playoff berth by losing to Hamlin. STAMFORD at WINTERS. A real toss-up here, but Pete goes with Blizzards.

MULESHOE at Perryton. Long trip for Mules, win or lose.

TEXAS TECH at BAYLOR. Raiders fell too hard Saturday to bounce back high enough to beat Bears.

FROM FORT WORTH. Mr. and Mrs. John Bullard of Fort Worth visited in Post over the weekend with family and friends. The Bullards visited in the home of Mrs. Wesley Stephens Sunday.

ON HOMECOMING, TOO!

Eagles register early to thwart Post, 14-0

The Post Antelopes saved one of their "less inspired" performances of the season for last Friday night's homecoming and lost to the Roosevelt Eagles, 14-0, in a game in which there was little to cheer about on either side of the field.

The Eagles scored both of their touchdowns in the first half, one in each quarter, then settled back in the second half to hold off the Antelopes — which wasn't much of a job, since the locals were never able to get any kind of an effective attack going.

To the Antelopes' credit, it can be said that they played better defensive ball in the second half than in the first, but the damage had already been done.

The 'Lopes finished with a total of 77 yards net yardage — 47 of it by air — and were held to two first downs in the first half. The Eagles rolled to 191 yards on the ground and picked up 57 passing for a total of 248 yards.

The game was less than five minutes old when the Eagles scored their first touchdown after recovering a fumble on the Post 41. Fullback Kenneth Bobo carried three times for a total of 17 yards to the 24 and halfback Keith Stone went for three more before speedster tailback John Blackwell swept his right end for 21 yards and a touchdown, with Joe Brown kicking the extra point.

Another turnover — Bobo's interception of quarterback John Johnson's pass on the Roosevelt 43 and a 13-yard runback to the Post 44 — gave the ball back to the Eagles after Post halfback David Conoly had returned the Roosevelt kickoff from the five-yard line to his 32.

Two plays later, Post got the ball back by falling on an Eagle fumble on the 'Lope 45. Unable to pick up first down yardage, Danny Lee punted for Post, with end Randy Kennedy hitting Blackwell just as

the latter feilded the punt on the Eagle 23, and recovering for Post at that point.

Two running plays failed to gain for the Antelopes, and a Johnson to Conoly pass was incomplete. On fourth down, Johnson pitched back to sophomore Randy Josey for a pass, but before Josey could get the ball off he was swarmed under on the Post 33 where the Eagles took over.

With Bobo and tailback Lee Anderson sharing most of the ball carrying, the Eagles drove 67 yards for their second touchdown, using up four plays at the tail end of the first quarter and five and a half minutes of the second quarter before Anderson finally went over from four yards out. Brown booted the extra point to end the scoring for the night.

Later in the quarter, with Post still unable to get an attack going, the Eagles went from their 24 to the Post 14, but guard Richey Dudley stacked two tries at the line for no gain, and Kennedy caught quarterback Ricky Hightower for a two-yard loss as time ran out in the first half.

Early in the third period, Hightower returned a Lee punt 35 yards to the Post 25, and a pass from quarterback Chris Marshall to Bo-

bo deposited the ball on the Post seven. The 'Lopes held, however, and Brown's attempted field goal from the 20 failed.

A five-yard penalty helped the 'Lopes pick up a first down, and Jerry Tyler, in for Johnson at quarterback, kept for an 18-yard gain to the Post 48. Johnson came back in to hit Kennedy with a 12-yard pass and another first down on the Eagle 42. Tailback Kenneth Price gained only a yard, and Johnson lost six trying to pass — without protection. Tyler gained 11 on a keeper, but tried again for no gain, and the ball went to the Eagles on their 36 on the next to the last play of the third quarter.

Post got good field position back on the second play of the fourth quarter when Rodney Compton pounced on an Eagle fumble on the Roosevelt 35, but Johnson's pass protection again broke down and he was thrown for losses totaling 18 yards on two attempts after Price had gained four at the line, and another passing try missed its mark, with the Eagles regaining possession on their 49.

Roosevelt took the ball from there to the Post 15, but the 'Lope defense again stiffened to take over the ball on downs. Post made it up to their 44, aided by two five-yard penalties against the Eagles and a 13-yard pass from Josey to Johnson. Two plays later, the Eagles' Buster Washington intercepted a pass and brought it back 30 yards to the Post 15. The Eagles were unable to get any further, however, and Brown missed another field goal try after Robert Varela had thrown a Roosevelt runner for a five-yard loss.

Tyler lost six to the 14, and Johnson completed a pass to Ricky Shepherd to the 26 on the final play of the game.

GIRLS PLAY TUESDAY

Cage season to snare spotlight

Basketball will soon take over the sports spotlight at Post High School, with the Antelopes scheduled to start cage drills Saturday, the day after the final football game of the season at Tahoka.

The high school girls' team, the Does, have been under way with workouts the last few weeks under their new head coach, Jay Wilson. The Does have had scrimmage sessions with Southland and Floydada, and are to open their regular season at Spur Tuesday night, Nov. 21, with both varsity and junior varsity games scheduled.

Coach John Alexander's Antelopes, who have been picked by District 3AA coaches to "win all the marbles" in district play, are to open their season at Crosbyton on Saturday, Nov. 25. The Does and JV Does also will play at Crosbyton the same night.

Coach Alexander, starting his second year as head basketball coach, said he is naturally pleased and that the players themselves are elated over being picked as

7th, 8th graders lose final games

Both junior high teams lost their final games of the season at Tahoka Tuesday evening. The 8th grade by a score of 28 to 14, and the 7th grade, 20 to 6.

In the 8th grade game, Tahoka held a 12-9 halftime lead, with Post getting its first score in the third quarter after recovering a Tahoka fumble and driving 40 yards. Matt Allison carried over from two yards out for the touchdown.

Tahoka scored 14 more points before Post again got on the board in the fourth quarter on a pass from Danny Sawyers to Randall Wyatt.

Post scored first in the 7th grade game with Brad Shepherd going three yards on a dive play. Tahoka scored on a 20-yard run in the second quarter, and the teams were tied 6-6 at the halftime intermission. Touchdowns by Tahoka in each of the third and fourth quarters clinched the verdict for them.

The white man's name for the Eskimo may have been coined in 1611 by a Jesuit who heard Indians call them "eskimantsik" or "eaters of raw meat."

Big second half gives frosh win over Roosevelt

The Post freshman football team scored 22 points in the second half last Thursday to defeat the Roosevelt freshmen, 28 to 6, on the latter's gridiron.

Roosevelt scored first on a sustained drive in the first quarter, but Post came back late in the second period to knot the count at 6-6 on Bryan Davis' 18-yard pass to Duke Bell, and that's the way the first half ended.

A fired-up Post defense held Roosevelt scoreless in the second half, while the offense was scoring its 22 points. Lee Cruse went six yards for one touchdown and Edward Price the same distance for another. The final touchdown came on a three-yard run by Price, and Garland Dudley ran over the extra points after both of Price's touchdowns.

Coach Lane Tannehill's freshman team plays its final game of the season here at 5:30 p.m. today against the Tahoka freshmen.

and sophomores Ann Mitchell and Lea Merrie Cross at guards. Cindy Bird, who lettered at a forward position as a sophomore last year, is not out for basketball this season. Coach Wilson said.

The coach said he will carry 10 girls on his junior varsity squad. Of the seven schools in District 3AA, Denver City is the only one that does not field a girls' basketball team. The pre-season favorites for the championship are the defending champion Slaton Tigerettes, who already have six non-conference wins to their credit this season.

Cold halts harvest in Southland area

By TOMMIE WILKE
Hello to each of you, and I hope all is well. The cotton harvest has started in this community, but was interrupted Sunday when the cold front moved through and left us a little rain. Guess it will get started again in a day or two. In most

cases, the cotton is still too green, but you know how restless these farmers can get at this time of the year when they look out there and see their whole year's paycheck just sitting there waiting to be gathered "into the fold." Won't it be nice to have a few coins jingling

in our jeans for a change? Recent Sunday visitors in Mrs. W. P. Lester's home were Mr. and Mrs. Lee T. Lester and children of Midland, Mr. and Mrs. Winston Lester and children of Lubbock, Mrs. Billy Lester and sons, Miss Jackie Moore of Post and Rev. Charles Hastings of Lubbock. Mr. and Mrs. D. D. Pennell recently returned from Las Vegas, Nev., where they attended a "Good Sam" National Camping Rally. Congratulations to Otto Klau

who has just recently become a brand-new great-grandfather. His granddaughter, Audrey, and hubby were blessed with a baby son on Oct. 31. This lad weighed in at 7 lbs., 3½ ozs. and his great-grandfather is as pleased as "punch"! J. W. Basinger is home once again after spending a week in Methodist Hospital where he underwent surgery. Glad to have you back home, J. W. G. D. Ellis was moved to Mercy Hospital, Slaton, from the Rest

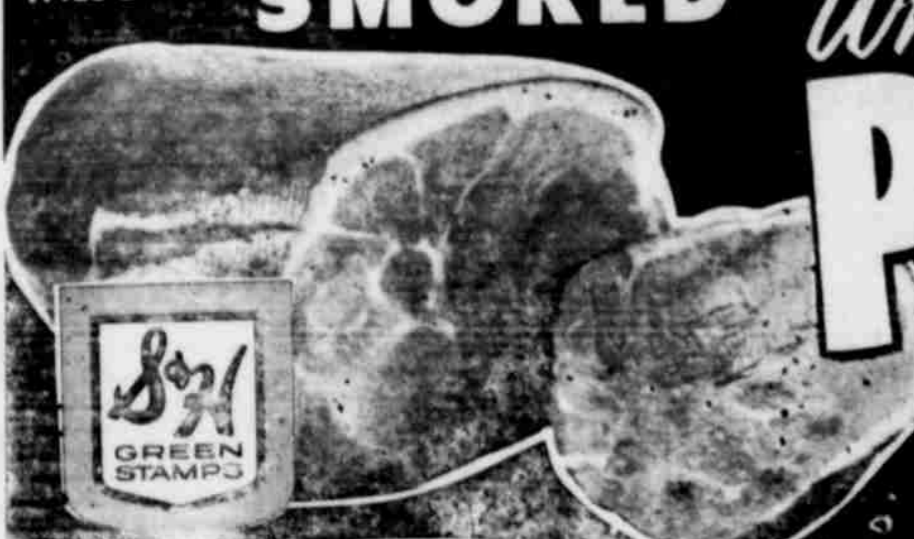

Home, and he is very, very ill at this writing (Monday). May God be with him and his family in this critical time. We extend our deepest sympathies to the family of Martin G. Owens who died about 12:05 p.m. this past Saturday in Methodist Hospital after seven weeks of illness. He had been at home but had returned to the hospital Friday of last week. Mrs. Robert Long's sister, Mrs. Bill Romines of Plainview, spent a few days visiting with her this week. Mr. and Mrs. R. M. McMinn vis-

ited with Edmund and Yours Truly this past Sunday afternoon. Mr. and Mrs. Max Courtney and children spent this past weekend at Maynard visiting with friends. Mr. and Mrs. H. C. Dunn spent this past weekend in Dallas visiting with their son, E. L. They also visited with Mr. and Mrs. Jack Hargrove and Joe Neil Hargrove. Jack and Joe Neil are former residents of this community. Mr. and Mrs. D. D. Pennell spent this past weekend at Lady Bird Park, down close to Fredericksburg, at a campers' convention.

Ray Simmons, Southland School superintendent, won two tickets from the First National Bank of Post, to the Texas Tech-TCU tilt last Saturday. Don't think he enjoyed the game too much, but I'm sure he enjoyed the halftime activities. That Texas Tech Band just can't be beat! A belated "happy birthday" to Mrs. Elsin Crawford on Nov. 11. She is real disgusted that the banks and post offices and other businesses don't close on her birthday any more. After all these years of celebrating Armistice Day on the

11th of November and then change it — even to a different name. Well, I'm with you, Elsin. Mr. and Mrs. Sammy Warren and daughters from Albuquerque, N.M., were here recently to attend the funeral of her grandmother, Mrs. Hallie Dillard of Post. She also spent several days here with her parents, Mr. and Mrs. Carl Wartes. They have two beautiful daughters. Every time they come down this way, they are sweet enough to come to the post office for a short visit with me, and I do it. (See Southland, Page 11)
